GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY AND DISCLAIMER REGARDING DEBTORS' SCHEDULES AND STATEMENTS

Young Broadcasting Inc. and certain of its direct and indirect subsidiaries, the debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, "Company" or "Debtors"), hereby submit their Schedules of Assets and Liabilities and Statements of Financial Affairs (each, a "Schedule" or "Statement," as applicable, and, collectively, the "Schedules and Statements") in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court") pursuant to section 521 of title 11 of the United States Code (the "Bankruptcy Code") and rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules").

NOTES PERTAINING TO ALL DEBTORS

The Schedules and Statements were prepared by the Debtors' management and are unaudited. They remain subject to further review and verification. Subsequent information may result in material changes to the Schedules and Statements, and because the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment, there can be no assurance that these Schedules and Statements are accurate or complete. The Debtors reserve their rights to amend the Schedules and Statements from time to time as may be necessary or appropriate, including the right to dispute or otherwise assert offsets or defenses to any claim reflected on the Schedules and Statements as to amount, liability or classification, or to otherwise subsequently designate any claim as "disputed," "contingent" or "unliquidated." Furthermore, nothing contained in the

The Debtors in these cases are Young Broadcasting Inc.; Young Broadcasting of Lansing, Inc.; Young Broadcasting of Louisiana, Inc.; Young Broadcasting of Nashville, LLC; Young Broadcasting of Albany, Inc.; Young Broadcasting of Richmond, Inc.; Young Broadcasting of Knoxville, Inc.; Young Broadcasting of Green Bay, Inc.; Young Broadcasting of Davenport, Inc.; Young Broadcasting of Sioux Falls, Inc.; Young Broadcasting of Rapid City, Inc.; Young Broadcasting of San Francisco, Inc.; Young Broadcasting of Nashville, Inc.; Young Broadcasting of Los Angeles, Inc.; Young Broadcasting Shared Services, Inc.; Adam Young Inc.; WKRN, G.P.; WATE, G.P.; KLFY, L.P.; YBT, Inc.; YBK, Inc.; LAT, Inc.; Winnebago Television Corporation; Fidelity Television, Inc.; and Honey Bucket Films, Inc.

Schedules and Statements shall constitute a waiver of rights with respect to these Chapter 11 cases and specifically with respect to any issues involving substantive consolidation, equitable subordination or causes of action arising under the provisions of Chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers. These Global Notes and Statement of Limitations, Methodology and Disclaimer Regarding Debtors' Schedules and Statements (the "Global Notes") are incorporated by reference in, and comprise an integral part of, each and every one of the Schedules and Statements, and should be referred to and considered in connection with any review of each Schedule and Statement.

The Debtors have made every effort to allocate liabilities between the pre-petition and post-petition periods based on the information available and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and post-petition periods may change.

- 1. <u>Description of the Cases and as of Information Date.</u> On February 13, 2009, (the "<u>Petition Date</u>"), each of the Debtors filed a voluntary petition with the Bankruptcy Court for reorganization under Chapter 11 of the Bankruptcy Code. The cases are being jointly administered under case number 09-10645 (AJG). The Debtors are currently operating their businesses as debtors-in-possession pursuant to Sections 1107(a) and 1108 of the Bankruptcy Code. Each Debtor's fiscal year ends on December 31 of each year. All asset and liability information, except where otherwise noted, is as of February 13, 2009.
- 2. <u>Basis of Presentation.</u> For financial reporting purposes, the Debtors prepare and file audited consolidated financial statements with the Securities and Exchange Commission annually. These Schedules and Statements are prepared on an unaudited, unconsolidated basis, reflecting the separate assets and liabilities of each individual Debtor. These Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles.
- 3. <u>Summary of Significant Reporting Policies.</u> The Debtors use a consolidated cash management system through which the Debtors collect substantially all receipts and pay liabilities and expenses. Cash receipts and disbursements are recorded on the books and records of each Debtor and inter-company journal entries are utilized to record transactions affecting revenues, expenses, assets and liabilities between Debtors.
- 4. <u>Foreign Currency.</u> The Debtors have no foreign currency transactions. Therefore, all amounts are reflected in U.S. dollars.
- 5. <u>Inter-company Receivables/Payables.</u> Inter-company balances have been set forth in the Schedules and Statements to the best of the Debtors' knowledge, information and belief at the value as set forth on the Debtors' books and records as of February 13, 2009.

In response to Statement Question 3.b, the Debtors have included certain inter-company transfers occurring in the 90 days prior to the Petition Date. As the Debtors maintain a centralized cash management system, those transfers are primarily memorialized in book or

accounting entries. The Bankruptcy Court has approved the Debtors' use of their cash management system with slight modifications. Accordingly, the Debtors have omitted from their response to Statement Question 3.b daily cash sweeps to centralized accounts, held in the name of, or on behalf of, Young Broadcasting Inc.

- 6. <u>Book Value.</u> The Debtors do not have appraisals or valuations dated within one year of the date of these Schedules and Statement for the properties, interests or entities detailed therein. Accordingly, unless otherwise noted, assets and liabilities of each Debtor are reported at the value as set forth on the Debtors' books and records, as of the Debtors' latest assessment ("<u>Book Value</u>"). Thus, unless otherwise noted, the Schedules and Statements reflect Book Value, and may not be based upon any estimate of their current market value. By reporting the Book Value of assets, the Debtors make no representation of the value ultimately realizable or the collectibility of receivables and similar assets.
- 7. <u>Estimates.</u> To close the books and records of the Debtors as of the Petition Date, the Debtors' management was required to make estimates, allocations or assumptions that affect the amounts of assets and liabilities as of February 13, 2009 and reported revenue and expenses for the period ending February 13, 2009.
- 8. <u>Inventories.</u> Inventories are listed at Book Value. Inventories and equipment are presented without consideration of any statutory, contractual, or consensual liens. Given the nature of the Debtors' businesses, they may occasionally possess goods or products that can be expansively described as inventory. However, the Debtors generally do not keep inventory on a continuous basis.
- 9. <u>Property and Equipment.</u> The Debtors own real property and equipment including, but not limited to plants, equipment, real estate, towers and buildings, and transmitters and broadcast equipment. Due to the lack of current valuations, such property and equipment has been scheduled at its Book Value.
- 10. Stocks and Interests in Incorporated and Unincorporated Businesses. Certain Debtors have ownership interests in other Debtors and certain non-Debtor entities as detailed herein. The Debtors do not have current valuations dated within one year of the date of these Schedules and Statements for the detailed stocks and interests. Accordingly, due to the lack of current valuations, the Debtors have reported the "Current Value of Debtor's Interest in Property, Without Deducting any Secured Claim or Exemption" as "Unknown."
- 11. <u>Leases.</u> The Debtors have not included in the Schedules and Statements any future obligations on any leases. To the extent that there was an amount due as of the Petition Date, the creditor has been included in Schedule F. Unless otherwise stated, all lease agreements have been included in Schedule G.
- 12. Recoveries and Causes of Action. The Debtors Schedules and Statements may not include a complete list of causes of action they possess as of the Petition Date, or at any point thereafter. Regardless of the recoveries and causes of action listed, the Debtors reserve all of their rights with respect to assert any and all causes of action they may possess, including, but not limited to, avoidance actions, and neither these Global Notes nor the

Schedules and Statements shall be deemed a waiver or limitation of any of the Debtors' rights to pursue any such causes of action or recovery.

13. <u>Taxes.</u> The Debtors are required to file tax returns and various other tax-related forms with many taxing authorities. These filings commonly result in either tax refunds or additional tax-related liabilities. There are no known tax refunds as of the filing date of these Schedules and Statements; thus, a listing of all taxing authorities has not been included in Schedule B18.

Schedule E includes claims to various taxing authorities to which the Debtors may potentially be liable. However, certain of such claims may be subject to ongoing audits, and the Debtors are otherwise unable to determine with certainty the amount of some, if not all, of the claims listed on Schedule E. Therefore, the Debtors have listed all such claims as unliquidated, pending final resolution and liquidation of such claims, including for ongoing audits or other outstanding issues. The Debtors reserve their right to assert that any claim listed on Schedule E does not constitute an unsecured priority claim under the Bankruptcy Code.

- Schedule D. Except as otherwise agreed pursuant to a stipulation, agreed order, or general order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtor. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization or structure of any such transaction, or any document or instrument (including, without limitation, any inter-company agreement) related to such creditor's claim. In certain instances, one Debtor may be a co-obligor, co-mortgagor or guarantor with respect to scheduled claims of the other Debtor, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by another entity. The descriptions provided in Schedule D are intended only to be a summary, do not constitute an admission and are not dispositive for any purpose. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any lien. Nothing in the Global Notes or the Schedules and Statements shall be deemed to be an admission, modification, or interpretation of or relating to such agreements.
- 15. <u>Schedule F.</u> Amounts listed in Schedule F are based on invoices or are otherwise general estimates of liabilities and do not represent specific claims as of the Petition Date. Schedule F does not include certain deferred charges, deferred liabilities, or general reserves.

Schedule F includes inter-company balances, which balances are reported based upon amounts reflected in the Debtors' books and records.

Schedule F contains information regarding potential, pending, or closed litigation involving the Debtors upon commercially reasonable due diligence and investigations conducted by the Company.

16. <u>Schedule G.</u> The businesses of the Debtors are complex. While commercially reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions, or over-inclusions may have occurred. In compiling Schedule G, the Debtors categorized contracts by the type for ease of reference only and do not intend such categorization to denote any significance.

The Debtors have attempted to provide complete lists of all agreements that might be considered to be executory contracts. Debtors are continuing to review their records and will supplement their Schedules and Statements if additional agreement that may constitute executory contracts are identified. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G, or to amend or supplement such Schedule as necessary. The contracts, agreements and leases listed on Schedule G may not have taken effect or be binding on any party and may have expired, or been terminated, modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, or other documents, instruments, or agreements which may not be listed therein.

Certain of the real property leases and contracts listed on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G.

Certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings. The presence of these agreements or any other agreements on Schedule G does not constitute an admission that any such agreement is an executory contract or unexpired lease.

The Debtors reserve all of their rights, claims and causes of action with respect to the contracts and agreements listed on the Schedule, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument. Certain executory agreements may not have been memorialized in writing and could be subject to dispute. Generally, executory agreements that are oral in nature have not been included in the Schedule. Schedule G generally does not include stand-alone equipment purchase orders. Schedule G does not include agreements that the Debtors have entered into with certain of their advisors. Additionally, Schedule G does not include pricing arrangements that the Debtors have with certain advertisers. Finally, the Debtors may be parties to various other agreements concerning real property, such as easements, rights of way, subordination, non-disturbance, supplemental agreements, amendments/letter agreements, title documents, consents, site plans, maps and other miscellaneous agreements. Such agreements, if any, are not set forth in Schedule G.

The Debtors reserve any and all rights to assume, assign, or reject their executory contracts or unexpired leases and nothing in the Schedules and Statements shall in any way be deemed an admission or election to do so, or waive or limit the Debtors' rights to do so.

17. <u>Schedule H: Co-Debtors.</u> In the ordinary course of their businesses, the Debtors are involved in pending or threatened litigation and claims arising out of the conduct of their

businesses. These matters may involve multiple plaintiffs and defendants, some or all of which may assert cross-claims and counter-claims against other parties. Because such claims are listed elsewhere in the Schedules and Statements, they have not been set forth individually on Schedule H.

Schedule H also reflects guarantees by the Debtors. The Debtors may not have identified certain guarantees that are embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments or other such agreements. Further, certain of the guarantees reflected on Schedule H may have expired or may no longer be enforceable. Thus, the Debtors reserve their right to amend the Schedules to the extent that additional guarantees are identified or such guarantees are discovered to have expired or to be unenforceable.

18. <u>Umbrella Agreements.</u> A number of contracts listed in the Schedules and Statements may be umbrella agreements that cover all of the Debtors. Such agreements have been listed in the Schedules and Statements of the Debtor that was the main signatory to the agreement, although another Debtor may be obligated under the agreement.

The Debtors reserve their rights to assert that each Debtor has separate agreements even where an alleged umbrella agreement may exist and nothing in the Schedules and Statements shall in any way be deemed an admission, or waive or limit the Debtors' rights to do so.

19. <u>Employee Claims.</u> The Debtors employed approximately 963 full-time employees and approximately 131 part-time employees as of the Petition Date. The Bankruptcy Court entered first day orders granting the authority to the Debtors to pay pre-petition employee wages, salaries, severance, benefits or other obligations in the ordinary course of their businesses. Accordingly, the Schedules and Statements do not include claims that the Debtors have paid or resolved pursuant to such first day orders. In addition, the Debtors may take certain actions that lead to employee-related claims. Such potential claims are not included in the Schedules and Statements. Furthermore, the Debtors have omitted from their response to Statement Question 3.b. the thousands of payments made to employees within 90 days of the Petition Date.

Included in the benefits and obligations that the Debtors have authority to pay are workers' compensation claims. The Debtors provide workers' compensation coverage to its employees primarily through third-party insurance programs. Additionally, the Debtors pay a third party to administer the claims. As of the Petition Date, there are numerous claims filed by employees that will be processed in the ordinary course and that have not been included in the Schedules and Statements. In addition, the Schedules and Statements do not include administrative or other proceedings to determine coverage under workers' compensation programs.

Prior to the Petition Date, the Debtors maintained executive supplemental deferred compensation plans for the benefit of approximately seven key employees (the "<u>Deferred Compensation Plans</u>"). The Debtors terminated the Deferred Compensation Plans prior to the Petition Date, and, on account of the manner in which the Deferred Compensation Plans were terminated, no benefits pursuant to the Deferred Compensation Plans will be paid. The current

value of the claims, if any, related to the Deferred Compensation Plans is unknown to the Debtors at this time. Any claims arising out of the pre-petition termination of the Deferred Compensation Plans shall be addressed in the claims reconciliation process.

- 20. <u>Customer Obligations.</u> Customer-related programs primarily consist of advertiser pre-payment programs at the Debtors' television stations through which advertisers can pre-pay for their advertising time on the Debtors' television stations to lock in a favorable advertising price. The Bankruptcy Court entered orders granting the authority, but not the obligation, to the Debtors to perform pursuant to, continue, renew, or replace customer-related programs. Accordingly, most customer liabilities as of the Petition Date have been excluded from Schedule F.
- 21. <u>Claims Paid Pursuant to Court Orders.</u> Certain of the Debtors' Schedules and Statements list creditors and set forth the Debtors' estimate of the claims of creditors as of the Petition Date. The Bankruptcy Court has authorized but not obligated the Debtors to pay various pre-petition claims, including claims of certain customers and/or employees. Accordingly, the actual unpaid claims of creditors that may be allowed in these cases may differ from the amounts set forth in the Schedules and Statements.
- 22. <u>Insiders.</u> All insiders of Young Broadcasting Inc. have been listed in the response to Statement Question 3.c, but the Debtors have not listed current executives at the subsidiary level who may have been insiders during the one year preceding the Petition Date. In addition, inter-company balances as of February 13, 2009 have been listed. The Debtors have not listed stock options in the Schedules and Statements; these options have not been exercised and no shares have been issued against any such stock options.
- 23. <u>Payments Related To Debt Counseling or Bankruptcy.</u> These payments were made by Young Broadcasting Inc. on behalf of all Debtors as the services these professionals provided and continue to provide are for the benefit of all Debtors. Therefore, these payments are listed only on the Statement of Young Broadcasting Inc., which is incorporated by reference in the Statements of the remaining Debtors.
- 24. <u>Excluded Assets and Liabilities.</u> The Debtors have excluded certain categories of assets and liabilities from the Statements and Schedules, including accrued salaries, employee benefit accruals and deferred gains. Other *de minimis* or otherwise immaterial assets and liabilities may also have been excluded.
- 25. <u>Litigation</u>. The Debtors have made commercially reasonable efforts to record litigation and regulatory actions in the Schedules and Statements of the Debtor that is party to the action. The Debtors have excluded details relating to certain claims for which litigation has not yet been commenced.
- 26. <u>Disputed, Contingent and/or Unliquidated Claims.</u> Schedules D, E and F, for example, permit each of the Debtors to designate a claim as disputed, contingent and/or unliquidated. A failure to designate a claim on any Schedule as disputed, contingent and/or unliquidated does not constitute an admission that such claim is not disputed, contingent and/or unliquidated, or is not subject to objection. The Debtors reserve the right to dispute, or assert

offsets or defenses to, any or all claims reflected on these Schedules as to validity, extent, nature, or liability.

- 27. <u>Benefits Plans.</u> Administrators of benefits plans have been listed on Schedule G.
- 28. <u>Setoffs.</u> The Debtors routinely incur setoffs in the ordinary course of business. These setoffs are consistent with the ordinary course of business in the Debtors' industry. Therefore, such ordinary course setoffs are excluded from the Debtors' response to Statement Question 13.
- 29. <u>De Minimis Amounts of Property Held for Another.</u> In the ordinary course of their businesses, the Debtors routinely have possession of *de minimis* amounts of property belonging to others, including certain of their employees or agents for limited periods of time. Such de minimis amounts are not included in the Schedules and Statements.
- 30. <u>Gifts.</u> Those gifts listed on Statement Question 7 do not include items such as station-sponsored giveaways, contests and similar programs.

SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Check this box if debtor has no creditors holding unsecured nonpriority claims to report on this Schedule F.
