Any Person injured by any willful violation of such injunction shall recover actual damages, including costs and attorneys' fees, and, in appropriate circumstances, may recover punitive damages, from the willful violator.

Section 5.15 No Liability for Solicitation or Participation

None of the Debtors, the Reorganized Debtors, the indenture trustees for the TAC Notes, TCH First Priority Notes and TCH Second Priority Notes, the Official Committee (if any), the members of and advisors to the TAC Noteholder Committee and TCH Noteholder Committee, the holders of the TAC Notes and the TCH Notes that are parties to the Restructuring Support Agreement, DJT, nor any of their respective current or former members, partners, officers, directors, employees, affiliates, agents and advisors (including any attorneys, financial advisors, investment bankers, accountants and other professionals retained by such Persons) shall have or incur any liability to any holder of any Claim or Interest for any act or omission in connection with, or arising out of the Debtors' restructuring, the Plan, the Chapter 11 Cases, the Disclosure Statement, the DJT Investment Agreement, the Restructuring Support Agreement, the DIP Facility, the Exit Facility, any agreements relating to the foregoing or to the transactions contemplated by the Restructuring Support Agreement, the solicitation of votes for and the pursuit of the Plan, the consummation of the Plan or the administration of the Plan or the property to be distributed under the Plan, including, without limitation, all documents ancillary thereto, all decisions, actions, inactions and alleged negligence or misconduct relating thereto and all prepetition activities leading to the promulgation and confirmation of the Plan, except willful misconduct or gross negligence as determined by a Final Order of the Bankruptcy Court. The foregoing parties shall be entitled to rely upon the advice of counsel with respect to their duties and responsibilities under the Plan.

Section 5.16 Limitation of Liability

(a) Releases by the Debtors.

As of the Effective Date, the Debtors and Reorganized Debtors, in their individual capacities and as Debtors in Possession, will be deemed to forever release, waive and discharge all Claims, obligations, suits, judgments, damages, demands, debts, rights, causes of action and liabilities (other than the rights of the Debtors or Reorganized Debtors to enforce the Plan and the contracts, instruments, releases, indentures and other agreements or documents delivered thereunder), whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, then existing or thereafter arising, in law, equity or otherwise that are based in whole or in part on any act, omission, transaction, event or other occurrence taking place on or prior to the Effective Date in any way relating to the Debtors, Reorganized Debtors, the parties released pursuant to this Section 5.16, the Chapter 11 Cases, the Plan or the Disclosure Statement, and that could have been asserted by or on behalf of

the Debtors or their Estates or the Reorganized Debtors, whether directly, indirectly, derivatively or in any representative or any other capacity, against (i) the current and former directors, officers and employees of the Debtors (other than for money borrowed from or owed to the Debtors by any such directors, officers or employees as set forth in the Debtors' books and records), and the respective affiliates and current and former officers, partners, directors, employees, agents, members, stockholders, advisors (including any attorneys, financial advisors, investment bankers and accountants) and professionals of the foregoing; and (ii) the indenture trustees for the TAC Notes, TCH First Priority Notes and TCH Second Priority Notes, the Official Committee (if any), the members of and advisors (including any attorneys, financial advisors, investment bankers, accountants and other professionals retained by such Persons) to the TAC Noteholder Committee and TCH Noteholder Committee, the holders of the TAC Notes and the TCH Notes that are parties to the Restructuring Support Agreement, DJT and the respective affiliates and current and former officers, partners, directors, employees, agents, members, stockholders, advisors (including any attorneys, financial advisors, investment bankers, accountants and other professionals retained by such Persons) and professionals of the foregoing.

(b) Releases by Holders of Claims and Interests.

On the Effective Date, all holders of Claims and Interests, in consideration for the obligations of the Debtors and Reorganized Debtors under the Plan, the obligations of DJT under the DJT Investment Agreement and the Cash, New Common Stock, New THCR Holdings Interests, the New Notes, the New Class A Warrants, New DJT Warrant and other contracts, instruments, releases, agreements or documents to be delivered in connection with the Plan, and each entity (other than the Debtors) that has held, holds or may hold a Claim or Interest, as applicable, will be deemed to forever release, waive and discharge all Claims, demands, debts, rights, causes of action or liabilities (other than the right to enforce the Debtors' or Reorganized Debtors' obligations under the Plan, and the contracts, instruments, releases, agreements and documents delivered under the Plan), whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, then existing or thereafter arising, in law, equity or otherwise that are based in whole or in part on any act or omission, transaction, event or other occurrence taking place on or prior to the Effective Date in any way relating to the Debtors, the negotiation and execution of the Restructuring Support Agreement, the Chapter 11 Cases, the Plan or the Disclosure Statement against (i) DJT, (ii) the current and former directors, officers, employees and advisors (including any attorneys, financial advisors, investment bankers, accountants and other professionals) of the Debtors, (iii) the indenture trustees for the TAC Notes, TCH First Priority Notes and TCH Second Priority Notes, the Official Committee (if any), the members of and advisors to the TAC Noteholder Committee and TCH Noteholder Committee, the holders of the TAC Notes and the TCH Notes that are parties to the Restructuring Support Agreement, and (iv) the respective affiliates and current and former officers, partners, directors, employees, agents, members, stockholders, advisors (including any attorneys, financial advisors, investment bankers and accountants) and professionals of the foregoing. The Debtors believe the releases set forth in the Plan are reasonable and appropriate given the extraordinary facts and circumstances of these cases. The releases and injunctions provided in Sections 5.16(a) and (b) of the Plan are an integral part of the Plan and are supported by the consideration provided hereunder and under the DJT Investment Agreement. DJT and the other parties to the Restructuring Support Agreement have

made substantial contributions to the reorganization by funding the Plan and agreeing to compromise their Allowed Claims and to payment in full by the Debtors of Allowed Claims. Absent the contributions of the parties to the Restructuring Support Agreement, the Debtors would be unable to reorganize under this Plan, which provides for payment in full in Cash to holders of Allowed General Unsecured Claims.

Section 5.17 Injunction Related to Releases and Exculpation

The Confirmation Order will permanently enjoin the commencement or prosecution by any Person or entity, whether directly, derivatively or otherwise, of any Claims, obligations, suits, judgments, damages, demands, debts, rights, causes of action or liabilities released pursuant to the Plan, including but not limited to the Claims, obligations, suits, judgments, damages, demands, debts, rights, causes of action or liabilities released in Sections 5.16(a) and (b) of the Plan.

Section 5.18 Objections to Claims and Interests and Authority to Prosecute Objections; Claims and Interests Resolution

The right to prosecute, File, litigate and settle objections to Disputed Claims and Disputed Interests, whether or not the subject of litigation pending as of the Effective Date, shall be deemed automatically transferred by the Debtors and their Estates to the Reorganized Debtors as of the Effective Date. From and after the Effective Date, only the Reorganized Debtors shall have the right to File, litigate or settle any objections to Disputed Claims and Disputed Interests.

Except as otherwise provided in the Plan, objections to any Disputed Claim and Disputed Interest shall be Filed within the later of sixty (60) days after (a) the Effective Date and (b) the date the Claim or Interest, as applicable, is Filed, or within such additional period of time as the Bankruptcy Court may allow upon motion made by the Reorganized Debtors (which may be made on an ex parte basis), within such sixty (60)-day period. Pursuant to orders with respect to the Debtors' interim use of cash collateral, the Bankruptcy Court limits the ability of certain parties-in-interest to challenge the validity, priority or enforceability of the Liens asserted against the Debtors by the holders of TAC Notes, TCH First Priority Notes and TCH Second Priority Notes. As of the date hereof, no party-in-interest may bring such a challenge. Nothing contained herein shall modify any of the foregoing orders.

Notwithstanding that the Reorganized Debtors shall have the right to File objections to Claims and Interests (other than to Claims in Classes 1, 2, 3 and 4), litigate and settle objections to Disputed Claims and Disputed Interests on behalf of the Debtors and their Estates, nothing contained herein shall be deemed to obligate the Reorganized Debtors to take any such actions, all of which shall be determined by the Reorganized Debtors in their sole and absolute discretion.

From and after the Effective Date, the Reorganized Debtors may settle or compromise any Disputed Claim or Disputed Interest without approval of the Bankruptcy Court.

THE DEBTORS HAVE NOT FULLY REVIEWED THE CLAIMS AND INTERESTS IN THE CHAPTER 11 CASES OR DETERMINED WHETHER OBJECTIONS

TO CLAIMS AND INTERESTS EXIST. THIS INVESTIGATION IS ONGOING AND WILL OCCUR, IN LARGE PART, AFTER THE CONFIRMATION DATE. AS A RESULT, CREDITORS AND OTHER PARTIES-IN-INTEREST ARE HEREBY ADVISED THAT, NOTWITHSTANDING THAT THE EXISTENCE OF ANY PARTICULAR OBJECTION TO A DISPUTED CLAIM OR DISPUTED INTEREST MAY NOT BE LISTED, DISCLOSED OR SET FORTH IN THIS PLAN, AN OBJECTION TO A CLAIM OR INTEREST MAY BE BROUGHT AGAINST ANY CREDITOR OR PARTY-IN-INTEREST AT ANY TIME, SUBJECT TO THE TIME LIMITATIONS SET FORTH IN THIS PARAGRAPH 5.18. IN ADDITION TO THE FOREGOING, THE REORGANIZED DEBTORS RETAIN AND HEREBY RESERVE THE RIGHT TO OBJECT TO (i) ANY CLAIMS OR INTERESTS FILED AFTER THE BAR DATE OF _____, 2004 AND (ii) ANY CLAIMS FILED IN ORDER TO SET FORTH DAMAGES ARISING FROM THE REJECTION OF AN EXECUTORY CONTRACT OR OTHER AGREEMENT WITH THE DEBTORS.

Objections to applications of professionals or other Persons for compensation or reimbursement of expenses must be Filed and served on the Reorganized Debtors, counsel for the Reorganized Debtors, the Official Committee (if any) and the professionals (or other Person) to whose application the objections are addressed on or before (i) thirty (30) days after such application is Filed and served or (ii) such later date as the Bankruptcy Court shall order upon application made prior to the end of such thirty (30)-day period or upon agreement between the Reorganized Debtors and the affected professional (or other Person).

Section 5.19 Other Documents and Actions

The Debtors, the Debtors in Possession and the Reorganized Debtors may, and shall, File or execute such documents and take such other actions as are necessary to effectuate the transactions provided for in the Plan.

Section 5.20 Corporate Action

The authorization and issuance of the New Common Stock, New THCR Holdings Interests, the New Class B Common Stock, the New Notes, the New Class A Warrants, the New DJT Warrant, the adoption of the Amended Organizational Documents and the selection of the Persons who will serve as the initial directors and officers of the Reorganized Debtors as of the Effective Date, and other matters under the Plan involving the corporate structure of each Debtor or corporate action by each Debtor, shall be deemed to have occurred and be effective on and after the Effective Date without any requirement of further action by the stockholders, directors, members, partners or other applicable entity of each Debtor. Without limiting the foregoing, upon entry of the Confirmation Order by the clerk of the Bankruptcy Court, the filing by each Reorganized Debtor of its respective Amended Organizational Documents shall be authorized and approved in all respects.

Section 5.21 Retiree Benefits

On and after the Effective Date, to the extent required by section 1129(a)(13) of the Bankruptcy Code, each Reorganized Debtor shall continue to pay all retiree benefits (if any),

as the term "retiree benefits" is defined in section 1114(a) of the Bankruptcy Code, maintained or established prior to the Confirmation Date.

Section 5.22 Employee Benefits

Each Debtor's employees shall have a Priority Claim for unpaid wages, benefits and other entitlements to the extent permitted by section 507(a)(3) of the Bankruptcy Code, which will be either (i) paid in full, or (ii) Reinstated. To the extent that any employee's Claim exceeds the amount prescribed by section 507(a)(3), the employee shall receive a General Unsecured Claim for the excess amount against the applicable Debtor. Notwithstanding the foregoing, any employee who continues to be an employee in good standing with the Reorganized Debtors after the Effective Date shall be entitled to take (in the form of vacation days and not in Cash) all unused and unpaid vacation time accrued prior to the Petition Date.

Section 5.23 Executory Contracts and Unexpired Leases Entered Into, and Other Obligations Incurred After, the Petition Date

Executory contracts and unexpired leases entered into, and other obligations incurred, after the Petition Date by the Debtors shall be performed by the Debtors or Reorganized Debtors in the ordinary course of their businesses. Accordingly, such executory contracts, unexpired leases and other obligations shall survive and remain unaffected by the entry of the Confirmation Order or the occurrence of the Effective Date under, and the effectiveness of, the Plan.

Section 5.24 Security Interests and Liens

All security interests and Liens granted or to be granted to any party in connection with the Plan or any document or agreement contemplated by the Plan or entered into in connection with the Plan or otherwise granted or to be granted, including without limitation, the New Notes Indenture and the guarantees, mortgages, security agreements and pledge agreements set forth in the Plan Supplement, shall be governed in all respects, including without limitation, perfection and priority, by applicable non-bankruptcy law, notwithstanding anything to the contrary in the Plan or the Confirmation Order.

ARTICLE VI.

The Debtors reserve the right to amend or revoke the Plan in the exercise of their fiduciary duties, subject to the approval of the board of directors of Reorganized THCR. Although the Plan is styled as a joint plan, with the prior reasonable consent of DJT, the TAC Noteholder Committee and the TCH Noteholder Committee, the Debtors reserve the right to ask the Bankruptcy Court to confirm the Plan for one or more Debtors but not all Debtors.

Section 6.04 Effect of Failure of Conditions

In the event that the Effective Date does not occur within one (1) year following entry of the Confirmation Order, upon notification submitted by the Debtors to the Bankruptcy Court: (a) the Confirmation Order shall be vacated, (b) no distributions under the Plan shall be made, (c) the Debtors and all holders of Claims and Interests shall be restored to the *status quo ante* as of the day immediately preceding the Confirmation Date as though the Confirmation Date had never occurred, and (d) the Debtors' obligations with respect to the Claims and Interests shall remain unchanged (except to the extent of any payments made after entry of the Confirmation Order but prior to the Effective Date) and nothing contained in the Plan shall constitute or be deemed a waiver or release of any Claims or Interests by or against the Debtors or any other Person or to prejudice in any manner the rights of the Debtors or any Person in any further proceedings involving the Debtors.

Section 6.05 Order Denying Confirmation

If an order denying confirmation of the Plan is entered by the Bankruptcy Court, then the Plan shall be null and void in all respects, and nothing contained in the Plan shall (a) constitute a waiver or release of any Claims against or Interests in the Debtors, (b) prejudice in any manner the rights of the holder of any Claim against, or Interest in, the Debtors, (c) prejudice in any manner any right, remedy or Claim of the Debtors, or (d) be deemed an admission against interest by the Debtors, DJT, the TAC Noteholder Committee, the TCH Noteholder Committee, the Official Committee (if any) or any committee's respective members.

ARTICLE VII.

CONFIRMATION OF PLAN OVER DISSENTING CLASSES

In the event at least one Impaired Class of Claims votes to accept the Plan (and at least one Impaired Class or Interests either votes to reject the Plan or is deemed to have rejected the Plan), one or more of the Debtors, as appropriate, shall request the Bankruptcy Court to confirm the Plan under section 1129(b) of the Bankruptcy Code.

ARTICLE VIII.

PROVISIONS REGARDING VOTING AND DISTRIBUTIONS UNDER THE PLAN AND TREATMENT OF DISPUTED, CONTINGENT AND UNLIQUIDATED CLAIMS AND INTERESTS

Section 8.01 Voting of Claims and Interests

Each holder of an Allowed Claim or an Allowed Interest in an Impaired Class of Claims or Interests not deemed to have rejected the Plan shall be entitled to vote separately to accept or reject the Plan as provided in such order as may be entered by the Bankruptcy Court establishing certain procedures with respect to the solicitation and tabulation of votes to accept or reject the Plan, or any other order or orders of the Bankruptcy Court.

(a) Impaired Classes to Vote.

(b) Acceptance by Class of Creditors and holders of Equity Interests.

An Impaired Class of holders of Claims shall have accepted the Plan if the Plan is accepted by at least two-thirds (2/3) in dollar amount and more than one-half (1/2) in number of the Allowed Claims of such Class that have voted to accept or reject the Plan. An Impaired Class of holders of Interests shall have accepted the Plan if the Plan is accepted by at least two-thirds (2/3) in amount of the Allowed Interests of such Class that have voted to accept or reject the Plan.

Section 8.02 Method of Distributions Under the Plan

(a) Distributions Under the Plan.

All distributions will be made on the Effective Date or as soon thereafter as practicable, *provided* that (i) the distribution of the New Class A Warrants Proceeds to holders of TAC Notes Claims will be made as soon as reasonably practicable after the first anniversary of the Effective Date and (ii) distributions to holders of Disputed Claims whose Claims become Allowed after the Effective Date shall be made within fifteen (15) days after the end of the calendar quarter after such Claim becomes Allowed.

Distributions to holders of Allowed Claims and Allowed Interests shall be made at the addresses set forth in the Debtors' records unless such addresses are superseded by any proofs of Claim or Interests (or transfers thereof) that may be Filed pursuant to Bankruptcy Rule 3001.

Except as otherwise provided in the Plan or the Confirmation Order, all Cash necessary for the Reorganized Debtors to make payments pursuant to the Plan will be obtained from funds received under the DJT Investment Agreement, the Exit Facility, the Reorganized

Debtors' Cash balances and the operations of the Reorganized Debtors or post-Effective Date borrowings, as applicable.

Subject to the provisions of the Plan, property to be distributed hereunder to each Unimpaired Class shall be distributed on the later of (i) the Effective Date and (ii) the date on which the distribution to a holder of a Claim in such Class would have been due and payable in the ordinary course of business or under the terms of the Claim in the absence of the Chapter 11 Cases.

The Disbursing Agent will make all distributions of Cash and securities required to be distributed under the applicable provisions of the Plan. The Disbursing Agent may employ or contract with other entities to assist in or make the distributions required by the Plan. The Disbursing Agent will serve without bond, and the Disbursing Agent, other than the Reorganized Debtors, will receive, without further Bankruptcy Court approval, reasonable compensation for distribution services rendered pursuant to the Plan and reimbursement of reasonable out-of-pocket expenses incurred in connection with such services from the Reorganized Debtors on terms acceptable to the Reorganized Debtors.

Cash payments made pursuant to the Plan will be in U.S. dollars by checks drawn on or wire transfers from a bank selected by the Disbursing Agent. Cash payments of \$1,000,000 or more to be made pursuant to the Plan will, to the extent requested in writing no later than five (5) days after the Confirmation Date, be made by wire transfer from a bank. Cash payments to foreign creditors, if any, may be made, at the option of the Disbursing Agent, in such funds and by such means as are necessary or customary in a particular foreign jurisdiction.

The Disbursing Agent will make all distributions required under the applicable provisions of the Plan.

(b) Timing and Methods of Distributions.

(i) Compliance with Tax Requirements

In connection with the Plan, to the extent applicable, the Disbursing Agent must comply with all tax withholding and reporting requirements imposed on it by any governmental unit, and all distributions pursuant to the Plan will be subject to such withholding and reporting requirements. The Disbursing Agent will be authorized to take any and all actions that may be necessary or appropriate to comply with such withholding and reporting requirements.

Notwithstanding any other provision of the Plan: (i) each holder of an Allowed Claim or Allowed Interest that is to receive a distribution of Cash pursuant to the Plan will have sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any governmental unit, including income, withholding and other tax obligations, on account of such distribution; and (ii) no distribution will be made to or on behalf of such holder pursuant to the Plan unless and until such holder has made arrangements satisfactory to the Disbursing Agent for the payment and satisfaction of such tax obligations. Any Cash to be distributed pursuant to the Plan will, pending the implementation of such arrangements, be treated as an undeliverable distribution pursuant to the Plan.

(ii) Pro Rata Distribution

When the Plan provides for Pro Rata distribution, the consideration to be distributed under the Plan shall be divided Pro Rata among the holders of Allowed Claims or Allowed Interests of the relevant Class for that particular Debtor; *provided* that for each holder of an Allowed Claim in Class 1, 2 or 3 that does not select Pro Rata treatment with respect to such Claim, the consideration shall be divided Pro Rata among holders within the same Class that have elected the same treatment.

(iii) Distribution Record Date

As of the close of business on the Distribution Record Date, the transfer registers for any Old THCR Securities maintained by the Debtors, or their respective agents, will be closed. The Disbursing Agent and the respective agents of the Debtors will have no obligation to recognize the transfer of the TAC Notes, TCH First Priority Notes, TCH Second Priority Notes, Old THCR Common Stock, Old THCR Class B Common Stock and Old THCR Holdings Interests occurring after the Distribution Record Date, and will be entitled for all purposes relating to the Plan to recognize and deal only with those holders of record as of the close of business on the Distribution Record Date. Distributions under the Plan shall be made by the Debtors or Reorganized Debtors, as applicable, for the benefit of the holders of Allowed Administrative Claims and Allowed Claims and Allowed Interests on the Debtors' respective books and records, unless such addresses are superseded by addresses listed on any proofs of Claim or Interests (or transfers thereof) Filed pursuant to Bankruptcy Rule 3001.

Section 8.03 Special Procedures for Lost, Stolen, Mutilated or Destroyed Instruments

In addition to any requirements under the bylaws or other applicable organizational documents of the Debtors, any holder of a Claim or Interest evidenced by a certificated instrument (as defined in section 9-102(47) of the Uniform Commercial Code, as in effect and as modified or amended from time to time) that has been lost, stolen, mutilated or destroyed will, in lieu of surrendering such instrument, deliver to the Disbursing Agent: (a) evidence satisfactory to the Disbursing Agent of such loss, theft, mutilation or destruction; and (b) such security or indemnity as may be required by the Disbursing Agent to hold the Disbursing Agent harmless from any damages, liabilities or costs incurred in treating such individual as a holder of an instrument. Upon compliance with the Plan, the holder of a Claim or Interest evidenced by such an instrument will, for all purposes under the Plan, be deemed to have surrendered an instrument, as applicable.

Section 8.04 Undeliverable or Unclaimed Distributions

Any Person that is entitled to receive a Cash distribution under the Plan but that fails to cash a check within ninety (90) days of its issuance shall be entitled to receive a reissued check from the Reorganized Debtors for the amount of the original check, without any interest, if such person requests the Disbursing Agent to reissue such check and provides the Disbursing Agent with such documentation as the Disbursing Agent requests to verify that such Person is entitled to such check, prior to the first (1st) anniversary of the Effective Date. If a Person fails to cash a check within ninety (90) days of its issuance and fails to request reissuance of such check

prior to the first anniversary of the Effective Date, such Person shall not be entitled to receive any distribution under the Plan. If the distribution to any holder of an Allowed Claim or Allowed Interest is returned to a Disbursing Agent as undeliverable, no further distributions will be made to such holder unless and until the Disbursing Agent is notified in writing of such holder's then-current address. Undeliverable distributions will remain in the possession of the Disbursing Agent pursuant to the Plan until such time as a distribution becomes deliverable. Undeliverable Cash will be held in trust in segregated bank accounts in the name of the Disbursing Agent for the benefit of the potential claimants of such funds, and will be accounted for separately. The Disbursing Agent holding undeliverable Cash shall invest such Cash in a manner consistent with the Reorganized Debtors' investment and deposit guidelines. Any distribution that is not claimed within one (1) year of the Effective Date shall be deemed property of the Reorganized Debtors.

Section 8.05 Disputed Claims and Disputed Interests; Reserve and Estimations

(a) Treatment of Disputed Claims and Disputed Interests.

Notwithstanding any other provisions of the Plan, no payments or distributions will be made on account of a Disputed Claim or a Disputed Interest until such Claim or Interest becomes an Allowed Claim or Allowed Interest. The Reorganized Debtors may, at any time, request that the Bankruptcy Court estimate any contingent or unliquidated Claim or Interest pursuant to section 502(c) of the Bankruptcy Code, irrespective of whether any Debtor previously objected to such Claim or Interest or whether the Bankruptcy Court has ruled on any such objection. The Bankruptcy Court will retain jurisdiction to estimate any contingent or unliquidated Claim or Interest at any time during litigation concerning any objection to the Claim or Interest, including during the pendency of any appeal relating to any such objection. If the Bankruptcy Court estimates any contingent or unliquidated Claim or Interest, that estimated amount will constitute either the Allowed amount of such Claim or Interest or a maximum limitation on such Claim or Interest, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on such Claim or Interest, the Reorganized Debtors may elect to pursue any supplemental proceedings to object to any ultimate payment on account of such Claim or Interest. All of these Claims and Interest objection, estimation and resolution procedures are cumulative and not necessarily exclusive of one another. In addition to seeking estimation of Claims and Interests as provided in the Plan, the Reorganized Debtors may resolve or adjudicate certain Disputed Claims and Disputed Interests of holders in Unimpaired Classes in the manner in which the amount of such Claim or Interest and the rights of the holder of such Claim or Interest would have been resolved or adjudicated if the Chapter 11 Cases had not been commenced, subject to any applicable discharge and limitations on amounts of Claims and remedies available under bankruptcy law. Claims and Interests may be subsequently compromised, settled, withdrawn or resolved by the Reorganized Debtors without order of the Bankruptcy Court.

(b) Distributions on Account of Disputed Claims and Disputed Interests Once They Are Allowed.

Within fifteen (15) days following the end of each calendar quarter, the Disbursing Agent will make all distributions on account of any Disputed Claim or Disputed

Interest that has become an Allowed Claim or Allowed Interest in accordance with the Plan. Such distributions will be made pursuant to the provisions of the Plan governing the applicable Class. Except as provided in the Plan, holders of any Disputed Claims or Disputed Interests that are ultimately Allowed will not be entitled to receive, on the basis of the amounts ultimately Allowed, any interest. Notwithstanding the foregoing, distributions to holders of any Disputed Secured Claims shall be paid as soon as practicable after such Claims are Allowed.

(c) Reserve for Allowed Administrative and Allowed Priority Claims.

Each Debtor shall establish an appropriate reserve in an amount to be agreed upon by the Debtors, to satisfy Allowed Administrative Claims against the Debtors through and including the Effective Date (including Claims for compensation and reimbursement of expenses by professionals providing services to the Debtors and Allowed Priority Claims against the Debtors). Following the Effective Date, after the satisfaction of all Allowed Administrative Claims and Allowed Priority Claims against the Debtors and the resolution of all Disputed Administrative Claims and Disputed Priority Claims against the Debtors, any remaining Cash held in the reserve of the Reorganized Debtors will be returned to the Reorganized Debtors.

(d) Interest on Claims.

Unless otherwise specifically provided for or contemplated in the Plan or Confirmation Order, or required by applicable bankruptcy law to render a Claim Unimpaired or otherwise, postpetition interest shall not accrue or be paid on any Claims and no holder of a Claim shall be entitled to interest accruing on or after the Petition Date on any Claim, other than Other Secured Claims to the extent required by the applicable documents giving rise to such Claims.

Section 8.06 Setoffs

Except with respect to Claims released pursuant to the Plan or any contract, instrument, release, indenture or other agreement or document created in connection with the Plan, the Reorganized Debtors may, pursuant to section 553 of the Bankruptcy Code or applicable nonbankruptcy law, set off against any Allowed Claim and the distributions to be made pursuant to the Plan on account of such Claim (before any distribution is made on account of such Claim) the Claims, rights and causes of action of any nature that any of the Reorganized Debtors may hold against the holder of such Allowed Claim; *provided, however*, that neither the failure to effect such a setoff nor the allowance of any Claim hereunder will constitute a waiver or release by the Reorganized Debtors of any such Claims, rights and causes of action that the Debtors or the Reorganized Debtors may possess against such holder.

Section 8.07 Surrender of Instruments or Securities

As a condition precedent to receiving any distribution pursuant to the Plan on account of an Allowed Claim or Interest, the holder of such Claim or Interest shall tender the applicable instruments, securities or other documentation evidencing such Claim or Interest to Reorganized Debtors or the indenture trustees for the TAC Notes, TCH First Priority Notes and

TCH Second Priority Notes, or their agents, as applicable, unless waived in writing by Reorganized Debtors. Any New Common Stock to be distributed pursuant to the Plan on account of any such Claim or Interest shall, pending such surrender, be treated as an undeliverable distribution pursuant to Section 8.04 of the Plan.

(a) Notes.

Each holder of a certificated TAC Note, TCH First Priority Note or TCH Second Priority Note shall tender such certificate to the respective indenture trustee for such notes or such indenture trustee's agents, as applicable, in accordance with written instructions to be provided to such holders by the Reorganized Debtors or such respective indenture trustee as promptly as practicable following the Effective Date. Such instructions shall specify that delivery of such instruments will be effected, and risk of loss and title thereto will pass, only upon the proper delivery of such instruments with a letter of transmittal in accordance with such instructions. All surrendered certificated notes shall be marked as cancelled. This section shall not apply to uncertificated notes.

(b) Old THCR Common Stock.

Each holder of a certificated Old THCR Common Stock Interest shall tender its Old THCR Common Stock instruments relating to such interest to the Reorganized Debtors or their agents, as applicable, in accordance with written instructions to be provided to such holders by the Reorganized Debtors as promptly as practicable following the Effective Date. Such instructions shall specify that delivery of such instruments will be effected, and risk of loss and title thereto will pass, only upon the proper delivery of such instruments with a letter of transmittal in accordance with such instructions. All surrendered Old THCR Common Stock instruments shall be marked as cancelled. This section shall not apply to uncertificated shares of stock.

(c) Failure to Surrender Instruments.

Any holder of a Claim or Interest that fails to surrender or is deemed to have failed to surrender the applicable instruments required to be tendered hereunder within one (1) year after the Effective Date shall have its Claim or Interest and its distribution pursuant to the Plan on account of such Claim or Interest discharged and shall be forever barred from asserting any such Claim or Interest against the Reorganized Debtors or their property. In such cases, any New Common Stock and New Class B Common Stock held for distribution on account of such Claim or Interest shall be disposed of pursuant to Section 8.04 hereof.

ARTICLE IX.

RETENTION OF JURISDICTION
