Please note that if there is any inconsistency between the Plan (including the attached exhibits and any supplements to the Plan) and the descriptions in this Disclosure Statement, the terms of the Plan (and the attached exhibits and any supplements to the Plan) will govern.

Except for certain descriptions of the Plan, the information contained herein relating to the Debtors, their businesses, their prospects, their operations, their assets and liabilities, any other financial information, and any other information relating to the Debtors in any respect whatsoever, is based solely on information contained in the Debtors' Disclosure Statement filed with the Bankruptcy Court on November 4, 2009, and approved by order of the Bankruptcy Court on November 5, 2009. Beal Bank makes no representation as to the accuracy of any information contained therein.

This Disclosure Statement and the Plan are the only materials that should be used to determine whether to vote to accept or reject the Plan.

The *deadline* to vote to accept or reject the Plan is [___], at 5:00 p.m. (New York City time) To be counted, your ballot must be actually received by the Voting Agent by this deadline. If your vote is received by the Voting Agent after the Voting Deadline, the Debtors, in their sole discretion, will decide whether your vote is counted.

The *record date* for determining which creditors may vote on the Plan is [___] at 5:00 p.m. (New York City time).

In addition to the Plan, two other plans of reorganization have been proposed in these Reorganization Cases. Specifically, the Debtors have proposed a plan of reorganization (as amended, the "*Debtors' Plan*") and have filed their own disclosure statement in connection therewith (as amended, the "*Debtors' Disclosure Statement*"). The Debtors' Plan was developed over several months and after extensive negotiations among the Debtors, the Debtors' principal creditor constituencies, and Donald J. Trump (hereinafter "*Mr. Trump*"). The Debtors' Plan provides for (i) a recovery to Beal Bank in the form new debt at substantially below-market terms and (ii) an equity contribution, whereby Beal Bank and Mr. Trump would collectively acquire 100% of the equity of the Reorganized Debtors in exchange for a cash contribution of approximately \$113.9 million made pursuant to the terms of a purchase agreement (the "*Purchase Agreement*"). The Debtors' Plan also provides for a cash payment in the total amount of approximately \$13.9 million to holders of Second Lien Note Claims for a recovery estimated by the Debtors to be approximately 1.11% in the aggregate. Because the valuation set forth in the Debtors' Disclosure Statement indicates that holders of general unsecured claims are out-of-the-money, such holders receive no distribution under the Debtors' Plan. On November 16, 2009, Mr. Trump purported to terminate the Purchase Agreement and entered into the DJT Settlement Agreement, pursuant to which, among other things, Mr. Trump withdrew his support for the Debtors' Plan and agreed to support, vote for and promote the Ad Hoc Committee's plan subject to cert terms of the DJT Settlement Agreement. The Debtors have indicated their intent to no longer pursue the Debtors' Plan and instead intend to support the Ad Hoc Committee's Plan.

The Ad Hoc Committee has also proposed a plan of reorganization for the Debtors (as amended, the “*AHC Plan*”) and has filed its own disclosure statement in connection therewith (as amended, the “*AHC Disclosure Statement*”). Beal Bank believes that the AHC Plan is neither favorable for the Debtors’ estates nor confirmable as a matter of law. In particular, the AHC Plan, if confirmed, would burden the Reorganized Debtors with an amended and restated First Lien Credit Agreement in principal amount well in excess of \$300 million. For this reason, Beal Bank has proposed its own Plan, which Beal Bank believes presents the best chance for the Debtors to successfully emerge from chapter 11 and to continue as a thriving enterprise. The Plan proposed by Beal Bank would, among other things, completely deleverage the Debtors’ balance sheet while (i) providing recoveries that are similar or greater than those proposed under the AHC Plan to creditors other than Beal Bank, which will convert the majority of its claims to equity, and (ii) offering the potential for all creditors an opportunity to participate in the Reorganized Debtors’ capital structure on substantially better terms to the Debtors’ than those contemplated in the AHC Plan.

For these reasons, Beal Bank believes that it is in the best interests of the Debtors’ estates and creditors of those estates to coalesce around the Plan.

Recommendation: Beal Bank urges creditors to vote to accept the Plan.

The Bankruptcy Code provides that only creditors who vote on the Plan will be counted for purposes of determining whether the requisite acceptances have been attained. Failure to timely deliver a properly completed ballot by the Voting Deadline will constitute an abstention (*i.e.*, will not be counted as either an acceptance or a rejection). Any improperly completed or late ballot will not be counted.

II.

Treatment of Holders of Claims and Equity Interests Under the Plan

A. Overview and Summary of the Plan

The Debtors have two principal prepetition creditor groups. The first group consists of Beal Bank and Beal Bank Nevada, whose claims are approximately \$485 million and are secured by a first priority lien on substantially all the Debtors’ assets (the “*First Lien Lender Claims*”). The second group consists of holders of the Debtors’ 8-1/2% Senior Secured Notes due 2015 in the outstanding principal amount of \$1.25 billion (the “*Second Lien Note Claims*”). These notes were issued in the Debtors prior chapter 11 case (pending in 2004-05) and were granted a second priority lien on the Debtors’ casino and hotel properties.

Beal Bank believes that the Debtors need to raise additional capital to remain competitive in the Atlantic City gaming market. As described in detail below in Section VI.C.1, competition among casino and hotel operators in the Atlantic City market is intense and increasing. Casino hotels in Atlantic City, as well as new casino operators opening in the surrounding markets, compete on the basis of customer service, quality and extent of amenities and promotional offers. This level of competition requires a significant amount of working capital to maintain a competitive advantage. Moreover, the casino hotels in Atlantic City that have recently made substantial investments in capital expenditures have generated significantly more revenue than those casino hotels that have not made investments to update their facilities. As a result, Beal Bank believes that the Debtors must make similar upgrades to their facilities to attract and retain customers.

Since the Debtors' first filed the Debtors' Plan, the Court terminated the Debtors' exclusive right to file and seek acceptances of a chapter 11 plan. As a consequence, the Ad Hoc Committee has filed the AHC Plan, a competing chapter 11 plan that provides a recovery to the holders of Second Lien Note Claims of approximately 1.1% in the form of common equity and rights to purchase additional equity. The AHC Disclosure Statement asserts a valuation range for the Debtors with a midpoint of \$499 million (approximately \$13.9 million more than the outstanding principal of the First Lien Lender Claims). Although Beal Bank disagrees with the Ad Hoc Committee's valuation (the "**AHC Valuation**"), Beal Bank has determined to adopt the AHC Valuation solely for the purpose of avoiding a costly valuation dispute. Consequently, Beal Bank has included an aggregate recovery in the Plan of approximately \$13.9 million for the holders of Second Lien Note Secured Claims and General Unsecured Claims to the extent that the value of the Second Lien Note Secured Claims is determined to be less than \$13.9 million in the form of New Common Stock in the Reorganized Debtors as well as, in the case of Eligible Holders, Subscription Rights to purchase additional New Common Stock and, in the case of non-Eligible Holders, Cash in the Subscription Rights Equivalent Amount.

The key terms of the Plan proposed by Beal Bank would, among other things:

- provide for a \$225 million Rights Offering to holders of Second Lien Note Secured Claims and General Unsecured Claims to purchase an equity stake of up to 32.452% in the Reorganized Debtors, with such Rights Offering being backstopped by Beal Bank (who will receive an the equity stake of approximately 3.829% in the Reorganized Debtors as a backstop fee in consideration for its agreement to provide financing in connection with the Plan);
- reduce Beal Bank's First Lien Lender Claims by \$100 million, to be paid from the Rights Offering Proceeds;
- convert the balance of Beal Bank's secured First Lien Lender Claims into an equity stake in the Reorganized Debtors of approximately 55.538% of the Reorganized Debtors; and
- provide for a distribution to holders of Second Lien Note Secured Claims and General Unsecured Claims to the extent that the value of the Second Lien Note Secured Claim is determined to be less than \$13.9 million of an aggregate equity stake in the Reorganized Debtors of approximately 2.010%

(a value of approximately \$13.9 million); *provided, however*, that if less than 50% of the equity interests offered through the Rights Offering are subscribed to by holders of Allowed Second Lien Note Secured Claims and Allowed General Unsecured Claims, such holders would receive their Pro Rata share of approximately \$13.9 million in Cash in lieu of the equity stake.

B. Summary of Classification and Treatment

The following table designates the Classes of claims against and equity interests in the Debtors and specifies which of those Classes are (i) impaired or unimpaired by the Plan, (ii) entitled to vote to accept or reject the Plan in accordance with section 1126 of the Bankruptcy Code, and (iii) deemed to reject the Plan. Classes designated with the letters A – J refer to Classes of Claims against each of the Debtors. The Classes designated 4A – 4E refer to Second Lien Note Claims against TER Holdings, Trump Marina Associates, LLC, TER Development Co., LLC, Trump Plaza Associates, LLC, and Trump Taj Mahal Associates, LLC.

Class	Designation	Treatment	Entitled to Vote	Estimated Recovery
1A-1J	Other Priority Claims	Unimpaired	No (deemed to accept)	100%
2A-2J	Other Secured Claims	Unimpaired	No (deemed to accept)	100%
3A-3J	First Lien Lender Claims	Impaired	Yes	Less than 100%
4A-4E	Second Lien Note Claims	Impaired	Yes	1.1%
5A-5J	General Unsecured Claims	Impaired	Yes	Less than 1.0%
6	Intercompany Claims	Unimpaired	No (deemed to accept)	No recovery
7	Section 501(b) Claims	Impaired	No (deemed to reject)	No recovery
8	TER Equity Interests	Impaired	No (deemed to reject)	No recovery
9	TER Holdings Equity Interests	Impaired	No (deemed to reject)	No recovery
10	Subsidiary Equity Interests	Impaired	No (deemed to reject)	No recovery

C. Description and Treatment of Unclassified Claims

Generally, the Plan provides for the payment in full of allowed (i) Administrative Expense Claims, (ii) claims for services rendered or reimbursement of expenses incurred by professionals under section 503(b) of the Bankruptcy Code and (iii) claims by taxing authorities that are entitled to priority under the Bankruptcy Code. The aggregate amount of these claims will depend, in part, on the length of the Reorganization Cases.

Allowed Administrative Expense Claims will either be paid in cash on the Effective Date or promptly after such claims become allowed. Administrative Expense Claims arising in the ordinary course of the Debtors' business operations will be paid in the ordinary course. According to the Debtors' Disclosure Statement, the Debtors estimate the amount of such claims through the end of October 2009 will be approximately \$90,986,000, which claims consist almost entirely of normal operating expenses of the Debtors' businesses, including without limitation, accounts payable, accrued payroll and related expenses, unredeemed chip and token

liabilities, and other gaming liabilities. In addition, according to the Debtors' Disclosure Statement, the Debtors estimate chapter 11 professional fees and expenses to be approximately \$13,600,000 for this same period. Delays in the case due to litigation, regulatory approvals, or unforeseen events could materially increase the amount of such claims.

Allowed Priority Tax Claims will either be paid in cash on the Effective Date (or after such claims become allowed) or in equal annual payments over five (5) years, together with applicable interest. According to the Debtors' Disclosure Statement, the Debtors estimate that the amount of such claims will be approximately \$5,862,000 and that such estimate does not include claims asserted by the State of New Jersey in the aggregate approximate amount of \$29 million related to the New Jersey Alternative Minimum Assessment for Trump Taj Mahal Associates, LLC, Trump Marina Associates, LLC and Trump Plaza Associates, LLC for tax years 2002 through 2006 (the "*NJ Tax Claims*"). The Debtors have stated that they generally (i) dispute the validity, amount, priority and extent of the NJ Tax Claims and (ii) to the extent that any of the NJ Tax Claims are valid, the Debtors believe such claims are General Unsecured Claims.

D. Description of Classified Claims

1. *Other Priority Claims (Class 1A through 1J).*

All other allowed claims having priority under the Bankruptcy Code will be paid in cash in full. According to the Debtors' Disclosure Statement, the Debtors are not aware of any other priority claims.

2. *Other Secured Claims (Classes 2A through 2J).*

Except to the extent a holder has agreed to different treatment, secured claims (other than First Lien Lender Claims, and Second Lien Note Secured Claims) will either receive the collateral securing such claims, receive cash equal to the value of such collateral, or have such claims reinstated. Such Claims include, without limitation, secured claims arising under or in connection with capital equipment leases, judicial liens, mechanic's liens and artisan's liens. According to the Debtors' Disclosure Statement, the Debtors estimate the total amount of such secured claims to be approximately \$6,019,480.

3. *First Lien Lender Claims (Classes 3A through 3J).*

The First Lien Lenders (or their successors, assigns or designees, as applicable) shall receive, in full satisfaction of the First Lien Lender Claims, (i) \$100,000,000 in Cash from the Rights Offering Proceeds, (ii) the First Lien Conversion Membership Interests, (iii) the Preferred Stock, (iv) all the Reorganized TER Common Stock, and (v) all of the equity interests in New Partner Co.

4. *Second Lien Note Secured Claims (Classes 4A through 4E).*

Holders of Allowed Second Lien Note Secured Claims shall receive, in full and final satisfaction of such Claims, their Pro Rata share of the (i) the Subscription Rights, and (ii) to the extent the Second Lien Note Secured Claims are Allowed, the Equity Distribution.

5. *General Unsecured Claims of the Debtors (Classes 5A through 5J).*

Holders of Allowed General Unsecured Claims shall receive, in full and final satisfaction of such Claims, their Pro Rata share (i) the Subscription Rights, and (ii) the Equity Distribution, if any, not distributed to holders of Allowed Second Lien Note Secured Claims.

6. *Intercompany Claims (Class 6).*

On or after the Effective Date, all Intercompany Claims will, (i) at the option of Reorganized TER Holdings, subject to the consent of the Beal Bank, (A) be preserved and reinstated, or (B) after setoff, be contributed on a net basis to the capital of the obligor, or (ii) with the mutual consent of both the obligor and the obligee (subject also to the consent of the New General Partner), be released, waived and discharged on and as of the Effective Date, *provided, however*, the (a) Intercompany Claims of TER or TCI 2 Holdings against Debtors other than TER and TCI 2 Holdings shall be released, waived and discharged unless otherwise agreed to in writing by BNAC and (b) holders of Intercompany Claims against Trump Marina Associates, LLC, TER Development Co., LLC, Trump Plaza Associates, LLC, and Trump Taj Mahal Associates, LLC shall not receive or retain any distribution or payment on account of such Claims.

7. *Section 510(b) Claims (Class 7).*

Holders of Section 510(b) Claims shall not receive or retain any distribution or payment on account of such Section 510(b) Claim. On the Effective Date, all such Section 510(b) Claims shall be discharged and extinguished.

8. *Equity Interests in TER (Class 8).*

The existing equity interests in TER will be cancelled.

9. *Equity Interests in TER Holdings (Class 9).*

Holders of the existing equity interests in TER Holdings shall not receive or retain any distribution or payment on account of such equity interests. The existing equity interests in TER Holdings will be cancelled.

10. *Subsidiary Equity Interests (Class 10).*

The Subsidiary Equity Interests will be cancelled.

**Transactions to be Consummated Under the Plan and
Certain Corporate and Securities Laws Matters**

A. Means of Implementation

The following is a summary of various key documents and transactions expected to be executed in connection with the restructuring under the Plan.

1. *Rights Offering.*

The Plan contemplates the contribution of \$225 million of new equity capital to NewCo in the form of a Rights Offering made to holders of Second Lien Note Secured Claims and holders of General Unsecured Claims, including holders of Second Lien Note Deficiency Claims, who have been determined by Beal Bank, based on information furnished by such holders in the Accredited Investor Form that they are required to fill out prior to the solicitation of the Plan or the Rights Offering, to be Accredited Investors. The Rights Offering will be backstopped by Beal Bank who has committed to purchase all of the equity stake in the Reorganized Debtors offered in the Rights Offering in the form of Membership Interests that is not otherwise subscribed for, in exchange for an effective allocation of 3.829% the Membership Interests in Reorganized TER Holdings. The terms of the Rights Offering are set forth below and in Section 5.3 of the Plan.

(a) ***Issuance of Subscription Rights.*** Each Eligible Holder shall be entitled to receive Subscription Rights entitling such participant to subscribe for up to its Rights Offering Pro Rata Share of the Rights Offering Stock. Eligible Holders shall have the right, but not the obligation, to participate in the Rights Offering as provided in the Plan. If, after the Rights Offering Record Date but at least five (5) calendar days prior to the Subscription Expiration Date, a holder of a Disputed Claim who otherwise would be an Eligible Holder, is permitted to participate in the Rights Offering as a result of a Bankruptcy Court order estimating such Claim for the purpose of determining such holder's Rights Participation Claim Amount, such holder shall be permitted to participate in the Rights Offering to the same extent as an Eligible Holder. For the avoidance of doubt, to the extent that a Disputed Claim becomes an Allowed Claim after the date that is five (5) calendar days prior to the Subscription Expiration Date, then the holder of such Claim shall not be entitled to any Rights Participation Claim Amount.

(b) ***Subscription Period.*** The Rights Offering shall commence on the Subscription Commencement Date and shall expire on the Subscription Expiration Date. Each Eligible Holder intending to participate in the Rights Offering must affirmatively elect to exercise its Subscription Rights, in whole or in part, on or prior to the Subscription Expiration Date. On the Effective Date, all Unsubscribed Shares shall cease to be available for subscription in the Rights Offering, and any exercise of such Subscription Rights after the Subscription Expiration Date (other than the purchase of shares by the Backstop Parties pursuant to the Backstop Agreement) shall be null and void and there shall be no obligation to honor any such purported exercise received by the Subscription Agent after the Subscription Expiration Date, regardless of when the documents relating to such exercise were sent.

(c) ***Subscription Purchase Price.*** Each Rights Offering Participant choosing to exercise its Subscription Rights, in whole or in part, shall (i) be advised in writing by the Subscription Agent, as promptly as practicable following the Subscription Expiration Date, of the number of shares of Rights Offering Stock required to be purchased by such Rights Offering Participant as a result of such exercise and (ii) be required to pay such participant's Subscription Purchase Price for such shares of Rights Offering Stock not later than the Subscription Payment Date; provided, however, that no fractional shares of New Common Stock shall be issued pursuant to any exercise of Subscription Rights.

(d) ***Exercise of Subscription Rights.*** In order to exercise the Subscription Rights, each Eligible Holder must: (a) return a duly completed Subscription Form to the Subscription Agent so that such form is actually received by the Subscription Agent on or

before the Subscription Expiration Date, and (b) pay to the Subscription Agent (on behalf of NewCo) on or before the Subscription Payment Date such holder's Subscription Purchase Price in accordance with the wire instructions set forth on the Subscription Form or by bank or cashier's check delivered to the Subscription Agent as specified in the Subscription Form. If the Subscription Agent for any reason does not receive from a given holder of Subscription Rights (a) a duly completed Subscription Form on or prior to the Subscription Expiration Date, and (b) immediately available funds in an amount equal to such holder's Subscription Purchase Price on or prior to the Subscription Payment Date, such holder shall be deemed to have relinquished and waived its right to participate in the Rights Offering and any shares that such holder could have purchased upon its valid exercise of Subscription Rights shall be deemed to be Unsubscribed Shares. The payments made in accordance with the Rights Offering shall be deposited and held by the Subscription Agent in an interest-bearing trust account, or similarly segregated account or accounts which shall be separate and apart from the Subscription Agent's general operating funds and any other funds subject to any lien or similar encumbrance and which segregated account or accounts will be maintained for the purpose of holding the money for administration of the Rights Offering until the Effective Date. The Subscription Agent shall not use such funds for any other purpose prior to such date and shall not encumber or permit such funds to be encumbered with any lien or similar encumbrance.

Each Rights Offering Participant may exercise all or any portion of such holder's Subscription Rights pursuant to the Subscription Form, but the exercise of any Subscription Rights shall be irrevocable and shall obligate the exercising Rights Offering Participant to purchase the applicable shares of New Common Stock and to pay the Subscription Purchase Price for such shares on or prior to the Subscription Payment Date. In order to facilitate the exercise of the Subscription Rights, on the Subscription Commencement Date, a Subscription Form will be mailed to each Eligible Holder together with appropriate instructions for the proper completion, due execution and timely delivery of the Subscription Form. As promptly as practicable following the Subscription Expiration Date, the Subscription Agent will deliver to each Rights Offering Participant that has validly exercised its Subscription Rights in whole or in part a written statement specifying the number of shares of the Rights Offering Stock to be purchased by such Rights Offering Participant as a result of such exercise of Subscription Rights and the applicable Subscription Purchase Price for such shares as well as instructions for the payment of the applicable Subscription Purchase Price to the Subscription Agent prior to the Subscription Payment Date.

(e) ***Rights Offering Procedures.*** Notwithstanding anything contained herein to the contrary, Beal Bank may modify the procedures relating to the Rights Offering or adopt such additional detailed procedures consistent with the provisions of Section 5.3 of the Plan to more efficiently administer the exercise of the Subscription Rights.

(f) ***Transfer Restriction; Revocation.*** The Subscription Rights shall not be transferable. Any such transfer or attempted transfer will be null and void, and no purported transferee will be treated as the holder of, or permitted to exercise any Subscription Rights. Once a Rights Offering Participant has properly exercised its Subscription Rights, such exercise will not be permitted to be revoked.

(g) ***Rights Offering Information.*** The Subscription Agent shall give the Backstop Parties by e-mail and electronic facsimile transmission written notification setting forth either (i) a true and accurate calculation of the number of Unsubscribed Shares, and the aggregate Subscription Purchase Price therefor (a "Purchase Notice") or (ii) in the absence of any

Unsubscribed Shares, the fact that there are no Unsubscribed Shares and that the Backstop Commitments are terminated (a "Satisfaction Notice") as soon as practicable after the Subscription Payment Date (and, in any event, no later than four (4) Business Days prior to the Effective Date). In addition, the Subscription Agent shall notify the Backstop Parties, on each Friday during the Subscription Period and on each Business Day during the five (5) Business Days prior to the Subscription Expiration Date (and any extensions thereto), or more frequently if requested by the Backstop Parties, of the aggregate number of Subscription Rights known by the Subscription Agent to have been exercised pursuant to the Rights Offering as of the close of business on the preceding Business Day or the most recent practicable time before such request, as the case may be. The Subscription Agent shall determine the number of Unsubscribed Shares, if any, in good faith, and provide each of the Backstop Parties with a Purchase Notice or a Satisfaction Notice that accurately reflects the number of Unsubscribed Shares as so determined.

(h) ***Distribution of the New Common Stock.*** In accordance with Section 5.4 of the Plan, NewCo or the Subscription Agent on behalf of NewCo shall distribute the Rights Offering Stock purchased by each Rights Offering Participant that has properly exercised, and paid the Subscription Price for, its Subscription Rights to such holder. If the exercise of a Subscription Right would result in the issuance of a fractional share of New Common Stock, then the number of shares of New Common Stock to be issued in respect of such Subscription Right will be calculated to one decimal place and rounded up or down to the closest whole share (with a half share rounded up). The total number of the shares of New Common Stock that may be purchased pursuant to the Rights Offering shall be adjusted as necessary to account for the rounding provided for in this paragraph.

(i) ***Subscription for Membership Interests by NewCo.*** Subject to the terms and conditions of the Backstop Agreement, without prejudice to the rights of NewCo to seek later an upward or downward adjustment if the number of Unsubscribed Shares in the Purchase Notice is inaccurate, NewCo will subscribe for and purchase in accordance with Section 5.4 of the Plan a number of Membership Interests of Reorganized TER Holdings representing 32.452% of the outstanding Membership Interests on a Fully Diluted Basis, which amount shall be reduced pro rata depending on the number of Subscribed Shares, in consideration for payment of an amount equal to the Rights Offering Proceeds by NewCo to Reorganized TER Holdings. Delivery of such Membership Interests will be made to the account of NewCo at 10:00 a.m., New York City time, on the date specified in Section 5.4 of the Plan against payment of an amount equal to the Rights Offering Proceeds in immediately available funds to an account specified by Reorganized TER Holdings at least 24 hours in advance of the Effective Date. Such Membership Interests will be delivered with any and all issue, stamp, transfer or similar taxes or duties payable in connection with such delivery duly paid by the Debtors or the Reorganized Debtors to the extent required under the Confirmation Order or applicable law.

(j) ***Rights Offering Backstop.*** Subject to the terms and conditions of the Backstop Agreement, without prejudice to the rights of the Backstop Parties to seek later an upward or downward adjustment if the number of Unsubscribed Shares in the Purchase Notice is inaccurate, each of the Backstop Parties, severally and not jointly, will subscribe for and purchase, directly or indirectly, through one or more of its affiliates in accordance with Section 5.4 of the Plan, the Backstop Membership Interests in consideration for payment of the Backstop Purchase Price to Reorganized TER Holdings. Delivery of the Backstop Membership Interests will be made to the accounts of the respective Backstop Parties (or to such other accounts as the Backstop Parties may designate) at 10:00 a.m., New York City time, on date specified in Section

5.4 of the Plan against payment of the Backstop Purchase Price in immediately available funds to an account specified by Reorganized TER Holdings at least 24 hours in advance of the Effective Date. The Backstop Membership Interests will be delivered with any and all issue, stamp, transfer or similar taxes or duties payable in connection with such delivery duly paid by the Debtors or the Reorganized Debtors to the extent required under the Confirmation Order or applicable law. Notwithstanding anything contained herein to the contrary, the Backstop Parties, in their sole discretion, may designate that some or all of the Backstop Membership Interests be issued in the name of, and delivered to, one or more of their affiliates.

(k) ***Backstop Allocation.*** In accordance with Section 5.4 of the Plan, the Backstop Parties, directly or indirectly, through one or more of its affiliates shall receive the Backstop Allocation to be allocated in the manner set forth in the Backstop Agreement.

(l) ***Disputed Claims.*** For all purposes of this Section 5.3 of the Plan, each Rights Offering Participant is entitled to participate in the Rights Offering solely to the extent of its Rights Participation Claim Amount, if any.

(m) ***Recalculation as of the Subscription Date.*** The Rights Participation Claims Amount and Rights Offering Pro Rata Share of each Rights Offering Participant shall be recalculated on the Subscription Expiration Date to account for any allowances or disallowances, as applicable, of General Unsecured Claims or Second Lien Note Secured Claims prior to the day that is five (5) Business Days prior to the Subscription Expiration Date and each properly exercising holder of a General Unsecured Claim or Second Lien Note Secured Claim under the Rights Offering shall only be entitled to purchase the amount of New Common Stock so calculated on such date.

(n) ***Subsequent Adjustments.*** If as a result of allowances prior to the fifth (5th) Business Day preceding the Subscription Expiration Date of General Unsecured Claims or Second Lien Note Secured Claim for purposes of participating in the Rights Offering, more than all of the New Common Stock subject to the Rights Offering has been subscribed for as a result of the exercise of the Subscription Rights, the New Common Stock subscribed for by each properly subscribing Rights Offering Participant shall be reduced on a pro rata basis based upon the number of shares of New Common Stock properly subscribed for by such participant.

(o) ***Validity of Exercise of Subscription Rights.*** All questions concerning the timeliness, viability, form and eligibility of any exercise of Subscription Rights shall be determined by the Subscription Agent as directed by Beal Bank, whose good faith determinations shall be final and binding. The Subscription Agent as directed by Beal Bank, in its discretion, may waive any defect or irregularity, or permit a defect or irregularity to be corrected within such times as they may determine, or reject the purported exercise of any Subscription Rights. Subscription Forms shall be deemed not to have been received or accepted until all irregularities have been waived or cured within such time as the Subscription Agent with the consent of Beal Bank determines. The Subscription Agent will use commercially reasonable efforts to give notice to any Rights Offering Participants regarding any defect or irregularity in connection with any purported exercise of Subscription Rights by such participant and, may permit such defect or irregularity to be cured within such time as the Subscription Agent with the consent of Beal Bank may determine in good faith to be appropriate; provided, however, that neither Beal Bank nor the Subscription Agent shall incur any liability for failure to give such notification. Within five (5) days after the Voting Deadline, the Subscription Agent shall file

with the Bankruptcy Court a report regarding the results of the Rights Offering including a list identifying all those Subscription Forms deemed rejected due to defect or irregularity.

(p) ***Indemnification of Backstop Parties.*** Upon entry of the Confirmation Order, the Debtors or the Reorganized Debtors, as the case may be (in such capacity, the “Indemnifying Parties”) shall indemnify and hold harmless the Backstop Parties and each of their respective affiliates, members, partners, officers, directors, employees, agents, advisors, controlling persons and professionals (each an “Indemnified Person”) from and against any and all losses, claims, damages, liabilities and reasonable expenses, joint or several, to which any such Indemnified Person may become subject arising out of or in connection with any claim, challenge, litigation, investigation or proceeding (each, an “Action”) with respect to the Rights Offering, the Backstop Agreement, the Plan or the transactions contemplated hereby or thereby, including without limitation, distribution of the Backstop Allocation, distribution of the Subscription Rights, the purchase and sale of New Common Stock in the Rights Offering and purchase and sale of Unsubscribed Shares pursuant to the Backstop Agreement, regardless of whether any of such Indemnified Persons is a party thereto, and to reimburse such Indemnified Persons for any reasonable legal or other reasonable out-of-pocket expenses as they are incurred in connection with investigating, responding to or defending any of the foregoing, provided that the foregoing indemnification will not, as to any Indemnified Person, apply to losses, claims, damages, liabilities or expenses to the extent that they are finally judicially determined to have resulted from gross negligence or willful misconduct on the part of such Indemnified Person. If for any reason the foregoing indemnification is unavailable to any Indemnified Person or insufficient to hold it harmless, then the Indemnifying Parties shall contribute to the amount paid or payable by such Indemnified Person as a result of such loss, claim, damage, liability or expense in such proportion as is appropriate to reflect not only the relative benefits received by the Indemnifying Parties on the one hand and such Indemnified Person on the other hand but also the relative fault of the Indemnifying Parties, on the one hand, and such Indemnified Person, on the other hand, as well as any relevant equitable considerations. The Indemnifying Parties also agree that no Indemnified Person shall have any liability based on their exclusive or contributory negligence or otherwise to the Indemnifying Parties, any person asserting claims on behalf of or in right of any of the Indemnifying Parties, or any other person in connection with or as a result of the Rights Offering or the transactions contemplated thereby, except as to any Indemnified Person to the extent that any losses, claims, damages, liability or expenses incurred by the Debtors are finally judicially determined to have resulted from gross negligence or willful misconduct of such Indemnified Person in performing the services that are the subject of the Backstop Agreement. The indemnity and reimbursement obligations of the Indemnifying Parties described in Section 5.3(p) of the Plan shall be in addition to any liability that the Indemnifying Parties may otherwise have to an Indemnified Person and shall be binding upon and inure to the benefit of any successors, assigns, heirs and personal representatives of the Indemnifying Parties and any Indemnified Person.

Promptly after receipt by an Indemnified Person of notice of the commencement of any claim, litigation, investigation or proceeding relating to the Backstop Agreement or any of the transactions contemplated thereby (“Proceedings”), such Indemnified Person will, if a claim is to be made hereunder against the Indemnifying Parties in respect thereof, notify the Indemnifying Parties in writing of the commencement thereof; provided that (i) the omission so to notify the Indemnifying Parties will not relieve it from any liability that it may have hereunder except to the extent it has been materially prejudiced by such failure and (ii) the omission so to notify the Indemnifying Parties will not relieve it from any liability that it may have to an Indemnified

Person otherwise than on account of the provisions described in Section 5.3(p) of the Plan. In case any such Proceedings are brought against any Indemnified Person and it notifies the Indemnifying Person of the commencement thereof, if the Indemnifying Parties commits in writing to fully indemnify and hold harmless the Indemnified Person with respect to such Proceedings without regard to whether the Effective Date occurs, the Indemnifying Parties will be entitled to participate in such Proceedings, and, to the extent that it may elect by written notice delivered to such Indemnified Person, to assume the defense thereof, with counsel reasonably satisfactory to such Indemnified Person, provided that if the defendants in any such Proceedings include both such Indemnified Person and the Indemnifying Parties and such Indemnified Person shall have concluded that there may be legal defenses available to it that are different from or additional to those available to the Indemnifying Parties, such Indemnified Person shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such Proceedings on behalf of such Indemnified Person. Upon receipt of such indemnification commitment from the Indemnifying Parties and notice from the Indemnifying Parties to such Indemnified Person of its election so to assume the defense of such Proceedings and approval by such Indemnified Person of counsel, the Indemnifying Parties shall not be liable to such Indemnified Person for expenses incurred by such Indemnified Person in connection with the defense thereof (other than reasonable costs of investigation) unless (i) such Indemnified Person shall have employed separate counsel in connection with the assertion of legal defenses in accordance with the proviso to the next preceding sentence (it being understood, however, that the Indemnifying Parties shall not be liable for the expenses of more than one separate counsel, approved by the Requisite Investors (as defined in the Backstop Agreement), representing the Indemnified Persons who are parties to such Proceedings), (ii) the Indemnifying Parties shall not have employed counsel reasonably satisfactory to such Indemnified Person to represent such Indemnified Person at the Indemnifying Parties' expense within a reasonable time after notice of commencement of the Proceedings, or (iii) the Indemnifying Parties shall have authorized in writing the employment of counsel for such Indemnified Person.

Each Indemnifying Party agrees that it will not settle or compromise or consent to the entry of any judgment in, or otherwise seek to terminate any pending or threatened Action in respect of which indemnification or contribution may be sought hereunder (whether or not any Indemnified Person is a party to such Action) unless the Indemnified Person has given its prior written consent, or the settlement, compromise, consent or termination (i) includes an express unconditional release of such Indemnified Person from the party bringing such Action and (ii) does not include any admission of fault on the part of any Indemnified Person. The Indemnifying Party shall not be liable for any settlement of any Action effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the Indemnified Person from and against any loss or liability by reason of such settlement or judgment.

(q) ***Additional Information Regarding the Backstop Agreement.***

Pursuant to the Backstop Agreement, each of the Backstop Parties has agreed, among other things, subject to the terms and conditions stated therein, to timely vote or cause to be voted its claims arising under the First Lien Credit Agreement held by such Backstop Parties to accept the Plan, and not to consent to, or otherwise directly or indirectly support, solicit, assist, encourage or participate in the formulation of, any restructuring or reorganization of the Debtors (or any plan or proposal in respect of the same) other than the Plan. The Backstop Agreement further provides for a prohibition against the sale, transfer, loan, hypothecation, assignment or disposition (including by participation), in whole or in part, any of the claims under the First Lien Credit

Agreement or any option thereon or any right or interest therein, unless the transferee agrees to comply with certain obligations specified in the Backstop Agreement. However, the Backstop Agreement provides that the Backstop Commitment of any Backstop Party cannot be assigned or transferred (subject to section 11(a) of the Backstop Agreement).

In addition, the obligations of the Backstop Parties are subject to the satisfaction of certain conditions (unless waived in writing by the Backstop Parties), including (among others) the following:

- The Backstop Parties shall have approved in writing (i) the Plan; (ii) prior to filing with the Bankruptcy Court, the Confirmation Order, which shall be consistent in all material respects with the provisions of the Plan and otherwise reasonably satisfactory to the Backstop Parties; and (iii) prior to filing with the Bankruptcy Court, any amendments or supplements to any of the foregoing, to the extent any such amendment or supplement effects a material change to the Plan or the Confirmation Order or any change to the total amount of or conditions to the payments made or to be made under the Backstop Agreement, and such amendment or supplement shall otherwise be reasonably satisfactory to the Backstop Parties.
- (i) The Disclosure Statement, in a form satisfactory to the Backstop Parties, shall have been approved by the Bankruptcy Court pursuant to an order, in form and substance reasonably acceptable to the Backstop Parties, and such order shall have become a Final Order, (ii) the Plan shall have been confirmed by the Bankruptcy Court pursuant to the Confirmation Order, (iii) the Confirmation Order, in form and substance reasonably satisfactory to the Backstop Parties, shall have been entered by the Bankruptcy Court and shall be a Final Order, and (iv) the Bankruptcy Court shall have entered Final Order(s), which order may be the Confirmation Order, in form and substance satisfactory to the Backstop Parties in all respects.
- All conditions to confirmation and all conditions to the Effective Date set forth in the Plan shall have been satisfied in all material respects in accordance with the Plan (or waived in writing by the Backstop Parties) and the Effective Date shall have occurred not later than one-hundred fifty (150) calendar days after the entry of the Confirmation Order.
- The Rights Offering shall have been conducted and the Expiration Time shall have occurred.
- If the purchase of Unsubscribed Shares by the Backstop Parties pursuant to the Backstop Agreement is subject to the terms of the HSR Act, the applicable waiting period shall have expired or been terminated thereunder with respect to such purchase.
- TER Holdings and NewCo. shall have complied in all material respects with all obligations in the Plan to be performed by them prior to the Effective Date.

- All fees and other amounts required to be paid or reimbursed by TER Holdings and NewCo. to the Backstop Parties as of the Effective Date shall have been so paid or reimbursed.
- The Backstop Agreement shall not have been terminated by the Backstop Parties pursuant to the terms thereof.

Pursuant to the Backstop Agreement, the Backstop Parties may terminate the Backstop Agreement, by written notice to TER Holdings and NewCo, upon the occurrence of any of the following events (among others):

- At any time after January 16, 2010 if the Bankruptcy Court has not entered the Disclosure Statement Order on or prior to such date;
- At any time after February 28, 2010 if the Bankruptcy Court has not entered the Confirmation Order with respect to the Plan on or prior to such date;
- At any time after the date that is one-hundred fifty (150) calendar days after entry of the Confirmation Order, if the Effective Date with respect to the Plan has not occurred on or prior to such date;
- If the Bankruptcy Court shall have entered an order denying confirmation of the Plan, the Plan is terminated in accordance with its terms or the Confirmation Order is vacated or reversed and does not become a Final Order;
- Upon the failure of any of the conditions to the Backstop Agreement (including the conditions set forth above) to be satisfied when required to be satisfied;
- Upon the dismissal of any of the Reorganization Cases or the conversion of any of the Reorganization Cases from one under Chapter 11 to one under Chapter 7 of the Bankruptcy Code, or the Debtors file a motion or other pleading with the Bankruptcy Court seeking the dismissal or conversion of any of the Reorganization Cases;
- At any time, if the Bankruptcy Court (x) grants relief that is materially inconsistent with the Backstop Agreement or the Plan in any respect or (y) enters an order confirming any plan of reorganization other than the Plan; or

The Backstop Agreement provides that the Backstop Agreement may be amended, and the terms and conditions of the Backstop Agreement may be waived, only by a written instrument signed by the Backstop Parties and subject, to the extent required, to the approval of the Bankruptcy Court.

The foregoing summary of the terms of the Backstop Agreement is intended as a brief overview of certain provisions of the Backstop Agreement. Creditors are urged to review the definitive terms and conditions contained in the Backstop Agreement, which will be filed as a Plan Supplement. In the event of any inconsistency between the foregoing summary or this Disclosure Statement and the Backstop Agreement, the terms of the Backstop Agreement shall control.

2. *Provisions for Distributions of Plan Securities / Certain Corporate Restructurings.*

On the Effective Date, the following shall occur in the sequence provided below:

- All Claims other than the First Lien Lender Claims, any Claim not otherwise subject to discharge hereunder, and the Equity Interests in TER shall be discharged at 10:00 a.m. Eastern Time on the Effective Date.
- TER Holdings shall be converted to a limited liability company and shall become Reorganized TER Holdings and the equity interests of TER Holdings shall be cancelled in accordance with Section 4.9. Immediately after the cancellation of equity interests in TER Holdings in accordance with Section 4.9, Reorganized TER Holdings shall issue all Membership Interests to New Partner Co and Reorganized TER, such that New Partner Co and Reorganized TER shall hold all issued and outstanding Membership Interests. The conversion of TER Holdings into a limited liability company, the cancellation of equity interests in TER Holdings in accordance with Section 4.9, and the issuance of new Membership Interests in Reorganized TER Holdings immediately afterwards shall occur at 1:00 p.m. Eastern Time on the Effective Date.
- The books of TER Holdings shall be closed on the Effective Date for U.S. federal income tax purposes in accordance with Section 706 of the Internal Revenue Code, as of the close of business on the Effective Date, and any income from cancellation, discharge or retirement of indebtedness, including, without limitation, discharge of all Claims referred to in Section 5.4(a)(i), shall be allocated among the partners of TER Holdings prior to such discharge, in proportion to their interests in TER Holdings at the beginning of the Effective Date. The close of business of TER Holdings shall occur at 11:59 p.m. Eastern Time on the Effective Date.

Immediately on the first Business Day following the Effective Date (the “Second Closing Date”), the following shall occur in the sequence provided below:

- NewCo shall (A) issue any New Common Stock issuable to the holders of Allowed Second Lien Note Claims and holders of Allowed General Unsecured Claims pursuant to (a) the valid exercise of Subscription Rights in the Rights Offering, and (b) Sections 4.4 and 4.5 of this Plan on account of the Equity Distribution; and (B) contemporaneously with the acts taken in clause (A) and subject to the terms and conditions of the Backstop Agreement, NewCo will subscribe for and purchase on the Second Closing Date a number of Membership Interests of Reorganized TER Holdings representing 32.452% of the outstanding Membership Interests on a Fully Diluted Basis, which amount shall be reduced pro rata depending on the number of Subscribed Shares, in consideration for

payment of an amount equal to the Rights Offering Proceeds by NewCo to Reorganized TER Holdings.

- The distributions contemplated by Section 4.3 of the Plan shall be made in satisfaction of the First Lien Lenders Claims and Reorganized TER Holdings shall issue Membership Interests to the Backstop Parties pursuant to the terms of the Backstop Agreement.

Upon completion of the foregoing transactions, each of Reorganized TER and New Partner Co (each as designees of Beal Bank) shall hold Membership Interests representing 0.5% of the outstanding Membership Interests on a Fully Diluted Basis on and after the Second Closing Date.

Additionally, upon completion of the foregoing transactions, New Partner Co (as designee of Beal Bank) shall hold the Preferred Stock on and after the Second Closing Date, and shall own 100% of the Reorganized TER Common Stock.

For the avoidance of doubt, the aggregate purchase price for the Backstop Membership Interests, the Backstop Allocation, the Membership Interests held by Reorganized TER and New Partner Co, and the First Lien Conversion Membership Interests shall be the aggregate amount of the First Lien Lender Claims plus the Backstop Purchase Price minus \$100,000,000.

3. *Cash Distribution.*

In addition to the above-described distributions of securities by the Reorganized Debtors and NewCo, the Plan contemplates that the Debtors will make one definite distribution of Cash and one potential distribution of Cash. In particular, in accordance with Section 5.4 of the Plan, NewCo shall pay \$100,000,000 in Cash to Beal Bank from the Rights Offering Proceeds. If, however, less than 50% of the Rights Offering Stock is subscribed to by holders of Allowed Second Lien Note Secured Claims and Allowed General Unsecured Claims, at Beal Bank's election, then all such holders will receive their Pro Rata share of \$13,937,300 in lieu of New Common Stock under the Equity Distribution.

Except as otherwise provided in this Plan or the Confirmation Order, all Cash necessary for the Reorganized Debtors to make payments required pursuant to the Plan will be obtained from the Reorganized Debtors' Cash balances, including Cash from operations and the proceeds of the Rights Offering. All such payments will be made by the Reorganized Debtors.

4. *Resulting Equity Interests.*

The following is a summary of the ownership of Membership Interests in Reorganized TER Holdings following the completion of each transaction and restructuring that the Plan contemplates will occur on the Effective Date assuming that the Rights Offering is (i) fully subscribed or (ii) wholly unsubscribed and Beal Bank determines that the Debtors shall pay the Equity Distribution and not exercise its election to distribute Cash in lieu of New Common Stock:

Fully Subscribed	Wholly Unsubscribed
---------------------	------------------------

NewCo	34.462%	2.010%
Beal Bank (or its designee(s))	65.638%	97.990%
New Partner Co	0.500%	0.500%
Reorganized TER	0.500%	0.500%

In addition, in connection with the Plan, all of the New Common Stock in NewCo will be issued to holders of Second Lien Note Secured Claims and holders of General Unsecured Claims. New Partner Co shall own all of the Reorganized TER Common Stock. Beal Bank or its designee(s) will hold all of the equity interests in New Partner Co.

On the Effective Date all Subsidiary Equity Interests in existence on the Commencement Date will be cancelled and will be replaced by new Subsidiary Equity Interests so as to maintain the legal existence and organizational structure of the Debtor Subsidiaries existing on the date immediately prior to the Effective Date. The maintenance of this structure does not represent a distribution of value on account of the Subsidiary Equity Interests in existence on the Commencement Date.

B. Conditions Precedent

The transactions described in Section III.A. above are subject to various conditions precedent, including:

- all actions, documents and agreements necessary to implement and consummate the Plan, including, without limitation, all actions, documents and agreements necessary to implement the Rights Offering, entry into the documents contained in the Plan Supplement, and entry into the Amended Organizational Documents, each in form and substance reasonably satisfactory to Beal Bank, and the transactions and other matters contemplated thereby, shall have been effected or executed;
- the Confirmation Order, in form and substance reasonably acceptable to Beal Bank, shall have been entered, and there shall have been no modification or stay of the Confirmation Order or entry of other court order prohibiting transactions contemplated by the Plan from being consummated;
- the Debtors shall have received all authorizations, consents, regulatory approvals, rulings, letters, no-action letters, opinions or documents necessary to implement the Plan and that are required by law, regulation or order;
- the Debtors shall have distributed the Backstop Membership Interests and the Backstop Fee to the Backstop Parties in accordance with the terms and conditions in the Backstop Agreement;
- the Debtors shall have paid in full in Cash all unpaid fees and expenses of Beal Bank incurred in connection with the Reorganization Cases, including any fees and expenses incurred in connection with the transactions contemplated by the Backstop Agreement, owing under the Final Cash Collateral Order or otherwise;

- all conditions to the Backstop Agreement, including without limitation, that the Rights Offering shall have been conducted and the Subscription Expiration date shall have occurred, that the Rights Offering Stock and Backstop Membership Interests shall be validly issued, that any waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 shall have expired or been terminated thereunder, no breaches or violations by NewCo or Reorganized TER Holdings, and no judgment, decree or other legal impediment to closing shall have occurred; and
- (i) the prior receipt by Beal Bank and its affiliates of any and all required approvals or consents of the transactions contemplated by this Plan from all necessary state and federal governmental agencies and authorities upon terms and conditions satisfactory to Beal Bank; (ii) the expiration of all applicable waiting periods; and (iii) the approvals referenced in this subsection (g) and the transactions contemplated by this Plan not having been contested or threatened to be contested by any federal or state governmental authority.

Beal Bank believes that, other than casino approval, there are no regulatory issues that could adversely affect the Plan.

As holding companies of New Jersey casino licensees, TER and TER Holdings are subject to regulation by the New Jersey Casino Control Commission (the “*NJ CCC*”). The restructuring as proposed in the Plan, including the restructuring of the first lien obligations of TER and affiliates, requires certain approvals be obtained from the NJ CCC. In order to acquire the equity interest in TER Holdings as proposed in the Plan, BNAC, Beal Bank and Beal Bank Nevada, as well as certain newly formed entities directly and/or indirectly owned by BNAC (collectively, the “*New Qualifiers*”), will be required to qualify as holding companies or entity qualifiers of casino licensees Trump Taj Mahal Associates, LLC, Trump Plaza Associates, LLC and Trump Marina Associates, LLC in accordance with the New Jersey Casino Control Act (the “*Casino Act*”) and the regulations promulgated thereunder. Further, individual officers and directors of the New Qualifiers may also be required to qualify to the standards for Casino Key Employees under the Casino Act, unless such qualification is waived. Similarly, any financial backer of a casino project, may be required to qualify as a financial source, unless qualification is waived.

BNAC and its affiliates have filed a petition with the NJ CCC seeking declaratory rulings as to the status as either holding companies or entity qualifiers of each of the New Qualifiers and identification of the officers and directors of such companies would be required to be qualify, and waiver of Beal Financial Corp. as a holding company or entity qualifier (the “*BNAC Petition*”). [The Debtors will file a petition with the NJ CCC seeking approval of the restructuring in accordance with the Plan, qualification of the New Qualifiers in accordance with the BNAC Petition, qualification or waiver of the officers and directors of the New Qualifiers and a finding of financial stability following consummation of the Plan.] Each of the New Qualifiers and the officers and directors required to qualify have filed or will file completed disclosure forms as required by the NJ CCC. While the Debtors cannot be certain that the approvals, qualifications and waivers sought will be granted by the NJ CCC, the Debtors have no reason to believe that they will be denied.

Beal Bank anticipates that the Effective Date will occur in January 2010. However, a January, 2010 Effective Date may be delayed due to litigation relating to the Beal Bank's Plan, the AHC Plan and/or any delays in the receipt of approvals from the NJ CCC.

C. Corporate Action

On the Effective Date, all matters provided for in the Plan that would otherwise require approval of the stockholders, directors, general or limited partners, or members of one or more of the Debtors, the Reorganized Debtors, NewCo, or New Partner Co, including without limitation, the authorization to (i) issue or cause to be issued the New Common Stock, the interests in New Partner Co, the Preferred Stock and the Reorganized TER Common Stock, and (ii) documents and agreements to be effectuated pursuant to the Plan, including the Backstop Agreement, the election or appointment as the case may be, of directors and officers of the Reorganized Debtors pursuant to the Plan and the Amended Organizational Documents, and the qualification of each of the Reorganized Debtors and NewCo as a foreign corporation or entity wherever the conduct of business by such entity requires such qualification shall be deemed to have occurred and shall be in effect from and after the pursuant to the applicable general corporation, limited partnership or limited liability company law of the states in which the Debtors or the Reorganized Debtors are organized, without any requirement of further action by the stockholders, directors, general or limited partners, or members of the Debtors or the Reorganized Debtors.

D. Securities Law Matters

Under the Plan, any New Common Stock issued in connection with the Equity Distribution to Holders of Allowed Second Lien Note Secured Claims and Holders of Allowed General Unsecured Claims and the related Membership Interests issued to NewCo in connection therewith (collectively, the "**1145 Securities**") will be issued without registration under the Securities Act of 1933 (the "**Securities Act**") or any similar federal, state, or local law in reliance upon the exemption set forth in section 1145(a)(1) of the Bankruptcy Code. Under the Plan, the Subscription Rights and the Rights Offering Stock to be issued to Rights Offering Participants pursuant to the exercise of Subscription Rights, the Preferred Stock and the Backstop Membership Interests will be issued without registration under the Securities Act or any similar federal, state, or local law in reliance upon section 4(2) of the Securities Act or Regulation D promulgated thereunder. All shares of Rights Offering Stock and Preferred Stock and the Backstop Membership Interests issued pursuant to the exemption from registration set forth in section 4(2) of the Securities Act or Regulation D promulgated thereunder will be considered "restricted securities" and may not be transferred except pursuant to an effective registration statement under the Securities Act or an available exemption therefrom. The New Common Stock will also be subject to additional restrictions on transfer so as not to subject NewCo to registration and reporting requirements under the Securities Exchange Act of 1934, as amended (the "**Exchange Act**"). No Membership Interests held by NewCo, including any that are 1145 Securities, may be transferred by NewCo.

1. Section 1145 of the Bankruptcy Code.

Section 1145(c) of the Bankruptcy Code provides that securities issued pursuant to a registration exemption under section 1145(a)(1) of the Bankruptcy Code are deemed to have been issued pursuant to a public offering. Therefore, the securities issued pursuant to a section 1145 exemption may generally be resold by any holder thereof without registration under the

Securities Act pursuant to the exemption provided by section 4(1) thereof, unless the holder is an “underwriter” with respect to such securities, as such term is defined in section 1145(b)(1) of the Bankruptcy Code. In addition, such securities generally may be resold by the recipients thereof without registration under state securities or “blue sky” laws pursuant to various exemptions provided by the respective laws of the individual states. However, recipients of securities issued under the Plan are advised to consult with their own counsel as to the availability of any such exemption from registration under federal securities laws and any relevant state securities laws in any given instance and as to any applicable requirements or conditions to the availability thereof.

Section 1145(b)(1) of the Bankruptcy Code defines an “underwriter” for purposes of the Securities Act as one who, subject to certain exceptions, (a) purchases a claim with a view to distribution of any security to be received in exchange for such claim, or (b) offers to sell securities offered or sold under the plan for the holders of such securities, or (c) offers to buy securities issued under the plan from the holders of such securities, if the offer to buy is made with a view to distribution of such securities, and if such offer is under an agreement made in connection with the plan, with the consummation of the plan or with the offer or sale of securities under the plan, or (d) is an issuer, as used in section 2(11) of the Securities Act, with respect to such securities.

The term “issuer,” as used in section 2(11) of the Securities Act, includes any person directly or indirectly controlling or controlled by, an issuer of securities, or any person under direct or indirect common control with such issuer. “Control” (as defined in Rule 405 under the Securities Act) means the possession, direct or indirect, of the power to direct or cause the direction of the policies of a person, whether through the ownership of voting securities, by contract, or otherwise. Accordingly, an officer or director of a reorganized debtor or its successor under a plan of reorganization may be deemed to be “in control” of such debtor or successor, particularly if the management position or directorship is coupled with ownership of a significant percentage of the reorganized debtor’s or its successor’s voting securities. Moreover, the legislative history of section 1145 of the Bankruptcy Code suggests that a creditor who owns at least ten percent (10%) of the voting securities of a reorganized debtor may be presumed to be a “control person.”

To the extent that persons deemed “underwriters” receive securities under the Plan pursuant to the exemption from registration set forth in section 1145 of the Bankruptcy Code, resales of such securities would not be exempted by section 1145 of the Bankruptcy Code from registration under the Securities Act or other applicable law. Holders of such securities may, however, be able, at a future time and under certain conditions described below, to sell such securities without registration pursuant to the resale provisions of Rule 144 and Rule 144A under the Securities Act.

2. *Section 4(2) of the Securities Act/Regulation D.*

Section 4(2) of the Securities Act provides that the issuance of securities by an issuer in transactions not involving any public offering will be exempt from registration under the Securities Act. Regulation D is a non-exclusive safe harbor promulgated by the United States Securities and Exchange Commission under the Securities Act related to, among others, section 4(2) of the Securities Act.

The term “issuer,” as used in section 4(2) of the Securities Act, means, among other things, a person who issues or proposes to issue any security. Securities issued pursuant to

the exemption provided by section 4(2) of the Securities Act or Regulation D promulgated thereunder are considered “restricted securities.” As a result, resales of such securities may not be exempt from the registration requirements of the Securities Act or other applicable law. Holders of such restricted securities may, however, be able, at a future time and under certain conditions described below, to sell such restricted securities without registration pursuant to the resale provisions of Rule 144 and Rule 144A under the Securities Act.

3. *Resales of New Common Stock/Rule 144 and Rule 144A.*

To the extent that persons who receive 1145 Securities are deemed to be “underwriters” (collectively, the “***Restricted Holders***”), resales of such securities by Restricted Holders would not be exempted by section 1145 of the Bankruptcy Code from registration under the Securities Act or other applicable law. Restricted Holders would, however, be permitted to sell New Common Stock without registration if they are able to comply with the applicable provisions of Rule 144 under the Securities Act, as described further below, or if such securities are registered with the Commission. Any person who is an “underwriter” but not an “issuer” with respect to an issue of securities (other than a holder of restricted securities) is, in addition, entitled to engage in exempt “ordinary trading transactions” within the meaning of section 1145(b)(1) of the Bankruptcy Code.

Persons who receive and exercise Subscription Rights and purchase Rights Offering Stock pursuant to the exemption from registration set forth in section 4(2) of the Securities Act or Regulation D promulgated thereunder, and persons who receive Backstop Membership Interests pursuant to the Backstop Agreement or Preferred Stock, will hold “restricted securities.” Resales of such restricted securities would not be exempted by section 1145 of the Bankruptcy Code from registration under the Securities Act or other applicable law. Holders of restricted securities would, however, be permitted to resell New Common Stock without registration if they are able to comply with the applicable provisions of Rule 144 or Rule 144A under the Securities Act, as described further below, or if such securities are registered with the Commission.

Under certain circumstances, Restricted Holders and holders of restricted securities may be entitled to resell their securities pursuant to the limited safe harbor resale provisions of Rule 144. Generally, Rule 144 provides that if certain conditions are met (*e.g.*, that the availability of current public information with respect to the issuer, volume limitations, and notice and manner of sale requirements), specified persons who resell restricted securities or who resell securities which are not restricted but who are “affiliates” of the issuer of the securities sought to be resold, will not be deemed to be “underwriters” as defined in section 2(11) of the Securities Act. Rule 144 provides that: (i) a non-affiliate who has not been an affiliate during the preceding three months may resell restricted or other securities after a six-month holding period if at the time of the sale there is current public information regarding the issuer and after a one year holding period if there is not current public information regarding the issuer at the time of the sale; and (ii) an affiliate may sell restricted or other securities after a six-month holding period if at the time of the sale there is current public information regarding the issuer, and also may sell restricted or other securities after a one-year holding period whether or not current public information regarding the issuer at the time of the sale, provided that in each case the affiliate otherwise complies with the volume, manner of sale and notice requirements of Rule 144.

Rule 144A provides a non-exclusive safe harbor exemption from the registration requirements of the Securities Act for resales to certain “qualified institutional buyers” of

securities that are “restricted securities” within the meaning of the Securities Act, irrespective of whether the seller of such securities purchased its securities with a view towards reselling such securities, if certain other conditions are met (*e.g.*, the availability of information required by paragraph 4(d) of Rule 144A and certain notice provisions). Under Rule 144A, a “qualified institutional buyer” is defined to include, among other persons, “dealers” registered as such pursuant to section 15 of the Exchange Act, and entities that purchase securities for their own account or for the account of another qualified institutional buyer and that, in the aggregate, own and invest on a discretionary basis at least \$100 million in the securities of unaffiliated issuers. Subject to certain qualifications, Rule 144A does not exempt the offer or sale of securities that, at the time of their issuance, were securities of the same class of securities then listed on a national securities exchange (registered as such pursuant to section 6 of the Exchange Act) or quoted in a United States automated inter-dealer quotation system.

Certificates evidencing 1145 Securities received by Restricted Holders or by a holder that Beal Bank determines is an underwriter within the meaning of section 1145 of the Bankruptcy Code, and certificates evidencing securities issued pursuant to the exemption from registration set forth in section 4(2) of the Securities Act or Regulation D promulgated thereunder, will bear a legend substantially in the form below:

“THE SECURITIES EVIDENCED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “ACT”), OR APPLICABLE STATE SECURITIES LAWS (“STATE ACTS”) AND MAY NOT BE SOLD, ASSIGNED, PLEDGED OR TRANSFERRED OR OTHERWISE DISPOSED OF UNLESS THERE IS AN EFFECTIVE REGISTRATION STATEMENT UNDER THE ACT OR STATE ACTS COVERING SUCH SECURITIES OR THE SECURITIES ARE SOLD AND TRANSFERRED IN A TRANSACTION THAT IS EXEMPT FROM OR NOT SUBJECT TO THE REGISTRATION AND PROSPECTUS DELIVERY REQUIREMENTS OF SUCH ACT.

Any holder of a certificate evidencing shares of New Common Stock bearing such legend may present such certificate to the transfer agent for the share of New Common Stock for exchange for one or more new certificates not bearing such legend or for transfer to a new holder without such legend at such times as (i) such shares are sold pursuant to an effective registration statement under the Securities Act or (ii) in the case of shares issued under the Plan pursuant to the exemption from registration set forth in section 1145 of the Bankruptcy Code, such holder delivers to the Reorganized Debtors an opinion of counsel reasonably satisfactory to the Reorganized Debtors to the effect that such shares are no longer subject to the restrictions applicable to “underwriters” under section 1145 of the Bankruptcy Code or (iii) such holder delivers to the Reorganized Debtors an opinion of counsel reasonably satisfactory to the Reorganized Debtors to the effect that such shares are no longer subject to the restrictions pursuant to an exemption under the Securities Act and such shares may be sold without registration under the Securities Act, in which event the certificate issued to the transferee will not bear such legend.

In addition, all New Common Stock will bear such legends as are required by state gaming laws and regulations.

WHETHER OR NOT ANY PARTICULAR PERSON WOULD BE DEEMED TO BE AN “UNDERWRITER” OF SECURITIES TO BE ISSUED PURSUANT TO THE PLAN OR AN “AFFILIATE” OF THE REORGANIZED DEBTORS WOULD DEPEND UPON VARIOUS FACTS AND CIRCUMSTANCES APPLICABLE TO THAT PERSON.

ACCORDINGLY, BEAL BANK, THE DEBTORS AND THE REORGANIZED DEBTORS EXPRESS NO VIEW AS TO WHETHER ANY SUCH PERSON WOULD BE SUCH AN “UNDERWRITER” OR AN “AFFILIATE.” IN VIEW OF THE COMPLEX, SUBJECTIVE NATURE OF THE QUESTION OF WHETHER A PARTICULAR PERSON MAY BE AN UNDERWRITER OR AN AFFILIATE OF THE REORGANIZED DEBTORS, BEAL BANK, THE DEBTORS AND THE REORGANIZED DEBTORS MAKE NO REPRESENTATIONS CONCERNING THE RIGHT OF ANY PERSON TO TRADE IN SECURITIES OF THE REORGANIZED DEBTORS. ACCORDINGLY, BEAL BANK RECOMMENDS THAT POTENTIAL RECIPIENTS OF ANY SECURITIES TO BE ISSUED PURSUANT TO THE PLAN CONSULT THEIR OWN COUNSEL CONCERNING WHETHER THEY MAY FREELY TRADE SUCH SECURITIES.

4. *Additional Restrictions on Transfer*

As a result of the transactions provided for herein, the number of record holders of New Common Stock and Preferred Stock will be less than 500 in the aggregate and NewCo will therefore not be required to file reports with the SEC under the Exchange Act because it will not have a class of equity securities with 500 or more “holders of record” (as understood for purposes of Section 12(g) of the Exchange Act).

The New Common Stock will be subject to restrictions on transfer to prevent NewCo from becoming a “reporting company” under the Exchange Act. Specifically, no holder of shares of New Common Stock shall transfer any such shares to any person, nor shall NewCo effect the transfer of any shares of New Common Stock to any person, if, at the time of such transfer, NewCo has more than four hundred fifty (450) record holders of New Common Stock in the aggregate, or if the Board of Directors of NewCo reasonably determines that such transfer would, if effected, result in NewCo having more than four hundred fifty (450) holders of record of New Common Stock in the aggregate.

IV.

Voting Procedures and Requirements

Detailed voting instructions are provided with the ballot accompanying this Disclosure Statement. For purposes of the Plan, only Class 3A-3J, Class 4A-4E and 5A-5J are entitled to vote. If your claim is not in one of these Classes, you are not entitled to vote on the Plan and you will not receive a ballot with this Disclosure Statement. If your claim is in one of these Classes, you should read your ballot and follow the listed instructions carefully. Please use only the ballot that accompanies this Disclosure Statement.

IF YOU HAVE ANY QUESTIONS CONCERNING THE BALLOT, YOU MAY CONTACT THE VOTING AGENT AT THE GARDEN CITY GROUP, INC., ATTN: TRUMP ENETERTAINMENT RESORTS, INC., P.O. BOX 9000 #6517, MERRICK, NEW YORK 11566-9000, TEL: (866) 396-9680

A. *Vote Required for Acceptance by a Class*

Under the Bankruptcy Code, acceptance of a Plan by creditors in a class of claims is determined by calculating the number and the amount of claims voting to accept, based

on the actual total allowed claims voting. Acceptance by a class of creditors requires an affirmative vote of more than one-half of the total allowed claims voting and two-thirds in amount of the total allowed claims voting.

B. Classes Not Entitled to Vote

Under the Bankruptcy Code, creditors are not entitled to vote on, and are deemed to have accepted, the Plan if their contractual rights are left unimpaired by the Plan. In addition, classes of claims or interests that are not entitled to receive property under the Plan are not entitled to vote on, and deemed not to have accepted the Plan. Based on this standard, for example, the holders of other priority claims are not being affected by the Plan and thus deemed to have accepted the Plan. Conversely, holders of equity interests in TER, for example, are not entitled to vote on, and are deemed not to have accepted, the Plan because they are not receiving any property under the Plan.

C. Voting

In order for your vote to be counted, your vote must be actually received by the Voting Agent at the following address before the Voting Deadline.

Voting Agent For Voting Classes 3A-3J, 4A-4E and 5A-5J:

**The Garden City Group, Inc.
Attn: Trump Entertainment Resorts, Inc.
P.O. Box 9000 #6517
Merrick, New York 11566-9000
Tel: (866) 396-9680**

If your vote is received by the Voting Agent after the Voting Deadline, the Debtors, in their sole discretion will decide whether or not your vote will be counted.

If the instructions on your ballot require you to return the ballot to your bank, broker, or other nominee, or to their agent, you must deliver your ballot to them in sufficient time for them to process it and return it to the Voting Agent before the Voting Deadline. If a ballot is damaged or lost, you may contact the Voting Agent at the number set forth above. Any ballot that is executed and returned but which does not indicate an acceptance or rejection of the Plan will not be counted.

Financial Information, Projections, Marketing Efforts, and Valuation Analysis

Solely for purposes of providing a distribution for Allowed Second Lien Note Secured Claims and Allowed General Unsecured Claims as set forth in the Plan, and in order to avoid a lengthy and expensive litigation process in these cases, Beal Bank refers to the valuation analysis prepared by the Ad Hoc Committee in connection with the AHC Plan (the "**AHC Valuation Analysis**"), which estimates the range of reorganization value of the Debtors to be approximately \$464 million to \$534 million (with a midpoint value of \$499 million) as of September 17, 2009. The AHC Valuation Analysis, as contained in Section V of the disclosure statement for the AHC

Plan is annexed hereto as Exhibit B. The AHC Valuation incorporates by reference the projections prepared by the Debtors in connection with the Debtors' Plan and the Debtors' Disclosure Statement (the "*Debtors' Projections*"). The Debtors' Projections, as contained in Section V of the Debtors' Disclosure Statement, are annexed hereto as Exhibit C.

VI.

General Information

A. Description of Debtors

1. *Corporate Structure and Business.*

TER is a publicly-held company and general partner of TER Holdings, which owns the operating casino entities. The predecessor entity to TER was Trump Hotels & Casino Resorts, Inc. ("*THCR*"). THCR was incorporated in Delaware in March 1995 and became a public company in June 1995. Like TER, THCR and its affiliates and subsidiaries owned and operated three casino hotel properties in Atlantic City, New Jersey: Trump Taj Mahal Resort, Trump Plaza Casino, and Trump Marina Casino. In addition, THCR and its affiliates and subsidiaries owned and operated casino properties in California and Indiana.

TER's common stock began trading on the Nasdaq Stock Market under the ticker symbol "TRMP" in September 20, 2005. On February 17, 2009, TER received a notification from the Nasdaq Stock Market indicating that it had determined, in accordance with Nasdaq Marketplace Rules, that TER's common stock would be delisted from the Nasdaq Stock Market in light of the filing of the Reorganization Cases, concerns about the residual equity interest of the existing listed security holders and concerns about TER's ability to sustain compliance with all of Nasdaq's listing requirements. Trading in TER common stock was suspended on February 26, 2009. On March 12, 2009, Nasdaq announced that it would file a Form 25 with the SEC to complete the delisting. The delisting was effective on March 22, 2009.

According to the Debtors, as of August 3, 2009, the outstanding equity of TER consisted of (i) 31,715,876 shares of common stock (with approximately 2,864 holders of record of TER common stock) and (ii) 900 shares of TER's class B common stock. Further, according to the Debtors, the issued and outstanding shares of class B common stock are held by Mr. Trump and have the voting equivalency of 1,407 shares of TER common stock. TER's principal assets consist of its general and indirect limited partnership interests in TER Holdings which holds, through its subsidiaries, substantially all of the assets of the Debtors' businesses. TER Holdings is currently owned by TER as General Partner (with an aggregate percentage interest of approximately 99.98814%), TER's wholly owned subsidiary TCI 2, a Limited Partner (with an aggregate percentage interest of approximately 0.00461%), and ACE Entertainment Holdings, Inc., also a Limited Partner and an affiliate of Mr. Trump (with an aggregate percentage interest of approximately 0.00725%). TER Holdings also owns 100% of several other limited liability company debtors.

As the sole general partner of TER Holdings, TER generally has the exclusive rights, responsibilities and discretion as to the management and control of TER Holdings and its subsidiaries.

For more information about TER and its business reference is made to TER's 2008 Form 10-K and Second Quarter Form 10-Q, attached hereto as Exhibit D and Exhibit E, respectively. Additional information regarding revenues and year-over-year financial performance can be found at the NJ CCC website: www.state.nj.us/casinos/.

2. History and Prior Bankruptcy Proceedings.

On November 21, 2004, THCR, together with 28 affiliates and subsidiaries (collectively, the "**2004 Debtors**"), filed voluntary chapter 11 petitions in the United States Bankruptcy Court for the District of New Jersey (Case No. 04-46898 (JHW)) (Jointly Administered) (the "**2004 Chapter 11 Cases**"), as part of a conceptually agreed upon plan.

On April 5, 2005, the United States Bankruptcy Court for the District of New Jersey entered an order confirming the Debtors' Second Amended Joint Plan of Reorganization (the "**Prior Plan**"), which became effective on May 20, 2005 (the "**Prior Effective Date**"). Upon the Prior Effective Date, all material conditions to the Prior Plan were satisfied and the 2004 Debtors emerged from chapter 11 as the Debtors. Pursuant to the Prior Plan, the 2004 Debtors were recapitalized and renamed, certain subsidiaries were merged and/or dissolved, indebtedness was consolidated and debt service was substantially reduced.

The Debtors' current capital structure arises from the Prior Plan. The Debtors implemented a 1,000 for 1 reverse stock split of THCR's common stock such that each 1,000 shares of THCR common stock immediately prior to the reverse stock split were consolidated into one share of common stock of the reorganized debtor, TER, resulting in the distribution of approximately 19,944 shares of TER common stock (approximately 0.05% on a fully diluted basis for holders other than Mr. Trump), in aggregate, to holders of THCR common stock. Holders of THCR common stock received approximately \$0.88 for each share of THCR common stock owned by each holder, an aggregate of \$17.5 million, and also obtained a pro rata share of the net proceeds from the sale of the former World's Fair site in Atlantic City, a total of \$25.2 million. All options to acquire THCR common stock were cancelled, and holders (other than Mr. Trump) of THCR common stock also received Class A Warrants to purchase up to approximately 2,207,260 shares of TER common stock (approximately 5.34% on a fully diluted basis). The Class A Warrants were either exercised by or converted to shares under the Prior Plan on May 22, 2006.

On the Prior Effective Date, TER Holdings and Trump Entertainment Resorts Funding, Inc. ("**TER Funding**") issued \$1.25 billion aggregate principal amount of 8.5% Senior Secured Notes due 2015 (the "**Second Lien Notes**") in connection with the Prior Plan. In addition, the Debtors implemented a debt restructuring whereby pro rata distributions of cash, Senior Secured Notes, or TER common stock were made to: (i) holders of \$1.3 billion aggregate principal amount of 11.25% First Mortgage Notes of Trump Atlantic City Associates, Trump Atlantic City Funding, Inc., Trump Atlantic City Funding, II, Inc. and Trump Atlantic City Funding, III, Inc.; (ii) holders of approximately \$435 million aggregate principal amount of 11.625% First Priority Mortgage Notes due 2010 of Trump Casino Holdings, LLC and Trump Casino Funding, Inc.; and (iii) holders of \$54.6 million aggregate principal amount of 17.625% of Second Priority Notes due 2010 of Trump Casino Holdings, LLC.

The Debtors also entered into a \$500 million secured credit facility on the Prior Effective Date with a syndicate of bank lenders (the "**2005 Credit Facility**"). The proceeds from the 2005 Credit Facility were used to repay up to \$100 million in debtor in possession financing

that the 2004 Debtors had obtained on November 22, 2004 during the 2004 Chapter 11 Cases. The 2005 Credit Facility was secured by substantially all assets of the Debtors, and senior in priority to the Senior Secured Notes.

On December 21, 2007, the Debtors entered into a \$493.3 million secured credit facility, which was amended in March 2008, May 2008, and October 2008 (the “**2007 Credit Facility**”), the proceeds of which were used to repay all amounts outstanding under the 2005 Credit Facility and \$6.6 million of associated transaction costs.

B. Prepetition Capital Structure of the Debtors

The capital structure of the Debtors consists primarily of equity and secured notes. According to the Debtors, as of August 3, 2009, the outstanding equity of TER consisted of (i) 31,715,876 publicly traded shares of common stock (with approximately 2,864 holders of record of TER common stock) and (ii) nine hundred (900) shares of TER’s class B common stock owned by Mr. Trump and representing the right to vote 1,407 shares of TER common stock.

In addition, TER and TER Holdings have consolidated long term debt under the 2007 Credit Facility of approximately \$493,250,000. As of June 30, 2009, the total amount outstanding under the 2007 Credit Facility was \$486,293,000. The 2007 Credit Facility matures on December 21, 2012 and must be repaid during the final year of the loans in equal quarterly amounts, subject to amortization of approximately 1.0% per year prior to the final year. Borrowings under the 2007 Credit Facility are secured by a first priority security interest in and lien on substantially all of the assets of TER Holdings and its operating subsidiaries, and the guaranty of TER.

In addition, TER Holdings and TER Funding have consolidated long term debt under the Senior Secured Notes of approximately \$1,250,000,000 in principal amount due June 1, 2015. The Senior Secured Notes were used to pay distributions under the Prior Plan. The Senior Secured Notes bear interest at 8.5% per annum. The obligations under the Senior Secured Notes are secured by second mortgages on the Debtors’ real property, certain intellectual property rights, and related personal property, all subordinate to liens securing amounts borrowed under the 2007 Credit Facility and certain other permitted prior liens. In addition, Mr. Trump has provided a guaranty of up to \$250,000,000 of the Second Lien Notes under certain terms and conditions (the “**Guaranty**”). See “Item 13 – Certain Relationships and Related Transactions – Debt Guarantee” in the 2008 Form 10-K which is attached hereto as Exhibit D.

According to the Debtors, as of June 30, 2009, the Debtors’ books and records reflected accounts payable due and owing in the approximate amount of \$12,104,000, plus an additional \$69,000 in costs for construction in progress, an additional estimated \$19,295,000 for other vendors (such as utilities) who have not provided invoices to the Debtors for services and products already provided. Total trade debt was approximately \$31,468,000. In addition, according to the Debtors, the Debtors are obligated for approximately \$6,019,000 for leases and other ordinary course financings arrangements.

C. Events Leading to the Commencement of the Reorganization Cases

According to the Debtors, the Debtors’ operating results during 2008 and 2009 have been affected by various factors, including most significantly the competition in nearby or adjoining states and general and significant weakening of the economy. Further, the Debtors

have stated that they believe other factors affecting performance included the pending sale of the Trump Marina Casino (as described below) and smoking restrictions under local legislation.

1. *Competition.*

The Atlantic City market primarily serves the New York-Philadelphia-Baltimore-Washington D.C. corridor with nearly 30 million adults living within a three-hour driving radius. The Atlantic City market is the second largest gaming market in the United States, after Las Vegas. In 2008, the casinos in the Atlantic City market generated \$4.5 billion in casino revenue. The Debtors' three casinos combined comprise approximately 21% of the gaming positions and 21% of the hotel rooms in the Atlantic City market and generate approximately 21% of the market gaming revenue.

The Debtors have indicated that competition in Atlantic City is intense and increasing. At the present time, the 11 casino hotels located in Atlantic City, including the Debtors' three properties, compete with each other on the basis of customer service, quality and extent of amenities and promotional offers. For this reason, the Debtors and their competitors require substantial capital expenditures to compete effectively.

For the quarter ended June 30, 2009, gross gaming revenues in the Atlantic City market (as reported to the NJ CCC) compared to the same quarter in 2008 decreased 14.5% overall, while slot revenues decreased 14.8%. For the quarter ended June 30, 2009, the Debtors experienced a 15.5% decrease in overall gross gaming revenue and a 14.0% decrease in slot revenue at their three properties, compared to the prior-year period.

For the six months ended June 30, 2009, gross gaming revenues in the Atlantic City market (as reported to the NJ CCC) decreased 15.3% overall, while slot revenues decreased 15.9% compared to the six months ended June 30, 2008. For the six months ended June 30, 2009, the Debtors experienced a 14.0% decrease in overall gross gaming revenue and a 14.9% decrease in slot revenue at their three properties compared to the prior year period.

Beginning in late 2006 and continuing in 2007, several new gaming properties debuted in Pennsylvania that have introduced over 9,000 new slot machines within the Debtors' competitive marketplace. Importantly, these new facilities are located in close proximity to the Debtors' significant customer base in southeastern Pennsylvania, and this convenience factor is proving quite persuasive to particular segments of the Debtors' customers. Furthermore, the City of Atlantic City imposed a partial smoking ban that took effect in April 2007 that mandated each Atlantic City casino designate at least seventy-five percent of its gaming area smoke-free.

As a result of these developments, in 2007, the Atlantic City gaming industry experienced its first year-over-year revenue decline since the first casino opened its doors in 1978. The effect of new competition from Pennsylvania and the partial smoking ban implemented by the City of Atlantic City was broad. From the city's largest property to its smallest, the financial effects of the recent market changes have been widespread and have continued. This decline was repeated in 2008, and in fact economic conditions exacerbated such decline.

2. *Regulatory and Licensing.*

On April 15, 2007, an ordinance in Atlantic City became effective which extended smoking restrictions under the New Jersey Smoke-Free Air Act. The Atlantic City ordinance mandated that casinos restrict smoking to designated areas of up to 25% of the casino floor. During April 2008, Atlantic City's City Council unanimously approved an amendment to the Atlantic City ordinance which bans smoking entirely on all casino gaming floors and casino simulcasting areas, but allows smoking in separately exhausted, non-gaming smoking lounges. The amendment to the ordinance became effective on October 15, 2008, however, on October 27, 2008, Atlantic City's City Council voted to postpone the full smoking ban for at least one year due to, among other things, the weakened economy and increased competition in adjoining states. The postponement of the full smoking ban went into effect on November 16, 2008. While the Debtors have asserted in the Debtors' Disclosure Statement that they are unable to quantify the impact of the smoking restrictions, the Debtors have also stated that they believe that the smoking restrictions have negatively impacted their gaming revenues and income from operations as their competition in adjacent states continues to permit smoking. Although the Debtors constructed a smoking lounge on the casino floor at each of their properties as permitted by the ordinance, the Debtors have stated that they believe their gaming revenues and income from operations were negatively affected by the full smoking ban and that a future complete ban on smoking in casino and casino simulcasting areas could further adversely affect their results.

In addition, the gaming industry is highly regulated and the Debtors must maintain their casino licenses and pay gaming taxes in order to continue their gaming operations. For more information about the regulation of the gaming industry, reference is made to Exhibit 99.1 to the Form 10-K for the fiscal year ended December 31, 2008: Description of Certain Governmental and Gaming Regulations, attached hereto as Exhibit G.

3. *Default Under the Second Lien Notes and Negotiations with Noteholder Advisors.*

As a result of the above factors, the Debtors' cash flow suffered. TER Holdings and TER Funding did not make the interest payment due December 1, 2008 on the Second Lien Notes. From that date forward, the Debtors and their representatives pursued discussions with certain holders of the Second Lien Notes and their representatives regarding a possible negotiated restructuring of the Debtors' capital structure. The Debtors efforts to negotiate a restructuring proved unsuccessful.

Following their commencement of these Reorganization Cases, the Debtors received several proposals from the Ad Hoc Committee, on the one hand, and Beal Bank and Mr. Trump, on the other, regarding restructuring alternatives. A discussion of the AHC Plan is set forth below in Section XI. B (Alternative Plan). According to the Debtors, in considering and comparing these restructuring alternatives, the Debtors, including their management and respective boards, considered numerous factors, including which option would maximize the value of the estates' assets for creditors, and certainty of consummation. In addition, the Debtors have stated that they considered the extensive marketing and sale efforts that they had conducted with the assistance of Lazard, their financial advisors. After such processes, the senior management recommended, and the Board eventually resolved, that the restructuring alternative that provided for an additional investment of \$100 million by Beal Bank and Mr. Trump represented the best available approach to maximize the value of the Debtors' assets for creditors. The Purchase Agreement was amended on October 5, 2009, to provide for an additional investment by Beal Bank and Mr. Trump in the aggregate amount of approximately \$13.9 million, for a total aggregate investment of approximately \$113.9 million. In addition, the

proposal of the Beal Bank and Mr. Trump provides the Debtors with licensing rights to use certain “Trump” trademarks and Mr. Trump’s likeness, as well as provides for agreements under which Mr. Trump would provide marketing and promotional services, and present certain business opportunities, to the Debtors and would refrain from engaging in certain activities that are competitive with the Debtors’ businesses. Accordingly, the Debtors have stated that they determined the pursuit of the transactions described in the Debtors Disclosure Statement is in the best interests of the estates. Accordingly, on July 22, 2009, the Debtors decided to proceed with the proposals put forth by Beal Bank and Mr. Trump. As set forth in Section XI. B (Alternative Plan) of this Disclosure Statement, however, since the Debtors determined to move forward with the Debtors’ Plan, material developments have occurred in these Reorganization Cases.

4. *The Florida Litigation and Pending Sale of the Trump Marina Casino.*

As set forth in further detail in Exhibit D, one of the Debtors, Trump Entertainment Resorts Development Company, LLC, is a plaintiff in litigation pending in Florida (the “*Florida Litigation*”) against Richard Fields (“*Fields*”) and Coastal Development, LLC, Power Plant Entertainment, LLC, the Cordish Company, Native American Development, LLC and Joseph Weinberg (collectively, the “*Defendants*”). The suit alleges a conspiracy among the Defendants pursuant to which Fields, a former consultant for the negotiation and development of Trump properties, used his relationship with the Debtors and/or Mr. Trump to partner with the Seminole Indian Tribe of Florida to develop and open two Hard Rock hotel and casino properties in Florida. The Debtors have stated that they believe the lawsuit to be an asset of the estate, but for many reasons, including that discovery and trial on liability and damages have been bifurcated, they are unable to value the asset at this time. The Defendants did not assert counterclaims in the Florida Litigation and did not file any proofs of claims against any of the Debtors in the Reorganization Cases. Several of the Defendants contend that they have future contingent claims against the Debtors relating to the litigation, most particularly claims for attorneys’ fees under Florida law. The Bankruptcy Court has ruled that the attorney fee claims are prepetition claims (although any unaccrued malicious prosecution claim is not). Several Defendants, who admit making a decision not to file proof of claims in Bankruptcy Court, have appealed the Bankruptcy Court’s ruling. In addition, one of the Defendants and an affiliate have filed an adversary complaint against the Debtors alleging claims arising from a failed prepetition settlement of the Florida Litigation (described below). The Debtors have stated that they believe the Bankruptcy Court’s ruling was correct and that the adversary complaint has no merit.

As a part of a prepetition settlement of the Florida Litigation, on May 28, 2008, Trump Marina Associates, LLC, d/b/a Trump Marina Hotel Casino entered into an Asset Purchase Agreement (the “*APA*”) to sell the Trump Marina Casino to Coastal. On October 28, 2008, the parties entered into an amendment to the APA to modify certain terms and conditions of the APA. The closing was subject to the satisfaction of certain conditions, including receipt of approvals from New Jersey governmental authorities and this Court. On May 28, 2009, the APA terminated as a result of the buyer’s inability to close.

According to the Debtors, since the termination of Coastal’s most recent proposal, Coastal submitted written non-binding indications of interest on June 9, 2009 and July 16, 2009 describing certain terms under which it would acquire the Trump Marina Casino. The Debtors have stated, however, that such terms have been unacceptable to the Debtors and that the Debtors continue to explore with Coastal their interest in pursuing a purchase of the Marina property. On July 28, 2009, Coastal filed an adversary proceeding against the Debtors in the

Bankruptcy Court seeking to recover certain deposits relating to the APA. In addition, the Ad Hoc Committee and Coastal have both suggested that potential causes of action may exist and be asserted against Donald and Ivanka Trump, including without limitation, for Mr. Trump's role in the negotiations surrounding the sale of the Trump Marina Casino.

5. Mr. Trump's Abandonment of his Limited Partnership Interests in TER Holdings.

As disclosed in the Debtors' 2008 Form 10-K, annexed hereto as Exhibit D, by letter dated February 13, 2009, Mr. Trump purportedly notified TER that he had abandoned any and all of his 23.5% direct limited partnership interest in TER Holdings and relinquished any and all rights under the Fourth Amended and Restated Agreement of Limited Partnership of TER Holdings (the "**Partnership Agreement**") or otherwise with respect to TER Holdings and Mr. Trump's limited partnership interest. That same day, Donald and Ivanka Trump resigned as members of the board of directors of TER Inc., pursuant to written letters of resignation. Pursuant to the terms of the Partnership Agreement, the prior written consent of TER, as the general partner of TER Holdings, is required for a limited partner to withdraw from TER Holdings. According to the Debtors, TER did not consent to a withdrawal by Mr. Trump from TER Holdings. Accordingly, at the time of Mr. Trump's abandonment, the Debtors reserved all rights and remedies against Mr. Trump with respect thereto. Since the time that Mr. Trump notified TER that he was abandoning his partnership interest, the Debtors have stated that they have determined that such action will have no material effect on the Debtors, financial or otherwise.

6. Examiner.

On August 11, 2009, the Ad Hoc Committee filed a Motion to Appoint an Examiner Pursuant to Section 1104(c) of the Bankruptcy Code. On September 15, 2009, the Bankruptcy Court entered an order (the "**Examiner Order**") approving the motion and directing the Examiner to "(a) investigate the negotiating process on the selection of the Beal/Trump plan, the considerations of the Debtors in terms of the desirability of that plan over the Ad Hoc Committee's plan, how that process went forward and the role of Mr. Trump in that context; and (b) otherwise perform, to the extent further directed by the Court upon notice and a hearing, such other duties as set forth in 11 U.S.C. § 1106(a)(3) and 11 U.S.C. § 1106(a)(4) of the Bankruptcy Code." In addition, the Bankruptcy Court ordered that the examiner shall, within ten (10) business days after entry of the Examiner Order, propose a work plan and provide his or her estimated costs to complete the investigation. On September 21, 2009, Michael St. Patrick Baxter, Esq. was appointed as the examiner.

VII.

Governance

A. Current Board of Directors, Management and Executive Compensation

For information about TER's current board of directors, management and executive compensation policies reference is made to the 2008 Form 10-K attached hereto as Exhibit D.

B. Reorganized TER Holdings

1. *Formation and Name.*

On the Effective Date or as soon thereafter as is practicable, the Reorganized Debtors may change their name(s) to such name(s) that may be determined in accordance with applicable law.

2. *Board of Managers.*

The board of managers of Reorganized TER Holdings shall be comprised of seven (7) managers. The board of managers shall include (i) two (2) managers appointed by NewCo and selected by the holders of a majority of the New Common Stock if 90% or more of the Rights Offering Stock is subscribed for, or (ii) one (1) manager appointed by NewCo and selected by holders of a majority of the New Common Stock if more than half of the Rights Offering Stock, but less than 90%, is subscribed for. In any event, the remaining managers shall be selected by Beal Bank or its designee.

3. *Officers of Reorganized TER Holdings.*

The officers of TER immediately prior to the Effective Date will serve as the officers of Reorganized TER Holdings on the Effective Date. On and after the Effective Date, the officers of Reorganized TER Holdings will be determined by Reorganized TER Holdings's board of managers, provided that the following officers and employees of TER will be offered one year severance arrangements: Don Browne, John Burke, Mark Juliano, Rosalind Krause, Chris Latil, Loretta Pickus, Robert Pickus, James Rigot, Mark Sachais, and Franco Pilli.. Such agreements shall not contain change of control provisions or equity participation but shall contain a severance benefit equal to one year's salary triggered upon a termination without cause.

4. *Transfer of Membership Interests.*

Subject to any restrictions that apply under applicable securities laws, BNAC shall have the right to transfer or distribute any or all of the Membership Interests held by them respectively to any person or entity, or persons or entities. Neither NewCo nor Reorganized TER shall be permitted to transfer or distribute any Membership Interests that it holds.

C. NewCo

1. *Board of Directors.*

The board of directors of NewCo shall be comprised of three members selected in accordance with NewCo's Certification of Incorporation.

2. *Capital Stock.*

The capital stock of NewCo shall consist of New Common Stock and one share of Preferred Stock.

(a) New Common Stock.

The New Common Stock will be entitled to such dividends as may be declared and paid at such times and in such amounts as the board of directors of NewCo in its discretion shall determine. Upon the dissolution, liquidation or winding up of NewCo, the holders of New Common Stock shall be entitled to receive the assets of NewCo available for distribution to its stockholders ratably in proportion to the number of shares held by them. The holders of shares of New Common Stock will be entitled to one vote for each such share upon all matters and proposals presented to the stockholders on which the holders of New Common Stock are entitled to vote. In addition to any restrictions that apply under applicable securities laws, the New Common Stock will be subject to restrictions on transfer in order to prevent NewCo from being required to register the New Common Stock under the Exchange Act or otherwise become a reporting company.

(b) Preferred Stock.

In addition to New Common Stock, NewCo shall issue one share of Preferred Stock to BNAC. The Preferred Stock shall grant the holder thereof the right, among other things, to approve any amendment to NewCo's Amended Organizational Documents, take certain steps regarding the capital stock of NewCo, or merge or dissolve NewCo. The Preferred Stock shall (i) be transferable, at the option of New Partner Co, to any purchaser of Membership Interests representing more than 50% of the outstanding Membership Interests of Reorganized TER Holdings, and (ii) convert into one share of New Common Stock if (x) it is held by New Partner Co, together with its affiliates, no longer owns Membership Interests representing at least 10% of the outstanding Membership Interests of Reorganized TER Holdings, or (y) it is held by any other person or entity who, together with its affiliates, no longer owns Membership Interests representing at least 25% of the outstanding Membership Interests of Reorganized TER Holdings.

D. Continued Corporate Existence

Except as provided in the Plan, each Debtor will, as a Reorganized Debtor, continue to exist after the Effective Date as a separate corporation, partnership or limited liability company, with all of the powers of such entity under applicable law and without prejudice to any right to alter or terminate such existence (whether by merger, dissolution or otherwise) under applicable state law. Except as provided in the Plan, as of the Effective Date and in accordance with section 5.4 of the Plan, all property of the estate of a Debtor, and any property acquired by a Debtor or Reorganized Debtor under the Plan, will vest in such Reorganized Debtor, free and clear of all claims, liens, charges, other encumbrances and interests. On and after the Effective Date, each Reorganized Debtor may operate its business and may use, acquire and dispose of property and compromise or settle any claims without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules, other than those restrictions expressly imposed by the Plan or the Confirmation Order. On the Effective Date all mortgages, deeds of trust, liens, pledges, or other security interests against any property of the Debtors or their estates shall be fully released, terminated and discharged without further notice or action by the Debtors, Reorganized Debtors, holders of any such mortgages, deeds of trust, liens, pledges, or other security interests against any property of the Debtors or their estates, the Bankruptcy Court or any applicable federal, state or local governmental agency or department. Without limiting the foregoing, each Reorganized Debtor may pay the charges that it incurs on or after the Effective Date for professional fees and expenses, disbursements, expenses or related

support services (including fees relating to the preparation of professional fee applications) without application to, or approval of, the Bankruptcy Court.

The Plan may result in substantially all of the respective assets, properties, rights, liabilities, duties, and obligations of certain of the Reorganized Debtors vesting in one or more surviving, resulting, or acquiring corporations, partnerships or limited liability companies. In each case in which the surviving, resulting, or acquiring corporation, partnership or limited liability company in any such transaction is a successor to a Reorganized Debtor, such surviving, resulting or acquiring corporation, partnership or limited liability company will perform the obligations of the applicable Reorganized Debtor pursuant to the Plan, including among other things, to pay or otherwise satisfy the allowed claims against such Reorganized Debtor, except as provided in any contract, instrument, or other agreement or document effecting a disposition to such surviving, resulting, or acquiring corporation, partnership or limited liability company, which may provide that another entity will perform such obligations.

VIII.

Other Aspects of the Plan

A. Plan Supplement

The Plan Supplement will be filed with the Bankruptcy Court by no later than ten calendar days prior to the deadline set to file objections to confirmation of the Plan. All contents of the Plan Supplement are required to be in form and substance acceptable to the Agents and Beal Bank. Upon its filing with the Bankruptcy Court, the Plan Supplement may be inspected in the office of the Clerk of the Bankruptcy Court during normal court hours. Documents to be included in the Plan Supplement will be posted at www.terrecap.com as they become available, but no later than 10 calendar days prior to the deadline set to file objections to confirmation of the Plan.

B. Distributions

1. *Timing and Conditions of Distributions.*

(a) Distribution Record Date.

As of the close of business on the Distribution Record Date, the various transfer registers for each of the Classes of claims or equity interests as maintained by the Debtors, or their respective agents, shall be deemed closed, and there shall be no further changes in the record holders of any of the claims or equity interests. The Debtors or the Reorganized Debtors shall have no obligation to recognize any transfer of the claims or equity interests occurring on or after the Distribution Record Date.

(b) Postpetition Interest on Claims.

Except as required by applicable bankruptcy law, postpetition interest will not accrue on or after the Commencement Date on account of any claim.

(c) Date of Distributions.

Unless otherwise provided in the Plan, any distributions and deliveries to be made pursuant to the Plan will be made on the Effective Date unless another date is provided for Section 5.4 of the Plan. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on or as soon as reasonably practicable after the next succeeding Business Day, but will be deemed to have been completed as of the required date.

(d) Disbursing Agent.

All distributions hereunder shall be made by Reorganized TER Holdings (or such other entity designated by Reorganized TER Holdings), as Disbursing Agent, on or after the Effective Date or as otherwise provided in the Plan. A Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court, and, in the event that a Disbursing Agent is so ordered, all costs and expenses of procuring any such bond or surety shall be borne by Reorganized TER.

(e) Powers of Disbursing Agent.

The Disbursing Agent shall be empowered to (i) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties hereunder, (ii) make all distributions contemplated hereby, and (iii) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan of Reorganization.

(f) Surrender of Instruments.

As a condition to receiving any distribution under the Plan of Reorganization, each holder of a certificated instrument or note must surrender such instrument or note held by it to the Disbursing Agent or its designee. Any holder of such instrument or note that fails to (i) surrender such instrument or note, or (ii) execute and deliver an affidavit of loss and/or indemnity reasonably satisfactory to the Disbursing Agent and furnish a bond in form, substance, and amount reasonably satisfactory to the Disbursing Agent before the first anniversary of the Effective Date shall be deemed to have forfeited all rights and claims and may not participate in any distribution hereunder. Any distribution so forfeited shall become property of the Reorganized Debtors.

(g) Delivery of Distributions.

Subject to Bankruptcy Rule 9010, all distributions to any holder of an allowed claim shall be made to a Disbursing Agent, who shall transmit such distribution to the applicable holders of allowed claims in accordance with Section 5.4 of the Plan. In the event that any distribution to any holder is returned as undeliverable, the Disbursing Agent shall use reasonable efforts to determine the current address of such holder, but no distribution to such holder shall be made unless and until the Disbursing Agent has determined the then-current address of such holder, at which time such distribution shall be made to such holder without interest; *provided* that such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of one (1) year from the Effective Date. After such date, all unclaimed property or interest in property shall revert to the Reorganized Debtors, and the claim of any other holder to such property or interest in property shall be discharged and forever barred.

(h) Manner of Payment Under the Plan.

At the option of the Debtors, any cash payment to be made hereunder may be made by a check or wire transfer or as otherwise required or provided in applicable agreements.

(i) Allocations of Principal Between Principal and Interest.

To the extent that any allowed claim entitled to a distribution under the Plan of Reorganization is comprised of indebtedness and accrued but unpaid interest thereon, such distribution shall be allocated to the principal amount (as determined for federal income tax purposes) of the claim first, and then to accrued but unpaid interest.

(j) Setoffs.

The Debtors and the Reorganized Debtors may, but shall not be required to, set off against any claim (for purposes of determining the allowed amount of such claim on which distribution shall be made), any claims of any nature whatsoever that the Debtors or the Reorganized Debtors may have against the holder of such claim, but neither the failure to do so nor the allowance of any claim hereunder shall constitute a waiver or release by the Debtors or the Reorganized Debtors of any such claim the Debtors or the Reorganized Debtors may have against the holder of such claim; provided, however, that, subject to the Effective Date, the Debtors and the Reorganized Debtors shall not be permitted to setoff against any Allowed Claim held by (a) a Beal Bank or Mr. Trump or the distributions to be made pursuant to this Plan to Beal Bank or (b) any of the Agents or any First Lien Lender.

(k) Distributions After the Effective Date.

Distributions made after the Effective Date to holders of Disputed claims that are not allowed claims as of the Effective Date but which later become allowed claims shall be deemed to have been made on the Effective Date unless or as otherwise provided in Section 5.4 of the Plan.

(l) Allocation of Distributions Between Principal and Interest.

To the extent that any allowed claim entitled to a distribution under the Plan is comprised of indebtedness and accrued but unpaid interest thereon, such distribution shall be allocated to the principal amount (as determined for federal income tax purposes) of the claim first, and then to accrued but unpaid interest.

2. *Procedures for Treating Disputed Claims Under the Plan.*

(a) Disputed Claims.

A disputed claim is any claim that has not been allowed pursuant to the Plan or a final order of the Bankruptcy Court, and

a. if no proof of claim has been filed by the applicable deadline: (i) a claim that has been or hereafter is listed on the schedules as disputed, contingent or unliquidated; or (ii) a claim that has been or hereafter is listed on the schedules as other than disputed, contingent or unliquidated, but as to which the Debtors or Reorganized Debtors or any

other party in interest has interposed an objection or request for estimation which has not been withdrawn or determined by a final order of the Bankruptcy Court; or

b. if a proof of claim or request for payment of an Administrative Expense Claim has been filed by the applicable deadline: (i) a claim for which no corresponding claim has been or hereafter is listed on the schedules; (ii) a claim for which a corresponding claim has been or hereafter is listed on the schedules as other than disputed, contingent or unliquidated, but the nature or amount of the claim as asserted in the proof of claim varies from the nature and amount of such claim as listed on the schedules; (iii) a claim for which a corresponding claim has been or hereafter is listed on the schedules as disputed, contingent or unliquidated; or (iv) a claim for which a timely objection or request for estimation is interposed by the Debtors, the Reorganized Debtors or any other party in interest which has not been withdrawn or determined by a final order of the Bankruptcy Court.

(b) Distributions Relating to Disputed Claims.

At such time as a disputed claim becomes an allowed claim, the Disbursing Agent shall distribute to the holder of such claim, such holder's pro rata portion of the property distributable with respect to the Class in which such claim belongs. To the extent that all or a portion of a disputed claim is disallowed, the holder of such claim shall not receive any distribution on account of the portion of such claim that is disallowed and any property withheld pending the resolution of such claim shall be reallocated pro rata to the holders of allowed claims in the same class.

(c) Distributions after Allowance.

To the extent that a disputed claim becomes an allowed claim after the Effective Date, a distribution shall be made to the holder of such allowed claim in accordance with the provisions of the Plan of Reorganization. As soon as practicable after the date that the order or judgment of the Bankruptcy Court allowing any disputed claim becomes a final order of the Bankruptcy Court, the Disbursing Agent shall provide to the holder of such claim, the distribution to which such holder is entitled hereunder.

(d) Estimation of Claims.

The Reorganized Debtors may at any time request that the Bankruptcy Court estimate any contingent, unliquidated, or disputed claim pursuant to section 502(c) of the Bankruptcy Code regardless of whether the Debtor previously objected to such claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court will retain jurisdiction to estimate any claim at any time during litigation concerning any objection to any claim, including, without limitation, during the pendency of any appeal relating to any such objection. In the event that the Bankruptcy Court estimates any contingent, unliquidated, or disputed claim, the amount so estimated shall constitute either the allowed amount of such claim or a maximum limitation on such claim, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on the amount of such claim, the Reorganized Debtors may pursue supplementary proceedings to object to the allowance of such claim. All of the aforementioned objection, estimation, and resolution procedures are intended to be cumulative and not exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn, or resolved by any mechanism approved by the Bankruptcy Court.

(e) Objections to Claims.

The Reorganized Debtors shall be entitled to object to claims other than claims that are expressly allowed pursuant to the Plan or allowed by a final order subsequent to the Effective Date. Any objections to claims shall be served and filed on or before the later of (i) one hundred twenty (120) days after the Effective Date and (ii) such date as may be fixed by the Bankruptcy Court, whether fixed before or after the date specified in clause (i) above.

(f) Payments and Distributions with Respect to Disputed Claims.

Notwithstanding any other provision hereof, if any portion of a claim is a disputed claim, no payment or distribution provided hereunder shall be made on account of such claim unless and until such disputed claim becomes an allowed claim.

(g) Preservation of Rights to Settle Claims.

In accordance with section 1123(b) of the Bankruptcy Code, the Reorganized Debtors shall retain and may enforce, sue on, settle, or compromise (or decline to do any of the foregoing) all claims, rights, causes of action, suits, and proceedings, whether in law or in equity, whether known or unknown, that the Debtors or their estates may hold against any person or entity without the approval of the Bankruptcy Court, subject to the terms of the Plan, the Confirmation Order, the Purchase Agreement and any contract, instrument, release, indenture, or other agreement entered into in connection herewith. The Reorganized Debtors or their successor(s) may pursue such retained claims, rights, or causes of action, suits, or proceedings, as appropriate, in accordance with the best interests of the Reorganized Debtors or their successor(s) who hold such rights.

(h) Disallowed Claims.

All claims held by persons or entities against whom or which any Debtor or Reorganized Debtor has commenced a proceeding asserting a cause of action under sections 542, 543, 544, 545, 547, 548, 549, and/or 550 of the Bankruptcy Code shall be deemed "disallowed" claims pursuant to section 502(d) of the Bankruptcy Code and holders of such claims shall not be entitled to vote to accept or reject the Plan of Reorganization. Claims that are deemed disallowed pursuant to this section shall continue to be disallowed for all purposes until the avoidance action against such party has been settled or resolved by final order of the Bankruptcy Court and any sums due to the Debtors or the Reorganized Debtors from such party have been paid.

C. Treatment of Executory Contracts and Unexpired Leases

1. *Contracts and Leases Not Expressly Rejected Are Assumed.*

All executory contracts and unexpired leases (including, in each case, any related amendments, supplements, consents, estoppels or ancillary agreements) to which any of the Debtors are parties are being assumed pursuant to the Plan, except for an executory contract or unexpired lease that (i) previously has been assumed or rejected pursuant to final order of the Bankruptcy Court of the Bankruptcy Court, (ii) is specifically designated by Beal Bank or the Debtors, with the consent of the Beal Bank, as a contract or lease to be rejected on the Schedule of Rejected Contracts attached to the Plan as Exhibit A, or (iii) is the subject of a separate (a)

assumption motion filed by the Debtors, or (b) rejection motion filed by the Debtors under section 365 of the Bankruptcy Code prior to the Confirmation Date.

2. *Cure of Defaults.*

Except to the extent that different treatment has been agreed to by the nondebtor party or parties to any executory contract or unexpired lease to be assumed pursuant to section 8.1 of the Plan, the Debtors shall, pursuant to the provisions of sections 1123(a)(5)(G) and 1123(b)(2) of the Bankruptcy Code and consistent with the requirements of section 365 of the Bankruptcy Code, within twenty (20) days prior to the commencement of the confirmation hearing, file and serve a schedule with the Bankruptcy Court listing the cure amounts of all executory contracts or unexpired leases to be assumed. Any party that fails to object to the applicable cure amount shall be forever barred, estopped and enjoined from disputing the cure amount and/or from asserting any Claim against the applicable Debtor or Reorganized Debtor arising under section 365(b)(1) of the Bankruptcy Code except as set forth in the schedule of cure amounts. If there are any objections filed, the cure payments, if any, required by section 365(b)(1) of the Bankruptcy Code shall be made following the entry of a final order of the Bankruptcy Court resolving such dispute. The Debtors shall retain their right to reject any of their executory contracts or unexpired leases that are subject to a dispute, including contracts or leases that are subject to a dispute concerning amounts necessary to cure any defaults, until the entry of a final order resolving such dispute is entered by the Bankruptcy Court.

3. *Rejection Claims.*

In the event that the rejection of an executory contract or unexpired lease by any of the Debtors pursuant to the Plan of Reorganization results in damages to the other party or parties to such contract or lease, a claim for such damages, if not heretofore evidenced by a timely filed proof of claim, shall be forever barred and shall not be enforceable against the Debtors or the Reorganized Debtors, or their respective properties or interests in property as agents, successors, or assigns, unless a proof of claim is filed with the Bankruptcy Court and served upon counsel for the Debtors and the Reorganized Debtors on or before the date that is thirty (30) days after the Confirmation Date or such later rejection date that occurs as a result of a dispute concerning amounts necessary to cure any defaults.

4. *Assignment.*

Any executory contract or unexpired lease so assumed or and assigned shall remain in full force and effect for the benefit of the Reorganized Debtor or assignee in accordance with its terms, notwithstanding any provision in such executory contract or unexpired lease (including those of the type described in sections 365(b)(2) of the Bankruptcy Code) that prohibits, restricts, or conditions such assumption, transfer or assignment. Any provision that prohibits, restricts, or conditions the assignment or transfer of any such executory contract or unexpired lease or that terminates or modifies such executory contract or unexpired lease or allows the counterparty to such executory contract or unexpired lease to terminate, modify, recapture, impose any penalty, condition renewal or extension, or modify any term or condition upon any such transfer and assignment constitutes an unenforceable anti-assignment provision and is void and of no force or effect.

5. *Survival of the Debtors' Indemnification Claims.*

As of the Effective Date of the Plan, all obligations of the Debtors pursuant to their corporate charters and bylaws or other organizational documents to indemnify current and former officers and directors of the Debtors with respect to all present and future actions, suits and proceedings against the Debtors or such directors and/or officers, based upon any act or omission for or on behalf of the Debtors, shall be discharged by confirmation of the Plan.

No officer or director has asserted any claims against the Debtors based upon indemnification rights they may have as officers or directors; however, Mr. Trump and Ivanka Trump have reserved their rights to assert such claims for indemnification if claims are asserted against them.

6. Insurance Policies

All insurance policies pursuant to which the Debtors have any obligations in effect as of the date of the Confirmation Order shall be deemed and treated as executory contracts pursuant to the Plan of Reorganization and shall be assumed by the respective Debtors and Reorganized Debtors and shall continue in full force and effect. All other insurance policies shall revert in the Reorganized Debtors.

7. Casino Property Leases

The Casino Property Leases (as defined in the Plan) shall be deemed and treated as executory contracts pursuant to the Plan and shall be assumed by the respective Debtors and Reorganized Debtors and shall continue in full force and effect.

8. UNITE HERE Agreement

The Debtors and UNITE HERE Local 54 are parties to a collective bargaining agreement which, pursuant to its terms, was set to expire on September 15, 2009 (the "UNITE HERE Agreement"). On September 11, 2009, the parties agreed to extend the terms of the agreement indefinitely. The Debtors have stated that, as of October 5, 2009, they have no intention of invoking any rights under section 1113 of the Bankruptcy Code with respect to the UNITE HERE Agreement prior to the Confirmation Hearing.

D. Effect of Confirmation

1. Vesting of Assets.

As of the Effective Date (except as set forth in Section 5.4 of the Plan (and then as of the time set forth therein)), pursuant to sections 1141(b) and (c) of the Bankruptcy Code, all property of the Debtors' estates shall vest in the Reorganized Debtors free and clear of all Claims, liens, encumbrances, charges and other interests. Pursuant to the Plan, the Reorganized Debtors may operate their businesses and may use, acquire and dispose of property free of any restrictions of the Bankruptcy Code or the Bankruptcy Rules and in all respects as if there were no pending cases under any chapter or provision of the Bankruptcy Code, except as provided herein including, without limitation, section 4.3 of the Plan. As of the Effective Date (except as set forth in Section 5.4 of the Plan (and then as of the time set forth therein)), all mortgages, deeds of trust, liens, pledges, or other security interests against any property of the Debtors or their estates shall be fully released, terminated and discharged without further notice or action by the Debtors, Reorganized Debtors, holders of any such mortgages, deeds of trust, liens, pledges, or other

security interests against any property of the Debtors or their estates, the Bankruptcy Court or any applicable federal, state or local governmental agency or department.

2. Discharge.

Except as otherwise provided in the Plan or contemplated hereby, the rights afforded in the Plan and the payments and distributions to be made thereunder shall (i) discharge all existing debts and Claims and (ii) terminate all Equity Interests of any kind, nature or description whatsoever against or in TER and the Debtor Subsidiaries, to the fullest extent permitted by section 1141 of the Bankruptcy Code. Except as otherwise provided in the Plan or in the Confirmation Order, all persons or entities who have held, now hold, or may hold Claims against any of the Debtors or Equity Interests in TER, and all other parties in interest, along with their respective present and former employees, agents, officers, directors, principals and affiliates, are permanently enjoined from and after the Effective Date, from (i) commencing or continuing in any manner any action or other proceeding of any kind with respect to such Claim against the Debtors or the Reorganized Debtors or Equity Interest in TER, (ii) the enforcement, attachment, collection or recovery by any manner or means of any judgment, award, decree or order against the Debtors or the Reorganized Debtors, (iii) creating, perfecting or enforcing any encumbrance of any kind against the Debtors or the Reorganized Debtors or against the property or interests in property of the Debtors or the Reorganized Debtors, or (iv) asserting any right of setoff, subrogation or recoupment of any kind against any obligation due from the Debtors or the Reorganized Debtors, with respect to such Claim against any of the Debtors or Equity Interest in TER. Such injunction shall extend to any successors of the Debtors and Reorganized Debtors and their respective properties and interest in properties.

3. Term of Injunctions or Stays.

Unless otherwise provided, all injunctions or stays arising under or entered during the Reorganization Cases under section 105 or 362 of the Bankruptcy Code, or otherwise, and in existence on the Confirmation Date, shall remain in full force and effect until the later of the Effective Date and the date indicated in the order providing for such injunction or stay.

4. Exculpation.

As of the Effective Date, the following parties, entities, and individuals shall have no liability for any prepetition or postpetition act taken or omitted to be taken in connection with, or related to the Reorganization Cases or formulating, negotiating, preparing, disseminating, implementing, administering, confirming or effecting the consummation of the Plan, the Disclosure Statement, the Purchase Agreement or any contract, instrument, release or other agreement or document created or entered into in connection with the Plan or any other pre-Effective Date act taken or omitted to be taken in connection with or in contemplation of the restructuring of the Debtors except for any express contractual or financial obligations owed to the Debtors, the Reorganized Debtors or the Non-Debtor Released Parties or any right or obligation arising under or that is part of the Plan or an agreement entered into pursuant to, in connection with or contemplated by, the Plan, including without limitation, the obligations under the Purchase Agreement, the Amended Organizational Documents: (i) the current and former directors, officers and employees of the Debtors and the Reorganized Debtors; (ii) the affiliates, agents, financial advisors, investment bankers, professionals, accountants and attorneys of the Debtors and the Reorganized Debtors and their respective partners, owners and members; and (iii) BNAC, the First Lien Lenders and the Agents and their respective members, agents, financial

advisors, investment bankers, professionals, accountants and attorneys (including partners, owners and members thereof). Such parties, entities and individuals shall be entitled to rely upon the advice of counsel with respect to their duties and responsibilities under this Plan and the ancillary documents hereto. Notwithstanding the foregoing, the provisions of section 10.6 of the Plan shall not limit any liability on the part of the aforementioned parties that is determined by a final order of a court of competent jurisdiction for actions or failure to act amounting to willful misconduct, intentional fraud or criminal conduct.

5. *Mutual Releases.*

On the Effective Date, in accordance with the Plan, the Released Parties shall be deemed to unconditionally and irrevocably release each other from any and all claims, interests, obligations, rights, suits, damages, causes of action, remedies, and liabilities whatsoever, whether known or unknown, foreseen or unforeseen, existing or thereafter arising, in law, equity or otherwise, that such entity or person would have been legally entitled to assert (whether individually or collectively), relating to any act, omission, transaction, event or other occurrence taking place on or prior to the Effective Date in any way relating to the Debtors, the Reorganization Cases, or the Plan, except that (i) no Released Party shall be released from any act or omission that constitutes gross negligence, willful misconduct or fraud as determined by final order of a court of competent jurisdiction, and (ii) the foregoing release shall not apply to any express contractual or financial obligations owed to the Debtors or the Reorganized Debtors or any right or obligation arising under or that is part of the Plan or an agreement entered into pursuant to, in connection with or contemplated by, the Plan, including without limitation, the obligations under the Backstop Agreement and all ancillary and related documents thereto.

6. *Injunction Related to Releases.*

Upon the Effective Date, the commencement or prosecution by any person or entity, whether directly, derivatively or otherwise, of any Claims, obligations, suits, judgments, damages, demands, debts, rights, causes of action or liabilities (a) released pursuant to this Plan, including but not limited to the Claims, obligations, suits, judgments, damages, demands, debts, rights, causes of action or liabilities released in sections 10.5 and 10.6 of the Plan, or (b) subject to indemnification by the Debtors or Reorganized Debtors pursuant to section 8.5 of the Plan, shall be enjoined.

As set forth above, the Plan includes standard mutual releases by the Debtors of its officers and directors, the holders of the First Lien Lender Claims and their respective agents and representatives. The Plan does not provide for the release of third party claims. As is common practice, however, the Plan also provides for the assumption by the Debtors of existing indemnification obligations owed to its officers and directors and an injunction prohibiting the assertion by third parties of Claims against those persons related to their roles as officers and directors of the Debtors. The reason for these provisions is to protect the officers and directors for the decisions they have made and the actions they have taken in connection with the Debtors and the restructuring. Without the continued indemnification, parties that are not satisfied with their treatment under the Plan could attempt to disrupt the operations of the Reorganized Debtors by commencing frivolous suits against officers and directors who acted in good faith in their efforts to restructure the Debtors. The injunction is necessary to avoid collateral attacks on the Reorganized Debtors through those indemnification provisions.

As described in the Debtors' most recent Form 10-K, Mr. Trump has provided a Guaranty of up to \$250,000,000 of the Second Lien Notes under certain terms and conditions. The provisions in the Plan relating to releases (Section 10.5), exculpation (Section 10.6), indemnification (Section 8.5), and injunctions (Section 10.7) neither release nor otherwise affect claims, if any, that may be asserted by the Noteholders against Mr. Trump under the Guaranty. Beal Bank is not a party to the Guaranty and take no position with respect to any dispute regarding such Guaranty.

The Plan provides releases to the Debtors' officers and directors, as are typically provided by restructuring debtors, in recognition of the services that such officers and directors have provided to maintain the operations of the Debtors in the current difficult economic environment and assisting the Debtors in the negotiation, preparation, and eventual implementation of the Plan. As detailed above, the First Lien Lenders are providing significant value to the Debtors, in the form of their investment in the Debtors, as well as their other concessions to the Debtors, and therefore the releases of such parties included in the Plan are justified.

7. *Survival of Indemnification.*

The Plan does not provide for the assumption by the Debtors of existing indemnification obligations owed to its current and former officers and directors but does provide for an injunction prohibiting the assertion by third parties of Claims against those persons related to their roles as officers and directors of the Debtors. Without continued indemnification, parties that are not satisfied with their treatment under the Plan could attempt to disrupt the operations of the Reorganized Debtors by commencing frivolous suits against current and former officers and directors who acted in good faith in their efforts. The injunction is necessary to avoid collateral attacks on the Reorganized Debtors through those indemnification provisions.

8. *Retention of Causes of Action/Reservation of Rights.*

Nothing contained in the Plan or in the Confirmation Order shall be deemed to be a waiver or the relinquishment of any rights or causes of action that the Debtors or the Reorganized Debtors may have or which the Reorganized Debtors may choose to assert on behalf of their respective estates under any provision of the Bankruptcy Code or any applicable non-bankruptcy law or rule, common law, equitable principle or other source of right or obligation, including, without limitation, (i) any and all claims against any person or entity, to the extent such person or entity asserts a crossclaim, counterclaim, and/or claim for setoff which seeks affirmative relief against the Debtors, the Reorganized Debtors, their officers, directors, or representatives; (ii) the turnover of any property of the Debtors' estates; and (iii) the Retained Claims; *provided, however*, that this shall not apply to any claims released in section 10.5 of the Plan.

Nothing contained in the Plan or in the Confirmation Order shall be deemed to be a waiver or relinquishment of any claim, cause of action, right of setoff, or other legal or equitable defense which the Debtors had immediately prior to the Commencement Date, against or with respect to any claim left unimpaired by the Plan of Reorganization. The Reorganized Debtors shall have, retain, reserve, and be entitled to assert all such claims, causes of action, rights of setoff, and other legal or equitable defenses which they had immediately prior to the Commencement Date fully as if the Reorganization Cases had not been commenced, and all of

the Reorganized Debtors' legal and equitable rights respecting any claim left unimpaired by the Plan of Reorganization may be asserted after the Confirmation Date to the same extent as if the Reorganization Cases had not been commenced.

E. Miscellaneous Provisions

The Plan also contains provisions relating, but not limited to, vesting of assets, injunction against interference with the Plan, payment of statutory fees, substantial consummation, compliance with tax requirements, severability, revocation and amendment of the Plan, governing law, and timing. For more information regarding these items, see the Plan attached hereto as Exhibit A.

IX.

CERTAIN RISK FACTORS TO BE CONSIDERED

HOLDERS OF ALLOWED FIRST LIEN LENDER CLAIMS AND ALLOWED SECOND LIEN NOTE CLAIMS SHOULD READ AND CONSIDER CAREFULLY THE FACTORS SET FORTH BELOW, AS WELL AS THE OTHER INFORMATION SET FORTH IN THIS DISCLOSURE STATEMENT (AND THE DOCUMENTS DELIVERED TOGETHER HERewith AND/OR INCORPORATED BY REFERENCE HEREIN), PRIOR TO VOTING TO ACCEPT OR REJECT THE PLAN. THESE RISK FACTORS SHOULD NOT, HOWEVER, BE REGARDED AS CONSTITUTING THE ONLY RISKS INVOLVED IN CONNECTION WITH THE PLAN AND ITS IMPLEMENTATION.

A. Certain Bankruptcy Considerations

Although Beal Bank believes that the Plan will satisfy all requirements necessary for confirmation by the Bankruptcy Court, there can be no assurance that the Bankruptcy Court will reach the same conclusion. Moreover, there can be no assurance that modifications of the Plan will not be required for confirmation or that such modifications would not necessitate the re-solicitation of votes. Although the Debtors believe that the Effective Date will occur soon after the Confirmation Date, there can be no assurance as to such timing. In the event the conditions precedent described in section 9.1 of the Plan have not been satisfied or waived (to the extent possible) by the Debtors or applicable party (as provided for in the Plan) as of the Effective Date, then the Confirmation Order will be vacated, no distributions under the Plan will be made, and the Debtors and all holders of claims and equity interests will be restored to the status quo ante as of the day immediately preceding the Confirmation Date as though such Confirmation Date had never occurred.

The Plan provides for no distribution to Classes 7, 8, 9, and 10. The Bankruptcy Code conclusively deems these Classes to have rejected the Plan. Notwithstanding the fact that these Classes are deemed to have rejected the Plan, the Bankruptcy Court may confirm the Plan if at least one impaired class votes to accept the Plan (with such acceptance being determined without including the vote of any "insider" in such class). Thus, for the Plan to be confirmed with respect to each Debtor, either Class 3A-3J, Class 4A-4E or Class 5A-5J must vote to accept the Plan. As to each impaired class that has not accepted the Plan, the Plan may be confirmed if the Bankruptcy Court determines that the Plan "does not discriminate unfairly" and is "fair and equitable" with respect to these classes. Beal Bank believes that the Plan satisfies these requirements. For more information, see Section X below.

B. Risks to Recovery By Holders of First Lien Lender Claims and Second Lien Note Claims

The ultimate recoveries under the Plan to holders of allowed First Lien Lender Claims, Second Lien Note Claims and General Unsecured Claims are subject to a number of material risks, including, but not limited to, those specified below.

1. *Variances from Projections.*

The Projections for the Reorganized Debtors included herein are “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995. Factors that could cause actual results to differ materially include, but are not limited to, the Reorganized Debtors’ ability to operate their business consistent with the Projections, comply with the covenants of their financing agreements, comply with the terms of their existing contracts and leases, and respond to adverse regulatory actions taken by the federal and state governments. In addition, unanticipated events and circumstances occurring subsequent to the preparation of the Debtors’ Projections may affect the actual financial results of the Reorganized Debtors. Although Beal Bank believes that the Debtors’ Projections are reasonably attainable, variations between the actual financial results and those projected will occur and these variances may be material.

2. *Unforeseen Events.*

Future performance of the Reorganized Debtors is, to a certain extent, subject to general economic, financial, competitive, legislative, regulatory and other factors that are beyond their control. While no assurance can be provided, based upon the current level of operations and anticipated increases in revenues and cash flows described in the Projections, Beal Bank believes that cash flow from operations and available cash will be adequate to fund the Plan and meet the Debtors’ future liquidity needs.

3. *Other Risks.*

A discussion of TER’s business risks are set forth in greater detail in the 2008 Form 10-K and the Second Quarter Form 10-Q, each of which is attached hereto as Exhibit D and Exhibit E, respectively.

X.

Confirmation of the Plan

A. Confirmation Hearing

Section 1128(a) of the Bankruptcy Code requires the Bankruptcy Court, after appropriate notice, to hold a hearing on confirmation of a Plan. On, or as promptly as practicable after the Commencement Date, Beal Bank will request that the Bankruptcy Court schedule the confirmation hearing. Notice of the confirmation hearing will be provided to all known creditors, equity holders or their representatives. The confirmation hearing may be adjourned from time to time by the Bankruptcy Court without further notice except for an announcement of the adjourned date made at the confirmation hearing or any subsequent adjourned confirmation hearing.

Section 1128(b) of the Bankruptcy Code provides that any party in interest may object to confirmation of a Plan. Any objection to confirmation of the Plan must be in writing, must conform to the Bankruptcy Rules, must set forth the name of the objector, the nature and amount of claims or interests held or asserted by the objector against the particular Debtor or Debtors, the basis for the objection and the specific grounds therefor, and must be filed with the Bankruptcy Court, with a copy to Chambers, together with proof of service thereof, and served upon (i) Weil, Gotshal & Manges LLP, 767 Fifth Avenue, New York, New York 10153 (Attn: Michael F. Walsh, Esq. and Ted S. Waksman, Esq.) and McCarter & English, LLP, Four Gateway Center, 100 Mulberry Street, Newark, New Jersey 07102 (Attn: Charles A. Stanziale, Jr., Esq. and Joseph Lubertazzi, Jr., Esq.), attorneys for the Debtors, (ii) the Office of the United States Trustee for the District of New Jersey, One Newark Center, Suite 2100, Newark, New Jersey 07102 (Attn: Jeffrey M. Sponder, Esq.), (iii) White & Case LLP, 1155 Avenue of the Americas, New York, New York 10036 (Attn: Thomas E. Lauria, Esq., Gerard H. Uzzi, Esq. and Andrew Ambruoso, Esq.), attorneys for the Administrative Agent for the First Lien Lenders, (iv) Kasowitz, Benson, Torres & Friedman LLP, 1633 Broadway New York, New York 10019 (Attn: David M. Friedman, Esq. and Adam L. Shiff, Esq.), attorneys for Mr. Trump, (v) Stroock & Stroock & Lavan LLP, 180 Maiden Lane, New York, New York 10038 (Attn: Kristopher M. Hansen, Esq.), attorneys for the Ad Hoc Committee, and (v) such other parties as the Bankruptcy Court may order.

Objections to confirmation of the Plan are governed by Bankruptcy Rule 9014.

UNLESS AN OBJECTION TO CONFIRMATION IS TIMELY SERVED AND FILED, IT MAY NOT BE CONSIDERED BY THE BANKRUPTCY COURT.

B. General Requirements of Section 1129

At the confirmation hearing, the Bankruptcy Court will determine whether the confirmation requirements specified in section 1129 of the Bankruptcy Code have been satisfied.

C. Best Interests Test

The Bankruptcy Code requires that each holder of an impaired claim or equity interest either (i) accept the Plan or (ii) receive or retain under the Plan property of a value, as of the Effective Date, that is not less than the value such holder would receive if the Debtors were liquidated under chapter 7 of the Bankruptcy Code.

The Debtors' costs of liquidation under chapter 7 would include the fees payable to a trustee in bankruptcy, as well as those fees that might be payable to attorneys and other professionals that such a trustee might engage. Other liquidation costs include the expenses incurred during the Reorganization Cases allowed in the chapter 7 case, such as compensation for attorneys, financial advisors, appraisers, accountants and other professionals for the Debtors. In addition, claims would arise by reason of the breach or rejection of obligations incurred and leases and executory contracts assumed or entered into by the Debtors during the pendency of the Reorganization Cases.

The foregoing types of claims, costs, expenses, fees and such other claims that may arise in a liquidation case would be paid in full from the liquidation proceeds before the balance of those proceeds would be made available to pay pre-chapter 11 priority and unsecured

claims. The Debtors believe that in a chapter 7 liquidation, no prepetition claims or equity interests would receive any distribution of property.

The Debtors' liquidation analysis contained in the Debtors' Disclosure Statement is an estimate of the proceeds that may be generated as a result of a hypothetical chapter 7 liquidation of the Debtors. The analysis is based on a number of significant assumptions. The liquidation analysis does not therefore purport to be a valuation of the Debtors' assets and is not necessarily indicative of the values that may be realized in an actual liquidation.

D. Liquidation Analysis

If no chapter 11 plan can be confirmed, the Reorganization Cases may be converted to cases under chapter 7 of the Bankruptcy Code in which a trustee would be elected or appointed to liquidate the assets of the Debtors for distribution in accordance with the priorities established by the Bankruptcy Code. A discussion of the effect that a chapter 7 liquidation would have on the recoveries of holders of claims is set forth in Section X.D of the Debtors' Disclosure Statement. The Debtors believe that liquidation under chapter 7 would result in smaller distributions being made to creditors than those provided for in the Plan because (a) the likelihood that other assets of the Debtors would have to be sold or otherwise disposed of in a less orderly fashion, (b) additional administrative expenses attendant to the appointment of a trustee and the trustee's employment of attorneys and other professionals, (c) additional expenses and claims, some of which would be entitled to priority, which would be generated during the liquidation and from the rejection of leases and other executory contracts in connection with a cessation of the Debtors' operations. In a chapter 7 liquidation, the Debtors believe that there would be no distribution to holders of allowed claims in Classes 4A-4J, 5A-5J, 6, 7, 8, 9, and 10 and the distribution to holders of allowed claims in Class 3A-3J would be materially less. For the purpose of the Plan, Beal Bank adopts the Debtors' liquidation analysis, which is attached hereto as Exhibit G.

E. Feasibility

The Bankruptcy Code requires that a plan proponent, such as Beal Bank demonstrate that confirmation of a plan is not likely to be followed by liquidation or the need for further financial reorganization. For purposes of determining whether the Plan meets this requirement, Beal Bank has analyzed the Debtors' ability to meet their obligations under the Plan. As part of this analysis, Beal Bank has review the Debtors' Projections described in Section V above. Based upon such Projections, Beal Bank believes that the Debtors will be able to make all payments required pursuant to the Plan and, therefore, that confirmation of the Plan is not likely to be followed by liquidation or the need for further reorganization.

F. Section 1129(b)

The Bankruptcy Court may confirm a plan of reorganization over the rejection or deemed rejection of the plan of reorganization by a class of claims or equity interests if the plan of reorganization "does not discriminate unfairly" and is "fair and equitable" with respect to such class.

1. *No Unfair Discrimination.*

This test applies to classes of claims or equity interests that are of equal priority and are receiving different treatment under the plan of reorganization. The test does not require that the treatment be the same or equivalent, but that such treatment is “fair.”

2. *Fair and Equitable Test.*

This test applies to classes of different priority and status (e.g., secured versus unsecured) and includes the general requirement that no class of claims receive more than 100% of the allowed amount of the claims in such class. As to the dissenting class, the test sets different standards, depending on the type of claims or equity interests in such class:

- *Secured Creditors.* Each holder of an impaired secured claim either (i) retains its liens on the property, to the extent of the allowed amount of its secured claim and receives deferred cash payments having a value, as of the Effective Date, of at least the allowed amount of such claim, or (ii) has the right to credit bid the amount of its claim if its property is sold and retains its liens on the proceeds of the sale (or if sold, on the proceeds thereof) or (iii) receives the “indubitable equivalent” of its allowed secured claim.
- *Unsecured Creditors.* Either (i) each holder of an impaired unsecured claim receives or retains under the plan or reorganization property of a value equal to the amount of its allowed claim or (ii) the holders of claims and equity interests that are junior to the claims of the dissenting class will not receive any property under the plan of reorganization.
- *Equity Interests.* Either (i) each equity interest holder will receive or retain under the plan of reorganization property of a value equal to the greater of (a) the fixed liquidation preference or redemption price, if any, of such stock and (b) the value of the stock, or (ii) the holders of equity interests that are junior to the equity interests of the dissenting class will not receive any property under the plan of reorganization.

Beal Bank believes the Plan will satisfy the “fair and equitable” requirement notwithstanding that Classes 7, 8, 9, and 10 are deemed to reject the Plan because no Class that is junior to such Class will receive or retain any property on account of the equity interests in such Class.

XI.

Alternatives to Confirmation and Consummation of this Plan

A. *Liquidation Under Chapter 7*

If no chapter 11 plan can be confirmed, the Reorganization Cases may be converted to cases under chapter 7 of the Bankruptcy Code in which a trustee would be elected or appointed to liquidate the assets of the Debtors for distribution in accordance with the priorities established by the Bankruptcy Code. A discussion of the effect that a chapter 7 liquidation would have on the recoveries of holders of claims is set forth in Section X.D of this Disclosure Statement. Beal Bank believes that liquidation under chapter 7 would result in smaller distributions being made to creditors than those provided for in the Plan because (a) the

likelihood that other assets of the Debtors would have to be sold or otherwise disposed of in a less orderly fashion, (b) additional administrative expenses attendant to the appointment of a trustee and the trustee's employment of attorneys and other professionals, (c) additional expenses and claims, some of which would be entitled to priority, which would be generated during the liquidation and from the rejection of leases and other executory contracts in connection with a cessation of the Debtors' operations. In a chapter 7 liquidation, the Beal Bank believes that there would be no distribution to holders of allowed claims in Classes 4A-4J, 5A-5J, 6, 7, 8, 9, and 10 and the distribution to holders of allowed claims in Class 3A-3J would be materially less.

B. Alternative Plans

On August 3, 2009, the Debtors filed with the Bankruptcy Court the Debtors' Plan and the Debtors' Disclosure Statement. On September 29, October 5, and November 4, 2009, the Debtors filed amended versions of the Debtors' Plan and Debtors' Disclosure Statement. Pursuant to the Debtors' Plan, the Debtors' second lien noteholders would receive \$13.9 million in cash on the Effective Date and all other unsecured creditors or equity holders would receive no distribution and such holders will have their claims and securities cancelled upon consummation of the Debtors' Plan. The Debtors' Plan provides for (i) a recovery to Beal Bank in the form new debt at substantially below-market terms and (ii) a rights offering, whereby Beal Bank and Mr. Trump would collectively acquire 100% of the equity of the Reorganized Debtors in exchange for a cash contribution of approximately \$113.9 million made pursuant to the terms of the Purchase Agreement. The Debtors' Plan also provides for a cash payment in the total amount of approximately \$13.9 million to holders of Second Lien Note Claims for a recovery estimated by the Debtors to be approximately 1.11% in the aggregate. Because the valuation set forth in the Debtors' Disclosure Statement indicates that value of the Reorganized Debtors' business is less than the amount owed to the First Lien Lenders, holders of General Unsecured Claims receive no distribution. On November 16, 2009, Mr. Trump purported to terminate the Purchase Agreement and entered into the DJT Settlement Agreement, pursuant to which, among other things, Mr. Trump withdrew his support for the Debtors' Plan and agreed to support, vote for and promote the Ad Hoc Committee's plan subject to the terms and conditions of the DJT Settlement Agreement. If Mr. Trump's purported termination of the Purchase Agreement is in fact effective, then it may be that the Debtors' Plan is no longer viable.

On August 11, 2009, the Ad Hoc Committee filed a Motion for an Order Terminating the Debtors' Exclusivity Periods in which to File a Plan of Reorganization and Solicit Acceptances thereto (the "***Motion to Terminate Exclusivity***"). The Debtors subsequently filed their Objection to the Motion to Terminate Exclusivity and a hearing was held before the Bankruptcy Court on August 27, 2009. At that hearing, the Court sustained the Ad Hoc Committee's objection and, by order dated August 31, 2009, the Debtors' exclusive periods to file and solicit a plan of reorganization were terminated thereby authorizing the Ad Hoc Committee and any other party in interest to file an alternative plan of reorganization (the "***Termination Order***").

That same day, the Ad Hoc Committee filed the AHC Plan and AHC Disclosure Statement. The key terms of the AHC Plan, as amended, which the Beal Bank has concluded to be inferior to this Plan, are as follows:

- The AHC Plan, like Beal Bank's Plan contemplates a \$225 million rights offering. The Ad Hoc Committee will, however, receive a 20% backstop

fee in connection with backstopping this rights offering as opposed to the 10% Backstop Allocation to be provided under this Plan.

- The Debtors will pay down Beal Bank's First Lien Lender Claims by \$125 million dollars, but rather than converting the balance of the First Lien Lender Claims to equity as in this Plan, will leave the Debtors' businesses burdened with an amended and restated credit agreement.

After months of analysis, the Beal Bank has concluded that the Plan enables creditors to realize the most value under the circumstances and, as described above, is superior to the proposal set forth by the Ad Hoc Committee as set forth in the AHC Plan.

If no restructuring plan is confirmable, the Debtors could consider a liquidation under chapter 11. In a liquidation, the Debtors would incur the expenses associated with closing or transferring its casino properties to new operators. The process would be carried out in a more orderly fashion over a greater period of time than a liquidation under chapter 7 of the Bankruptcy Code. Further, if a trustee were not appointed, because such appointment is not required in a chapter 11 case, the expenses for professional fees would most likely be lower than those incurred in a chapter 7 case. Although preferable to a chapter 7 liquidation, Beal Bank believes that liquidation under chapter 11 is a much less attractive alternative to creditors than the Plan because of the greater return provided by the Plan.

XII.

Certain United States Federal Income Tax Consequences of the Plan

The following discussion summarizes certain material U.S. federal income tax consequences expected to result from the consummation of the Plan. This discussion is only for general information purposes and only describes the expected tax consequences to (i) the Debtors and the Reorganized Debtors and (ii) holders of Allowed Claims and Equity Interests ("**Holders**"). This discussion is based on current provisions of the Internal Revenue Code of 1986, as amended (the "**Tax Code**"), Treasury Regulations promulgated thereunder, judicial authority and current administrative rulings and pronouncements of the Internal Revenue Service (the "**Service**") all as in effect and available on the date hereof. There can be no assurance that the Service will not take a contrary view. No ruling from the Service has been or will be sought nor will any counsel provide a legal opinion as to any of the expected tax consequences set forth below.

Legislative, judicial or administrative changes or interpretations may be forthcoming that could alter or modify the statements and conclusions set forth herein. Any such changes or interpretations may or may not be retroactive and could affect the tax consequences to the Holders, the Debtors and the Reorganized Debtors. It cannot be predicted whether any tax legislation will be enacted or, if enacted, whether any tax law changes contained therein would affect the tax consequences to the Holders, the Debtors or the Reorganized Debtors.

The following discussion is for general information only, and does not purport to address all of the U.S. federal income tax consequences that may be applicable to any particular Holder. The tax treatment of a Holder may vary depending upon such Holder's particular situation. In addition, this summary generally does not address foreign, state or local tax

consequences of the Plan, nor does it address the federal income tax consequences of the Plan to special classes of taxpayers such as foreign taxpayers, broker-dealers, banks, mutual funds, insurance companies, other financial institutions, small business investment companies, regulated investment companies, real estate investment trusts, U.S. persons whose functional currency is not the U.S. dollar, traders that mark-to-market their securities, taxpayers subject to the alternative minimum tax, tax-exempt organizations (including, without limitation, certain pension funds), persons holding an equity interest as part of an integrated constructive sale, hedge, conversion transaction or straddle, pass-through entities and investors in pass-through entities. Furthermore, this summary does not address U.S. federal taxes other than income taxes. This discussion assumes that the First Lien Lender Claims, the Allowed Second Lien Note Claims, and the Allowed General Unsecured Claims are held as “capital assets” (generally, held for investment) within the meaning of Section 1221 of the Tax Code and that TER Holdings has been and that both TER Holdings and Reorganized TER Holdings will be treated and taxed as a partnership for U.S. federal income tax purposes. EACH HOLDER SHOULD CONSULT ITS TAX ADVISOR AS TO THE PARTICULAR TAX CONSEQUENCES TO IT OF THE PLAN, INCLUDING THE APPLICABILITY AND EFFECT OF ANY U.S. FEDERAL, STATE, LOCAL OR FOREIGN TAX LAWS.

INTERNAL REVENUE SERVICE CIRCULAR 230 NOTICE: TO ENSURE COMPLIANCE WITH INTERNAL REVENUE SERVICE CIRCULAR 230, HOLDERS OF CLAIMS AND EQUITY INTERESTS ARE HEREBY NOTIFIED THAT: (A) ANY DISCUSSION OF FEDERAL TAX ISSUES CONTAINED OR REFERRED TO IN THIS DISCLOSURE STATEMENT IS NOT INTENDED OR WRITTEN TO BE USED, AND CANNOT BE USED, BY HOLDERS OF CLAIMS OR EQUITY INTERESTS FOR THE PURPOSE OF AVOIDING PENALTIES THAT MAY BE IMPOSED ON THEM UNDER THE INTERNAL REVENUE CODE; (B) SUCH DISCUSSION IS WRITTEN IN CONNECTION WITH THE PROMOTION OR MARKETING BY THE DEBTORS OF THE TRANSACTIONS OR MATTERS ADDRESSED HEREIN; AND (C) HOLDERS OF CLAIMS OR EQUITY INTERESTS SHOULD SEEK ADVICE BASED ON THEIR PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISOR.

A. Liquidation Under Chapter 7

1. *Cancellation of Indebtedness and Reduction of Tax Attributes.*

- (a) Discharge of Claims other than the First Lien Lenders Claims and any Claim not Otherwise Subject to Discharge under the Plan

TER Holdings generally will realize cancellation of indebtedness (“**COD**”) income upon the discharge of all Claims other than the First Lien Lenders Claims and any Claim not otherwise subject to discharge under the Plan. Under Section 108 of the Tax Code, COD income is excluded from income if it occurs in a case brought under the Bankruptcy Code, provided the taxpayer is under the jurisdiction of a court in such case and the cancellation of indebtedness is granted by the court or is pursuant to a plan approved by the court (the “**Bankruptcy Exception**”). Generally, under Section 108(b) of the Tax Code, any COD income excluded from income under the Bankruptcy Exception must be applied against and reduce certain tax attributes of the taxpayer. Unless the taxpayer elects to have such reduction apply first against the basis of its depreciable property, such reduction is first applied against net operating losses (“**NOLs**”) of the taxpayer (including NOLs from the taxable year of discharge and any NOL carryover to such taxable year), and then to certain tax credits, capital losses and capital loss

carryovers, and tax basis. Any reduction in tax attributes in respect of excluded COD income does not occur until after the determination of the taxpayer's income or loss for the taxable year in which the COD income is realized.

Under Section 108(d)(6) of the Tax Code, when an entity (such as TER Holdings) that is taxed as a partnership realizes COD income, its partners are treated as receiving their allocable share of such COD income and the Bankruptcy Exception (and related attribute reduction) is applied at the partner level rather than at the entity level. Accordingly, any COD income realized by TER Holdings upon the discharge of all Claims other than the First Lien Lenders Claims and any Claim not otherwise subject to discharge under the Plan shall be allocated to the partners of TER Holdings. Pursuant to the Plan, and pursuant to the amended and restated limited liability company agreement of Reorganized TER Holdings (the "*LLC Agreement*"), TER Holdings shall allocate such COD income pursuant to an interim closing of the books, within the meaning of Section 706 of the Tax Code and Treasury Regulations 1.706-1(c) such that the COD income of TER Holdings will be allocated to those persons who were partners of TER Holdings immediately prior to the admission of new members into Reorganized TER Holdings.

Regarding TER, because the cancellation of indebtedness will occur in a case brought under the Bankruptcy Code and TER should qualify for the Bankruptcy Exception, TER should not be required to include in its income any COD income generated by and allocated to it as a result of the implementation of the Plan. TER will be required to reduce its tax attributes in an amount equal to the amount of COD income excluded from income under the Bankruptcy Exception. TER currently expects that COD income resulting from the Plan and allocated to it will be excluded from its income under the Bankruptcy Exception, and, as a result, it will reduce its NOLs, and, to the extent necessary, other tax attributes by the amount of such COD income.

Regarding the partners of TER Holdings that are not under the jurisdiction of the Bankruptcy Court, such partners, if solvent, will generally be required to recognize their allocable shares of the COD income of TER Holdings realized as a result of the implementation of the Plan unless another exception to recognizing COD income applies.

(b) Satisfaction of First Lien Lender Claims.

Under the Plan, the First Lien Lenders will receive, among other things, in full and final satisfaction of the First Lien Lender Claims, (i) \$100,000,000 in Cash from the Rights Offering Proceeds and (ii) the First Lien Conversion Membership Interests (representing a 55.538% of the outstanding Membership Interests in Reorganized TER Holdings on a Fully Diluted Basis).

Under Section 108(e)(8) of the Tax Code, if an entity taxed as a partnership, such as TER Holdings, transfers a capital or profits interest in such partnership to a creditor in satisfaction of its indebtedness, the partnership shall be treated as having COD income in an amount equal to the excess (if any) of (i) the principal amount of such indebtedness, immediately prior to the issuance of such capital or profits interest over (ii) the fair market value of such capital or profits interest.

Fair market value for this purpose is generally determined under all of the facts and circumstances; however, proposed Treasury Regulations under Section 108 of the Tax Code

provide that in certain circumstances, the “liquidation value” of the partnership interest issued to the creditor will be deemed to be the fair market value of such interest.

Reorganized TER Holdings and the First Lien Lenders expect to take the position that the fair market value of the First Lien Conversion Membership Interests will equal the amount of the First Lien Lender Claims that are not otherwise satisfied through the payment of Cash from the Rights Offering Proceeds and the other consideration being received by the First Lien Lenders in satisfaction of the First Lien Lender Claims. Therefore, Reorganized TER Holdings does not expect to report COD Income in connection with the satisfaction of the First Lien Lender Claims. This treatment, however, is not binding on the Service; and the Service could assert, for example, that the fair market value of the First Lien Conversion Membership Interests is less than the amount of the First Lien Lender Claims being satisfied by such Membership Interests, which would result in COD Income to Reorganized TER Holdings (correspondingly allocated to its members).

2. Section 382 Limitations of NOLs

The Plan will trigger an “ownership change” of TER on the Effective Date for purposes of Section 382 of the Tax Code. Consequently, following the Effective Date, any remaining NOL carryforwards and certain other tax attributes (including current year NOLs) of TER allocable under the Tax Code to periods prior to the Effective Date (collectively, “pre-change losses”) will be subject to limitation under Section 382, subject to the following discussion regarding special rules in the context of certain bankruptcy proceedings. Any Section 382 limitations apply in addition to, and not in lieu of, the attribute reduction that results from the COD income arising in connection with the Plan.

Under Section 382 of the Tax Code, if a corporation undergoes an ownership change and the corporation does not qualify for (or elects out of) the special bankruptcy exception discussed below, the amount of its pre-change losses that may be utilized to offset future taxable income is subject to an annual limitation. In general, the amount of the annual limitation is equal to the product of (i) the fair market value of the stock of the corporation *immediately before* the ownership change (with certain adjustments) multiplied by (ii) the “long term tax exempt rate” in effect for the month in which the ownership change occurs (e.g., 4.16 percent for ownership changes occurring in December, 2009).

For a corporation in bankruptcy that undergoes an ownership change pursuant to a confirmed bankruptcy plan, the fair market value of the stock of the corporation is generally determined immediately *after* (rather than before) the ownership change after giving effect to the surrender of creditors’ claims, but subject to certain adjustments; in no event, however, can the stock value for this purpose exceed the pre-change gross value of the corporation’s assets. An exception to the foregoing annual limitation rules generally applies where qualified creditors and stockholders of a debtor corporation receive, in respect of their claims or shares, at least 50 percent of both the voting power and the value of the stock of the reorganized debtor pursuant to a confirmed Chapter 11 plan.

Any portion of the annual limitation that is not used in a given year may be carried forward, thereby adding to the annual limitation for the subsequent taxable year. However, if the corporation does not continue its historic business or use a significant portion of its historic assets in a new business for at least two years after the ownership change, or if certain

shareholders claim worthless stock deductions and continue to hold their stock in the corporation at the end of the taxable year, the annual limitation resulting from the ownership change is reduced to zero, thereby precluding any utilization of the corporation's pre-change losses, absent any increases due to recognized built-in gains discussed below. Generally, NOL carryforwards expire 20 years after they first arise.

Section 382 of the Tax Code also limits the deduction of certain built-in losses recognized subsequent to the date of the ownership change. If a loss corporation has a net unrealized built-in loss at the time of an ownership change (taking into account most assets and items of "built in" income, gain, loss and deduction), then any built-in losses recognized during the following five years (up to the amount of the original net unrealized built-in loss) generally will be treated as prechange losses and will be subject to the annual Section 382 limitation. Conversely, if the loss corporation has a net unrealized built-in gain at the time of an ownership change, any built-in gains recognized (or, according to a Service notice, treated as recognized) during the following five years (up to the amount of the original net unrealized built-in gain) generally will increase the annual Section 382 limitation in the year recognized, such that the loss corporation would be permitted to use its pre-change losses against such built-in gain income in addition to its regular annual allowance.

Accordingly, the impact of any future ownership change depends upon, among other things, the amount of pre-change losses remaining after the use or reduction of attributes due to the COD, the value of both the stock and assets of TER at such time, the continuation of its business and the amount and timing of future taxable income.

B. U.S. Federal Income Tax Consequences to U.S. Holders

For purposes of the following discussion, a U.S. Holder is a Holder (as defined above) that is treated for U.S. federal income tax purposes as (1) an individual that is a citizen or resident of the United States, (2) a corporation or other entity taxable as a corporation created or organized in or under the laws of the United States, any state thereof or the District of Columbia, (3) an estate, the income of which is subject to U.S. federal income tax regardless of its source, or (4) a trust, if a U.S. court can exercise primary supervision over the administration of the trust and one or more U.S. persons can control all substantial trust decisions, or, if the trust was in existence on August 20, 1996, and it has validly elected to continue to be treated as a U.S. person.

1. U.S. Holders of First Lien Lender Claims (Class 3A-3J)

Section 4.3 of the Plan provides that on the Second Closing Date the First Lien Lenders shall receive, in full satisfaction of the First Lien Lender Claims, (i) \$100,000,000 in Cash from the Rights Offering Proceeds, (ii) the First Lien Conversion Membership Interests, (iii) the Preferred Stock, (iv) all of the Reorganized TER Common Stock, and (v) all of the equity interests in New Partner Co.

(a) Recognition of Gain or Loss

The U.S. federal income tax consequences of the Plan to a U.S. Holder of First Lien Lender Claims will depend, in part, on whether the issuance of the First Lien Conversion Membership Interests to the First Lien Lenders is treated as a non-taxable exchange under Section 721 of the Tax Code.

Section 721 of the Tax Code provides that the issuance of an interest in an entity taxed as a partnership for U.S. federal income tax purposes (such as Reorganized TER Holdings) in exchange for the contribution of property to the entity is not a taxable event for U.S. federal income tax purposes. The Tax Code does not define “property” for this purpose. Proposed Regulations under Section 721 of the Tax Code provide that Section 721’s non-taxable treatment applies to a contribution by a creditor of a partnership liability to the partnership in exchange for an interest therein, except to the extent of any accrued but unpaid interest on such indebtedness (and subject to certain other limitations not applicable to the transactions contemplated by the Plan).

Under this analysis, a U.S. Holder of First Lien Lender Claims would not be required to recognize loss with respect to the exchange and would not recognize gain except with respect to accrued but unpaid interest on the Claims. A U.S. Holder receiving Membership Interests and other consideration would obtain a tax basis in the Membership Interests and other consideration equal to the tax basis of the Claims exchanged therefor, and allocated according to the fair market value of the Membership Interests and other consideration as of the Effective Date. A U.S. Holder would have a holding period for the Membership Interests and other consideration that includes the holding period for the old Claims.

If the receipt of the First Lien Conversion Membership Interests does not qualify as tax-free under Section 721 of the Tax Code, a U.S. Holder of First Lien Lender Claims should be treated as exchanging its Claims for Membership Interests and other consideration in a fully taxable exchange. In that case, the U.S. Holder should recognize gain or loss equal to the difference between (a) the fair market value of the Membership Interests and other consideration received as of the Effective Date that is not allocable to accrued interest, and (b) the U.S. Holder’s tax basis in the First Lien Lenders Claims surrendered by the U.S. Holder.

If the exchange of the First Lien Lenders Claims for the First Lien Conversion Membership Interests and other consideration constitutes a taxable exchange upon which a U.S. Holder of First Lien Lenders Claims must recognize gain or loss for federal income tax purposes, then, subject to the discussion under “*Other Considerations—Accrued Interest*,” below, such gain or loss should be capital in nature and should be long-term capital gain or loss if the First Lien Lenders Claims were held for more than one year by the U.S. Holder. A U.S. Holder’s tax basis in the Membership Interests and other consideration would be equal to the fair market value of the Membership Interests and other consideration as of the Effective Date. A U.S. Holder’s holding period for the Membership Interests and other consideration would begin on the day following the Effective Date.

Because the tax treatment of the satisfaction of the First Lien Lender Claims for the First Lien Conversion Membership Interests is not free from doubt, U.S. Holders of First Lien Lenders Claims are urged to consult their tax advisors regarding the tax consequences of the receipt of Membership Interests.

2. *U.S. Holders of Allowed Second Lien Note Claims (Class 4A-4E) and Allowed Unsecured Claims (Class 5A-5J)*

(a) Receipt of New Common Stock or Cash

Pursuant to the Plan, on the Effective Date, all Claims other than the First Lien Lender Claims and any Claim not otherwise subject to discharge shall be deemed discharged, including Second Lien Note Claims and the General Unsecured Claims. Holders of Allowed Second Lien Note Claims and Allowed General Unsecured Claims will receive on the Second Closing Date, on a pro rata basis, either New Common Stock in NewCo or Cash pursuant to Sections 4.4 and 4.5 of the Plan as the Equity Distribution (depending on whether less than 50 percent of the Rights Offering Stock is subscribed to by holders of Allowed Second Lien Note Claims and holders of Allowed General Unsecured Claims pursuant to the Rights Offering and whether the Backstop Parties elect to have the Equity Distribution paid in Cash). In addition, holders of Allowed Second Lien Note Claims or Allowed General Unsecured Claims who are Eligible Holders will receive Subscription Rights distributed in connection with the Rights Offering contemplated by the Plan. Holders who are not Eligible Holders will receive a distribution of Cash in an amount equal to such holders' Subscription Rights Equivalent Amount. Finally, holders of Subscription Rights shall be eligible to subscribe for New Common Stock in NewCo.

Concurrently therewith, subject to the terms and conditions of the Backstop Agreement, NewCo will subscribe for and purchase on the Effective Date a number of Membership Interests of Reorganized TER Holdings representing 32.452% of the outstanding Membership Interests on a Fully Diluted Basis, which amount shall be reduced pro rata depending on the number of Subscribed Shares, in consideration for payment of an amount equal to the Rights Offering Proceeds by NewCo to Reorganized TER Holdings.

The U.S. federal income tax treatment of a U.S. Holder of an Allowed Second Lien Note Claim or an Allowed General Unsecured Claim will depend on whether the distribution of the New Common Stock or the distribution of Cash pursuant to the Equity Distribution is being made in satisfaction of the Allowed Second Lien Note Claims and the Allowed General Unsecured Claims.

Any New Common Stock or Cash received pursuant to Sections 4.4 and 4.5 of the Plan on account of the Equity Distribution may be considered in satisfaction of each holder's Allowed Second Lien Note Claims or Allowed General Unsecured Claims. In this case, each U.S. Holder of a Claim would generally recognize gain or loss in respect of its Claim in an amount equal to the difference, if any between (i) the fair market value of the New Common Stock and the amount of Cash received in satisfaction of its claim (other than in respect of accrued but unpaid interest), and (ii) such U.S. Holder's adjusted tax basis in its Claim (other than any basis attributable to accrued but unpaid interest). Subject to the discussion under "*Other Considerations—Accrued Interest*," below, such gain or loss should be capital in nature and should be long-term capital gain or loss if the Claims were held for more than one year by the U.S. Holder. A U.S. Holder's tax basis in the New Common Stock should be equal to the fair market value of the New Common Stock as of the Effective Date. A U.S. Holder's holding period for the New Common Stock should begin on the day following the Second Closing Date.

This treatment is not free from doubt. If the issuance of the New Common Stock or the distribution of Cash pursuant to the Equity Distribution is not treated as made in satisfaction of the Allowed Second Lien Note Claims and the Allowed General Unsecured Claims, then no U.S. Holder of a Second Lien Note Claim or a General Unsecured Claim would receive any distribution under the Plan. Consequently, a U.S. Holder of such Claims may be entitled to a bad debt deduction (for a Claim that is not a "security" for purposes of Section 165(g) of the Tax Code) or a worthless securities deduction (for a Claim that is a security for

purposes of Section 165(g)). The amount of any such deductions would be limited to the U.S. Holder's tax basis in the indebtedness or equity interest underlying its Claim. The rules governing the timing and amount of such deductions place considerable emphasis on the facts and circumstances of the holder, the obligor, and the instrument with respect to which a deduction is claimed. U.S. Holders of Allowed Second Lien Note Claims and Allowed General Unsecured Claims, therefore, are urged to consult their tax advisors with respect to their ability to claim such deductions. U.S. Holders of Allowed Second Lien Note Claims and Allowed General Unsecured Claims would recognize ordinary income in the amount of the fair market value of the New Common Stock or the amount of Cash received pursuant to Sections 4.4 and 4.5 of the Plan on account of the Equity Distribution.

(b) Distributions and Sales or other Taxable Dispositions of New Common Stock.

A U.S. Holder of New Common Stock generally will be required to include in gross income as ordinary dividend income the amount of any distributions paid on the New Common Stock to the extent such distributions are paid out of NewCo's current or accumulated earnings and profits as determined for federal income tax purposes. Distributions not treated as dividends for federal income tax purposes will constitute a return of capital and will first be applied against and reduce a U.S. Holder's adjusted tax basis in the New Common Stock, but not below zero. Any excess amount will be treated as gain from a sale or exchange of the New Common Stock. U.S. Holders that are treated as corporations for federal income tax purposes may be entitled to a dividends received deduction with respect to distributions out of NewCo's earnings and profits.

A U.S. Holder of New Common Stock will recognize gain or loss upon the sale or other taxable disposition of New Common Stock equal to the difference between the amount realized upon the disposition and such U.S. Holder's adjusted tax basis in the New Common Stock. Subject to the rules discussed in "*Other Considerations—Market Discount*," below, and the recapture rules under Section 108(e)(7) of the Tax Code, any such gain or loss generally will be capital gain or loss, and will be long-term capital gain or loss if the U.S. Holder has held the New Common Stock for more than one year as of the date of disposition. Under the Section 108(e)(7) recapture rules, a U.S. Holder may be required to treat gain recognized on the taxable disposition of the New Common Stock as ordinary income if the U.S. Holder took a bad debt deduction with respect to its Claims. U.S. Holders should consult their tax advisors regarding the applicable tax rates and netting rules for capital gains and losses. There are limitations on the deduction of capital losses by both corporate and noncorporate taxpayers.

3. *U.S. Holders of Other Claims and Equity Interests.*

All Claims other than the First Lien Lender Claims and any Claim not otherwise subject to discharge under the Plan shall be deemed discharged. In addition, the Plan provides that, on the Effective Date, holders of the Equity Interests in TER, holders of the Equity Interests in TER Holdings, and holders of the Subsidiary Equity Interests shall have their respective Equity Interests cancelled. The U.S. Holders of discharged Claims or cancelled Equity Interests may be entitled to claim a worthless securities deduction in an amount equal to the U.S. Holder's adjusted basis in the Claim or Equity Interest. A worthless securities deduction is generally treated as a loss from the sale or exchange of a capital asset. U.S. Holders should consult their own tax advisers as to the appropriate tax year in which to claim a worthless securities deduction.

4. *Ownership and Disposition of Membership Interests in Reorganized TER Holdings*

Under current Treasury Regulations, a domestic entity that has two or more members and that is not organized as a corporation under U.S. federal or state law will generally be classified as a partnership for federal income tax purposes, unless it elects to be treated as a corporation. Pursuant to the Plan and the LLC Agreement, no election may be made for Reorganized TER Holdings to be classified as a corporation for federal income tax purposes without the prior written consent of Beal Bank, which may be withheld in its sole discretion. Thus, Reorganized TER Holdings will be treated as a partnership for U.S. federal income tax purposes.

Under the “publicly traded partnership” provisions of the Tax Code, an entity that would otherwise be treated as a partnership whose interests are considered to be publicly traded and does not meet a qualifying income test will be taxable as a corporation. The LLC Agreement will prohibit the transfer of Membership Interests in Reorganized TER Holdings that would jeopardize the status of Reorganized TER Holdings as a partnership for federal income tax purposes except pursuant to a Permitted Transfer as defined therein. Any purported transfer that is not a Permitted Transfer as defined in the LLC Agreement will be null and void and would not be recognized by Reorganized TER Holdings.

As a partnership, Reorganized TER Holdings itself will not be subject to federal income tax. Instead, Reorganized TER Holdings will file an annual partnership information return with the IRS which will report the results of Reorganized TER Holdings’s operations. Each Reorganized TER Holdings member (a “*Member*”) will be required to report on its federal income tax return, and will be subject to tax in respect of, its distributive share of each item of Reorganized TER Holdings’s income, gain, loss, deduction and credit for each taxable year of Reorganized TER Holdings ending with or within the Member’s taxable year. Each item generally will have the same character as if the Member had realized the item directly. Members will be required to report these items regardless of the extent to which, or whether, they receive cash distributions from Reorganized TER Holdings for such taxable year, and thus may incur income tax liabilities in excess of any distributions from Reorganized TER Holdings.

A Member is allowed to deduct its allocable share of Reorganized TER Holdings losses (if any) only to the extent of such Member’s adjusted tax basis (discussed below) in its Membership Interest at the end of the taxable year in which the losses occur. In addition, various other limitations in the Tax Code may significantly limit a Member’s ability to deduct its allocable share of deductions and losses of Reorganized TER Holdings against other income.

Reorganized TER Holdings will provide each Member with the necessary information to report its allocable share of Reorganized TER Holdings’s tax items for federal income tax purposes. However, no assurance can be given that Reorganized TER Holdings will be able to provide such information prior to the initial due date of the Members’ federal income tax return and the Members may therefore be required to apply to the IRS for an extension of time to file their tax returns.

Under the LLC Agreement, the Board will decide how items will be reported on Reorganized TER Holdings’s federal income tax returns, and all Members will be required under the Tax Code to treat the items consistently on their own returns, unless they file a statement with

the IRS disclosing the inconsistency. In the event that the income tax returns of Reorganized TER Holdings are audited by the IRS, the tax treatment of Reorganized TER Holdings income and deductions generally will be determined at the Reorganized TER Holdings level in a single proceeding, rather than in individual audits of the Members. The LLC Agreement provides that Beal Bank will be the "Tax Matters Partner" for Reorganized TER Holdings, as such term is defined in Section 6231(a)(7) of the Tax Code. The Tax Matters Partner will have considerable authority under the Tax Code and the LLC Agreement to make decisions affecting the tax treatment and procedural rights of all Members.

A Member generally will not recognize gain or loss on the receipt of a distribution of cash or property from Reorganized TER Holdings (provided that the Member is not treated as exchanging such Member's share of Reorganized TER Holdings's "unrealized receivables" and/or certain "inventory items" (as those terms are defined in the Tax Code, and together "ordinary income items") for other partnership property). A Member, however, will recognize gain on the receipt of a distribution of money and, in some cases, marketable securities, from Reorganized TER Holdings (including any constructive distribution of money resulting from a reduction of the member's share of the indebtedness of Reorganized TER Holdings) to the extent such cash distribution or the fair market value of such marketable securities distributed exceeds such Member's adjusted tax basis in its Membership Interest. Such distribution would be treated as gain from the sale or exchange of a Membership Interest.

A Member will recognize gain on the complete liquidation of its Membership Interest only to the extent the amount of money received exceeds its adjusted tax basis in its interest. Distributions of certain marketable securities are treated as distributions of money for purposes of determining gain. Any gain recognized by a Member on the receipt of a distribution from the Partnership generally will be capital gain, but may be taxable as ordinary income, either in whole or in part, under certain circumstances. No loss can be recognized on a distribution in liquidation of a Membership Interest, unless the Member receives no property other than money and ordinary income items.

A Member's adjusted tax basis in its Membership Interest generally will be equal to such Member's initial tax basis, increased by the sum of (i) any additional capital contribution such Member makes to Reorganized TER Holdings, (ii) the Member's allocable share of the income of Reorganized TER Holdings, and (iii) increases in the Member's allocable share of the indebtedness of Reorganized TER Holdings, and reduced, but not below zero, by the sum of (iv) the Member's allocable share of the losses of Reorganized TER Holdings, and (v) the amount of money or the adjusted tax basis of property distributed to such Member, including constructive distributions of money resulting from reductions in such Member's allocable share of indebtedness of Reorganized TER Holdings.

A sale of all or part of a Member's interest will result in the recognition of gain or loss in an amount equal to the difference between the amount of the sales proceeds or distribution (including any constructive distribution) and such Member's adjusted tax basis for the portion of the interest disposed of. Any gain or loss recognized with respect to such a sale generally will be treated as capital gain or loss, and will be long-term capital gain or loss if the interest has been held for more than one year, except to the extent that the proceeds of the sale are attributable to a Member's allocable share of certain ordinary income items of Reorganized TER Holdings and such proceeds exceed the Member's adjusted tax basis attributable to such ordinary income items. A Member's ability to deduct any loss recognized on the sale of its Membership

Interest will depend on the member's own circumstances and may be restricted under the Tax Code.

Each U.S. Holder who is a Member of Reorganized TER Holdings is urged to consult its tax advisor regarding the tax consequences of owning and disposing of Membership Interests in Reorganized TER Holdings.

5. Other Considerations.

Accrued Interest. To the extent a U.S. Holder of a Claim receives consideration that is attributable to unpaid accrued interest on such Claim, such U.S. Holder may be required to treat such consideration as a payment of interest. There is general uncertainty regarding the extent to which the receipt of Cash or other property should be treated as attributable to unpaid accrued interest. The Plan provides that consideration received in respect of a Claim is allocable first to the principal amount of the Claim (as determined for U.S. federal income tax purposes) and then, to the extent of any excess, to the remainder of the Claim, including any Claim for accrued but unpaid interest (in contract, for example, to a pro rata allocation of a portion of the consideration received between principal and interest, or an allocation first to accrued but unpaid interest). *See* Section 6.10 of the Plan. The Service, however, could take a contrary position.

To the extent any property received pursuant to the Plan is considered attributable to unpaid accrued interest, a U.S. Holder will recognize ordinary income to the extent the value of the property exceeds the amount of unpaid accrued interest previously included in gross income by the U.S. Holder. A U.S. Holder's tax basis in such property should be equal to the amount of interest income treated as satisfied by the receipt of the property, and its holding period in the property should begin on the day after the Effective Date. A U.S. Holder generally will be entitled to recognize a loss to the extent any accrued interest previously included in its gross income is not paid in full. U.S. HOLDERS SHOULD CONSULT THEIR TAX ADVISORS REGARDING THE EXTENT TO WHICH CONSIDERATION RECEIVED UNDER THE PLAN SHOULD BE TREATED AS ATTRIBUTABLE TO UNPAID ACCRUED INTEREST.

Market Discount. A U.S. Holder will be considered to have acquired a Claim at a market discount if its tax basis in the Claim immediately after acquisition is less than the sum of all amounts payable thereon (other than payments of qualified stated interest) after the acquisition date, subject to a statutorily-defined *de minimis* exception. Market discount generally accrues on a straight line basis from the acquisition date over the remaining term of the obligation or, at the U.S. Holder's election, under a constant yield method. A U.S. Holder that acquired a Claim at a market discount previously may have elected to include the market discount in income as it accrued over the term of the Claim.

A holder that acquires a debt instrument at a market discount generally is required to treat any gain realized on the disposition of the instrument as ordinary income to the extent of accrued market discount not previously included in gross income by the holder. However, special rules apply to the disposition of a market discount obligation in certain types of non-recognition transactions, such as an exchange under Section 721 of the Tax Code. Under these rules, a U.S. Holder that acquired a Claim at a market discount generally should not be required to recognize any accrued market discount as income at the time of the exchange. Rather, on a subsequent taxable disposition of the Membership Interest received in the exchange, any

gain realized by the U.S. Holder on such a disposition will be ordinary income to extent market discount accrued on the Claim prior to the exchange.

Amortizable Bond Premium. Generally if a holder's initial tax basis in a debt instrument is greater than the sum of all amounts payable on the debt instrument (other than payments of qualified stated interest) after the acquisition date, the holder generally will be considered to have acquired the debt instrument with amortizable bond premium. A U.S. Holder that acquired a Claim at a premium may have elected to amortize the premium over the term of the Claim. A U.S. Holder that elected to amortize the bond premium on a Claim should have reduced its tax basis in the Claim by the amount of amortized bond premium used to offset interest income and may, in certain circumstances, be entitled to a deduction for any unamortized bond premium in the taxable year of the exchange.

6. *Backup Withholding and Information Reporting.*

A U.S. Holder may be subject to backup withholding at the applicable tax rate (currently 28%) with respect to payments of interest (including accruals of original issue discount) and any other reportable payments, possibly including amounts received pursuant to the Plan and payments of proceeds from the sale, retirement or other disposition of the New Common Stock, unless such U.S. Holder (x) is a corporation or comes within certain other exempt categories and, when required, demonstrates this fact or (y) provides a correct taxpayer identification number ("*TIN*") on Service Form W-9 (or a suitable substitute form), certifies as to no loss of exemption from backup withholding and complies with applicable requirements of the backup withholding rules. An otherwise exempt U.S. Holder may be subject to backup withholding if, among other things, the U.S. Holder (i) fails to properly report payments of interest and dividends or (ii) in certain circumstances, has failed to certify, under penalty of perjury, that such U.S. Holder has furnished a correct TIN. U.S. Holders that do not provide a correct TIN may also be subject to penalties imposed by the Service.

Backup withholding is not an additional tax. Rather, the amount of tax withheld will be credited against the U.S. federal income tax liability of persons subject to backup withholding. If withholding results in an overpayment of U.S. federal income taxes, a U.S. Holder may obtain a refund of any excess amounts withheld under the backup withholding rules by timely filing the appropriate claim for refund with the Service.

The Reorganized Debtors (or their paying agent) may be obligated to provide information statements to the Service and to U.S. Holders who receive payments (except with respect to U.S. Holders that are exempt from the information reporting rules, such as corporations). Each U.S. Holder should consult its own tax advisor regarding its qualification for exemption from backup withholding and information reporting and the procedures for obtaining such exemption.

7. *Reportable Transactions.*

Treasury regulations generally require disclosure by a taxpayer on its U.S. federal income tax return of certain types of transactions in which the taxpayer participated, including, among other types of transactions, certain transactions that result in the taxpayer's claiming a loss in excess of certain thresholds. Each U.S. Holder is urged to consult its own tax advisor regarding these regulations and whether the transactions occurring pursuant to the Plan would be subject to these regulations and require disclosure on its tax return.

THE FOREGOING DISCUSSION OF CERTAIN U.S. FEDERAL INCOME TAX CONSIDERATIONS IS FOR GENERAL INFORMATION PURPOSES ONLY AND IS NOT TAX ADVICE. ACCORDINGLY, EACH HOLDER SHOULD CONSULT ITS OWN TAX ADVISOR WITH RESPECT TO THE TAX CONSEQUENCES OF THE PLAN DESCRIBED HEREIN AND THE APPLICATION OF U.S. FEDERAL, STATE, LOCAL AND FOREIGN TAX LAWS.

Conclusion

Beal Bank believes the Plan is in the best interests of all creditors and urges the holders of impaired claims in Class 3A-3J, Class 4A-4E and Class 5A-5J to vote to accept the Plan and to evidence such acceptance by returning their Ballots.
