Tec-Air, Inc., the above-captioned debtor and debtor-in-possession (the “Debtor”), by and through its proposed counsel, submits this motion (this “Motion”) pursuant to sections 105(a), 363, 365, 503 and 507 of title 11 of the United States Code (the “Bankruptcy Code”) and Rules 2002, 6003, 6004, 6006, 9007 and 9008 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”) for entry of (i) an order, substantially in the form attached hereto as Exhibit A (the “Bidding Procedures Order”) (a) approving the bidding procedures attached as Exhibit 1 to the proposed Bidding Procedures Order (the “Bidding Procedures”) in connection with the solicitation and acceptance of higher and better bids, pursuant to the asset purchase agreement attached hereto as Exhibit B (the “Stalking Horse APA”) <sup>1</sup> between the Debtor and Chatterjee Management Company (the “Stalking Horse Bidder”) for the sale (the “Sale”) of substantially all

<sup>1</sup> Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Stalking Horse APA or the Bidding Procedures, as applicable.

of the Debtor's assets (as defined in the Stalking Horse APA, the "Purchased Assets"); (b) approving the Break-Up Fee and Expense Reimbursement (collectively, the "Stalking Horse Bid Protections"); (c) scheduling a hearing for approval of the Sale (the "Sale Hearing") and setting objection deadlines with respect to the Sale; (d) approving the form of notice of the Sale and related auction (the "Auction") attached as Exhibit 2 to the proposed Bidding Procedures Order (the "Sale Notice"); (e) establishing procedures to determine Cure Costs and deadlines for objections to the potential assumption and assignment of the Assumed Contracts and Assumed Leases; and (f) granting related relief; and (ii) an order, substantially in the form attached hereto as Exhibit C (the "Sale Order") (a) authorizing and approving the Sale free and clear of Encumbrances other than Permitted Encumbrances, with such Encumbrances to attach to the proceeds of the sale (the "Sale Proceeds"); (b) authorizing the assumption and assignment of the Assumed Contracts and Assumed Leases; and (c) granting related relief. In support of the Motion, the Debtor respectfully represents as follows:

**PRELIMINARY STATEMENT**

The consummation of a Sale that will maximize value for the Debtor's estate and ensure the highest possible recovery to the Debtor's creditors is the cornerstone of the Debtor's chapter 11 strategy. To that end, prior to the Petition Date, the Debtor, through its proposed investment banker and financial advisor, Three Twenty-One Capital Partners, engaged in an extensive marketing process. The prepetition marketing process resulted in the entry by the Debtor into the Stalking Horse APA, which provides for the Sale of the Purchased Assets for a cash purchase price of \$4,000,000, plus the assumption of the Cure Costs and Supplier Obligations up to an aggregate amount of \$600,000. The Debtor and the Stalking Horse Bidder negotiated the terms of the Stalking Horse APA at arm's length, subject to higher or otherwise better offers.

With the Stalking Horse APA in place, the Debtor is prepared to execute the final stage of its sale process, which will include a post-petition marketing process, consistent with the terms of the Stalking Horse APA and the Bidding Procedures. The Debtor seeks to conduct an open, robust and transparent sale process pursuant to which the Successful Bidder will enter into an asset purchase agreement, substantially in the form of the Stalking Horse APA.

The Debtor believes that the proposed Sale will maximize the value of the Debtor's assets for all stakeholders. The proposed Bidding Procedures are designed to promote a competitive and expedient sale process. If approved, the Bidding Procedures will allow the Debtor to solicit and identify bids from potential purchasers that constitute the highest or best offer for the Purchased Assets on a schedule consistent with the deadlines set forth herein, in the Stalking Horse APA, and the Debtor's chapter 11 strategy.

Upon execution of this Agreement by Seller and Purchaser, the Good Faith Deposit shall be nonrefundable solely upon termination of this Agreement by Seller pursuant to <u>Section 9.1(d)</u>, and shall be refunded to Purchaser within two (2) Business Days after termination of this Agreement for any other reason provided for in <u>Section 9.1</u>. At the Closing, the Good Faith Deposit (and any interest or income accrued thereon) shall be paid over to Seller and upon such payment, credited and applied toward payment of the Purchase Price and the amount of any such interest or income accrued on the Good Faith Deposit as of the Business Day prior to the Closing Date shall be credited dollar for dollar against the Cash Balance. In the event the Good Faith Deposit becomes nonrefundable as provided herein before the Closing, the Good Faith Deposit and all interest or income accrued thereon shall be immediately disbursed to Seller to be retained by Seller for its own account.</p>

<p><b><u>Employee Matters</u></b></p> <p><b>Stalking Horse APA § 7.5(a)</b></p>	<p>Purchaser shall employ, effective as of the Closing Date and continuing for not less than sixty (60) days following the Closing Date, substantially all of Seller’s employees who remain employed by Seller immediately prior to the Closing (including employees on approved leave of absence). The names of Seller’s employees as of the date hereof are listed on <u>Schedule 7.5(a)</u>. Those of Seller’s employees (including any employees whose names are not set forth on <u>Schedule 7.5(a)</u>) who commence working for Purchaser on the Closing Date (or upon return to work from approved leave of absence) shall hereafter be referred to as “Transferred Employees”. Such Transferred Employees shall receive the annual or hourly rate of pay, and with comparable opportunity to receive incentive or performance pay (other than equity based incentive compensation), at which such employees were employed immediately prior to the Closing. Such Transferred Employees shall receive benefits and be covered by employment policies on substantially similar terms and conditions as other employees of Purchaser or its Subsidiaries with similar titles and functions. Without limiting the generality of the foregoing, such employee benefits shall include immediate eligibility to participate in medical and health insurance plans and 401(k) or retirement plans under plans sponsored by Purchaser.</p>

**B. Proposed Bidding Procedures**

9. The key terms of the Bidding Procedures are highlighted as follows:<sup>3</sup>
- (a) Due Diligence: In order to access diligence materials and information related to the Debtor’s assets, each Potential Bidder must first deliver (unless previously delivered) to the Debtor’s investment banker and counsel the following items prior to the Bid Deadline (collectively, the “Participation Requirements”): (i) an executed confidentiality agreement in form and substance reasonably acceptable to the Debtor; and (ii) identification of the Potential Bidder and any principals and representatives thereof who are authorized to appear and act on their behalf for all purposes regarding the contemplated Sale.
  - (b) Designation as Qualified Bidder: In order to be eligible to participate in the Auction for the Purchased Assets, each Potential Bidder, other than the Stalking Horse Bidder or its designee or assignee, must be determined by the Debtor, in consultation with the Committee, if any, to have submitted a Qualified Bid (each, a “Qualified Bidder”). The Debtor shall have the

right, in consultation with the Committee, if any, to determine whether a bidder is a Qualified Bidder.

The Stalking Horse Bidder is a Qualified Bidder, and the Stalking Horse Bidder's bid is a Qualified Bid.

In order for any Potential Bidder to be considered a Qualified Bidder (other than the Stalking Horse Bidder and its designee or assignee, who are already considered Qualified Bidders), such Potential Bidder must submit a written offer (a "Qualified Bid") such that it is received prior to the Bid Deadline and meets the following criteria:

- (i) Purchased Assets. Each bid must be a bulk bid to purchase all or substantially all of the Purchased Assets, and must clearly state which liabilities of the Debtor the Qualified Bidder is agreeing to assume.
- (ii) Initial Minimum Overbid. Each bid must provide for the assumption of the Assumed Liabilities and the aggregate consideration proposed by each bid must equal or exceed the sum of (collectively, the "Initial Minimum Overbid"):
  - (1) cash in an amount equal to \$4,000,000.00; plus
  - (2) assumption of the Cure Costs and Supplier Obligations up to an aggregate amount of \$600,000; plus
  - (3) cash equal to the sum of the Break-Up Fee plus the Expense Reimbursement (i.e., \$300,000.00), subject to confirmation of the amount of the Expense Reimbursement by the Debtor, after consultation with the Stalking Horse Bidder and the Committee, if any, prior to (and to be announced at) the Auction; plus
  - (4) \$100,000.00 in cash.
- (iii) Deposit. Each bid must be accompanied by a cash deposit in the amount equal to Two Hundred Thousand and 00/100 Dollars (\$200,000.00) to be held in an interest-bearing escrow account to be identified and established by the Debtor.
- (iv) Executed and Marked Asset Purchase Agreement. Each bid must include a redlined copy of the Stalking Horse APA (the "Modified

APA”) to show all changes requested by the Qualified Bidder, including those related to the purchase price in accordance with subsection (b) above, and identify each Contract and Lease to be assumed thereunder.

- (v) No Contingencies. A bid may not be conditioned on obtaining internal approval, obtaining financing or on the outcome or review of due diligence, and a bid shall not contain any contingencies to the validity, effectiveness, and/or binding nature of the bid beyond those contained and that remain effective in the Stalking Horse APA.
- (vi) Legal Capacity. Each bid must be accompanied by documentation that, in the Debtor’s reasonable business judgment, in consultation with the Committee, if any, demonstrates that the Potential Bidder has the legal capacity to fund a purchase price in the amount of the Initial Minimum Overbid as set forth above, and otherwise consummate the proposed transaction.
- (vii) Authorization to Bid. Each bid must include evidence of authorization and approval from such Qualified Bidder’s board of directors (or comparable governing body) with respect to the submission, execution, delivery and closing of the Modified APA.
- (viii) Irrevocability; Back-Up Bidder. Each bid must be irrevocable (in the form resulting from any modifications that may be made prior to or at the Auction) until the end of the Business Day following the Closing, and contain an agreement for the Qualified Bidder to be a Back-Up Bidder.
- (ix) No Fees Payable to Qualified Bidder. A bid may not request or entitle the Qualified Bidder to any break-up fee, termination fee, expense reimbursement or similar type of payment.
- (x) Financing Sources. Each bid must contain evidence of the ability to consummate the Sale satisfactory to the Debtor, in consultation with the Committee, if any, with appropriate contact information for all such financing sources (whether cash or borrowings) and may not contain any financing contingency (or conditions to borrowings).
- (xi) Other Evidence. Each bid must contain evidence satisfactory to the Debtor, in its reasonable discretion, in consultation with the Committee, if any, that the Qualified Bidder (based on availability of financing, experience and other considerations or conditions)

will be able to timely consummate the Sale to purchase the Purchased Assets if selected as the Successful Bidder.

- (c) Bid Deadline. The Debtor proposes that the deadline for a Potential Bidder to submit a bid (other than the Stalking Horse Bidder or its designee or assignee) shall be December 1, 2017 at 12:00 p.m. (prevailing Central Time) (the “Bid Deadline”). A bid received after the Bid Deadline shall not constitute a Qualified Bid.

Prior to the Bid Deadline, a Potential Bidder shall deliver a written copy of its bid via email (in .pdf or similar format) to: (i) Three Twenty-One Capital Partners, Attn: Ervin M. Terwilliger, (erv@321capital.com) and (ii) Debtor’s counsel, Cullen and Dykman LLP, Attn: S. Jason Teele, Esq. (steele@cullenanddykman.com) and Nicole Stefanelli, Esq. (nstefanelli@cullenanddykman.com). Counsel to the Debtor shall promptly provide email copies of such bids to counsel to the Committee, if any.

- (d) Auction. Only in the event that the Debtor receives at least one (1) Qualified Bid (other than that of the Stalking Horse Bidder) by the Bid Deadline, the Debtor shall conduct an auction (the “Auction”) of the Purchased Assets to determine the highest or otherwise best bid with respect to the Purchased Assets. No later than 4:00 p.m. (prevailing Central Time) on the day that is one business day before the Auction, the Debtor will notify all Qualified Bidders and respective counsel to the Committee, if any, and the Stalking Horse Bidder whether the Auction will occur and will provide each Qualified Bidder with copies of all Qualified Bids.

The Debtor proposes that the Auction will take place at 10:00 a.m. (prevailing Central Time) on December 5, 2017, at the offices of Polsinelli PC, 150 N. Riverside Plaza, Suite 3000, Chicago, Illinois 60606, or such later date and time as selected by the Debtor.

- (e) Participation in the Auction. The only persons or entities who will be permitted to bid at the Auction are the authorized representatives of each Qualified Bidder, including the Stalking Horse Bidder (collectively, the “Auction Participants”). Each Qualified Bidder must attend the Auction in person in order to bid at the Auction. While only the Auction Participants may bid at the Auction, the Auction may be attended and viewed also by the Debtor, its professionals, Auction Participants, the Committee, if any, and its members and professionals. Any creditor wishing to attend the Auction, no later than three (3) business days prior to the start of the Auction, must contact: Cullen and Dykman LLP, Attn: S. Jason Teele, Esq. (steele@cullenanddykman.com) and Nicole Stefanelli, Esq. (nstefanelli@cullenanddykman.com).

- (f) Baseline Bid. The Debtor and its professional advisors shall direct and preside over the Auction. At the beginning of the Auction, the Debtor and its professional advisors will, in consultation with the Committee, if any, announce the highest Qualified Bid received by the Bid Deadline which shall serve as the baseline bid at the Auction (the “Baseline Bid”). All bids made thereafter shall be Overbids, and shall be made and received on an open basis, and all material terms of each bid shall be fully disclosed to all other Qualified Bidders, including the Stalking Horse Bidder. The Auction shall be transcribed and all bids shall be made on the record and announced at the Auction, including the Baseline Bid, all Overbids, and the Successful Bid.
- (g) Terms of Overbids. An “Overbid” is any bid made at the Auction subsequent to the Debtor’s announcement of the Baseline Bid. Any Overbid following the Baseline Bid shall be at least \$25,000.00, and each subsequent Overbid must be made in increments of at least \$25,000.00 over the previous highest or best bid (the “Minimum Overbid Increments”), which amount may be modified by the Debtor in its sole discretion; provided, however, that the Stalking Horse Bidder shall be permitted to bid all or any portion of the Break-up Fee or Expense Reimbursement as part of any overbid it submits at the Auction.
- Any Overbid made by a Qualified Bidder (including with respect to any Back-Up Bid) must remain open and binding on the Qualified Bidder until and unless the Debtor accepts a higher Qualified Bid as an Overbid. The Debtor shall announce at the Auction the material terms of each Overbid and the basis for calculating the total consideration offered in each such Overbid.
- (h) Determination and Rejection of Bids. The Debtor, in its reasonable business judgment, after consultation with the Committee, if any, may (a) determine which Overbid, if any, is the highest or otherwise best offer; and (b) reject, at any time before entry of an order of the Bankruptcy Court approving an Overbid, any bid that is (i) inadequate or insufficient; (ii) not in conformity with the requirements of the Bankruptcy Code, the Bidding Procedures, the Bidding Procedures Order or the terms and conditions of the Sale; or (iii) contrary to the best interests of the Debtor, its estate, its creditors and other stakeholders.
- (i) Closing the Auction. Upon conclusion of the bidding process, the Auction shall be closed, and the Debtor, in consultation with the Committee, if any, shall (i) review each Qualified Bid on the basis of financial and contractual terms and the factors relevant to the Sale process, including those factors affecting the speed and certainty of consummating the Sale and the amount of the cash (or cash equivalents) consideration, and (ii) determine the highest or otherwise best offer for the Purchased Assets (the

“Successful Bid”), the entity submitting such Successful Bid (the “Successful Bidder”), the next highest or otherwise best offer after the Successful Bid (the “Back-Up Bid”) and the entity submitting such Back-Up Bid (the “Back-Up Bidder”); and advise the Qualified Bidders of such determinations. The Back-Up Bid shall remain open, and the Back-Up Bidder shall be required to fully perform under such Back-Up Bid, until the earlier of consummation of the Sale with the Successful Bidder or sixty (60) days following the closing date contemplated in the Successful Bid. For the avoidance of doubt, the Stalking Horse Bidder shall not be required to serve as the Back-Up Bidder.

- (j) No Collusion; Good-Faith *Bona Fide* Offer. Each Qualified Bidder, including the Stalking Horse Bidder, participating at the Auction will be required to confirm on the record at the Auction that (i) it has not engaged in any collusion with respect to the bidding, and (ii) its Qualified Bid is a good-faith *bona fide* offer and it intends to consummate the proposed transaction if selected as the Successful Bidder.
- (k) Consent to Jurisdiction as Condition to Bidding. Each Qualified Bidder, including the Stalking Horse Bidder, participating at the Auction shall be deemed to have consented to the exclusive jurisdiction of the Bankruptcy Court and to have waived any right to a jury trial in connection with any disputes among any Qualified Bidder and the Debtor relating to the Auction and the construction and enforcement of the Qualified Bidder’s contemplated Sale documents, as applicable.
- (l) Modification. The Debtor reserves its rights to modify the Bidding Procedures in its reasonable business judgment in any manner that will best promote the goals of the bidding process, or impose, at or prior to the Auction, additional customary terms and conditions on the sale of the Purchased Assets, including, without limitation: (a) extending the deadlines set forth in these Bidding Procedures; (b) adjourning the Auction at the Auction and/or adjourning the Sale Hearing in open court without further notice; (c) adding procedural rules that are reasonably necessary or advisable under the circumstances for conducting the Auction; (d) canceling the Auction; (e) rejecting any or all bids or Qualified Bids (except for the Stalking Horse Bidder’s bid); and (f) adjusting the amount of the Minimum Overbid Increment, including by requesting that Qualified Bidders submit last or final bids on a “blind” basis.

Notwithstanding the foregoing and subject in all respects to the Stalking Horse APA, the Debtor may not alter, impair or modify the Stalking Horse Bidder’s rights and obligations under the Stalking Horse APA and the Bidding Procedures Order as part of any bid at the Auction or otherwise.

**C. Notice of Auction and Sale Hearing**

10. The Debtor proposes to have the Auction at 10:00 a.m. (prevailing Central Time) on December 5, 2017, at the offices of Polsinelli PC, 150 N. Riverside Plaza, Suite 3000, Chicago, Illinois 60606, or such later date and time as selected by the Debtor. Within two (2) days of the entry of the Bidding Procedures Order, the Debtor will serve by first class mail, postage prepaid, copies of: (i) the Bidding Procedures Order and (ii) the Sale Notice upon the following entities: (a) the Office of the United States Trustee for the Northern District of Illinois; (b) counsel to the Stalking Horse Bidder; (c) the Debtor's prepetition secured lenders or their counsel, if known; (d) counsel to the Committee, if any; (e) all taxing authorities having jurisdiction over any of the Purchased Assets subject to the Sale, including the Internal Revenue Service; (f) the state/local environmental agencies in the jurisdictions where the Debtor leases real property; (g) all of the Debtor's known creditors; (h) all parties that have requested notice pursuant to Bankruptcy Rule 2002 as of the date prior to the date of entry of the Bidding Procedures Order; (i) all persons or entities known to the Debtor that have asserted a lien on, or security interest in, all or any portion of the Purchased Assets; and (j) any Potential Bidders previously identified or otherwise known to the Debtor.

11. The Debtor proposes to have the Sale Hearing on December 6, 2017. The Debtor further requests, pursuant to Bankruptcy Rule 9014, that objections, if any, to the proposed Sale: (a) be in writing; (b) comply with the Bankruptcy Rules and the Local Rules; (c) be filed with the Clerk of the Bankruptcy Court, United States Courthouse, 219 South Dearborn Street, Chicago, Illinois 60604; and (d) be served on: (i) counsel to the Debtor, Cullen and Dykman LLP, Attn: S. Jason Teele, Esq. and Nicole Stefanelli, Esq., The Legal Center, One Riverfront Plaza, Newark, New Jersey 07102; (ii) counsel to the Stalking Horse Bidder, Meltzer, Purtill & Stelle LLC, Attn:

Timothy W. Brink, Esq., 300 South Wacker Drive, Suite 2300, Chicago, Illinois 60606; (iii) counsel to the Committee, if any; and (iv) the Office of the United States Trustee for the Northern District of Illinois, 219 S. Dearborn Street, Room 873, Chicago, IL 60604, on or before 4:00 p.m. (prevailing Central Time) on the date that is seven (7) days prior to the Sale Hearing (the “Sale Objection Deadline”).

**D. Procedures to Determine Cure Costs and Deadlines for Objections to the Potential Assumption and Assignment of the Assumed Contracts and Assumed Leases**

12. In order to facilitate the assumption and assignment of the Assumed Contracts and Assumed Leases, the Debtor seeks to establish (a) procedures for determining the Cure Costs and (b) the deadline for objections to the Cure Costs and/or the proposed assumption and assignment of the Assumed Contracts and Assumed Leases (collectively, the “Contract Procedures”):

- (a) On or before the date that is fifteen (15) days prior to the Sale Hearing, the Debtor shall serve by mail a notice, substantially in the form annexed as Exhibit 3 to the Bidding Procedures Order (a “Cure Notice”) on the non-Debtor counterparties to the Assumed Contracts and Assumed Leases (collectively, the “Contract Parties”).
- (b) The Contract Parties will have until 4:00 p.m. (prevailing Central Time) on the date that is seven (7) days prior to the Sale Hearing (the “Contract Objection Deadline”), which deadline may be extended in the sole discretion of the Debtor and the Stalking Horse Bidder, to object (a “Contract Objection”) to (i) the Cure Costs listed by the Debtor and to propose alternative Cure Costs, and/or (ii) the proposed assumption and assignment of the Assumed Contracts and Assumed Leases in connection with the Sale, including, without limitation, the Debtor’s ability to assign the Assumed Contracts and Assumed Leases without the Contract Parties’ consent or the adequate assurance of future performance to be provided by the Successful Bidder (or any designee thereof); provided, however, that in the event the Auction results in a Successful Bid other than the Stalking Horse APA, the Contract Parties shall have until two (2) hours before the Sale Hearing (the “Alternate Contract Objection Deadline”) to object to the assignment of the Assumed Contracts and Assumed Leases to such Successful Bidder, other than to the Cure Cost which shall be subject to the Contract Objection Deadline, with any such objection being heard at the Sale Hearing or at a later-scheduled hearing as the Court deems appropriate.

- (c) The Debtor, the Contract Party, and the Successful Bidder may consensually resolve any Contract Objection prior to, or after, the Sale Hearing. In the event the Contract Objection is not resolved, such Contract Objection will be heard at the Sale Hearing or thereafter. To the extent it is determined that the Cure Cost exceeds the amount set forth in the Cure Notice, the Successful Bidder may determine to not have such Assumed Contract or Assumed Lease assumed and assigned to it.
- (d) Unless a Contract Objection is filed and served before the Contract Objection Deadline or the Alternate Contract Objection Deadline, as applicable, all Contract Parties shall be:
  - (i) forever barred from objecting to the proposed Cure Costs and from asserting any additional cure or other amounts, and the Debtor and the Successful Bidder shall be entitled to rely solely upon the proposed Cure Costs set forth in the Cure Notice;
  - (ii) deemed to have consented to the assumption or assumption and assignment of the Assumed Contracts and Assumed Leases;
  - (iii) forever barred and estopped from asserting or claiming against the Debtor or the Successful Bidder that any additional amounts are due or other defaults exist, that conditions to assignment must be satisfied under such Assumed Contracts and Assumed Leases, including, without limitation, any consent rights, or that there is any objection or defense to the assumption and assignment of such Assumed Contracts and Assumed Leases, including without limitation, adequate assurance of future performance;
  - (iv) precluded from objecting to the Cure Costs (if any) and the assumption and assignment; and
  - (v) barred and estopped from asserting or claiming that an Assumed Contract or Assumed Lease contains an enforceable consent right.

13. The Debtor requests that the Sale Order, among other things:

- (a) authorize and approve the assumption and assignment of the Assumed Contracts and Assumed Leases upon the Closing, without the need for any further action by any party, pursuant to section 365 of the Bankruptcy Code;
- (b) provide that where the Debtor is unable to establish that a default exists under an Assumed Contract or Assumed Lease, the Cure Cost relating to such Assumed Contract or Assumed Lease shall be set at \$0.00; and

- (c) find that the Successful Bidder has established adequate assurance of future performance necessary to satisfy the requirements of section 365 of the Bankruptcy Code in respect of the assignment to the Successful Bidder of the Assumed Contracts and Assumed Leases.

**E. Name Change**

14. The Debtor also requests the authority, upon and in connection with the Closing, to change its corporate name and the caption of this chapter 11 case, consistent with applicable law. The Debtor shall file a notice of change of case caption, containing the new caption and the proposed new corporate name of the Debtor, within five (5) business days of the Closing Date, and the change of case caption for this chapter 11 case shall be deemed effective as of the Closing Date.

**BASIS FOR RELIEF**

**A. The Bidding Procedures Are Fair and Reasonable.**

15. Maximization of proceeds received by the estate is one of the dominant goals of any proposed sale of estate property. *See, e.g., Four B Corp. v. Food Barn Stores (In re Food Barn Stores, Inc.)*, 107 F.3d 558, 564-65 (8th Cir. 1997) (in bankruptcy sales, a primary objective of the Code [is] to enhance the value of the estate at hand); *In re Integrated Res., Inc.*, 147 B.R. 650, 659 (S.D.N.Y. 1992) (“It is a well-established principle of bankruptcy law that the . . . [debtor’s] duty with respect to such sales is to obtain the highest price or greatest overall benefit possible for the estate.”) (quoting *In re Atlanta Packaging Prods., Inc.*, 99 B.R. 124, 130 (Bankr. N.D. Ga. 1988)).

16. Courts consistently recognize that procedures intended to enhance competitive bidding are consistent with the goal of maximizing the value received by the estate and therefore are appropriate in the context of bankruptcy transactions. *See, e.g., In re Integrated Res.*, 147 B.R. at 659 (such procedures encourage bidding and to maximize the value of the debtor’s

assets); *In re Fin. News Network, Inc.*, 126 B.R. 152, 156 (Bankr. S.D.N.Y. 1991) (“[C]ourt-imposed rules for the disposition of assets . . . [should] provide an adequate basis for comparison of offers, and [should] provide for a fair and efficient resolution of bankrupt estates.”); *In re Edwards*, 228 B.R. 552, 561 (Bankr. E.D. Pa. 1998) (“The purpose of procedural bidding orders is to facilitate an open and fair public sale designed to maximize value for the estate.”). Bankruptcy courts have discretion and latitude in structuring a section 363 sale to accomplish this goal. *See Edwards*, 228 B.R. at 561; *In re Wintz Co.*, 219 F.3d 807, 812 (8th Cir. 2000) (stating that in structuring the sale of assets, bankruptcy courts “have ample latitude to strike a satisfactory balance between the relevant factors of fairness, finality, integrity, and maximization of assets”).

17. Here, the Debtor believes that the Bidding Procedures are designed to maximize the value received for the Purchased Assets and prevent any chilling of potential bids by establishing a competitive and fair bidding process. In particular, the process set forth in the Bidding Procedures allows for a timely and efficient auction process given the circumstances facing the Debtor, while providing Potential Bidders with ample time and information to submit a timely bid and perform diligence. The Bidding Procedures are designed to ensure that the Purchased Assets will be sold for the highest or otherwise best possible purchase price by subjecting the value of the Purchased Assets to market testing and permitting prospective purchasers to bid on the Purchased Assets. Accordingly, the Debtor and all parties in interest can be assured that the consideration received for the Purchased Assets will be fair and reasonable and that the proposed Bidding Procedures will not chill bidding by any Potential Bidders. Moreover, the proposed Bidding Procedures are fair and appropriate in light of the robust prepetition marketing process undertaken by the Debtor.

18. For these reasons, the Debtor respectfully submits that the Bidding Procedures should be approved.

**B. The Bid Protections Are Appropriate Under the Circumstances.**

19. In the event that the Bankruptcy Court approves a transaction with a Qualified Bidder that is not the Stalking Horse Bidder, then the Debtor will pay to the Stalking Horse Bidder as compensation for the Stalking Horse Bidder's efforts in connection with the negotiation and execution of the Stalking Horse APA, and the transactions contemplated thereby, not later than the time of the closing of such transaction, in immediately available, good funds of the United States of America, (i) the Break-Up Fee in the amount of One Hundred Fifty Thousand Dollars (\$150,000.00), and (ii) the Expense Reimbursement for reimbursement of its documented expenses incurred in connection with the Stalking Horse APA and the transactions contemplated thereby, including without limitation its out-of-pocket expenses incurred in connection with its due diligence investigation of the Debtor and the Business, and its reasonable attorneys' fees and expenses incurred in connection with the Stalking Horse APA and the transactions contemplated thereby, in an amount not to exceed One Hundred Fifty Thousand Dollars (\$150,000), in accordance with the provisions of Section 9.2 of the Stalking Horse APA.

20. Negotiation of the Break-Up Fee and Expense Reimbursement was a key component of the Stalking Horse Bidder's willingness to serve in that role. The Debtor believes that the Expense Reimbursement is fair and reasonable in view of the time and expense that the Stalking Horse Bidder has undertaken in connection with the Stalking Horse APA. Although bid protections in favor of a stalking horse bidder are measured against a business judgment standard, to receive administrative expense priority pursuant to Bankruptcy Code section 503(b), the bidding incentive must provide some post-petition benefit to the estate. *See In re O'Brien*

*Envtl. Energy, Inc.*, 181 F.3d 527, 533 (3d Cir. 1999). The *O'Brien* court identified two instances in which such a benefit to the estate may be found. The first instance is where the incentive promoted a more competitive bidding process, such as by inducing a bid that otherwise would not have been made and without which bidding would have been limited. *Id.* at 537. The second instance is where bidding incentives induce a bidder to research the value of the debtor and submit a bid that serves as the floor bid on which other bidders can rely. *Id.*

21. The amount of the Break-Up Fee and Expense Reimbursement as set forth in the Stalking Horse APA is reasonable and appropriate in light of the size and nature of the proposed transaction. Moreover, the Expense Reimbursement meets the *O'Brien* test set forth above, in that it induced the Stalking Horse Bidder to serve as the initial bidder, and the Stalking Horse APA will now serve as the floor bid on which other bidders can rely.

22. In addition, the amount of the Break-Up Fee is reasonable, as it is equivalent to 3.2% of the proposed value of Stalking Horse Bidder's offer as set forth in the Stalking Horse APA. This amount is within the range of break-up fees approved in similar cases. *See, e.g., In re CWT Liquidation Co. (formerly doing business as The Clare at Water Tower)*, Case No. 11-46151 (Bankr. N.D. Ill. Mar. 21, 2012) [No. 264] (SPS) (approving break-up fee equal to 4.57% of cash purchase price); *In re Fairview Ministries*, Case No. 11-04386 (Bankr. N.D. Ill. May 24, 2011) [No. 277] (SPS) (approving break-up fee of 3% of purchase price); *In re SK Hand Tool Corp.*, Case No. 10-28882 (Bankr. N.D. Ill. July 9, 2010) [No. 53] (ERW) (approving break-up fee of 3.8% of purchase price); *In re Select Snacks, Inc.*, Case No. 07-18769 (Bankr. N.D. Ill. Oct. 23, 2007) [No. 93] (PSH) (approving break-up fee equal to 3% of purchase price); *In re Hartmarx Corp.*, Case No. 09-02046 (Bankr. N.D. Ill. June 2, 2009) [No. 482] (BWB) (approving break-up fee equal to 3.1% of purchase price).

23. Moreover, payment of the Break-Up Fee and Expense Reimbursement will not diminish the value of assets available for distribution to creditors, because, as stated above, the Debtor will only be required to make the payments if the Bankruptcy Court approves a transaction with and the Debtor consummates a sale to an alternative bidder for a price that exceeds the consideration offered by the Stalking Horse Bidder by an amount sufficient to pay both the Break-up Fee and the Expense Reimbursement.

24. For these reasons, the Debtor respectfully submits that approval of the Break-Up Fee and Expense Reimbursement is appropriate under the circumstances.

**C. The Proposed Sale Notice, the Proposed Date for the Sale Objection Deadline, the Cure Objection Deadline and the Sale Hearing Are Appropriate.**

25. The Debtor submits that the Sale Objection Deadline is reasonable and appropriate under the circumstances. As noted above, the Sale Hearing is more than twenty-one (21) days from notice of this Motion and the Sale Objection Deadline has been scheduled seven (7) days in advance thereof. As such, the Debtor submits that the proposed Sale Objection Deadline meets the requirements of the Bankruptcy Rules.

26. The Debtor further submits that the notice to be provided through the Sale Notice and the method of service proposed herein fully complies with the requirements set forth in Bankruptcy Rule 2002 and constitutes good and adequate notice of the Bidding Procedures and the subsequent proceedings related thereto, including the proposed dates for (a) the Bid Deadline; (b) the Sale Objection Deadline; (c) the Contract Objection Deadline; and (d) the Sale Hearing. Therefore, the Debtor respectfully requests that the Bankruptcy Court to approve the proposed notice procedures.

**D. The Sale of the Purchased Assets is Within the Sound Business Judgment of the Debtor and Should be Approved.**

27. Section 363(b)(1) of the Bankruptcy Code provides, in relevant part, that a debtor-in-possession, “after notice and a hearing, may use, sell, or lease, other than in the ordinary course of business, property of the estate.” 11 U.S.C. § 363(b)(1). Section 363 does not set forth a standard for determining when it is appropriate for a court to authorize the sale or disposition of a debtor’s assets prior to confirmation of a plan. However, courts have required that the decision to sell assets outside the ordinary course of business be based upon the sound business judgment of the debtor. See 3 COLLIER ON BANKRUPTCY ¶ 363.02[4] (16th ed. 2012); *see also In re Schipper*, 933 F.2d 513, 515 (7th Cir. 1991) (requiring “articulated business justification” for sale, adequate notice, and the availability of a hearing to approve sale under § 363(b)); *Myers v. Martin (In re Martin)*, 91 F.3d 389, 395 (3d Cir. 1996); *Comm. of Equity Sec. Holders v. Lionel Corp. (In re Lionel Corp.)*, 722 F.2d 1063, 1071 (2d Cir. 1983); *Dai-Ichi Kangyo Bank, Ltd. v. Montgomery Ward Holding Corp., (In re Montgomery Ward Holding Corp.)*, 242 B.R. 147, 153 (D.Del. 1999); *In re Zeigler*, 320 B.R. 362, 381 (Bankr. N.D. Ill. 2005); *In re U.S. Airways Grp., Inc.*, 287 B.R. 643, 645 (Bankr. E.D. Va. 2002).

28. A debtor’s showing of a sound business purpose need not be unduly exhaustive but, rather, a debtor is “simply required to justify the proposed disposition with sound business reasons.” *In re Baldwin United Corp.*, 43 B.R. 888, 906 (Bankr. S.D. Ohio 1984). Whether or not there are sufficient business reasons to justify a transaction depends upon the facts and circumstances of each case. *See Lionel*, 722 F.2d at 1071; *Montgomery Ward*, 242 B.R. at 155 (approving funding of employee incentive and severance program; business purpose requirement fulfilled because stabilizing turnover rate and increasing morale were necessary to successful reorganization).

29. The Debtor submits that ample business justification exists to sell the Purchased Assets pursuant to the Bidding Procedures. The sale of the Purchased Assets presents the best opportunity to maximize the value for the estate in light of the need to manage and transition the Purchased Assets to a purchaser. Further, the Debtor submits that the sale of the Purchased Assets must occur quickly to maximize value in this chapter 11 case and that extended time spent in chapter 11 increases the risk of business loss and value deterioration. Absent a reasonably prompt sale pursuant to the procedures and timelines proposed, the Debtor believes that the going-concern value of the Purchased Assets will be significantly compromised. The Debtor further believes that a targeted sale process is most likely to achieve the highest and best price for the Purchased Assets and will do so in an efficient and timely manner, enabling the Purchased Assets to emerge successfully from this case. The Debtor respectfully submits that the relief sought by this Motion is not only reasonable but necessary to maximize the value of its estate for the benefit of the Debtor and its stakeholders.

30. The Debtor has articulated ample business justification for the Sale and, through the measures and safeguards proposed in the Bidding Procedures, has guaranteed adequate notice to all creditors and the availability of a hearing on the Sale. Accordingly, the proposed Sale comports with the requirements of a § 363(b) sale as enunciated by the Seventh Circuit in *In re Schipper*, 933F.2d at 515.

**E. The Sale of the Purchased Assets is Proposed in Good Faith under Section 363(m) of the Bankruptcy Code.**

31. The Debtor requests that the Court find that the Successful Bidder is entitled to the benefits and protections provided by section 363(m) of the Bankruptcy Code in connection with the sale of the Purchased Assets.

32. Section 363(m) of the bankruptcy Code provides, in pertinent part:

The reversal or modification on appeal of an authorization under subsection (b) . . . of this section of a sale . . . of property does not affect the validity of a sale . . . under such authorization to an entity that purchased . . . such property in good faith, whether or not such entity knew of the pendency of the appeal, unless such authorization and such sale . . . were stayed pending appeal.

11 U.S.C. § 363(m).

33. Section 363(m) protects the purchaser of assets sold pursuant to section 363 from the risk that it will lose its interest in the purchased assets if the order allowing the sale is reversed on appeal. By its terms, section 363(m) applies to sales of interests in tangible assets. However, some courts have applied the protections of 363(m) to assignments of executory contracts as well. *See In re Kmart Corp.*, No. 03 C 698, 2003 WL L956I49, at \*3 (Bankr. N.D. Ill. April 23, 2003). As required by section 363(m), the Bidding Procedures have been proposed in good faith and provide for both the Debtor and any potential purchaser to act in good faith in negotiating the sale of the Purchased Assets and the assignment of the Contracts and Leases related thereto. To constitute lack of good faith, a party's conduct in connection with the sale must usually amount to "fraud, collusion between the purchaser and other bidders or the trustee or an attempt to take grossly unfair advantage of other bidders." *In re Wieboldt Stores, Inc.*, 92 B.R. 309, 312 n.3 (Bankr. N.D. Ill. 1988) (quoting *In re Rocklndus. Mach. Corp.*, 572 F.2d 1195, 1198 (7th Cir. 1978)); *see also In re Perona Bros., Inc.*, 186 B.R. 833, 839 (D.N.J. 1995); *In re Bedford Springs Hotel, Inc.*, 99 B.R. 302, 305 (Bankr. W.D. Pa. 1989). Due to the absence of a bright line test for good faith, the determination is based on the facts of each case, concentrating on the "integrity of [an actor's] conduct during the sale proceedings." *In re Pisces Leasing Corp.*, 66 B.R. 671, 673 (E.D.N.Y. 1986) (quoting *In re Rock Indus. Mach. Corp.*, 572 F.2d 1 195, 1998 (7th Cir. 1978)).

34. As required by section 363(m), the Sale has been proposed in good faith. As will be demonstrated at the Sale Hearing, any sale agreement will be the culmination of a solicitation and negotiation process in which all parties will be represented by counsel. All negotiations have been and will continue to be conducted on an arm's length, good faith basis. Moreover, there is no evidence of fraud or collusion in connection with the proposed Sale.

35. Accordingly, under the circumstances, the Successful Bidder should be afforded the protections that section 363(m) provides to a good faith purchaser.

**F. The Proposed Sale Satisfies the Requirements of Section 363(f) of the Bankruptcy Code.**

36. Under section 363(f) of the Bankruptcy Code, a debtor may sell all or any part of its property free and clear of any and all liens, claims, or interests in such property if: (a) such a sale is permitted under applicable non-bankruptcy law; (b) the party asserting such a lien, claim, or interest consents to such sale; (c) the interest is a lien and the purchase price for the property is greater than the aggregate amount of all liens on the property; (d) the interest is the subject of a bona fide dispute; or (e) the party asserting the lien, claim, or, interest could be compelled, in a legal or equitable proceeding, to accept a money satisfaction for such interest. *See* 11 U.S.C. § 363(f); *see also In re Zeigler*, 320 B.R. at 387 (noting that section 363(f) of the Bankruptcy Code is written in the disjunctive; therefore, a court may approve a sale “free and clear” provided at least one of the subsections is met). Furthermore, courts have held that they have the equitable power to authorize sales free and clear of interests that are not specifically covered by section 363(f). *See, e.g., In re Trans World Airlines, Inc.*, 2001 WL 1820325, at\*3, 6 (Bankr. D. Del. Mar. 27, 2001); *Volvo White Truck Corp. v. Chambersburg Beverage, Inc. (In re White Motor Credit Corp.)*, 75 B.R. 944, 948 (Bankr. N.D. Ohio 1987).

37. Because section 363(f) of the Bankruptcy Code is drafted in the disjunctive, satisfaction of any one of its five requirements will suffice to permit the Sale of the Purchased Assets free and clear of Encumbrances. *See, e.g., In re Kellstrom Indus., Inc.*, 282 B.R. 787, 793 (Bankr. D. Del. 2002) (“Section 363(f) is written in the disjunctive, not the conjunctive, and if any of the five conditions are met, the [d]ebtors have the authority to conduct the [s]ale free and clear of all liens.”).

38. The Debtor submits that section 363(f) permits the Sale of the Purchased Assets free and clear of Encumbrances, except the Permitted Encumbrances because such Encumbrances will be adequately protected by attachment to the Sale Proceeds. Accordingly, the Purchased Assets should be transferred to the Successful Bidder free and clear of all Encumbrances, other than the Permitted Encumbrances, with such Encumbrances to attach to the Sale Proceeds.

**G. Assumption and Assignment of Contracts and Leases Should be Approved**

39. To facilitate and effectuate the sale of the Purchased Assets, the Debtor seeks authority to assume, assign and/or transfer various Contracts and Leases to the Successful Bidder. Section 365 of the Bankruptcy Code authorizes a debtor to assume and/or assign its executory contracts and unexpired leases, subject to the approval of the Court; provided that the defaults under such contracts and leases are cured and adequate assurance of future performance is provided. A debtor’s decision to assume or reject an executory contract or unexpired lease must only satisfy the “business judgment rule” and will not be subject to review unless such decision is clearly an unreasonable exercise of such judgment. *See Group of Institutional Investors v. Chicago, Milwaukee, St. Paul & Pacific Ry. Co.*, 318 U.S. 523 (1943) (applying Bankruptcy Act section 77 subsection (b), predecessor to Bankruptcy Code Section 365, and

rejecting test of whether executory contract was burdensome in favor of whether rejection is within debtor's business judgment); *see also Lubrizol Enter., Inc. v. Richmond Metal Finishers, Inc.*, 756F.2d 1043, 1046-47 (4th Cir. 1985).

40. The meaning of "adequate assurance of future performance" depends on the facts and circumstances of each case, but should be given "practical, pragmatic construction." *See Carlisle Homes, Inc. v. Azzari (In re Carlisle Homes, Inc.)*, 103 B.R. 524, 538 (Bankr. D. N.J. 1989). Among other things, adequate assurance may be given by demonstrating the assignee's financial health and experience in managing the type of enterprise or property assigned. *In re Bygaph, Inc.*, 56 B.R. 596, 605-06 (Bankr. S.D.N.Y. 1986) (finding adequate assurance of future performance present when the prospective assignee of a lease from the debtor has the financial resources and has expressed a willingness to devote sufficient funding to the business in order to give it a strong likelihood of succeeding; "chief determinant of adequate assurance of future performance is whether rent will be paid").

41. The Debtor believes that it can and will demonstrate that all requirements for assumption, assignment and/or transfer of the Assumed Contracts and Assumed Leases will be satisfied at the Sale Hearing. The Debtor, as required by the Bidding Procedures, will evaluate the financial wherewithal of all potential bidders before qualifying such bidders to bid for the Purchased Assets. Further, for the reasons stated throughout this Motion, the Debtor, in exercising its sound business judgment, believes that selling the Purchased Assets and assuming, assigning and/or transferring to the Successful Bidder or Back-Up Bidder the Assumed Contracts and Assumed Leases would be in the best interests of its estate. Moreover, as discussed above, the Debtor will provide all parties to the Assumed Contracts and Assumed Leases with notice and an opportunity to be heard.

**H. Waiver of Bankruptcy Rule 6004(h) and 6006(d) is Appropriate.**

42. Bankruptcy Rule 6004(h) provides that an “order authorizing the use, sale, or lease of property . . . is stayed until the expiration of 14 days after entry of the order, unless the court orders otherwise.” Similarly, Bankruptcy Rule 6006(d) provides that “an order authorizing the trustee to assign an executory contract of unexpired lease . . . is stayed until the expiration of 14 days after the entry of the order, unless the court orders otherwise.” The Debtor requests that the Sale Order be effective immediately by providing that the fourteen (14) day stay under Bankruptcy Rules 6004(h) and 6006(d) is waived.

43. The purpose of Bankruptcy Rules 6004(h) and 6006(d) is to provide sufficient time for an objecting party to appeal before an order can be implemented. *See* Advisory Committee Notes to Fed. R. Bankr. P. 6004(h) and 6006(d). Although Bankruptcy Rules 6004(h) and 6006(d) and the Advisory Committee Notes are silent as to when a court should “order otherwise” and eliminate or reduce the stay period, *Collier on Bankruptcy* suggests that the stay period should be eliminated to allow a sale or other transaction to close immediately “where there has been no objection to the procedure.” 10 COLLIER ON BANKRUPTCY 6004.11 (16th rev. ed. 2011). Furthermore, *Collier* suggests that if an objection is filed and overruled, and the objecting party informs the court of its intent to appeal, the stay may be reduced to the amount of time actually necessary to file such appeal. *Id.*

44. The Debtor requests that the Bankruptcy Court waive the fourteen (14) day stay period under Bankruptcy Rules 6004(h) and 6006(d) or, in the alternative, if an objection to the Sale is filed, reduce the stay period to the minimum amount of time needed by the objecting party to file its appeal.

**WAIVER OF PAGE LIMIT RESTRICTION**

45. Given the complexity of issues addressed herein, the Debtor respectfully requests that the fifteen page limit established by Local Rule 5005-3(D) be waived for this Motion.

**NOTICE**

46. No trustee, examiner or official committee has been appointed in this chapter 11 case. Notice of this Motion has been provided to: (a) the Office of the United States Trustee for the Northern District of Illinois; (b) counsel to the Stalking Horse Bidder; (c) the creditors listed on the Debtor's list of 20 largest unsecured creditors; (d) the Debtor's prepetition secured lenders or their counsel, if known; and (e) all parties that have filed a request for notice pursuant to Bankruptcy Rule 2002. Notice of this Motion and any order entered hereon will be served in accordance with Local Rule 9013-1(D). In light of the nature of the relief requested herein, the Debtor submits that no other or further notice is required.

**NO PRIOR REQUEST**

47. No prior application or motion for the relief requested herein has been made by the Debtor to this or any other Court.

**[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]**

**WHEREFORE**, the Debtor respectfully requests entry of the Bidding Procedures Order, substantially in the form attached hereto as Exhibit A, and the Sale Order, substantially in the form attached hereto as Exhibit B, granting the relief requested herein and granting such other and further relief as the Court deems just and proper.

I. The entry of this Order is in the best interests of the Debtor, its estate, its creditors, and other parties in interest; and it is therefor

**ORDERED, ADJUDGED AND DECREED THAT:**

1. The relief requested in the Motion is GRANTED, as set forth herein.
2. The Bidding Procedures (including without limitation the Stalking Horse Bid Protections) and Contract Procedures are approved in all respects and the relief requested in the

Motion as it pertains to the Bidding Procedures (including without limitation the Stalking Horse Bid Protections) and Contract Procedures, is granted.

3. All objections to the relief requested in the Motion with respect to the Bidding Procedures (including without limitation the Stalking Horse Bid Protections) or the Contract Procedures that have not been withdrawn, waived, or settled as announced to the Court at the hearing on the Motion or as reflected in this Order or by stipulation or withdrawal filed with the Court, are overruled.

4. The Debtor is hereby authorized to enter into and execute the Stalking Horse APA and to perform its obligations under the Stalking Horse APA.

5. The Bidding Procedures attached hereto as Exhibit 1 (including without limitation the Stalking Horse Bid Protections) are hereby approved and fully incorporated into this Order, shall apply with respect to the Auction and the proposed Sale of the Purchased Assets and, in the event of a conflict between the Bidding Procedures attached hereto as Exhibit 1 (including without limitation the Stalking Horse Bid Protections) and this Order, the Bidding Procedures attached hereto as Exhibit 1 (including without limitation the Stalking Horse Bid Protections) shall control.

6. The Debtor is authorized to take any and all actions necessary or appropriate, consistent with the terms of this Order, to implement the Bidding Procedures.

7. The Stalking Horse Bidder is hereby deemed a Qualified Bidder, whose bid as set forth in the Stalking Horse APA shall be deemed a Qualified Bid.

8. The Debtor, in consultation with the official committee of unsecured creditors (if one is appointed in this Chapter 11 Case) (the "Committee"), shall have the right to determine at

the Auction that any Qualified Bid other than the Stalking Horse Bid and Successful Bid shall be the Back-Up Bid.

9. Pursuant to the Bidding Procedures, a Potential Bidder that desires to make a bid shall deliver written copies of its bid to the parties identified in the Bidding Procedures no later than [December 1, 2017 at 12:00 p.m. (prevailing Central Time)] (the “Bid Deadline”) and shall comply with all other requirements set forth in the Bidding Procedures in making such a bid for the Purchased Assets.

10. To the extent the Debtor receives at least one Qualified Bid, other than that of the Stalking Horse Bidder, the Debtor shall conduct the Auction commencing at [10:00 a.m. (prevailing Central Time) on December 5, 2017], at the offices of Polsinelli PC, 150 N. Riverside Plaza, Suite 3000, Chicago, Illinois 60606, or such later date and time as selected by the Debtor.

11. The Auction may be attended and viewed by the Debtor and its professionals, the Auction Participants, the Committee, if any, and its members and professionals. Any creditor wishing to attend the Auction may do so by contacting, no later than three (3) business days prior to the start of the Auction: Cullen and Dykman LLP, Attn: S. Jason Teele, Esq. (steele@cullenanddykman.com) and Nicole Stefanelli, Esq. (nstefanelli@cullenanddykman.com).

12. If the Debtor does not receive a Qualified Bid other than that of the Stalking Horse Bidder, the Debtor will not hold the Auction, and the Stalking Horse Bidder will be named the Successful Bidder. No later than 4:00 p.m. (prevailing Central Time) on the day that is one business day before the Auction, the Debtor shall notify all Qualified Bidders (including the Stalking Horse Bidder) and counsel to the Committee, if any, whether the Auction will occur.

13. Upon conclusion of the bidding at any Auction, the Auction shall be closed, and the Debtor, in consultation with the Committee, if any, shall (i) review each Qualified Bid and Overbid on the basis of financial and contractual terms and the factors relevant to the Sale process and the contract assumption process, including, without limitation, those factors affecting the speed and certainty of consummating the proposed Sale and the amount of the cash (or cash equivalents) consideration and (ii) identify the highest or otherwise best offer for the Purchased Assets (the “Successful Bid” and the entity submitting such Successful Bid, the “Successful Bidder”), the Back-Up Bid and the Back-Up Bidder and advise the Qualified Bidders of such determinations.

14. The Debtor shall file notice of the identity of the Successful Bidder, and the Back-up Bidder, and the amount of the Successful Bid and Back-up Bid with the Court by the earlier of (a) twelve (12) hours after the close of the Auction and (b) noon the day after the close of the Auction. At that same time, the Debtor shall serve notice of the same by email or fax to all counterparties and creditors who have requested the same in writing from Debtor’s counsel and have provided such counsel with their email addresses or fax numbers by no later than three (3) business days prior to the start of the Auction.

15. The Debtor, in its reasonable business judgment, in consultation with the Committee, if any, may (a) determine which Qualified Bid, if any, is the highest or otherwise best offer; and (b) reject, at any time before entry of an order of the Court approving a Qualified Bid, any bid that is (i) inadequate or insufficient; (ii) not in conformity with the requirements of the Bankruptcy Code, the Bidding Procedures, or the terms and conditions of the Sale; or (iii) contrary to the best interests of the Debtor, their estates, their creditors, or other stakeholders; provided, however, that notwithstanding anything contained herein or in any other related

pleading, the Debtor may not modify the Bidding Procedures in any way that would materially alter or impair the rights of the Stalking Horse Bidder under the Stalking Horse APA or this Order. All bids, including the Successful Bid, must comply with the Minimum Initial Bid requirements (as defined in the Motion).

16. The Debtor's presentation of a particular Qualified Bid other than the Stalking Horse Bid to the Court for approval does not constitute the Debtor's acceptance of such Qualified Bid. Other than as expressly set forth in the Bidding Procedures Order, the Debtor will be deemed to have accepted a bid only when the bid has been approved by the Court at the Sale Hearing.

17. After the Successful Bid, the next highest or otherwise best offer (the "Back-Up Bid"), as determined by the Debtor, in consultation with the Committee, if any, shall remain open, and the entity submitting such Back-Up Bid (the "Back-Up Bidder") shall be required to fully perform under such Back-Up Bid, until the earlier of consummation of the Sale with the Successful Bidder or sixty (60) days following the closing date contemplated in the Successful Bid. For the avoidance of doubt, the Stalking Horse Bidder shall not be required to serve as the Back-Up Bidder. In the event the Successful Bidder fails to consummate the Sale as a result of the Successful Bidder's default or breach under the applicable purchase agreement in accordance with the terms of such purchase agreement by the closing date contemplated in such purchase agreement, the Debtor shall be, among other things, free to enter into a new purchase agreement with the Back-Up Bidder at the purchase price contemplated in the Back-Up Bid. Following the approval of the Sale of the Purchased Assets to the Successful Bidder at the Sale Hearing, if such Successful Bidder fails to consummate the approved Sale within sixty (60) days after entry of an Order approving such Sale, the Debtor shall be authorized, in consultation with the Committee, if

any, but not required, to deem the Back-Up Bid, as disclosed at the Sale Hearing, the Successful Bid, and the Debtor may consummate the Sale to the Back-Up Bidder without further order of the Court.

18. The Sale Notice attached hereto as Exhibit 2 is approved. The Sale Notice provides all parties in interest good and sufficient notice of the relief sought in the Motion, including, but not limited to, the Auction, the Bid Deadline, the Bidding Procedures (including without limitation the Stalking Horse Bid Protections), the Sale Hearing and the Sale.

19. Within two (2) days of the entry of the Bidding Procedures Order, the Debtor shall serve by first class mail, postage prepaid, copies of: (i) this Order and (ii) the Sale Notice upon the following entities: (a) the Office of the United States Trustee for the Northern District of Illinois; (b) counsel to the Stalking Horse Bidder; (c) the Debtor's prepetition secured lenders or their counsel, if known; (d) counsel to the Committee, if any; (e) all taxing authorities having jurisdiction over any of the Purchased Assets subject to the Sale, including the Internal Revenue Service; (f) the state/local environmental agencies in the jurisdictions where the Debtor leases real property; (g) all of the Debtor's known creditors; (h) all parties that have requested notice pursuant to Bankruptcy Rule 2002 as of the date prior to the date of entry of the Bidding Procedures Order; (i) all persons or entities known to the Debtor that have asserted a lien on, or security interest in, all or any portion of the Purchased Assets; and (j) any Potential Bidders previously identified or otherwise known to the Debtor.

20. The Contract Procedures, setting forth, among other things, the procedures for determining the Cure Costs and the deadline for objecting to the Cure Costs and/or the proposed assumption and assignment of executory contracts and unexpired leases, as provided in the Motion, are hereby approved in their entirety, except as modified herein. The Cure Notice

attached hereto as Exhibit 3 provides proper notice to all parties in interest and is approved. The Debtor shall serve the Cure Notice on all Contract Parties by first class mail no later than fourteen (14) days before the Contract Objection Deadline and twenty-one (21) days prior to the Sale Hearing.

21. The Court shall conduct the Sale Hearing on December [\_\_\_], 2017 at \_\_\_:\_\_\_ .m. (prevailing Central Time), at which time the Court will consider approval of the Sale to the Successful Bidder and entry of the Sale Order.

22. Objections to (i) approval of the Sale and entry of the Sale Order, including the relief sought in the Motion that the sale of the Purchased Assets be free and clear of all Encumbrances pursuant to Bankruptcy Code section 363(f), with such Encumbrances to attach to the Sale Proceeds (if any) (a "Sale Objection") or (ii) proposed Cure Costs and/or the proposed assumption and assignment of Assumed Contracts and Assumed Leases, including, but not limited to, objections related to adequate assurance of future performance by the Successful Bidder (a "Contract Objection"), must be in writing, must conform to the Bankruptcy Rules and the Local Rules, must set forth the name of the objecting party, the basis for the objection and the specific grounds therefor, and shall be filed with the Court and served on (i) counsel to the Debtor, Cullen and Dykman LLP, Attn: S. Deadline” and “Contract Objection Deadline”); provided, however, that in the event the Auction results in a Successful Bidder other than the Stalking Horse Bidder, Contract Parties shall be able to assert an objection no later than two (2) hours before the Sale Hearing (the “Alternate Contract Objection Deadline”) to the assignment of executory contracts and unexpired leases to such Successful Bidder, other than to the Cure Amount which shall be subject to the Contract Objection Deadline, with any such objection being heard at the Sale Hearing or at a later-scheduled hearing as the Court deems appropriate.

23. In the event (a) an Auction is conducted, the deadline for objections related to the conduct of the Auction itself shall be at the Sale Hearing and (b) in the event the Auction results in a Successful Bidder other than the Stalking Horse Bidder, the deadline for objections relating to (i) the form of Sale Order approving such Successful Bidder’s asset purchase agreement, and (ii) the proposed asset purchase agreement between the Debtor and such Successful Bidder shall be at the Sale Hearing.

24. Unless a Contract Objection is filed and served before the Contract Objection Deadline or the Alternate Contract Objection Deadline, as applicable, all Contract Parties shall be (i) forever barred from objecting to the proposed Cure Costs and from asserting any additional cure or other amounts, and the Debtor and the Successful Bidder shall be entitled to rely solely upon the proposed Cure Costs set forth in the Cure Notice; (ii) deemed to have consented to the assumption or assumption and assignment of the Assumed Contracts and Assumed Leases; (iii) forever barred and estopped from asserting or claiming against the Debtor or the Successful Bidder that any additional amounts are due or other defaults exist, that conditions to assignment must be satisfied under such Assumed Contracts and Assumed Leases, including, without limitation, any consent rights, or that there is any objection or defense to the assumption and

25. The Debtor, the Contract Party, and the Successful Bidder may consensually resolve any Contract Objection prior to, or after, the Sale Hearing. In the event the Contract Objection is not resolved, such Contract Objection will be heard at the Sale Hearing or thereafter. To the extent it is determined that the Cure Cost exceeds the amount set forth in the Cure Notice, the Successful Bidder may determine to not have such Contract or Lease assumed and assigned to it, in which case such Contract or Lease shall not be assumed and shall remain property of the Debtor's estate, subject to any further orders of the Court.

26. The Debtor is hereby authorized to share certain of the Contracts and Leases that contain confidentiality restrictions with Qualified Bidders, including the Stalking Horse Bidder, subject to the terms of the non-disclosure agreement by and between the Debtor and each Qualified Bidder, provided that each such Qualified Bidder requesting access to such confidential Contracts and Leases enters into a non-disclosure agreement with the Debtor, in a form acceptable to the Debtor.

27. In the event that the Court approves a transaction with a Qualified Bidder that is not the Stalking Horse Bidder, the Debtor is authorized and directed to pay to the Stalking Horse Bidder as compensation for the Stalking Horse Bidder's efforts in connection with the negotiation and execution of the Stalking Horse APA, and the transactions contemplated thereby, not later than the time of the closing of such transaction, in immediately available, good funds of the United States of America, (i) the Break-Up Fee in the amount of One Hundred Fifty

Thousand Dollars (\$150,000.00), and (ii) the Expense Reimbursement for reimbursement of its documented expenses incurred in connection with the Stalking Horse APA and the transactions contemplated thereby, including without limitation its out-of-pocket expenses incurred in connection with its due diligence investigation of the Debtor and the Business, and its reasonable attorneys' fees and expenses incurred in connection with the Stalking Horse APA and the transactions contemplated thereby, in an amount not to exceed One Hundred Fifty Thousand Dollars (\$150,000), in accordance with the provisions of Section 9.2 of the Stalking Horse APA. Stalking Horse Bidder shall have an allowed administrative priority claim in Debtor's bankruptcy case in the amount of the Break-Up Fee plus the Expense Reimbursement pursuant to section 503(b)(1)(A) of the Bankruptcy Code.

28. The Court finds that no consumer privacy ombudsman is required under section 363(b)(1) of the Bankruptcy Code.

29. All Qualified Bidders are deemed to have submitted to the exclusive jurisdiction of the Court with respect to all matters between and among any Qualified Bidder and the Debtor related to the Auction and the Sale.

30. All of the dates set forth on the attached Schedule 1 are hereby approved.

31. This Order shall constitute findings of fact and conclusions of law and shall take effect immediately upon execution hereof.

32. Notwithstanding the possible applicability of Bankruptcy Rule 6003 or 6004(h) or otherwise, the terms and conditions of this Order shall be immediately effective and enforceable upon its entry, and no automatic stay of execution shall apply to this Order.

33. The Court shall retain jurisdiction over any matters related to or arising from the implementation of this Order and the Bidding Procedures.

TEC-AIR, INC.,

Debtor.

Chapter 11

Case No.

**BIDDING PROCEDURES**

On October 27, 2017, Tec-Air, Inc., the above-captioned debtor and debtor-in-possession (the “Debtor”), entered into an Asset Purchase Agreement (the “Stalking Horse APA”) with Chatterjee Management Company (the “Stalking Horse Bidder”) pursuant to which the Stalking Horse Bidder proposes to purchase, acquire, and take assignment and delivery of, free and clear of all liens, claims, encumbrances, and other interests (except as otherwise provided in the Stalking Horse APA), substantially all of the Debtor’s assets (as defined in the Stalking Horse APA, the “Purchased Assets”). On [\_\_\_\_\_], 2017, the United States Bankruptcy Court for the Northern District of Illinois (the “Bankruptcy Court”) entered the *Order Approving Bidding Procedures for the Sale of Substantially All of the Debtor’s Assets; (B) Approving Stalking Horse Bid Protections; (C) Scheduling an Auction and Sale Hearing; (D) Approving the Form and Manner of Notice of Sale, Auction, and Sale Hearing; (E) Establishing Notice and Contract Procedures for the Assumption and Assignment of Assumed Contracts and Assumed Leases; and (F) Granting Related Relief* (the “Bidding Procedures Order”),<sup>1</sup> by which the Bankruptcy Court approved the procedures set forth below (the “Bidding Procedures”) to effectuate the sale of the Purchased Assets (the “Sale”). The Bidding Procedures are designed to

<sup>1</sup> Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Bidding Procedures Order or the Stalking Horse APA, as applicable.

facilitate a full, open and fair bidding process to maximize the value of the Purchased Assets for the benefit of the Debtor's creditors, stakeholders, and the bankruptcy estate.

### **DUE DILIGENCE**

In order to access diligence materials and information related to the Debtor's assets, each potential bidder (a "Potential Bidder") must first deliver (unless previously delivered) to the Debtor's investment banker and counsel (as identified below) the following items prior to the Bid Deadline (defined below) (collectively, the "Participation Requirements"):

- (a) Confidentiality Agreement. An executed confidentiality agreement in form and substance reasonably acceptable to the Debtor; and
- (b) Identification of Potential Bidder. Identification of the Potential Bidder and any principals and representatives thereof who are authorized to appear and act on their behalf for all purposes regarding the contemplated Sale.

Upon satisfaction of the Participation Requirements, the Debtor will afford each Potential Bidder due diligence access to the Debtor's assets; provided, however, that (i) the Debtor shall have the right, in consultation with any official committee of unsecured creditors appointed in the chapter 11 case (the "Committee"), to reasonably limit the due diligence provided to competitors; and (ii) the Debtor will have no obligation to provide due diligence access after the Bid Deadline. If the Debtor determines, in consultation with the Committee, if any, that a Potential Bidder does not constitute a Qualified Bidder (defined below), then such Potential Bidder's access to due diligence materials or additional non-public information shall terminate. The Debtor has designated its investment banker, Three Twenty-One Capital Partners, 2205 Warwick Way Suite 310, Marriottsville, MD 21104, Attn: Ervin M. Terwilliger, (E-mail: erv@321capital.com, Phone: 443-325-5290, ext. 201), to coordinate all reasonable requests from Potential Bidders for additional information and due diligence access. The Debtor and its representatives are not responsible for, and will bear no liability with respect to, any information obtained by any Qualified Bidder in connection with the Sale of the Purchased Assets.

The Stalking Horse Bidder shall be afforded the same due diligence access as is intended to be afforded to any Potential Bidder that satisfies the Participation Requirements; provided, however, that any such due diligence access shall not confer upon the Stalking Horse Bidder any additional rights to terminate the Stalking Horse APA.

### **BIDDING PROCESS**

The Debtor and its advisors shall (i) determine, in consultation with the Committee, if any, whether a Potential Bidder is a Qualified Bidder; (ii) coordinate efforts of the Potential Bidders in conducting their due diligence investigation; (iii) receive offers from the Qualified Bidders; and (iv) negotiate the offers made to purchase the Purchased Assets (collectively, the "Bidding Process"). Except as otherwise provided herein, the Debtor shall have the right, after consultation with each Qualified Bidder and the Committee, if any, to adopt such other rules for

the Bidding Process (including rules that may depart from those set forth herein) that will better promote the goals of the Bidding Process, that are consistent with the Debtor's fiduciary duties, and that are not inconsistent with any of the other provisions hereof, the Bidding Procedures Order, or any other Bankruptcy Court order; provided, however, that notwithstanding anything contained herein or in any other related pleading, the Debtor may not modify the Bidding Procedures in any way that would materially alter or impair the rights of the Stalking Horse Bidder under the Stalking Horse APA or the Bidding Procedures Order.

**A. Designation as Qualified Bidder**

In order to be eligible to participate in the Auction (defined below) for the Purchased Assets, each Potential Bidder, other than the Stalking Horse Bidder or its designee or assignee, must be determined by the Debtor, in consultation with the Committee, if any, to have submitted a Qualified Bid (each, a "Qualified Bidder"). The Debtor shall have the right, in consultation with the Committee, if any, to determine whether a bidder is a Qualified Bidder.

The Stalking Horse Bidder is a Qualified Bidder, and the Stalking Horse Bidder's bid is a Qualified Bid.

In order for any Potential Bidder to be considered a Qualified Bidder (other than the Stalking Horse Bidder and its designee or assignee, who are already considered Qualified Bidders), such Potential Bidder must submit a written offer (a "Qualified Bid") such that it is received prior to the Bid Deadline and meets the following criteria:

- (a) Purchased Assets. Each bid must be a bulk bid to purchase all or substantially all of the Purchased Assets, and must clearly state which liabilities of the Debtor the Qualified Bidder is agreeing to assume.
- (b) Initial Minimum Overbid. Each bid must provide for the assumption of the Assumed Liabilities and the aggregate consideration proposed by each bid must equal or exceed the sum of (collectively, the "Initial Minimum Overbid"):
  - (i) cash in an amount equal to \$4,000,000.00; plus
  - (ii) assumption of the Cure Costs and Supplier Obligations up to an aggregate amount of \$600,000; plus
  - (iii) cash equal to the sum of the Break-Up Fee plus the Expense Reimbursement (i.e., \$300,000.00), subject to confirmation of the amount of the Expense Reimbursement by the Debtor, after consultation with the Stalking Horse Bidder and the Committee, if any, prior to (and to be announced at) the Auction; plus
  - (iv) \$100,000.00 in cash.

- (c) Deposit. Each bid must be accompanied by a cash deposit in the amount equal to Two Hundred Thousand and 00/100 Dollars (\$200,000.00) to be held in an interest-bearing escrow account to be identified and established by the Debtor (the “Deposit”).
- (d) Executed and Marked Asset Purchase Agreement. Each bid must include a redlined copy of the Stalking Horse APA (the “Modified APA”) to show all changes requested by the Qualified Bidder, including those related to the purchase price in accordance with subsection (b) above, and identify each Contract and Lease to be assumed thereunder.
- (e) No Contingencies. A bid may not be conditioned on obtaining internal approval, obtaining financing or on the outcome or review of due diligence, and a bid shall not contain any contingencies to the validity, effectiveness, and/or binding nature of the bid beyond those contained and that remain effective in the Stalking Horse APA.
- (f) Legal Capacity. Each bid must be accompanied by documentation that, in the Debtor’s reasonable business judgment, in consultation with the Committee, if any, demonstrates that the Potential Bidder has the legal capacity to fund a purchase price in the amount of the Initial Minimum Overbid as set forth above, and otherwise consummate the proposed transaction.
- (g) Authorization to Bid. Each bid must include evidence of authorization and approval from such Qualified Bidder’s board of directors (or comparable governing body) with respect to the submission, execution, delivery and closing of the Modified APA.
- (h) Irrevocability; Back-Up Bidder. Each bid must be irrevocable (in the form resulting from any modifications that may be made prior to or at the Auction) until the end of the Business Day following the Closing, and contain an agreement for the Qualified Bidder to be a Back-Up Bidder (defined below).
- (i) No Fees Payable to Qualified Bidder. A bid may not request or entitle the Qualified Bidder to any break-up fee, termination fee, expense reimbursement or similar type of payment.
- (j) Financing Sources. Each bid must contain evidence of the ability to consummate the Sale satisfactory to the Debtor, in consultation with the Committee, if any, with appropriate contact information for all such financing sources (whether cash or borrowings) and may not contain any financing contingency (or conditions to borrowings).

- (k) Other Evidence. Each bid must contain evidence satisfactory to the Debtor, in its reasonable discretion, in consultation with the Committee, if any, that the Qualified Bidder (based on availability of financing, experience and other considerations or conditions) will be able to timely consummate the Sale to purchase the Purchased Assets if selected as the Successful Bidder.

**B. Bid Deadline**

The deadline for a Potential Bidder to submit a bid (other than the Stalking Horse Bidder or its designee or assignee) shall be [December 1, 2017 at 12:00 p.m. (prevailing Central Time)] (the "Bid Deadline"). A bid received after the Bid Deadline shall not constitute a Qualified Bid.

Prior to the Bid Deadline, a Potential Bidder shall deliver a written copy of its bid via email (in .pdf or similar format) to: (i) Three Twenty-One Capital Partners, Attn: Ervin M. Terwilliger, (erv@321capital.com) and (ii) Debtor's counsel, Cullen and Dykman LLP, Attn: S. Jason Teele, Esq. (steele@cullenanddykman.com) and Nicole Stefanelli, Esq. (nstefanelli@cullenanddykman.com). Counsel to the Debtor shall promptly provide email copies of such bids to counsel to the Committee, if any.

Promptly upon determining that any Potential Bidder's bid is a Qualified Bid, counsel for the Debtor shall provide copies of such bid or bids to counsel for the Stalking Horse Bidder.

**AUCTION**

Only in the event that the Debtor receives at least one (1) Qualified Bid (other than that of the Stalking Horse Bidder) by the Bid Deadline, the Debtor shall conduct an auction (the "Auction") of the Purchased Assets to determine the highest or otherwise best bid with respect to the Purchased Assets. No later than 4:00 p.m. (prevailing Eastern Time) on the day that is one business day before the Auction, the Debtor will notify all Qualified Bidders and respective counsel to the Committee, if any, and the Stalking Horse Bidder whether the Auction will occur and will provide each Qualified Bidder with copies of all Qualified Bids.

The Auction will take place at 10:00 a.m. (prevailing Central Time) on [December 5, 2017], at the offices of Polsinelli PC, 150 N. Riverside Plaza, Suite 3000, Chicago, Illinois 60606, or such later date and time as selected by the Debtor. The Auction will be conducted in a timely fashion according to the following procedures:

**A. Participation in the Auction**

The only persons or entities who will be permitted to bid at the Auction are the authorized representatives of each Qualified Bidder, including the Stalking Horse Bidder (collectively, the "Auction Participants"). Each Qualified Bidder must attend the Auction in person in order to bid at the Auction. While only the Auction Participants may bid at the Auction, the Auction may be attended and viewed also by the Debtor, its professionals, Auction Participants, the Committee, if any, and its members and professionals.

Any creditor wishing to attend the Auction, no later than three (3) business days prior to the start of the Auction, must contact Debtor's counsel, Cullen and Dykman LLP, Attn: S. Jason Teele, Esq. (steele@cullenanddykman.com) and Nicole Stefanelli, Esq. (nstefanelli@cullenanddykman.com).

**B. Baseline Bid**

The Debtor and its professional advisors shall direct and preside over the Auction. At the beginning of the Auction, the Debtor and its professional advisors will, in consultation with the Committee, if any, announce the highest Qualified Bid received by the Bid Deadline which shall serve as the baseline bid at the Auction (the "Baseline Bid"). All bids made thereafter shall be Overbids (defined below), and shall be made and received on an open basis, and all material terms of each bid shall be fully disclosed to all other Qualified Bidders, including the Stalking Horse Bidder. The Auction shall be transcribed and all bids shall be made on the record and announced at the Auction, including the Baseline Bid, all Overbids, and the Successful Bid (defined below).

**C. Terms of Overbids**

An "Overbid" is any bid made at the Auction subsequent to the Debtor's announcement of the Baseline Bid. Any Overbid following the Baseline Bid shall be at least \$25,000.00, and each subsequent Overbid must be made in increments of at least \$25,000.00 over the previous highest or best bid (the "Minimum Overbid Increments"), which amount may be modified by the Debtor in its sole discretion; provided, however, that the Stalking Horse Bidder shall be permitted to bid all or any portion of the Break-Up Fee or Expense Reimbursement as part of any overbid it submits at the Auction.

Any Overbid made by a Qualified Bidder (including with respect to any Back-Up Bid (defined below)) must remain open and binding on the Qualified Bidder until and unless the Debtor accepts a higher Qualified Bid as an Overbid. The Debtor shall announce at the Auction the material terms of each Overbid and the basis for calculating the total consideration offered in each such Overbid.

**D. Determination and Rejection of Bids.**

The Debtor, in its reasonable business judgment, after consultation with the Committee, if any, may (a) determine which Overbid, if any, is the highest or otherwise best offer; and (b) reject, at any time before entry of an order of the Bankruptcy Court approving an Overbid, any bid that is (i) inadequate or insufficient; (ii) not in conformity with the requirements of the Bankruptcy Code, the Bidding Procedures, the Bidding Procedures Order or the terms and conditions of the Sale; or (iii) contrary to the best interests of the Debtor, its estate, its creditors and other stakeholders.

The Debtor reserves the right, in its reasonable business judgment, and in consultation with the Committee, if any, to adjourn the Auction one or more times to, among other things, (i) facilitate discussions between the Debtor and Qualified Bidders, (ii) allow Qualified Bidders to consider how they wish to proceed, and (iii) provide Qualified Bidders the opportunity to

provide the Debtor with such additional evidence as the Debtor, in its reasonable business judgment, may require, that the Qualified Bidder has sufficient internal resources or has received sufficient non-contingent debt and/or equity funding commitments to consummate the proposed transaction at the prevailing Overbid amount.

**E. Closing the Auction**

Upon conclusion of the bidding process, the Auction shall be closed, and the Debtor, in consultation with the Committee, if any, shall (i) review each Qualified Bid on the basis of financial and contractual terms and the factors relevant to the Sale process, including those factors affecting the speed and certainty of consummating the Sale and the amount of the cash (or cash equivalents) consideration, and (ii) determine the highest or otherwise best offer for the Purchased Assets (the “Successful Bid”), the entity submitting such Successful Bid (the “Successful Bidder”), the next highest or otherwise best offer after the Successful Bid (the “Back-Up Bid”) and the entity submitting such Back-Up Bid (the “Back-Up Bidder”); and advise the Qualified Bidders of such determinations. The Back-Up Bid shall remain open, and the Back-Up Bidder shall be required to fully perform under such Back-Up Bid, until the earlier of consummation of the Sale with the Successful Bidder or sixty (60) days following the closing date contemplated in the Successful Bid. For the avoidance of doubt, the Stalking Horse Bidder shall not be required to serve as the Back-Up Bidder.

The Debtor shall file notice of the identity of the Successful Bidder, and the Back-Up Bidder, and the amount of the Successful Bid and Back-Up Bid with the Bankruptcy Court by the earlier of (a) twelve (12) hours after the close of the Auction and (b) noon the day after the close of the Auction. At that same time, the Debtor shall serve notice of the same by email or fax to all counterparties and creditors who have requested the same in writing from Debtor’s counsel and have provided such counsel with their email addresses or fax numbers by no later than three (3) business days prior to the start of the Auction.

**F. No Collusion; Good-Faith *Bona Fide* Offer.**

Each Qualified Bidder, including the Stalking Horse Bidder, participating at the Auction will be required to confirm on the record at the Auction that (i) it has not engaged in any collusion with respect to the bidding, and (ii) its Qualified Bid is a good-faith *bona fide* offer and it intends to consummate the proposed transaction if selected as the Successful Bidder.

**G. Consent to Jurisdiction as Condition to Bidding**

Each Qualified Bidder, including the Stalking Horse Bidder, participating at the Auction shall be deemed to have consented to the exclusive jurisdiction of the Bankruptcy Court and to have waived any right to a jury trial in connection with any disputes among any Qualified Bidder and the Debtor relating to the Auction and the construction and enforcement of the Qualified Bidder’s contemplated Sale documents, as applicable.

### **SALE HEARING**

A hearing to consider approval of the Sale of the Purchased Assets to the Successful Bidder (or to approve the Stalking Horse APA if no Auction is held) (the "Sale Hearing") is currently scheduled to take place on [December \_\_], 2017, at \_\_:00 a.m. (prevailing Central Time), or as soon thereafter as counsel may be heard, before the Honorable Janet S. Baer in Courtroom 615 in the Everett McKinley Dirksen United States Courthouse, 219 South Dearborn Street, Chicago, Illinois 60604.

### **STALKING HORSE APA**

Notwithstanding anything in these Bidding Procedures to the contrary, the Stalking Horse APA and related transaction documents will remain in full force and effect until such agreements have terminated in accordance with their respective terms.

### **BID PROTECTIONS**

In the event that the Debtor consummates a transaction with a Qualified Bidder that is not the Stalking Horse Bidder, then the Debtor will pay to the Stalking Horse Bidder as compensation for the Stalking Horse Bidder's efforts in connection with the negotiation and execution of the Stalking Horse APA, and the transactions contemplated thereby, (i) a break-up fee in the amount of One Hundred Fifty Thousand Dollars (\$150,000.00) (the "Break-Up Fee"), and (ii) reimbursement of its documented expenses incurred in connection with the Stalking Horse APA and the transactions contemplated hereby, including without limitation its out-of-pocket expenses incurred in connection with its due diligence investigation of the Debtor and the Business, and its reasonable attorneys' fees and expenses incurred in connection with the Stalking Horse APA and the transactions contemplated hereby, in an amount not to exceed One Hundred Fifty Thousand Dollars (\$150,000) (the "Expense Reimbursement"), in accordance with the provisions of Section 9.2 of the Stalking Horse APA.

### **RETURN OF DEPOSIT**

The Deposit of the Successful Bidder will be applied to the purchase price of such transaction at closing. The Deposits for each Qualified Bidder will be held in one or more interest-bearing escrow accounts on terms acceptable to the Debtor in its sole discretion and will be returned (other than with respect to the Stalking Horse Bidder, the Successful Bidder, and the Back-Up Bidder) within three (3) business days after the Auction. Upon the return of the Deposits, their respective owners will receive any and all interest that will have accrued thereon.

If a Successful Bidder fails to consummate a proposed transaction because of a breach by such Successful Bidder, the Debtor will not have any obligation to return the Deposit deposited by such Successful Bidder, which may be retained by the Debtor as liquidated damages, in addition to any and all rights, remedies, or causes of action that may be available to the Debtor, and the Debtor will be free to consummate the proposed transaction with the applicable Back-Up Bidder without the need for an additional hearing or order of the Bankruptcy Court.

**RESERVATION OF RIGHTS**

The Debtor reserves its rights to modify these Bidding Procedures in its reasonable business judgment in any manner that will best promote the goals of the bidding process, or impose, at or prior to the Auction, additional customary terms and conditions on the sale of the Purchased Assets, including, without limitation: (a) extending the deadlines set forth in these Bidding Procedures; (b) adjourning the Auction at the Auction and/or adjourning the Sale Hearing in open court without further notice; (c) adding procedural rules that are reasonably necessary or advisable under the circumstances for conducting the Auction; (d) canceling the Auction; (e) rejecting any or all bids or Qualified Bids (except for the Stalking Horse Bidder's bid); and (f) adjusting the amount of the Minimum Overbid Increment, including by requesting that Qualified Bidders submit last or final bids on a "blind" basis.

Notwithstanding the foregoing and subject in all respects to the Stalking Horse APA, the Debtor may not alter, impair or modify the Stalking Horse Bidder's rights and obligations under the Stalking Horse APA and the Bidding Procedures Order as part of any bid at the Auction or otherwise.

EXECUTORY CONTRACTS AND UNEXPIRED LEASES**

**PLEASE TAKE NOTICE THAT:**

1. On October 27, 2017, Tec-Air, Inc., the above-captioned debtor and debtor-in-possession (the "Debtor"), filed the *Debtor's Motion for Entry of Orders (I)(A) Approving Bidding Procedures for the Sale of Substantially All of the Debtor's Assets; (B) Approving Stalking Horse Bid Protections; (C) Scheduling an Auction and Sale Hearing; (D) Approving the Form and Manner of Notice of Sale, Auction, and Sale Hearing; (E) Establishing Notice and Contract Procedures for the Assumption and Assignment of Assumed Contracts and Assumed Leases; and (F) Granting Related Relief; and (II)(A) Authorizing and Approving the Sale Free and Clear of Liens, Claims, Interests, and Encumbrances; (B) Authorizing the Assumption and Assignment of Executory Contracts and Leases; and (C) Granting Related Relief* (the "Sale Motion") with the United States Bankruptcy Court for the Northern District of Illinois (the "Bankruptcy Court").

2. The Debtor has entered into an Asset Purchase Agreement (the "Stalking Horse APA") with Chatterjee Management Company (the "Stalking Horse Bidder") pursuant to which the Stalking Horse Bidder proposes to purchase, acquire, and take assignment and delivery of substantially all of the Debtor's assets (as defined in the Stalking Horse APA, the "Purchased Assets"), free and clear of all liens, claims, encumbrances, defenses (including, without limitation, rights of setoff) and interests, including, without limitation, security interests of whatever kind or nature, mortgages, conditional sales or title retention agreements, pledges, deeds of trust, hypothecations, liens, encumbrances, assignments, preferences, debts, easements, charges, suits, licenses, options, rights-of-recovery, judgments, orders and decrees of any court or foreign or domestic governmental entity, taxes (including foreign, state and local taxes), licenses, covenants, restrictions, indentures, instruments, leases, options, off-sets, claims for reimbursement, contribution, indemnity or exoneration, successor, product, environmental, tax, labor, ERISA, CERCLA, alter ego and other liabilities, causes of action, contract rights and claims, to the fullest extent of the law, in each case, of any kind or nature (including, without limitation, all "claims" as defined in section 101(5) of the Bankruptcy Code), known or unknown, whether pre-petition or post-petition, secured or unsecured, choate or inchoate, filed or unfiled, scheduled or unscheduled, perfected or unperfected, liquidated or unliquidated, noticed

or unnoticed, recorded or unrecorded, contingent or non-contingent, material or non-material, statutory or non-statutory, matured or unmatured, legal or equitable to the maximum extent permitted by section 363 of the Bankruptcy Code (the “Sale”).

3. On [\_\_\_\_\_, \_\_\_\_], 2017, the Bankruptcy Court entered the *Order Approving Bidding Procedures for the Sale of Substantially All of the Debtor’s Assets; (B) Approving Stalking Horse Bid Protections; (C) Scheduling an Auction and Sale Hearing; (D) Approving the Form and Manner of Notice of Sale, Auction, and Sale Hearing; (E) Establishing Notice and Contract Procedures for the Assumption and Assignment of Assumed Contracts and Assumed Leases; and (F) Granting Related Relief* (the “Bidding Procedures Order”),<sup>1</sup> by which the Bankruptcy Court approved (a) the bidding procedures to effectuate the Sale of the Purchased Assets (the “Bidding Procedures”) and (b) procedures for the assumption and assignment of the Assumed Contracts and Assumed Leases (the “Assumption Procedures”).

4. The Debtor will seek approval of the Sale at a hearing scheduled to commence at **December [\_\_], 2017 at \_\_: \_\_ .m. Baer in Courtroom No. 615 in the Everett McKinley Dirksen United States Courthouse, 219 South Dearborn Street, Chicago, Illinois 60604. The Sale Hearing may be adjourned from time-to-time without further notice to creditors or parties in interest other than by announcement of the adjournment in open court or on the Bankruptcy Court’s docket.

5. Upon the closing of the Sale, the Debtor intends to assume and assign to the Stalking Horse Bidder, or any other Successful Bidder(s) arising from the Auction (as defined in the Bidding Procedures Order), the Assumed Contracts set forth on Exhibit A hereto and the Assumed Leases set forth on Exhibit B hereto, subject to (a) the Stalking Horse Bidder’s right to remove certain Assumed Contracts from the list of Assigned Contracts pursuant to Section 2.3 of the Stalking Horse APA or (b) any similar right of any other Successful Bidder(s) arising from the Auction. In addition, the cure costs, if any, necessary for the assumption and assignment of the Assumed Contracts and Assumed Leases (the “Cure Costs”) are set forth on Exhibit A and Exhibit B, respectively.

6. The Debtor has evaluated the financial wherewithal of the Stalking Horse Bidder (e.g., financial credibility, willingness, and ability of the interested party to perform under the Assumed Contracts and Assumed Leases) and believes that the Stalking Horse Bidder’s financial health, agreement to pay cure amounts related to the Assumed Contracts and Assumed Leases, and commitment to pay obligations as they come due satisfies the requirements of adequate assurance of future performance under section 365(f)(2)(B) of the Bankruptcy Code.

### **2.4 Excluded Liabilities.**

Notwithstanding any provision in this Agreement to the contrary, Purchaser shall not assume and shall not be obligated to assume or be obliged to pay, perform or otherwise discharge any Liability of Seller, and Seller shall be solely and exclusively liable with respect to all Liabilities of Seller, other than the Assumed Liabilities (collectively the “Excluded Liabilities”). For the avoidance of doubt, the Excluded Liabilities include, but are not limited to, the following:

(i) other than as specifically set forth herein, fees or expenses of Seller incurred with respect to the transactions contemplated herein; and

(j) All Cure Costs and Supplier Obligations in excess of an aggregate amount of \$600,000.

## **2.5 Assignments.**

(a) Seller shall transfer and assign all Assumed Contracts and Assumed Leases to Purchaser, and Purchaser shall assume all Assumed Contracts and Assumed Leases from Seller, as of the Closing Date pursuant to section 365 of the Bankruptcy Code and the Sale Order.

(b) The Sale Order shall provide that, as of the Closing, Seller shall assign to Purchaser the Assumed Contracts and Assumed Leases and the Assumed Contracts and Assumed Leases shall be identified by the name and date of the Assumed Contract or Assumed Lease, the other party to the Assumed Contract or Assumed Lease, as the case may be, and the address of

such party for notice purposes, all included on an exhibit attached to either the motion filed in connection with the Sale Order or a motion for authority to assume and assign such Assumed Contracts and Assumed Leases. Such exhibit shall also (i) set forth the amounts necessary to cure any defaults under each of the Assumed Contracts and Assumed Leases as determined by Seller based on Seller's books and records or as otherwise determined by the Bankruptcy Court, and (ii) delineate a procedure for transferring to Purchaser the rights to any security deposits in the form of cash or letters of credit on deposit with the other party to any Assumed Lease.

(c) In the case of Permits, Leases, Contracts and other commitments included in the Purchased Assets that cannot be transferred or assigned effectively without the consent of third parties, which consent has not been obtained prior to the Closing (after giving effect to the Sale Order and the Bankruptcy Code), Seller shall, subject to any approval of the Bankruptcy Court that may be required and the terms set forth in Section 7.4, cooperate with Purchaser in endeavoring to obtain such consent (all such consents, whether obtained prior to or after the Closing being referred to herein as the "Other Consents").

## **2.6 Further Assurances.**

(a) At the Closing, and at all times thereafter as may be necessary, to the extent Seller has personnel and at Purchaser's expense, Seller and Purchaser shall execute and deliver such other instruments of transfer as shall be reasonably necessary to vest in Purchaser title to the Purchased Assets free and clear of all Encumbrances (other than Permitted Encumbrances), and such other instruments as shall be reasonably necessary to evidence the assignment by Seller and the assumption by Purchaser or its designee of the Assumed Liabilities, including the Assumed Contracts and Assumed Leases. Seller and Purchaser shall cooperate with one another to execute and deliver such other documents and instruments as may be reasonably required to carry out the transactions contemplated hereby.

(b) At the Closing, and at all times as may be necessary thereafter, (i) to the extent that Seller has the personnel and documentation required to do so and (ii) at Purchaser's expense, Seller shall, at the reasonable request of Purchaser, execute, deliver, and file, or cause to be executed, delivered, and filed, such other instruments of conveyance and transfer and take such other actions as Purchaser may reasonably request, in order to more effectively consummate the transactions contemplated by this Agreement and to vest in Purchaser good and marketable title to the Intellectual Property included in the Purchased Assets, including executing, filing, and recording, with all appropriate intellectual property registration authorities and other relevant entities, all assignment instruments and other filings that are necessary to correctly record the transfer of title to Purchaser with respect to ownership of the Intellectual Property included in the Purchased Assets.

(c) Seller hereby grants to Purchaser a power of attorney, which power of attorney is irrevocable and coupled with an interest, to execute, deliver and/or file on behalf of Seller any documents or instruments required to be executed, delivered or filed by or on behalf of Seller after the Closing pursuant to this Section 2.6.

### **SECTION 3** **PURCHASE PRICE**

#### **3.1 Purchase Price.**

(a) Subject to the terms and conditions set forth in this Agreement and in reliance upon the representations and warranties of the Parties set forth herein, at the Closing, the purchase price to be paid by Purchaser to Seller in exchange for the Purchased Assets (the "Purchase Price") shall be the sum of the following:

- (i) the amount of the Good Faith Deposit; plus
- (ii) cash in the amount of \$3,800,000 (such amount, the "Cash Balance"); plus
- (iii) the Cure Costs set forth on Schedule 2.3(a)(i) or as otherwise determined by the Bankruptcy Court, plus the Supplier Obligations set forth on Schedule 2.3(a)(ii) or as otherwise determined by the Bankruptcy Court; provided, however, that Purchaser's obligation to pay the Cure Costs and the Supplier Obligations shall not exceed an aggregate amount of \$600,000; plus
- (iv) the assumption by Purchaser of the Assumed Liabilities.

#### **3.2 Closing Date Payment.**

At the Closing, Purchaser shall satisfy the Purchase Price as follows:

- (a) Purchaser shall deliver the Cash Balance less the Holdback Amount via wire transfer of immediately available funds to the account(s) designated by Seller;
- (b) Purchaser shall pay directly to the obligees identified on Schedules 2.3(a)(i) and 2.3(a)(ii) the Cure Costs and Supplier Obligations, respectively; provided, however, that Purchaser's obligation to pay the Cure Costs and the Supplier Obligations shall not exceed an aggregate amount of \$600,000; provided further, however, that in the event that the Cure Costs and Supplier Obligations exceed an aggregate amount of \$600,000, Seller shall pay the difference between (i) the aggregate amount of the Cure Costs and the Supplier Obligations and (ii) \$600,000 directly to the obligees identified on Schedules 2.3(a)(i) and 2.3(a)(ii) to the extent not paid by Purchaser; and
- (c) with respect to the Assumed Liabilities, by Purchaser assuming such Assumed Liabilities at the Closing; provided, however, that to the extent any such Assumed Liabilities are able to be satisfied at Closing, Purchaser shall satisfy such Assumed Liabilities either at Closing or, in Purchaser's sole discretion, in the Ordinary Course of Business.

#### **3.3 Purchase Price Adjustment**

- (a) The Purchase Price shall be subject to an adjustment as follows:

(i) if Net Working Capital as of the Closing Date is greater than the Net Working Capital Target by more than \$40,000 (a “Positive Variance”), then Purchase Price shall be increased by the difference between \$40,000 and the amount of the Positive Variance.

(ii) if Net Working Capital as of the Closing Date is less than the Net Working Capital Target by more than \$40,000 (a “Negative Variance”), then the Purchase Price shall be reduced by the difference between \$40,000 and the amount of the Negative Variance.

(b) Within fifteen (15) days after the Closing Date, Seller will prepare and deliver to Purchaser a statement of the actual delivered Net Working Capital (the “Working Capital Statement”). Purchaser will have the opportunity to review the Working Capital Statement for fifteen (15) days after the Working Capital Statement is delivered by Seller (the “Review Period”). During the Review Period Seller will provide to Purchaser reasonable access to all information, including accountants’ working papers, to enable Purchaser to review the Working Capital Statement. The Working Capital Statement will be final, conclusive and binding on Purchaser unless, during the Review Period, Purchaser notifies Seller in writing of Purchaser’s objections to the Working Capital Statement, specifically identifying the disputed items, the amounts of the disputed items and the basic facts underlying Purchaser’s objections. If Purchaser gives notice of any objection to the Working Capital Statement, the Parties will try in good faith to resolve the objections within thirty (30) days after the delivery of notice by Purchaser. If the Parties resolve the objections within that time period, they will promptly record the resolution in a writing signed by each of them, and the resolution will be final, conclusive and binding on each of them. If the Parties are unable to resolve the objections within that time period, Purchaser and Seller shall jointly retain a nationally recognized firm of independent certified public accountants mutually acceptable to Purchaser and Seller (an “Independent Accounting Firm”) to resolve the disputed items and the determinations of such Independent Accounting Firm shall be conclusive and binding upon the Parties for the purposes of this Section 3.3(b). The costs, fees and expenses of the Independent Accounting Firm shall be borne equally by Purchaser and Seller. The Independent Accounting Firm will act as a neutral arbitrator, and to the extent GAAP leaves room for discretion, will exercise that discretion independently, but within the range of differences between the Parties. The Parties will be afforded an opportunity to present their positions and such materials as the Independent Accounting Firm shall deem appropriate. The Independent Accounting Firm will be instructed to revise the Working Capital Statement as appropriate to reflect its resolution of the disputed matters within sixty (60) days following its engagement, which resolution will be final, conclusive and binding on the Parties.

(c) Upon expiration of the Review Period, if the Purchase Price is determined to be greater than the aggregate of the payments made pursuant to Section 3.2, Purchaser will pay the difference to Seller within three (3) Business Days, and if the Purchase Price is determined to be less than such aggregate amount, Seller will pay the difference to Purchaser within three (3) Business Days.

### **3.4 Holdback Amount.**

The Purchase Price payable by Purchaser at the Closing shall be subject to a holdback in the amount of \$400,000 (the “Holdback Amount”), which amount shall be deposited

into the attorney trust account of either (i) Cullen and Dykman LLP, (ii) Meltzer, Purtil & Stelle LLC or (iii) a law firm selected by Purchaser. The Holdback Amount shall be applied as follows: (i) to pay the Management Transition Payment, (ii) to pay the amount, if any, that Seller is obligated to pay to Purchaser pursuant to Section 3.3 hereof, and (iii) to pay, satisfy or reimburse the Purchaser Reimbursable Expenses, if any. As soon as practicable after the Closing Date, the Management Transition Payment shall be released from the Holdback Amount. Upon the later of three (3) months after the Closing Date and the date the Purchase Price is finally determined pursuant to Section 3.3 hereof, Purchaser shall pay to Seller, in cash, the remainder of the Holdback Amount, less the amount, if any, that Seller is obligated to pay to Purchaser pursuant to Section 3.3 hereof, less the Purchaser Reimbursable Expenses, if any.

### **3.5 Good Faith Deposit.**

Purchaser has deposited into the attorney trust account of Cullen and Dykman LLP, counsel to Seller, an amount equal to \$200,000 (the "Good Faith Deposit") in immediately available, good funds of the United States of America. Upon execution of this Agreement by Seller and Purchaser, the Good Faith Deposit shall be nonrefundable solely upon termination of this Agreement by Seller pursuant to Section 9.1(d), and shall be refunded to Purchaser within two (2) Business Days after termination of this Agreement for any other reason provided for in Section 9.1. At the Closing, the Good Faith Deposit (and any interest or income accrued thereon) shall be paid over to Seller and upon such payment, credited and applied toward payment of the Purchase Price and the amount of any such interest or income accrued on the Good Faith Deposit as of the Business Day prior to the Closing Date shall be credited dollar for dollar against the Cash Balance. In the event the Good Faith Deposit becomes nonrefundable as provided herein before the Closing, the Good Faith Deposit and all interest or income accrued thereon shall be immediately disbursed to Seller to be retained by Seller for its own account.

### **3.6 Allocation of Purchase Price.**

Purchaser shall prepare for Seller's review and approval an allocation of the Purchase Price (and all other capitalized costs) among the Purchased Assets for U.S. federal, state, local and foreign income and franchise Tax purposes. The allocation shall be reasonable and shall be prepared in accordance with Section 1060 of the Code and the regulations thereunder. As soon as practicable after the date hereof, Purchaser shall deliver such allocation to Seller. Seller agrees that, following their approval of such allocation, such approval not to be unreasonably withheld or delayed, Seller shall confirm approval in writing to Purchaser, it being understood and agreed that on or before the tenth (10th) Business Day following its receipt of the allocation from Purchaser as herein provided, Seller shall either deliver written approval thereof to Purchaser or, in the event that Seller shall have objections to all or any portion of the allocation, Seller shall deliver to Purchaser a revised allocation. The revised allocation shall be reasonable and shall be prepared in accordance with Section 1060 of the Code and the regulations thereunder. If Seller and Purchaser cannot agree on the propriety of the revised allocation, then they will submit the dispute to a national accounting firm mutually agreed to by the Parties, and abide by its determination. The Parties shall equally bear the costs associated with such a neutral determination. Purchaser and Seller agree that such final allocation will be binding on all parties, and that Purchaser and Seller will report, act and file Tax Returns (including, but not limited to Internal Revenue Service Form 8594) in all respects and for all

purposes consistent with such allocation. Neither Purchaser nor Seller shall take any position (whether in audits, Tax Returns or otherwise) that is inconsistent with such allocation unless required to do so by applicable law. Purchaser and Seller agree to prepare and timely file all applicable Internal Revenue Service forms required in connection with the transactions contemplated by this Agreement, including Form 8594, and other governmental forms, to cooperate with each other in the preparation of such forms and to furnish each other with a copy of such forms prepared in draft, within a reasonable period prior to the filing due date thereof.

**5.1 Organization of Seller.**

Seller is a corporation duly organized, validly existing and in good standing under the laws of the State of Illinois. Seller is in good standing in each jurisdiction in which the ownership or leasing of its properties or the conduct of its businesses requires such qualification, except where failure to so qualify or be in good standing would not reasonably be expected to have a Material Adverse Effect. Seller has full power and authority to own or lease and to operate and use the Purchased Assets and to carry on the Business as now conducted.

**5.2 Subsidiaries and Investments.**

Except as set forth on Schedule 5.2, Seller does not directly or indirectly, own, of record or beneficially, any outstanding voting securities, membership interests or other equity interests in any Person.

The execution, delivery and performance of this Agreement and such Ancillary Documents by Seller, and consummation of the transactions contemplated hereby and thereby, have been duly authorized and approved by all required action on the part of Seller, including by Seller's board of directors (or similar governing body) and, subject to the entry of the Sale Order, does not require any authorization or consent of Seller's shareholders or members that has not been obtained. This Agreement has been duly authorized, executed and delivered by Seller and, subject to the entry of the Sale Order, is the legal, valid and binding obligation of Seller enforceable in accordance with its terms, and each of the Ancillary Documents to which Seller is (or will be) a party has been duly authorized by Seller and upon execution and delivery by Seller and subject to the entry of the Sale Order, will be a legal, valid and binding obligation of Seller enforceable in accordance with its terms.

(b) Subject to receipt of the Other Consents and Third Party Consents, and after giving effect to the Sale Order, none of the execution and delivery of this Agreement or any of the Ancillary Documents by Seller, the consummation by Seller of any of the transactions contemplated hereby or thereby, or compliance with or fulfillment of the terms, conditions and provisions hereof or thereof by Seller, will conflict with, result in a breach of the terms, conditions or provisions of, or constitute a default or an event of default, or permit the acceleration of any Liability or obligation or loss of a material benefit, or result in the creation of any Encumbrance on any of the assets or properties of the Business (in each case with or without notice or lapse of time or both), under (i) any charter (or similar governing instrument) or by-

laws (or similar governing document) of Seller, (ii) any Permits, (iii) any Order to which Seller is bound or any Purchased Asset is subject, (iv) any Legal Requirement affecting Seller or the Purchased Assets, or (v) any Contract to which Seller or any of the Purchased Assets is a party or otherwise bound, except in the case of clauses (ii) through and including (v) has not had and would not reasonably be expected to have a Material Adverse Effect.

**5.7 No Government Violations.**

Except as set forth on Schedule 5.7, no Seller has been cited for any material OSHA, EPA and/or any other governmental violation, and to Seller’s knowledge, there is no fact or event which, with the passage of time, will give rise to such a citation or violation.

This Agreement has been duly authorized, executed and delivered by Purchaser and is the legal, valid and binding agreement of Purchaser enforceable against Purchaser in accordance with its terms, and each Ancillary Document to which Purchaser is (or will be) a party has been duly authorized by Purchaser and upon execution and delivery by Purchaser will be a legal, valid and binding obligation of Purchaser enforceable against

Purchaser in accordance with its terms, except as (i) enforceability may be limited by bankruptcy, insolvency, reorganization or other similar laws affecting creditors' rights generally and (ii) the remedy of specific performance and injunctive and other forms of equitable relief may be subject to equitable defenses.

(b) None of the execution and delivery of this Agreement or any of the Ancillary Documents by Purchaser, the consummation by Purchaser of any of the transactions contemplated hereby or thereby, or compliance with or fulfillment of the terms, conditions and provisions hereof or thereof by Purchaser, will (A) conflict with, result in a breach of the terms, conditions or provisions of, or constitute a default or an event of default, or permit the acceleration of any Liability or obligation or loss of a material benefit, or result in the creation of any Encumbrance on any of the assets or properties of Purchaser (in each case with or without notice or lapse of time or both), under (i) any charter (or similar governing instrument) or by-laws (or similar governing document) of Purchaser, (ii) any Order to which Purchaser or any of its assets is bound or subject, (iii) any Legal Requirement affecting Purchaser, or (iv) any Contract to which Purchaser is a party or otherwise bound, or (B) require the approval, consent, authorization or act of, or the making by Purchaser of any declaration, filing or registration with, any Person, other than filings with the Bankruptcy Court.

## **6.2 Payment of Purchase Price.**

The obligations of Purchaser under this Agreement are not contingent on the availability of financing. Purchaser shall have at the Closing sufficient cash, available lines of credit or other sources of immediately available funds to enable it to make payment of the Cash Balance to Seller pursuant to this Agreement and to pay any other amounts to be paid by it hereunder, including the Assumed Liabilities.

## **6.3 Ownership of Seller.**

Purchaser does not hold, directly or indirectly, any beneficial or other ownership interest in Seller or any of its securities.

## **SECTION 7** **COVENANTS OF THE PARTIES**

The Parties covenant and agree to take the following actions between the date hereof and the earlier of the termination of this Agreement and the Closing Date:

### **7.1 Conduct of Business Prior to the Closing Date.**

From and after the date hereof until the earlier of the Closing Date and the termination of this Agreement in accordance with the terms of Section 9 hereof, Seller shall maintain the Purchased Assets and operate and carry on the Business only in the Ordinary Course of Business, and subject to the entry of an order of the Bankruptcy Court authorizing Seller to use the cash collateral of its secured lender and/or obtain post-petition financing on a secured basis, shall pay the suppliers identified on Schedule 2.3(a)(ii) on the terms specified by the suppliers or as otherwise agreed to by Seller and the suppliers, except as otherwise expressly required by this Agreement or with the express written consent of Purchaser. In connection

therewith, Seller shall not (1) offer employment for any period on or after the Closing Date to any employee of Seller if Purchaser has made an offer of employment in accordance with the terms set forth herein or (2) otherwise attempt to persuade any such employee or agent to terminate his or her relationship with Seller.

**7.2 Investigation of the Business by Purchaser.**

Subject to the terms of the Confidentiality Agreement, Seller shall permit Purchaser's authorized Representatives reasonable access during regular business hours and upon reasonable notice, to the offices, properties, agreements and other documentation and financial records with respect to the Business, the Purchased Assets and the Assumed Liabilities and reasonable access during regular business hours and upon reasonable notice to Seller's customers and suppliers, all to the extent Purchaser reasonably requests. Any such investigation shall be conducted in a manner so as not to interfere with the operations of the Business.

**7.3 Expenses.**

Except to the extent otherwise specifically provided herein, whether or not the transactions contemplated hereby are consummated, all costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be borne by the Party incurring such costs and expenses.

**7.4 Governmental Approvals.**

(a) Seller and Purchaser shall act diligently and reasonably, and shall cooperate with each other, to do or cause to be done, all things necessary, proper or advisable consistent with applicable confidentiality and Legal Requirements to cause the conditions precedent to the Closing to be satisfied and to cause the Closing to occur, including to secure any consents and approvals of any governmental authority required to be obtained by them, in order to assign or transfer any Permits to Purchaser, to permit the consummation of the transactions contemplated by this Agreement, or to otherwise satisfy the conditions set forth in Section 8, in each case as necessary to the extent such consents are not provided for or satisfied by the Sale Order.

(b) Subject to all applicable confidentiality and Legal Requirements, each of Seller and Purchaser (i) shall promptly inform each other of any communication from any Governmental Authority concerning this Agreement, the transactions contemplated hereby, and any filing, notification or request for approval and (ii) shall permit the other Party to review in advance any proposed written communication or information submitted to any such Governmental Authority in response thereto; provided, that a Party may request entry into a joint defense agreement as a condition to providing any such materials and that, upon receipt of that request, the Parties shall work in good faith to enter into a joint defense agreement to create and preserve attorney-client privilege in a form and substance mutually acceptable to the Parties. In addition, none of Parties shall agree to participate in any meeting with any Governmental Authority in respect of any filings, investigation or other inquiry with respect to this Agreement or the transactions contemplated hereby, unless such Party consults with the other Parties in advance and, to the extent permitted by any such Governmental Authority, gives the other Parties

the opportunity to attend and participate thereat, in each case to the maximum extent practicable. Subject to any restrictions under applicable laws, rules or regulations, each Party shall furnish the other with copies of all correspondence, filings and communications (and memoranda setting forth the substance thereof) between it and its Affiliates and their respective Representatives on the one hand, and the Governmental Authority or members of its staff on the other hand, with respect to this Agreement, the transactions contemplated hereby (excluding documents and communications which are subject to preexisting confidentiality agreements or to the attorney-client privilege or work product doctrine) or any such filing, notification or request for approval. Each Party shall also furnish the other Party with such necessary information and assistance as such other Party and its Affiliates may reasonably request in connection with their preparation of necessary filings, registration or submissions of information to the Governmental Authority in connection with this Agreement, the transactions contemplated hereby and any such filing, notification or request for approval. Seller and Purchaser shall prosecute all required requests for approval with all necessary diligence and otherwise use their respective commercially reasonable efforts to obtain the grant thereof by an Order as soon as possible including in order to resolve such objections or suits which, in any case if not resolved, could reasonably be expected to prevent, materially impede or materially delay the consummation of the transactions contemplated hereunder or the other transactions contemplated hereby, including by Purchaser selling, holding separate or otherwise disposing of or conducting its business in a manner which would resolve such objections or suits or agreeing to sell, hold separate or otherwise dispose of or conduct its business in a manner which would resolve such objections or suits or permitting the sale, holding separate or other disposition of, any of its assets or the assets of its subsidiaries or the conducting of its business in a manner which would resolve such objections or suits.

(c) Notwithstanding anything else to the contrary in this Agreement, in the event that any Action or Proceeding is instituted (or threatened to be instituted) by a Governmental Authority or private party challenging the transactions hereunder or any other agreement contemplated hereby, (i) each Party shall cooperate in all respects with each other and use its respective best efforts to contest and resist any such Action or Proceeding and to have vacated, lifted, reversed or overturned any decree, judgment, injunction or other order, whether temporary, preliminary or permanent, that is in effect and that prohibits, prevents or restricts consummation of the transactions contemplated by this Agreement, and (ii) Purchaser must defend, at its sole cost and expense, any action or actions, whether judicial or administrative, in connection with the transactions contemplated by this Agreement.

## **7.5 Employee Matters.**

(a) Transferred Employees. Purchaser shall employ, effective as of the Closing Date and continuing for not less than sixty (60) days following the Closing Date, substantially all of Seller's employees who remain employed by Seller immediately prior to the Closing (including employees on approved leave of absence). The names of Seller's employees as of the date hereof are listed on Schedule 7.5(a). Those of Seller's employees (including any employees whose names are not set forth on Schedule 7.5(a)) who commence working for Purchaser on the Closing Date (or upon return to work from approved leave of absence) shall hereafter be referred to as "Transferred Employees". Such Transferred Employees shall receive the annual or hourly rate of pay, and with comparable opportunity to receive incentive or performance pay (other than equity based incentive compensation), at which such employees

were employed immediately prior to the Closing. Such Transferred Employees shall receive benefits and be covered by employment policies on substantially similar terms and conditions as other employees of Purchaser or its Subsidiaries with similar titles and functions. Without limiting the generality of the foregoing, such employee benefits shall include immediate eligibility to participate in medical and health insurance plans and 401(k) or retirement plans under plans sponsored by Purchaser.

(b) Employment Tax Reporting. With respect to Transferred Employees, Purchaser and Seller shall use the standard procedure set forth in Revenue Procedure 2004-53m 2004-34 I.R.B. 320, for purposes of employment tax reporting.

(c) No Obligation. Nothing contained in this Agreement shall be construed to require the employment of (or prevent the termination of employment of) any individual, require minimum benefit levels or prevent any change in the employee benefits provided to any individual Transferred Employee. No provision of this Agreement shall create any third party beneficiary rights in any employee or former employee of Seller or any other Person (including any beneficiary or dependent thereof) of any nature or kind whatsoever, including in respect of continued employment (or resumed employment) for any specified period. Nothing in this Section 7.5 is intended to interfere with Purchaser's right from and after the Closing to terminate the employment of, or change the compensation and benefits available to, any Transferred Employee.

## **7.6 Tax Matters.**

(a) Seller shall be liable for and shall pay, and pursuant to Section 7.6(c) shall reimburse Purchaser for, all Taxes (whether assessed or unassessed) applicable to the Business and the Purchased Assets, in each case attributable to periods (or portions thereof) ending on or prior to the Closing Date. Without limiting the obligations of Purchaser contained elsewhere in this Agreement, including in respect of the Assumed Liabilities, Purchaser shall be liable for and shall pay, and pursuant to Section 7.6(c) shall reimburse Seller for, all Taxes (whether assessed or unassessed) applicable to the Business, the Purchased Assets and the Assumed Liabilities, in each case attributable to periods (or portions thereof) beginning after the Closing Date. For purposes of this paragraph (a), any period beginning before and ending after the Closing Date shall be treated as two partial periods, one ending on the Closing Date and the other beginning on the day after the Closing Date except that Taxes (such as property Taxes) imposed on a periodic basis shall be allocated on a daily basis.

(b) Without limiting the other terms set forth in this Agreement, any sales Tax, use Tax, real property transfer or gains Tax, real property records recordation fees, documentary stamp Tax or similar Tax attributable to the sale or transfer of the Purchased Assets and not exempted under the Sale Order or by section 1146(c) of the Bankruptcy Code shall be borne by Seller.

(c) Seller or Purchaser, as the case may be, shall provide reimbursement for any Tax paid by one Party all or a portion of which is the responsibility of the other Party in accordance with the terms of this Section 7.6. Within a reasonable time prior to the payment of any such Tax, the Party paying such Tax shall give notice to the other of the Tax payable and

each Party's respective liability therefor, although failure to do so will not relieve the other Party from its liability hereunder.

(d) Purchaser and Seller agree to furnish or cause to be furnished to each other, upon request, as promptly as practicable, such information and assistance relating to the Business and the Purchased Assets (including access to books and records) as is reasonably necessary for the filing of all Tax Returns, the making of any election relating to Taxes, the preparation for any audit by any taxing authority, and the prosecution or defense of any claim, Action or Proceeding relating to any Tax. Purchaser and Seller shall retain all books and records with respect to Taxes pertaining to the Purchased Assets for a period of at least six years following the Closing Date. On or after the end of such period, each Party shall provide the other with at least ten (10) days prior written notice before destroying any such books and records, during which period the Party receiving such notice can elect to take possession, at its own expense, of such books and records. Seller and Purchaser shall cooperate with each other in the conduct of any audit or other Proceeding relating to Taxes involving the Purchased Assets or the Business.

#### **7.7 Submission for Bankruptcy Court Approval.**

(a) Seller shall file a voluntary petition commencing the Bankruptcy Case within two (2) Business Days after the date of the Parties' execution of this Agreement. On the Petition Date, Seller shall file with the Bankruptcy Court the Sale Motion and such other motions and supporting papers in form and substance acceptable to Purchaser as required to seek approval of the transactions contemplated by this Agreement. Seller shall use commercially reasonable efforts to (i) prosecute the Sale Motion, (ii) ensure that the Bidding Procedures Order is entered not later than twenty-one (21) days after the Petition Date, and (iii) ensure that the Sale Order is entered no later than the date that is forty-two (42) days after the Petition Date, that the Sale Order becomes effective immediately upon entry and that the provisions of Federal Rules of Bankruptcy Procedure 6004(h) and 6006(d) be waived for cause.

(b) Seller shall give notice under the Bankruptcy Code of the request for the relief specified in the Sale Motion to all Persons entitled to notice pursuant to the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure, the local rules of the Bankruptcy Court, and orders of the Bankruptcy Court, including all Persons that have asserted Encumbrances in the Purchased Assets, and all non-debtor parties to the Assumed Contracts and Assumed Leases, and other appropriate notice, including such additional notice as the Bankruptcy Court shall direct, and provide appropriate opportunity for hearing, to all parties entitled thereto, of all motions, orders, hearings, or other proceedings in the Bankruptcy Court relating to this Agreement or the transactions contemplated hereby.

(c) Seller and Purchaser shall consult with one another regarding pleadings which any of them intends to file with the Bankruptcy Court in connection with, or which might reasonably affect the Bankruptcy Court's approval of, as applicable, the Bidding Procedures Order and the Sale Order, (ii) all such filings shall be in form and substance acceptable to Purchaser, and (iii) Seller shall use reasonable best efforts to provide Purchaser with a copy of such documents at least two (2) Business Days prior to the filing thereof.

(d) If the Bidding Procedures Order, the Sale Order, or any other orders of the Bankruptcy Court relating to this Agreement or the transactions contemplated hereby shall be appealed by any Person (or if any petition for certiorari or motion for reconsideration, amendment, clarification, modification, vacation, stay, rehearing or reargument shall be filed with respect to the Bidding Procedures Order, the Sale Order, or other such order), subject to rights, otherwise arising from this Agreement, Seller shall use its commercially reasonable efforts to prosecute such appeal, petition or motion and obtain an expedited resolution of any such appeal, petition or motion.

**7.8 Adequate Assurances Regarding Assumed Contracts and Assumed Leases.**

With respect to each Assumed Contract and each Assumed Lease, Purchaser will use commercially reasonable efforts to provide adequate assurance as required under the Bankruptcy Code of the future performance by Purchaser of each such Assumed Contract and Assumed Lease. Purchaser and Seller agree that they will promptly take all actions reasonably required to assist in obtaining a Bankruptcy Court finding that there has been an adequate demonstration of adequate assurance of future performance under the Assumed Contracts and the Assumed Leases, such as furnishing affidavits, non-confidential financial information or other documents or information for filing with the Bankruptcy Court and making Purchaser's and Seller's respective employees and Representatives available to testify before the Bankruptcy Court.

**7.9 Post-Closing Operation of Seller; Name Changes.**

The Sale Order shall provide for the modification of the caption in the Bankruptcy Case to reflect the change in the name of Seller, except that during the pendency of the Bankruptcy Case, Seller shall be permitted to use the name "Tec-Air, Inc." solely in connection with matters relating to the Bankruptcy Case and as a former name for legal and noticing purposes, but for no other commercial purpose. Within five (5) Business Days after the Closing Date, Seller shall take such corporate and other actions necessary to change its corporate or company name, as the case may be, to a name that is not similar to, or confusing with, the current name of Seller, including any necessary filings required by the general corporation or other law of the state in which Seller is incorporated, or otherwise organized.

**7.10 Reasonable Access to Records and Certain Personnel.**

In order to facilitate Seller's efforts to (i) administer and close the Bankruptcy Case, and (ii) prepare tax returns (together, the "Post-Close Filings"), for a period of two (2) years following the Closing, Purchaser shall permit Seller and Seller's counsel and accountants (collectively, "Permitted Access Parties") during regular business hours, with reasonable notice, and subject to reasonable rules and regulations, reasonable access to the financial and other books and records which comprised part of the Purchased Assets that are required to complete the Post-Close Filings, which access shall include (x) the right of such Permitted Access Parties to copy, at such Permitted Access Parties' expense, such required documents and records and (y) Purchaser's copying and delivering to the relevant Permitted Access Parties such documents or records as they require, but only to the extent such Permitted Access Parties furnish Purchaser with reasonably detailed written descriptions of the materials to be so copied and applicable

Permitted Access Party reimburses Purchaser for the costs and expenses thereof; provided, however, that the foregoing rights of access shall not be exercisable in such a manner as to interfere with the normal operations of Purchaser's business. Notwithstanding anything contained in this Section 7.10 to the contrary, in no event shall Seller have access to any information that, based on advice of Purchaser's external counsel, could (1) reasonably be expected to create liability under applicable law or waive any legal privilege, or (2) violate any obligation of Purchaser with respect to confidentiality; provided that, in the case of clause (1), Purchaser uses commercially reasonable efforts to attempt to provide the information in a way that does not create such liability or waive legal privilege and, in the case of clause (2), Purchaser uses commercially reasonable efforts to secure a waiver of any contractual prohibition.

#### **7.11 Collection of Receivables.**

From and after the Closing, Seller shall provide reasonable assistance to Purchaser in the collection of any Accounts Receivable included in the Purchased Assets. If, after the Closing Date, Seller shall receive payment from any account debtor with respect to any Accounts Receivable included in the Purchased Assets, Seller shall promptly thereafter deliver such funds and assets to Purchaser and take all steps necessary to vest title to such funds and/or assets in Purchaser. Effective as of the Closing Date, Seller hereby designates Purchaser and its respective officers as Seller's true and lawful attorney-in-fact, with full power of substitution, to execute and endorse for the benefit of Purchaser all checks, notes or other documents received by Seller in payment of or in substitution or exchange for any of the Purchased Assets. Seller hereby acknowledges and agrees that the power of attorney set forth in the preceding sentence in favor of Purchaser is coupled with an interest, and further agrees to execute and deliver to Purchaser from time to time any documents or other instruments reasonably requested by Purchaser to evidence such power of attorney.

#### **7.12 Notification of Breach; Disclosure.**

Each Party shall promptly notify the other of any event, condition or circumstance of which such Party becomes aware prior to the Closing Date that would cause, or would reasonably be expected to cause, a violation or breach of this Agreement (or a breach of any representation or warranty contained in this Agreement). During the period prior to the Closing Date, each Party will promptly advise the other in writing of any written notice or other communication from any Person alleging that the consent of such Person is or may be required in connection with the transactions contemplated by this Agreement. It is acknowledged and understood that no notice given pursuant to this Section 7.12 shall have any effect on the representations, warranties, covenants or agreements contained in this Agreement for purposes of determining satisfaction of the conditions contained herein.

### **SECTION 8** **CONDITIONS TO CLOSING**

#### **8.1 Conditions to Obligations of Each Party.**

The respective obligations of each Party to effect the sale and purchase of the Purchased Assets and to consummate the other transactions contemplated by this Agreement

### **9.1 Termination.**

This Agreement may be terminated, and the transactions contemplated hereby may be abandoned, by written notice to the other Parties hereto, at any time prior to the Closing Date, as follows:

(a) by mutual written consent of Purchaser and Seller;

(b) by either Purchaser or Seller if any permanent injunction or other Order of a court of competent authority or government agency which prevents the consummation of the transactions contemplated by this Agreement shall have become final and not appealable;

(c) by either Purchaser or Seller upon three (3) days written notice of such termination to the other Parties, if the Closing shall not have occurred on or prior to December 22, 2017; provided, however, that the failure of the Closing to occur by such date is not due (in

Upon a determination that any term or other provision of this Agreement is invalid, illegal or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible; provided, however, that in doing so, no Party shall be obligated to waive or forego any material right or benefit available to it hereunder.

**10.7 Governing Law.**

(a) This Agreement shall be governed by, and construed in accordance with, the laws of the State of Illinois applicable to contracts executed in and to be performed in that State, without regard to choice or conflict of law principles that would result in application of any laws other than the laws of the State of Illinois.

(b) All Actions and Proceedings arising out of or relating to this Agreement, including the resolution of any and all disputes hereunder, shall be heard and determined in the Bankruptcy Court, and the Parties hereby irrevocably submit to the exclusive jurisdiction of the Bankruptcy Court in any such Action or Proceeding and irrevocably waive the defense of an inconvenient forum to the maintenance of any such Action or Proceeding. The Parties hereby consent to service of process by mail (in accordance with Section 10.4) or any other manner permitted by law.

(c) THE PARTIES HEREBY IRREVOCABLY WAIVE ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED IN CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE ACTIONS OF SELLER, PURCHASER, OR THEIR RESPECTIVE REPRESENTATIVES IN THE NEGOTIATION OR PERFORMANCE HEREOF.

**10.8 Waivers.**

Any term or provision of this Agreement may be waived, or the time for its performance may be extended, by the Party or Parties entitled to the benefit thereof. Any such waiver shall be validly and sufficiently authorized for the purposes of this Agreement if, as to any Party, it is authorized in writing by an authorized Representative of such Party. Except as otherwise provided herein, the failure of any Party to enforce at any time any provision of this Agreement shall not be construed to be a waiver of such provision, nor in any way to affect the validity of this Agreement or any part hereof or the right of any Party thereafter to enforce each and every such provision. No waiver of any breach of this Agreement shall be held to constitute a waiver of any other or subsequent breach. No failure on the part of any Party to exercise, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such Party preclude any other or further exercise thereof or the exercise of any right, power or remedy. All remedies hereunder are cumulative and are not exclusive of any other remedies provided by law.

**10.9 Execution in Counterparts.**

This Agreement may be executed in counterparts, each of which shall be considered an original instrument, but all of which shall be considered one and the same agreement, and shall become binding when one or more counterparts have been signed by and delivered to each of the Parties hereto. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or e-mail shall be effective as delivery of a manually executed counterpart of this Agreement.

**10.10 Incorporation of Schedules and Exhibits.**

All Schedules and all Exhibits attached hereto and referred to herein are hereby incorporated herein by reference and made a part of this Agreement for all purposes as if fully set forth herein.

**10.11 Entire Agreement.**

This Agreement (including all Schedules and all Exhibits) constitutes the entire agreement among the Parties with respect to the subject matter hereof and supersedes all prior agreements and understandings among the Parties with respect thereto.

**10.12 Remedies.**

The Parties agree that irreparable damage may occur in the event that any provision of this Agreement were not performed in accordance with its specific terms or was otherwise breached and that monetary damages may not be an adequate remedy for any breach or threatened breach of any of the provisions of this Agreement. It is accordingly agreed that the Parties shall be entitled to seek an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement, and any such injunction shall be in addition to any other remedy to which any Party is entitled, at law or in equity.

**10.13 Mutual Drafting: Headings.**

The Parties participated jointly in the negotiation and drafting of this Agreement and the language used in this Agreement shall be deemed to be the language chosen by the Parties to express their mutual intent. If an ambiguity or question of intent or interpretation arises, then this Agreement will accordingly be construed as drafted jointly by the Parties, and no presumption or burden of proof will arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement. The descriptive headings and table of contents contained in this Agreement are included for convenience of reference only and shall not affect in any way the meaning or interpretation of this Agreement.

**10.14 No Third Party Beneficiaries.**

This Agreement is for the sole benefit of the Parties and their permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable benefit, claim, cause of action, remedy or right of any kind.

**10.15 Bulk Sales Law.**

Purchaser hereby waives compliance by Seller with the requirements and provisions of any “bulk-transfer” laws of any jurisdiction that may otherwise be applicable with respect to the sale of any or all of the Purchased Assets to Purchaser. The Parties intend that pursuant to section 363(f) of the Bankruptcy Code, the transfer of the Purchased Assets shall be free and clear of any security interests in the Purchased Assets, including any liens or claims arising out of the bulk transfer laws, and the parties shall take such steps as may be necessary or appropriate to so provide in the Sale Order.
