INTRODUCTION

All-Star Medical, Inc., as Debtor-in-Possession ("Debtor"), filed a voluntary petition under Chapter 11 of Title 11, United States Code ("Bankruptcy Code" or "Code"), on August 24, 2017 in the United States Bankruptcy Court for the Northern District of Alabama, Northern Division ("Bankruptcy Court" or "Court").

Debtor submits this Disclosure Statement dated December 29, 2017 ("Disclosure Statement"), in connection with its Chapter 11 Plan of Reorganization dated December 29, 2017, ("Plan") as required by 11 U.S.C. § 1121. The definitions in the Plan are incorporated by reference. Except where otherwise indicated herein or as defined in the Plan, the terms in this Disclosure Statement have been used as defined in the Bankruptcy Code. The Plan has been filed in the Bankruptcy Court contemporaneously with this Disclosure Statement.

Debtor provides this Disclosure Statement to all of its known creditors and parties in interest to disclose information to be determined by the Bankruptcy Court as adequate for said creditors and parties in interest to reach a reasonably informed decision in connection with the Plan.

The Disclosure Statement describes the circumstances giving rise to filing this petition, summarizes the anticipated future of the Debtor, provides a liquidation analysis and summarizes the Plan. Great effort has been made to describe material matters fully and completely; however, no warranties can be made. Creditors and Interest Holders are urged to read the Plan carefully and are further urged to consult with their counsel in order to fully understand the Plan. The Plan is a legally binding document and is based on complex legal and financial considerations.

Section 1125 of Chapter 11 of the Bankruptcy Code (11 U.S.C. § 101 *et. seq.*) requires that the Debtor, as a condition precedent to solicitation of acceptance of its Plan of Reorganization, submit a written Disclosure Statement. The purpose of this document is to set forth sufficient

detail to allow each holder of a claim or interest of a particular Class to make an informed judgment about acceptance of the Plan. Prior to soliciting votes of acceptance from Creditors, the Court must have approved the Disclosure Statement.

EXPLANATION OF CHAPTER 11

Chapter 11 is the principal reorganization chapter of the Bankruptcy Code. Under Chapter 11, a debtor attempts to reorganize this business for the benefit of its creditors and its interest

holders pursuant to a plan of reorganization. The Debtor's bankruptcy case was commenced on or about August 24, 2017 ("Petition Date") as a voluntary Chapter 11 bankruptcy case.

Section 362 of the Bankruptcy Code provides for an automatic stay of all attempts to collect claims that arose prior to the Petition Date, or otherwise to interfere with the Debtor's property or business.

Confirmation of a Chapter 11 plan of reorganization requires either that all classes of claims and interests (entitled to vote) accept the plan or that the plan be accepted by the holders of at least one impaired class of claims (not held by "insiders" within the meaning of the Bankruptcy Code) to satisfy the requirements of § 1129(b) of the Bankruptcy Code. A plan of reorganization must also be in the best interests of creditors and interest holders, which essentially means that the cash or other property to be distributed to creditors and interest holders may not be less than they would receive if all of the Debtor's assets were liquidated under Chapter 7 of the Bankruptcy Code.

Acceptance by a class requires that more than one-half in number and at least two-thirds in amount of the total allowed claims who vote in that class vote in favor of the plan. So long as one class of non-insider impaired claims or interests accepts a plan, it need not be accepted by all classes. The Bankruptcy Court may confirm a plan pursuant to its "cramdown" powers under § 1129(b) of the Bankruptcy Code, if it does not discriminate unfairly and is fair and equitable with respect to each impaired, dissenting class.

As is more fully described below, most creditors are impaired and a cramdown may be necessary to confirm the Plan over the objection of any dissenting class. The Plan Proponent believes that the Administrative and Priority Classes of Creditors are unimpaired under the Plan. The claims of creditors in classes 2 through 3 are impaired. Section 1119(f) provides that a class that is not impaired under the Plan, and each holder of a claim or interest of such class, is conclusively presumed to have accepted the Plan. Solicitation of acceptances with respect to members of such Classes is not required.

Under Section 1121(e) of the Bankruptcy Code, only the Debtor may file a plan of reorganization before the expiration of 120 days from the date of the order for relief. If a plan has been filed, then the Debtor has 45 days from the filing of the plan to have it confirmed under the time provisions are extended under § 1121(e)(3). The exclusivity provisions of 11 U.S.C § 1121 have not expired in this case.

PROCEDURE FOR FILING PROOFS OF CLAIMS AND APPLICATIONS FOR ADMINISTRATIVE EXPENSES

The Bankruptcy Court established December 1, 2017, as the bar date for filing all Proof of Claims including governmental units. The Plan provides that Claims will be recognized only if evidenced by a timely filed Proof of Claim. A Proof of Claim is deemed "allowed" if it appears in the Debtor's schedules filed with the Bankruptcy Court and is not listed as disputed, contingent

or unliquidated or is not disputed as part of the Plan or objected to by the Debtor pursuant to Rule 3007 of the Federal Bankruptcy Rules or is otherwise allowed by the Bankruptcy Court. The Debtor's schedules may be reviewed during regular business hours in the Office of the Clerk, United States Bankruptcy Court, Decatur, Alabama or in the office of Heard, Ary & Dauro, LLC, 303 Williams Avenue, Suite 921 Huntsville, AL 35801, (256) 535-0817.

VOTING PROVISIONS

Creditors holding Allowed Claims are entitled to vote to accept or reject Debtor's Plan. THE COURT WILL FIX A DATE BY WHICH ALL BALLOTS CONCERNING THE PROPOSED PLAN MUST BE FILED WITH THE COURT. ALL BALLOTS MUST BE RECEIVED BY SAID DATE BY THE COURT WITH COPIES TO THE OFFICES OF HEARD, ARY & DAURO, LLC, COUNSEL FOR DEBTOR, at 303 Williams Avenue, Suite 921, Huntsville, Alabama 35801. No ballots received by the Court after that date will be counted in determining whether the Plan should be confirmed. Even though a creditor may not vote or may vote against the Plan, the creditor will be bound by the terms and treatment set forth in the Plan if the Plan is accepted by the requisite majorities in each Class of creditors and/or is confirmed by the Court.

Creditors who fail to vote will not be counted in determining acceptance or rejection of the Plan. Allowance of a Claim or interest for voting purposes does not necessarily mean that the Claim will be allowed or disallowed for purposes of distribution under the terms of the Plan. Any Claim to which an objection has been or will be made will be allowed only for distribution after determination by the Court. Such determination may be made after the Plan is confirmed.

In order for the Plan to be deemed accepted by a Class of creditors holding Unsecured Claims, creditors that hold at least two-thirds (2/3) of the total dollar amount and more than one-half (1/2) of the total number of Allowed Claims of creditors voting on the Plan must accept the Plan. Under certain limited circumstances more fully described in 11 U.S.C. § 1129 (b), the Court may confirm the Plan notwithstanding the rejection thereof by more than one-third (1/3) in amount or one-half (1/2) in number of the creditors voting on the Plan in any given Class. Debtor intends to seek confirmation under 11 U.S.C. § 1129(b) in the event any Class of creditors rejects the Plan.

CONFIRMATION OF THE PLAN

Under the Bankruptcy Code, the following steps must be taken to confirm the Plan:

1. Confirmation Hearing. Section 1128(a) of the Bankruptcy Code requires the Court, after notice, to hold a hearing on confirmation of the Plan ("Confirmation Hearing"). Section 1128(b) of the Bankruptcy Code provides that any party in interest may object to confirmation of the Plan, regardless of whether it is entitled to vote.

2. Objections to Confirmation. The Court is expected to direct that any objections to the

Plan are required to be made in writing in advance of the Confirmation Hearing. The hearing may be adjourned from time to time by the Court without further notice except for an announcement made at the hearing. While the Plan Proponents expect that any hearing to consider objections to the confirmation of the Plan will be held in conjunction with the Confirmation Hearing, there can be no assurance that such will be the case.

Objections to confirmation of the Plan are governed by Bankruptcy Rule 9014. **UNLESS AN OBJECTION TO CONFIRMATION IS TIMELY MADE, IT MAY NOT BE CONSIDERED BY THE BANKRUPTCY COURT.**

3. Requirements for Confirmation of the Plan. At the Confirmation Hearing, the Court will determine whether the requirements of § 1129 of the Bankruptcy Code have been satisfied, in which event the Court will enter an order confirming the Plan. These requirements include:

- (A) Feasibility of the Plan. In order for the Plan to be confirmed, the Court must determine that a further reorganization or subsequent liquidation of the Debtor is not likely to result following confirmation of the Plan. The Debtor believes that the Plan is feasible in that it pays money to satisfy existing Administrative, Priority and Unsecured Creditors.
- (B) Fair and Equitable Requirement. In order for the Plan to be confirmed, the Court must find that no junior Class will receive any distribution unless each senior Class consents or is paid in full or substantial property is contributed. The Plan Proponents believe that the Plan satisfies this requirement in as much as all Creditors will be paid the present value of their Claim.

HISTORY OF THE DEBTOR

In addition to Mr. Garmon, the Debtors other key employees are Missy Fields who is the general manager and receives an annual salary of \$125,000.

SUMMARY OF EVENTS LEADING TO BANKRUPTCY AND OTHER PRE-PETITION MATTERS

Much of the Debtor's problems can be traced to the dramatic decline in revenues as a result of the cuts in reimbursements from Medicare and other insurance companies. These cuts began in January 2016 and continued in January 2017. This decline in DME companies was industry wide and was not isolated to the Debtor. The changes to the revenue streams of the Debtor were significant with declines in revenue of between 40 and 50%. Faced with this unforeseen event, the Debtor filed for relief under Chapter 11 of the Bankruptcy Code on August 24, 2017 in an effort to protect its assets and to continue as a going concern.

DESCRIPTION OF AVAILABLE ASSETS AND "GOING CONCERN" AND "LIQUIDATION VALUES" AND EQUITY

Schedules A and B of the Debtor's bankruptcy schedules identify the Debtor's personal property. Schedule A shows that Debtor does not have an interest in real property. Schedule B identifies Debtor's personal property. These assets are described on Exhibit A, which contains a summary of each asset and its market and liquidation values. The values set forth on Exhibit A are based upon the Debtor's best judgment as well as several objective measures of value where available. Exhibit A indicates the theoretical equity in these properties were the Debtor to liquidate under Chapter 7 of the Bankruptcy Code. Liquidation values are again based upon the Debtor's best judgment.

ESTIMATES OF ADMINISTRATIVE EXPENSES AND CLAIMS ANALYSIS

The Debtor has incurred legal fees from Heard, Ary & Dauro, LLC in the approximate amount of \$11,357 as of November 30, 2017. These fees are for legal services provided to the Debtor in connection with this Chapter 11 proceeding.

The Debtor will continue to incur professional fees in this matter until such time as a final decree is entered in this case. The Debtor cannot currently calculate the total amount of professional fees it will incur in this matter with any degree of certainty that could reasonably be relied upon. All such fees, however, are subject to being approved by the Bankruptcy Court prior to payment.

Attached hereto is Exhibit B which is an analysis of: 1) the list of claims or claims register compiled by the Bankruptcy Court; and 2) the schedules showing unfiled claims. This exhibit also indicates whether a claim is allowed or disputed. Exhibit B shall control and take precedence over any variance between Exhibit B and the schedules as to whether a claim is allowed or disputed. The analysis found on Exhibit B is incorporated herein by reference.

SUMMARY OF FINANCIAL CONDITION AND FEASIBILITY

As indicated by Debtor's Schedules, at the time the Debtor filed its Petition the Debtor had assets of approximately \$1,379,605 and liabilities of \$2,174,841.55. The Debtor was insolvent at the time it filed this Petition.

As noted herein, the Debtor has filed its Operating Reports with the Court since it filed bankruptcy. These reports are incorporated herein by reference. In addition attached as Exhibit "C" is the Debtor's profit and loss statement for the period from commencing January through November 30, 2017. As shown on this Exhibit the Debtor had a total gross revenues of \$2,048,493.44. Its costs of sales were \$437,777 so that it had a gross profit of \$1,610,716. The total amount of expenses during this period were approximately \$1,474,371. Therefore, for the post petition period the Debtor had a positive net income of \$132,345. Thus, the Debtor's plan is feasible.

On August 24, 2017, the Debtor filed a voluntary petition, List of Creditors Holding 20 Largest Unsecured Claims and Corporate Ownership Statement, and Matrix under Chapter 11. The Debtor filed amended schedules, Statement of Financial Affairs, and an updated Matrix. The Court scheduled December 01, 2017 as the bar date for all claimants to file proofs of claim, including governmental units and/or agencies.

Post petition the Debtor negotiated the use of cash collateral with Progress Bank which is it single largest secured creditor. The Court approved the Debtor's Motion for Authority to Use Cash Colateral on September 13, 2017 [Doc. 29]. Since this date the Court has extended the Debtors use of cash collateral on two additional occasions. In conjunction with the use of cash

collateral the Debtor has also negotiated a adequate protection agreement with Progress Bank pursuant to which the Debtor is paying Progress the sum of \$5,000. The Court approved the Debtor's request to make these payment in its Order dated November 20, 2017 [Doc. 76].

Post Petition the Debtor also reached an agreement with Balboa Capital Corporation which holds a lien on certain durable medical equipment used by the Debtor in its business. EXECUTORY CONTRACTS AND LEASES

Pre-petition the Debtor was a party to a non-residential lease with Skinner Properties, pursuant to which it leased the property located in Cullman, AL. The Debtor is in the process of negotiating new leases for its locations in Albertville and Huntsville.

Debtor is not aware of any additional executory contracts or unexpired leases to which it is a party. To the extent such exists it is to be rejected upon confirmation. All parties to any executory contract or lease rejected shall have thirty (30) days from the Confirmation Date in which to file a claim for damages, if any, resulting from such rejection or such claims will be disallowed and will not be eligible to participate in distributions under this Plan.

MEANS OF EXECUTION OF PLAN

The Debtor, by continuing to operate its business, has increased the likelihood of the success of the Plan. Debtor will implement the terms of the Plan by making payments to creditors from Debtor's post-petition income. The Debtor's operating statements filed with this Court support the Debtor's ability to make the plan payments and therefore the plan is feasible. Debtor shall also execute such additional documents as are necessary to comply with the terms of the Plan.

Additionally the Debtor anticipates using the proceeds from its BP settlement to resolve the unsecured claim holders.

RETENTION, ENFORCEMENT, AND WAIVER OF CLAIMS

Notwithstanding the prior paragraph, no party in interest except the Debtor shall maintain or commence an action to recover a preference as defined in § 547(b) of the Code after Confirmation

FEDERAL INCOME TAX CONSEQUENCES

The tax consequences of the Plan to each party-in-interest will depend on the precise financial circumstances of that party. The Debtor makes no representation with respect to the effects of the taxation (State or Federal) on the creditors with respect to the treatment of their claims under the plan, and no such representations are authorized. Any tax information contained herein is for informational purposes only. Parties-in-interest are urged to seek the advice of their own professional advisors should they have any questions with respect to any taxation issues.

The precise tax consequences to the Debtor resulting from its having filed Chapter 11 are not yet known. This may include, for example, income from discharge of indebtedness. The treatment by the Debtor of all allowed pre-petition tax claims shall be as provided for in Class Two, described herein. All taxes generated post-petition shall be paid by the reorganized Debtor as part of its ordinary course of business. As previously noted, the Debtor is current on all post-petition tax payments.
