INTRODUCTION²

Aurelius Capital Management, LP, on behalf of its managed entities (“Aurelius”), Deutsche Bank Trust Company Americas (“Deutsche Bank”), in its capacity as successor Indenture Trustee³ for certain series of Senior Notes, Law Debenture Trust Company of New York (“Law Debenture”), in its capacity as successor Indenture Trustee for certain series of Senior Notes, and Wilmington Trust Company, in its capacity as the successor Indenture Trustee for the PHONES Notes (“Wilmington Trust”), hereby propose the following second amended joint plan of reorganization (the “Noteholder Plan”) for the resolution of all outstanding Claims against and Interests in all of the Debtors in the Chapter 11 Cases.

Aurelius, one of the co-proponents of the Noteholder Plan, is the largest holder of Tribune’s Senior Notes and one of the largest holders of the PHONES Notes.⁴ The Senior Notes and the PHONES Notes – often referred to as the “Pre-LBO Bonds” – were issued prior to the 2007 leveraged buyout of Tribune.⁵ Joining Aurelius as co-proponents of the Noteholder Plan are Deutsche Bank, Law Debenture and Wilmington Trust, all three indenture trustees for the Pre-LBO Bonds.

A. Disclosure Statements

Reference is made to the General Disclosure Statement for a discussion of the Debtors’ history, businesses, properties and operations. Reference is made to the Noteholder Specific Disclosure Statement for a discussion of risk factors specific to the Noteholder Plan, a summary and analysis of the Noteholder Plan and certain related matters. Subject to certain restrictions and requirements set forth herein, including, without limitation, Section 13.9 of the Noteholder Plan, and in section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019, the Proponents reserve the right to alter, amend, modify, revoke or withdraw the Noteholder Plan prior to its substantial consummation in accordance with the terms hereof, the Confirmation Order, and the Bankruptcy Code.

B. Overview

In accordance with the findings set forth in the Examiner’s Report, including, among others, that some if not all of the claims arising out of the leveraged buyout of the Tribune Entities in 2007 may be found to be fraudulent transfers subject to avoidance under applicable provisions of the Bankruptcy Code and/or other applicable law, the Noteholder Plan provides that all litigation related to the leveraged buyout will be preserved and, following the Effective Date, will be prosecuted by a multi-trust structure comprised of the Litigation Trust and the Creditors’ Trust, while still providing a substantial distribution of the Debtors’ total distributable

² The description of the Noteholder Plan contained in the Introduction is qualified in its entirety by the operative provisions of the Noteholder Plan that follow. To the extent there is any inconsistency between the description of the Noteholder Plan in the Introduction and the operative provisions, the operative provisions shall control.

³ Capitalized terms used but not defined in the Introduction shall have the meanings ascribed to such terms in Article I of the Noteholder Plan.

⁴ Entities managed by Aurelius Capital Management, LP beneficially own Senior Notes with a face value of approximately \$657.7 million and PHONES Notes with a face value of approximately \$165.9 million (assuming an Original Principal Amount (as defined in the PHONES Notes Indenture) of \$157.00 per PHONES Note) (holdings are as of December 9, 2010).

⁵ A description of the leveraged buyout can be found in section VII.A of the General Disclosure Statement.

enterprise value (“DEV”) upon the Debtors’ emergence from chapter 11.⁶ The causes of action to be prosecuted by the Trusts include litigation regarding, among other things, (i) the avoidability of the indebtedness incurred by the Debtors in connection with the 2007 leveraged buyout, (ii) whether recipients of pre-Effective Date payments in respect of the debt incurred pursuant to the leveraged buyout will be required to disgorge such payments, (iii) whether the shareholders that had their stock redeemed in connection with the leveraged buyout will be required to disgorge such payments, (iv) claims against the Debtors’ officers, directors and advisors, (v) claims against Sam Zell and his Affiliates, (vi) the applicability of the subordination provisions in the Bridge Loan Agreement (to the extent required) and (vii) to the extent not determined prior to the Effective Date, the PHONES Notes Claims Resolution⁷ (the foregoing, together with any other causes of action that may be prosecuted by the Litigation Trust and the Creditors’ Trust are referred to as the “Trust Causes of Action”).

As a result of the trust components of the Noteholder Plan, the Proponents believe that the Noteholder Plan will be able to go effective expeditiously and with fewer conditions than the Debtor/Committee/Lender Plan. For example, confirmation and effectiveness of the Noteholder Plan are not conditioned upon, among other things (i) the Bankruptcy Court reaching a particular conclusion on certain aspects of the causes of action arising from the leveraged buyout, (ii) the Bankruptcy Court approving a transparently self-serving settlement reached between the principal targets of the Examiner’s Report and a Creditors’ Committee rife with conflicts or (iii) the Bankruptcy Court granting sweeping and unjustified releases, exculpations and indemnification to parties that, through their fraudulent activities, materially and adversely harmed the Debtors’ Estates and their Creditors, including innocent pre-leveraged buyout creditors.

Although ultimate recoveries for each Impaired Class of Claims will be based on the final resolution of the Trust Causes of Action, the Noteholder Plan provides for between 45.3% and

⁶ To the extent any Trust Causes of Action are commenced prior to the Effective Date, control over the prosecution of such causes of action will be transferred to the Litigation Trust or the Creditors’ Trust, as applicable, on the Effective Date pursuant to the terms of the Noteholder Plan.

⁷ Prior to the Petition Date, Holders of PHONES Notes were contractually entitled to exchange PHONES Notes for an amount of Cash equal to ninety five percent (95%) (or one hundred percent (100%) under certain circumstances) of the then-current market value of two shares of Time Warner Inc. stock. According to the General Disclosure Statement, the approximate carrying value of PHONES Notes on the Petition Date was \$759 million, comprised of \$703 million of PHONES Notes not submitted for exchange and a \$56 million liability for PHONES Notes that were exchanged but not settled in Cash. The Debtors, in the General Disclosure Statement, represent that they have been informed by the PHONES Notes Indenture Trustee that the PHONES Notes Indenture Trustee and certain Holders of the PHONES Notes have disputed that the aggregate outstanding amount of the PHONES Notes should be reduced by the amount of PHONES Notes submitted for exchange but not paid for in Cash. In fact, the Proof of Claim filed by the PHONES Notes Indenture Trustee, on behalf of the Holders of the PHONES Notes, includes the PHONES Notes tendered for exchange in the aggregate amount of the PHONES Notes Claims, noting that the exchanges with respect to such PHONES Notes were not consummated because the issuer failed to make the required exchange payments and thus, the Allowed amount of PHONES Notes Claims should be \$1.197 billion. In connection with Confirmation, the Proponents are seeking a determination by the Bankruptcy Court regarding the classification of the PHONES Notes Exchange Claims for purposes of the Noteholder Plan. The outcome of the PHONES Notes Claims Resolution will determine the amount of the PHONES Notes Claims and PHONES Notes Exchange Claims and the priority of the PHONES Notes Exchange Claims vis-à-vis the PHONES Notes Claims. It is possible that the PHONES Notes Claims Resolution will determine that the PHONES Notes Exchange Claims should be classified as PHONES Notes Claims due to the failure of the issuer to consummate the exchange. Alternately, the PHONES Notes Claims Resolution might determine that the PHONES Notes Exchange Claims should be classified as Subordinated Securities Claims and, therefore, subordinate to payment in full of the PHONES Notes Claims. The outcome of the PHONES Notes Claims Resolution will affect, among other things, both the amount of Initial Distributions allocable to the PHONES Notes (and, accordingly, the amount actually paid over to the Senior Noteholders on account of enforcement of the subordination provisions of the PHONES Notes Indenture) and the series of Trust Interests that will be distributed to the Holders of PHONES Notes Exchange Claims.

51.2%⁸ of the Debtors' DEV to be distributed to Creditors upon the Debtors' emergence from chapter 11. In addition, based on non-material modifications to the reserve structure in the Noteholder Plan, between 70.5% and 79.8% (assuming a DEV of \$6.75 billion)⁹ of the equity value of Reorganized Tribune will be distributed to Creditors as of the Effective Date, leaving only 20.2% to 29.5% (assuming a DEV of \$6.75 billion)¹⁰ of the equity value of Reorganized Tribune held in reserve pending the outcome of the LBO-Related Causes of Action. To the extent the Bankruptcy Court determines that the actual DEV is greater than \$6.75 billion (which the Proponents believe is the case), the percentage of equity distributed to Creditors as of the Effective Date would increase and the percentage of equity held in reserve would decrease correspondingly.

For example, if the Bankruptcy Court determines that the DEV is \$8.00 billion, between 51.6% and 56.6%¹¹ of the Debtors' DEV will be initially distributed to Creditors upon the Debtors' emergence from chapter 11. In addition, at an \$8.00 billion DEV, based on non-material modifications to the reserve structure in the Noteholder Plan, between 73.9% and 81.1%¹² of the equity value of Reorganized Tribune will be distributed to Creditors as of the Effective Date, leaving only 18.9% to 26.1%¹³ of the equity value of Reorganized Tribune held in reserve pending the outcome of the LBO-Related Causes of Action.

Further, a substantial portion of the equity value of Reorganized Tribune projected to be held in reserve as of the Effective Date (between 12.9% and 14.6% (assuming a DEV of \$6.75 billion) and between 13.5% and 14.9% (assuming a DEV of \$8.00 billion))¹⁴ is on account of reserves in respect of the Bridge Loan Lender Claims. To the extent the Senior Lenders and the Bridge Loan Lenders agree to a settlement providing for the same value recovery to the Bridge Loan Lenders under the Noteholder Plan as currently contemplated by the Debtor/Committee/Lender Plan (i.e., \$64.5 million to \$65.5 million), the amount of equity value of Reorganized Tribune held in reserve on the Effective Date will be reduced to only 5.5% to 16.6% (assuming a DEV of \$6.75 billion) or 4.0% to 12.6% (assuming a DEV of \$8.00 billion)).¹⁵

The foregoing percentages of distribution are premised upon (i) the enforcement of the Senior Loan Sharing Provisions contained in Senior Loan Agreement and (ii) an Initial Distribution only in the form of New Common Stock and/or New Warrants to the holders of Step One Lender Claims and Step Two Lender Claims. The Noteholder Plan is premised upon enforcement of the Senior Loan Sharing Provisions regardless of the potential avoidance of Step

⁸ The \$6.75 billion DEV is the estimate upon which the Debtor/Committee/Lender Plan [ECF No. 7801] is based, with 8.4% of the DEV allocated to Tribune and 91.6% of the DEV allocated to its Subsidiaries (on a consolidated basis). The ultimate determination of the amount of DEV as well as the allocation of such DEV as between Tribune and its Subsidiaries will be made by the Bankruptcy Court. Recoveries by Creditors of Tribune and its Subsidiaries will depend on these determinations as well as the PHONES Notes Claims Resolution. The Proponents believe the actual DEV is materially higher than \$6.75 billion and, in that regard, have submitted the Rebuttal Report to Expert Valuation Report Submitted by Lazard Frères & Co. LLC prepared by Raymond James, challenging the \$6.75 billion DEV.

⁹ The outcome of the PHONES Notes Claims Resolution will determine whether the higher or lower percentage will be distributed.

¹⁰ The outcome of the PHONES Notes Claims Resolution will determine whether the higher or lower percentage will be held in reserve.

Two Lender Claims or any other remedies that may be found to apply to Senior Loan Claims; provided, however, that in the event (i) the Bankruptcy Court finds, in connection with Confirmation, that the Senior Loan Sharing Provisions do not apply if Step Two Lender Claims are avoided, (ii) the Bankruptcy Court finds that the amendments contained in the Noteholder Plan that provide for the enforcement of the Senior Loan Sharing Provisions constitute a material modification requiring resolicitation of the Noteholder Plan or (iii) a determination of the enforceability of the Senior Loan Sharing Provisions is otherwise required, but not determined as of the Effective Date, the Senior Loan Sharing Provisions will not be enforced until such time as the enforceability of the Senior Loan Sharing Provisions is determined by a Final Order and, until such Final Order is entered, any distributions otherwise allocable to the Step Two Lenders on account of the Senior Loan Sharing Provisions shall be held in the Distribution Trust Reserve. Moreover, as stated above, the Noteholder Plan contemplates that the Step One Lender Claims and Step Two Lenders Claims will receive an Initial Distribution only in the form of New Common Stock and/or New Warrants; provided, however, that to the extent the Bankruptcy Court determines that the amendments contained in the Noteholder Plan that provide for such distributions to be solely in the form of New Common Stock and/or New Warrants to such Creditors constitute a material modification requiring resolicitation, such Classes shall instead receive a Consideration Strip.

Initial Distributions to each Class of Claims will generally represent a recovery assuming that the resolution of all Trust Causes of Action has the least favorable outcome vis-à-vis such Class.

C. Trusts

Pursuant to the terms of the Noteholder Plan, three distinct Trusts will be created on the Effective Date: (i) a Litigation Trust; (ii) a Distribution Trust; and (iii) a Creditors' Trust.

The Litigation Trust will be created in order to prosecute the Litigation Trust Causes of Action, which will be transferred from the Debtors' Estates to the Litigation Trust on the Effective Date of the Noteholder Plan, along with all of the rights of the Debtors and the Creditors' Committee with respect to the Litigation Trust Causes of Action necessary to protect, conserve, and liquidate all Litigation Trust Causes of Action as quickly as reasonably practicable, including, without limitation, control over (including the right to waive) all attorney/client privileges, work product privileges, accountant/client privileges and any other evidentiary privileges relating to the Litigation Trust Causes of Action that, prior to the Effective Date, belonged to the Debtors pursuant to applicable federal and state law. The Litigation Trust Causes of Action include, but are not limited to the following: (i) all claims and causes of action belonging to the Debtors' Estates arising out of the 2007 leveraged buyout of the Tribune Entities including, without limitation, causes of action related to the avoidability of all debt incurred by the Tribune Entities in connection with the leveraged buyout and the disgorgement of all amounts paid to lenders, advisors and agents in connection with the leveraged buyout, but not claims and causes of action against shareholders arising out of the redemption of their stock in connection with the leveraged buyout; (ii) all claims and causes of action against the Debtors' officers, directors and advisors (including Valuation Research Corporation); (iii) claims and causes of action against Sam Zell and his Affiliates; (iv) the Morgan Stanley Claims, which arise from, among other things, the Debtors' retention of MSCS, a certain swap transaction and the

disposition of certain notes, bonds and other indebtedness held by MSCS; and (v) all claims and Estate causes of action under chapter 5 of the Bankruptcy Code, but not claims and causes of action against shareholders that had their stock redeemed in connection with the 2007 leveraged buyout.

When Litigation Trust Causes of Action are resolved pursuant to either a settlement or litigation, any net recoveries obtained by the Litigation Trust in connection therewith will be transferred to the Distribution Trust, for distribution to Holders of Distribution Trust Interests in accordance with the terms of the Distribution Trust Agreement and the Litigation Distribution Orders. The distribution of proceeds to Holders of Distribution Trust Interests from the Litigation Trust Causes of Action and other value held in the Distribution Trust will be determined by the Bankruptcy Court or such other court of competent jurisdiction based on the outcome of the Litigation Trust Causes of Action. Accordingly, the Distribution Trust's role will be, among other things, to (i) hold all DEV remaining on the Effective Date of the Noteholder Plan after Initial Distributions have been made and until a resolution of the Litigation Trust Causes of Action is reached, (ii) receive the proceeds of the Litigation Trust Causes of Action and (iii) make distributions to Holders of Distribution Trust Interests in accordance with the terms of the Litigation Distribution Orders (which orders will provide for the allocation of distributions among the Holders of Distribution Trust Interests based on the resolution (by settlement or litigation) of the applicable Litigation Trust Causes of Action).

The Creditors' Trust will be created on the Effective Date and have dual functions – first, it will function as a litigation trust with respect to the State Law Avoidance Claims, which consist of claims and causes of action fundamentally different and distinct from those that will be prosecuted by the Litigation Trust. Second, and unlike the Litigation Trust, the Creditors' Trust will directly make distributions of the proceeds recovered in connection with the State Law Avoidance Claims to Holders of Creditors' Trust Interests. The Creditors' Trust Interests and the Creditors' Trust Distribution Orders will govern the relative rights and priorities of distributions made on account of the State Law Avoidance Claims. All Holders of Claims against Tribune will be deemed to have transferred, on the Effective Date, any right they may possess to bring the State Law Avoidance Claims to the Creditors' Trust in exchange for Creditors' Trust Interests unless such Holder of Claims against Tribune has elected, on the applicable Noteholder Ballot, not to make such contribution (the "Non-Contribution Election"). State Law Avoidance Claims include, but are not limited to: (i) claims; (ii) causes of action; (iii) avoidance powers or rights; and (iv) legal or equitable remedies against the shareholders in Tribune whose stock was redeemed in connection with the leveraged buyout.

Each Trust will be governed by a three member trust advisory board and managed by a trustee. Aurelius initially designated two (2) members to the Distribution Trust Advisory Board while the PHONES Notes Indenture Trustee initially designated one (1) member. Aurelius also designated the Distribution Trustee, after reasonable consultation with each of the other Proponents. The identities of each of the designees to the Distribution Trust Advisory Board as well as the Distribution Trustee have been disclosed in the Noteholder Plan Supplement. Each member of the Distribution Trust Advisory Board designated by Aurelius, as well as the Distribution Trustee, is independent of Aurelius. In addition, the designation of each of the designees to the Distribution Trust Advisory Board as well as the trustee for the Distribution Trust shall be subject to final appointment by the Bankruptcy Court upon entry of the

Confirmation Order. With respect to the Creditors' Trust Advisory Board and the Litigation Trust Advisory Board, Aurelius designated two (2) members to each such board while the PHONES Notes Indenture Trustee designated one (1) member to each such board. The respective trustees for the Creditors' Trust and Litigation Trust were designated by Aurelius after reasonable consultation with each of the other Proponents. The identity of each of the designees to the Creditors' Trust Advisory Board and the Litigation Trust Advisory Board as well as the respective trustees for the Creditors' Trust and Litigation Trust have been disclosed in the Noteholder Plan Supplement.

Each Trust Advisory Board and the trustees of the respective Trusts shall owe fiduciary duties to the potential beneficiaries of their respective Trusts; *provided, however*, that the members of the Creditors' Trust Advisory Board and the Litigation Trust Advisory Board, and each of their respective trustees, shall not have any fiduciary obligation to potential trust beneficiaries who are also defendants in Litigation Trust Causes of Action or are the subject of State Law Avoidance Claims as such obligations would relate to such parties in their capacities as defendants in the Litigation Trust Causes of Action or State Law Avoidance Claims, as applicable, the purpose of such fiduciary duties being to maximize the value of the assets of the applicable Trusts, including causes of action and other property, as applicable.

The initial funding for the Distribution Trust will be obtained through a contribution from the Debtors of \$40 million in Cash. The Distribution Trust will use a portion of such funding to provide the initial funding for the Litigation Trust. Any portion of the Distribution Trust Initial Funding that has not been utilized prior to the wind-up of the Distribution Trust will revert back to the Reorganized Debtors and will, under no circumstances, be distributed to the Holders of Distribution Trust Interests or become part of the Distribution Trust Reserves. The initial funding for the Creditors' Trust will be obtained through interest free loans from the Distribution Trust. Each of the Trusts will have the authority to use proceeds from its assets and obtain from other sources additional financing, if necessary, in each case as set forth in the applicable trust agreement.

D. Chart of Consideration Allocable to Each Class

The forms of recovery set forth in the following chart summarize the consideration each Class of Claims is entitled to receive under the Noteholder Plan. Each of the recovery components, including Initial Distributions, Distribution Trust Interests and Creditors' Trust Interests, are explained in further detail in the paragraphs that follow and in the operative provisions of the Noteholder Plan.

E. Initial Distributions

Except for (i) Initial Distributions to Holders of Other Guarantor Debtor Claims who will receive Cash equal to 8% of their Allowed Other Guarantor Debtor Claim,¹⁹ (ii) Initial Distributions to Holders of Other Non-Guarantor Debtor Claims, who will be paid in full, in Cash, on their Allowed Claims (including Postpetition Interest), and (iii) Initial Distribution to Holders of Step One Senior Lender Claims and Step Two Senior Lender Claims, who will receive a distribution comprised of New Common Stock and/or New Warrants (provided that the Bankruptcy Court does not determine that the amendments to the Noteholder Plan that provide for such distributions to be solely in the form of New Common Stock and/or New Warrants to be a material modification of the Noteholder Plan that would require resolicitation of the

¹⁹ In the event that an Other Guarantor Debtor Claims Class as a whole votes to accept the Noteholder Plan, each Holder of an Other Guarantor Debtor Claim in such Class that is Allowed as of the Voting Deadline can elect to put its Allowed Claim to the Claims Purchaser in exchange for Cash equal to 25% of its Allowed Claim, with the Claims Purchaser, as transferee of such Other Guarantor Debtor Claim, receiving all distributions on account thereof (i.e., Initial Distributions and Distribution Trust Interests). To the extent the aggregate consideration necessary to purchase Other Guarantor Debtor Put Claims exceeds the Other Guarantor Debtor Claims Purchase Price Cap, the Claims Purchaser will purchase a Pro Rata share of the Other Guarantor Debtor Put Claims in the applicable Class, rounded to the nearest whole dollar, at the Other Guarantor Debtor Purchase Price and the remaining portion of the applicable Other Guarantor Debtor Put Claims shall receive their Pro Rata portion of the Initial Distribution and Distribution Trust Interests on account of such remaining portion of the applicable Other Guarantor Debtor Put Claims.

Noteholder Plan), Initial Distributions to all Classes of Claims entitled to an Initial Distribution will be comprised of a “Consideration Strip” consisting of a Pro Rata share of: (a) New Common Stock and/or New Warrants; (b) the New Senior Secured Term Loan; and (c) Distributable Cash; *provided, however*, that notwithstanding the default distribution of a strip of consideration, in accordance with the terms of the Other Parent Claims Put Option, Holders of Other Parent Claims may receive an increased Cash-only distribution under the Noteholder Plan.

After Initial Distributions are made, the remaining DEV will be placed into the Distribution Trust Reserve and reserved for distribution to Creditors pending the determination of the Litigation Trust Causes of Action and, to the extent required but not determined as of the Initial Distribution Date, the Senior Loan Claim Sharing Resolution and the PHONES Notes Claims Resolution; *provided, however*, that all DEV reserved on account of Bridge Loan Claims and all DEV reserved pending the determination of the Senior Loan Claim Sharing Resolution, if any, shall be in the form of New Warrants. In addition to providing for a substantial portion of the Debtors’ DEV, including distribution of between 70.5% and 79.8% of the equity value of Reorganized Tribune, to be distributed to Creditors on the Effective Date, or as soon thereafter as practicable, the Noteholder Plan also avoids any possibility that Initial Distributions will be subject to disgorgement based on the outcome of the Litigation Trust Causes of Action or, to the extent required but not determined prior to the Effective Date, the Senior Loan Claim Sharing Resolution, since Initial Distributions are generally based upon the minimum distribution each Class would be entitled to receive regardless of the outcome of the Trust Causes of Action.²⁰

In order to calculate the Initial Distributions and potential future distributions, the Noteholder Plan provides that the Bankruptcy Court will determine the total DEV for the Tribune Entities in connection with the Confirmation Hearing with 8.4% of such DEV allocated to Tribune and 91.6% of such DEV allocated to its Subsidiaries in accordance with, among other things, the Intercompany Claims Settlement.²¹ The DEV and the ultimate allocation of DEV determined by the Bankruptcy Court may differ from the total DEV and the allocation of value contained in the specific disclosure statement to the Debtor/Committee/Lender Plan and, accordingly, Initial Distributions shall be based on the DEV and the allocation of such DEV among Tribune and the Subsidiaries (on a consolidated basis) as is determined by the Bankruptcy Court in connection with Confirmation. However, for illustrative purposes only, the Noteholder Specific Disclosure Statement references a DEV of \$6.75 billion, with such DEV allocated 8.4% (or \$564 million) to Tribune and 91.6% (or \$6.186 billion) to the Subsidiaries (on a consolidated basis) in order for Creditors to compare recoveries under the Noteholder Plan and Debtor/Committee/Lender Plan on an “apples to apples” basis.²²

Under the Noteholder Plan, the following Holders of Claims will receive Initial Distributions: (i) Step One Lenders; (ii) Step Two Senior Lenders (provided that the Senior Loan

²⁰ Notwithstanding anything contained in the Noteholder Plan, all current and former Holders of Senior Loan Claims and all Loan Agents and advisors that received payments in respect of such Claims or in connection with the incurrence of obligations of the Debtors prior to the Effective Date (whether on account of principal, interest, fees, expenses or otherwise) may be required to disgorge such amounts based on the final resolution of the Litigation Trust Causes of Action.

²¹ The Proponents adopt the Intercompany Claims Settlement only for the express purposes, and on the terms and conditions, as set forth in Section 5.19 of the Noteholder Plan, and do not adopt the Intercompany Claims Settlement for any other purposes. Should the Noteholder Plan fail to be confirmed, the Proponents reserve all of their rights to challenge the Intercompany Claims Settlement on any ground.

²² The Proponents have submitted the Rebuttal Report to Expert Valuation Report Submitted by Lazard Frères & Co. LLC prepared by Raymond James, challenging the \$6.75 billion DEV upon which the Debtor/Committee/Lender Plan is based.

Claim Sharing Resolution is not required or, if required, is resolved in favor of the Step Two Lenders prior to the Effective Date); (iii) Senior Noteholders; (iv) Holders of Other Parent Claims; (v) Holders of Other Guarantor Debtor Claims; and (vi) Holders of Other Non-Guarantor Debtor Claims.²³ Certain Creditors, including Bridge Loan Lenders, PHONES Noteholders, EGI-TRB LLC Noteholders and Holders of Subordinated Securities Claims will not receive an Initial Distribution under the Noteholder Plan.

For the purpose of calculating the Initial Distributions to Creditors of Tribune, the Parent Consideration will, in the first instance, be divided Pro Rata among all Classes of Claims at Tribune (other than Intercompany Claims). For the avoidance of doubt, all such Classes (i.e., Step One Senior Loan Claims, Step Two Senior Loan Claims, Bridge Loan Claims, Senior Noteholder Claims, PHONES Notes Claims, EGI-TRB LLC Notes Claims, Other Parent Claims and Subordinated Securities Claims) will be treated *pari passu* for purposes of allocating the Initial Distributions, without regard to any subordination provisions in the applicable documents or under applicable law or any potential claims for, among other things, avoidance or subordination.

Based on the illustrative \$6.75 billion DEV, with 8.4% being allocated to Tribune, Senior Noteholders will receive an Initial Distribution equal to an approximate recovery of 4.3%²⁴ on the Senior Noteholder Claims (taking into account their Pro Rata benefit of the subordination provisions of the PHONES Notes Indenture and EGI-TRB LLC Notes and a reduction of value on account of Distributable Cash otherwise allocable to the Senior Noteholders that will be used to satisfy a portion of the Other Non-Guarantor Debtor Claims). Such Initial Distributions will be made in the form of a Consideration Strip.

Each Holder of an Allowed Other Parent Claim that does not elect the Other Parent Claims Put Option, if consummated, will receive an Initial Distribution, in the form of a Consideration Strip, equal to an approximate recovery of 4.3%-4.4% of its Allowed Other Parent Claim. In the event that the Allowed Other Parent Claims Class as a whole votes to accept the Noteholder Plan, each Holder of an Other Parent Claim that is Allowed as of the Voting Deadline and that has made the Other Parent Claims Put Election will put such Allowed Claim to the Claims Purchaser in exchange for Cash equal to 15% of its Allowed Claim.²⁵

Each Holder of an Allowed Other Guarantor Debtor Claim that does not elect the Other Guarantor Debtor Claims Put Option, if consummated, will receive an Initial Distribution, in the form of Cash, equal to an approximate recovery of 8% of its Allowed Other Guarantor Debtor

²³ For clarity, it is noted herein that Holders of Allowed Other Parent Claims and Allowed Other Guarantor Debtor Claims, in each case, as of the Voting Deadline, will be presented with an option to put their Allowed Claims and, thus, their consideration under the Plan, to the Claims Purchaser for a Cash payment up to 15% and 25% (subject to the Claims Purchase Caps) of their Allowed Claims, respectively, subject to the conditions set forth in the Noteholder Plan.

²⁴ All estimated recoveries set forth herein are for illustrative purposes only and assume a \$6.75 billion DEV allocated 8.4% to Tribune and 91.6% to Tribune's subsidiaries on a consolidated basis.

²⁵ If the Other Parent Claims Class votes in favor of the Noteholder Plan, for each Holder of an Allowed Other Parent Claim that elects the Other Parent Claims Put Option and does not make the Non-Contribution Election, the Initial Distributions and Trust Interests that would otherwise go to such Holder will be distributed to the Claims Purchaser. To the extent the aggregate consideration necessary to purchase the Other Parent Put Claims exceeds the Other Parent Claims Purchase Price Cap, the Claims Purchaser will purchase a Pro Rata share of the Other Parent Put Claims, rounded to the nearest whole dollar, at the Other Parent Claims Purchase Price Cap and the remaining portion of the Other Parent Put Claims shall receive their Pro Rata portion of the Initial Distributions, Distribution Trust Interests and Creditors' Trust Interests on account of such remaining portion of the Other Parent Put Claims.

Claims. In the event that an Other Guarantor Debtor Claims Class as a whole votes to accept the Noteholder Plan, each Holder of an Other Guarantor Debtor Claim in such Class that is Allowed as of the Voting Deadline and has made the Other Guarantor Debtor Claims Put Election will put such Allowed Claim to the Claims Purchaser in exchange for Cash equal to 25% of its Allowed Claim.²⁶

Each Holder of an Allowed Other Non-Guarantor Debtor Claim will receive payment in full, in Cash (including Postpetition Interest) on account of its Allowed Claim.

After the Initial Distributions on account of Senior Noteholder Claims (including a Pro Rata share of the distributions that would be allocable in respect of the PHONES Notes Claims and EGI-TRB LLC Notes Claims but for the subordination provisions contained in the applicable documents), Other Parent Claims, Other Guarantor Debtor Claims and Other Non-Guarantor Debtor Claims are accounted for, and in order to ensure that DEV sufficient to satisfy all remaining Noteholder Claims in full will be available for distribution in the event the LBO Debt is avoided, all remaining DEV will be deemed consolidated into one pool of DEV (the “Remaining Consideration Pool”). For the avoidance of doubt, the Remaining Consideration Pool shall be comprised of the maximum amount possible of remaining Distributable Cash and the maximum amount possible of New Senior Secured Term Loan, with the remainder of value to be comprised of New Warrants in the minimum amount necessary to fund the Remaining Consideration Pool. From the Remaining Consideration Pool, an amount of DEV sufficient to compensate all Noteholder Claims (i.e., all Senior Noteholder Claims, PHONES Notes Claims (including PHONES Notes Exchange Claims that are classified as PHONES Notes Claims), Other Parent Claims, Other Guarantor Debtor Claims and Subordinated Securities Claims arising from Pre-LBO Debt, if any, in full (including Postpetition Interest through December 8, 2012), after giving effect to the Initial Distributions discussed above, will be placed into the Distribution Trust Reserve (such amount referred to herein as the “Non-LBO Debt Reserve DEV”). After reservation of the Non-LBO Debt Reserve DEV, all remaining DEV in the Remaining Consideration Pool (the “LBO Debt Reserve DEV”) will be allocated, on a Pro Rata basis, and without regard to the subordination provisions in the applicable documents or any potential claims for, among others, avoidance or subordination, among the Step One Lender Claims, the Step Two Lender Claims and the Bridge Loan Lender Claims.

Holders of Senior Loan Claims will receive an Initial Distribution, in the form of New Common Stock and/or New Warrants (unless the Bankruptcy Court determines that the amendments to the Noteholder Plan to provide for such distributions to be solely in the form of New Common Stock and/or New Warrants constitute a material modification to the Noteholder Plan that would require resolicitation of the Noteholder Plan, in which case Holders of Senior Loan Claims will receive a Consideration Strip) equal to their Pro Rata share of the LBO Debt Reserve DEV (i.e., their own worst-case recovery if all LBO-Related Causes of Action were successful), resulting in an approximate recovery of 34.2%-38.7% on the Senior Lender

²⁶ If an Other Guarantor Debtor Claims Class votes in favor of the Noteholder Plan, for each Holder of an Allowed Other Guarantor Debtor Claim that elects the Other Guarantor Debtor Claims Put Option, the Initial Distributions and Distribution Trust Interests that would otherwise go to such Holder will be distributed to the Claims Purchaser. To the extent the aggregate consideration necessary to purchase Other Guarantor Debtor Put Claims exceeds the Other Guarantor Debtor Claims Purchase Price Cap, the Claims Purchaser will purchase a Pro Rata share of the Other Guarantor Debtor Put Claims in the applicable Class, rounded to the nearest whole dollar, at the Other Guarantor Debtor Purchase Price Cap and the remaining portion of the applicable Other Guarantor Debtor Put Claims shall receive their Pro Rata portion of the Initial Distributions and Distribution Trust Interests on account of such remaining portion of the applicable Other Guarantor Debtor Put Claims.

Claims.²⁷ The Pro Rata share of the LBO Debt Reserve DEV in respect of the Bridge Loan Lender Claims (which portion of the LBO Debt Reserve DEV shall be in the form of New Warrants) will be transferred to the Distribution Trust Reserve, in the form of New Warrants, in each case for ultimate distribution to Step One Lenders, Step Two Lenders and/or Bridge Loan Lenders in accordance with the Litigation Distribution Orders. The amount of equity value evidenced by the New Warrants held in the Distribution Trust Reserve in respect of the Bridge Loan Lender Claims will be between 12.9% and 14.6%.²⁸ To the extent the Senior Lenders and the Bridge Loan Lenders agree to a settlement providing for the same value recovery to the Bridge Loan Lenders as currently contemplated by the Debtor/Committee/Lender Plan (i.e., \$64.5 million to \$65.5 million), the amount of equity value held in the Distribution Trust Reserve will be only 5.5% to 16.6%.²⁹

For the avoidance of doubt, Initial Distributions to LBO Lenders, to the extent applicable, will be on account of their Claims against both Tribune and the Guarantor Debtors, with the ultimate allocation of such distribution among Tribune and the Guarantor Debtors determined in connection with the Litigation Distribution Orders, and will not be subject to disgorgement.

F. Distributions of Distribution Trust Interests and Creditors' Trust Interests

In addition to the Initial Distributions set forth above, the Noteholder Plan provides that most Creditors will also receive interests in the Distribution Trust and, in some circumstances, interests in the Creditors' Trust. Each type of Trust Interest provides the Holder thereof with separate and distinct rights, and future distributions (if any) to all Creditors will be based upon their Trust Interests. Whether a Class receives distributions on account of its Trust Interests will depend, among other things, on the final resolution of the Trust Causes of Action.

The Distribution Trust Interests shall determine the future distributions of the Distribution Trust Reserve, as well as the proceeds of the Litigation Trust Causes of Action, in accordance with the Litigation Distribution Orders and the PHONES Notes Claims Resolution. All Classes of Impaired Claims, other than Intercompany Claims, shall be eligible to receive Distribution Trust Interests; *provided, however*, that, to the extent applicable, subject to the Claims Purchase Caps, Holders of Other Parent Claims and Other Guarantor Debtor Claims that elect the Other Parent Claims Put Option or Other Guarantor Debtor Claims Put Option, respectively (and if applicable), shall not be entitled to receive Distribution Trust Interests as such Distribution Trust Interests will, instead, be distributed to the Claims Purchaser.

Similarly, the Creditors' Trust Interests will determine the future distributions of the proceeds of the State Law Avoidance Claims, in accordance with the Creditors' Trust Distribution Orders and the PHONES Notes Claims Resolution. Holders of Step One Senior Loan Claims, Step Two Senior Loan Claims, Bridge Loan Claims, Senior Noteholder Claims, PHONES Notes Claims, EGI-TRB LLC Notes Claims, Other Parent Claims and Subordinated Securities Claims that do not make the Non-Contribution Election shall receive a Pro Rata share

²⁷ Notwithstanding the forgoing, in the event the Senior Loan Claim Sharing Resolution is required, any distributions otherwise payable to Holders of Step Two Senior Lender Claims on account of the Senior Loan Sharing Provisions shall be held in the Distribution Trust Reserve, in the form of New Warrants, pending the outcome of the Senior Loan Claim Sharing Resolution.

²⁸ The outcome of the PHONES Notes Claims Resolution will determine whether the higher or lower percentage will be held in reserve.

²⁹ The outcome of the PHONES Notes Claims Resolution will determine whether the higher or lower percentage will be held in reserve.

MEANS FOR IMPLEMENTATION OF THE NOTEHOLDER PLAN

5.1 Non-Substantive Consolidation.

Although the Noteholder Plan is presented as a joint plan of reorganization, the Noteholder Plan does not provide for, and is not premised upon, the substantive consolidation of the Debtors' Estates and, on the Effective Date, the Debtors' Estates shall not be deemed to be substantively consolidated for any reason. Except as otherwise explicitly set forth herein, Allowed Claims held against one Debtor will be deemed satisfied solely from the Cash and assets of such Debtor and its Estate; *provided, however*, that, to the extent of any insufficiency, funds may be advanced to the relevant Debtors by the Estate of Tribune or any of the Subsidiary Debtors at the option of the Proponents, as applicable. Except as specifically set forth herein,

nothing in the Noteholder Plan or the Joint Disclosure Statement shall constitute or be deemed to constitute an admission that any one or all of the Debtors is subject to or liable for any Claims against any other Debtor. A Claim against multiple Debtors will be treated as a separate Claim against each Debtor's Estate for voting purposes. Claim Holders may receive Postpetition Interest or the equivalent thereof based on the Litigation Distribution Orders, the Creditors' Trust Distribution Orders or as expressly provided in the Noteholder Plan. Notwithstanding anything to the contrary in the Noteholder Plan, the Claims and Interests that are Reinstated and Impaired Claims and Interests of a particular Debtor or Reorganized Debtor shall remain the obligations solely of such Debtor or Reorganized Debtor and shall not become obligations of any other Debtor or Reorganized Debtor by virtue of the Noteholder Plan, the Chapter 11 Cases, or otherwise.

5.2 Restructuring Transactions.

After the Confirmation Date and on or prior to the Effective Date, any Debtor (with the consent of the Proponents) and, after the Effective Date, any Reorganized Debtor, may enter into or undertake any Restructuring Transactions and may take such actions as may be determined by such Debtor (with the consent of the Proponents) or Reorganized Debtor to be necessary or appropriate to effect such Restructuring Transactions. The actions to effect the Restructuring Transactions may include, without limitation: (i) the execution and delivery of appropriate agreements or other documents of merger, consolidation, conversion, restructuring, recapitalization, disposition, liquidation or dissolution containing terms that are consistent with the terms herein and that satisfy the requirements of applicable law and such other terms to which the applicable entities may agree; (ii) the execution and delivery of appropriate instruments of transfer, assignment, assumption, disposition or delegation of any asset, property, right, liability, duty or obligation on terms consistent with the terms herein and having such other terms to which the applicable entities may agree; (iii) the filing of appropriate certificates or articles of merger, consolidation, conversion or dissolution (or similar instrument) pursuant to applicable law; and (iv) all other actions which the applicable entities may determine to be necessary or appropriate, including making filings or recordings that may be required by applicable law in connection with such transactions. The Restructuring Transactions may include one or more mergers, consolidations, conversions, restructurings, recapitalizations, dispositions, liquidations or dissolutions, as may be determined by the applicable Debtors (with the consent of the Proponents) or Reorganized Debtors (subject to any relevant restrictions in their respective certificates of incorporation or other applicable governing documents, including those set forth in Section 5.3.1 hereof) to be necessary or appropriate to effect the purposes of such Restructuring Transactions for the benefit of the Reorganized Debtors, including, without limitation, the potential simplification of the organizational structure of the Reorganized Debtors. In each case in which the surviving, resulting or acquiring Person in any such Restructuring Transaction is a successor to a Reorganized Debtor, such surviving, resulting or acquiring Person will perform the obligations of the applicable Reorganized Debtor pursuant to the Noteholder Plan to pay or otherwise satisfy the Claims against such Reorganized Debtor, except as provided in any contract, instrument or other agreement or document effecting a disposition to such surviving, resulting or acquiring person, which may provide that another Reorganized Debtor will perform such obligations. Implementation of the Restructuring Transactions shall not affect any distributions, discharges, releases or injunctions set forth in the Noteholder Plan. Exhibit 5.2, to be filed with the Noteholder Plan Supplement, shall set forth a description of the Restructuring

Transactions. On or prior to, or as soon as practicable after, the Effective Date, the Debtors (with the consent of the Proponents) or the Reorganized Debtors, as applicable, may take such steps as they may deem necessary or appropriate to effectuate any Restructuring Transactions that satisfy the requirements set forth in this Section 5.2 of the Noteholder Plan. The Restructuring Transactions shall be authorized and approved by the Confirmation Order pursuant to, among other provisions, sections 1123 and 1141 of the Bankruptcy Code and section 303 of title 8 of the Delaware Code, if applicable, without any further notice, action, third-party consents, court order or process of any kind, except as otherwise set forth herein or in the Confirmation Order. To the extent that any Restructuring Transaction may require the prior consent of the FCC to an assignment of FCC Licenses or a transfer of control of a holder of FCC Licenses, no such Restructuring Transaction shall be consummated until all necessary prior consents of the FCC shall have been obtained. No Restructuring Transaction shall adversely affect the prosecution or investigation of the Litigation Trust Causes of Action and/or the State Law Avoidance Claims.

The Reorganized Debtors' certificates or articles of incorporation, by-laws, certificates of formation, limited liability company agreements, partnership agreements or similar governing documents, as applicable, shall obligate the Reorganized Debtors and their officers, directors and employees to (i) cooperate in all respects with the prosecution and investigation of the Litigation Trust Causes of Action and the State Law Avoidance Claims and (ii) not take or omit from taking any action that could interfere with or adversely affect the investigation or prosecution of the Litigation Trust Causes of Action or State Law Avoidance Claims. After the Effective Date, the Reorganized Debtors may amend and restate their certificates or articles of incorporation, by-laws, certificates of formation, limited liability company agreements, partnership agreements or similar governing documents, as applicable, as permitted by applicable law; *provided, however*, that no amendment of the aforementioned documents may be made that limits the obligations of the Reorganized Debtors and their officers, directors and employees to cooperate in all respects with the prosecution and investigation of the Litigation Trust Causes of Action and the State

Law Avoidance Claims or could interfere with or adversely affect the investigation or prosecution of the Litigation Trust Causes of Action or State Law Avoidance Claims; *provided further*, that to the extent any amendment of the aforementioned documents affects the value of, or otherwise impacts, the Distribution Trust Reserve, Reorganized Tribune shall be required to obtain Bankruptcy Court approval prior to the adoption of the proposed amendment or restatement. The designation of the members of the initial board of directors of Reorganized Tribune shall be subject to final appointment by the Bankruptcy Court upon entry of the Confirmation Order. All members of the initial board of directors of Reorganized Tribune will be in compliance with all applicable requirements of the Communications Act and the FCC's rules. previously appointed by Aurelius or the Distribution Trustee, at the direction of the Distribution Trust Advisory Board. To the extent the Senior Lenders fail to designate the initial members of the board of directors that they are entitled to designate under the Noteholder Plan by the deadline for the Proponents to file Exhibit 5.3.2(1), Reorganized Tribune shall hold a special election to appoint such board members as soon as practicable after the Effective Date and the members elected to the initial board in connection with such special election shall be deemed to be the designees of the Senior Lenders under the Noteholder Plan. Pursuant to section 1129(a)(5) of the Bankruptcy Code, the Proponents will disclose in Exhibit 5.3.2(2) of the Noteholder Plan, to be filed no later than five days before the commencement of the Confirmation Hearing, the identity and affiliations of any person proposed to serve on the initial board of directors of Reorganized Tribune (to the extent known) and to the extent such person is an insider (as defined in section 101(31) of the Bankruptcy Code) other than by virtue of being a director, the nature of any compensation for such person. Each such director and officer shall serve from and after the Effective Date pursuant to the terms of the Certificate of Incorporation and applicable law. The officers and directors of Reorganized Tribune shall be required to (i) cooperate in all respects with the prosecution and investigation of the Litigation Trust Causes of Action and the State Law Avoidance Claims and (ii) not take or omit from taking any action that could interfere with or adversely affect the investigation or prosecution of the Litigation Trust Causes of Action or State Law Avoidance Claims.

As the sole holder of New Class C Common Stock, the Distribution Trustee, at the direction of the Distribution Trust Advisory Board, shall have the right to elect two members of the board of directors of Reorganized Tribune subject to the restrictions outlined in Section 5.3.2 hereof. New Class C Common Stock may not be transferred without the approval of the board of directors of Reorganized Tribune. Without the consent or approval of the Distribution Trust (such consent to be in the sole discretion of the Distribution Trust), Reorganized Tribune will not directly or indirectly, by way of merger, consolidation, operation of law or otherwise: (i) alter or change the rights, preferences or privileges of the New Class C Common Stock; (ii) take any action, including amending Reorganized Tribune's Certificate of Incorporation or By-Laws that would adversely affect the rights, preferences or privileges of the New Class C Common Stock; (iii) increase or decrease the authorized number of shares of New Class C Common Stock; or (iv) increase or decrease the authorized size of Reorganized Tribune's board of directors. The Certificate of Incorporation for Reorganized Tribune, substantially in the form of Exhibit 5.3.1(1) to be filed with the Noteholder Plan Supplement, sets forth the rights and preferences of the New Common Stock. The Certificate of Incorporation may contain customary provisions restricting the sale, transfer, assignment, conversion or other disposal of such shares of New Common Stock. To the extent the shares of New Class A Common Stock, New Class B Common Stock or New Class C Common Stock are certificated, such certificates may contain a legend restricting the sale, transfer, assignment, conversion or other disposal of such shares. The New Warrant Agreement, substantially in the form of

Exhibit 1.1.170 to be filed with the Noteholder Plan Supplement, sets forth the rights of the holders of the New Warrants. The issuance of the New Common Stock and the New Warrants, including the issuance of New Common Stock upon any exercise of the New Warrants, and the distribution thereof under the Noteholder Plan and through the Distribution Trust, as applicable, shall be exempt from registration under applicable securities laws pursuant to section 1145(a) of the Bankruptcy Code. The Distribution Trust shall be deemed a “successor to the debtor” for purposes of section 1145 of the Bankruptcy Code and not necessarily for any other purpose. Beneficial interests in the Distribution Trust and the Creditors’ Trust either (1) are not “securities” within the meaning of the federal and state securities laws or (2) shall be exempt from registration under applicable securities laws pursuant to section 1145(a) of the Bankruptcy Code. Without limiting the effect of section 1145 of the Bankruptcy Code, all documents, agreements and instruments entered into on or as of the Effective Date contemplated by or in furtherance of the Noteholder Plan, including, without limitation, the Exit Facility Credit Agreement (if any), the New Senior Secured Term Loan Agreement (if any), and any other agreement entered into in connection with the foregoing, shall become effective and binding in accordance with their respective terms and conditions upon the parties thereto.

5.4.2 Distribution of New Common Stock and New Warrants.

(a) Foreign Ownership Certification. Each Holder of a Claim that is eligible to receive a distribution of New Common Stock pursuant to the Noteholder Plan will be required (i) to provide the Foreign Ownership Certification by the deadline established by the Bankruptcy Court and (ii) to report any changes in foreign ownership percentages between the submission of the Foreign Ownership Certification and the Effective Date or such other deadline established by the Bankruptcy Court by providing an amended Foreign Ownership Certification and, upon request of Reorganized Tribune, the Distribution Trustee or the Proponents, confirm the absence of any changes. Notwithstanding anything else to the contrary in the Noteholder Plan, any Holder that fails to provide (1) the Foreign Ownership Certification by the deadline established by the Bankruptcy Court, (2) an amended Foreign Ownership Certification if one is required, (3) a Foreign Ownership Certification that is reasonably satisfactory to Reorganized Tribune, the Distribution Trustee or the Proponents, as applicable or (4) a timely confirmation, if required, that its foreign ownership and voting rights percentages have not changed, may be deemed to be an entity that is foreign-owned and controlled for purposes of determining the allocation of New Common Stock and New Warrants as set forth in Section 5.4.2(c).

(b) Media Ownership Certification. Each Holder of a Claim to receive a distribution of New Common Stock pursuant to the Noteholder Plan may be required to provide a Media Ownership Certification by the deadline established by the Bankruptcy Court, in accordance with the instructions set forth in the Media Ownership Certification document that may be distributed to any such Holder. Any such Holder that fails to provide the Media Ownership Certification by the deadline established by the Bankruptcy Court, or that does not do so to the reasonable satisfaction of the Debtors or the Proponents, may be allocated New Class B Common Stock in lieu of New Class A Common Stock as set forth in Section 5.4.2(d) at the discretion of the Debtors or the Proponents.

(c) Foreign-Owned or Controlled Entities. Notwithstanding anything else to the contrary in the Noteholder Plan, Reorganized Tribune shall issue (i) New Warrants in lieu of

New Common Stock, (ii) New Common Stock or (iii) a combination of New Warrants and New Common Stock (in lieu of only New Common Stock or only New Warrants), to any Holder of a Claim to receive New Common Stock under the Noteholder Plan and that, based on the Holder's Foreign Ownership Certification (or failure to provide the Foreign Ownership Certification or otherwise comply with Section 5.4.2(a) herein), is (or is deemed to be pursuant to Section 5.4.2(a)) more than twenty five percent (25%) foreign owned or controlled, on either a voting or an equity basis, as determined pursuant to section 310(b) of the Communications Act. Such issuance of New Warrants, New Common Stock, or a combination of New Warrants and New Common Stock to such Holders shall be pursuant to an allocation mechanism to be determined by Reorganized Tribune that, based on the aggregated results of the Foreign Ownership Certification, ensures compliance with section 310(b) of the Communications Act.

(d) Entities with Conflicting Media Interests. Reorganized Tribune, in its discretion, may issue shares of New Class B Common Stock in lieu of shares of New Class A Common Stock to any Holder of a Claim that is eligible to receive New Common Stock under the Noteholder Plan to ensure that such Holder will hold, in the aggregate (including with entities under common ownership or control), less than five percent (5%) of the voting rights of Reorganized Tribune, if Reorganized Tribune determines, based on the Holder's Media Ownership Certification (or failure to provide the Media Ownership Certification or otherwise comply with Section 5.4.2(b) herein), that such Holder has other media interests that could impair the ability of Reorganized Tribune to comply with the Communications Act or the FCC's rules if such Holder were issued the shares of New Class A Common Stock that it otherwise would receive pursuant to the Noteholder Plan; *provided, however*, that to the extent a Holder of a Claim has been approved by the FCC as a party to the FCC Applications, Reorganized Tribune shall not be entitled to issue shares of New Class B Common Stock to such Holder of a Claim at emergence without its express consent unless the issuance of New Class A Common Stock to a Holder of a Claim would result in a violation of the Communications Act or the FCC's rules, or unless such Holder of a Claim has failed to comply with or satisfy any conditions imposed by the FCC as part of the FCC Approval or any commitment made in the FCC Applications, in which case Reorganized Tribune may issue shares of New Class B Common Stock to such Holder of a Claim only to the minimum extent necessary to cure such violation or non-compliance. Notwithstanding the foregoing, the Debtors will not request any waivers of the Communications Act or the FCC's rules in or regarding the FCC Applications to accommodate separate media interests held by a Holder of a Claim independent of its interest in Reorganized Tribune.

(e) Holders of Five Percent (5%) or More of New Class A Common Stock. If any Holder of a Claim is to receive New Class A Common Stock such that, upon the Effective Date, any subsequent Distribution Date, or such other deadline established by the Bankruptcy Court, such Holder would receive five percent (5%) or more of the shares of New Class A Common Stock (for any reason, including, but not limited to, as a result of distributions from the Distribution Trust or the distribution of New Warrants or the distribution of New Class B Common Stock in lieu of New Class A Common Stock in accordance with Section 5.4.2(c) or 5.4.2(d) and such Holder has not provided the Media Ownership Certification in accordance with Section 5.4.2(b) herein or such ownership has not been disclosed in the FCC Applications and approved by the FCC, then Reorganized Tribune shall be entitled to issue to such Holder, or cause the Distribution Trustee to exchange New Class A Common Stock otherwise distributable to such Holder, as the case may be, as many shares of New Class B Common Stock in lieu of

shares of New Class A Common Stock as Reorganized Tribune deems necessary to ensure compliance with the Communications Act or the FCC's rules and/or to avoid substantial delay in obtaining the FCC Approval.

(f) Distributions. On or as soon as reasonably practicable after the applicable Distribution Date, all of the shares of the New Common Stock and New Warrants, as applicable, to which any Holder of a Claim shall become entitled pursuant to the Noteholder Plan or Litigation Distribution Orders shall be transferred by the Disbursing Agent or the Distribution Trustee, as applicable, by delivery of one or more certificates representing such securities as described herein or issued in the name of such Holder or DTC or its nominee or nominees in accordance with DTC's book-entry exchange procedures, as contemplated by Section 7.7.2, subject to the terms and conditions of the Noteholder Plan and the Litigation Distribution Orders, as applicable. In the period after the Effective Date and pending distribution of the New Common Stock to any Holder of an Allowed Claim entitled to receive such distribution, such Holder shall be entitled to exercise any voting rights and receive any dividends or other distributions payable in respect of such Holder's New Common Stock (including receiving any proceeds of any permitted transfer of such New Common Stock), and to exercise all other rights in respect of the New Common Stock (so that such Holder shall be deemed for tax purposes to be the owner of the New Common Stock issued in the name of such Holder).

(g) Distribution of New Common Stock and New Warrants by Distribution Trustee. Holders of Distribution Trust Interests entitled to receive distributions from the Distribution Trust in the form of New Common Stock or New Warrants shall elect the form of security to be received in accordance with procedures to be set forth in the Distribution Trust Agreement. Prior to exchanging any New Warrants for New Common Stock for distribution from the Distribution Trust Reserve to the holder of a Distribution Trust Interest entitled to receive such distribution, the Distribution Trustee shall require the holder of the Distribution Trust Interest to submit a Foreign Ownership Certification or to confirm the absence of any changes to a Foreign Ownership Certification previously submitted. Any holder that fails to submit a Foreign Ownership Certification or to confirm the absence of any changes to a previously submitted certification shall be deemed to be an entity that is foreign-owned and controlled. The Distribution Trustee shall consult with Reorganized Tribune to ensure that the form of distribution is consistent with the requirements of Section 5.4.2(c) of the Noteholder Plan, and, to the extent necessary to ensure that Reorganized Tribune complies with Section 310(b) of the Communications Act, the Distribution Trustee shall distribute New Warrants to applicable holders of Distribution Trust Interests receiving a distribution. Prior to distributing any New Common Stock from the Distribution Trust Reserve to a Holder of a Distribution Trust Interest entitled to receive such distribution, the Distribution Trustee shall require the holder of the Distribution Trust Interest to submit a Media Ownership Certification. The Distribution Trustee shall consult with Reorganized Tribune to determine, whether, based on the Media Ownership Certification submitted, a Holder is qualified to hold an attributable interest in Reorganized Tribune in accordance with FCC Rules. The Distribution Trustee shall insure that any holder that fails to submit a Media Ownership Certification or that is not qualified to hold an attributable interest in Reorganized Tribune will not hold, in the aggregate, five percent (5%) or more of the voting rights of Reorganized Tribune. To the extent any such Holder would, as a result of a distribution from the Distribution Trust, hold five percent (5%) or more of the New Class A Common Stock, Reorganized Tribune may exchange the New Class A Common Stock

otherwise distributable to such Holder from the Distribution Trust to such Holder for New Class B Common Stock. Without obtaining the prior consent of the FCC, the Distribution Trustee shall not implement any distribution to the Holders of Distribution Trust Interests that would result in a transfer of control of Reorganized Tribune that would require FCC consent.

5.5 Reporting Requirements Under the Securities Exchange Act of 1934 and Listing of New Class A Common Stock on the Securities Exchange or Quotation System.

Reorganized Tribune shall use its reasonable best efforts to become a reporting company under section 12 of the Securities Exchange Act of 1934, as amended, as promptly as practicable after the Effective Date and shall maintain all necessary staff, operations and practices in order to be a public reporting company. In addition, Reorganized Tribune will use its reasonable best efforts to list, as promptly as practicable after the Effective Date, the New Class A Common Stock for trading on the New York Stock Exchange or for quotation in the NASDAQ stock market but will have no liability if it is unable to do so. Persons receiving distributions of New Class A Common Stock, by accepting such distributions, will have agreed to cooperate with Reorganized Tribune's reasonable requests to assist Reorganized Tribune in its efforts to list the New Class A Common Stock on the New York Stock Exchange or for quotation in the NASDAQ stock market, including, without limitation, appointing or supporting the appointment of a sufficient number of directors to the board of directors of Reorganized Tribune who satisfy the independence and other requirements of the New York Stock Exchange or for quotation in the NASDAQ stock market, as applicable.

5.6 New Senior Secured Term Loan Agreement.

5.6.1 Subject to the terms of this Section 5.6, on the Effective Date: (i) Reorganized Tribune, as borrower; (ii) the other Reorganized Debtors and U.S. Subsidiary Non-Debtors (including, without limitation, the Guarantor Non-Debtors and any successors to the Reorganized Debtors after giving effect to the Restructuring Transactions), as guarantors; (iii) the administrative agent party thereto; (iv) the Distribution Trust; and (v) the Holders of Claims receiving a distribution of the New Senior Secured Term Loan under the Noteholder Plan shall become parties to, and be bound by the terms of, the New Senior Secured Term Loan Agreement regardless of whether any party actually executes the New Senior Secured Term Loan Agreement. If issued, the New Senior Secured Term Loan shall (1) be guaranteed by the U.S. subsidiaries of Reorganized Tribune (including, without limitation, the Guarantor Non-Debtors and any successors to the Reorganized Debtors after giving effect to the Restructuring Transactions), (2) be secured by certain assets of Reorganized Tribune and the guarantors thereof subject to specified exceptions and customary intercreditor arrangements, (3) have interest payable in Cash quarterly, (4) have principal payable in Cash quarterly, with the unpaid balance payable on the final maturity date thereof, (5) mature on the fifth anniversary of the Effective Date, (6) include usual and customary affirmative and negative covenants for term loan facilities of this type, and (7) be repayable by Reorganized Tribune at any time prior to scheduled maturity without premium or penalty. The New Senior Secured Term Loan Agreement shall contain terms substantially as set forth in Exhibit 5.6 to be filed with the Noteholder Plan Supplement.

5.6.2 To the extent that replacement financing is available on commercially reasonable terms, the Reorganized Debtors may distribute Cash in the amount of all or part of the initial principal amount of the New Senior Secured Term Loan in lieu of all or such part of the New Senior Secured Term Loan to Holders of Claims receiving the New Senior Secured Term Loan under the Noteholder Plan and the Distribution Trust, as applicable. The relevant Reorganized Debtors, as applicable, are hereby authorized, without any requirement of further action by the security holders or directors of the Debtors or Reorganized Debtors, to make such repayment, including through the issuance of new indebtedness; *provided, however*, that any such Cash distribution shall be distributed Pro Rata to Holders of Claims that otherwise would have received the New Senior Secured Term Loan and the Distribution Trust, as applicable.

5.7 Continued Corporate Existence and Vesting of Certain Assets in the Reorganized Debtors.

Subject to Section 5.2, after the Effective Date, the Reorganized Debtors shall continue to exist as separate entities in accordance with the applicable law in the respective jurisdictions in which they are organized and pursuant to their respective certificates or articles of incorporation, by-laws, certificates of formation, limited liability company agreements, partnership agreements or similar governing documents in effect prior to the Effective Date, except to the extent such documents are to be amended pursuant to the terms of the Noteholder Plan. Except as otherwise provided in the Noteholder Plan, on and after the Effective Date, all property of the Estates, including all claims, rights and causes of action and any property acquired by the Debtors or the Reorganized Debtors under or in connection with the Noteholder Plan, but excluding the Litigation Trust Causes of Action and State Law Avoidance Claims, shall vest in the Reorganized Debtors free and clear of all Claims, Liens, charges, other encumbrances and Interests. On and after the Effective Date, the Reorganized Debtors may operate their businesses and may use, acquire and dispose of property and compromise or settle any Claims (but not the Litigation Trust Causes of Action, any Claims related to Litigation Trust Causes of Action, State Law Avoidance Claims, or any Claims related to the State Law Avoidance Claims) without supervision of or approval by the Bankruptcy Court and free and clear of any restrictions of the Bankruptcy Code or the Bankruptcy Rules, other than restrictions expressly imposed by the Noteholder Plan or the Confirmation Order. Without limiting the foregoing, the Reorganized Debtors may pay the charges that they incur on or after the Effective Date for professionals' fees, disbursements, expenses or related support services without application to the Bankruptcy Court. The officers, directors and employees of the Reorganized Debtors shall be required to cooperate in all respects with the prosecution and investigation of the Litigation Trust Causes of Action and the State Law Avoidance Claims and may not take any actions or omit to take any actions contrary thereto. Notwithstanding anything to the contrary in the Noteholder Plan, the Noteholder Plan Supplement, any document filed in connection with the Noteholder Plan or Confirmation thereof, or the Confirmation Order, such documents do not and shall not affect, impair, or otherwise alter the rights or remedies, if any, of Warren Beatty to or interests in motion picture, television and other rights to and interests in the Dick Tracy character (in each case, if any, the "Dick Tracy Rights") granted to Mr. Beatty pursuant to an agreement dated August 28, 1985, between Mr. Beatty and Tribune Media Services, Inc.; *provided, further*, that nothing in such documents shall in any way modify or alter or be deemed to modify or alter the following Bankruptcy Court orders: (i) Order Denying Motion to Dismiss Adversary Proceeding dated November 9, 2009, Case No. 08-13141 (KJC) (Bankr. 5.8.2 Notwithstanding the foregoing provisions of Section 5.8 and anything contained elsewhere in the Noteholder Plan, but subject to Section 5.8.1, (i) the Indentures shall continue in effect solely to the extent necessary to allow the Reorganized Debtors, the Distribution Trustee, the Claims Purchase Agent, the Disbursing Agent and the Indenture Trustees, as applicable, to make distributions pursuant to the Noteholder Plan under the respective Indentures, and for the applicable Indenture Trustee to perform such other functions with respect thereto and assert any rights preserved under subsection (iii) of Section 5.8.2, and to prosecute any causes of action that the Indenture Trustee may have against third parties, (ii) the Loan Agreements (including, without limitation, certain intercreditor provisions) shall continue in effect solely to the extent necessary to allow the Reorganized Debtors, Distribution Trustee or the Disbursing Agent, as applicable, to make distributions pursuant to the Noteholder Plan on account of the Loan Claims and Loan Guaranty Claims under the respective Loan Agreements and Loan Guaranty Agreements and (iii) nothing herein shall waive, release or impair any rights, claims or interests, if any, that an Indenture Trustee may have under the applicable Indenture or otherwise to the recovery and/or reimbursement of its fees, costs and expenses (including the fees, costs and expenses of counsel and financial advisors) from any distribution hereunder, whether such rights, claims or interests are in the nature of a charging lien or otherwise, all of which rights, claims and interests expressly are preserved. Notwithstanding the foregoing, the Indentures shall continue in effect for all purposes associated with the State Law Avoidance Claims.

5.9 Cancellation of Liens and Guaranties.

Except as otherwise provided in the Noteholder Plan, on the Effective Date, any Lien securing any Secured Claim (other than a Lien securing any Other Secured Claim that is Reinstated pursuant to the Noteholder Plan), shall be deemed released and the Holder of such Secured Claim shall be authorized and directed to release any collateral or other property of any Debtor (including any cash collateral) held by such Holder and to take such actions as may be requested by the Debtors (or the Reorganized Debtors, as the case may be) to evidence the release of such Lien, including the execution, delivery and filing or recording of such releases as may be requested by the Debtors (or the Reorganized Debtors, as the case may be). In addition, it is a condition to the release, cancellation and extinguishment of the Senior Loan Guaranty Claims against the Guarantor Non-Debtors that all Bridge Loan Guaranty Claims shall be concurrently released, extinguished and cancelled. Notwithstanding the foregoing, the Bankruptcy Court reserves the right to determine, after the Effective Date, whether the Litigation Trust has standing to propose settlements with respect to the Senior Loan Claim Sharing Resolution (to the extent the Senior Loan Claim Sharing Resolution is required and not determined prior to the Effective Date) or the applicability of the subordination provisions in the Bridge Loan Guaranty Agreement.

Such transfer and assignment shall be made pursuant to the terms of the Noteholder Plan and, accordingly, to the fullest extent permitted by law, shall be exempt from all stamp taxes and similar taxes within the meaning of section 1146(a) of the Bankruptcy Code. On the Effective Date, the Litigation Trust shall succeed to all rights of the Debtors and the Creditors' Committee with respect to the Litigation Trust Causes of Action and all assets and information of the Debtors necessary to investigate, prosecute, protect and conserve all Litigation Trust Causes of Action including, without limitation, control over (including the rights to waive) all attorney/client privileges, work product privileges, accountant/client privileges and any other evidentiary privileges related to the Litigation Trust Causes of Action that, prior to the Effective Date, belonged to the Debtors pursuant to applicable federal and state law. The Litigation Trust shall have the exclusive power, on behalf and in the name of the Estates, to prosecute, defend, compromise, settle and otherwise deal with all Litigation Trust Causes of Action subject to the restrictions in the Noteholder Plan and the Litigation Trust Agreement.

5.17.3 The Litigation Trust Advisory Board. The Litigation Trust will be governed by the Litigation Trust Advisory Board and managed by the Litigation Trustee, subject to the provisions of the Noteholder Plan, the Confirmation Order and the Litigation Trust Agreement. The Litigation Trust Advisory Board will be a three-member board initially composed of two (2) individuals appointed by Aurelius and one (1) member appointed by the PHONES Notes Indenture Trustee. The members of the Litigation Trust Advisory Board will be identified in the Noteholder Plan Supplement. No member of the Litigation Trust Advisory Board shall be a member of the Distribution Trust Advisory Board, nor shall any member of the Litigation Trust Advisory Board be the Distribution Trustee. Upon the Litigation Trust Advisory Board Reallocation Date, the Litigation Trust Advisory Board may be reconstituted as follows: pursuant to the terms of the Litigation Trust Agreement, the holders of the Class 1I Distribution Trust Interests may elect, by majority vote, to replace any member of the Litigation Trust Advisory Board that was not appointed by the PHONES Notes Trustee. The Litigation Trust Agreement shall govern compensation of Litigation Trust Advisory Board members and changes in the composition of the Litigation Trust Advisory Board after the Effective Date and other matters related to the role, responsibilities and governance of the Litigation Trust Advisory Board. Members of the Litigation Trust Advisory Board shall have fiduciary duties to the Litigation Trust Beneficiary, for the benefit of Holders of the Distribution Trust Interests, in the same manner that members of an official committee of creditors appointed pursuant to section 1102 of the Bankruptcy Code have fiduciary duties to the creditor constituents represented by such committee; *provided, however,* that the Litigation Trust Advisory Board shall not owe fiduciary obligations to any defendants of Litigation Trust Causes of Action in their capacities as such, it being the intent of such fiduciary duties to ensure that the Litigation Trust Advisory Board's obligations are to maximize the value of the assets of the Litigation Trust, including the Litigation Trust Causes of Action.

5.17.4 The Litigation Trustee. The Litigation Trustee will be the exclusive trustee of the Litigation Trust Causes of Action for the purposes of 31 U.S.C. § 3713(b) and 26 U.S.C. § 6012(b)(3), as well as the representative of the Estates appointed pursuant to section 1123(b)(3)(B) of the Bankruptcy Code. The Litigation Trustee shall have fiduciary duties to the Litigation Trust Beneficiary, for the benefit of the Holders of Distribution Trust Interests, in the same manner that members of an official committee of creditors appointed pursuant to

section 1102 of the Bankruptcy Code have fiduciary duties to the creditor constituents represented by such committee; *provided, however*, that the Litigation Trustee shall not owe fiduciary obligations to any defendants of Litigation Trust Causes of Action in their capacities as such, it being the intent of such fiduciary duties to ensure that the Litigation Trustee's obligations are to maximize the value of the assets of the Litigation Trust, including the Litigation Trust Causes of Action. A Person to be appointed by Aurelius after reasonable consultation with each of the other Proponents, and disclosed in the Noteholder Plan Supplement initially shall serve as the Litigation Trustee; *provided, however*, that the Litigation Trustee shall not be a member of the Litigation Trust Advisory Board or the Distribution Trust Advisory Board, and shall not be the Distribution Trustee. The Litigation Trustee shall be compensated from the Distribution Trust Initial Funding and other sources as provided for in the Litigation Trust Agreement. The Litigation Trust Agreement shall specify the terms and conditions of such compensation, as well as provide the manner in which the Litigation Trustee may be removed and, in the event the Litigation Trustee dies, is removed or resigns for any reason, how the Litigation Trust Advisory Board shall designate a successor.

5.17.5 Responsibilities. The responsibilities of the Litigation Trustee shall be specified in the Litigation Trust Agreement and shall include: (i) the receipt, management, supervision, and protection of the Litigation Trust Causes of Action on behalf of and for the benefit of the Litigation Trust Beneficiary; (ii) investigation, analysis, prosecution and, if necessary and appropriate, compromise of the Litigation Trust Causes of Action, including any objections to Claims included therein; (iii) preparing and filing all required tax returns and paying taxes and all other obligations of the Litigation Trust; and (iv) such other responsibilities as may be vested in the Litigation Trustee pursuant the Noteholder Plan, the Litigation Trust Agreement and orders of the Bankruptcy Court.

5.17.6 Powers. The powers of the Litigation Trustee shall be specified in the Litigation Trust Agreement and shall include the power to: (i) pay taxes and other obligations owed by the Litigation Trust or incurred by the Litigation Trustee; (ii) engage and compensate from the Distribution Trust Initial Funding and, to the extent provided for in the Litigation Trust Agreement, other sources, consultants, agents, employees and professional persons to assist the Litigation Trustee with respect to the Litigation Trustee's responsibilities; (iii) object to, compromise and settle Litigation Trust Causes of Action subject to the Litigation Trust Advisory Board's approval (and Bankruptcy Court approval, if applicable); (iv) commence and/or pursue any and all actions involving Litigation Trust Causes of Action that could arise or be asserted at any time, unless otherwise waived or relinquished in the Noteholder Plan; and (v) act and implement the Noteholder Plan, the Litigation Trust Agreement and orders of the Bankruptcy Court. The Litigation Trustee shall exercise such powers in accordance with the provisions of the Noteholder Plan and the Litigation Trust Agreement, which shall provide that the Litigation Trustee must obtain the prior approval of the Litigation Trust Advisory Board on the matters described in the Litigation Trust Agreement.

5.17.7 Litigation Trust Funding. On and after the Effective Date, the Litigation Trust shall be funded by the Distribution Trust with proceeds of the Distribution Trust Initial Funding and with other sources as identified in the Litigation Trust Agreement.

5.17.8 Bankruptcy Court Approval. Notwithstanding anything to the contrary in Section 5.17 of the Noteholder Plan, the Litigation Trust may not consummate or implement any compromise or other transaction involving Litigation Trust Causes of Action or Disputed Claims where the stated face amount in controversy exceeds \$1,000,000, or involving Claims of any amount asserted by members of the Litigation Trust Advisory Board, unless and until the Bankruptcy Court authorizes and approves such compromise or other transaction upon motion by the Litigation Trustee. The Litigation Trustee shall provide notice of and the opportunity for a hearing on all such motions to all entities who request notice of such matters in the manner prescribed in the notice of the Effective Date to be mailed pursuant to Section 13.13 of the Noteholder Plan.

5.17.9 Compensation. In addition to reimbursement for the actual, reasonable and necessary expenses incurred, the Litigation Trustee, and any employees, agents, consultants or professionals engaged or retained by the Litigation Trustee, shall be entitled to reasonable compensation from the Distribution Trust Initial Funding, and other sources as set forth in the Distribution Trust Agreement, for services rendered in connection with performance of the duties of the Litigation Trustee as set forth above and may be paid without any requirement to seek Bankruptcy Court approval of such compensation. With respect to any agents, consultants and employees engaged and professionals retained by the Litigation Trust and the Litigation Trustee, such compensation shall be in an amount and on such terms as may be agreed to by the Litigation Trustee and such agents, consultants, employees or professionals with the written consent of the Litigation Trust Advisory Board and may be paid without any requirement to seek Bankruptcy Court approval of such compensation, it being understood that the Reorganized Debtors shall have no obligation to pay any such compensation.

5.17.10 Indemnification. From and after the Effective Date, the Litigation Trustee, the members of the Litigation Trust Advisory Board and each of their respective Related Persons (each a "Litigation Trust Indemnified Party") shall be, and hereby are, indemnified by the Litigation Trust, to the fullest extent permitted by applicable law, from and against any and all claims, debts, dues, accounts, actions, suits, causes of action, bonds, covenants, judgments, damages, attorneys' fees, defense costs and other assertions of liability arising out of any such Litigation Trust Indemnified Party's good faith exercise of what such Litigation Trust Indemnified Party reasonably understands to be its powers or the discharge of what such Litigation Trust Indemnified Party reasonably understands to be its duties conferred by the Litigation Trust Agreement, the Noteholder Plan, or any order of the Bankruptcy Court entered pursuant to, or in furtherance of, the Noteholder Plan (including, without limitation, the Litigation Distribution Orders and, to the extent the Senior Loan Claim Sharing Resolution is required and not determined prior to the Effective Date, any Final Order relating to the Senior Loan Claim Sharing Resolution), applicable law, or otherwise (except only for actions or omissions to act to the extent determined by a Final Order to be due to its fraud, self-dealing, intentional misrepresentation or willful misconduct) on and after the Effective Date. The foregoing indemnification shall also extend to matters directly or indirectly in connection with, arising out of, based on, or in any way related to: (i) the Litigation Trust Agreement; (ii) the services to be rendered pursuant to the Litigation Trust Agreement; (iii) any document or information, whether verbal or written, referred to herein or supplied to the Litigation Trustee; or (iv) proceedings by or on behalf of any Creditor. The Distribution Trust shall, on demand, advance or pay promptly out of the Distribution Trust Initial Funding, other sources as set forth

in the Litigation Trust Agreement or proceeds of the Litigation Trust Causes of Action, on behalf of each Litigation Trust Indemnified Party, reasonable attorneys' fees and other expenses and disbursements to which such Litigation Trust Indemnified Party would be entitled pursuant to the foregoing indemnification obligation; *provided, however*, that any Litigation Trust Indemnified Party receiving any such advance shall execute a written undertaking to repay such advance if a court of competent jurisdiction ultimately determines that such Litigation Trust Indemnified Party is not entitled to indemnification hereunder due to the fraud, self-dealing, intentional misrepresentation or the willful misconduct of such Litigation Trust Indemnified Party. In any matter covered by the first two sentences of this subsection, any person entitled to indemnification shall have the right to employ such person's own separate counsel reasonably acceptable to the Distribution Trustee, at the Distribution Trust's expense, subject to the foregoing terms and conditions. In addition, the Litigation Trust shall purchase fiduciary liability insurance for the benefit of the Litigation Trustee and the Litigation Trust Advisory Board.

5.17.11 Termination. The duties, responsibilities and powers of the Litigation Trustee shall terminate at such time as the Litigation Trust is dissolved, except for such limited purposes as may be set forth in the Litigation Trust Agreement. The Litigation Trust shall dissolve at such time as (i) (a) all Litigation Trust Causes of Action have been resolved or (b) the Litigation Trustee, with the approval of the Litigation Trust Advisory Board, determines that the administration of any remaining Litigation Trust Assets is not likely to yield sufficient additional Litigation Trust proceeds to justify further pursuit and (ii) all of the Litigation Trust Assets have been distributed in accordance with the Noteholder Plan, the Litigation Trust Agreement and Litigation Distribution Orders. The Litigation Trust shall terminate no later than five (5) years from the Effective Date. However, if warranted by the facts and circumstances provided for in the Noteholder Plan, and subject to the approval of the Bankruptcy Court upon a finding that an extension is necessary for the purpose of the Litigation Trust, the term of Litigation Trust may be extended for a finite period based on the particular circumstances at issue. Each such extension must be approved by the Bankruptcy Court within six (6) months of the beginning of the extended term with notice thereof to all of the beneficiaries of the Litigation Trust.

5.17.12 Federal Income Tax Treatment of the Litigation Trust.

(a) For all federal income tax purposes, subject to Section 5.17.12(b) and 5.17.12(c), all parties (including, without limitation, the Debtors, the Reorganized Debtors, the Litigation Trustee, the Distribution Trustee, and the Distribution Trust Beneficiaries) shall treat the transfer of the Litigation Trust Assets to the Litigation Trust, including any amounts or other assets subsequently transferred to the Litigation Trust (but only at such time as actually transferred) for the benefit of the Holders entitled to receive proceeds from the Litigation Trust Assets, and such other beneficiaries as described in the LT Directives as (a) a transfer of the Litigation Trust Assets directly to the Distribution Trust Beneficiaries and, to the extent the Litigation Trust Assets are allocable to Disputed General Unsecured Claims, to the Distribution Trust DOF, followed by (b) the transfer by the Distribution Trust Beneficiaries to the Distribution Trust of the Litigation Trust Assets (other than the portion of the Litigation Trust Assets allocable to the Distribution Trust DOF) in exchange for beneficial interests in the Distribution Trust in accordance with the Noteholder Plan, followed by (c) the transfer by the

Litigation Trust Beneficiary to the Litigation Trust of the Litigation Trust Assets in exchange for a beneficial interest in the Litigation Trust in accordance with the Noteholder Plan. Accordingly, the Distribution Trust Beneficiaries shall be treated for United States federal income tax purposes indirectly as the grantors and owners of their respective share of the Litigation Trust (other than such portion of the Litigation Trust Assets as is allocable to the Distribution Trust DOF), and of the Litigation Trust Assets, and the Distribution Trust directly as the grantor and owner of the Litigation Trust and of the Litigation Trust Assets. The foregoing treatment shall also apply, to the extent permitted by applicable law, for state and local income tax purposes.

(b) For United States federal income tax purposes (and for purposes of all state, local and other jurisdictions to the extent applicable), the Litigation Trust shall be treated as a liquidating trust pursuant to Tax Regulations section 301.7701-4(d) and as a grantor trust pursuant to IRC sections 671-677. To the extent consistent with Revenue Procedure 94-45, 1994-2 C.B. 684 and not otherwise inconsistent with this Noteholder Plan, this Noteholder Plan shall be construed so as to satisfy the requirements for liquidating trust status. The Distribution Trust will be treated as both the grantor and the deemed owner of the Litigation Trust and (ii) any items of income, deduction, credit and loss of the Litigation Trust shall be allocated for federal income tax purposes to the Litigation Trust Beneficiary (and by the Distribution Trust to its Distribution Trust Beneficiaries, as provided in the Distribution Trust Agreement). The Litigation Trust shall at all times be administered so as to constitute a domestic trust for United States federal income tax purposes.

(c) To the extent the Litigation Trust is treated separately from the Distribution Trust, the Litigation Trust will be treated as a “liquidating trust” within the meaning of Section 301.7701-4(d) of the Tax Regulations and the Tax Reporting provisions of Section 7.16.14 of the Noteholder Plan are incorporated by this Section 5.17.12(c) to apply to the Litigation Trust in the same manner they apply to the Distribution Trust.

5.17.13 Litigation Trust Beneficiary. The Distribution Trust shall be the sole beneficiary of the Litigation Trust and the only Holder of Litigation Trust Interests, and shall hold such Litigation Trust Interests for the benefit of the Distribution Trust Beneficiaries.

5.17.14 Reorganized Debtors’ Cooperation. The Reorganized Debtors and each employee, officer and director of the Reorganized Debtors shall be required to cooperate in all respects, at the Reorganized Debtors’ sole cost and expense, with the Litigation Trustee in the administration of the Litigation Trust (including, without limitation, the investigation and prosecution of the Litigation Trust Causes of Action) and shall not take any action that could interfere with or fail to take any action within the Reorganized Debtors’ control if such failure could interfere with, such administration of the Litigation Trust. The Litigation Trustee shall have the right to seek relief from the Bankruptcy Court, including seeking an order of contempt of the LT Directives, if, in the Litigation Trustee’s judgment, the Reorganized Debtors or any employee, officer or director of the Reorganized Debtors fails to cooperate in accordance with the provisions of this Section.

5.17.15 Document Retention. The Reorganized Debtors shall preserve (at their sole cost and expense) all records and documents (including all electronic records or documents) related to the Litigation Trust Causes of Action for a period of five (5) years after the Effective

Date, or if any Litigation Trust Causes of Action have been asserted in a pending action, then until such later time as the Litigation Trustee notifies the Reorganized Debtors in writing that such records are no longer required to be preserved. The Litigation Trustee shall be permitted to use all such records and documents in connection with the investigation and prosecution of the Litigation Trust Causes of Action. Further, the Debtors and the Reorganized Debtors shall deliver or cause to be delivered (at the Debtors' and the Reorganized Debtors' sole cost and expense) to the Litigation Trustee any information and documents (including those maintained in electronic format and original documents), whether held by the Debtors or Reorganized Debtors, their agents, advisors, attorneys, accountants or any other professional hired by the Debtors or Reorganized Debtors, that the Litigation Trustee believes are reasonably necessary or desirable in assisting the Litigation Trustee in connection with the Litigation Trust Causes of Action. The Debtors and the Reorganized Debtors shall not be permitted to invoke any privilege, including, but not limited to, attorney/client privileges, work product privileges, accountant/client privileges or any other evidentiary privileges to prevent the Litigation Trustee from using such records and documents for the purpose of investigating and prosecuting the Litigation Trust Causes of Action.

5.18 Creditors' Trust.

5.18.1 Creation and Purpose of the Creditors' Trust. On the Effective Date, the Creditors' Trust shall be created and established pursuant to the Creditors' Trust Agreement for the purposes of administering the Creditors' Trust Assets and making all distributions to the Holders of Creditors' Trust Interests as provided for under the Noteholder Plan and the Creditors' Trust Distribution Orders. The Creditors' Trust shall not continue or engage in the conduct of a trade or business, and no part of the assets of the Creditors' Trust or the proceeds, revenue or income therefrom shall be used or disposed of by the Creditors' Trustee in the furtherance of any business. The Creditors' Trust is intended to qualify as a grantor trust pursuant to Treasury Regulation section 1.671-4(a). Except as expressly provided in Section 5.18.8 with respect to the Creditors' Trust Initial Funding, none of the Debtors or the Reorganized Debtors shall have any liability for any cost or expense of the Creditors' Trust. The Creditors' Trust Agreement shall be substantially in the form of Exhibit 5.18.1 hereto, which shall be filed as part of the Noteholder Plan Supplement.

5.18.2 Transfers to the Creditors' Trust. Any claims or causes of action under chapter 5 of the Bankruptcy Code previously commenced or that could have been commenced by or on behalf of the Debtors' Estates against shareholders arising out of the redemption of their stock in connection with the Leveraged ESOP Transaction shall, as of the Effective Date, be discontinued without prejudice, and the Debtors, the Creditors' Committee and/or the Estates shall be deemed, as of the Effective Date, to have abandoned any and all right to further pursue such claims and causes of action pursuant to section 554 of the Bankruptcy Code. On the Effective Date, each Holder of Senior Loan Claims, Bridge Loan Claims, Senior Noteholder Claims, Other Parent Claims, PHONES Notes Claims, EGI-TRB LLC Notes Claims and Subordinated Securities Claims not making the Non-Contribution Election, shall contribute to the Creditors' Trust any and all State Law Avoidance Claims. The Creditors' Trust shall be authorized to prosecute the State Law Avoidance Claims for the benefit of Creditors' Trust Beneficiaries who contribute State Law Avoidance Claims to the Creditors' Trust, who shall receive any recoveries on account of the State Law Avoidance Claims

transferred to the Creditors' Trust, which recoveries shall be distributed to Creditors' Trust Beneficiaries (subject to the Creditors' Trust DOF, as described in Section 5.18.12 of the Noteholder Plan) in accordance with the Creditors' Trust Agreement, the Creditors' Trust Distribution Orders, the Noteholder Plan and, to the extent required, the Senior Loan Claim Sharing Resolution.

5.18.3 Creditors' Trust Assets. The transfer of the Creditors' Trust Assets to the Creditors' Trust shall be made for the benefit and on behalf of the Creditors' Trust Beneficiaries. To the extent that any State Law Avoidance Claims cannot be transferred to the Creditors' Trust because of a restriction on transferability under applicable law, such Creditors' Trust Assets shall be deemed to have been retained by the Creditors' Trust Beneficiary, and the Creditors' Trust shall be deemed to have been designated as a representative of such Creditors' Trust Beneficiary to enforce and pursue such State Law Avoidance Claims on behalf of such Creditors' Trust Beneficiary.

5.18.4 The Creditors' Trust Advisory Board. The Creditors' Trust will be governed by the Creditors' Trust Advisory Board and managed by the Creditors' Trustee subject to the provisions of the Noteholder Plan, the Confirmation Order and the Creditors' Trust Agreement. The Creditors' Trust Advisory Board initially will be a three-member board composed of two (2) individuals appointed by Aurelius and one (1) member appointed by the PHONES Notes Indenture Trustee. No member of the Creditors' Trust Advisory Board shall be a member of the Distribution Trust Advisory Board nor shall any member of the Creditors' Trust Advisory Board be the Distribution Trustee. The members of the Creditors' Trust Advisory Board will be identified in the Noteholder Plan Supplement. Upon the Creditors' Trust Advisory Board Reallocation Date, the Creditors' Trust Advisory Board may be reconstituted as follows: pursuant to the terms of the Creditors' Trust Agreement, the holders of the Class II Creditors' Trust Interests may elect, by majority vote, to replace any member of the Creditors' Trust Advisory Board that was not appointed by the PHONES Notes Indenture Trustee. The Creditors' Trust Advisory Board shall have the functions, duties and rights provided in the Creditors' Trust Agreement. No other Creditors' Trust Beneficiary shall have any consultation or approval rights whatsoever in respect of management and operation of the Creditors' Trust. The Creditors' Trust Agreement shall govern compensation of the Creditors' Trust Advisory Board members and changes in the composition of the Creditors' Trust Advisory Board after the Effective Date and other matters related to the role, responsibilities and governance of the Creditors' Trust Advisory Board. Members of the Creditors' Trust Advisory Board shall have fiduciary duties to Holders of Creditors' Trust Interests in the same manner that members of an official committee of creditors appointed pursuant to section 1102 of the Bankruptcy Code have fiduciary duties to the creditor constituents represented by such committee; *provided, however,* that the Creditors' Trust Advisory Board shall not owe fiduciary obligations to any defendants of State Law Avoidance Claims in their capacities as such, it being the intent of such fiduciary duties to ensure that the Creditors' Trust Advisory Board's obligations are to maximize the value of the assets of the Creditors' Trust, including the State Law Avoidance Claims.

5.18.5 The Creditors' Trustee. The Creditors' Trustee will be the exclusive trustee of the Creditors' Trust Assets for the purposes of 31 U.S.C. § 3713(b). The Creditors' Trustee shall have fiduciary duties to Holders of Creditors' Trust Interests in the same manner that

members of an official committee of creditors appointed pursuant to section 1102 of the Bankruptcy Code have fiduciary duties to the creditor constituents represented by such committee; *provided*, that the Creditors' Trustee shall not owe fiduciary obligations to any defendants of State Law Avoidance Claims in their capacities as such, it being the intent of such fiduciary duties to ensure that the Creditors' Trustee's obligations are to maximize the value of the assets of the Creditors' Trust including the State Law Avoidance Claims. A Person to be appointed by Aurelius after reasonable consultation with each of the other Proponents, and disclosed in the Noteholder Plan Supplement initially shall serve as the Creditors' Trustee; *provided, however*, that the Creditors' Trustee shall not be a member of the Creditors' Trust Advisory Board or the Distribution Trust Advisory Board, and shall not be the Distribution Trustee. The Creditors' Trustee shall be compensated from the Creditors' Trust Initial Funding and, to the extent provided for in the Creditors' Trust Agreement, other sources of funding and the Distribution Trust Reserve. The Creditors' Trust Agreement shall specify the terms and conditions of such compensation, as well as provide the manner in which the Creditors' Trustee may be removed and, in the event the Creditors' Trustee dies, is removed, or resigns for any reason, how the Creditors' Trust Advisory Board shall designate a successor.

5.18.6 Responsibilities. The responsibilities of the Creditors' Trustee shall be specified in the Creditors' Trust Agreement and shall include: (i) the receipt, management, supervision and protection of the Creditors' Trust Assets on behalf of and for the benefit of Creditors' Trust Beneficiaries; (ii) investigation, analysis, prosecution and, if necessary and appropriate, compromise of the State Law Avoidance Claims, including any objection to Claims included therein and any defense asserted by the Creditors' Trust in connection with any counterclaim or cross claim asserted against the Creditors' Trust; (iii) preparation and filing all required tax returns and paying taxes and all other obligations of the Creditors' Trust; (iv) making distributions from the proceeds of the State Law Avoidance Claims to the holders of Creditors' Trust Interests in accordance with the terms of the Creditors' Trust Distribution Orders; and (v) such other responsibilities as may be vested in the Creditors' Trustee pursuant to the Noteholder Plan, the Creditors' Trust Agreement and the Confirmation Order.

5.18.7 Powers. The powers of the Creditors' Trustee shall be specified in the Creditors' Trust Agreement and shall include the power to: (i) pay taxes and other obligations owed by the Creditors' Trust or incurred by the Creditors' Trustee; (ii) engage and compensate from the Creditors' Trust Initial Funding, other sources as set forth in the Creditors' Trust Agreement and the proceeds of the State Law Avoidance Claims, consultants, agents, employees and professional persons to assist the Creditors' Trustee with respect to the Creditors' Trustee's responsibilities; (iii) object to, compromise, and settle State Law Avoidance Claims subject to the Creditors' Trust Advisory Board's approval (and state court approval, as applicable); (iv) commence and/or pursue any and all actions involving State Law Avoidance Claims that could arise or be asserted at any time, unless otherwise waived or relinquished in the Noteholder Plan; (v) make distributions from the proceeds of the State Law Avoidance Claims to the holders of Creditors' Trust Interests in accordance with the terms of the Creditors' Trust Distribution Orders and the Creditors' Trust Agreement; and (vi) act and implement the Noteholder Plan, the Creditors' Trust Agreement and orders of the state court(s) adjudicating the State Law Avoidance Claims. The Creditors' Trustee shall exercise such powers in accordance with the provisions of the Noteholder Plan and the Creditors' Trust

Agreement which shall provide that the Creditors' Trustee must obtain the prior approval of the Creditors' Trust Advisory Board on the matters described in the Creditors' Trust Agreement.

5.18.8 Creditors' Trust Funding. On and after the Effective Date, the Creditors' Trust shall be funded with the proceeds of the Creditors' Trust Initial Funding and the proceeds of the State Law Avoidance Claims and other sources as set forth in the Creditors' Trust Agreement. The Creditors' Trust Initial Funding and any other funding received by the Creditors' Trust shall be repaid in full from the proceeds of the State Law Avoidance Claims prior to any distributions to Creditors' Trust Beneficiaries.

5.18.9 Transfer Taxes. Any transfer of the Creditors' Trust Assets to the Creditors' Trust shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use or other similar tax to the extent permitted under section 1146(a) of the Bankruptcy Code.

5.18.10 Compensation. In addition to reimbursement for actual, reasonable and necessary out-of-pocket expenses incurred, the Creditors' Trustee, and any employees, agents, consultants, or professionals engaged or retained by the Creditors' Trustee, shall be entitled to reasonable compensation from the Creditors' Trust Initial Funding, and to the extent provided for in the Creditors' Trust Agreement, proceeds from the State Law Avoidance Claims and/or other sources as set forth in the Creditors' Trust Agreement for services rendered in connection with the performance of the duties of the Creditors' Trustee as set forth above and in the Creditors' Trust Agreement and may be paid without any requirement to seek Bankruptcy Court approval of such compensation.

5.18.11 Federal Tax Treatment of the Creditors' Trust. As stated in the Creditors' Trust Agreement, the Creditors' Trust (i) will be established for the sole purpose of taking title to, protecting, conserving and distributing any recoveries from the State Law Avoidance Claims for the Creditors' Trust Beneficiaries, in accordance with Tax Regulations section 301.7701-4(a), with no objective to continue or engage in the conduct of a trade or business and (ii) is intended to qualify as a grantor trust for U.S. federal income tax purposes. In general, a grantor trust is not a separate taxable entity for U.S. federal income tax purposes, but is instead treated as a pass-through entity. The Creditors' Trust Agreement will require all parties (i) to treat the transfer of the Creditors' Trust Assets to the Creditors' Trust as a transfer of such assets (other than a portion of the assets allocable to the Creditors' Trust DOF) directly from the Creditors' Trust Beneficiaries to the Creditors' Trust and (ii) consistent herewith, to treat the Creditors' Trust as a grantor trust of which the Creditors' Trust Beneficiaries are the owners and grantors (again, other than a portion of the assets attributable to the Creditors' Trust DOF). Subject to the terms of the Creditors' Trust Agreement, promptly after the Effective Date, the Creditors' Trustee, in consultation with the Creditors' Trust Advisory Board, will determine the fair market value as of the Effective Date of all Creditors' Trust Assets transferred to the Creditors' Trust, and such determined fair market value shall be used by the Creditors' Trust, the Creditors' Trustee, and the Creditors' Trust Beneficiaries for all U.S. federal income tax purposes, including for determining tax basis and gain or loss. The Creditors' Trustee shall file federal income tax returns for the Creditors' Trust as a grantor trust in accordance with Tax Regulations section 1.671-4 and report, but not pay tax on, the Creditors' Trust's tax items of income, gain, loss, deductions and credits ("CT Tax Items"). The holders of Creditors' Trust

Interests shall report such CT Tax Items on their federal income tax returns and pay any resulting federal income tax liability.

5.18.12 The Creditors' Trust DOF. The Creditors' Trustee may establish a Creditors' Trust Disputed Ownership Fund (the "Creditors' Trust DOF") on account of Disputed Claims in respect of the Creditors' Trust, which shall include assets held separately from other assets of the Creditors' Trust, subject to an allocable share of all expenses and obligations of the Creditors' Trust. The amount of Net Creditors' Trust Proceeds held back in the Creditors' Trust DOF shall be equal to the amount of Net Creditors' Trust Proceeds necessary to satisfy the distributions to which the Holders of Disputed General Unsecured Claims would be entitled if all such Disputed General Unsecured Claims were to be subsequently Allowed. The Creditors' Trustee may, for U.S. federal income tax purposes (and, to the extent permitted by law, for state and local income tax purposes) (i) make an election either (A) pursuant to Tax Regulations section 1.468B-9 to treat the Creditors' Trust DOF as a "disputed ownership fund" within the meaning of that section or (B) if the Creditors' Trustee has received a private letter ruling from the IRS authorizing such treatment, as a separate trust (or sub-trust) taxable under IRC section 641, (ii) allocate taxable income or loss to the Creditors' Trust DOF with respect to any given taxable year (but only for the portion of the taxable year with respect to which such Claims are Disputed General Unsecured Claims) and (iii) distribute assets or interests in the Creditors' Trust from the Creditors' Trust DOF as, when, and to the extent, such Disputed General Unsecured Claims either become Allowed or otherwise resolved. The Creditors' Trust Beneficiaries shall be bound by such election, if made by the Creditors' Trustee, in consultation with the Creditors' Trust Advisory Board, and as such shall, for U.S. federal income tax purposes (and, to the extent permitted by law, for state and local income tax purposes), report consistently therewith.

5.18.13 Tax Reporting.

(a) Except with respect to the Creditors' Trust DOF, the Creditors' Trustee shall file tax returns for the Creditors' Trust treating the Creditors' Trust as a grantor trust in accordance with IRC section 6012, Treasury Regulation section 1.671-4 and this Section 5.18.13. In addition, the Creditors' Trustee shall file in a timely manner such other tax returns, including any state and local tax returns, as are required by applicable law and pay any taxes shown as due thereon. Within a reasonable time following the end of the taxable year, the Creditors' Trust shall send to each Creditors' Trust Beneficiary a statement setting forth such Creditors' Trust Beneficiary's share of items of income, gain, loss, deduction or credit and will instruct each such Creditors' Trust Beneficiary to report such items on his/her applicable U.S. federal income tax return. The Creditors' Trust DOF should be treated and reported as a disputed ownership fund in accordance with Treasury Regulation section 1.468B-9.

(b) Notwithstanding the foregoing provisions of this Section 5.18.13, in the event that the IRS advises the Creditors' Trustee that the Creditors' Trust does not qualify as a grantor trust in whole or in part nor as a partnership, or that the Creditors' Trust DOF must include the portion of the Creditors' Trust Assets allocable to Disputed Claims, the Creditors' Trustee, in consultation with the Creditors' Trust Advisory Board, may seek a private letter ruling or other determination from the IRS to the effect that such portion of the Creditors' Trust (and the Creditors' Trust DOF) should be treated for United States federal tax purposes as a trust

described in IRC Section 641 or a disputed ownership fund under Treasury Regulation 1.468B-9, rather than as a grantor trust under IRC Sections 671-677.

(c) The Creditors' Trustee shall be responsible for payment, out of the Creditors' Trust Assets, of any taxes imposed on the Creditors' Trust or its assets, including the Creditors' Trust DOF. In the event, and to the extent, any Cash retained on account of Disputed Claims in the Creditors' Trust DOF is insufficient to pay the portion of any such taxes attributable to the taxable income arising from the assets allocable to, or retained on account of, Disputed Claims, such taxes shall be (i) reimbursed from any subsequent Cash amounts retained on account of Disputed Claims, or (ii) to the extent such Disputed Claims have subsequently been resolved, deducted from any amounts otherwise distributable by the Creditors' Trustee as a result of the resolution of such Disputed Claims.

(d) On or before the Effective Date, the Creditors' Trustee shall, subject to the approval of the Creditors' Trust Advisory Board, but without necessity for review or approval by the Bankruptcy Court or any other Person, determine an appropriate method for allocating all items of income, gain, loss, deduction and credit among the Creditors' Trust Beneficiaries and the Creditors' Trust DOF for the period prior to the resolution of the State Law Avoidance Claims and the entry of the Creditors' Trust Distribution Orders, in accordance with the Creditors' Trust's treatment as a grantor trust, and report in accordance with such method. In determining an appropriate allocation, the Creditors' Trustee and the Creditors' Trust Advisory Board shall consult with the Litigation Trustee and the Distribution Trustee and their respective trust advisory boards. The relative interests of each class of Interests in the Creditors' Trust shall be adjusted to reflect the outcome of the Creditors' Trust Causes of Action and the entry of the Creditors' Trust Distribution Orders, and upon a determination of the enforceability of the subordination provisions as described in Section 3.2.8(c) and 3.2.9(c) of the Noteholders Plan. All members of a Class of Interests shall be treated in the same manner as other members of such Class, except as otherwise provided by any judicial order. The determination made by the Creditors' Trustee and the Creditors' Trust Advisory Board under this Section 5.18.13(d) shall not be subject to challenge or review.

5.18.14 Creditors' Trust Interests. The Creditors' Trust Interests will not be represented by certificates. The Creditors' Trust Interests will be transferable in accordance with applicable law. Holders of Creditors' Trust Interests shall be the beneficiaries of the Creditors' Trust. The Creditors' Trust Agreement shall provide that each Class of Creditors' Trust Interests shall entitle the holders thereof to receive pro rata distributions on account of such Class of Creditors' Trust Interests.

5.18.15 Indemnification. From and after the Effective Date, the Creditors' Trustee, the members of the Creditors' Trust Advisory Board and each of their respective Related Persons (collectively, the "Creditors' Trust Indemnified Parties") and each a "Creditors' Trust Indemnified Party") shall be, and hereby are, indemnified by the Creditors' Trust, to the fullest extent permitted by applicable law, from and against any and all claims, debts, dues, accounts, actions, suits, causes of action, bonds, covenants, judgments, damages, attorneys' fees, defense costs and other assertions of liability arising out of any such Creditors' Trust Indemnified Party's good faith exercise of what such Creditors' Trust Indemnified Party reasonably understands to be its powers or the discharge of what such Creditors' Trust Indemnified Party

reasonably understands to be its duties conferred by the Creditors' Trust Agreement, the Noteholder Plan, or any order of the Bankruptcy Court entered pursuant to, or in furtherance of, the Noteholder Plan, applicable law, or otherwise (except only for actions or omissions to act to the extent determined by a final non-appealable order of the applicable state court to be due to its own fraud, self-dealing, intentional misrepresentation or willful misconduct) on and after the Effective Date. The foregoing indemnification shall also extend to matters directly or indirectly in connection with, arising out of, based on, or in any way related to: (i) the Creditors' Trust Agreement; (ii) the services to be rendered pursuant to the Creditors' Trust Agreement; (iii) any document or information, whether verbal or written, referred to herein or supplied to the Creditors' Trustee; or (iv) proceedings by or on behalf of any Creditor. The Creditors' Trust shall, on demand, advance or pay promptly out of the Creditors' Trust Initial Funding, other financing sources as set forth in the Distribution Trust Agreement and, to the extent provided for in the Creditors' Trust Agreement, the proceeds of the State Law Avoidance Claims, on behalf of each Creditors' Trust Indemnified Party, reasonable attorneys' fees and other expenses and disbursements to which such Creditors' Trust Indemnified Party would be entitled pursuant to the foregoing indemnification obligation; *provided, however*, that any Creditors' Trust Indemnified Party receiving any such advance shall execute a written undertaking to repay such advance if a court of competent jurisdiction ultimately determines that such Creditors' Trust Indemnified Party is not entitled to indemnification hereunder due to the fraud, self-dealing, intentional misrepresentation or willful misconduct. In any matter covered by the first two sentences of this subsection, any person entitled to indemnification shall have the right to employ such person's own separate counsel reasonably acceptable to the Creditors' Trustee, at the Creditors' Trust's expense, subject to the foregoing terms and conditions. In addition, the Creditors' Trust shall purchase fiduciary liability insurance for the benefit of the Creditors' Trustee and the Creditors' Trust Advisory Board.

5.18.16 Termination. The duties, responsibilities and powers of the Creditors' Trustee shall terminate upon dissolution of the Creditors' Trust, except for such limited purposes as may be set forth in the Creditors' Trust Agreement. The Creditors' Trust shall dissolve after all State Law Avoidance Claims are fully resolved and the proceeds thereof have been distributed in accordance with the Creditors' Trust Agreement and the Creditors' Trust Distribution Orders. The Creditors' Trust shall terminate no later than five (5) years from the Effective Date. However, if warranted by the facts and circumstances that an extension is necessary for the purpose of the Creditors' Trust, the term of the Creditors' Trust may be extended for a finite period if (i) such extension is necessary to the purpose of the Creditors' Trust, (ii) the Creditors' Trustee receives an opinion of counsel or a ruling from the IRS stating that such extension would not adversely affect the status of the Creditors' Trust as a liquidating trust for U.S. federal income tax purposes and (iii) such extension is noticed to the Creditors' Trust Beneficiaries within the six (6) month period prior to the Creditors' Trust's fifth (5th) anniversary or the end of the immediately preceding extension period, as applicable. Upon dissolution of the Creditors' Trust, any remaining Cash on hand and other assets will be distributed to the Creditors' Trust Beneficiaries in accordance with the Creditors' Trust Distribution Orders.

5.18.17 Reorganized Debtors' Cooperation. The Reorganized Debtors and each employee, officer and director of the Reorganized Debtors shall be required to cooperate in all respects, at the Reorganized Debtors' sole cost and expense, with the Creditors' Trustee in the

administration of the Creditors' Trust and the Creditors' Trust DOF (including, without limitation, the investigation and prosecution of the State Law Avoidance Claims) and shall not take any action that could interfere with or fail to take any action within the Reorganized Debtors' control if such failure could interfere with, such administration of the Creditors' Trust. The Creditors' Trustee shall have the right to seek relief from any court of competent jurisdiction, including seeking an order of contempt of the CT Directives, if, in the Creditors' Trustee's judgment, the Reorganized Debtors or any employee, officer or director of the Reorganized Debtors fails to cooperate in accordance with the provisions of this Section.

5.18.18 Document Retention. The Reorganized Debtors shall preserve (at their sole cost and expense) all records and documents (including all electronic records or documents) related to the State Law Avoidance Claims for a period of five (5) years after the Effective Date, or if any State Law Avoidance Claim has been asserted in a pending action, then until such later time as the Creditors' Trustee notifies the Reorganized Debtors in writing that such records are no longer required to be preserved. The Creditors' Trustee shall be permitted to use all such records and documents in connection with the investigation and prosecution of the State Law Avoidance Claims. Further, the Debtors and the Reorganized Debtors shall deliver or cause to be delivered (at the Reorganized Debtors' sole cost and expense) to the Creditors' Trustee any information and documents (including those maintained in electronic format and original documents), whether held by the Debtors or Reorganized Debtors, their agents, advisors, attorneys, accountants or any other professional hired by the Debtors or Reorganized Debtors, that the Creditors' Trustee believes are reasonably necessary or desirable in assisting the Creditors' Trustee in connection with the State Law Avoidance Claims. The Debtors and the Reorganized Debtors shall not be permitted to invoke any privilege, including, but not limited to, attorney/client privileges, work product privileges, accountant/client privileges or any other evidentiary privileges to prevent the Creditors' Trustee from using such records and documents for the purpose of investigating and prosecuting the State Law Avoidance Claims.

5.19 Intercompany Claims Settlement Under the Noteholder Plan.

Pursuant to section 1123(b)(3)(A) of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration of the distributions and other benefits provided under the Noteholder Plan, the Noteholder Plan implements and incorporates by reference the Intercompany Claims Settlement for purposes of (i) allocating the DEV among Tribune and its Subsidiaries (on a consolidated basis) and (ii) setting the Allowed amounts of Intercompany Claims; *provided, however*, that before any Holder of an unsecured Claim against Tribune or a Guarantor Debtor receives Postpetition Interest on account of such Claim from any source other than from recoveries on account of Creditors' Trust Interests, the prepetition Intercompany Claims against the relevant Debtor must receive payment in full (not including Postpetition Interest). The Noteholder Plan constitutes a request to authorize and approve the compromise and settlement of all Intercompany Claims pursuant to the Intercompany Claims Settlement. Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, as of the Effective Date of the Noteholder Plan, of the Intercompany Claims Settlement and the Bankruptcy Court's finding that the Intercompany Claims Settlement is in the best interests of the Debtors, the Reorganized Debtors, their respective Estates, and the Holders of Claims and Interests, and is fair, equitable and reasonable.

ARTICLE 6

TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

6.1 Assumption and Rejection of Executory Contracts and Unexpired Leases.

6.1.1 On the Effective Date, all executory contracts or unexpired leases of the Debtors will be deemed assumed in accordance with, and subject to, the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, unless such executory contract or unexpired lease (i) was previously assumed or rejected by the Debtors, (ii) previously expired or terminated pursuant to its own terms, (iii) is an executory contract or unexpired lease that is included in the Global Contract Motion, (iv) is an executory contract or unexpired lease that is included in a pending motion to reject such executory contract or unexpired lease, (v) is a prepetition obligation to indemnify any target of any Litigation Trust Causes of Action, (vi) is an executory contract or unexpired lease that is expressly excluded from the assumptions set forth in Section 6.3 hereto or is set forth on Exhibit 6.3 that may be filed with the Noteholder Plan Supplement, or (vii) is an executory contract or unexpired lease that is set forth on Exhibit 6.3 of the Debtor/Committee/Lender Plan; *provided, however*, that the Proponents may make modifications, including the addition or removal of executory contracts or unexpired leases on Exhibit 6.3 of the Debtor/Committee/Lender Plan, between the date hereof and Confirmation as deemed necessary in the sole discretion of the Proponents. In the event the Proponents make any alterations to Exhibit 6.3 of the Debtor/Committee/Lender Plan, the Proponents shall file such amended list with the Bankruptcy Court and such amended list shall supersede and replace Exhibit 6.3 of the Debtor/Committee/Lender Plan for any and all purposes relating to the Noteholder Plan (the “Noteholder Rejection Schedule”). Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of such assumptions pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Each executory contract and unexpired lease assumed during the Chapter 11 Cases or pursuant to this Article 6 shall revert in and be fully enforceable by the applicable Reorganized Debtor, including any successor to such Reorganized Debtor after giving effect to the Restructuring Transactions, in accordance with its terms, except as modified by the provisions of the Noteholder Plan, agreement of the parties thereto, or any order of the Bankruptcy Court authorizing and providing for its assumption or applicable federal law.

6.1.2 Subject to the terms of Article 7 and Section 6.1.1 herein and except for any Customer Program otherwise designated on Exhibit 6.3, all refund and subscriber credit programs or similar obligations of the Debtors to subscribers or former subscribers to any of the Debtors’ publications under the Customer Programs shall be deemed assumed effective as of the Effective Date and the proposed cure amount with respect to each shall be zero dollars. Nothing contained in this Section 6.1.2 shall constitute or be deemed to be a waiver of any claim or cause of action that the Debtors may hold against any Person. Except with respect to any Customer Programs included on Exhibit 6.3 to the Debtor/Committee/Lender Plan Supplement, which may be modified by the Proponents, in their sole discretion, or on Exhibit 6.3 that may be filed with the Noteholder Plan Supplement, as a result of the deemed assumption of the Debtors’ refund, subscriber credit and other obligations under the Customer Programs to subscribers and former subscribers pursuant to this Section 6.1.2, all Proofs of Claim on account of or in respect of any such obligations shall be deemed withdrawn

automatically and without any further notice to or action by the Bankruptcy Court, and the Debtors' Claims Agent shall be authorized as of the Effective Date to expunge such Proofs of Claim from the claims register.

6.2 Cure of Defaults of Assumed Executory Contracts and Unexpired Leases.

The proposed cure amount for any executory contract or unexpired lease that is assumed pursuant to the Noteholder Plan shall be zero dollars unless otherwise indicated in a schedule to be filed with the Bankruptcy Court as part of the Noteholder Plan Supplement; *provided, however,* that the Proponents may make modifications to any such list filed in connection with the Debtor/Committee/Lender Plan, or may file their own schedule of cure amounts, between the date such list is filed and Confirmation, as deemed necessary in the sole discretion of the Proponents. In the event the Proponents make any alterations to such schedule or file a separate schedule in connection with the Noteholder Plan, the Proponents shall file such amended schedule with the Bankruptcy Court and such schedule shall supersede and replace any similar filing made in connection with the Debtor/Committee/Lender Plan for any and all purposes relating to the Noteholder Plan (the "Noteholder Cure Schedule"). Any monetary amounts by which each executory contract and unexpired lease to be assumed is in default and not subsequently cured shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the default amount in Cash on the Effective Date or on such other terms as the parties to each such executory contract or unexpired lease may otherwise agree. In the event of a dispute regarding (i) the amount of any cure payments, (ii) the ability of the Reorganized Debtors or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the contract or lease to be assumed, or (iii) any other matter pertaining to assumption, the cure payments required by section 365(b)(1) of the Bankruptcy Code shall be made following the entry of a Final Order resolving the dispute and approving the assumption. Pending the Bankruptcy Court's ruling on such motion, the executory contract or unexpired lease at issue shall be deemed conditionally assumed by the relevant Debtor unless otherwise ordered by the Bankruptcy Court.

6.3 Assumption of Executory Contracts and Unexpired Leases.

On the Effective Date, each executory contract and unexpired lease that is not listed on Exhibit 6.3 to the Debtor/Committee/Lender Plan or if applicable, the Noteholder Assumption Schedule, shall be assumed pursuant to Section 365 of the Bankruptcy Code. Each contract or lease not listed on Exhibit 6.3 to the Debtor/Committee/Lender Plan or the Noteholder Assumption Schedule, as applicable, shall be assumed only to the extent that any such contract or lease constitutes an executory contract or unexpired lease. As it relates to the Noteholder Plan, the Debtors (with the consent of the Proponents) and the Proponents reserve their rights to amend Exhibit 6.3 to the Debtor/Committee/Lender Plan or the Noteholder Assumption Schedule, as applicable, to delete any unexpired lease or executory contract therefrom or add any unexpired lease or executory contract thereto at any time prior to the Confirmation Hearing. Listing or failing to list a contract or lease on Exhibit 6.3 of the Debtor/Committee/Lender Plan or the Noteholder Assumption Schedule shall not constitute an admission by a Debtor, a Reorganized Debtor or the Proponents that such contract or lease is an executory contract or unexpired lease or that such Debtor or Reorganized Debtor has any liability thereunder.

6.4 Rejection Damages Bar Date.

If the rejection by a Debtor, pursuant to the Noteholder Plan, of an executory contract or unexpired lease results in a Claim, then such Claim shall be forever barred and shall not be enforceable against any Debtor or Reorganized Debtor, or the properties of any of them, unless a Proof of Claim is filed and served upon counsel to the Debtors within thirty (30) days after service of the notice that the executory contract or unexpired lease has been rejected.

6.5 Compensation and Benefit Programs.

Except as set forth in Article III.C.6-III.C.11 of the General Disclosure Statement and such other Employee Benefit Plans as may be disclosed in (i) the Debtor/Committee/Lender Plan Supplement, as modified by the Proponents in their sole discretion, or (ii) the Noteholder Plan Supplement, the Reorganized Debtors shall continue to perform their obligations under all Employee Benefit Plans and all such Employee Benefit Plans shall be assumed by the applicable Reorganized Debtors; *provided, however*, that nothing in the Noteholder Plan shall limit, diminish or otherwise alter the Reorganized Debtors' defenses, claims, causes of action, or other rights with respect to the interpretation, application or enforcement of any such Employee Benefit Plan or the payment of any Employee Benefit Claim, including the Reorganized Debtors' rights to amend, modify or terminate any such Employee Benefit Plan either prior to or after the Effective Date. For the avoidance of doubt, nothing contained in the Noteholder Plan or in any postpetition or assumed contract shall obligate the Reorganized Debtors to indemnify or exculpate any director, officer or employee of the Tribune Entities in connection with any claims or causes of action brought against such parties and the Reorganized Debtors shall be prohibited from indemnifying or exculpating any current, former or future director, officer or employee of the Tribune Entities or any other Person in connection with any of the Litigation Trust Causes of Action or State Law Avoidance Claims.

For the avoidance of doubt, nothing contained in this Section 6.5 shall affect (i) any prepetition Claim against the Debtors or their Estates for indemnification arising out of the prepetition conduct of any director, officer or employee of the Tribune Entities, including any challenge to the classification and treatment of any such Claims under the Noteholder Plan or (ii) the exculpation provisions in the Debtors' certificates of incorporation or analogous documents, including, without limitation, Tribune's amended and restated certificate of incorporation dated June 12, 2000, and Tribune's amended and restated certificate of incorporation dated December 20, 2007, to the extent, if any, that such provisions shield any such director, officer or employee from liability arising out of the pre-Effective Date conduct of any such director, officer or employee; *provided, however*, nothing in the Noteholder Plan shall affect (x) the Debtors' or the Reorganized Debtors' rights and defenses with respect to such Claims or such provisions, including, but not limited to, any counterclaim, cross claim, right of setoff, recoupment or other defense, whether legal or equitable, and all such rights and defenses shall be fully preserved and enforceable to the fullest extent allowed under applicable law or (y) any party's rights to object to such Claims or such provisions (including, without limitation, their enforceability) on any grounds which shall be fully preserved; provided further that the Reorganized Debtors shall have no liability for such Claims.

6.6 Collective Bargaining Agreements.

Upon the Effective Date, any Collective Bargaining Agreement entered into by the Debtors that has not expired by its terms and is in effect as of the Effective Date shall be deemed to have been assumed in accordance with, and subject to, the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code. Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the survival, and/or the pertinent Debtor's assumption of the Collective Bargaining Agreements then in effect, except to the extent that such agreements have already been assumed prior to the entry of the Confirmation Order. Upon the Effective Date, with respect to any Collective Bargaining Agreement entered into by the Debtors that has expired by its terms, the rights and obligations, if any, of the Reorganized Debtors with respect to such expired agreement shall not be affected by the Confirmation Order, and the Reorganized Debtors shall continue to have the same rights and obligations with respect to any such expired agreement as the Debtors had immediately prior to the entry of the Confirmation Order and any such rights and obligations of the Reorganized Debtors under any such expired agreement shall continue to be determined in accordance with applicable federal labor law.

6.7 Post-Petition Contracts and Leases.

All contracts, agreements and leases that were entered into by the Debtors or assumed by the Debtors after the Petition Date shall be deemed assigned by such Debtors to the Reorganized Debtors, including any successor to any Reorganized Debtor after giving effect to the Restructuring Transactions, on the Effective Date. For the avoidance of doubt, nothing contained in the Noteholder Plan or in any postpetition or assumed contract shall obligate the Reorganized Debtors to indemnify or exculpate any director, officer or employee of the Tribune Entities in connection with any claims or causes of action brought against such parties and the Reorganized Debtors shall be prohibited from indemnifying or exculpating any current, former or future director, officer or employee of the Tribune Entities or any other Person in connection with any of the Litigation Trust Causes of Action or State Law Avoidance Claims.

For the avoidance of doubt, nothing contained in this Section 6.7 shall affect (i) any prepetition Claim against the Debtors or their Estates for indemnification arising out of the prepetition conduct of any director, officer or employee of the Tribune Entities, including any challenge to the classification and treatment of any such Claims under the Noteholder Plan or (ii) the exculpation provisions in the Debtors' certificates of incorporation or analogous documents, including, without limitation, Tribune's amended and restated certificate of incorporation dated June 12, 2000, and Tribune's amended and restated certificate of incorporation dated December 20, 2007, to the extent, if any, that such provisions shield any such director, officer or employee from liability arising out of the pre-Effective Date conduct of any such director, officer or employee; provided, however, nothing in the Noteholder Plan shall affect (x) the Debtors' or the Reorganized Debtors' rights and defenses with respect to such Claims or such provisions, including, but not limited to, any counterclaim, cross claim, right of setoff, recoupment or other defense, whether legal or equitable, and all such rights and defenses shall be fully preserved and enforceable to the fullest extent allowed under applicable law or (y) any party's rights to object to such Claims or such provisions (including, without limitation, their enforceability) on any grounds which shall be fully preserved; provided further that the Reorganized Debtors shall have no liability for such Claims.

6.8 Termination of ESOP.

Upon the Effective Date, the ESOP shall be deemed terminated in accordance with its terms, and the amount of unpaid principal and interest remaining on the ESOP Note dated April 1, 2007 shall be forgiven pursuant to section 6.3 of the ESOP Loan Agreement by and between Tribune and GreatBanc Trust Company, not in its individual or corporate capacity, but solely as trustee of the Tribune Employee Stock Ownership Trust dated April 1, 2007. In connection with Tribune's forgiveness of the balance due under the ESOP Note, the Debtors or the Proponents will seek, in their sole discretion: (i) confirmation that Tribune has a right under the ESOP Plan and ESOP Note to forgive the ESOP's obligations; (ii) confirmation that Tribune's forgiveness of any post-petition payments due from the ESOP in connection with the ESOP Note, including, without limitation, the payment due on or about April 1, 2009 was in compliance with the ESOP Note and ESOP Plan and satisfied Tribune's obligations, if any, under the ESOP Plan to make a contribution to the ESOP during the relevant time period; and (iii) a determination of the amount of the balance of the ESOP Note being forgiven, the value of any obligations of the ESOP owed to Tribune under the ESOP Note, and the legal effect of the forgiveness of the ESOP Note. Approval of the Noteholder Plan is not conditioned upon these determinations, but these determinations may be sought in connection with the Noteholder Plan. Notwithstanding anything contained herein, the plaintiffs in that certain lawsuit styled *Neil v. Zell et al.*, No. 08-6833 (N.D. Ill) reserve all of their rights to argue that the District Court for the Northern District of Illinois has exclusive jurisdiction to determine the legal effect of the forgiveness of the ESOP Note, and the Proponents, Debtors and Reorganized Debtors reserve all of their rights to argue that the District Court for the Northern District of Illinois does not have exclusive jurisdiction to determine the legal effect of the forgiveness of the ESOP Note.

6.9 Insurance Policies.

Notwithstanding anything to the contrary in the Noteholder Specific Disclosure Statement, the Noteholder Plan, the Noteholder Plan Supplement, any other document filed by the Proponents in connection with the Noteholder Plan, the Confirmation Order or any other order of the Bankruptcy Court (including, without limitation, any other provision that purports to be preemptory or supervening or grants an injunction or release), the insurance policies (including, without limitation, any policies covering directors' or officers' conduct) issued to, or insurance agreements entered into by, any of the Debtors prior to the Petition Date and all collateral and security relating thereto shall continue in effect after the Effective Date pursuant to their respective terms and conditions, and the Reorganized Debtors shall honor the Debtors' obligations thereunder regardless of whether such obligations arise prior to or after the Effective Date. To the extent that any insurance policies or agreements (including, without limitation, any policies covering directors' or officers' conduct) are considered to be executory contracts, then, notwithstanding anything to the contrary in the Noteholder Plan, the Noteholder Plan shall constitute a motion to assume or ratify such insurance policies and agreements, and, subject to the occurrence of the Effective Date, the entry of the Confirmation Order shall constitute approval of such assumption pursuant to section 365(a) of the Bankruptcy Code and a finding by the Bankruptcy Court that each such assumption is in the best interest of each Debtor and its Estate. Unless otherwise determined by the Bankruptcy Court pursuant to a Final Order or agreed to by the parties thereto prior to the Effective Date, no payments shall be required to cure any defaults of the Debtors existing as of the Confirmation Date with respect to each such

insurance policy or agreement assumed by the Debtors. To the extent that the Bankruptcy Court determines that a cure payment is required as to any such insurance policy or agreement, the Proponents reserve the right to seek the rejection of such insurance policy or agreement or other available relief.

ARTICLE 7

PROVISIONS GOVERNING DISTRIBUTIONS

7.1 General.

Initial Distributions to Holders of Allowed Claims shall be made as soon as practicable on or after the Effective Date. Initial Distributions of New Common Stock, the New Senior Secured Term Loan, Distributable Cash, Cash, Distribution Trust Interests and Creditors' Trust Interests shall be made by the Distribution Trustee, as Disbursing Agent; *provided, however*, that the Reorganized Debtors shall act as Disbursing Agent with respect to any distributions on account of Allowed Administrative Expense Claims and Allowed Priority Tax Claims. Unless the Holder of an Allowed Claim or Allowed Interest against any of the Debtors and the Reorganized Debtors agree to a different distribution date or except as otherwise provided herein or as ordered by the Bankruptcy Court (i) distributions to be made on account of Claims or Interests that are Allowed as of the Effective Date shall be made on the Initial Distribution Date or as soon thereafter as is practicable and (ii) distributions to be made on account of Claims or Interests that become Allowed after the Effective Date shall be made on the succeeding Quarterly Distribution Date or as soon thereafter as is practicable. Any payment or distribution required to be made under the Noteholder Plan on a day other than a Business Day shall be made on the next succeeding Business Day.

7.2 Disputed Claims Reserves.

7.2.1 Distributions to Holders of Disputed Other Parent Claims, Disputed Other Guarantor Debtor Claims and Disputed Other Non-Guarantor Debtor Claims.

(a) **Disputed Other Parent Claims Reserve.** On or as soon as practicable after the Effective Date, the Distribution Trust shall establish a Disputed Other Parent Claims Reserve to make distributions to Holders of Other Parent Claims that are Disputed Claims that become Allowed Other Parent Claims after the Effective Date. The amount of Parent Consideration, Distribution Trust Interests and, to the extent applicable, Creditors' Trust Interests contributed to the Disputed Other Parent Claims Reserve shall be equal to the amount necessary to satisfy the Initial Distributions and distribute Distribution Trust Interests and, as applicable, Creditors' Trust Interests required to be made pursuant to the Noteholder Plan based upon the Face Amount of the Disputed Other Parent Claims that may be entitled to receive distributions if such Disputed Claims are subsequently Allowed Other Parent Claims.

(b) **Disputed Other Guarantor Debtor Claims Reserve.** On or as soon as practicable after the Effective Date, the Distribution Trust shall establish a Disputed Other Guarantor Debtor Claims Reserve to make distributions to Holders of Other Guarantor Debtor Claims that are Disputed Claims that become Allowed Other Guarantor Debtor Claims after the

Effective Date. The amount of Cash and Distribution Trust Interests contributed to the Disputed Other Guarantor Debtor Claims Reserve shall be equal to the amount necessary to satisfy the Initial Distributions and distribute Distribution Trust Interests required to be made pursuant to the Noteholder Plan based upon the Face Amount of the Disputed Other Guarantor Debtor Claims that may be entitled to receive distributions if such Disputed Claims are subsequently Allowed Guarantor Debtor Claims.

(c) Disputed Other Non-Guarantor Debtor Claims Reserve. On or as soon as practicable after the Effective Date, the Distribution Trust shall establish a Disputed Other Non-Guarantor Debtor Claims Reserve to make distributions to Holders of Other Non-Guarantor Debtor Claims that are Disputed Claims that become Allowed Other Non-Guarantor Debtor Claims after the Effective Date. The amount of Cash contributed to the Disputed Other Non-Guarantor Debtor Claims Reserve shall be equal to the amount necessary to satisfy the distributions required to be made pursuant to the Noteholder Plan based upon the Face Amount of the Disputed Other Non-Guarantor Debtor Claims that may be entitled to receive distributions if such Disputed Claims are subsequently Allowed Other Non-Guarantor Debtor Claims.

(d) Distributions On Account of Disputed Claims Once Allowed. On each Quarterly Distribution Date, the Distribution Trustee shall make distributions of consideration that would have been distributed on the Initial Distribution Date to the Holders of Disputed Claims that become Allowed Claims during the preceding calendar quarter. On or as soon as practicable after the Final Distribution Date, after distributions are made to Holders of Disputed Claims that have become Allowed Claims during the preceding calendar quarter, any consideration remaining in the Disputed Claims Reserves shall be transferred to the Distribution Trust Reserve to be distributed in accordance with the terms of the Litigation Distribution Orders. Any distributions on account of Distribution Trust Interests and, if applicable, Creditors' Trust Interests that would have been made to Holders of Disputed Claims that become Allowed Claims shall be made by the Distribution Trustee and, if applicable, the Creditors' Trustee in accordance with the terms of the Noteholder Plan, the Distribution Trust Agreement, the Creditors' Trust Agreement, the Litigation Distribution Orders and the Creditors' Trust Distribution Orders.

7.3 Special Provisions Governing Distributions to Holders of Senior Loan Claims and Senior Loan Guaranty Claims.

Initial Distributions made on account of Senior Loan Claims and Senior Loan Guaranty Claims shall be made by the Disbursing Agent directly to the Holders of such Claims and shall not be made by the Senior Loan Agent. The Loan Agents shall take all actions reasonably requested by the Disbursing Agent to identify the names and addresses of Holders of Allowed Loan Claims and Allowed Loan Guaranty Claims.

7.4 Interest on Claims.

Claim Holders may receive Postpetition Interest or the equivalent thereof based on the Litigation Distribution Orders, the Creditors' Trust Distribution Orders or as expressly provided in the Noteholder Plan. To the extent that any Class of Litigation Trust Interests and/or Creditors Trust Interests is awarded value pursuant to the Litigation Distribution Orders, Creditors Trust Distribution Orders or through a combination thereof, that would result in the Holders of such

Class of Litigation Trust Interests or Creditors' Trust Interests receiving value sufficient to pay Postpetition Interest on such Holders' Claims, such Holders shall be entitled to retain such excess value to the extent of such Postpetition Interest.

7.5 Distributions by Disbursing Agent/Distribution Trustee/Creditors' Trustee.

7.5.1 Other than as specifically set forth in the Noteholder Plan, the Disbursing Agent, Distribution Trustee or Creditors' Trustee shall make all distributions required to be made under the Noteholder Plan. At the sole discretion of the Proponents, the Reorganized Debtors may act as Disbursing Agent or the Proponents may, in their sole discretion, determine that the Estates shall employ or contract with other entities to act as the Disbursing Agent or to assist in or make the distributions required by the Noteholder Plan.

7.5.2 Other than as specifically set forth in the Noteholder Plan, the distributions to be made on account of Senior Noteholder Claims and PHONES Notes Claims shall be made in accordance with the terms of the particular Indenture or in accordance with the Noteholder Plan where such Indenture is silent.

7.6 Delivery of Distributions and Undeliverable or Unclaimed Distributions.

7.6.1 Delivery of Distributions in General. Distributions to Holders of Claims shall be made at the addresses set forth in the Debtors' records unless such addresses are superseded by Proofs of Claim or transfers of claim filed pursuant to Bankruptcy Rule 3001.

7.6.2 Undeliverable and Unclaimed Distributions.

(a) General. The Reorganized Debtors, the Disbursing Agent, the Claims Purchase Agent, the Distribution Trustee, or the Creditors' Trustee as applicable, shall have no duty to make distributions to any Holder of a Claim with an undeliverable address as determined by any undeliverable or returned notice to the Debtors, the Disbursing Agent, the Distribution Trustee, the Creditors' Trustee or the Claims Purchase Agent since the commencement of the Chapter 11 Cases unless and until the Reorganized Debtors, the Distribution Trustee, the Creditors' Trustee, the Claims Purchase Agent or the Disbursing Agent, as applicable, are notified in writing of such Holder's then current address prior to the Distribution Record Date. If the distribution to any Holder of a Claim is returned to the Reorganized Debtors, Distribution Trustee, Creditors' Trustee, Claims Purchase Agent or Disbursing Agent, as applicable, as undeliverable or is otherwise unclaimed, no further distributions shall be made to such Holder unless and until the Reorganized Debtors, Distribution Trustee, Creditors' Trustee, Claims Purchase Agent or Disbursing Agent, as applicable, are notified in writing of such Holder's then-current address.

(a) Non-Negotiated Check Voucher Distributions. Checks issued pursuant to the Noteholder Plan shall be null and void if not negotiated within ninety (90) calendar days from and after the date of issuance thereof. Requests for reissuance of any check must be made directly and in writing to the Reorganized Debtors, Disbursing Agent, Claims Purchase Agent, Distribution Trustee or Creditors' Trustee, as applicable, by the Holder of the relevant Claim, Distribution Trust Interest or Creditors' Trust Interest within the 90-calendar-day period. After such date, the right to any such distribution (and any claim for reissuance of the original check)

shall be automatically discharged and forever barred, and such funds shall revert to the Distribution Trust or Creditors' Trust, as applicable, for distribution in accordance with the terms of the Litigation Distribution Orders or Creditors' Trust Distribution Orders, as applicable, notwithstanding any federal or state escheat laws to the contrary.

(b) Failure to Claim Undeliverable Distributions. Except as otherwise expressly provided in the Noteholder Plan, any Holder of a Claim that does not assert a claim pursuant to the Noteholder Plan for an undeliverable or unclaimed distribution within one (1) year after the Effective Date shall be deemed to have forfeited its claim for such undeliverable or unclaimed distribution and shall be forever barred and enjoined from asserting any such claim for an undeliverable or unclaimed distribution against the Debtors, their Estates, the Reorganized Debtors, the Distribution Trustee, the Distribution Trust, the Creditors' Trustee, the Creditors' Trust, the Claims Purchase Agent or any of their respective property. In such cases, any Cash for distribution on account of such claims for undeliverable or unclaimed distributions shall revert in the Distribution Trust in accordance with the terms of the Litigation Distribution Orders free of any restrictions thereon and notwithstanding any federal or state escheat laws to the contrary. Nothing contained in the Noteholder Plan shall require any Disbursing Agent, including, but not limited to, the Reorganized Debtors, or the Distribution Trustee, the Creditors' Trustee or the Claims Purchase Agent, to attempt to locate any Holder of a Claim.

7.7 Record Date for Distributions.

7.7.1 With the exception of Senior Noteholder Claims, PHONES Notes Claims, PHONES Notes Exchange Claims and Put Claims, the Reorganized Debtors, the Distribution Trustee, the Creditors' Trustee and the Disbursing Agent will have no obligation to recognize the transfer of, or the sale of any participation in, any Claim that occurs after the close of business on the Distribution Record Date, and will be entitled for all purposes herein to recognize and distribute only to those Holders of Claims (including Holders of Claims that become Allowed after the Distribution Record Date) that are Holders of such Claims, or participants therein, as of the close of business on the Distribution Record Date. With the exception of the Senior Noteholder Claims, PHONES Notes Claims, PHONES Notes Exchange Claims and Put Claims, the Reorganized Debtors, the Distribution Trustee, the Creditors' Trustee and the Disbursing Agent shall instead be entitled to recognize and deal for all purposes under the Noteholder Plan with only those record Holders stated on the official claims register as of the close of business on the Distribution Record Date.

7.7.2 Unless otherwise set forth in the Confirmation Order, the Proponents shall not establish a record date for distributions to Holders of Senior Noteholder Claims or PHONES Notes Claims. Distributions to Holders of such Claims held through DTC shall be made by means of book-entry exchange through the facilities of DTC in accordance with the customary practices of DTC, as and to the extent practicable, and the Distribution Record Date shall not apply. In connection with such book-entry exchange, the Reorganized Debtors, the Distribution Trustee or the Creditors' Trustee will provide information to each Indenture Trustee, which such Indenture Trustee shall convey to DTC to effect distributions on a Pro Rata basis as provided under the Noteholder Plan with respect to such Claims upon which such Indenture Trustee acts as trustee. Subject to Section 7.5.2 of the Noteholder Plan, distributions of Cash to Holders of Allowed Senior Noteholder Claims or Allowed PHONES Notes Claims

shall be made by Reorganized Tribune, the Disbursing Agent, the Distribution Trustee or the Creditors' Trustee to the applicable Indenture Trustees, which, in turn, shall make such distributions to the applicable Holders either through DTC or, in the case of Claims held directly by the Holder thereof, through the applicable Indenture Trustee subject to the respective rights, claims and interests, if any, that the Indenture Trustees may have under the applicable Indentures or otherwise to the recovery and/or reimbursement of their fees, costs and expenses (including the fees, costs and expenses of counsel and financial advisors) from any distribution hereunder, whether such rights, claims or interests are in the nature of a charging lien or otherwise. Distributions of other consideration to Holders of Senior Noteholder Claims or PHONES Notes Claims shall be made by the Disbursing Agent, Distribution Trustee or the Creditors' Trustee either through DTC or, in the case of Claims held directly by the Holder thereof, through the Disbursing Agent, Distribution Trustee or the Creditors' Trustee upon surrender or deemed surrender of such Holder's Senior Notes or PHONES Notes except as otherwise provided in the Noteholder Plan.

7.8 Allocation of Plan Distributions Between Principal and Interest.

Except as otherwise expressly provided in the Noteholder Plan, to the extent that any Allowed Claim entitled to a distribution under the Noteholder Plan is comprised of indebtedness and accrued but unpaid interest thereon, such distribution shall, for all purposes, be allocated to the principal amount of the Claim first and then, to the extent that the consideration exceeds the principal amount of the Claim, to the portion of such Claim representing accrued but unpaid interest.

7.9 Means of Cash Payment.

Payments of Cash made pursuant to the Noteholder Plan shall be made, at the option and in the sole discretion of the Reorganized Debtors, Disbursing Agent, the Distribution Trustee or Creditors' Trustee, as applicable, by (i) checks drawn on, (ii) automated clearing house transfer from, or (iii) wire transfer from a bank selected by the Reorganized Debtors, Disbursing Agent, Distribution Trustee or Creditors' Trustee, as applicable. Cash payments to foreign creditors may be made, at the option of the Reorganized Debtors, Disbursing Agent, the Distribution Trustee or the Creditors' Trustee, as applicable in such funds and by such means as are necessary or customary in a particular foreign jurisdiction.

7.10 Withholding and Reporting Requirements.

7.10.1 In connection with the Noteholder Plan and all distributions hereunder, the Reorganized Debtors, the Distribution Trustee, the Creditors' Trustee or the Disbursing Agent, as applicable, shall comply with all withholding and reporting requirements imposed by any Tax Authority. The Reorganized Debtors, the Disbursing Agent, the Distribution Trustee and the Creditors' Trustee shall be authorized to take any and all actions that may be necessary or appropriate to comply with such withholding and reporting requirements.

7.10.2 All persons holding Claims or Interests shall be required to provide any information necessary to effect information reporting and the withholding of such taxes. In order to receive distributions under the Plan, all holders of Distribution Trust Interests and

Creditors' Trust Interests will need to identify themselves to the Distribution Trustee, the Creditors' Trustee or the Disbursing Agent, as applicable, and provide tax information and the specifics of their holdings, to the extent the Distribution Trustee or the Creditors' Trustee, as applicable, deems appropriate. This identification requirement may, in certain cases, extend to Holders who hold their securities in street name. The Distribution Trustee, the Creditors' Trustee or the Disbursing Agent, as applicable, may refuse to make a distribution to any Holder of an Allowed Claim, Distribution Trust Interest or Creditors' Trust Interest that fails to furnish such information in a timely fashion, until such information is delivered; *provided, however*, that, upon the delivery of such information by a Holder of an Allowed Claim, Distribution Trust Interest, or Creditors' Trust Interest, the Distribution Trustee, the Creditors' Trustee or the Disbursing Agent, as applicable, shall make such distribution to which the Holder of the Distribution Trust Interest, Creditors' Trust Interest or Allowed Claim, as applicable, is entitled, without interest; and, *provided* further, that if the Distribution Trustee, the Creditors' Trustee or the Disbursing Agent, as applicable, fails to withhold in respect of amounts received or distributable with respect to any such Holder and the Distribution Trustee, the Creditors' Trustee or the Disbursing Agent, as applicable, is later held liable for the amount of such withholding, such Holder shall reimburse the Distribution Trustee, the Creditors' Trustee or the Disbursing Agent, as applicable, for such liability.

7.10.3 All amounts withheld and paid to the appropriate Tax Authority shall be treated as amounts distributed to such Holders of an Allowed Claim, Distribution Trust Interests or Creditors' Trust Interests for all purposes of the Noteholder Plan, the Distribution Trust Agreement and the Creditors' Trust Agreement as applicable.

7.10.4 Notwithstanding any other provision of the Noteholder Plan, (i) each Holder of an Allowed Claim that is to receive a distribution pursuant to the Noteholder Plan shall have sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any governmental unit, including income, withholding and other tax obligations, on account of such distribution and (ii) no distribution shall be made to or on behalf of such Holder pursuant to the Noteholder Plan unless and until such Holder has made arrangements satisfactory to the Reorganized Debtors, Distribution Trustee, Creditors' Trustee or the Disbursing Agent, as applicable, for the payment and satisfaction of such tax obligations. Nothing in the preceding sentence shall affect distributions under the Noteholder Plan to the Distribution Trust, the Creditors' Trust, Indenture Trustees or the Holders of Allowed Senior Loan Claims, Senior Loan Guaranty Claims, Senior Noteholder Claims or PHONES Notes Claims.

7.11 Setoffs.

The Reorganized Debtors, the Distribution Trustee or the Creditors' Trustee, as applicable, may, pursuant to section 553 of the Bankruptcy Code or applicable nonbankruptcy laws, but shall not be required to, set off against any Claim (other than Senior Noteholder Claims and PHONES Notes Claims) the payments or other distributions to be made pursuant to the Noteholder Plan in respect of such Claim, or claims of any nature whatsoever that the Debtors, the Reorganized Debtors, the Litigation Trust or the Creditors' Trust, as applicable, may have against the Holder of such Claim or respecting such Claim; *provided, however*, that neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release by the Reorganized

Debtors, the Litigation Trustee or the Creditors' Trustee of any such claim that the Debtors, the Reorganized Debtors, the Litigation Trust or the Creditors' Trust, as applicable, may have against such Holder.

7.12 Fractional Shares/Fractional Distribution Trust Interests/Fractional Creditors' Trust Interests.

No fractional shares of New Common Stock or New Warrants or fractional Distribution Trust Interests or fractional Creditors' Trust Interests shall be distributed. Where a fractional share, warrant, Distribution Trust Interest or Creditors' Trust Interest would otherwise be called for, the actual issuance shall reflect a rounding up (in the case of more than .50) of such fraction to the nearest whole share of New Common Stock or New Warrant or whole Distribution Trust Interest or Creditors' Trust Interest or a rounding down of such fraction (in the case of .50 or less than .50) to the nearest whole share of New Common Stock, or New Warrant, or whole Distribution Trust Interest or Creditors' Trust Interest. The total number of shares of New Common Stock or New Warrants and number of Distribution Trust Interests or Creditors' Trust Interests to be distributed pursuant to the Noteholder Plan shall be adjusted as necessary to account for the rounding provided for herein.

7.13 De Minimis Distributions

No distributions shall be made on account of an Allowed Claim if the amount to be distributed to the specific Holder of an Allowed Claim on the applicable Distribution Date has an economic value of less than \$25.

7.14 Special Provision Regarding Unimpaired Claims.

Except as otherwise explicitly provided in the Noteholder Plan, nothing shall affect the Debtors' or the Reorganized Debtors' rights and defenses, both legal and equitable, with respect to any Unimpaired Claims, including, but not limited to, all rights with respect to legal and equitable defenses to setoffs or recoupments against Unimpaired Claims.

7.15 Subordination.

Subject to the provisions of the Noteholder Plan, Litigation Distribution Orders, Creditors' Trust Distribution Orders and the Senior Loan Sharing Provisions (or, to the extent required and not determined prior to the Effective Date, the Senior Loan Claim Sharing Resolution), the distributions and treatments provided to Claims and Interests under the Noteholder Plan shall take into account and/or conform to the relative priority and rights of such Claims and Interests under any applicable subordination and turnover provisions under applicable law in any applicable contracts, including, without limitation, the PHONES Notes Indenture and the EGI-TRB LLC Notes and, subject to the express provisions of the Noteholder Plan, the Senior Loan Sharing Provisions (or, to the extent required and not determined prior to the Effective Date, the Senior Loan Claim Sharing Resolution), the Litigation Distribution Orders and Creditors' Trust Distribution Orders, nothing in the Noteholder Plan shall be deemed to impair, diminish, eliminate or otherwise adversely affect the rights or remedies of beneficiaries (including, for the avoidance of doubt, their respective Indenture Trustees and Loan Agents, as applicable) of any such contractual subordination and turnover provisions.

7.16 Distribution Trust.

7.16.1 Creation and Purpose of the Distribution Trust. On the Effective Date, the Distribution Trust shall be created and established pursuant to the Distribution Trust Agreement. Following the Effective Date, the Distribution Trust shall have sole responsibility for (i) acting as Disbursing Agent in connection with making the Initial Distributions pursuant to the Noteholder Plan and Confirmation Order, (ii) making all distributions to the Holders of Distribution Trust Interests from the Distribution Trust Reserve, (iii) making all distributions of proceeds of Litigation Trust Causes of Action to Holders of Distribution Trust Interests, (iv) resolving, compromising and/or settling the Disputed General Unsecured Claims and (v) administering the Disputed Claims Reserve. For the avoidance of doubt, the Reorganized Debtors shall act as Disbursing Agent with respect to any distributions on account of Allowed Administrative Expense Claims and Allowed Priority Tax Claims. The Distribution Trust shall not continue or engage in the conduct of a trade or business, and no part of the assets of the Distribution Trust or the proceeds, revenue or income therefrom shall be used or disposed of by the Distribution Trustee in the furtherance of any business. The Distribution Trustee shall be under an obligation to make continuing efforts to distribute the Distribution Trust Reserve and proceeds of the Litigation Trust Causes of Action timely in accordance with the Distribution Trust Agreement, the Noteholder Plan and the Litigation Distribution Orders, and not unduly prolong the duration of the Distribution Trust. The Distribution Trust Agreement shall be substantially in the form of Exhibit 7.16.1 hereto, which shall be filed as part of the Noteholder Plan Supplement.

7.16.2 Substitution with Respect to Disputed General Unsecured Claims. The Distribution Trust shall be automatically substituted for the Debtors, the Creditors' Committee or any other Estate representative as a party to all pending contested matters, adversary proceedings, Claims, administrative proceedings and lawsuits involving the Disputed General Unsecured Claims and, on and after the Effective Date, shall, in accordance with the Distribution Trust Agreement and with the approval of the Distribution Trust Advisory Board, have the sole power and authority to (i) object to the allowance of, allow, or settle and compromise all Disputed General Unsecured Claims and (ii) seek to have the PHONES Notes Claims Resolution adjudicated in the event that the PHONES Notes Claims Resolution has not been obtained prior to the Effective Date; *provided, however*, that all costs and expenses incurred by the Distribution Trust in connection with the Disputed General Unsecured Claims, including the administration of the Disputed Claims Reserve, and the PHONES Notes Claims Resolution shall be reimbursed to the Distribution Trust by the Reorganized Debtors promptly upon receipt of written invoices therefor from the Distribution Trustee in accordance with the Distribution Trust Agreement.

7.16.3 Distribution Trustee as Disbursing Agent for Initial Distributions. On and after the Effective Date, the Distribution Trustee shall, in accordance with the Distribution Trust Agreement, the Noteholder Plan and the Confirmation Order, act as Disbursing Agent with respect to the Initial Distributions, other than Initial Distributions to Holders of Allowed Administrative Expense Claims and Allowed Priority Tax Claims; *provided, however*, that all costs and expenses incurred by the Distribution Trust in connection with acting as Disbursing Agent with respect to the Initial Distributions shall be reimbursed to the Distribution Trust by

the Reorganized Debtors promptly upon receipt of written invoices therefor from the Distribution Trustee in accordance with the Distribution Trust Agreement.

7.16.4 Distribution Trust Initial Funding. On the Effective Date, the Reorganized Debtors shall make a contribution of \$40 million to the Distribution Trust *provided, however*, that any portion of the Distribution Trust Initial Funding that is not used to fund the Distribution Trust and Litigation Trust or Creditors' Trust (as determined in the sole discretion of the Distribution Trust Advisory Board and Litigation Trust Advisory Boards) will revert back to the Reorganized Debtors.

7.16.5 Transfers to the Distribution Trust.

(a) On the Effective Date, the Debtors and the Estates shall and shall be deemed to have transferred and assigned to the Distribution Trust, in accordance with the Distribution Trust Agreement, and free and clear of all Claims and Liens, (i) the Distribution Trust Reserve, (ii) the Distributable Cash, New Term Loan and New Warrants sufficient to fund the Disputed Claims Reserve and (iii) the New Class C Common Stock.

(b) On the Effective Date, the Debtors and the Estates shall and shall be deemed to have transferred and assigned to the Distribution Trust, in its capacity as Disbursing Agent, and free and clear of all Claims and Liens, the Distributable Cash, New Term Loan and New Class A Common Stock, New Class B Common Stock and/or New Warrants in amounts sufficient to make the Initial Distributions; *provided, however*, that the Distribution Trust will not be deemed to be the owner of, and will have no power to exercise any rights in respect of, the New Class A Common Stock, New Class B Common Stock and New Warrants held by it in its capacity as Disbursing Agent, including, but not limited to, any rights to vote, sell and receive dividends with respect to such New Common Stock; *provided further* that in the period after the Effective Date and pending distribution of the New Common Stock to any Holder of an Allowed Claim entitled to receive such distribution, such Holder shall be entitled to exercise any voting rights and receive any dividends or other distributions payable in respect of such Holder's New Common Stock (including receiving any proceeds of any permitted transfer of such New Common Stock), and to exercise all other rights in respect of the New Common Stock (so that such Holder shall be deemed for tax purposes to be the owner of the New Common Stock issued in the name of such Holder).

(c) From and after the Effective Date, pursuant to the terms of the Litigation Distribution Orders, any proceeds from the Litigation Trust Causes of Action received by the Litigation Trust shall be transferred by the Litigation Trust to the Distribution Trust free and clear of all Claims and Liens. On the Effective Date, the Distribution Trust shall succeed to all rights of the Debtors with respect to making Initial Distributions and distributions in accordance with the Litigation Distribution Orders, and all assets and information of the Debtors necessary to make such distributions including, without limitation, control over (including the rights to waive) all attorney/client privileges, work product privileges, accountant/client privileges and any other evidentiary privileges that, prior to the Effective Date, belonged to the Debtors pursuant to applicable federal and state law. Such transfers and assignments shall be made pursuant to the terms of the Noteholder Plan and, accordingly, to the fullest extent permitted by

law, shall be exempt from all stamp taxes and similar taxes within the meaning of section 1146(a) of the Bankruptcy Code.

7.16.6 The Distribution Trust Advisory Board. The Distribution Trust will be governed by the Distribution Trust Advisory Board and managed by the Distribution Trustee, subject to the provisions of the Noteholder Plan, the Litigation Distribution Orders, the Confirmation Order and the Distribution Trust Agreement. The Distribution Trust Advisory Board will consist of three (3) members. Aurelius will initially designate two (2) members to the Distribution Trust Advisory Board while the PHONES Notes Indenture Trustee will initially designate one (1) member; *provided, however*, that each member designated by Aurelius shall be independent from Aurelius; *provided further* that no member of the Distribution Trust Advisory Board shall be a member of the Litigation Trust Advisory Board or the Creditors' Trust Advisory Board, and shall not be the Litigation Trustee, the Creditors' Trustee or the Distribution Trustee. The members of the Distribution Trust Advisory Board will be identified in the Noteholder Plan Supplement. The designation of the members of the initial Distribution Trust Advisory Board shall be subject to final appointment by the Bankruptcy Court upon entry of the Confirmation Order. The Distribution Trust Advisory Board shall have the right at any time to replace the initial members of the board of directors of Reorganized Tribune initially designated by Aurelius for any reason, with or without cause. The Distribution Trust Agreement shall govern compensation of Distribution Trust Advisory Board members and changes in the composition of the Distribution Trust Advisory Board after the Effective Date, and other matters related to the role, responsibilities and governance of the Distribution Trust Advisory Board. Members of the Distribution Trust Advisory Board shall have fiduciary duties to Holders of Distribution Trust Interests in the same manner that members of an official committee of creditors appointed pursuant to section 1102 of the Bankruptcy Code have fiduciary duties to the creditor constituents represented by such committee.

7.16.7 The Distribution Trustee. The Distribution Trustee will be the exclusive trustee of the Distribution Trust for the purposes of 31 U.S.C. § 3713(b) and 26 U.S.C. § 6012(b)(3), as well as the representative of the Estates appointed pursuant to section 1123(b)(3)(B) of the Bankruptcy Code. The Distribution Trustee shall have fiduciary duties to Holders of Distribution Trust Interests in the same manner that members of an official committee of creditors appointed pursuant to section 1102 of the Bankruptcy Code have fiduciary duties to the creditor constituents represented by such committee. The Distribution Trustee will be initially designated by Aurelius after reasonable consultation with each of the other Proponents; *provided, however*, that the Distribution Trustee shall be independent from Aurelius; *provided further*, that the Distribution Trustee shall not be a member of the Distribution Trust Advisory Board, the Litigation Trust Advisory Board or the Creditors' Trust Advisory Board, and shall not be the Litigation Trustee or the Creditors' Trustee. The designation of the Distribution Trustee shall be subject to final appointment by the Bankruptcy Court upon entry of the Confirmation Order. The Distribution Trustee shall be compensated from the Distribution Trust Initial Funding and other sources as provided for in the Distribution Trust Agreement. The Distribution Trust Agreement shall specify the terms and conditions of such compensation, as well as provide the manner in which the Distribution Trustee may be removed.

7.16.8 Responsibilities.

(a) The responsibilities of the Distribution Trustee shall be specified in the Distribution Trust Agreement and shall include: (i) the calculation and implementation of all Initial Distributions under the Noteholder Plan, other than Initial Distributions to holders of Allowed Administrative Expense Claims and Allowed Priority Tax Claims; (ii) the receipt, management, supervision, and protection of the Distribution Trust Reserve, Disputed Claims Reserves and the proceeds of the Litigation Trust Causes of Action upon its receipt of same on behalf of and for the benefit of Holders of the Distribution Trust Interests; (iii) the resolution of any Disputed General Unsecured Claims, including objecting to the allowance of, allowing, or settling and compromising all Disputed General Unsecured Claims; (iv) prosecution of the PHONES Notes Claims Resolution, to the extent the PHONES Notes Claims Resolution has not been determined prior to the Effective Date; (v) the calculation and implementation of all distributions to be made to holders of Distribution Trust Interests; (vi) filing all required tax returns and paying taxes and all other obligations of the Distribution Trust; and (vii) such other responsibilities as may be vested in the Distribution Trustee pursuant to the Noteholder Plan, the Distribution Trust Agreement, and orders of the Bankruptcy Court.

(b) Powers. The powers of the Distribution Trustee shall be specified in the Distribution Trust Agreement and shall include the power to: (i) invest funds; (ii) make distributions from the Distribution Trust Reserve, Disputed Claims Reserves and the proceeds of Litigation Trust Causes of Action in accordance with the terms of the Noteholder Plan, the Distribution Trust Agreement and the Litigation Distribution Orders; (iii) pay taxes and other obligations owed by the Distribution Trust or incurred by the Distribution Trust; (iv) engage and compensate from the Distribution Trust Initial Funding and other sources as provided for in the Distribution Trust Agreement, consultants, agents, employees and professional persons to assist the Distribution Trustee with respect to the Distribution Trustee's responsibilities; (v) sell assets in the Distribution Trust Reserve at the direction of the Distribution Trust Advisory Board and subject to an order of the Bankruptcy Court; and (vii) act and implement the Noteholder Plan, the Distribution Trust Agreement, and orders of the Bankruptcy Court. The Distribution Trustee shall exercise such powers in accordance with the provisions of the Noteholder Plan, the Litigation Distribution Orders and the Distribution Trust Agreement which shall provide that the Distribution Trustee must obtain the prior approval of the Distribution Trust Advisory Board on the matters described in the Distribution Trust Agreement. Any New Class C Common Stock held in the Distribution Trust shall be voted by the Distribution Trustee in the manner directed by the Distribution Trust Advisory Board.

7.16.9 Bankruptcy Court Approval. Notwithstanding anything to the contrary in the Noteholder Plan, the Distribution Trust may not consummate or implement any transaction involving the Distribution Trust Reserve with respect to any asset valued at over \$1,000,000 unless and until the Bankruptcy Court authorizes and approves such transaction upon motion by the Distribution Trustee. The Distribution Trustee shall provide notice of, and the opportunity for, a hearing on all such motions to all entities who request notice of such matters in the manner prescribed in the Notice of the Effective Date to be mailed pursuant to Section 13.13 of the Noteholder Plan.

7.16.10 Compensation. In addition to reimbursement for the actual reasonable and necessary expenses incurred, the Distribution Trustee, and any employees, agents, consultants, or professionals engaged or retained by the Distribution Trustee, shall be entitled to reasonable compensation from the Distribution Trust Initial Funding and other sources as set forth in the Distribution Trust Agreement for services rendered in connection with performance of the duties of the Distribution Trustee as set forth above. With respect to any agents, consultants, and employees engaged and professionals retained by the Distribution Trust and the Distribution Trustee, such compensation shall be in an amount and on such terms as may be agreed to by the Distribution Trustee and such agents, consultants, and employees or professionals with the written consent of the Distribution Trust Advisory Board, and may be paid without further order of the Bankruptcy Court, it being understood that the Reorganized Debtors shall have no obligation to pay any such compensation.

7.16.11 Termination. The duties, responsibilities and powers of the Distribution Trustee shall terminate at such time as the Distribution Trust is dissolved, except for such limited purposes as may be set forth in the Distribution Trust Agreement. The Distribution Trust shall terminate no later than five years from the Effective Date. However, if warranted by the facts and circumstances provided for in the Noteholder Plan, and subject to the approval of the Bankruptcy Court upon a finding that an extension is necessary for the purpose of the Distribution Trust, the term of the Distribution Trust may be extended for a finite period based on the particular circumstances at issue. Each such extension must be approved by the Bankruptcy Court within six months of the beginning of the extended term with notice thereof to all of the beneficiaries of the Distribution Trust.

7.16.12 Indemnification. From and after the Effective Date, the Distribution Trustee, the members of the Distribution Trust Advisory Board and each of their respective Related Persons (each a “Distribution Trust Indemnified Party”) shall be, and hereby are, indemnified by the Distribution Trust, to the fullest extent permitted by applicable law, from and against any and all claims, debts, dues, accounts, actions, suits, causes of action, bonds, covenants, judgments, damages, attorneys’ fees, defense costs and other assertions of liability arising out of any such Distribution Trust Indemnified Party’s good faith exercise of what such Distribution Trust Indemnified Party reasonably understands to be its powers or the discharge of what such Distribution Trust Indemnified Party reasonably understands to be its duties conferred by the Distribution Trust Agreement, the Noteholder Plan, or any order of the Bankruptcy Court entered pursuant to, or in furtherance of, the Noteholder Plan (including, without limitation, the Litigation Distribution Orders and, to the extent the Senior Loan Claim Sharing Resolution is required and not determined prior to the Effective Date, any Final Order relating to the Senior Loan Claim Sharing Resolution), applicable law, or otherwise (except only for actions or omissions to act to the extent determined by a Final Order to be due to its own fraud, self-dealing, intentional misrepresentation or willful misconduct) on and after the Effective Date. The foregoing indemnification shall also extend to matters directly or indirectly in connection with, arising out of, based on, or in any way related to: (i) the Distribution Trust Agreement; (ii) the services to be rendered pursuant to the Distribution Trust Agreement; (iii) any document or information, whether verbal or written, referred to herein or supplied to the Distribution Trustee; or (iv) proceedings by or on behalf of any creditor. The Distribution Trust shall, on demand, advance or pay promptly out of proceeds of the Litigation Trust Causes of Action, on behalf of each Distribution Trust Indemnified Party, reasonable

attorneys' fees and other expenses and disbursements to which such Distribution Trust Indemnified Party would be entitled pursuant to the foregoing indemnification obligation; *provided, however*, that any Distribution Trust Indemnified Party receiving any such advance shall execute a written undertaking to repay such advance if a court of competent jurisdiction ultimately determines that such Distribution Trust Indemnified Party is not entitled to indemnification hereunder due to the fraud, self-dealing, intentional misrepresentation or willful misconduct. In any matter covered by the first two sentences of this subsection, any person entitled to indemnification shall have the right to employ such person's own separate counsel reasonably acceptable to the Distribution Trustee, at the Distribution Trust's expense, subject to the foregoing terms and conditions. In addition, the Distribution Trust shall purchase insurance coverage, including fiduciary liability insurance, for the benefit of the Distribution Trustee and the Distribution Trust Advisory Board. Further, the Distribution Trust: (i) is the indemnitor of first resort (i.e., in the event any Distribution Trust Indemnified Party has the right to receive indemnification from one or more sponsors, affiliates or third parties, the Distribution Trust's obligations to such Distribution Trust Indemnified Party are primary); (ii) shall be required to pay the full amount of expenses (including attorneys' fees) actually incurred by such Distribution Trust Indemnified Party in connection with any proceeding as to which the Distribution Trust Indemnified Party is entitled to indemnification hereunder in advance of the final disposition of such proceeding, without regard to (A) any rights such Distribution Trust Indemnified Party may have, or the exercise of any such rights by such Distribution Trust Indemnified Party, against any other sponsors, affiliates or third parties or (B) any advance or payment made by such sponsors, affiliates or third parties on behalf of such Distribution Trust Indemnified Party with respect to any claim for which such Distribution Trust Indemnified Party is entitled to indemnification hereunder; (iii) irrevocably waives, relinquishes and releases such sponsors or affiliates from any and all claims by the Distribution Trust against such sponsors or affiliates for contribution, subrogation or any other recovery of any kind in respect thereof; and (iv) no Distribution Trust Indemnified Party shall have the obligation to reduce, offset, allocate, pursue or apportion any indemnification advancement, contribution or insurance coverage among multiple parties owing indemnification obligations to such Distribution Trust Indemnified Party prior to the Distribution Trust's satisfaction of its indemnification obligations.

7.16.13 Distribution Trust Interests. The Distribution Trust Interests will not be represented by certificates. The Distribution Trust Interests will be transferable in accordance with applicable law. Holders of Distribution Trust Interests shall be the beneficiaries of the Distribution Trust.

7.16.14 Tax Treatment of the Distribution Trust.

(a) Distribution Trust Assets Treated as Owned by Creditors.

(i) For all U.S. federal income tax purposes, the Distribution Trust is intended to be treated as a liquidating trust pursuant to Treasury Regulation section 301.7701-4(d) and as a grantor trust pursuant to IRC sections 671-677. Accordingly, all parties (including, without limitation, the Reorganized Debtors, the Distribution Trustee, and the Holders of Distribution Trust Interests) shall treat the transfer of the Distribution Trust Assets to the Distribution Trust as (i) a transfer of the Distribution Trust Assets (other than a portion of the

assets allocable to the Distribution Trust DOF) directly to the Distribution Trust Beneficiaries, followed by (ii) the transfer by such beneficiaries to the Distribution Trust of the Distribution Trust Assets (other than the Distribution Trust Assets allocable to the Distribution Trust DOF) in exchange for Distribution Trust Interests. Accordingly, the Holders of the Distribution Trust Interests shall be treated for U.S. federal income tax purposes as the grantors and owners of their respective share of the Distribution Trust Assets (other than such Distribution Trust Assets as are allocable to the Distribution Trust DOF). The foregoing treatment shall also apply, to the extent permitted by applicable law, for state and local income tax purposes.

(ii) The Distribution Trustee, in consultation with the Distribution Trust Advisory Board, shall have the authority to allocate a portion of the property funding the Initial Distributions and the Distribution Trust Assets to the Distribution Trust DOF. Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary (including the receipt by the Distribution Trustee of a private letter ruling if the Distribution Trustee so requests one, or the receipt of an adverse determination by the IRS upon audit if not contested by the Distribution Trustee), the Distribution Trustee may (i) either (A) timely elect to treat the Distribution Trust DOF as a “disputed ownership fund” governed by Tax Regulations section 1.468B-9(c)(2)(ii), or (B) seek a ruling to treat the Distribution Trust DOF as a trust pursuant to IRC Section 641 and (ii) to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes.

(iii) On or before the Effective Date, the Distribution Trustee shall, subject to the approval of the Distribution Trust Advisory Board, but without necessity for review or approval by the Bankruptcy Court or any other Person, determine an appropriate method for allocating all items of income, gain, loss, deduction and credit among the Distribution Trust Beneficiaries and the Distribution Trust DOF for the period prior to the resolution of the Litigation Trust Causes of Action and the entry of the Litigation Distribution Orders, in accordance with the Distribution Trust’s treatment as a grantor trust, and report in accordance with such method. In determining an appropriate allocation, the Distribution Trustee and the Distribution Trust Advisory Board shall consult with the Litigation Trustee and the Creditors’ Trustee and their respective trust advisory boards. The relative interests of each class of Interests in the Distribution Trust shall be adjusted to reflect the outcome of the Litigation Trust Causes of Action and the entry of the Litigation Distribution Orders. All members of a Class of Interests shall be treated in the same manner as other members of such Class, except as otherwise provided by any judicial order. The determination made by the Distribution Trustee and the Distribution Trust Advisory Board under this Section 7.16.14(a)(iii) shall not be subject to challenge or review.

(iv) Notwithstanding the foregoing provisions of this Section 7.16.14, in the event that the IRS advises the Distribution Trustee that the Distribution Trust does not qualify as a grantor trust in whole or in part, or that the Distribution Trust DOF must include the portion of the Distribution Trust Assets (and, indirectly, the Litigation Trust Assets) allocable to claims for which there is disputed ownership, the Distribution Trustee shall, for tax reporting purposes, treat the Distribution Trust in a manner consistent with such IRS advice; *provided, however,* that the Distribution Trust, in consultation with the Distribution Trust Advisory Board, may seek a private letter ruling or other determination to the effect that such portion of the Distribution Trust (and the Distribution Trust DOF) should be treated for United States federal

tax purposes as a trust described in IRC Section 641 or a disputed ownership fund under Tax Regulation section 1.468B-9, rather than as a grantor trust under IRC Sections 671-677.

(b) Tax Reporting.

(i) Except with respect to the Distribution Trust DOF (and in the absence of obtaining a ruling to the contrary as described in Section 7.16.14(a)(ii)), the Distribution Trustee shall file tax returns for the Distribution Trust treating the Distribution Trust as a grantor trust pursuant to Tax Regulations section 1.671-4(a) and in accordance with this Section 7.16.14(b)(i). In addition, the Distribution Trustee shall file in a timely manner such other tax returns, including any state and local tax returns, as are required by applicable law and pay any taxes shown as due thereon. Within a reasonable time following the end of the taxable year, the Distribution Trust shall send to each Distribution Trust Beneficiary a separate statement setting forth such Distribution Trust Beneficiary's share of items of income, gain, loss, deduction or credit and will instruct such Distribution Trust Beneficiary to report such items on his/her applicable U.S. federal income tax return.

(ii) After making the determinations set forth in Section 7.16.14(a)(iii), the Distribution Trustee shall allocate the taxable income, gain, loss, deduction or credit of the Distribution Trust with respect to each Distribution Trust Beneficiary as follows: (a) allocation of Distribution Trust taxable income shall be determined by reference to the manner in which an amount of Cash equal to such taxable income would be distributed (without regard to any restriction on distributions described herein or in the Plan) if, immediately prior to such deemed distribution, the Distribution Trust had distributed all of its other assets (valued at their tax book value) to the Distribution Trust Beneficiaries in accordance with the DT Directives (treating all Claims held by the Distribution Trust DOF as if they were Allowed Claims), in each case up to the tax book value of the assets treated as contributed to such Holders, adjusted for prior taxable income and loss and taking into account all prior and concurrent distributions from the Distribution Trust; and (b) allocation of taxable loss of the Distribution Trust shall be determined by reference to the manner in which an economic loss would be borne immediately after a liquidating distribution of the remaining Distribution Trust Assets. For these purposes, the tax book value of the Distribution Trust Assets shall equal the fair market value of the Distribution Trust Assets on the Effective Date, adjusted in accordance with tax accounting principles prescribed by the IRC, the Tax Regulations, and other applicable administrative and judicial authorities and pronouncements. All parties (including the Reorganized Debtors, the Distribution Trustee and the Distribution Trust Beneficiaries) shall be bound by, and shall report consistently with, such income tax treatment.

(iii) The Distribution Trustee shall be responsible for payment, out of the Distribution Trust Assets, of any taxes imposed on the Distribution Trust or its assets, including the Distribution Trust DOF. In the event, and to the extent, any Cash retained on account of Claims in the Distribution Trust DOF is insufficient to pay the portion of any such taxes attributable to the taxable income arising from the assets allocable to, or retained on account of, Claims, such taxes shall be (i) reimbursed from any subsequent Cash amounts retained on account of Claims in the Distribution Trust DOF, or (ii) to the extent such Claims have subsequently been resolved, deducted from any amounts otherwise distributable by the Distribution Trustee as a result of the resolution of such Claims.

7.16.15 Distribution Trust DOF. The Distribution Trustee may establish a Distribution Trust Disputed Ownership Fund (the “Distribution Trust DOF”) on account of Disputed Claims in respect of the Distribution Trust Beneficiaries, which shall include assets held separately from other assets of the Distribution Trust, subject to an allocable share of all expenses and obligations of the Distribution Trust. The amount of Net Distribution Trust Proceeds held back in the Distribution Trust DOF shall be equal to the amount of Net Distribution Trust Proceeds necessary to satisfy the distributions to which the Holders of Disputed General Unsecured Claims and Class 1D Claims would be entitled if all such Disputed Claims (including, to the extent required, Claims adjudicated in connection with the Senior Loan Claim Sharing Resolution) were to be subsequently Allowed. The Distribution Trustee may, for U.S. federal income tax purposes (and, to the extent permitted by law, for state and local income tax purposes), (i) timely elect to treat the Distribution Trust DOF as a “disputed ownership fund” governed either by Tax Regulations section 1.468B-9 or, if a ruling is obtained, as a trust described in IRC section 641, (ii) allocate taxable income or loss to the Distribution Trust DOF, with respect to any given taxable year (but only for the portion of the taxable year with respect to which such Claims are Disputed Claims held by the Distribution Trust DOF) and (iii) distribute assets or interests in the Distribution Trust from the Distribution Trust DOF as, when, and to the extent, such Disputed Claims either become Allowed or are otherwise resolved. The parties (including the Reorganized Debtors, the Distribution Trustee and the Distribution Trust Beneficiaries) shall be bound by such election, if made by the Distribution Trustee, in consultation with the Distribution Trust Advisory Board, and as such shall, for U.S. federal income tax purposes (and, to the extent permitted by law, for state and local income tax purposes), report consistently therewith.

7.16.16 Reorganized Debtors’ Cooperation. The Reorganized Debtors and each employee, officer and director of the Reorganized Debtors shall be required to cooperate in all respects, at the Reorganized Debtors’ sole cost and expense, with the Distribution Trustee in the administration of the Distribution Trust and shall not take any action that could interfere with or fail to take any action within the Reorganized Debtors’ control if such failure could interfere with, the Distribution Trustee’s administration of the Distribution Trust. The Distribution Trustee shall have the right to seek relief from the Bankruptcy Court, including seeking an order of contempt of the DT Directives, if, in the Distribution Trustee’s judgment, the Reorganized Debtors or any employee, officer or director of the Reorganized Debtors fails to cooperate in accordance with the provisions of this Section.

7.16.17 Document Retention. The Reorganized Debtors shall preserve (at their sole cost and expense) all records and documents (including all electronic records or documents) related to the Distribution Trust Assets for a period of five (5) years after the Effective Date, or if any Claims in the Distribution Trust (including within the DOF) are then still unresolved, then until such later time as the Distribution Trustee notifies the Reorganized Debtors in writing that such records are no longer required to be preserved. The Distribution Trustee shall be permitted to use all such records and documents in connection with the administration of the Distribution Trust. Without limiting the foregoing, the Debtors and the Reorganized Debtors shall cooperate with the Distribution Trustee (at the Debtors’ and the Reorganized Debtors’ sole cost and expense) in connection with (a) the issuance and distribution of New Common Stock and New Warrants (and the issuance of New Common Stock upon the exercise of the New Warrants), in each case consistent with the elections of the recipients thereof, and all other

instruments, certificates and other documents required to be issued or distributed pursuant to the DT Directives, and (b) the resolution of Claims in the Distribution Trust (including the DOF), and, as necessary, seeking to have the PHONES Notes Claims Resolution adjudicated, by the Distribution Trustee, including, without limitation, delivering or causing to be delivered to the Distribution Trustee any information and documents (including those maintained in electronic format and original documents), whether held by the Debtors or Reorganized Debtors, their agents, advisors, attorneys, accountants or any other professional hired by the Debtors or Reorganized Debtors, that the Distribution Trustee believes are reasonably necessary or desirable in assisting the Distribution Trustee in resolving such Disputed Claims and, as necessary, seeking to have the PHONES Notes Claims Resolution adjudicated. The Debtors and the Reorganized Debtors shall not be permitted to invoke any privilege, including, but not limited to, attorney/client privileges, work product privileges, accountant/client privileges or any other evidentiary privileges to prevent the Distribution Trustee from using such records and documents for the purpose of administering the Distribution Trust.

7.16.18 Dissolution. The Distribution Trustee and the Distribution Trust shall be discharged or dissolved, as the case may be, at such time as (i) (a) all of the Distribution Trust Assets have been distributed pursuant to the Plan, the Confirmation Order, the Distribution Trust Agreement and the Litigation Distribution Orders or (b) the Distribution Trustee, with the consent of the Distribution Trust Advisory Board, determines that the administration of any remaining Distribution Trust Assets is not likely to yield sufficient additional Distribution Trust proceeds to justify further pursuit, (ii) all distributions required to be made by the Distribution Trustee under the Plan, the Confirmation Order, the Distribution Trust Agreement and the Litigation Distribution Orders have been made, (iii) all Disputed General Unsecured Claims have been resolved and (iv) all Litigation Trust Causes of Action have been resolved and the Litigation Trust has been dissolved; *provided, however*, in no event shall the Distribution Trust be dissolved later than five (5) years from the Effective Date unless the Bankruptcy Court, upon motion within the six-month period prior to the fifth (5th) anniversary (or within the six-month period prior to the end of an extension period), determines that a fixed period extension (not to exceed five (5) years, together with any prior extensions, without a favorable private letter ruling from the IRS or an opinion of counsel satisfactory to the Distribution Trustee and the Distribution Trust Advisory Board that any further extension would not adversely affect the status of the trust as a Distribution Trust for United States federal income tax purposes) is necessary to facilitate or complete the recovery and liquidation of the Distribution Trust Assets. If at any time the Distribution Trustee determines, in reliance upon such professionals as the Distribution Trustee may retain, that the expense of administering the Distribution Trust so as to make a final distribution to its beneficiaries is likely to exceed the value of the assets remaining in the Distribution Trust, the Distribution Trustee may apply to the Bankruptcy Court for authority to (1) reserve any amount necessary to dissolve the Distribution Trust, (2) donate any balance to a charitable organization (a) described in section 501(c)(3) of the IRC, (b) exempt from United States federal income tax under section 501(a) of the IRC, (c) not a “private foundation,” as defined in section 509(a) of the IRC and (d) that is unrelated to the Reorganized Debtors, the Distribution Trust, and any insider of the Distribution Trustee and (3) dissolve the Distribution Trust.

ARTICLE 8

In addition, except as provided in Section 8.1(b) below, the Distribution Trustee may, at any time, request that the Bankruptcy Court estimate any contingent or unliquidated Claim (other than an Administrative Expense Claim, Priority Tax Claim, Priority Non-Tax Claim, Other Secured Claim or General Unsecured Claim disputed in connection with the Litigation Trust Causes of Action) pursuant to section 502(c) of the Bankruptcy Code regardless of whether the Debtors or Reorganized Debtors have previously objected to such Claim; *provided, however*, that the Reorganized Debtors may, at any time, request that the Bankruptcy Court estimate any contingent or unliquidated Administrative Expense Claim, Priority Tax Claim, Priority Non-Tax Claim or Other Secured Claim; *provided further* that prior to the Effective Date, the Debtors may, at any time, request that the Bankruptcy Court estimate any contingent or unliquidated Claim pursuant to section 502(c) of the Bankruptcy Code. Except as provided in Section 8.1(b) below, unless otherwise ordered by the Bankruptcy Court, the Reorganized Debtors, the Distribution Trustee or the Litigation Trustee, as applicable, shall serve and file any objections to Claims and Interests as soon as practicable, but in no event later than (i) two hundred ten (210) days after the Effective Date or (ii) such later date as may be determined by the Bankruptcy Court upon a motion which may be made without further notice or hearing. For the avoidance of doubt, the Claims Settlement Order shall not apply to the Reorganized Debtors, the Distribution Trust or the Litigation Trust, and shall no longer be of any force or effect on or after the Effective Date.

(b) After the Effective Date, and notwithstanding the provisions of Section 8.1(a) of the Noteholder Plan, or any other provision of the Noteholder Plan or the Confirmation Order, only the Litigation Trustee may object to the allowance of any Claim or Administrative Expense Claim of Holders that are the subject of Litigation Trust Causes of Action. After the Effective Date, for Claims related to the Litigation Trust Causes of Action, the Litigation Trustee, with the consent of the Litigation Trust Advisory Board, shall be accorded sole power and authority to allow or settle and compromise any such Claim and after notice and approval of the Bankruptcy Court.

8.2 Payments and Distributions on Disputed, Contingent and Unliquidated Claims and Interests and on Claims for Which Proofs of Claim Are Filed.

Except as provided herein for Initial Distributions to Step One Lenders and Step Two Lenders, if applicable, in Sections 3.2.3(c), 3.2.4(c), 3.4.3(c), 3.4.3(c) and 3.4.4(c) respectively, and distributions of Distribution Trust Interests to Holders of Disputed Claims in Classes 1D, 1E, 1G, 50D-111D and 50E-111E, no partial payments and no partial distributions will be made with respect to a disputed, contingent or unliquidated Claim or Interest, or with respect to any Claim for which a Proof of Claim has been filed, until the resolution of such disputes or estimation or liquidation of such Claims by settlement or by Final Order. On the next Distribution Date after a disputed, contingent or unliquidated Claim or Interest becomes an Allowed Claim or Interest in an amount certain, the Holder of such Allowed Claim or Interest will receive all payments and distributions to which such Holder is then entitled under the Noteholder Plan.

To the extent that Reorganized Tribune or any other party in interest objects to any of the fees and expenses of the Indenture Trustees or their counsel or financial advisors, Reorganized Tribune shall not be required to pay any disputed portion of such fees until a resolution of such objection is agreed to by Reorganized Tribune and such party and/or their counsel or financial advisor or a further order of the Bankruptcy Court upon a motion by such party.

- (e) within fifteen (15) days after the date of the final report, the subject applicant may file with the Court a response to such final report.

11.1 Discharge.

11.1.1 Discharge of Claims and Termination of Interests.

(a) As of the Effective Date, except as provided in the Noteholder Plan, the distributions and rights afforded under the Noteholder Plan and the treatment of Claims and Interests under the Noteholder Plan shall be in exchange for, and in complete discharge of, all Claims against the Debtors, and in satisfaction of all Interests and the termination of Interests in Tribune. Accordingly, except as otherwise provided in the Noteholder Plan or the Confirmation Order, confirmation of the Noteholder Plan shall, as of the Effective Date, (i) discharge the Debtors from all Claims or other debts that arose before the Effective Date, and all debts of the kind specified in section 502(g) or 502(i) of the Bankruptcy Code, whether or not (a) a Proof of Claim based on such debt is filed or deemed filed pursuant to section 501 of the Bankruptcy Code, (b) a Claim based on such debt is Allowed pursuant to section 502 of the Bankruptcy Code (or is otherwise resolved) or (c) the Holder of a Claim based on such debt has accepted the Noteholder Plan and (ii) satisfy, terminate or cancel all Interests and other rights of equity security holders in the Debtors except as otherwise provided in the Noteholder Plan. In addition,

confirmation of the Noteholder Plan shall, as of the Effective Date, authorize the release of the Senior Loan Guaranty Claims and the Bridge Loan Guaranty Claims against the Guarantor Non-Debtors.

(b) As of the Effective Date, except as provided in the Noteholder Plan, all Persons shall be precluded from asserting against the Debtors or the Reorganized Debtors, or their respective successors or property, any other or further Claims, debts, rights, causes of action, liabilities or Interests based upon any act, omission, transaction or other activity of any kind or nature that occurred prior to the Petition Date and from asserting against the Guarantor Non-Debtors any Senior Loan Guaranty Claims or Bridge Loan Guaranty Claims. In accordance with the foregoing, except as provided in the Noteholder Plan or the Confirmation Order, the Confirmation Order shall constitute a judicial determination, as of the Effective Date, of the discharge of all such Claims and other debts and liabilities of the Debtors, pursuant to sections 524 and 1141 of the Bankruptcy Code, and such discharge shall void and extinguish any judgment obtained against the Debtors or the Reorganized Debtors at any time, to the extent such judgment is related to a discharged Claim.

Notwithstanding contained in Sections 11.1.1(a) and (b) of the Noteholder Plan, the provisions of the Noteholder Plan shall not operate to discharge any Claims, rights, causes of action or liabilities that are not discharged under section 1141(d) of the Bankruptcy Code, and no Person is precluded from asserting any Claim, debt, right, cause of action or liability that is not discharged under section 1141(d) of the Bankruptcy Code. Furthermore, notwithstanding anything contained herein, the Noteholder Plan shall not bar the IRS or the New York State Department of Taxation & Finance, subject to applicable law, from assessing and collecting taxes resulting from any taxable transactions that occurred prior to the Petition Date, or any other tax liabilities relating to events that occurred prepetition, but that did not become assessable or arise until after the Petition Date.

11.1.2 Discharge Injunction. Except as provided in the Noteholder Plan or the Confirmation Order, as of the Effective Date, all Persons that hold, have held, or may hold a Claim or other debt or liability that is discharged, or an Interest or other right of an equity security holder that is terminated pursuant to the terms of the Noteholder Plan, are permanently enjoined from taking any of the following actions on account of, or on the basis of, such discharged Claims, debts or liabilities, or terminated Interests or rights: (i) commencing or continuing any action or other proceeding against the Debtors, the Reorganized Debtors, the Trusts or their respective property; (ii) enforcing, attaching, collecting or recovering any judgment, award, decree or order against the Debtors, the Reorganized Debtors or their respective property; (iii) creating, perfecting or enforcing any Lien or encumbrance against the Debtors, the Reorganized Debtors or their respective property; (iv) asserting any setoff, right of subrogation or recoupment of any kind against any debt, liability or obligation due the Debtors, the Reorganized Debtors or their respective property; and (v) commencing or continuing any judicial or administrative proceeding, in any forum, that does not comply with or is inconsistent with the provisions of the Noteholder Plan. Notwithstanding anything contained in Sections 11.1.1 and 11.1.2 of the Noteholder Plan, to the extent any of (a) the New York State Department of Taxation and Finance, (b) the Commonwealth of Pennsylvania Department of Revenue, (c) the State of California Franchise Tax Board, (d) GreatBanc Trust Company, (e) the State of Illinois, Department of Revenue and Employment Security or (f) the Internal

Revenue Service has setoff or other recoupment rights against the Debtors under the Bankruptcy Code, such rights are preserved. For the avoidance of doubt, no provision contained herein shall operate to preemptively bar the IRS from asserting valid claims against third parties, including but not limited to the IRS's claim for excise taxes resulting from the Leveraged ESOP Transaction.

11.2 Releases.

11.2.1 Release of Guarantor Non-Debtors from Loan Guaranty Claims and Bridge Loan Guaranty Claims. All Holders of Loan Guaranty Claims against the Guarantor Non-Debtors shall be deemed, on the Effective Date, to have granted the Guarantor Non-Debtor Release and the Guarantor Non-Debtors shall be unconditionally relieved from any liability to the Senior Lenders or the Bridge Loan Lenders on account of the Senior Loan Guaranty Claims or the Bridge Loan Guaranty Claims, and the Senior Loan Agent, the Former Bridge Loan Agent and the Bridge Loan Agent, respectively, shall be unconditionally relieved from any liability of any nature whatsoever to such Holders as a result of the release of the Guarantor Non-Debtors from any and all Senior Loan Guaranty Claims and Bridge Loan Guaranty Claims; provided that the Guarantor Non-Debtor Release is dependent upon and only effective upon (i) the execution by each of the Guarantor Non-Debtors of a guaranty of the New Senior Secured Term Loan pursuant to and to the extent provided in Section 5.6 of this Plan and (ii) the granting by the Guarantor Non-Debtors of Liens on certain property of the Guarantor Non-Debtors pursuant to and to the extent provided in Section 5.6 of this Plan, which, upon entry of the Confirmation Order, the Debtors shall be obligated to ensure occurs. Pursuant to Bankruptcy Rule 9019 and/or 11 U.S.C. § 1123(b)(3), the Bankruptcy Court's entry of the Confirmation Order shall constitute its approval of this good-faith settlement and compromise of the claims released by the Guarantor Non-Debtor Release and adequate factual findings that the Guarantor Non-Debtor Release is: (i) fair, equitable and reasonable; (ii) necessary and essential to the Debtors' successful reorganization; (iii) in exchange for good and valuable consideration provided by the Guarantor Non-Debtors and the Loan Agents; (iv) warranted by the exceptional and unique circumstances of the Debtors' reorganization; and (v) consistent with public policy and due process principles.

11.2.2 Non-Release of Certain Defined Benefit Plans. Notwithstanding anything to the contrary herein, with respect to any Defined Benefit Plan that has not been terminated or does not terminate by its terms prior to the entry of the Confirmation Order, all Claims of, or with respect to, such a Defined Benefit Plan (including any based on fiduciary duties under the Employee Retirement Income Security Act of 1974, as amended) and all Claims of the Pension Benefit Guaranty Corporation, whether or not contingent, under 29 U.S.C. § 1362(b) for unfunded benefit liabilities, under 29 U.S.C. § 1306(a)(7) for termination premiums, and under 29 U.S.C. § 1362(c) for due and unpaid employer contributions, shall not be discharged, released, exculpated or otherwise affected by the Noteholder Plan (including Section 11.2), the entry of the Confirmation Order or the Chapter 11 Cases. Notwithstanding anything to the contrary herein, in the event that a Defined Benefit Plan does not terminate prior to the entry of the Confirmation Order, obligations of the Debtors under the Defined Benefit Plan as of the Effective Date shall become obligations of the applicable Reorganized Debtors and, as required by the Internal Revenue Code of 1986, as amended, or the Employee Retirement Income Security Act of 1974, as amended, the controlled group members.

11.3 Obligations of the Guarantor Non-Debtors as a Condition to the Release of Guarantor Non-Debtors from Loan Guaranty Claims and Bridge Loan Guaranty Claims.

11.3.1 Pursuant to Section 5.6 of the Noteholder Plan, and as consideration for the Guarantor Non-Debtor Release, the Guarantor Non-Debtors will each (i) execute a guaranty under the New Senior Secured Term Loan and (ii) grant Liens on certain of their property.

11.4 Disallowed Claims and Disallowed Interests.

On and after the Effective Date, the Debtors and the Reorganized Debtors shall be fully and finally discharged of any and all liability or obligation on a Disallowed Claim or a Disallowed Interest, and any order disallowing a Claim or an Interest which is not a Final Order as of the Effective Date solely because of an entity's right to move for reconsideration of such order pursuant to section 502 of the Bankruptcy Code or Bankruptcy Rule 3008 shall nevertheless become and be deemed to be a Final Order on the Effective Date. The Confirmation Order, except as otherwise provided herein, shall constitute an order (i) disallowing all Claims and Interests to the extent such Claims and Interests are not allowable under any provision of section 502 of the Bankruptcy Code, including, but not limited to, time-barred Claims and Interests and Claims for unmatured interest, and (ii) disallowing or subordinating to all other Claims, as the case may be, any Claims for penalties, punitive damages or any other damages not constituting compensatory damages against the Debtors to the extent permissible under the Bankruptcy Code or applicable non-bankruptcy law.

11.5 Term of Bankruptcy Injunction or Stays.

All injunctions or stays provided for in the Chapter 11 Cases under section 105 or 362 of the Bankruptcy Code, or otherwise, and in existence on the Confirmation Date, shall remain in full force and effect until the Effective Date.

11.6 Environmental Claims

Nothing in the Confirmation Order or Noteholder Plan shall operate to discharge, release, or preclude: (i) any environmental liability to a governmental unit as defined in section 101(27) of the Bankruptcy Code ("Governmental Unit") that is not a Claim; (ii) any Claim of a Governmental Unit for environmental liability arising on or after the Effective Date; or (iii) any environmental liability to a Governmental Unit on the part of any entity as the owner or operator of real property after the Effective Date. Further, nothing in the Confirmation Order or the Noteholder Plan shall operate to enjoin or otherwise bar a Governmental Unit from asserting or enforcing, outside the Bankruptcy Court, any liability described in the preceding sentence. Notwithstanding any other provision in the Confirmation Order or the Noteholder Plan, nothing in the Noteholder Plan or Confirmation Order shall divest any court or administrative agency or tribunal of its valid jurisdiction, or enjoin any governmental unit from proceeding before such court or administrative agency or tribunal, with respect to a Claim or other action by a Governmental Unit for environmental liability.

ARTICLE 12

RETENTION/RELEASE OF JURISDICTION

12.1 Retention of Jurisdiction.

Except to the extent set forth in Section 12.2, pursuant to sections 105(c) and 1142 of the Bankruptcy Code and notwithstanding entry of the Confirmation Order and the occurrence of the Effective Date, the Bankruptcy Court will retain exclusive jurisdiction over all matters arising out of, and related to, the Chapter 11 Cases and the Noteholder Plan, to the fullest extent permitted by law, including, among other things, jurisdiction to:

12.1.1 allow, disallow, determine, liquidate, classify, estimate or establish the priority or secured or unsecured status of any Claim or Interest, including the resolution of any request for payment of any Administrative Expense Claim or Priority Tax Claim and the resolution of any objections to the allowance or priority of Claims or Interests;

12.1.2 resolve any matters related to the rejection, assumption or assumption and assignment of any executory contract or unexpired lease to which any Debtor is a party or with respect to which any Debtor or Reorganized Debtor may be liable, and to hear, determine, and, if necessary, liquidate any Claims arising therefrom;

12.1.3 ensure that distributions to Holders of Allowed Claims are accomplished pursuant to the provisions of the Noteholder Plan and the Litigation Distribution Orders;

12.1.4 decide or resolve any motions, adversary proceedings, contested or litigated matters and any other matters and grant or deny any applications involving the Debtors that may be pending on the Effective Date;

12.1.5 enter such orders as may be necessary or appropriate to implement or consummate the provisions of the Noteholder Plan and all contracts, instruments, releases and other agreements or documents created in connection with the Noteholder Plan, the Joint Disclosure Statement or the Confirmation Order;

12.1.6 resolve any cases, controversies, suits or disputes that may arise in connection with the consummation, interpretation, or enforcement of the Noteholder Plan or any contract, instrument, release or other agreement or document that is executed or created pursuant to the Noteholder Plan, or any entity's rights arising from or obligations incurred in connection with the Noteholder Plan or such documents;

12.1.7 approve any modification of the Noteholder Plan before or after the Effective Date pursuant to section 1127 of the Bankruptcy Code or approve any modification of the Confirmation Order or any contract, instrument, release or other agreement or document created in connection with the Noteholder Plan or the Confirmation Order, or remedy any defect or omission or reconcile any inconsistency in any Bankruptcy Court order, the Noteholder Plan, the Confirmation Order or any contract, instrument, release or other agreement or document created in connection with the Noteholder Plan or the Confirmation

Order, or enter any order in aid of Confirmation pursuant to section 1142 of the Bankruptcy Code, in such manner as may be necessary or appropriate to consummate the Noteholder Plan;

12.1.8 hear and determine all applications for compensation and reimbursement of expenses of professionals under the Noteholder Plan or under sections 330, 331, 363, 503(b), 1103 and 1129(c)(9) of the Bankruptcy Code, which shall be payable by the Debtors only upon allowance thereof pursuant to the order of the Bankruptcy Court; *provided, however*, that the professional fees and expenses of the Reorganized Debtors, including the fees and expenses of the Proponents incurred after the Effective Date, including counsel and advisor fees, may be paid by the Reorganized Debtors in the ordinary course of business and shall not be subject to the approval of the Bankruptcy Court;

12.1.9 issue injunctions, enter and implement other orders, or take such other actions as may be necessary or appropriate to restrain interference by any entity with consummation, implementation or enforcement of the Noteholder Plan or the Confirmation Order;

12.1.10 resolve all ambiguities between the Litigation Trust Agreement and the Noteholder Plan;

12.1.11 resolve all ambiguities between the Distribution Trust Agreement and the Noteholder Plan;

12.1.12 resolve any matters related to the Litigation Trust;

12.1.13 resolve any matters related to the Distribution Trust;

12.1.14 hear and determine all Litigation Trust Causes of Action;

12.1.15 hear and determine the Senior Loan Claim Sharing Resolution, to the extent required;

12.1.16 hear and determine causes of action by or on behalf of the Debtors or the Reorganized Debtors;

12.1.17 hear and determine matters concerning state, local and federal taxes in accordance with sections 346, 505 and 1146 of the Bankruptcy Code;

12.1.18 enter and implement such orders as are necessary or appropriate if the Confirmation Order is for any reason or in any respect modified, stayed, reversed, revoked or vacated, or if distributions pursuant to the Noteholder Plan are enjoined or stayed;

12.1.19 enforce all orders, judgments, injunctions, releases, exculpations, indemnifications and rulings entered in connection with the Chapter 11 Cases;

12.1.20 hear and determine all matters related to (i) the property of the Estates from and after the Confirmation Date and (ii) the activities of the Reorganized Debtors;

12.1.21 resolve any other matters that may arise in connection with or relating to the Noteholder Plan, the Noteholder Specific Disclosure Statement or the Joint Disclosure Statement, the Confirmation Order or any contract, instrument, release, indenture or other agreement or document adopted in connection with the Noteholder Plan or the Joint Disclosure Statement other than the Creditors' Trust Agreement;

12.1.22 hear and determine such other matters as may be provided in the Confirmation Order or as may be authorized under the Bankruptcy Code; and

12.1.23 enter orders closing the Chapter 11 Cases.

12.2 Release of Jurisdiction.

Upon the occurrence of the Effective Date, the Bankruptcy Court shall release and not retain any jurisdiction with respect to the Creditors' Trust or the Creditors' Trust Assets, including, without limitation, the prosecution, settlement or resolution of the State Law Avoidance Claims. For the avoidance of doubt, the Noteholder Plan does not confer jurisdiction on the Bankruptcy Court to determine the tax consequences of the Noteholder Plan or otherwise determine the tax liability of a non-Debtor, in each case, unless it has jurisdiction to do so.

ARTICLE 13

MISCELLANEOUS

13.1 Surrender of Instruments.

As a condition to participation under the Noteholder Plan, the Holder of a note, debenture or other evidence of indebtedness of any of the Debtors that desires to receive the property to be distributed on account of an Allowed Claim based on such note, debenture or other evidence of indebtedness shall surrender such note, debenture or other evidence of indebtedness to the Debtors, or their designee (unless such Holder's Claim will be Reinstated by the Noteholder Plan, in which case such surrender shall not be required), and shall execute and deliver such other documents as are necessary to effectuate the Noteholder Plan; *provided, however*, that, if a claimant is a Holder of a note, debenture or other evidence of indebtedness for which no physical certificate was issued to the Holder but which instead is held in book-entry form pursuant to a global security held by DTC or other securities depository or custodian thereof, then the Debtors or the applicable Indenture Trustee for such note, debenture or other evidence of indebtedness shall waive the requirement of surrender. Except as otherwise provided in this Section 13.1, in the Reorganized Debtors' sole discretion, if no surrender of a note, debenture or other evidence of indebtedness occurs and a claimant does not provide an affidavit and indemnification agreement (without any bond), in form and substance reasonably satisfactory to the Reorganized Debtors, that such note, debenture or other evidence of indebtedness was lost, then no distribution may be made to any claimant whose Claim is based on such note, debenture or other evidence of indebtedness thereof.

13.2 Creditors' Committee.

The appointment of the Creditors' Committee shall terminate on the Effective Date, except that the Creditors' Committee shall continue in existence after the Effective Date for the sole purpose of preparing and prosecuting applications for the payment of fees and reimbursement of expenses.

13.3 Post-Confirmation Date Retention of Professionals.

Upon the Effective Date, any requirement that professionals employed by the Reorganized Debtors, the Litigation Trust, the Distribution Trust and the Creditors' Trust comply with sections 327 through 331 or 1103 of the Bankruptcy Code in seeking retention or compensation for services rendered after such date will terminate, and the Reorganized Debtors, the Litigation Trust, the Distribution Trust and the Creditors' Trust will be authorized to employ and compensate professionals in the ordinary course of business and without the need for Bankruptcy Court approval.

13.4 Effectuating Documents and Further Transactions.

Each of the Debtors, the Reorganized Debtors, the Litigation Trustee, the Distribution Trustee and the Creditors' Trustee is authorized to execute, deliver, file or record such contracts, instruments, releases and other agreements or documents, and take such actions as may be necessary or appropriate to effectuate, implement and further evidence the terms and conditions of the Noteholder Plan and any notes or securities issued pursuant to the Noteholder Plan.

13.5 Exemption from Transfer Taxes.

Pursuant to section 1146(a) of the Bankruptcy Code: (i) the issuance, transfer or exchange of notes, debentures or equity securities under the Noteholder Plan; (ii) the creation of any mortgage, deed of trust, lien, pledge or other security interest; (iii) the making or assignment of any lease or sublease; or (iv) the making or delivery of any deed or other instrument of transfer under the Noteholder Plan, including, without limitation, merger agreements, agreements of consolidation, restructuring, disposition, liquidation or dissolution, deeds, bills of sale, and transfers of tangible property, will not be subject to any stamp tax or other similar tax.

13.6 Paid-in Capital of Corporate Reorganized Debtors.

On the Effective Date, after taking into account all of the transactions contemplated by the Noteholder Plan (including, but not limited to, the cancellation of indebtedness pursuant to Section 5.8 of the Noteholder Plan), the Paid-in Capital, as such term is defined in section 1.80(j) of the Business Corporation Act of 1983, as amended, 805 ILCS 5/1.01, et seq. (the "BCA"), of each corporate Reorganized Debtor shall, pursuant to Section 9.20(a)(2) of the BCA, be reduced to the following amounts (such reduced amounts to be referred to individually and collectively as the "Article XIII Paid-in Capital Amount" and "Article XIII Paid-in Capital Amounts," respectively): (i) in the case of Reorganized Tribune, its Paid-in Capital shall be reduced to the aggregate par value, if any, of Reorganized Tribune's issued shares of capital stock plus such amounts as are recorded on Reorganized Tribune's financial statements as paid-in capital and additional paid-in capital under its fresh start accounting in accordance with Generally Accepted

Accounting Principles, and (ii) in the case of each other corporate Reorganized Debtor, its Paid-in Capital shall be reduced to the aggregate par value, if any, of each such other Reorganized Debtor's issued shares of capital stock plus such amounts as are recorded on each such other Reorganized Debtor's financial statements as paid-in capital and additional paid-in capital under its fresh start accounting in accordance with Generally Accepted Accounting Principles. The amount required to reduce the Paid-in Capital of each corporate Reorganized Debtor to its Article XIII Paid-in Capital Amount shall be treated as a reduction in Paid-in Capital under Section 9.20(a)(2) of the BCA. Notwithstanding anything to the contrary, this Section 13.6 shall only apply to capital stock of Reorganized Tribune and each corporate Reorganized Debtor that is contemplated to be issued pursuant to the Noteholder Plan.

In any document required to be filed with the Illinois Secretary of State's office on or after the Effective Date and on or before the date the Article XIII Paid-in Capital Amounts are finally recorded on each corporate Reorganized Debtor's financial statements in accordance with the preceding paragraph, such reduction shall be made by good faith determination of the Article XIII Paid-in Capital Amounts as of the close of business on the Effective Date, after taking into account all of the transactions contemplated by the Noteholder Plan (including but not limited to, the cancellation of indebtedness pursuant to Section 5.8 of the Noteholder Plan). If such good faith determination differs from the Article XIII Paid-in Capital Amounts as finally recorded on any Reorganized Debtor's financial statements, a statement of correction will be filed on Form BCA 1.15 to correct such good faith determination, together with supporting documentation, which shall consist of a copy of the Reorganized Debtor's fresh start accounting certified financial statements. The Reorganized Debtors shall not be required to file Form BCA 1.35, unless the Reorganized Debtors report a correction in apportionment in Form BCA 1.15. Such corrections to Reorganized Debtors' paid-in capital shall occur without interest or penalties, provided that Form BCA 1.15 (and Form BCA 1.35, if applicable) is submitted for filing no later than 30 days after the date on which the Reorganized Debtor's fresh start accounting financial statements, as of the Effective Date, are first certified. For purposes of this Section 13.6, the term "corporate" refers to a corporation as defined in Sections 1.80(a) or (b) of the BCA.

13.7 Payment of Statutory Fees.

All fees payable pursuant to section 1930 of title 28 of the United States Code, as determined by the Bankruptcy Court at the Confirmation Hearing, shall be paid on the Effective Date. In addition, the Reorganized Debtors shall file post-confirmation reports and pay post-confirmation fees in accordance with section 1106(a)(7) of the Bankruptcy Code and the Office of the United States Trustee, District of Delaware, Operating Guidelines for Chapter 11 Cases.

13.8 Amendment or Modification of the Noteholder Plan.

Subject to section 1127 of the Bankruptcy Code and, to the extent applicable, sections 1122, 1123 and 1125 of the Bankruptcy Code and other applicable provisions of the Noteholder Plan, including, without limitation, Section 13.9 of the Noteholder Plan, the Proponents may alter, amend or modify the Noteholder Plan or the Exhibits at any time prior to or after the Confirmation Date, but prior to the substantial consummation of the Noteholder Plan. A Holder of a Claim or Interest that has accepted the Noteholder Plan shall be deemed to have accepted the Noteholder Plan as altered, amended or modified, if the proposed alteration,

amendment or modification does not materially and adversely change the treatment of the Claim or Interest of such Holder. To the extent the Bankruptcy Court determines that an alteration, amendment or modification to the Noteholder Plan requires resolicitation of the Noteholder Plan, the Proponents shall have the option, at their sole discretion, to inform the Bankruptcy Court and parties in interest that they will not seek to enforce such alteration, amendment or modification and instead will consummate the Noteholder Plan in the form previously filed on February 25, 2011 [ECF No. 8169] with respect to such altered, amended or modified provisions.

13.9 Withdrawal of Proponent. Other than pursuant to a written agreement to the contrary, any Proponent may withdraw as a Proponent of the Noteholder Plan and the remaining Proponent(s) may continue to prosecute the Noteholder Plan notwithstanding such withdrawal. If the Proponents disagree over any modifications to the Noteholder Plan, they may separately prosecute the modified and unmodified plans.

13.10 Severability of Plan Provisions.

If any term or provision of the Noteholder Plan is determined by the Bankruptcy Court to be invalid, void or unenforceable, the Bankruptcy Court, at the request of the Proponents, will have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void or unenforceable, and such term or provision will then be applicable as altered or interpreted. Notwithstanding any such holding, alteration or interpretation, the remainder of the terms and provisions of the Noteholder Plan will remain in full force and effect and will, in no way, be affected, impaired or invalidated by such holding, alteration, or interpretation. The Confirmation Order will constitute a judicial determination and will provide that each term and provision of the Noteholder Plan, as it may have been altered or interpreted in accordance with the foregoing, is valid and enforceable pursuant to its terms.

13.11 Successors and Assigns.

The Noteholder Plan shall be binding upon and inure to the benefit of the Debtors, the Distribution Trust, the Litigation Trust and their respective successors and assigns, including, without limitation, the Reorganized Debtors. The rights, benefits and obligations of any entity named or referred to in the Noteholder Plan shall be binding on, and shall inure to the benefit of, any heir, executor, administrator, successor or assign of such entity.

13.12 Revocation, Withdrawal or Non-Consummation.

The Proponents reserve the right to revoke or withdraw the Noteholder Plan as to any or all of the Debtors prior to the Confirmation Date and to file subsequent plans of reorganization. If the Proponents revoke or withdraw the Noteholder Plan as to any or all of the Debtors, or if confirmation or consummation as to any or all of the Debtors does not occur, then, with respect to such Debtors (i) the Noteholder Plan shall be null and void in all respects, (ii) any settlement or compromise embodied in the Noteholder Plan (including the fixing or limiting to an amount certain any Claim or Interest or Class of Claims or Interests), assumption or rejection of executory contracts or leases affected by the Noteholder Plan, and any document or agreement executed pursuant to the Noteholder Plan shall be deemed null and void and (iii) nothing

contained in the Noteholder Plan shall (a) constitute a waiver or release of any Claims by or against, or any Interests in, such Debtors or any other Person, (b) prejudice in any manner the rights of such Debtors or any other Person or (c) constitute an admission of any sort by the Debtors or any other Person.

13.13 Notice.

To be effective, all notices, requests and demands to or upon the Debtors, the Reorganized Debtors or the Proponents shall be in writing and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when actually delivered or, in the case of notice by facsimile or electronic transmission, when received and telephonically confirmed, addressed as follows:

13.14 Governing Law.

Except to the extent that the Bankruptcy Code, the Bankruptcy Rules or other Federal law is applicable, or to the extent that an exhibit or schedule to the Noteholder Plan or the relevant document provides otherwise, the rights and obligations arising under the Noteholder Plan shall be governed by, and construed and enforced in accordance with, the laws of the State of Delaware, without giving effect to the principles of conflicts of law of such jurisdiction; *provided, however,* that the law applicable in connection with the Litigation Trust Causes of Action and State Law Avoidance Claims shall be determined by the applicable court adjudicating such causes of action.

13.15 Tax Reporting and Compliance.

The Reorganized Debtors are hereby authorized, on behalf of each of the Debtors, to request an expedited determination under section 505 of the Bankruptcy Code of the tax liability of any of the Debtors for all taxable periods ending after the Petition Date through, and including, the Effective Date.

13.16 Exhibits and Appendices.

All Exhibits and appendices to the Noteholder Plan are incorporated and are a part of the Noteholder Plan as if set forth in full herein.

13.17 Reservation of Rights.

Except as expressly set forth herein, the Noteholder Plan shall have no force and effect unless the Bankruptcy Court has entered the Confirmation Order. The filing of the Noteholder Plan, any statement or provision contained in the Noteholder Plan, or the taking of any action by the Debtors or the Proponents in furtherance of seeking confirmation of the Noteholder Plan shall not be and shall not be deemed to be an admission or waiver of any rights of the Debtors or the Proponents with respect to the Holders of Claims and Interests.

13.18 Notice of the Effective Date.

On or before ten (10) Business Days after occurrence of the Effective Date, the Reorganized Debtors shall mail or cause to be mailed to all Holders of Claims and Interests a Notice that informs such Holders of (i) entry of the Confirmation Order, (ii) the occurrence of the Effective Date, (iii) the assumption and rejection of executory contracts and unexpired leases pursuant to the Noteholder Plan, as well as the deadline for the filing of Claims arising from such rejection, (iv) the deadline established under the Noteholder Plan for the filing of Administrative Expense Claims, (v) the procedures for requesting notice of the matters subject to Sections 5.17.8 and 7.16.9 of the Noteholder Plan and other matters, (vi) the procedures for changing an address of record pursuant to Section 7.6.2 of the Noteholder Plan and (vii) such other matters as the Reorganized Debtors deem to be appropriate.
