protection to the Indenture Trustee; and upon the proceedings held before this Court and good and sufficient cause appearing therefore,

Upon the terms of the Motion, the stipulation, acknowledgement and agreement of the Debtors and the Indenture Trustee, the Court makes the following findings:

A. On February 28, 2012 (the “Petition Date”), each of the eleven (11) above-captioned Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code (the “Chapter 11 Cases”). Immediately after filing these Chapter 11 Cases, the Debtors filed a motion for order pursuant to Rule 1015(b) seeking joint administration of these Chapter 11 Cases, which has been granted by the Court. These Chapter 11 Cases have not been substantively consolidated.

B. The Debtors are operating their businesses and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No request has been made for the appointment of a trustee or examiner in these Chapter 11 Cases.

C. This Court has jurisdiction over this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2). Venue of the Chapter 11 Cases and the Motion in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

D. Prior to the entry of this Final Order, the Court held a hearing on March 5, 2012 on the Motion and entered an Interim Order (I) Authorizing Use of Cash Collateral, (II) Providing Adequate Protection, and Scheduling Final Hearing (the “Interim Order”) on March 5, 2012, pursuant to which the Debtors were authorized to use cash collateral upon the terms and conditions provided therein.

### The Notes

E. The Notes were issued in the aggregate principal amount of \$64,050,000 pursuant to that certain Indenture dated April 30, 2010 (the “Indenture”) between the Cliffs Club & Hospitality Group, Inc. (“ClubCo”), certain Guarantors (the “Guarantors”), and the Indenture Trustee. Under the Indenture, there are two series of Notes, the Series A Notes (the “Series A Notes”) which were issued in the original principal amount of \$39,800,000 and the Series B Notes (the “Series B Notes” and with the Series A Notes, the “Notes”) which were issued in the original principal amount of \$24,250,000. The obligations created by the Notes and any of the other Note Documents (as defined below) are referred to herein as the “Note Obligations”.

F. In order to secure the Note Obligations (among other obligations), each of Debtors granted to the Indenture Trustee (as collateral trustee) a security interest in and continuing lien on all of their right, title and interest in, to and under all of their personal property (the “Personal Property Collateral”) pursuant to a Pledge and Security Agreement dated as of April 30, 2010 (the “Pledge and Security Agreement”). In addition, certain of the Debtors granted a mortgage, deed of trust, or leasehold mortgage as applicable (collectively, the “Mortgages”) to the Trustee (as collateral trustee) (collectively, the “Real Property Collateral”) to secure the Note Obligations, among other obligations. Together, the Personal Property Collateral and the Real Property Collateral, is referred to herein as the “Prepetition Note Collateral”.

G. In addition to the Note Obligations, as provided in the Collateral Trust Agreement dated April 30, 2010 (the “Collateral Trust Agreement”), the Prepetition Note Collateral also secures on a subordinated basis certain Membership Deposit Obligations (as defined in the Collateral Trust Agreement) owed to the holders of the Notes.

H. Further, payment of the Note Obligations was guaranteed jointly and severally by CCHG Holdings, Inc., each of ClubCo's subsidiaries, and James B. Anthony, individually, pursuant to Article X of the Indenture. Collectively, the Indenture, the Notes, the Pledge and Security Agreement, the Mortgages, the Collateral Trust Agreement, and any other documents related to the Notes are referred to herein as the "Note Documents".

I. As of February 24, 2012, the Debtors were obligated under the Note Documents in the following amounts: (i) the aggregate outstanding principal amount owed under the Series A Notes of not less than \$39,800,000, (ii) the aggregate outstanding principal amount owed under the Series B Notes of not less than \$24,250,000; (iii) the aggregate outstanding interest owed under the Series A Notes of not less than \$5,891,708; and (iv) and the aggregate outstanding interest owed under the Series B Notes of not less than \$3,589,797. The sum of (i) through (iv) in the aggregate is referred to herein as the "Note Claim", which is in the amount of \$73,531,505. The Indenture Trustee reserves any and all rights to amend the Note Claim, and nothing herein shall be deemed to be a waiver of such rights; *provided, however,* that in the event the Indenture Trustee amends the Note Claim to increase the amount thereof, the Debtors or other party in interest, including the committee of unsecured creditors (the "Committee"), may challenge any such increased amount.

### **The Interim and Final DIP Orders**

J. On February 28, 2012, the Debtors also filed their Motion for Entry of Interim and Final Orders Pursuant to 11 U.S.C. §§ 105, 361, 362, 363, 364 and 507(b) (I) Approving Post-Petition Financing, (II) Granting Liens and Providing Superpriority Administrative Expense Status, (III) Granting Adequate Protection, (IV) Modifying the Automatic Stay, and (V) Scheduling a Final Hearing (the "DIP Motion"). After a hearing on March 5, 2012, the relief

requested in the DIP Motion was granted on an interim basis pursuant to an interim order (the “Interim DIP Order”) approving, among other things, the granting of certain first-priority liens (the “Priming Liens”) to Carlile Development Company, LLC (the “DIP Lender”) that are senior to those of the Indenture Trustee, and securing financing provided by the DIP Lender on an interim basis in a principal amount not to exceed \$3,000,000 (the “Interim DIP Financing”), as provided more fully in the Debtor in Possession Loan and Security Agreement dated as of February 28, 2012 among the Debtors and the DIP Lender (the “DIP Loan Agreement”). The relief granted in the Interim DIP Order was granted on a final basis by order dated March 16, 2012 (the “Final DIP Order”) approving, among other things, the granting of Priming Liens to the DIP Lender that are senior to those of the Indenture Trustee and securing financing provided by the DIP Lender on a final basis in a principal amount not to exceed \$7,500,000 (the “Final DIP Financing”), as provided more fully in the DIP Loan Agreement.

K. The Indenture Trustee does not consent to use of Cash Collateral or the terms of the proposed Final DIP Financing, except upon the terms and conditions of this Final Order and the Final DIP Order. Notwithstanding the foregoing, nothing herein shall evidence or be construed to imply that the Indenture Trustee’s rights and interests have or have not been adequately protected.

L. A need exists for the Debtors to use cash collateral (as defined in section 363(a) of the Bankruptcy Code) (“Cash Collateral”) and the proceeds of the Final DIP Financing in order to continue their operations and maximize the value of their estates for the benefit of all creditors. Without such funds, the Debtors will not be able to pay employees, suppliers, and other operating expenses, or obtain goods and services needed to carry on their operations during

this period for the purposes set forth in this Final Order in a manner that will avoid irreparable harm to the Debtors' estates.

M. Pursuant to the Bankruptcy Code, the Debtors are required to provide adequate protection to the Indenture Trustee in respect of the Debtors' use of the Cash Collateral and in connection with the proposed Final DIP Financing.

N. Good cause has been shown for the entry of this Final Order. Among other things, entry of this Final Order will permit the Debtors to minimize disruption of the Debtors' businesses and operations and permit them to pay their payroll and other operating expenses, and obtain goods and services needed to carry on their operations during this sensitive period for the purposes set forth in this Final Order in a manner that will avoid irreparable harm to the Debtors' estates.

**Disclosures under SC LBR 4001-4(b)**

The Motion, or a party's counsel, identified the following provisions to comply with SC LBR 4001-4(b)'s requirement for identification of provisions that the court "does not normally approve." The provisions are as follows (the capital letters below correspond to the subparagraphs of SC LBR 4001-4(b)(1)):

(A) The Final Order provides that the Debtors waive any and all rights to object to or contest the amount of the Note Claim or the amount, validity, extent, priority, perfection, or enforceability of the Indenture Trustee's security interests in the Prepetition Note Collateral and agree that all such claims and security interests have been duly perfected and are in all respects valid and enforceable first priority security interests and liens. Under the terms set forth herein, this section is not binding on any third parties for a period of seventy (70) days after the Petition Date.

(B, C) The Final Order provides that, except as provided in Section 25 of the Final Order, the entry of the Interim Order by the Court is a conclusive and binding determination on all parties of (i) the amount of the Note Claim, and (ii) that the Indenture Trustee's security interests in the Prepetition Note Collateral, including, without limitation, the Cash Collateral, have been duly perfected and are in all respects valid and enforceable first priority security interests and liens and not subject to any claim under Bankruptcy Code Sections 506(c) and 552(b).

(D) The Final Order requires that the Debtors agree to conduct a Plan Sponsor/Solicitation Process by which they solicit competing proposals from third-parties to become the sponsor of the Debtors' anticipated plan of reorganization and to meet certain Plan Sponsor/Solicitation Process Milestones. This is consistent with the terms of the proposed DIP Financing and the goals of the Debtors in these bankruptcy cases.

(E) The Final Order provides that the Indenture Trustee shall continue to have a valid, perfected and enforceable continuing replacement lien and security interest (i.e. the "Rollover Lien", as further defined below) to the extent of any diminution in the value of the Indenture Trustee's interest in the Prepetition Note Collateral existing on or after the Petition Date, in all assets of Debtors which the Indenture Trustee had, of the same type, as it had in the Prepetition Note Collateral, together with the proceeds, rents, products and profits thereof, whether acquired or arising before or after the Petition Date, to the same extent, validity, perfection, enforceability and priority of the liens and security interests of the Trustee in the Prepetition Note Collateral as of the Petition Date, as well as a Supplemental Lien against the Collateral (each as defined below) to the extent of any

diminution in the value of the Indenture Trustee's interest in the Prepetition Note Collateral.

(G) The Final Order provides, *inter alia*, that the Debtors waive, release and discharge the Indenture Trustee and all holders of the Notes and related entities from any and all claims and causes of action arising out of based upon or related to, in whole or in part, the Notes and the Note Documents. Under the terms set forth herein, this waiver is not binding on any third party for a period of seventy (70) days after the Petition Date (which period may be extended as set forth in Section 25).

(I) The Final Order provides, upon a Termination Event, and upon fourteen (14) days' written notice (the "Notice Period") to the Debtors, and counsel to the DIP Lender, the Committee and the Office of the U.S. Trustee, the automatic stay shall be deemed automatically terminated, without further order of the Bankruptcy Court and without the need for filing any motion for relief from the automatic stay or any other pleading, to permit the Indenture Trustee to realize on all Collateral and to exercise any and all remedies against the Collateral or any part thereof; provided, however, during the Notice Period, Debtors, the DIP Lender, the Committee or U.S. Trustee may seek relief from the Bankruptcy Court to re-impose or continue the automatic stay and the Indenture Trustee reserves all rights to oppose each request.

**THEREFORE, IT IS HEREBY ORDERED THAT:**

1. Disposition. The Motion is hereby granted in accordance with the terms and conditions set forth in this Final Order. Any objections to the Motion with respect to the entry of this Final Order have either been withdrawn, waived, or settled, or are hereby denied and overruled.

2. Authorization to Use Cash Collateral. The Debtors are authorized to use Cash Collateral from and after the date of this Final Order through and until seven (7) days after written notice of a Termination Event (as defined below) for working capital and general corporate purposes and costs and expenses related to these Chapter 11 Cases upon the terms and conditions set forth in this Final Order and in accordance with the budget attached hereto as **Exhibit A** (as amended or extended from time to time as provided in a further order of this Court, the "Cash Collateral Budget"). With regard to the Cash Collateral Budget, the Debtors

shall be in compliance with the Cash Collateral Budget so long as the Debtors' total operating expenditures shall not exceed that set forth in the Cash Collateral Budget on a line-item basis by more than 7.5% (exclusive of professional fees, for which no variance may be permitted, though unused amounts for any period may be aggregated and rolled forward to be used in subsequent periods), measured on a weekly basis, *provided, however,* that the aggregate amount of expenditures does not exceed the aggregate Cash Collateral Budget on a monthly basis plus a variance of 5% (exclusive of professional fees on which no variance may be permitted). For the purposes of this Final Order, (i) the applicable measuring date for weekly periods shall be the last business day of each calendar week; and (ii) the applicable measuring date for monthly periods shall be the preceding four week period ending March 30, 2012, the preceding four week period ending April 27, 2012, the preceding five week period ending June 1, 2012, and for each subsequent month either the four or five week period as measured from the last business day that is a Friday of the prior month through the last business day that is a Friday of the current month. Notwithstanding the foregoing, the Debtors shall not be required to comply with the requirement that the Debtors' total operating expenditures shall not exceed that set forth in the Cash Collateral Budget on a line-item basis by more than 7.5% for budget periods from the Petition Date through and including March 30, 2012.

3. Exclusion from Cash Collateral. For purposes of this Final Order, the Debtors' shall not be authorized to use Cash Collateral from the following sources: proceeds of any lease, sublease, license or sale outside the ordinary course of business of any Debtor's assets.

4. Prohibited Use of Cash Collateral. Notwithstanding anything herein to the contrary, no proceeds of Cash Collateral or Interim DIP Financing or Final DIP Financing shall be used for the purpose of: (i) objecting to, or contesting in any manner, or raising any defense

to, the validity, amount, extent, perfection, priority or enforceability of the Notes, the Prepetition Note Collateral, the Note Claim, or any liens or security interests with respect or relating thereto, (ii) asserting any claims or causes of action against the Indenture Trustee or the holders of the Notes or their respective agents, affiliates, representatives, attorneys or advisors, (iii) seeking to modify the rights of the Indenture Trustee (with the exception of the contemplated plan of reorganization), (iv) preventing, hindering or otherwise delaying the Indenture Trustee's assertions, enforcement or realization on the Prepetition Collateral or the Postpetition Note Collateral (as defined below) in accordance with the Note Documents or this Final Order; (v) seeking to modify or modifying any of the rights granted hereunder to the Indenture Trustee or any holders of the Notes (with the exception of the contemplated plan of reorganization); (vi) seeking to bifurcate the claim of the Indenture Trustee pursuant to section 506 of the Bankruptcy Code; or (vii) paying any pre-petition amounts or amounts not included in the Cash Collateral Budget. Notwithstanding the foregoing, a Committee (as defined below) may use up to \$40,000 of Cash Collateral or proceeds of the Final DIP Financing to investigate, but not commence, prosecute or litigate, any claims relating to the above.

5. [Intentionally Omitted].

6. Amendment or Extension of Use of Cash Collateral. The Cash Collateral Budget shall not be amended or modified without the express written consent of the Indenture Trustee, which shall be at its sole, reasonable, discretion.

**Adequate Protection Provided to the Indenture Trustee**

7. Adequate Protection Payments to the Indenture Trustee. As partial adequate protection for the Debtors' use of Cash Collateral and the Final DIP Financing, the Debtors shall make monthly adequate protection payments to the Indenture Trustee in the amount of \$235,000

(the “Adequate Protection Payments”) on the first business day of each month commencing on April 1, 2012 (except that the first Adequate Protection Payment was remitted during the week ending March 9, 2012). The Adequate Protection Payments shall be applied and disbursed in accordance with the terms of the Indenture; provided, however, all parties reserve rights as to how the Adequate Protection Payments should be applied to the Note Obligations in these Chapter 11 Cases. The Committee reserves the right to seek disgorgement from the Indenture Trustee of any Adequate Protection Payments made hereunder, including any portion thereof, that is ordered by the Court to have been paid to the Indenture Trustee contrary to the provisions of the Bankruptcy Code.

8.     Rollover Lien. As further partial adequate protection and in consideration for the use of Cash Collateral, the Prepetition Note Collateral by Debtors and the Final DIP Financing, the Indenture Trustee shall continue to have a valid, perfected and enforceable continuing replacement lien and security interest (the “Rollover Lien”) to the extent of any diminution in value in the Prepetition Note Collateral, given the Priming Liens or otherwise, in all assets of Debtors existing on or after the Petition Date which the Indenture Trustee had of the same type, as it had in the Prepetition Note Collateral, together with the proceeds, rents, products and profits thereof, whether acquired or arising before or after the Petition Date, to the same extent, validity, perfection, enforceability and priority of the liens and security interests of the Trustee in the Prepetition Note Collateral as of the Petition Date. The Rollover Lien shall be subject to only the Priming Liens, the Carve-Out (as defined below), and to prior valid and perfected liens existing as of the Petition Date.

9.     Supplemental Lien. As further partial adequate protection and in consideration for the use of Cash Collateral and Prepetition Note Collateral by Debtors and the Final DIP

Financing (including the Priming Liens), the Indenture Trustee shall have as of the Petition Date a valid, perfected and enforceable continuing supplemental lien and security interest (the “Supplemental Lien”) to the extent of any diminution in value in the Prepetition Note Collateral, given the Priming Liens or otherwise, in all of the Debtors’ Collateral existing as of the Petition Date and thereafter. The term “Collateral” shall include all assets of the Debtors and the estates whatsoever within the meaning of Section 541 of the Bankruptcy Code, whether acquired or arising prior or subsequent to the Petition Date, whether now existing or owned or hereafter arising or acquired; provided, however, the term “Collateral” shall not include causes of action and proceeds therefrom of Debtors or their estates under Sections 544, 545, 547, 548, 550 and 724(e) of the Bankruptcy Code (the “Avoidance Actions”). The Supplemental Lien shall be subject to only the Priming Liens, the Carve-Out (as defined below), and prior, valid and perfected liens against the Collateral existing as of the Petition Date.

10. Superpriority Claim. As further partial adequate protection and in consideration for the use of Cash Collateral and the Prepetition Note Collateral by Debtors and the Final DIP Financing, the Indenture Trustee shall have a super-priority administrative expense claim pursuant to the Bankruptcy Code Section 507(b) (the “Superpriority Claim”) to the extent of any diminution in value of the Indenture Trustee’s interest in the Prepetition Note Collateral, existing on or after the Petition Date. Except for the repayment of the Final DIP Financing and the Carve-Out, the Superpriority Claim shall have priority over any and all administrative expenses, diminution Claims and all other claims against Debtors, now existing or hereafter arising, of any kind whatsoever including, without limitation, all other administrative expenses of the kind specified in sections 364, 503(b) and 507(b) of the Bankruptcy Code, and over any and all administrative expenses or other claims arising under sections 105, 326, 328, 330, 331, 503(b),

506(c), 507(a), 507(b), 546, 726, 1113 or 1114 of the Bankruptcy Code, and shall at all times be senior to the rights of Debtors, any successor trustee or any creditor, in these Chapter 11 Cases or any subsequent proceedings under the Bankruptcy Code, whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment, which allowed claims shall be payable from and have recourse to all pre- and post-petition property of the Debtors and all proceeds thereof.

11. Additional Liens. The Rollover Lien and the Supplemental Lien (together, the “Post-Petition Note Liens”; with the collateral secured by the Post-Petition Note Liens being referred to herein as the “Post-Petition Note Collateral”) granted hereunder to provide adequate protection for the use of Cash Collateral and the Prepetition Note Collateral and the Final DIP Financing shall be in addition to all other rights of the Indenture Trustee, including its liens and security interests in the Prepetition Note Collateral. The Post-Petition Note Liens shall not be subject or subordinate to any lien or security interest that is avoided and preserved for the benefit of Debtors and their estate under Section 551 of the Bankruptcy Code. Except for the Priming Liens and the Carve-Out (as defined below) and prior, valid and perfected liens existing as of the Petition Date, the Post-Petition Note Liens shall not be (i) subject or subordinate to any lien or security interest, any statutory or consensual liens or security interests in favor of any federal, state, municipal or other government unit, commission, board or court for any tax liability of Debtors, whether secured or unsecured, including property taxes for which liability is in rem, in personam, or both, except a tax of a kind specified in Bankruptcy Code Section 507(a)(8); or (ii) subordinated to or made pari passu with any other lien or security interest under Sections 363 or 364 of the Bankruptcy Code or otherwise.

12. No Further Action Required. The entry of this Final Order by the Court shall be sufficient and conclusive evidence of the validity, extent, enforceability and perfection of the Rollover Lien and the Supplemental Lien granted to the Indenture Trustee in this Final Order, whether or not the Indenture Trustee elects to file or record financing statements, any other documents, or to take such other steps as may otherwise be required to obtain, evidence or perfect such liens under applicable law; provided, however, upon the request of the Indenture Trustee, the Debtors shall execute such other documents as may be reasonably requested to evidence and perfect such liens, and the Indenture Trustee may, in its sole discretion, but shall not be required to, file a certified copy of this Final Order in any filing or recording office in any jurisdiction in which the Debtors have real or personal property, and such filing or recording shall be accepted and shall constitute further evidence of perfection of their liens and security interests. The failure of the Debtors to execute any such other documentation shall in no way affect the validity, perfection or priority of the Indenture Trustee's liens and security interests in the Prepetition Note Collateral or the Post-Petition Note Collateral. No obligation, payment, transfer or grant of security under this Final Order shall be stayed, voided, restrained, voidable, avoidable or recoverable under the Bankruptcy Code or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act or statute or common law with a similar purpose including, without limitation, S.C. Code Annotated § 27-23-10 et. seq., or subject to any defense reduction, setoff, recoupment or counterclaim.

13. Allowance of Claim and Bankruptcy Code Section 506(c) Waiver. Except as provided in Section 25 of this Final Order, the entry of this Final Order by the Court is a conclusive and binding determination on all parties of (i) the amount of the Note Claim, and (ii) that the Indenture Trustee's security interests in the Prepetition Note Collateral, including,

without limitation, the Cash Collateral, have been duly perfected and are in all respects valid and enforceable first priority security interests and liens and not subject to any claim under Bankruptcy Code Sections 506(c) and 552(b). Counsel for the Committee expressly consented to the waiver of any claim under Bankruptcy Code Section 506(c), and represented that the additional carveout for fees and expenses of Committee counsel provides adequate protection for the interests of creditors. Counsel for the Debtors represented on the record the Debtors' due diligence efforts, and that the claims of the Indenture Trustee have been fully investigated, and proffered evidence in support of the relief set forth herein relative thereto. Counsel for the Indenture Trustee also represented to the Court that he knew of no defects or deficiencies associated with the Indenture Trustee's claim, and that the provisions of this Order relative thereto are appropriate.

14. Compliance With Note Documents. As further adequate protection of the Indenture Trustee's security interests in the Cash Collateral and Prepetition Note Collateral and the Priming Liens, except as expressly authorized by further order of the Court, the Debtors shall comply with the terms and provisions of the Note Documents requiring maintenance of adequate insurance and the payment of all claims that could become a prior lien on the Prepetition Note Collateral or the Post-Petition Note Collateral, and such other provisions set forth in **Exhibit B** hereto. The requirements of this Final Order shall be in addition to, and not in substitution for, the terms and provisions of the Note Documents, provided, however, in the event of any inconsistency between the Note Documents and this Final Order, the terms of this Final Order shall control.

15. Financial Information. As additional adequate protection for the use of Cash Collateral and the Prepetition Note Collateral and the Final DIP Financing, the Debtors shall

allow the Indenture Trustee reasonable access during normal business hours to the premises, officers, employees, auditors, appraisers and financial advisors (including the Chief Restructuring Officer (the “CRO”) retained by the Debtors, to which the Indenture Trustee and its professionals shall have access independent of the Debtors and their professionals) of Debtors for any reason, including to conduct appraisals, analyses and/or audits of the Prepetition Note Collateral, the Post-Petition Note Collateral, and to assess the operations of the Debtors and any proposed transactions relating to the assets of the Debtors, and Debtors shall otherwise reasonably cooperate in providing any other financial information requested by the Indenture Trustee. In addition, the Debtors and their professionals and representatives including the CRO shall host regular telephone conferences as reasonably requested by the Indenture Trustee and its representatives to discuss financial results, financial reports (including explanations of variances), and the status of the Plan Sponsor/Solicitation Process (as defined below). From and after the entry of this Final Order, the Debtors shall provide to the Indenture Trustee , commencing Wednesday, March 21, 2012 and on each Wednesday thereafter (i) a report containing the aggregate receipts received and aggregate disbursements made by the Debtors during the preceding week, as well as on a detailed line-item basis as presented in the Cash Collateral Budget, and (ii) a report (the “Variance Report”) indicating all receipts received by and disbursements made by the Debtors in the preceding calendar week compared to the Cash Collateral Budget, and explaining any variances of 7.5% or more on a line-by-line basis from the expenditures and receipts as described in the Cash Collateral Budget (in addition, on the second Wednesday of each month, the Debtors shall provide the Indenture Trustee with a similar report on a monthly basis). The Debtors shall provide to the Indenture Trustee such other reports and information as may be reasonably requested from time to time by the Indenture Trustee. Any

financial reports required by this Section 15 to be provided to the Indenture Trustee shall be also provided to the Committee.

16. The Plan Sponsor/Solicitation Process. As additional adequate protection and in consideration for the use of Cash Collateral and the Prepetition Note Collateral by Debtors and the Final DIP Financing, the Debtors agree to conduct a process (the “Plan Sponsor/Solicitation Process”) by which they solicit competing proposals from third-parties to become the sponsor of the Debtors’ anticipated plan of reorganization and to meet the following milestones (collectively, the “Plan Sponsor/Solicitation Process Milestones”):

(a) On the Petition Date, the Debtors filed a motion (the “Bidding Procedures Motion”) to approve (i) the proposed break-up fee (the “Carlile Break Up Fee”) to be provided to the Carlile Development Group (the “Carlile Group”) in the event it is not the selected plan sponsor following the Plan Sponsor/Solicitation Process, to the extent earned in accordance with the order approving the Bidding Procedures Motion; and (ii) certain procedures for third parties to submit higher and better bids to be the plan sponsor, for the CRO on behalf of the Debtors to select the plan sponsor in consultation with the Indenture Trustee and counsel for the Committee, if any, and to establish certain deadlines with the Plan Sponsor/Solicitation Process. The Bidding Procedures Motion shall also seek approval and authority from the Court for the successful bidder (if an entity other than the Carlile Group) to meet certain “Substitution Conditions” (as defined in the Interim DIP Order) without further order of the Court.

(b) By no later than March 16, 2012, the Debtors shall have obtained an order from the Court approving the Bidding Procedures Motion which shall, among other things, establish the following:

- A deadline of April 13, 2012 shall be established for third-parties to submit bids to be the plan sponsor (the “Bid Deadline”), which bids shall be provided simultaneously to the Debtors, the Indenture Trustee, and any Committee. Among other requirements described more fully in the Bidding Procedures Motion, any such bids must include evidence of the ability to pay (a) the existing debtor in possession facility, (b) the existing bridge facility, (c) a break-up fee to the Carlile Group in the amount of \$1 million, plus a \$750,000 expense reimbursement (which shall increase by an additional \$100,000 per month commencing in September 2012 until such break-up fee and expense reimbursement is paid); and (d) the administrative costs and expenses of the Debtors’ bankruptcy cases and the fees and expenses of the Indenture Trustee and its professionals; and (e) the costs associated with the proposal being put forth, including acquisition of real estate. Each of (a), (b), (c) and (d) must be paid in full, in cash by no later than the effective date of the Chapter 11 Plan. Further, any bids must include a term sheet with accompanying financial models and projections describing in reasonable detail the terms and conditions of the plan pursuant to which the third party proposes to become the plan sponsor, including a description of addressing the proposed membership plan and treatment of creditor claims. Any party submitting a bid that meets the conditions described more fully in the Bidding Procedures Motion, including those outlined above shall be a “Potential Qualified Bidder”.
- A deadline of April 21, 2012 for any Potential Qualified Bidder to deliver contemporaneously to the Debtors, the Indenture Trustee and any Committee a (i)

definitive asset purchase agreement with all schedules and exhibits attached with respect to such Potential Qualified Bidder's proposed Chapter 11 Plan; (ii) the form of an assumption agreement with respect to the treatment of the senior debt administered by the Indenture Trustee; and (iii) to the extent not already explained fully in such Potential Qualified Bidder's Sponsor Right Term Sheet, a description of the new member plan and related agreements (collectively, the "Qualified Bidder Transaction Documents"). The Carlile Group shall be deemed a "Qualified Bidder" based upon its meeting certain requirements as detailed in the Bidding Procedures Motion.

- During the period from the Petition Date through the Auction, the Debtors and/or the Indenture Trustee may communicate independently with any third parties who have indicated an interest in being a Qualified Bidder to, among other things, discuss and negotiate the terms and conditions of their respective proposals.
- Provide the Indenture Trustee and the Committee with an expedited process to petition the Court in the event either party disagrees with the decisions of the Debtors or the CRO (as applicable) relating to designation or selection of (or the refusal to so designate or select) any party as a Potential Bidder, a Potential Qualified Bidder, a Qualified Bidder, the Successful Bidder, or the Back Up Bidder (each as defined in the Bidding Procedures Motion).
- In the event there is more than one Qualified Bidder, an auction (the "Auction") shall be held at the offices of McKenna, Long, & Aldridge LLP (or such other place designated by the Debtors in consultation with the Indenture Trustee) no later than April 23, 2012.

- Qualified Bidders will have the opportunity to improve their bids at the Auction.

At the Auction, the Debtors or the CRO (in consultation with the Indenture Trustee and counsel for any Committee appointed in the Bankruptcy Case) will determine the highest and best bid submitted by a Qualified Bidder (the “Successful Bidder”). In no event shall the selection of the Successful Bidder be made later than April 28, 2012. Nothing herein shall prevent the Indenture Trustee and/or Committee from bringing a motion before the Bankruptcy Court in the event it does not agree with the Debtors’ determination as to which bid is the highest and best.

- The Debtors shall file a disclosure statement and plan incorporating the terms of the proposed bid of the Successful Bidder into such disclosure statement and plan by no later than May 13, 2012.

17. Termination of Use of Cash Collateral.

(a) The Debtors’ authority to use Cash Collateral pursuant to the terms of this Final Order will terminate without any further action by the Bankruptcy Court seven (7) days after written notification is sent by the Indenture Trustee to the Debtors, any Committee, and the U.S. Trustee of the occurrence of any of the following (each, a “Termination Event”), it being understood that the Indenture Trustee may elect to waive any of the following as a Termination Event in its sole discretion:

- (i) the failure of Debtors to timely pay all fees due under 28 U.S.C. §1930;
- (ii) any of the Chapter 11 Cases are dismissed or converted to a proceeding under Chapter 7 of the Bankruptcy Code;

- (iii) the earlier of (y) the date of the entry of an order of this Court appointing a chapter 11 trustee or an examiner with enlarged powers (beyond those set forth in Sections 1104(c) and 1106(a)(3) and (4) of the Bankruptcy Code); or (z) the date Debtors file a motion, application or other pleading consenting to or acquiescing in any such appointment;
- (iv) the Bankruptcy Court suspends any of the Debtors' Chapter 11 Cases under Section 305 of the Bankruptcy Code;
- (v) The Debtors fail to comply with, keep, observe or perform any of their material agreements or undertakings under or relating to this Final Order;
- (vi) The Debtors fail to meet any of the Plan Sponsor/Solicitation Process Milestones;
- (vii) The Debtors fail to be in compliance with the Cash Collateral Budget, subject to the requirements set forth in Section 2 above;
- (viii) entry of a final order confirming a plan in these Chapter 11 Cases and the occurrence of the effective date of the plan;
- (ix) Katie Goodman and/or Grisanti, Galef & Goldress is dismissed, resigns or is terminated as CRO;
- (x) this Final Order becomes stayed, reversed, vacated, amended, suspended or otherwise modified in any respect without the prior written consent of the Indenture Trustee;
- (xi) [Intentionally Omitted]
- (xii) an adversary proceeding, contested matter or other action is commenced by Debtors challenging the validity, extent, enforceability, priority or extent of the

Indenture Trustee's liens or claims or otherwise seeking to impair the Indenture Trustee's position;

- (xiii) imposition of orders, penalties or fines by any governmental agency or unit which does or could, if not cured promptly, result in the cessation of operations of Debtors; or
- (xiv) there is a default under the terms of the Final DIP Order.

(b) Unless during such seven (7) day period referenced above in Section 17(a), the Debtors cure any Termination Event that is curable or the Debtors or the Committee obtain a hearing to consider the Debtors' continued use of Cash Collateral, on notice to and with an opportunity to be heard by the Indenture Trustee, (i) the Debtors' authority to use Cash Collateral hereunder shall automatically terminate and the Debtors shall be prohibited from continuing to use such Cash Collateral, and (ii) upon fourteen (14) days written notice (the "Notice Period") to the Debtors, and counsel to the DIP Lender, the Committee and the Office of the U.S. Trustee, and the filing by the Indenture Trustee with the Court of an affidavit of such default and proposed order terminating the automatic stay after the expiration of such Notice Period, relief from stay shall be entered without the need for filing any motion for relief from the automatic stay or any other pleading to permit the Indenture Trustee to realize on all Collateral and to exercise any and all remedies against the Collateral or any part thereof; provided, however, during the Notice Period, Debtors, the DIP Lender, the Committee or U.S. Trustee may contest such relief and the Indenture Trustee reserves all rights to oppose such request.

18. Release and Waiver. Subject to the rights of the Committee or other party in interest pursuant to Section 25 below, (a) upon entry of the Final Order, the Debtors reaffirm their prior waiver, release and discharge, and hereby waive, release and discharge the Indenture

Trustee and all holders of the Notes and their respective affiliates, agents, attorneys, officers, directors and employees, (but only in their respective capacities as Indenture Trustee, holders of the Notes or their respective affiliates, agents, attorneys, officers, directors and employees in connection with acting in such capacities) from any and all claims and causes of action arising out of, based upon or related to, in whole or in part, the Notes and the Note Documents, any aspect of the prepetition relationship between the Indenture Trustee, and/or all holders of the Notes, and Debtors, and any other acts or omissions by the Indenture Trustee and/or all holders of the Notes (but only in such holders' capacity as noteholders) in connection with either the Note Documents or the Indenture Trustee's and holders of the Notes (but only in such holders' capacity as noteholders) prepetition relationship with Debtors; and (b) further, pursuant to the Final Order, the Debtors reaffirm their prior waiver of, and hereby waive, any and all rights to object to or contest the amount of the Note Claim or the amount, validity, extent, priority, perfection, or enforceability of the Indenture Trustee's security interests in the Prepetition Note Collateral or Postpetition Note Collateral and agree that all such claims and security interests were duly perfected and are in all respects valid and enforceable first priority security interests and liens.

19. Failure of Adequate Protection. Nothing herein shall constitute a waiver, release or modification of the rights of the Indenture Trustee to otherwise assert a claim under any provisions of the Bankruptcy Code including Sections 364(c) and/or 507(b).

20. Deemed Request for Stay Relief. This Final Order shall be deemed to constitute a request by the Indenture Trustee for relief from the automatic stay with respect to the Prepetition Note Collateral as of the Petition Date and for adequate protection for the use of Cash Collateral as of the Petition Date.

21. Carve Out. In consideration of the provisions hereof including the Debtors' acknowledgement of the debt due and owing the Indenture Trustee, Debtors' releases, Debtors' waiver of any claims under Section 506(c) or 552(b) of the Bankruptcy Code or otherwise, and in exchange for the agreement that Debtors, Debtors' professionals, and other professionals retained in these cases shall not seek any further reduction in, carve-out from, or lien waivers with respect to the Prepetition Note Collateral or the Post-Petition Note Collateral, the Indenture Trustee consents to a carve out as set forth below for the expenses and professional fees and certain other items incurred during or prior to the pendency of these Chapter 11 Cases (the "Carve Out"). For the purposes hereof, Carve Out shall mean the sum of the following:

- (a) All fees required to be paid to the Clerk of the Bankruptcy Court and to the Office of the United States Trustee under section 1930(a) of title 28 of the United States Code plus interest at the statutory rate ("Court and UST Fees"); and
- (b) The aggregate unpaid fees and expenses of professionals retained in the Chapter 11 Cases by the Debtors (the "Debtors' Professionals") accrued on or before a Termination Event, to the extent allowed by a final order of the Bankruptcy Court, up to the cumulative amount remaining under the Cash Collateral Budget through and including the Termination Event after deducting any payments received or held by such professionals;
- (c) The unpaid fees and expenses of professionals retained in the Chapter 11 Cases by the Committee (the "Committee Professionals" and collectively with the Debtors' Professionals, the "Estate Professionals") accrued on or before a Termination Event to the extent allowed by a final order of the Bankruptcy Court, up to the cumulative amount remaining under the Cash Collateral Budget through and including the Termination Event after deducting any payments received or held by such professionals; and

(d) To the extent allowed by the Court (after a Termination Event), fees and expenses of the Estate Professionals (the “Post Default Professional Fees”) in an amount not to exceed \$150,000.

Except for the Carve Out, no costs or expenses of administration shall be imposed against the Indenture Trustee or the Prepetition Note Collateral or the Post-Petition Note Collateral under Sections 105, 506(c) or 552(b) of the Bankruptcy Code or otherwise.

22. Payment of Professional Fees from Collateral. Prior to (and after, subject to Paragraph 21 above) a Termination Event, the Debtors shall be permitted to pay compensation and reimbursement of expenses to Professional Persons employed under section 105, 327, 328, 330, 363 or 1103 of the Bankruptcy Code or 28 U.S.C. § 156, as the same may be due and payable, and only to the extent set forth in the Cash Collateral Budget (the “Budgeted Professional Expenses”). If, at any time (i) Debtors have used the proceeds of the Prepetition Note Collateral or the Post-Petition Note Collateral to pay Budgeted Professional Expenses, (ii) the Note Claim has not been paid in full, and (iii) the Debtors have funds that are neither proceeds of Prepetition Note Collateral or Post-Petition Note Collateral, nor otherwise subject to Post-Petition Note Liens (the “Available Funds”), then the Debtors shall pay such funds over to the Indenture Trustee from such Available Funds to the extent of such payments made in subsection (i) above. Prior to any payments being made from Cash Collateral or proceeds of the Final DIP Financing, any Estate Professionals who have received retainers shall credit/apply such retainers against amounts due and owing. After an Estate Professional has credited/applied the full amount of its retainer against amounts due and owing, such Estate Professional may continue to be paid solely to the extent set forth in the Cash Collateral Budget and the terms herein.

23. Modification of Stay. The automatic stay imposed by virtue of Section 362 of the Bankruptcy Code is hereby vacated and modified insofar as necessary to permit the Indenture Trustee to take any action authorized or contemplated by this Final Order or the Note Documents (as the same may be modified by this Final Order) and to carry out the terms thereof, including, without limitation, (i) the receipt of payments to be made by Debtors to the Indenture Trustee and the payment of any amounts due to the holders of the Notes, and (ii) the application, allocation or payment from any of the funds or accounts maintained by the Indenture Trustee in accordance with the terms of the Note Documents. Any of the aforementioned actions may be taken without further order of this Court.

24. Preservation of Rights. If any or all of the provisions of this Final Order are, at any time, modified, vacated or stayed, such stay, modification or vacation shall not affect the validity, extent, priority and enforceability of any lien, priority, or other benefit conferred under this Final Order prior to such stay, modification or vacation.

25. Binding Effect. This Final Order, shall be binding on all parties in these Chapter 11 Cases, including, but not limited to, the Debtors and any successors thereto, any Chapter 11 or Chapter 7 trustee that is appointed or elected in this case, the Committee, or any other party that may have standing to be heard; provided, however, that this Final Order is without prejudice to the rights of a creditor or the Committee to challenge the validity, amount, perfection, priority, extent or enforceability of the Note Claim, the Note Documents, the pre-petition security interests of the Indenture Trustee, or the rights of a creditor or the Committee to, on behalf of Debtors' estates, assert any other claims or causes of action that have been otherwise released under Sections 13 and 18 of this Final Order by the Debtors (a "Committee Claim"); provided that any Committee Claim (i) may only be made and appropriately filed with this Court within

the date that is seventy (70) days after the Petition Date, unless such time period is extended by agreement with the Indenture Trustee or upon order of the Court for good cause shown. The Committee shall have standing to assert any such claims. Unless a Committee Claim is made in accordance with the procedural and time limitations set forth above, all such challenges shall be deemed finally and conclusively barred and otherwise waived; and provided further that if a Committee Claim is timely made and properly filed, all potential claims and causes of actions are hereby deemed forever waived and relinquished by all parties including, but not limited to the party that filed such claim, except for those claims or causes of actions expressly asserted in such filing in accordance with this Section 25. Furthermore, notwithstanding anything in this Final Order to the contrary, nothing contained herein shall constitute a release, bar or waiver of any third party claim or causes of actions not held by the Debtors or the estates, but rather held individually (though not derivatively) by parties in interest.

26. No Competing Liens. Except as set forth and permitted herein (including pursuant to the Interim DIP Order and the Final DIP Order), Debtors shall not grant liens on, or security interests in the Prepetition Note Collateral or the Post-Petition Note Collateral to any other party, pursuant to Section 364 of the Bankruptcy Code or otherwise.

27. Further Relief. Except as provided in this Final Order, nothing herein shall prevent or preclude the Indenture Trustee from (i) seeking any other relief that it may deem appropriate, including relief from the automatic stay, (ii) asserting at some later time that its liens and security interests in the Collateral are not being adequately protected within the meaning of Section 361 of the Bankruptcy Code or otherwise, (iii) asserting its rights under the Bankruptcy Code or otherwise, all of which are expressly preserved; or (iv) seeking a modification of this Final Order.

28. No Control. The Indenture Trustee shall not be deemed to be in control of the operations of Debtors or to be acting as a “responsible person,” “managing agent” or “owner or operator” (as such terms or any similar terms are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, as amended, or any similar Federal or state statute) with respect to the operation or management of Debtors, notwithstanding its consent to this Final Order and extending financial accommodations of any type, kind or nature under this Final Order or otherwise.

29. No Third Party Beneficiaries. No rights are created hereunder for the benefit of any third party, any creditor, or any direct, indirect or incidental beneficiary, except the persons benefiting or intended to benefit from the Carve Out.

30. Effectiveness; Notice of Stay Relief. The rights and obligations of the parties under this Final Order shall be effective and enforceable as of the Petition Date. This Final Order shall be deemed effective immediately and, for the avoidance of doubt, of Bankruptcy Rule 6004(h) shall not apply hereto. If any or all of the provisions of this Final Order are hereafter reversed, modified, vacated or stayed, such reversal, modification, vacatur or stay shall not affect (i) the validity, extent, priority or enforceability of any obligations incurred prior to the actual receipt of written notice by the Indenture Trustee of the effective date of such reversal, modification, vacatur or stay or (ii) the validity, extent or enforceability of the liens and claims or other benefits granted hereunder.

31. Notices. All notices, requests, demands, waivers and other communications required or permitted to be given under this Final Order shall be in writing and shall be deemed to have been duly given if (a) delivered personally, (b) mailed by first-class, registered or

certified mail, return receipt requested, postage prepaid, or (c) sent by next-day or overnight mail or delivery.
