use cash collateral and all other collateral (“Cash Collateral”), (ii) granting adequate protection to existing secured creditors described herein, and (iii) scheduling a final hearing on this Motion. In support of this Motion, the Debtors rely on the Declaration of Michael R. Castle in support of the Chapter 11 Petitions and Related Motions (the “Castle Declaration”). In further support of this Motion, the Debtors submit as follows:

**I. Preliminary Statement**

1. Following a diligent solicitation process, the Debtors obtained the DIP Facility (defined below) from affiliates of Whitebox Advisors LLC and Highbridge Capital Management, LLC (collectively, the “Lenders”), which provides for an aggregate \$40 million post-petition facility on a superpriority, administrative claim and first-priority priming lien basis. The DIP Facility will be used to refinance the First Lien Term Notes (defined below) in the aggregate principal amount of approximately \$20 million, plus all accrued interest, fees and expenses thereunder (the “Refinancing”) and to provide the necessary liquidity for the Debtors to fund their operations and pursue a successful restructuring in chapter 11.

2. The Debtors are requesting authority to immediately access \$7.5 million, plus the Refinancing, on an interim basis pursuant to the Interim Order.

3. Access to the DIP Facility will allow the Debtors to continue normal business operations in chapter 11, maintain vendor and supplier relationships, pay their employees, and satisfy other working capital and operational requirements. Satisfaction of these key obligations is necessary to preserve and maintain the value of the enterprise. Absent access to the DIP Facility, the Debtors likely will not have adequate cash on hand to satisfy their debt obligations and maintain uninterrupted operations, resulting in immediate liquidation, severe employee dislocation and crippling losses for vendors and customers.

4. Thus, to ensure the Debtors' access to sufficient liquidity and provide the foundation for a successful restructuring, the Debtors respectfully submit that the DIP Facility should be approved.

## **II. Jurisdiction, Venue and Predicates for Relief**

5. The Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334(b). Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409. This matter is a core proceeding within the meaning of 28 U.S.C. §157 (b)(2).

6. The predicates for the relief requested herein are 105, 362, 363, 364 and 507 of the Bankruptcy Code and Bankruptcy Rules 2002 and 4001.

## **III. Background**

### **A. Chapter 11 Case**

7. On the date hereof (the "Petition Date"), each of the Debtors filed with the Court their respective voluntary petitions for relief under chapter 11 of Title 11 of the Bankruptcy Code, commencing the above-captioned chapter 11 cases. The Debtors continue to operate their businesses and manage their properties as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

8. No creditors' committee has been appointed in these cases. No trustee or examiner has been appointed.

9. Contemporaneously herewith, the Debtors have filed a motion requesting joint administration of their chapter 11 cases.

10. A full description of the Debtors' business operations, corporate structures, capital structures, and reasons for commencing these cases is set forth in full in the Castle Declaration, which was filed contemporaneously with this Motion and which is incorporated herein by reference. Additional facts in support of the specific relief sought herein are set forth below.

**B. Prepetition Capital Structure**

11. In May 2011, the debtor Xinerger Corp. ("Xinerger") issued \$200 million of 9.25% Senior Secured Notes (the "Second Lien Notes") due May 15, 2019, which are guaranteed by the other Debtors and collateralized by substantially all of Xinerger's assets. Interest payments of \$9 million are due and payable semi-annually, the most recent of which was paid in December 2014. Approximately \$72 million of the net proceeds from the issuance were used to retire existing debt and the remaining funds were used for capital expenditures, including construction of a preparation plant, purchase of mining equipment and construction of infrastructure, and for general corporate purposes. The current amount outstanding on the Second Lien Notes is approximately \$195 million.

12. Xinerger subsequently entered into a Credit Agreement, dated as of December 21, 2012 (as amended, supplemented, modified, or amended and restated from time to time, the "First Lien Term Loans"), with Bayside Finance LLC, as lender ("Bayside"), and the other Debtors as guarantors. The First Lien Term Loans facility provided for the two term loans in the amount of \$10,000,000 each with terms of four years. The first loan was drawn in December 2012 and the second loan was drawn in September 2013. The proceeds of the First Lien Term Loans were used to fund transaction costs, to provide working capital and for Xinerger's general corporate purposes. The First Lien Term Loans are secured by a first priority lien on substantially all of the Debtors' assets. The current amount outstanding on the First Lien Term Loans is \$20 million plus certain fees and expenses. Shortly prior to the Petition Date, on or around April 1, 2015, Bayside assigned the First Lien Term Notes to the Lenders.

13. The Debtors and holders of both the First Lien Term Loans and the Second Lien Notes are parties to a Collateral Trust Agreement, dated as of May 6, 2011 (the "**Collateral**

**Trust Agreement**”), which authorizes Xinergy to obtain credit in certain amounts and for certain purposes that would have priority over the Second Lien Notes. The First Lien Term Loans became senior to the Second Lien Notes pursuant to that provision. The Collateral Trust Agreement, in Section 2.8, permits Xinergy to obtain debtor-in-possession financing that would be senior to or on a parity with the senior liens, thus also having priority over the Second Lien Notes, upon the consent of the holder of the First Lien Term Loans. That same provision provides that holders of the Second Lien Notes have expressly waived any right to object to any debtor-in-possession financing to which the holder of the First Lien Term Loans consents, provided that the holders of the Second Lien Notes are provided adequate protection in the form of replacement liens, coextensive with those provided to the Lenders, but subordinate in all respects to the rights of the Lenders.

14. To the best of the Debtors’ knowledge, the Lenders and the Second Lien Note holders are the only creditors with a lien upon the Debtors’ cash collateral.

#### **IV. The Proposed DIP Facility**

15. As described in full in the Castle Declaration, the Debtors have faced a confluence of macroeconomic and regulatory factors in recent years that prevented them from executing on their business plans, tightened their operating margins and threatened their ability to survive as a going concern.

16. To address their liquidity needs, in December 2014, Xinergy retained Global Hunter Securities (“Global Hunter”), a division of Seaport Global Securities LLC, as its financial advisor to pursue financial and strategic alternatives, including raising capital and other strategic transactions focused on providing additional liquidity for the Debtors.

17. As it became clearer that the Debtors likely would need the protection of chapter 11 in order to effectuate the best available strategic option for their businesses, the Debtors and Global Hunter initiated a process to identify potential post-petition lenders. The Debtors and Global Hunter approached more than twenty-five high quality institutional firms as potential sources of post-petition financing, of which ten executed confidentiality agreements.<sup>2</sup> In connection with the marketing process, the Debtors also approached Bayside and the holders of the Second Lien Notes regarding a potential post-petition financing arrangement.

18. Following a diligent and dedicated search for other and better financing alternatives, the Debtors and their professionals determined that the DIP Facility is the best available financing option available under the circumstances and will provide the Debtors with the necessary capital to run their chapter 11 process effectively.

19. In accordance with Bankruptcy Rules 4001(b), (c) and (d), the following summarizes the significant terms of the DIP Credit Agreement and the Interim Order.<sup>3</sup> The Debtors believe that the following provisions of the DIP Credit Agreement and the Interim Order are justified and necessary in the context and circumstances of these cases.

**Borrower:** Xinerdy Corp., a Tennessee corporation (the “**Borrower**”).<sup>4</sup>

**Guarantors:** The DIP Term Loans (as defined below) and all other obligations arising under the DIP Facility (as defined

<sup>2</sup> The attached Exhibit C consists of a compilation of information that was provided by the Debtors pursuant to the terms of those confidentiality agreements, either directly or through the Debtors' advisors, to one or more prospective DIP lenders for their consideration in determining whether they might offer to provide DIP financing to the Debtors. Ultimately, the Debtors received a number of proposals for DIP financing and will be seeking approval of DIP financing as part of their first-day pleadings.

<sup>3</sup> The following summary is included for convenience only and is qualified in its entirety by reference to the definitive DIP Loan Agreement, which shall control in the event of any inconsistency.

<sup>4</sup> Capitalized terms used but not defined in this summary shall have the meaning ascribed to such terms in the DIP Credit Agreement.

below) will be unconditionally guaranteed on a joint and several basis by Xinergy Ltd., an Ontario corporation (the “**Company**”) that is the parent to the Borrower, and any and all of the Borrower’s and the Company’s current, direct or indirect subsidiaries (other than the Borrower) (collectively with the Company, the “**Guarantors**”) that are debtors (collectively with the Borrower, but not the Company, the “**Debtors**”) in the proposed chapter 11 cases (the “**Cases**”) to be commenced by the Debtors in the Western District of Virginia, Roanoke Division (the “**Bankruptcy Court**”).

**DIP Lenders/DIP Agent:**

The lenders (the “**Initial Lenders**”) shall be comprised of affiliates of Whitebox Advisors LLC and Highbridge Capital Management, LLC. WBOX 2014-4 Ltd. will serve as agent under the DIP Loan Agreement and the other Loan Documents (the “**DIP Agent**”) to act on their behalf and each of the Initial Lenders shall have the right to assign the DIP Term Loans and the Commitment Amount subject to customary conditions (such assignees, together with the Initial Lenders, the “**Lenders**”).

**DIP Facility:**

A multiple draw term loan facility (“**DIP Facility**”) of up to \$40 million (the “**Commitment Amount**”) to be available to the Borrower to refinance the Prepetition Financing Facility in full (the “**Refinancing**”) and, subject to the Budget referred to below, for working capital purpose during the pendency of the Cases. The DIP Facility shall also include an uncommitted accordion feature whereby the Borrower shall have the right, exercisable only one time, to incrementally increase the Commitment Amount by an aggregate principal amount equal to \$10 million, subject to, among other conditions to be agreed, no default or Event of Default continuing at the time of such increase.

**Amount of Interim DIP Facility:**

Until a final order is entered approving the DIP Facility, no more than \$7,500,000 (plus the Refinancing) shall be made available to the Debtors under the DIP Facility.

**Interest:**

Interest on the loans (the “**DIP Term Loans**”) shall accrue and be payable monthly in arrears, based on a 360 day year, at a rate per annum equal to 14%, with 10% being payable in cash and the balance in-kind. Following an Event of Default (as defined in the DIP Loan Agreement referred to below), interest shall

accrue at an additional rate per annum of 2% and shall be payable in cash upon demand.

**Certain Payments and Expenses:**

An amount equal to 2.5% of the Commitment Amount shall be payable to the Initial Lenders out of the initial draw under the DIP Facility and such payment shall be structured in the most tax efficient manner for the Initial Lenders. In addition, the Debtors shall reimburse the Lenders and the DIP Agent from time to time for all expenses incurred by them in connection with the negotiation, documentation, administration and enforcement of the DIP Facility and the participation in the Cases in such capacity (including, without limitation, expenses of counsel and other consultants retained by the Lenders and/or the DIP Agent to the extent provided in the DIP Loan Agreement and other Loan Documents (as defined below)).

**Closing Date:**

By no later than April 15, 2015.

**Maturity:**

Borrowings under the DIP Facility are to be repaid in full in cash on the earliest of (a) the nine month anniversary of the Closing Date (the “**Stated Maturity**”), subject to two three-month extensions as described below, (b) the occurrence of an Event of Default and (c) the effective date of a confirmed chapter 11 plan for the Debtors; *provided* that the Lenders may convert the DIP Facility into an exit financing facility (the “**Exit Facility**”) pursuant to a confirmed chapter 11 plan, the terms and conditions of such plan and Exit Facility to be acceptable to Lenders holding at least a majority in principal amount of the DIP Term Loans outstanding (the “**Requisite Lenders**”). As described above, the Debtors may elect (no more than twice) on written notice to the Lenders on or before the date that is 5 days prior to the then Stated Maturity to extend the Stated Maturity of the DIP Facility by a period of up to three months, subject to customary closing conditions including no default and the payment of an amount equal to 50 basis point for each extension (such payment to be structured in the most tax efficient manner for the Lenders).

**Exit Payment:**

Any payment, repayment or refinancing of the DIP Loans, including a refinancing through the Exit Facility, shall be accompanied by a payment in the amount of 1% on the principal amount being repaid or prepaid (such payment to be structured in the most tax efficient manner for the Lenders).

**Fees:**

There are no fees that will be payable to any investment bankers or financial advisors in connection with the DIP Facility.

**Collateral and Superpriority Claim:**

All amounts outstanding under the DIP Facility, including all payments and expenses in respect thereof, shall be secured by first priority priming liens (subject to the Carve Out defined below) on all assets of the Debtors and the other Guarantors under section 364 of the Bankruptcy Code (the “**Collateral**”). Upon either (a) an Event of Default or (b) termination of the DIP Facility, unless the DIP Facility shall have been repaid in full, the automatic stay shall be lifted without further action on the part of DIP Agent or the Lenders (other than five days’ prior notice to the Debtors and any official committee) to permit the DIP Agent to foreclose on, or take other action with respect to, the Collateral. All such liens shall be automatically perfected pursuant to the DIP Orders (as defined below); provided that the automatic stay shall be modified to permit other perfection at the DIP Agent’s option.

In addition, the DIP Agent and Lenders shall have an allowed superpriority claim for such amounts under sections 364(c)(1) and 503(b) of the Bankruptcy Code with priority over all other expenses of the kind specified in sections 503(b), 506(c), 507(b) and 726(b) of the Bankruptcy Code, other than the unpaid fees of the United States Trustee and, subject to the Budget, any unpaid bankruptcy court-approved professional fees in an amount not to exceed \$500,000 (“**Carve Out**”).

**Adequate Protection**

The DIP Orders shall provide that (i) until the Prepetition Financing Facility is repaid in full, the lender(s) under the Prepetition Financing Facility shall receive adequate protection in the form of replacement liens, superpriority claims, payment of fees and expenses (including, without limitation, expenses of

counsel and other consultants retained by the lender(s) under the Prepetition Financing Facility), and the payment of interest at the default rate under the Prepetition Financing Facility on a monthly basis and (ii) the holders of the Second Lien Notes (as defined in the Prepetition Financing Facility) shall receive adequate protection in the form of replacement liens and superpriority claims.

**Conditions to DIP Facility:**

Entry by the DIP Agent, Lenders and Debtors into definitive documentation in form and substance reasonably satisfactory to the Lenders and their counsel (the “**DIP Loan Agreement**” and other documents relating to the DIP Loan Agreement, the “**Loan Documents**”), including a form of budget (as updated from time to time, the “**Budget**”) mutually acceptable to the Borrower and the Lenders. The DIP Loan Agreement shall be based on the Prepetition Financing Facility but shall also contain such conditions, representations and warranties, mandatory prepayment provisions and covenants as are customarily found in DIP facilities of this type and such additional provisions appropriate in Lenders’ judgment for this transaction, including:

1. Entry of an order of the Bankruptcy Court (“**Interim Order**”) in form and substance reasonably satisfactory to the Lenders, including a finding that the DIP Facility was entered into in good faith and otherwise complies with section 364(e) of the Bankruptcy Code, authorizing and approving:
  - (a) The DIP Facility on an interim basis, including the Refinancing and the granting of the liens and superpriority claims described above;
  - (b) The reimbursement of the DIP Agent and the Initial Lenders’ fees and expenses as described above; and
  - (c) Scheduling the date of the final hearing on the DIP Facility.

2. Entry of final order (“**Final Order;**” together with the Interim Order, the “**DIP Orders**”) in form and substance reasonably satisfactory to the Required Lenders approving the DIP Facility on a final basis within 45 days of the commencement the Cases.
3. Debtors shall provide the Lenders and their counsel with copies of all proposed pleadings and orders in the Cases, with sufficient time for review and comment by Lenders. The relief requested by the Debtors in the first and second day orders and pleadings shall be reasonably acceptable to the Lenders. The Debtors shall provide the Lenders will advance copies of (and a reasonable opportunity to comment on) any press release in which a Lender or any affiliate or agent of a Lender is mentioned.
4. The Debtors shall comply with certain chapter 11 milestones set forth in the proposed DIP Loan Agreement.

**Events of Default:**

Such Events of Default as are customarily found in DIP facilities of this type and others appropriate in Lenders’ judgment, including:

1. Non-payment when due of amounts owing under DIP Facility;
2. Material breach of any covenant contained in DIP Loan Agreement or other Loan Documents, including a material breach of the Budget, with appropriate grace periods to be agreed;
3. Dismissal of the Cases, any conversion of the Cases to chapter 7, the appointment of a bankruptcy trustee or an examiner or other person with expanded powers, termination of the Debtors’ exclusive right to file a plan of reorganization, the incurrence of other indebtedness under section 364 of the Bankruptcy Code or the payment of any prepetition obligations (other than for (x) postpetition rent or services rendered pursuant to a prepetition lease or contract and (y) the

refinancing of the Prepetition Financing Facility);

4. Any stay or modification of the DIP Orders, without the consent of the Lenders; and
5. The filing of a chapter 11 plan that does not provide for the payment in full of the DIP Facility and, to the extent not already repaid in full, the Prepetition Financing Facility, or is otherwise not acceptable to the Requisite Lenders in their reasonable discretion.

**Governing Law:**

Except to the extent governed by the Bankruptcy Code, the DIP Loan Agreement and other Loan Documents shall be governed by internal laws of the State of New York.

**IV. Relief Requested**

20. By this Motion, the Debtors respectfully request entry of the Interim Order (i) authorizing the Debtors to (a) obtain post-petition financing on a secured, super-priority basis pursuant to the DIP Loan Agreement substantially in the form attached hereto as Exhibit B and granting certain related relief and (b) to use Cash Collateral, (ii) granting adequate protection to existing secured creditors described herein, and (iii) scheduling a final hearing on this Motion, at which time the Debtors will request entry of a final order under this Motion.

**V. Basis for Relief Requested**

**A. The Debtors Should Be Authorized to Obtain the DIP Facility Under Section 364 of the Bankruptcy Code**

21. The Debtors meet the requirements for relief under section 364 of the Bankruptcy Code, which permits a debtor to obtain postpetition financing and, in return, to grant superpriority administrative status and liens on its property. Specifically, section 364(c) provides as follows:

If the trustee is unable to obtain unsecured credit allowable under section 503(b)(1) of this title as an administrative expense, the court, after notice and a hearing, may authorize the obtaining of credit or the incurring of debt:

(1) with priority over any or all administrative expenses of the kind specified in section 503(b) or 507(b) of this title; [or]

(2) secured by a lien on property of the estate that is not otherwise subject to a lien;

(3) secured by a junior lien on property of the estate that is subject to a lien[.]

11 U.S.C. § 364(c). Further, section 364(d) of the Bankruptcy Code provides:

(1) The court, after notice and a hearing, may authorize the obtaining of credit or the incurring of debt secured by a senior or equal lien on property of the estate that is subject to a lien only if:

(A) the trustee is unable to obtain such credit otherwise; and

(B) there is adequate protection of the interest of the holder of the lien on the property of the estate on which such senior or equal lien is proposed to be granted.

(2) In any hearing under this subsection, the trustee has the burden of proof on the issue of adequate protection.

11 U.S.C. § 364(d).

22. Provided that an agreement to obtain secured credit is consistent with the provisions of, and policies underlying, the Bankruptcy Code, courts grant a debtor considerable deference in exercising its sound business judgment in obtaining such credit. *See, e.g., In re Barbara K. Enters., Inc.*, Case No. 08-11474, 2008 WL 2439649, at \*14 (Bankr. S.D.N.Y. June 16, 2008) (explaining that courts defer to a debtor’s business judgment “so long as a request for financing does not ‘leverage the bankruptcy process’ and unfairly cede control of the reorganization to one party in interest”); *In re Ames Dep’t Stores, Inc.*, 115 B.R. 34, 40 (Bankr. S.D.N.Y. 1990) (“[C]ases consistently reflect that the court’s discretion under section 364 [of the

Bankruptcy Code] is to be utilized on grounds that permit [a debtor's] reasonable business judgment to be exercised so long as the financing agreement does not contain terms that leverage the bankruptcy process and powers or its purpose is not so much to benefit the estate as it is to benefit a party-in-interest."); *In re Farmland Indus., Inc.*, 294 B.R. 855, 881 (Bankr. W.D. Mo. 2003) (noting that approval of postpetition financing requires, *inter alia*, an exercise of "sound and reasonable business judgment").

23. Further, in determining whether the Debtors have exercised sound business judgment in deciding to enter into the DIP Loan Agreement, the Court should consider the economic terms of the DIP Facility in light of current market conditions. For example, in *In re ION Media Networks, Inc.*, the Bankruptcy Court for the Southern District of New York held that:

Although all parties, including the Debtors and the Committee, are naturally motivated to obtain financing on the best possible terms, a business decision to obtain credit from a particular lender is almost never based purely on economic terms. Relevant features of the financing must be evaluated, including non-economic elements such as the timing and certainty of closing, the impact on creditor constituencies and the likelihood of a successful reorganization. This is particularly true in a bankruptcy setting where cooperation and established allegiances with creditor groups can be a vital part of building support for a restructuring that ultimately may lead to a confirmable reorganization plan. That which helps foster consensus may be preferable to a notionally better transaction that carries the risk of promoting unwanted conflict.

Case No. 09-13125, 2009 WL 2902568, at \*4 (Bankr. S.D.N.Y. July 6, 2009).

24. Here, given all the facts and circumstances present in these cases, the Debtors have amply satisfied the necessary conditions under sections 364(c) and (d) for authority to enter into the DIP Facility. The Debtors exercised proper business judgment in securing DIP Facility on terms that are fair, reasonable and the best available to them in the current market. Moreover,

the Debtors were not otherwise able to obtain credit on an unsecured or administrative expense basis, and they have provided their prepetition secured creditors with adequate protection against any potential diminution in value of their interests caused by the priming liens proposed to be provided to the Lenders. For all the reasons discussed further below, therefore, the Court should grant the Debtors' request to enter into the DIP Facility pursuant to sections 364(c) and (d) of the Bankruptcy Code.

**i. The Debtors Exercised Sound and Reasonable Business Judgment in Deciding to Enter into the DIP Financing Facility**

25. Based on the facts of these cases, the DIP Facility represents a proper exercise of the Debtors' business judgment. Bankruptcy courts routinely defer to the debtor's business judgment on most business decisions, including decisions about whether and how to borrow money. *Group of Institutional Investors v. Chicago, Milwaukee, St. Paul & Pac. R.R.*, 318 U.S. 523, 550 (1943); *In re Simasko Prod. Co.*, 47 B.R. 444, 449 (Bankr. D. Colo. 1985) ("Business judgments should be left to the board room and not to this Court."); *In re Lifeguard Indus., Inc.*, 37 B.R. 3, 17 (Bankr. S.D. Ohio 1983). "More exacting scrutiny would slow the administration of the debtor's estate and increase its cost, interfere with the Bankruptcy Code's provision for private control of administration of the estate, and threaten the court's ability to control a case impartially." *Richmond Leasing Co. v. Capital Bank, N.A.*, 762 F.2d 1303, 1311 (5th Cir. 1985).

26. In general, a bankruptcy court defers to a debtor's business judgment regarding the need for, and the proposed use of, funds, unless the debtor's decision improperly leverages the bankruptcy process or its purpose is not so much to benefit the estate as it is to benefit a party in interest. *See Ames Dep't Stores*, 115 B.R. at 40; *see also In re Curlew Valley Assocs.*, 14 B.R. 506, 511–13 (Bankr. D. Utah 1981). Courts generally will not second-guess a debtor's business decisions when those decisions involve "a business judgment made in good faith, upon a

reasonable basis, and within the scope of [its] authority under the [Bankruptcy] Code.” *Id.* at 513–14 (footnote omitted).

27. Here, the Debtors have exercised sound business judgment in determining that the DIP Facility is appropriate. As explained above, an extensive marketing effort was undertaken to obtain DIP financing, and the Debtors negotiated extensively to obtain the best possible terms. The terms of the DIP Facility are fair and reasonable, and are in the best interests of the Debtors’ estates. The Debtors have reason to believe that the funds made available through the DIP Facility will be adequate to pay all administrative expenses due and payable during the post-petition periods. Accordingly, the Court should grant the Debtors authority to enter into the DIP Facility and obtain funds from the Lenders on the senior secured and administrative “superpriority” basis described above, pursuant to section 364(c) of the Bankruptcy Code.

28. Moreover, the Refinancing is supported by the sound business judgment of the Debtors. The Refinancing reduces the Debtors’ cash interest expense (12.25% at the default rate under the Prepetition Term Loan vs. 10% under the DIP), simplifies the Debtors’ capital structure and the need to prime the Prepetition Term Loan, and should reduce professional fees as it eliminates the need for the Prepetition Term Lenders and noteholders to retain separate counsel. In addition, the DIP Lenders indicated that the Refinancing was an important factor in their willingness to lend and consent to use of their cash collateral. For these reasons, the Debtors believe entering into the DIP Facility with the DIP Lenders is in the best interests of their estates and will advance their goal of maximizing the value of the Debtors’ assets.

29. It is worth noting that, any creditors’ committee or other party-in interest that obtains standing may, subject to the limitations contained in the proposed DIP Order and the DIP

Documents, seek to challenge the Prepetition Lenders' security interests during the Challenge Period notwithstanding the Refinancing.

**ii. The Debtors Meet the Conditions Necessary Under Section 364(c) to Obtain Postpetition Financing on a Senior Secured and Superpriority Basis**

30. Section 364(c) of the Bankruptcy Code authorizes a debtor to obtain postpetition financing on a secured or superpriority basis, or both, where the Court finds, after notice and a hearing, that the debtors are “unable to obtain unsecured credit allowable under section 503(b)(1) of the [the Bankruptcy Code] . . . .” 11 U.S.C. § 364(c).

31. Courts have articulated a three-part test to determine whether a debtor is entitled to obtain financing under section 364(c) of the Bankruptcy Code. Specifically, courts look to whether:

- (a) the debtor is unable to obtain unsecured credit under section 364(b), i.e., by allowing a lender only an administrative expense claim;
- (b) the credit transaction is necessary to preserve the assets of the estate; and
- (c) the terms of the transaction are fair, reasonable, and adequate, given the circumstances of the debtor-borrower and the proposed lender.

*In re Ames Dep't Stores, Inc.*, 115 B.R. 34, 37-39 (Bankr. S.D.N.Y. 1990); *accord In re St. Mary Hosp.*, 86 B.R. 393, 401 (Bankr. E.D. Pa. 1988); *In re Crouse Group, Inc.*, 71 B.R. 544, 549 (Bankr. E.D. Pa. 1987).

32. In order to satisfy this test, a debtor need only demonstrate “by a good faith effort that credit was not available” to the debtor on an unsecured or administrative expense basis. *Bray v. Shenandoah Fed. Savs. & Loan Ass'n (In re Snowshoe Co.)*, 789 F.2d 1085, 1088 (4th Cir. 1986); *accord In re Ames Dep't Stores, Inc.*, 115 B.R. at 37 (debtor must show that it has

made reasonable efforts to seek other sources of financing under sections 364(a) and (b) of the Bankruptcy Code); *In re Crouse Group, Inc.*, 71 B.R. at 549 (secured credit under section 364(c)(2) of the Bankruptcy Code is authorized, after notice and hearing, upon showing that unsecured credit cannot be obtained). “The statute imposes no duty to seek credit from every possible lender before concluding that such credit is unavailable.” *Id.*; *see also Pearl-Phil GMT (Far East) Ltd. v. Caldor Corp.*, 266 B.R. 575, 584 (S.D.N.Y. 2001) (superpriority administrative expenses authorized where debtor could not obtain credit as an administrative expense). This is true especially when time is of the essence. *In re Reading Tube Indus.*, 72 B.R. 329, 332 (Bankr. E.D. Pa. 1987). When few lenders are likely to be able and willing to extend the necessary credit, “it would be unrealistic and unnecessary to require [the debtor] to conduct such an exhaustive search for financing.” *In re Sky Valley, Inc.*, 100 B.R. 107, 113 (Bankr. N.D. Ga. 1988), *aff’d sub nom., Anchor Savs. Bank FSB v. Sky Valley, Inc.*, 99 B.R. 117, 120 n.4 (N.D. Ga. 1989); *see also Ames Dep’t Stores*, 115 B.R. at 40 (approving financing facility and holding that the debtor made reasonable efforts to satisfy the standards of section 364(c) where it approached four lending institutions, was rejected by two, and selected the most favorable of the two offers it received).

33. Here, the Debtors have used reasonable, good faith efforts to try to obtain credit other than on a secured superpriority basis. The Debtors and Global Hunter conducted a robust marketing process to identify potential financing sources, and the Debtors conducted arm’s length, good faith negotiations with these prospective lenders on the terms of their postpetition financing. None of those potential lenders were willing to make a post-petition loan on an unsecured basis in an amount necessary for the Debtors’ business operations and other financing needs. On the contrary, the Debtors’ negotiations with lenders made clear that the Debtors could

only obtain the financing necessary to preserve their estates if the lenders were provided superpriority claims to secure these obligations.

34. The Court should therefore authorize the Debtors to provide the Lenders superpriority administrative expense status for any obligations arising under the DIP Credit Agreement as provided for in section 364(c)(1) of the Bankruptcy Code.

**iii. The Debtors Should Be Authorized to Obtain Postpetition Financing Secured by Liens that are Senior to the Liens Securing the First Lien Term Loans and Second Lien Notes**

35. In addition to authorizing financing under section 364(c) of the Bankruptcy Code, a court may also authorize a debtor to obtain postpetition credit secured by a lien that is senior in priority to existing liens on the encumbered property if the debtor cannot otherwise obtain such credit and the interests of existing lien holders are adequately protected or consent is obtained. *See* 11 U.S.C. § 364(d)(1).

36. When determining whether to authorize a debtor to obtain credit secured by a lien that is senior or equal to a prepetition lien as authorized by section 364(d) of the Bankruptcy Code, courts focus on whether the transaction will enhance the value of the debtor's assets. Courts consider a number of factors, including, without limitation:

- whether alternative financing is available on any other basis (i.e., whether any better offers, bids or timely proposals are before the court);
- whether the proposed financing is necessary to preserve estate assets and is necessary, essential and appropriate for continued operation of the debtor's businesses;
- whether the terms of the proposed financing are reasonable and adequate given the circumstances of both the debtor and proposed lender(s); and
- whether the proposed financing agreement was negotiated in good faith and at arm's length and entry therein is an

exercise of sound and reasonable business judgment and in the best interest of the debtor's estate and its creditors.

*See, e.g., Ames Dep't Stores*, 115 B.R. at 37–39; *Bland v. Farmworker Creditors*, 308 B.R. 109, 113-14 (S.D. Ga. 2003); *Farmland Indus.*, 294 B.R. at 862–79; *Barbara K. Enters.*, 2008 WL 2439649 at \*10; *see also* 3 Collier on Bankruptcy ¶ 364.04[1] (16th ed.).

37. The DIP Facility satisfies each of these factors. First, the Debtors have explored financial alternatives and are aware of the lack of financing available to them given the nature of their capital structure. As explained above, the Debtors conducted arm's-length negotiations with several possible post-petition lenders, and the ultimate agreement reflects the most favorable terms on which the Debtors were able to obtain financing. The Debtors are not able to obtain financing on equal or better terms from the Lenders, or any other source, without granting post-petition liens on a first-priority priming lien basis.

38. Second, the Debtors need the funds to be provided under the DIP Facility to preserve the value of their estates for the benefit of all creditors and other parties in interest. Absent the DIP Facility, the Debtors will be unable to operate their businesses or prosecute their bankruptcy cases. Providing the Debtors with the liquidity necessary to preserve their going concern value through the pendency of these cases is in the best interests of all stakeholders.

39. Third, the terms of the DIP Facility are reasonable and adequate to support the Debtors' operations and restructuring activities through the pendency of these bankruptcy cases, as the DIP Facility will allow the Debtors to maintain their operations and their relationships with key constituents notwithstanding the commencement of these cases.

40. Fourth, as described above, the Debtors and the Initial Lenders negotiated the DIP Loan Agreement and other Loan Documents in good faith and at arm's-length, and the Debtors' entry into the DIP Loan Agreement and the other Loan Documents is an exercise of their sound

business judgment. The DIP Facility is on the most favorable terms available to the Debtors in the current market. In light of all these factors, therefore, it is clear that the Debtors should be authorized to secure the DIP Facility with liens granted on a first-priority priming lien basis.

**iv. The Interests of the Holders of the Second Lien Notes Are Adequately Protected**

41. A debtor may obtain postpetition credit “secured by a senior or equal lien on property of the estate that is subject to a lien only if” the debtor, among other things, provides “adequate protection” to those parties whose liens are primed. *See* 11 U.S.C. § 364(d)(1)(B). What constitutes adequate protection is decided on a case-by-case basis, and adequate protection may be provided in various forms, including payment of adequate protection fees, payment of interest or granting of replacement liens or administrative claims. *See, e.g., In re Mosello*, 195 B.R. 277, 289 (Bankr. S.D.N.Y. 1996) (“the determination of adequate protection is a fact-specific inquiry . . . left to the vagaries of each case”); *In re Realty Sw. Assocs.*, 140 B.R. 360 (Bankr. S.D.N.Y. 1992); *In re Beker Indus. Corp.*, 58 B.R. 725, 736 (Bankr. S.D.N.Y. 1986) (the application of adequate protection “is left to the vagaries of each case, but its focus is protection of the secured creditor from diminution in the value of its collateral during the reorganization process”) (citation omitted). The critical purpose of adequate protection is to guard against the diminution of a secured creditor’s collateral during the period when such collateral is being used by the debtor in possession. *See 495 Cent. Park*, 136 B.R. at 631 (“The goal of adequate protection is to safeguard the secured creditor from diminution in the value of its interest during the chapter 11 reorganization.”); *In re Beker Indus. Corp.*, 58 B.R. 725, 736 (Bankr. S.D.N.Y. 1986); *In re Hubbard Power & Light*, 202 B.R. 680, 685 (Bankr. E.D.N.Y. 1996).

42. Here, the Holders of the Second Lien Notes will receive adequate protection in the form of replacement liens and a superpriority claim. Under the terms of the Collateral Trust

Agreement, the Holders of the Second Lien Notes are not entitled to any additional adequate protection and are contractually bound not to contest the approval of the DIP Loan Facility.

43. Bankruptcy Courts in Virginia and elsewhere have approved similar forms of adequate protection for prepetition secured lenders. *See, e.g., In re AMF Bowling Worldwide, Inc.*, Case No. 12-36495 (KRH) (Bankr. E.D. Va. Dec. 12, 2012) (granting, *inter alia*, first and second lien adequate protection liens); *In re Bear Island Paper Co., L.L.C.*, Case No. 10-31202 (DOT) (Bankr. E.D. Va. Mar. 31, 2010) (granting, *inter alia*, adequate protection liens and claim pursuant to 507(b) to prepetition lenders); *In re Circuit City Stores, Inc.*, Case No. 08-35653 (KRH) (Bankr. E.D. Va. Dec. 23, 2008); *In re Patriot Coal Corp.*, Case No. 12-12900 (SCC) (Bankr. S.D.N.Y. Aug. 3, 2012); *In re NewPage Corp.*, Case No. 11-12804 (KG) (Bankr. D. Del. Oct. 5, 2011); *In re The Great Atl. & Pac. Tea Co.*, Case No. 10-24549 (RDD) (Bankr. S.D.N.Y. Jan. 11, 2011).

44. Accordingly, the Court should find that the adequate protection provided to the holders of the Second Lien Notes is fair and reasonable, and satisfies the requirements of section 364(d)(1)(B) of the Bankruptcy Code.

**C. The Debtors Should be Authorized to Use the Cash Collateral**

45. Section 363(c) of the Bankruptcy Code governs a debtor's use of a secured creditor's cash collateral. Specifically, that provision provides, in pertinent part, that:

The trustee may not use, sell, or lease cash collateral . . . unless—

(A) each entity that has an interest in such cash collateral consents;  
or

(B) the court, after notice and a hearing, authorizes such use, sale, or lease in accordance with the provisions of this section [363].

11 U.S.C. § 363(c)(2). Further, section 363(e) provides that “on request of an entity that has an interest in property . . . proposed to be used, sold or leased, by the trustee, the court, with or

without a hearing, shall prohibit or condition such use, sale, or lease as is necessary to provide adequate protection of such interest.” 11 U.S.C. § 363(e).

46. The Debtors have satisfied the requirements of sections 363(c)(2) and (e), and should be authorized to use the cash collateral. First, the Lenders have consents to the use of the cash collateral. Second, as described above, the Debtors are providing the holders of the Second Lien Notes with replacement liens to the same extent of any pre-petition liens. The Debtors propose that the replacement liens will be granted only to secure an amount equal to any decrease in the value of the liens of the holders of the Second Lien Notes caused by the Debtors’ use of such cash collateral. The interests of the holders of the Second Lien Notes are thus adequately protected from diminution under the DIP Facility. Accordingly, the Court should authorize the Debtors to use the Cash Collateral under section 363(c)(2) of the Bankruptcy Code.

**D. The Scope of the Carve-Out is Appropriate**

47. The DIP Facility subjects the security interests and administrative expense claims of the Lenders to the Carve-Out. Such carve-outs for professional fees have been found to be reasonable and necessary to ensure that a debtor’s estate and any statutory committee can retain assistance from counsel. *See Ames*, 115 B.R. at 40. The DIP Facility does not directly or indirectly deprive the Debtors’ estates or other parties in interest of possible rights and powers by restricting the services for which professionals may be paid in these cases. *Id.* at 38 (observing that courts insist on carve-outs for professionals representing parties-in-interest because “[a]bsent such protection, the collective rights and expectations of all parties-in-interest are sorely prejudiced”). Additionally, the Carve-Out protects against administrative insolvency during the course of the case by ensuring that assets remain for the payment of U.S. Trustee fees and professional fees of the Debtors and the future committee of unsecured creditors notwithstanding the grant of superpriority and administrative liens and claims under the DIP Facility.

48. Bankruptcy Courts in Virginia and elsewhere routinely approve of carve-outs agreed to by the debtors and their DIP lenders. *See, e.g., In re James River Coal Company*, Case No. 14-31848 (KRK) (Bankr. E.D. Va. May 9, 2014); *In re AMF Bowling Worldwide, Inc.*, Case No. 12-36495 (KRH) (Bankr. E.D. Va. Dec. 18, 2012); *In re Bear Island Paper Co., L.L.C.*, Case No. 10-31202 (DOT) (Bankr. E.D. Va. Mar. 31, 2010); *In re Circuit City Stores, Inc.*, Case No. 08-35653 (KRH) (Bankr. E.D. Va. Dec. 23, 2008); *In re The Great Atl. & Pac. Tea Co.*, Case No. 10-24549 (RDD) (Bankr. S.D.N.Y. Jan. 11, 2011); *In re Quebecor World (USA) Inc.*, Case No. 08-10152 (JMP) (Bankr. S.D.N.Y. Jan. 23, 2008); *In re Delphi Corp.*, Case No. 05-44481 (RDD) (Bankr. S.D.N.Y. Oct 12, 2005); *In re Delta Air Lines, Inc.*, Case No. 05-17923 (PCB) (Bankr. S.D.N.Y. Oct 6, 2005).

**E. The DIP Lenders Should be Deemed Good Faith Lenders under Section 364(e)**

49. Section 364(e) of the Bankruptcy Code protects a good faith lender's right to collect on loans extended to a debtor, and its right in any lien securing those loans, even if the authority of the debtor to obtain such loans or grant such liens is later reversed or modified on appeal. Section 364(e) provides that:

The reversal or modification on appeal of an authorization under this section [364 of the Bankruptcy Code] to obtain credit or incur debt, or of a grant under this section of a priority or a lien, does not affect the validity of any debt so incurred, or any priority or lien so granted, to an entity that extended such credit in good faith, whether or not such entity knew of the pendency of the appeal, unless such authorization and the incurring of such debt, or the granting of such priority or lien, were stayed pending appeal.

11 U.S.C. § 364(e).

50. As explained in detail herein, the DIP Loan Agreement and other Loan Documents are the result of the Debtors' reasonable and informed determination that the Lenders offered the most favorable terms on which to obtain needed postpetition financing, and of

extended arm's-length, good faith negotiations between the Debtors and the Lenders. The terms and conditions of the DIP Loan Agreement and other Loan Documents are fair and reasonable, and the proceeds of the DIP Facility will be used only for purposes that are permissible under the Bankruptcy Code. Further, no consideration is being provided to any party to the DIP Loan Agreement other than as described herein. Accordingly, the Court should find that the DIP Lenders are "good faith" lenders within the meaning of section 364(e) of the Bankruptcy Code, and are entitled to all of the protections afforded by that section.

**F. Modification of the Automatic Stay is Warranted for the Lender**

51. The Interim Order provides that the automatic stay provisions under section 362 of the Bankruptcy Code are vacated and modified to the extent necessary to permit the Lenders to exercise, upon the occurrence and during the continuation of any Event of Default, all rights and remedies provided for in the DIP Facility, and to take various actions without further order of or application to the Court. The Interim Order also proposes that the Lenders must provide the Debtors, any committee and the U.S. Trustee with five (5) business days' written notice prior to exercising any enforcement rights or remedies in the Event of Default.

52. Stay modification provisions of this sort are ordinary features of DIP financing and, in the Debtors' business judgment, are reasonable under the circumstances. *See, e.g., In re James River Coal Company*, Case No. 14-31848 (KRK) (Bankr. E.D. Va. May 9, 2014); *In re AMF Bowling Worldwide, Inc.*, Case No. 12-36495 (KRH) (Bankr. E.D. Va. Dec. 18, 2012); *In re Roomstore, Inc.*, Case No. 11-37790 (KLP) (Bankr. E.D. Va. Jan. 5, 2012); *In re Canal Corp. f/k/a Chesapeake Corp.*, Case No. 08-36642 (DOT) (Bankr. E.D. Va. Feb. 3, 2009); *In re Circuit City Stores, Inc.*, Case No. 08-35653 (KRH) (Bankr. E.D. Va. Dec. 23, 2008); *In re Patriot Coal Corp.*, Case No. 12-12900 (SCC) (Bankr. S.D.N.Y. Aug. 3, 2012); *In re The Great Atl. & Pac.*

*Tea Co.*, Case No. 10-24549 (RDD) (Bankr. S.D.N.Y. Jan. 11, 2011); *In re Eastman Kodak Co.*, Case No. 12-10202 (ALG) (Bankr. S.D.N.Y. Feb. 16, 2012).

**G. The Debtors Require Immediate Access to the DIP Financing Facility**

53. The Court may grant interim relief in respect of a motion filed pursuant to section 363(c) or 364 of the Bankruptcy Code where, as here, interim relief is “necessary to avoid immediate and irreparable harm to the estate pending a final hearing.” Fed. R. Bankr. P. 4001(b)(2), (c)(2). In examining requests for interim relief under this rule, courts generally apply the same business judgment standard applicable to other business decisions. *See Ames Dep’t Stores*, 115 B.R. at 36.

54. The Debtors and their estates will suffer immediate and irreparable harm if the interim relief requested herein, including authorizing the Debtors to borrow up to \$7.5 million under the DIP Facility plus the Refinancing, is not granted promptly after the Petition Date. The Debtors have insufficient cash to meet their debt obligations and fund operations without immediate access to the DIP Facility. Further, the Debtors anticipate that the commencement of these cases will significantly and immediately increase the demands on their free cash as a result of, among other things, the costs of administering these cases and addressing key constituents’ concerns regarding the Debtors’ financial health and ability to continue operations in light of these cases. Accordingly, the Debtors have an immediate need for access to liquidity to, among other things, continue the operation of their businesses, maintain their relationships with customers, meet payroll, pay capital expenditures, procure goods and services from vendors and suppliers and otherwise satisfy their working capital and operational needs, all of which is required to preserve and maintain the Debtors’ enterprise value for the benefit of all parties in interest.

55. The importance of a debtor's ability to secure postpetition financing to prevent immediate and irreparable harm to its estate has been repeatedly recognized by Bankruptcy Courts in Virginia and elsewhere in similar circumstances. *See, e.g., In re Va. United Methodist Homes of Williamsburg, Inc.*, Case No. 13-31098 (KRH) (Bankr. E.D. Va. Mar. 6, 2013) (order approving postpetition financing on an interim basis); *In re AMF Bowling Worldwide, Inc.*, Case No. 12-36495 (KRH) (Bankr. E.D. Va. Nov. 14, 2012) (same); *In re Roomstore, Inc.*, Case No. 11-37790 (KLP) (Bankr. E.D. Va. Dec. 14, 2011) (same); *In re Bear Island Paper Co., L.L.C.*, Case No. 10-31202 (DOT) (Bankr. E.D. Va. Feb. 26, 2010) (same); *In re Canal Corp. f/k/a Chesapeake Corp.*, Case No. 08-36642 (DOT) (Bankr. E.D. Va. Bankr. Dec. 30, 2008) (same); *In re Circuit City Stores, Inc.*, Case No. 08-35653 (KRH) (Bankr. E.D. Va. Nov. 10, 2008) (same); *In re Patriot Coal Corp.*, Case No. 12-12900 (ALG) (Bankr. S.D.N.Y. July 11, 2012); *In re Eastman Kodak Co.*, Case No. 12-10202 (ALG) (Bankr. S.D.N.Y. Jan. 20, 2012) (same); *In re Lyondell Chem. Co.*, Case No. 09-10023 (REG) (Bankr. S.D.N.Y. Jan. 8, 2009) (same).

56. Accordingly, for the reasons set forth above, prompt entry of the Interim Order is necessary to avert immediate and irreparable harm to the Debtors' estates and is consistent with, and warranted under, Bankruptcy Rules 4001(b)(2) and (c)(2).

#### **H. Request for Final Hearing**

57. Pursuant to Bankruptcy Rules 4001(b)(2) and 4001(c)(2), the Debtors request that the Court set a date that is no longer than 30 days from the entry of the Interim Order as a final hearing for consideration of entry of the Final Order.

58. The Debtors request that they be authorized to serve a copy of the signed Interim Order, which fixes the time and date for the filing of objections, if any, by first class mail upon

the Notice Parties listed below. The Debtors further request that the Court consider such notice of the Final Hearing to be sufficient notice under Bankruptcy Rule 4001(c)(2).

**VI. Request for Waiver of Stay**

59. To implement the foregoing successfully, the Debtors seek a waiver of the notice requirements under Bankruptcy Rule 6004(a) and the 14-day stay of an order authorizing the use, sale or lease of property under Bankruptcy Rule 6004(h).

**VII. Notice**

60. The Debtors have provided copies of this Motion to (a) the Clerk's Office; (b) the U.S. Trustee; (c) the attorneys for the administrative agent for the Debtors' proposed postpetition lenders; (d) all known creditors holding secured claims against the Debtors' estates; (e) those creditors holding the 30 largest unsecured claims against the Debtors' estates on a consolidated basis; (f) the Internal Revenue Service; (g) the Canadian Revenue Agency; (h) the Securities and Exchange Commission; (i) the Ontario Securities Commission; and (j) the United States Environmental Protection Agency.

**VIII. No Previous Request**

61. No previous request for the relief sought herein has been made by the Debtors to this or any other court.

WHEREFORE, the Debtors respectfully request that the Court grant the relief requested herein and such other and further relief as is just and proper.

DATED: April 6, 2015

<sup>1</sup> The Debtors, along with the last four digits of each Debtor’s federal tax identification number, are listed on Schedule 1 attached to the Motion.

(IV) authorization for the Debtors to immediately use proceeds of the DIP Facility upon entry of this interim order (the “Interim Order” or the “Order”), to (a) pay in full the Prepetition Term Loan Debt (as defined below), including any interest, fees, expenses and other charges accrued through the date of payment, and, upon such payment, receive the simultaneous release and termination of the liens, claims and encumbrances of the Prepetition Lenders (as defined below) in accordance with this Interim Order (the “Refinancing”), and (b) provide working capital to the Debtors and pay fees and expenses in connection with the Cases;

(VII) subject to the terms of this Order, authorization to grant first priority superpriority claims to the DIP Lenders and first priority liens in favor of the DIP Agent (for the benefit of the DIP Lenders) on all prepetition and postpetition property of the Debtors' estates and all proceeds thereof (but excluding a lien on Avoidance Actions (as defined below) and, prior to entry of the Final Order (as defined below), any Avoidance Proceeds (as defined below)), subject to the Carve-Out (as defined below) and the terms of this Order;

(VIII) subject to and only effective upon the entry of a Final Order (as defined below) granting such relief, the waiver by the Debtors of any right to surcharge against

(IX) modification of the automatic stay set forth in section 362 of the Bankruptcy Code to the extent necessary to implement and effectuate the terms of the DIP Documents and this Interim Order;

(X) a waiver of any applicable stay with respect to the effectiveness and enforceability of this Interim Order (including under Bankruptcy Rule 6004); and

4. Debtors' Stipulations. Without prejudice to the rights of any other party-in-interest (but subject to the limitations thereon contained in paragraph 25 below) the Debtors admit, stipulate and agree that:

(a) The Prepetition Credit Agreement.

(i) Xinergy, as borrower, Xinergy Ltd., as parent, other guarantors party thereto and the lenders party thereto (the "Prepetition Lenders") are parties to that certain Credit Agreement dated as of December 21, 2012 (as amended, supplemented or otherwise modified from time to time, the "Prepetition Credit Agreement"), and together with all agreements, documents, certificates and instruments, including, without limitation the Prepetition Collateral Trust Agreement (as defined below) delivered or executed from time to time in connection therewith, as amended, restated, amended and restated, supplemented, or otherwise modified from time to time in accordance with the terms thereof, collectively, the "Prepetition Term Loan Documents"), pursuant to which the Prepetition Lenders made term loans available to the Prepetition Borrower (the "Prepetition Loans").

(iii) To secure the Prepetition Term Loan Debt, the Debtors entered into various security agreements and other collateral documents, pursuant to which they granted to the Prepetition Lenders, valid, binding, perfected, first-priority liens and security interests (the "Prepetition Term Loan Liens") in substantially all of their assets, including, among other things, as the following terms are defined in the Prepetition Term Loan Documents: (a) Accounts;

(b) The Prepetition Secured Notes.

(i) Pursuant to that certain indenture, dated as of May 6, 2011 (as heretofore supplemented from time to time, the “Prepetition Indenture”) by and among Xinergy Corp., as issuer, the guarantors listed therein and Wells Fargo Bank, National Association, as collateral trustee (in such capacity, the “Prepetition Indenture Trustee”), Xinergy Corp. issued 9.25% senior secured notes due 2019 (the “Prepetition Secured Notes”, and holders thereof, the “Prepetition Secured Noteholders”, and together with the Prepetition Lenders and the Prepetition Indenture Trustee, collectively, the “Prepetition Secured Parties”).

(ii) As of the Petition Date, the outstanding aggregate principal amount of Prepetition Secured Notes issued under the Prepetition Indenture was \$195,000,000 (together with all other outstanding Obligations, as defined in the Indenture, including interest, fees, expenses and other charges, the “Prepetition Secured Notes Debt”, and together with the Prepetition Term Loan Debt, collectively, the “Prepetition Debt”).

(iii) To secure the Prepetition Secured Notes Debt, the Debtors and Prepetition Indenture Trustee entered into that collateral trust agreement, dated as of May 6, 2011 (the “Prepetition Collateral Trust Agreement,” and together with the Indenture and all agreements, documents, certificates and instruments delivered or executed from time to time in connection therewith, as hereafter amended, restated, amended and restated, supplemented, or otherwise modified from time to time in accordance with the terms thereof and hereof, collectively, the “Prepetition Secured Notes Documents,” and together with the Prepetition Term Loan Documents, the “Prepetition Documents”), pursuant to which the Debtors granted to the Prepetition Indenture Trustee, for the benefit of itself and the Prepetition Secured Noteholders, valid, binding, perfected, second-priority liens and security interests (the “Prepetition Notes Liens,” and together with the Prepetition Term Loan Liens, the “Prepetition Liens”) in all property and assets of the issuer and guarantors under the Indenture, except for Excluded Assets (as defined in the Prepetition Secured Notes Documents), subject and subordinate to the Prepetition Term Loan Collateral (the “Prepetition Notes Collateral,” and together with Prepetition Term Loan Collateral, the “Prepetition Collateral”).

(c) The Prepetition Liens are valid, binding, enforceable, non-avoidable and perfected liens and the Prepetition Debt constitutes the legal, valid, binding, enforceable and non-avoidable obligations of the applicable borrowers and guarantors, enforceable against

them in accordance with their respective terms (other than in respect of the stay of enforcement arising from section 362 of the Bankruptcy Code), and no portion of the Prepetition Liens or Prepetition Debt is subject to any challenge or defense, including avoidance, reduction, offset, attachment, disallowance, disgorgement, recharacterization, surcharge, recovery or subordination pursuant to the Bankruptcy Code or applicable nonbankruptcy law.

(d) the Prepetition Debt and the Prepetition Collateral are not and shall not be subject to any attachment, contest, attack, rejection, recoupment, reduction, defense, counterclaim, setoff, offset, recharacterization, avoidance or other claim (as “claim” is defined by section 101(5) of the Bankruptcy Code), impairment, disallowance, counterclaim, subordination (whether equitable, contractual, or otherwise, except for any lien subordination under the Prepetition Collateral Trust Agreement contemplated herein), cause of action or any other challenge of any nature under the Bankruptcy Code (including, without limitation, under chapter 5 of the Bankruptcy Code), under applicable nonbankruptcy law or otherwise (including, without limitation, any applicable state Uniform Fraudulent Transfer Act or Uniform Fraudulent Conveyance Act);

(e) subject to the reservation of rights set forth in paragraph 25 below, including the expiration of the Challenge Period, the Debtors and their estates hereby absolutely and unconditionally forever waive, discharge and release each of the Prepetition Lenders, the Prepetition Indenture Trustee and the Prepetition Secured Noteholders and each of their respective present and former predecessors, successors, assigns, affiliates, members, partners, managers, current and former equity holders, agents, attorneys, financial advisors, consultants, officers, directors, employees and other representatives thereof (all of the foregoing, solely in their respective capacities as such, collectively, the “Prepetition Secured

Party Releasees”) of any and all “claims” (as defined in the Bankruptcy Code), counterclaims, actions, causes of action (including, without limitation, causes of action in the nature of “lender liability”), defenses, demands, debts, accounts, contracts, liabilities, setoff, recoupment or other offset rights against any and all of the Prepetition Secured Party Releasees, whether arising at law or in equity, relating to and/or otherwise in connection with the applicable Prepetition Debt, the Prepetition Liens, Prepetition Collateral or the debtor-creditor relationship among any of the applicable Prepetition Lenders, Prepetition Indenture Trustee or the Prepetition Secured Noteholders, on the one hand, and the Debtors, on the other hand, from the beginning of time until immediately preceding the entry of this Interim Order, including, without limitation, (i) any recharacterization, subordination, avoidance or other claim arising under or pursuant to section 105 or chapter 5 of the Bankruptcy Code or under any other similar provisions of applicable state law, federal law or municipal law and (ii) any right or basis to challenge or object to the amount, validity or enforceability of the applicable Prepetition Debt or any payments made on account of the applicable Prepetition Debt, or the validity, enforceability, priority or non-avoidability of the applicable Prepetition Liens or the Prepetition Collateral securing the applicable Prepetition Debt.

(f) effective upon entry of this Interim Order, the Debtors and their estates hereby absolutely and unconditionally forever waive, discharge and release each of the DIP Agent and the DIP Lenders and each of their respective present and former predecessors, successors, assigns, affiliates, members, partners, managers, current and former equity holders, agents, attorneys, financial advisors, consultants, officers, directors, employees and other representatives thereof (all of the foregoing, solely in their respective capacities as such, collectively, the “DIP Party Releasees”) of any and all “claims” (as defined in the Bankruptcy

Code), counterclaims, actions, causes of action (including, without limitation, causes of action in the nature of “lender liability”), defenses, demands, debts, accounts, contracts, liabilities, setoff, recoupment or other offset rights against any and all of the DIP Party Releasees, whether arising at law or in equity, relating to and/or otherwise in connection with the applicable DIP Obligations, DIP Liens, DIP Collateral or the debtor-creditor relationship among any of the DIP Agent or DIP Lenders, on the one hand, and any of the Debtors, on the other hand, from the beginning of time until immediately preceding the entry of this Interim Order, including, without limitation, (i) any recharacterization, subordination, avoidance or other claim arising under or pursuant to section 105 or chapter 5 of the Bankruptcy Code or under any other similar provisions of applicable state law, federal law or municipal law and (ii) any right or basis to challenge or object to the amount, validity or enforceability of the applicable DIP Obligations or any payments made on account of the applicable DIP Obligations, or the validity, enforceability, priority or non-avoidability of the applicable DIP Liens securing the applicable DIP Obligations; provided that, nothing herein shall relieve the DIP Party Releasees from fulfilling their obligations or commitments under the DIP Facility or operate as a release related thereto.

5. Cash Collateral. For purposes of this Interim Order, the term “Cash Collateral,” including, without limitation, all cash proceeds of Prepetition Collateral, shall have the meaning ascribed to it in section 363(a) of the Bankruptcy Code.

6. Use of Cash Collateral. The Debtors are hereby authorized, subject to the terms and conditions of the DIP Documents, this Interim Order, the Prepetition Collateral Trust Agreement and in accordance with the Budget (as defined below), to use the Cash Collateral, during the period from the Petition Date through termination of the DIP Obligations pursuant to

the DIP Documents, solely for working capital and general corporate purposes. The Debtors' right to use the Cash Collateral shall terminate automatically on the earlier of: (i) the Maturity Date, as defined in the DIP Documents; and (ii) the occurrence of an Event of Default under any DIP Documents, pursuant to which the DIP Agent provides the Debtors, with a copy to the Debtors' counsel, five (5) days' prior written notice (which shall run concurrently with any notice provided under the applicable DIP Documents).

7. Findings Regarding the Financing and Use of Cash Collateral.

(a) Good cause has been shown for the entry of this Interim Order.

(b) The Debtors have an immediate need to obtain the financing provided under the DIP Facility and to use the Cash Collateral to, among other things, permit the orderly continuation of their businesses, preserve their going concern value, maintain business relationships with vendors, suppliers and customers, satisfy payroll obligations, consummate the Refinancing, make capital expenditures, pay for certain costs and expenses related to the Debtors' Chapter 11 Cases, and satisfy the Debtors' other working capital and operational needs. The access of the Debtors to sufficient working capital and liquidity made available through the DIP Facility and the use of Cash Collateral and other financial accommodations under the DIP Facility and hereunder is vital to the preservation and maintenance of the Debtors' going concern value and to the Debtors' successful reorganization.

(c) The Debtors are unable to obtain sufficient financing on more favorable terms from sources other than the DIP Lenders under the DIP Documents and are unable to obtain adequate unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The Debtors are also unable to obtain secured credit allowable solely under sections 364(c)(1), 364(c)(2) and 364(c)(3) of the Bankruptcy Code.

(d) The DIP Agent and the DIP Lenders are willing to provide the DIP Facility, subject to the terms and conditions set forth in the DIP Documents and the provisions of this Order, as applicable, and provided that the DIP Liens, the Superpriority Claims and other protections granted by this Order and the DIP Documents will not be affected by any subsequent reversal or modification of this Order or any other order, as provided in section 364(e) of the Bankruptcy Code, which is applicable to the DIP Facility approved by this Order. The DIP Agent and the DIP Lenders have acted in good faith in agreeing to provide the DIP Facility approved by this Order and to be further evidenced by the DIP Documents and their reliance on the assurances referred to above is in good faith.

(e) Among other things, entry of this Order will minimize disruption of the Debtors' businesses and operations by enabling them to meet payroll and other critical expenses, including vendor and professional fees. The DIP Facility as set forth herein is vital to avoid immediate and irreparable loss or harm to the Debtors' estates, which will otherwise occur if immediate access to the DIP Facility is not obtained. Consummation of the DIP Facility pursuant to the terms of this Order therefore is in the best interests of the Debtors' estates.

(f) The DIP Documents and the DIP Facility contemplated thereunder, each as authorized hereunder, have been negotiated in good faith and at arm's length among the Debtors, the DIP Agent and the DIP Lenders, and the terms of the DIP Facility are fair and reasonable under the circumstances, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties and are supported by reasonably equivalent value and fair consideration. All of the Debtors' obligations and indebtedness arising under, in respect of or in connection with the DIP Facility and the DIP Documents, including the Obligations (as

defined in the DIP Documents, collectively, the “DIP Obligations”), shall be deemed to have been extended by the DIP Agent and the DIP Lenders and their affiliates in good faith, as that term is used in section 364(e) of the Bankruptcy Code, and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code, and shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that this Order or any provision hereof is vacated, reversed or modified on appeal or otherwise.

(g) The majority of the Prepetition Secured Noteholders have consented to the priming of their Prepetition Notes Liens by the DIP Liens in exchange for adequate protection of their interest in the Prepetition Collateral as set forth in this Order and have consented to the Refinancing.

(h) The Debtors have requested immediate entry of this Order pursuant to Bankruptcy Rules 4001(b)(2) and (c)(2). The permission granted herein on an interim basis to enter into the DIP Documents and to borrow up to an aggregate principal amount of \$7.5 million plus the amount necessary to consummate the Refinancing is necessary to avoid immediate and irreparable harm to the Debtors and their estates. This Court concludes that entry of this Order is in the best interests of the Debtors and their estates and creditors as its implementation will, among other things, allow the Debtors to facilitate their chapter 11 goals and maximize the value of their assets.

(i) Based upon the record before the Bankruptcy Court, the terms of the use of Cash Collateral and the adequate protection granted in this Interim Order have been negotiated at arms’ length and in good faith, as that term is used in section 364(e) of the Bankruptcy Code, and are in the best interests of the Debtors, their estates and creditors and are consistent with the Debtors’ fiduciary duties.

8. Authorization of the Financing and the DIP Documents.

(a) The Borrower is hereby authorized to borrow money pursuant to the DIP Facility, and the guarantors under the DIP Facility are hereby authorized to guarantee such borrowings and the Borrower's obligations with respect to such borrowings, up to an aggregate principal amount of \$7.5 million plus the amount necessary to consummate the Refinancing (plus interest, fees, amounts paid-in-kind, prepayment premiums, original issue discount, expenses (including professional fees and expenses whether incurred pre- or post-petition) and other amounts, in each case, as provided for in the DIP Documents) under the DIP Facility, in accordance with the terms of this Interim Order and the DIP Documents, which borrowings shall be used for all purposes permitted under the DIP Documents, including, without limitation, to consummate the Refinancing, to provide working capital for the Debtors and to pay interest, fees and expenses (including, the DIP Agent's and DIP Lenders' professional fees and expenses whether incurred pre- or post-petition) in accordance with this Interim Order and the DIP Documents.

(b) The Debtors are hereby authorized and directed to execute, issue, deliver, enter into and adopt, as the case may be, the DIP Documents to be delivered pursuant hereto or thereto or in connection herewith or therewith, including, without limitation, the Budget (as defined herein) .

(c) In furtherance of the foregoing and without further approval of this Court, each Debtor is authorized and directed to perform all acts, to make, execute and deliver all instruments and documents (including, without limitation, the execution or recordation of security agreements, mortgages and financing statements), and, without further application to the Court, to pay all fees referred to in this Interim Order and in the DIP Documents including,

without limitation, the reasonable fees and out-of-pocket expenses of the professionals of the DIP Agent and the DIP Lenders (whether incurred pre-or post-petition).

(d) The Debtors are further hereby authorized to execute, deliver and perform one or more amendments, waivers, consents or other modifications to and under the DIP Documents, in such form as the Debtors and the DIP Agent may agree, and no further approval of the Bankruptcy Court shall be required for amendments, waivers, consents or other modifications to and under the DIP Documents (and any reasonable fees paid in connection therewith) that do not (A) shorten the maturity or the scheduled termination date thereunder, or (B) increase the commitments or the rate of interest (other than invoking the default rate upon an Event of Default) payable thereunder.

(e) The Debtors are further hereby authorized and directed to (i) make the non-refundable payment to the DIP Agent or the DIP Lenders, as the case may be, of any fees and other amounts due, including any reimbursement of indemnified obligations referred to in the DIP Documents (and in any separate letter agreements between such applicable parties and the Debtors in connection with the DIP Facility) and reasonable costs and expenses as may be due from time to time, including, without limitation, the reasonable fees and expenses of the professionals retained as provided for in the DIP Documents (whether incurred pre-or post-petition), without the need to file retention motions or fee applications; (ii) perform all other acts required under or in connection with the DIP Documents, including the granting and perfection of the DIP Liens and the Superpriority Claims as permitted herein and therein; and (iii) cause the execution and delivery of and performance under the DIP Facility's guarantees.

(f) Upon execution and delivery of the DIP Documents, the DIP Documents shall constitute valid and binding obligations of the Debtors, enforceable against each Debtor

party thereto in accordance with their terms. No obligation, payment, transfer or grant of a security or other interest under the DIP Documents or this Order shall be stayed, restrained, voidable, or recoverable under the Bankruptcy Code or any applicable law (including, without limitation, under section 502(d) of the Bankruptcy Code), or subject to any defense, reduction, set-off, recoupment or counterclaim.

(g) The Debtors' borrowings from the DIP Lenders under the DIP Facility and this Order will be used in a manner consistent with the terms and conditions of the applicable DIP Documents and only in express accordance with and to the extent set forth in the Budget (as defined below), solely (a) to consummate the Refinancing, whereupon the Prepetition Term Loan Liens shall be released and terminated except that (i) unless otherwise ordered by the Court, if any Prepetition Term Loan Debt is subsequently reinstated after the payment thereof because such payment (or any portion thereof) is required to be returned or repaid to the Debtors or the DIP Lenders then such Prepetition Term Loan Liens shall be reinstated (unless such Prepetition Term Loan Liens shall have been avoided) and (ii) such reinstated Prepetition Term Loan Liens shall be junior and subordinate in all respects to the DIP Lenders' liens on and security interests in the DIP Collateral (as defined below) (including, without limitation, the DIP Liens (as defined below)) granted under this Interim Order and/or the DIP Documents (such junior liens and security interests of the Prepetition Lenders are hereinafter referred to as the "Contingent Liens"), and any such reinstated Prepetition Term Loan Debt described in clause (i) of this sentence is hereinafter referred to as the "Contingent Prepetition Debt"); and (b) for working capital and other general corporate purposes and payment of fees and expenses in connection with the Cases. The Prepetition Lenders shall deliver or cause to be delivered, at the Debtors' cost and expense, any termination statements, releases and/or assignments in

favor of the DIP Agent and the DIP Lenders or other documents, in each case as reasonably requested by the Debtors or the DIP Agent in order to effectuate and/or evidence the release and termination of the Prepetition Term Loan Liens.

(h) In the event that the Prepetition Lenders (in their capacities as such) are ordered by the Bankruptcy Court to disgorge, refund or in any manner repay to the Debtors or their estates any amounts (the “Disgorged Amounts”) leading to Contingent Prepetition Debt, the Disgorged Amounts, unless otherwise ordered by the Bankruptcy Court, shall be placed in a segregated interest bearing account in which the Prepetition Lenders shall have the first lien upon, pending a further final, non-appealable order of a court of competent jurisdiction regarding the distribution of such Disgorged Amounts (either returning the Disgorged Amounts to the Prepetition Lenders, distributing such amounts to the Debtors or otherwise); provided that, to the extent the Disgorged Amounts are returned to the Prepetition Lenders, they shall receive such amounts plus any interest accrued at the non-default rate set forth in the Prepetition Term Loan Documents.

(i) (i) The proceeds from the DIP Loans shall not be loaned or advanced to, or invested in (in each case, directly or indirectly), any entity that is not a Debtor, (ii) the proceeds from the DIP Facility loaned or advanced to, or invested in, any non-Borrower Debtor shall be evidenced by an intercompany note, in form and substance reasonably satisfactory to the DIP Agent, for the full amount of the proceeds so loaned, advanced or invested, (iii) such intercompany note shall be pledged to the DIP Agent for the benefit of the DIP Lenders, to secure the applicable DIP Obligations (as defined herein), and (iv) all intercompany liens of the Debtors, if any, will be contractually subordinated to the liens securing the DIP Facility on terms satisfactory to the DIP Agent.

(j) In no event shall the DIP Lenders or the Prepetition Secured Parties be subject to the equitable doctrine of “marshalling” or any similar doctrine with respect to the DIP Collateral or the Prepetition Collateral, as applicable.

(k) Following the date of this Order and prior to the entry of the Final Order, the Initial DIP Lenders shall, through secondary market assignments, provide certain qualified holders of the Prepetition Secured Notes (including the Initial DIP Lenders) with an opportunity to participate in the DIP Facility on a pro rata basis based on any such holder’s holdings of Prepetition Secured Notes as of the Petition Date. For the avoidance of doubt, (i) any portion of the DIP Facility that is not assigned pursuant to the foregoing shall be retained by the Initial DIP Lenders, and (ii) any assignee pursuant to the assignment process described herein shall be entitled to its pro rata share of commitment fees.

9. Superpriority Claims.

(a) Pursuant to section 364(c)(1) of the Bankruptcy Code, all of the DIP Obligations shall constitute allowed superpriority senior administrative expense claims against the Debtors with priority over any and all administrative expense claims, adequate protection claims and all other claims against the Debtors, now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expense claims of the kind specified in sections 503(b) and 507(b) of the Bankruptcy Code, and over any and all administrative expenses or other claims arising under sections 105, 326, 328, 330, 331, 503(b), 506(c) (subject to entry of a Final Order), 507(a), 507(b), 726, 1113 or 1114 of the Bankruptcy Code (the “Superpriority Claims”), whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment, which allowed claims shall be payable from and have recourse to all pre-petition and post-petition property of the Debtors and

their estates and all proceeds thereof, subject only to the payment of the Carve-Out (as defined below) to the extent specifically provided for herein. Any payments, distributions or other proceeds received on account of such Superpriority Claims shall be promptly delivered to the DIP Agent to be applied or further distributed by the DIP Agent on account of the applicable DIP Obligations in such order as is specified in this Order and the applicable DIP Documents. The Superpriority Claims shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that this Order or any provision hereof is vacated, reversed or modified, on appeal or otherwise.

(b) For purposes hereof, the “Carve-Out” means (i) all fees required to be paid to the Clerk of the Bankruptcy Court and to the U.S. Trustee under 28 U.S.C. § 1930(a) and 31 U.S.C. § 3717 (as to the U.S. Trustee, in such amount as agreed to by the U.S. Trustee or Order of the Court); (ii) all reasonable fees and expenses incurred by a trustee appointed under section 701 of the Bankruptcy Code in an amount not to exceed \$25,000; (iii) to the extent allowed at any time, but subject in all respects to the Budget (as defined in below) and the terms of this Order, all accrued and unpaid fees, disbursements, costs and expenses (“Professional Fees”) (other than any monthly fee, restructuring fee, sale fee or other success fee of any investment bankers or financial advisors of the Debtors), incurred by professionals or professional firms retained by the Debtors and the Creditors’ Committee, if any, whose retention has been approved by the Court during these Cases pursuant to sections 327 and 1103 of the Bankruptcy Code (collectively, “Professional Persons”), at any time before or on the first business day following delivery by any DIP Agent of a Carve Out Trigger Notice (as defined below), to the extent such Professional Fees are allowed by the Bankruptcy Court whether prior to or after delivery of a Carve Out Trigger Notice; and (iv) after the first business day following delivery by any DIP

Agent of the Carve Out Trigger Notice, to the extent allowed by the Bankruptcy Court, all unpaid fees, disbursements, costs and expenses incurred by Professional Persons, in an aggregate amount not to exceed \$500,000 (the amount set forth in this clause (iv) being the “Carve-Out Cap”). For purposes of the foregoing, the term “Carve-Out Trigger Notice” shall mean a written notice delivered by the DIP Agent to the Debtors and their lead counsel, the U.S. Trustee, counsel to the Prepetition Lenders, counsel to the Prepetition Indenture Trustee, counsel to the Prepetition Secured Noteholders and lead counsel to the Creditors’ Committee, if any, which notice may be delivered following the occurrence and during the continuation of an Event of Default under the applicable DIP Documents, expressly stating that the Carve-Out Cap is invoked and the Event of Default that is alleged to have occurred and be continuing. For the avoidance of doubt and notwithstanding anything to the contrary herein or elsewhere, the Carve-Out shall be senior to all DIP Obligations and liens securing the DIP Obligations. Nothing herein shall be construed to impair the ability of any party to object to the allowance by the Court of any of the fees, expenses, reimbursement or compensation described in clauses (i), (ii), (iii) and (iv) above.

(c) The DIP Agent and DIP Lenders shall not be responsible for the direct payment or reimbursement of any fees or disbursements of any Professional Persons incurred in connection with these Cases or any successor cases under any chapter of the Bankruptcy Code. Nothing in this Order or otherwise shall be construed (i) to obligate the DIP Agent or the DIP Lenders in any way to pay compensation to or to reimburse expenses of any Professional Persons, or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement; (ii) to increase the Carve-Out if actual allowed Professional Fees are higher in fact than reflected in the Budget (as defined below); or (iii) as consent to the allowance of any

professional fees or expenses of any Professional Persons. Any funding of the Carve-Out shall be added to and made a part of the DIP Obligations and secured by the Collateral and otherwise entitled to the protections granted under this Interim Order, the DIP Documents, the Bankruptcy Code and applicable law. The DIP Agent's and DIP Lenders' liens and claims shall, however, be subject to the Carve-Out as set forth in this Interim Order.

10. DIP Liens.

As security for the DIP Obligations, effective and perfected upon the date of this Order and without the necessity of the execution, recordation of filings by the Debtors of mortgages, security agreements, control agreements, pledge agreements, financing statements or other similar documents, or the possession or control by the DIP Agent or any DIP Lender of, or over, any DIP Collateral, the security interests and liens identified below are hereby granted to the DIP Agent for its own benefit and the respective benefit of the DIP Lenders (all property identified in clauses (a), (b), (c), (d) and (e) below, together with all other property to which the DIP Agent is granted a lien under the applicable DIP Documents (other than as expressly excluded pursuant to this Order), being collectively referred to as the "DIP Collateral"), subject to (a) the terms of the DIP Facility and (b) payment of the Carve-Out as provided herein (all such liens and security interests granted to the DIP Agent, for its benefits and for the benefit of the DIP Lenders, pursuant to this Order and the DIP Documents, the "DIP Liens"). Notwithstanding the foregoing, any DIP Agent may take any action (and is, to the extent necessary in connection therewith, hereby granted relief from the automatic stay), to evidence, confirm, validate or perfect, or to ensure the contemplated priority of, such liens, and the Debtors shall execute and deliver to the DIP Agent and the DIP Lenders all such financing statements, notices and other documents as the DIP Agent or any DIP Lender may reasonably request in connection therewith

and shall deliver account control agreements or other documentation in respect of and evidencing perfection of all collection and deposit accounts to the extent required by the DIP Documents.

(a) First Lien on Unencumbered Property. Pursuant to section 364(c)(2) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully-perfected first priority senior (but subject to the priorities set forth in the DIP Documents) security interest in and lien upon all pre- and postpetition tangible and intangible property of the Debtors and the Debtors' estates, whether existing on the Petition Date or thereafter acquired, that, on or as of the Petition Date is not subject to valid, perfected and non-avoidable liens (or to valid liens in existence as of the Petition Date that are subsequently perfected as permitted by section 546(b) of the Bankruptcy Code) (collectively, "Unencumbered Property"), including without limitation, all inventory, accounts, accounts receivable, general intangibles (or "intangibles" under any applicable Canadian PPSL), chattel paper, contracts, owned real estate, real and personal property leaseholds, property, plants, fixtures, machinery, equipment, as-extracted collateral, all coal and other minerals as extracted from the ground, vehicles, vessels, deposit accounts, commercial tort claims, documents, equity interests, books and records, cash and cash collateral of the Debtors (whether maintained with the DIP Agent or otherwise) and any investment of such cash and cash collateral, letter of credit rights, patents, copyrights, trademarks, trade names, rights under license agreements and other intellectual property and stock of subsidiaries of the Debtors.

(b) Priming Liens on Prepetition Collateral. Pursuant to section 364(d)(1) of the Bankruptcy Code, the DIP Agent, for the benefit of the DIP Lenders, shall have a valid, binding, continuing, enforceable, fully-perfected first-priority senior priming lien on, and security interest upon all pre- and post-petition property of the Debtors and any other obligors

or credit parties under the DIP Facility, including, without limitation, cash and cash collateral of the Debtors (whether maintained with the DIP Agent or otherwise), including Cash Collateral, and any investment of such cash and cash collateral, inventory, accounts receivable, letter of credit rights and other rights to payment whether arising before or after the Petition Date, contracts, properties, plants, equipment, vehicles, general intangibles, documents, instruments, interests in leaseholds, real properties, patents, copyrights, trademarks, trade names, other intellectual property, capital stock of subsidiaries and the proceeds, product, offspring of profits of all the foregoing), whether now existing or hereafter acquired, that is subject to the existing liens (i) presently securing the Prepetition Debt and (ii) that will secure the Contingent Prepetition Debt in accordance with this Interim Order. Such security interests and liens shall be senior in all respects to the interests in such property of the Prepetition Secured Parties arising from current and future liens of the Prepetition Secured Parties (including, without limitation, the Contingent Liens and the Adequate Protection Liens granted hereunder), but shall not be senior to any valid, perfected and unavoidable interest of other parties arising out of liens, if any, on such property existing immediately prior to the Petition Date. The DIP Collateral shall be deemed to include, among the other assets purported to be collateral as described herein, all collateral securing All-Asset Priority Obligations; the DIP Facility, DIP Obligations and DIP Liens shall be deemed to have all the rights and benefits of All-Asset Priority Debt, All-Asset Priority Obligations and All-Asset Priority Liens (as such terms are defined in the Prepetition Collateral Trust Agreement), in each case, to the extent the proceeds of the DIP Facility refinanced the Prepetition Term Loans.

(c) Liens Junior to Certain Other Liens. Pursuant to section 364(c)(3) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully-perfected security interest

(subject to the priorities set forth in the DIP Documents) in and lien upon all pre- and postpetition tangible and intangible property of the Debtors and the Debtors' estates (other than property described in clauses (a), (b), or (d) of this paragraph 10, as to which the liens and security interests in favor of the DIP Agent will be as described in such clauses), whether now existing or hereafter acquired, that is subject to valid, perfected and unavoidable liens in existence immediately prior to the Petition Date, or to any valid and unavoidable liens in existence immediately prior to the Petition Date that are perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code (in each case, other than the Prepetition Liens, the Contingent Liens and the Adequate Protection Liens), which security interests and liens in favor of the DIP Agent are junior to such valid, perfected and unavoidable liens.

(d) Liens Senior to Certain Other Liens. The DIP Liens shall not be subject or subordinate to (i) any lien or security interest that is avoided and preserved for the benefit of the Debtors and their estates under section 551 of the Bankruptcy Code or (ii) unless otherwise provided for in the DIP Documents, any liens arising after the Petition Date including, without limitation, any liens or security interests granted in favor of any federal, state, municipal or other domestic or foreign governmental unit (including any regulatory body), commission, board or court for any liability of the Debtors.

(e) Notwithstanding the foregoing clauses (a), (b), (c) and (d), the DIP Collateral under this Interim Order shall exclude the Debtors' claims and causes of action under sections 502(d), 544, 545, 547, 548, 549, 550 and 553 of the Bankruptcy Code, or any other avoidance actions under the Bankruptcy Code (collectively, "Avoidance Actions"), but, subject only to and effective upon entry of the Final Order, shall include any proceeds or

property recovered, unencumbered or otherwise the subject of successful Avoidance Actions, whether by judgment, settlement or otherwise (“Avoidance Proceeds”).

**ADEQUATE PROTECTION OF PREPETITION LENDERS**

11. Adequate Protection of Prepetition Lenders. Until the Refinancing has been consummated and the expiration of the Challenge Period with no challenge having been brought or, if such a challenge is brought, upon the entry of a final judgment resolving such challenge in favor of the Prepetition Lenders, the Prepetition Secured Lenders are entitled, pursuant to sections 361, 363(e) and 364(d)(1) of the Bankruptcy Code, to adequate protection of their interest in the Prepetition Collateral, including the Cash Collateral, for and equal in amount to the aggregate diminution in the value of the Prepetition Lenders’ interest in the Prepetition Term Loan Collateral, the Prepetition Term Loan Debt and the Contingent Debt, including, without limitation, any such diminution resulting from the sale, lease or use by the Debtors (or other decline in value) of Cash Collateral and any other Prepetition Term Loan Collateral, the priming of the Prepetition Lenders’ security interests and liens in the Prepetition Term Loan Collateral by the DIP Agent and the DIP Lenders pursuant to the DIP Documents and this Interim Order, the imposition of the automatic stay pursuant to section 362 of the Bankruptcy Code. As adequate protection, the Prepetition Lenders are hereby granted the following (collectively, the “Prepetition Lenders Adequate Protection Obligations”):

(a) Adequate Protection Liens. The Prepetition Lenders are hereby granted (effective and perfected upon the date of this Interim Order and without the necessity of the execution by the Debtors of mortgages, security agreements, pledge agreements, financing statements or other agreements), in the amount of such diminution and the amount of any Contingent Debt, (a) a replacement security interest in and lien upon all the DIP Collateral,

subject and subordinate only to (i) the DIP Liens and any liens on the DIP Collateral to which such DIP Liens are junior and (ii) the Carve-Out (such liens, the “Prepetition Lenders Adequate Protection Liens”) and (b) the Contingent Liens to secure any Contingent Prepetition Debt. Without limiting the generality of the foregoing, (A) the Contingent Liens and the Prepetition Adequate Protection Liens granted to the Prepetition Lenders hereunder shall be junior and subordinate in all respects to the DIP Liens and the Carve-Out; (B) the Contingent Prepetition Debt shall be junior and subordinate in right of payment to all DIP Obligations and the Carve-Out; (C) until such time as all of the DIP Obligations are indefeasibly paid in full in cash in accordance with the DIP Documents and this Interim Order, the Prepetition Lenders shall have no right to seek or exercise any enforcement rights or remedies in connection with the Contingent Prepetition Debt, the Contingent Liens or the Prepetition Adequate Protection Liens, including, without limitation, in respect of the occurrence or continuance of any Event of Default (as defined in the Prepetition Credit Agreement); (D) the Prepetition Lenders shall be deemed to have consented to any sale or disposition of DIP Collateral permitted under the DIP Facility or approved, arranged for or by the DIP Agent or the requisite DIP Lenders, and shall terminate and release upon any such sale or disposition all of its liens on and security interests in such DIP Collateral (where the DIP Agent also releases any DIP Liens as necessary); (E) the Prepetition Lenders shall deliver or cause to be delivered, at the Debtors’ costs and expense (for which the Prepetition Lenders shall be reimbursed upon submission to the Debtors of invoices or billing statements), any termination statements, releases or other documents necessary to effectuate and/or evidence the release and termination of any Prepetition Lenders’ liens on or security interests in any portion of the DIP Collateral subject to any sale or disposition permitted under the DIP Facility or approved or arranged for by the DIP

Agent or any of the DIP Lenders (where the DIP Agent also releases any DIP Liens as necessary); and (F) upon the Final Order becoming a final and nonappealable order and the expiration of the Challenge Period (as defined below) with no challenge having been brought, or if such a challenge is brought, until the entry of a final judgment and the payment to the Prepetition Lenders of all amounts owed by the Debtors under the Prepetition Term Loan Documents and this Interim Order (or the Final Order), the Contingent Liens and the Prepetition Adequate Protection Liens shall terminate and be released (automatically and without further action of the parties), and the Prepetition Lenders shall execute and deliver such agreements to evidence and effectuate such termination and release as the Debtors or the DIP Agent may request, and the Debtors and the DIP Agent shall be authorized to file on behalf of the Prepetition Lenders such UCC termination statements or such other filings as may be applicable to the extent such authorization is required under the Uniform Commercial Code of the applicable jurisdiction.

(b) Section 507(b) Claim. The Prepetition Lenders are hereby granted, subject only to the Superpriority Claims and the Carve-Out, a superpriority claim (the “Prepetition Lenders Adequate Protection Claim”), as provided for in sections 503(b) and 507(b) of the Bankruptcy Code, immediately junior to the Superpriority Claims and any other claims under section 364(c)(1) of the Bankruptcy Code held by the DIP Agent and the DIP Lenders, and payable from and having recourse to all prepetition and postpetition property of the Debtors and all proceeds thereof (but excluding Avoidance Actions and, prior to entry of the Final Order, any Avoidance Proceeds); provided, however, that the Prepetition Lenders shall not receive or retain any payments, property or other amounts in respect of the superpriority claims under sections 503(b) and 507(b) of the Bankruptcy Code granted

hereunder or under the Prepetition Term Loan Documents unless and until the DIP Obligations have indefeasibly been paid in full in cash in accordance with the DIP Documents; and provided further, that the Prepetition Lenders hereby irrevocably waive the section 503(b) claim granted to them by this Interim Order upon the expiration of the Challenge Period with no challenge having been brought or, if such a challenge is brought, upon the entry of a final judgment resolving such challenge in favor of the Prepetition Lenders.

(c) Fees and Expenses. The Debtors are authorized and directed under sections 361, 363 and 364 of the Bankruptcy Code to make adequate protection payments as follows: (i) payment of interest on a monthly basis at the default rate as set forth in the Prepetition Credit Agreement (only to the extent of any amounts outstanding), (ii) immediate, non-refundable cash payment of all accrued and unpaid fees and disbursements owing to the Prepetition Lenders under the Prepetition Documents and incurred prior to the Petition Date, (iii) until the expiration of the Challenge Period with no challenge having been brought or, if such a challenge is brought, upon the entry of a final judgment resolving such challenge in favor of the Prepetition Lenders, current cash payments of all reasonable out-of-pocket costs, fees and expenses payable to the Prepetition Lenders under the Prepetition Documents as may hereafter be incurred in accordance with the Prepetition Documents, (iv) all reasonable fees, costs, expenses and disbursements (whether incurred pre-or post-petition) of one primary counsel, Paul, Weiss, Rifkind, Wharton & Garrison LLP, local counsel, including, without limitation, in Virginia, Kutak Rock LLP, and Canada, Fasken Martineau Dumoulin LLP, and one financial advisor, Houlihan Lokey Capital, Inc., to the Prepetition Lenders promptly upon receipt of invoices therefor without the need to file retention motions or fee applications, and (v) continued maintenance and insurance of the Prepetition Term Loan Collateral and the DIP

Collateral as required under the Prepetition Term Loan Documents and the DIP Documents (collectively, the “Prepetition Lenders Adequate Protection Payments”).

**ADEQUATE PROTECTION OF PREPETITION SECURED NOTEHOLDERS**

12. Adequate Protection of Prepetition Secured Noteholders. The Prepetition Secured Noteholders are entitled, pursuant to sections 361, 363(e), 364(d)(1) and 507 of the Bankruptcy Code, to adequate protection of their interest in the Prepetition Notes Collateral, including any Cash Collateral, for and equal in amount to any aggregate diminution in the value of the Prepetition Secured Noteholders’ interests in the Prepetition Notes Collateral, including, without limitation, any such diminution resulting from the sale, lease or use by the Debtors (or other decline in value) of Cash Collateral and the Prepetition Notes Collateral, the priming of the Prepetition Secured Noteholders’ security interests and liens in the Prepetition Notes Collateral by the DIP Agent and the DIP Lenders pursuant to the DIP Documents and this Interim Order and the imposition of the automatic stay pursuant to section 362 of the Bankruptcy Code. As adequate protection, the Prepetition Indenture Trustee and the Prepetition Secured Noteholders are hereby granted the following (collectively, the “Prepetition Noteholders Adequate Protection Obligations”, and together with the Prepetition Lenders Adequate Protection Obligations, the “Adequate Protection Obligations”):

(a) Prepetition Secured Noteholder Adequate Protection Liens. The Prepetition Indenture Trustee, on behalf of itself and for the benefit of the Prepetition Secured Noteholders, is hereby granted (effective and perfected upon the date of this Interim Order and without the necessity of the execution by the Debtors of mortgages, security agreements, pledge agreements, financing statements or other agreements), in the amount of such diminution, a replacement security interest in and lien upon all the DIP Collateral, subject and

subordinate only to (i) the DIP Liens, (ii) the Carve-Out, (iii) the Prepetition Liens, and (iv) the Prepetition Lenders Adequate Protection Liens (the “Prepetition Noteholders Adequate Protection Liens”), and together with the Prepetition Lenders Adequate Protection Liens, the “Adequate Protection Liens”). The Prepetition Indenture Trustee and the Prepetition Secured Noteholders are hereby authorized, but not required, to file or record financing statements, intellectual property filings, mortgages, notices of lien or similar instruments in any jurisdiction or take any other action in order to validate and perfect the Prepetition Secured Noteholders Adequate Protection Liens. Whether or not the Prepetition Indenture Trustee and the Prepetition Secured Noteholders shall, in their respective sole discretion, choose to file such financing statements, intellectual property filings, mortgages, notices of lien or similar instruments or otherwise confirm perfection of the liens and security interests granted to them hereunder, such liens and security interests shall be deemed valid, perfected, allowed, enforceable, non-avoidable and not subject to challenge, dispute or subordination as of the date of entry of this Interim Order.

(b) Fees and Expenses. The Debtors are authorized and directed under sections 361, 363 and 364 of the Bankruptcy Code to make adequate protection payments which shall include (a) ongoing payments, when due or as soon as practicable thereafter, of all reasonable and documented fees, costs, expenses and disbursements incurred either prior to or after the Petition Date, including (i) \$[ ] in fees and expenses payable to the ad hoc group of Prepetition Secured Noteholders’ primary prepetition counsel and (ii) the ad hoc group’s postpetition primary counsel, Paul, Weiss, Rifkind, Wharton & Garrison LLP, local counsel, including, without limitation, in Virginia, Kutak Rock LLP, and Canada, Fasken Martineau Dumoulin LLP, and financial advisor, Houlihan Lokey Capital, Inc., each in its capacity as

advisor, to the Prepetition Secured Noteholders, and in each case, incurred in connection with the Debtors, the Chapter 11 Cases or the transactions contemplated hereby; and (b) continued maintenance and insurance of the Prepetition Notes Collateral and the DIP Collateral as required under the Prepetition Documents and the DIP Documents (collectively, the “Prepetition Noteholders Adequate Protection Payments”, and together with the Prepetition Lenders Adequate Protection Payments, the “Adequate Protection Payments”).

(c) Prepetition Secured Noteholders’ Section 507(b) Claim. The Prepetition Indenture Trustee, on behalf of itself and the Prepetition Secured Noteholders, is hereby granted, subject to the Carve-Out, a superpriority claim as provided for in section 507(b) of the Bankruptcy Code, immediately junior to the Superpriority Claims held by the DIP Agent and the DIP Lenders and the Prepetition Lenders Adequate Protection Claim; provided that, unless otherwise expressly agreed to in writing by the DIP Agent, the Prepetition Lenders (until consummation of the Refinancing and expiration of the Challenge Period with no challenge having been brought or, if such a challenge is brought, upon the entry of a final judgment resolving such challenge in favor of the Prepetition Lenders), the Prepetition Indenture Trustee and the Prepetition Secured Noteholders shall not receive or retain any payments, property or other amounts in respect of the superpriority claims granted hereunder or under the Prepetition Documents unless and until the DIP Obligations and Prepetition Term Loan Debt have indefeasibly been paid in cash in full in accordance with the DIP Documents and this Interim Order (the “Prepetition Noteholders Adequate Protection Claim”, and together with the Prepetition Lenders Adequate Protection Claim, the “Adequate Protection Claims”).

13. Sufficiency of Adequate Protection.

(a) Under the circumstances and given that the Adequate Protection Liens, the Adequate Protection Claims and the Adequate Protection Payments (collectively, the “Adequate Protection Obligations”) are consistent with the Bankruptcy Code, the Bankruptcy Court finds that such adequate protection is reasonable and sufficient to protect the interests of the Prepetition Secured Parties. Except as expressly provided herein, nothing contained in this Interim Order (including, without limitation, the authorization of the use of any Cash Collateral) shall impair or modify any rights, claims or defenses available in law or equity to any Prepetition Secured Party, the DIP Agent or any DIP Lenders.

(b) Notwithstanding anything in paragraphs 11 and 12 to the contrary, following delivery of a Carve-Out Trigger Notice and prior to the payment to the Prepetition Secured Parties on account of any adequate protection or otherwise, the DIP Obligations shall have been paid in full.

(c) The Adequate Protection Obligations (A) shall not be subject to sections 510, 549, 550 or 551 of the Bankruptcy Code or, subject to entry of the Final Order, section 506(c) of the Bankruptcy Code or the “equities of the case” exception of section 552 of the Bankruptcy Code, (B) shall not be subordinate to, or pari passu with, (x) any lien that is avoided and preserved for the benefit of the Debtors and their estates under section 551 of the Bankruptcy Code or otherwise or (y) any intercompany or affiliate liens or claims of the Debtors, and (C) shall be valid and enforceable against any trustee, any other estate representative or litigation trust appointed in these Cases or any successor cases, and/or upon the dismissal of any of these Cases.

14. Proceeds of Subsequent Financing. If the Debtors, any trustee, any examiner with enlarged powers, any responsible officer or any other estate representative subsequently appointed in these Cases or any successor cases, shall obtain credit or incur debt pursuant to Bankruptcy Code sections 364(b), 364(c) or 364(d) in violation of the DIP Documents at any time prior to the indefeasible repayment in full in cash of all DIP Obligations and the termination of the DIP Agent's and the DIP Lenders' obligation to extend credit under the DIP Facility, including subsequent to the confirmation of any plan with respect to the Debtors and the Debtors' estates, and such financing is secured by any DIP Collateral, then all the cash proceeds derived from such credit or debt shall immediately be turned over to the DIP Agent to be applied as set forth the DIP Documents.

15. Refinancing of the Prepetition Term Loan Debt. Following the entry of this Interim Order and as part of the initial borrowing under the DIP Facility, the Debtors shall use a portion of the proceeds from the DIP Facility, which portion shall be designated as "All-Asset Priority Lien Debt" (as such term is defined in the Prepetition Collateral Trust Agreement), in accordance with the DIP Documents and this Interim Order to consummate the Refinancing, upon which, the existing liens on the Prepetition Term Loan Collateral shall be released and terminated (which shall be deemed to have occurred upon the expiration of the Challenge Period (as defined below) with no challenge having been brought or, if such a challenge is brought, upon the entry of a final judgment resolving such challenge in favor of the Prepetition Lenders). After the Refinancing, the Debtors and the DIP Agent are authorized to execute and file any termination statements, releases or other documents necessary to effectuate and/or evidence the release and termination of the Prepetition Lenders' liens on or security interests in any portion of the Prepetition Term Loan Collateral, and the Prepetition Lenders shall deliver or cause to be

delivered, at the Debtors' cost and expense, any termination statements, releases and/or assignments in favor of the DIP Agent, the DIP Lenders or other documents, in each case as reasonably requested by the Debtors or the DIP Agent in order to effectuate and/or evidence the release and termination of the Prepetition Liens. Notwithstanding anything to the contrary in this Order or in any other order of this Court, the Prepetition Term Loan Debt, including, without limitation, All-Asset Priority Lien Debt, All-Asset Priority Obligations and All-Asset Priority Liens (as such terms are defined in the Prepetition Collateral Trust Agreement) shall not be deemed discharged or the Refinancing deemed consummated until the expiration of the Challenge Period with no challenge having been brought or, if such a challenge is brought, upon the entry of a final judgment resolving such challenge in favor of the Prepetition Lenders.

16. Disposition of DIP Collateral; Rights of DIP Agent and DIP Lenders. The Debtors shall not sell, transfer, lease, encumber or otherwise dispose of any portion of the DIP Collateral without the prior written consent of the DIP Agent (and no such consent shall be implied, from any other action, inaction or acquiescence), except as expressly permitted in the DIP Documents.

17. Protection of DIP Lenders' Rights.

(a) The automatic stay provisions of section 362 of the Bankruptcy Code shall be vacated and modified (and any stay of such vacation or modification under Bankruptcy Rule 4001(a)(3) is waived) without further order of the Bankruptcy Court to the extent necessary to permit the DIP Agent and the DIP Lenders to exercise all rights and remedies provided for in the DIP Documents and Interim Order without further order of or application or motion to the Bankruptcy Court, provided that, such rights and remedies that are exercisable only upon the occurrence of an Event of Default (as defined in the DIP Documents and as set forth in this

Interim Order), but subject in all respects to the Carve-Out Cap, shall require the DIP Agent to give five (5) days' prior written notice (which five days' notice period (the "Default Notice Period") shall run concurrently with any notice provided under the DIP Documents) to the U.S. Trustee, the Debtors, the Prepetition Lenders, the Prepetition Indenture Trustee, the Prepetition Secured Noteholders, and the Creditors' Committee, if any, of such DIP Agent's intent to exercise such rights and remedies; provided that, the Debtors shall not have the right to contest the enforcement of the remedies set forth in this Interim Order and the DIP Documents on any basis other than an assertion that an Event of Default has not occurred or has been cured within the cure periods expressly set forth herein or in the applicable DIP Documents; and provided further that during the Default Notice Period, the Debtors shall have no authority to borrow under the DIP Facility unless the DIP Agent otherwise consents, and the DIP Agent may terminate the DIP Facility and declare the DIP Obligations to be immediately due and payable, and the Debtors' authority to use Cash Collateral shall be as set forth in the Budget and limited solely to payment of expenses critical to preservation of the Debtors' estates and the payment of the fees, costs and expenses to administer these Chapter 11 Cases, as agreed by the DIP Agent in its sole discretion. The Debtors and the Prepetition Secured Parties shall waive any right to seek relief under the Bankruptcy Code, including under section 105 thereof, to the extent such relief would restrict or impair the rights and remedies of the DIP Agent and the DIP Lenders set forth in this Interim Order and in the DIP Documents.

(b) The DIP Agent's or any DIP Lender's delay or failure to exercise rights and remedies under the applicable DIP Documents or this Interim Order shall not constitute a waiver of such DIP Agent's or such DIP Lender's rights hereunder, thereunder or otherwise,

unless any such waiver is pursuant to a written instrument executed in accordance with the terms of the applicable DIP Documents.

(c) Except as otherwise expressly set forth in this Interim Order, the Debtors irrevocably waive any right, without the prior written consent of the DIP Agent, (a) to grant or impose, under section 364 of the Bankruptcy Code or otherwise, liens or security interests in any DIP Collateral, whether senior, equal or subordinate to the DIP Agent's liens and security interests; (b) to use, or seek to use, Cash Collateral or (c) to modify or affect any of the rights of the DIP Agent or the DIP Lenders under this Interim Order or the DIP Documents by any plan of reorganization proposed or confirmed in these Chapter 11 Cases or subsequent order entered in these Chapter 11 Cases.

18. Approved Budget.

(a) For purposes of this Order, the term "Budget" means the following: (a) the budget, attached hereto as Exhibit A, the "Initial Budget," which is an initial 13-week budget delivered by the Debtors to the DIP Agent prior to the Petition Date and commencing with the week during which the Petition Date occurs, containing line items of sufficient detail to reflect the Debtors' consolidated projected receipts and disbursements for such 13-week period, including, without limitation, the anticipated weekly uses of the DIP Facility and cash collateral for such period, and which shall provide, among other things, for the payment of the fees and expenses, including professional fees relating to the DIP Facility (whether incurred pre-or post-petition), ordinary course expenses, fees and expenses related to the Cases, and working capital and other general corporate needs, which Initial Budget shall be in form and substance acceptable and approved by the DIP Agent and Majority Lenders (as defined in the DIP Facility), in their sole discretion (as such Initial Budget shall be amended, supplemented

and/or extended in the manner set forth herein and in the Final Order (the “Budget”); and

Such monthly supplements to the Budget shall become the Budget upon the earlier of (a) written acknowledgement from the DIP Agent that the proposed supplement is substantially in the form of the Initial Budget (or the previously supplemented Budget, as the case may be) and is otherwise in form and substance acceptable to and is approved by the DIP Agent and Majority Lenders (provided that any proposed changes in the proposed supplement to any of the Budget figures already covered by the Initial Budget (or the previously supplemented Budget, as the case may be) must be satisfactory to the DIP Agent in its sole discretion) or (b) within 10 Business Days after receipt of such proposed supplement by the DIP Agent, provided that the DIP Agent has not provided a written objection to the proposed supplement; the Initial Budget (or the previously supplemented Budget, as the case may be) shall remain the Budget if the DIP Agent objects to the proposed supplement and until such time as the DIP Agent provides written acknowledgement that a revised version of the proposed supplement is otherwise in form and substance acceptable to and is approved by the DIP Agent. Notwithstanding anything herein or in the DIP Documents to the contrary, unless specifically authorized hereunder or in writing by the DIP Agent or as may be provided in the Budget, no cash collateral may be paid or transferred to any non-Debtor subsidiary or affiliate of the Debtors.

(b) The Debtors shall also deliver to the DIP Agent (i) no later than 5:00 p.m. on Friday of each calendar week commencing on April 10, 2015, (x) an updated variance report (the “Variance Report”) on a weekly basis setting forth (1) actual cash receipts and disbursements for the prior week, (2) all variances, on an individual line item basis and an aggregate basis, as compared to the previously delivered Budget on a weekly and cumulative basis, and an explanation, in reasonable detail, for any material variance, certified by a Senior Officer (as defined in the DIP Facility) of Parent and (y) a report detailing fees and expenses for professional services incurred by the Debtors during the preceding week and (ii) no later than 5:00 p.m. on the first Business Day (as defined in the DIP Facility) of each calendar month, an updated Budget and a variance report on a monthly basis setting forth (x) actual cash receipts and disbursements for the applicable month, (y) all variances, on an individual line item basis and an aggregate basis, as compared to the previously delivered Budget on a monthly basis, and (z) an explanation, in reasonable detail, for any material variance, certified by a Senior Officer (as defined in the DIP Facility) of Parent (the “Budget Variance Report”) for the previous calendar month. As of the last day of each calendar month beginning with April 30, 2015, (a) aggregate disbursements of the Debtors (other than professional fees) listed in the current Budget for such month shall not be greater than 115% of the aggregate amount specified for expenditures in such month in the then current Budget; and (b) the aggregate revenues of the Debtors shall be at least 85% of those projected in the current Budget.

19. Limitation on Charging Expenses Against Collateral. Subject to and effective only upon entry of the Final Order, except to the extent of the Carve-Out, no expenses of administration of the Cases or any future proceeding that may result therefrom, including a case under chapter 7 of the Bankruptcy Code, shall be charged against or recovered from the

Collateral pursuant to section 506(c) of the Bankruptcy Code, the enhancement of collateral provisions of section 552 of the Bankruptcy Code, or any other legal or equitable doctrine (including, without limitation, unjust enrichment) or any similar principle of law, without the prior written consent of the DIP Agent and the DIP Lenders, as the case may be with respect to their respective interests, and no consent shall be implied from any action, inaction or acquiescence by the DIP Agent or the DIP Lenders. In no event shall the DIP Agent or the DIP Lenders be subject to (i) the “equities of the case” exception contained in section 552(b) of the Bankruptcy Code or (ii) the equitable doctrine of “marshaling” or any other similar doctrine with respect to the Collateral.

20. Payment of Fees and Expenses. No payments (including professional fees and expenses) with respect to the DIP Obligations or the Adequate Protection Obligations shall be subject to Bankruptcy Court approval or required to be maintained in accordance with the U.S. Trustee Guidelines, and no recipient of any such payments shall be required to file any interim or final fee applications with the Bankruptcy Court or otherwise seek Bankruptcy Court’s approval of any such payments.

The Prepetition Lenders and the Prepetition Secured Noteholders (subject to the terms of the Prepetition Documents) shall have the right to credit bid a portion of or all of their respective claims in connection with a sale of the Debtors’ assets under section 363 of the Bankruptcy Code or under a plan of reorganization, unless the Bankruptcy Court, for cause, orders otherwise.

22. Perfection of DIP Liens.

(a) The DIP Agent and the DIP Lenders are hereby authorized, but not required, to file or record (and to execute in the name of the Debtors, as its true and lawful attorney, with full power of substitution, to the maximum extent permitted by law) financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments in any jurisdiction, or take possession of or control over deposit accounts and securities accounts or any other asset, in each case, to validate and perfect the liens and security interests granted to them in the DIP Documents and this Interim Order. Whether or not the DIP Agent on behalf of the DIP Lenders, each in its discretion, chooses to file such financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments, or take possession of or control over deposit accounts and securities accounts or any other assets, such liens and security interests shall be deemed valid, perfected, allowed, enforceable, non-avoidable and not subject to challenge dispute or subordination, at the time and on the date of entry of this Interim Order. Upon the reasonable request of the DIP Agent, without any further consent of any party, the DIP Agent, the Debtors, each DIP Lender and the Prepetition Secured Parties are authorized and directed to take, execute, deliver and file such instruments (in each case, without representation or warranty of any kind) to enable the DIP Agent to further perfect the DIP Liens.

(b) A certified copy of this Interim Order may, in the discretion of the DIP Agent, be filed with or recorded in filing or recording offices in addition to or in lieu of such financing statements, mortgages, notices of lien or similar instruments, and all filing offices are hereby authorized to accept such certified copy of this Interim Order for filing and recording. For the avoidance of doubt, the automatic stay provisions of section 362(a) of the Bankruptcy

Code shall be modified (and any stay of such modification under Bankruptcy Rule 4001(a)(3) is waived) to the extent necessary to permit the DIP Agent to take all actions, as applicable, referenced in this subparagraph (b) and in the immediately preceding subparagraph (a).

(c) Any provision of any lease or other license, contract or other agreement that requires (i) the consent or approval of one or more landlords or other parties or (ii) the payment of any fees or obligations to any governmental entity, in order for any Debtor to pledge, grant, sell, assign, or otherwise transfer any such leasehold interest, or the proceeds thereof, or other Collateral related thereto, is hereby deemed to be inconsistent with the applicable provisions of the Bankruptcy Code. Any such provision shall have no force and effect with respect to the granting of post-petition liens on such leasehold interest or the proceeds of any assignment and/or sale thereof by any Debtor in favor of the DIP Lenders in accordance with the terms of the DIP Documents or this Interim Order.

23. Preservation of Rights Granted Under the Order.

(a) Except as expressly provided herein or in the DIP Documents, no claim or lien having a priority senior to or pari passu with those granted by this Interim Order and the DIP Documents to the DIP Agent, the DIP Lenders and the Prepetition Secured Parties shall be granted or allowed while any portion of the DIP Obligations or the Adequate Protection Obligations (with respect to the Prepetition Term Loan Debt, until the expiration of the Challenge Period with no challenge having been brought or, if such a challenge is brought, upon the entry of a final judgment resolving such challenge in favor of the Prepetition Lenders) remain outstanding, and the DIP Liens and the Adequate Protection Liens (with respect to the Prepetition Term Loan Liens, until the expiration of the Challenge Period with no challenge having been brought or, if such a challenge is brought, upon the entry of a final judgment

resolving such challenge in favor of the Prepetition Lenders) shall not (i) be subject to or junior to (A) any lien or security interest that is avoided and preserved for the benefit of the Debtors and their estates under section 551 of the Bankruptcy Code or (B) any liens arising after the Petition Date, including, without limitation, any liens or security interests granted in favor of any federal, state, municipal or other domestic or foreign governmental unit (including any regulatory body), commission, board or court for any liability of the Debtors, or (ii) subordinate to or made pari passu with any other lien or security interest, whether under sections 363 or 364 of the Bankruptcy Code or otherwise.

(b) In addition to the Events of Default set forth in the DIP Documents, unless all DIP Obligations and all Adequate Protection Obligations shall have been indefeasibly paid in full in cash, the Debtors shall not seek, and it shall constitute an Event of Default under the DIP Documents and terminate the right of the Debtors to use Cash Collateral hereunder if any of the Debtors seek, or if there is entered, unless the DIP Agent has otherwise consented:

(i) any modification or extension of this Interim Order without the prior written consent of the DIP Agent, the Prepetition Lenders, the Prepetition Indenture Trustee, and the Prepetition Secured Noteholders, and no such consent shall be implied by any other action, inaction or acquiescence by the DIP Agent, the Prepetition Lenders, the Prepetition Indenture Trustee, and the Prepetition Secured Noteholders, (ii) an order converting or dismissing these Chapter 11 Cases; (iii) an order appointing a Chapter 11 trustee in these Chapter 11 Cases or any other representative or other similar appointment, (iv) an order appointing an examiner with enlarged powers in these Chapter 11 Cases, (v) an order providing for a change of venue with respect to these Chapter 11 Cases and such order shall not have been reversed or vacated within ten (10) days; (vi) an order approving a plan of reorganization or the sale of all or substantially all of

the DIP Collateral (except to the extent permitted under the DIP Documents) or the Prepetition Collateral (except to the extent permitted under the Prepetition Documents) shall have been entered which does not provide for the repayment in full in cash of all DIP Obligations (other than any contingent obligations not yet due and payable) and all Contingent Obligations and Adequate Protection Obligations (with respect to the Prepetition Lenders Contingent Obligations and Adequate Protection Obligations, until the expiration of the Challenge Period with no challenge having been brought or, if such a challenge is brought, upon the entry of a final judgment resolving such challenge in favor of the Prepetition Lenders) upon the consummation thereof. If an order dismissing these Chapter 11 Cases under section 1112 of the Bankruptcy Code or otherwise is at any time entered, such order shall provide (in accordance with sections 105 and 349 of the Bankruptcy Code) that (x) the Superpriority Claims, 507(b) claims, priming liens, security interests and replacement security interests granted to the DIP Agent, the DIP Lenders and the Prepetition Secured Parties, including, without limitation, the DIP Liens, the Adequate Protection Liens, the Adequate Protection Claims and Adequate Protection Payments, the 507(b) claims, and the other administrative expense claims granted pursuant to this Interim Order shall continue in full force and effect and shall maintain their priorities as provided in this Interim Order (and that such Superpriority Claims, priming liens, security interests and replacement security interests granted to the DIP Agent, the DIP Lenders and the Prepetition Secured Parties, including, without limitation, the DIP Liens, the Adequate Protection Liens, the Adequate Protection Claims and Adequate Protection Payments, the 507(b) claims, and the other administrative expense claims, liens and security interests, shall, notwithstanding such dismissal, remain binding on all parties in interest, including the priorities set forth herein and in the DIP Documents) until all DIP

Obligations and all Adequate Protection Obligations (with respect to the Prepetition Lenders Adequate Protection Obligations, until the expiration of the Challenge Period with no challenge having been brought or, if such a challenge is brought, upon the entry of a final judgment resolving such challenge in favor of the Prepetition Lenders) shall have been paid and satisfied in full and (y) the Bankruptcy Court shall retain jurisdiction, notwithstanding such dismissal, for the purposes of enforcing the claims, liens and security interests referred to in clause (x) above; provided that the Prepetition Secured Parties shall not receive or retain any payments, property or other amounts in respect of the Prepetition Debt or under the Prepetition Documents unless and until the DIP Obligations have indefeasibly been paid in cash in full in accordance with the DIP Documents.

(c) If any or all of the provisions of this Interim Order are hereafter reversed, modified, vacated or stayed, such reversal, modification, vacation or stay shall not affect (i) the validity, priority or enforceability of any DIP Obligations or the Adequate Protection Obligations incurred prior to the actual receipt of written notice by the DIP Agent, the Prepetition Lenders or the Prepetition Indenture Trustee, as applicable, of the effective date of such reversal, modification, vacation or stay or (ii) the validity, priority or enforceability of any lien or priority authorized or created hereby or pursuant to the DIP Documents with respect to any DIP Obligations or the Adequate Protection Obligations. Notwithstanding any such reversal, modification, vacation or stay, any use of Cash Collateral, the DIP Obligations or the Adequate Protection Obligations incurred by the Debtors to the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties, as the case may be, prior to the actual receipt of written notice by the DIP Agent, the Prepetition Lenders or the Prepetition Indenture Trustee of the effective date of such reversal, modification, vacation or stay shall be governed in all respects

by the original provisions of this Interim Order, and the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties shall be entitled to all the rights, remedies, privileges and benefits granted in section 364(e) of the Bankruptcy Code (including, without limitation, with respect to any payments received in connection with the Refinancing), this Interim Order and pursuant to the DIP Documents.

(d) Except as expressly provided in this Interim Order or in the DIP Documents, the DIP Obligations and the Adequate Protection Obligations, including the DIP Liens, the Superpriority Claims, the 507(b) claims, the Adequate Protection Liens, the Adequate Protection Claims, the Adequate Protection Payments and all other rights and remedies of the DIP Agent, the DIP Lenders and the Prepetition Secured Parties granted by the provisions of this Interim Order and the DIP Documents shall survive, and shall not be modified, impaired or discharged by (i) the entry of an order converting any of these Chapter 11 Cases to a case under Chapter 7, dismissing these Chapter 11 Cases, approving the sale of any DIP Collateral pursuant to section 363(b) of the Bankruptcy Code (except to the extent permitted by the DIP Documents, or except to the extent that a release of such liens is authorized under the Prepetition Collateral Trust Agreement) or by any other act or omission or (ii) the entry of an order confirming a plan of reorganization in these Chapter 11 Cases (except an Acceptable Reorganization Plan (as defined in the DIP Facility)) and, pursuant to section 1141(d)(4) of the Bankruptcy Code, the Debtors have waived any discharge as to any remaining DIP Obligations or Adequate Protection Obligations. The terms and provisions of this Interim Order and the DIP Documents shall continue in the Chapter 11 Cases, in any successor cases, or in any superseding Chapter 7 cases under the Bankruptcy Code, and the DIP Obligations and the Adequate Protection Obligations, including the DIP Liens, the

Superpriority Claims, the Adequate Protection Liens, the Adequate Protection Claims, the Adequate Protection Payments, the other administrative expense claims granted pursuant to this Interim Order and all other rights and remedies of the DIP Agent, the DIP Lenders and the Prepetition Secured Parties granted under the DIP Documents and this Interim Order shall continue in full force and effect and shall be binding on any Chapter 7 trustee, Chapter 11 trustee, any litigation trust representative, other or similar party hereinafter appointed or elected for the Debtors' estates until all DIP Obligations and all Adequate Protection Obligations are indefeasibly paid in full in cash as set forth herein and in the DIP Documents.

24. Exculpation. Nothing in this Interim Order, the DIP Documents, or any other documents related to the transactions contemplated hereby shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Agent or any DIP Lender of any liability for any claims arising from the prepetition or postpetition activities of the Debtors in the operation of their businesses, or in connection with their restructuring efforts. In addition, (a) the DIP Agent and the DIP Lenders shall not, in any way or manner, be liable or responsible for (i) the safekeeping of the Collateral, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in the value thereof, or (iv) any act or default of any carrier, servicer, bailee, custodian, forwarding agency, or other person, and (b) all risk of loss, damage, or destruction of the Collateral shall be borne by the Debtors; *provided that*, (i) the foregoing shall not apply to any act or omission by the DIP Agent or the DIP Lenders that constitutes gross negligence or willful misconduct by the DIP Agent or the DIP Lenders as finally determined by a court of competent jurisdiction.

25. Effect of Stipulations On Third Parties.

(a) The stipulations and admissions contained in this Interim Order, including, without limitation, in paragraph 4 of this Interim Order, shall be binding upon each Debtor and their subsidiaries and any of their respective successors and assigns (including, without limitation, any Chapter 7 or Chapter 11 trustee appointed or elected for a Debtor), and each person or entity party to the DIP Documents in accordance with their respective terms and the terms of this Interim Order, in all circumstances.

(b) The stipulations and admissions contained in this Interim Order, including without limitation, in paragraph 4 of this Interim Order, shall be binding on a permanent basis upon all other parties in interest, including any statutory or non-statutory committees appointed or formed in the Chapter 11 Cases (including the Creditors' Committee, if any) and any other person or entity acting on behalf of the Debtors' estates, unless (a) such committee or any other party-in-interest, in each case, with requisite standing granted by the Bankruptcy Court, has timely and properly filed an adversary proceeding or contested matter (subject to the limitations contained herein, including, inter alia, in paragraph 26) by no later than the date that is the later of (i) in the case of any such adversary proceeding or contested matter filed by a party-in-interest with requisite standing other than the Creditors' Committee, 60 days after the Petition Date, (ii) in the case of any such adversary proceeding or contested matter filed by the Creditors' Committee, 45 days after the appointment of the Creditors' Committee, (iii) any such later date agreed to in writing by the Prepetition Lenders or the Prepetition Indenture Trustee, as applicable, and (iv) such longer period as the Bankruptcy Court orders for cause shown prior to the expiration of such period (the "Challenge Period"), (1) challenging the validity, enforceability, priority, extent, or amount of the obligations under the Prepetition Documents (the "Prepetition Obligations") or the liens, subject to valuation under section 506 of the

Bankruptcy Code, on the Prepetition Collateral securing the Prepetition Obligations or (2) otherwise asserting or prosecuting any avoidance actions or any other claims, counterclaims or causes of action, objections, contests or defenses (collectively, the “Claims and Defenses”) against the Prepetition Secured Parties or their respective agents, affiliates, subsidiaries, directors, officers, representatives, attorneys or advisors in connection with any matter related to the Prepetition Obligations or the Prepetition Collateral, and (b) an order is entered by a court of competent jurisdiction and becomes final and non-appealable in favor of the plaintiff sustaining any such challenge or claim in any such duly filed adversary proceeding or contested matter; provided that, (i) as to the Debtors, all such Claims and Defenses are hereby irrevocably waived and relinquished as of the Petition Date and (ii) any challenge or claim shall set forth with specificity the basis for such challenge or claim and any challenges or claims not so specified prior to the expiration of the Challenge Period shall be forever deemed waived, released and barred. If no such adversary proceeding or contested matter is timely and properly filed in respect of the Prepetition Obligations, (x) the Prepetition Term Loan Debt to the extent not heretofore repaid and the other Prepetition Obligations shall constitute allowed claims, not subject to counterclaim, setoff, subordination, recharacterization, subordination, defense or avoidance, for all purposes in the Chapter 11 Cases and any subsequent Chapter 7 cases, (y) the liens on the Prepetition Collateral securing the Prepetition Obligations, as the case may be, shall be deemed to have been, as of the Petition Date, and to be, legal, valid, binding, perfected and of the priority specified in paragraph 4, not subject to defense, counterclaim, recharacterization, subordination or avoidance and (z) the Prepetition Obligations, the Prepetition Secured Parties, and the liens on the Prepetition Collateral granted to secure the Prepetition Obligations, as the case may be, shall not be subject to any other or further challenge by any statutory or non-

statutory committees appointed or formed in the Chapter 11 Cases or any other party-in-interest, and such committees and parties-in-interest shall be enjoined from seeking to exercise the rights of the Debtors' estates, including without limitation, any successor thereto (including, without limitation, any estate representative or a Chapter 7 or 11 trustee appointed or elected for any of the Debtors) with respect thereto. If any such adversary proceeding or contested matter is timely and properly filed, the stipulations and admissions contained in paragraph 4 of this Interim Order shall nonetheless remain binding and preclusive (as provided in the second sentence of this subparagraph) on any statutory or non-statutory committees appointed or formed in the Chapter 11 Cases and any other party-in-interest, except as to any such findings and admissions that were expressly and successfully challenged in such adversary proceeding as set forth in a final, non-appealable order of a court of competent jurisdiction. In the event that there is a timely successful challenge, pursuant and subject to the limitations contained in this paragraph 25, to the validity, enforceability, extent, perfection or priority of the Prepetition Term Loan Debt, the Bankruptcy Court shall have the power to unwind or otherwise modify, after notice and hearing, the Refinancing or a portion thereof (which might include payment of the Disgorged Amount or re-allocation of interest, fees, principal or other incremental consideration paid in respect of the Prepetition Term Loan Debt or the avoidance of liens and/or guarantees with respect to the Debtors), as the Bankruptcy Court shall determine. Nothing in this Interim Order vests or confers on any Person (as defined in the Bankruptcy Code), including any statutory or non-statutory committees appointed or formed in the Chapter 11 Cases, standing or authority to pursue any cause of action belonging to the Debtors or their estates, including, without limitation, Claims and Defenses with respect to the Prepetition Documents or the Prepetition Obligations or any liens granted by any Debtor to secure any of the foregoing.

26. Limitation on Use of Financing Proceeds and Collateral. Notwithstanding anything herein or in any other order by this Court to the contrary, no party may use borrowings under the DIP Facility, Prepetition Collateral, cash collateral, DIP Collateral, the Carve-Out, the Carve-Out Cap or any portion or proceeds of the foregoing in connection with (a) objecting to, contesting or raising any defense to, the validity, perfection, priority, extent or enforceability of any amount due under the DIP Documents or the Prepetition Documents, or the liens or claims granted under this Interim Order, the DIP Documents or the Prepetition Documents, (b) asserting any Claims and Defenses or causes of action against the DIP Agent, the DIP Lenders, the Prepetition Lenders or the Prepetition Secured Parties or their respective agents, affiliates, representatives, attorneys or advisors, (c) preventing, hindering or otherwise delaying the DIP Agent's or the DIP Lenders' assertion, enforcement or realization on the Collateral once an Event of Default has occurred and is continuing in accordance with the DIP Documents or this Interim Order, provided that the Debtors may contest or dispute whether an Event of Default has occurred as provided for in paragraph 17(a) of this Interim Order, (d) seeking to modify any of the rights granted to the DIP Agent, the DIP Lenders, the Prepetition Agents or the Prepetition Secured Parties hereunder or under the DIP Documents or the Prepetition Documents, in each of the foregoing cases, without such parties' prior written consent, (e) paying any amount on account of any claims arising prior to the Petition Date unless such payments are (i) approved by an order of this Court and (ii) in accordance with the DIP Documents and the Budget, (f) using or seeking to use cash collateral except to the extent permitted under the DIP Documents and not otherwise prohibited hereunder, (g) selling or otherwise disposing of the Collateral except as permitted by the DIP Documents or otherwise with the consent of the DIP Agent or the DIP Lenders, or (h) using or seeking to use any insurance proceeds related to the Collateral, except as

permitted by the DIP Documents or otherwise with the consent of the DIP Agent or the DIP Lenders. Notwithstanding the foregoing, advisors to the Creditors' Committee, if any, may investigate claims and issues with respect to the liens granted pursuant to the Prepetition Documents during the Challenge Period at an aggregate expense for such investigation, but not litigation, prosecution, objection or challenge thereto, not to exceed \$25,000.

27. Priorities Among Prepetition Secured Parties. Notwithstanding anything to the contrary herein or in any other order of this Court, in determining the relative priorities and rights of the Prepetition Secured Parties (including, without limitation, the relative priorities and rights of the Prepetition Secured Parties with respect to the Adequate Protection Obligations granted hereunder), such priorities and rights shall continue to be governed by the Prepetition Documents, including, without limitation, the Prepetition Collateral Trust Agreement.

28. Payments Held in Trust. Except as expressly permitted in this Interim Order or the DIP Documents, in the event that any person or entity receives any payment on account of a security interest in DIP Collateral, receives any proceeds of DIP Collateral or receives any other payment with respect thereto from any other source prior to indefeasible satisfaction of all DIP Obligations under the DIP Documents, and termination of the Commitment Amount (as defined in the DIP Documents) in accordance with the DIP Documents, such person or entity shall be deemed to have received, and shall hold, any such payment or proceeds of Collateral in trust for the benefit of the DIP Agent and DIP Lenders and shall immediately turn over such proceeds to the DIP Agent, or as otherwise instructed by this Court, for application in accordance with the DIP Documents and this Interim Order.

29. Proofs of Claim. None of the DIP Agent, DIP Lenders, or the Prepetition Secured Parties will be required to file proofs of claim in any of Chapter 11 Cases or any

successor case. Any order entered by the Bankruptcy Court in connection with the establishment of a bar date for any claim (including without limitation administrative claims) in the Chapter 11 Cases or any successor case shall not apply to the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties.

30. Right of Access and Information. Without limiting the rights of access and information afforded the DIP Agent and DIP Lenders under the DIP Documents or the Prepetition Secured Parties under the Prepetition Documents, the Debtors shall be, and hereby are, required to afford representatives, agents and/or employees of the DIP Agent and the Prepetition Secured Parties reasonable access to the Debtors' premises and their books and records in accordance with the DIP Documents and the Prepetition Documents, as the case may be, and shall reasonably cooperate, consult with, and provide to such persons all such information as may be reasonably requested. In addition, the Debtors authorize their independent certified public accountants, financial advisors, restructuring advisers, investment bankers and consultants to cooperate, consult with, and provide to the DIP Agent, the Prepetition Lenders and the Prepetition Indenture Trustee (and so long as an Event of Default has occurred and is continuing, each Prepetition Secured Party and DIP Lender) all such information as may be reasonably requested with respect to the business, results of operations and financial condition of the Debtors.

31. Retention of Jurisdiction. This Court has and will retain exclusive jurisdiction with respect to any and all disputes or matters under, or arising out of or in connection with, either the DIP Documents or this Interim Order.

32. Order Governs. In the event of any inconsistency between the provisions of this Interim Order or Final Order, if and when entered, and the DIP Documents, the provisions

of this Interim Order or Final Order, as applicable, shall govern. Additionally, to the extent that there may be an inconsistency between the terms of this Interim Order or Final Order, if and when entered, and the Order Establishing Certain Notice, Case Management and Administrative Procedures, the terms of this Interim Order or Final Order, as applicable, shall govern.

33. Binding Effect; Successors and Assigns. The DIP Documents and the provisions of this Interim Order, including all findings herein, shall be binding upon all parties-in-interest in the Chapter 11 Cases on a permanent basis, including without limitation, the DIP Agent, the DIP Lenders, the Prepetition Secured Parties, any statutory or non-statutory committees appointed or formed in the Chapter 11 Cases, and the Debtors and their respective successors and assigns (including any chapter 7 or chapter 11 trustee hereinafter appointed or elected for any of the Debtors, an examiner appointed pursuant to section 1104 of the Bankruptcy Code, or any other fiduciary appointed as a legal representative of any of the Debtors, or similar responsible person or similar designee or litigation trust hereinafter appointed or elected for the estates of the Debtors) and shall inure to the benefit of the DIP Agent, the DIP Lenders and the Prepetition Secured Parties and their respective successors and assigns, including after conversion or dismissal of any of the Chapter 11 Cases; provided that, except to the extent expressly set forth in this Interim Order, the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties shall have no obligation to permit the use of Cash Collateral or extend any financing to any chapter 7 trustee, chapter 11 trustee or similar responsible person or similar designee or litigation trust hereunder appointed for the estates of the Debtors.

34. Limitation on Liability. In determining to make any loan under the DIP Documents, permitting the use of Cash Collateral or in exercising any rights or remedies as and when permitted pursuant to this Interim Order or the DIP Documents, the DIP Agent, the DIP

Lenders and the Prepetition Secured Parties shall not be deemed to be in control of the operations of the Debtors or to be acting as a “responsible person” or “owner or operator” with respect to the operation or management of the Debtors (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 29 U.S.C. §§ 9601 et seq. as amended, or any similar federal or state statute). Furthermore, nothing in this Interim Order or in the DIP Documents shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties of any liability for any claims arising from the prepetition or postpetition activities of any of the Debtors and their affiliates (as defined in section 101(2) of the Bankruptcy Code).

35. Effectiveness. This Order shall constitute findings of fact and conclusions of law and shall take effect immediately upon execution hereof, and there shall be no stay of execution of effectiveness of this Order.

36. Final Hearing. The Final Hearing is scheduled for [\_\_\_\_\_] at \_\_\_\_\_ (EST) before this Court. The Debtors shall promptly mail copies of this Order (which shall constitute adequate notice of the Final Hearing to the parties having been given notice of the Interim Hearing, and to any other party that has filed a request for notices with this Court and to any Committee after the same has been appointed, or Committee counsel, if the same shall have been appointed. Hermann, Esq., Oksana Lashko, Esq., and Sarah Harnett, Esq.); (e) counsel to the Prepetition Lenders; (f)

counsel to the Prepetition Indenture Trustee; (g) counsel to the Prepetition Secured Noteholders; and (h) counsel to any official committee then appointed in these Cases.

### THE LOANS

#### Section 2.1 Initial Term Loans; Delayed Draw Term Loans; Exit Term Facility.

(a) Initial Term Loans. Each Lender having an Initial Term Loan Commitment agrees, severally and not jointly, to make, on the first Business Day after entry of the Interim Order by the Bankruptcy Court, subject to satisfaction (or waiver by all such Lenders having Initial Term Loan Commitments identified on the Commitment Schedule in Annex I) of the conditions precedent set forth in Section 4.1 and Section 4.2, Term Loans to the Borrower in a principal amount equal to such Lender’s Initial Term Loan Commitment (collectively, the “Initial Term Loans”). Amounts prepaid or repaid in respect of the Initial Term Loans may not be reborrowed.

(b) Delayed Draw Term Loans. Each Lender having a Delayed Draw Term Loan Commitment agrees, severally and not jointly, to make, subject to satisfaction (or waiver by all such Lenders having Delayed Draw Term Loan Commitments identified on the Commitment Schedule) of the conditions precedent set forth in Section 4.2 and Section 4.3 and in accordance with the procedures set forth in Section 2.2, upon written request by the Borrower, after the entry of the Final Order, Term Loans to Borrower in a principal amount equal to such Lender’s Delayed Draw Term Loan Commitment (collectively, the “Delayed Draw Term Loans”; the date of the making of the Delayed Draw Term Loans, which may be no later than two (2) Business Days following the Final Order Entry Date, the “Final Term Funding Date”). Amounts prepaid or repaid in respect of Delayed Draw Term Loans may not be reborrowed.

(c) The Delayed Draw Term Loans and Initial Term Loans shall constitute a single class of Term Loans for all purposes of this Agreement and the other Loan Documents.

(d) The outstanding principal amount of the Term Loans, together with accrued and unpaid interest thereon and any other accrued amounts in respect thereof, shall be due and payable on the Maturity Date.

(e) The Initial Term Loan Commitments shall terminate on the Initial Funding Date immediately following the funding of the Initial Term Loans. The Delayed Draw Term Loan Commitments shall terminate on the Final Term Funding Date immediately following the funding of the Delayed Draw Term Loans to be made on the Final Term Funding Date. The Initial Term Loan Commitments and the Delayed Draw Term Loan Commitments shall also terminate in the event the conditions precedent thereto are not met within two (2) Business Days following the Interim Order Entry Date and the Final Order Entry Date, as applicable.

(f) Converted Term Loans. Subject to approval of the Bankruptcy Court and payment of fees pursuant to Section 2.4 and in accordance with the Fee Letters, Majority Lenders may in their sole discretion agree, after written request by the Borrower, to the conversion of all of the outstanding Term Loans, on the Consummation Date, on a dollar-for-dollar basis, into term loans under an exit term loan facility on terms acceptable to the DIP Agent and Majority Lenders, including without limitation in connection with the Acceptable Reorganization Plan.

Section 2.2 Manner of Borrowing and Disbursement of Term Loans. To request the borrowing of the Term Loans on a Funding Date, the Borrower shall, no later than 9:00 a.m. Eastern Time on the date that is 3 Business Days before such Funding Date and 1 Business Day with respect to the funding of the Initial Term Loans, deliver to the Lenders a written Direction Letter. On a Funding Date, the Lenders shall, subject to the satisfaction of the conditions set forth in Section 4.1, disburse the Term Loans to be made hereunder on such date by wire transfer pursuant to and in accordance with the applicable Direction Letter. The Direction Letter for the Initial Term Loans shall request deposit of the Initial Term Loans into a Deposit Account under the control (within the meaning of Section 9-104 of the UCC) of Wells Fargo, National Association, as Collateral Trustee under the Indenture.

Section 2.3 Interest.

(a) Rate. Interest on the Term Loans, subject to Sections 2.3(c) and (d), shall accrue and be payable on the outstanding principal amount of the Term Loans at the Applicable Rate, and shall be computed for the actual number of days elapsed on the basis of a hypothetical year of three hundred sixty (360) days. Accrued Cash Interest shall be payable in cash monthly in arrears on the first day of each calendar month for the prior calendar month, commencing on May 1, 2015. Accrued PIK Interest shall be paid by Borrower to the Lenders in arrears on the first day of each calendar month for the prior calendar month (each, a "PIK Interest Payment Date") of each calendar year beginning January 1, 2015, in accordance with Section 2.3(b) hereof. Interest on Term Loans then outstanding shall also be due and payable on the Maturity Date (or the date of any earlier prepayment of the Obligations).

(b) Capitalization of PIK Interest. Borrower shall pay all accrued PIK Interest on each PIK Interest Payment Date by capitalizing such amount on a monthly basis (and any PIK Interest so capitalized shall bear interest as provided in this Section 2.3 from such PIK Interest Payment Date and shall otherwise be treated as a portion of the Term Loans for all purposes of the Loan Documents thereafter). Notwithstanding the foregoing, the Borrower may elect (and shall elect any time the Borrower is prohibited from capitalizing any such accrued PIK Interest) to pay any accrued PIK Interest on any PIK Interest Payment Date in cash. To the extent any PIK Interest is not able to be capitalized and is not paid in cash on any PIK Interest Payment Date as provided in the preceding sentence, then, for the avoidance of doubt, such PIK Interest shall continue to accrue and be payable on the Maturity Date.

(c) Upon Default. Immediately upon the occurrence and during the continuance of an Event of Default, interest on the outstanding Obligations shall, upon election by the DIP Agent (as directed by Majority Lenders), accrue at the Default Rate; provided, however, that if the DIP Agent (as directed by Majority Lenders) elects to not impose the Default Rate at any point in time, it may at any later point in time elect to do so, without impairing any of its rights hereunder or available under Applicable Law and, without limiting the foregoing, may later elect to have the Obligations accrue interest during the continuance of an Event of Default at the Default Rate retroactively to the first occurrence of an unwaived Event of Default. Interest accruing at the Default Rate shall be payable on demand and in any event on the Maturity Date (or the date of any earlier prepayment in full of the Obligations) and shall accrue until the earliest to occur of (i) waiver of the applicable Event of Default in accordance with Section 10.12, (ii) agreement by the DIP Agent (as directed by Majority Lenders) to rescind the charging of interest at the Default Rate, (iii) the date on which the Event of Default is no longer continuing, or (iv) payment in full of the Obligations. Neither the DIP Agent nor Majority Lenders shall be required to (A) accelerate the maturity of the Term Loans or (B) exercise any other rights or remedies under the Loan Documents in order to charge interest hereunder at the Default Rate.

(d) Computation of Interest. In computing interest on any Advance, the date of making the Advance shall be included and the date of payment shall be excluded; provided, however, that if an Advance is repaid on the date that it is made, one (1) day of interest shall be due with respect to such Advance.

Section 2.4 Fees. Each Borrower Party agrees, jointly and severally, to pay to the DIP Agent and the Lenders and their Affiliates when due all of the following fees:

(a) Commitment Amount Fees. All fees and other amounts in accordance with the terms of the Fee Letters.

(b) Prepayment Premiums.

(i) If the Borrower prepays the Term Loans in any amount and for any reason (including, without limitation, (A) mandatory prepayments, (B) prepayments after the acceleration of the Obligations pursuant to Section 9.2, (C) foreclosure and sale of, or collection of, the Collateral, (D) sale of the Collateral in any Insolvency Proceeding, (E) the restructure, reorganization, or compromise of the Obligations by the confirmation of a plan of reorganization or any other plan of compromise, restructure, or arrangement in any Insolvency Proceeding, (F) voluntary prepayment by the Borrower pursuant to Section 2.5 or (G) a Change of Control), then the Borrower shall pay to the Lenders a prepayment premium equal to one percent (1.00%) of the principal amount of the Term Loans prepaid at such time.

(ii) The Borrower Parties agree that the fees required under this Section 2.4(a) are a reasonable calculation of the Lenders' lost profits in view of the difficulties and impracticality of determining actual damages resulting from a voluntary prepayment and/or an early repayment of the Term Loans. All prepayment premiums under this Section 2.4(a) shall be in addition to all other amounts which may be due to the Lenders from time to time pursuant to the terms of this Agreement and the other Loan Documents. All of the Term Loans are subject to the prepayment premiums set forth in this Section 2.4(a) and the payment of one prepayment premium shall not excuse or reduce the payment of a prepayment premium on any subsequent prepayment.

(c) Bank Charges. The Borrower Parties shall pay to the DIP Agent, on demand, any and all fees, costs or expenses which the DIP Agent or any Lender pays to a bank or other similar institution arising out of or in connection with (i) the forwarding to any Borrower Party or any other Person on behalf of any Borrower Party, by DIP Agent or any Lender, of proceeds of Term Loans made to Borrower pursuant to this Agreement and (ii) the depositing for collection by DIP Agent or any Lender of any check or item of payment received or delivered to DIP Agent or any Lender on account of the Obligations.

(d) Collateral Protection Expenses. All out-of-pocket expenses incurred in protecting, storing, warehousing, insuring, handling, maintaining and shipping the Collateral, and any and all excise, property, sales, and use taxes imposed by any state, federal, or local authority on any of the Collateral or in respect of the sale thereof shall be borne and paid by Borrower Parties. If Borrower Parties fail to promptly pay any portion thereof when due, DIP Agent may, at its option, but shall not be required to, pay the same and charge Borrower Parties therefor.

(e) Reimbursement of Costs and Expenses. In addition to all fees, charges, costs and expenses described in this Section 2.4, all reasonable and documented out-of-pocket costs and expenses incurred by any Indemnified Person shall be paid pursuant to Section 6.19.

(f) Treatment of Fees. Without limitation, all fees payable under this Section 2.4 shall be fully earned when due, non-refundable when paid and shall be in addition to all other amounts which may be due to the Lenders from time to time pursuant to the terms of this Agreement and the other Loan Documents.

Section 2.5 Voluntary Prepayment. Subject to Section 2.4(b), the principal amount of the Term Loans may be repaid in full or in part at any time, upon not less than three (3) Business Days' prior written notice to DIP Agent, provided that the amount of any such partial prepayment is in integral multiples of \$100,000 (plus accrued and unpaid interest on the amount of Term Loans prepaid on such date), it being understood and agreed that no amounts so prepaid may be reborrowed.

Section 2.6 Repayment.

(a) Change of Control. Any principal and interest on the Term Loans, and any other amounts owing hereunder, remaining unpaid upon the occurrence of a Change of Control shall be due and payable immediately upon such Change of Control, together with the prepayment premium due under Section 2.4(a) hereof.

(b) The Term Loans. Any principal and interest on the Term Loans remaining unpaid on the Maturity Date shall be due and payable in full and in cash on the Maturity Date. In addition to the foregoing, the Borrower hereby promises to pay all other Obligations, including, without limitation, any fees or prepayment premiums, as the same become due and payable hereunder and, in any event, on the Maturity Date (or such earlier date as the Term Loans are required to be repaid in full).

(c) Other Mandatory Repayments.

(i) Upon a Disposition permitted by Section 8.7, the applicable Borrower Party shall apply such Net Cash Proceeds:

(A) To repay the Obligations;

(B) Subject to the consent of Majority Lenders, to purchase other assets that would constitute Collateral that are not classified as current assets under the Applicable Accounting Standard and that are used or useful in a Permitted Business so long as the Borrower Party confirms that such Net Cash Proceeds have been deposited into an account that is subject to a Blocked Account Agreement, which Net Cash Proceeds when so deposited (i) shall constitute Collateral, securing the payment of the Obligations then outstanding, (ii) may be withdrawn by the applicable Borrower Party solely to reinvest in such assets that are useful in the business of such Borrower Party and (iii) shall, upon the occurrence and during the continuance of an Event of Default, be applied (or an amount equal to such Net Cash Proceeds shall be applied) to the repayment of the Obligations as set forth above; or

(C) Subject to the consent of Majority Lenders, to acquire all or substantially all of the assets of a Person, or any Equity Interests,

permitted under Section 8.7(c), so long as the Borrower Party confirms that such Net Cash Proceeds have been deposited into an account that is subject to a Blocked Account Agreement, which Net Cash Proceeds when so deposited (i) shall constitute Collateral, securing the payment of the Obligations then outstanding, (ii) may be withdrawn by the applicable Borrower Party solely to reinvest in such identified long term assets that are useful in the business of such Borrower Party and (iii) shall, upon the occurrence and during the continuance of an Event of Default, be applied (or an amount equal to such Net Cash Proceeds shall be applied) to the repayment of the Obligations as set forth above;

(ii) Any payments due under this Section 2.6(c) shall be applied in the manner set forth in Section 2.10 and shall be subject to any prepayment premiums provided for in Section 2.4(b) or otherwise. Nothing in this Section 2.6(c) shall be deemed to allow the Borrower Parties to issue Equity Interests, dispose of assets or incur Funded Debt except as otherwise permitted by this Agreement and the other Loan Documents. Notwithstanding anything contained in this Section 2.6(c) to the contrary, the Lenders shall be permitted in their sole discretion to decline all or any portion of any mandatory prepayment required pursuant to the terms hereof.

#### Section 2.7 Loan Accounts.

(a) The Term Loans shall be repayable in accordance with the terms and provisions set forth herein. At the request of a Lender, a Term Note shall be issued by the Borrower to such Lender on account of its Term Loans and shall be duly executed and delivered by an Authorized Signatory of the Borrower.

(b) Each Lender shall open and maintain on its books in the name of the Borrower a loan account with respect to the Term Loans made by it and interest thereon (the "Loan Account"). Each Lender shall debit such Loan Account for the principal amount of each Advance made by it, accrued interest thereon, and all other amounts which shall become due from the Borrower to such Lender pursuant to this Agreement and shall credit the Loan Account for each payment which the Borrower shall make in respect to the Obligations. The records of the Lenders with respect to such Loan Accounts shall be conclusive evidence of the Term Loans and accrued interest thereon, absent manifest error.

#### Section 2.8 Manner of Payment.

##### (a) When Payments Due.

(i) Each payment (including any prepayment) by the Borrower on account of the principal of or interest on the Term Loans, fees, and any other amount owed to the Lenders under this Agreement or the other Loan Documents shall be made not later than 2:00 p.m. (New York, New York time) on the date specified for payment under this Agreement or any other Loan Document to the relevant Lender at its Lender's Office in Dollars in immediately available funds. Any payment received by

a Lender after 2:00 p.m. (New York, New York time) shall be deemed received on the next Business Day.

(i) If any payment under this Agreement or any other Loan Document shall be specified to be made on a day which is not a Business Day, it shall be made on the next succeeding day which is a Business Day, and such extension of time shall in such case be included in computing interest and fees, if any, in connection with such payment.

(b) No Deduction.

(i) Any and all payments of principal and interest, or of any fees or indemnity or expense reimbursements by any Borrower Party hereunder or under any other Loan Documents (the "Borrower Payments") shall be made without setoff or counterclaim and free and clear of and without deduction for any and all current or future taxes, levies, imposts, deductions, charges or withholdings with respect to such Borrower Payments and all interest, penalties or similar liabilities with respect thereto, excluding taxes imposed on the net income of a Lender by the jurisdiction under the laws of which such Lender is organized or conducts business or any political subdivision thereof (all such nonexcluded taxes, levies, imposts, deductions, charges or withholdings and liabilities collectively or individually "Taxes"). If any Borrower Party shall be required to deduct any Taxes from or in respect of any sum payable to a Lender hereunder or under any other Loan Document, (A) the sum payable shall be increased by the amount (an "Additional Amount") necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 2.8(b)(i)) such Lender shall receive an amount equal to the sum it would have received had no such deductions been made, (B) such Borrower Party shall make such deductions, and (C) such Borrower Party shall pay the full amount deducted to the relevant Governmental Authority in accordance with Applicable Law.

(ii) In addition, the Borrower shall pay to the relevant Governmental Authority in accordance with Applicable Law any current or future stamp or documentary taxes or any other excise or property taxes, charges or similar levies that arise from any payment made hereunder or from the execution, delivery or registration of, or otherwise with respect to, this Agreement or any other Loan Document (such taxes being "Other Taxes").

(iii) The Borrower shall indemnify the Lenders for the full amount of Taxes and Other Taxes with respect to Borrower Payments paid by such Person, and any liability (including penalties, interest and expenses (including attorney's fees and expenses)) arising therefrom or with respect thereto, whether or not such Taxes or Other Taxes were correctly or legally asserted by the relevant Governmental Authority. An explanation of the manner in which such amount shall have been determined and the amount of such payment or liability prepared by a Lender, absent manifest error, shall be final, conclusive and binding for all purposes. Such indemnification shall be made within thirty (30) days after the date such Lender makes written demand therefor. If any Taxes or Other Taxes for which a Lender has received

indemnification from the Borrower hereunder shall be finally determined to have been incorrectly or illegally asserted and are refunded to such Lender, such Lender shall promptly forward to the Borrower any such refunded amount (after deduction of any Tax or Other Tax paid or payable by such Lender as a result of such refund), not exceeding the increased amount paid by the Borrower pursuant to this Section 2.8(b).

(iv) As soon as practicable after the date of any payment of Taxes or Other Taxes by the Borrower to the relevant Governmental Authority, the Borrower will deliver to the Lender, at its address, the original or a certified copy of a receipt issued by such Governmental Authority evidencing payment thereof.

(v) Nothing contained in this Section 2.8(b) shall require a Lender to make available to the Borrower any of such Lender's tax returns (or any other information) that the Lender deems confidential or proprietary.

Section 2.9 Reserved.

Section 2.10 Application of Payments.

(a) Payments Prior to Event of Default. At all times during which an Event of Default is not continuing, all amounts paid by the Borrower to the Lenders in respect of the Obligations (other than payments specifically earmarked for application to certain principal, interest, fees or expenses hereunder), shall be applied in the following order of priority:

FIRST, *pro rata*, to the payment of out-of-pocket costs and expenses (including attorneys' fees) of the Lenders and the DIP Agent in connection with the enforcement of the rights of the Lenders and/or the DIP Agent under the Loan Documents;

SECOND, *pro rata* to the payment of any fees then due and payable to the Lenders hereunder or under any other Loan Documents;

THIRD, *pro rata*, to the payment of all Obligations consisting of accrued interest then due and payable to the Lenders hereunder;

FOURTH, *pro rata*, to the payment of principal then due and payable on the Term Loans and any prepayment premiums owing in connection with such payment, if any;

FIFTH, *pro rata*, to the payment of all other Obligations not otherwise referred to in this Section 2.10(a) then due and payable; and

SIXTH, upon satisfaction in full of all Obligations, to the Borrower or as otherwise required by law.

(b) Payments Subsequent to Event of Default. Notwithstanding anything in this Agreement or any other Loan Document which may

be construed to the contrary, subsequent to the occurrence and during the continuance of an Event of Default, payments and prepayments with respect to the Obligations (from realization on Collateral or otherwise) shall be applied as provided in Section 2.10(a) or as otherwise determined by the Majority Lenders in their reasonable discretion.

Section 2.11 Use of Proceeds. In accordance with the Budget then in effect and the cash management order entered in connection with the Cases, the proceeds of (a) the Initial Term Loans shall be used by the Borrower on the Initial Funding Date to repay the Prepetition Loan Facility in full and for working capital purposes during the pendency of the Cases; and (b) the Delayed Draw Term Loans for general corporate purposes and for fees and expenses associated with the Cases of the Borrower permitted under this Agreement. Notwithstanding anything to the contrary, no portion of the Loans, the Collateral (including any cash collateral) or the Carve-Out shall be used (i) to challenge the validity, perfection, priority, extent or enforceability of the Loans, any other Obligations or any Liens or security interests securing the Obligations, (ii) to investigate or assert any other claims or causes of action against the DIP Agent or any Lender or any other holder of any Obligations or (iii) for any act which has the effect of materially or adversely modifying or compromising the rights and remedies of the DIP Agent or any Lender as set forth in any Loan Document.

Section 2.12 All Obligations to Constitute One Obligation. All Obligations shall constitute one general obligation of the Borrower and shall be secured by the DIP Agent's security interest and Lien upon all of the Collateral, and by all other security interests and Liens heretofore, now or at any time hereafter granted by any Borrower Party to the DIP Agent or the Lenders to the extent provided in the Loan Documents or DIP Order under which such Liens arise.

Section 2.13 Maximum Rate of Interest. The Borrower and the Lenders hereby agree and stipulate that the only charges imposed upon the Borrower for the use of money in connection with this Agreement are and shall be the specific interest and fees described in this Article 2 and in any other Loan Document. Notwithstanding the foregoing, the Borrower and the Lenders further agree and stipulate that all closing fees, agency fees, facility fees, underwriting fees, default charges, late charges, funding or "breakage" charges, increased cost charges, attorneys' fees and reimbursement for costs and expenses paid by any Lender to third parties or for damages incurred by any Lender are charges to compensate such Lender for underwriting and administrative services and costs or losses performed or incurred, and to be performed and incurred, by such Lender in connection with this Agreement and the other Loan Documents and shall under no circumstances be deemed to be charges for the use of money pursuant to any Applicable Law. In no event shall the amount of interest and other charges for the use of money payable under this Agreement exceed the maximum amounts permissible under any law that a court of competent jurisdiction shall, in a final determination, deem applicable. The Borrower and the Lenders, in executing and delivering this Agreement, intend legally to agree upon the rate or rates of interest and other charges for the use of money and manner of payment stated within it; provided, however, that, anything contained in this Agreement to the contrary notwithstanding, if the amount of such interest and other

charges for the use of money or manner of payment exceeds the maximum amount allowable under Applicable Law, then, *ipso facto* as of the Agreement Date, the Borrower is and shall be liable only for the payment of such maximum amount as allowed by law, and payment received from the Borrower in excess of such legal maximum amount, whenever received, shall be applied first to reduce the principal balance of the Term Loans, second to the payment of all other Obligations then due and payable, and finally, if such excess is greater than the foregoing, the relevant Lender shall promptly refund the remainder thereof to the Borrower Parties.

Section 2.14 Incremental Term Loans.

(a) The Borrower may at any time after the Initial Funding Date, by notice to the DIP Agent (whereupon the DIP Agent shall promptly deliver a copy to each of the Lenders), request one (and only one) increase of the Delayed Draw Term Loan Commitments by up to \$10,000,000 (the “Incremental Term Loan Commitments”); and such Term Loan, “Incremental Term Loans”); provided, that at the time of any such request and after giving pro forma effect to the Incremental Term Loans, (i) no Default or Event of Default shall exist; (ii) the representations and warranties set forth in Article 5 and in each other Loan Document shall be true and correct (or true and correct in all material respects, in the case of any such representation or warranty that is not qualified as to materiality) on and as of the date of such borrowing (except to the extent such representations and warranties expressly relate to an earlier date, in which case such representations and warranties shall be true and correct (or true and correct in all material respects, in the case of any such representation or warranty that is not qualified as to materiality) as of such earlier date); (iii) the making of such Incremental Term Loans shall be authorized by Bankruptcy Court order and shall not violate any requirement of law and shall not be enjoined, temporarily, preliminarily or permanently; (iv) the Final Order shall be in full force and effect and shall not have been vacated or reversed, shall not be subject to a stay, and shall not have been modified or amended in any material respect without the written consent of the Majority Lenders; and (v) the Borrower shall have delivered to the DIP Agent and the Lenders an updated Budget and Variance Reports, which shall be satisfactory to the DIP Agent and Majority Lenders.

(b) If one or more Lenders, in their sole discretion, agree to provide Incremental Term Loan Commitments in any principal amount in accordance with this Section 2.14, the Borrower and each such Lender shall execute and deliver to the DIP Agent an Incremental Term Loan Assumption Agreement and such other documentation as the DIP Agent shall reasonably specify to evidence the Incremental Term Loan Commitment of each such Lender. Except in respect of the upfront fees, the terms and provisions of the Incremental Term Loans shall be identical to those of the then existing Delayed Draw Term Loans. The DIP Agent shall promptly notify each Lender as to the effectiveness of each Incremental Term Loan Assumption Agreement.

(c) Each of the parties hereto hereby agrees that, upon the effectiveness of any Incremental Term Loan, this Agreement shall be amended to the extent (but only to the extent) necessary to reflect the existence of such Incremental Facility and the Loans evidenced thereby, and any joinder agreement or amendment (an “Incremental Amendment”) may without the consent of the other Lenders effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of DIP Agent, Majority Lenders and Borrower, to effectuate the provisions of this Section 2.14, and, for the avoidance of doubt, this Section 2.14 shall supersede any provisions in Section 10.12. From and after such effectiveness, the Loans and Commitments established pursuant to this Section 2.14 shall constitute Loans and Commitments under, and shall be entitled to all the benefits afforded by, this Agreement and the other Loan Documents, and shall, without limiting the foregoing, benefit equally and ratably from the guarantees and security interests created by any DIP Order and the Loan Documents. The Loan Parties shall take any actions reasonably required by the DIP Agent or Majority Lenders to ensure and/or demonstrate that the Liens and security interests granted by any DIP Order or Loan Documents continue to be perfected under the UCC or otherwise after giving effect to the establishment of any such new Term Loans and Commitments.

(d) The aggregate original principal amount of Incremental Term Loans shall not exceed \$10,000,000, and an Incremental Term Loan may be made only once under this Section 2.14.

Section 2.15 Extension of the Stated Maturity Date.

The Borrower may, by notice to the DIP Agent no later than five (5) days prior to the Stated Maturity Date (as amended by this Section 2.15), whereupon the DIP Agent shall promptly notify the Lenders of such notice, elect to extend the then current Stated Maturity Date by up to three months; provided, (i) that at the time of any such request no Default or Event of Default shall exist and (ii) the Borrower shall have delivered an updated Budget and Variance Report, which shall be satisfactory to the DIP Agent and Majority Lenders; provided, further, that the Borrower may make no more than two elections under this Section 2.15 each for up to three (3) months. An election under this Section 2.15 shall become effective, and the Stated Maturity Date shall be deemed amended by this Section 2.15, once the Borrower has paid the DIP Agent a fee for each such extension in the amount of ½ of 1% of the aggregate outstanding principal amount of the Obligations outstanding. The DIP Agent shall distribute such fees to the Lenders ratably in accordance with the aggregate outstanding principal amount of their Term Loans.

### ARTICLE 3

#### GUARANTY

##### Section 3.1 Guaranty.

(a) Each Guarantor hereby guarantees to the Lenders the full and prompt payment of the Obligations, including, without limitation, any interest thereon (including, without limitation, interest as provided in this Agreement, accruing after the filing of a petition initiating any Insolvency Proceedings, whether or not such interest accrues or is recoverable against the Borrower after the filing of such petition for purposes of the Bankruptcy Code or is an allowed claim in such proceeding), plus attorneys' fees and expenses if the obligations represented by this Guaranty are collected by law, through an attorney-at-law, or under advice therefrom.

(b) Regardless of whether any proposed guarantor or any other Person shall become in any other way responsible to the Lenders for or in respect of the Obligations or any part thereof, and regardless of whether or not any Person now or hereafter is responsible to the Lenders for the Obligations or any part thereof, whether under this Guaranty or otherwise, shall cease to be so liable, each Guarantor hereby declares and agrees that this Guaranty shall be a joint and several obligation of each Guarantor, shall be a continuing guaranty and shall be operative and binding until the Obligations shall have been indefeasibly paid in full in cash and the Commitments shall have been terminated.

(c) Each Guarantor absolutely, unconditionally and irrevocably waives any and all right to assert any defense (other than the defense of payment in cash in full, to the extent of its obligations hereunder, or a defense that such Guarantor's liability is limited as provided in Section 3.1(g)), set-off, counterclaim or cross-claim of any nature whatsoever with respect to this Guaranty or the obligations of the Guarantors under this Guaranty or the obligations of any other Person or party (including, without limitation, the Borrower) relating to this Guaranty or the obligations of any of the Guarantors under this Guaranty or otherwise with respect to the Obligations in any action or proceeding brought by the Lenders to collect the Obligations or any portion thereof, or to enforce the obligations of any of the Guarantors under this Guaranty.

(d) The Lenders may (or may direct the DIP Agent to) from time to time, without exonerating or releasing any Guarantor in any way under this Guaranty, (i) take such further or other security or securities for the Obligations or any part thereof as they may deem proper, or (ii) release, discharge, abandon or otherwise deal with or fail to deal with any Guarantor of the Obligations or any security or securities therefor or any part thereof now or hereafter held by any of the Lenders, or (iii) amend, modify, extend, accelerate or waive in any manner any of the provisions, terms, or conditions of the Loan Documents, all as it may consider expedient or appropriate in its reasonable discretion. Without limiting the generality of the foregoing, or of Section 3.1(e), it is understood that the Lenders may, without

exonerating or releasing any Guarantor, give up, modify or abstain from perfecting or taking advantage of any security for the Obligations and accept or make any compositions or arrangements, and realize upon any security for the Obligations when, and in such manner, and with or without notice, all as such Person may deem expedient.

(e) Each Guarantor acknowledges and agrees that no change in the nature or terms of the Obligations or any of the Loan Documents, or other agreements, instruments or contracts evidencing, related to or attendant with the Obligations (including any novation), shall discharge all or any part of the liabilities and obligations of such Guarantor pursuant to this Guaranty; it being the purpose and intent of the Guarantors and the Lenders that the covenants, agreements and all liabilities and obligations of each Guarantor hereunder are absolute, unconditional and irrevocable under any and all circumstances. Without limiting the generality of the foregoing, each Guarantor agrees that until each and every one of the covenants and agreements of this Guaranty is fully performed, and without possibility of recourse, whether by operation of law or otherwise, such Guarantor's undertakings hereunder shall not be released, in whole or in part, by any action or thing which might, but for this paragraph of this Guaranty, be deemed a legal or equitable discharge of a surety or guarantor, or by reason of any waiver, omission of any Lender, or its failure to proceed promptly or otherwise, or by reason of any action taken or omitted by such Lender, whether or not such action or failure to act varies or increases the risk of, or affects the rights or remedies of, such Guarantor or by reason of any further dealings between the Borrower, on the one hand, and any Lender, on the other hand, or any other guarantor or surety, and such Guarantor hereby expressly waives and surrenders any defense to its liability hereunder, or any right of counterclaim or offset of any nature or description which it may have or may exist based upon, and shall be deemed to have consented to, any of the foregoing acts, omissions, things, agreements or waivers.

(f) The Lenders may, without demand or notice of any kind upon or to any Guarantor, at any time or from time to time when any amount shall be due and payable hereunder by any Guarantor upon the occurrence and during the continuance of an Event of Default, if the Borrower shall not have timely paid any of the Obligations, set-off and appropriate and apply to any portion of the Obligations hereby Guaranteed, and in such order of application as the Lenders may from time to time elect in accordance with this Agreement, any deposits, property, balances, credit accounts or moneys of any Guarantor in the possession of a Lender or under its control for any purpose. If and to the extent that any Guarantor makes any payment to the Lenders or any other Person pursuant to or in respect of this Guaranty, any claim which such Guarantor may have against the Borrower by reason thereof shall be subject and subordinate to the prior payment in full of the Obligations to the satisfaction of the Lenders.

(g) The creation or existence from time to time of Obligations in excess of the amount committed to or outstanding on the date of this Guaranty is hereby authorized, without notice to any Guarantor, and shall in no way impair or affect this Guaranty or the rights of the Lenders herein. It is the intention of each

Guarantor and the Lenders that each Guarantor's obligations hereunder shall be, but not in excess of, the Maximum Guaranteed Amount (as herein defined). The "Maximum Guaranteed Amount" with respect to any Guarantor, shall mean the maximum amount which could be paid by such Guarantor without rendering this Guaranty void or voidable as would otherwise be held or determined by a court of competent jurisdiction in any action or proceeding involving any state, provincial or Federal bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance or other similar laws relating to the insolvency of debtors.

(h) Upon the bankruptcy or winding up or other distribution of assets of the Borrower, or of any surety or guarantor (other than the applicable Guarantor) for any Obligations of the Borrower to the Lenders, the rights of the Lenders against any Guarantor shall not be affected or impaired by the omission of any Lender to prove its claim, or to prove the full claim, as appropriate, against the Borrower or any such other guarantor or surety, and the Lenders may prove such claims as they see fit and may refrain from proving any claim and in their discretion may value as they see fit or refrain from valuing any security held by them without in any way releasing, reducing or otherwise affecting the liability to the Lenders of each of the Guarantors.

(i) Each Guarantor hereby absolutely, unconditionally and irrevocably expressly waives, except to the extent such waiver would be expressly prohibited by Applicable Law, the following: (i) notice of acceptance of this Guaranty, (ii) notice of the existence or creation of all or any of the Obligations, (iii) presentment, demand, notice of dishonor, protest and all other notices whatsoever (other than notices expressly required hereunder or under any other Loan Document to which any Guarantor is a party), (iv) all diligence in collection or protection of or realization upon the Obligations or any part thereof, any obligation hereunder, or any security for any of the foregoing, (v) all rights to enforce any remedy which the Lender may have against the Borrower and (vi) until the Obligations shall have been paid in full in cash, all rights of subrogation, indemnification, contribution and reimbursement from the Borrower for amounts paid hereunder and any benefit of, or right to participate in, any collateral or security now or hereinafter held by the DIP Agent on behalf of the Lenders in respect of the Obligations. If a claim is ever made upon the Lenders for the repayment or recovery of any amount or amounts received by such Person in payment of any of the Obligations and such Person repays all or part of such amount by reason of (A) any judgment, decree or order of any court or administrative body having jurisdiction over such Person or any of its property, or (B) any settlement or compromise of any such claim effected by such Person with any such claimant, including the Borrower, then in such event each Guarantor agrees that any such judgment, decree, order, settlement or compromise shall be binding upon such Guarantor, notwithstanding any revocation hereof or the cancellation of any promissory note or other instrument evidencing any of the Obligations, and such Guarantor shall be and remain obligated to such Person hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by such Person.

(j) This Guaranty is a continuing guaranty of the Obligations and all liabilities to which it applies or may apply under the terms hereof and shall be conclusively presumed to have been created in reliance hereon. No failure or delay by the Lenders in the exercise of any right, power, privilege or remedy shall operate as a waiver thereof, and no single or partial exercise by the Lenders of any right or remedy shall preclude other or further exercise thereof or the exercise of any other right or remedy and no course of dealing between any Guarantor and the Lenders shall operate as a waiver thereof. No action by the Lenders permitted hereunder shall in any way impair or affect this Guaranty. For the purpose of this Guaranty, the Obligations shall include, without limitation, all Obligations of the Borrower to the Lenders, notwithstanding any right or power of any third party, individually or in the name of the Borrower and the Lenders to assert any claim or defense as to the invalidity or unenforceability of any such Obligation, and no such claim or defense shall impair or affect the obligations of any Guarantor hereunder.

(k) This is a guaranty of payment and not of collection. In the event any Lender makes a demand upon any Guarantor in accordance with the terms of this Guaranty, such Guarantor shall be held and bound to the Lenders directly as debtor in respect of the payment of the amounts hereby Guaranteed. All costs and expenses, including, without limitation, attorneys' fees and expenses, incurred by the Lenders in obtaining performance of or collecting payments due under this Guaranty shall be deemed part of the Obligations Guaranteed hereby.

(l) Each Subsidiary Guarantor is (i) a direct or indirect wholly owned Domestic Subsidiary of the Borrower, or (ii) a direct or indirect wholly owned Restricted Subsidiary of the Parent that is not a direct or indirect Restricted Subsidiary of the Borrower. Each Guarantor expressly represents and acknowledges that any financial accommodations by the Lenders to the Borrower, including, without limitation, the extension of credit, are and will be of direct interest, benefit and advantage to such Guarantor.

(m) Each Guarantor shall be entitled to subrogation and contribution rights from and against the Borrower to the extent any Guarantor is required to pay to the Lenders any amount in excess of the Term Loans advanced directly to, or other Obligations incurred directly by, such Guarantor or as otherwise available under Applicable Law; provided, however, that such subrogation and contribution rights are and shall be subject to the terms and conditions of this Section 3.1 and Section 10.20. The payment obligation of a Guarantor to any other Guarantor under any Applicable Law regarding contribution rights among co-obligors or otherwise shall be subordinate and subject in right of payment to the prior payment in full of the obligations of such Guarantor under the other provisions of this Guaranty, and such Guarantor shall not exercise any right or remedy with respect to such rights until payment and satisfaction in full of all such obligations. Notwithstanding anything to the contrary contained in this Guaranty, no Guarantor shall exercise any rights of subrogation, contribution, indemnity, reimbursement or other similar rights against, nor shall proceed or seek recourse against or with respect to any property or asset of, the Borrower, any other Guarantor or any other guarantor (including after

payment in full of the Obligations), if all or any portion of the Obligations have been satisfied in connection with an exercise of remedies in respect of the Equity Interests of the Borrower, any other Guarantor or any other guarantor whether pursuant to a Loan Document, or otherwise.

(n) Each Guarantor has independently, and without reliance on any information supplied by the Lenders, taken, and will continue to take, whatever steps it deems necessary to evaluate the financial condition and affairs of the Borrower or any Collateral, and the Lenders shall have no duty to advise the Guarantors of information at any time known to it regarding such financial condition or affairs or any Collateral.

Section 3.2 Special Provisions Applicable to Subsidiary Guarantors. Pursuant to Section 6.20 of this Agreement, any new Restricted Subsidiary, other than an Immaterial Subsidiary, an Excluded Foreign Subsidiary or Excluded Joint Venture, of the Parent is required to enter into this Agreement by executing and delivering to the Lender a Guaranty Supplement. Upon the execution and delivery of a Guaranty Supplement by such new Restricted Subsidiary, such Restricted Subsidiary shall become a Guarantor and Borrower Party hereunder with the same force and effect as if originally named as a Guarantor or Borrower Party herein. The execution and delivery of any Guaranty Supplement (or any other supplement to any Loan Document delivered in connection therewith) adding an additional Guarantor as a party to this Agreement or any other applicable Loan Document shall not require the consent of any other party hereto. The rights and obligations of each party hereunder shall remain in full force and effect notwithstanding the addition of any new Guarantor hereunder.

Section 3.3 Special Provisions Applicable to Parent. The following provisions shall apply to any interest payable by the Parent and any other Borrower Party organized or existing under the laws of Canada or any political subdivision thereof:

(a) For the purposes of the Interest Act (Canada) and disclosure thereunder, whenever any interest or any fee to be paid hereunder or in connection herewith is to be calculated on the basis of a 360-day or 365-day year, the yearly rate of interest to which the rate used in such calculation is equivalent is the rate so used multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by 360 or 365, as applicable. The rates of interest under this Agreement are nominal rates, and not effective rates or yields. The principle of deemed reinvestment of interest does not apply to any interest calculation under this Agreement.

(b) If any provision of this Agreement would oblige the Parent to make any payment of interest or other amount payable to a Lender in an amount or calculated at a rate which would be prohibited by Applicable Law or would result in a receipt by that Lender of “interest” at a “criminal rate” (as such terms are construed under the *Criminal Code* (Canada)), then, notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited

by Applicable Law or so result in a receipt by such Lender of “interest” at a “criminal rate”.

(d) Simultaneous with the delivery of the Compliance Certificate requested under this Section 7.2, the Borrower shall deliver to the Lenders an Officers' Certificate stating that all Liens and security interests created and granted to the DIP Agent on behalf of the Lenders in connection herewith and the transactions contemplated hereunder remain in full force and effect and continue to be perfected.

The Lenders expressly reserves the right to require strict compliance with the terms of this Agreement in connection with any funding of the Term Loans. In the event any Lender decides to fund a request for the Term Loans at a time when the Borrower Parties are not in strict compliance with the terms of this Agreement, such decision by a Lender shall not be deemed to constitute an undertaking by such Lender to fund any further requests or preclude any Lender from exercising any rights available to the Lenders under the Loan Documents or at law or equity. Any waiver or indulgence granted by the Lenders shall not constitute a modification of this Agreement, except to the extent expressly provided in such waiver or indulgence, or constitute a course of dealing by the Lenders at variance with the terms of the Agreement such as to require further notice by the Lenders of the Lenders' intent to require strict adherence to the terms of the Agreement in the future. Any such actions shall not in any way affect the ability of the Lenders, in its discretion, to exercise any rights available to them under this Agreement or under any other agreement, whether or not any Lender is party, relating to the Borrower.

Section 10.4 Set-Off. In addition to any rights now or hereafter granted under Applicable Law and not by way of limitation of any such rights, except to the extent limited by Applicable Law or any DIP Order, at any time that an Event of Default exists, the Lenders and each subsequent holder of the Obligations is hereby authorized by the Borrower Parties at any time or from time to time, without notice to the Borrower Parties or to any other Person, any such notice being hereby expressly waived, to set-off and to appropriate and apply any and all deposits (general or special, time or demand, including, but not limited to, Funded Debt evidenced by certificates of deposit, in each case whether matured or unmatured, but not including any amounts held by the Lenders or any of its Affiliates in any escrow account) and any other Funded Debt at any time held or owing by the Lenders or any such holder to or for the credit or the account of any Borrower Party, against and on account of the obligations and liabilities of the Borrower Parties, to the Lenders or any such holder under this Agreement and any other Loan Document, including, but not limited to, all claims of any nature or description arising out of or connected with this Agreement or any other Loan Document, irrespective of whether or not (a) the Lenders shall have made any demand hereunder or (b) the Lenders shall have declared the principal of and interest on the Term Loans and other amounts due hereunder to be due and payable as permitted by Section 9.2 and although said obligations and liabilities, or any of them, shall be contingent or unmatured. Any sums obtained by a Lender or by any subsequent holder of the Obligations shall be subject to the application of payments provisions of Article 2.

Section 10.5 Assignment.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that no Borrower Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Lenders (and any attempted assignment or transfer by any Borrower Party without such consent shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their

respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, the Affiliates of a Lender) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Each Lender may, with the prior written consent of the DIP Agent and the Borrower (not to be unreasonably withheld or delayed), assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments (provided such Lender's obligations under this Agreement with respect to any such Commitment shall remain unchanged and such Lender shall remain responsible to the other parties hereto for the funding of such Commitment until the earlier of the funding thereof and the expiration of such Commitment) and the Term Loans at the time owing to it); provided, however, that (A) the consent of the Borrower shall not be required to any such assignment (x) in connection with the initial post-closing assignments of the Term Loans and Commitments pursuant to the DIP Order, (y) made to another Lender or an Affiliate or an Approved Fund of a Lender or (z) after the occurrence and during the continuance of any Event of Default and (B) the Borrower shall be deemed to have consented to any such assignment unless it shall have objected thereto by written notice to the DIP Agent within 5 Business Days after having received written notice thereof from the DIP Agent. From and after the effective date specified in each such assignment, the Eligible Assignee thereunder shall be a party hereto and, to the extent of the interest assigned, have the rights and obligations of a Lender under this Agreement, and the assigning Lender shall, to the extent of the interest assigned, be released from its obligations under this Agreement (and, in the case of an assignment covering all of a Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.8(b), 6.18, 11.3 and 11.5). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this paragraph shall be treated for purposes of this Agreement as a sale by a Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section 10.5. Concurrently with the first assignment of any of the initial Lenders' rights and obligations under this Agreement, the Borrower Parties and the Lenders (which shall include all Persons who are assignees of such assigning Lender), shall execute a supplement to this Agreement and an assignment agreement, each in form and substance satisfactory to the Borrower and the Lenders, with respect to the respective rights of assignees under the Loan Documents.

(c) Each Lender may, without the consent of, or notice to, the Borrower, sell participations to one or more banks or other entities (a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its portion of the Commitments and/or the Term Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) the Borrower shall continue to deal solely and directly with the Lender in connection with such Lender's rights and obligations under this Agreement, (iv) any agreement or instrument pursuant to which a Lender sells such a participation shall provide that the Lender shall retain the sole

right to enforce this Agreement and the other Loan Documents in respect thereof and to approve any amendment, modification or waiver of any provision of this Agreement and the Loan Documents (except with respect to (A) any sale or release of, or the subordination of the DIP Agent's security interest in, any material Collateral except in conjunction with sales or transfers of Collateral permitted hereunder, (B) except in conjunction with transactions permitted hereunder, any release of any guarantor of the Obligations, (C) any extensions, postponements or delays of the Maturity Date or the scheduled date of payment of interest or principal (other than payments of principal required to be made pursuant to Section 2.6(c)) or fees, or any reduction of principal (without a corresponding payment with respect thereto), or reduction in the rate of interest or fees due to such Lender hereunder or under any other Loan Documents, (D) any amendment of this Section 10.5 or any other provision of the Loan Documents specifying the parties required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder; (E) any amendment increasing such Lender's Commitments (it being understood and agreed that a waiver of any Default or Event of Default or modification of any of the defined terms contained herein (other than those defined terms specifically addressed in this Section 10.5) shall not constitute a change in the terms of the Commitments); and (F) any amendment to Section 2.10). The Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.8(b), 6.18 and 11.3 as if it were a Lender, to the extent of its participation. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.4 as though it were a Lender, provided such Participant agrees to be subject to Section 2.8(b) as though it were a Lender.

(d) A Participant shall not be entitled to receive any greater payment under Section 2.8(b) or Section 11.3 than the relevant Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent.

(e) Each Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment of a security interest shall release the Lender from any of its obligations hereunder or substitute any such pledgee or assignee for the Lender as a party hereto.

Section 10.6 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same agreement. In proving this Agreement or any other Loan Document in any judicial proceedings, it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom such enforcement is sought. Any signatures hereto delivered by Electronic Transmission shall be deemed an original signature hereto. The foregoing shall apply to each other Loan Document mutatis mutandis.

Section 10.7 Governing Law. This Agreement and the other Loan Documents are intended to be, and shall be, construed in accordance with and governed by the laws of the State of New York.

Section 10.8 Severability. Any provision of this Agreement which is prohibited or unenforceable shall be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof in that jurisdiction or affecting the validity or enforceability of such provision in any other jurisdiction.

Section 10.10 Appointment of Collateral Agent. Each Lender, by signing or otherwise becoming a party hereto, hereby appoints the Collateral Agent or any of its successors) to act as collateral agent on behalf of the Lenders under the Loan Documents.

THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.** Each Borrower Party represents and warrants to the Lenders that it has read the provisions of this Section 10.11 and discussed the provisions of this Section 10.11 and the rest of this Agreement with counsel for such Borrower Party, and such Borrower Party acknowledges and agrees that the Lenders are expressly relying upon such representations and warranties of such Borrower Party (as well as the other representations and warranties of such Borrower Party set forth in this Agreement and the other Loan Documents) in entering into this Agreement.

Section 10.12 Amendments and Waivers. Subject to the last sentence of Section 10.5(b), neither this Agreement, any other Loan Document nor any term hereof or thereof may be amended orally, nor may any provision hereof be waived orally but only by an instrument in writing signed by each Lender and the Borrower Parties.

Section 10.13 Other Relationships. No relationship created hereunder or under any other Loan Document shall in any way affect the ability of the Lenders to enter into or maintain business relationships with the Borrower, or any of its Affiliates, beyond the relationships specifically contemplated by this Agreement and the other Loan Documents.

Section 10.14 Pronouns. The pronouns used herein shall include, when appropriate, either gender and both singular and plural, and the grammatical construction of sentences shall conform thereto.

Section 10.15 Disclosure. The Borrower Parties consent to the Lenders' issuance of press releases and preparation and distribution of other marketing materials regarding the Commitments hereunder and the making of the Term Loans pursuant to the

terms of this Agreement and the disclosure of such information in the Lenders' sole discretion, subject to Section 10.16.

Section 10.16 Confidentiality. No Lender shall disclose any material non-public confidential information received from or on behalf of the Borrower Parties in connection herewith regarding the Borrower Parties ("Confidential Information") to any other Person without the consent of the Borrower, other than (i) to a Lender's Representatives and to actual or prospective assignees and participants, and then only on a confidential basis, (ii) as required by any law, rule or regulation or judicial process, (iii) to any rating agency when required by it, provided that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Confidential Information relating to the Borrower Parties received by it from the Lender, (iv) as requested or required by any state, federal or foreign authority or examiner regulating banks or banking and (v) in connection with the exercise of any remedy hereunder or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder. The term "Confidential Information" shall be deemed to exclude information customarily placed on 'tombstones' or similar marketing materials and does not include any information that (i) was or becomes generally available to the public, other than as a result of a disclosure by a Lender or its Representative in breach of this Agreement, (ii) was or becomes available to the Lender on a non-confidential basis from a source other than a Borrower Party or its Representatives, provided that such source was not known by such Recipient or its Representatives to be bound by any agreement with a Borrower Party to keep such information confidential, (iii) was in a Lender's or its Representatives' possession prior to disclosure by a Borrower Party or its Representatives, or (iv) was or is independently developed by a Lender or its Representative without use of or reference to the Confidential Information.

Section 10.17 Revival and Reinstatement of Obligations. If the incurrence or payment of the Obligations by the Borrower or any Guarantor, or the transfer to any Lender of any property, should for any reason subsequently be declared to be void or voidable under any state or federal law relating to creditors' rights, including provisions of the Bankruptcy Code relating to fraudulent conveyances, preferences or other voidable or recoverable payments of money or transfers of property (collectively, a "Voidable Transfer"), and if any Lender is required to repay or restore, in whole or in part, any such Voidable Transfer, or elects to do so upon the advice of its counsel, then, as to any such Voidable Transfer, or the amount thereof that any Lender is required or elects to repay or restore, and as to all costs, expenses and attorneys' fees of the Lender related thereto, the liability of the Borrower or such Guarantor, as applicable, automatically shall be revived, reinstated and restored and shall exist as though such Voidable Transfer had never been made.

Section 10.18 Electronic Transmission.

(a) Authorization. Subject to the provisions of this Section 10.18(a), the Lenders, the Borrower Parties and each of their Affiliates are authorized (but not required) to transmit, post or otherwise make or communicate, in

its sole discretion, Electronic Transmissions in connection with any Loan Document and the transactions contemplated therein. The Borrower and each of the other Borrower Parties hereby acknowledges and agrees, and the Borrower and each of the other Borrower Parties shall cause each of their Restricted Subsidiaries to acknowledge and agree, that the use of Electronic Transmissions is not necessarily secure and that there are risks associated with such use, including risks of interception, disclosure and abuse and each indicates it assumes and accepts such risks by hereby authorizing the transmission of Electronic Transmissions.

(b) Separate Agreements. All uses of an E-System shall be governed by and subject to, in addition to the terms and conditions of this Agreement, separate terms and conditions posted or referenced in such E-System and related contractual obligations executed by Borrower Parties or the Lenders in connection with the use of such E-System.

(c) Limitation of Liability. All E-Systems and Electronic Transmissions shall be provided “as is” and “as available”. None of the Lender or any of its Affiliates warrants the accuracy, adequacy or completeness of any E-Systems or Electronic Transmission, and each disclaims all liability for errors or omissions therein. No warranty of any kind is made by the Lenders or any of their Affiliates in connection with any E Systems or Electronic Transmission, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects. Each of Borrower Party agrees that no Lender or any of its Affiliates has any responsibility for maintaining or providing any equipment, software, services or any testing required in connection with any Electronic Transmission or otherwise required for any E-System.

Section 10.19 Conflicts with DIP Orders. To the extent one or more Loan Document are inconsistent with any DIP Order, the terms of the most recently entered DIP Order shall supersede the terms of such Loan Documents.

Section 10.20 Contribution.

(a) [Reserved]

(b) In the event any Borrower Party (a “Funding Borrower Party”) shall make any payment or payments under this Agreement or shall suffer any loss as a result of any realization upon any collateral granted by it to secure its obligations hereunder, such Funding Borrower Party shall have the right to seek contribution payments from each other Borrower Party (each, a “Contributing Borrower Party”) to the extent permitted by Applicable Law. Nothing in this Section 10.20(b) shall affect any Borrower Party’s joint and several liability to the Lenders for the entire amount of its Obligations. Each Borrower Party covenants and agrees that (i) its right to receive any contribution hereunder from a Contributing Borrower Party shall be subordinate and junior in right of payment to all obligations of the Borrower Parties to the Lenders hereunder and (ii) it shall not exercise any such contribution rights unless and until the Obligations shall have been paid in full in cash.

(c) Nothing in this Section 10.20 shall affect the Borrower's joint and several liability to the Lenders for the entire amount of its Obligations. Each Borrower Party covenants and agrees that its right to receive any contribution hereunder from a contributing Borrower Party shall be subordinate and junior in right of payment to all Obligations of the Borrower to the Lenders hereunder. No Borrower Party will exercise any rights that it may acquire by way of subrogation hereunder or under any other Loan Document or at law by any payment made hereunder or otherwise, nor shall any Borrower Party seek or be entitled to seek any contribution or reimbursement from any other Borrower Party in respect of payments made by such Borrower Party hereunder or under any other Loan Document, until all amounts owing to the Lenders on account of the Obligations are paid in full in cash. If any amounts shall be paid to any Borrower Party on account of such subrogation or contribution rights at any time when all of the Obligations shall not have been paid in full, such amount shall be held by such Borrower Party in trust for the Lender segregated from other funds of such Borrower Party, and shall, forthwith upon receipt by such Borrower Party, be turned over to the Lender in the exact form received by such Borrower Party (duly endorsed by such Borrower Party to the Lenders, if required), to be applied against the Obligations, whether matured or unmatured, as provided for herein.

### YIELD PROTECTION

#### Section 11.1 Reserved.

Section 11.2 Illegality. If any change in Applicable Law, any change in the interpretation or administration of any Applicable Law by any Governmental Authority, central bank, or comparable agency charged with the interpretation or administration thereof, or any change in compliance with Applicable Law as a result of any request or directive (whether or not having the force of law) of any such authority, central bank, or comparable agency after the Agreement Date, shall make it unlawful for any Lender to make, maintain, or fund a Term Loan, such Lender shall so notify the Borrower. Before giving any notice pursuant to this Section 11.2, such Lender shall designate a different lending office if such designation will avoid the need for giving such notice and will not, in the judgment of the Lender, be otherwise disadvantageous to the Lender. Upon receipt of such notice, notwithstanding anything contained in Article 2, the Borrower shall repay in full (without prepayment premium) the then outstanding principal amount of each affected Term Loan, together with accrued interest thereon, either (a) on the last day of the then current calendar quarter if the relevant Lender may lawfully continue to maintain and fund such Term Loan to such day or (b) immediately if the relevant Lender may not lawfully continue to fund and maintain such Term Loan to such day.

Section 11.3 Increased Costs.

(a) If any change in Applicable Law, any change in the interpretation or administration of any Applicable Law by any Governmental Authority, central bank, or comparable agency charged with the interpretation or administration thereof or any change in compliance with Applicable Law as a result of any request or directive (whether or not having the force of law) of such Governmental Authority, central bank, or comparable agency after the Agreement Date (and, for purposes of this Section 11.3, (i) the Dodd-Frank Wall Street Reform and Consumer Protection Act (including regulations promulgated with respect thereto), and all requests, guidelines or directives in connection therewith, and (ii) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States of America or foreign regulatory authorities, in each case in respect of this clause (ii), pursuant to Basel III, are, in the case of each of clauses (i) and (ii), deemed to have gone into effect and been adopted after the Agreement Date):

(i) Shall subject a Lender to any tax, duty, or other charge with respect to its obligation to make the Term Loans, or shall change the basis of taxation of payments to such Lender of the principal of or interest on the Term Loans or in respect of any other amounts due under this Agreement in respect of the Term Loans or its obligation to make Term Loans (except for changes in the rate of tax on the overall net income of the Lender);

(ii) Shall impose, modify, or deem applicable any reserve (including, without limitation, any imposed by the Board of Governors of the Federal Reserve System), special deposit, assessment, or other requirement or condition against assets of, deposits (other than as described in Section 11.5) with or for the account of, or commitments or credit extended by a Lender, or shall impose on a Lender any other condition affecting its obligation to make such Term Loans; and the result of any of the foregoing is to increase the cost to such Lender of making or maintaining any such Term Loans, or to reduce the amount of any sum received or receivable by the Lender under this Agreement with respect thereto, and such increase is not given effect in the determination of the Applicable Rate; or

(iii) Shall impose, modify, or deem applicable any reserve (including, without limitation, any imposed by the Board of Governors of the Federal Reserve System), special deposit, assessment, or other requirement or condition against assets of, deposits (other than as described in Section 11.5) with or for the account of, or commitments or credit extended by a Lender,

then promptly upon demand by the affected Lender, each Borrower agrees, jointly and severally, to pay, without duplication of amounts due under Section 2.8(b), to such Lender such Additional Amount or amounts as will compensate the Lender for such increased costs. The affected Lender will promptly notify the Borrower of any event of which it has knowledge, occurring after the date hereof, which will entitle the Lender to compensation pursuant to this Section 11.3 and will designate a different lending office if

such designation will avoid the need for, or reduce the amount of, such compensation and will not, in the reasonable judgment of the Lender, be otherwise disadvantageous to the Lender. Failure or delay on the part of the Lender to demand compensation pursuant to this Section 11.3 shall not constitute a waiver of such Lender's right to demand such compensation

(b) A certificate of the affected Lender claiming compensation under this Section 11.3 and setting forth the Additional Amount or amounts to be paid to it hereunder and calculations therefor shall be conclusive in the absence of manifest error. In determining such amount, the Lender may use any averaging and attribution methods. If the Lender demands compensation under this Section 11.3, the Borrower may at any time, upon at least five (5) Business Days' prior notice to such Lender, prepay in full the then outstanding affected Term Loans, together with accrued interest thereon to the date of prepayment.

Section 11.4 Reserved.

Section 11.5 Capital Adequacy. If after the Agreement Date, a Lender (or any Affiliate of the Lender) shall have determined that the adoption of any Applicable Law, governmental rule, regulation or order regarding the capital adequacy of banks or bank holding companies, or any change therein, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by such Lender (or any Affiliate of such Lender) with any request or directive regarding capital adequacy (whether or not having the force of law) of any such Governmental Authority, central bank or comparable agency (but only if such adoption, change, request or directive occurs after the Agreement Date), has or would have the effect of reducing the rate of return on such Lender's (or any Affiliate of such Lender) capital as a consequence of the Commitment or obligations hereunder to a level below that which it could have achieved but for such adoption, change or compliance (taking into consideration such Lender's (or any Affiliate of such Lender) policies with respect to capital adequacy immediately before such adoption, change or compliance and assuming that such Lender's (or any Affiliate of such Lender) capital was fully utilized prior to such adoption, change or compliance), then, promptly upon demand by the affected Lender, the Borrower shall immediately pay to such Lender such Additional Amount or amounts as shall be sufficient to compensate such Lender for any such reduction actually suffered; provided, however, that there shall be no duplication of amounts paid to such Lender pursuant to this sentence and Section 11.3. A certificate of the affected Lender setting forth the amount to be paid to such Lender by the Borrower as a result of any event referred to in this paragraph shall, absent manifest error, be conclusive. For purposes of this Section 11.5, (i) the Dodd-Frank Wall Street Reform and Consumer Protection Act (including regulations promulgated with respect thereto), and all requests, guidelines or directives in connection therewith, and (ii) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States of America or foreign regulatory authorities, in each case in respect of this clause (ii), pursuant to

Basel III, are, in the case of each of clauses (i) and (ii), deemed to have gone into effect and been adopted after the Agreement Date.

### DIP AGENT

Section 13.1 Authorization and Action. Each Lender hereby irrevocably appoints WBOX 2014-4 Ltd. as DIP Agent hereunder and authorizes the DIP Agent to take such action on its behalf, including execution of the Loan Documents, as applicable, and to exercise such powers under this Agreement and the other Loan Documents as agreed by Majority Lenders, together with such actions and powers as are reasonably incidental thereto. Each Lender hereby acknowledges that the DIP Agent shall not have by reason of this Agreement assumed a fiduciary relationship in respect of any Lender, regardless of whether an Event of Default has occurred or is continuing. Without limiting the generality of the foregoing, the DIP Agent shall, at the direction of Majority Lenders, have the sole and exclusive authority to (a) act as the disbursing and collecting agent for Lenders with respect to all payments and collections arising in connection with the Loan Documents, (b) execute and deliver as DIP Agent each Loan Document, including any intercreditor or subordination agreements, and accept delivery of each Loan Document from any Obligor or other Person and to perform all of its undertakings and obligations thereunder, (c) act as DIP Agent for the Secured Parties for purposes of perfecting and administering Liens under the Loan Documents, and for all other purposes stated therein, (d) manage, supervise or otherwise deal with Collateral, and (e) take any action or otherwise exercise any rights or remedies with respect to any Collateral under the Loan Documents, requirements of Applicable Law or otherwise. In performing its functions and duties under this Agreement, the DIP Agent shall act solely as agent of Lenders, and shall not assume, or be deemed to have assumed, any obligation toward, or relationship of agency or trust with or for, Obligors. As to any matters not expressly provided for by this Agreement and the other Loan Documents, the DIP Agent shall act or refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the instructions of Majority Lenders (accompanied by indemnity satisfactory to the DIP Agent and subject to the indemnification set forth in Section 13.5), whenever such instruction shall be requested by the DIP Agent or required hereunder, or a greater or lesser number of Lenders if so required hereunder or under any other Loan Document, and such instructions shall be binding upon all Lenders; provided, that the DIP Agent shall be fully justified in failing or refusing to take any action which exposes the DIP Agent to any liability or which is contrary to this Agreement, the other Loan Documents or applicable law, unless the DIP Agent is indemnified to its satisfaction by the other Lenders against any and all liability and expense which it may incur by reason of taking or continuing to take any such action. When the DIP Agent seeks the consent or approval of Majority Lenders (or a greater or lesser number of Lenders as required in this

Agreement or any other Loan Document), with respect to any action hereunder, the DIP Agent shall send notice thereof to each Lender and shall notify each Lender at any time that Majority Lenders (or such greater or lesser number of Lenders) have instructed the DIP Agent to act or refrain from acting pursuant hereto.

Section 13.2 DIP Agent's Reliance, Etc. Neither the DIP Agent, any Affiliate of the DIP Agent, nor any of their respective directors, officers, agents or employees shall be liable for any action taken or omitted to be taken by it or them under or in connection with this Agreement or the other Loan Documents, except for its or their own gross negligence or willful misconduct, as determined by a final non-appealable order of a court of competent jurisdiction. Without limitation of the generality of the foregoing, the DIP Agent: (i) may treat each Lender party hereto as the holder of Obligations until the DIP Agent receives an executed assignment and acceptance agreement from such Lender; (ii) may consult with legal counsel (who may be counsel for the Obligors), independent public accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts; (iii) makes no warranties or representations to any Lender and shall not be responsible to any Lender for any recitals, statements, warranties or representations made in or in connection with this Agreement or any other Loan Documents; (iv) shall not be responsible to any Lender for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or the other Loan Documents or any other instrument or document furnished pursuant hereto or thereto; (v) shall not be liable to any Lender for any action taken, or inaction, by the DIP Agent pursuant to the terms hereof upon the instructions of Majority Lenders (or a greater or lesser number of Lenders if so required hereunder or under any other Loan Document) or refraining to take any action pending such instructions; (vi) shall not be liable for any apportionment or distributions of payments made by it in good faith pursuant to this Agreement; (vii) shall incur no liability under or in respect of this Agreement or the other Loan Documents by acting upon any notice, consent, certificate, message or other instrument or writing (which may be by telephone, facsimile, telegram, cable, e-mail or other electronic transmission) believed in good faith by it to be genuine and signed or sent by the proper party or parties; and (viii) may assume that no Default or Event of Default has occurred and is continuing, unless the DIP Agent has actual knowledge of the Default or Event of Default, has received notice from any Obligor or Parent's independent certified public accountants stating the nature of the Default or Event of Default, or has received notice from a Lender stating the nature of the Default or Event of Default and that such Lender considers the Default or Event of Default to have occurred and to be continuing. In the event any apportionment or distribution described in clause (vi) above is determined to have been made in error, the sole recourse of any Person to whom payment was due but not made shall be to recover from the recipients of such payments any payment in excess of the amount to which they are determined to have been entitled. The DIP Agent shall not be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the DIP Agent has been advised of the likelihood of such loss or damage and regardless of the form of action. In no event shall the DIP Agent be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or

indirectly, forces beyond its control, including without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, future changes in applicable law or regulation, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; *it being understood* that the DIP Agent shall use reasonable efforts consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 13.3 Rights of the DIP Agent as a Lender. The Person serving as the DIP Agent hereunder shall have the same rights and powers under this Agreement and the other Loan Documents in its capacity as a Lender, if any, as any other Lender and may exercise the same as though it were not the DIP Agent; and the terms “Lender,” “Lenders,” and “Majority Lenders” shall, unless otherwise expressly indicated, include such Person in its individual capacity as a Lender. The Person serving as the DIP Agent hereunder may accept deposits from, lend money to, and generally engage in any kind of business with, Obligors or any Subsidiary of an Obligor or other Affiliate thereof, all as if it were not the DIP Agent and without any duty to account therefor to any other Lender.

Section 13.4 Lender Credit Decision. Each Lender acknowledges that it has, independently and without reliance upon the DIP Agent or any other Lender and based on the financial statements referred to herein and such other documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the DIP Agent or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement, any other Loan Document or related agreement or any document furnished hereunder or thereunder. The DIP Agent shall not have any duty or responsibility, either initially or on an ongoing basis, to provide any Lender with any credit or other similar information regarding Obligors.

Section 13.5 Indemnification. Lenders agree to indemnify the DIP Agent (to the extent not reimbursed by Obligors), in accordance with their respective Term Loan Percentages, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against Agent in any way relating to or arising out of this Agreement or any other Loan Document or any action taken or omitted by the DIP Agent under this Agreement or any other Loan Document; provided that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the DIP Agent’s gross negligence or willful misconduct, as determined by a final non-appealable order of a court of competent jurisdiction. Without limitation of the foregoing, each Lender agrees to reimburse the DIP Agent promptly upon demand for its ratable share, as set forth above, of any out-of-pocket expenses (including attorneys’ fees) incurred by the DIP Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiation, legal proceedings or otherwise) of, or legal

advice in respect of rights or responsibilities under, this Agreement and each other Loan Document, to the extent that the DIP Agent is not reimbursed for such expenses by Obligors. The obligations of Lenders under this Section 13.5 shall survive the Payment in Full and the termination of this Agreement. If after payment and distribution of any amount by the DIP Agent to Lenders, any Lender or any other Person, including Obligors, any creditor of any Obligor, a liquidator, administrator or trustee in bankruptcy, recovers from the DIP Agent any amount found to have been wrongfully paid to the DIP Agent or disbursed by the DIP Agent to Lenders, then each Lender shall reimburse the DIP Agent any amount received by such Lender.

Section 13.6 Rights and Remedies to Be Exercised by the DIP Agent Only. Each Lender agrees that, except as set forth in Section 10.4, no Lender shall have any right individually (i) to realize upon the security created by this Agreement or any other Loan Document, (ii) to enforce any provision of this Agreement or any other Loan Document, or (iii) to make demand under this Agreement or any other Loan Document.

Section 13.7 Agency Provisions Relating to Collateral; Release of Liens and Guaranties. Each Lender hereby irrevocably authorizes and ratifies the DIP Agent's entry into this Agreement and the Loan Documents for the benefit of the Secured Parties. Each Lender hereby irrevocably agrees that any action taken by the DIP Agent with respect to the Collateral in accordance with the provisions of this Agreement or the Loan Documents, and the exercise by the DIP Agent of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized by and binding upon all Lenders. The DIP Agent is hereby irrevocably authorized on behalf of all Lenders, without the necessity of any notice to or further consent from any Lender to take any action with respect to any Collateral or the Loan Documents which may be necessary to perfect and maintain perfected the DIP Agent's Liens upon the Collateral, for its benefit and the ratable benefit of Lenders. Lenders hereby irrevocably agree that the Liens granted to or held by the DIP Agent upon any Collateral shall be automatically released (i) upon Payment in Full; or (ii) if such Collateral constitutes property being sold or disposed of and Borrower certifies to the DIP Agent that the sale or disposition is made in compliance with the terms of this Agreement (and the DIP Agent may rely conclusively on any such certificate, without further inquiry), and to the extent that the property being sold or disposed of constitutes 100% of the Equity Interest of a Subsidiary, the DIP Agent is authorized and directed to release any Guaranty Agreement provided by such Subsidiary; or (iii) if such Collateral constitutes leased property in which no Obligor owned any interest at the time the Lien was granted or at any time thereafter and such lease has expired or been terminated in a transaction not prohibited by this Agreement; or (iv) in connection with any foreclosure sale or other disposition of Collateral and the exercise of remedies pursuant to Section 9.2 after the occurrence and during the continuation of an Event of Default. Except as provided in the preceding sentence, the DIP Agent will not release any Liens on Collateral without the prior written authorization of Majority Lenders. Any such release shall not in any manner discharge, affect or impair the Obligations or any Liens (other than those expressly being released) upon (or obligations of the Obligors in respect of) all interests retained by the Obligors, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral. Upon request by the DIP Agent at any time, Lenders

will confirm in writing the DIP Agent's authority to release particular types or items of Collateral pursuant hereto. The DIP Agent shall have no obligation whatsoever to any Lender or to any other Person to assure that the Collateral exists or is owned by any Obligor or is cared for, protected or insured or has been encumbered or that the Liens granted to the DIP Agent by a DIP Order, herein or pursuant to the Loan Documents have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, or to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of its rights, authorities and powers granted or available to Agent in this Section 13.7 or in any of the Loan Documents, it being understood and agreed that in respect of the Collateral, or any act, omission or event related thereto, the DIP Agent may act in any manner it may deem appropriate, in its reasonable discretion, but consistent with the provisions of this Agreement and the other Loan Documents, including given the DIP Agent's own interest in the Collateral as a Lender, if any, and that the DIP Agent shall have no duty or liability whatsoever to any Lender. The Obligors and Lenders hereby irrevocably authorize the DIP Agent, based upon the instruction of Majority Lenders, to credit bid and purchase (either directly or through one or more acquisition vehicles) or to sell or otherwise dispose of (or to consent to any such sale or other disposition of) all or any portion of the Collateral at any sale thereof conducted by the DIP Agent under the provisions of the Code or the PPSA], including pursuant to Sections 9-610 or 9-620 of the Code, at any sale thereof conducted under the provisions of the Bankruptcy Code, including Section 363 of the Bankruptcy Code or pursuant to a plan of reorganization, or at any sale or foreclosure conducted by the DIP Agent (whether by judicial action or otherwise) in accordance with applicable law.

Section 13.8 DIP Agent's Right to Purchase Commitments. The DIP Agent shall have the right, but shall not be obligated, at any time upon written notice to any Lender and with the consent of such Lender, which may be granted or withheld in such Lender's reasonable discretion, to purchase for the DIP Agent's own account all of such Lender's interests in this Agreement, the other Loan Documents and the Obligations, for the face amount of the outstanding Obligations owed to such Lender, including all accrued and unpaid interest and fees.

Section 13.9 Resignation of the DIP Agent; Appointment of Successor. The DIP Agent may resign as DIP Agent at any time by notifying the Lenders and the Borrower. If the DIP Agent shall resign under this Agreement, then, (i) Majority Lenders shall have the right to appoint a successor agent or (ii) if a successor agent shall not be so appointed and approved within the fifteen (15) day period following the retiring the DIP Agent's notice to Lenders and Borrower of its resignation, then the retiring DIP Agent may, on behalf of the Lenders appoint a successor agent who shall serve as the DIP Agent until such time as Majority Lenders appoint a successor agent or ratify the retiring DIP Agent's appointment of a successor agent. Upon its appointment, such successor agent shall succeed to the rights, powers and duties of the DIP Agent and the term "DIP Agent" shall mean such successor effective upon its appointment, and the retiring DIP Agent's rights, powers and duties as DIP Agent shall be terminated without any other or further act or deed on the part of such retiring DIP Agent or any of the other parties to this Agreement. After the resignation of the DIP Agent hereunder, the provisions of this

Article 13, Section 6.18 and Section 10.2 shall inure to the benefit of the former DIP Agent and its sub-agents and the former DIP Agent shall not by reason of such resignation be deemed to be released from liability for any actions taken or not taken by it while it was the DIP Agent under this Agreement. The fees paid by Borrower to any successor DIP Agent shall be the same as those payable to its predecessor unless otherwise agreed between Borrower and such successor DIP Agent.

## Situation Overview

---

- **Appalachian producer of high-quality Metallurgical and Thermal Coal.** Xinergy Ltd. (“Xinergy” or the “Company”) is a nonunion Central Appalachian producer of high quality (high-BTU and low Sulfur) metallurgical and thermal coal. The Company controls 60 - 70 million proven & probable tons with a high permitted position, and an estimated 40 million additional tons of similar high quality coal not yet reflected in a reserves report.
- **Two Active Properties.** The Company has five mining properties, two of which are currently active:
  - South Fork, which sells mid-volatile metallurgical coal to steel producers, commodities brokers, and industrial customers throughout North America, Europe, and South America; and
  - Raven Crest, which sells thermal coal to utilities and industrial companies in the Eastern US and Europe
- **Tough Coal Environment.** Xinergy was founded in 2008 and operated profitably for four years. With the precipitous decline in the coal markets beginning in 2012, Xinergy made significant cost cuts and sold or idled assets, thereby establishing a low cost position and returning to EBITDA-positive operation as of mid-2Q14. At the same time, Xinergy invested in operations and reserves, enabling a continuing ramp in production and growing profitability even in the current coal pricing environment.
- **Strong Cost Structure, Wrong Balance Sheet.** Xinergy believes that it has now achieved a strong production cost position and is poised for a potential recovery in the coal markets. However, for near term liquidity reasons, the Company may be forced to seek interim protection under Chapter 11 bankruptcy.

Certain assets are excluded.

## Company History

- Xinergy was founded in 2008 and listed on the TSX in Dec 2009.
- Xinergy **operated profitably for four years** (2008-2011) with EBITDA as high as \$30 million in 2011.
- Xinergy acquired several properties in 2010-2011 (and sold a few as well).
- Xinergy levered up in 2011 to fund development capex, with a \$200 million HY offering.
- Starting in 2012, **the coal markets fell apart**. Xinergy saw 10 consecutive quarters of negative EBITDA.
- Starting in mid-2Q14, Xinergy has been narrowing EBITDA losses, until mid-1Q15 when thermal prices plummeted and weather significantly reduced trucked coal out of South Fork
- Today, Xinergy operates two mining complexes in West Virginia:
  - specialty metallurgical (South Fork)
  - high-quality thermal (Raven Crest)

## 25 Week Forecast

---

- The 25-Week forecast reflects the following assumptions:
  - \$2 million capex outlay in April / May will be sufficient to increase equipment utilization at South Fork, resulting in lower cash costs
  - 18,000 tons per month additional South Fork sales
    - 9,000 tons per month to a U.S. industrial customer at \$98/ton FOB South Fork
    - 9,000 tons per month to a U.S. specialty customer with terms similar to a current contracted specialty customer with pricing of \$145/ton
  - High wall mining contractor will be in place and operating at South Fork at production levels that result in overall reduction in cash costs at South Fork
  - No disruptions in anticipated shipping schedules with CSX
  - Current specialty contract customer taking contracted tons per month
  - No disruption regarding critical vendors on a go forward basis
  - No further reductions in spot market pricing
  - Xinergy is able to retain key employees

## Coal Prices (Update)

---

### 2015 to Date

- CAPP thermal pricing has continued to deteriorate (10-15% in the past 8-12 weeks)
- Regional weather (snowstorms) have severely impeded truck-based shipments for Xinerger, which is the method of delivery for one of its more lucrative offtake arrangements.
- On January 19, 2015, Xinerger's specialty metallurgical competitor, Corsa Coal, announced it eliminated 25% of its NAPP workforce, and idled two metallurgical mines, due to market weakness in global metallurgical coals.
- On January 30, 2015, Xinerger's metallurgical and thermal competitor, Alpha Natural Resources, announced it was idling three surface mines in Central Appalachia, and reducing its workforce at two additional surface mines.

### Xinerger's Market Position

- Management understands from its offtake partners that South Fork single-source mid-vol is getting at least a \$6 premium over other producers' mid-vol blends
- The launch of the high wall miner at South Fork in 2015 will be an important event, as it should save roughly \$5 - \$10 per ton on costs (that amount will vary with the mine plan, due to recovery and high wall mining mix)
- Repaired credit and counterparty perception is crucial to enabling Xinerger to get additional contracts - particularly from parties who pay a premium for certain coal qualities that South Fork can fulfill
  - Management believes, via conversations with sales agents, that it was poised to win RFPs on at least two entities, but was not approved in final committee process.
