(d) the aggregate value of the Prepetition ABL Collateral exceeds the aggregate amount of the Prepetition ABL Obligations as of the Petition Date.

7. Findings Regarding the Use of Cash Collateral.

(a) Good cause has been shown for issuance of this Twelfth Supplemental Interim Order. The Debtors do not have available sources of working capital and financing to carry on the operation of their businesses without the use of the Cash Collateral. The Debtors have an immediate need to use the Cash Collateral to enable them to, among other things, continue the operation of their businesses in an orderly manner, maintain business relationships with customers, suppliers and vendors, make payroll, make capital expenditures and satisfy other working capital and operational needs. The access of the Debtors to sufficient working capital and liquidity through the use of Cash Collateral is vital to the preservation and maintenance of the going concern values of the Debtors.

(b) Based on the record presented to the Court at the Interim Hearing, the Second Interim Hearing, the Third Interim Hearing, the Fourth Interim Hearing, the Fifth Interim Hearing, the Sixth Interim Hearing, the Seventh Interim Hearing, the Eighth Interim Hearing, the Ninth Interim Hearing, the Tenth Interim Hearing, the Eleventh Interim Hearing, the Twelfth Interim Hearing, the Thirteenth Interim Hearing and the Final DIP Hearing, the terms of the use of Cash Collateral are fair and reasonable, reflect the Debtors' prudent exercise of business judgment consistent with their fiduciary duties and constitute reasonably equivalent value and fair consideration for the Prepetition ABL Lenders' consent.

(c) The Prepetition ABL Agent, the Prepetition ABL Lenders and the Debtors have negotiated in good faith and at arm's length regarding the Debtors' use of the Cash Collateral to fund the administration of the Debtors' bankruptcy estates and continued operation of their businesses. The Prepetition ABL Agent and the Prepetition ABL Lenders have agreed to permit the Debtors to use the Cash Collateral through the Expiration Date (as defined below) all subject to the terms and conditions set forth in this Twelfth Supplemental Interim Order and in the Prepetition ABL Credit Agreement, including the protection afforded an entity acting in "good faith" under section 363(m) of the Bankruptcy Code.

(d) The Debtors have requested immediate entry of this Twelfth Supplemental Interim Order under Bankruptcy Rule 4001(b)(2) and Local Bankruptcy Rule 4001-2. Use of Cash Collateral under the Tenth Supplemental Interim Order terminates as of March 17, 2010, and unless the relief sought by this Twelfth Supplemental Interim Order is granted, the Debtors' bankruptcy estates will be immediately and irreparably harmed. The use of Cash Collateral in accordance with this Twelfth Supplemental Interim Order and the Prepetition ABL Credit Agreement is in the best interests of the Debtors' bankruptcy estates.

(e) The Prepetition ABL Lenders object to the use by the Debtors of the Prepetition ABL Collateral, including the Cash Collateral, except on the terms of this Twelfth Supplemental Interim Order (or other order that may be issued by the Bankruptcy Court with the consent of the Prepetition ABL Agent and the Prepetition ABL Lenders). The Prepetition ABL Lenders are entitled, under section 363(e) of the Bankruptcy Code, to adequate protection of their interest in the Prepetition ABL Collateral to the extent of diminution in value, including for the use of Cash Collateral; the use, sale, lease, depreciation or other diminution in value of the Prepetition ABL Collateral other than the Cash Collateral; and the imposition of the automatic stay under section 362 of the Bankruptcy Code. The Prepetition Term Agent and the Prepetition Term Lenders are entitled to adequate protection of their interests in the Prepetition Term Collateral to the extent of any diminution in the value of their interests in the Prepetition Term Collateral resulting from the use thereof by the Debtor, or the effect of the automatic stay, if any, but, in any case, only to extent permissible under the Intercreditor Agreement.

8. *The Cash Collateral.*

(a) Deposited Funds. To the extent any funds were on deposit with the Prepetition ABL Agent, or were on deposit with any financial institution subject to the Prepetition ABL Security Documents as of the Petition Date (regardless of whether, at that time, those funds had been collected or made available for withdrawal by any Debtor), those funds (“**Deposited Funds**”) are subject to rights of setoff in favor of the Prepetition ABL Agent to the extent set forth in the Prepetition ABL Credit Agreement or as provided by applicable law. By virtue of those setoff rights and section 553 of the Bankruptcy Code, the Prepetition ABL Obligations are secured by the Deposited Funds for the purposes of these Cases under section 506(a) of the Bankruptcy Code.

(b) Cash Collateral. The Debtors' cash, including all cash and other amounts on deposit or maintained in any account subject to control in favor of the Prepetition ABL Agent or Prepetition ABL Lenders, including but not limited to deposit accounts subject to a deposit account control agreement with the Prepetition ABL Agent or in the concentration accounts maintained with the Prepetition ABL Agent (or any of their respective affiliates) (collectively, the "**Collateral Accounts**") and any proceeds of the Prepetition ABL Collateral (including the Deposited Funds or any other funds on deposit at any other institution as of the Petition Date), are "cash collateral" of the Prepetition ABL Lenders within the meaning of section 363(a) of the Bankruptcy Code. The Debtors' cash, the Deposited Funds, the funds in the Collateral Accounts, all proceeds of Prepetition ABL Collateral and any other Prepetition ABL Collateral (but excluding any proceeds of the Term Loan Priority Collateral), constitutes the Prepetition ABL Lenders' cash collateral within the meaning of Bankruptcy Code §363(a) and are referred to as "**Cash Collateral.**" For the purposes of clarity, DIP Proceeds (as such term is defined in the DIP Order) do not constitute Cash Collateral.

(c) Prepetition Term Lenders' Claimed Cash Collateral. Prepetition Term Agent and the Prepetition Term Lenders and the Debtors have agreed upon and the Court has entered the Term Cash Collateral Order, which governs the Debtors' use of any proceeds of the Term Loan Priority Collateral ("**Term Cash Collateral**"). Subject to the Intercreditor Agreement, the Prepetition ABL Lenders reserve all rights and arguments with respect to the Term Cash Collateral. The segregation of, or failure to segregate alleged Term Cash Collateral pursuant to the Term Cash Collateral Order shall not be deemed to support or vitiate the classification of such claimed Term Cash Collateral as Term Priority Collateral or ABL Priority

Collateral, the classification of which shall in all cases be governed by the Intercreditor Agreement.

9. *Use of Cash Collateral.* Subject to compliance with the Budget (defined below) and the terms and conditions of this Twelfth Supplemental Interim Order and in the Prepetition ABL Credit Agreement (other than with respect to reimbursement obligations of Letters of Credit provisions), the Debtors are authorized, during the period from the Petition Date through and including the Expiration Date (defined below) to (i) use the Cash Collateral generated from the operation of the Debtors' businesses in the ordinary course through the collection of accounts receivable and the proceeds of other Prepetition ABL Collateral; (ii) use the Cash Collateral in the Collateral Accounts, subject to the limitations and adjustments contained in this Twelfth Supplemental Interim Order for the purposes authorized pursuant to the Budget or under the terms of this Twelfth Supplemental Interim Order; (iii) subject to the terms of this Twelfth Supplemental Interim Order, use up to no more than \$20,000,000 of Cash Collateral in accordance with the Currency Contracts Order (as defined below) to provide credit support under the Currency Contracts ("**Permitted Currency Contract Deposits**") as defined in the Order Authorizing The Debtors To Enter Into And Provide Credit Support Under Currency Contracts entered November 12, 2009 (the "**Currency Contracts Order**"); and (iv) subject to the terms of this Twelfth Supplemental Interim Order, use up to no more than \$40,000,000 of Cash Collateral ("**Permitted DIP LC Deposits**") for the purposes of securing DIP Letter Of Credit Obligations as defined in the "Order Approving Post-Petition Secured Letter Of Credit Facility And Authorizing The Debtors To Pay Certain Fees And Costs Related Thereto" entered November 12, 2009 (the "**DIP LC Order**"). The term "**Expiration Date**" means the earlier of (x) April 14, 2010 or, such later date to which the Prepetition ABL Lenders who hold amounts of the

Prepetition ABL Obligations sufficient to issue such a consent pursuant to the Prepetition ABL Credit Agreement (the "**Required Prepetition ABL Lenders**"), may consent in writing, or (y) the date specified as the expiration date in any notice of an Event of Default (as defined below) delivered by the Prepetition ABL Agent (acting at the direction of the Required Prepetition ABL Lenders) to the Debtors, the Prepetition Term Agent, the Office of the United States Trustee, and the Committee appointed in these Cases, which Expiration Date must be at least three (3) Business Days (the first day after the date considered which is not a Saturday, Sunday, or Federally observed holiday being defined as a "**Business Day**") after delivery of such notice. The Debtors must use any cash (except Term Cash Collateral, if any Term Cash Collateral exists) that is not Cash Collateral before using Cash Collateral, and any non-Cash Collateral must be used only for the same purposes as permitted for Cash Collateral in accordance with the terms and conditions of this Twelfth Supplemental Interim Order and the Budget. If Required Prepetition ABL Lenders and the Debtors consent to an extension of the Expiration Date, they shall notify the Committee and the Prepetition Term Agent. The Required Prepetition ABL Lenders and the Debtors may mutually consent to one or more extensions of the Expiration Date of this Twelfth Supplemental Interim Order (or a subsequent Supplemental Interim Order) or to the modification of the Budget. The Committee or the Prepetition Term Agent may object to the extension of the Expiration Date established by a Final Order (or a subsequent Supplemental Interim Order) or to the modification of the Budget within 3 Business Days thereafter, and the Debtors may move on 4 Business Days' notice to the Committee and the Prepetition Term Agent for an Order authorizing the extension of the Expiration Date or approval of the Budget as modified.

(b) Notwithstanding the provisions of any order entered in these Cases, the Debtors' expenditures of Cash Collateral shall be governed by this Twelfth Supplemental Interim Order and the Budget, subject to the Variance; provided, however, that the Debtors may pay the (i) reasonable fees and expenses of the Original Prepetition ABL Agent incurred during the term of its appointment, and (ii) reasonable fees and expenses of the Successor Prepetition ABL Agent incurred during the term of its appointment.

(x) From and after entry of this Twelfth Supplemental Interim Order, on the 30th day after the close of each month (if a Business Day, otherwise extended to the next Business Day), Debtors shall deliver to the Prepetition ABL Agent, Prepetition ABL Lenders, the Prepetition Term Agent and the Committee a report reflecting the age of the Debtors' accounts receivable listed by account debtor as of the close of the prior month; provided, however, that for any month that is the close of a fiscal quarter such report will be provided by the 60th day after the close of the month.

(xi) From and after entry of this Twelfth Supplemental Interim Order, on the 30th day after the close of each month (if a Business Day, otherwise extended to the next Business Day), Debtors shall deliver to the Prepetition ABL Agent, Prepetition ABL Lenders, the Prepetition Term Agent and the Committee an accounts payable aging report by vendor identifying post-Petition payables accrued at the time of the close of the prior month; provided, however, that for any month that is the close of a fiscal quarter such report will be provided by the 60th day after the close of the month.

(xii) On the 30th day after the close of each month (if a Business Day, otherwise extended to the next Business Day) the Debtors shall provide to the Prepetition ABL Agent, Prepetition ABL Lenders, the Prepetition Term Agent and the Committee, internal basis (i.e., not GAAP-compliant) financial statements for the prior month in the format provided by the Debtors pursuant to the Prepetition ABL Credit Agreement prior to the Petition Date; provided, however, that for any month that is the close of a fiscal quarter such financial statements will be provided by the 60th day after the close of the month.

(xiii) Any and all reports given or provided under the Term Cash Collateral Order, contemporaneously with the delivery thereof to the Prepetition Term Agent or the Prepetition Term Lenders.

(xiv) Any and all reports given or provided under any Permitted DIP Financing, contemporaneously with the delivery thereof to the Administrative Agent thereof or the lenders under such Permitted DIP Financing.

(xv) The Required Prepetition ABL Lenders and the Committee are each permitted to retain expert consultants, counsel, and financial advisors as reasonably required under the circumstances, and the Debtors shall be responsible, jointly and severally for paying the reasonable invoiced expenses of such expert consultants and financial advisors, as, with respect to the Required Prepetition ABL Lenders, to the extent set forth in the Prepetition ABL Credit Agreement. The Debtors will permit the expert consultants, counsel, of financial advisors retained by the Required Prepetition ABL Lenders and the Committee to have reasonable access to the Debtors' premises and non privileged records during normal business hours upon reasonable notice and will cooperate, consult with and provide the Required Prepetition ABL Lenders' and the Committee's consultants and advisors all non-privileged information and reports as may be reasonably requested by their respective consultants and advisors. (Sub-paragraphs 10(b)(i)–(xv), collectively, the “**Reporting Requirements**”).

(c) Approved Variance to the Budget and Projections:

(i) Cash Flow. As measured commencing with results shown for the second Post-Petition week of the Budget, as shown in the Budget Variance Reports and Monthly Variance Reports provided, and as reported and measured weekly thereafter at the times set forth in subclause b above, the Debtors' actual cumulative net cash flow for the two (2) full weekly periods preceding and inclusive of the weekly period being considered, divided by two (2), shall not be less than 90% of the cumulative net cash flow set forth on the Budget for the two (2) full weekly periods immediately preceding the weekly period being considered, divided by two (2) (the “Variance”).

(d) Compliance with Budget and Variance. Subject to the Variance, and unless otherwise ordered by the Court after notice and a hearing, the Debtors shall comply with the Budget. The Budget was prepared by the Debtors and it represents the Debtors' actual good faith projection of its net cash flow (including cash receipts and cash disbursements), expenditures (accounts payable) and collateral values post-petition, and the Monthly Cash Collateral Forecast will present the Debtors' actual good faith forecast of their anticipated Cash Collateral needs under this Twelfth Supplemental Interim Order and the effect, giving effect to such anticipated Cash Collateral usage, on the Collateral Base. The intent and purpose of the Budget is to provide a standard for determining whether the financial performance of the Debtors meet the criteria of the Prepetition ABL Agent and the Prepetition ABL Lenders, for purposes of determining whether there has been a default such that the use of Cash Collateral under this Twelfth Supplemental Interim Order should terminate and Prepetition ABL Agent and the Required Prepetition ABL Lenders, should be free to pursue default remedies under the terms of this Twelfth Supplemental Interim Order. Unless the Court orders otherwise after notice and a hearing, the Debtors will not use any Cash Collateral to fund the operations or expenditures of any non-debtor affiliate except in the ordinary course of the Debtors' businesses (i.e., LERA and Maquilladora payments) in accordance with the Budget, and as otherwise agreed in writing by the Required Prepetition ABL Lenders.

(e) Debtors agree with the Prepetition ABL Agent and the Prepetition ABL Lenders that: (i) the Debtors shall not enter into any Currency Contract if immediately after giving effect to such Currency Contract the Debtors would be required to grant security interests to third-parties in, or post or deposit with third-parties, cash collateral and other assets of the Debtors of more than \$20.0 million in aggregate as security for all then outstanding Currency

Contracts; and (ii) if at any time such aggregate security nonetheless does exceed \$20.0 million, the Debtors shall use commercially reasonable efforts to reach agreement with one or more Counterparties to terminate one or more Currency Contracts (or individual transactions thereunder) so as to reduce such aggregate security to an amount less than or equal to \$20.0 million within 30 days of such aggregate security first exceeding such amount.

(f) [Reserved].

(g) Each party performing Banking Services (defined in the Prepetition ABL Credit Agreement) is authorized to comply with any instructions originated by the Prepetition ABL Agent directing disposition of funds, without further consent of the applicable Debtor, including instructions delivered by the Prepetition ABL Agent (acting at the written direction of the Required Prepetition ABL Lenders) to a party performing Banking Services before the Petition Date. The Debtors and the financial institutions where the Debtors' cash collection accounts are maintained are authorized to implement and/or continue in accordance with the Prepetition ABL Loan Documents daily cash sweeps from the cash collection accounts to Collateral Accounts. The automatic stay is modified and vacated to permit the actions permitted under this Twelfth Supplemental Interim Order. Except as otherwise provided in this Twelfth Supplemental Interim Order or in any other Order, the Debtors shall maintain their pre-Petition Date cash management and accounts receivable collection systems, including the Collateral Accounts.

11. *Adequate Protection.* The Prepetition ABL Agent, the Prepetition ABL Lenders and their affiliates are entitled to adequate protection of their interest in the Prepetition ABL Collateral, including the Cash Collateral, under section 363(e) of the Bankruptcy Code, for and

equal in amount to the aggregate diminution in the value of the Prepetition ABL Lenders' interest in the Prepetition ABL Collateral, including any diminution resulting from (x) the Debtors' use of the Cash Collateral under section 363(c) of the Bankruptcy Code, (y) the sale, lease or use by the Debtors (or other decline in value) of the Prepetition ABL Collateral, and/or (z) the imposition of the automatic stay under section 362 of the Bankruptcy Code (the amounts of any diminution are "**ABL Adequate Protection Obligations**"). As adequate protection, the Debtors grant the following:

(a) Prepetition ABL Secured Parties' Adequate Protection Liens. To secure the ABL Adequate Protection Obligations, the Debtors grant to the Prepetition ABL Agent (for the benefit of the Prepetition ABL Lenders) (effective and perfected retroactively to the Petition Date and without the necessity of execution by the Debtors of mortgages, security agreements, pledge agreements, financing statements or other agreements) a valid, binding, enforceable and perfected replacement security interest in, and lien on ("**Adequate Protection ABL Liens**"), all of the Debtors' right, title and interest in, to and under all present and after-acquired property and proceeds of the Debtors of the nature and type of the Prepetition ABL Collateral, including the ABL Priority Collateral, Common Collateral and Term Loan Priority Collateral (each term having the meaning defined in the Intercreditor Agreement), and including all cash (except DIP Proceeds) and cash collateral of the Debtors (whether maintained with the Prepetition ABL Agent, any Prepetition ABL Lenders or other financial institution), whether now existing or later acquired and all assets in or on which the Prepetition ABL Agent was granted liens pursuant to the DIP Order (collectively, "**Postpetition ABL Collateral**," which, for the avoidance of doubt, excludes property owned by Texas Instruments Incorporated and provided to the Debtors on a consignment basis). Subject to the Carve Out (as defined below) the Adequate Protection ABL

Liens granted to the Prepetition ABL Agent (for the ratable benefit of the Prepetition ABL Lenders) shall be (x) a first priority, senior and perfected lien on that portion of the Postpetition ABL Collateral of the same nature as the ABL Priority Collateral (as that term is defined in the Intercreditor Agreement) that is not subject to a validly perfected lien or security interest, with priority over the Prepetition ABL Agent's liens on the Prepetition ABL Collateral and Common Collateral as of the Petition Date and (y) second priority, junior perfected lien on Postpetition ABL Collateral of the same nature and to the same extent as the Prepetition ABL Collateral that is subject to a lien that is senior to the liens securing the Prepetition ABL Obligations (e.g., Term Loan Priority Collateral, as defined in the Intercreditor Agreement, or as provided in the DIP Order), provided, however, that the Adequate Protection ABL Liens shall not include Avoidance Actions (as defined below) and the proceeds thereof;

(b) Term Secured Parties' Adequate Protection Liens. To secure the diminution, if any, in the Prepetition Term Lenders' subordinate interests in the Cash Collateral (the amount of any diminution are, "**Term Adequate Protection Obligations**"), the Debtors hereby grant a valid, enforceable, binding and perfected adequate protection lien, which shall be subject and subordinate to the Adequate Protection ABL Liens and the Prepetition ABL Liens, on that portion of the Postpetition ABL Collateral that is of the same nature as the ABL Priority Collateral to the Prepetition Term Agent, for the benefit of the Prepetition Term Lenders (the "**Adequate Protection Term Liens**" and together with the Adequate Protection ABL Liens, the "**Adequate Protection Liens**"). The Adequate Protection Term Liens shall be entitled to distributions on the same basis and subject to the same limitations that are provided in the DIP Order and the Intercreditor Agreement, provided, however, that the Adequate Protection Term Liens shall not include Avoidance Actions and the proceeds thereof.

(c) The rights of the Prepetition Term Agent and the Prepetition Term Lenders and the Prepetition ABL Agent and the Prepetition ABL Lenders to seek or exercise any rights or remedies (whether in these Cases or any subsequently converted cases) relating to the Adequate Protection Liens and other liens granted in this Twelfth Supplemental Interim Order shall be governed by the Intercreditor Agreement;

(d) In the event of a conflict between the extent and priority of the liens granted to the Prepetition ABL Secured Parties pursuant to subparagraph 11(a) and the extent and priority of the liens granted to the Prepetition Term Secured Parties pursuant to subparagraph 11(b), or pursuant the Term Cash Collateral Order, the terms of the Intercreditor Agreement shall control. For the avoidance of doubt, any property and proceeds of the Debtors of whatever nature that were not Common Collateral as defined in the Intercreditor Agreement (“**Unencumbered Assets**”) prior to the Petition Date shall not be encumbered by the Adequate Protection ABL Lien or the Adequate Protection Term Lien granted herein or in any such Term Cash Collateral Order. Debtors agree that they will not pledge, hypothecate or otherwise encumber any Unencumbered Assets except in connection with a Permitted DIP Financing.

(e) *Section 507(b) Claims.* The ABL Adequate Protection Obligations and Term Adequate Protection Obligations shall constitute, subject in each case to the payment of the Carve Out on the terms specified in this Twelfth Supplemental Interim Order, superpriority claims as provided in section 507(b) of the Bankruptcy Code in favor of (i) the Prepetition ABL Agent and the Prepetition ABL Lenders (and their affiliates) and (ii) the Prepetition Term Agent and the Prepetition Term Lenders (and their affiliates), with priority in payment (but subject, in each case, to the payment of the Carve Out) over any and all administrative expenses of the kinds specified or ordered under any provision of the Bankruptcy Code, including sections 105, 326,

328, 330, 331, 503, 506(c)(subject in the case of §506(c) to a Final Order), 507(a), 552, 726, 1113 or 1114 of the Bankruptcy Code, and at all times senior to the rights of the Debtors, any successor trustee or any creditor in these Cases or, to the extent permitted by applicable law, any subsequent proceedings under the Bankruptcy Code (the “**507(b) Claims**”). No cost or expense of administration under sections 105, 503(b), 507(b) or otherwise, including any such cost or expense resulting from the conversion of these Cases under section 1112 of the Bankruptcy Code arising or accruing prior to the Expiration Date may be senior to, or pari passu with, the 507(b) Claims of the Prepetition ABL Agent and the Prepetition Term Agent. Any 507(b) Claims that exist on account of the diminution in value of the Prepetition ABL Agent’s and the Prepetition ABL Lenders’ interest in the Term Loan Priority Collateral shall be subordinate to (i) the Carve Out (ii) to the Prepetition Term Agent’s and Prepetition Term Lenders’ claims under section 364(c)(1) or section 507(b) of the Bankruptcy Code, if any, relating to the diminution in value, if any, of the Prepetition Term Lenders’ interest in the Term Loan Priority Collateral which constitutes Term Loan Priority Collateral and (iii) the DIP Agent’s and DIP Lenders’ claims under section 364 (c)(1) of the bankruptcy Code pursuant to the DIP Order. Any 507(b) Claims that exist on account of the diminution in value of the Prepetition Term Agent’s and the Prepetition Term Lenders’ interest in the Prepetition ABL Priority Collateral shall be subordinate to the Carve Out and to any claim under section 507(b) of the Bankruptcy Code, if any, in favor of the Prepetition ABL Agent relating to the diminution in value, if any, of the Prepetition ABL Lenders’ interest in the Prepetition ABL Priority Collateral and, pursuant to the DIP Order, to DIP Agent’s and DIP Lenders section 364(c)(1) claim. As between (i) the Prepetition ABL Agent and the Prepetition ABL Lenders (and their affiliates), (ii) the Prepetition Term Agent and the Prepetition Term Lenders (and their affiliates), and (iii) the DIP Agent and the DIP Lenders,

the 507(b) Claims of the ABL Adequate Protection Obligations and Term Adequate Protection Obligations, and the Section 364(c)(1) claims of the DIP Agent and the DIP Lenders shall have the rights and relative priorities as provided in the Intercreditor Agreement;

(f) *Interest, Fees and Expenses.* As further adequate protection for the Debtors' incurrence of ABL Adequate Protection Obligations, the Prepetition ABL Agent (for the benefit of the Prepetition ABL Lenders and any of their affiliates and the Prepetition ABL Issuing Bank under the Prepetition ABL Credit Agreement) will receive from the Debtors (i) to the extent not previously paid pursuant to the Interim Orders, within one Business Day after the entry of this Order, payment of all billed, accrued and unpaid interest on the Prepetition ABL Obligations for the period ending on the Petition Date at the rates applicable immediately before the Petition Date under the Prepetition ABL Loan Documents and all billed, accrued and unpaid letter of credit fees for the period ending on the Petition Date at the rate applicable immediately before the Petition Date under the Prepetition ABL Credit Agreement; (ii) from time to time after the Petition Date, and in no event later than five business days after Debtors' receipt of an invoice therefor, current cash payment of all accrued and unpaid fees and expenses incurred before the Petition Date and all fees and expenses incurred after the Petition Date payable to the Prepetition ABL Agent, the Prepetition ABL Lenders, the Prepetition ABL Issuing Bank or any of their respective affiliates under the Prepetition ABL Loan Documents, including the reasonable fees and disbursements of counsel, financial advisors and other consultants for the Prepetition ABL Agent or the Required Prepetition ABL Lenders, promptly after receipt of invoices from these professionals; and (iii) on the first business day of each month, current cash payment of (x) all accrued and unpaid postpetition interest on the Prepetition ABL Obligations at the rate equal to the Alternate Base Rate plus 3% per annum and (y) letter of credit and other

fees at the applicable contract rates applicable on the Petition Date or made applicable thereafter pursuant to the fees customarily charged therefor by the Successor ABL Agent or the Prepetition ABL Issuing Bank, as applicable (collectively, “**Adequate Protection Payments**”), subject, in each case, to (A) the Prepetition ABL Agent’s and Required Prepetition ABL Lenders’ reservation of their rights to assert claims for the payment of any other amounts provided for in the Prepetition ABL Loan Documents, and without prejudice to the rights of any other party to contest these assertions, and (B) the right of the Committee to file a motion on notice to compel the Prepetition ABL Agent’s and Required Prepetition ABL Lenders to apply postpetition payments to reduce the principal amount of the Prepetition ABL Obligations pursuant to 11 U.S.C. §506(b) or to avoid and recover such postpetition payments in the event and to the extent that the liens and security interests securing the Prepetition ABL Obligations are avoided, recovered and preserved for the benefit of the estates herein pursuant to one or more Avoidance Actions (as defined below) and the provisions of Section 22 and 23 of this Twelfth Supplemental Interim Order. None of the fees, costs and expenses payable under this paragraph are subject to separate or prior approval by this Court (but the Court will resolve any dispute as to the reasonableness of any such fees, costs and expenses), and no recipient of these payments shall be required to file a motion or interim or final fee application. The Debtors will provide to the Committee appointed in these Cases and the Office of the United States Trustee, within ten days of receipt, a copy of the monthly invoices for the Prepetition ABL Agent’s and the Required Prepetition ABL Lenders’ professionals, who may object to the reasonableness thereof pursuant to 11 U.S.C. §506(b) by a motion on ordinary notice to the Debtors and Prepetition ABL Agent and the Required Prepetition ABL Lenders. The Committee's objections to Prepetition ABL Agent's or Prepetition ABL Lenders’ or Prepetition ABL Issuing Bank’s professionals' fees and

expenses, if any shall be made no later than the later to occur of (i) thirtieth day after the Expiration Date or (ii) the fifth day after the Debtors provides the Committee with a copy of Prepetition ABL Agent's, Prepetition ABL Issuing Bank's or Prepetition ABL Lenders' professionals' invoices, and any objection not timely made shall be deemed waived.

(g) *Prepayments of DIP Advances.* To the extent that the DIP Order or the DIP Documents require a prepayment of DIP Obligations (as defined in the DIP Order) from the proceeds of any transaction, any proceeds of ABL Priority Collateral that are received by the Debtors as part of such transaction shall be either, at the Debtors' option, (i) applied to reduce the then-outstanding Prepetition ABL Obligations or (ii) be retained by the Debtors as Cash Collateral and used pursuant to the terms of this Twelfth Supplemental Interim Order, but shall not, in any event, be used to pay or reduce DIP Obligations.

(h) *Reporting Requirements.* The Debtors performance of the Reporting Requirements established in paragraph 10(b) of this Twelfth Supplemental Interim Order are also required as a part of the Debtors' performance of their Adequate Protection Obligations.

12. *Carve Out.* For purposes hereof, the "**Carve Out**" shall mean the sum of:

(a) all fees required to be paid to the Clerk of the Bankruptcy Court and to the Office of the United States Trustee under section 1930(a) of title 28 of the United States Code plus interest at the statutory rate (without regard to the notice set forth in subparagraph (c) below) ("**Court and UST Fees**");

(b) fees and expenses up to \$25,000 incurred by a trustee under section 726(b) of the Bankruptcy Code (without regard to the notice set forth in subparagraph (c) below) (the **“Reserved Chapter 7 Trustee Fees”**);

(c) to the extent allowed at any time, whether by interim order, procedural order or otherwise, all unpaid fees and expenses (the **“Professional Fees”**) incurred by persons or firms retained by the Debtors pursuant to section 327, 328 or 363 of the Bankruptcy Code, the Committee, and any other statutory committee hereafter appointed in these Cases (collectively, the **“Professional Persons”**) at any time before or on the first Business Day following delivery by the Prepetition ABL Agent (acting at the written direction of the Required Prepetition ABL Lenders) of a Carve Out Trigger Notice (as defined below), whether allowed by the Bankruptcy Court prior to or after delivery of a Carve Out Trigger Notice (**“Allowed Pre-Trigger Notice Fees”**);

(d) after the first Business Day following delivery by the Prepetition ABL Agent (acting at the written direction of the Required Prepetition ABL Lenders) of the Carve Out Trigger Notice, to the extent allowed at any time, whether by interim order, procedural order or otherwise, the payment of Professional Fees of Professional Persons (**“Post-Carve Out Trigger Notice Professional Fees”**) in an aggregate amount not to exceed \$15 million (the amounts set forth in this clause (d) being the **“Post-Carve Out Trigger Notice Cap”**), provided that the Post-Carve Out Trigger Notice Professional Fees shall not include any success, transaction or completion fee or any other similar fee of any Professional Persons retained by the Committee; and

(e) For the avoidance of doubt, the Carve Out provided in this Twelfth Supplemental Interim Order, the Carve Out provided in the Term Cash Collateral Order and the Carve Out provided in the DIP Order constitute a single Carve Out.

13. For purposes of the foregoing, “**Carve Out Trigger Notice**” shall mean a written notice delivered by the DIP Agent, Prepetition Term Agent or Prepetition ABL Agent to the Debtors, the Debtors’ counsel, the United States Trustee, the Prepetition ABL Agent, or the Prepetition Term Agent or DIP Agent, as the case may be, and counsel to the Committee, which notice may be delivered only after the Expiration Date.

14. For the avoidance of doubt and notwithstanding anything to the contrary herein, in the DIP Order, the Term Cash Collateral Order, the Prepetition ABL Loan Documents, in the Prepetition Term Credit Agreement, or in any other loan documents executed by and among the parties, the Carve Out shall be senior to (i) all liens securing the Prepetition ABL Obligations, (ii) the Adequate Protection ABL Liens, (iii) the Adequate Protection Term Liens and the liens of the Prepetition Term Secured Parties, and (v) the 507(b) Claims, (iv) any and all other forms of adequate protection, liens or claims securing the Prepetition ABL Obligations or the Prepetition Term Liens with regard to the Carve Out.

15. Beginning on the first Business Day following the issuance of a Carve Out Trigger Notice, the Debtors shall deposit the Post-Carve Out Trigger Notice Cap amount, the amount of the Chapter 7 Trustee Reserve, and, as and when capable of ascertainment, the amount of the Court and UST Fees (the “**Carve Out Reserve**”), and hold such Carve Out Reserve in a segregated account at a depository to be designated by the Debtors, in trust, to pay the Carve Out.

(a) If a Carve Out Trigger Notice is issued jointly by the DIP Agent, Prepetition ABL Agent and the Prepetition Term Agent (or by (i) either the DIP Agent or Prepetition Term Agent, and (ii) the Prepetition ABL Agent) each of (x) the ABL Cash Collateral and (y) the Term Cash Collateral and proceeds of the DIP Facility shall be the source of fifty percent (50%) of the funding for the Carve Out Reserve.

(b) If a Carve Out Trigger Notice is issued solely by the Prepetition ABL Agent, and not by the Prepetition Term Agent, only the Cash Collateral shall be the source of the funding for the Carve Out Reserve.

(c) If a Carve Out Trigger Notice is issued solely by one or more of the Prepetition Term Agent and DIP Agent and not by the Prepetition ABL Agent, only the Term Cash Collateral and the proceeds of the DIP Facility shall be the source of the funding for the Carve Out Reserve. Subclauses a), b) and c) shall be collectively referred to as the "**Carve Out Allocation**".

(d) The Debtors' obligations to deposit the Carve Out Reserve and to satisfy the Carve Out shall be senior to (i) all liens securing the Prepetition ABL Obligations, (ii) the Adequate Protection ABL Liens, (iii) the Adequate Protection Term Liens and the liens of the Prepetition Term Secured Parties, and (iv) the 507(b) Claims, and (v) any and all other forms of adequate protection, and any other prepetition obligations or claims granted in favor of the Prepetition Term Lenders or the Prepetition ABL Lenders; provided, however, that upon deposit in full of the Post-Carve Out Trigger Notice Cap to the Carve Out Reserve and payment in full of Allowed Pre-Trigger Notice Fees, the foregoing subordination of the liens and claims of the Prepetition Term Agent and the Prepetition ABL Agent shall be limited to the amounts deposited

into the Carve Out Reserve, it being understood that such requirements of the deposit of the Post-Carve Out Trigger Notice Cap and payment of the Allowed Pre-Trigger Notice Fees shall not delay, limit or otherwise affect the Prepetition Agent's or Prepetition Term Agent's exercise of remedies under this Twelfth Supplemental Interim Order or the Term Cash Collateral Order, and that the proceeds of such exercise of remedies shall at all times remain subject to the Carve Out irrespective of their application to the Prepetition ABL Obligations Prepetition Term Obligations, Term Adequate Protection Obligations or the ABL Adequate Protection Obligations. In the event of the liquidation of the Debtors' estates, the amount of the Carve Out not previously deposited into the Carve Out Reserve shall be so deposited prior to any distributions. All rights, liens, and claims of the Prepetition ABL Lenders are subordinated to the payment in full of the Carve Out (whether or not funds in respect thereof are on deposit in the Carve Out Reserve). All funds in the Carve Out Reserve shall be used first to pay the Court and UST Fees and the Reserved Chapter 7 Fees, until paid in full, and then, to the extent the Carve Out Reserve has not been reduced to zero, to pay the Post-Carve Out Trigger Notice Professional Fees up to the Post-Carve Out Trigger Notice Cap. Any excess remaining in the Carve Out Reserve after paying such obligations shall be paid to the Prepetition ABL Agent for the benefit of the Prepetition ABL Lenders, the Prepetition Term Agent for the benefit of the Prepetition Term Lenders, and the DIP Agent for the benefit of the DIP Lenders, in proportion to their respective Carve Out Allocation(s), until the Prepetition ABL Obligations, the Prepetition Term Obligations and the DIP Obligations, as applicable, have been paid in full, in which case any such excess shall be returned to the Debtors.

16. For the avoidance of doubt, (i) disbursements by the Debtors from the Carve Out Reserve shall not increase or reduce the Prepetition ABL Obligations in and of themselves

(although they shall be deemed to increase the ABL Adequate Protection Obligations), (ii) the failure of the Carve Out Reserve to satisfy in full the Professional Fees shall not affect the priority of the Carve-Out, and (iii) so long as a Carve Out Trigger Notice has not been delivered, the Debtors shall be permitted to pay compensation and reimbursement of expenses allowed and payable under 11 U.S.C. § 330 and § 331, as the same may be due and payable, and such payments shall not reduce the Carve Out.

(a) For the avoidance of doubt, the Historical Claims and Defenses Committee Carve Out (as defined below) shall be paid from the Budget and shall not reduce the Professional Fee Carve Out to the extent of fees and expenses incurred prior to a Carve Out Trigger Notice but shall be considered Post-Carve Out Trigger Notice Professional Fees and be paid from the Post-Carve Out Trigger Notice Cap to the extent incurred after a Carve Out Trigger Notice.

17. *Limitation on Charging Expenses Against Collateral.* Except to the extent of the Carve Out, no expenses of administration arising or accruing during the term of this Twelfth Supplemental Interim Order, whether asserted during these Cases or any future proceeding that may result from the Cases, including liquidation in bankruptcy or other proceedings under the Bankruptcy Code, may be charged against or recovered from the Prepetition ABL Collateral or Postpetition ABL Collateral under section 506(c) of the Bankruptcy Code or any similar principle of law, without the prior written consent of the Prepetition ABL Agent and the Required Prepetition ABL Lenders, and no consent of the Prepetition ABL Agent may be implied from any other action, inaction, or acquiescence by the Prepetition ABL Agent or the Required Prepetition ABL Lenders (including, without limitation, approval of a Budget).

18. Reservation of Rights of the Required Prepetition ABL Lenders.

(a) Under the circumstances known to the Required Prepetition ABL Lenders as of the Petition Date (and consistent with the rights of the Required Prepetition ABL Lenders under section 506(b) of the Bankruptcy Code), and based upon the Required Prepetition ABL Lenders' consent, the adequate protection provided in this Twelfth Supplemental Interim Order is reasonable and sufficient to protect the interests of the Prepetition ABL Lenders. Notwithstanding any other provision of this Twelfth Supplemental Interim Order, the grant of adequate protection to the Prepetition ABL Agent and the Prepetition ABL Lenders is without prejudice to the Prepetition ABL Agent's or the Required Prepetition ABL Lenders' rights to request modification of, or further or different adequate protection, and the Debtors' or any other party's objection to a request for other or further adequate protection or to challenge the adequate protection provided hereunder only with respect to prospective adequate protection after the date of such challenge is made.

(b) Except on the terms as provided in this Twelfth Supplemental Interim Order, at all times before the Expiration Date, the Debtors are enjoined and prohibited from (i) using the Cash Collateral; (ii) using the Prepetition ABL Collateral; (iii) using Postpetition ABL Collateral; and (iv) applying to any court for an order authorizing the use of the Cash Collateral, Prepetition ABL Collateral or the Postpetition ABL Collateral except for the DIP Order and the DIP LC Order (to which orders the Prepetition ABL Agent and the Required Prepetition ABL Lenders have consented), or one or more other debtor-in-possession financing or letter of credit facilities consented to by the Required Prepetition ABL Lenders, in their sole discretion (**"Permitted DIP Financing"**).

(a) The Required Prepetition ABL Lenders are authorized, but not required, to file or record financing statements, trademark filings, copyright mortgages, patent mortgages, real property mortgages, notices of lien or similar instruments in any jurisdiction, or take possession of or control over, or take any other action in order to validate and perfect the liens and security interests granted to them in this Twelfth Supplemental Interim Order and the DIP Order. The Adequate Protection Liens granted in this Twelfth Supplemental Interim Order constitute valid and duly perfected security interests and liens, and the Prepetition ABL Agent and the Prepetition Term Agent and the Prepetition ABL Lenders are not required to file or record financing statements, trademark filings, copyright mortgages, patent mortgages, real property mortgages, notices of lien or similar instruments that otherwise may be required under federal or state law in any jurisdiction, or take any action, including taking possession, to validate and perfect security interests and liens, and these liens and security interests are deemed valid, perfected, allowed, enforceable, non-avoidable and not subject to challenge dispute or subordination, on the dates of entry of this Twelfth Supplemental Interim Order. The failure of the Debtors to execute any documentation relating to the enforceability, priority or perfection of the Adequate Protection Liens will in no way affect the validity, perfection or priority of the Adequate Protection Liens granted to the Prepetition ABL Agent under this Twelfth Supplemental Interim Order and the DIP Order.

(b) If the Prepetition ABL Agent, (acting at the written direction of, and in the sole discretion of the Required Prepetition ABL Lenders), elects to file financing statements, trademark filings, copyright mortgages, patent mortgages, real property mortgages, notices of lien or similar instruments, or otherwise to confirm perfection of Adequate Protection ABL

Any error, omission or other defect in any Adequate Protection Lien perfection filing will not affect the validity, enforceability, priority or perfection of any Adequate Protection Lien granted under this Twelfth Supplemental Interim Order and the DIP Order.

(c) Prepetition ABL Agent, (acting at the written direction of, and in the sole discretion of the Required Prepetition ABL Lenders) may file with or record a certified copy of this Twelfth Supplemental Interim Order and the DIP Order in filing or recording offices in addition to or in lieu of such financing statements, mortgages, notices of lien or similar instruments, and all filing or recording offices are hereby authorized to accept such certified copy of this Twelfth Supplemental Interim Order and the DIP Order for filing and recording.

20. *Termination of Use of Cash Collateral.* The following occurrences and conditions, unless waived by the Required Prepetition ABL Lenders, constitute Events of Default under this Twelfth Supplemental Interim Order and the Required Prepetition ABL Lenders may cause the Prepetition ABL Agent to give notice of an Expiration Date, if any such occurrence or condition is not cured within any applicable grace period set forth below:
