**GLOBAL NOTES AND STATEMENT OF LIMITATIONS,  
 METHODOLOGY, AND DISCLAIMER REGARDING SCHEDULES  
 OF ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL  
 AFFAIRS OF AMF BOWLING WORLDWIDE, INC. AND ITS AFFILIATED DEBTORS**

The Schedules of Assets and Liabilities (collectively, the “Schedules”) and the Statements of Financial Affairs (collectively, the “Statements” and, together with the Schedules,

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each debtor’s federal tax identification number include: AMF Bowling Worldwide, Inc. (3272); 300, Inc. (3632); American Recreation Centers, Inc. (1151); AMF BCH LLC (9642); AMF Beverage Company of Oregon, Inc. (4960); AMF Bowling Centers Holdings, Inc. (1697); AMF Bowling Centers, Inc. (1662); AMF Bowling Mexico Holding, Inc. (7931); AMF Holdings, Inc. (5037); AMF WBCH LLC (9643); AMF Worldwide Bowling Centers Holdings, Inc. (1641); Boliches AMF, Inc. (9631); Bush River Corporation (7033); King Louie Lenexa, Inc. (0814); Kingpin Holdings, LLC (5411); and Kingpin Intermediate Corp. (5447). The location of the Debtors’ service address is: 7313 Bell Creek Road, Mechanicsville, Virginia 23111.

the “Schedules and Statements”) filed by AMF Bowling Worldwide, Inc. (“WINC”) and its affiliated debtors in these jointly administered chapter 11 cases (collectively, the “Debtors”) in the United States Bankruptcy Court for the Eastern District of Virginia (the “Bankruptcy Court”) have been prepared pursuant to 11 U.S.C. § 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure by management of the Debtors with the assistance of their court-appointed advisors. The Schedules and Statements have been prepared by the Debtors’ management exercising best efforts to ensure accuracy and completeness by legal entity based on information that was available at the time of preparation. The Schedules and Statements are unaudited and were prepared with data as near as possible to November 12, 2012 (the “Petition Date”). These Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding the Debtors’ Schedules and Statements (the “Global Notes”) are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.

The Schedules and Statements have been signed by Stephen D. Satterwhite in his capacity as an officer and/or authorized signatory of each of the Debtors. In reviewing and signing the Schedules and Statements, Mr. Satterwhite has necessarily relied upon the efforts, statements, and representations of other personnel of the Debtors and the Debtors’ court-appointed advisors. Mr. Satterwhite has not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors and their addresses.

I. Amendment and Reservation of Rights.

(1) While the Debtors’ management has exercised best efforts to ensure that the Schedules and Statements are accurate and complete by legal entity based on information that was available at the time of preparation, inadvertent errors or omissions may exist. The Debtors reserve the right to amend the Schedules and Statements from time to time as may be necessary or appropriate.

(2) Without limiting anything else expressly reserved herein, the Debtors reserve the right to dispute, or to assert offset or defenses to, any claim reflected on the Schedules and/or Statements as to amount, liability, and/or classification. The Debtors also reserve all rights with respect to the values, amounts, and characterizations of the assets and liabilities listed in their Schedules and Statements.

II. Basis of Presentation. The Debtors filed these chapter 11 cases on November 12, 2012. For financial reporting purposes, the Debtors, along with their non-debtor affiliates and subsidiaries, prepare consolidated financial statements that are audited annually. Unlike the consolidated financial statements, these Schedules and Statements reflect the assets and liabilities of each separate Debtor, except where indicated otherwise. In addition, not all of the direct and indirect affiliates or subsidiaries are Debtors in these chapter 11 cases. Accordingly, combining the assets and liabilities set forth in the Schedules and Statements of the Debtors would result in amounts that would be substantially different from financial information regarding WINC and its affiliates and subsidiaries that would be prepared on a consolidated basis under Generally Accepted Accounting Principles (“GAAP”). Therefore, these Schedules and Statements do not

purport to represent financial statements prepared in accordance with GAAP nor are they intended to fully reconcile to the financial statements filed by the Debtors.

III. General Assumptions. The Debtors adopted the following conventions in the preparation of the Schedules and Statements

(1) Reporting Date. Unless otherwise indicated, all asset and liability information is listed as of the Petition Date.

(2) Unaudited. The books and records and the financial statements of the Debtors utilized to complete the information contained in the Schedules and Statements are unaudited.

(3) Book Value.

(a) Assets and liabilities of each Debtor are shown on the basis of the net book value of the asset or liability in the Debtor's accounting books and records, unless otherwise noted, rather than the current market values of such interests in property and/or liabilities. Certain other assets, such as investments in subsidiaries and partnerships, bankruptcy proofs of claim, advances, receivables related to litigation, intellectual property, and intangibles, are listed with undetermined amounts.

(b) Amounts shown for total liabilities exclude items identified as "unknown" or "undetermined" and, thus, ultimate liabilities may differ materially from those stated in the Schedules and Statements.

(c) Book values may not equate to their current market values.

(4) Consolidated Cash Management System. The Debtors utilize a consolidated cash management system and, as such, the obligations of various Debtors are paid by or through a limited number of Debtor bank accounts, notwithstanding that certain of those obligations may be obligations of other Debtors. Accordingly, pre-petition liabilities reported in the Schedules and pre-petition payments or distributions reported in the Statements have been reported based on the Debtor that maintains the bank account from which payments or distributions were made. The main disbursement accounts are held in the name of AMF Bowling Centers, Inc. and thus, the majority of disbursements are reported on AMF Bowling Centers, Inc.'s and AMF Bowling Worldwide, Inc.'s Statements.

(5) Currency. All amounts are reflected in U.S. dollars unless otherwise specified.

(6) Estimates. The books and records of the Debtors as of the Petition Date include estimates and assumptions made by management in the ordinary course that may affect the reported amounts of assets and liabilities.

(7) Causes of Action. Despite their reasonable efforts to identify all known

assets, the Debtors may not have set forth all of their causes of action or potential causes of action against third parties as assets in their Schedules and Statements. The Debtors reserve all of their rights with respect to any claims, causes of action, and avoidance actions they may have and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claim, causes of action, or avoidance action or in any way prejudice or impair the assertion of such claims.

(8) Property and Equipment – Leased. In the ordinary course of their business, the Debtors lease property and equipment from certain third-party lessors for use in their daily operation and otherwise hold property owned by third-parties pursuant to contracts with such parties. Any such leases or contracts are set forth in Schedule G based on the Debtors best efforts. The property subject to any of such leases or contracts is not reflected in either Schedule A or Schedule B as either owned property or assets of the Debtors nor is such property reflected in the Debtors' Statements as property or assets of third-parties within the control of the Debtors. Nothing in the Schedules or Statements is or shall be construed as an admission or determination as to the legal status of any lease (including, but not limited to, whether any lease is a true lease or a financing arrangement) or contract (including, but not limited to, whether the contract is, in fact, an executory contract), and the Debtors reserve all rights with respect to any of such issues.

(9) Inventory. In the ordinary course of business, the Debtors hold inventory owned by certain third-parties (e.g., vendors and customer). Such inventory is excluded from assets listed in the Schedules.

(10) Trade Accounts Receivable and Accounts Payable. Trade Accounts Receivable are presented as gross balances, but without consideration for any liabilities related to mutual counterparty accounts payable, open or terminated contract liabilities, liquidated damages, setoff rights, or collateral held by the Debtors, unless otherwise stated. Likewise, Accounts Payable are shown without consideration for accounts receivable, open or terminated contracts, liquidated damages, setoff rights, or collateral that has been posted on behalf of the counterparty.

(11) Fully Depreciated Assets. Fully depreciated assets have not been included in the Schedules of the Debtors.

(12) Claims Description. Any failure to designate a claim listed on the Debtors' Schedules as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtors that such amount is not "disputed," "contingent," or "unliquidated." The Debtors reserve the right to dispute, or to assert setoff rights, counterclaims, or defenses with respect to, any claim reflected on their Schedules as to amount, liability, or classification, or to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated."

(13) Court Orders. By separate orders entered by the Bankruptcy Court, the Debtors were authorized (but not directed) to pay, among other things, certain prepetition obligations of (i) customers, (ii) essential vendors, (iii) employees and employee benefits, and (iv) certain taxing authorities. Consequently, certain prepetition fixed, liquidated, and undisputed priority, secured, and general unsecured claims have been or may be paid under this

authority. To the extent possible, amounts are not listed in the Schedules and Statements if they have been paid, or have been listed as “contingent” or “unliquidated” based on the Debtors’ best efforts to the extent payment is pending.

(14) Intercompany. Before the Petition Date, the Debtors routinely engaged in intercompany transactions and/or payments were made to vendors on account of intercompany account balances, resulting in intercompany accounts payable and receivable. Outstanding receivables among the Debtors are scheduled on Schedule B(35) as net receivables and corresponding outstanding payables are listed on Schedule F as net payables. The listing of these amounts is and shall not be construed as an admission of the characterization of such balances (as debt, equity, or otherwise). Additionally, certain of these intercompany balances may be disputed, and any amounts listed shall not be considered an admission as to their validity.

(15) Excluded Assets and Liabilities. The Debtors have excluded certain categories of assets and liabilities from the Schedules and Statements (e.g., goodwill and general accounting reserves or book entries, including favorable leases). As noted above, certain liabilities expected to be paid pursuant to Bankruptcy Court orders (e.g., accrued salaries and employee benefit accruals) also were excluded from the Schedules and Statements. Additionally, other immaterial assets also may have been excluded.

(16) Addresses of Current Employees. To protect the privacy of the Debtors’ current employees, the Debtors have provided their business addresses in the Schedules and Statements, unless otherwise noted.

(17) Income, Assets, and Liabilities of Concession Companies. In general, the Debtors account for income, assets, and liabilities attributable to concession affiliates and subsidiaries (including Debtors and non-Debtors) on the books of American Bowling Centers, Inc., and accordingly such income, assets, and liabilities appear on the Schedules and Statements of American Bowling Centers, Inc.

(18) Recharacterization. Notwithstanding the Debtors’ reasonable best efforts to properly characterize, classify, categorize, or designate certain claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtors may nevertheless have improperly characterized, classified, categorized, designated, or omitted certain items. Accordingly, the Debtors reserve all of their rights to recharacterize, reclassify, recategorize, redesignate, add, or delete items reported in the Schedules and Statements at a later time as is necessary and appropriate, as additional information becomes available, including whether contracts listed herein were deemed executory as of the Petition Date and remain executory postpetition.

(19) Liabilities. The Debtors allocated liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change. Accordingly, the Debtors reserve all of their rights to amend, supplement, or otherwise modify the Schedules and Statements as is necessary and appropriate.

In addition, the liabilities listed on the Schedules do not reflect any analysis of claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtors reserve all of their rights to dispute or challenge the validity of any asserted claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to any creditor's claim.

(20) Insiders. For purposes of the Schedules, the Debtors, in consultation with their advisors, have engaged in an analysis of their senior management personnel to determine which of the Debtors' employees may be considered an "insider" as defined in section 101(31)(B) of the Bankruptcy Code. Regardless of an employee's title, the Debtors and their advisors considered (a) whether a particular employee sits on the Debtors' board of directors; (b) whether a particular employee is elected or appointed by the board of directors to manage daily operations (e.g., a CEO, president, secretary, or treasurer), or (c) for those employees not serving on or elected by the board of directors, whether a particular employee has a controlling interest in the Debtors or exercises sufficient authority of the Debtors so as to dictate corporate policy and the disposition of corporate assets. Based on this analysis, the Debtors, in consultation with their advisors, have determined which individuals would likely be considered "insiders" under the Bankruptcy Code, including, without limitation: (a) directors; (b) officers; (c) shareholders holding in excess of 5% of the voting shares of one of the Debtor entities (whether directly or indirectly); (d) relatives of directors, officers or shareholders of the Debtors (to the extent known by the Debtors); and (e) Debtor/non-Debtor affiliates. Persons listed as "insiders" have been included for informational purposes only.

The Debtors do not take any position with respect to: (a) such person's influence over the control of the Debtors; (b) the management responsibilities or functions of such individual; (c) the decision-making or corporate authority of such individual; or (d) whether such individual could successfully argue that he or she is not an "insider" under applicable law, including the federal securities laws, or with respect to any theories of liability or for any other purpose.

(21) Intellectual Property Rights. Exclusion of certain intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction. In addition, although the Debtors have made diligent efforts to attribute intellectual property to the rightful Debtor entity, in certain instances, intellectual property owned by one Debtor may, in fact, be owned by another. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all such intellectual property rights.

(22) Classifications. Listing a claim on (a) Schedule D as "secured," (b) Schedule E as "priority," (c) Schedule F as "unsecured," or (d) listing a contract on Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtors of the legal rights of the claimant or a waiver of the Debtors' rights to recharacterize or reclassify such claims or contracts or to setoff of such claims.

(23) Liens. Property and equipment listed in the Schedules and Statements are presented without consideration of any liens that may attach (or have attached) to such property and equipment.

(24) Global Notes Control. In the event that the Schedules and Statements differ from the foregoing Global Notes, the Global Notes shall control.

#### IV. Specific Schedules of Assets and Liabilities Disclosures.

(1) Schedule B(1) and B(2): Cash on Hand; Checking and Savings Accounts. All petty cash balances are reported as book balances on Schedule B(1); the remainder of the cash balances presented on Schedule B(2) are bank balances as of November 9, 2012. All zero-balance bank accounts are reported at zero dollars, regardless of the net book value, as such accounts are automatically swept into a master account.

(2) Schedule B(13): Interests in Subsidiaries and Affiliates. Equity interests in subsidiaries primarily arise from common stock ownership or member or partnership interests. Each Debtor's Schedule lists such Debtor's ownership interests, if any, in subsidiaries. For purposes of these Schedules, the Debtors have listed the value of ownership interests as undetermined because the value of such stock or interests is dependent on numerous variables and factors and may differ significantly from the net book value.

(3) Schedule B(16): Accounts Receivable. Accounts Receivable are reported at gross book value as of the Petition Date.

(4) Schedule B(18): Liquidated Debts and Tax Refunds. Tax refund amounts are based on estimates provided by the Debtors.

(5) Schedule B(23): Licenses, Franchises, and Other General Intangibles. Schedule B(23) includes only licenses with potential market value and does not include business licenses and permits in the numerous jurisdictions in which the Debtors operate.

(6) Schedule D: Creditors Holding Secured Claims.

(a) The revolving credit facility balances provided in Schedule D include cash collateral supporting approximately \$19.4 million in undrawn letters of credit as of the Petition Date.

(b) The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

(c) The pre-petition first-lien and second-lien debt obligations have been reported on the Debtor that is party to the respective credit agreements, as well as

each Debtor that is a named guarantor under the respective credit agreements.

(d) Holders of secured claims by virtue of holding setoff rights against the Debtors or leasing equipment to the Debtors are not included on Schedule D.

(e) Certain of Debtors' agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financing agreements. No attempt has been made to identify such agreements for purposes of Schedule D; nevertheless, the Debtors reserve their rights to argue that any agreement listed in Schedule G may be treated as secured financing agreements rather than executory contracts or unexpired leases.

(f) Except as otherwise agreed pursuant to a stipulation or agreed order or any other order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtor. Moreover, although the Debtors have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction, or any document or instrument related to such creditor's claim.

(7) Schedule E: Creditors Holding Unsecured Priority Claims.

(a) Certain of the claims listed on the Debtors' Schedule E are claims owing to various taxing and other governmental authorities to which the Debtors may potentially be liable. However, certain of such claims may be subject to audits and the Debtors are otherwise unable to determine with certainty the amount of many, if not all, of the claims listed on Schedule E. Therefore, the Debtors have listed such claims as unknown in amount, pending final resolution of ongoing audits or other outstanding issues. The Debtors reserve their rights to dispute or challenge whether such claims are entitled to priority.

(b) As stated above, the Bankruptcy Court has approved payment by the Debtors of certain employee- and tax-related claims, and as a result, such claims have not been included in the Debtors' Schedules.

(c) The listing of any claim on Schedule E does not constitute an admission by the Debtors that such claim is entitled to priority treatment under 11 U.S.C. § 507. The Debtors reserve the right to take the position that any claim listed on Schedule E is not entitled to priority.

(8) Schedule F: Creditors Holding Unsecured Non-Priority Claims.

(a) Schedule F does not include certain deferred charges, deferred liabilities, or general accounting reserves. Such amounts are general estimates of

liabilities and do not represent specific claims as of the Petition Date.

(b) Many of the claims listed in Schedule F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. Although reasonable efforts have been made to identify the date of incurrence of each claim, determination of each date upon which each claim in Schedule F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list a date for each claim listed on Schedule F.

(c) Schedule F contains information regarding potential, pending, and closed litigation involving the Debtors. To the extent litigation involving a particular Debtor has been identified, such information is contained in the Schedules for that Debtor. The Debtors believe that certain counterparties to litigation may have named the incorrect Debtor in the lawsuit. As such, the Debtors have scheduled the litigation on the Schedules for the Debtor that was named in or is currently defending the lawsuit. Scheduling the litigation against a particular Debtor is not and shall not be construed as an admission that the counterparty has a claim against any of the Debtors. The Debtors expressly incorporate by reference into Schedule F all parties to pending and potential litigation listed in the Debtors' Statements and Schedules as "contingent," "unliquidated" and "disputed" claims to the extent not already listed on Schedule F.

(d) In certain instances, a Debtor may be a co-obligor or guarantor with respect to scheduled claims of other Debtors, and each Debtor's Schedules expressly incorporates such claims by reference to the extent not already separately listed on the applicable Debtor's Schedules. However, no claim set forth on Schedule F of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The Debtors expressly incorporate by reference into Schedule F all parties to pending and potential pending litigation listed in the Debtors' Statements as contingent, unliquidated, and disputed claims to the extent not already listed on Schedule F. The descriptions provided in Schedule F are intended only to be a summary.

(e) The dollar amounts listed may be exclusive of contingent and unliquidated amounts. All parties to executory contracts, including those listed on Schedule G, are holders of "contingent" and "unliquidated" unsecured claims arising from (i) obligations under those executory contracts, and/or (ii) rejection damages in the event that such executory contract is rejected. Not all such claims are duplicated on Schedule F.

(9) Schedule G: Executory Contracts.

(a) Although reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions or over-inclusion may have occurred. The Debtors hereby reserve all of their rights to dispute the validity, status or enforceability of any contract or other agreement set forth in Schedule G that may have expired or may have been modified, amended and supplemented from time to time by

various amendments, restatements, waivers, estoppel certificates, letters and other documents, instruments and agreements which may not be listed therein. It is possible that some of the contracts or agreements listed on Schedule G have expired or otherwise terminated pursuant to their terms since the Petition Date. The presence of a contract or agreement on Schedule G does not constitute an admission by the Debtors that such contract or agreement is an executory contract or unexpired lease.

(b) Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights that are embedded in the Debtors' agreements. Such rights, powers, duties, and obligations are generally not set forth on Schedule G. Certain of the executory agreements may not have been memorialized and could be subject to dispute. To the best of the Debtors' knowledge, executory agreements that are oral in nature have not been scheduled.

(c) Schedule G does not include stand-alone purchase orders for goods or equipment agreements. Additionally, the Debtors may be parties to various other agreements concerning real property, such as easements, rights of way, subordination, non-disturbance, and attornment agreements, supplemental agreements, amendments/letter agreements, title documents, consents, site plans, maps, and other miscellaneous agreements. Such documents are generally not set forth in Schedule G.

(d) The Debtors reserve all of their rights, claims, and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, or any document or instrument (including, without limitation, any intercompany agreement) related to a creditor's claim.

(e) Omission of a contract or agreement from this Schedule does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtors' rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by their omission. This Schedule may be amended at any time to add any omitted contract or agreement.

(f) An individual Debtor may have entered into contracts with third parties for the benefit of other Debtors. For the purposes of Schedule G, contracts have been listed only where that Debtor is an actual party to the contract. The omission of any contract from Schedule G to which a Debtor is an intended beneficiary shall not constitute a waiver of any rights the Debtor may have in that contract, including the right to enforce such contract or the right to recover damages in the event that there is a breach of such contract.

(g) Although the Debtors made diligent attempts to attribute an executory contract to its rightful Debtor, in certain instances, the Debtors may have inadvertently failed to do so. Accordingly, the Debtors reserve all of their rights with

respect to the named parties of any and all executory contracts, including the right to amend Schedule G.

(10) Schedule H: Co-Debtors.

(a) In the ordinary course of business, the Debtors are involved in pending or threatened litigation and claims arising out of the conduct of their business. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counter-claims against other parties. In addition, the Debtors may have causes of action against the parties on Schedule H for contribution, indemnity, and/or similar claims and causes of action, and the Debtors reserve all of their rights with respect to any such claims and causes of action.

V. Specific Statements of Financial Affairs Disclosures.

(1) Question 1.

(a) The Debtors have scheduled income attributable to rent and management fees paid by concession affiliates and subsidiaries (including Debtors and non-Debtors) to American Bowling Centers, Inc. as income to American Bowling Centers, Inc.

(2) Questions 3(b) and 3(c).

(a) The Debtors have scheduled all known payments to creditors that were made during the 90 days prior to the Petition Date. The Statement excludes amounts for ordinary course gross wages, employee benefits and other related payments. The Statement includes reimbursements to employees for costs incurred on behalf of the Debtors.

(b) Payments made by wire and other bank transfers are recorded based on transfer date. Payments made by check are recorded based on check issue date and as such any checks issued prior to the 90 day period that might have cleared during the 90 day period are not reflected.

(c) Both questions 3(c) and 23 request information regarding payments to insiders. All payment information has been reported as a response to question 3(c). As it relates to officers, the response to question 3(c) only includes payments to officers who are designated as executive officers that have a “policy making” role at the Debtors. The Debtors have not included in the response to question 3(c) any non-executive officers.

(3) Question 4(a). The Debtors have made reasonable and good faith efforts to include a complete list of all legal and administrative proceedings to which they were a party within one year prior to the Petition Date. To the extent the Debtors become aware that they have inadvertently omitted any such proceedings, they will amend their Statements.

(4) Question 9. The Debtors' response to question 9 includes payments to the Debtors' advisors engaged for debt counseling and bankruptcy and also includes payments to professionals of the Debtors' lenders. Some of the amounts listed also may include payments that are not directly related to debt counseling or bankruptcy.

(5) Question 13. The Debtors and their vendors may set-off mutual obligations in the ordinary course of business and pursuant to trade terms agreed upon by the parties which include, but are not limited to, vendor rebate deductions, customer rebates, and credit memos. The Debtors have not included any set-off made by their creditors that was made in the ordinary course of business and pursuant to the trade terms between the Debtors and such creditor.

(6) Question 14. The Debtors hold cash in escrow on behalf of certain bowling leagues. These escrow accounts and their bank cash balances as of November 9, 2012 have been included in the Debtors' response to Question 14.

(7) Question 15. Prior addresses have been listed to the extent the location is no longer occupied by any of the Debtors.

(8) Question 19(d). The Debtors in the ordinary course of business provide financial statements to various parties including, but not limited to, lenders, vendors, trade partners and customers; however, a detailed list of recipients is not generally maintained by the Debtors. Therefore, the names of those parties who have received financial statements in the last two years are not listed.

(9) Questions 21(a), 21(b), 22(a) and 22(b). The response includes only those officers who are designated as executive officers that have a "policy making" role at the Debtors. The Debtors have not included in the response to questions 21(a), 21(b), 22(a) and 22(b) any non-executive officers.

**SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS**

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See 11 U.S.C. § 112 and Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "HWJC."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Check this box if debtor has no creditors holding unsecured nonpriority claims to report on this Schedule F.
