I.
EXECUTIVE SUMMARY

A. Overview of this Disclosure Statement and the Executive Summary

On October 19, 2010 (the “*October Petition Date*”), the Other TSC Debtors, together with TerreStar Networks Inc. (“*TSN*”) and certain other of its affiliates (collectively, excluding the Other TSC Debtors, the “*TSN Debtors*” and, including the Other TSC Debtors, the “*October Debtors*”), each filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York (the “*Bankruptcy Court*”). Subsequently, on February 16, 2011 (the “*February Petition Date*”), the February Debtors each filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Chapter 11 Cases of the February Debtors and the Other TSC Debtors—collectively, the TSC Debtors—are being jointly administered under lead case number 11-10612 (SHL).

The TSC Debtors (and, as reorganized pursuant to the Plan, the “*Reorganized TSC Debtors*”) submit this Disclosure Statement pursuant to Bankruptcy Code section 1125 to holders of Claims against and Equity Interests in the TSC Debtors because the TSC Debtors are asking holders of Claims and Equity Interests to accept the Plan.² A copy of the Plan is attached hereto as **Exhibit A**.

Before soliciting acceptances of a proposed chapter 11 plan of reorganization, Bankruptcy Code section 1125 requires a debtor to prepare a disclosure statement that contains information of a kind, and in sufficient detail, to permit a hypothetical reasonable investor to make an informed judgment regarding acceptance of the plan of reorganization. The Bankruptcy Court approved this Disclosure Statement at a hearing held on September 19, 2011. A copy of the order approving the Disclosure Statement is attached hereto as **Exhibit B** (the “*Disclosure Statement Order*”).

A hearing to consider Confirmation of the Plan is scheduled to be held before the Honorable Sean H. Lane at [REDACTED].m. prevailing Eastern time on [REDACTED], 2011, at the Bankruptcy Court, located at One Bowling Green, New York, New York 10004-1408. Additional details with respect to Confirmation are provided in section X of this Disclosure Statement, entitled “Confirmation of the Plan.”

This Disclosure Statement contains, among other things, descriptions and summaries of certain provisions of, and financial transactions contemplated by, the Plan being proposed by the TSC Debtors. Certain provisions of the Plan (and the descriptions and summaries contained herein) may be the subject of continuing negotiations among the TSC Debtors and various parties and therefore may be modified.

This Executive Summary is only a general overview of this Disclosure Statement and the material terms of, and transactions proposed by, the Plan, and is qualified in its entirety by reference to, and should be read in conjunction with, the more detailed discussions appearing elsewhere in this Disclosure Statement and the exhibits attached to this Disclosure Statement, including the Plan.

B. Purpose and Effect of the Plan

The TSC Debtors are reorganizing under chapter 11 of the Bankruptcy Code, which is the principal business reorganization chapter of the Bankruptcy Code. Under chapter 11 of the Bankruptcy Code, a debtor may reorganize its business for the benefit of its stakeholders. The consummation of a plan of reorganization is the principal objective of a chapter 11 case. A plan of reorganization sets forth how a debtor will treat its claims and equity interests.

² Capitalized terms used but not otherwise defined in this Disclosure Statement will have the meanings set forth in the Plan. **Please note that the description of the Plan provided throughout this Disclosure Statement is only a summary provided for convenience. In the case of any inconsistency between the summary of the Plan in this Disclosure Statement and the Plan, the Plan will govern.**

A bankruptcy court's confirmation of a plan binds the debtor, any entity or person acquiring property under the plan, any creditor of or equity security holder in a debtor and any other entities and persons as may be ordered by the bankruptcy court to the terms of the confirmed plan, whether or not such creditor or equity security holder is impaired under or has voted to accept the plan or receives or retains any property under the plan.

Among other things (subject to certain limited exceptions and except as otherwise provided in the Plan or the Confirmation Order), the Confirmation Order will discharge the TSC Debtors from any debt arising before the Effective Date, substitute the obligations set forth in the Plan for those pre-bankruptcy claims and terminate all of the rights and interests of pre-bankruptcy equity security holders. Under the Plan, Claims and Equity Interests are divided into Classes according to their relative priority and other criteria.

Each of the TSC Debtors is a proponent of the Plan within the meaning of Bankruptcy Code section 1129. As described throughout this Disclosure Statement, the Plan provides for a comprehensive restructuring of the TSC Debtors' pre-bankruptcy obligations, preserves the going-concern value of TSC Debtors, maximizes recoveries available to all constituents and provides for an equitable distribution to the TSC Debtors' stakeholders.

In developing the Plan, the TSC Debtors, with the assistance of their professional advisors, conducted a careful review of their current operations, their prospects as an ongoing business, financial projections included in the business plan developed by management and estimated recoveries in a liquidation scenario. Following this review, the TSC Debtors concluded that recoveries to their stakeholders would be maximized by the TSC Debtors' continued operations as a going concern and by the TSC Debtors' emergence from chapter 11 with the structure proposed in the Plan.

The TSC Debtors believe that their businesses and assets have significant value that would not be realized in a liquidation, either in whole or in substantial part. Consistent with the valuation, liquidation and other analyses prepared by the TSC Debtors with the assistance of their advisors (*see Exhibits D, E and F* attached hereto), the value of the TSC Debtors is substantially greater as a going concern than in a liquidation. The TSC Debtors also believe that any alternative to Confirmation, such as an attempt by another party to file a competing plan, would result in significant delays, litigation and additional costs, and could negatively affect the value of the TSC Debtors' estates, which could ultimately lower the recoveries for all holders of Allowed Claims and Equity Interests.

**ACCORDINGLY, FOR ALL OF THESE REASONS AND THE OTHER REASONS
DESCRIBED IN THIS DISCLOSURE STATEMENT, THE TSC DEBTORS URGE YOU
TO RETURN YOUR BALLOT ACCEPTING THE PLAN BY THE VOTING DEADLINE.**

C. Summary of Treatment of Claims and Equity Interests and Description of Recoveries Under the Plan

(i) Summary of Classification of Claims and Equity Interests Under the Plan

The Plan organizes the TSC Debtors' creditor and equity constituencies into groups called "Classes." For each Class, the Plan describes (a) the underlying "Claim" or "Equity Interest," (b) the recovery available to the holders of Claims or Equity Interests in that Class under the Plan, (c) whether the Class is "impaired" under the Plan, meaning that each holder will receive less than the full value on account of its Claim or Equity Interest or that the rights of holders under law will be altered in some way (such as receiving stock instead of holding a Claim) and (d) the form of consideration (*e.g.*, cash, stock or a combination thereof), if any, that such holders will receive on account of their respective Claims or Equity Interests.

The table below provides a summary of the classification and description of Claims and Equity Interests under the Plan. Bankruptcy Code section 350(a), dismissal of the Chapter 11 Cases or conversion of the Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code.

Under the proposed Plan, holders of Allowed Administrative Claims, Allowed Priority Tax Claims, Allowed DIP Claims and all statutory fees will be paid in full, in Cash, or will otherwise be left Unimpaired or granted such other treatment as agreed between the TSC Debtors and the applicable creditor, all as further provided in Article III of the Plan and Section VIII of this Disclosure Statement.

(ii) ***Summary of Treatment, Estimated Range of Recoveries and Voting Rights of Claims and Equity Interests Under the Plan***

The table below summarizes the classification, status, voting rights, treatment and estimated range of recoveries of classified Claims and Equity Interests under the Plan. These summaries are described in the form below for illustrative purposes only and are qualified in their entirety by reference to the provisions of the Plan. For a more detailed description of the treatment of Claims and Equity Interests under the Plan, see section VIII of this Disclosure Statement, entitled “Description of the Joint Plan of Reorganization.”

III. QUESTIONS AND ANSWERS REGARDING THIS DISCLOSURE STATEMENT AND THE PLAN

A. What is Chapter 11?

Chapter 11 is the principal business reorganization chapter of the Bankruptcy Code. In addition to permitting debtor rehabilitation, chapter 11 of the Bankruptcy Code promotes equality of treatment for similarly situated creditors and similarly situated interest holders, subject to the priority of distributions prescribed by the Bankruptcy Code.

The commencement of a chapter 11 case creates an estate that includes all of the legal and equitable interests of the debtor in property as of the bankruptcy commencement date. The Bankruptcy Code provides that the debtor may continue to operate its business and remain in possession of its property as a "debtor in possession."

Consummating a plan of reorganization is the principal objective of a chapter 11 case. A plan that is confirmed by the bankruptcy court is binding on the debtor, any person acquiring property under the plan, any creditor or interest holder of the debtor and any other entity as may be ordered by the bankruptcy court, in accordance with the applicable provisions of the Bankruptcy Code. Subject to certain limited exceptions, the order issued by a bankruptcy court confirming a plan provides for the treatment of the debtor's claims and equity interests in accordance with the terms of the confirmed plan.

B. Why are the TSC Debtors sending me this Disclosure Statement?

The TSC Debtors are seeking to obtain Bankruptcy Court approval of the Plan. Before soliciting acceptances of the Plan, Bankruptcy Code section 1125 requires the TSC Debtors to prepare a Disclosure Statement containing adequate information of a kind, and in sufficient detail, to enable a hypothetical reasonable investor to make an informed judgment regarding acceptance of the Plan. The Bankruptcy Court approved this Disclosure

Statement under Bankruptcy Code section 1125 on [REDACTED], 2011. A copy of the Disclosure Statement Order is attached hereto as **Exhibit B**. This Disclosure Statement is being submitted to the TSC Debtors' stakeholders in accordance with the requirements of the Bankruptcy Code and the Disclosure Statement Order.

C. Am I entitled to vote on the Plan? What will I receive from the TSC Debtors if the Plan is consummated?

Your ability to vote and the distribution and consideration that you will receive under the Plan, if any, depend on what kind of claim or interest you hold. As described in section VIII of this Disclosure Statement, Article III of the Plan creates categories of holders of claims and interests, each of which is referred to as a "Class." A summary of the Classes of Claims and Equity Interests and a description of each Class's voting status are set forth in the Executive Summary of this Disclosure Statement.

You should refer to this entire Disclosure Statement and the Plan for a complete description of the classification and treatment of each Class of Claims and Equity Interests.

For more information about the treatment of Claims and Equity Interests, see "Description of the Joint Plan of Reorganization," which begins on page 24.

D. If the Plan provides that I get a distribution, do I get it upon Confirmation or when the Plan goes effective, and what do you mean when you refer to "Confirmation," the "Effective Date" and "consummation"?

"Confirmation" refers to approval of the Plan by the Bankruptcy Court. Confirmation does not guarantee that you will receive the distribution indicated under the Plan. After Confirmation, there are certain conditions that need to be satisfied or waived so that the Plan can be consummated or become effective. References to the "Effective Date" mean the date that all conditions to the Plan have been satisfied or waived and the Plan has been fully consummated. Distributions will be made only on the Effective Date or as soon as practicable thereafter, in accordance with Article III of the Plan (and for claims that are not yet Allowed, distributions will be further delayed). See "Confirmation of the Plan," which begins on page 33, for a discussion of the conditions to consummation.

E. If the Plan applies solely to the TSC Debtors, what happens to a claim I may have against a related debtor not included in this Plan?

The Plan applies to the TSC Debtors only—namely, TerreStar Corporation, Motient Communications Inc., Motient Holdings Inc., Motient License Inc., Motient Services Inc., Motient Ventures Holding Inc., MVH Holdings Inc., TerreStar Holdings Inc. and TerreStar New York Inc. The TSN Debtors—namely, TerreStar Networks Inc., TerreStar License Inc., TerreStar National Services Inc., TerreStar Networks (Canada) Inc., TerreStar Networks Holdings (Canada) Inc. and 0887729 B.C. Ltd.—received Bankruptcy Court approval to sell substantially all of their assets to Gamma Acquisition L.L.C., an affiliate of DISH Network Corporation. The TSN Debtors are expected to file a plan that will provide for the distribution of the proceeds from such sale. Upon the filing of such plan, creditors with claims against the TSN Debtors will receive separate notice of the proposed plan for the TSN Debtors. This Plan will affect only creditors of the TSC Debtors.

F. What is included in the solicitation packages to be sent to creditors who are eligible to vote on the Plan?

All parties in interest will receive notice of the Confirmation Hearing, which is the hearing at which the TSC Debtors will seek Confirmation. Additionally, creditors who are eligible to vote on the Plan will receive appropriate solicitation materials, including ballots. Specifically, accompanying this Disclosure Statement are, among other things, copies of: (1) the Plan (attached as **Exhibit A** hereto), (2) the notice of, among other things, the time for submitting ballots to accept or reject the Plan, the date, time and place of the hearing to consider the Confirmation of the Plan and related matters and the time for filing objections to the Confirmation of the Plan (the "**Confirmation Hearing Notice**") and (3) if you are entitled to vote, one or more ballots (and return envelopes) to be used by you in voting to accept or to reject the Plan (collectively, the "**Solicitation Package**").

The notices to be sent to parties in interest will state that this Disclosure Statement, the Plan and all of the exhibits thereto are available for viewing by any party free of charge by contacting The Garden City Group, Inc. at: (i) 1-888-872-9182, (ii) TerreStarCorp@gcinc.com or (iii) www.TerreStarCorpRestructuring.com.

Each holder of a Claim or Equity Interest may cast only one ballot for each Claim or Equity Interest held. It is important to follow the specific instructions provided on each ballot. For information regarding voting, see the section herein entitled "Solicitation and Voting Procedures," which begins on page 30, as well as the Solicitation and Voting Procedures, which are attached hereto as **Exhibit G**.

I. When is the Confirmation Hearing set to occur?

The Bankruptcy Court has scheduled the Confirmation Hearing for [REDACTED], 2011 to take place at [REDACTED].m. (prevailing Eastern time) before the Honorable Sean H. Lane, United States Bankruptcy Judge, in the United States Bankruptcy Court for the Southern District of New York, located at One Bowling Green, New York, New York 10004-1408. **The Confirmation Hearing may be adjourned from time to time without further notice except for an announcement of the adjourned date made at the Confirmation Hearing or any adjournment thereof.**

J. What is the deadline to object to Confirmation?

Objections to Confirmation must be filed and served on the TSC Debtors, and certain other parties in interest, so that they are **actually received** no later than [REDACTED], 2011 at 5:00 p.m. (prevailing Eastern time) in accordance with the requirements set forth in the Disclosure Statement Order, which is attached to this Disclosure Statement as **Exhibit B**. Unless objections to Confirmation are timely served and filed in compliance with the Disclosure Statement Order, they may not be considered by the Bankruptcy Court. For further information on Confirmation, see the section of this Disclosure Statement titled "Confirmation of the Plan," which begins on page 33.

K. What is the effect of Confirmation on the TSC Debtors' ongoing business?

The TSC Debtors are reorganizing under chapter 11 of the Bankruptcy Code. As a result, unless otherwise set forth in the Plan, Confirmation means that the TSC Debtors will not be liquidated or forced to go out of business. Following Confirmation, the Plan will be consummated on the Effective Date, which is a date selected by the TSC Debtors that is the first business day after which all conditions to consummation have been satisfied or waived. See Article X of the Plan. On or after the Effective Date, and unless otherwise provided in the Plan, each Reorganized TSC Debtor may operate its business and may use, acquire or dispose of property and compromise or settle any Claims, Equity Interests or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules.

In the event that the Plan is not consummated, the Plan would be null and void in all respects. Accordingly, any settlement or compromise, distribution on account of any Claim or Equity Interest, assumption or rejection of Executory Contracts or Unexpired Leases effected by the Plan and any document or agreement executed pursuant to the Plan shall be deemed null and void.

L. Do the TSC Debtors recommend voting in favor of the Plan?

Yes. It is the TSC Debtors' opinion and belief that the Plan provides for a larger distribution to the TSC Debtors' creditors and equity holders than would result from any other available alternative. The TSC Debtors believe that the Plan is in the best interests of all holders of Claims and Equity Interests. Any other alternative, including a liquidation under chapter 7 of the Bankruptcy Code, would realize lesser value than the value to be afforded under the Plan. Thus, the TSC Debtors recommend that holders of Claims and Equity Interests who are entitled to vote on the Plan vote to accept it.

**IV.
THE TSC DEBTORS' HISTORY**

A. Company Overview

TSC is a Delaware corporation whose main assets are its equity interests in TS Holdings, its wholly owned subsidiary, which owns 1.4 Holdings (defined below), which has the rights to use 1.4 GHz terrestrial spectrum ("**1.4 Spectrum**") pursuant to 64 FCC licenses (the "**FCC Licenses**") held by 1.4 Holdings. Although TSC, through its wholly owned subsidiary Motient Ventures Holding Inc. ("**MV Holding**"), has an indirect 89.3% ownership interest in TSN, which operates a separate and distinct mobile communications business, it is expected that this ownership interest will be divested through TSN's chapter 11 proceedings.

B. The TSC Debtors' Business Operations

(i) Significant Pre-petition Contracts/Leases

The business enterprise of the subsidiaries of the TSC Debtors is dependent in large part on a number of key agreements and other arrangements. Set forth below is a short summary of some of these significant pre-petition agreements, arrangements and relationships.

GENUS Handset, Chipset Development and Related Technology

On August 10, 2007, TSN entered into a Master Development & Licensing Agreement with Elektrobit, Inc. ("**Elektrobit**") under which Elektrobit would assist with the development of the GENUS handset.⁶ Pursuant to an amendment dated November 18, 2009, TSC was added as a party to the Master Development & Licensing Agreement and agreed to guarantee TSN's obligations to Elektrobit under the Master Development & Licensing Agreement, despite TSC having no direct benefit under this agreement.⁷

On December 1, 2009, TSC and TSN entered into a Master Supply Agreement (the "**Supply Agreement**") with Elektrobit, which sets the terms for the individual purchase orders for the GENUS. Additionally, under the Supply Agreement, Elektrobit provides manufacturing services, forward and reverse logistics and after-market services support for certain satellite-terrestrial smartphones, starting with the GENUS smartphone. The goods and services provided under the Supply Agreement are all for the benefit of TSN's business, and none of the goods or services are or were utilized by TSC. While there is no volume commitment from TSC and TSN in the Supply Agreement, pricing and other terms are adjusted based on volume.

On or about November 19, 2010, Elektrobit filed suit against TSC in the Supreme Court of the State of New York seeking payment of outstanding receivables in the amount of \$25.8 million. Elektrobit also filed a proof of claim in TSN's chapter 11 case in the amount of approximately \$25.8 million, which Elektrobit later amended to assert a claim in the amount of approximately \$27.9 million.

On March 23, 2011, the Bankruptcy Court authorized the TSC Debtors and the TSN Debtors to reject all agreements with Elektrobit.

Relationship with Harbinger/LightSquared (f/k/a SkyTerra)

The TSC Debtors and their non-TSC Debtor affiliates have a number of separate contractual relationships with Harbinger Capital Partners LLC ("**Harbinger**") (one of the TSC Debtors' most significant stakeholders) and certain of its affiliates, including LightSquared, Inc. ("**LightSquared**" (f/k/a SkyTerra Communications, Inc. ("**SkyTerra**")). Among other things, as described in detail below, a subsidiary of LightSquared and an affiliate of Harbinger leases rights to use 1.4 Holdings' (as defined below) 1.4 Spectrum.

In September 2009, TerreStar 1.4 Holdings LLC ("**1.4 Holdings**"), a Delaware limited liability company that is wholly owned by TS Holdings and that is neither a TSC Debtor nor a TSN Debtor, entered into a lease agreement (the "**Spectrum Lease**")⁸ with One Dot Four Corp. ("**One Dot Four**"), a subsidiary of LightSquared and an affiliate of Harbinger, under which One Dot Four leases the rights to use the 1.4 Spectrum for which 1.4 Holdings holds the FCC Licenses. The Spectrum Lease has an initial term through April 2017, renewable at One Dot Four's option for two additional terms of ten years each, in both instances subject to FCC renewal of the FCC Licenses. Pursuant to the Spectrum Lease, One Dot Four pays 1.4 Holdings \$2 million⁹ per month on the first day of each

⁶ The "GENUS" is the world's first smartphone with integrated all-IP satellite-terrestrial voice and data capabilities.

⁷ The TSC Debtors reserve all rights and defenses in connection with the Elektrobit litigation and claims, including with respect to such guarantee.

⁸ The lease agreement entered into in September 2009 was a spectrum manager lease agreement. In July 2010, 1.4 Holdings and One Dot Four sought and received FCC consent to replace the spectrum manager lease agreement with a long-term *de facto* transfer lease agreement, which was amended on October 13, 2010.

⁹ Unless otherwise noted, all dollar amounts stated herein refer to USD.

month.¹⁰ Upon the occurrence of certain events or under certain conditions, One Dot Four has an option, but not the obligation, to purchase the FCC Licenses for a specified purchase price (the “*Option Purchase Price*”). One Dot Four also has a right of first refusal to either match an offered price (less credit for certain amounts paid under the Spectrum Lease) or pay the Option Purchase Price (which includes a partial credit for certain amounts paid under the Spectrum Lease) with respect to third-party offers to purchase certain ownership interests in 1.4 Holdings or TS Holdings, or to purchase or otherwise transfer the rights to use the 1.4 Spectrum.

In addition to the agreement with One Dot Four, before the commencement of the Chapter 11 Cases, TSC and TSN entered into an exclusivity agreement (which was subsequently extended) with certain affiliates of Harbinger regarding the ability to exclusively negotiate a pooling arrangement of the parties’ various spectrum and satellite capacity. Specifically, in January 2010, TSC and TSN entered into the original exclusivity agreement (the “*Original Exclusivity Agreement*”), pursuant to which they agreed that for a period of 90 days, they would negotiate in good faith an agreement with Harbinger and its affiliates under which the S-Band spectrum licensed to TerreStar License Inc. would be combined with other services (such as satellite usage rights) to provide mobile communications services (a “*Pooling Arrangement*”). As consideration for entering into the Original Exclusivity Agreement, Harbinger, on behalf of its affiliate, One Dot Four, agreed to prepay \$30 million of the amounts due under the Spectrum Lease. Upon receipt of the funds from Harbinger, 1.4 Holdings paid a dividend to its 100% shareholder TS Holdings in the amount of the funds received. TS Holdings then made an intercompany loan to MV Holding in the amount of approximately \$32 million. MV Holding then made a capital contribution to TSN, its 89.3% owned subsidiary, of approximately \$32 million.

C. The TSC Debtors’ Organizational Structure

Attached as **Exhibit C** to this Disclosure Statement is an organizational chart summarizing the corporate structure of the TSC Debtors and their affiliates, as of the February Petition Date. As demonstrated by the organizational chart, TSC is a Delaware corporation and is the ultimate parent company of each of the other TSC Debtors. As of the date hereof, TSC has four wholly owned direct subsidiaries, all of which are TSC Debtors: (a) TerreStar New York Inc. (“*TerreStar NY*”), (b) Motient Holdings Inc. (“*Motient*”), (c) MVH Holdings Inc. (“*MVH*”) and (d) TS Holdings.

- TS Holdings is a Delaware corporation that directly holds 100% of the interests in 1.4 Holdings. TS Holdings is a TSC Debtor in these proceedings. 1.4 Holdings is a Delaware limited liability company that holds the FCC licenses for the 1.4 Spectrum. 1.4 Holdings is not a TSC Debtor in these proceedings.
- TerreStar NY is a New York corporation that has no subsidiaries. TerreStar NY is a TSC Debtor in these proceedings.
- Motient is a TSC Debtor in these proceedings and holds 100% of the interests in both Motient Services Inc. and Motient Communications Inc., each a Delaware corporation, and each a TSC Debtor in these proceedings. Motient Communications Inc., in turn, holds 100% of the interests in Motient License Inc., another Delaware corporation, and a TSC Debtor in these proceedings. These entities have minimal operations, minimal assets and various liabilities they will seek (or have sought already) to reject in the Chapter 11 Cases.
- MVH directly holds 100% of the interests in MV Holding, a Delaware corporation. MV Holding is a TSC Debtor in these proceedings.

D. The TSC Debtors’ Pre-petition Capital Structure

¹⁰ Pursuant to a pre-petition agreement, One Dot Four prepaid the Spectrum Lease through June 2011. Beginning in July 2011, One Dot Four resumed making payments under the Spectrum Lease. Pursuant to the terms of the DIP Loan Agreement, funds received under the Spectrum Lease and upstreamed to TSC are to be used to repay the DIP Loan Agreement on a quarterly basis.

(i) ***Pre-petition Indebtedness–Bridge Loan Agreement***

On November 19, 2010, TSC, as borrower, and TS Holdings, as guarantor, the lenders party thereto, which included Solus Alternative Asset Management LP (“*Solus*”), Harbinger, Highland Capital Management, L.P. (“*Highland*”) and/or affiliates thereof, and NexBank, SSB, as agent, entered into that certain Term Loan Credit Agreement in a principal aggregate amount of \$2.65 million (as amended, restated, amended and restated, supplemented or otherwise modified, the “*Bridge Loan Agreement*”). The Bridge Loan Agreement contained certain restructuring milestones. As of the February Petition Date, approximately \$4.3 million¹¹ of principal and accrued interest was outstanding under the Bridge Loan Agreement (the “*Bridge Loan*”).

(ii) ***Stockholders’ Equity***

a. **TSC Common Stock**

As of January 27, 2011, TSC had authorized 240 million shares of common stock. As of January 27, 2011, TSC had 139,397,740 shares of common stock outstanding. For each share of common stock held, common stockholders are entitled to one vote on matters submitted to the stockholders. The TSC common stock was listed on The NASDAQ Global Market. On June 3, 2010, TSC received notification from The NASDAQ Stock Market’s Listing Qualifications Department that for the last 30 consecutive business days, the bid price of TSC’s common stock on The NASDAQ Global Market has closed below the minimum \$1.00 per share required for continued inclusion in The NASDAQ Global Market. On November 5, 2010, the NASDAQ Stock Market LLC delisted TSC’s common stock. TSC’s common stock is currently quoted on the Pink OTC Markets Inc. under the symbol “TSTRQ.”

b. **TSC Preferred Stock**

TSC Series A and B Preferred Shares: As of the February Petition Date, TSC had \$90 million in face amount of non-voting Series A Cumulative Convertible Preferred Stock (the “*TSC Series A Preferred Shares*”) outstanding and had \$318.5 million in face amount of non-voting Series B Cumulative Convertible Preferred Stock (the “*TSC Series B Preferred Shares*”) outstanding. The TSC Series A and B Preferred Shares have rights, preferences and privileges substantially identical to one another. One hundred percent of the TSC Series A Preferred Shares is owned by Highland, and the majority of the TSC Series B Preferred Shares are owned by Solus and affiliates of Harbinger. The TSC Series A and B Preferred Shares had a mandatory redemption date of April 15, 2010, at a redemption price of \$1,080 per share, or approximately \$450,578,385 (as of December 31, 2010). As of the February Petition Date, the TSC Debtors had not redeemed the TSC Series A and B Preferred Shares.

TSC Series C and D Preferred Shares: TSC has one outstanding share of non-voting Series C preferred stock (the “*TSC Series C Preferred Share*”), which was issued to EchoStar Corporation (“*EchoStar*”), and one outstanding share of non-voting Series D preferred stock (the “*TSC Series D Preferred Share*”), which was issued to an investment fund managed by Harbinger. The TSC Series C and D Preferred Shares have no voting rights and are not convertible into any other class of capital stock of TSC. The TSC Series C and D Preferred Shares rank on parity with one another and rank junior to the TSC Series A and B Preferred Shares.

TSC Series E Preferred Shares: TSC has 1.2 million shares of TSC Series E Junior Participating Preferred Stock (“*TSC Series E Preferred Shares*” and, together with the TSC Series A, B, C and D Preferred Shares, the “*TSC Preferred Shares*”) outstanding. The TSC Series E Preferred Shares are held by investment funds managed by Harbinger and are convertible into 30 million shares of TSC common stock. The TSC Series E Preferred Shares have no voting rights. The TSC Series E Preferred Shares are junior in priority to all other series of TSC Preferred Shares.

E. Pre-petition Litigation

¹¹ Prior to the February Petition Date, the Bridge Loan Agreement was amended to provide the TSC Debtors with additional liquidity.

(i) ***Sprint Litigation***

On June 25, 2008, Sprint Nextel Corporation (“***Sprint***”) filed a lawsuit (the “***Sprint Litigation***”) in the United States District Court for the Eastern District of Virginia naming TSN, but not any of the TSC Debtors, as a defendant. New ICO Satellite Services, G.P. (“***ICO***”) was also named as a defendant (together with TSN, the “***Defendants***”). Sprint seeks, among other things, enforcement of certain FCC orders and reimbursement of not less than \$100 million from each Defendant. Sprint argues that the Defendants owed Sprint reimbursement for certain spectrum relocation costs Sprint incurred or will incur in connection with relocating incumbent licensees from certain frequencies in the 2 GHz spectrum band. Specifically, in the United States, Sprint is obligated to relocate existing broadcast auxiliary service incumbents and other terrestrial incumbents (collectively, “***BAS Incumbents***”) in the TSN Debtors’ uplink spectrum. Sprint completed such band clearing in July 2010 and currently is seeking reimbursement pursuant to applicable FCC rules from the Defendants for a portion of the expenses incurred by Sprint to accomplish such band clearing, which is now the subject of the Sprint Litigation.

On TSN’s motion, the United States District Court for the Eastern District of Virginia stayed Sprint’s suit on the ground that primary jurisdiction of the dispute resides in the FCC. The case was stayed while questions posed by the case were referred to the FCC as a matter of primary jurisdiction, and it remains pending. In September 2010, the FCC issued an order and declaratory ruling (the “***September 2010 Order and Declaratory Ruling***”) concerning certain regulatory issues related to the obligations of the Defendants and their affiliates to Sprint for the expenses of relocating the BAS Incumbents. In October 2010, ICO and certain of its affiliates appealed the FCC’s September 2010 Order and Declaratory Ruling, and this appeal remains pending. The Sprint Litigation remains stayed by the automatic stay upon the commencement of the TSN Debtors’ chapter 11 cases.

While none of the TSC Debtors are named as Defendants in the Sprint Litigation, Sprint nonetheless filed proofs of claim against each of the TSC Debtors, including the Other TSC Debtors, for more than \$100 million, each on account of the pending Sprint Litigation. On December 28, 2010, the October Debtors filed the Debtors’ Omnibus Objection to Proofs of Claim Filed by Sprint Nextel Corporation (the “***Sprint Omnibus Objection***”), objecting to Sprint’s claims. Subsequently, the TSN Debtors, Sprint and the October Creditors’ Committee (as defined below) agreed to a scheduling order regarding summary judgment briefing in connection with the Sprint Omnibus Objection. Accordingly, on June 17, 2011, certain of the TSN Debtors filed a motion for summary judgment (the “***Summary Judgment Motion***”) asserting that such entities were not liable to Sprint because, among other reasons, they were not licensees, which the October Debtors’ Committee joined. Sprint filed its opposition brief to the summary judgment motion and a separate cross motion for summary judgment on July 1, 2011, and the TSN Debtors filed their reply and opposition brief on July 8, 2011. The October Creditors’ Committee also filed a reply brief on July 8, 2011. A hearing on these summary judgment motions was held on July 26, 2011. The parties have not yet received a decision on these motions. The TSC Debtors also intend to file an omnibus claim objection with respect to the proofs of claim filed by Sprint against the TSC Debtors, asserting similar arguments as those set forth in the Sprint Omnibus Objection and the Summary Judgment Motion.

(ii) ***Elektrobit Litigation***

On November 19, 2010, Elektrobit brought various causes of action against TSC in the Supreme Court for the State of New York, County of New York. Elektrobit’s complaint seeks payment of approximately \$25.8 million under the Master Development & License Agreement and the Supply Agreement. On January 14, 2011, TSC answered the complaint. The litigation has been stayed by the filing of these Chapter 11 Cases. Elektrobit has filed a proof of claim in TSN’s Chapter 11 Case in the amount of \$25.8 million. Although TSC was an original party to the Supply Agreement and was later added as a party to the Master Development & License Agreement pursuant to an amendment, TSC did not utilize the GENUS handset in its business, nor did it use any of the other goods or services provided under those agreements. Accordingly, it is the TSC Debtors’ position that TSC did not receive a benefit from the Elektrobit agreements. As previously noted, on March 23, 2011, the Bankruptcy Court authorized the TSC Debtors and the TSN Debtors to reject all contracts with Elektrobit. Elektrobit filed an unliquidated claim against TSC in the amount of at least \$27,869,769.82 on April 21, 2011 (Claim No. 58).

(iii) *Van Vlissingen and Company Demand Letter*

Motient Communications Inc. was party to a lease of certain non-residential real property with Van Vlissingen and Company. Pursuant to an amendment to the lease, TSC guaranteed Motient Communication Inc.'s obligations under the lease. Motient Communications Inc. and TSC received a demand letter from Van Vlissingen and Company alleging that approximately \$444,210.00 was outstanding under the lease. On November 23, 2010, the Bankruptcy Court authorized Motient Communications Inc.'s rejection of the lease retroactive to the October Petition Date [Case No. 10-15446, Docket No. 196]. Subsequently, Van Vlissingen and Company filed proofs of claim against both TSC and Motient Communications Inc., each in the amount of \$1,602,336.48 and each alleging that \$147,988.69 of each claim is entitled to administrative priority (Claim Nos. 17 and 27).

(iv) *Highland Litigation*

Since August 2005, TSC has been engaged in litigation adverse to Highland, as well as certain investment funds managed by Highland and James Dondero, who is the principal owner of Highland and one of TSC's former directors. Seven suits were filed by Highland and its affiliates against TSC or related parties. Of those seven suits, four have been resolved in TSC's favor. Of the remaining three lawsuits, the first, brought in Texas state district court in Dallas County, challenged the validity of the TSC Series A Preferred Shares and sought damages and the rescission of the purchase of \$90 million in shares. The second, brought in the Commercial Division of the New York Supreme Court, alleged that certain transactions conducted by TSC entitled Highland to redeem its TSC Series A Preferred Shares. The third suit was brought in the Court of Chancery of the State of Delaware, with Highland alleging that a change of control occurred, requiring TSC to redeem Highland's TSC Series A Preferred Shares.

In addition, TSC filed two suits against Dondero, one of which was dismissed on Dondero's motion. The non-dismissed suit was brought in Texas state court in Dallas County, alleging that Dondero breached fiduciary duties as a director to advance his own personal interests.

As part of the Bridge Loan, TSC entered into an agreement with Highland, certain of its affiliates and Dondero, agreeing to dismiss all pending litigation between the parties, without prejudice. In addition, the parties agreed that in the event that any of the suits are re-filed, the running of the statutes of limitations, laches and other time limitations are tolled during the term of the agreement.

V.

EVENTS LEADING TO COMMENCEMENT OF THE CHAPTER 11 CASES

The following is a general description of factors that ultimately led to the commencement of the TSC Debtors' Chapter 11 Cases.

TSN, TSC's principal operating subsidiary, has developed an innovative wireless communications system to provide mobile coverage throughout the United States and Canada using integrated satellite-terrestrial smartphones. Build-out of this system required an enormous amount of capital expenditures with very little in the way of revenue. Although TSN completed the development process shortly before the October Petition Date and had begun marketing its network, its available cash and borrowing capacity were insufficient to cover its funding needs. As a result, on the October Petition Date, the TSN Debtors were forced to seek protection under chapter 11 of the Bankruptcy Code. Through the TSN Debtors' chapter 11 cases, it is expected that TSC's ownership interest in the TSN Debtors will be divested.

Prior to the TSN Debtors' chapter 11 filings, the TSN Debtors, TSC, TS Holdings and EchoStar entered into an agreement whereby the parties committed to support a plan of reorganization for the TSN Debtors.¹² On July 7, 2011, the TSN Debtors received Bankruptcy Court approval to sell substantially all of their assets to Gamma Acquisition L.L.C., an affiliate of DISH Network Corporation. After the October Petition Date, certain holders of the TSC Series B Preferred Shares, including Solus and Millennium International Management LP ("*Millennium*"),

¹² In mid-February 2011, the TSN Debtors withdrew this plan of reorganization.

filed a motion seeking to have the Other TSC Debtors' Chapter 11 Cases dismissed. The motion was resolved by a stipulation executed by and between Solus, Millennium, Harbinger, Highland, EchoStar, the TSN Debtors and the Other TSC Debtors. The stipulation provides that none of the Other TSC Debtors will be party to the TSN Debtors' plan of reorganization unless a majority of the holders of the TSC Series A Preferred Shares and TSC Series B Preferred Shares consent or the Other TSC Debtors determine in good faith that their fiduciary duties require such action. The stipulation also provides that the Other TSC Debtors will not be liable for any debtor-in-possession financing extended to the TSN Debtors. The stipulation further provides that TSC holds an allowed, undisputed and non-contingent claim in TSN's Chapter 11 Case relating to an intercompany loan in the face amount of \$50 million (plus interest). On June 17, 2011, the official committee of unsecured creditors in the TSN Debtors' cases filed a motion to recharacterize this claim as an equity contribution.¹³ Pursuant to an agreed scheduling order [Case No. 10-15446, Docket No. 684], the TSC Debtors' opposition to such motion must be filed no later than August 26, 2011, the official committee's reply brief must be filed no later than September 9, 2011, and the hearing on the recharacterization motion will be held on September 19, 2011.

Since TSN has generated little to no revenues, the TSC Debtors' only pre-petition source of income was the lease payments from the Spectrum Lease. This small revenue stream was insufficient to allow the TSC Debtors to maintain their business. Thus, on the October Petition Date, the Other TSC Debtors sought chapter 11 protection.

Up until a few days before the October Petition Date, it was contemplated that TSC and TS Holdings would also file for chapter 11 protection along with the Other TSC Debtors. However, in light of the separateness of the businesses and at the request of certain of the largest preferred shareholders of the TSC Series A Preferred Shares and TSC Series B Preferred Shares (including Highland, Solus and affiliates of Harbinger), TSC and TS Holdings refrained from filing for chapter 11 while they worked with those preferred shareholders on the terms of a consensual restructuring (100% of the TSC Series A Preferred Shares are owned by Highland, and approximately 55% of the TSC Series B Preferred Shares are owned by Solus and affiliates of Harbinger). As part of the consensual negotiations, Harbinger, Solus and Highland agreed to provide TSC and TS Holdings with the \$2.65 million Bridge Loan and Highland agreed to toll certain litigation it currently has outstanding against TSC (for a description of such litigation, please see TSC's Form 10-K/A for the fiscal year ended December 31, 2009, filed with the SEC on May 6, 2010).

VI.

INITIAL MOTIONS OF THE CHAPTER 11 CASES AND CERTAIN RELATED RELIEF

On the October Petition Date, the Other TSC Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York. On the February Petition Date, each of the February Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York. The TSC Debtors' Chapter 11 Cases are being jointly administered for procedural purposes only under the caption *In re TerreStar Corporation, et al.*, Case No. 11-10612 (SHL), before the Honorable Sean H. Lane. The TSC Debtors continue to operate their businesses and manage their properties as debtors in possession under the jurisdiction of the Bankruptcy Court and in accordance with the applicable provisions of the Bankruptcy Code and orders of the Bankruptcy Court.

A. "First-Day" Motions and Related Relief

To ensure a smooth transition to operations in chapter 11, the TSC Debtors filed a number of motions with the Bankruptcy Court seeking relief designed to, among other things, prevent interruptions to the TSC Debtors' business, ease the strain on the TSC Debtors' relationship with certain essential constituents and provide access to immediate financing. At a hearing held on February 23, 2011, the Bankruptcy Court entered several orders granting various of the TSC Debtors' initial requests for relief, as discussed below.

¹³ Based on, among other things, the documentation regarding this claim, the TSC Debtors do not believe that the official committee's motion has merit.

(i) **Procedural Orders**

To facilitate a smooth and efficient administration of the TSC Debtors' Chapter 11 Cases and minimize the impact on daily business operations, the Bankruptcy Court entered certain "procedural" orders, approving, among other things, the joint administration of the February Debtors with the Other TSC Debtors [Docket No 11]. In connection therewith, the Bankruptcy Court in the TSN Debtors' chapter 11 cases entered an order modifying the joint administration order in that case so that the Other TSC Debtors would no longer be jointly administered with the TSN Debtors' chapter 11 cases. In addition, the Bankruptcy Court entered orders applying certain orders that were entered in the TSN Debtors' chapter 11 cases to the February Debtors [Docket Nos. 13, 41].¹⁴

(ii) **Retention of Professionals**

On March 4, 2011, the February Debtors filed an application seeking Bankruptcy Court approval to retain Blackstone Advisory Partners L.P. ("**Blackstone**"), as financial advisor and investment banker [Docket No. 35], to assist the TSC Debtors in carrying out their duties as debtors in possession. On March 23, 2011, the Bankruptcy Court entered an order approving Blackstone's retention on an interim basis, and on April 27, 2011, the Bankruptcy Court entered a final order approving Blackstone's retention [Docket Nos. 56, 82]. As explained above, the Bankruptcy Court also applied the retention orders in the TSN Debtors' chapter 11 cases for Akin Gump Strauss Hauer & Feld LLP, The Garden City Group, Inc. and certain ordinary course professionals to the February Debtors' cases [Docket Nos. 13, 41].

B. Debtor-in-Possession Financing

In addition to the initial procedural and operational relief, the February Debtors and MV Holding filed a motion on the February Petition Date seeking authority to ensure adequate access to liquidity during their Chapter 11 Cases.¹⁵ Specifically, the February Debtors and MV Holding sought approval of ongoing access to cash collateral, as well as approval of an aggregate \$13,368,421.05 secured debtor-in-possession financing facility (as amended, restated, amended and restated, supplemented or otherwise modified, the "**DIP Facility**"), with the February Debtors as borrowers and MV Holding as guarantor. The DIP Facility is secured by a first lien on all of the February Debtors' assets, subject to certain existing liens.

The DIP Facility carries a 12.5% interest rate. The DIP Facility contains negative and affirmative covenants standard for debtor-in-possession financing facilities, as well as various operational performance covenants. The February Debtors do not believe they will be unable to comply with these covenants. Further, the DIP Facility contains various events of default, including, without limitation, the failure of the Bankruptcy Court to enter an order confirming a plan of reorganization for the February Debtors on or prior to November 30, 2011.

Pursuant to a pre-petition agreement, One Dot Four prepaid the Spectrum Lease through June 2011. Beginning in July 2011, One Dot Four resumed making payments under the Spectrum Lease. Pursuant to the terms

¹⁴ The orders entered in the TSN Debtors' chapter 11 cases that the Bankruptcy Court made applicable to the February Debtors' cases included orders regarding the cash management systems, interim compensation procedures, matrix, case management, insurance coverage and payment of taxes. The Bankruptcy Court also applied orders regarding the retention of Akin Gump Strauss Hauer & Feld LLP, The Garden City Group, Inc. and various law firms and professionals to the February Debtors.

¹⁵ Pre-petition, despite the best efforts of all parties, the TSC Debtors and their preferred shareholders were initially unable to reach agreement regarding post-petition financing. Because the TSC Debtors were unable to negotiate a post-petition funding agreement, the TSC Debtors turned to Colbeck Capital Management, LCC ("**Colbeck**") to procure debtor-in-possession financing. After the TSC Debtors negotiated and executed a commitment letter with Colbeck, Solus offered to provide the February Debtors with debtor-in-possession financing that the February Debtors and their professionals believed was materially better for the February Debtors. Accordingly, on February 2, 2011, the February Debtors executed a debtor-in-possession financing commitment letter with Solus.

of the DIP Loan Agreement, funds received under the Spectrum Lease and upstreamed to TSC are to be used to repay the DIP Loan Agreement on a quarterly basis.

On March 9, 2011, the Bankruptcy Court entered an order approving the TSC Debtors' entry into the DIP Facility on a final basis [Docket No. 43].

VII. **DEVELOPMENTS DURING THE CHAPTER 11 CASES**

A. Appointment of the Statutory Committee

Bankruptcy Code section 1102 requires that, absent an order of the Bankruptcy Court to the contrary, the U.S. Trustee must appoint a committee of unsecured creditors as soon as practicable.

On October 29, 2010, the U.S. Trustee appointed the Creditors' Committee for the October Debtors (the "**October Creditors' Committee**"), including the Other TSC Debtors. The October Creditors' Committee comprises the following members:

- Deutsche Bank National Trust Company, Indenture Trustee;
- Hughes Network Systems, Inc.;
- Nokia Siemens Networks US LLC;
- Qualcomm Incorporated;
- Shaffer Wilson Sarver & Gray, P.C.;
- Space Systems/Loral, Inc.; and
- Van Vlissingen and Company.

The October Creditors' Committee subsequently retained Otterbourg, Steindler, Houston & Rosen LLP as legal counsel and FTI Consulting as financial advisor. The TSC Debtors believe that only one member of the October Creditors' Committee, Van Vlissingen and Company, is a creditor of one of the TSC Debtors.

On March 21, 2011, the U.S. Trustee informed the February Debtors that no committee would be formed for their Chapter 11 Cases.

B. The Claims Process

(i) *Filing of the TSC Debtors' Statements of Financial Affairs and Schedules of Assets and Liabilities*

On November 8, 2010, the October Debtors, including the Other TSC Debtors, filed their schedules of assets and liabilities and statements of financial affairs, and on March 2, 2011, the February Debtors filed their schedules of assets and liabilities and statements of financial affairs (collectively, the "**SOFAs and Schedules**") pursuant to the Bankruptcy Code section 521 and Bankruptcy Rule 1007. The SOFAs and Schedules provide information concerning each of the TSC Debtors' assets, liabilities (including accounts payable), executory contracts and other financial information as of the October Petition Date or February Petition Date, as applicable. Copies of the TSC Debtors' SOFAs and Schedules are available free of charge by accessing www.TerreStarCorpRestructuring.com. The SOFAs and Schedules include, among other things, a list of the intercompany receivables owed to each of the TSC Debtors by other TSC Debtors and non-TSC Debtor affiliates.

(ii) **Establishment of the Claims Bar Date**

On November 8, 2010, the Bankruptcy Court entered an order [Docket No. 92] (the “**October Bar Date Order**”) establishing December 10, 2010 (the “**December Bar Date**”) as the deadline by which each person or entity asserting a claim against any of the October Debtors, including the Other TSC Debtors, was required to file written proof of such claim. On April 6, 2011, the Bankruptcy Court entered an order [Docket No. 64] (the “**February Bar Date Order**”) and, together with the October Bar Date Order, the “**Bar Date Orders**”) establishing May 13, 2011 (the “**May Bar Date**”) and, together with the December Bar Date, the “**Bar Dates**”) as the deadline by which each person or entity asserting a claim against any of the February Debtors and by which a TSN Debtor or non-debtor TSC affiliate asserting a claim against any of the Other TSC Debtors was required to file written proof of such claim. In accordance with the Bar Date Orders, the TSC Debtors provided written notice of the Bar Dates to each of the parties and entities identified as creditors on the SOFAs and Schedules and to all known actual or potential creditors of the TSC Debtors according to the TSC Debtors’ books and records at the time of mailing of the notice. Where possible, this notice was accompanied by a “personalized” proof of claim form approved by the Bankruptcy Court. Additionally, in an effort to reach unknown creditors, the TSC Debtors also published notice of the Bar Dates in *The Washington Post* and *USA Today*. The TSC Debtors are reviewing all proofs of claim that have been asserted against their estates and determining whether it is appropriate to object to the validity and/or amount of such claims.

C. Exclusivity

Under the Bankruptcy Code, a debtor has the exclusive right to file and solicit acceptance of a plan or plans of reorganization for an initial period of 120 days from the date on which the debtor filed for voluntary relief (the “**Exclusive Filing Period**”). If a debtor files a plan during the Exclusive Filing Period, then the debtor has the exclusive right for 180 days from the commencement date to solicit acceptance of the plan (the “**Exclusive Solicitation Period**”) and, together with the Exclusive Filing Period, the “**Exclusive Periods**”). During the Exclusive Periods, no other party in interest may file a competing plan of reorganization. However, a court may extend these periods upon the request of a party in interest.

On March 9, 2011, the Bankruptcy Court entered an order extending the Exclusive Periods for the Other TSC Debtors through and including May 23, 2011 and July 22, 2011, respectively [Docket No. 42]. On May 19, 2011, the Bankruptcy Court entered an order further extending the Exclusive Periods for the Other TSC Debtors through and including June 16, 2011 and August 15, 2011, respectively [Docket No. 96]. The initial Exclusive Filing Period and Exclusive Solicitation Period for the February Debtors were set to expire on June 16, 2011 and August 15, 2011, respectively. On June 16, 2011, the TSC Debtors filed a motion seeking to extend their Exclusive Periods, thereby automatically extending their Exclusive Periods until a hearing on such motion could be held. On July 18, 2011, the Bankruptcy Court entered an order extending the Exclusive Periods for each of the TSC Debtors through and including August 15, 2011 and October 14, 2011, respectively [Docket No. 132].

D. The TSC Debtors’ Licenses and Related Applications

As further described above (see generally, Section IV of this Disclosure Statement), the TSC Debtors’ principal business is the lease by 1.4 Holdings to One Dot Four of the rights to use the 1.4 Spectrum for which 1.4 Holdings holds the FCC Licenses. The FCC has regulatory authority in the United States to regulate the FCC Licenses, including renewal of the FCC Licenses. No later than two business days after the date the Confirmation Order is entered, the TSC Debtors will file an application with the FCC seeking approval for the transfer of control of 1.4 Holdings.

VIII.
DESCRIPTION OF THE JOINT PLAN OF REORGANIZATION

A. General Rules of Classification

Pursuant to Bankruptcy Code section 1122, set forth below is a designation of Classes of Claims against and Equity Interests in the TSC Debtors. A Claim or Equity Interest is placed in a particular Class only to the extent that the Claim or Equity Interest falls within the description of that Class and is classified in other Classes to the extent that any portion of the Claim or Equity Interest falls within the description of such other Classes. A Claim or

Equity Interest is also placed in a particular Class for the purpose of receiving distributions pursuant to the Plan only to the extent that such Claim or Equity Interest is an Allowed Claim in that Class and such Claim or Equity Interest has not been paid, released or otherwise settled prior to the Effective Date.

This Plan constitutes a separate chapter 11 plan of reorganization for each TSC Debtor, each of which shall include the classifications set forth below. For the avoidance of doubt, to the extent that a Class contains Allowed Claims or Equity Interests with respect to a particular TSC Debtor, such Class is designated with respect to such TSC Debtor. To the extent that there are no Allowed Claims or Equity Interests in a Class with respect to a particular TSC Debtor, such Class is deemed to be omitted with respect to such TSC Debtor.

C. Treatment of Claims and Equity Interests

(i) Class 1 – Other Priority Claims

- Classification:** Class 1 consists of Other Priority Claims against each TSC Debtor. Although all Other Priority Claims have been placed in one Class for the purposes of nomenclature, the Other Priority Claims against each TSC Debtor shall be treated as being in a separate sub-Class for the purpose of receiving distributions under the Plan.

- *Treatment:* Except to the extent that a holder of an Allowed Other Priority Claim (i) has been paid by the applicable TSC Debtor, in whole or in part, prior to the Effective Date or (ii) agrees to a less favorable treatment, each holder of an Allowed Other Priority Claim shall receive from the TSC Debtor that is obligated on such Other Priority Claim, in full satisfaction, settlement, release and discharge of, and in exchange for such Other Priority Claim, Cash in the full amount of such Allowed Other Priority Claim.
- *Voting:* Class 1 is Unimpaired and the holders of Other Priority Claims are conclusively presumed to have accepted the Plan pursuant to Bankruptcy Code section 1126(f). Therefore, holders of Other Priority Claims are not entitled to vote to accept or reject the Plan.

- *Treatment:* Except to the extent that a holder of an Allowed Other Secured Claim agrees to a less favorable treatment, in full satisfaction, settlement, release and discharge of, and in exchange for such Allowed Other Secured Claim, each holder of an Allowed Other Secured Claim shall, at the option of the TSC Debtors (with the reasonable consent of each of the Designated Holders), be paid: (i) in Cash in full on the first Distribution Date after such claim becomes due and payable in the ordinary course of business or (ii) in Cash on such other terms and conditions as may be agreed between the holder of such claim and the TSC Debtors.
- *Voting:* Class 2 is Unimpaired and the holders of Other Secured Claims are conclusively presumed to have accepted the Plan pursuant to Bankruptcy Code section 1126(f). Therefore, holders of Other Secured Claims are not entitled to vote to accept or reject the Plan.

- *Classification:* Classes 3a and 3b consist of the Bridge Loan Claims against TSC and TS Holdings, respectively.
- *Treatment:* Except to the extent that a holder of an Allowed Bridge Loan Claim agrees to a less favorable treatment, in full satisfaction, settlement, release and discharge of, and in exchange for such Allowed Bridge Loan Claim, each holder of an Allowed Bridge Loan Claim shall be paid in Cash within two Business Days after the Effective Date in an amount equal to such Bridge Loan Claim less any interest that has accrued pursuant to Section 2.8(c) of the Bridge Loan Agreement solely as a result of a continuing default thereunder.
- *Voting:* Classes 3a and 3b are Impaired by the Plan. Therefore, holders of Bridge Loan Claims are entitled to vote to accept or reject the Plan.

- *Treatment:* Except to the that extent a holder of an Allowed Unsecured Claim in Classes 4c – 4i agrees to a less favorable treatment, to the extent that any holder of an Allowed Unsecured Claim in Classes 4c – 4i is also the holder of an Allowed Unsecured Claim in Class 4a or 4b arising out of the same agreement, transaction or circumstance, such Claim shall be satisfied in full by TSC or TS Holdings, as applicable, in accordance with the terms of this Plan, provided, however, that each holder of an Allowed Unsecured Claim in Classes 4c – 4i that (a) is not also the holder of an Allowed Unsecured Claim in Class 4a or 4b arising out of the same agreement, transaction or circumstance or (b) is the holder of an Allowed Unsecured Claim in Class 4a or 4b, but such Allowed Unsecured Claim in Classes 4c – 4i is greater in amount than such Allowed Unsecured Claim in Class 4a or 4b, shall, at the option of the applicable TSC Debtors, with the reasonable consent of each of the Designated Holders, receive: (i) payment in Cash in full on the first Distribution Date after such Claim becomes due and payable in the ordinary course of business or (ii) its Pro Rata share of the equity of the reorganized entity corresponding to such Allowed Unsecured Claim.

For the avoidance of doubt, with respect to Allowed Class 4c – 4i Unsecured Claims, to the extent that Cash is distributed to any of the Other TSC Debtors pursuant to the TSN Debtors' chapter 11 plan, such Cash will be used to satisfy

such Allowed Class 4c – 4i Unsecured Claims, as applicable; provided, however, that, to the extent that any TSC Debtor(s) advance(s) Cash to any of the Other TSC Debtors to satisfy Allowed Class 4c – 4i Unsecured Claims prior to any of the Other TSC Debtors' receipt of any distribution pursuant to the TSN Debtors' chapter 11 plan, any such distribution pursuant to the TSN Debtors' chapter 11 plan will be paid over to such TSC Debtor(s) in repayment of such Cash advance(s).

- *Treatment:* No distribution shall be made on account of Intercompany Claims. Except as otherwise determined by the TSC Debtors, with the consent of the Requisite Designated Holders, each Allowed Intercompany Claim shall be reinstated on the Effective Date. After the Effective Date, the Reorganized TSC Debtors shall have the right to resolve or compromise Disputed Intercompany Claims without approval of the Bankruptcy Court.
- *Voting:* Class 5 is Unimpaired and the holders of Intercompany Claims are conclusively presumed to have accepted the Plan pursuant to Bankruptcy Code section 1126(f). Therefore, holders of Intercompany Claims are not entitled to vote to accept or reject the Plan.

- *Treatment:* On the Effective Date, all Preferred Series C TSC Interests, Preferred Series D TSC Interests and Preferred Series E TSC Interests shall be deemed cancelled and shall be of no further force and effect, whether surrendered for cancellation or otherwise, and there shall be no distribution to the holders of Preferred Series C TSC Interests, Preferred Series D TSC Interests and Preferred Series E TSC Interests.
- *Voting:* Classes 6c – 6e are Impaired and the holders of Preferred Series C TSC Interests, Preferred Series D TSC Interests and Preferred Series E TSC Interests are conclusively presumed to have rejected the Plan pursuant to Bankruptcy Code section 1126(g). Therefore, holders of Preferred Series C TSC Interests, Preferred Series D TSC Interests and Preferred Series E TSC Interests are not entitled to vote to accept or reject the Plan.

- *Voting:* Classes 7b – 7i are Unimpaired and the holders of Classes 7b – 7i Other Equity Interests are conclusively presumed to have accepted the Plan pursuant to

SOLICITATION AND VOTING PROCEDURES

This Disclosure Statement, accompanied by a ballot to be used for voting on the Plan, is being distributed to the holders of Claims and Equity Interests in Classes 3a, 3b, 4a, 4b, 4c, 4d, 4e, 4f, 4g, 4h, 4i, 6a and 6b. Only the holders of Claims and Equity Interests in these Classes are entitled to vote to accept or reject the Plan and may do so by completing the ballot and returning it in the envelope provided. Additionally, a discussion of the procedures used to tabulate the votes cast for or against the Plan can be found in **Exhibit B**, attached hereto, which is incorporated herein by reference and should be read in conjunction with this Disclosure Statement and in formulating a decision to vote to accept or reject the Plan.

The TSC Debtors, with the approval of the Bankruptcy Court, have engaged The Garden City Group, Inc. as their Voting and Claims Agent to assist in the solicitation process. The Voting and Claims Agent will, among other things, answer questions, provide additional copies of all solicitation materials, and generally oversee the solicitation process. The Voting and Claims Agent will also process and tabulate ballots for each of the respective Classes that are entitled to vote to accept or reject the Plan and will file a voting report as soon as practicable before the Confirmation Hearing.

A. Holders of Claims and Equity Interests Entitled To Vote on the Plan

Under the provisions of the Bankruptcy Code, not all holders of claims against and interests in a debtor are entitled to vote on a chapter 11 plan. As shown in the table below, the TSC Debtors are soliciting votes to accept the Plan only from holders of Claims and Equity Interests in Classes 3a, 3b, 4a, 4b, 4c, 4d, 4e, 4f, 4g, 4h, 4i, 6a and 6b (collectively, the “**Voting Classes**”). The holders of Claims and Equity Interests in the Voting Classes are Impaired under the Plan and are receiving property under the Plan. Therefore, holders of Claims and Equity Interests in the Voting Classes have the right to vote to accept or reject the Plan.

The TSC Debtors are **not** soliciting votes from (a) holders of Unimpaired Claims and Unimpaired Equity Interests in Classes 1, 2, 5, 7b, 7c, 7d, 7e, 7f, 7g, 7h and 7i because those parties are conclusively presumed to have accepted the Plan or (b) holders of Claims and Equity Interests in Classes 6c, 6d, 6e and 7a because those parties are conclusively presumed to have rejected the Plan. Additionally, as set forth in the voting and tabulation procedures, certain holders of Claims in the Voting Classes, such as those holders whose Claims have been disallowed or subject to a pending objection, are not entitled to vote to accept or reject the Plan. The following table provides a summary of the status and voting rights of each Class (and, therefore, of each holder within such Class) under the Plan:

X.
CONFIRMATION OF THE PLAN

A. The Confirmation Hearing

Bankruptcy Code section 1128(a) requires the Bankruptcy Court, after notice, to hold a hearing to consider Confirmation. Bankruptcy Code section 1128(b) provides that any party in interest may object to Confirmation.

The Bankruptcy Court has scheduled the Confirmation Hearing for [_____] , 2011 at [_____] .m. (prevailing Eastern Time) before the Honorable Judge Sean H. Lane, United States Bankruptcy Judge, in the Bankruptcy Court, located at Alexander Hamilton Custom House, One Bowling Green, New York, New York 10004. The Confirmation Hearing may be adjourned from time to time without further notice except for an announcement of the adjourned date made at the Confirmation Hearing or any adjournment thereof.

B. Deadline To Object to Confirmation of the Plan

Objections to Confirmation must be filed and served at or before **5:00 p.m.** (prevailing Eastern time) on [_____] , 2011 in accordance with the notice of the Confirmation Hearing that accompanies this Disclosure Statement. This means that written objections to Confirmation, if any, that conform to the applicable provisions of the Disclosure Statement Order, the Bankruptcy Code, the Bankruptcy Rules and the Local Bankruptcy Rules for the Bankruptcy Court must be filed, together with a proof of service, with the Bankruptcy Court and served so as to be **actually received** on or before the Plan Objection Deadline by the following parties:

- Counsel to the TSC Debtors: Akin Gump Strauss Hauer & Feld LLP, Attn: Ira S. Dizengoff and Arik Preis, One Bryant Park, New York, New York 10036 and Attn: Sarah Link Schultz, 1700 Pacific Avenue, Suite 4100, Dallas, Texas 75201; and
- U.S. Trustee: Office of the United States Trustee for the Southern District of New York, Attn: Susan Golden, Whitehall Street, 21st Floor, New York, New York 10004.

Unless objections to Confirmation are timely served and filed, they may not be considered by the Bankruptcy Court.

C. Confirmation Hearing

The Confirmation Hearing will commence at [_____] .m. prevailing Eastern time on [_____] , 2011. The Confirmation Hearing will be held before the Honorable Sean H. Lane in the Bankruptcy Court, One Bowling Green, New York, New York 10004-1408. At least 28 days before the Voting Deadline, the TSC Debtors will (a) serve the Confirmation Hearing Notice upon all known creditors of the TSC Debtors and (b) publish the Confirmation Hearing Notice in the national editions of *The Washington Post* and *USA Today*, which will contain, among other things, details regarding voting on and objecting to Confirmation, including the Voting Deadline and the Plan Objection Deadline, and the date, time and location of the Confirmation Hearing. The Confirmation Hearing Notice will also be posted on the TSC Debtors' restructuring website www.TerreStarCorpRestructuring.com. **The Confirmation Hearing may be adjourned from time to time without further notice except for an announcement of the adjourned date made at the Confirmation Hearing or any adjournment thereof.**

D. Requirements for Confirmation of the Plan

Among the requirements for Confirmation are the following: (i) the Plan is accepted by all Impaired Classes or, if the Plan is rejected by an Impaired Class, it "does not discriminate unfairly" and is "fair and equitable" as to such Class, (ii) the Plan is feasible and (iii) the Plan is in the "best interests" of holders of Claims and Equity Interests that are Impaired under its provisions.

At the Confirmation Hearing, the Bankruptcy Court will determine whether the Plan satisfies the requirements of Bankruptcy Code section 1129. The TSC Debtors believe that the Plan satisfies or will satisfy all of

the necessary requirements of chapter 11 of the Bankruptcy Code. Specifically, in addition to other applicable requirements, the TSC Debtors believe that the Plan satisfies or will satisfy the applicable confirmation requirements of the Bankruptcy Code section 1129 set forth below:

- The Plan complies with the applicable provisions of the Bankruptcy Code.
- The TSC Debtors, as the Plan proponents, have complied with the applicable provisions of the Bankruptcy Code.
- The Plan has been proposed in good faith and not by any means forbidden by law.
- Any payment made or promised under the Plan for services or for costs and expenses in, or in connection with, the Chapter 11 Cases, or in connection with the Plan and incident to the case, has been disclosed to the Bankruptcy Court, and any such payment (i) made before Confirmation is reasonable or (ii) subject to the approval of the Bankruptcy Court is reasonable, if it is to be fixed after Confirmation.
- Either each holder of an Impaired Claim or Equity Interest in the TSC Debtors has accepted (or is deemed to have accepted) the Plan, or each non-accepting creditor will receive or retain under the Plan on account of such Claim or Equity Interest, property of a value, as of the Effective Date of the Plan, that is not less than the amount that the holder would receive or retain if the TSC Debtors were liquidated on that date under chapter 7 of the Bankruptcy Code.
- Each Class of Claims or Equity Interests that is entitled to vote on the Plan will have accepted the Plan, or the Plan can be confirmed without the approval of the Class pursuant to Bankruptcy Code section 1129(b).
- Except to the extent that the holder of a particular Claim will agree to a different treatment of its Claim, the Plan provides that Administrative Claims and Priority Non-Tax Claims will be paid in full on the Effective Date, or as soon thereafter as is reasonably practicable.
- At least one Class of Impaired Claims will have accepted the Plan, determined without including any acceptance of the Plan by any insider holding a Claim in that Class.
- Confirmation of the Plan is not likely to be followed by the liquidation or the need for further financial reorganization of the TSC Debtors or any successors thereto under the Plan.
- All fees of the type described in 28 U.S.C. § 1930, including the fees of the U.S. Trustee, will be paid as of the Effective Date.

E. Best Interests of Creditors/Liquidation Analysis

Often called the “best interests” test, Bankruptcy Code section 1129(a)(7) requires that a bankruptcy court find, as a condition to confirmation, that a chapter 11 plan provides, with respect to each class, that each holder of a claim or an interest in such class either (i) has accepted the plan or (ii) will receive or retain under the plan property of a value, as of the effective date of the plan, that is not less than the amount that such holder would receive or retain if the debtors liquidated under chapter 7 of the Bankruptcy Code. To make these findings, a bankruptcy court must (i) estimate the cash liquidation proceeds that a chapter 7 trustee would generate if each of the debtor’s chapter 11 cases were converted to a chapter 7 case and the assets of such debtor’s estate were liquidated, (ii) determine the liquidation distribution that each non-accepting holder of a claim or an interest would receive from such liquidation proceeds under the priority scheme dictated in chapter 7 and (iii) compare the holder’s liquidation distribution to the distribution under the plan that the holder would receive if the plan were confirmed and consummated.

To satisfy the requirements of Bankruptcy Code section 1129(a)(7), the TSC Debtors, together with their retained advisors, prepared the liquidation analysis attached as **Exhibit D** to this Disclosure Statement (the “*Liquidation Analysis*”). Based on the Liquidation Analysis, the TSC Debtors believe that holders of Claims against and Equity Interests in the TSC Debtors will receive property of equal or greater value as of the Effective Date under the Plan than such holders would receive in a chapter 7 liquidation and that the Plan will therefore meet the “best interests” test provided in Bankruptcy Code section 1129(a)(7).

F. Feasibility/Financial Projections

Bankruptcy Code section 1129(a)(11) requires that confirmation of the plan of reorganization is not likely to be followed by the liquidation or the need for further financial reorganization of the debtor, or any successor to the debtor (unless such liquidation or reorganization is proposed in the plan of reorganization).

To determine whether the Plan meets this feasibility requirement, the TSC Debtors have analyzed their ability to meet their respective obligations under the Plan. As part of this analysis, the TSC Debtors have prepared the projections, attached to this Disclosure Statement as **Exhibit E**. Based upon the projections, the TSC Debtors believe that they will be a viable entity following the Chapter 11 Cases and that the Plan will meet the feasibility requirements of the Bankruptcy Code.

THE PROJECTIONS ATTACHED AS **EXHIBIT E**, INCLUDING THE UNDERLYING ASSUMPTIONS, SHOULD BE CAREFULLY REVIEWED IN EVALUATING THE PLAN. THE PROJECTIONS WERE PREPARED IN JULY 2011. WHILE MANAGEMENT BELIEVES THE ASSUMPTIONS UNDERLYING THE PROJECTIONS, WHEN CONSIDERED ON AN OVERALL BASIS, WERE REASONABLE WHEN PREPARED IN LIGHT OF CURRENT CIRCUMSTANCES AND EXPECTATIONS, NO ASSURANCE CAN BE GIVEN THAT THE PROJECTIONS WILL BE REALIZED. THE TSC DEBTORS MAKE NO REPRESENTATION OR WARRANTY AS TO THE ACCURACY OF THE PROJECTIONS.

G. Acceptance by Impaired Classes

The Bankruptcy Code requires that, except as described in the following section, with respect to each debtor entity, each impaired class of claims or interests must accept a plan in order for it to be confirmed. A class that is not impaired under a plan is deemed to have accepted the plan, and, therefore, solicitation of acceptances with respect to the class is not required. A class is impaired unless the plan: (i) leaves unaltered the legal, equitable and contractual rights to which the claim or the interest entitles the holder of the claim or interest or (ii) cures any default, reinstates the original terms of such obligation, compensates the holder for certain damages or losses, as applicable, and does not otherwise alter the legal, equitable or contractual rights to which such claim or interest entitles the holder of such claim or interest.

Bankruptcy Code section 1126(c) defines acceptance of a plan by a class of impaired claims as acceptance by holders of at least two-thirds in dollar amount and more than one-half in number of allowed claims in that class, counting only those claims that actually voted to accept or to reject the plan. Thus, a class of claims will have voted to accept the plan only if two-thirds in amount and a majority in number actually voting cast their ballots in favor of acceptance. For a class of impaired interests to accept a plan, Bankruptcy Code section 1126(d) requires acceptance by interest holders that hold at least two-thirds in amount of the allowed interests of such class, counting only those interests that actually voted to accept or reject the plan. Thus, a class of interests will have voted to accept the plan only if two-thirds in amount actually voting cast their ballots in favor of acceptance.

H. Confirmation Without Acceptance by All Impaired Classes/Fair and Equitable Test

Bankruptcy Code section 1129(b) allows a bankruptcy court to confirm a plan even if all impaired classes of a debtor’s plan have not accepted the plan, *provided* that the plan has been accepted by at least one impaired class. Pursuant to Bankruptcy Code section 1129(b), notwithstanding an impaired class rejection or deemed rejection of the plan, the plan will be confirmed, at the plan proponent’s request, in a procedure commonly known as “cramdown,” so long as the plan does not “discriminate unfairly” and is “fair and equitable” with respect to each class of claims or interests that is impaired under, and has not accepted, the plan.

(i) No Unfair Discrimination

Often referred to as the “horizontal test,” this test applies to classes of claims or interests that are of equal priority and are receiving different treatment under a proposed plan. The test does not require that the treatment be the same or equivalent, but that such treatment be “fair.” In general, bankruptcy courts consider whether a plan discriminates unfairly in its treatment of classes of claims of equal rank (*e.g.*, classes of the same legal character). Bankruptcy courts will take into account a number of factors in determining whether a plan discriminates unfairly. A proposed plan could treat two classes of unsecured creditors differently without unfairly discriminating against either class.

(ii) Fair and Equitable Test

Often referred to as the “vertical test,” this test applies to classes of different priority and status (*e.g.*, secured versus unsecured) and includes the general requirement that no class of claims receive more than 100% of the amount of the allowed claims in such class. As to the dissenting class, this test sets different standards depending upon the type of claims or interests in such class:

a. Secured Claims

The condition that a plan be “fair and equitable” to a non-accepting class of secured claims includes the requirements that: (i) the holders of such secured claims retain the liens securing such claims to the extent of the allowed amount of the claims, whether the property subject to the liens is retained by the debtor or transferred to another entity under the Plan and (ii) each holder of a secured claim in the class receives deferred cash payments totaling at least the allowed amount of such claim with a value, as of the effective date of the plan, at least equivalent to the value of the secured claimant’s interest in the debtor’s property subject to the liens.

b. Unsecured Claims

The condition that a plan be “fair and equitable” to a non-accepting class of unsecured claims includes the requirement that either: (i) the plan provides that each holder of a claim of such class receives or retains on account of such claim property of a value, as of the effective date of the plan, equal to the allowed amount of such claim or (ii) the holder of any claim or any interest that is junior to the claims of such class will not receive or retain under the plan on account of such junior claim or junior interest any property, subject to certain exceptions.

c. Equity Interests

The condition that a plan be “fair and equitable” to a non-accepting class of interests includes the requirements that either: (i) the plan provides that each holder of an interest in that class receives or retains under the plan on account of that interest property of a value, as of the effective date of the plan, equal to the greater of: (A) the allowed amount of any fixed liquidation preference to which such holder is entitled, (B) any fixed redemption price to which such holder is entitled or (C) the value of such interest; or (ii) if the class does not receive the amount as required under (i) hereof, no class of interests junior to the non-accepting class may receive a distribution under the plan.

If any Impaired Class rejects the Plan, the TSC Debtors reserve the right to seek Confirmation of the Plan utilizing the “cramdown” provision of Bankruptcy Code section 1129(b). Specifically, to the extent that any Impaired Class rejects the Plan or is deemed to have rejected the Plan, the TSC Debtors will request Confirmation of the Plan, as it may be modified from time to time, under Bankruptcy Code section 1129(b). The TSC Debtors reserve the right to alter, amend, modify, revoke or withdraw the Plan prior to Confirmation, including to amend or modify the Plan to satisfy the requirements of the Bankruptcy Code section 1129(b).

The TSC Debtors submit that if the TSC Debtors “cramdown” the Plan pursuant to Bankruptcy Code section 1129(b), the Plan is structured such that it does not “discriminate unfairly” and satisfies the “fair and equitable” requirement. The TSC Debtors believe that the Plan and the treatment of all Classes of Claims and Equity Interests under the Plan satisfy the foregoing requirements for nonconsensual Confirmation of the Plan.

I. Valuation of the TSC Debtors

In conjunction with formulating the Plan, the TSC Debtors determined that it was necessary to estimate the post-Confirmation going-concern value of the Reorganized TSC Debtors (the “*Valuation Analysis*”). The Valuation Analysis is set forth on the exhibit attached hereto as **Exhibit F**.

THE VALUATION INFORMATION SET FORTH IN **EXHIBIT F** REPRESENTS A HYPOTHETICAL VALUATION OF THE REORGANIZED TSC DEBTORS, WHICH ASSUMES THAT SUCH REORGANIZED TSC DEBTORS CONTINUE AS AN OPERATING BUSINESS. THE ESTIMATED VALUE SET FORTH IN **EXHIBIT F** DOES NOT PURPORT TO CONSTITUTE AN APPRAISAL OR NECESSARILY REFLECT THE ACTUAL MARKET VALUE THAT MIGHT BE REALIZED THROUGH A SALE OR LIQUIDATION OF THE REORGANIZED TSC DEBTORS, THEIR SECURITIES OR THEIR ASSETS, WHICH VALUE MAY BE SIGNIFICANTLY HIGHER OR LOWER THAN THE ESTIMATE SET FORTH IN THIS SECTION. ACCORDINGLY, SUCH ESTIMATED VALUE IS NOT NECESSARILY INDICATIVE OF THE PRICES AT WHICH THE NEW COMMON STOCK OR OTHER SECURITIES OF THE REORGANIZED TSC DEBTORS MAY TRADE AFTER GIVING EFFECT TO THE REORGANIZATION AND TRANSACTIONS SET FORTH IN THE PLAN, WHICH PRICES MAY BE SIGNIFICANTLY HIGHER OR LOWER THAN INDICATED BY THIS VALUATION.

J. Effect of Confirmation and Consummation of the Plan

Following Confirmation, subject to Article X of the Plan, the Plan will be consummated on the Effective Date. Among other things, on the Effective Date, certain release, injunction, exculpation and discharge provisions set forth in Article IX of the Plan will become effective. As such, it is important to read the provisions contained in Article IX of the Plan very carefully so that you understand how Confirmation and consummation of the Plan—which effectuates such provisions—will affect you and any Claim or Equity Interest you may hold against the TSC Debtors and other claim or interest holders so that you cast your vote accordingly. Further discussion of the releases contemplated in the Plan is provided in Section VIII of this Disclosure Statement.

XI. **RISK FACTORS**

Holders of Claims and Equity Interests should read and consider carefully the risk factors set forth below, as well as the other information set forth in this Disclosure Statement and the documents delivered together herewith, referred to or incorporated by reference herein, before voting to accept or reject the Plan. Although these risk factors are many, they should not be regarded as constituting the only risks present in connection with the TSC Debtors’ business or the Plan and its implementation.

A. Risks Related to Confirmation of the Plan

(i) The TSC Debtors May Not Be Able To Obtain Confirmation of the Plan.

To emerge successfully from chapter 11 as a viable business, the TSC Debtors, like any debtor, must obtain approval of a plan of reorganization, and thereafter confirm and successfully implement the Plan. This process requires the TSC Debtors to (a) meet certain statutory requirements concerning the adequacy of disclosure with respect to any proposed plan, (b) solicit and obtain creditor acceptances of the proposed plan and (c) fulfill other statutory conditions with respect to plan confirmation.

With regard to any proposed plan of reorganization, the TSC Debtors may not receive the requisite acceptances to confirm the Plan. If the requisite acceptances of the Plan are received, the TSC Debtors intend to seek Confirmation by the Bankruptcy Court, notwithstanding the dissent of certain Classes of Claims or Equity Interests pursuant to Bankruptcy Code section 1129(b). The Bankruptcy Court may confirm the Plan pursuant to the cramdown provisions of the Bankruptcy Code, which allows the Bankruptcy Court to confirm a plan that has been rejected by an impaired class of claims or interests if it determines that the plan satisfies Bankruptcy Code section 1129(b). To confirm a plan over the objection of a dissenting class, a bankruptcy court also must find that at least

one impaired class has accepted the plan, with such acceptance being determined without including the acceptance of any “insider” in such class.

Although the TSC Debtors do not believe that Harbinger meets the statutory predicates to be deemed an insider, there is the possibility that Harbinger could be classified as an insider pursuant to Bankruptcy Code section 101(31)(E), such that Harbinger’s votes may not be counted for purposes of fulfilling the requirements of Bankruptcy Code section 1129(a)(10). In such a situation, for any Voting Class of which Harbinger is a member, more than two-thirds in amount and more than one-half in number of the remaining creditors actually voting will be required to vote in favor of the Plan for such Class to satisfy Bankruptcy Code section 1129(a)(10).

Even if the requisite acceptances of the Plan are received, the Bankruptcy Court might not confirm the Plan as proposed. A dissenting holder of a Claim against or Equity Interest in the TSC Debtors could challenge the balloting procedures and results as not being in compliance with the Bankruptcy Code. Further, even if the Bankruptcy Court determined that the balloting procedures and results were appropriate, the Bankruptcy Court could still decline to confirm the Plan if it found that any of the statutory requirements for Confirmation had not been met. Specifically, Bankruptcy Code section 1129 sets forth the requirements for confirmation and requires, among other things, a finding by the bankruptcy court that (a) a debtor’s plan “does not unfairly discriminate” and is “fair and equitable” with respect to any non-accepting classes, (b) confirmation of the debtor’s plan is not likely to be followed by a liquidation or a need for further financial reorganization and (c) the value of distributions to non-accepting holders of claims within a particular class under the debtor’s plan will not be less than the value of distributions such holders would receive if the debtor were liquidated under chapter 7 of the Bankruptcy Code. A bankruptcy court may determine that a proposed plan does not satisfy one or more of these requirements, in which case the proposed plan would not be confirmed by a bankruptcy court.

If the Plan is not confirmed by the Bankruptcy Court, it is unclear whether and when the TSC Debtors would be able to reorganize their businesses and what, if any, distributions holders of Claims or Equity Interests ultimately would receive on account of their Claims or Equity Interests. There also can be no assurance that the TSC Debtors will be able to successfully develop, prosecute, confirm and consummate an alternative plan of reorganization that is acceptable to the Bankruptcy Court and the TSC Debtors’ creditors and other parties in interest. Additionally, it is possible that third parties may seek and obtain approval to terminate or shorten the exclusive period under Bankruptcy Code section 1121 during which only the TSC Debtors may propose and solicit votes on a plan of reorganization. Finally, the TSC Debtors’ emergence from bankruptcy is not assured. Although the TSC Debtors expect to emerge from bankruptcy, there can be no assurance that the TSC Debtors will successfully reorganize or when this reorganization will occur.

(ii) Parties in Interest May Object to the TSC Debtors’ Classification of Claims and Equity Interests.

Bankruptcy Code section 1122 provides that a plan may place a claim or an interest in a particular class only if the claim or interest is substantially similar to the other claims or interests in that class. The TSC Debtors believe that the classification of holders of claims against and interests in the TSC Debtors under the Plan complies with the requirements set forth in the Bankruptcy Code because the classes established under the Plan each encompass claims or interests that are substantially similar to similarly classified claims or interests. Nevertheless, there can be no assurance that the Bankruptcy Court will reach the same conclusion.

(iii) The Conditions Precedent to the Effective Date of the Plan May Not Occur.

As more fully set forth in Article X of the Plan, the Effective Date is subject to a number of conditions precedent. If these conditions precedent are not met or waived pursuant to the provisions of the Plan, the Effective Date will not occur.

(iv) Historical Financial Information of the TSC Debtors May Not Be Comparable to the Financial Information of the Reorganized TSC Debtors.

As a result of the consummation of the Plan and the transactions contemplated thereby, the financial condition and results of operations of the Reorganized TSC Debtors from and after the Effective Date may not be

comparable to the financial condition or results of operations reflected in the TSC Debtors' historical financial statements.

(v) ***The TSC Debtors May Object to the Amount or Classification of a Claim.***

Except as otherwise provided in the Plan, the TSC Debtors reserve the right to object (prior to or after the occurrence of the Effective Date) to the amount or classification of any Claim under the Plan. The estimates set forth in this Disclosure Statement cannot be relied on by any holder of a Claim where such Claim is subject to an objection. Any holder of a Claim that is subject to an objection thus may not receive its expected share of the estimated distributions described in this Disclosure Statement.

(vi) ***There May be Litigation Regarding Which, if any, of the TSC Debtors Are Liable to Sprint.***

As described above, Sprint has asserted claims related to the Sprint Litigation against the Other TSC Debtors, which claims have been objected to. Sprint has also asserted a claim against TSC. The TSC Debtors do not agree that Sprint has any claims related to the Sprint Litigation at any of the TSC Debtors. To the extent that the Bankruptcy Court finds that such claims could be successfully asserted at any of the TSC Debtors, it may affect whether creditors in certain Classes will receive only their Pro Rata share of New TSC Notes or their Pro Rata share of New TSC Notes and New Preferred Stock under the Plan. If the total amount of Allowed Unsecured Claims is equal to or below \$[157] million (the Note Threshold Amount), then the creditors holding such Claims will receive their Pro Rata share of the New TSC Notes in an amount equal to 100% recovery on account of their Claims. If the total amount of Allowed Unsecured Claims is greater than the Note Threshold Amount, then the creditors holding such Claims will receive their Pro Rata share of New TSC Notes in an aggregate amount equal to the Note Threshold Amount and their Pro Rata share of New Preferred Stock such that the amount each creditor receives of the New TSC Notes and New Preferred Stock is equal to a 100% recovery on account of its Claim. In either event, the Plan contemplates paying the Allowed Unsecured Claims in full.

B. Risks That May Affect the Value of the Securities To Be Issued Under the Plan

(i) ***A Liquid Trading Market for the New Common Stock, the New Preferred Stock or the New TSC Notes May Not Develop.***

There can be no assurances that a liquid trading market for the New Common Stock, New Preferred Stock (if applicable) or New TSC Notes will develop. The liquidity of any market for the New Common Stock, New Preferred Stock or New TSC Notes will depend, among other things, upon the number of respective holders of New Common Stock, New Preferred Stock and New TSC Notes, the Reorganized TSC Debtors' financial performance and the market for similar securities, none of which can be determined or predicted. Therefore, the TSC Debtors cannot provide assurances that an active trading market will develop, or if a market develops, what the liquidity or pricing characteristics of that market will be. If an active trading market does not develop, holders of New Common Stock, New Preferred Stock and New TSC Notes may have difficulty selling their shares or notes, as the case may be.

(ii) ***The Resale of the New Common Stock, New Preferred Stock and New TSC Notes May Be Restricted by Law.***

As described in Article XII of the Plan, titled "Application of Securities Laws," the TSC Debtors intend to rely on the exemption from registration, pursuant to the exemptions contained in Bankruptcy Code section 1145, the Securities Act and/or equivalent exemptions in state securities laws, as applicable. However, if a holder of New Common Stock, New Preferred Stock or New TSC Notes is deemed to be an "underwriter" with respect to such securities (with certain exceptions for "ordinary trading transactions" by certain persons) or an "affiliate" of the issuer of such securities, resales of such securities by such holder would not be exempt from the registration requirements under the Securities Act and applicable state securities laws under Securities Act section 4(1). Accordingly, such sales could be effected only pursuant to an effective registration statement or in reliance on another applicable exemption from these registration requirements, which may not be available to such holder.

(iii) *The Valuation of New Common Stock, New Preferred Stock and New TSC Notes Is Not Intended To Represent the Trading Value of the Securities To Be Issued.*

The valuation of the Reorganized TSC Debtors, set forth on **Exhibit F** hereto, is based on the assumption that the holders of Claims and Equity Interests will receive substantially all of the issued New Common Stock, New Preferred Stock or New TSC Notes on behalf of their Claims and Equity Interests, as applicable, and is not intended to represent the trading values of New Common Stock, New Preferred Stock or New TSC Notes in public or private markets.

(iv) *The Reorganized TSC Debtors May Not Achieve Projected Financial Results or Meet Post-reorganization Debt Obligations and May Not Finance All Operating Expenses, Working Capital Needs and Capital Expenditures.*

The projected financial results of the Reorganized TSC Debtors are based on numerous assumptions, including the timing, Confirmation and consummation of the Plan in accordance with its terms, the anticipated future performance of the Reorganized TSC Debtors, general business and economic conditions and other matters, many of which are beyond the control of the Reorganized TSC Debtors and which may not materialize.

Accordingly, the Reorganized TSC Debtors may not be able to achieve the revenue or cash flow relied upon to make their projections or to otherwise meet their projected financial results. To the extent that the Reorganized TSC Debtors do not meet their projected financial results or achieve projected revenues and cash flows, the Reorganized TSC Debtors may lack sufficient liquidity to continue operating as planned after the Effective Date, may be unable to service their debt obligations as they come due or may be unable to meet their operational needs. Any one of these failures may preclude the Reorganized TSC Debtors from, among other things: (a) taking advantage of future opportunities, (b) growing their business or (c) responding to competitive pressures. Further, a failure of the Reorganized TSC Debtors to meet their projected financial results or achieve their projected revenues and cash flows could lead to cash flow and working capital constraints, which constraints may require the Reorganized TSC Debtors to seek additional working capital. The Reorganized TSC Debtors may not be able to obtain such working capital when it is required. Further, even if the Reorganized TSC Debtors were able to obtain additional working capital, it may be available only on unreasonable terms. If any such required capital is obtained in the form of equity, the interests of the holders of the then-outstanding New Common Stock or New Preferred Stock could be diluted. While the TSC Debtors' financial projections represent management's view based on current known facts and assumptions about the future operations of the Reorganized TSC Debtors, there is no guarantee that the financial projections will be realized.

(v) *The Reorganized TSC Debtors May Be Controlled by a Small Number of Holders.*

Consummation of the Plan may result in a small number of holders owning a significant percentage of the outstanding shares of New Common Stock. These holders may, among other things, exercise a controlling influence over the business and affairs of the Reorganized TSC Debtors and have the power to elect directors and approve significant mergers, acquisitions, divestitures and other material corporate transactions, including the sale of the Reorganized TSC Debtors, or delay, prevent or deter such transactions. The interests of such holders may differ from the interests of the other holders of New Common Stock, New Preferred Stock and the New TSC Notes. The TSC Debtors can make no assurances regarding the future actions of the holders of New Common Stock and the impact such actions may have on the value of the New Common Stock, New Preferred Stock and the New TSC Notes.

C. Risks Related to the TSC Debtors' Businesses

(i) *There are Risks and Uncertainties Associated with the Chapter 11 Cases.*

Although the TSC Debtors believe that the Chapter 11 Cases, commenced in order to implement an agreed-upon restructuring, will be of short duration and will not be materially disruptive to their businesses, the TSC Debtors cannot be certain that this will be the case. The Plan is designed to minimize the length of the bankruptcy

proceeding; however, it is impossible to predict with certainty the amount of time that the TSC Debtors may spend in bankruptcy or to assure parties in interest that the Plan will be confirmed.

Even if the Plan is confirmed on a timely basis, for the duration of the Chapter 11 Cases, the TSC Debtors' ability to execute their business strategy will be subject to the risks and uncertainties associated with bankruptcy. These risks include:

- the TSC Debtors' ability to obtain approval of the Bankruptcy Court with respect to motions filed in the Chapter 11 Cases from time to time;
- the TSC Debtors' ability to maintain contracts that are critical to their operations;
- the TSC Debtors' ability to fund and execute their business plan; and
- the TSC Debtors' ability to obtain creditor, equity holder and Bankruptcy Court approval for, and then to consummate, the Plan and emerge from bankruptcy.

The TSC Debtors will also be subject to risks and uncertainties with respect to the actions and decisions of the creditors and other third parties who have interests in the Chapter 11 Cases that may be inconsistent with the TSC Debtors' restructuring and business goals.

These risks and uncertainties could affect the TSC Debtors' business in various ways. For example, negative events or publicity associated with the Chapter 11 Cases could adversely affect the TSC Debtors' operations and financial condition. In addition, pursuant to the Bankruptcy Code, the TSC Debtors need approval of the Bankruptcy Court for transactions outside the ordinary course of business, which may limit their ability to respond timely to certain events or take advantage of certain opportunities. Because of the risks and uncertainties associated with the Chapter 11 Cases, the TSC Debtors cannot predict or quantify the ultimate impact that events occurring during the reorganization process will have on their business, financial condition and results of operations.

As a result of the Chapter 11 Cases, the realization of assets and the satisfaction of liabilities are subject to uncertainty. While operating as debtors in possession, and subject to approval of the Bankruptcy Court, or otherwise as permitted in the normal course of business or by Bankruptcy Court order, the TSC Debtors may sell or otherwise dispose of assets and liquidate or settle liabilities for amounts other than those reflected in the condensed consolidated financial statements included in TSC's Form 10-Q for the quarterly period ended June 30, 2010. Further, the Plan could materially change the amounts and classifications of assets and liabilities reported in the historical consolidated financial statements. As a result of the Chapter 11 Cases, the TSC Debtors do not have audited financial statements for the fiscal year ended December 31, 2010. The historical consolidated financial statements do not include any adjustments to the reported amounts of assets or liabilities that might be necessary as a result of Confirmation of the Plan.

(ii) The Reorganized TSC Debtors Will Have Indebtedness Upon Emergence.

On the Effective Date, after giving effect to the transactions contemplated by the Plan, the Reorganized TSC Debtors will, on a consolidated basis, have approximately \$[6.5] million in secured indebtedness as a result of the Exit Facility and up to approximately \$[140] million in unsecured indebtedness in the form of the New TSC Notes. The total amount of the unsecured indebtedness will be a function of the total amount of Unsecured Claims allowed against TSC and TS Holdings in these Chapter 11 Cases, including, without limitation, the Claims filed by Sprint, Jefferies and Elektrobit, which Claims the TSC Debtors dispute.

The Reorganized TSC Debtors' indebtedness could have important consequences because:

- a portion of the Reorganized TSC Debtors' cash flow from operations will be dedicated to debt service and be unavailable to support operations, working capital, capital expenditures, expansion, acquisitions or general corporate or other purposes,

- the Reorganized TSC Debtors' ability to obtain additional financing in the future may be limited,
- the Reorganized TSC Debtors' flexibility in planning for, or reacting to, changes in their business may be limited and
- it may make the Reorganized TSC Debtors more vulnerable in the event of a downturn in their business or the economy in general.

The Reorganized TSC Debtors' ability to make payments on and to refinance their debt will depend on their ability to generate cash in the future. This, to a certain extent, is subject to general economic, business, financial, competitive, legislative, regulatory and other factors that are beyond the control of the Reorganized TSC Debtors.

There can be no assurance that the Reorganized TSC Debtors will be able to generate sufficient cash flow from operations or that sufficient future borrowings will be available to pay off the Reorganized TSC Debtors' debt obligations. The Reorganized TSC Debtors may need to refinance all or a portion of their debt on or before maturity; however, there can be no assurance that the Reorganized TSC Debtors will be able to refinance any of their debt on commercially reasonable terms or at all.

(iii) *The TSC Debtors May Require Funding After Emergence.*

The TSC Debtors may require funds for general and administrative expenses, working capital, interest on borrowings, financing costs, potential capital expenditures and operating expenses. Such capital expenditures could exceed current estimates, in which case, the TSC Debtors may need to modify certain portions of their business plan. If the TSC Debtors require more funding than they currently anticipate, or cannot meet their financing needs, their ability to operate their business, financial condition and results of operation could be adversely affected.

(iv) *The Current Weakening of U.S. Economic Conditions, as Well as Any Future Downturns or Changes in Consumer Spending, Could Adversely Affect the TSC Debtors' Financial Condition.*

The United States has experienced an economic downturn, and spending by consumers has dropped. If this downturn and decrease in spending continues, the TSC Debtors' business may be adversely affected. Specifically, demand for use of the 1.4 Spectrum may wane. A lack of demand could adversely affect the TSC Debtors' ability to realize the full economic benefits of the Spectrum Lease or enter into other strategic relationships.

(v) *The TSC Debtors May Be Negatively Affected by Industry Consolidation.*

Consolidation in the communications industry could adversely affect the TSC Debtors by increasing the scale or scope of the TSC Debtors' competitors, or creating a competitor that is capable of providing services similar to those the TSC Debtors intend to offer, thereby making it more difficult for the TSC Debtors to compete. Industry consolidation also may impede the TSC Debtors' ability to identify acquisition, joint venture or other strategic opportunities.

(vi) *Certain Tax Implications of the TSC Debtors' Bankruptcy and Reorganization May Increase the Tax Liability of the Reorganized TSC Debtors.*

Holders of Claims and Equity Interests should carefully review Section XIII herein, titled "Certain U.S. Federal Income Tax Consequences of the Plan," to determine how the tax implications of the Plan and the TSC Debtors' Chapter 11 Cases may adversely affect the Reorganized TSC Debtors. Certain tax implications of the TSC Debtors' bankruptcy and reorganization may increase the tax liability of the Reorganized TSC Debtors.

D. Risks Relating to Government Regulations

(i) *The TSC Debtors' Business Is Subject to a High Degree of Government Regulation.*

The communications industry is highly regulated by governmental entities and regulatory authorities, including the FCC. The TSC Debtors' business is completely dependent upon 1.4 Holdings holding the FCC Licenses for the 1.4 Spectrum. Failure to obtain or maintain necessary governmental authorizations, specifically the FCC Licenses, would impair the TSC Debtors' ability to continue to use the 1.4 Spectrum and would have a material adverse effect on their financial condition.

(ii) *The TSC Debtors Could Lose Their FCC Licenses and Be Subject to Fines or Other Penalties.*

The TSC Debtors must comply with complex and changing FCC rules and regulations to maintain the FCC Licenses held by 1.4 Holdings for the 1.4 Spectrum. Non-compliance with FCC technical and legal requirements could result in fines, additional conditions, revocation, cancellation or non-renewal of the FCC Licenses, or other adverse FCC actions.

Each of the FCC Licenses for the 1.4 Spectrum was issued for a ten-year term that expires on April 23, 2017 and will have to be renewed prior to expiration. At such time, 1.4 Holdings will receive a renewal expectancy for each FCC License that is used to provide substantial service to the public. Presently, One Dot Four is just beginning to use the 1.4 Spectrum, and it is not possible to determine the likelihood that 1.4 Holdings, or One Dot Four on behalf of 1.4 Holdings, will be able to satisfy the substantial service requirement in April 2017. If this substantial service requirement is not satisfied and a waiver of the requirement is not obtained from the FCC for any FCC License, such FCC License will not be renewed by the FCC. The loss of the TSC Debtors' FCC Licenses, including failure to renew such FCC Licenses, would prevent the TSC Debtors from implementing their business plan.

(iii) *The TSC Debtors May Face Unforeseen Regulations with Which They Find It Difficult, Costly or Impossible To Comply.*

The provision of communications services is highly regulated. As a provider of communications services in the United States, the TSC Debtors will be subject to the laws and regulations of the United States. Violations of United States laws or regulations may result in various sanctions, including fines, loss of authorizations and the denial of applications for new authorizations or for the renewal of existing FCC licenses.

From time to time, the FCC or other United States governmental entities may impose new or modified conditions on the TSC Debtors' FCC Licenses, which could adversely affect their ability to generate revenues and implement their business plan. For example, the TSC Debtors are currently required to pay certain fees, and it is possible that the TSC Debtors may be subject to increased fees in the future.

(iv) *FCC Regulations and the Approval Process Could Delay or Impede a Transfer of Control of the TSC Debtors.*

Any investment that could result in a transfer of control of the TSC Debtors and, potentially also a transfer of control of the TSN Debtors, or an assignment of the TSC Debtors' FCC Licenses to another party is subject to prior FCC approval and, in some cases, could involve a lengthy review period prior to FCC approval. The TSC Debtors anticipate that they will need FCC approval before the emergence of the TSC Debtors from bankruptcy reorganization. The TSC Debtors may not be able to obtain such FCC approval on a timely basis, if at all, and the FCC may impose new or additional license conditions as part of any review of such a request. As a result, these approval requirements could impede or prevent a transfer of control of the TSC Debtors as part of their intended reorganization.

E. Risks Relating to Forward-Looking Statements

The financial information contained in this Disclosure Statement has not been audited. In preparing this Disclosure Statement, the TSC Debtors relied on financial data derived from their books and records that was available at the time of such preparation. Although the TSC Debtors have used their reasonable business judgment to ensure the accuracy of the financial information provided in this Disclosure Statement, and while the TSC Debtors believe that such financial information fairly reflects, in all material respects, the financial results of the TSC Debtors, the TSC Debtors are unable to warrant or represent that the financial information contained herein and attached hereto is without inaccuracies.

This Disclosure Statement contains various projections concerning the financial results of the Reorganized TSC Debtors' operations, including the financial projections that are, by their nature, forward-looking, and which projections are necessarily based on certain assumptions or estimates that may ultimately prove to be incorrect. The actual future financial results of the Reorganized TSC Debtors may turn out to be different from the financial projections. The financial projections do not reflect emergence adjustments, including the impact of "fresh start" accounting.

Specifically, the projected financial results contained in this Disclosure Statement reflect numerous assumptions concerning the anticipated future performance of the Reorganized TSC Debtors, some of which may not materialize, including, without limitation, assumptions concerning: (a) the magnitude of the potential adverse impacts of the filing of the Chapter 11 Cases on the TSC Debtors' business, financial condition or results of operations, (b) the TSC Debtors' ability to obtain approval of Bankruptcy Court with respect to motions in the Chapter 11 Cases prosecuted from time to time and to develop, prosecute, confirm and consummate one or more plans of reorganization with respect to the Chapter 11 Cases and to consummate all of the transactions contemplated by one or more such plans or upon which consummation of such plans may be conditioned, (c) the timing of confirmation and consummation of one or more plans of reorganization in accordance with its terms, (d) the anticipated future performance of the Reorganized TSC Debtors, (e) general economic conditions in the markets in which the TSC Debtors operate, including changes in interest rates or currency exchange rates, (f) the financial condition of the TSC Debtors' service providers and (g) other risks described herein and from time to time in TSC's SEC filings.

Due to inherent uncertainties associated with projecting financial results generally, the projections contained in this Disclosure Statement will not be considered assurances or guarantees of the amount of funds or the amount of Claims that may be Allowed in the various Classes. While the TSC Debtors believe that the financial projections contained in this Disclosure Statement are reasonable, there can be no assurance that they will be realized.

F. Risks Relating to Recoveries Under the Plan

(i) Risks Relating to Recovery Projections.

This Disclosure Statement contains various projections concerning the financial results of the Reorganized TSC Debtors' operations, including the financial projections, that are, by their nature, forward looking, and which projections are necessarily based on certain assumptions and estimates regarding the anticipated future performance of the Reorganized TSC Debtors, including, without limitation, their ability to maintain or increase revenue and gross margins, control future operating expenses or make necessary capital, as well as assumptions concerning general business and economic conditions and overall industry performance and trends, which the TSC Debtors are unable to control. Should any or all of these assumptions or estimates ultimately prove to be incorrect or not materialize, the actual future experiences of the Reorganized TSC Debtors may turn out to be different from the financial projections.

Due to the inherent uncertainties associated with projecting financial results generally, the projections contained in this Disclosure Statement will not be considered assurances or guarantees of the amount of funds or the amount of Claims that may be Allowed in the various Classes. While the TSC Debtors believe that the financial projections contained in this Disclosure Statement are reasonable, there can be no assurance that they will be realized. Also, because the liquidation analysis, distribution projections and other information contained herein and

attached hereto are estimates only, the timing and amount of actual distributions to holders of Allowed Claims may be affected by many factors that cannot be predicted.

The Claims estimates set forth herein are based on various assumptions. The actual amounts of Allowed Claims may differ significantly from those estimates should one or more underlying assumptions prove to be incorrect. Such differences may adversely affect the percentage recovery to holders of such Allowed Claims under the Plan. Moreover, the estimated recoveries set forth herein are necessarily based on numerous assumptions, the realization of many of which are beyond the TSC Debtors' control, including, without limitation, (a) the successful reorganization of the TSC Debtors, (b) an assumed date for the occurrence of the Effective Date, (c) the TSC Debtors' ability to achieve the operating and financial results included in the financial projections, (d) the TSC Debtors' ability to maintain adequate liquidity to fund operations and (e) the assumption that capital and equity markets remain consistent with current conditions. The actual amounts of Allowed Claims may differ significantly from those estimates should one or more underlying assumptions prove to be incorrect, which could affect the percentage recovery to holders of such Allowed Claims under the Plan, in some instances adversely. Also, the estimated recoveries to holders of Allowed Claims are not intended to represent the private sale values of the Reorganized TSC Debtors' securities.

The distributions available to holders of Allowed Claims under the Plan can be affected by a variety of contingencies, including, without limitation, whether the Bankruptcy Court orders the subordination of any Allowed Claims to other Allowed Claims, whether the TSC Debtors object to the amount or classification of any Claim or whether, subject to the terms and conditions of the Plan, the TSC Debtors are required to modify certain terms or conditions of the Plan in order to confirm the Plan. The occurrence of contingencies that could affect distributions available to holders of Allowed Claims under the Plan, however, will not affect the validity of the vote taken by the Impaired Classes to accept or reject the Plan or require any sort of revote by the Impaired Classes.

(ii) *The Spectrum Lease May Be a Below-market Lease.*

The Spectrum Lease may be a below-market lease, meaning that recoveries under the Plan related to the Spectrum Lease may be less than could be achieved if the Spectrum Lease could be rejected. Additionally, under certain conditions, One Dot Four has an option, but not the obligation, to purchase the FCC Licenses for a specified purchase price (less credit for certain amounts paid under the Spectrum Lease), which purchase price may be below the market value of the FCC Licenses. Specifically, the Spectrum Lease provides that One Dot Four has the option to purchase the FCC Licenses for \$250 million if certain events occur. Such events include, but are not limited to, the chapter 11 filing of any direct parent of 1.4 Holdings or if any person or group becomes the beneficial owner of more than 50% of the total voting power of the voting stock or membership interests of 1.4 Holdings. The chapter 11 filings of TSC and TS Holdings, as well as the issuance of New Common Stock and New Preferred Stock (if any) under the Plan, may entitle One Dot Four to exercise its purchase right.

G. Disclosure Statement Disclaimer

(i) *No Representations Made Outside This Disclosure Statement Are Authorized.*

The information contained in this Disclosure Statement is for purposes of soliciting acceptances of the Plan and may not be relied upon for any other purposes. The vote by a holder of an Allowed Claim or Equity Interest for or against the Plan does not constitute a waiver or release of any Claims or rights of the TSC Debtors or the Reorganized TSC Debtors (or any party in interest, as the case may be) to object to that holder's Allowed Claim or Equity Interest, or recover any preferential, fraudulent or other voidable transfer or assets, regardless of whether any Claims or Causes of Action of the TSC Debtors or their respective Estates are specifically or generally identified herein.

In addition, no reliance should be placed on the fact that a particular litigation claim or projected objection to a particular Claim or Equity Interest is, or is not, identified in this Disclosure Statement. The TSC Debtors or the Reorganized TSC Debtors may seek to investigate, file and prosecute Claims and Equity Interests and may object to

Claims after the Confirmation or Effective Date of the Plan irrespective of whether this Disclosure Statement identifies such Claims or objections to Claims.

XII. **APPLICATION OF SECURITIES LAWS**

A. Issuance and Resale of Securities Under the Plan

Bankruptcy Code section 1145 generally exempts the issuance of a security from registration under the Securities Act (and any equivalent state securities or “blue sky” laws) if the following conditions are satisfied: (i) the security is issued by a debtor (or its successor) under a chapter 11 plan, (ii) the recipient of the security holds a claim against, an interest in or a claim for an administrative expense against the debtor and (iii) the security is issued entirely in exchange for such claim or interest or is issued “principally” in exchange for such claim or interest and “partly” for cash or property.

Bankruptcy Code section 1145 is not available to any entity that is defined as an underwriter as defined in Bankruptcy Code section 1145(b). Bankruptcy Code section 1145(b) defines an “underwriter” as an entity who: (A) purchases a claim against, interest in or claim for an administrative expense in the case concerning the debtor, if such purchase is with a view to the distribution of any security received or to be received in exchange for such a claim or interest, (B) offers to sell securities offered or sold under a plan for the holder of such securities, (C) offers to buy securities offered or sold under a plan from the holder of such securities, if such offer to buy is (i) with a view to the distribution of such securities and (ii) under an agreement made in connection with the plan, with the consummation of the plan or with the offer or sale of securities under the plan or (D) is an issuer, as used in Securities Act section 2(a)(11), with respect to such securities. “Issuer” for these purposes is defined as any person who, directly or indirectly, controls, is controlled by or is under direct or indirect common control with, the issuer. “Control” (as such term is defined in Rule 405 of Regulation C under the Securities Act) means the possession, direct or indirect, of the power to direct or cause the direction of the policies of a person, whether through the ownership of voting securities, by contract or otherwise.

Securities exempt from registration under Bankruptcy Code section 1145 may be resold without registration under the Securities Act or other federal securities laws pursuant to the exemption provided in Securities Act section 4(1), which provides that the registration provisions of the Securities Act do not apply to transactions by persons other than issuers, underwriters or dealers. In addition, such securities generally may be resold without registration under the state securities laws pursuant to various exemptions provided by the respective laws of several states. **However, recipients of securities issued under the Plan are advised to consult their own counsel as to the availability of any such exemption from registration in any given instance and as to any applicable requirements or conditions to such availability.**

Securities distributed under the Plan to affiliates of the TSC Debtors, meaning persons in a “control” relationship with the TSC Debtors, would not be eligible for the exemption provided in Securities Act section 4(1). However, affiliates who receive securities under the Plan that would otherwise qualify for the exemption of Bankruptcy Code section 1145 might still be able to sell those securities without registration pursuant to Rule 144 of the Securities Act. Rule 144 allows a holder of securities that is an affiliate of an issuer to sell, without registration, the number of such securities that does not exceed, together with all sales of securities of the same class sold for the account of such holder within the preceding three months, the greater of 1% of the number of outstanding securities in question or the average weekly trading volume in the securities in question during the four calendar weeks preceding the date on which notice of such sale was filed pursuant to Rule 144, subject to the satisfaction of certain other requirements of Rule 144 regarding the manner of sale, notice requirements and the availability of specified current public information regarding the issuer.

There can be no assurance that an active market for any of the securities to be distributed under the Plan will develop, and no assurance can be given as to the prices at which they might be traded.

BECAUSE OF THE COMPLEX, SUBJECTIVE NATURE OF THE QUESTION OF WHETHER A PARTICULAR HOLDER MAY BE AN UNDERWRITER, AFFILIATE OR DEALER, THE TSC DEBTORS MAKE NO REPRESENTATION CONCERNING THE ABILITY OF ANY PERSON TO DISPOSE OF THE SECURITIES TO BE DISTRIBUTED UNDER THE PLAN.

MOREOVER, SUCH SECURITIES, OR THE DOCUMENTS THAT ESTABLISH THE TERMS AND PROVISIONS THEREOF, MAY CONTAIN TERMS AND LEGENDS THAT RESTRICT OR INDICATE THE EXISTENCE OF RESTRICTIONS ON THE TRANSFERABILITY OF SUCH SECURITIES.

THE TSC DEBTORS RECOMMEND THAT RECIPIENTS OF SECURITIES UNDER THE PLAN CONSULT WITH LEGAL COUNSEL CONCERNING THE LIMITATIONS ON THEIR ABILITY TO DISPOSE OF SUCH SECURITIES.

B. New Common Stock, New Preferred Stock and New TSC Notes

The Plan provides that each holder of a Class 4a or 4b Allowed Unsecured Claim will receive on the Initial Distribution Date and in full satisfaction, settlement, release and discharge of, and in exchange for such Class 4a and/or 4b Allowed Unsecured Claim, either (a) its Pro Rata share of the New TSC Notes in a sufficient amount so that each holder of an Allowed Class 4a and/or 4b Unsecured Claim is receiving a 100% recovery on account of such Allowed Class 4a and/or 4b Unsecured Claim or (b) to the extent that the aggregate amount of New TSC Notes necessary to satisfy such Allowed Class 4a and/or 4b Unsecured Claims in full exceeds the Note Threshold Amount, its Pro Rata Share of \$[157] million in New TSC Notes plus the New Preferred Stock in a sufficient amount so that each holder of an Allowed Class 4a and/or 4b Unsecured Claim is receiving a 100% recovery on account of such Allowed Class 4a and/or 4b Unsecured Claim. Furthermore, each holder of Preferred Series A TSC Interests or Preferred Series B TSC Interests in Classes 6a and 6b, respectively, shall receive their Pro Rata share of the New Common Stock.

As discussed above, the TSC Debtors believe that the issuance of the New Common Stock, New Preferred Stock, if any, and New TSC Notes is exempt from the registration requirements of the Securities Act and equivalent state securities or “blue sky” laws pursuant to the exemptions contained, as applicable, in Bankruptcy Code section 1145, the Securities Act of 1933 and/or equivalent exemptions in state securities laws.

XIII.
CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN

The following is a summary of certain U.S. federal income tax consequences of the Plan to the TSC Debtors and certain holders of Claims and Equity Interests. This summary is based on the Internal Revenue Code of 1986, as amended (the “*Tax Code*”), Treasury Regulations thereunder and administrative and judicial interpretations and practice, all as in effect on the date of this Disclosure Statement and all of which are subject to change, with possible retroactive effect. Due to the lack of definitive judicial and administrative authority in a number of areas, substantial uncertainty may exist with respect to some of the tax consequences described below. No opinion of

counsel has been obtained, and the TSC Debtors do not intend to seek a ruling from the Internal Revenue Service (the “**IRS**”) as to any of the tax consequences of the Plan discussed below. Events occurring after the date of this Disclosure Statement, including changes in law and changes in administrative positions, could affect the U.S. federal income tax consequences of the restructuring of the TSC Debtors. No representations are being made regarding the particular tax consequences of Confirmation and consummation of the Plan to the TSC Debtors or any holder. There can be no assurance that the IRS will not challenge one or more of the tax consequences of the Plan described below.

This summary does not apply to holders of Claims or Equity Interests that are otherwise subject to special treatment under U.S. federal income tax law (including, for example, banks, governmental authorities or agencies, financial institutions, insurance companies, pass-through entities, tax-exempt organizations, brokers and dealers in securities, mutual funds, small business investment companies, employees, persons who receive their Claims or Equity Interests pursuant to the exercise of an employee stock option or otherwise as compensation, persons holding Claims or Equity Interests that are a hedge against, or that are hedged against, currency risk or that are part of a straddle, constructive sale or conversion transaction and regulated investment companies). The following discussion assumes that holders of Allowed Claims hold such Claims as “capital assets” within the meaning of Tax Code section 1221. Moreover, this summary does not purport to cover all aspects of U.S. federal income taxation that may apply to the TSC Debtors and holders of Allowed Claims and Equity Interests based upon their particular circumstances. Additionally, this summary does not discuss any tax consequences that may arise under any laws other than U.S. federal income tax law, including under state, local or foreign tax law.

For purposes of this summary, a “**U.S. Holder**” means a holder of Claims or Equity Interests that, in any case, is, for U.S. federal income tax purposes: (i) an individual that is a citizen or resident of the United States, (ii) a corporation, or other entity treated as a corporation for U.S. federal income tax purposes, created or organized in or under the laws of the United States, any state thereof or the District of Columbia, (iii) an estate, the income of which is subject to U.S. federal income taxation regardless of its source or (iv) a trust (x) if a court within the United States is able to exercise primary supervision over its administration and one or more United States persons have the authority to control all of the substantial decisions of such trust or (y) that has a valid election in effect under applicable Treasury Regulations to be treated as a U.S. person. A “**Non-U.S. Holder**” means a holder of Claims or Equity Interests that is not a U.S. Holder and is, for U.S. federal income tax purposes, an individual, corporation (or other entity treated as a corporation for U.S. federal income tax purposes), estate or trust.

If an entity taxable as a partnership for U.S. federal income tax purposes holds Claims or Equity Interests, the U.S. federal income tax treatment of a partner (or other owner) of the entity generally will depend on the status of the partner (or other owner) and the activities of the entity. Such partner (or other owner) should consult its tax advisor as to the tax consequences of the entity’s ownership or disposition of Claims, Equity Interests, New Common Stock or New Preferred Stock, if any.

The U.S. federal income tax consequences of the Plan are complex. The following summary is for information purposes only and is not a substitute for careful tax planning and advice based on the particular circumstances of each holder of a Claim or Equity Interest. Each holder of a Claim or Equity Interest is urged to consult his, her or its own tax advisors as to the U.S. federal income tax consequences, as well as other tax consequences, including under any applicable state, local and foreign law, of the restructuring described in the Plan.

IRS CIRCULAR 230 DISCLOSURE: TO ENSURE COMPLIANCE WITH REQUIREMENTS IMPOSED BY THE IRS, ANY TAX ADVICE CONTAINED IN THIS DISCLOSURE STATEMENT (INCLUDING ATTACHMENTS) IS NOT INTENDED OR WRITTEN TO BE USED, AND CANNOT BE USED, BY ANY TAXPAYER FOR THE PURPOSE OF AVOIDING TAX-RELATED PENALTIES UNDER THE TAX CODE. THE TAX ADVICE CONTAINED IN THIS DISCLOSURE STATEMENT (INCLUDING ATTACHMENTS) WAS WRITTEN TO SUPPORT THE PROMOTION OR MARKETING OF THE TRANSACTIONS DESCRIBED IN THIS DISCLOSURE STATEMENT. EACH TAXPAYER SHOULD SEEK ADVICE BASED ON THE TAXPAYER’S PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISOR.

A. Certain U.S. Federal Income Tax Consequences to the Reorganized TSC Debtors

(i) Cancellation of Debt and Reduction of Tax Attributes

As a result of the Plan, the TSC Debtors' aggregate outstanding indebtedness will be reduced. In general, absent an exception, a debtor will recognize cancellation of debt ("*COD*") income upon discharge of its outstanding indebtedness for an amount less than its adjusted issue price. The amount of COD income, in general, is the excess of (a) the adjusted issue price of the indebtedness discharged over (b) the sum of the issue price of any new indebtedness of the taxpayer issued, the amount of cash paid and the fair market value of any other consideration, including stock of Reorganized TSC, given in exchange for such indebtedness at the time of the exchange.

A debtor is not, however, required to include any amount of COD income in gross income if such debtor is under the jurisdiction of a court in a chapter 11 bankruptcy proceeding and the discharge of debt occurs pursuant to that proceeding. Instead, as a price for the exclusion of COD income under the foregoing rule, Tax Code section 108 requires the debtor to reduce (as of the first day of the taxable year following the year of the debt discharge) its tax attributes by the amount of COD income that it excluded from gross income. As a general rule, tax attributes will be reduced in the following order: (i) net operating losses ("*NOLs*"), (ii) most tax credits, (iii) capital loss carryovers, (iv) tax basis in assets (but not below the amount of liabilities to which the debtor remains subject) and (v) foreign tax credits. A debtor with COD income may elect first to reduce the basis of its depreciable assets under Tax Code section 108(b)(5).

The amount of COD income (and, accordingly, the amount of tax attributes required to be reduced) cannot be known with certainty until after the Effective Date. Thus, although it is expected that a reduction of tax attributes will be required, the exact amount of such reduction cannot be predicted with certainty.

Any required reduction in tax attributes of a member of a consolidated group applies first to any tax attributes attributable to the debtor realizing the COD income at issue. To the extent that the debtor reduces its tax basis in the stock of another member of the consolidated group (which basis may not be reduced below zero), such other member is required to reduce its tax attributes by an equivalent amount. It is not anticipated that the TSC Debtors will utilize tax attributes of other members of the TSC consolidated tax group due to the realization of COD income.

(ii) Limitation of Net Operating Loss Carry Forwards and Other Tax Attributes

The TSC Debtors collectively will have unexpired NOL carryovers at the time of the Effective Date of approximately \$[918] million, a significant portion of which is or may be subject to limitations, as discussed below, from prior ownership changes. Of this amount, approximately \$[845] million was incurred by Motient Holdings, Inc. and its subsidiaries, primarily Motient Services Inc. and Motient Communications Inc. No active business has been conducted by Motient Services Inc. since 2003, following the sale of its business or by Motient Communications Inc. since 2006, following the sale of its business. It is unclear whether the NOLs held by Motient Holdings, Inc. remain available for use by the TSC Debtors. Additionally, the TSC Debtors collectively have approximately \$[110] million in capital losses located in MVH Holdings Inc. from 2008 available for a five-year carryforward at the time of the Effective Date. The precise amount of NOL carryovers and other tax attributes, including capital losses, that will be available to the TSC Debtors collectively and individually after emergence is based on a number of factors and is impossible to calculate at this time. Some of the factors that will impact the amount of available NOLs include the amount of tax losses incurred by the TSC Debtors in 2010 and 2011, the value of the New Common Stock, the value of the New Preferred Stock (if any) and whether its terms will cause it to be considered in this determination, the amount of COD income, if any, realized by the TSC Debtors under the Plan and the extent to which different TSC Debtors are affiliated or combined pursuant to the Plan. It is possible that an ownership change may have occurred in the last year, which would significantly reduce the TSC Debtors' ability to utilize the NOLs. Moreover, some of the NOL and capital loss carryovers may be utilized in connection with steps necessary to implement TSN's chapter 11 plan.

Under Tax Code sections 382 and 383, if a corporation undergoes an "ownership change," the amount of its pre-change losses that may be utilized to offset future taxable income generally is subject to an annual limitation. At this time, the TSC Debtors anticipate that the issuance of the New Common Stock and New Preferred Stock, if any,

under the Plan is likely to result in an “ownership change” of the TSC Debtors for these purposes and that the TSC Debtors’ use of their pre-change losses is likely to be subject to limitation unless an exception to the general rules of Tax Code sections 382 and 383 applies.

a. General Section 382 Annual Limitation

In general, the amount of the annual limitation to which a corporation that undergoes an “ownership change” would be subject is equal to the product of (i) the fair market value of the stock of the corporation immediately before the “ownership change” (with certain adjustments) multiplied by (ii) the “long-term tax-exempt rate” (which is the highest of the adjusted federal long-term rates in effect for any month in the three-calendar-month period ending with the calendar month in which the “ownership change” occurs; 4.17% for August 2011). Any unused limitation may be carried forward, thereby increasing the annual limitation in the subsequent taxable year.

b. Special Bankruptcy Exceptions

An exception to the foregoing annual limitation rules generally applies when so-called “qualified creditors” of a debtor company in chapter 11 receive, in respect of their claims, at least 50% of the vote and value of the stock of the reorganized debtor (or a controlling corporation if also in chapter 11) pursuant to a confirmed chapter 11 plan (the “**382(l)(5) Exception**”). Under the 382(l)(5) Exception, a debtor’s pre-change losses are not limited on an annual basis but, instead, are required to be reduced by the amount of any interest deductions claimed during the three taxable years preceding the effective date of the plan of reorganization, and during the part of the taxable year prior to and including the effective date of the plan of reorganization, in respect of all debt converted into stock in the reorganization. If the 382(l)(5) Exception applies and the TSC Debtors undergo another “ownership change” within two years after consummation of the Plan, then the TSC Debtors’ annual limitation to use their pre-change losses against their future income would be reduced to zero.

Where the 382(l)(5) Exception is not applicable (either because the debtor does not qualify for it or the debtor elects not to utilize it a second special rule will generally apply (the “**382(l)(6) Exception**”). Under the 382(l)(6) Exception, the limitation will be calculated by reference to the lesser of (i) the value of the debtor corporation’s new stock (with certain adjustments) immediately after the ownership change or (ii) the value of such debtor corporation’s assets (determined without regard to liabilities) immediately before the ownership change. This differs from the ordinary rule that requires the fair market value of a debtor corporation that undergoes an “ownership change” to be determined before the events giving rise to the change. The 382(l)(6) Exception also differs from the 382(l)(5) Exception in that under the 382(l)(6) Exception, the debtor corporation is not required to reduce its NOLs by the amount of interest deductions claimed during the current year and three preceding years with respect to the debt converted to equity, and the debtor may undergo a change of ownership within two years without reducing the annual limitation on its NOLs to zero.

The TSC Debtors have not yet determined whether the issuance under the Plan of New Common Stock and New Preferred Stock, if any, along with the cancellation of existing stock of the TSC Debtors, will cause an ownership change with respect to the TSC Debtors. Upon an ownership change, if any NOLs remain after any reduction to offset COD income, the TSC Debtors’ pre-change losses would be subject to the section 382 limitation (as described above) if the TSC Debtors elect to apply the 382(l)(6) Exception. It currently appears that the TSC Debtors should be eligible to qualify for the 382(l)(5) Exception because more than 50 percent of the New Common Stock will be received by former owners of TSC’s Series A and B Preferred Shares as a result of the exchange under the Plan. The TSC Debtors will consider whether the favorable consequences of the 382(l)(5) Exception (i.e., no limitation on the annual use of pre-Effective Date NOLs) outweigh the adverse consequences (i.e., an inability to use the NOLs if an ownership change occurs during the two years after emergence).

(iii) Special Considerations in the Application of COD Rules and Reduction of Tax Attributes to Debtors

As described above, the TSC Debtors will have NOLs at the time of the Effective Date. These tax attributes may be available for reduction as part of the COD income exclusion under Tax Code section 108. A critical issue is the entity that incurred the particular NOLs or capital losses. The entity that realizes but does not

recognize COD income is required to reduce its tax attributes. However, NOLs or other tax attributes, including capital losses in a sister company, generally cannot be utilized to the extent that the company with COD income has tax attributes that can be reduced—whether NOLs, capital losses, tax credits or basis in its assets or a subsidiary. It is not anticipated that the TSC Debtors will utilize tax attributes of members of the TSC consolidated group other than the TSC Debtors due to the realization of COD income.

(iv) *Alternative Minimum Tax*

In general, an alternative minimum tax (“*AMT*”) is imposed on a corporation’s alternative minimum taxable income at a 20% rate to the extent that such tax exceeds the corporation’s regular federal income tax. For purposes of computing taxable income for AMT purposes, certain tax deductions and other beneficial allowances are modified or eliminated. In particular, even though a corporation otherwise might be able to offset all of its taxable income for regular tax purposes by available NOL carryforwards, only 90% of a corporation’s taxable income from AMT purposes may be offset by available NOL carryforwards (as computed for AMT purposes).

In addition, if a corporation undergoes an ownership change within the meaning of Tax Code section 382 and is in a net unrealized built-in loss position (as determined for AMT purposes) on the date of the ownership change, the corporation’s aggregate tax basis in its assets would be adjusted for certain AMT purposes to reflect the fair market value of such assets as of the change date.

B. *Certain U.S. Federal Income Tax Consequences to the U.S. Holders Under the Plan*

The U.S. federal income tax consequences of the Plan to U.S. Holders and the character, amount and timing of income, gain or loss recognized as a consequence of the Plan and the distributions provided for or by the Plan generally will depend upon, among other things, (i) the manner in which a holder acquired a Claim, (ii) the length of time a Claim has been held, (iii) whether the Claim was acquired at a discount, (iv) whether the holder has taken a bad debt deduction in the current or prior years, (v) whether the holder has previously included accrued but unpaid interest with respect to a Claim, (vi) the holder’s method of tax accounting, (vii) whether the holder will realize foreign currency exchange gain or loss with respect to a Claim and (viii) whether a Claim is an installment obligation for federal income tax purposes. Therefore, holders of Claims are urged to consult their tax advisors for information that may be relevant to their particular situation and circumstances and the particular tax consequences to such holders as a result thereof.

(i) *Consequences to U.S. Holders of Allowed Class 4a and 4b Unsecured Claims*

Except to the extent that a holder of an Allowed Class 4a or 4b Unsecured Claim agrees to a less favorable treatment, each U.S. Holder of an Allowed Class 4a or 4b Unsecured Claim shall receive in full satisfaction, settlement, release and discharge of, and in exchange for such Class 4a or 4b Allowed Unsecured Claim, its Pro Rata share of the New TSC Notes in an aggregate amount such that each holder of an Allowed Unsecured Claim in Class 4a or 4b receives a 100% recovery on account of such Allowed Unsecured Claim in Class 4a or 4b; *provided* that, to the extent that the aggregate amount of New TSC Notes necessary to satisfy such Allowed Unsecured Claims in Classes 4a and 4b in full exceeds the Note Threshold Amount, each holder of an Allowed Unsecured Claim in Class 4a or 4b shall receive its Pro Rata share of New TSC Notes in an amount equal to the Note Threshold Amount plus New Preferred Stock in an amount such that each holder of an Allowed Unsecured Claim in Class 4a or 4b receives a 100% recovery on account of such Allowed Unsecured Claim in Class 4a or 4b.

A U.S. Holder should be treated as exchanging its Claims for New TSC Notes and New Preferred Stock, if any received, in a fully taxable exchange. Though the treatment is uncertain, the U.S. Holder should recognize gain or loss equal to the difference between (1) the fair market value of the New TSC Notes and New Preferred Stock, if any received, that is not allocable to accrued interest (not previously included in income) and (2) the U.S. Holder’s tax basis in the Claims surrendered by the U.S. Holder (other than any tax basis attributable to accrued interest not previously included in income). Such gain or loss should be capital in nature if the Claims were held as capital assets by the U.S. Holder and should be long-term capital gain or loss if the Claims were held for more than one year by the U.S. Holder. If the U.S. Holder is a non-corporate taxpayer, any such long-term capital gain will be taxed at preferential rates. The deductibility of capital losses is subject to limitations, see discussion below. To the extent

that a portion of the New Preferred Stock if any, received in the exchange is allocable to accrued interest, the holder may recognize ordinary income. See “Accrued but Unpaid Interest” below.

Depending on the timing and resolution of certain Disputed Claims, each holder of an Allowed Class 4a or 4b Unsecured Claim may receive the New TSC Notes and, if applicable, New Preferred Stock at some time after the Effective Date. Generally, it is anticipated that a U.S. Holder of an Allowed Class 4a or 4b Unsecured Claim will recognize gain, if any, on the Effective Date on the portion of such Claim satisfied with a New TSC Note, with any loss recognition from the exchange, as well as any additional gain on the balance of its exchanged claim recognized on the ultimate distribution of additional New TSC Notes and New Preferred Stock, if any, by the Claims Reserve. Depending whether and when the New Preferred Stock is distributed by the Claims Reserve, a portion of its value might be treated as imputed interest from the Effective Date.

A U.S. Holder’s tax basis in the New TSC Notes and New Preferred Stock, if any received, should equal the fair market value as of the applicable deemed distribution date – the Effective Date or distribution by the Claims Reserve. A U.S. Holder’s holding period for the New TSC Notes and the New Preferred Stock, if any received, should begin on the day following such date.

(ii) Consequences to U.S. Holders of Allowed Class 4c, 4d, 4e, 4f, 4g, 4h and 4i Unsecured Claims

Except to the extent that a holder of an Allowed Class 4c, 4d, 4e, 4f, 4g, 4h or 4i Unsecured Claim agrees to a less favorable treatment, each U.S. Holder of an Allowed Class 4c, 4d, 4e, 4f, 4g, 4h or 4i Unsecured Claim, to the extent that any holder of an Allowed Unsecured Claim in Class 4c, 4d, 4e, 4f, 4g, 4h or 4i is also the holder of an Allowed Unsecured Claim in Class 4a or 4b arising out of the same agreement, transaction or circumstance, such Claim shall be satisfied in full by TSC or TS Holdings, as applicable, in accordance with the terms of this Plan; *provided, however*, that each holder of an Allowed Unsecured Claim in Class 4c, 4d, 4e, 4f, 4g, 4h or 4i that (a) is not also the holder of an Allowed Unsecured Claim in Class 4a or 4b arising out of the same agreement, transaction or circumstance or (b) is the holder of an Allowed Unsecured Claim in Class 4a or 4b, but such Allowed Unsecured Claim in Class 4c, 4d, 4e, 4f, 4g, 4h or 4i is greater in amount than such Allowed Unsecured Claim in Class 4a or 4b, shall, at the option of the applicable TSC Debtors, with the reasonable consent of each of the Designated Holders, receive: (i) payment in Cash in full on the first Distribution Date after such Claim becomes due and payable in the ordinary course of business or (ii) its Pro Rata share of the equity of the reorganized entity corresponding to such Allowed Unsecured Claim.

If the Cash option is chosen, U.S. Holders should recognize capital gain or loss (which capital gain or loss would be long-term capital gain or loss to the extent that the U.S. Holder has held the debt instrument underlying its Claim for more than one year) in an amount equal to the amount of Cash received over the U.S. Holder’s adjusted basis in its Allowed Unsecured Claim. To the extent that a portion of the Cash received represents accrued but unpaid interest that the holder has not already taken into income, the holder should recognize ordinary interest income. See “Accrued but Unpaid Interest” below.

If the equity option is chosen, the receipt by a U.S. Holder of equity will be treated as a recapitalization, and therefore a tax-free exchange, under the Tax Code. A U.S. Holder generally will not recognize gain or loss with respect to the exchange. Instead, a U.S. Holder should obtain a tax basis in the equity equal to the tax basis of the Allowed Unsecured Claim exchanged therefor. A U.S. Holder should have a holding period for the equity that includes the holding period for the Allowed Unsecured Claim.

(iii) Consequences to U.S. Holders of Allowed Classes 6a and 6b Preferred Series A TSC Interests and Preferred Series B TSC Interests

Except to the extent that a holder of an Allowed Class 6a or 6b Unsecured Claim agrees to a less favorable treatment, each U.S. Holder of an Allowed Class 6a or 6b Preferred TSC Interest shall receive its Pro Rata share of the New Common Stock.

The receipt by a U.S. Holder of Preferred TSC Interests of New Common Stock will be treated as a recapitalization, and therefore a tax-free reorganization, under the Tax Code. A U.S. Holder generally will not recognize gain or loss with respect to the exchange. Instead, a U.S. Holder should obtain a tax basis in the New

Common Stock equal to the tax basis of the Preferred TSC Interests exchanged therefore. A U.S. Holder should have a holding period for the New Common Stock that includes the holding period for the Preferred TSC Interests. To the extent that Cash is received for fractional shares, gain or loss will be recognized based on the difference between the Cash received and the basis allocable to the fractional share.

(iv) Consequences to U.S. Holders of Allowed Classes 6c, 6d and 6e Other Preferred TSC Interests and Class 7a Other TSC Equity Interests

Pursuant to the Plan, all Other Preferred TSC Interests and Other TSC Equity Interests shall be deemed canceled, and there shall be no distribution to U.S. Holders of Other Preferred TSC Interests and Other TSC Equity Interests.

A U.S. Holder of a canceled Equity Interest should be entitled to claim a loss for tax purposes equal to the holder's adjusted basis in such Equity Interest unless the U.S. Holder previously claimed a loss with respect to such Equity Interests under its regular method of accounting. In general, if the holder held its Other Preferred TSC Interests or Other TSC Equity Interests as a capital asset, the loss will be treated as a loss from the sale or exchange of such capital asset. The capital loss will be long-term if the Other Preferred TSC Interests or Other TSC Equity Interests were held by the holder for more than one year and otherwise will be short-term. The use of capital losses may be subject to limitations, as discussed below.

(v) Claims Reserve

Holders of Disputed Claims will recognize gain or loss in accordance with the treatment of their underlying Claim (as set forth above) when and if such Claim is Allowed. If the Disputed Claim is denied, such holder will recognize its loss, if any, at such time. In the event that holders of Disputed Claims receive New Preferred Stock, they may recognize interest income imputed for the period between the Effective Date and the date on which such holders received their deferred payment of shares of New Preferred Stock.

The TSC Debtors or Reorganized TSC Debtors currently expect (a) to elect to treat any New TSC Notes or New Preferred Stock allocable to, or retained on account of, Disputed Claims as a qualified settlement fund taxed as a "disputed ownership fund" governed by Treasury Regulation section 1.468B-9 and (b) to the extent permitted by applicable law, to report consistently with the foregoing for state and local income tax purposes. As a result, the Claims Reserve would be subject to tax annually on a separate entity basis on any net income earned with respect to the assets in such reserves, including interest on the New TSC Notes, and all distributions from such reserves (which distributions will be net of the related expenses of the reserve) will be treated as received by holders in respect of their Claims as if distributed by the TSC Debtors or Reorganized TSC Debtors. The Claims Reserve also would be required to recognize and pay tax on any gain on the New TSC Notes and New Preferred Stock (if distributed). All parties (including, without limitation, the TSC Debtors, the Reorganized TSC Debtors and the holders of Disputed Claims) will be required to report for tax purposes consistently with the foregoing. If the Claims Reserve has insufficient assets to pay such taxes, it might be required to sell a portion of the New TSC Notes or New Preferred Stock (if distributed) to pay such taxes and reduce the amount of New TSC Notes or New Preferred Stock distributed.

If appropriate, the TSC Debtors or Reorganized TSC Debtors may consider seeking a ruling from the IRS permitting the Claims Reserve to be treated as a trust such that it would not be required to recognize gain or loss on the distribution of the New TSC Notes and New Preferred Stock, although it would be required to pay taxes on its interest income in years prior to making distributions.

(vi) Ownership and Disposition of New Common Stock and New Preferred Stock

Distributions made with respect to New Common Stock and New Preferred Stock received under the Plan generally will be treated as dividends to a U.S. Holder to the extent of current and accumulated earnings and profits of the Reorganized TSC Debtors as determined under U.S. federal income tax principles, at the end of the tax year of the distribution. To the extent that the distributions exceed the current and accumulated earnings and profits of the Reorganized TSC, the excess will be treated first as a tax-free return of capital to the extent of the U.S. Holder's adjusted tax basis in the New Common Stock and New Preferred Stock and thereafter as capital gain. Corporate U.S. Holders generally will be entitled to claim the dividends-received deduction with respect to dividends paid on

New Common Stock and New Preferred Stock, subject to applicable restrictions, including satisfaction of applicable holding period requirements.

Upon the sale or other disposition of New Common Stock or New Preferred Stock received under the Plan, a U.S. Holder generally will recognize capital gain or loss equal to the difference between (i) the amount of cash and the fair market value of any property received upon the sale or other disposition and (ii) the U.S. Holder's adjusted tax basis in the New Common Stock or New Preferred Stock. Such capital gain or loss will be long-term if the U.S. Holder's holding period in respect of such New Common Stock or New Preferred Stock is more than one year. The deductibility of capital losses is subject to limitations. *See* discussion below.

(vii) *Accrued but Unpaid Interest*

A portion of the consideration received by participating U.S. Holders may be attributable to accrued but unpaid interest with respect to their Claims. Such amount should be taxable to the U.S. Holders as ordinary interest income to the extent that the accrued interest has not been previously included in the U.S. Holder's gross income for U.S. federal income tax purposes. Conversely, a U.S. Holder generally recognizes a deductible loss to the extent that any accrued interest was previously included in income and is not paid in full. If the Plan is consummated, the TSC Debtors will allocate for U.S. federal income tax purposes all distributions in respect of any Claim first to the principal amount of such Claim, and thereafter to accrued but unpaid interest, pursuant to the Plan. Certain legislative history indicates that an allocation of consideration between principal and interest provided for in a bankruptcy plan of reorganization is binding for U.S. federal income tax purposes. However, no assurance can be given that the IRS will not challenge such allocation. If a distribution with respect to a Claim is allocated entirely to the principal amount of such Claim, a U.S. Holder may be entitled to claim a loss to the extent of any accrued but unpaid interest on the Claim that was previously included in the U.S. Holder's gross income. U.S. Holders of Claims should consult their tax advisors regarding the proper allocation of the consideration received by them under the Plan, as well as the character of any loss claimed with respect to accrued but unpaid interest previously included in gross income.

(viii) *Limitations on Use of Capital Losses*

U.S. Holders of Claims who recognize capital losses as a result of the distributions under the Plan will be subject to limits on their use of capital losses. For non-corporate holders, capital losses may be used to offset any capital gains (without regard to holding periods) plus ordinary income to the extent of the lesser of (1) \$3,000 (\$1,500 for married individuals filing separate returns) or (2) the excess of the capital losses over the capital gains. Holders, other than corporations, may carry over unused capital losses and apply them to capital gains and a portion of their ordinary income for an unlimited number of years.

For corporate holders, losses from the sale or exchange of capital assets may be used only to offset capital gains. Holders who have more capital losses than can be used in a tax year may be allowed to carry over the excess capital losses for use in succeeding tax years. Corporate holders may carry over unused capital losses for only the five years following the capital loss year, but they are allowed to carry back unused capital losses to the three years preceding the capital loss year.

(ix) *Information Reporting and Backup Withholding*

In general, U.S. Holders (other than corporations and other exempt holders) will be subject to information reporting requirements with respect to interest, dividends and other taxable distributions paid in respect of, and the proceeds from a sale, redemption or other disposition of, the New Common Stock or New Preferred Stock, if applicable. In addition, such U.S. Holders may be subject to backup withholding on such payments if such U.S. Holder (i) fails to provide an accurate taxpayer identification number to the payor, (ii) has been notified by the IRS of a failure to report all interest or dividends required to be shown on its U.S. federal income tax returns or (iii) in certain circumstances, fails to comply with applicable certification requirements.

Any amounts withheld under the backup withholding rules will be allowed as a refund or a credit against a U.S. Holder's U.S. federal income tax liability, provided that the required information is furnished to the IRS on a timely basis. A U.S. Holder should consult its tax advisors regarding the application of information reporting and

backup withholding rules in their particular situations, the availability of an exemption therefrom and the procedure for obtaining such an exemption, if applicable.

C. General U.S. Federal Income Tax Consequences to Non-U.S. Holders

The rules governing U.S. federal income taxation of a Non-U.S. Holder are complex. Each Non-U.S. Holder should consult with its own tax advisor to determine the effect of U.S. federal, state, local and foreign income tax laws, as well as treaties, with regard to its participation in the transactions contemplated by the Plan, and its ownership of Claims, New Common Stock and New Preferred Stock.

(i) Tax Consequences to Non-U.S. Holders of Plan

a. Tax Consequences of Non-U.S. Holders Under the Plan

A Non-U.S. Holder generally will not be subject to U.S. federal income tax with respect to any New Common Stock, New Preferred Stock and Cash received in the Plan, unless (i) such Non-U.S. Holder is engaged in a trade or business in the United States to which income, gain or loss from the exchange is “effectively connected” for U.S. federal income tax purposes or (ii) such Non-U.S. Holder is an individual and is present in the United States for 183 days or more during the taxable year of the exchange and certain other requirements are met.

b. Non-U.S. Holders of New Common Stock or New Preferred Stock

If a Non-U.S. Holder receives New Common Stock or New Preferred Stock under the Plan, distributions of cash and property that Reorganized TSC Debtors make in respect of New Common Stock or New Preferred Stock will constitute dividends for U.S. federal income tax purposes to the extent of its current or accumulated earnings and profits (as determined under U.S. federal income tax principles). Distributions of cash and property that constitute dividends for U.S. federal income tax purposes generally will be subject to U.S. federal withholding at a 30% rate, unless a reduced rate is prescribed by an applicable income tax treaty. If the amount of a distribution exceeds the Reorganized TSC Debtors’ current and accumulated earnings and profits, such excess first will be treated as a return of capital to the extent of a Non-U.S. Holder’s tax basis in the New Common Stock or New Preferred Stock and thereafter will be treated as gain from the disposition of such New Common Stock, subject to tax as described below in “Sale, Exchange or Disposition of New Common Stock or New Preferred Stock.”

In order to obtain a reduced rate of U.S. withholding tax under an applicable income tax treaty, a Non-U.S. Holder will be required to provide a properly executed IRS Form W-8BEN certifying its entitlement to benefits under the treaty. If a Non-U.S. Holder is eligible for a reduced rate of U.S. withholding tax under a treaty, the Non-U.S. Holder may obtain a refund or credit of any excess amounts withheld by filing an appropriate claim for a refund with the IRS. Each Non-U.S. Holder should consult its own tax advisor regarding its possible entitlement to benefits under a treaty.

The U.S. federal withholding tax described above will not apply to dividends paid to a Non-U.S. Holder if such dividends represent U.S. trade or business income for the Non-U.S. Holder and the Non-U.S. Holder provides a properly executed IRS Form W-8ECI certifying that the dividends are effectively connected with the Non-U.S. Holder’s conduct of a trade or business within the U.S. because the dividends are otherwise subject to tax in the U.S. as part of their trade or business income.

c. Effectively Connected Income and Loss

If a Non-U.S. Holder is engaged in a trade or business in the U.S. and if dividends received in respect of New Common Stock or New Preferred Stock, or gain or loss realized on the disposition of New Common Stock or New Preferred Stock are “effectively connected” with the conduct of such U.S. trade or business, any such dividends, gain or loss realized by the Non-U.S. Holder will be subject to full net-basis U.S. federal income tax in the same manner as if the Non-U.S. Holder were a U.S. Holder, unless an applicable income tax treaty provides otherwise. In addition, if the Non-U.S. Holder is a foreign corporation, the Non-U.S. Holder may also be subject to a “branch profits tax” on earnings and profits effectively connected with such U.S. trade or business (subject to certain adjustments) at a rate of 30%, unless the branch profits tax is reduced or eliminated by an applicable income

tax treaty. Even though any such effectively connected income would be subject to income tax, and might also be subject to branch profits tax, it would not be subject to withholding tax if the Non-U.S. Holder satisfied the applicable certification requirements described above. Non-U.S. Holders should discuss the applicability of the “effectively connected” rules with their tax advisors.

d. Sale, Exchange or Disposition of New Common Stock or New Preferred Stock

Subject to the discussion below concerning backup withholding, if a Non-U.S. Holder owns New Common Stock or New Preferred Stock, the Non-U.S. Holder generally will not be subject to U.S. federal income tax with respect to any gain or loss realized on the sale, exchange or other taxable disposition of such New Common Stock or New Preferred Stock, unless:

- the Non-U.S. Holder is an individual who is present in the United States for 183 days or more in the taxable year of disposition, and certain other conditions are met or
- such gain is effectively connected with the Non-U.S. Holder’s conduct of a trade or business in the United States.

(ii) Information Reporting and Backup Withholding for Non-U.S. Holders

Unless certain exceptions apply, the TSC Debtors must report annually to the IRS and to each Non-U.S. Holder any interest paid during the taxable year, as well as the amount of any dividends paid to the Non-U.S. Holder (whether such dividend income is subject to U.S. withholding tax or is exempt from such tax pursuant to an income tax treaty). Copies of these information returns may also be made available under the provisions of a specific treaty or other agreement to the tax authorities of the country in which a Non-U.S. Holder resides.

Under current U.S. federal income tax law, backup withholding tax will not apply to payments of dividends by the TSC Debtors or its paying agent if the Non-U.S. Holder provides a properly executed IRS Form W-8BEN (or successor form), or otherwise establishes its eligibility for an exemption, provided that the TSC Debtors or their paying agent, as the case may be, do not have actual knowledge or reason to know that the payee Non-U.S. Holder is a U.S. person.

Withholding and backup withholding are not additional taxes. Any amounts withheld from a payment to a Non-U.S. Holder under the withholding or backup withholding rules will be allowed as a credit against such holder’s U.S. federal income tax liability and may entitle the holder to a refund, provided that the holder furnishes the required information to the IRS. A Non-U.S. Holder should consult its tax advisor regarding the application of information reporting, withholding and backup withholding in such holder’s particular situation, the availability of an exemption from backup withholding and the procedure for obtaining such an exemption, if available.

D. Importance of Obtaining Professional Tax Assistance

THE FOREGOING DISCUSSION IS INTENDED ONLY AS A SUMMARY OF CERTAIN INCOME TAX CONSEQUENCES OF THE PLAN AND IS NOT A SUBSTITUTE FOR CAREFUL TAX PLANNING WITH A TAX PROFESSIONAL. THE ABOVE DISCUSSION IS FOR INFORMATIONAL PURPOSES ONLY AND IS NOT TAX ADVICE. THE TAX CONSEQUENCES ARE, IN MANY CASES, UNCERTAIN AND MAY VARY, DEPENDING ON A HOLDER’S PARTICULAR CIRCUMSTANCES. ACCORDINGLY, HOLDERS OF CLAIMS ARE URGED TO CONSULT THEIR OWN TAX ADVISORS ABOUT THE UNITED STATES FEDERAL, STATE AND LOCAL AND APPLICABLE FOREIGN INCOME AND OTHER TAX CONSEQUENCES OF THE PLAN.

**XIV.
RECOMMENDATION**

TSC and its TSC Debtor affiliates submit that the Plan is preferable to the alternatives described in this Disclosure Statement because it provides for a larger distribution to the TSC Debtors’ creditors than would

otherwise result in liquidation under chapter 7 of the Bankruptcy Code. In addition, any alternative other than Confirmation could result in extensive delays and increased administrative expenses, resulting in smaller distributions to holders of Allowed Claims against (and, potentially, Equity Interests, in) the TSC Debtors than those proposed under the Plan. The TSC Debtors thus believe that approval of the Plan is in the best interests of all stakeholders in the TSC Debtors' Chapter 11 Cases, and accordingly, the TSC Debtors recommend that holders of Claims and Equity Interests entitled to vote on the Plan vote to accept the Plan.

INTRODUCTION

TerreStar Corporation, Motient Communications Inc., Motient Holdings Inc., Motient License Inc., Motient Services Inc., Motient Ventures Holding Inc., MVH Holdings Inc., TerreStar Holdings Inc. and TerreStar New York Inc. respectfully propose the following joint chapter 11 plan of reorganization. Capitalized terms used in the Plan and not otherwise defined shall have the meanings ascribed to such terms in Article I.A hereof.

ARTICLE I.

DEFINED TERMS, RULES OF INTERPRETATION, COMPUTATION OF TIME AND GOVERNING LAW

A. *Defined Terms*

Unless the context otherwise requires, the following terms shall have the following meanings when used in capitalized form:

1. “*Accrued Professional Compensation*” means, at any given moment, all accrued, contingent and/or unpaid fees (including success fees) for legal, financial advisory, accounting and other services and obligations for reimbursement of expenses rendered or incurred before the Effective Date that are awardable and allowable under Bankruptcy Code sections 328, 330(a) or 331 by any retained Professional in the Chapter 11 Cases, or that are awardable and allowable under Bankruptcy Code section 503, that the Bankruptcy Court has not denied by a Final Order, all (a) to the extent that any such fees and expenses have not been previously paid and (b) after applying any retainer provided to such Professional and not yet applied. To the extent that the Bankruptcy Court or any higher court denies or reduces by a Final Order any amount of a Professional’s fees or expenses, then those reduced or denied amounts shall no longer constitute Accrued Professional Compensation.

2. “*Administrative Claim*” means any right to payment constituting a cost or expense of administration of the Chapter 11 Cases of the TSC Debtors of the kind specified in Bankruptcy Code section 503(b) and entitled to priority pursuant to Bankruptcy Code sections 507(a)(2) or 507(b), including, but not limited to: (a) the actual and necessary costs and expenses incurred after the Petition Date and through the Effective Date of preserving the Estates and operating the businesses of the TSC Debtors, (b) compensation for legal, financial advisory, accounting and other services and reimbursement of expenses allowed pursuant to Bankruptcy Code sections 328, 330(a), 331 or 363 or otherwise for the period commencing on the Petition Date and through the Effective Date and (c) all fees and charges assessed against the Estates pursuant to chapter 123 of title 28 of the United States Code.

3. “*Administrative Claims Bar Date*” means the bar date for Administrative Claims as such term is defined in Article II.A.3 hereof.

4. “*Affiliate*” has the meaning set forth in Bankruptcy Code section 101(2).

5. “*Aggregate Effective Date Amount*” means the aggregate value of the consideration that would have been distributed to the holders of all Disputed Unsecured Claims if such Disputed Unsecured Claims had been Allowed Claims on the Effective Date, with the amount of each such Claim determined, for the purposes of establishing reserves, to be the Distribution Date Amount with respect to such Claim on the Effective Date.

ADMINISTRATIVE CLAIMS, DIP CLAIMS, U.S. TRUSTEE FEES AND PRIORITY TAX CLAIMS

In accordance with Bankruptcy Code section 1123(a)(1), Administrative Claims, DIP Claims, U.S. Trustee Fees and Priority Tax Claims have not been classified and thus are excluded from the Classes of Claims and Equity Interests set forth in Article III and shall have the following treatment:

A. *Administrative Claims*

1. Administrative Claims

Except with respect to Administrative Claims that are Claims for Accrued Professional Compensation and DIP Claims and except to the extent that a holder of an Allowed Administrative Claim agrees to less favorable treatment, the TSC Debtor against which such Administrative Claim has been allowed shall pay the holder of such Allowed Administrative Claim, in complete satisfaction of such Allowed Administrative Claim, Cash in the full amount of such Allowed Administrative Claim on the later of: (a) the Initial Distribution Date; (b) the date such Administrative Claim becomes an Allowed Administrative Claim or as soon as reasonably practicable thereafter and (c) the date such Allowed Administrative Claim becomes due and payable by its terms, or as soon thereafter as is reasonably practicable; *provided, however*, that Allowed Administrative Claims (other than Claims for Accrued Professional Compensation) that arise in the ordinary course of the TSC Debtors' business and that are reflected as postpetition liabilities on the applicable TSC Debtor's books and records as of the Effective Date shall be paid in full in the ordinary course of business in accordance with the terms and subject to the conditions of any agreements governing, instruments evidencing or other documents relating to, such transactions.

2. Professional Compensation

(a) Claims for Accrued Professional Compensation

Professionals or other Entities asserting a Claim for Accrued Professional Compensation for services rendered before the Effective Date must file and serve on the TSC Debtors and such other Entities who are designated by the Bankruptcy Rules, the Confirmation Order, the Interim Compensation Order or other order of the Bankruptcy Court an application for final allowance of such Claim for Accrued Professional Compensation no later than 45 days after the Effective Date. Objections to any Claim for Accrued Professional Compensation must be filed and served on the Reorganized TSC Debtors, the Creditors' Committee, the Office of the U.S. Trustee and the requesting party no later than the earlier of (a) 45 days after such application is filed or (b) 75 days after the Effective Date.

(b) Treatment of Claims for Accrued Professional Compensation

A Claim for Accrued Professional Compensation in respect of which a final fee application has been properly filed and served pursuant to Article II.A.2(a) shall be payable to the extent approved by order of the Bankruptcy Court. Subject to the Holdback Amount, on the Effective Date, or as soon thereafter as reasonably practicable, to the extent not otherwise paid, all Allowed Claims for Accrued Professional Compensation (including estimated Accrued Professional Compensation through the Effective Date) shall be paid in full in Cash. To receive payment on the Effective Date for unbilled fees and expenses incurred through the Effective Date, each Professional shall reasonably estimate fees and expenses due for unbilled fees and expenses for periods that will not have been billed as of the Effective Date and shall deliver such estimates to the TSC Debtors and the U.S. Trustee prior to the Effective Date. If the estimated payment received by such Professional exceeds the actual allowed Accrued Professional Compensation for the estimated period, such excess amount shall be deducted from the Holdback Amount for such Professional, and if the Holdback Amount is insufficient, such Professional shall disgorge the difference. If the estimated payment received by the Professional is lower than the Accrued Professional Compensation of such Professional, the difference shall be paid promptly to the Professional.

On the Effective Date, the Reorganized TSC Debtors shall fund the Holdback Amount Reserve for payment of the Holdback Amount. Upon final allowance by the Bankruptcy Court of the Accrued Professional Compensation, or entry of an earlier order of the Bankruptcy Court granting the release of the Holdback Amount, such amount, less any excess paid in connection with estimated fees and expenses through the Effective Date, shall be paid promptly and directly to the Professionals.

(c) Post-Effective Date Fees and Expenses

Upon the Effective Date, any requirement that Professionals comply with Bankruptcy Code sections 327 through 331 and 1103 in seeking retention or compensation for services rendered after such date shall terminate, and the Reorganized TSC Debtors may employ and pay any Professional for services rendered or expenses incurred after the Effective Date in the ordinary course of business without any further notice to any party or action (including, without limitation, the need to file a fee application), order or approval of the Bankruptcy Court.

3. Administrative Claim Bar Date

Except as otherwise provided in this Article II.A, requests for payment of Administrative Claims must be filed and served on the Reorganized TSC Debtors pursuant to the procedures specified in the Confirmation Order and the notice of entry of the Confirmation Order no later than 45 days after the Effective Date. Holders of Administrative Claims that are required to, but do not, file and serve a request for payment of such Administrative Claims by such date shall be forever barred, estopped and enjoined from asserting such Administrative Claims against the TSC Debtors or Reorganized TSC Debtors or their property, and such Administrative Claims shall be deemed discharged as of the Effective Date. Objections to such requests, if any, must be filed and served on the Reorganized TSC Debtors and the requesting party no later than 90 days after the Effective Date or such later date as the Bankruptcy Court may approve. Notwithstanding the foregoing, no request for payment of an Administrative Claim need be filed with respect to (i) a DIP Claim or (ii) any other Administrative Claim made an Allowed

Administrative Claim by Final Order, including all Administrative Claims expressly made Allowed Administrative Claims under this Plan.

B. *DIP Claims*

On the Effective Date, unless otherwise agreed to by all of the DIP Lenders, the DIP Claims shall be paid in full in Cash as provided under the DIP Loan Agreement. Upon payment and satisfaction in full of all Allowed DIP Claims, all Liens and security interests granted to secure such obligations shall be terminated and immediately released, and the DIP Lenders shall execute and deliver to the Reorganized TSC Debtors such instruments of release, satisfaction and/or assignments (in recordable form) as may be reasonably requested by the Reorganized TSC Debtors.

C. *U.S. Trustee Fees*

On the Effective Date, the TSC Debtors shall pay all U.S. Trustee Fees that are due and owing on the Effective Date.

D. *Priority Tax Claims*

Each holder of an Allowed Priority Tax Claim due and payable on or before the Effective Date shall receive, at the option of the TSC Debtor against which such Allowed Priority Tax Claim is asserted (which option shall be reasonably satisfactory to the Requisite Designated Holders), one of the following treatments, in complete satisfaction of such Allowed Priority Tax Claim: (1) Cash on the Initial Distribution Date in an amount equal to the amount of such Allowed Priority Tax Claim, (2) Cash payable in installment payments over a period of time not to exceed five years after the Petition Date with an aggregate value, as of the Effective Date, equal to the amount of such Allowed Priority Tax Claim, pursuant to Bankruptcy Code section 1129(a)(9)(C) or (3) such other treatment as may be agreed upon by such holder and the TSC Debtors or otherwise determined upon an order of the Bankruptcy Court.

The Reorganized TSC Debtors may use the Exit Facility for any purpose permitted thereunder, including the funding of obligations under the Plan and satisfaction of ongoing working capital needs.

Upon the date the Exit Facility Agreement, if any, becomes effective, (i) the TSC Debtors and the Reorganized TSC Debtors are authorized to execute and deliver the Exit Facility Documents and perform their obligations thereunder, including, without limitation, the payment or reimbursement of any fees, expenses, losses, damages or indemnities, (ii) the Exit Facility Documents shall constitute the legal, valid and binding obligations of the Reorganized TSC Debtors that are parties thereto, enforceable in accordance with their respective terms and (iii) no obligation, payment, transfer or grant of security under the Exit Facility Documents shall be stayed, restrained, voidable or recoverable under the Bankruptcy Code or under any applicable law or subject to any defense, reduction, recoupment, setoff or counterclaim. The TSC Debtors and the Reorganized TSC Debtors, as applicable, and the other persons granting any Liens and security interests to secure the obligations under the Exit Facility Documents are authorized to make all filings and recordings, and to obtain all governmental approvals and consents necessary or desirable to establish and further evidence perfection of such Liens and security interests under the provisions of any applicable federal, state, provincial or other law (whether domestic or foreign) (it being understood that perfection shall occur automatically by virtue of the occurrence of the Effective Date, and any such filings, recordings, approvals and consents shall not be required), and will thereafter cooperate to make all other filings and recordings that otherwise would be necessary under applicable law to give notice of such Liens and security interests to third parties.

1. Issuance of New Common Stock

The issuance of the New Common Stock by Reorganized TSC is authorized without the need for any further corporate action and without any further action by any holder of any Claim or Equity Interest. The New Common Stock shall be authorized under the New Certificate of Incorporation of Reorganized TSC. On the Effective Date, Reorganized TSC shall issue the New Common Stock to the holders of Preferred Series A TSC Interests and Preferred Series B TSC Interests in accordance with the terms of the Plan.

2. Issuance of New Preferred Stock

On the Preferred Stock Distribution Date, Reorganized TSC shall issue the New Preferred Stock, on such terms and conditions as set forth in the New Preferred Stock Certificate of Designation. 3. Issuance of New TSC Notes

On the Effective Date, if applicable, Reorganized TSC shall issue the New TSC Notes, on such terms and conditions as set forth in the Plan Supplement.

4. New Stockholders Agreement

The holders of the New Common Stock and, if applicable, the New Preferred Stock, may elect to be parties to the New Stockholders Agreement; *provided, however*, that any and all of the Designated Holders and their respective affiliated and managed funds that receive any distribution of New Common Stock or New Preferred Stock, under the Plan shall be parties to the New Stockholders Agreement.

D. *Cancellation of Securities and Agreements*

On the Effective Date, except as otherwise specifically provided for in the Plan: (1) the obligations of the TSC Debtors under the Bridge Loan Agreement and any certificate, share, note, bond, indenture, purchase right, option, warrant or other instrument or document directly or indirectly evidencing or creating any indebtedness or obligation of or ownership interest in the TSC Debtors giving rise to any Claim or Equity Interest (except such certificates, notes or other instruments or documents evidencing indebtedness or obligations of the TSC Debtors that are specifically reinstated pursuant to the Plan), shall be cancelled as to the TSC Debtors and the Reorganized TSC Debtors shall not have any continuing obligations thereunder and (2) the obligations of the TSC Debtors pursuant, relating or pertaining to any agreements, indentures, certificates of designation, bylaws or certificate or articles of incorporation or similar documents governing the shares, certificates, notes, bonds, purchase rights, options, warrants or other instruments or documents evidencing or creating any indebtedness or obligation of the TSC Debtors (except such agreements, certificates, notes or other instruments evidencing indebtedness or obligations of the TSC Debtors that are specifically reinstated or assumed pursuant to the Plan) shall be released and discharged; *provided, however*, notwithstanding Confirmation or the occurrence of the Effective Date, any such agreement that governs the rights of the holder of a Claim or Equity Interest shall continue in effect solely for purposes of (a) allowing holders of the Bridge Loan Claims to receive distributions under the Plan as provided herein, (b) allowing the Bridge Loan Agent to make distributions under the Plan as provided herein, and in accordance with

any payment priorities established under the Bridge Loan Agreement and to deduct therefrom such compensation, reasonable fees and expenses due thereunder or incurred in making such distributions and to create a reserve for future fees and expenses the Bridge Loan Agent may incur after the Effective Date and (c) allowing the Bridge Loan Agent to seek compensation and/or reimbursement of reasonable fees and expenses in accordance with the terms of the Bridge Loan Agreement and this Plan; *provided further, however*, that the preceding proviso shall not affect the discharge of Claims or Equity Interests pursuant to the Bankruptcy Code, the Confirmation Order or the Plan, or result in any expense or liability to the Reorganized TSC Debtors, except to the extent set forth in or provided for under this Plan. On and after the Effective Date, all duties and responsibilities of the Bridge Loan Agent under the Bridge Loan Agreement, as applicable, shall be discharged except to the extent required in order to effectuate the Plan.

E. *Listing of Plan Securities and Transfer Restrictions*

On the Effective Date, the Reorganized TSC Debtors shall be private, nonreporting companies, and the Plan Securities shall not be registered or listed on any national securities exchange. Other than as provided in the Registration Rights Agreement, the Reorganized TSC Debtors shall not be obligated to list the Plan Securities on a national securities exchange. The Plan Securities may be subject to certain transfer and other restrictions pursuant to, among other things, the New Stockholders Agreement and the New Certificate of Incorporation. On the Effective Date, Reorganized TSC and each of the Designated Holders will enter into the Registration Rights Agreement.

F. *Section 1145 Exemption*

Pursuant to Bankruptcy Code section 1145, the offering, issuance and distribution of any Plan Securities contemplated by the Plan and all agreements incorporated herein shall be exempt from, among other things, the registration requirements of Securities Act section 5 and any other applicable law requiring registration before the offering, issuance, distribution or sale of securities. In addition, under Bankruptcy Code section 1145, any Plan Securities contemplated by the Plan and any and all agreements incorporated therein, including the New Common Stock and the New Preferred Stock, will be freely tradable in the United States of America by the recipients thereof, subject to (1) the provisions of Bankruptcy Code section 1145(b)(1) relating to the definition of an underwriter in Securities Act section 2(a)(11); (2) compliance with applicable securities laws and any rules and regulations of the SEC, if any, applicable at the time of any future transfer of such Plan Securities; (3) the restrictions, if any, on the transferability of such securities and instruments, including those set forth in Article V.E hereof, the New Stockholders Agreement and the New Certificate of Incorporation and (4) applicable regulatory approval.

G. *Corporate Existence*

Subject to any Restructuring Transaction and except as otherwise provided herein, in the New Corporate Governance Documents or elsewhere in the Plan Supplement, each TSC Debtor, as Reorganized, shall continue to exist after the Effective Date as a separate corporate entity, limited liability company, partnership or other form, as the case may be, with all the powers of a corporation, limited liability company, partnership or other form, as the case may be, pursuant to the applicable law in the jurisdiction in which each applicable TSC Debtor is incorporated or formed. The New Corporate Governance Documents shall be substantially in the form filed with the Plan Supplement.

H. *New Certificate of Incorporation and New By-laws*

On or immediately before the Effective Date, each of the Reorganized TSC Debtors will file their respective New Certificates of Incorporation with the applicable Secretaries of State and/or other applicable authorities in their respective states of incorporation in accordance with the corporate laws of the respective states of incorporation. Pursuant to Bankruptcy Code section 1123(a)(6), the New Certificates of Incorporation with respect to each Reorganized TSC Debtor that is a corporation will prohibit the issuance of nonvoting equity securities. After the Effective Date, each of the Reorganized TSC Debtors may amend and restate their respective New Certificates of Incorporation and New By-Laws and other constituent documents as permitted by the laws of their respective states of incorporation, their respective New Certificates of Incorporation and New By-Laws and, in the case of Reorganized TSC, the New Stockholders Agreement.

I. *Reorganized TSC Debtors' Boards of Directors*

As of the Effective Date, the term of the current members of the board of directors of each of the TSC Debtors shall expire. The New Board of Reorganized TSC, which shall consist of five members, shall be selected by the Designated Holders, in consultation with the TSC Debtors, *provided* that, if the Designated Holders fail to notify the TSC Debtors of the identity of such members before the date that is 10 calendar days before the Plan Supplement Filing Date, the TSC Debtors may appoint such members, subject to the reasonable consent of each of the Designated Holders. The identity and affiliations of the members of the New Board of Reorganized TSC and, if any such individual is an “insider” under the Bankruptcy Code, the nature of any compensation to be paid to such individual, shall be disclosed prior to the end of the Confirmation Hearing or such later date as may be approved by the Bankruptcy Court. The members of the initial New Board of TSC shall also serve as members of the initial board of directors of the other Reorganized TSC Debtors. Successor directors of each Reorganized TSC Debtors will be by appointment and/or elected in accordance with the applicable Reorganized TSC Debtor’s charter and by-laws or other organizational documents, and, in the case of Reorganized TSC, the New Stockholders Agreement.

J. *Officers of Reorganized TSC Debtors*

As of the Effective Date, the term of the current officers of each of the TSC Debtors shall expire. The initial Chief Executive Officer of Reorganized TSC shall be selected by the Designated Holders, in consultation with the TSC Debtors, *provided* that, if the Designated Holders fail to notify the TSC Debtors of the identity of such initial Chief Executive Officer before the date that is 5 calendar days before the Plan Supplement Filing Date, the TSC Debtors may appoint such initial Chief Executive Officer, subject to the reasonable consent of each of the Designated Holders. The initial Chief Executive Officer of Reorganized TSC shall also serve as the initial Chief Executive Officer of each other Reorganized TSC Debtors. The other officers of each of the Reorganized TSC Debtors will be determined by the New Boards of each of the Reorganized TSC Debtors. Such officers shall serve in accordance with applicable nonbankruptcy law. The identity and affiliations of the officers of the Reorganized TSC Debtors and, if any such individual is an “insider” under the Bankruptcy Code, the nature of any compensation to be paid to such individual, shall be disclosed prior to the end of the Confirmation Hearing or such later date as may be approved by the Bankruptcy Court.

K. *Vesting of Assets in the Reorganized TSC Debtors*

Except as otherwise provided in the Plan, the Plan Supplement or any agreement, instrument or other document incorporated therein, on the Effective Date, any and all property in each Estate and all Causes of Action (except those released pursuant to the releases by the TSC Debtors set forth in Article IX hereof) shall vest in each respective Reorganized TSC Debtor, free and clear of all Liens, Claims, charges or other encumbrances (except for Liens, if any, granted to secure the Exit Facility, if any). On and after the Effective Date, except as otherwise provided in the Plan, each Reorganized TSC Debtor may operate its business and may use, acquire or dispose of property and compromise or settle any Claims, Equity Interests or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules.

L. *Restructuring Transactions*

On the Effective Date or as soon as reasonably practicable thereafter, the Reorganized TSC Debtors may enter into the Restructuring Transactions and may take all actions as may be necessary or appropriate to effect a restructuring of their respective businesses or the overall organizational structure of the Reorganized TSC Debtors. The Restructuring Transactions, which shall be described in the Plan Supplement and shall be reasonably satisfactory to the Requisite Designated Holders, may include one or more mergers, consolidations, restructurings, conversions, dissolutions, transfers or liquidations. The actions to effect the Restructuring Transactions may include: (1) the execution and delivery of appropriate agreements or other documents of merger, consolidation, restructuring, conversion, disposition, transfer, dissolution or liquidation containing terms that are consistent with the terms of the Plan and that satisfy the applicable requirements of applicable law and any other terms to which the applicable Entities may agree; (2) the execution and delivery of appropriate instruments of transfer, assignment, assumption or delegation of any asset, property, right, liability, debt or obligation on terms consistent with the terms of the Plan and having other terms for which the applicable parties agree; (3) the filing of appropriate certificates or articles of incorporation or amendments thereof, reincorporation, merger, consolidation, conversion or dissolution

pursuant to applicable state law; and (4) all other actions that the applicable Entities determine to be necessary or appropriate, including making filings or recordings that may be required by applicable law in connection with the Restructuring Transactions. In the event that a Restructuring Transaction is a merger transaction, upon the consummation of such Restructuring Transaction, each party to such merger shall cease to exist as a separate corporate entity, and thereafter, the surviving Reorganized TSC Debtor shall assume and perform the obligations of each Reorganized TSC Debtor party to such merger under the Plan. In the event a Reorganized TSC Debtor is liquidated, the Reorganized TSC Debtors (or the Reorganized TSC Debtor that owned the stock in such liquidating Reorganized TSC Debtor prior to such liquidation) shall assume and perform the obligations of such liquidating Reorganized TSC Debtor. Implementation of the Restructuring Transactions shall not affect the distributions under the Plan.

M. *Corporate Action*

Upon the Effective Date, all actions contemplated by the Plan shall be deemed authorized and approved in all respects, including (1) selection of the directors and officers of the Reorganized TSC Debtors, (2) the distribution of the New Common Stock as provided herein, (3) the execution and entry into the Exit Facility Agreement and Exit Facility Documents, if any and (4) all other actions contemplated by the Plan (whether to occur before, on or after the Effective Date). All matters provided for in the Plan involving the corporate structure of the TSC Debtors or the Reorganized TSC Debtors, and any corporate action required by the TSC Debtors or the Reorganized TSC Debtors in connection with the Plan shall be deemed to have occurred and shall be in effect, without any requirement of further action by the security holders, directors or officers of the TSC Debtors or the Reorganized TSC Debtors.

On or (as applicable) before the Effective Date, the appropriate officers of the TSC Debtors or the Reorganized TSC Debtors, as applicable, shall be authorized and, as applicable, directed to issue, execute and deliver the agreements, documents, securities, certificates of incorporation, operating agreements and instruments contemplated by the Plan (or necessary or desirable to effect the transactions contemplated by the Plan) in the name of and on behalf of the Reorganized TSC Debtors, including the New TSC Notes, the New Preferred Stock, the New Common Stock, the Exit Facility Agreement and any and all agreements, documents, securities and instruments relating to the foregoing. The authorizations and approvals contemplated by this Article V.M shall be effective notwithstanding any requirements under nonbankruptcy law.

N. *Effectuating Documents; Further Transactions*

On and after the Effective Date, the Reorganized TSC Debtors and the managers, officers and members of the boards of directors thereof are authorized to and may issue, execute, deliver, file or record such contracts, securities, instruments, releases and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement and further evidence the Exit Facility Agreement, if any, the terms and conditions of the Plan and the securities issued pursuant to the Plan in the name of and on behalf of the Reorganized TSC Debtors, without the need for any approvals, authorization or consents except for those expressly required pursuant to the Plan.

O. *General Settlement of Claims and Equity Interests*

Subject to Article VII, all distributions made to holders of Allowed Claims and Equity Interests in any Class are intended to be and shall be final and indefeasible.

P. *Section 1146 Exemption from Certain Taxes and Fees*

Pursuant to Bankruptcy Code section 1146(a), no issuance, transfer or exchange of any security, transfer of any property, or making, delivery, filing or recording of any instrument of transfer, in each case in contemplation of, in connection with or pursuant to the Plan (including, for this purpose, in connection with the New Corporate Governance Documents, the Exit Facility Agreement, if any, and the other documents relating to the transactions described in this Article V) shall be subject to any recording tax, stamp tax, transfer tax or other similar tax or governmental assessment in the United States or Canada, and the Confirmation Order shall direct and be deemed to direct the appropriate state or local governmental officials or agents to forgo the collection of any such tax or

governmental assessment and to accept for filing and recordation instruments or other documents pursuant to such transfers of property without the payment of any such tax or governmental assessment. Such exemption specifically applies, without limitation, to (1) the creation of any mortgage, deed of trust, Lien or other security interest, (2) the making or assignment of any lease or sublease, (3) any Restructuring Transaction authorized by Article V.L hereof or (4) the making or delivery of any deed or other instrument of transfer under, in furtherance of or in connection with the Plan, including: (a) any merger agreements; (b) agreements of consolidation, restructuring, disposition, liquidation or dissolution; (c) deeds; or (d) assignments executed in connection with any transaction occurring under the Plan.

Q. *D&O Liability Insurance Policies and Indemnification Provisions*

Notwithstanding anything herein to the contrary, as of the Effective Date, the D&O Liability Insurance Policies and Indemnification Provisions belonging or owed to directors, officers and employees of the TSC Debtors (or the estates of any of the foregoing) who served or were employed by the TSC Debtors as of or after the Petition Date, excluding claims resulting from gross negligence, willful misconduct, breach of fiduciary duty or intentional tort, shall be deemed to be, and shall be treated as though they are, Executory Contracts and the TSC Debtors shall assume (and assign to the Reorganized TSC Debtors if necessary to continue such D&O Liability Insurance Policies in full force) all of such D&O Liability Insurance Policies and Indemnification Provisions pursuant to Bankruptcy Code section 365(a). Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the TSC Debtors' foregoing assumption of each such D&O Liability Insurance Policy and Indemnification Provision. On or before the Effective Date, the Reorganized TSC Debtors shall obtain tail coverage in their reasonable discretion under a directors' and officers' liability insurance policy for the current directors, officers and managers for a period of five years and placed with such insurers in the reasonable discretion of the TSC Debtors, *provided, however*, that the aggregate amount of all expenses (including, without limitation, the premium) to be paid by TSC with respect to such tail coverage shall not exceed \$60,000.

In addition, on the Effective Date, the New Corporate Governance Documents of the Reorganized TSC Debtors shall contain provisions that (i) eliminate the personal liability of the TSC Debtors' and the Reorganized TSC Debtors' then-present and future directors and officers for post-emergence monetary damages resulting from breaches of their fiduciary duties to the fullest extent permitted by applicable law in the state in which the subject Reorganized TSC Debtor is organized and (ii) require such Reorganized TSC Debtor, subject to appropriate procedures, to indemnify the TSC Debtors' and the Reorganized TSC Debtors' directors, officers and other key employees (as such key employees are identified by the New Board) serving on or after the Effective Date for all claims and actions to the fullest extent permitted by applicable law in the state in which the subject Reorganized TSC Debtor is organized.

Notwithstanding anything to the contrary, as of the Effective Date, all Indemnification Provisions belonging or owed to directors, officers and employees of the TSC Debtors who served or were employed by the TSC Debtors prior to, but not after, the Petition Date shall be deemed to be, and shall be treated as though they are, Executory Contracts that are rejected pursuant to Bankruptcy Code section 365 under the Plan.

R. *Preservation of Rights and Causes of Action*

In accordance with Bankruptcy Code section 1123(b), and except where such Causes of Action have been expressly released (including, for the avoidance of doubt, pursuant to the releases by the TSC Debtors provided by Article IX.A hereof), the Reorganized TSC Debtors shall retain and may enforce all rights to commence and pursue, as appropriate, any and all Causes of Action, including Causes of Action under chapter 5 of the Bankruptcy Code, whether arising before or after the Petition Date, and the Reorganized TSC Debtors' rights to commence, prosecute or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date. No Entity may rely on the absence of a specific reference in the Plan, the Disclosure Statement, the Plan Supplement or the Schedule of Retained Causes of Action to any Cause of Action against them as any indication that the TSC Debtors or Reorganized TSC Debtors, as applicable, will not pursue any and all available Causes of Action against them. Unless any Causes of Action against any Entity are expressly waived, relinquished, exculpated, released, compromised or settled in the Plan or a Bankruptcy Court order, no preclusion doctrine, including the doctrines of *res judicata*, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable or otherwise) or

laches, shall apply to such retained Causes of Action upon, after or as a consequence of the Confirmation or consummation of the Plan.

S. *Payment of Fees and Expenses of Bridge Loan Agent*

On the Effective Date (and thereafter with respect to fees and expenses relating to post-Effective Date service under the Plan) or as soon as reasonably practicable thereafter, the TSC Debtors or Reorganized TSC Debtors shall pay in Cash all reasonable and documented unpaid fees and expenses of the Bridge Loan Agent, the holders of the Bridge Loan Claims and their respective advisors, including counsel. The TSC Debtors or Reorganized TSC Debtors may dispute any portion of such fees and expenses, in which case, (a) the TSC Debtors or Reorganized TSC Debtors shall pay the portion of such fees and expenses that is not specifically disputed and (b) in the absence of a consensual resolution, the Bridge Loan Agent or the Reorganized TSC Debtors shall submit the dispute to the Bankruptcy Court for adjudication. For the avoidance of doubt, nothing herein affects the Bridge Loan Agent's right to exercise its charging lien against distributions to holders of the Bridge Loan Claims.

ARTICLE VI.

TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

A. *Assumption and Rejection of Executory Contracts and Unexpired Leases*

Except as otherwise provided herein, or in any contract, instrument, release, indenture or other agreement or document entered into in connection with the Plan, each of the TSC Debtors' Executory Contracts and Unexpired Leases shall be deemed rejected as of the Effective Date, unless such Executory Contract or Unexpired Lease: (1) was assumed or rejected previously by the TSC Debtors; (2) expired or terminated pursuant to its own terms before the Effective Date; (3) is the subject of a motion to assume filed on or before, and pending on, the Effective Date; or (4) is identified on the Assumed Executory Contract and Unexpired Lease List. Each of the TSC Debtors' Executory Contracts and Unexpired Leases that has been, or, pursuant to the terms of this Article VI.A, shall be, rejected shall be identified on the Rejected Executory Contract and Unexpired Lease List.

Entry of the Confirmation Order shall constitute a Bankruptcy Court order approving the assumptions or rejections of such Executory Contracts or Unexpired Leases as set forth in the Plan, all pursuant to Bankruptcy Code sections 365(a) and 1123. The Confirmation Order shall constitute an order of the Bankruptcy Court, (i) approving the assumption and assignment or rejection, as the case may be, of Executory Contracts and Unexpired Leases, as described above, pursuant to Bankruptcy Code sections 365(a) and 1123(b)(2), (ii) providing that the Reorganized TSC Debtors had properly provided for the cure of any defaults that might have existed, (iii) providing that each assumption and assignment was in the best interest of the Reorganized TSC Debtors, their Estates and all parties in interest in the Chapter 11 Cases and (iv) providing that the requirements for assumption and assignment of any Executory Contract or Unexpired Lease to be assumed had been satisfied. Unless otherwise indicated, all assumptions or rejections of Executory Contracts and Unexpired Leases pursuant to the Plan are effective as of the Effective Date. Each Executory Contract or Unexpired Lease assumed pursuant to the Plan or by Bankruptcy Court order but not assigned to a third party before the Effective Date shall revert in and be fully enforceable by the applicable contracting Reorganized TSC Debtor in accordance with its terms, except as such terms may have been modified by such order. Notwithstanding anything to the contrary in the Plan, the TSC Debtors or the Reorganized TSC Debtors, as applicable, reserve the right to alter, amend, modify or supplement the Rejected Executory Contract and Unexpired Lease List and the Assumed Executory Contract and Unexpired Lease List at any time before the Effective Date; *provided that*, to the extent that, as of the Effective Date, there is any pending dispute between one or more of the TSC Debtors and a counterparty to an Executory Contract or Unexpired Lease regarding such counterparty's Cure Claim, the TSC Debtors and Reorganized TSC Debtors shall reserve the right to remove the applicable Executory Contract or Unexpired Lease from the Assumed Executory Contract and Unexpired Lease List and add it to the Rejected Executory Contract and Unexpired Lease List following the resolution of such dispute, in which event such Executory Contract or Unexpired Lease shall be deemed rejected, and such counterparty shall have any and all rights with respect thereto. After the Effective Date, the Reorganized TSC Debtors shall have the right to terminate, amend or modify any intercompany contracts, leases or other agreements without approval of the Bankruptcy Court.

B. *Cure of Defaults for Executory Contracts and Unexpired Leases Assumed*

Any monetary defaults under each Executory Contract and Unexpired Lease to be assumed pursuant to the Plan shall be satisfied, pursuant to Bankruptcy Code section 365(b)(1), by payment of the default amount in Cash on the Effective Date, subject to the limitations described below, or on such other terms as the parties to such Executory Contracts or Unexpired Leases may otherwise agree. In the event of a dispute regarding (1) the amount of any payments to cure such a default, (2) the ability of the Reorganized TSC Debtors or any assignee to provide “adequate assurance of future performance” (within the meaning of Bankruptcy Code section 365) under the Executory Contract or Unexpired Lease to be assumed or (3) any other matter pertaining to assumption, the payment of Cure Claims required by Bankruptcy Code section 365(b)(1) shall be made no later than ten business days following the entry of a Final Order or orders resolving the dispute and approving the assumption. At least ten days before the Confirmation Hearing, the TSC Debtors shall distribute, or cause to be distributed, notices of proposed assumption and proposed amounts of Cure Claims to the applicable third parties, which notices shall include procedures for objecting to proposed assumptions of Executory Contracts and Unexpired Leases and any amounts of Cure Claims to be paid in connection therewith and resolution of disputes by the Bankruptcy Court. Any objection by a counterparty to an Executory Contract or Unexpired Lease to a proposed assumption or related Cure Claim amount must be filed, served and actually received by the TSC Debtors at least three days before the Confirmation Hearing. Any counterparty to an Executory Contract or Unexpired Lease that fails to object timely to the proposed assumption or Cure Claim amount will be deemed to have assented to such assumption or Cure Claim amount.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any Claims or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time before the effective date of the assumption. Any Proof of Claim filed with respect to an Executory Contract or Unexpired Lease that has been assumed shall be deemed Disallowed and expunged, without further notice to or action, order or approval of the Bankruptcy Court.

C. *Claims Based on Rejection of Executory Contracts or Unexpired Leases*

All Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts and Unexpired Leases, if any, must be filed with the Bankruptcy Court on or prior to the later of (i) 30 days after the date of entry of an order of the Bankruptcy Court (including the Confirmation Order) approving such rejection and (ii) 45 days after the date that an Executory Contract or Unexpired Lease is removed from the Assumed Executory Contract and Unexpired Lease List and added to the Rejected Executory Contract and Unexpired Lease List after the Effective Date following the resolution of a pending dispute between one or more of the TSC Debtors and a counterparty to an Executory Contract or Unexpired Lease regarding such counterparty’s Cure Claim. Unless otherwise ordered by the Bankruptcy Court or otherwise provided herein, any Claims arising from the rejection of Executory Contracts and Unexpired Leases not filed with the Bankruptcy Court within such time will be automatically Disallowed, forever barred from assertion and shall not be enforceable against the TSC Debtors or the Reorganized TSC Debtors, the Estates or their property without the need for any objection by the Reorganized TSC Debtors or further notice to, or action, order or approval of the Bankruptcy Court. All such Claims shall, as of the Effective Date, be subject to the discharge and permanent injunction set forth in Article IX hereof. All Allowed Claims arising from the rejection of the TSC Debtors’ Executory Contracts and Unexpired Leases shall be classified as Class 4 Unsecured Claims against the applicable TSC Debtor and shall be treated in accordance with Article III of the Plan. The deadline to object to Claims arising from the rejection of Executory Contracts and Unexpired Leases, if any, shall be the later of (a) 180 days following the date on which such Claim was filed and (b) such other period of limitation as may be specifically fixed by an order of the Bankruptcy Court for objecting to such Claims.

D. *Insurance Policies*

Notwithstanding anything herein to the contrary, as of the Effective Date, the TSC Debtors (in consultation with the Designated Holders) shall assume (and assign to the Reorganized TSC Debtors if necessary to continue the Insurance Policies in full force) each of the Insurance Policies appearing on the Assumed Executory Contract and Unexpired Lease List pursuant to Bankruptcy Code section 365(a). Entry of the Confirmation Order shall constitute the Bankruptcy Court’s approval of the TSC Debtors’ foregoing assumption of each such Insurance Policy.

E. *Modifications, Amendments, Supplements, Restatements or Other Agreements*

Unless otherwise provided, each Executory Contract or Unexpired Lease that is assumed shall include all modifications, amendments, supplements, restatements or other agreements that, in any manner, affect such Executory Contract or Unexpired Lease, and all Executory Contracts and Unexpired Leases related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal and any other interests, unless any of the foregoing agreements has been previously rejected or repudiated or is rejected or repudiated under the Plan.

Modifications, amendments, supplements and restatements to Executory Contracts and Unexpired Leases that have been executed by the TSC Debtors during the Chapter 11 Cases shall not be deemed (unless otherwise agreed by the contract counterparty and the TSC Debtors and approved by the Bankruptcy Court) to alter the pre-petition nature of the Executory Contract or Unexpired Lease, or the validity, priority or amount of any Claims that may arise in connection therewith.

F. *Reservation of Rights*

Neither the exclusion nor inclusion of any Executory Contract or Unexpired Lease on the Assumed Executory Contract and Unexpired Lease List or the Rejected Executory Contract and Unexpired Lease List, nor anything contained in the Plan, shall constitute an admission by the TSC Debtors that any such contract or lease is, in fact, an Executory Contract or Unexpired Lease or that any Reorganized TSC Debtor has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the TSC Debtors or Reorganized TSC Debtors, as applicable, shall have 45 days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease.

G. *Contracts and Leases Entered into After the Petition Date*

Contracts and leases entered into after the Petition Date by any TSC Debtor, including any Executory Contracts and Unexpired Leases assumed by such TSC Debtor, will be performed by the TSC Debtor or Reorganized TSC Debtor liable thereunder in the ordinary course of its business. Accordingly, such contracts and leases (including any assumed Executory Contracts and Unexpired Leases) will survive and remain unaffected by entry of the Confirmation Order, unless the parties thereto agree to any modifications, amendments, supplements or restatements thereto.

ARTICLE VII.

PROVISIONS GOVERNING DISTRIBUTIONS

A. *Record Date for Distributions*

As of the entry of the Confirmation Order, the various transfer registers for each of the Classes of Claims or Equity Interests as maintained by the TSC Debtors or their respective agents shall be deemed closed, and there shall be no further changes made to reflect any new record holders of any Claims or Equity Interests. The TSC Debtors shall have no obligation to recognize any transfer of Claims or Equity Interests occurring on or after the Distribution Record Date.

B. *Timing and Calculation of Amounts To Be Distributed*

Except as otherwise provided in the Plan, on the Initial Distribution Date (or if a Claim is not an Allowed Claim prior to the Initial Distribution Date, on the first Distribution Date following the date on which such Claim becomes an Allowed Claim), each holder of an Allowed Claim or Equity Interest against the TSC Debtors shall receive the full amount of the distributions that the Plan provides for Allowed Claims or Equity Interests in the applicable Class and in the manner provided herein; *provided* that each holder of an Allowed Unsecured Claim shall receive New TSC Notes in an amount equal to the amount of New TSC Notes to which such holder would be entitled if all Disputed Unsecured Claims on such Distribution Date were Allowed Claims, with the amount of each

such Claim to be determined, for the purposes of making a distribution to the holder of such Allowed Unsecured Claim, to be the Distribution Date Amount with respect to such Claim; *provided further* that, on each Distribution Date following the first Distribution Date on which such holder receives a distribution, each holder of an Allowed Unsecured Claim shall receive New TSC Notes in an amount equal to (x) the amount of New TSC Notes that such holder would have received under the immediately preceding proviso if such Claim had become an Allowed Claim immediately prior to such Distribution Date *minus* (y) the aggregate amount of New TSC Notes previously received by such holder; *provided further* that, on the Preferred Stock Distribution Date, each holder of an Allowed Unsecured Claim shall receive the full amount of New Preferred Stock to which such holder is entitled under the terms of the Plan. No New Preferred Stock shall be distributed if the aggregate amount of all Allowed Unsecured Claims does not exceed the Note Threshold Amount. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date. If and to the extent that there are Disputed Claims, distributions on account of any such Disputed Claims shall be made pursuant to the provisions set forth in Article VIII hereof. Except as otherwise provided herein, holders of Claims shall not be entitled to interest, dividends or accruals on the distributions provided for herein, regardless of whether such distributions are delivered on or at any time after the Effective Date.

C. *Fractional Distributions*

No fractions of New Common Stock or New Preferred Stock (if issued) shall be distributed. Cash shall not be distributed under the Plan in denominations of less than one cent (\$0.01). For purposes of distribution, fractions of New Common Stock and New Preferred Stock (if issued) shall be rounded down to the nearest whole number, and no Cash payments shall be made in connection with such rounding. The Disbursing Agent shall have no obligation to make any distribution of Cash that is less than \$10.00.

D. *Disbursing Agent*

Except as otherwise provided herein, all distributions under the Plan shall be made by the Reorganized TSC Debtors as Disbursing Agent or such other Entity designated by the Reorganized TSC Debtors as a Disbursing Agent on the Effective Date. If the Disbursing Agent is not one of the Reorganized TSC Debtors, such Entity shall obtain a bond or surety for the performance of its duties, and all costs and expenses of procuring any such bond or surety shall be borne by the TSC Debtors or Reorganized TSC Debtors; *provided, however*, that the Bridge Loan Agent shall not be required to obtain such a bond or surety.

E. *Rights and Powers of Disbursing Agent*

1. Powers of the Disbursing Agent

The Disbursing Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments and other documents necessary to perform its duties under the Plan; (b) make all distributions contemplated hereby; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions hereof.

2. Expenses Incurred on or After the Effective Date

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by the Disbursing Agent in carrying out its obligations under this Article VII of the Plan on or after the Effective Date (including taxes) and any reasonable compensation and expense reimbursement claims (including reasonable attorneys' fees and expenses) made by the Disbursing Agent related thereto shall be paid in Cash by the Reorganized TSC Debtors in their reasonable discretion.

F. *Distributions to Holders of Disputed Claims*

Notwithstanding any provision otherwise in the Plan and except as may be agreed to by the TSC Debtors (in consultation with the Designated Holders) or the Reorganized TSC Debtors, in each case in their sole discretion, and the holder of a Disputed Claim, no partial payments and no partial distributions shall be made with respect to any Disputed Claim until all Disputed Claims held by the holder of such Disputed Claim have become Allowed Claims or have otherwise been resolved by settlement or Final Order.

G. *Delivery of Distributions and Undeliverable or Unclaimed Distributions*

1. Delivery of Distributions in General

Except as otherwise provided in the Plan and subject to Bankruptcy Rule 9010, distributions to holders of Allowed Claims and Equity Interests shall be made to holders of record as of the Distribution Record Date by the Disbursing Agent: (a) to the signatory set forth on any of the Proofs of Claim filed by such holder or other representative identified therein (or at the last known addresses of such holder if no Proof of Claim is filed or if the TSC Debtors have been notified in writing of a change of address); (b) at the addresses set forth in any written notices of address changes delivered to the Disbursing Agent after the date of any related Proof of Claim; (c) at the addresses reflected in the Schedules if no Proof of Claim has been filed and the Disbursing Agent has not received a written notice of a change of address; or (d) on any counsel that has appeared in the Chapter 11 Cases on the holder's behalf. Distributions under the Plan on account of Allowed Claims and Equity Interests shall not be subject to levy, garnishment, attachment or like legal process, so that each holder of an Allowed Claim or Equity Interest shall have and receive the benefit of the distributions in the manner set forth in the Plan. None of the TSC Debtors, the Reorganized TSC Debtors or the applicable Disbursing Agent shall incur any liability whatsoever on account of any distributions under the Plan, except for gross negligence, willful misconduct or fraud.

Except as otherwise provided in the Plan, all distributions to holders of Bridge Loan Claims shall be governed by the Bridge Loan Agreement and shall be deemed completed when made to the Bridge Loan Agent, who shall, in turn, make distributions in accordance with the Bridge Loan Agreement.

2. Undeliverable Distributions and Unclaimed Property

In the event that any distribution to any holder is returned as undeliverable, no distribution to such holder shall be made unless and until the Disbursing Agent has determined the then-current address of such holder, at which time such distribution shall be made as soon as practicable after such distribution has become deliverable or has been claimed to such holder without interest; *provided, however*, that such distributions shall be deemed unclaimed property under Bankruptcy Code section 347(b) and forfeited at the expiration of six months from the applicable Distribution Date. After such date, all "unclaimed property" or interests in property shall revert to the Reorganized TSC Debtors (notwithstanding any applicable federal or state escheat, abandoned or unclaimed property laws to the contrary), and the Claim of any holder to such property or Equity Interest in property shall be discharged and forever barred.

H. *Hart-Scott-Rodino Compliance*

Any shares of New Common Stock or New Preferred Stock to be distributed under the Plan to any Entity required to file a Premerger Notification and Report Form under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, or to meet any similar requirements under applicable non-U.S. law, shall not be distributed until the notification and waiting periods applicable under such law to such entity shall have expired or been terminated.

I. *Withholding and Reporting Requirements*

In connection with the Plan and all instruments issued in connection therewith, the Disbursing Agent and the Reorganized TSC Debtors shall comply with all applicable withholding and reporting requirements imposed by

any federal, state or local taxing authority and all distributions under the Plan shall be subject to any such withholding or reporting requirements.

J. *Setoffs*

The TSC Debtors and the Reorganized TSC Debtors may withhold (but not set off except as set forth below) from the distributions called for under the Plan on account of any Allowed Claim an amount equal to any claims, equity interests, rights and Causes of Action of any nature that the TSC Debtors or the Reorganized TSC Debtors may hold against the holder of any such Allowed Claim. In the event that any such claims, equity interests, rights and Causes of Action of any nature that the TSC Debtors or the Reorganized TSC Debtors may hold against the holder of any such Allowed Claim are adjudicated by Final Order or otherwise resolved, the TSC Debtors may, pursuant to Bankruptcy Code section 553 or applicable non-bankruptcy law, set off against any Allowed Claim and the distributions to be made pursuant hereto on account of such Allowed Claim (before any distribution is made on account of such Allowed Claim) the amount of any adjudicated or resolved claims, equity interests, rights and Causes of Action of any nature that the TSC Debtors or the Reorganized TSC Debtors may hold against the holder of any such Allowed Claim, but only to the extent of such adjudicated or resolved amount. Neither the failure to effect such a setoff nor the allowance of any Claim under the Plan shall constitute a waiver or release by the TSC Debtors or the Reorganized TSC Debtors of any such claims, equity interests, rights and Causes of Action that the TSC Debtors or the Reorganized TSC Debtors may possess against any such holder, except as specifically provided herein.

K. *Claims Paid or Payable by Third Parties*

1. Claims or Equity Interests Paid by Third Parties

The TSC Debtors or the Reorganized TSC Debtors, as applicable, shall reduce in part or in full a Claim or Equity Interest to the extent that the holder of such Claim or Equity Interest receives payment in part or in full on account of such Claim or Equity Interest from a party that is not a TSC Debtor or Reorganized TSC Debtor. To the extent a holder of a Claim or Equity Interest receives a distribution on account of such Claim or Equity Interest and receives payment from a party that is not a TSC Debtor or a Reorganized TSC Debtor on account of such Claim or Equity Interest, such holder shall, within two weeks of receipt thereof, repay or return the distribution to the applicable Reorganized TSC Debtor, to the extent the holder's total recovery on account of such Claim or Equity Interest from the third party and under the Plan exceeds the amount of such Claim or Equity Interest as of the date of any such distribution under the Plan. The failure of such holder to timely repay or return such distribution shall result in such holder owing the applicable Reorganized TSC Debtor annualized interest at the rate of 5.00% on such amount owed for each Business Day after the two-week grace period specified above until the amount is repaid.

2. Claims Payable by Third Parties

No distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to any of the TSC Debtors' Insurance Policies until the holder of such Allowed Claim has exhausted all remedies with respect to such Insurance Policies. To the extent that one or more of the TSC Debtors' insurers agrees to satisfy in full or in part a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' agreement, the applicable portion of such Claim may be expunged without a Claim objection having to be filed and without any further notice to or action, order or approval of the Bankruptcy Court.

3. Applicability of Insurance Policies

Except as otherwise provided in the Plan, distributions to holders of Allowed Claims shall be in accordance with the provisions of any applicable Insurance Policy. Nothing contained in the Plan shall constitute or be deemed a waiver of any Cause of Action that the TSC Debtors or any Entity may hold against any other Entity, including insurers under any policies of insurance, nor shall anything contained herein constitute or be deemed a waiver by such insurers of any defenses, including coverage defenses, held by such insurers.

L. *Post-petition Interest*

Unless expressly provided in the Plan, the Confirmation Order, the DIP Financing Order or any contract, instrument, release, settlement or other agreement entered into in connection with the Plan or required by the Bankruptcy Code (including without limitation Bankruptcy Code sections 506(b) and 1129(b)), post-petition interest shall not accrue on or after the Petition Date on account of any Claim.

M. *Section 506(c) Reservation*

The TSC Debtors and the Reorganized TSC Debtors reserve all rights under Bankruptcy Code section 506(c) with respect to any and all Secured Claims, except to the extent waived pursuant to the DIP Financing Order.

N. *Single Satisfaction of Claims*

Holders of Allowed Claims may assert such Claims against each TSC Debtor obligated with respect to such Claim and such Claims shall be entitled to share in the recovery provided for the applicable Class of Claims against each obligated TSC Debtor based upon the full amount of the Allowed Claim. Notwithstanding the foregoing, in no case shall the aggregate value of all property received or retained under the Plan on account of Allowed Claims exceed 100% of the underlying Allowed Claim.

ARTICLE VIII.

PROCEDURES FOR RESOLVING CONTINGENT, UNLIQUIDATED AND DISPUTED CLAIMS

A. *Prosecution of Objections to Claims*

The TSC Debtors (in consultation with the Designated Holders) or the Reorganized TSC Debtors, as applicable, shall have the exclusive authority to file, settle, compromise, withdraw or litigate to judgment any objections to Claims as permitted under the Plan; *provided, however*, that the filing, settlement, compromise, withdrawal or litigation to judgment of any objections to Claims after the Confirmation Date but before the Effective Date shall require the consent of the Requisite Designated Holders; *provided, further, however*, that if the Designated Holders (or any one Designated Holder) are providing at least 75% of the Exit Facility, the consent of the Designated Holders that are providing such portion of the Exit Facility shall also be required. From and after the Effective Date, the Reorganized TSC Debtors may settle or compromise any Disputed Claim without approval of the Bankruptcy Court. The TSC Debtors reserve all rights to resolve any Disputed Claim outside the Bankruptcy Court under applicable governing law.

B. *Allowance of Claims*

Except as expressly provided herein or in any order entered in the Chapter 11 Cases before the Effective Date (including the Confirmation Order), the Reorganized TSC Debtors after the Effective Date will have and retain any and all rights and defenses held by the TSC Debtors with respect to any Claim as of the Petition Date. All Claims of any Entity against any TSC Debtor shall be Disallowed unless and until such Entity pays, in full, the amount it owes each such TSC Debtor.

C. *Claims Reserve*

On the Effective Date (or as soon thereafter as is reasonably practicable), the Reorganized TSC Debtors shall deposit in the Claims Reserve New TSC Notes in an amount equal to the lesser of (x) the Aggregate Effective Date Amount and (y) (1) the Note Threshold Amount *minus* (2) the amount of New TSC Notes to be distributed to holders of Allowed Unsecured Claims on the Initial Distribution Date.

D. *Distributions After Allowance*

On the Distribution Date following the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim becomes a Final Order, the Disbursing Agent shall provide to the holder of such Claim the distribution (if any) to which such holder is entitled in accordance with Article VII of the Plan, without any interest to be paid on account of such Claim (unless otherwise specified by the Plan).

E. *Distribution of Excess Amounts in the Disputed Claims Reserve*

Any New TSC Notes held in the Claims Reserve after all Disputed Unsecured Claims have become Allowed Claims or been Disallowed shall be cancelled.

F. *Property Held in the Disputed Claims Reserve*

To the extent New Preferred Stock or the New TSC Notes, as applicable, are distributed to holders of Allowed Unsecured Claims, each holder of (i) a Disputed Unsecured Claim that ultimately becomes an Allowed Unsecured Claim and (ii) with respect to amounts in addition to the distribution made on the Initial Distribution Date, any other Allowed Unsecured Claim will have recourse only to the undistributed New Preferred Stock or New TSC Notes, as applicable, held in the Claims Reserve for satisfaction of the distributions to which holders of Allowed Unsecured Claims are entitled under the Plan. No holder of any Unsecured Claim shall have recourse against any Reorganized TSC Debtor, their property or any assets previously distributed on account of any such Unsecured Claim.

G. *Estimation of Claims*

The TSC Debtors (before the Effective Date) or Reorganized TSC Debtors (on or after the Effective Date) may, at any time, and from time to time, request that the Bankruptcy Court estimate any Disputed Claim pursuant to Bankruptcy Code section 502(c) regardless of whether an objection was previously filed with the Bankruptcy Court with respect to such Claim, or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court will retain jurisdiction to estimate any Claim at any time including, without limitation, during litigation concerning any objection to any Claim and during the pendency of any appeal relating to any such objection. In the event that the Bankruptcy Court estimates any Disputed Claim, that estimated amount will constitute either the Allowed amount of such Claim or a maximum limitation on such Claim against any party or Entity, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on such Claim, the TSC Debtors (before the Effective Date) or the Reorganized TSC Debtors (after the Effective Date), may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim. All of the objection, estimation, settlement and resolution procedures set forth in the Plan are cumulative and not necessarily exclusive of one another. Claims may be estimated and subsequently compromised, objected to, settled, withdrawn or resolved by any mechanism approved by the Bankruptcy Court.

H. *Deadline To File Objections to Claims*

Unless otherwise ordered by the Bankruptcy Court, any objections to Claims shall be filed on or before the date that is the later of (a) 180 days after the Effective Date and (b) the last day of such other period of limitation as may be specifically fixed by an order of the Bankruptcy Court for objecting to certain Claims.

ARTICLE IX.

Comp. Codes R. & Regs. tit. 22 § 1200.8 Rule 1.8(h)(1) (2009) or other applicable rules of professional conduct.

The conditions to Confirmation of the Plan and the conditions to the occurrence of the Effective Date set forth in Article X.B.1, Article X.B.2, Article X.B.5, Article X.B.7, Article X.B.8 and Article X.B.9 may, in each case, be waived at any time only by both of (a) the TSC Debtors and (b) each of the Designated Holders without notice, leave or order of the Bankruptcy Court or any formal action other than proceeding to confirm or consummate the Plan. The condition to the occurrence of the Effective Date set forth in Article X.B.6 may be waived at any time only by both of (a) the TSC Debtors and (b) the Requisite Designated Holders without notice, leave or order of the Bankruptcy Court or any formal action other than proceeding to confirm or consummate the Plan. The ability to waive the condition to the occurrence of the Effective Date set forth in Article X.B.3 shall be consistent with the

consent rights corresponding to each applicable Plan and Plan Supplement document. For the avoidance of doubt, entry of the Confirmation Order may not be waived.

D. *Effect of Failure of Conditions*

If the Effective Date does not occur, the Plan shall be null and void in all respects and nothing contained in the Plan or the Disclosure Statement shall: (1) constitute a waiver or release of any claims by or Claims against the TSC Debtors; (2) prejudice in any manner the rights of the TSC Debtors, any holders of Claims or Equity Interests or any other Entity; or (3) constitute an admission, acknowledgment, offer or undertaking by the TSC Debtors, any holders of Claims or Equity Interests or any other Entity in any respect.

ARTICLE XI.

MODIFICATION, REVOCATION OR WITHDRAWAL OF THE PLAN

A. *Modification and Amendments*

Except as otherwise specifically provided herein, the TSC Debtors reserve the right, in consultation with the Designated Holders, to modify the Plan as to material or immaterial terms prior to Confirmation and seek Confirmation consistent with the Bankruptcy Code and, as appropriate and consistent with the Bankruptcy Code, not re-solicit votes on such modified Plan. Subject to certain restrictions and requirements set forth in Bankruptcy Code section 1127 and Bankruptcy Rule 3019 and those restrictions on modifications set forth in the Plan, the TSC Debtors, with the consent of each of the Designated Holders for material modifications, expressly reserve their rights to alter, amend or modify materially or immaterially the Plan with respect to any or all TSC Debtors, one or more times, after Confirmation, and, to the extent necessary, may initiate proceedings in the Bankruptcy Court to so alter, amend or modify the Plan or remedy any defect or omission, or reconcile any inconsistencies in the Plan, the Disclosure Statement or the Confirmation Order, in such matters as may be necessary to carry out the purposes and intent of the Plan. Any such modification or supplement shall be considered a modification of the Plan and shall be made in accordance with this Article XI. For the avoidance of doubt, non-material modifications may be made by the TSC Debtors in consultation with the Designated Holders.

In addition, prior to the Effective Date, the TSC Debtors (in consultation with the Designated Holders) may make appropriate technical adjustments and modifications to the Plan, without further order or approval of the Bankruptcy Court; *provided, however*, that such technical adjustments and modifications do not adversely affect in a material way the treatment of any holder of Claims or Equity Interests.

B. *Effect of Confirmation on Modifications*

Entry of the Confirmation Order shall mean that all modifications or amendments to the Plan occurring after the solicitation thereof are approved pursuant to Bankruptcy Code section 1127(a) and do not require additional disclosure or re-solicitation under Bankruptcy Rule 3019.

C. *Revocation or Withdrawal of the Plan*

The TSC Debtors (in consultation with the Designated Holders) reserve the right to revoke or withdraw the Plan before the Effective Date. If the TSC Debtors revoke or withdraw the Plan, or if Confirmation or the Effective Date does not occur, then: (1) the Plan shall be null and void in all respects, (2) any settlement or compromise embodied in the Plan (including the fixing or limiting to an amount certain of any Claim or Equity Interest or Class of Claims or Equity Interests), assumption or rejection of Executory Contracts or Unexpired Leases effected by the Plan and any document or agreement executed pursuant to the Plan shall be deemed null and void and (3) nothing contained in the Plan shall: (a) constitute a waiver or release of any Claims or Equity Interests or Claims by any TSC Debtor against any other Entity, (b) prejudice in any manner the rights of such TSC Debtor or any other Entity or (c) constitute an admission, acknowledgement, offer or undertaking of any sort by such TSC Debtor or any other Entity.

8. Except as provided in paragraph 12 herein, the TSC Debtors, with the assistance of the Claims Agent, shall distribute by mailing or causing to be mailed by first-class mail the Solicitation Packages on or before the Solicitation Deadline to holders of Claims and Equity Interests in the Voting Classes who are entitled to vote on the Plan, as determined by the following criteria:

- (a) holders of Claims for which Proofs of Claim have been timely filed, as reflected on the claims register as of the Voting Record Date; *provided, however,* that such Proofs of Claim have not been withdrawn, expunged or disallowed as of the Voting Record Date; *provided, however,* that holders of Claims to which an objection is pending as of the Voting Record Date shall receive a Solicitation Package without a Ballot and shall not be entitled to vote the disputed portion of such Claim unless such holders become eligible to vote through a Resolution Event in accordance with the Solicitation and Voting Procedures;

- (f) the holders, as of the Voting Record Date, of Class 6a Preferred Series A TSC Interests and Class 6b Preferred Series B TSC Interests.

9. The TSC Debtors are authorized, but not directed or required, to distribute the Plan, and the Disclosure Statement Order (unless otherwise noted herein, only including Exhibit

11. Any party who receives a CD-ROM, but who would prefer paper format, may contact the Claims Agent, prior to the Voting Deadline, and request paper copies of the corresponding materials previously received in CD-ROM format, which shall then be provided at the TSC Debtors' expense.

12. Except to the extent the TSC Debtors determine otherwise, the TSC Debtors are not required to provide Solicitation Packages to holders of Claims or Equity Interests in Non-voting Classes, as such holders are not entitled to vote on the Plan. Instead, on or before the Solicitation Deadline, the Claims Agent shall mail (first-class postage prepaid) to parties who are not entitled to vote on the Plan the applicable Non-voting Status Notice as described below in lieu of Solicitation Packages, the form of each of which is hereby approved:

- (a) *Unimpaired Claims and Equity Interests – Conclusively Presumed to Accept*: Holders of Claims and Equity Interests in Classes 1, 2, 7b, 7c, 7d, 7e, 7f, 7g, 7h and 7i, which are not Impaired under the Plan and, therefore, are conclusively presumed to have accepted the Plan, shall receive the notice substantially in the form attached hereto as Exhibit 4a and incorporated by reference herein;

- (b) *Impaired Claims and Equity Interests – Deemed to Reject:* Holders of Claims and Equity Interests in Classes 6c, 6d, 6e and 7a, which are receiving no distribution under the Plan and, therefore, are deemed to reject the Plan, shall receive the notice substantially in the form attached hereto as Exhibit 4b and incorporated by reference herein;
- (c) *Disputed Claims:* Holders of Disputed Claims are not entitled to vote on the Plan with respect to the disputed portion of their Claim and shall receive a Solicitation Package, without a Ballot, and the notice substantially in the form attached hereto as Exhibit 4c and incorporated by reference herein;
- (d) *Contract and Lease Counterparties:* Counterparties to the TSC Debtors' Executory Contracts and Unexpired Leases shall receive the notice substantially in the form attached hereto as Exhibit 5 and incorporated by reference herein; and
- (e) *Intercompany Claims and Intercompany Equity Interests:* The TSC Debtors are not required to provide the holders of Intercompany Claims or intercompany Equity Interests with a Solicitation Package or any other type of notice.
- (f) *Uncategorized Matrix Parties:* The Confirmation Hearing Notice shall be distributed to all parties in the creditor matrix maintained by the Claims Agent that do not fall within any of the categories described in subparagraphs (a) through (e) of this paragraph or paragraph 8.

13. The TSC Debtors are not required to mail Solicitation Packages or other solicitation materials to: (a) holders of Claims that have already been paid in full during these chapter 11 cases or that are authorized to be paid in full in the ordinary course of business pursuant to an order previously entered by this Court or (b) any party to whom the Disclosure Statement Hearing Notice was sent but returned as undeliverable. Failure to mail Solicitation Packages or other solicitation materials to those entities described in (a) and (b) in this paragraph 13 will not constitute inadequate notice of the Confirmation Hearing and the Voting Deadline.

14. Publication of the Confirmation Hearing Notice (in a format modified for publication) within seven business days after the Solicitation Deadline in the national edition of the *Washington Post* and *USA Today* comports with Bankruptcy Rule 2002 and constitutes sufficient notice to all unknown creditors and parties in interest consistent with principles of due process and is hereby approved.

RE: In re TerreStar Corporation, et al., Chapter 11 Case No. 11-10612 (SHL) (Jointly Administered)

On October 19, 2010, TerreStar New York Inc., Motient Communications Inc., Motient Holdings Inc., Motient License Inc., Motient Services Inc., Motient Ventures Holding Inc. and MVH Holdings Inc. (collectively, the “*Other TSC Debtors*”), each filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code (the “*Bankruptcy Code*”) in the United States Bankruptcy Court for the Southern District of New York (the “*Court*”). On February 16, 2011, TerreStar Corporation and TerreStar Holdings Inc. (together, the “*February Debtors*” and, together with the Other TSC Debtors, the “*TSC Debtors*”) each filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code in the Court. On February 23, 2011, the Court entered an order jointly administering the chapter 11 cases of the TSC Debtors.

You have received this letter and the enclosed materials because you are entitled to vote on the *Joint Chapter 11 Plan of TerreStar Corporation, Motient Communications Inc., Motient Holdings Inc., Motient License Inc., Motient Services Inc., Motient Ventures Holding Inc., MVH Holdings Inc., TerreStar Holdings Inc. and TerreStar New York Inc.* (as may be modified or amended from time to time, the “*Plan*”) (Docket No. 141) filed by the TSC Debtors. On [REDACTED], the Court entered an order (the “*Disclosure Statement Order*”) (Docket No. [REDACTED]) (a) approving the *Disclosure Statement for the Joint Chapter 11 Plan of TerreStar Corporation, Motient Communications Inc., Motient Holdings Inc., Motient License Inc., Motient Services Inc., Motient Ventures Holding Inc., MVH Holdings Inc., TerreStar Holdings Inc. and TerreStar New York Inc.* (as may be modified or amended from time to time, the “*Disclosure Statement*”) (Docket No. [REDACTED]), (b) fixing the dates and deadlines related to confirmation of the Plan, (c) approving the procedures for soliciting and tabulating the votes on, and for objecting to, the Plan and (d) approving the manner and form of notices and documents relating to the Plan.

YOU ARE RECEIVING THIS LETTER BECAUSE YOU ARE ENTITLED TO VOTE ON THE PLAN. THEREFORE, YOU SHOULD READ THIS LETTER CAREFULLY AND DISCUSS IT WITH YOUR ATTORNEY. IF YOU DO NOT HAVE AN ATTORNEY, YOU MAY WISH TO CONSULT ONE.

In addition to this cover letter, the enclosed materials (collectively, the “*Solicitation Package*”) were approved by the Court for distribution to holders of claims and equity interests in connection with the solicitation of votes to accept or reject the Plan, and consist of the following:

- i. the Disclosure Statement, as approved by the Court (with all exhibits, including the Plan);
- ii. the Disclosure Statement Order (only including Exhibit 6 attached thereto);
- iii. the notice of the hearing to consider confirmation of the Plan; and
- iv. a ballot or preferred stock ballot, as applicable (together with detailed voting instructions and a postage prepaid return envelope, pre-addressed to the Claims Agent (identified below) or the nominee, as applicable).

The board of directors of TerreStar Corporation (on behalf of each of the TSC Debtors) has approved the filing of the Plan and the solicitation of votes to accept the Plan. The TSC Debtors believe that the acceptance of the Plan is in the best interests of the estates, holders of claims and equity interests, including holders of claims and equity interests that are entitled to vote on the Plan, and all other parties in interest. Moreover, the TSC Debtors believe that any alternative, other than confirmation of the Plan, could result in extensive delays and increased

administrative expenses, which, in turn, would likely result in smaller distributions (or no distributions) on account of claims and equity interests asserted in these chapter 11 cases.

The hearing at which the Court will consider confirmation of the Plan (the “*Confirmation Hearing*”) will commence at **11:00 a.m. (prevailing Eastern Time) on November 9, 2011** before the Honorable Sean H. Lane, United States Bankruptcy Judge, in the United States Bankruptcy Court for the Southern District of New York, located at One Bowling Green, New York, New York 10004.

THE TSC DEBTORS STRONGLY URGE YOU TO PROPERLY AND TIMELY
SUBMIT YOUR BALLOT CASTING A VOTE TO ACCEPT THE PLAN.

SOLICITATION AND VOTING PROCEDURES

Pursuant to the *Order (A) Approving the Disclosure Statement for the Joint Chapter 11 Plan of the TSC Debtors and (B) Establishing Solicitation and Voting Procedures with Respect to the Joint Chapter 11 Plan of the TSC Debtors* (the “**Order**”) (Docket No. []), the following procedures (the “**Solicitation and Voting Procedures**”) are adopted with respect to the return and tabulation of Ballots, Preferred Stock Ballots and Master Preferred Stock Ballots with respect to votes to accept or reject the *Joint Chapter 11 Plan of TerreStar Corporation, Motient Communications Inc., Motient Holdings Inc., Motient License Inc., Motient Services Inc., Motient Ventures Holding Inc., MVH Holdings Inc., TerreStar Holdings Inc. and TerreStar New York Inc.* (as may be modified or amended from time to time, the “**Plan**”) (Docket No. 141).²

A. Procedures To Tabulate All Ballots and Master Preferred Stock Ballots:

- i. Except in the TSC Debtors’ sole discretion, or as otherwise expressly set forth herein or by a final order of the Court, each and every Ballot, Preferred Stock Ballot or Master Preferred Stock Ballot that is not timely submitted and **actually received** by the Claims Agent on or before the Voting Deadline shall not be counted.
- ii. The Claims Agent shall date and time-stamp all Ballots and Master Preferred Stock Ballots when received. The Claims Agent shall retain originals and copies of all Ballots and Master Preferred Stock Ballots for a period of one year after the effective date of the Plan, unless otherwise ordered by the Court.
- iii. Each party permitted to submit a Ballot or Master Preferred Stock Ballot shall submit an originally executed version of such Ballot or Master Preferred Stock Ballot in paper form to the Claims Agent. Submission of a Ballot or Master Preferred Stock Ballot by facsimile, email or any other electronic means shall not be valid and the TSC Debtors shall decline to count such Ballot or Master Preferred Stock Ballot in tabulating votes to accept or reject the Plan.
- iv. The TSC Debtors shall file a report of all votes received (a “**Voting Report**”) with the Court no later than seven calendar days before the Confirmation Hearing. The Voting Report shall, among other things, delineate every irregular Ballot and Master Preferred Stock Ballot including, without limitation, those Ballots and Master Preferred Stock Ballots that are late or (in whole or in material part as determined by the Claims Agent) illegible, unidentifiable, lacking signatures or lacking necessary information, received via facsimile or electronic mail or damaged. The Voting Report shall indicate the TSC Debtors’ intentions with regard to such irregular Ballots and Master Preferred Stock Ballots.

¹ The debtors in these chapter 11 cases are: TerreStar Corporation; Motient Communications Inc.; Motient Holdings Inc.; Motient License Inc.; Motient Services Inc.; Motient Ventures Holding Inc.; MVH Holdings Inc.; TerreStar Holdings Inc.; and TerreStar New York Inc.

² Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Plan.

- v. The method of delivery of Ballots and Master Preferred Stock Ballots to the Claims Agent is at the election and risk of each holder of a Claim or Equity Interest. Except as otherwise provided herein, such delivery will be deemed made only when the Claims Agent **actually receives** the originally executed Ballot or Master Preferred Stock Ballot.
- vi. No Ballot, Preferred Stock Ballot or Master Preferred Stock Ballot shall be sent to any of the TSC Debtors, the TSC Debtors' agents (other than the Claims Agent) or the TSC Debtors' financial or legal advisors and if so sent shall not be counted and debt instruments or securities should not be sent with any Ballots, Preferred Stock Ballots or Master Preferred Stock Ballots.
- vii. Except in the TSC Debtors' sole discretion, if multiple Ballots, Preferred Stock Ballots or Master Preferred Stock Ballots are received from the same holder of a Claim or Equity Interest with respect to the same Claim or Equity Interest before the Voting Deadline, the last valid Ballot, Preferred Stock Ballot or Master Preferred Stock Ballot timely received will supersede and revoke in its entirety any previously received Ballot, Preferred Stock Ballot or Master Preferred Stock Ballot.
- viii. Except in the TSC Debtors' sole discretion, if Ballots, Preferred Stock Ballots or Master Preferred Stock Ballots are received from a holder of a Claim or Equity Interest and the holder's attorney or legal representative with respect to the same Claim or Equity Interest before the Voting Deadline, the last valid Ballot, Preferred Stock Ballot or Master Preferred Stock Ballot timely received will supersede and revoke in its entirety any previously received Ballot, Preferred Stock Ballot or Master Preferred Stock Ballot.
- ix. Holders must vote all of their Claims or Equity Interests within a particular Class either to accept or reject the Plan and may not split any such votes. A Ballot, Preferred Stock Ballot or Master Preferred Stock Ballot that includes an individual Claim or Equity Interest, the amount of which partially rejects and partially accepts an individual Plan, shall not be counted. Further, if a holder has multiple Claims or Equity Interests within the same Class, the TSC Debtors may, in their discretion, aggregate the Claims or Equity Interests of any particular holder within a Class for the purpose of counting votes.
- x. A person signing a Ballot or Preferred Stock Ballot in its capacity as a trustee, executor, administrator, guardian, attorney in fact, officer of a corporation or otherwise acting in a fiduciary or representative capacity must indicate such capacity when signing and, if required or requested by the applicable nominee or its agent, the Claims Agent, the TSC Debtors or the Court, must submit proper evidence to the requesting party to so act on behalf of such holder or beneficial holder.
- xi. The TSC Debtors, in their sole discretion, subject to contrary order of the Court, may waive any defects or irregularities as to any particular Ballot, Preferred Stock Ballot or Master Preferred Stock Ballot at any time, either before or after the close of voting, and any such waivers shall be documented in the Voting Report.
- xii. Neither the TSC Debtors, nor any other party (at the direction of counsel of the TSC Debtors), shall be required to provide notification of defects or irregularities with respect to delivered Ballots, Preferred Stock Ballots or Master Preferred Stock Ballots other than as provided in the Voting Report (although such parties are authorized to provide such notification), nor will any such party incur any liability for failure to provide such notification.
- xiii. Unless waived by the TSC Debtors in their sole discretion and subject to contrary order of the Court, any defects or irregularities in connection with the delivery of a Ballot, Preferred Stock Ballot or Master Preferred Stock Ballot must be cured before the Voting Deadline or such Ballots, Preferred Stock Ballots or Master Preferred Stock Ballots will not be counted in voting to accept or reject the Plan.

- xiv. The Voting Deadline may be extended by (i) agreement between the holder of a Claim or Equity Interest entitled to vote and the TSC Debtors, in their sole discretion or (ii) order of the Court.
- xv. Subject to any contrary order of the Court, the TSC Debtors reserve the right to reject any and all Ballots, Preferred Stock Ballots and Master Preferred Stock Ballots not in proper form, the acceptance of which, in the opinion of the TSC Debtors, would not be in accordance with the provisions of the Bankruptcy Code or the Bankruptcy Rules; *provided* that any such rejections shall be documented in the Voting Report.
- xvi. A Ballot, Preferred Stock Ballot or Master Preferred Stock Ballot shall not be counted in determining the acceptance or rejection of the Plan if it: (a) is illegible or contains insufficient information to permit the identification of the holder of the Claim or Equity Interest; (b) is submitted by a party that does not hold a Claim or Equity Interest in a Class that is entitled to vote on the Plan; (c) is submitted by a holder of a Claim listed in the Schedules as contingent, unliquidated or disputed, or any combination thereof, or in a zero or unknown amount, for which the applicable bar date has passed and no Proof of Claim was timely filed; (d) is unsigned or submitted without an original signature; (e) is not clearly marked to accept or reject the Plan or marked both to accept and reject the Plan; (f) is submitted by a holder of a Claim whose Claim is the subject of an objection that was filed on or before the Voting Record Date, except to the extent such Claim is undisputed, and which was not allowed (temporarily or otherwise) pursuant to a Resolution Event (as described in the Order); or (g) is submitted by any entity not entitled to vote pursuant to the Bankruptcy Code, the Bankruptcy Rules or the procedures described herein.

B. Procedures To Tabulate Votes Submitted by the Beneficial Holders of Equity Interests:

- i. No later than three weeks before the Voting Deadline, the Claims Agent shall distribute or cause to be distributed the appropriate number of copies of Master Preferred Stock Ballots to each Nominee identified by the Claims Agent as a party through which beneficial holders hold equity interests in TSC.
- ii. Any Nominee that is a holder of record with respect to such equity interests shall vote on behalf of beneficial holders of such equity interests by: (a) distributing the Solicitation Package, including Preferred Stock Ballots, it receives from the Claims Agent to all such beneficial holders within five business days of receipt of such materials; (b) promptly collecting Preferred Stock Ballots from such beneficial holders that cast votes on the Plan; (c) compiling and validating the votes and other relevant information of all such beneficial holders on the Master Preferred Stock Ballot; and (d) transmitting the Master Preferred Stock Ballot to the Claims Agent by the Voting Deadline.
- iii. Any beneficial holder holding equity interests as a record holder in its own name shall vote on each of the applicable Plans by completing and signing a Preferred Stock Ballot and returning it directly to the Claims Agent on or before the Voting Deadline.
- iv. Any beneficial holder holding equity interests in “street name” through a Nominee (i.e., a brokerage firm, commercial bank, trust company or other nominee (or an agent thereof) or agent) must vote on the Plan through such Nominee by completing and signing the Preferred Stock Ballot and returning such Preferred Stock Ballot to the appropriate Nominee as promptly as possible and in sufficient time to allow such Nominee to process the Preferred Stock Ballot and return the Master Preferred Stock Ballot to the Claims Agent before the Voting Deadline. Any beneficial holder holding equity interests in “street name” that submits a Preferred Stock Ballot to the TSC Debtors, the TSC Debtors’ agents or the TSC Debtors’ financial or legal advisors will not have such Preferred Stock Ballot counted for purposes of accepting or rejecting the Plan.
- v. Any Preferred Stock Ballot returned to a Nominee by a beneficial holder shall not be counted for purposes of accepting or rejecting the Plan until such Nominee properly completes and delivers to the Claims Agent a Master Preferred Stock Ballot that reflects the vote of such beneficial holders by the Voting Deadline or otherwise validates the Preferred Stock Ballot in a manner acceptable to

the Claims Agent. Nominees shall retain all Preferred Stock Ballots returned by beneficial holders for a period of one year after the effective date of the Plan.

- vi. If a beneficial holder holds equity interests through more than one Nominee or through multiple accounts, such beneficial holder may receive more than one Preferred Stock Ballot and each such beneficial holder should execute a separate Preferred Stock Ballot for each block of equity interests that it holds through any Nominee and vote in the same manner to accept or reject (cannot split the vote) and must return each such Preferred Stock Ballot to the appropriate Nominee.
- vii. If a beneficial holder holds a portion of its equity interests through a Nominee or Nominees and another portion in its own name as the record holder, such beneficial holder should follow the procedures described in this subsection to vote the portion held in its own name and to vote the portion held by the Nominee(s).

C. Establishing Claim Amounts for Voting Purposes

- i. For purposes of tabulating the amount of the Claim associated with each properly received vote, the TSC Debtors, with the assistance of the Claims Agent, shall, for voting purposes only, use the Claim amounts in accordance with the following hierarchy:
 - a. the Claim amount settled and/or agreed upon by the TSC Debtors as reflected in a pleading, stipulation, agreement or other document filed with the Court, in an order of the Court or in a document executed by the TSC Debtors pursuant to authority granted by the Court;
 - b. the Claim amount allowed (temporarily or otherwise) pursuant to a Resolution Event (as described in the Order);
 - c. except to the extent a Claim has been paid during the TSC Debtors' chapter 11 cases pursuant to the terms of a settlement, stipulation, order of the Court or otherwise, the Claim amount contained in a Proof of Claim that has been timely filed by the applicable bar date or determined to be timely filed by an order of the Court, except for any amounts in such Proofs of Claim asserted on account of any interest accrued after the Petition Date; *provided, however*, that Ballots cast by holders of Claims whose Claims are not listed on the Schedules, but that timely file a Proof of Claim in an unliquidated or unknown amount and whose Claims are not the subject of an objection will count, solely for the purposes of satisfying the dollar amount provisions of Bankruptcy Code section 1126(c), in the amount of \$1.00, *provided further* that with respect to a Proof of Claim that is filed in a partially liquidated amount, such Claim will be counted in the liquidated amount for voting purposes;
 - d. the Claim amount listed in the Schedules to the extent that such Claim (I) is not listed on the Schedules as contingent, disputed or unliquidated or in an unknown or zero amount and (II) has not been paid during the TSC Debtors' chapter 11 cases pursuant to the terms of a settlement, stipulation, order of the Court or otherwise; *provided, however*, that if the bar date applicable to a holder of a contingent, unliquidated or disputed Claim has not passed, then the amount of the Claim listed in the Schedules, solely for voting purposes; and
 - e. in the absence of any of the foregoing, zero dollars, in which case the creditor shall not be allowed to vote to accept or reject the Plan.

- ii. if a party that is entitled to vote has more than one Claim (either scheduled or filed or both) against a TSC Debtor based upon different transactions, said party shall be entitled to one vote per Class for numerosity purposes in the aggregate dollar amount of all of said Claims; and
- iii. the Claim amount established pursuant to this section shall control for voting purposes only, and shall not constitute the allowed amount of any Claim.

D. Criteria To Tabulate Preferred Stock Ballots and Master Preferred Stock Ballots Cast by Nominees and Beneficial Holders of Equity Interests:

- i. Votes cast by beneficial holders through Nominees will be applied to the applicable positions held by such Nominees in Class 6 as of the Voting Record Date, as evidenced by the record and depository listings. Votes submitted by a Nominee, whether pursuant to a Master Preferred Stock Ballot or prevalidated Preferred Stock Ballot, will not be counted in excess of the amount of such equity interests held by such Nominee as of the Voting Record Date.
- ii. If conflicting votes or “over-votes” are submitted by a Nominee, whether pursuant to a Master Preferred Stock Ballot or prevalidated Preferred Stock Ballot, the TSC Debtors will use reasonable efforts to reconcile discrepancies with the Nominees.
- iii. If over-votes on a Master Preferred Stock Ballot or prevalidated Preferred Stock Ballot are not reconciled before the preparation of the Voting Report, the TSC Debtors shall apply the votes to accept and to reject the Plan in the same proportion as the votes to accept and to reject the Plan submitted on the Master Preferred Stock Ballot or prevalidated Preferred Stock Ballot that contained the overvote, but only to the extent of the Nominee’s position in Class 6.
- iv. For purposes of tabulating votes, each Nominee or beneficial holder will be deemed to have voted the aggregate number of its equity interests in Class 6.
- v. A single Nominee may complete and deliver to the Claims Agent multiple Master Preferred Stock Ballots. Votes reflected on multiple Master Preferred Stock Ballots will be counted, except to the extent that they are duplicative of other Master Preferred Stock Ballots. If two or more Master Preferred Stock Ballots are inconsistent, the latest valid-dated Master Preferred Stock Ballot received prior to the Voting Deadline will, to the extent of such inconsistency, supersede and revoke any prior Master Preferred Stock Ballot.

E. Temporary Allowance of Claims for Voting Purposes

- i. The amount of a Claim for voting purposes shall be calculated in accordance with Section C hereof. The holder of a Disputed Claim may seek to obtain one of the following “**Resolution Events**” by filing a motion with the Court pursuant to Bankruptcy Rule 3018(a) (each, a “**Rule 3018 Motion**”) to have its Claim allowed in a specified amount and/or classification for the purpose of accepting or rejecting the Plan. In order for the holder of a Disputed Claim to be entitled to vote on the Plan with respect to the disputed portion of its Claim, however, any such Resolution Event must occur no later than five business days before the Voting Deadline:
 - a. an order entered by the Court, after notice and a hearing, allowing a Disputed Claim in a specified amount;
 - b. an order entered by the Court temporarily allowing a Disputed Claim in a specified amount for voting purposes only pursuant to Bankruptcy Rule 3018(a), after notice and a hearing;

- c. a stipulation or other agreement executed between the holder of a Disputed Claim and the TSC Debtors resolving the objection and allowing such Disputed Claim in an agreed-upon amount;
 - d. a stipulation or other agreement executed between the holder of the Disputed Claim and the TSC Debtors temporarily allowing the holder of such Disputed Claim to vote its Claim in an agreed-upon amount; or
 - e. a voluntary withdrawal by the TSC Debtors of a pending objection to the Disputed Claim.
- ii. If a Resolution Event occurs, then, no later than two business days thereafter, the Claims Agent shall distribute a Ballot and a pre-addressed, postage pre-paid envelope to the holder of Claim that has been Allowed for voting purposes only, which must be returned to the Claims Agent no later than the Voting Deadline.

Financial Projections

A. Purpose and Objectives

The TSC Debtors⁽¹⁾ prepared the Reorganized TerreStar Corporation Pro Forma Balance Sheet, Projected Income Statement, Projected Balance Sheet, and Projected Cash Flow Statement (collectively, the “*Financial Projections*”) for the years 2011 through 2015 (the “*Projection Period*”). The Financial Projections are based on a number of assumptions made by the TSC Debtors’ management with respect to the future performance of the TSC Debtors’ operations. The Financial Projections and related assumptions in this Exhibit E are “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995. Although the TSC Debtors’ management has prepared the Financial Projections in good faith and believes the assumptions to be reasonable, it is important to note that the TSC Debtors can provide no assurance that such Financial Projections and assumptions will be realized. As described in detail in the Disclosure Statement, a variety of risk factors could affect the TSC Debtors’ actual financial results and must be considered. You are encouraged to read these risk factors in their entirety. See Article XI of the Disclosure Statement. The Financial Projections should be reviewed in conjunction with a review of the assumptions set forth in this Exhibit E, including the accompanying qualifications and footnotes. The actual results and financial condition of the TSC Debtors may differ materially from those presented in the Financial Projections.

The TSC Debtors did not prepare the Financial Projections with a view toward compliance with published guidelines of the Securities and Exchange Commission or guidelines established by the FASB, particularly for reorganization accounting. The TSC Debtors’ independent accountants have neither examined nor compiled the Financial Projections and accordingly do not express an opinion or any other form of assurance with respect to the Financial Projections, assume no responsibility for the Financial Projections and disclaim any association with the Financial Projections.

All dollar amounts in the Financial Projections are US dollars unless otherwise indicated.

B. General Assumptions

1. Methodology

The Financial Projections have been prepared by the TSC Debtors’ management and are based on the TSC Debtors’ operating forecast for 2011-2015. The Financial Projections assume that the TSC Debtors’ existing Spectrum Lease remains in effect under its current terms as described below.

2. Plan Consummation

The Financial Projections assume that the Plan will be confirmed and consummated by December 31, 2011.

⁽¹⁾ Capitalized terms used and not defined herein shall have the meanings ascribed to them in the Disclosure Statement or the Plan, as applicable.

3. New TSC Notes

The Financial Projections assume that existing Unsecured Claims against the TSC Debtors are restructured into New TSC Notes with face amount equivalent to estimated Allowed Claims. The New TSC Notes are assumed to mature in [___] years. Interest on the New TSC Notes will be paid in cash at a rate of [___%] per year. The TSC Debtors will be required to repay a portion of the New TSC Notes with [___%] of Excess Cash Flow (as defined in the New TSC Notes Indenture).

4. The Spectrum Lease

An indirect wholly-owned subsidiary of TerreStar Corporation, 1.4 Holdings, has the right to use 8 MHz of non-contiguous spectrum in the 1.4 GHz band which covers the entire population of the United States. In September 2009, 1.4 Holdings entered into the Spectrum Lease with One Dot Four, a subsidiary of LightSquared and an affiliate of Harbinger under which One Dot Four is leasing the TSC Debtors' rights to use the 1.4 GHz terrestrial spectrum. The Spectrum Lease has an initial term through April 2017, renewable at One Dot Four's option for two additional terms of ten years each subject to FCC renewal of the FCC licenses. Under certain conditions, One Dot Four has an option, but not the obligation, to purchase the FCC licenses. One Dot Four also has a right of first refusal to match an offered price (less credit for certain amounts paid under the agreement) in any potential transfer of the licenses by 1.4 Holdings to a third party. Per the terms of the agreement, the lease payments are projected at \$2.0 million per month during the Projection Period.

5. Exit Facility

The Financial Projections assume the TSC Debtors receive total proceeds from the Exit Facility of up to \$6.5 million to repay the Bridge Loan Claims and DIP Claims and fund general corporate purposes. The Exit Facility will be structured as a single-draw term loan, with a [___] year maturity. It will earn cash pay interest at a rate of [___%] and will amortize with Excess Cash Flow as per the Exit Facility Agreement.

C. Projected December 31, 2011 Balance Sheet and Reorganized TerreStar Corporation Pro Forma Balance Sheet

The Projected December 31, 2011 Balance Sheet was developed using the TSC Debtors' actual January 31, 2011 unaudited balance sheet adjusted to reflect actual results of operations through June 30, 2011 and the TSC Debtors' management's projected operating results through December 31, 2011. On the Effective Date, actual results may materially differ due to a variety of factors, including as a result of the risk factors discussed in Article XI of the Disclosure Statement. Adjustments were made to the Reorganized TerreStar Corporation Pro Forma Balance Sheet to give effect to the consummation of the Plan. Adjustments to the reorganized equity value will be based upon the fair value of the assets and liabilities as of the Effective Date.

As described more fully below, the Reorganized TerreStar Corporation Pro Forma Balance Sheet reflects the Reorganized TerreStar Corporation pro forma capital structure resulting from the consummation of the Plan. Specifically, and consistent with the assumptions set forth above, the

Reorganized TerreStar Corporation Pro Forma Balance Sheet assumes the TSC Debtors will have pro forma funded indebtedness of \$142.4 million consisting of the \$6.5 million Exit Facility and \$135.9 million of New TSC Notes. As set forth more fully in the Disclosure Statement, the TSC Debtors dispute certain of the Unsecured Claims that might receive New TSC Notes, and the actual amount of the New TSC Notes issued might be significantly lower.

Notes to the Pro Forma Condensed Consolidated Balance Sheet

(1) Cash and Cash Equivalents

The adjustment of \$0.1 million reflects \$6.5 million proceeds of the Exit Facility, less the repayment of the Bridge Loan Claims (\$4.2 million) and DIP Claims (\$1.7 million) as well payment of the transaction fee Blackstone is entitled to collect in accordance with its Court approved retention (\$0.5 million).

(2) Notes Due From TerreStar Networks Inc. / Equity in TerreStar Networks Inc.

Upon emergence, the notes due from TerreStar Networks Inc. will be written down to the expected recovery value.

(3) Intercompany Transfers

The adjustment of \$496.5 million is due to the write-down of amounts due from affiliated companies and TerreStar Global Ltd. ("*TerreStar Global*") upon emergence.

The adjustment of \$1.4 million is due to the write-down of deferred issuance costs associated with the Bridge Loan Agreement upon repayment in full on the Effective Date.

(5) Intangible Assets, Net

The adjustment of \$177.5 million is due to the write-down of all intangible assets.

(6) Reorganization Value in Excess of Fair Value of Assets

(7) Bridge Loan, Net

The adjustment of \$4.2 million is due to the repayment of outstanding Bridge Loan Claims on the Effective Date.

1. Revenue

The TSC Debtors are expected to generate revenue exclusively from the Spectrum Lease pursuant to the terms of the Spectrum Lease with One Dot Four.

2. Operating Expenses

The Reorganized TSC Debtors' expenses predominantly relate to staff, insurance, legal, board and reporting costs. Costs are projected to grow 2.0% annually.

3. Interest Expense

Interest expense projections are based on the Reorganized TSC Debtors' estimated post-emergence capital structure assumed to be effective on December 31, 2011. The post-emergence debt is comprised of the Exit Facility and the New TSC Notes, with cash interest coupons of [___%] and [___%], respectively.

4. Income Taxes

The Financial Projections assume the Reorganized TSC Debtors will qualify for treatment under Section 382(1)(5) of the Internal Revenue Code. In that case, the Reorganized TSC Debtors would have significant NOLs and therefore would not expect to pay United States federal income taxes in the Projection Period.

E. Reorganized TerreStar Corporation Balance Sheets

The Reorganized TerreStar Corporation Balance Sheets set forth the projected financial position of the Reorganized TSC Debtors, after giving effect to the projected December 31, 2011 Balance Sheet, the proposed reorganization and related pro forma adjustments described in this Exhibit E. The Reorganized TerreStar Corporation Balance Sheets were developed based upon the projected results of operations and cash flows over the Projection Period.

SOLICITATION AND VOTING PROCEDURES

Pursuant to the Order (A) Approving the Disclosure Statement for the Joint Chapter 11 Plan of the TSC Debtors and (B) Establishing Solicitation and Voting Procedures with Respect to the Joint Chapter 11 Plan of the TSC Debtors (the “**Order**”) (Docket No. [REDACTED]), the following procedures (the “**Solicitation and Voting Procedures**”) are adopted with respect to the return and tabulation of Ballots, Preferred Stock Ballots and Master Preferred Stock Ballots with respect to votes to accept or reject the *Joint Chapter 11 Plan of TerreStar Corporation, Motient Communications Inc., Motient Holdings Inc., Motient License Inc., Motient Services Inc., Motient Ventures Holding Inc., MVH Holdings Inc., TerreStar Holdings Inc. and TerreStar New York Inc.* (as may be modified or amended from time to time, the “**Plan**”) (Docket No. 141).²

A. Procedures To Tabulate All Ballots and Master Preferred Stock Ballots:

- i. Except in the TSC Debtors’ sole discretion, or as otherwise expressly set forth herein or by a final order of the Court, each and every Ballot, Preferred Stock Ballot or Master Preferred Stock Ballot that is not timely submitted and **actually received** by the Claims Agent on or before the Voting Deadline shall not be counted.
- ii. The Claims Agent shall date and time-stamp all Ballots and Master Preferred Stock Ballots when received. The Claims Agent shall retain originals and copies of all Ballots and Master Preferred Stock Ballots for a period of one year after the effective date of the Plan, unless otherwise ordered by the Court.
- iii. Each party permitted to submit a Ballot or Master Preferred Stock Ballot shall submit an originally executed version of such Ballot or Master Preferred Stock Ballot in paper form to the Claims Agent. Submission of a Ballot or Master Preferred Stock Ballot by facsimile, email or any other electronic means shall not be valid and the TSC Debtors shall decline to count such Ballot or Master Preferred Stock Ballot in tabulating votes to accept or reject the Plan.
- iv. The TSC Debtors shall file a report of all votes received (a “**Voting Report**”) with the Court no later than seven calendar days before the Confirmation Hearing. The Voting Report shall, among other things, delineate every irregular Ballot and Master Preferred Stock Ballot including, without limitation, those Ballots and Master Preferred Stock Ballots that are late or (in whole or in material part as determined by the Claims Agent) illegible, unidentifiable, lacking signatures or lacking necessary information, received via facsimile or electronic mail or damaged. The Voting Report shall indicate the TSC Debtors’ intentions with regard to such irregular Ballots and Master Preferred Stock Ballots.

¹ The debtors in these chapter 11 cases are: TerreStar Corporation; Motient Communications Inc.; Motient Holdings Inc.; Motient License Inc.; Motient Services Inc.; Motient Ventures Holding Inc.; MVH Holdings Inc.; TerreStar Holdings Inc.; and TerreStar New York Inc.

² Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Plan.

- v. The method of delivery of Ballots and Master Preferred Stock Ballots to the Claims Agent is at the election and risk of each holder of a Claim or Equity Interest. Except as otherwise provided herein, such delivery will be deemed made only when the Claims Agent **actually receives** the originally executed Ballot or Master Preferred Stock Ballot.
- vi. No Ballot, Preferred Stock Ballot or Master Preferred Stock Ballot shall be sent to any of the TSC Debtors, the TSC Debtors' agents (other than the Claims Agent) or the TSC Debtors' financial or legal advisors and if so sent shall not be counted and debt instruments or securities should not be sent with any Ballots, Preferred Stock Ballots or Master Preferred Stock Ballots.
- vii. Except in the TSC Debtors' sole discretion, if multiple Ballots, Preferred Stock Ballots or Master Preferred Stock Ballots are received from the same holder of a Claim or Equity Interest with respect to the same Claim or Equity Interest before the Voting Deadline, the last valid Ballot, Preferred Stock Ballot or Master Preferred Stock Ballot timely received will supersede and revoke in its entirety any previously received Ballot, Preferred Stock Ballot or Master Preferred Stock Ballot.
- viii. Except in the TSC Debtors' sole discretion, if Ballots, Preferred Stock Ballots or Master Preferred Stock Ballots are received from a holder of a Claim or Equity Interest and the holder's attorney or legal representative with respect to the same Claim or Equity Interest before the Voting Deadline, the last valid Ballot, Preferred Stock Ballot or Master Preferred Stock Ballot timely received will supersede and revoke in its entirety any previously received Ballot, Preferred Stock Ballot or Master Preferred Stock Ballot.
- ix. Holders must vote all of their Claims or Equity Interests within a particular Class either to accept or reject the Plan and may not split any such votes. A Ballot, Preferred Stock Ballot or Master Preferred Stock Ballot that includes an individual Claim or Equity Interest, the amount of which partially rejects and partially accepts an individual Plan, shall not be counted. Further, if a holder has multiple Claims or Equity Interests within the same Class, the TSC Debtors may, in their discretion, aggregate the Claims or Equity Interests of any particular holder within a Class for the purpose of counting votes.
- x. A person signing a Ballot or Preferred Stock Ballot in its capacity as a trustee, executor, administrator, guardian, attorney in fact, officer of a corporation or otherwise acting in a fiduciary or representative capacity must indicate such capacity when signing and, if required or requested by the applicable nominee or its agent, the Claims Agent, the TSC Debtors or the Court, must submit proper evidence to the requesting party to so act on behalf of such holder or beneficial holder.
- xi. The TSC Debtors, in their sole discretion, subject to contrary order of the Court, may waive any defects or irregularities as to any particular Ballot, Preferred Stock Ballot or Master Preferred Stock Ballot at any time, either before or after the close of voting, and any such waivers shall be documented in the Voting Report.
- xii. Neither the TSC Debtors, nor any other party (at the direction of counsel of the TSC Debtors), shall be required to provide notification of defects or irregularities with respect to delivered Ballots, Preferred Stock Ballots or Master Preferred Stock Ballots other than as provided in the Voting Report (although such parties are authorized to provide such notification), nor will any such party incur any liability for failure to provide such notification.
- xiii. Unless waived by the TSC Debtors in their sole discretion and subject to contrary order of the Court, any defects or irregularities in connection with the delivery of a Ballot, Preferred Stock Ballot or Master Preferred Stock Ballot must be cured before the Voting Deadline or such Ballots, Preferred Stock Ballots or Master Preferred Stock Ballots will not be counted in voting to accept or reject the Plan.

- xiv. The Voting Deadline may be extended by (i) agreement between the holder of a Claim or Equity Interest entitled to vote and the TSC Debtors, in their sole discretion or (ii) order of the Court.
- xv. Subject to any contrary order of the Court, the TSC Debtors reserve the right to reject any and all Ballots, Preferred Stock Ballots and Master Preferred Stock Ballots not in proper form, the acceptance of which, in the opinion of the TSC Debtors, would not be in accordance with the provisions of the Bankruptcy Code or the Bankruptcy Rules; *provided* that any such rejections shall be documented in the Voting Report.
- xvi. A Ballot, Preferred Stock Ballot or Master Preferred Stock Ballot shall not be counted in determining the acceptance or rejection of the Plan if it: (a) is illegible or contains insufficient information to permit the identification of the holder of the Claim or Equity Interest; (b) is submitted by a party that does not hold a Claim or Equity Interest in a Class that is entitled to vote on the Plan; (c) is submitted by a holder of a Claim listed in the Schedules as contingent, unliquidated or disputed, or any combination thereof, or in a zero or unknown amount, for which the applicable bar date has passed and no Proof of Claim was timely filed; (d) is unsigned or submitted without an original signature; (e) is not clearly marked to accept or reject the Plan or marked both to accept and reject the Plan; (f) is submitted by a holder of a Claim whose Claim is the subject of an objection that was filed on or before the Voting Record Date, except to the extent such Claim is undisputed, and which was not allowed (temporarily or otherwise) pursuant to a Resolution Event (as described in the Order); or (g) is submitted by any entity not entitled to vote pursuant to the Bankruptcy Code, the Bankruptcy Rules or the procedures described herein.

B. Procedures To Tabulate Votes Submitted by the Beneficial Holders of Equity Interests:

- i. No later than three weeks before the Voting Deadline, the Claims Agent shall distribute or cause to be distributed the appropriate number of copies of Master Preferred Stock Ballots to each Nominee identified by the Claims Agent as a party through which beneficial holders hold equity interests in TSC.
- ii. Any Nominee that is a holder of record with respect to such equity interests shall vote on behalf of beneficial holders of such equity interests by: (a) distributing the Solicitation Package, including Preferred Stock Ballots, it receives from the Claims Agent to all such beneficial holders within five business days of receipt of such materials; (b) promptly collecting Preferred Stock Ballots from such beneficial holders that cast votes on the Plan; (c) compiling and validating the votes and other relevant information of all such beneficial holders on the Master Preferred Stock Ballot; and (d) transmitting the Master Preferred Stock Ballot to the Claims Agent by the Voting Deadline.
- iii. Any beneficial holder holding equity interests as a record holder in its own name shall vote on each of the applicable Plans by completing and signing a Preferred Stock Ballot and returning it directly to the Claims Agent on or before the Voting Deadline.
- iv. Any beneficial holder holding equity interests in “street name” through a Nominee (i.e., a brokerage firm, commercial bank, trust company or other nominee (or an agent thereof) or agent) must vote on the Plan through such Nominee by completing and signing the Preferred Stock Ballot and returning such Preferred Stock Ballot to the appropriate Nominee as promptly as possible and in sufficient time to allow such Nominee to process the Preferred Stock Ballot and return the Master Preferred Stock Ballot to the Claims Agent before the Voting Deadline. Any beneficial holder holding equity interests in “street name” that submits a Preferred Stock Ballot to the TSC Debtors, the TSC Debtors’ agents or the TSC Debtors’ financial or legal advisors will not have such Preferred Stock Ballot counted for purposes of accepting or rejecting the Plan.
- v. Any Preferred Stock Ballot returned to a Nominee by a beneficial holder shall not be counted for purposes of accepting or rejecting the Plan until such Nominee properly completes and delivers to the Claims Agent a Master Preferred Stock Ballot that reflects the vote of such beneficial holders by the Voting Deadline or otherwise validates the Preferred Stock Ballot in a manner acceptable to

the Claims Agent. Nominees shall retain all Preferred Stock Ballots returned by beneficial holders for a period of one year after the effective date of the Plan.

- vi. If a beneficial holder holds equity interests through more than one Nominee or through multiple accounts, such beneficial holder may receive more than one Preferred Stock Ballot and each such beneficial holder should execute a separate Preferred Stock Ballot for each block of equity interests that it holds through any Nominee and vote in the same manner to accept or reject (cannot split the vote) and must return each such Preferred Stock Ballot to the appropriate Nominee.
- vii. If a beneficial holder holds a portion of its equity interests through a Nominee or Nominees and another portion in its own name as the record holder, such beneficial holder should follow the procedures described in this subsection to vote the portion held in its own name and to vote the portion held by the Nominee(s).

C. Establishing Claim Amounts for Voting Purposes

- i. For purposes of tabulating the amount of the Claim associated with each properly received vote, the TSC Debtors, with the assistance of the Claims Agent, shall, for voting purposes only, use the Claim amounts in accordance with the following hierarchy:
 - a. the Claim amount settled and/or agreed upon by the TSC Debtors as reflected in a pleading, stipulation, agreement or other document filed with the Court, in an order of the Court or in a document executed by the TSC Debtors pursuant to authority granted by the Court;
 - b. the Claim amount allowed (temporarily or otherwise) pursuant to a Resolution Event (as described in the Order);
 - c. except to the extent a Claim has been paid during the TSC Debtors' chapter 11 cases pursuant to the terms of a settlement, stipulation, order of the Court or otherwise, the Claim amount contained in a Proof of Claim that has been timely filed by the applicable bar date or determined to be timely filed by an order of the Court, except for any amounts in such Proofs of Claim asserted on account of any interest accrued after the Petition Date; *provided, however*, that Ballots cast by holders of Claims whose Claims are not listed on the Schedules, but that timely file a Proof of Claim in an unliquidated or unknown amount and whose Claims are not the subject of an objection will count, solely for the purposes of satisfying the dollar amount provisions of Bankruptcy Code section 1126(c), in the amount of \$1.00, *provided further* that with respect to a Proof of Claim that is filed in a partially liquidated amount, such Claim will be counted in the liquidated amount for voting purposes;
 - d. the Claim amount listed in the Schedules to the extent that such Claim (I) is not listed on the Schedules as contingent, disputed or unliquidated or in an unknown or zero amount and (II) has not been paid during the TSC Debtors' chapter 11 cases pursuant to the terms of a settlement, stipulation, order of the Court or otherwise; *provided, however*, that if the bar date applicable to a holder of a contingent, unliquidated or disputed Claim has not passed, then the amount of the Claim listed in the Schedules, solely for voting purposes; and
 - e. in the absence of any of the foregoing, zero dollars, in which case the creditor shall not be allowed to vote to accept or reject the Plan.

- ii. if a party that is entitled to vote has more than one Claim (either scheduled or filed or both) against a TSC Debtor based upon different transactions, said party shall be entitled to one vote per Class for numerosity purposes in the aggregate dollar amount of all of said Claims; and
- iii. the Claim amount established pursuant to this section shall control for voting purposes only, and shall not constitute the allowed amount of any Claim.

D. Criteria To Tabulate Preferred Stock Ballots and Master Preferred Stock Ballots Cast by Nominees and Beneficial Holders of Equity Interests:

- i. Votes cast by beneficial holders through Nominees will be applied to the applicable positions held by such Nominees in Class 6 as of the Voting Record Date, as evidenced by the record and depository listings. Votes submitted by a Nominee, whether pursuant to a Master Preferred Stock Ballot or prevalidated Preferred Stock Ballot, will not be counted in excess of the amount of such equity interests held by such Nominee as of the Voting Record Date.
- ii. If conflicting votes or “over-votes” are submitted by a Nominee, whether pursuant to a Master Preferred Stock Ballot or prevalidated Preferred Stock Ballot, the TSC Debtors will use reasonable efforts to reconcile discrepancies with the Nominees.
- iii. If over-votes on a Master Preferred Stock Ballot or prevalidated Preferred Stock Ballot are not reconciled before the preparation of the Voting Report, the TSC Debtors shall apply the votes to accept and to reject the Plan in the same proportion as the votes to accept and to reject the Plan submitted on the Master Preferred Stock Ballot or prevalidated Preferred Stock Ballot that contained the overvote, but only to the extent of the Nominee’s position in Class 6.
- iv. For purposes of tabulating votes, each Nominee or beneficial holder will be deemed to have voted the aggregate number of its equity interests in Class 6.
- v. A single Nominee may complete and deliver to the Claims Agent multiple Master Preferred Stock Ballots. Votes reflected on multiple Master Preferred Stock Ballots will be counted, except to the extent that they are duplicative of other Master Preferred Stock Ballots. If two or more Master Preferred Stock Ballots are inconsistent, the latest valid-dated Master Preferred Stock Ballot received prior to the Voting Deadline will, to the extent of such inconsistency, supersede and revoke any prior Master Preferred Stock Ballot.

E. Temporary Allowance of Claims for Voting Purposes

- i. The amount of a Claim for voting purposes shall be calculated in accordance with Section C hereof. The holder of a Disputed Claim may seek to obtain one of the following “**Resolution Events**” by filing a motion with the Court pursuant to Bankruptcy Rule 3018(a) (each, a “**Rule 3018 Motion**”) to have its Claim allowed in a specified amount and/or classification for the purpose of accepting or rejecting the Plan. In order for the holder of a Disputed Claim to be entitled to vote on the Plan with respect to the disputed portion of its Claim, however, any such Resolution Event must occur no later than five business days before the Voting Deadline:
 - a. an order entered by the Court, after notice and a hearing, allowing a Disputed Claim in a specified amount;
 - b. an order entered by the Court temporarily allowing a Disputed Claim in a specified amount for voting purposes only pursuant to Bankruptcy Rule 3018(a), after notice and a hearing;

- c. a stipulation or other agreement executed between the holder of a Disputed Claim and the TSC Debtors resolving the objection and allowing such Disputed Claim in an agreed-upon amount;
 - d. a stipulation or other agreement executed between the holder of the Disputed Claim and the TSC Debtors temporarily allowing the holder of such Disputed Claim to vote its Claim in an agreed-upon amount; or
 - e. a voluntary withdrawal by the TSC Debtors of a pending objection to the Disputed Claim.
- ii. If a Resolution Event occurs, then, no later than two business days thereafter, the Claims Agent shall distribute a Ballot and a pre-addressed, postage pre-paid envelope to the holder of Claim that has been Allowed for voting purposes only, which must be returned to the Claims Agent no later than the Voting Deadline.
