A. **Description and History of the Debtor's Business**

10 The Debtor was formed in May 2005 by Susan V. Cassidy and Thomas J. Cassidy 11 for the purpose of holding and leasing the Rubi Mansion located at 175 E 12th St Tucson, 12 AZ. After having listed the property for sale since 2013, the Cassidys were eventually 13 unable to supplement the Debtor's mortgage payments. The mortgage lender on the 175 E 12th Street property recorded a Notice of Trustee's Sale on January 10, 2018. 14

15 In March of 2018 Dodge Capital LLC purchased the membership interests in the Debtor and appointed Colin Reilly and Rob Reilly as managers (collectively the 16 "Managers"). Susan and Thomas Cassidy no longer hold any interest in the Debtor 17 18 whatsoever. Rob and Colin Reilly, are brothers that through various affiliate organization 19 specialize in acquiring, renovating, leasing and selling single family residences that are in 20 foreclosure or pre-foreclosure. Currently through their various entities, the Managers own 21 over 100 rental homes in the Tucson metro area.

22

After acquiring the Debtor, the Managers caused it to acquire title to a portfolio of 23 seven (7) additional single-family residences. Each residence was acquired for purposes of 24 restructuring the loan, renovating and holding as an income-property. As of the petition 25 date, the Debtor owned the following properties:

D. **Events Leading to Chapter 11 Filing** 1 2 The triggering event for this Chapter 11 case was the pending trustee's sale for the property located at 13959 N Eddington Place Tucson, AZ. Each property was underwater, 3 4 and the previous homeowners were unable to sell their property or were unable to get an 5 agreement from their respective mortgage lenders on a short sale. E. Significant Events During the Bankruptcy Case 6 7 The following are the significant events in the Debtor's bankruptcy case: Kasey C. Nye, Lawyer PLLC was appointed counsel for the debtor in 8 9 possession. 10 F. **Projected Recovery of Avoidable Transfers.** The Debtor is not aware of any transfers of assets out of the Debtor whatsoever in 11 the two years prior to filing this Reorganization. 12 G. **Claims Objections** 13 Except to the extent that a claim is already allowed pursuant to a final non-appealable 14 15 order, the Debtor reserves the right to object to claims. Therefore, even if your claim is allowed for voting purposes, you may not be entitled to a distribution if an objection to your 16 claim is later upheld. The procedures for resolving disputed claims are set forth in Article 17 18 V of the Plan. H. 19 **Current and Historical Financial Conditions** 20 In the last several years the Debtor has been unable to rent or sell the property located at 175 E 12th Street, Tucson, AZ. The Debtor has had no income. The Debtor's balance 21 22 sheet changed significantly with the acquisition of assets in the month prior to this 23 Reorganization being filed. The most recent post-petition operating report filed since the 24 commencement of the Debtor's bankruptcy case is attached hereto in Exhibit B. 25 26

III. SUMMARY OF THE PLAN OF REORGANIZATION AND TREATMENT OF CLAIMS AND EQUITY INTERESTS

7

1

A. What is the Purpose of the Plan of Reorganization?

As required by the Bankruptcy Code, the Plan places claims and equity interests in various classes and describes the treatment each class will receive. The Plan also states whether each class of claims or equity interests is impaired or unimpaired. If the Plan is confirmed, your recovery will be limited to the amount provided by the Plan.

8

B. Unclassified Claims

⁹ Certain types of claims are automatically entitled to specific treatment under the
¹⁰ Code. They are not considered impaired, and holders of such claims do not vote on the Plan.
¹¹ They may, however, object if, in their view, their treatment under the Plan does not comply
¹² with that required by the Code. As such, the Plan Proponent has not placed the following
¹³ claims in any class:

14

1. Administrative Expenses

Administrative expenses are costs or expenses of administering the Debtor's chapter 16 11 case which are allowed under § 507(a)(2) of the Code. Administrative expenses also 17 include the value of any goods sold to the Debtor in the ordinary course of business and 18 received within 20 days before the date of the bankruptcy petition. The Code requires that 19 all administrative expenses be paid on the effective date of the Plan, unless a particular 20 claimant agrees to a different treatment. The following chart lists the Debtor's estimated 21 administrative expenses, and their proposed treatment under the Plan:

23 24	Туре	Estimated Amount Owed	Proposed Treatment

Classes of Priority Unsecured Claims

Certain priority claims that are referred to in §§ 507(a)(1), (4), (5), (6), and (7) of the Code are required to be placed in classes. The Code requires that each holder of such a claim receive cash on the effective date of the Plan equal to the allowed amount of such claim. However, a class of holders of such claims may vote to accept different treatment. The following lists all classes containing claims under §§ 507(a)(1), (4), (5), (6), and (a)(7) of the Code and their proposed treatment under the Plan:

8 Class 1. Class 1 includes all allowed claims entitled to priority under § 507 of the
9 Code (except administrative expense claims under § 507(a)(2), and priority tax claims under
10 § 507(a)(8)). Class 1 is unimpaired by this Plan, and each holder of a Class 1 Priority Claim
11 will be paid in full, in cash, upon the later of the effective date of this Plan, or the date on
12 which such claim is allowed by a final non-appealable order. The Debtor does not believe
13 that there are any Class 1 claims so estimates \$0.00.

14

3. Classes of General Unsecured Claims

15 General unsecured claims are not secured by property of the estate and are not entitled to priority under § 507(a) of the Code. The following chart identifies the Plan's 16 17 proposed treatment of Class 12 which governs general unsecured claims against the Debtor: 18 Class 12. Class 12 is impaired. Holders of allowed Class 12 claims will be paid a 19 pro rata share of the annual distributions from the Unsecured Claim Fund each April 15th 20 until the earlier of (1) the date all unsecured creditors are paid in full, or (2) April 15, 2024. 21 So long as holders of Allowed Class 12 claims are entitled to payments under the Plan, the 22 Reorganized Debtor must provide each holder of an allowed Class 12 Claim a reviewed 23 annual financial statement prepared in accordance with GAAP, describing, among other 24 things, how Net Distributable Profits were calculated and any distributions the preceding 25 calendar year to Class 13 Equity Interest Holders on account of capital paid into the Debtor on or after the Plan Effective Date. 26

The plan defines Net Distributable Profits as net profit after tax plus net proceeds from the sale of any assets, plus net proceeds from any litigation, plus net proceeds from any insurance claims, less funds reserved for taxes and working capital sufficient to pay 3 months operating expenses.

5

4. Classes of Equity Interest Holders

Equity interest holders are parties who hold an ownership interest (i.e., equity
interest) in the Debtor. In a corporation, entities holding preferred or common stock are
equity interest holders. In a partnership, equity interest holders include both general and
limited partners. In a limited liability company ("LLC"), the equity interest holders are the
members. Finally, with respect to an individual who is a debtor, the Debtor is the equity
interest holder.

12

Under the Plan Class 13 governs the claims of equity interest holders:

Class 13. Class 13 is impaired. Class 13 is impaired by this Plan. Holders of
allowed Class 13 Interests will receive nothing on account of those interests unless such
holder of a Class 13 Interest contributes cash, or the equivalent of cash, on the Effective
Date with a value at least equal to 10% of the cumulative value of all unsecured claims.

D. Implementation of the Plan.

1. Sources of Payments

Payments and distributions under the Plan will be funded by the following: the
Equity Contribution of the Class 13 Equity Security Holders, Net income from Preconfirmation rentals, and Net Income from post-confirmation rents or sales of properties.

2. Post-Confirmation Operations

The Debtor will renovate and lease it's the 8 properties. The Debtor will use a 3rd party management company with no affiliation with the Debtor or any insider.

4

3

3. Post-Confirmation Management

The Post-Confirmation Managers of the Debtor, and their compensation, will be as
follows: Colin Reilly and Rob Reilly will continue to manage the Debtor post-confirmation.
They will not be compensated for their management roles.

8

E. Executory Contracts and Unexpired Leases

9 The Plan provides that unless an order is entered assuming an executory contract 10 under Code § 365 prior to the effective date, all pre-bankruptcy executory contracts will be 11 deemed rejected. Counter parties to executory contracts that are deemed rejected will be 12 required to file proofs of claim within 45 days of the effective date. The Debtor is not aware 13 of any pre-bankruptcy executory contracts or leases. Post-petition it has been marketing 14 some of the properties as rentals, but any post-bankruptcy leases will be unaffected by this 15 provision.

of the Code. These include the requirements that:

24

23

- the Plan must be proposed in good faith;
- at least one impaired class of claims must accept the plan, without counting votes of insiders;
- 26

the Plan must distribute to each creditor and equity interest holder at least as 1 2 much as the creditor or equity interest holder would receive in a chapter 7 3 liquidation case, unless the creditor or equity interest holder votes to accept 4 the Plan; and, 5 the Plan must be feasible. These requirements are not the only requirements listed in § 1129, and they are not the only 6 7 requirements for confirmation. Who May Vote or Object 8 A. 9 Any party in interest may object to the confirmation of the Plan if the party believes 10 that the requirements for confirmation are not met. 11 Many parties in interest, however, are not entitled to vote to accept or reject the Plan. 12 A creditor or equity interest holder has a right to vote for or against the Plan only if that 13 creditor or equity interest holder has a claim or equity interest that is both (1) allowed or 14 allowed for voting purposes and (2) impaired. 15 In this case, the Plan Proponent believes that classes 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12 and 13 are impaired and that holders of claims in each of these classes are therefore 16 17 entitled to vote to accept or reject the Plan. The Plan Proponent believes that no classes are 18 unimpaired and that holders of claims in each of these classes, therefore, do not have the 19 right to vote to accept or reject the Plan. 20 1. What Is an Allowed Claim or an Allowed Equity Interest? 21 Only a creditor or equity interest holder with an allowed claim or an allowed equity 22 interest has the right to vote on the Plan. Generally, a claim or equity interest is allowed if 23 either (1) the Debtor has scheduled the claim on the Debtor's schedules, unless the claim 24 has been scheduled as disputed, contingent, or unliquidated, or (2) the creditor has filed a 25 proof of claim or equity interest, unless an objection has been filed to such proof of claim 26 or equity interest. When a claim or equity interest is not allowed, the creditor or equity

1	interest holder holding the claim or equity interest cannot vote unless the Court, after notice		
2	and hearing, either overrules the objection or allows the claim or equity interest for voting		
3	purposes pursuant to Rule 3018(a) of the Federal Rules of Bankruptcy Procedure.		
4	2. What Is an Impaired Claim or Impaired Equity Interest?		
5	As noted above, the holder of an allowed claim or equity interest has the right to vote		
6	only if it is in a class that is impaired under the Plan. As provided in § 1124 of the Code, a		
7	class is considered impaired if the Plan alters the legal, equitable, or contractual rights of		
8	the members of that class.		
9	3. Who is Not Entitled to Vote		
10	The holders of the following five types of claims and equity interests are not entitled		
11	to vote:		
12	• holders of claims and equity interests that have been disallowed by an order of the		
13	Court;		
14	• holders of other claims or equity interests that are not "allowed claims" or "allowed		
15	equity interests" (as discussed above), unless they have been "allowed" for voting		
16	purposes.		
17	• holders of claims or equity interests in unimpaired classes;		
18	• holders of claims entitled to priority pursuant to §§ 507(a)(2), (a)(3), and (a)(8) of		
19	the Code; and		
20	• holders of claims or equity interests in classes that do not receive or retain any value		
21	under the Plan;		
22	• administrative expenses.		
23	EVEN IF YOU ARE NOT ENTITLED TO VOTE ON THE PLAN, YOU HAVE		
24	A RIGHT TO OBJECT TO THE CONFIRMATION OF THE PLAN.

4.

Who Can Vote in More Than One Class

A creditor whose claim has been allowed in part as a secured claim and in part as an unsecured claim, or who otherwise hold claims in multiple classes, is entitled to accept or reject a Plan in each capacity, and should cast one ballot for each claim.

5

B. Votes Necessary to Confirm the Plan

If impaired classes exist, the Court cannot confirm the Plan unless (1) at least one
impaired class of creditors has accepted the Plan without counting the votes of any insiders
within that class, and (2) all impaired classes have voted to accept the Plan, unless the Plan
is eligible to be confirmed by a "cram down" on non-accepting classes, as discussed later
in Section [B.2.].

11

1. Votes Necessary for a Class to Accept the Plan

A class of claims accepts the Plan if both of the following occur: (1) the holders of more than one-half (1/2) of the allowed claims in the class, who vote, cast their votes to accept the Plan, and (2) the holders of at least two-thirds (2/3) in dollar amount of the allowed claims in the class, who vote, cast their votes to accept the Plan.

A class of equity interests accepts the Plan if the holders of at least two-thirds (2/3)
in amount of the allowed equity interests in the class, who vote, cast their votes to accept
the Plan.

19

2. Treatment of Nonaccepting Classes

Even if one or more impaired classes reject the Plan, the Court may nonetheless confirm the Plan if the nonaccepting classes are treated in the manner prescribed by § 1129(b) of the Code. A plan that binds nonaccepting classes is commonly referred to as a "cramdown" plan. The Code allows the Plan to bind nonaccepting classes of claims or equity interests if it meets all the requirements for consensual confirmation except the voting requirements of § 1129(a)(8) of the Code, does not "discriminate unfairly," and is "fair and equitable" toward each impaired class that has not voted to accept the Plan. You should consult your own attorney if a "cramdown" confirmation will affect your
 claim or equity interest, as the variations on this general rule are numerous and complex.

3

C. Liquidation Analysis

To confirm the Plan, the Court must find that all creditors and equity interest holders
who do not accept the Plan will receive at least as much under the Plan as such claim and
equity interest holders would receive in a chapter 7 liquidation. A liquidation analysis is
attached to this Disclosure Statement as Exhibit C.

8

D. Feasibility

9 The Court must find that confirmation of the Plan is not likely to be followed by the
10 liquidation, or the need for further financial reorganization, of the Debtor or any successor
11 to the Debtor, unless such liquidation or reorganization is proposed in the Plan.

12

1. Ability to Initially Fund Plan

The Plan Proponent believes that the Debtor will have enough cash on hand on the
effective date of the Plan to pay all the claims and expenses that are entitled to be paid on
that date. Tables showing the amount of cash on hand on the effective date of the Plan, and
the sources of that cash are attached to this disclosure statement as Exhibit D.

17

18

2. Ability to Make Future Plan Payments and Operate Without Further Reorganization

The Plan Proponent must also show that it will have enough cash over the life of the
 Plan to make the required Plan payments.

The Plan Proponent has provided projected financial information. Those projections
 are listed in Exhibit D.

YOU SHOULD CONSULT WITH YOUR ACCOUNTANT OR OTHER
 FINANCIAL ADVISOR IF YOU HAVE ANY QUESTIONS PERTAINING TO
 THESE PROJECTIONS.

2

V.

EFFECT OF CONFIRMATION OF PLAN

A. Discharge of Debtor

3 Discharge. On the effective date of the Plan, the Debtor shall be discharged from any 4 debt that arose before confirmation of the Plan, subject to the occurrence of the effective 5 date, to the extent specified in § 1141(d)(1)(A) of the Code, except that the Debtor shall not be discharged of any debt (i) imposed by the Plan, (ii) of a kind specified in \$1141(d)(6)(A)6 7 if a timely complaint was filed in accordance with Rule 4007(c) of the Federal Rules of 8 Bankruptcy Procedure, or (iii) of a kind specified in § 1141(d)(6)(B). After the effective 9 date of the Plan your claims against the Debtor will be limited to the debts described in 10 clauses (i) through (iii) of the preceding sentence.

11

B. Modification of Plan

The Plan Proponent may modify the Plan at any time before confirmation of the Plan.
However, the Court may require a new disclosure statement and/or revoting on the Plan.
The Plan Proponent may also seek to modify the Plan at any time after confirmation only if
(1) the Plan has not been substantially consummated and (2) the Court authorizes the
proposed modifications after notice and a hearing.

17

23

C. Final Decree

Once the estate has been fully administered, as provided in Rule 3022 of the Federal
Rules of Bankruptcy Procedure, the Plan Proponent, or such other party as the Court shall
designate in the Plan Confirmation Order, shall file a motion with the Court to obtain a final
decree to close the case. Alternatively, the Court may enter such a final decree on its own
motion.
