**Global Notes Pertaining to Debtors’ Schedules and Statement of Financial Affairs**

On December 19, 2012 (the “Petition Date”), THQ, Inc., THQ Digital Studios Phoenix, Inc.; THQ Wireless, Inc.; Volition, Inc. and Vigil Games, Inc., (collectively, the “Debtors”) each filed voluntary petitions under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (the “Bankruptcy Code”) in the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”).

The Debtors are authorized to operate their businesses and manage their affairs as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The Debtors’ chapter 11 cases are being jointly administered for procedural purposes pursuant to Rule 1015(b) of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”) and Rule 1015-1 of the Local Rules of Bankruptcy Practice and Procedure for the United States Bankruptcy Court for the District of Delaware.

The Debtors’ respective Schedules of Assets and Liabilities, Schedules of Current Income and Expenditure, and Schedules of Executory Contracts and Unexpired Leases (the “Schedules”) and Statements of Financial Affairs (the “Statements”) and together with the Schedules, the “Schedules and Statements”) have been prepared by the Debtors’ management with the assistance of their bankruptcy counsel and financial advisors pursuant to section 521 of the Bankruptcy Code and Bankruptcy Rule 1007.

These Global Notes Pertaining to Debtors’ Schedules and Statements (collectively, the “Global Notes”) pertain to, and are incorporated by reference in, and comprise an integral part of, each of the Schedules and Statements. These Global Notes should be referred to, and reviewed in connection with, any review of the Schedules and Statements. These Global Notes are in addition to any specific notes contained in each Debtor’s respective Schedules or Statements.

---

<sup>1</sup> The Debtors in these chapter 11 cases and the last four digits of each Debtor’s taxpayer identification number are as follows: THQ Inc. (1686); THQ Digital Studios Phoenix, Inc. (1056); THQ Wireless, Inc. (7991); Volition, Inc. (4944); and Vigil Games, Inc. (8651). The Debtors’ principal offices are located at 29903 Agoura Road, Agoura Hills, CA 91301.

**1. Reservation of Rights.** The Schedules and Statements are unaudited and subject to further review and potential adjustment. In preparing the Schedules and Statements, the Debtors relied on financial data derived from their books and records that was available at the time of preparation. The Debtors have made reasonable efforts to ensure the accuracy and completeness of such financial information, however, subsequent information or discovery may result in change to the Schedules and Statements and inadvertent errors, omissions or inaccuracies may exist. The Debtors reserve all of their rights to amend or supplement their Schedules and Statements.

Nothing contained in the Schedules and Statements or these Global Notes shall constitute an admission or a waiver of any of the Debtors' rights to assert claims or defenses.

**2. "As of" Information Date.** Unless otherwise indicated, all amounts listed in the Schedules and Statements are as of the close of business on December 18, 2012, the date prior to the Petition Date.

Pursuant to certain orders of the Bankruptcy Court (the "Court Orders"), the Debtors were authorized to, and did, conduct sales of certain of their assets, assume and/or assign certain of their unexpired executory contracts or leases, and pay certain outstanding prepetition claims after the Petition Date. In addition, pursuant to certain Court Orders, certain outstanding prepetition claims against the Debtors may have been paid by non-Debtor third parties following the Petition Date. Therefore, certain claims may be net of payments made following the Petition Date. Nothing herein shall be deemed to alter the rights of any party in interest to contest a payment made pursuant to a Court Order that preserves such right to contest.

**3. Basis of Preparation.** For purposes of filing reports with the Securities and Exchange Commission, the Debtors have historically prepared consolidated financial statements and in accordance with generally accepted accounting principles ("GAAP"). Unlike the consolidated financial statements, the Schedules and Statements have been prepared on a non-consolidated basis and reflect the assets and liabilities of each debtor. Therefore, some of the financial information included in the Schedules and Statements may differ from that prepared for public reporting purposes.

Although the Schedules and Statements may, at times, incorporate information prepared in accordance with GAAP, the Schedules and Statements neither purport to represent nor reconcile financial statements otherwise prepared and/or distributed by the Debtors in accordance with GAAP. **The Schedules and Statements should not be relied upon by any persons for information relating to current or future financial conditions, events, or performance of any of the Debtors.**

Reflection in Schedules and Statements of assets greater than liabilities is not an admission that a Debtor was solvent on the Petition Date or at any time prior to the Petition Date. Likewise, reflection in Schedules and Statements of liabilities greater than assets is not an admission that the Debtors were insolvent at the Petition Date or any time prior to the Petition Date.

**4. Setoffs.** Prior to the Petition Date, and in the ordinary course of their businesses, the Debtors incurred a large number of setoffs in connection with, among other things, intercompany and customer/supplier transactions. Unless otherwise stated, setoffs are not listed on Schedules B, D or F. Nonetheless, some amounts may have been affected by setoffs taken of which the Debtors are not yet aware. The Debtors reserve all rights to challenge any setoff and/or recoupment rights which may be asserted.

**5. Statement question 19(d) - Financial Statements.** The Debtors did not provide a list of each financial institution, creditor, shareholder, noteholder, and other party who received a financial statement within the two year period prior to the commencement of their chapter 11 cases as such reports are disseminated to large volumes of parties on a constant basis.

Case No. 12-13398 (MFW)

**SCHEDULE D - CREDITORS HOLDING SECURED CLAIMS**

State the name, mailing address, including zip code, and last four digits of any account number of all entities holding claims secured by property of the debtor as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. List creditors holding all types of secured interests such as judgment liens, garnishments, statutory liens, mortgages, deeds of trust, and other security interests.

List creditors in alphabetical order to the extent practicable. If a minor child is the creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. § 112 and Fed. R. Bankr. P. 1007(m). If all secured creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H – Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "HWJC."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Total the columns labeled "Amount of Claim Without Deducting Collateral" and "Unsecured Portion, if Any" in the boxes labeled "Total(s)" on the last sheet of the completed schedule. Report the total from the column labeled "Amount of Claim Without Deducting Value of Collateral" also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report the total from the column labeled "Unsecured Portion, if Any" on the Statistical Summary of Certain Liabilities and Related Data.

Check this box if debtor has no creditors holding secured claims to report on this Schedule D.

 Case No. 12-13398  
 Schedule G  
 Executory Contracts and Unexpired Leases

Schedule G. While every effort has been made to ensure the accuracy of the "Schedule of Executory Contracts," inadvertent errors or omissions may have occurred. The Debtor does not make, and specifically disclaims, any representation or warranty as to the completeness or accuracy of the information set forth in Schedule G, or the validity or enforceability of any contracts, agreements or documents listed therein. The Debtor hereby reserves all of its rights to dispute the validity, status, or enforceability of any contracts, agreements or leases set forth in Schedule G and to amend or supplement such Schedule as necessary.

Certain of the contracts, agreements and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letter and other documents, instruments and agreements which may not be listed therein. Certain of the real property leases listed on Schedule G may contact renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. Certain of the executory agreements may not have been memorialized and could be subject to dispute. Executory agreements that are oral in nature, if any, have been scheduled to the best of the Debtor's knowledge. Additionally, the Debtor may be a party to various other agreements concerning real property, such as easements, rights of way, subordination, non-disturbance, supplemental agreements, amendments/letter agreements, title documents, consents, site plans, maps and other miscellaneous agreements. Such agreements, if any, are not set forth in Schedule G. Schedule G does not include all equipment and inventory purchase orders.

Certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. In addition, the omission of a contract or agreement from this Schedule does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtor reserves all of its rights, claims and causes of action with respect to the contracts and agreements listed on these Schedules as well as any contract or agreement omitted from these Schedules, including the right to dispute or challenge the characterization or the structure of any transaction, document or instrument.
