GLOBAL NOTES

1) The Schedules of Assets and Liabilities (collectively, the "Schedules") and the Statements of Financial Affairs (collectively, the "Statements" and, together with the Schedules, the "Schedules and Statements") filed by Dayton Superior Corporation (09-11351) ("Debtor") in the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court") have been prepared pursuant to 11 U.S.C. § 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure by management of the Debtor with the assistance of their court-appointed advisors and are unaudited.

Although management has made every reasonable effort to ensure that the Schedules and Statements are as accurate and complete as possible under the circumstances based on information that was available to them at the time of preparation, subsequent information or discovery may result in material changes to these Schedules and Statements, and inadvertent errors or omissions may exist. Because, among other things, the Schedules and Statements contain unaudited information, which is subject to further review and potential adjustment, there can be no assurance that these Schedules and Statements are complete.

The financial information disclosed herein has not been required to be prepared in accordance with federal or state securities laws or other applicable non-bankruptcy law or in lieu of complying with any periodic reporting requirements thereunder. Persons or entities trading in or otherwise purchasing, selling or transferring the claims against or equity interests in the Debtor should evaluate this financial information in light of the purposes for which it was prepared. The Debtor is not liable for and undertakes no responsibility to indicate variations between any information and reports prepared for securities law disclosure purposes or for any evaluations of the Debtor based on this financial information or any other information.

Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to this chapter 11 case, including, but not limited to, equitable subordination and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers. These Global Notes and Statement of Limitations, Methodology and Disclaimer Regarding the Debtor's Schedules and Statements (the "Global Notes") are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.

2) "Confidential or Sensitive Information." In certain cases, the Debtor may have intentionally altered, revised, redacted or consolidated certain information in the Schedules and Statements due to the nature of an agreement between a Debtor and a third party, concerns about the confidential or commercially sensitive nature of certain information or concerns for the privacy of an individual. In addition, in certain instances, the sensitivity of such information may require its omission from the Schedules and Statements. To the extent possible, the alterations, redactions, consolidations and omissions have been limited to the extent determined by the Debtor to be necessary or appropriate to protect the Debtor or third parties while also providing interested parties with sufficient information in response to the Schedules and Statements.

3) "Amendment." Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, errors or omissions may exist. The Debtor reserves all rights to amend and/or supplement the Schedules and Statements as is necessary or appropriate.

4) "Causes of Action." Despite reasonable efforts to identify all known assets the Debtor may not have set forth all actual or potential causes of action against third parties as assets in their Schedules and Statements. These causes of action include, but are not limited to, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant non-bankruptcy laws to recover assets. The Debtor reserves all of their rights with respect to any claims, causes of action or avoidance actions they may have whether or not listed in the Schedules and Statements. Neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claim, cause of action or avoidance action or in any way prejudice or impair the assertion of such claims.

5) "Dates." Unless otherwise indicated, all amounts are listed as of April 19, 2009, the date the Debtor commenced its Chapter 11 case (the "Commencement Date").

GLOBAL NOTES

- 6) "Claims Designations." Any failure to designate a claim on the Debtor's Schedules and Statements as "disputed," "contingent" or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed," "contingent" or "unliquidated." The Debtor reserves the right to dispute any claim reflected on their Schedules or Statements on any grounds, including, but not limited to, amount, liability or classification, or to otherwise subsequently designate such claims as "disputed," "contingent" or "unliquidated."
- 7) "Net Book Value of Assets." Unless otherwise indicated, the Debtor's assets are shown on the basis of their net book value as of April 3, 2009. Amounts ultimately realized or realizable on account of such assets may vary from net book value and such variance may be material. Exceptions to this include operating cash, which is presented as bank balances as of the Commencement Date. Certain other assets, such as investments in subsidiaries, are listed at undetermined amounts because the net book values may materially differ from fair market values. Attempts to obtain current market valuations of all assets would be prohibitively expensive, unduly burdensome and an inefficient use of estate assets. Accordingly, the Debtor has not attempted to do so in connection with the preparation of the Schedules and Statements.
- 8) "Excluded Assets and Liabilities." The Debtor has excluded certain categories of assets and liabilities from the Schedules and Statements that represent accounting entries, such as goodwill, accrued salaries, and employee benefit accruals. Other immaterial assets and liabilities also may have been excluded. The Debtor has also excluded all pre-petition liabilities that have been paid pursuant to the First Day Motions and Orders thereto.
- 9) "Fiscal Year." The Debtor's fiscal year ends December 31.
- 10) "Intercompany Transactions." Prior to the Commencement Date, the Debtor routinely engaged in intercompany transactions resulting in intercompany accounts payable and accounts receivable. The respective intercompany accounts payable as of April 3, 2009 is listed at the net amount due from the debtor on Schedule F3.
- 11) Property and Equipment - Owned. Unless otherwise noted, owned property and equipment are stated at net book value. Depreciation and amortization are provided principally on the straight-line method over a period of three to ten years for machinery and equipment and 10-30 years for buildings. Leasehold improvements are depreciated over the lesser of the life of the asset or the real estate lease term. Although accelerated depreciation methods are used for tax reporting purposes, the Schedules reflect straight-line methods.
- 12) Property and Equipment - Leased. In the ordinary course of its business, the Debtor may lease equipment from certain third-party lessors for use in the daily operation of its business. Any such leases are set forth in Schedule G. The property subject to any of such leases is not reflected in either Schedule A or Schedule B as either owned property or assets of the Debtor. Neither is the property subject to any such leases reflected in the Debtor's Statement of Financial Affairs as property or assets of third-parties within the control of the Debtor. Nothing in the Schedules is or shall be construed as an admission or determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtor reserves all rights with respect to any of such issues.

The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. List creditors holding all types of secured interests such as judgment liens, garnishments, statutory liens, mortgages, deeds of trust, and other security interests.

List creditors in alphabetical order to the extent practicable. If a minor child is a creditor, indicate that by stating "a minor child" and do not disclose the child's name. See 11 U.S.C. § 112. If all secured creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled 'Codebtor', include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether husband, wife, both of them, or the marital community may be liable on each claim by placing an "H", "W", "J", or "C" in the column labeled "Husband, Wife, Joint or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)
