Debtor.

Chapter 11

Case No. 13-11025 (BLS)

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY AND  
DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS**

Yarway Corporation, the debtor and debtor in possession in the above-captioned chapter 11 case (the "Debtor"), is filing its Schedules of Assets and Liabilities (collectively, the "Schedules") and Statements of Financial Affairs (collectively, the "Statements" and, together with the Schedules, the "Schedules and Statements") in the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court"). The Debtor, with the assistance of its advisors, prepared the Schedules and Statements in accordance with section 521 of title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (the "Bankruptcy Code") and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules").

These Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding Debtor's Schedules and Statements (the "Global Notes") are incorporated by reference in, and comprise an integral part of, the Schedules and Statements and should be referred to and reviewed in connection with any review of the Schedules and Statements.

The Schedules and Statements have been prepared based on information provided by the Debtor's management and are unaudited and subject to potential adjustment. In preparing the Schedules and Statements, the Debtor and its advisors relied on data derived from the Debtor's books and records that were available at the time of preparation. While the Debtor has made a reasonable effort to ensure that the Schedules and Statements are accurate and complete based on information known to them at the time of preparation after reasonable inquiries, inadvertent errors, omissions or inaccuracies may exist and/or the subsequent receipt of information may result in material changes in financial and other data contained in the Schedules and Statements that may warrant amendment of the same. Moreover, because the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment, there is no assurance that these Schedules and Statements are complete or accurate. The Debtor reserves the right to amend or supplement its Schedules and Statements from time to time as may be necessary or appropriate.

**1. Reservation of Rights.** Nothing contained in the Schedules or Statements or these Global Notes shall constitute a waiver of the Debtor's rights or an admission with respect

---

<sup>1</sup> The last four digits of the Debtor's taxpayer identification number are 8165. The Debtor's address is 1501 Yamato Road, Boca Raton, FL 33431.

to any aspect of its chapter 11 case including, but not limited to, any issues involving objections to claims, equitable subordination, defenses, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable laws to recover assets or avoid transfers.

**2. Description of the Case and “As Of” Information Date.** On April 22, 2013 (the “Petition Date”), the Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtor is currently operating its business and managing its property as a debtor-in-possession under sections 1107 and 1108 of the Bankruptcy Code. Except as otherwise noted, all information is as of the Petition Date.

**3. Basis of Presentation.** For financial reporting purposes, prior to the Petition Date, the Debtor’s parent company prepared consolidated financial statements that were audited annually. These Schedules and Statements are unaudited and reflect the Debtor’s best efforts to report the assets and liabilities of the Debtor on an unconsolidated basis. These Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles (“GAAP”) nor are they intended to fully reconcile to any financial statements otherwise prepared and/or distributed by the Debtor or its parent company.

**4. Claim Descriptions and Classifications.** The Debtor reserves its right to amend the Schedules and Statements in all respects at any time as may be necessary or appropriate, including, without limitation, to dispute or to assert offsets or defenses to any claim reflected on the Schedules and Statements, to modify the amount or classification of any claim, or to otherwise subsequently designate any claim as “disputed,” “contingent,” or “unliquidated.” Any failure to designate a claim as “contingent,” “unliquidated,” or “disputed” does not constitute an admission by the Debtor that such claim is not “contingent,” “unliquidated,” or “disputed.” Listing a claim in Schedule E as a “priority claim” does not constitute an admission by the Debtor of the legal rights of any claimant, or a waiver of the Debtor’s right to recharacterize or reclassify any such claim.

**5. Unknown Amounts.** Some of the scheduled liabilities are unknown or unliquidated at this time. In such cases, the amounts are listed as “Unliquidated.” Accordingly, the Schedules and Statements do not reflect the aggregate amount of the Debtor’s liabilities.

**6. Prepetition v. Postpetition.** The Debtor has sought to allocate liabilities between the prepetition and postpetition periods based on the information available and research conducted in conjunction with the preparation of these Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change.

**7. Insiders.** In the circumstances where the Schedules and Statements require information regarding insiders and/or officers and directors, included therein are the Debtor’s (a) directors (or persons in similar positions), (b) persons who are, or were during the relevant period, officers (or persons in control) and (c) affiliates. The listing of a party as an insider is not intended to be nor should it be construed as a legal characterization of such party as an insider or viewed as an admission of any fact, claim, right, or defense, and all such rights, claims, and

defenses are hereby expressly reserved. These parties have been included in this disclosure for informational purposes only and should not be deemed to be “insiders” for other purposes. Further, the Debtor does not take any position with respect to (a) such party’s influence over the control of the Debtor, (b) the management responsibilities or functions of such party, (c) the decision-making or corporate authority of such party, or (d) whether such party could successfully argue that it is not an “insider” under applicable law, including, without limitation, the federal securities law, or with respect to any theories of liability or for any other purpose.

**8. Cash Management System and Intercompany Claims.** Prior to the Petition Date, the Debtor was a member of its parent company’s centralized cash management system. As a result, in certain instances, payments to creditors were made on behalf of the Debtor by one or more affiliated entities, and corresponding intercompany payables were established against the Debtor. Prior to the Petition Date, and as part of the cash management system, intercompany obligations owing by and to the Debtor were netted on a regular basis. In the Schedules and Statements, the Debtor has made reasonable efforts to identify the intercompany payments that occurred within the relevant period. The Debtor reserves all rights to amend the Schedules and Statements with respect to any information respecting such payments or intercompany accruals.

**9. Pending Lawsuits Against Yarway.** The list of all lawsuits to which the Debtor is or was a party within one year immediately preceding the Petition Date, as provided in the Statements, was compiled with the information that was readily available to the Debtor at the time of preparation. As such, comprehensive information regarding each lawsuit may not be provided in every case, but further information can be made available upon request.

**10. Tax Consolidation Group.** The Debtor is a member of a tax consolidation group, and such group does not allocate tax liabilities or assets on an entity by entity basis.

**11. Summary of Significant Reporting Policies and Practices.** The following conventions were adopted by the Debtor in preparation of the Schedules and Statements:

- (a) Fair Market Value; Book Value. The value of the Debtor’s interest in its subsidiary, as reported in Schedule B, is reported as the fair market value based on a valuation conducted near the time of the Petition Date. With that exception, and unless otherwise noted therein, the Schedules and Statements reflect the net book values or carrying value of the assets and liabilities as listed in the Debtor’s books and records.
- (b) Setoff/Recoupment Rights. The Debtor has not included on Schedule D claims that may be secured through setoff rights or inchoate statutory lien rights. Such claims have been listed on Schedule F.
- (c) Schedule B. Despite its reasonable efforts to identify all known assets, the Debtor may not have listed all of its causes of action or potential causes of action against third parties as assets in the Schedules and Statements, including, but not limited to, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions to recover assets under other relevant non-bankruptcy laws. The Debtor reserves all rights with respect to any claims, causes of action, or avoidance actions that it

may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claims, causes of action, or avoidance actions or in any way prejudice or impair the assertion of such claims.

- (d) Unsecured Priority Claims. All claims listed on the Debtor's Schedule E are potential claims that may be owed to various taxing authorities to which the Debtor's may potentially be liable. However, certain of such claims may be subject to on-going audits and the Debtor is otherwise not able to determine with certainty the amount of many, if not all, of the potential claims listed on Schedule E. Therefore, the Debtor has listed all such claims as unknown in amount, pending final resolution of on-going audits or other outstanding issues.
- (e) Unsecured Nonpriority Claims. The claims listed in Schedule F are based on the Debtor's books and records as of the Petition Date. The claims listed in Schedule F arose or were incurred on various dates prior to the Petition Date. In certain instances, the date on which a claim arose is an open issue of fact. While commercially reasonable efforts have been made, determining the date upon which each claim in Schedule F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtor does not list a date of incurrence for each claim listed in Schedule F.

Neither the Debtor nor its advisors guarantee or warrant the accuracy, the completeness or correctness of the data that is provided in the Schedules and Statements, and neither is liable for any loss or injury arising out of or caused in whole or in part by acts, errors or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information. While every effort has been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtor and its agents and attorneys expressly do not undertake any obligation to update, modify, revise or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised or re-categorized. In no event shall the Debtor its agent and attorneys be liable to any third party for any direct, indirect, incidental, consequential or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtor or damages to business reputation, lost business or lost profits), whether foreseeable or not and however caused, even if the Debtor or its agents and attorneys are advised of the possibility of such damages.

**SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS**

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors.

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report total of all claims listed in this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules.

Check this box if debtor has no creditors holding unsecured claims to report on this Schedule F.
