Note:

[1] The Debtors' Schedules list creditors and amounts of claims as of the close of business on February 29, 2008. Following commencement of the Chapter 11 Cases, the Bankruptcy Court authorized the payment of certain prepetition claims of vendors and other service providers, and the honoring of pre-paid calling services, pursuant to (i) Order Authorizing and Approving (A) the Payment of Unimpaired Claims due Vendors in the Ordinary Course of Business and (B) the Debtors to Honor Customer Credits and Pre-paid Services [Docket No. 39], and (ii) Order Authorizing and Approving (A) The Continued Payment of Unimpaired Claims Due Vendors in the Ordinary Course of Business and (B) The Payment of Certain Limited Severance Benefits Due Under Dominican Law in the Ordinary Course of Business [Docket No. 100]. Because postpetition payments have been made to certain creditors pursuant to the above-referenced orders, the actual unpaid claims of creditors as of the date hereof may differ from the amounts set forth in the Schedules and Statements. The Debtors were also authorized, pursuant to the above-reference orders, to honor customer credits and pre-paid calling services. Due to the burdensome nature of compiling all of the claims on account of pre-paid services and customer credits, and because the Debtors have been authorized to honor them, the Debtors have not included these claims in their Schedules and Statements.

[2] The claim amounts are aggregated by creditor. Invoice level detail is available at the Debtor's headquarters upon request.
