ARTICLE II

General Terms and Conditions

2.1 Class of Claims and Payment: Various classes of claims and interests are defined in this Plan. This Plan is intended to deal with all claims against the Debtor of whatever character, whether or not contingent or liquidated, and whether or not allowed by the Court pursuant to Section 502(h) of the Code. However, only those claims allowed pursuant to Section 502(a) of the Code will receive payment under this Plan.

2.2 Preserved Liens: To the extent required under Section 1124(2) of the Code, to preserve the rights of a creditor having a secured claim addressed pursuant to that Section, the lien or encumbrance of that creditor shall, to the extent valid, be preserved.

2.3 Time for Filing of Claims: The list of creditors filed in these proceedings by the Debtor shall constitute the filing of a claim by each creditor which is not listed as disputed, contingent or unliquidated as to amount. The Debtor reserves the right to object to any such claim where it appears that the amount scheduled by the Debtor is improper or where there is some dispute with regard to that claim. All other creditors, or creditors who disagree with the amounts as scheduled by the Debtor must file prior to the date set for the hearing on the Disclosure Statement, a proof of claim or proof of interest. Failure to timely file a proof of claim or file a proof of interest, if not listed on the Debtor's schedules as non-contingent, liquidated and undisputed, will result in a disallowance of the proof of claim or proof of interest.

ARTICLE III

Classification and Treatment of Claims and Interests

For purposes of the plan, claims are classified and treated as follows:

1. *Claim Amounts*: Because certain claims against the Debtor may be unknown or of undetermined amounts, the amounts of claims specified in this Disclosure Statement reflect only the Debtor's best estimate at this time of the amount due. In addition, the amounts of the claims specified in this Disclosure Statement do not include, for example, claims arising from the rejection of certain executory contracts and other contingent or unliquidated claims arising against the debtor.

1 2. *Effective Date of the Plan:* The “Effective Date” of the Plan is important in determining
2 when performance of many of the Debtor’s obligations under the Plan is due. The Effective Date is
3 defined in the Plan as the first business day following the later of the following day;

4 (i) the date on which the Order confirming the Plan (the “Confirmation Order”) becomes
5 final and non-appealable with no appeal then pending; or

6 (ii) 60 days after the date of the Confirmation Order for unsecured claims; and

7 (iii) 30 days after the date of the Confirmation Order for secured claims.

8 3. *Classification:* The Plan divides claims against the Debtor into multiple separate classes
9 that the Debtor asserts are in accordance with the Bankruptcy Code. Unless otherwise expressly stated
10 in the Plan, distributions to holders of allowed claims are in full satisfaction of their allowed claims. All
11 claims against the Debtor arising prior to confirmation will be discharged by performance of the Plan
12 on the Effective Date to the extent that such claims are dischargeable under the Bankruptcy Code Section
13 1141(d). For the purposes of the Plan, claims are classified and treated as follows:

14 3.1 Class One - Administrative Claims.

15 A. Classification: Class One consists of all claims for the cost of administration of
16 the Debtor’s bankruptcy estate. Included in this class are all claims for administrative expenses
17 entitled to priority under Bankruptcy Code §507(A)(1), such as professional fees and costs, as approved
18 by the Bankruptcy Court of the attorneys, accountants, and other professional persons employed by the
19 Debtor, and all actual and necessary expenses of operating the Debtor’s business pursuant to Bankruptcy
20 Code §503(b), including without limitation, all fees charged against the Debtor’s business pursuant to
21 Chapter 123 of Title 28, United States Code. Debtor believes claims in this class will exceed \$20,000.00.

22 B. Impairment: Not impaired.

23 C. Treatment: The Plan provides for the payment in cash, in full, of all allowed
24 Administrative Claims on the later of the Effective Date or the date upon which such Claims become
25 Allowed Claims, or as otherwise ordered by the Bankruptcy Court or agreed to by Claimant and Debtor.
26 Class 1 claims will be paid from assets of the estate or from principals of the debtor. The Debtor
27 currently estimates that the Class 1 claims will exceed \$20,000.00 and may include post-petition
28

1 administrative expenses. Such payments will reduce the amount of administrative expenses due on the
2 Effective Date of the Plan unless otherwise provided for. Debtor’s counsel has estimated its fees in the

16 and/or 6622 of the Internal Revenue Code, or such other interest rate as the Bankruptcy Court determines
17 is sufficient to confer upon the tax claim a value as of the Effective Date equal to the principal amount
18 of such claim. The allowed claim shall be payable in 60 equal monthly installments of principal, along
19 with accrued interest, in deferred cash payments over a period not to exceed five years from date of
20 petition. The first payment shall commence on the first day of the month immediately following the
21 month of the Effective Date. The claim is subject to prepayment at any time without penalty or premium

6 required to be paid as of the Effective Date, or such other interest rate as the Bankruptcy Court
7 determines is sufficient to confer upon the tax claim a value as of the Effective Date equal to the
8 principal amount of such claim charged by Pima County or the statutory rate of interest. Payments
9 shall be made in equal monthly installments of principal, along with accrued interest, in deferred
10 cash payments over a period not to exceed five years from date of petition. The claim is subject to
