GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY
AND DISCLAIMER REGARDING DEBTORS' STATEMENTS OF
FINANCIAL AFFAIRS AND SCHEDULES¹

The Schedules of Assets and Liabilities and Statements of Financial Affairs (the “Schedules and Statements”) filed herewith by TMP Directional Marketing, LLC (“TMP” or the “Company”) and certain of its affiliates as debtors in possession (collectively, the “Debtors”) in the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”) were prepared pursuant to 11 U.S.C. § 521 and Federal Rule of Bankruptcy Procedure 1007 by management of the Debtors, with the help of their advisors, and are unaudited.

The Schedules and Statements remain subject to further review and verification by the Debtors. Subsequent information may result in material changes in financial and other data contained in the Schedules and Statements. The Debtors have used their best efforts to compile the information set forth in the Schedules and Statements from their books and records maintained in the ordinary course of their business. While those members of management responsible for preparation of the Schedules and Statements have made reasonable efforts to ensure that the Schedules and Statements are accurate and complete based upon information known to them at the time of preparation after reasonable inquiries, inadvertent errors or omissions may exist and/or the subsequent receipt of information may result in material changes in financial and other data contained in the Schedules and Statements which may warrant amendment of the same. Moreover, because the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment, there can be no assurance that these Schedules and Statements are wholly accurate and complete.

Nothing contained in the Schedules and Statements shall constitute a waiver of any rights of the Debtors, specifically including the Debtors’ right to amend these Schedules and Statements and any rights with respect to any issues relating to substantive consolidation, equitable subordination, defenses, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws. The Debtors reserve their right to amend their Schedules and Statements from time to time as may be necessary or appropriate.

The Schedules and Statements have been signed by Timothy P. Nugent, the Vice President, Assistant Secretary, and Assistant Treasurer of the Company, and an authorized signatory for all the Debtors. In reviewing and signing the Schedules and Statements, Mr. Nugent has necessarily relied upon the efforts, statements and representations of various personnel of the Debtors. Mr. Nugent has not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors.

¹ A Statement of Financial Affairs or a Schedule of Assets and Liabilities for a particular Debtor begins immediately after these Global Notes.

These Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding Debtors' Statements of Financial Affairs and Schedules (the "Global Notes") are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.

1. Description of the Cases and "As Of" Information Date. On December 5, 2011 (the "Petition Date"), the Debtors each filed a voluntary petition with the Bankruptcy Court for relief under chapter 11 of Title 11 of the United States Code, 11 U.S.C. §§ 101, et seq. (the "Bankruptcy Code") under case numbers 11-13835, 11-13836, and 11-13837. On December 7, 2011, the Bankruptcy Court entered an order directing the joint administration of the chapter 11 cases under the chapter 11 case of TMP [Docket No. 46]. TMP Directional Marketing, LLC is the operating entity and TMP DM, Inc. is the consolidating entity for tax purposes. All asset data contained in the Schedules and Statements is stated in United States currency as of October 31, 2011. All liability data contained in the Schedules and Statements is stated in United States currency as of November 30, 2011. In some instances, the Debtors have used estimated amounts where actual data as of November 30, 2011 was not available.

2. Basis of Presentation. For financial reporting purposes, the Debtors generally prepare consolidated financial statements, which include financial information for all subsidiaries and affiliates, which in the past have been audited annually. Unlike the consolidated financial information included in the Company's audited financial statements, the Schedules and Statements reflect the assets and liabilities of each Debtor based on their unaudited books and tax records maintained in the ordinary course of business. Each Debtor generally maintains its accounting records in accordance with the Generally Accepted Accounting Principles ("GAAP") used in the United States. However, these Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP because combining the assets and claims set forth in the Schedules and Statements of the Debtors would result in amounts that would be substantially different from the consolidated financial statements prepared under GAAP.

3. Summary of Significant Reporting Policies. The following conventions were adopted by the Debtors in the preparation of the Schedules and Statements:

(a) Debtors. Separate Schedules and Statements have been filed for each of the Debtors. Intercompany balances and interests in TMP's subsidiaries are reflected as of the close of business on October 31, 2011. Each Debtor's Schedules and Statements were prepared using the assets and liabilities of that Debtor pursuant to the Debtor's accounting records.

(i) Although separate Schedules and Statement have been prepared and filed for each of the Debtors, certain of the information set forth in the Schedules and Statements has been prepared on a consolidated basis. In particular, the following information has been reported on a consolidated basis only in the case of TMP: (A) Schedule D-Creditors Holding Secured Claims (B) Schedule E-Creditors Holding Unsecured Priority Claims; (C) Schedule F-Creditors Holding Unsecured Nonpriority Claims; (D) Schedule G-Executory Contracts and Unexpired Leases; and (E) suits and administrative proceedings,

executions, garnishments, and attachments (Statement 4).

(ii) Operating income (Statement 1) and non-operating income (Statement 2) have been reported on a consolidated basis and appear in the Statements filed for the operating entity TMP Directional Marketing, LLC.

(b) Reporting Date. The Debtors' Schedules and Statements have been prepared as of the close of business on November 30, 2011. All liability data contained in the Schedules and Statements are stated in United States currency as of November 30, 2011. In some instances, the Debtors have used estimated amounts where actual data as of November 30, 2011 was not available.

(c) Book Value. Except as otherwise noted, each asset of each Debtor is shown on the basis of the net book value of the asset in accordance with the Debtor's accounting and/or tax books and records as of October 31, 2011. Except as otherwise noted, each liability of each Debtor is shown on the basis of the net book value of the liability in accordance with the Debtor's accounting and/or tax books and records as of November 30, 2011. Unless otherwise noted, the Schedules reflect the carrying value of the assets and liabilities as listed in the Debtors' books, and are not based upon any estimate of their current market values, which may not correspond to book values. All intercompany balances are shown at the book values set forth in the books and records of the Debtors. Accounts receivable are shown on a gross basis and do not exclude any bad debt allowances which the Debtors carry on their books.

(d) Property and Equipment – Owned. Unless otherwise noted, owned property and equipment are stated at net book value. Depreciation and amortization are provided principally on the straight-line method over a period of three to five years for furniture, fixtures, and equipment, and fifteen to twenty-five years for buildings. Although accelerated depreciation methods are used for tax reporting purposes, the Schedules and Statements reflect straight-line methods. Inasmuch as the Debtors calculate depreciation and amortization monthly, the Schedules and Statements reflect a full month's depreciation and amortization for October 2011.

(e) Property and Equipment – Leased. In the ordinary course of business, the Debtors lease equipment from certain third-party lessors for use in the daily operation of their business. Any such leases are set forth in the Schedules and Statements. Nothing in the Schedules and Statements is or shall be construed as an admission or determination as to the legal status of any lease, and the Debtors reserve all rights with respect to any of such issues.

(f) Payments to Creditors. The Debtors have scheduled payments to creditors made within 90 days prior to the Petition Date on Statement of Financial Affairs 3B for TMP Directional Marketing, LLC. The Debtors have not scheduled payments made to creditors during the 90 days prior to the Petition Date to the extent that such payments were ordinary course payments of wages or other compensation to employees who are not officers or directors of the Debtors. Payments to any "insider," as defined pursuant to section 101(31) of the Bankruptcy Code, including all wages, bonuses and incentive payments have been documented in Statement of Financial Affairs 3C.

(g) Schedule A. The Debtors have no real property.

(h) Schedule B. Checking account balances listed in Item 2 are bank balances as of October 31, 2011; accounts receivable amounts included in Item 16 are listed on a gross basis (unless otherwise noted), and the Company does not represent that this is the actual value of these assets or represent actual future collections. Certain intangible assets such as customer lists, goodwill, patents, and internally developed software have been categorized as having unknown value. This results in a variation in the assets listed in the Schedules compared to the aggregate assets reported on the Company's voluntary chapter 11 petition, which reported assets based on the Company's books and records.

(i) Schedule D: Except as otherwise agreed pursuant to a stipulation, agreed orders or general order entered by the Bankruptcy Court, the Debtors reserve their right to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtor. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve their right to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim.

In connection with the Tenth Amendment and Limited Waiver to Amended and Restated Credit Agreement, dated as of May 4, 2011 (the "Tenth Amendment" and together with the other documents related to the Debtors' Senior Secured Credit facility, the "Prepetition Loan Documents"), the Debtors (a) paid off Term Loan A² and (b) instituted a paydown mechanism for Term Loan B, under which the Debtors satisfied all amounts outstanding to their senior secured lenders (the "Prepetition Lenders"). The Debtors believe that the only remaining obligations to the Prepetition Lenders are on account of indemnification obligations for contingent liabilities.

On July 5, 2011, the Prepetition Lenders swept approximately \$300,000 from the Debtors' bank accounts as a reserve for the Debtors' potential obligations to the Prepetition Lenders under the indemnification provisions of the Prepetition Loan Documents (*e.g.* the Debtors' obligations to satisfy certain costs and expenses incurred by the Prepetition Lenders in connection with the Debtors' wind-down transactions). If the Debtors' indemnification obligations are less than \$300,000, the Prepetition Lenders must return the remaining funds to the Debtors.

Lessors, utility companies and other parties that may have security deposits have not been listed on Schedule D.

(j) Schedule E.

(i) Employee Wages and Benefits. Amounts related to unpaid vacation or paid time off earned by employees owed as of November 30, 2011 that have not been paid and that the Company intends to pay or honor in the ordinary course are included in the Schedules and Statements. The Bankruptcy

² Capitalized terms not defined herein shall have the meanings ascribed to them in the *Disclosure Statement for the Joint Plan of Liquidation of TMP Directional Marketing, LLC, Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 10].

Court authorized the Debtors to pay certain prepetition claims, including employee wages, salaries, and reimbursable expenses, and to honor claims relating to health care programs and workers' compensation in the ordinary course of business pursuant to the *Interim Order (I) Authorizing the Debtors to Pay Certain Prepetition (A) Wages, Salaries, Other Compensation, and Reimbursable Employee Expenses, and (B) Claims Related to Terminated Employee Health Care Plans, and (II) Authorizing the Debtors to Continue Employee Incentive Program* [Docket No.6] (the "Wages Order"). Thus, the Debtors believe that any employee claims for prepetition amounts, other than vacation or paid time off benefits, either have been satisfied or are in the process of being satisfied. Accordingly, employee claims for amounts owing as of November 30, 2011 that have been paid or that are intended to be paid pursuant to the Wages Order have not been included in the Schedules and Statements.

(ii) Taxes and Certain Other Debts. Taxes and certain other debts owing as of November 30, 2011 that have not been paid and that are intended to be paid are included in the Schedules and Statements. All taxing authorities with potential liability have been listed with an unknown value.

(k) Schedule F. The Debtors have made reasonable efforts to report all general unsecured claims against the Debtors on Schedule F based upon the values recorded in the Debtors' existing books and records as of November 30, 2011. The claims of individual creditors for, among other things, products, goods, or services are listed as either the lower of the amounts invoiced by the creditor or the amounts entered on the Debtors' books and records. Schedule F contains information regarding pending litigation involving the Debtors. In certain instances, the Debtor that is subject of the litigation is uncertain or undetermined. Otherwise, to the extent that litigation involving a particular Debtor has been identified, information regarding that litigation is contained in Schedule F for that Debtor. Certain unknown claims by the Debtors' customers for services to be provided by the Debtors' TMP Medical Listings Business are listed as contingent claims.

(l) Schedule G. The business of the Debtors is complex, and the Debtors have many vendors and suppliers. Some of these vendors and suppliers may operate under contracts which are not listed on Schedule G. While the Debtors have made reasonable efforts to ensure the accuracy of the executory contracts and unexpired leases listed on Schedule G, inadvertent errors or omissions may have occurred. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G and to amend or supplement such Schedule as necessary.

(i) The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, and supplemented from time to time by various amendments, restatements, waivers, letters, and other documents, instruments, and agreements which may not be listed therein. Certain of the real property leases listed on Schedule G may contain renewal options, guarantees of payment, options to purchase, rights of first refusal, rights to lease additional space, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth in Schedule G. Certain of the executory contracts

may not have been memorialized and could be subject to dispute. Executory agreements that are oral in nature have been scheduled to the best of the Debtors' knowledge. Additionally, the Debtors may be parties to various other agreements concerning real property, such as easements, rights of way, subordination, supplemental agreements, amendments/letter agreements, title documents, consents, and other miscellaneous agreements. Such documents are not set forth in Schedule G. Certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements.

(ii) The presence of a contract or agreement on this schedule does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. The Debtors reserve all of their rights, claims, and causes of action with respect to the contracts and agreements listed on these Schedules.

(iii) Certain customer contracts and settlement agreements have not been individually identified in order to protect the confidential nature and impact of such information on the Debtors' ongoing medical listings business.

(m) Statement of Financial Affairs.

(i) Income from operation of business. The Debtors are reporting their Total Revenue (excluding the Debtor's former Canadian operations), which is calculated by taking their Gross Revenue (i.e., total billings to the customers), less "Media Costs," which are pass-through costs payable to the publishers of directories.

(ii) Setoffs. The Debtors recognize that several of their landlords hold security deposits for leased properties where the Debtors may be past due on rent. As of the Petition Date, the Debtors have not received formal notice of any landlord setting off their outstanding prepetition balances with the held security deposit, however, prior to the Petition Date, certain of the landlords may have executed setoffs. Such setoffs may not have been memorialized and could be subject to dispute.

(iii) Books, Records, and Financial Statements. TMP consolidates and manages the books and records for all of the other Debtor affiliates. There is no separation in reporting. TMP DM, LLC is the audited entity. SOFA 19(b) lists the firms or individuals that may have audited the books in the normal course of business. In addition, the lenders may have audited TMP's books. SOFA 19(d) lists the parties to whom financial statements were regularly issued. Financial statement were distributed to additional parties as requested.

(iv) Inventory. The Debtors have no inventory.

4. Claims. The Debtors' Schedules list creditors and set forth the Debtors' estimate of the amount of the claims of such creditors, as of the close of business on November 30, 2011. The Debtors are continuing to reconcile claims. Accordingly, the actual unpaid claims of creditors as of the Petition Date may differ substantially from the amounts set forth in the Schedules and Statements, which reflect unpaid claims as of November 30, 2011.

5. Disputed, Contingent, and/or Unliquidated Claims. Schedules D, E, and F permit each of the Debtors to designate a claim as disputed, contingent, and/or unliquidated. A failure to designate a claim on any of these schedules as disputed, contingent, and/or unliquidated does not constitute an admission that such claim is not subject to objection. The Debtors reserve their right to dispute or assert offsets or defenses to any claim reflected on these Schedules as to the nature, amount, liability, or status.

6. Insurance. TMP maintains general liability insurance policies, and various other insurance policies, on behalf of all of the Debtors. A listing of all such insurance policies is set forth on Schedule G of the Schedules of Assets and Liabilities of TMP. The Debtors maintain certain insurance policies essential to the continued operations of the Company. The terms of these policies are characteristic of insurance policies typically maintained by corporate entities that are similar in size and nature to the Company. The Company's insurance policies generally are structured to provide coverage to several of its affiliates, including the Debtors. The Company maintains various policies of insurance, including, but not limited to, property, casualty, motor vehicle, general liability, and director and officer insurance policies.

7. Global Notes Control. In the event that the Schedules and Statements differ from the foregoing Global Notes, the Global Notes shall control.

Reservation of Rights and Exculpation. The Debtors reserve all their rights to amend the Schedules and Statements in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or to assert offsets or defenses to any claim reflected on the Schedules as to amount, liability, or classification or to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated." Any failure to designate a claim as "contingent," "unliquidated," or "disputed" does not constitute an admission by the Debtors that such claim is not "contingent," "unliquidated," or "disputed." Furthermore, nothing contained in the Schedules shall constitute a waiver of the Debtors' rights with respect to the chapter 11 cases and, specifically, with respect to any issues involving equitable subordination and/or causes of action arising under the provisions of Chapter 5 of the Bankruptcy Code and other relevant nonbankruptcy laws to recover assets or avoid transfers.

Moreover, although the Debtors may have scheduled claims of various creditors as priority claims, the Debtors reserve all rights to dispute or challenge the priority treatment of any such creditor's claim (or portion thereof), the characterization of the structure of any such transaction, or any document or instrument related to such creditor's claim.

There may be instances within the Schedules and Statements where names, addresses, or amounts have been left blank. Due to the nature of an agreement between the Debtors and a third party, concerns of confidentiality, or concerns for the privacy of an individual, the Debtors

may have deemed it appropriate and necessary to avoid listing such names, addresses, and amounts.

All totals that are included in the Schedules and Statements represent totals of all the known amounts included on the Schedules and Statements. The description of an amount as “unknown” or “undetermined” is not intended to reflect upon the materiality of such amount. Claim amounts that could not be readily quantified by the Debtors are scheduled as “unliquidated.”

Pursuant to certain orders of the Bankruptcy Court entered in the Debtors’ chapter 11 cases, the Debtors were authorized (but not directed) to pay, among other things, certain prepetition claims of employees, taxing authorities, and certain other prepetition claims of general unsecured creditors. Accordingly, these liabilities may have been or may be satisfied in accordance with such orders and therefore may not be listed in the Schedules and Statements.

The Debtors and their agents, attorneys, and advisors do not guarantee or warrant the accuracy, completeness, or currentness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. While reasonable effort has been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtors and their agents, attorneys, and advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised, or re-categorized. In no event shall the Debtors or their agents, attorneys, and advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys, and advisors are advised of the possibility of such damages.

SCHEDULE E - CREDITORS HOLDING UNSECURED PRIORITY CLAIMS

A complete list of claims entitled to priority, listed separately by type of priority, is to be set forth on the sheets provided. Only holders of unsecured claims entitled to priority should be listed in this schedule. In the boxes provided on the attached sheets, state the name, mailing address, including zip code, and last four digits of the account number, if any, of all entities holding priority claims against the debtor or the property of the debtor, as of the date of the filing of the petition. Use a separate continuation sheet for each type of priority and label each with the type of priority.

The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m).

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H-Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community." If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of claims listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all claims listed on this Schedule E in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules.

Report the total of amounts entitled to priority listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all amounts entitled to priority listed on this Schedule E in the box labeled "Totals" on the last sheet of the completed schedule. Individual debtors with primarily consumer debts report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Report the total of amounts not entitled to priority listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all amounts not entitled to priority listed on this Schedule E in the box labeled "Totals" on the last sheet of the completed schedule. Individual debtors with primarily consumer debts report this total also on the Statistical Summary of Certain Liabilities and Related Data.

SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Check this box if debtor has no creditors holding unsecured claims to report on this Schedule F.
