I. INTRODUCTION

On June 29, 2016, Triangle USA Petroleum Corporation (“**TUSA**”) and certain of its affiliates, the debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the “**Debtors**” and, together with Triangle Petroleum Corporation and its non-debtor controlled affiliates and subsidiaries, “**Triangle**” or the “**Company**”) each commenced a case (collectively, the “**Chapter 11 Cases**”) in the United States Bankruptcy Court for the District of Delaware (the “**Bankruptcy Court**”) under chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”). The Debtors continue to operate their business and manage their properties as debtors and debtors in possession under Bankruptcy Code sections 1107(a) and 1108.

The Debtors’ proposal for the reorganization of their business is set forth in the *Joint Chapter 11 Plan of Reorganization of Triangle USA Petroleum Corporation and its Affiliated Debtors*, a copy of which is attached hereto as **Exhibit A** (the “**Plan**”).³

The Plan provides for payment in full of administrative and priority claims and discharge of the Debtors’ obligations under the RBL Credit Agreement and payment of the RBL Claims in full in Cash. The Plan also provides that Holders of TUSA General Unsecured Claims, including all Senior Notes Claims, will receive their Pro Rata Share of new equity in Reorganized TUSA, subject to dilution pursuant to the New TUSA Common Stock Allocation. In *lieu* of new equity in the Reorganized Debtors, Holders of TUSA General Unsecured Claims may elect to receive a cash distribution of up to \$[●] for each \$1.00 of its Allowed Claim. Each Holder of an Allowed Ranger Unsecured Claim will receive its Pro Rata Share of a Cash amount allocated from proceeds of the Rights Offering or another source of plan funding. In addition, the Plan contemplates (a) a senior secured, reserve-based Exit Facility and (b) a new-money Rights Offering, through which Eligible Holders of TUSA General Unsecured Claims may subscribe for the purchase of Rights Offering Securities, to provide the Reorganized Debtors with liquidity upon emergence. The Plan contemplates that certain members of the Ad Hoc Noteholder Group will have agreed to backstop the Rights Offering pursuant to the Backstop Commitment Agreement.

This Disclosure Statement contains, among other things, descriptions and summaries of provisions of the Debtors’ proposed Plan, as attached hereto. Certain provisions of the Plan, and thus the description and summaries contained herein, will be the subject of continuing negotiations among the Debtors and various parties. Accordingly, the Debtors reserve the right to modify the Plan consistent with Bankruptcy Code section 1127, Rule 3019 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”), and section 12.04 of the Plan.

The Plan provides for an equitable distribution of recoveries to the Debtors’ creditors, preserves the value of the Debtors’ business as a going concern, and preserves the jobs of employees. The Debtors believe that any alternative to confirmation of the Plan, such as liquidation or attempts by another party in interest to file a plan, could result in significant

³ All capitalized terms not otherwise defined shall have the meanings ascribed to them in the Plan.

delays, litigation and costs, job loss, and/or lesser recoveries. **For these reasons, the Debtors urge you to return your ballot accepting the Plan.**

WHO IS ENTITLED TO VOTE: Under the Bankruptcy Code, only holders of claims or interests in “impaired” Classes are entitled to vote on the Plan (unless, for reasons discussed in more detail below, such holders are deemed to reject the Plan pursuant to Bankruptcy Code section 1126(g)). Under Bankruptcy Code section 1124, a class of claims or interests is deemed to be “impaired” unless (a) the Plan leaves unaltered the legal, equitable, and contractual rights to which such claim or interest entitles the holder thereof or (b) notwithstanding any legal right to an accelerated payment of such claim or interest, the Plan, among other things, cures all existing defaults (other than defaults resulting from the occurrence of events of bankruptcy) and reinstates the maturity of such claim or interest as it existed before the default.

There are three creditor groups entitled to vote on the Plan whose votes are being solicited: Ranger General Unsecured Claims, TUSA General Unsecured Claims, and TUSA Convenience Claims.

THE PLAN PROVIDES THAT HOLDERS OF IMPAIRED CLAIMS WHO SUBMIT A BALLOT TO ACCEPT OR REJECT THE PLAN AND WHO DO NOT OPT OUT OF THE RELEASE PROVISIONS OF THE PLAN ARE DEEMED TO HAVE GRANTED THE RELEASES THEREIN. IF HOLDERS OF IMPAIRED CLAIMS ABSTAIN FROM VOTING, THEY WILL NOT BE DEEMED TO HAVE ACCEPTED THE RELEASES.

The following table summarizes (a) the treatment of Claims and Interests under the Plan, (b) which Classes are impaired by the Plan, (c) which Classes are entitled to vote on the Plan, and (d) the estimated recoveries for holders of Claims and Interests. The table is qualified in its entirety by reference to the full text of the Plan. For a more detailed summary of the terms and provisions of the Plan, see Article VII—Summary of the Plan of Reorganization below.⁴

⁴ All capitalized terms in this table have the same meaning as ascribed to them in Article I of the Plan attached as **Exhibit A**.

II. OVERVIEW OF THE COMPANY'S OPERATIONS

TUSA and its Debtor subsidiaries (collectively, the “**TUSA Debtors**”) comprise an independent, growth-oriented oil and gas exploration and development company emphasizing the acquisition and development of unconventional shale oil and natural gas resources in the Williston Basin of North Dakota and Montana. TUSA’s corporate parent, Triangle Petroleum Corporation (“**TPC**”), is an independent energy company. TPC’s joint venture, Caliber Midstream Partners, L.P., and its affiliates (collectively, “**Caliber**”) provide crude oil, natural gas, and fresh and produced water gathering, processing, and transportation services to TUSA and other customers in the Williston Basin. In addition, Triangle formerly operated a fabrication enterprise through Debtor Ranger Fabrication, LLC (“**Ranger**”) and its subsidiaries (collectively, the “**Ranger Debtors**”). Ranger ceased operations in early 2016⁵ and has commenced Chapter 11 Cases alongside its sister companies in order to complete an orderly wind down.

⁵ Unless otherwise specified, all references to years refer to calendar years beginning January 1 and ending December 31. However, TUSA’s fiscal year ends January 31.

III. QUESTIONS AND ANSWERS REGARDING THIS DISCLOSURE STATEMENT AND PLAN

A. What is chapter 11?

Chapter 11 is the principal business reorganization chapter of the Bankruptcy Code. Under chapter 11, a debtor can reorganize its business for the benefit of itself, its creditors, and its interest holders. Chapter 11 also strives to promote equality of treatment for similarly situated creditors and interest holders with respect to the distribution of a debtor's assets.

The commencement of a chapter 11 case creates an estate that is comprised of all of the legal and equitable interests of a debtor as of the filing date. The Bankruptcy Code provides that a debtor may continue to operate its business and remain in possession of its property as a debtor in possession.

The consummation of a plan of reorganization is the principal objective of a chapter 11 case. A plan of reorganization sets forth the means for satisfying claims against and interests in a debtor. Confirmation of a plan of reorganization by a bankruptcy court makes such plan binding upon a debtor and any creditor of or equity interest holder in such debtor, whether or not such creditor or equity interest holder (a) is impaired under or has accepted the plan or (b) receives or retains any property under the plan. Subject to certain limited exceptions, and except as otherwise provided in the plan or the confirmation order itself, a confirmation order discharges the debtor from any debt that arose prior to the date of confirmation of the plan and substitutes for those debts the obligations specified under the confirmed plan.

B. Why are the Debtors sending me this Disclosure Statement?

During the Chapter 11 Cases, the Debtors will seek to obtain Court approval of the Plan. Before soliciting acceptances of the Plan, Bankruptcy Code section 1125 requires the Debtors to prepare a disclosure statement containing adequate information of a kind, and in sufficient detail, to enable a hypothetical reasonable investor to make an informed judgment regarding acceptance of the Plan and to share such disclosure statement with all holders of claims and interests whose votes on the Plan are being solicited. This Disclosure Statement is being submitted in accordance with these requirements.

C. Are any material regulatory approvals required to consummate the Plan?

No. There are no known material regulatory approvals that are required to consummate the Plan.

D. What happens to my recovery if the Plan is not confirmed or does not become effective?

In the event that the Plan is not confirmed or does not become effective, there is no assurance that the Debtors will be able to reorganize their business. It is possible that any alternative may provide holders of Claims and Interests with less than they would have received pursuant to the Plan. For a more detailed description of the consequences of an extended chapter

11 case, or of a liquidation scenario, see Section XI.C of this Disclosure Statement, entitled “Liquidation Analysis,” and the Liquidation Analysis attached hereto as **Exhibit C**.

E. If the Plan provides that I get a distribution, do I get it upon Confirmation or when the Plan becomes effective, and what is meant by “Confirmation,” “Effective Date,” and “Consummation”?

“Confirmation” of the Plan refers to approval of the Plan by the Court (“**Confirmation**”). Confirmation of the Plan does not guarantee that you will receive the distribution indicated under the Plan. After confirmation of the Plan by the Court, several conditions need to be satisfied or waived so that the Plan can become effective. Initial distributions will only be made on the date the Plan becomes effective (the “**Effective Date**”) or as soon as reasonably practicable thereafter, as specified in the Plan. The terms “consummation” and “substantial consummation” are sometimes used to indicate the occurrence of the Effective Date. *See Section VII.I* of this Disclosure Statement, entitled “Conditions Precedent,” for a discussion of the conditions precedent to consummation of the Plan.

F. What are the sources of Cash and other consideration required to fund the Plan?

The Plan will be funded by the following sources: Cash on hand, the Exit Facility, and the Rights Offering. The documentation with respect to the Exit Facility will be included in the Plan Supplement.

G. Are there risks to owning New TUSA Common Stock upon emergence from chapter 11?

Yes. *See* Article IX of this Disclosure Statement, entitled “Risk Factors to Be Considered,” which begins on page 76.

H. Is there potential litigation related to the Plan?

Parties in interest may object to the approval of this Disclosure Statement and may object to confirmation of the Plan as well, which objections could potentially give rise to litigation. In the event that it becomes necessary to confirm the Plan over the objection of certain Classes, the Debtors may seek confirmation of the Plan notwithstanding the dissent of such objecting Classes. The Court may confirm the Plan pursuant to the “cramdown” provisions of the Bankruptcy Code, which allow the Court to confirm a plan that has been rejected by an impaired Class if it determines that the Plan satisfies Bankruptcy Code section 1129(b).

I. What is the Management Incentive Program?

The management incentive plan, or MIP, will be adopted and implemented by Reorganized TUSA on the Plan’s Effective Date to compensate and incentivize the senior management team of the Reorganized Debtors. The terms of the MIP will be set forth in the Plan Supplement.

J. How will the preservation of the Causes of Action impact my recovery under the Plan?

The Plan provides for the retention of all Causes of Action other than those that are expressly waived, relinquished, exculpated, released, compromised, or settled as set forth in **Section 5.16** of the Plan.

K. Will there be releases and exculpation granted to parties in interest as part of the Plan?

Yes, the Plan proposes to release the Released Parties and to exculpate the Exculpated Parties. The Debtors' releases, third-party releases, and exculpation provisions included in the Plan are an integral part of the Debtors' overall restructuring efforts and were an essential element of the negotiations among the Debtors, the Prepetition Secured Parties, and the Ad Hoc Noteholder Group in obtaining their support for the Plan.

All of the Released Parties and the Exculpated Parties have made substantial and valuable contributions to the Debtors' restructuring through efforts to negotiate and implement the Plan, which will maximize and preserve the going-concern value of the Debtors for the benefit of all parties in interest. Accordingly, each of the Released Parties and the Exculpated Parties warrants the benefit of the release and exculpation provisions.

Each Holder of a Claim that votes to accept or reject the Plan, unless such Holder checks the box on the ballot and returns such ballot in accordance with the Disclosure Statement Order to opt out of the third party releases contained in Section 9.05 of the Plan, will be deemed to have expressly, unconditionally, generally, individually, and collectively released and discharged all Claims and Causes of Action against Released Parties. The releases are an integral element of the Plan.

Based on the foregoing, the Debtors believe that the releases and exculpations in the Plan are necessary and appropriate and meet the requisite legal standard promulgated by the United States Court of Appeals for the Third Circuit. Moreover, the Debtors will present evidence at the hearing on confirmation of the Plan (the "**Confirmation Hearing**") to demonstrate the basis for and propriety of the release and exculpation provisions. The release, exculpation, and injunction provisions that are contained in the Plan are copied below.

Except as otherwise provided in the Plan, including Section 3.02(b), or in any contract, instrument, release, or other agreement or document created pursuant to the Plan, on the Effective Date, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall be fully released, and discharged, and all of the right, title, and interest of any Holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert to the Reorganized Debtors and their successors and assigns.

2. Release by the Debtors

Pursuant to section 1123(b) of the Bankruptcy Code, as of the Effective Date, the Debtors and their Estates, the Reorganized Debtors, and each of their respective current and former Affiliates shall be deemed to have conclusively, absolutely, unconditionally, irrevocably, and forever released, waived, and discharged the Released Parties from any and all Claims, Interests, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, including any derivative Claims, asserted on behalf of the Debtors, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, that such Entity would have been legally entitled to assert (whether individually or collectively), based on or in any way relating to, or in any manner arising from, in whole or in part, the Debtors, the Debtors' restructuring, the Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors or the Reorganized Debtors, provided under any applicable law, rule, or regulation, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the restructuring of Claims and Interests prior to or in the Chapter 11 Cases, the negotiation, formulation, or preparation of the Plan, the Disclosure Statement, the Cash Collateral Order, the Backstop Commitment Agreement, the Plan Supplement, the Rights Offering, the Exit Facility, any other Plan Transaction Document, or related agreements, instruments, or other documents, upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date of the Plan, other than Claims or liabilities arising out of or relating to any act or omission of a Released Party that constitutes the failure to perform the duty to act in good faith and where such failure to perform constitutes willful misconduct, gross negligence, or actual fraud. Notwithstanding anything to the contrary in the foregoing, the release set forth above does not release any post-Effective Date obligations of any party under the Plan or any document, instrument, or agreement executed to implement the Plan. For the avoidance of doubt, nothing in this paragraph shall in any way affect the operation of Section 9.02 of the Plan, pursuant to section 1141(d) of the Bankruptcy Code.

3. Release by Holders of Claims and Interests

As of the Effective Date, and as permitted by applicable law, the Releasing Parties shall be deemed to have conclusively, absolutely, unconditionally, irrevocably, and forever released, waived, and discharged the Debtors, the Reorganized Debtors, their Estates, non-Debtor Affiliates, and the Released Parties from any and all Claims, Interests, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, including any derivative Claims, asserted on behalf of the Debtors, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, at law, in equity, or otherwise, that such Entity would have been legally entitled to assert (whether individually or collectively), based on or in any way relating to, or in any manner arising from, in whole or in part, the Debtors, the Debtors' restructuring, the Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors or the Reorganized Debtors provided under any applicable law, rule, or regulation, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the restructuring of Claims and Interests prior to or in the Chapter 11 Cases, the negotiation, formulation, or preparation of the Plan, the Disclosure Statement, the Cash Collateral Order, the Backstop Commitment Agreement, the Plan Supplement, the Rights Offerings, the Exit Facility, any other Plan Transaction Document, or

related agreements, instruments, or other documents, upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date of the Plan, other than Claims or liabilities arising out of or relating to any act or omission of a Released Party that constitutes the failure to perform the duty to act in good faith and where such failure to perform constitutes willful misconduct or, gross negligence, or actual fraud. Notwithstanding anything to the contrary in the foregoing, the release set forth above does not release any post-Effective Date obligations of any party under the Plan or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan.

4. Exculpation and Limitation of Liability

The Exculpated Parties shall neither have, nor incur, any liability to any Entity for any Exculpated Claim; *provided, however*, that the foregoing “exculpation” shall have no effect on the liability of any Entity rising out of or relating to any act or omission of a Released Party that constitutes the failure to perform the duty to act in good faith and where such failure to perform constitutes willful misconduct or, gross negligence, or actual fraud.

The Exculpated Parties have, and upon Confirmation shall be deemed to have, participated in good faith and in compliance with the applicable provisions of the Bankruptcy Code, including with regard to the distributions of the New TUSA Common Stock pursuant to the Plan and, therefore, are not and shall not be liable at any time for the violations of any applicable, law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

5. Injunction

The satisfaction, release, and discharge pursuant to Article IX of the Plan shall act as an injunction, from and after the Effective Date, against any Entity (a) commencing or continuing in any manner or in any place, any action, employment of process, or other proceeding; (b) enforcing, attaching, collecting, or recovering in any manner any judgment, award, decree or order; (c) creating, perfecting, or enforcing any lien or encumbrance; (d) asserting a setoff, right of subrogation, or recoupment of any kind against any debt, liability, or obligation due to the Debtors, except as set forth in Section 8.10 or 8.11 of the Plan, in each case with respect to any Claim, Interest, or Cause of Action satisfied, released or to be released, exculpated or to be exculpated, or discharged under the Plan or pursuant to the Confirmation Order and to the fullest extent authorized or provided by the Bankruptcy Code, including to the extent provided for or authorized by sections 524 and 1141 thereof; *provided, however*, that nothing contained herein shall preclude such Entities from exercising their rights pursuant to and consistent with the terms of the Plan or the Confirmation Order; *provided further, however*, that nothing contained herein shall preclude the RBL Agent from exercising any appropriate remedies with respect to any Excluded RBL Obligations.

L. What is the deadline to vote on the Plan?

The Voting Deadline is [•], 2017, at 5:00 p.m. (Eastern).

M. How do I vote for or against the Plan?

Detailed instructions regarding how to vote on the Plan are contained on the ballots distributed to holders of Claims that are entitled to vote on the Plan. For your vote to be counted, your ballot must be completed, signed, and delivered so that it is **actually received** by [●], **2017, at 5:00 p.m. (Eastern)** at the following address: Triangle USA Petroleum Corporation, c/o Prime Clerk LLC (“**Prime Clerk**” or the “**Voting Agent**”), 830 3rd Avenue, 3rd Floor, New York, New York 10022. Except in the Debtors’ sole discretion, ballots may not be transmitted by facsimile, email, or other electronic means. *See* Article X of this Disclosure Statement, entitled “Solicitation and Voting Procedures.”

N. Why is the Court holding a Confirmation Hearing and when will it occur?

Bankruptcy Code section 1128(a) requires the Court to hold a Confirmation Hearing and recognizes that any party in interest may object to confirmation of the Plan.

The confirmation of a plan of reorganization by a bankruptcy court binds the debtor, any issuer of securities under a plan of reorganization, any person acquiring property under a plan of reorganization, any creditor or equity interest holder of a debtor, and any other person or entity as may be ordered by the bankruptcy court in accordance with the applicable provisions of the Bankruptcy Code. Subject to certain limited exceptions, the order issued by the bankruptcy court confirming a plan of reorganization discharges a debtor from any debt that arose before the confirmation of such plan of reorganization and provides for the treatment of such debt in accordance with the terms of the confirmed plan of reorganization.

Shortly after filing this Disclosure Statement, the Debtors will request that the Bankruptcy Court schedule a hearing to consider, among other things, approval of the adequacy of the Disclosure Statement (the “**Disclosure Statement Hearing**”). Following the Disclosure Statement Hearing, the Debtors will commence solicitation of the Plan. Following the Voting Deadline, the Debtors will request that the Court schedule the Confirmation Hearing.

To provide additional notice to parties in interest in these cases, the Debtors will post to a website maintained by the Voting Agent various chapter 11 documents, including the Plan and this Disclosure Statement. The website address is: <https://cases.primeclerk.com/tusa>. Further, the Debtors intend to request Bankruptcy Court approval to publish a notice in (1) *The New York Times* (National Edition) or *The Wall Street Journal*, (2) the *Denver Post*, and (3) the *Williston Herald*.

O. What is the effect of the Plan on the Debtors’ ongoing business?

The TUSA Debtors are reorganizing under chapter 11 of the Bankruptcy Code. As a result, the occurrence of the Effective Date means that the TUSA Debtors will continue as a going concern. Following Confirmation, the Plan will be consummated on the Effective Date, which is a date selected by the Debtors that is the first business day after which all conditions to the Effective Date have been satisfied or waived. *See* Article X of the Plan. On or after the Effective Date, and unless otherwise provided in the Plan, the Reorganized Debtors may operate their business and may use, acquire, or dispose of property and compromise or settle any Claims,

Interests, or Causes of Action without supervision or approval by the Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules. Additionally, upon the Effective Date, all actions contemplated by the Plan will be deemed authorized and approved.

P. Who will serve as the directors or officers of the Reorganized Debtors?

The composition of each board of directors or managers of a Reorganized Debtor, as applicable, and, to the extent applicable, the officers of each Reorganized Debtor, shall be disclosed prior to the Confirmation Hearing in accordance with Bankruptcy Code section 1129(a)(5).

Commencing on the Effective Date, each of the directors and managers of each of the Reorganized Debtors shall be appointed or elected and serve pursuant to the terms of the applicable organizational documents of such Reorganized Debtor and may be replaced or removed in accordance with such organizational documents.

R. Do the Debtors recommend voting in favor of the Plan?

Yes. The Debtors believe the Plan provides for a larger distribution to creditors than would otherwise result from any other available alternative. The Debtors believe the Plan, which

contemplates a significant deleveraging of the Debtors' balance sheet and enables them to emerge from chapter 11 expeditiously, is in the best interest of all holders of Claims, and that any other alternatives (to the extent they exist) fail to realize or recognize the value inherent under the Plan.

S. Who supports the Plan?

The Plan is supported by the Debtors and the Ad Hoc Noteholder Group.

IV. THE DEBTORS AND THEIR BUSINESS AND CAPITAL STRUCTURE

TUSA, incorporated in 2005, is an independent oil and gas exploration and production (“**E&P**”) company focused on the acquisition and development of unconventional shale oil and natural gas resources in the Williston Basin of North Dakota and Montana. The TUSA Debtors' area of primary strategic focus encompasses approximately 78,000 net acres in McKenzie and Williams Counties, North Dakota, and eastern Roosevelt and Sheridan Counties, Montana, which the Debtors collectively refer to as their “core acreage.” The Debtors maintain corporate offices in Denver, Colorado and field locations in North Dakota. The company's non-debtor parent is Triangle Petroleum Corp. TPC is an independent energy company with two lines of business: (1) exploration and production through Triangle USA and (2) gathering, processing and transportation services for crude oil, natural gas and fresh water production through non-debtor affiliate Caliber, which provides gathering services to TUSA and other customers.⁶

A. History

TPC was founded in 2003 as Peloton Resources Inc.⁷ and has been operating as Triangle Petroleum Corporation since 2005. TUSA was also incorporated in 2005.⁸ Triangle was initially headquartered in Calgary, Alberta, and concentrated on the acquisition and operation of oil and gas interests in Canada. Following a management change in late 2009, Triangle moved its corporate offices to Denver, Colorado, and recentered its business on acquiring non-operating interests in the Williston Basin.

In 2011, Triangle transitioned its focus from non-operating to operating interests in the Williston Basin. Triangle spud its first well in October 2011. Over the next three years, Triangle's business expanded rapidly, bolstered by favorable commodity prices and strong operational performance. TUSA aggressively expanded its footprint by acquiring attractive leasehold interests and related producing properties from Kodiak Oil & Gas, Marathon, and others. Concurrently, Triangle undertook a number of strategic initiatives to develop a strong platform for long-term growth. Recognizing that the relative lack of established oilfield services and midstream businesses in the Williston Basin presented a significant competitive opportunity,

⁶ TPC previously owned non-Debtor RockPile Energy Services, LLC (“**RockPile**”), which provides oilfield services. RockPile was sold on September 8, 2016 to White Deer Energy.

⁷ TPC (then Peloton Resources Inc.) was incorporated as a Nevada corporation; it reincorporated as a Delaware corporation in 2012.

⁸ Ranger Fabrication, LLC was formed as a Delaware limited liability company in 2014.

Triangle proactively expanded its business to include complementary oilfield services and gathering business lines. RockPile and Caliber, which provide oilfield services and gathering services, respectively, commenced operations in 2012.

B. TUSA’s Exploration and Production Business

1. The Williston Basin

TUSA is a premier, independent E&P operator in the Williston Basin. Spanning approximately 150,000 square miles across the Dakotas, Montana, and southern Canada, the Williston Basin is among the largest shale oil reservoirs in North America. The principal geologic targets in the Williston Basin are the Bakken shale and Three Forks formations, which collectively contain an estimated 7.4 billion barrels of oil, 6.7 trillion cubic feet of natural gas, and 500 million barrels of natural gas liquids.⁹

Although the first Williston Basin well was drilled in 1951, production levels remained modest until the application of horizontal drilling, hydraulic fracturing, and other unconventional techniques to the Middle Bakken shale beginning in the mid-2000s. These techniques precipitated an exponential increase in production, peaking at over 1.2 million barrels per day in 2014 and turning North Dakota into the second largest oil-producing state in the country. As one of the largest unconventional plays in North America, the Williston Basin is highly competitive, with dozens of E&P operators—ranging from major integrated operators to small independent producers—active in the region.

Oil and gas production in the Williston Basin is constrained by substantial technical and economic challenges. As noted, successful exploitation of the Bakken shale and Three Forks formations depends on unconventional and capital-intensive exploration and drilling technologies, including horizontal drilling and hydraulic fracturing. The Williston Basin is further constrained by limited gathering infrastructure and long-distance pipeline capacity. As a result, Williston Basin operators rely more heavily on truck and rail transportation for gathering and interstate takeaway than operators in more mature plays. Owing to these and other factors, the Williston Basin has relatively high break-even costs and differentials, making it more susceptible to commodity price fluctuations than more established plays.

2. The TUSA Debtors’ Oil and Gas Assets

The TUSA Debtors’ oil and gas interests comprise approximately 3,500 leases across approximately 230,000 gross (approximately 100,000 net) acres in the Williston Basin, containing total proved reserves of approximately 76,590 Mboe¹⁰ as of August 2016. The TUSA Debtors operate 146 gross producing wells and 74 drilling-space units (“Units”), plus 12 drilled

⁹ See U.S. Geological Survey, Fact Sheet 2013-3013, *Assessment of Undiscovered Oil Resources in the Bakken and Three Forks Formations, Williston Basin Province, Montana, North Dakota, and South Dakota* at 1 (2013).

¹⁰ “Boe,” or “barrel of oil equivalent” is a metric that aggregates hydrocarbons of various types (crude oil, natural gas, etc.) into a single unit of measurement. “Mboe” denotes one thousand Boe. The figure reported here is predicated on pricing assumptions dictated by SEC regulations, which may not accurately reflect the true economic value of the Debtors’ petroleum reserves.

but uncompleted wells. In addition, the TUSA Debtors hold non-operating working interests in 355 Units, comprising 529 gross wells and 26 wells on a net basis. The TUSA Debtors' core acreage has high oil saturation, is slightly over-pressured, and has the potential for multiple productive benches. The TUSA Debtors operate approximately 49,000 net acres (or 63%) of the core acreage.

The TUSA Debtors target the Middle Bakken formation between the Upper and Lower Bakken shales at an approximate vertical depth of 10,300 to 11,300 feet. The TUSA Debtors also target the Three Forks formation, which is present immediately below the Lower Bakken Shale. Figures showing the horizontal and vertical extent of the Bakken and Three Forks formations are set forth below.

Map of Williston Basin with Bakken and Three Forks Formations

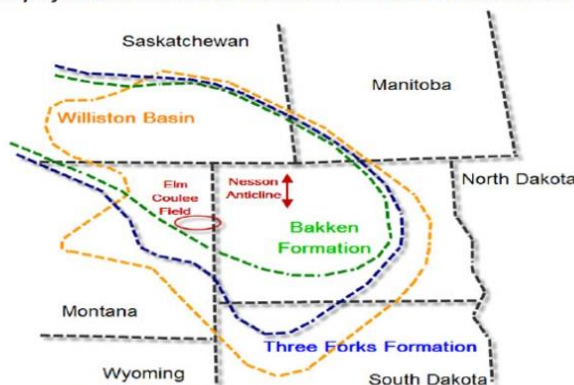

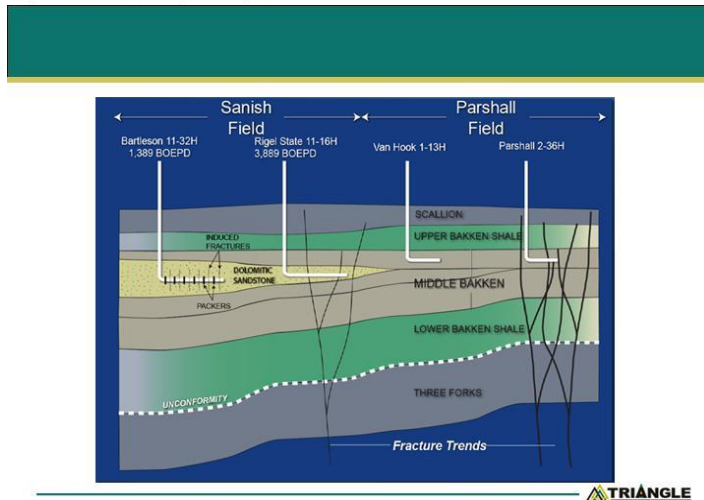

Figure 1. Source: US Geological Survey, 2013

The TUSA Debtors exploit these targets using a combination of advanced drilling and completion techniques, including horizontal drilling and hydraulic fracturing. The Debtors have refined these techniques over time, reducing well completion costs and increasing aggregate production per well.

3. Gathering, Transportation, and Processing

Transportation of produced oil and gas poses significant challenges for Williston Basin operators. Despite the market downturn, production in the Williston Basin continues to exceed long-distance pipeline capacity, forcing some producers to ship produced hydrocarbons by rail, thereby increasing costs. The pipeline take-away deficit has narrowed substantially as production has slowed and new pipelines have come online, but pipeline capacity remains inadequate.

Williston Basin producers face similar logistical challenges in gathering and transporting produced hydrocarbons from the wellhead to intermediate delivery points. Because gathering infrastructure in the Williston Basin remains relatively undeveloped, Williston Basin operators have relied disproportionately on flaring natural gas and trucking crude oil and water.

To alleviate these challenges, in October 2012, Triangle entered into a joint venture with First Reserve Caliber Holdings LLC (“**First Reserve**”) to form Caliber and construct a pipeline gathering system to service TUSA and third-party wells in the Williston Basin. The Caliber system provides a suite of gathering services, including crude oil gathering, stabilization, and transportation; natural gas gathering and processing and natural gas liquids takeaway; produced water transportation and disposal; freshwater and maintenance water delivery; and measurement services, storage, and other ancillary offerings. Caliber’s infrastructure consists of over 300 miles of gathering pipeline, crude oil stabilization facilities, long-distance pipeline interconnects, natural gas refrigeration facilities, produced water disposal wells, and other facilities.

Caliber provides gathering services to TUSA pursuant to several long-term midstream services agreements (the “**Caliber Midstream Agreements**”).¹¹ The two most significant of these in terms of cost relate to gathering and related services for crude oil and gas and water (together, the “**Primary MSAs**”). The Primary MSAs provide that Caliber will be the exclusive provider of the applicable midstream services for certain Units operated by TUSA. Most of these Units are located in and around TUSA’s core acreage in McKenzie County. In addition to the Primary MSAs, TUSA and Caliber are parties to several ancillary agreements for measurement services, natural gas liquids handling, fresh water delivery, and produced water gathering and disposal services.

Finally, under a separate revenue commitment agreement, TUSA agreed to deliver specified minimum monthly revenues to Caliber, irrespective of the volumes of oil, natural gas, produced water, and fresh water actually serviced by Caliber. The cumulative minimum revenue commitment over the 15-year term of the revenue commitment agreement is \$405.0 million, of which \$322.5 million (exclusive of the “credit” described below) was outstanding as of July 31, 2016. The revenue commitment agreement permits TUSA to build credits against future monthly commitments equal to the amount by which actual monthly revenues under the Primary MSAs exceed TUSA’s minimum monthly revenue commitment. As of July 31, 2016, TUSA had accrued a cumulative credit of \$29.6 million. Credits may be carried

¹¹ Any summary of an agreement in this Disclosure Statement is a reference to such agreement as amended, supplemented, or otherwise modified from time to time and is qualified in its entirety by the terms of that agreement.

forward for a period of four years from the date of the accrual. TUSA is required to pay Caliber for any deficiency in actual monthly revenues if no credits are available.

As of fiscal year end 2016,¹² 111 of the TUSA Debtors' operated wells were connected to the Caliber system. Certain of the TUSA Debtors' wells that are not connected to the Caliber system are connected to gathering pipelines owned and operated by other midstream companies.¹³ In total, 99% of the TUSA Debtors' operated wells are connected to gas sales; 92% of their operated wells are connected to crude oil gathering and processing systems; 82% of their operated wells are connected to produced water gathering lines; and 80% of their operated wells are connected to freshwater delivery lines.¹⁴

4. Oil and Gas Sales

Produced oil and gas from the TUSA Debtors' operated wells is sold at the wellhead, or a location nearby, under short-term agreements with various purchasers. While the pricing terms of these agreements vary by purchaser, they all reflect a price determined by the current NYMEX West Texas Intermediate contract, less a discount (also known as a "differential") that is either calculated, fixed, or a combination of calculated and fixed. The differential reflects a number of factors, including transportation costs and the physical characteristics of the produced oil. In fiscal year 2016, the TUSA Debtors sold operated well production directly to 11 oil purchasers, two NGL purchasers, and six natural gas purchasers. For the TUSA Debtors' economic interests in wells operated by third-parties—which include a variety of E&P companies—substantially all of their sales of crude oil and natural gas in fiscal years 2014, 2015, and 2016 was sold through arrangements made by the wells' operators and at sales points at or close to the producing wells.

The TUSA Debtors' average daily production increased from 11,441 boep/d in fiscal year 2015 to 13,416 boep/d in fiscal year 2016.¹⁵ Approximately 85% of the production in fiscal year 2016 was attributable to wells operated by the TUSA Debtors. The TUSA Debtors realized approximately \$181 million in revenue from oil and gas sales in fiscal year 2016, compared to approximately \$284 million for fiscal year 2015.

¹² The Debtors' fiscal year ends on January 31. Any references in this this Disclosure Statement to a particular fiscal year refer to a 12-month period beginning on February 1 of the previous year and ending on January 31 of that year. For example, fiscal year 2016 refers to the period from February 1, 2015 through January 31, 2016.

¹³ Unlike Caliber, the TUSA Debtors' other midstream providers purchase produced oil and gas at the wellhead. Thus, while the prices these counterparties pay to purchase the TUSA Debtors' oil and gas reflects the midstream services they provide, the TUSA Debtors do not separately pay for such services.

¹⁴ The economic terms of the Caliber Midstream Agreements are substantially above market given prevailing commodity prices. A principal objective of the Debtors' restructuring is to realign the Debtors' gathering, transportation, and processing expenses with market conditions.

¹⁵ This increase in production was offset by a 46% decrease in weighted average realized prices from \$68.13 per boe for fiscal year 2015 to \$37.01 per boe for fiscal year 2016.

5. Hedging Arrangements

To reduce exposure to adverse fluctuations in crude oil prices and achieve more predictable cash flow, the TUSA Debtors historically employed commodity derivative instruments for a portion of their crude oil production.

On the Petition Date, the TUSA Debtors were party to one derivative contract with a bank within the syndicate of lenders for TUSA's senior secured reserve-based credit facility. Shortly after the Petition Date, the TUSA Debtors liquidated their position under this contract. Proceeds of the liquidation were applied to the outstanding balance of the RBL Credit Facility by way of setoff.

C. Ranger Fabrication's Business

The remaining Debtors in these cases—Ranger Fabrication, LLC and its two Debtor subsidiaries—operated a fabrication business that specialized in the manufacture and sale of specialized equipment used in the E&P and midstream industries. Ranger's customers included TUSA and Caliber, among others. Ranger ceased operations in early 2016, and its remaining assets were liquidated at auction on March 17, 2016, generating net proceeds of approximately \$375,000. At the time, Ranger had secured indebtedness of approximately \$1 million, all of which was held by its parent, TPC.¹⁶ Because the auction proceeds were insufficient to satisfy Ranger's secured debt in full, its unsecured creditors were left unpaid, and all of the secured debt of the Ranger debtors will be treated as an unsecured deficiency claim pursuant to the Plan.

D. Corporate Structure

Non-Debtor TPC is the direct or indirect parent company of each of the Debtors and non-Debtor affiliates. TPC, a Delaware corporation, is publicly traded on the NYSE MKT (TPLM). TPC is the direct parent of TUSA. TUSA, a Colorado corporation, is, in turn, the direct parent of Debtors Foxtrot Resources LLC ("**Foxtrot**") and Leaf Minerals, LLC ("**Leaf Minerals**"), each of which is a Colorado limited liability company. TPC is also the direct parent of Debtor Ranger Fabrication, LLC, a Delaware limited liability company. Ranger Fabrication, LLC is, in turn, the direct parent of Debtors Ranger Fabrication Management Holdings, LLC and Ranger Fabrication Management, LLC, each of which is also a Delaware limited liability company.

TPC houses certain of the Company's shared services and corporate functions. TUSA and its subsidiaries comprise the Company's E&P business. TUSA conducts most of the Debtors' E&P operations. Foxtrot holds oil and gas leases in Montana, and Leaf Minerals owns certain non-operating mineral interests. Ranger, previously an oilfield services fabrication business that primarily supplied to Caliber and TUSA, ceased operations in early 2016. A corporate organization chart depicting the ownership structure of the Debtors and their non-Debtor affiliates is attached hereto as **Exhibit D**.

¹⁶ The majority of the TPC-held Ranger debt was purchased by TPC from Wells Fargo Equipment Finance, Inc.

E. Capital Structure

As of June 29, 2016, TUSA and its subsidiaries owed or guaranteed approximately \$689 million in long-term debt.¹⁷ As described in greater detail below, the Debtors' debt obligations included: (a) approximately \$308 million principal amount of outstanding loans and letter of credit exposure under TUSA's senior secured reserve-based revolving credit facility¹⁸ and (b) approximately \$381 million of TUSA's 6.75% senior unsecured notes due 2022.

1. The RBL Credit Facility

TUSA is party to a senior secured reserve-based credit facility (the "**RBL Credit Facility**") under that certain Second Amended and Restated Credit Agreement (as amended, the "**RBL Credit Agreement**"), with Wells Fargo Bank, National Association, as administrative agent (in such capacity, the "**RBL Agent**") and issuing lender, and the lenders party thereto (the "**RBL Lenders**"). TUSA's obligations under the RBL Credit Facility are guaranteed by Foxtrot and Leaf Minerals and secured by (a) liens on and security interests in substantially all of TUSA's proved hydrocarbon reserves; and (b) liens and security interests in substantially all of the non-oil and gas assets, including cash, of TUSA, Foxtrot, and Leaf Minerals, other than certain excluded collateral, and including pledges of TUSA's membership interests in Foxtrot and Leaf Minerals, certificates representing such membership interests, if any, and any of TUSA's rights to money or property in respect of such membership interests. The scheduled maturity of the RBL Credit Facility is October 16, 2018.

The RBL Credit Facility has a nominal commitment amount of \$1 billion, but the maximum credit available to TUSA at any given time is limited by the borrowing base then in effect. The borrowing base under the RBL Credit Agreement is redetermined by the RBL Agent and RBL Lenders semi-annually, on or about May 1 and November 1. The borrowing base is also subject to up to four interim, unscheduled redeterminations each calendar year—up to two at the election of TUSA and up to two at the election of the RBL Agent or the Required Lenders (as defined in the RBL Credit Agreement).

On April 28, 2016, the RBL Agent redetermined the borrowing base from \$350 million to \$225 million. The amount then outstanding under the RBL Credit Facility—approximately \$350 million—exceeded the new borrowing base by approximately \$125 million, resulting in a borrowing base deficiency. Pursuant to the RBL Credit Agreement, TUSA elected to pay the deficiency in three equal monthly installments of approximately \$42 million, the first of which was paid on May 31, 2016. As of the Petition Date, approximately \$308 million remained outstanding under the RBL Credit Agreement, including outstanding letters of credit and other ancillary obligations, plus interest and costs.

¹⁷ TPC also has outstanding long-term debt. However, TPC does not guarantee any substantial indebtedness of its subsidiaries. Accordingly, the information provided in this Disclosure Statement is limited to the funded indebtedness of the TUSA Debtors. Further information on Triangle's other funded indebtedness is set forth in TPC's Form 10-K for fiscal year 2016, filed on April 14, 2016.

¹⁸ The current balance under such facility (including letter of credit exposure) is \$306 million.

2. The TUSA Notes

TUSA also has substantial funded indebtedness under its senior unsecured notes. Pursuant to that certain Indenture dated as of July 18, 2014, by and among Wilmington Trust, National Association, as Trustee, TUSA, and the subsidiary guarantors listed thereto, TUSA issued \$450 million aggregate principal amount of 6.75% senior notes with a maturity date of July 15, 2022 (the “**TUSA Notes**”). The obligations under the TUSA Notes are guaranteed on an unsecured basis by Foxtrot and Leaf Minerals. As of the Petition Date, the TUSA Notes had an outstanding principal balance of approximately \$381 million.

3. The Ranger Indebtedness

As of March 2016, when Ranger’s remaining assets were sold at auction, the Ranger Debtors had secured debt obligations of approximately \$1.55 million consisting of:

(a) Approximately \$250,000 in aggregate principal pursuant to (i) that certain Combination Loan and Security Agreement dated as of November 18, 2014 between Wells Fargo Equipment Finance, Inc. (“**WFEFI**”) and Ranger Fabrication, LLC, (ii) that certain Security Agreement dated as of May 4, 2015 between WFEFI and Ranger Fabrication, LLC, and (iii) that certain Promissory Note dated as of April 24, 2015 between WFEFI and Ranger Fabrication, LLC (collectively, the “**Wells Equipment Financing**”); and

(b) Approximately \$50,000 in aggregate principal pursuant to that certain Secured Credit Agreement dated as of February 16, 2016 by and between Ranger Fabrication, LLC and TPC.

The Wells Equipment Financing was assigned to TPC in December 2014, making TPC the Ranger Debtors’ sole secured creditor. As noted above, Ranger’s remaining assets were liquidated at auction in March 2016, resulting in net proceeds insufficient to satisfy Ranger’s secured indebtedness in full. In addition to their funded debt, the Ranger Debtors have approximately \$1.25 million in unsecured trade claims. Because the assets of Ranger were insufficient to repay its secured obligations in full, such previously secured obligations shall be treated pro rata with the \$1.25 million in unsecured trade claims under the Plan.

V. EVENTS LEADING TO THE CHAPTER 11 FILINGS

A. Challenging Macroeconomic Conditions

The Debtors commenced the Chapter 11 Cases in the midst of a historically severe downturn in the commodity markets, with the objective of realigning their capital structure with new market realities. Since fall 2014, commodity prices have fallen dramatically, with crude oil and natural gas spot prices falling from approximately \$105/Bbl and \$4.75/MMBtu, respectively, in mid-2014 to approximately \$26/Bbl and \$1.50/MMBtu, in early 2016. Numerous factors have contributed to the market downturn. Increased domestic production attributable to more efficient exploitation of unconventional plays, coupled with unconstrained production among OPEC countries, has led to a global supply glut. At the same time, aggregate demand for oil and gas has softened as economic growth in developing nations eases.

The commodity price downturn has had predictable consequences on the Debtors' financial results. Excluding the effects of hedges and derivative activities, the Debtors' weighted average sale price per barrel of oil equivalent fell from \$68 in fiscal year 2015 to \$37 in fiscal year 2016. As a result, the Debtors' revenue declined over \$100 million from fiscal year 2015 to fiscal year 2016, despite a 17% year-over-year increase in average daily production volumes. The same trends are evident in the Debtors' proved reserve values, which fell from nearly \$1 billion to approximately \$330 million between fiscal years 2015 and 2016.¹⁹ Further, while the Debtors have implemented numerous initiatives to control costs and manage liquidity during the market downturn, many aspects of their cost structure—including their cost of midstream services—are relatively inelastic.

Future commodity prices are impossible to forecast with certainty. Unpredictable factors such as geopolitical instability, war, weather, and others significantly influence the direction of the oil and gas markets. However, as forward price curves indicate, the market does not anticipate a sharp, near-term rebound in prices. Accordingly, the Debtors' principal strategic objective is to manage a prolonged period of depressed prices, while also positioning themselves to capture upside opportunities as market conditions improve.

B. Cost and Liquidity Management

1. Operational Initiatives

The Debtors responded to the fall in commodity prices with numerous efforts to proactively manage liquidity and preserve value for stakeholders, including reductions in capital expenditures, targeted sales of non-core assets, and reductions in G&A spending.

To more closely align capital expenditures with cash flows, the Debtors released their four active drilling rigs in fiscal year 2016, resulting in aggregate capital expenditure reductions of 74%. During fiscal year 2016, the Debtors delivered 18 gross drilled but uncompleted wells for completion as commodity prices warranted. The Debtors realized a 73% year-over-year reduction in drilling and completion costs in fiscal year 2016 and have achieved drilling and completing cost reductions of \$1.6 to \$1.9 million since March 2015, indicating that, to the extent the Debtors have continued to drill and complete new wells, they have done so more efficiently, and for less cost, than in the past. The Debtors' fiscal year 2017 capital expenditure program continues to emphasize disciplined cost control and is tailored to projected cash flow, with flexibility to opportunistically expand capital expenditures as commodity prices warrant.

The Debtors also explored opportunities to enhance liquidity by monetizing non-core oil and gas properties and other assets as market conditions warranted. Owing to generally depressed asset sale values and other factors, the Debtors ultimately did not identify many

¹⁹ These amounts represent the PV-10 value of the Debtors' proved reserve as reported in TPC's Form 10-K for fiscal year 2016 and are based on pricing assumptions dictated by SEC regulations. While the Debtors believe that the SEC's pricing assumptions are conservative—and thus that the actual economic value of their proved reserves may be significantly higher—the year-over-year change in the referenced values is nonetheless illustrative of the substantial decline in reserve values the Debtors have experienced.

favorable sale opportunities. Nonetheless, in February 2016, the Company sold approximately 550 acres of non-operating oil and gas leases to a counterparty for approximately \$410,000.

Finally, the Debtors achieved significant G&A cost reductions by, among other things, implementing targeted workforce reductions in January 2016, resulting in projected annual cost savings of approximately 40%.

2. Financing Activities

The Debtors judiciously managed their access to liquidity under the RBL Credit Facility. In April 2015, the RBL Credit Facility was amended to replace the existing total funded debt leverage ratio with a senior secured leverage ratio covenant, add an interest coverage ratio, and add an equity cure right for non-compliance with the financial covenants, giving TUSA additional “headroom” on its financial covenants. In early 2016, TUSA made two draws under the RBL Credit Facility: (a) a borrowing of approximately \$30 million in January 2016 and (b) a subsequent borrowing of approximately \$105 million in late March 2016, the latter representing substantially all remaining availability under the RBL Credit Facility, relative to the then-existing borrowing base.

As discussed above, on April 28, 2016, the RBL Agent redetermined the borrowing base under the RBL Credit Facility from \$350 million to \$225 million. Because the RBL Credit Facility was substantially fully drawn as of the redetermination date, the redetermination resulted in a borrowing base deficiency of approximately \$125 million. Pursuant to the RBL Credit Agreement, TUSA elected to pay the deficiency in three equal monthly installments of approximately \$42 million, the first of which was paid on May 31, 2016.

In connection with its first installment payment, TUSA requested that the RBL Agent and RBL Lenders waive certain potential financial covenant violations for the fiscal quarter ended April 30, 2016, or forbear from exercising remedies in connection with such potential defaults. On May 27, 2016, TUSA and the RBL Lenders agreed to a forbearance until July 8, 2016, subject to various terms and conditions.

C. Restructuring Negotiations

Despite Triangle’s myriad of efforts to control costs and manage liquidity, Triangle recognized that a prolonged downturn in commodity prices could necessitate a more comprehensive deleveraging transaction. Accordingly, in March 2016, Triangle announced its retention of legal and financial advisors to assist in evaluating strategic alternatives. In collaboration with its restructuring advisors, Triangle carefully evaluated a range of strategic options, including selling material assets or business segments; seeking additional financing; or refinancing, recapitalizing, or restructuring all or a portion of the Company’s existing debt. Triangle carefully considered various means of effectuating one or more strategic transactions, including both in-court and out-of-court alternatives.

Beginning in March 2016 and continuing through the Petition Date, Triangle engaged in intensive negotiations with its principal stakeholders, including holders of a substantial majority

by value of the TUSA Notes; Caliber and First Reserve; NGP Triangle Holdings (“NGP”);²⁰ and the RBL Agent and RBL Lenders.

1. Triangle’s Consolidated Restructuring Efforts

In March 2016, TPC and one of the largest holders of the TUSA Notes entered into a non-disclosure agreement and commenced discussions regarding a consensual restructuring or recapitalization of Triangle. These discussions focused initially on a consolidated restructuring involving TPC, TUSA, and Caliber. In broad terms, the parties discussed a reconstitution of Triangle’s E&P and midstream business lines through the allocation of reorganized TPC equity among the principal stakeholders of TPC, TUSA, and Caliber.

The Company subsequently entered into non-disclosure agreements and began discussions with First Reserve and NGP regarding a consolidated restructuring. For various reasons, however, neither party was amenable to a transaction of that nature. NGP indicated that it preferred to receive a cash recovery. Caliber likewise indicated that it would seek to enforce its existing contracts with TUSA rather than participate in a global restructuring.²¹

2. The Debtors’ “Standalone” Restructuring Efforts, Plan Support Agreement, and Authority to Use Cash Collateral

Given the lack of sufficient stakeholder support from NGP and First Reserve for a consolidated restructuring, the Debtors refocused their efforts on a “standalone” restructuring of TUSA. In late May and early June 2016, noteholders collectively holding over 80% in aggregate principal amount of the TUSA Notes (the “**Participating Noteholders**”) engaged legal and financial advisors and organized an ad hoc group to negotiate a standalone TUSA restructuring.

On June 29, 2016, the Debtors and the Participating Noteholders holding approximately 73% by amount of the TUSA Notes negotiated a Plan Support Agreement (the “**PSA**”). The PSA outlined the terms of a consensual, prearranged chapter 11 plan that Participating Noteholders agreed to support. Under the contemplated plan, the Debtors would have paid the existing RBL Credit Facility in full in cash on the effective date of the plan (or other consensual treatment acceptable to the Prepetition Secured Parties) and exchange the TUSA Notes for 100% of the new common stock of reorganized TUSA, subject to dilution from, among other things, other general unsecured claims and a management incentive plan. The PSA also contemplated a new money rights offering. On June 30, 2016, the Debtors filed a motion with the Bankruptcy Court to, among other things, assume the PSA [Docket No. 14]. On August 4, 2016, the Bankruptcy Court entered an order denying Debtors’ assumption of the PSA [Docket No. 210].

²⁰ NGP holds TPC’s 5% convertible note with an initial principal amount of \$120 million (the “**TPC Convertible Note**”).

²¹ To this end, on May 27, 2016, Caliber’s subsidiary, Caliber North Dakota, LLC, filed a complaint against TUSA in North Dakota state court for a declaratory judgment that certain “dedications” of oil and gas properties set forth in the Primary MSAs are valid and enforceable real covenants that “run with the land” under North Dakota law. The Debtors dispute the allegations in the declaratory judgment complaint. For a further discussion of the Cash Collateral motions and orders, see *infra* Section VI.G.

D. Orderly Wind Down of the Ranger Debtors

As noted above, Ranger ceased operations and liquidated its remaining assets in early 2016. The Ranger auction generated insufficient cash proceeds to fully repay Ranger's secured debt and, as a result, no proceeds were available for distribution to Ranger's unsecured creditors. While the Debtors believe that Ranger's general unsecured creditors have received all to which they are legally entitled, given Ranger's unsatisfied secured debt, certain Ranger creditors have nonetheless commenced lawsuits or issued demands against Ranger on account of their unpaid claims. To avoid the distraction of responding to such proceedings and demands in ad hoc fashion, the Debtors, with the support of the Ad Hoc Noteholder Group, believe that a chapter 11 plan of liquidation represents the fairest and most efficient way to complete Ranger's wind down. The Debtors anticipate that a proposed cash distribution to Ranger's unsecured creditors under the Plan will result in better recoveries for such creditors than would otherwise be possible. For a further discussion of the Plan distributions to Holders of Allowed Ranger Unsecured Claims, see *infra* Article VII.

VI. THE CHAPTER 11 CASES

A. First Day Papers

Each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code on June 29, 2016. Recognizing that any interruption of the Debtors' business, even for a short period, could negatively impact customer and vendor relationships and the Debtors' goodwill, revenue, and profits, which would be detrimental to the value of the Debtors' estates, the Debtors filed certain first day motions authorizing the Debtors to continue operating their businesses in the ordinary course. The first day motions sought to stabilize the Debtors' operations and were designed to facilitate a smooth transition into chapter 11 and ease the strain on the Debtors' business as a consequence of the filing of the Chapter 11 Cases. The following summary highlights certain of the first day orders.

1. Cash Collateral Motion [Docket No. 12]

By interim order granted on June 30, 2016 [Docket No. 44], the Bankruptcy Court authorized the Debtors to use cash collateral until August 4, 2016, granted adequate protection to the RBL Agent, the RBL Lenders, and the other "Secured Parties" under and as defined in the RBL Credit Agreement (collectively, the "**Prepetition Secured Parties**"), and granted other related relief.

At the omnibus hearing on August 1, 2016, the Debtors presented to the Bankruptcy Court an agreed form of final order authorizing the Debtors to use cash collateral. The proposed form of final order provided for the automatic termination of the Debtors' right to use cash collateral if the PSA was not approved by the Court on or before August 15, 2016. At the hearing, the Bankruptcy Court approved such form of order. However, at the same hearing, and as discussed above, the Bankruptcy Court denied the Debtors' motion to assume the PSA, which was a material condition to the effectiveness of the agreed form of order. On August 4, 2016, the Bankruptcy Court entered an order amending the interim cash collateral order [Docket No. 209] and extending the Debtors' authority to use cash collateral under the interim order to

September 6, 2016. Following extensive negotiations, the Debtors, the Ad Hoc Noteholder Group, and the Prepetition Secured Parties reached an agreed form of final order, which the Bankruptcy Court entered on September 12, 2016 [Docket No. 295] (the “**Final Cash Collateral Order**”).

The Final Cash Collateral Order, among other things, authorizes the Debtors to use cash collateral and grants adequate protection to the Prepetition Secured Parties. In addition, the order contains certain milestones for filing, soliciting acceptance of, confirming, and consummating a chapter 11 plan (as defined therein, the “**Plan Milestones**”). Upon the Debtors’ failure to meet one of the Plan Milestones, the Debtors may continue to use cash collateral if they “toggle” to a process to sell substantially all of their assets (as defined in the Final Cash Collateral Order, the “**Sales Process**”), in conformance with certain proscribed Sale Milestones (as defined in the Final Cash Collateral Order). The Sale Milestones are designed to ensure consummation of the sale within 16 weeks of the commencement of the Sales Process.

2. Cash Management Motion [Docket No. 11]

The Bankruptcy Court authorized the Debtors to continue using their cash management systems and their respective bank accounts, business forms, and intercompany transactions, and authorized a waiver of, or extension of time to comply with, requirements under Bankruptcy Code section 345(b) by an order granted on August 5, 2016 [Docket No. 215].

3. Wages and Benefits Motion [Docket No. 6]

By interim order granted on June 30, 2016 [Docket No. 39] and final order granted on August 1, 2016 [Docket No. 181], the Bankruptcy Court authorized the Debtors to pay prepetition wages, compensation, and amounts associated with employee benefit programs and continue such programs in the ordinary course.

4. Insurance Motion [Docket No. 7]

By order granted on June 30, 2016 [Docket No. 43] and final order granted on August 3, 2016, the Bankruptcy Court authorized the Debtors to pay and maintain various insurance policies, including, among other things, general liability, workers’ compensation liability, directors and officers liability, umbrella liability, automotive liability, pollution and remediation, commercial crime liability, employment practices liability, energy liability, excess liability, fiduciary liability, small computer and electronic data processing liability, and property liability.

5. Taxes Motion [Docket No. 8]

By order granted on June 30, 2016 [Docket No. 40] and final order granted on August 3, 2016 [Docket No. 204], the Bankruptcy Court authorized the Debtors to pay certain prepetition fees and taxes to various federal, state, county, and city taxing and licensing authorities.

6. Utilities Motion [Docket No. 9]

By interim order granted on June 30, 2016 [Docket No. 45] and final order granted on August 16, 2016 [Docket No. 226], the Bankruptcy Court established procedures for determining adequate assurance of payment for future utility services.

7. Oil and Gas Obligations Motion [Docket No. 10]

By interim order granted on June 30, 2016 [Docket No. 10] and final order granted on August 1, 2016 [Docket No. 189], the Bankruptcy Court authorized the Debtors to continue paying certain obligations in connection with their oil and gas properties in the ordinary course of business.

B. Procedural Motions and Professional Retention Applications.

The Debtors filed several procedural motions that are standard in chapter 11 cases of similar size and complexity, as well as applications to retain the various professionals who will be assisting the Debtors during the Chapter 11 Cases.

1. Administrative Motions: Motion for Joint Administration [Docket No. 3], Motion to File Consolidated List of Creditors [Docket No. 4], and Application to Retain Claims and Noticing Agent [Docket No. 5]

To facilitate a smooth and efficient administration of the Chapter 11 Cases and to reduce the administrative burden associated therewith, by an order granted on June 30, 2016, the Bankruptcy Court authorized joint administration of the Debtors' cases for procedural purposes only [Docket No. 37]. By an order granted on July 5, 2016, the Bankruptcy Court authorized the Debtors to file consolidated lists of creditors for the TUSA Debtors and the Ranger Debtors [Docket No. 65]. The Court further authorized the retention of Prime Clerk as claims and noticing agent by an order granted on June 30, 2016 [Docket No. 38].

2. Applications for Retention of Professionals

The Bankruptcy Court has approved the Debtors' retention of certain Professionals to represent and assist the Debtors in connection with the Chapter 11 Cases. These Professionals include, among others: (a) Skadden, Arps, Slate, Meagher & Flom as counsel for the Debtors (order granted August 1, 2016) [Docket No. 186]; (b) Prime Clerk as administrative advisor for the Debtors (order granted August 1, 2016) [Docket No. 180]; (c) AP Services, LLC to provide interim management services and designate John R. Castellano to serve as Chief Restructuring Officer (order granted August 1, 2016) [Docket No. 185]; (d) PJT Partners LP ("PJT") as their investment banker (order granted August 1, 2016) [Docket No. 187]; and (e) KPMG LLP as auditor for the Debtors (order granted October 20, 2016) [Docket No. 350].

The Bankruptcy Court has also authorized the Debtors to retain certain professionals utilized by the Debtors in the ordinary course of business prior to the Petition Date (order granted August 1, 2016) [Docket No. 184]. Further, the Bankruptcy Court has authorized the interim compensation and reimbursement of professional expenses during these cases (order granted August 1, 2016) [Docket No. 183].

C. Schedules and Statements

On July 25, 2016, the Bankruptcy Court entered an order extending the Debtors' deadline to file their Schedules of Assets and Liabilities (the "**Schedules**") and Statements of Financial Affairs (the "**Statements**," and together with the Schedules, the "**Schedules and Statements**") to August 28, 2016 [Docket No. 116]. The Debtors filed their Schedules and Statements on August 26, 2016 [Docket Nos. 248-259].

D. Executory Contracts and Unexpired Leases

The Bankruptcy Code authorizes a debtor, subject to the approval of the Bankruptcy Court, to assume, assume and assign, or reject Executory Contracts and Unexpired Leases. The Debtors are engaged in an evaluation of their Executory Contracts and Unexpired Leases.

During the course of the Chapter 11 Cases, the Debtors and their Professionals have evaluated Executory Contracts and Unexpired Leases in the context of the Debtors' business plan. The Debtors continue to evaluate their options in connection with each of these Executory Contracts and Unexpired Leases including the potential assumption, rejection, or amendment and assumption thereof. As discussed in Section VI.F of this Disclosure Statement, certain of the Executory Contracts—the Specified Caliber Contracts—are the subject of litigation pending in the Bankruptcy Court, pursuant to which the Debtors seek authority to reject one or more of such contracts. As part of the Plan Supplement, the Debtors will identify contracts to be rejected in the Schedule of Rejected Executory Contracts and Unexpired Leases. All remaining contracts will be assumed.

The Plan Supplement will further designate the proposed cure amount for those Executory Contracts and Unexpired Leases to be assumed by the Debtors pursuant to the Plan. Except as otherwise set forth in such schedule, the Cure Amount with respect to each of the Executory Contracts or Unexpired Leases assumed pursuant to the Plan is designated by the Debtors as \$0, subject to the determination of a different Cure Amount pursuant to the objection procedures set forth in Article VI of the Plan.

E. Analysis and Resolution of Claims

As discussed above, on August 26, 2016, the Debtors filed their Schedules and Statements [Docket Nos. 248-259]. The Schedules provide certain information pertaining to the Claims. Interested parties may review the Schedules and Statements at the office of the Clerk of the United States Bankruptcy Court for the District of Delaware, 824 North Market Street, Wilmington, Delaware 19801 or online at <https://cases.primeclerk.com/tusa>.

1. Claims Bar Date

On August 31, 2016, the Bankruptcy Court entered an order [Docket No. 270] (the "**Bar Date Order**") requiring all persons or entities who wish to assert claims against the Debtors' estates to file a proof of claim ("**Proof of Claim**") against the Debtors in the Chapter 11 Cases by no later than October 13, 2016 (the "**General Bar Date**"). The General Bar Date applies to all "entities" and "persons" (as defined respectively in Bankruptcy Code sections 101(15) and (41)) other than governmental units, holding or wishing to assert Claims allegedly

owing as of the Petition Date, including Claims under Bankruptcy Code section 503(b)(9), or any person with an alleged Claim or expense claimed to have arisen prior to the Petition Date. Any governmental unit seeking to file a claim against the Debtors is required to do so by no later than December 27, 2016 at 5:00 p.m. (Eastern) (the “**Governmental Bar Date**”). A notice of the bar dates was served on September 8, 2016 [Docket No. 299].

If the Debtors reject any Executory Contract or Unexpired Lease under Bankruptcy Code section 365, each person or entity holding a claim against the Debtors arising from such rejection must file a Proof of Claim by the later of (a) 30 days after the effective date of rejection of such executory contract or unexpired lease as provided by an order of the Bankruptcy Court or pursuant to a notice under procedures approved by the Bankruptcy Court; (b) any date set by another order of the Bankruptcy Court; or (c) the General Bar Date or the Governmental Bar Date, whichever is applicable (the “**Rejection Bar Date**”).

In the event that the Debtors amend the Schedules and Statements, the Debtors shall give notice of any amendment to the Holders of Claims affected thereby, and if the subject amendment reduces the unliquidated, noncontingent, and liquidated amount or changes the nature or classification of a Claim against a Debtor or the Debtor liable on the Claim as reflected therein, such Holders shall be given until the later of (a) the General Bar Date or (b) 30 days from the date such notice is given (or such other time period as may be fixed by the Bankruptcy Court) to file Proofs of Claim with respect to such affected Claim, if necessary, or be barred from filing such Claim (the “**Amended Schedule Bar Date**”).

The Debtors have not yet been able to fully review the filed Proofs of Claim. The Debtors are in the process of reviewing and reconciling their books and records to determine whether Proofs of Claims are invalid, untimely, duplicative, or overstated, but such process has not yet been completed. After or as they perform such general reconciliation of their books and records, the Debtors intend to file omnibus claims objections, and the outcome of such future objections could impact the amount of Allowed Claims in each Class and the recoveries provided to Creditors under the Plan.

2. Causes of Action

In accordance with Bankruptcy Code section 1123(b)(3), the Debtors reserve all rights to commence and pursue any and all Causes of Action that are not released under Section 9.04 of the Plan or an order of the Bankruptcy Court, whether arising before or after the Petition Date, including any actions or categories of actions specifically enumerated in a list of retained causes of action to be included in the Plan Supplement. Such Causes of Action shall vest in the Reorganized Debtors as of the Effective Date.

F. The Caliber Litigation

TUSA and Caliber are currently engaged in ongoing litigation regarding whether certain executory contracts between the parties contain covenants running with the land and whether the Debtors may reject these contracts. TUSA and Caliber are parties to the prepetition Caliber Midstream Agreements, the terms of which govern the midstream services Caliber provides to the Debtors. On May 27, 2016, Caliber filed a prepetition state court action against TUSA in the

District Court, Northwest Judicial District in the County of Mackenzie for the State of North Dakota (the “**North Dakota State Court**”), Case No. 27-2016-CV-00218 (the “**North Dakota Action**”), seeking a declaration that dedications of certain TUSA oil and gas interests in McKenzie County, North Dakota contained in certain of the Caliber Midstream Agreements are valid and enforceable covenants running with the land under North Dakota law.

The Debtors determined that certain of the Caliber Midstream Agreements are costly and burdensome to the Debtors’ estates and should be rejected. On July 5, 2016, the Debtors filed the Caliber Rejection Motion in the Bankruptcy Court for the District of Delaware seeking authority to reject one or more of the Specified Caliber Contracts [Docket No. 67] and commenced Adversary Proceeding No. 16-51023 (the “**Caliber Adversary Proceeding**”) [Adv. Docket Nos. 1, 3], pursuant to which the Debtors seek a declaration that the Specified Caliber Contracts do not contain covenants or servitudes running with the land. On July 6, 2016, the Debtors removed the North Dakota Action to the United States District Court for the District of North Dakota, Western Division (the “**North Dakota Federal Court**”), Case. No. 16-00261. The Debtors concurrently moved to transfer venue of the North Dakota Action to the Bankruptcy Court [North Dakota Federal Court Docket Nos. 2, 3]. The Debtors further moved the North Dakota Federal Court to dismiss the North Dakota Action [North Dakota Federal Court Docket Nos. 5, 6]. Caliber opposed the Debtors’ motions to transfer and dismiss and moved for abstention and remand to the North Dakota State Court [North Dakota Federal Court Docket Nos. 15, 16, 17]. Caliber then filed a motion to dismiss, transfer, or stay the Caliber Adversary Proceeding [Adv. Docket Nos. 8, 9]. The Debtors opposed this motion [Adv. Docket Nos. 8, 9].

Caliber and the Debtors stipulated to a three-track discovery plan such that all discovery taken in connection with the Caliber Rejection Motion shall, in the interest of efficiency and fairness, also be applicable in the Caliber Adversary Proceeding and the North Dakota Action [Docket No. 326]. On October 13, 2016, the North Dakota Federal Court issued an order staying the North Dakota Action pending the resolution of the Chapter 11 Cases [North Dakota Federal Docket No. 26]. Caliber moved the Bankruptcy Court for relief from the automatic stay to prosecute the North Dakota Action [Docket No. 353]. That motion remains pending.

The economic terms of the Specified Caliber Contracts are substantially above current market rates for the applicable midstream services. A key objective of the Debtors’ restructuring is to realign the Debtors’ gathering, transportation, and processing expenses with current market realities by renegotiating favorable terms and entering new midstream contracts. However, the Caliber Litigation may not be completed until after the Effective Date.

On November 14, 2016, the Debtors filed a motion to estimate (the “**Caliber Estimation Motion**”)[Docket No. 397] the maximum amount of any claim to which Caliber may be entitled should the Debtors reject their executory contracts (the “**Caliber Rejection Damages Claim**”) with Caliber through the Bankruptcy process. The Caliber Estimation Motion serves to place a maximum value on the Caliber Rejection Damages Claim in order to: (a) ascertain Caliber’s entitlement to vote on a plan; (b) determine the extent of Caliber’s subscription rights in any new-money rights offering; and (c) appropriately size a disputed claims reserve. The Debtors asked the Bankruptcy Court to estimate the Caliber Rejection Damages Claim at no more than \$50 million.

G. Additional Adversary Proceedings and Other Litigation

The Debtors' E&P business is predicated on the Debtors' interest in oil and gas leases and other mineral rights. Mineral rights involve overlapping interests and obligations held by numerous parties, including mineral interest holders, working interest holders, surface owners, and others. Several parties (the "**Mineral Interest Plaintiffs**") assert rights in certain leaseholds held by TUSA in McKenzie County, North Dakota from which TUSA extracts oil. TUSA then sells the oil from these leaseholds to numerous purchasers. Prepetition, the Mineral Interest Plaintiffs alleged overriding royalty and working interests in some TUSA wells in Case No. 27-2016-CV-00171, captioned as *Bill D. Farleigh Revocable Trust, et al., v. Triangle USA Petroleum Corporation, et al.*, in the District Court of the State of North Dakota, McKenzie County (Northwest Judicial District), Cause No. 27-2016-cv-00171. On April 26, 2016, the Mineral Interest Plaintiffs sent notice of lien claims filed against certain TUSA's wells in McKenzie County to Flint Hills Resources, LP ("**Flint Hills**") and Tidal Energy Marketing, (U.S.), L.L.C. ("**Tidal**").

1. Flint Hills Resources Adversary Proceeding

On August 19, 2016, Flint Hills commenced adversary proceeding No. 16-51047 (the "**Flint Hills Adversary Proceeding**") [Flint Hills Adv. Docket No. 1]. Flint Hills and TUSA are party to a purchase agreement dated June 14, 2016. Pursuant to this purchase agreement, Flint Hills purchases bulk crude oil in Minnesota from TUSA's wells. Due to the Mineral Interests Plaintiffs' ownership claims affecting some wells from which TUSA extracts the oil sold to Flint Hills, Flint Hills commenced the Flint Hills Adversary Proceeding. The Flint Hills Adversary Proceeding seeks declaratory relief regarding TUSA and Flint Hills' obligations under the purchase agreement and interpleader relief to deposit with the Bankruptcy Court the price of Flint Hills' July 2016 crude oil purchases, totaling \$1,733,560.15, which Flint Hills refused to remit to TUSA. TUSA answered Flint Hills' complaint seeking declaratory judgment that Flint Hills lacks any basis for withholding the July payment. TUSA also asserted counterclaims including breach of contract, unjust enrichment, and violation of the automatic stay [Flint Hills Adv. Docket No. 3]. On August 30, 2016, TUSA informed Flint Hills that as a result of Flint Hills' failure to pay outstanding amounts for July and August purchases, TUSA would not make any oil available for Flint Hills to purchase in September. On October 10, 2016, Flint Hills amended and restated its complaint seeking similar declaratory and interpleader relief for an additional \$1,661,663.50 worth of crude oil TUSA sold to Flint Hills in August 2016 pursuant to a purchase agreement dated July 13, 2016, for which Flint Hills also withheld payment [Flint Hills Adv. Docket No. 7]. The amended complaint also requests to setoff Flint Hills' cost of procuring replacement oil in September, \$43,125, against the total outstanding amount of \$3,395,223.65. Flint Hills also answered TUSA's counterclaims [Flint Hills Adv. Docket No. 6].

2. Tidal Adversary Proceeding

On August 2, 2016, Tidal commenced adversary proceeding No. 16-51037 (the "**Tidal Adversary Proceeding**") [Tidal Adv. Docket No. 1]. Tidal and TUSA are party to a purchase agreement dated March 15, 2016. Pursuant to the purchase agreement, Tidal purchases crude oil from TUSA's wells. Due to the Mineral Interests Plaintiffs' ownership claims affecting

some wells from which TUSA extracts the oil sold to Tidal, Tidal commenced the Tidal Adversary Proceeding. The Tidal Adversary Proceeding seeks declaratory and interpleader relief. Tidal seeks to deposit with the Bankruptcy Court the price of Tidal's April 2016 crude oil purchases, totaling \$220,048.80, which Tidal refused to remit to TUSA. TUSA answered Tidal's complaint seeking declaratory judgment that Tidal lacks any basis for withholding the April payment. TUSA also asserted counterclaims including breach of contract, unjust enrichment, and violation of the automatic stay [Tidal Adv. Docket No. 4]. Tidal answered these counterclaims [Tidal Adv. Docket No. 10]. TUSA and Tidal are also parties to a suit in the U.S. District Court for the District of North Dakota regarding the withheld April purchase payment. This case, captioned *Triangle USA Petroleum Corporation v. Tidal Energy Marketing (U.S.) L.L.C.*, Case No. 16-00267, is currently stayed pending the Chapter 11 Cases.

3. Slawson Arbitration

On May 26, 2016, Slawson Exploration Company, Inc. ("**Slawson**") filed a Demand for Arbitration (the "**Demand**") seeking monetary and other relief against TPC and TUSA, arising out of an alleged breach of a contract between TPC and Slawson. The contract at issue involved the exploration and development of certain oil and gas leases in Williams and McKenzie Counties, North Dakota. Following the Petition Date, Slawson amended its Demand to, among other things, remove its claims for relief against TUSA. On October 20, 2016, the Debtors filed a motion to extend the automatic stay to any proceedings arising out of the Demand (the "**Motion to Extend**") [Docket No. 352]. The Bankruptcy Court heard arguments on the Motion to Extend on November 11, 2016, and on November 15, 2016, entered an order denying the Motion to Extend [Docket No. 402]. Slawson has filed proofs of claim in the Chapter 11 Cases arising out of the same underlying dispute.

VII. SUMMARY OF THE PLAN OF REORGANIZATION

This section of the Disclosure Statement summarizes the Plan, a copy of which is attached hereto as **Exhibit A**. This summary is qualified in its entirety by reference to the Plan.

A. Administrative Claims and Priority Tax Claims

1. Administrative Claims

Except to the extent that the Debtors or the Reorganized Debtors, as applicable, and a Holder of an Allowed Administrative Claim agree to a less favorable treatment, a Holder of an Allowed Administrative Claim (other than a Professional Claim, which shall be subject to Section 2.02 of the Plan) shall receive, in full satisfaction, settlement, release, and discharge of, and in exchange for, such Administrative Claim, Cash equal to the unpaid portion of such Allowed Administrative Claim either (a) on the later of (i) the Initial Distribution Date or (ii) the first Periodic Distribution Date occurring after the later of (1) 30 days after the date when the Administrative Claim becomes an Allowed Administrative Claim; or (2) 30 days after the date when the Administrative Claim becomes payable pursuant to any agreement between the Debtors (or the Reorganized Debtors) and the Holder of the Administrative Claim; or (b) if the Allowed Administrative Claim is based on liabilities incurred by the Debtors in the ordinary course of their business after the Petition Date, in the ordinary course of business in accordance with the

terms and conditions of the particular transaction giving rise to such Allowed Administrative Claims, without any further action by the Holders of such Allowed Administrative Claims; *provided, however,* that other than the Holder of any (x) a Professional Claim, (y) an Administrative Claim Allowed by an order of the Bankruptcy Court on or before the Effective Date, or (z) an Administrative Claim that is not Disputed and arose in the ordinary course of business and was paid or is to be paid in accordance with the terms and conditions of the particular transaction giving rise to such Administrative Claim, the Holder of any Administrative Claim shall have filed a proof of Claim form no later than the Administrative Claims Bar Date and such Claim shall have become an Allowed Claim. Except as otherwise provided herein and as set forth in Section 2.02 of the Plan, all requests for payment of an Administrative Claim must be filed, in substantially the form of the Administrative Claim Request Form contained in the Plan Supplement, with the Claims and Solicitation Agent and served on counsel for the Debtors or the Reorganized Debtors, as applicable, no later than the Administrative Claims Bar Date. Any request for payment of an Administrative Claim pursuant to Section 2.01 of the Plan that is not timely filed and served shall be Disallowed automatically without the need for any objection from the Reorganized Debtors. The Reorganized Debtors may settle an Administrative Claim without further Bankruptcy Court approval. In the event that the Reorganized Debtors object to an Administrative Claim and there is no settlement, the Bankruptcy Court shall determine the Allowed amount of such Administrative Claim. For the avoidance of doubt, the Adequate Protection Obligations shall be deemed Allowed Administrative Claims to the extent set forth in the Cash Collateral Order, without the necessity of filing a proof of Claim with respect thereto.

2. Professional Claims

(a) *Final Fee Applications.* All final requests for payment of Professional Claims must be filed no later than 45 days after the Effective Date. After notice and a hearing in accordance with the procedures established by the Bankruptcy Code, the Bankruptcy Rules, and prior orders of the Bankruptcy Court, the Allowed amounts of such Professional Claims shall be determined by the Bankruptcy Court.

(b) *Payment of Interim Amounts.* Subject to the Holdback Amount, on the Effective Date, the Reorganized Debtors shall pay all amounts owing to Professionals for all outstanding amounts billed relating to prior periods through the Effective Date as to which no objection has been filed. No later than two days prior to the Effective Date, the Professionals shall estimate fees and expenses due for periods that have not or will not have been billed as of the Effective Date and shall deliver such estimate to the Notice Parties (as defined in the Interim Compensation Order) and such estimate shall be included in the Holdback Amount. As soon as reasonably practicable after the Effective Date, a Professional seeking payment for estimated amounts as of the Effective Date shall submit a detailed invoice covering such period. Upon receipt of such invoice, the Debtors shall pay from the Holdback Amount 80% of the invoiced fees and 100% of the invoiced expenses.

(c) *Holdback Escrow Account.* On the Effective Date, the Reorganized Debtors shall fund the Holdback Escrow Account with Cash equal to the aggregate Holdback Amount for all Professionals. The Reorganized Debtors shall hold the Holdback Escrow Account in trust for all Professionals with respect to whom fees have been held back pursuant to the Interim Compensation Order. Such funds shall not be considered property of the Debtors, the

Reorganized Debtors, or the Estates. Following any payments from the Holdback Escrow Account as set forth in Section 2.02(b) of the Plan, the remaining amount of Professional Claims owing to the Professionals shall be paid to such Professionals by the Reorganized Debtors from the Holdback Escrow Account when such Claims are finally Allowed by the Bankruptcy Court. When all Professional Claims have been paid in full, amounts remaining in the Holdback Escrow Account, if any, shall revert to the Reorganized Debtors.

(d) *Post-Effective Date Retention.* Upon the Effective Date, any requirement that Professionals comply with sections 327 through 331 of the Bankruptcy Code in seeking retention or compensation for services rendered after the Effective Date shall terminate, and the Reorganized Debtors shall be permitted to employ and pay Professionals in their discretion (including the fees and expenses incurred by Professionals in preparing, reviewing, prosecuting, defending, or addressing any issues with respect to final fee applications).

3. Priority Tax Claims

On the later of (a) the Initial Distribution Date or (b) the first Periodic Distribution Date occurring after the later of (i) 30 days after the date when a Priority Tax Claim becomes an Allowed Priority Tax Claim or (ii) 30 days after the date when a Priority Tax Claim becomes payable pursuant to any agreement between the Debtors (or the Reorganized Debtors) and the Holder of such Priority Tax Claim, except to the extent that the Debtors (or Reorganized Debtors) and a Holder of an Allowed Priority Tax Claim agree to a less favorable treatment, each Holder of an Allowed Priority Tax Claim due and payable on or before the Effective Date shall receive one of the following treatments on account of such Claim: (1) Cash in an amount equal to the amount of such Allowed Priority Tax Claim, (2) Cash in an amount agreed to by the Debtors (or the Reorganized Debtors) and such Holder, *provided, however*, that the parties may further agree for the payment of such Allowed Priority Tax Claim to occur at a later date, or (3) at the sole option of the Debtors, Cash in the aggregate amount of such Allowed Priority Tax Claim payable in installment payments over a period of not more than five years after the Petition Date pursuant to section 1129(a)(9)(C) of the Bankruptcy Code. To the extent any Allowed Priority Tax Claim is not due and owing on the Effective Date, such Claim shall be paid in full in Cash in accordance with the terms of any agreement between the Debtors and the Holder of such Claim, or as may be due and payable under applicable non-bankruptcy law or in the ordinary course of business.

B. Classification, Treatment, and Voting of Claims and Interests

1. Classification of Claims and Interests

(a) The Plan, though proposed jointly, constitutes a separate plan for each of the Debtors for voting purposes and, except as set forth in Section 5.01 of the Plan, does not constitute a substantive consolidation of the Debtors' Estates. Therefore, all Claims against and Interests in a particular Debtor are placed in the Classes set forth below with respect to such Debtor. Classes that are not applicable as to a particular Debtor or group of Debtors shall be eliminated as set forth more fully in Section 4.03 of the Plan. In accordance with section 1123(a)(1) of the Bankruptcy Code, Administrative Claims and Priority Tax Claims of the kinds

specified in sections 507(a)(1) and 507(a)(8) of the Bankruptcy Code have not been classified and their treatment is set forth in Article II of the Plan.

A Claim or Interest is placed in a particular Class for all purposes, including voting, Confirmation, and distribution under the Plan and under sections 1122 and 1123(a)(1) of the Bankruptcy Code; *provided, however*, that a Claim or Interest is placed in a particular Class for the purpose of voting on the Plan and, to the extent applicable, receiving distributions pursuant to the Plan only to the extent that such Claim or Interest is an Allowed Claim or Allowed Interest in that Class and such Allowed Claim or Allowed Interest has not been satisfied, released, or otherwise settled prior to the Effective Date.

(b) Claims and Interests are divided into the numbered Classes set forth below:

Class	Claim or Interest	Status	Voting Rights
1	Other Priority Claims	Unimpaired	Presumed to Accept
2	Other Secured Claims	Unimpaired	Presumed to Accept
3	RBL Claims	Unimpaired	Presumed to Accept

(2) be paid in full in Cash in an amount equal to such Allowed Other Secured Claim, including postpetition interest, if any, on such Allowed Other Secured Claim required to be paid pursuant to section 506 of the Bankruptcy Code, on the later of (1) the Initial Distribution Date or (2) the first Periodic Distribution Date occurring after the later of (x) 30 days after the date such Other Secured Claim becomes an Allowed Other Secured Claim or (y) 30 days after the date when such Other Secured Claims becomes payable pursuant to any agreement between the Debtors (or the Reorganized Debtors) and the Holder of such Other Secured Claim; *provided, however*, that nothing in Section 3.02 of the Plan or elsewhere in the Plan shall preclude the Debtors or the Reorganized Debtors, as applicable, from challenging the validity of any alleged Lien on any asset of the Debtors or the value of the property that secures any alleged Lien, other than as set forth in the Cash Collateral Order.

To the extent that the Prepetition Secured Parties have filed or recorded publicly any Liens and/or security interests to secure the Debtors' obligations under the RBL Credit Facility, the Prepetition Secured Parties, shall take any commercially reasonable steps requested by the Debtors or the Reorganized Debtors, at the expense of the Reorganized Debtors, that are necessary to cancel and/or extinguish such publicly-filed Liens and/or security interests, except such Liens and/or security interests securing the Excluded RBL Obligations.

C. Acceptance

1. Classes Entitled to Vote

Classes 4–6 are Impaired and are entitled to vote to accept or reject the Plan. By operation of law, Classes 1–3, 7, and 8 are Unimpaired and are conclusively presumed to have accepted the Plan and, therefore, are not entitled to vote. By operation of law, Classes 9–11 are deemed to have rejected the Plan and are not entitled to vote.

2. Acceptance by Impaired Classes

An Impaired Class of Claims shall have accepted the Plan if, not counting the vote of any Holder designated under section 1126(e) of the Bankruptcy Code, (a) the Holders of at least two-thirds in amount of the Allowed Claims actually voting in the Class have voted to accept the Plan and (b) the Holders of more than one-half in number of the Allowed Claims actually voting in the Class have voted to accept the Plan.

3. Elimination of Classes

To the extent applicable, any Class that does not contain any Allowed Claims or any Claims temporarily allowed for voting purposes under Bankruptcy Rule 3018 as of the date of commencement of the Confirmation Hearing for all Debtors or with respect to any particular Debtor shall be deemed to have been deleted from the Plan for all Debtors or for such particular Debtor, as applicable, for purposes of (a) voting to accept or reject the Plan and (b) determining whether it has accepted or rejected the Plan under section 1129(a)(8) of the Bankruptcy Code. In particular, Classes 3, 5, 6, and 11 shall exist only with respect to the TUSA Debtors, and Classes 4 and 10 shall exist only with respect to the Ranger Debtors.

4. Deemed Acceptance if No Votes Case

If no Holders of Claims eligible to vote in a particular Class vote to accept or reject the Plan, the Plan shall be deemed accepted by the Holders of such Claims in such Class.

5. Cramdown

To the extent necessary, the Debtors shall request Confirmation of the Plan under section 1129(b) of the Bankruptcy Code. The Debtors reserve the right to modify, amend, or withdraw the Plan, with respect to all Debtors or any individual Debtor or group of Debtors, to the extent, if any, that Confirmation pursuant to section 1129(b) of the Bankruptcy Code requires modification.

D. Means of Implementation of the Plan

1. Substantive Consolidation

The Plan contemplates and is predicated upon the deemed substantive consolidation of (a) the Estate and Chapter 11 Case of each TUSA Debtor with the Estate and Chapter 11 Case of each other TUSA Debtor and (b) the Estate and Chapter 11 Case of each Ranger Debtor with the Estate and Chapter 11 Case of each other Ranger Debtor, in each case for distribution purposes only. On the Effective Date, each Claim filed or to be filed against any TUSA Debtor or any Ranger Debtor, as applicable, shall be deemed filed only against TUSA or Ranger, respectively, and shall be deemed a single Claim against and a single obligation of TUSA or Ranger, respectively, for distribution purposes only and the claims register shall be updated accordingly. This limited substantive consolidation effected pursuant to Section 5.01 of the Plan shall not otherwise affect the rights of any Holder of any Claim, or affect the obligations of any Debtor with respect to such Claim. For the avoidance of doubt, the Estates and Chapter 11 Cases of the TUSA Debtors shall not be deemed to be substantively consolidated with the Estates and Chapter 11 Cases of the Ranger Debtors.

2. General Settlement of Claims and Interests

Pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for the classification, distributions, releases, and other benefits provided under the Plan, on the Effective Date, the provisions of the Plan shall constitute a good-faith

compromise and settlement of all Claims and Interests and controversies resolved pursuant to the Plan.

3. Plan Funding

Distributions under the Plan and the Reorganized Debtors' post-Effective Date operations will be funded from the following sources:

(a) *Exit Facility.* On the Effective Date, the Reorganized Debtors shall enter into the Exit Facility, the final form and substance of which shall be acceptable to the Reorganized Debtors, the Required Participating Noteholders, and the Backstop Parties. Confirmation shall be deemed approval of the Exit Facility (including the transactions contemplated thereby, such as any supplementation or additional syndication of the Exit Facility, and all actions to be taken, undertakings to be made, and obligations to be incurred by the Reorganized Debtors in connection therewith, including the payment of all fees, indemnities, and expenses provided for therein) and authorization for the Reorganized Debtors to enter into and execute the Exit Facility and such other documents as the Exit Facility Lenders may reasonably require to effectuate the treatment afforded to such lenders pursuant to the Exit Facility, subject to such modifications as the Reorganized Debtors may deem to be reasonably necessary to consummate such Exit Facility.

(b) *Rights Offering.* On the Effective Date, the Reorganized Debtors shall consummate the Rights Offering, in accordance with Section 5.09 of the Plan and the terms of the Rights Offering Procedures. On or before the Effective Date, the Backstop Parties shall fulfill their funding obligations under the Backstop Commitment Agreement, including backstopping the Rights Offering.

(c) *Convenience Claim Excess Balance.* After all Disputed Convenience Claims have been finally Allowed or Disallowed, the Convenience Claim Excess Balance, if any, shall revert to the Reorganized Debtors and may be used, in the discretion of the Reorganized Debtors, to fund other distributions contemplated by the Plan and for general corporate purposes.

(d) *Other Plan Funding.* Other than as set forth in Sections 5.03(a), (b), and (c), of the Plan, all Cash necessary for the Reorganized Debtors to make payments required by the Plan shall be obtained from the Debtors' Cash balances on hand at the time such payment is required, after giving effect to the transactions contemplated in the Plan.

4. Authorization and Issuance of New TUSA Common Stock

(a) On the Effective Date, Reorganized TUSA shall authorize and issue the New TUSA Common Stock in accordance with the New TUSA Common Stock Allocation. Distribution of New TUSA Common Stock hereunder shall constitute the issuance of 100% of the New TUSA Common Stock and such stock shall be deemed issued on the Effective Date. The issuance of New TUSA Common Stock by Reorganized TUSA, options for the purchase thereof, or other equity awards, if any, providing for the issuance of New TUSA Common Stock, is authorized without the need for any further corporate action or further action by the Debtors or the Reorganized Debtors, as applicable.

(b) The New TUSA Common Stock issued under the Plan shall be issued in accordance with the New TUSA Common Stock Allocation and subject to economic and legal dilution as set forth in New TUSA Common Stock Allocation and from any other shares, membership units, or functional equivalent thereof, as applicable, of New TUSA Common Stock issued after the Effective Date.

(c) All of the shares, membership units, or functional equivalent thereof, as applicable, of New TUSA Common Stock issued pursuant to the Plan shall be duly authorized, validly issued, fully paid, and non-assessable. Any Entity that does not execute the New Shareholders Agreement shall be automatically deemed to have accepted the terms of the New Shareholders Agreement (in their capacity as shareholders, membership unit holders, or functional equivalent thereof, as applicable, of Reorganized TUSA) and to be parties thereto without further action. The New Shareholders Agreement shall be adopted on the Effective Date and shall be deemed to be valid, binding, and enforceable in accordance with its terms, and each Holder of New TUSA Common Stock shall be bound thereby.

(d) As of the Effective Date: (i) the New TUSA Common Stock and the Rights Offering Securities will not be registered under the Securities Act, listed on a national securities exchange, or quoted in the over-the-counter marketplace; (ii) Reorganized TUSA and the other Reorganized Debtors will not be reporting companies under the Exchange Act; (iii) Reorganized TUSA and the other Reorganized Debtors will not be required to, and will not, file reports or other information with the Securities and Exchange Commission or any other person or agency; and (iv) Reorganized TUSA and the other Reorganized Debtors will not be required to file monthly operating reports with the Bankruptcy Court after the Effective Date. In order to prevent the Reorganized Debtors from becoming subject to the reporting requirements of the Exchange Act, except for Reorganized TUSA in connection with a registered public offering of New TUSA Common Stock, the New Corporate Governance Documents will impose, and the New TUSA Common Stock and the Rights Offering Securities will be subject to, certain transfer and other restrictions.

5. Exemption from Securities Act Registration Requirements

The offering, issuance, and distribution of any Securities pursuant to the Plan and the Rights Offering will be exempt from the registration requirements of section 5 of the Securities Act pursuant to section 1145 of the Bankruptcy Code, section 4(a)(2) of the Securities Act, or any other available exemption from registration under the Securities Act, as applicable. Section 4(a)(2) of the Securities Act exempts transactions not involving a public offering, and section 506 of Regulation D of the Securities Act provides a safe harbor under section 4(a)(2) for transactions that meet certain requirements. In addition, under section 1145 of the Bankruptcy Code, if applicable, any Securities issued pursuant to the Plan and any and all settlement agreements incorporated therein will be freely transferable under the Securities Act by the recipients thereof, subject to (a) the provisions of section 1145(b)(1) of the Bankruptcy Code relating to the definition of an underwriter in section 2(a)(11) of the Securities Act, and compliance with any applicable state or foreign securities laws, if any, and the Securities Act and the rules and regulations of the United States Securities and Exchange Commission, if any, applicable at the time of any future transfer of such Securities or instruments, (b) the restrictions, if any, on the transferability of such Securities and instruments, including restrictions contained

in the Backstop Commitment Agreement or in the governing documents with respect to such Securities or instruments, and (c) any other applicable regulatory approval. In reliance upon these exemptions, the offer, issuance, and distribution of Securities pursuant to the Plan and the Rights Offering will not be registered under the Securities Act or any applicable state Blue Sky Laws, and such Securities and instruments may not be transferred, encumbered, or otherwise disposed of in the absence of such registration or an exemption therefrom under the Securities Act or under such laws and regulations thereunder. All Securities and instruments issued under this Plan and the Rights Offering will bear a legend relating to the transfer restrictions, including those arising under the New Corporate Governance Documents, applicable to such Securities and instruments.

6. Cancellation of Old TUSA Securities and Agreements

On the Effective Date, except as otherwise specifically provided for in the Plan (a) the Old TUSA Securities and any other note, bond, indenture, Certificate, or other instrument or document evidencing or creating any indebtedness or obligation of or ownership interest in the Debtors (including the Senior Notes Indenture), shall be deemed to be automatically cancelled without further action by any person and (b) the obligations of, Claims against, and/or Interests in TUSA under, relating, or pertaining to any agreements, indentures, notes, bonds, certificates of designation, bylaws, or certificate or articles of incorporation or similar documents governing the Old TUSA Securities, and any other note, bond, indenture, Certificate, or other instrument or document evidencing or creating any indebtedness or obligation of or ownership interest in the Debtors (including the Senior Notes Indenture), as the case may be, shall be deemed to be automatically released and discharged and cancelled without further action by any person; *provided, however*, that (i) the Class 8 Intercompany Interests shall be treated as set forth in Section 3.02(h) of the Plan and (ii) any agreement (including the Senior Notes Indenture) that governs the rights of a Holder of a Claim and that is administered by a Servicer shall continue in effect solely for the purposes of allowing such Servicer to (A) make the distributions on account of such Claims under the Plan and perform such other necessary functions with respect thereto, if any, as provided for in Section 8.04 of the Plan and (B) maintain and exercise its charging lien or other right to priority payment against distributions under the Plan on account of such Servicer's reasonable fees, expenses, and indemnities owed to such Servicer under the terms of the Senior Notes Indenture.

7. Issuance of New Securities; Execution of Plan Documents

Except as otherwise provided in the Plan, on or as soon as reasonably practicable after the Effective Date, the Reorganized Debtors shall issue all Securities, notes, instruments, Certificates, and other documents required to be issued pursuant to the Plan.

8. Continued Corporate Existence

(a) Except as otherwise provided in the Plan, including Section 5.09, the Debtors, other than the Ranger Debtors, shall continue to exist after the Effective Date as separate Entities, the Reorganized Debtors. Each Reorganized Debtor shall have all the powers of corporations or other Entities under applicable law in the jurisdictions in it was incorporated or formed, as applicable, and pursuant to its certificate of incorporation, bylaws, or other

applicable organizational documents in effect prior to the Effective Date, except to the extent such organization documents are amended and restated by this Plan, including pursuant to Section 5.11 of the Plan, all without prejudice to any right of such Reorganized Debtor to terminate its existence (whether by merger or otherwise) under applicable law after the Effective Date. To the extent the organizational documents of any Debtor are amended, such organizational documents are deemed to be amended pursuant to the Plan without any further notice to or action, order, or approval of the Bankruptcy Court or any other court of competent jurisdiction (other than the requisite filings required under applicable state, provincial, or federal law).

(b) Except as otherwise provided in the Plan, the continued existence, operation, and ownership of Affiliates is a material component of the business of the Debtors and the Reorganized Debtors, as applicable, and, as set forth in Section 9.01 of the Plan, all of the Debtors' Interests and other property interests in such Affiliates shall vest in the Reorganized Debtors or their successors on the Effective Date.

9. Restructuring Transactions

(a) On or following the Confirmation Date, the Debtors or Reorganized Debtors, as the case may be, shall take such actions as may be necessary or appropriate to effect the relevant restructuring transactions as set forth in the Plan and the Plan Transaction Documents, and may take other actions on or after the Effective Date.

(b) Prior to, on, or after the Effective Date, and pursuant to the Plan, the Reorganized Debtors shall enter into the restructuring transactions described in the Plan and in the Plan Transaction Documents. The Debtors or the Reorganized Debtors, as applicable, shall take any actions as may be necessary or appropriate to effect a restructuring of the Debtors' business or the overall organization structure of the Reorganized Debtors. The restructuring transactions may include one or more restructurings, conversions, or transfers as may be determined by the Debtors or the Reorganized Debtors, as applicable, to be necessary or appropriate. The actions taken by the Debtors or the Reorganized Debtors, as applicable, to effect the restructuring transactions may include: (i) the execution, delivery, adoption, and/or amendment of appropriate agreements or other documents of restructuring, conversion, disposition, or transfer containing terms that are consistent with the terms of the Plan and the Plan Transaction Documents and any ancillary documents and that satisfy the applicable requirements of applicable state law and any other terms to which the applicable parties may agree; (ii) the execution, delivery, adoption, and/or amendment of appropriate instruments of transfer, assignment, assumption, or delegation of any asset, property, right, liability, debt, or obligation on terms consistent with the terms of the Plan and the Plan Transaction Documents and any ancillary documents and having other terms for which the applicable parties may agree; (iii) the filing of appropriate certificates or articles of incorporation, reincorporation, or conversion (or, in each case, the functional equivalent thereof) pursuant to applicable state law, including but not limited to an amended certificate of incorporation and by-laws (or, in each case, the functional equivalent thereof, as applicable); (iv) the cancellation of shares and warrants; and (v) all other actions that the Debtors or the Reorganized Debtors, as applicable, determine to be necessary, desirable, or appropriate to implement, effectuate, and consummate the Plan or the restructuring transactions contemplated hereby, including making filings or

recordings that may be required by applicable state law in connection with the restructuring transactions.

(c) Notwithstanding the foregoing, the Ranger Debtors shall be dissolved upon the Effective Date without any further notice to or action, order, or approval of the Bankruptcy Court or any other court of competent jurisdiction (other than the requisite filings required under applicable state, provincial, or federal law, if any). Any Claim arising as a result of such dissolutions shall receive the applicable treatment under the Plan.

10. Rights Offering

(a) The Rights Offering shall consist of a distribution of subscription rights to Eligible Holders of Allowed TUSA General Unsecured Claims (or TUSA General Unsecured Claims Provisionally Allowed) for the purchase of up to \$[•] million in Rights Offering Securities on a ratable basis in proportion to the Allowed amount (or amount deemed Provisionally Allowed) of each such Eligible Holder's TUSA General Unsecured Claims as of the Confirmation Date. The Debtors shall implement and conduct the Rights Offering in accordance with the Backstop Commitment Agreement and the Rights Offering Procedures.

(b) The Rights Offering shall be open solely to Eligible Holders of TUSA General Unsecured Claims who submit an Eligible Holder Certification and whose TUSA General Unsecured Claims are Allowed or Provisionally Allowed as of the Confirmation Date (or such earlier deadline as may be established in the Rights Offering Procedures). Each Rights Offering Participant shall pay its purchase price in Cash in accordance with the Rights Offering Procedures by the funding deadline set forth in the Rights Offering Procedures. Any Rights Offering Participant that fails to timely pay its respective purchase price shall be ineligible to receive Rights Offering Securities and will forfeit and void any exercise of subscription rights in the Rights Offering. An Eligible Holder of a Disputed TUSA General Unsecured Claim that has been Provisionally Allowed as of the Confirmation Date may subscribe to the Rights Offering in the same manner as Holders of Allowed Claims, except that its respective purchase price shall be funded into escrow, and the correlative Rights Offering Securities allocable to such Eligible Holder shall be held in the Disputed Claims Reserve, pending the final reconciliation of the Holder's TUSA Disputed General Unsecured Claim. If such Disputed Claim is Allowed in an amount equal to its Provisionally Allowed Amount, the Holder's Rights Offering Securities shall be distributed to it pursuant to the terms set forth in Article VII of the Plan, and the purchase price shall be released to the Reorganized Debtors. If, on the other hand, such Disputed Claim Allowed in amount less than its Provisionally Allowed amount or is Disallowed entirely, then the Holder's purchase price shall be refunded to the Holder proportionally, and the correlative Rights Offering Securities shall be further distributed as provided in Section 8.05(c) of the Plan.

(c) The Backstop Parties will backstop, in accordance with the Backstop Commitment Agreement the Rights Offering and shall receive such fees for such backstop agreement as set forth in the Backstop Commitment Agreement. For the avoidance of doubt, the Backstop Parties shall backstop the purchase of any Rights Offering Securities pursuant to Section 8.05(c)(ii) of the Plan.

11. New Corporate Governance Documents

The New Corporate Governance Documents shall be adopted and amended as may be required so as to be consistent with the provisions of the Plan and otherwise comply with section 1123(a)(6) the Bankruptcy Code. After the Effective Date, the Reorganized Debtors may amend and restate the New Corporate Governance Documents and other constituent documents as permitted by applicable state corporation or other comparable alternative law, as applicable, and their charters and bylaws (or in each case, the functional equivalent thereof, as applicable).

12. Directors and Officers of the Reorganized Debtors

On the Effective Date, the term of the current members of the board of directors of TUSA shall expire, and the New Board shall be appointed. On the Effective Date, the term of the current members of the boards of directors of the Subsidiary Debtors shall expire, and the New Subsidiary Debtor Boards shall be appointed. On and after the Effective Date, each director or officer of the Reorganized Debtors shall serve pursuant to the terms of the New Corporate Governance Documents and applicable state corporation law or alternative comparable law, as applicable. The members of the New Board and the New Subsidiary Debtor Boards and their compensation shall be set forth in the Plan Supplement.

13. Corporate Action

Each of the matters provided for under the Plan involving the corporate structure of the Debtors or the Reorganized Debtors or corporate action to be taken by or required of the Debtors or the Reorganized Debtors shall, as of the Effective Date, be deemed to have occurred and be effective as provided in the Plan, and shall be authorized, approved, and to the extent taken prior to the Effective Date, ratified in all respects without any requirement of further action by stockholders, creditors, or directors of the Debtors or the Reorganized Debtors. Such actions may include (a) the adoption and filing of the New Corporate Governance Documents, (b) the appointment of the New Board and the New Subsidiary Debtor Boards, (c) the issuance and distribution of the Rights Offering subscription Rights, the New TUSA Common Stock, and the Rights Offering Securities, and (d) entry into the Exit Facility.

14. Effectuating Documents; Further Transactions

On and after the Effective Date, the Reorganized Debtors, and the officers thereof and members of the New Board and the New Subsidiary Debtor Boards, shall be authorized to and may issue, execute, deliver, file, or record such contracts, Securities, instruments, releases, indentures, and other agreements or documents, and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and conditions of the Plan, or to otherwise comply with applicable law, in the name of and on behalf of the Reorganized Debtors, without the need for any approvals, authorizations, or consents except for those expressly required pursuant to the Plan.

15. Employee Matters

(a) *Employment Agreements.* The Debtors shall assume or reject employment, severance (change in control), retirement, indemnification, or other agreements, if

any, with their pre-Effective Date managers, officers, and employees in accordance with the provisions of Article VI of the Plan. The Reorganized Debtors may enter into new employment arrangements and/or change in control agreements with the Debtors' officers who continue to be employed after the Effective Date, subject to the consent of the Required Participating Noteholders and the Backstop Parties.

(b) *Other Incentive Plans and Employee Benefits.* Unless otherwise specified in the Plan, and except in connection and not inconsistent with Section 5.15(a) of the Plan, on and after the Effective Date, the Reorganized Debtors shall have the sole discretion to (i) amend, adopt, assume, and/or honor, in the ordinary course of business or as otherwise provided in the Plan, any contracts, agreements, policies, programs, and plans assumed pursuant to Article VI of the Plan for, among other things, compensation, pursuant to the terms thereof or hereof, including any incentive plan, 401(k) plan, health care benefits, disability benefits, deferred compensation benefits, savings, severance benefits, retirement benefits, welfare benefits, workers' compensation benefits, life insurance, and accidental death and dismemberment insurance for the managers, officers, and employees of the Debtors who served in such capacity from and after the Petition Date; *provided, however*, that the Reorganized Debtors shall not alter the terms of the MIP except with the consent of any applicable and affected MIP participant, and (ii) honor, in the ordinary course of business, Claims of employees employed as of the Effective Date for accrued vacation time arising prior to the Petition Date.

(c) *MIP.* The Plan Supplement shall include a description of the MIP for the Reorganized Debtors. Reorganized TUSA shall adopt the MIP, on terms consistent with the Plan and the Plan Supplement, on the Effective Date.

16. Preservation of Causes of Action

In accordance with section 1123(b)(3) of the Bankruptcy Code, the Reorganized Debtors shall retain and may (but are not required to) enforce all rights to commence and pursue any and all Causes of Action that are not released pursuant to Section 9.04 of the Plan or an order of the Bankruptcy Court, whether arising before or after the Petition Date, including, without limitation, any actions or categories of actions specifically enumerated in a list of retained Causes of Action contained in the Plan Supplement, and such Causes of Action shall vest in the Reorganized Debtors as of the Effective Date. The Debtors or the Reorganized Debtors, in their sole and absolute discretion, shall determine whether to bring, settle, release, compromise, or enforce such Causes of Action (or decline to do any of the foregoing), and shall not be required to seek further approval of the Bankruptcy Court for such action. The Reorganized Debtors or any successors may pursue such litigation claims in accordance with the best interests of the Reorganized Debtors or any successor holding such rights of action. **No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against it as any indication that the Debtors or the Reorganized Debtors will not pursue any and all available Causes of Action against it. The Debtors and the Reorganized Debtors expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided in the Plan.** Unless any Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or an order of the Bankruptcy Court, the Reorganized Debtors expressly reserve all Causes of Action for later adjudication, and, therefore,

no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of Confirmation or consummation of the Plan; *provided, however*, that solely with respect to Avoidance Actions, only those Avoidance Actions specifically enumerated in a list of retained Causes of Action contained in the Plan Supplement shall vest in the Reorganized Debtors, and all other Avoidance Actions shall be waived and otherwise released.

17. Reservation of Rights

With respect to any Avoidance Actions that the Debtors abandon in accordance with Section 5.16 of the Plan, the Debtors and the Reorganized Debtors, as applicable, reserve all rights, including the right under section 502(d) of the Bankruptcy Code to use defensively the abandoned avoidance Cause of Action as a basis to object to all or any part of a Claim against any Estates asserted by a creditor which remains in possession of, or otherwise obtains the benefit of, the avoidable transfer.

18. Exemption from Certain Transfer Taxes and Recording Fees

Pursuant to section 1146(a) of the Bankruptcy Code, any transfers of property pursuant to the Plan shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, stamp act, real estate transfer tax, mortgage recording tax, or other similar tax or governmental assessment to the fullest extent contemplated by section 1146(a) of the Bankruptcy Code, and upon entry of the Confirmation Order, the appropriate state or local governmental officials or agents shall be directed to forgo the collection of any such tax or governmental assessment and to accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment.

19. Insured Claims

Notwithstanding anything to the contrary contained in the Plan, to the extent the Debtors have insurance with respect to any Allowed General Unsecured Claim, the Holder of such Allowed Claim shall (a) be paid any amount from the proceeds of insurance to the extent that the Claim is insured and (b) receive the treatment provided for in the Plan for Allowed General Unsecured Claims to the extent the applicable insurance policy does not provide coverage with respect to any portion of the Claim.

20. Preservation of Mineral Interests

Notwithstanding any other provision in the Plan, but subject in all respects to all payments authorized to be made pursuant to the Oil and Gas Obligations Order [Docket No. 189], on and after the Effective Date all Working Interests and Working Interest Burdens shall be fully preserved and remain in full force and effect in accordance with the terms of the granting instruments or other governing documents applicable to such Working Interests and Working Interest Burdens, which granting instruments and governing documents shall equally remain in full force and effect, and no Working Interests and Working Interest Burdens or any liabilities

and obligations arising therefrom, including payment obligations, whether arising before or after the Petition Date, shall be compromised or discharged by the Plan.

E. Unexpired Leases and Executory Contracts

1. Assumption of Executory Contracts and Unexpired Leases

(a) *Automatic Assumption.* Except as otherwise provided in the Plan, each Executory Contract and Unexpired Lease shall be deemed automatically assumed in accordance with, and subject to, sections 365 and 1123 of the Bankruptcy Code as of the Effective Date, unless any such Executory Contract or Unexpired Lease: (i) is listed on the Schedule of Rejected Executory Contracts and Unexpired Leases contained in the Plan Supplement; (ii) has been previously rejected by the Debtors by Final Order of the Bankruptcy Court or has been rejected by the Debtors by order of the Bankruptcy Court as of the Effective Date, which order becomes a Final Order after the Effective Date; (iii) is the subject of a motion to assume or reject pending as of the Effective Date; or (iv) is otherwise rejected pursuant to the terms of the Plan.

The Confirmation Order will constitute an order of the Bankruptcy Court approving such assumptions pursuant to sections 365 and 1123 of the Bankruptcy Code as of the Effective Date. To the extent any provision in any Executory Contract or Unexpired Lease assumed pursuant to the Plan (including any “change of control” provision) restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the Reorganized Debtors’ assumption of such Executory Contract or Unexpired Lease, then such provision shall be deemed modified such that the transactions contemplated by the Plan will not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto. Each Executory Contract and Unexpired Lease assumed pursuant to Article VI of the Plan will revert in and be fully enforceable by the Reorganized Debtors in accordance with its terms, except as modified by the provisions of the Plan, any order of the Bankruptcy Court authorizing and providing for its assumption, or applicable law.

(b) *Modifications, Etc.* Unless otherwise provided in the Plan, each Executory Contract or Unexpired Lease that is assumed shall include all modifications, amendments, supplements, restatements, or other agreements that in any manner affect such Executory Contract or Unexpired Lease, and all rights related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests, unless any of the foregoing agreements has been previously rejected or repudiated or is rejected or repudiated pursuant hereunder.

Modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtors during the Chapter 11 Cases shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease, or the validity, priority, or amount of any Claims that may arise in connection therewith.

(c) *Proofs of Claim Based on Assumed Contracts or Leases.* Any and all proofs of Claim based on Executory Contracts or Unexpired Leases that have been assumed

in the Chapter 11 Cases, including hereunder, except proofs of Claim asserting Cure amounts, pursuant to the order approving such assumption, including the Confirmation Order, shall be deemed Disallowed and expunged from the Claims register as of the Effective Date without any further notice to or action, order, or approval of the Bankruptcy Court.

(d) *Cure Proceedings and Payments.* With respect to each of the Executory Contracts or Unexpired Leases assumed under the Plan, the Debtors shall designate a proposed Cure, and the assumption of such Executory Contract or Unexpired Lease shall be conditioned upon the disposition of all issues with respect to Cure. Except as otherwise set forth on the Schedule of Assumed Executory Contracts and Unexpired Leases, the Cure amount with respect to each of the Executory Contracts or Unexpired Leases assumed hereunder is designated by the Debtors as zero dollars, subject to the determination of a different Cure amount pursuant to the procedures set forth in the Plan (including Section 6.01(e) of the Plan) and in the Cure Notices. Except with respect to Executory Contracts and Unexpired Leases for which the Cure is zero dollars, or for which the Cure amount is in dispute, the Cure shall be satisfied by the Reorganized Debtors or their assignee, if any, by payment of the Cure in Cash within 30 days following the occurrence of the Effective Date or as soon as reasonably practicable thereafter, or on such other terms as may be ordered by the Bankruptcy Court or agreed upon by the parties to the applicable Executory Contract or Unexpired Lease without any further notice to or action, order, or approval of the Bankruptcy Court.

Any provisions or terms of the Executory Contracts or Unexpired Leases to be assumed pursuant to the Plan that are, or may be, alleged to be in default, shall be satisfied solely by Cure, or by an agreed-upon waiver of Cure. If there is a dispute regarding such Cure, the ability of the Reorganized Debtors or any assignee to provide “adequate assurance of future performance” within the meaning of section 365 of the Bankruptcy Code, or any other matter pertaining to assumption, then payment of Cure shall occur as soon as reasonably practicable after entry of a Final Order resolving such dispute, approving such assumption (and, if applicable, assignment), or as may be agreed upon by the Debtors or the Reorganized Debtors, as applicable, and the counterparty to the Executory Contract or Unexpired Lease; *provided, however*, that the Debtors or the Reorganized Debtors, as applicable, shall have the right either to reject or nullify the assumption of any Executory Contract or Unexpired Lease after entry of a Final Order determining the Cure or any request for adequate assurance of future performance required to assume such Executory Contract or Unexpired Lease.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any Cures, Claims, or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time prior to the effective date of assumption.

(e) *Cure Notice.* No later than seven days before the Confirmation Hearing, the Debtors shall serve upon counterparties to such Executory Contracts and Unexpired Leases a Cure Notice that will (i) notify the counterparty of the proposed assumption of the applicable Executory Contract or Unexpired Lease, (ii) list the applicable Cure, if any, set forth on the Schedule of Assumed Executory Contracts and Unexpired Leases, (iii) describe the

procedures for filing objections to the proposed assumption or assumption and assignment of the applicable Executory Contract or Unexpired Lease, (iv) describe the procedures for filing objections to the proposed Cure of the applicable Executory Contract or Unexpired Lease, and (v) explain the process by which related disputes will be resolved by the Bankruptcy Court. If no objection is timely received, (A) the non-Debtor party to the assumed Executory Contract or Unexpired Lease shall be deemed to have consented to the assumption of the applicable Executory Contract or Unexpired Lease and shall be forever barred from asserting any objection with regard to such assumption, and (B) the proposed Cure shall be controlling, notwithstanding anything to the contrary in any applicable Executory Contract or Unexpired Lease or other document as of the date of the filing of the Plan, and the non-Debtor party to an applicable Executory Contract or Unexpired Lease shall be deemed to have consented to the Cure amount and shall be forever barred from asserting, collecting, or seeking to collect any additional amounts relating thereto against the Debtors or the Reorganized Debtors, or the property of any of them. For the avoidance of doubt, all proposed Cures in excess of \$100,000 shall be required to be reasonably acceptable to the Required Participating Noteholders.

(f) *Cure Objections.* If a proper and timely objection to the Cure Notice or proposed Cure was filed by the Cure Objection Deadline, the Cure shall be equal to (i) the amount agreed to between the Debtors or Reorganized Debtors, as applicable, and the applicable counterparty or (ii) to the extent the Debtors or Reorganized Debtors and counterparty do not reach an agreement regarding any Cure or any other matter related to assumption, the Bankruptcy Court shall determine the Allowed amount of such Cure and any related issues. Objections, if any, to the proposed assumption and/or Cure must be in writing, filed with the Bankruptcy Court, and served in hard-copy form on the parties identified in the Cure Notice so that they are actually received by the Cure Objection Deadline.

(g) *Hearing with Respect to Objections.* If an objection to the proposed assumption of an Executory Contract or Unexpired Lease and/or to the proposed Cure thereof is timely filed and received in accordance with the procedures set forth in Section 6.01(f) of the Plan, and the parties do not reach a consensual resolution of such objection, a hearing with respect to such objection shall be held at such time scheduled by the Bankruptcy Court or the Debtors or Reorganized Debtors. Objections to the proposed Cure or assumption of an Executory Contract or Unexpired Lease will not be treated as objections to Confirmation of the Plan.

(h) *Reservation of Rights.* Notwithstanding anything to the contrary herein, prior to the Effective Date, the Debtors may, with the consent of the Required Participating Noteholders (not to be unreasonably withheld), amend their decision with respect to the assumption of any Executory Contract or Unexpired Lease and provide a new notice amending the information provided in the applicable notice. In the case of an Executory Contract or Unexpired Lease designated for assumption that is the subject of a Cure objection that has not been resolved prior to the Effective Date, the Debtors or the Reorganized Debtors, as applicable, may designate such Executory Contract or Unexpired Lease for rejection at any time prior to the payment of the Cure, as set forth in Section 6.01(d) of the Plan.

2. Rejection of Executory Contracts

Upon the occurrence of the Effective Date, each Executory Contract or Unexpired Lease listed on the Schedule of Rejected Executory Contracts and Unexpired Leases in the Plan Supplement shall be deemed automatically rejected pursuant to sections 365 and 1123 of the Bankruptcy Code as of the Effective Date. The Confirmation Order will constitute an order of the Bankruptcy Court approving such rejections pursuant to sections 365 and 1123 of the Bankruptcy Code as of the Effective Date. Counterparties to Executory Contracts or Unexpired Leases that are deemed rejected as of the Effective Date shall have the right to assert any Claim on account of the rejection of such Executory Contracts or Unexpired Leases subject to compliance with the requirements of the Plan.

(a) *Preexisting Obligations to Debtors.* Rejection of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall not constitute a termination of pre-existing obligations owed to the Debtors under such contracts or leases. In particular, notwithstanding any non-bankruptcy law to the contrary, the Reorganized Debtors expressly reserve and do not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties or continued maintenance obligations on goods previously purchased by the contracting Debtors or the Reorganized Debtors, as applicable, from counterparties to rejected or repudiated Executory Contracts.

(b) *Rejection Damages Claim Procedures.* Unless otherwise provided by a Bankruptcy Court order, any proofs of Claim asserting Claims arising from the rejection of the Executory Contracts and Unexpired Leases pursuant to the Plan or otherwise must be filed with the Claims and Solicitation Agent no later than 30 days after the later of the Effective Date, the effective date of rejection, or the date notice of such rejection is transmitted by the Debtors or the Reorganized Debtors, as applicable, to the counterparty to such Executory Contract or Unexpired Lease. Any proofs of Claim arising from the rejection of the Executory Contracts or Unexpired Leases that are not timely filed shall be Disallowed automatically and forever barred, estopped, and enjoined from assertion and shall not be enforceable against the Debtors or the Reorganized Debtors, without the need for any objection by the Reorganized Debtors or any further notice to or action, order, or approval of the Bankruptcy Court, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, notwithstanding anything in the Schedules or a proof of Claim to the contrary. All Allowed Claims arising from the rejection of the Executory Contracts and Unexpired Leases shall be classified as TUSA General Unsecured Claims or Convenience Claims, as applicable.

(c) *Reservation of Rights.* Notwithstanding anything to the contrary herein, prior to the Effective Date, the Debtors may amend their decision with respect to the rejection of any Executory Contract or Unexpired Lease.

3. Midstream Contracts

(a) The Caliber Declaratory Judgment Action, and all of the Debtors' or the Reorganized Debtors' rights with respect thereto, shall constitute retained Causes of Action, subject in all respect to Section 5.16 of the Plan. Without limiting the generality of the foregoing,

the Debtors, with the consent of the Required Participating Noteholders, or the Reorganized Debtors, as applicable, shall determine whether to continue to prosecute, settle, release, compromise, or enforce the Caliber Declaratory Judgment Action (or decline to do any of the foregoing), and shall not be required to seek further approval of the Bankruptcy Court for such action.

(b) To the extent one or more of the Specified Caliber Contracts is determined not to constitute or contain a covenant running with the land pursuant to a Final Order or judgment entered in the Caliber Declaratory Judgment Action, the Confirmation Order shall constitute an order of the Bankruptcy Court authorizing, but not directing, the Debtors to reject one or more such Specified Caliber Contracts, as determined by the Debtors, with the consent of the Required Participating Noteholders, or the Reorganized Debtors, as applicable. No later than 45 days after the entry of a Final Order or judgment in the Caliber Declaratory Judgment Action determining that one or more of the Specified Caliber Contracts constitutes an Executory Contract, the Debtors, with the consent of the Required Participating Noteholders, or the Reorganized Debtors, as applicable, shall transmit to the applicable Caliber Entity a notice identifying the Specified Caliber Contract(s), if any, to be rejected pursuant to Section 6.03(b) of the Plan. Upon transmittal of such notice to Caliber, the rejection of the Specified Caliber Contracts identified therein shall be effective *nunc pro tunc* to the Effective Date. Any Caliber Rejection Damages Claim resulting therefrom shall be reconciled in accordance with the terms of Article VII of the Plan and other applicable provisions of the Plan.

(c) To the extent the Bankruptcy Court or another court of competent jurisdiction issues a Final Order or judgment determining that one or more of the Specified Caliber Contracts is not an Executory Contract, constitutes or contains a covenant running with the land, or is otherwise not susceptible in whole or in part to rejection under section 365(a) of the Bankruptcy Code, then, for 30 days following the issuance of such Final Order or judgment, the Debtors or the Reorganized Debtors shall be permitted to assume such Specified Caliber Contracts in accordance with Section 6.01 of the Plan (and subject to the reservation of rights in Section 6.01(h) of the Plan) by delivering a Cure Notice to Caliber within such 30-day period.

4. Postpetition Contracts and Leases

Contracts and leases entered into after the Petition Date by the Debtors, and any Executory Contracts and Unexpired Leases assumed by the Debtors, may be performed by the Reorganized Debtors in the ordinary course of business and in accordance with the terms thereof.

5. General Reservation of Rights

Neither the exclusion nor inclusion of any contract or lease on the Schedule of Rejected Executory Contracts and Unexpired Leases, nor anything contained in the Plan, shall constitute an admission by the Debtors that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that the Reorganized Debtors, or any of their Affiliates, has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors or the Reorganized Debtors, as applicable, shall have 45 days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease.

F. Procedures for Resolving Disputed Claims and Interests

1. Determination of Claims and Interests

After the Effective Date, the Reorganized Debtors shall have and retain any and all rights and defenses the Debtors had with respect to any Claim or Interest immediately prior to the Effective Date, including the Causes of Action retained pursuant to Section 5.16 of the Plan, except with respect to any Claim or Interest deemed Allowed under the Plan.

Except as expressly provided in the Plan or in any order entered in the Chapter 11 Cases prior to the Effective Date (including the Confirmation Order), no Claim or Interest shall become an Allowed Claim or Interest unless and until such Claim or Interest is deemed Allowed or the Bankruptcy Court has entered a Final Order, including the Confirmation Order, in the Chapter 11 Cases allowing such Claim or Interest. All settled Claims approved prior to the Effective Date pursuant to a Final Order of the Bankruptcy Court, pursuant to Bankruptcy Rule 9019 or otherwise, shall be binding on all parties. For the avoidance of doubt, any Claim determined and liquidated pursuant to (a) an order of the Bankruptcy Court or (b) applicable non-bankruptcy law (which determination has not been stayed, reversed, or amended and as to which determination or any revision, modification, or amendment thereof as to which the time to appeal or seek review or rehearing has expired and no appeal or petition for review or rehearing was filed or, if filed, remains pending) shall be deemed an Allowed Claim in such liquidated amount and satisfied in accordance with the Plan.

Nothing contained in Section 7.01 of the Plan shall constitute or be deemed a waiver of any claim, right, or Cause of Action that the Debtors or the Reorganized Debtors may have against any Entity in connection with or arising out of any Claim, including any rights under section 157(b) of title 28 of the United States Code.

2. Claims Administration Responsibility

Except as otherwise specifically provided for in the Plan, after the Effective Date, the Reorganized Debtors shall retain responsibility for (a) administering, disputing, objecting to, compromising, or otherwise resolving all Claims against, and Interests in, the Debtors, including (i) filing, withdrawing, or litigating to judgment objections to Claims or Interests, (ii) settling or compromising any Disputed Claim or Disputed Interest without any further notice to or action, order, or approval by the Bankruptcy Court, and (iii) administering and adjusting the Claims register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Bankruptcy Court and (b) making distributions (if any) with respect to all Claims and Interests.

3. Objections to Claims

Unless otherwise extended by the Bankruptcy Court, any objections to Claims (other than Administrative Claims) shall be served and filed on or before the Claims Objection Deadline (or such later date as may be established by the Bankruptcy Court upon request of the Reorganized Debtors without further notice to parties-in-interest). Notwithstanding any authority to the contrary, an objection to a Claim shall be deemed properly served on the Holder of the Claim if the Debtors or the Reorganized Debtors effect service in any of the following manners:

(a) in accordance with Federal Rule of Civil Procedure 4, as modified and made applicable by Bankruptcy Rule 7004; (b) to the extent counsel for a Holder of a Claim or Interest is unknown, by first class mail, postage prepaid, on the signatory on the proof of Claim or other representative identified on the proof of Claim or any attachment thereto (or at the last known addresses of such Holder if no proof of Claim is filed or if the Debtors have been notified in writing of a change of address); or (c) by first class mail, postage prepaid, on any counsel that has appeared on behalf of the Holder of the Claim in the Chapter 11 Cases and has not withdrawn such appearance.

4. Disallowance of Claims

Except as otherwise agreed, any and all proofs of Claim filed after the applicable deadline for filing such proofs of Claim shall be deemed Disallowed and expunged as of the Effective Date without any further notice to, or action, order, or approval of the Bankruptcy Court, and Holders of any such Claims shall not receive any distributions on account of such Claims, unless such late proof of Claim is deemed timely filed by a Final Order of the Bankruptcy Court.

Nothing in the Plan shall in any way alter, impair, or abridge the legal effect of the Bar Date Order, or the rights of the Debtors, the Reorganized Debtors, or other parties-in-interest to object to Claims on the grounds that they are time barred or otherwise subject to disallowance or modification. Nothing in the Plan shall preclude amendments to timely filed proofs of Claim to the extent permitted by applicable law.

All Claims of any Entity from which property is sought by the Debtors under section 542, 543, 550, or 553 of the Bankruptcy Code or that the Debtors or the Reorganized Debtors allege is a transferee of a transfer that is avoidable under section 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code shall be Disallowed if (a) the Entity, on the one hand, and the Debtors or the Reorganized Debtors, on the other hand, agree or the Bankruptcy Court has determined by Final Order that such Entity or transferee is liable to turn over any property or monies under any of the aforementioned sections of the Bankruptcy Code and (b) such Entity or transferee has failed to turn over such property by the date set forth in such agreement or Final Order.

5. Estimation of Claims

Before or after the Effective Date, the Debtors or the Reorganized Debtors, as applicable, may (but are not required to) at any time request that the Bankruptcy Court estimate a Disputed Claim pursuant to section 502(c) of the Bankruptcy Code for any reason, regardless of whether any party previously has objected to such Claim or Interest or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction to estimate any such Disputed Claim, including during the litigation of any objection to any Disputed Claim or during the pendency of any appeal relating to such objection. In the event that the Bankruptcy Court estimates any contingent or unliquidated Claim, that estimated amount shall constitute a maximum limitation on such Claim for all purposes under the Plan (including for purposes of distributions and participation in the Rights Offering), without prejudice to the Holder of such Claim's right to request that estimation should be for the purpose of determining the Allowed amount of such Claim, and the Reorganized Debtors may elect to pursue any

supplemental proceedings to object to any ultimate distribution on such Claim. All of the objection, estimation, settlement, and resolution procedures set forth in the Plan are cumulative and not necessarily exclusive of one another. All estimation procedures set forth in the Plan shall be applied in accordance with section 502(c) of the Bankruptcy Code. Disputed Claims may be estimated and subsequently compromised, settled, withdrawn, or resolved by any mechanism approved by the Plan or the Bankruptcy Court.

6. No Interest on Disputed Claims

Unless otherwise specifically provided for in the Plan or as otherwise required by section 506(b) of the Bankruptcy Code, postpetition interest shall not accrue or be paid on Claims or Interests, and no Holder of a Claim or Interest shall be entitled to interest accruing on or after the Petition Date on any Claim or Interest. Additionally, and without limiting the foregoing, unless otherwise specifically provided for in the Plan or as otherwise required by section 506(b) of the Bankruptcy Code, interest shall not accrue or be paid on any Disputed Claim in respect of the period from the Effective Date to the date a final distribution is made, when and if such Disputed Claim becomes an Allowed Claim.

7. Amendments to Claims

On or after the Effective Date, except as otherwise provided in the Plan, a Claim may not be filed or amended without the authorization of the Bankruptcy Court or the Reorganized Debtors, and, to the extent such authorization is not received, any such new or amended Claim filed shall be deemed Disallowed in full and expunged without any further notice to or action, order, or approval of the Bankruptcy Court.

G. Provisions Governing Distribution

1. Time of Distributions

Except as otherwise provided for in the Plan or ordered by the Bankruptcy Court, distributions under the Plan shall be made on the later of (a) Initial Distribution Date or (b) on the first Periodic Distribution Date occurring after the later of, (i) 30 days after the date when a Claim is Allowed or (ii) 30 days after the date when a Claim becomes payable pursuant to any agreement between the Debtors (or the Reorganized Debtors) and the Holder of such Claim; *provided, however*, that the Reorganized Debtors may, in their sole discretion, make one-time distributions on a date that is not a Periodic Distribution Date.

2. Currency

Except as otherwise Provided in the Plan or Bankruptcy Court order, as of the Effective Date, any Claim asserted in currency other than U.S. dollars shall be automatically deemed converted to the equivalent U.S. dollar value using the exchange rate as of Effective Date at 4:00 p.m. prevailing Eastern Time, mid-range spot rate of exchange for the applicable currency as published in the next *The Wall Street Journal, National Edition* following the Effective Date.

3. Distribution Agent

Except as otherwise provided in the Plan, all distributions under the Plan shall be made by the Reorganized Debtors as Distribution Agent, or by such other Entity designated by the Reorganized Debtors as a Distribution Agent on the Effective Date. The Distribution Agent shall not be required to give any bond or surety or other security for the performance of the Reorganized Debtors' duties as Distribution Agent unless otherwise ordered by the Bankruptcy Court. The Distribution Agent shall be empowered to (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan; (b) make all distributions contemplated hereby; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Distribution Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Distribution Agent to be necessary and proper to implement the provisions hereof. If the Distribution Agent is an Entity other than the Reorganized Debtors, such Entity shall be paid its reasonable fees and expenses, including the reasonable fees and expenses of its attorneys or other professionals. The Reorganized Debtors shall be the Distribution Agent with respect to all Claims against the Ranger Debtors.

4. Claims Administered by Servicers

In the case of Holders of Claims governed by an agreement and administered by a Servicer, the respective Servicer shall be deemed to be the Holder of such Claims for purposes of distributions to be made hereunder. The Distribution Agent shall make all distributions on account of such Claims to the Servicers or as directed by the Servicers, in the Servicers' sole discretion. Each Servicer shall, at its option, hold or direct such distributions for the beneficial Holders of such Allowed Claims, as applicable; *provided, however*, that the Servicer shall retain all rights under its respective agreement in connection with delivery of distributions to the beneficial Holders of such Allowed Claim, including rights on account of its charging lien; *provided further, however*, that the Debtors' and the Reorganized Debtors' obligations to make distributions pursuant to the Plan shall be deemed satisfied upon delivery of distributions to each Servicer or the Entity or Entities designated by the Servicers. The Servicers shall not be required to give any bond, surety, or other security for the performance of their duties with respect to such distributions. The Servicers shall be paid in Cash their reasonable fees and expenses, including the reasonable fees and expenses of their attorneys or other professionals by the Reorganized Debtors.

5. Distributions on Claims Allowed After the Effective Date

(a) *No Distributions Pending Allowance.* No payments or distributions shall be made with respect to all or any portion of a Disputed Claim unless and until all objections to such Disputed Claim have been settled or withdrawn or have been determined by a Final Order of the Bankruptcy Court, and the Disputed Claim has become an Allowed Claim.

(b) *Special Rules for Distributions to Holders of Disputed Claims.* Notwithstanding any provision otherwise in the Plan and except as otherwise agreed by the relevant parties no partial payments and no partial distributions shall be made with respect to a Disputed Claim until all such disputes in connection with such Disputed Claim have been

resolved by settlement or Final Order. All distributions made pursuant to the Plan on account of a Disputed Claim that is later deemed an Allowed Claim by the Bankruptcy Court shall be made together with any dividends, payments, or other distributions made on account of, as well as any obligations arising from, the distributed property as if such Allowed Claim had been an Allowed Claim on the dates distributions were previously made to Holders of Allowed Claims included in the applicable Class; *provided, however*, that no interest shall be paid on account to such Allowed Claims unless required under applicable bankruptcy law.

(c) *Disputed Claims Reserve.* The Reorganized Debtors shall establish and administer the Disputed Claims Reserve. Each Holder of a Disputed TUSA General Unsecured Claim that becomes an Allowed TUSA General Unsecured Claim after the Effective Date shall receive a distribution of New TUSA Common Stock from the Disputed Claims Reserve pursuant to the terms set forth in Section 8.05(b) of the Plan and at the time set forth in Section 8.01 of the Plan, together with such Holder's Rights Offering Securities, to the extent such Holder validly subscribed to purchase such Rights Offering Securities pursuant to the Rights Offering Procedures. On each Periodic Distribution Date, (i) all shares of New TUSA Common Stock in the Disputed Claims Reserve on account of a Disputed TUSA General Unsecured Claims that has become Disallowed in whole or in part (or has been Allowed in an amount less than its Provisionally Allowed amount) shall be redistributed ratably among (A) Holders of Allowed TUSA General Unsecured Claims and (B) the Disputed Claims Reserve and (ii) all Rights Offering Securities in the Disputed Claims Reserve that were subscribed for by the Holder of such Disallowed Claim shall be purchased by the Backstop Parties pursuant to the Backstop Commitment Agreement.

6. Delivery of Distributions

(a) *Record Date for Distributions.* On the Distribution Record Date, the Claims register shall be closed and the Distribution Agent shall be authorized and entitled to recognize only those record Holders listed on the Claims register as of the close of business on the Distribution Record Date. The RBL Agent shall have no obligation to recognize any transfer of any RBL Claims occurring after the close of business on the Distribution Record Date and shall instead be entitled to recognize and deal for all purposes under the Plan with only those Holders of record as of the close of business on the Distribution Record Date. Further, the Senior Notes Indenture Trustee shall have no obligation to recognize any transfer of any Senior Notes Claims occurring after the close of business on the Distribution Record Date and shall instead be entitled to recognize and deal for all purposes under the Plan with only those Holders of record as of the close of business on the Distribution Record Date.

(b) *Cash Distributions.* Distributions of Cash may be made either by check drawn on a domestic bank or wire transfer from a domestic bank, at the option of the Reorganized Debtors, except that Cash payments made to foreign creditors may be made in such funds and by such means as are necessary or customary in a particular foreign jurisdiction.

(c) *Address for Distributions.* Distributions to Holders of Allowed Claims shall be made by the Distribution Agent or the appropriate Servicer (i) at the addresses set forth on the proofs of Claim filed by such Holders of Claims (or at the last known addresses of such Holders of Claims if no proof of Claim is filed or if the Debtors or the Distribution Agent

have been notified in writing of a change of address), (ii) at the addresses set forth in any written notices of address changes delivered to the Distribution Agent after the date of any related proof of Claim, (iii) at the addresses reflected in the Schedules if no proof of Claim has been filed and the Distribution Agent has not received a written notice of a change of address, or (iv) in the case of a Holder of a Claim whose Claim is governed by an agreement and administered by a Servicer, at the addresses contained in the official records of such Servicer. The Debtors, the Reorganized Debtors, and the Distribution Agent shall not incur any liability whatsoever on account of any distributions under the Plan.

(d) *Undeliverable Distributions.* If any distribution to a Holder of a Claim is returned as undeliverable, no further distributions to such Holder of such Claim shall be made unless and until the Distribution Agent or the appropriate Servicer is notified of then-current address of such Holder of the Claim, at which time all missed distributions shall be made to such Holder of the Claim without interest, dividends, or accruals of any kind on the next Periodic Distribution Date. Amounts in respect of undeliverable distributions shall be returned to the Reorganized Debtors until such distributions are claimed.

(e) *Reversion.* Any distribution under the Plan that is an Unclaimed Distribution for a period of six months after such distribution shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code and such Unclaimed Distribution shall revert to and vest in the Reorganized Debtors free of any restrictions thereon, and to the extent such Unclaimed Distribution is New TUSA Common Stock, shall be deemed cancelled. Upon vesting, the Claim of any Holder or successor to such Holder with respect to such property shall be cancelled, discharged, and forever barred, notwithstanding federal or state escheat, abandoned, or unclaimed property laws to the contrary. The provisions of the Plan regarding undeliverable distributions and Unclaimed Distributions shall apply with equal force to distributions that are issued by the Reorganized Debtors or the Distribution Agent made pursuant to any indenture or Certificate (but only with respect to the initial distribution by the Servicer to Holders that are entitled to be recognized under the relevant indenture or Certificate and not with respect to Entities to whom those recognized Holders distribute), notwithstanding any provision in such indenture or Certificate to the contrary and notwithstanding any otherwise applicable federal or state escheat, abandoned, or unclaimed property law.

(f) *De Minimis Distributions.* Notwithstanding any other provision of the Plan to the contrary, the Reorganized Debtors, the Distribution Agent, and any Servicer shall not be required to make a distribution on account of an Allowed Claim if (i) the aggregate amount of all distributions authorized to be made on the Periodic Distribution Date in question is or has a value less than \$100,000; *provided, however*, that the Reorganized Debtors shall make, or cause to be made, a distribution on a Periodic Distribution Date of less than \$100,000 if the Reorganized Debtors expect that such Periodic Distribution Date shall be the final Periodic Distribution Date; or (ii) the amount to be distributed to the specific Holder of the Allowed Claim on the particular Periodic Distribution Date does not both (x) constitute a final distribution to such Holder and (y) have a value of at least \$50.00.

(g) *Fractional Distributions.* Notwithstanding any other provision of the Plan to the contrary, the Reorganized Debtors, the Distribution Agent, and any Servicer shall not be required to make partial distributions or distributions of fractional shares or membership units

of New TUSA Common Stock or distributions or payments of fractions of dollars. Whenever any payment or distribution of a fractional share or membership unit of New TUSA Common Stock under the Plan would otherwise be called for, such fraction shall be deemed zero. Whenever any payment of Cash of a fraction of a dollar pursuant to the Plan would otherwise be required, the actual payment shall reflect a rounding of such fraction to the nearest whole dollar (up or down), with half dollars or more being rounded up.

(h) *Accrual of Dividends and Other Rights.* For purposes of determining the accrual of dividends or other rights after the Effective Date, New TUSA Common Stock shall be deemed distributed as of the Effective Date regardless of the date on which it is actually issued, dated, authenticated, or distributed; *provided, however*, the Reorganized Debtors shall not pay any such dividends or distribute such other rights, if any, until after distributions of New TUSA Common Stock actually take place.

7. Surrender of Securities or Instruments

As soon as practicable after the Effective Date, each Holder of Senior Notes shall surrender its note(s) to the Indenture Trustee, or in the event such note(s) are held in the name of, or by a nominee of, the DTC, the Reorganized Debtors shall seek the cooperation of the DTC to provide appropriate instructions to the Senior Notes Indenture Trustee, and each Holder of Senior Notes shall be deemed to have surrendered each such Holder of Senior Note's note, debenture, or other evidence of indebtedness upon surrender of such global security by DTC or such other securities depository or custodian thereof. No distributions under the Plan shall be made for or on behalf of such Holder unless and until such note(s) is received by the Indenture Trustee or the loss, theft, or destruction of such note(s) is established to the reasonable satisfaction of the Indenture Trustee, which satisfaction may require such Holder to submit (a) a lost instrument affidavit and (b) an indemnity bond holding the Debtors, the Reorganized Debtors, and the Indenture Trustee, harmless in respect of such note and distributions made thereof. Upon compliance with Section 8.07 of the Plan by a Holder of Senior Notes, such Holder shall, for all purposes under the Plan, be deemed to have surrendered such Claim. Any Holder that fails to surrender such Senior Note or satisfactorily explain its non-availability to the Indenture Trustee within one year of the Effective Date shall be deemed to have no further Claim against the Debtors, the Reorganized Debtors (or their property), or the Indenture Trustee in respect of such Claim and shall not participate in any distribution under the Plan. All property in respect of such forfeited distributions, including interest thereon, shall be promptly returned to the Reorganized Debtors by the applicable Indenture Trustee, and any such security shall be cancelled. Notwithstanding the foregoing, if the record Holder of a Senior Notes Claim is the DTC or its nominee or such other securities depository or custodian thereof, or if a Senior Notes Claim is held in book-entry or electronic form pursuant to a global security held by the DTC or such other securities depository or custodian thereof, then the beneficial Holder of such an Allowed Senior Notes Claim shall be deemed to have surrendered such Holder's security, note, debenture, or other evidence of indebtedness upon surrender of such global security by the DTC or such other securities depository or custodian thereof.

8. Compliance Matters

In connection with the Plan, to the extent applicable, the Reorganized Debtors and the Distribution Agent shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, the Reorganized Debtors and the Distribution Agent shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information necessary to facilitate such distributions, or establishing any other mechanisms they believe are reasonable and appropriate. The Reorganized Debtors reserve the right to allocate all distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support, and other spousal awards, Liens, and encumbrances.

9. Claims Paid or Payable by Third Parties

The Claims and Solicitation Agent shall reduce in full a Claim to the extent that the Holder of such Claim receives payment in full on account of such Claim from a party that is not the Debtors or the Reorganized Debtors without any further notice to or action, order, or approval of the Bankruptcy Court. To the extent a Holder of a Claim receives a distribution on account of such Claim and receives payment from a party that is not the Debtors or the Reorganized Debtors on account of such Claim, such Holder shall, within two weeks of receipt thereof, repay or return the distribution under the Plan to the Reorganized Debtors, to the extent the Holder's total recovery on account of such Claim from the third party and under the Plan exceeds the amount of such Claim as of the date of any such distribution under the Plan.

10. Setoffs

Except as otherwise expressly provided for in the Plan and except with respect to any RBL Claims or Senior Notes Claim, and any distribution on account thereof, the Reorganized Debtors pursuant to the Bankruptcy Code (including section 553 of the Bankruptcy Code), applicable non-bankruptcy law, or as may be agreed to by the Holder of a Claim, may set off against any Allowed Claim and the distributions to be made pursuant to the Plan on account of such Allowed Claim, any Claims, rights, and Causes of Action of any nature that the Debtors or the Reorganized Debtors, as applicable, may hold against the Holder of such Allowed Claim, to the extent such Claims, rights, or Causes of Action against such Holder have not been otherwise compromised or settled on or prior to the Effective Date (whether pursuant to the Plan or otherwise); *provided, however*, that neither the failure to effect such a setoff nor the allowance of any Claim pursuant to the Plan shall constitute a waiver or release by the Reorganized Debtors of any such Claims, rights, and Causes of Action that the Reorganized Debtors may possess against such Holder. In no event shall any Holder of Claims be entitled to set off any Claim against any Claim, right, or Cause of Action of the Debtors or the Reorganized Debtors, as applicable, unless such Holder has filed a motion with the Bankruptcy Court requesting the authority to perform such setoff on or before the Confirmation Date, and notwithstanding any indication in any proof of Claim or otherwise that such Holder asserts, has, or intends to preserve any right of setoff pursuant to section 553 or otherwise.

11. Recoupment

In no event shall any Holder of Claims or Interests be entitled to recoup any Claim or Interest against any Claim, right, or Cause of Action of the Debtors or the Reorganized Debtors, as applicable, unless (a) such Holder actually has performed such recoupment and provided notice thereof in writing to the Debtors on or before the Confirmation Date or (b) such Holder's right to recoupment is preserved by applicable bankruptcy law.

12. Allocation of Plan Distributions Between Principal and Interest

To the extent that any Allowed Claim entitled to a distribution under the Plan is composed of indebtedness and accrued but unpaid interest thereon, such distribution shall, to the extent permitted by applicable law, be allocated for federal income tax purposes to the principal amount of the Claim first and then, to the extent the consideration exceeds the principal amount of the Claim, to the portion of such Claim representing accrued but unpaid interest.

H. Effect of Plan on Claims and Interests

1. Vesting of Assets

Except as otherwise explicitly provided in the Plan, on the Effective Date, all property comprising the Estate (including Causes of Action, but excluding property that has been abandoned pursuant to an order of the Bankruptcy Court) shall vest in the Reorganized Debtors which, as Debtors, owned such property or interest in property as of the Effective Date, free and clear of all Claims, Liens, charges, encumbrances, rights, and Interests (except for such Liens as may be retained in favor of the RBL Agent to secure the Excluded RBL Obligations); *provided, however*, that any property held by any of the inactive Debtors dissolved pursuant to Section 5.09 of the Plan shall vest in Reorganized TUSA solely in its capacity as Distribution Agent for the Ranger Debtors. As of and following the Effective Date, the Reorganized Debtors may operate their business and use, acquire, and dispose of property and settle and compromise Claims, Interests, or Causes of Action without supervision of the Bankruptcy Court, free of any restrictions of the Bankruptcy Code or Bankruptcy Rules, other than those restrictions expressly imposed by the Plan or the Confirmation Order.

2. Discharge of the Debtors

Pursuant to section 1141(d) of the Bankruptcy Code, except as otherwise specifically provided in the Plan or the Confirmation Order, and effective as of the Effective Date: (a) the distributions and rights that are provided in the Plan, if any, and the treatment of all Claims and Interests shall be in exchange for and in complete satisfaction, discharge, and release of all Claims and Causes of Action, whether known or unknown, including any interest accrued on such Claims from and after the Petition Date, against, liabilities of, Liens on, obligations of, rights against, and Interests in the Debtors or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims, rights, and Interests, including, but not limited to, Claims and Interests that arose before the Effective Date and all debts of the kind specified in sections 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not (i) a proof of Claim or Interest based upon such Claim, debt, right, or Interest is filed or deemed filed under section 501 of the Bankruptcy

Code, (ii) a Claim or Interest based upon such Claim, debt, right, or Interest is Allowed under section 502 of the Bankruptcy Code, or (iii) the Holder of such a Claim, right, or Interest accepted the Plan; (b) the Plan shall bind all Holders of Claims and Interests notwithstanding whether any such Holders failed to vote to accept or reject the Plan or voted to reject the Plan; (c) all Claims and Interests shall be satisfied, discharged, and released in full, and the Debtors' liability with respect thereto shall be extinguished completely, including any liability of the kind specified under section 502(g) of the Bankruptcy Code; and (d) all Entities shall be precluded from asserting against the Debtors, the Estates, the Reorganized Debtors, their successors and assigns, and their assets and properties any other Claims or Interests based upon any documents, instruments, or any act or omission, transaction, or other activity of any kind or nature that occurred prior to the Effective Date. The Confirmation Order shall be a judicial determination of the discharge of all Claims against and Interests in the Debtors, subject to the occurrence of the Effective Date.

3. Compromise and Settlement

Pursuant to Bankruptcy Rule 9019(a), the Debtors may compromise and settle various (a) Claims or Interests and (b) Causes of Action that the Debtors have against other Entities up to the Effective Date. After the Effective Date, any such right shall pass to the Reorganized Debtors as contemplated in Section 9.01 of the Plan, without the need for further approval of the Bankruptcy Court. Pursuant to section 363 of the Bankruptcy Code and Bankruptcy Rule 9019 and in consideration for the distributions and other benefits provided pursuant to the Plan or any distribution to be made on account of an Allowed Claim, the provisions of the Plan shall constitute a good-faith compromise of all Claims, Interests, and controversies relating to the contractual, legal, and subordination rights that a Holder of a Claim or Interest may have with respect to any Allowed Claim or Allowed Interest. The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the compromise or settlement of all such Claims, Interests, and controversies, as well as a finding by the Bankruptcy Court that any such compromise or settlement is in the best interests of the Debtors, their Estates, and Holders of Claims and Interests, and is fair, equitable, and reasonable.

4. Release by Debtors

Pursuant to section 1123(b) of the Bankruptcy Code, as of the Effective Date, the Debtors and their Estates, the Reorganized Debtors, and each of their respective current and former Affiliates shall be deemed to have conclusively, absolutely, unconditionally, irrevocably, and forever released, waived, and discharged the Released Parties from any and all Claims, Interests, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, including any derivative Claims, asserted on behalf of the Debtors, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, that such Entity would have been legally entitled to assert (whether individually or collectively), based on or in any way relating to, or in any manner arising from, in whole or in part, the Debtors, the Debtors' restructuring, the Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors or the Reorganized Debtors, provided under any applicable law, rule, or regulation, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the restructuring of Claims and Interests prior to or in the Chapter 11 Cases, the negotiation, formulation, or preparation of the Plan, the

Disclosure Statement, the Cash Collateral Order, the Backstop Commitment Agreement, the Plan Supplement, the Rights Offering, the Exit Facility, any other Plan Transaction Document, or related agreements, instruments, or other documents, upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date of the Plan, other than Claims or liabilities arising out of or relating to any act or omission of a Released Party that constitutes the failure to perform the duty to act in good faith and where such failure to perform constitutes willful misconduct, gross negligence, or actual fraud. Notwithstanding anything to the contrary in the foregoing, the release set forth above does not release any post-Effective Date obligations of any party under the Plan or any document, instrument, or agreement executed to implement the Plan. For the avoidance of doubt, nothing in this paragraph shall in any way affect the operation of Section 9.02 of the Plan, pursuant to section 1141(d) of the Bankruptcy Code.

5. Release by Holders of Claims and Interests

(a) *Release by Holders of Claims and Interests.* As of the Effective Date, and as permitted by applicable law, the Releasing Parties shall be deemed to have conclusively, absolutely, unconditionally, irrevocably, and forever released, waived, and discharged the Debtors, the Reorganized Debtors, their Estates, non-Debtor Affiliates, and the Released Parties from any and all Claims, Interests, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, including any derivative Claims, asserted on behalf of the Debtors, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, at law, in equity, or otherwise, that such Entity would have been legally entitled to assert (whether individually or collectively), based on or in any way relating to, or in any manner arising from, in whole or in part, the Debtors, the Debtors' restructuring, the Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors or the Reorganized Debtors provided under any applicable law, rule, or regulation, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the restructuring of Claims and Interests prior to or in the Chapter 11 Cases, the negotiation, formulation, or preparation of the Plan, the Disclosure Statement, the Cash Collateral Order, the Backstop Commitment Agreement, the Plan Supplement, the Rights Offering, the Exit Facility, any other Plan Transaction Document, or related agreements, instruments, or other documents, upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date of the Plan, other than Claims or liabilities arising out of or relating to any act or omission of a Released Party that constitutes the failure to perform the duty to act in good faith and where such failure to perform constitutes willful misconduct or, gross negligence, or actual fraud. Notwithstanding anything to the contrary in the foregoing, the release set forth above does not release any post-Effective Date obligations of any party under the Plan or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan.

For the avoidance of doubt, except as expressly provided in the Plan, nothing in Section 9.05 of the Plan shall in any way affect the operation of Section 9.02 of the Plan, pursuant to section 1141(d) of the Bankruptcy Code.

6. Exculpation and Limitation of Liability

The Exculpated Parties shall neither have, nor incur, any liability to any Entity for any Exculpated Claim; *provided, however*, that the foregoing “exculpation” shall have no effect on the liability of any Entity rising out of or relating to any act or omission of a Released Party that constitutes the failure to perform the duty to act in good faith and where such failure to perform constitutes willful misconduct or, gross negligence, or actual fraud.

The Exculpated Parties have, and upon Confirmation shall be deemed to have, participated in good faith and in compliance with the applicable provisions of the Bankruptcy Code, including with regard to the distributions of the New TUSA Common Stock and the Rights Offering Securities pursuant to the Plan and, therefore, are not and shall not be liable at any time for the violations of any applicable, law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

7. Indemnification Obligations

From and after the Effective Date, the Reorganized Debtors will indemnify each Indemnitee to the same extent of any Indemnification Obligation in effect immediately prior to the Effective Date. The Reorganized Debtors’ indemnification obligation shall remain in full force and effect, shall not be modified, reduced, discharged, impaired, or otherwise affected in any way. The treatment of Indemnification Obligations in Section 9.07 of the Plan shall be in complete satisfaction, discharge, and release of any Claim on account of such Indemnification Obligation of the Debtors, except that any Indemnitee may assert a Claim in the Chapter 11 Cases for any prepetition Indemnification Obligation that is not satisfied because of the limitation contained in the prior sentence.

8. Injunction

The satisfaction, release, and discharge pursuant to Article IX of the Plan shall act as an injunction, from and after the Effective Date, against any Entity (a) commencing or continuing in any manner or in any place, any action, employment of process, or other proceeding; (b) enforcing, attaching, collecting, or recovering in any manner any judgment, award, decree, or order; (c) creating, perfecting, or enforcing any Lien or encumbrance; (d) asserting a setoff, right of subrogation, or recoupment of any kind against any debt, liability, or obligation due to the Debtors, except as set forth in Section 8.10 or 8.11 of the Plan, in each case with respect to any Claim, Interest, or Cause of Action satisfied, released or to be released, exculpated or to be exculpated, or discharged under the Plan or pursuant to the Confirmation Order and to the fullest extent authorized or provided by the Bankruptcy Code, including to the extent provided for or authorized by sections 524 and 1141 thereof; *provided, however*, that nothing contained in the Plan shall preclude such Entities from exercising their rights pursuant to and consistent with the terms of the Plan or the Confirmation Order.

9. Subordination Rights

(a) Except as otherwise provided in the Plan, the allowance, classification, and treatment of all Allowed Claims and the respective distributions and treatments under the Plan take into account and conform to the relative priority and rights of the

Claims in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, section 510(b) of the Bankruptcy Code, or otherwise. All Claims and all rights and claims between or among Holders of Claims relating in any manner whatsoever to distributions on account of Claims or Interests, based upon any claimed subordination rights, whether asserted or unasserted, legal or equitable, shall be deemed satisfied by the distributions under the Plan to Holders of Claims having such subordination rights, and such subordination rights shall be deemed waived, released, discharged, and terminated as of the Effective Date. Except as otherwise specifically provided for in the Plan, distributions to the various Classes of Claims hereunder shall not be subject to levy, garnishment, attachment, or like legal process by any Holder of a Claim by reason of any subordination rights or otherwise, so that each Holder of a Claim shall have and receive the benefit of the distributions in the manner set forth in the Plan.

(b) Except as otherwise provided in the Plan, the right of the Debtors or the Reorganized Debtors to seek subordination of any Claim or Interest pursuant to section 510 of the Bankruptcy Code is fully reserved, and the treatment afforded any Claim or Interest that becomes a subordinated Claim or Interest at any time shall be modified to reflect such subordination. Unless the Plan or the Confirmation Order otherwise provide, no distributions shall be made on account of a Claim subordinated pursuant to Section 9.09(b) of the Plan unless ordered by the Bankruptcy Court.

10. Protections Against Discriminatory Treatment

Consistent with section 525 of the Bankruptcy Code and clause 2 of Article VI of the United States Constitution, no Governmental Unit shall discriminate against the Reorganized Debtors or deny, revoke, suspend, or refuse to renew a license, permit, charter, franchise, or other similar grant to, condition such a grant to, discriminate with respect to such a grant against, the Reorganized Debtors, or another Entity with whom the Reorganized Debtors have been associated, solely because the Debtors have been debtors under chapter 11, have been insolvent before the commencement of the Chapter 11 Cases (or during the Chapter 11 Cases but before the Debtors are granted or denied a discharge), or have not paid a debt that is dischargeable in the Chapter 11 Cases.

11. Release of Liens

Except as otherwise provided in the Plan, including Section 3.02(b) of the Plan, or in any contract, instrument, release, or other agreement or document created pursuant to the Plan, on the Effective Date, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall be fully released, and discharged, and all of the right, title, and interest of any Holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert to the Reorganized Debtors and their successors and assigns.

12. Reimbursement or Contribution

If the Bankruptcy Court disallows a Claim for reimbursement or contribution of an Entity pursuant to section 502(e)(1)(B) of the Bankruptcy Code, then to the extent that such Claim is contingent as of the Effective Date, such Claim shall be forever Disallowed

notwithstanding section 502(j) of the Bankruptcy Code, unless prior to the Effective Date (a) such Claim has been adjudicated as non-contingent or (b) the relevant Holder of a Claim has filed a contingent proof of Claim on account of such Claim and a Final Order has been entered determining such Claim as no longer contingent.

I. Conditions Precedent

1. Conditions Precedent to the Effective Date of the Plan

The following are conditions precedent to the occurrence of the Effective Date, each of which may be satisfied or waived in accordance with Section 10.02 of the Plan:

(c) the Bankruptcy Court shall have entered the Confirmation Order, and such order shall be a Final Order;

jurisdiction's corporation, limited liability company, or alternative comparable laws, as applicable;

(i) all authorizations, consents, certifications, approvals, rulings, no action letters, opinions or other documents, or actions required by any law, regulation, or order to be received or to occur in order to implement the Plan on the Effective Date shall have been obtained or shall have occurred unless failure to do so will not have a material adverse effect on the Reorganized Debtors;

(j) all statutory fees and obligations then due and payable to the Office of the United States Trustee shall have been paid and satisfied in full;

(k) the Adequate Protection Obligations, including but not limited to, the adequate protection payments and fees and expenses payable by the Debtors under the Cash Collateral Order shall have been paid in full in Cash; and

(l) unless both (i) a Final Order is entered providing that the Specified Caliber Contracts contain covenants running with the Land and (ii) the Specified Caliber Contracts are assumed Executory Contracts, such that no Caliber Rejection Damages Claim arises, the Bankruptcy Court shall have entered a Final Order or judgment (A) Disallowing the Caliber Rejection Damages Claim or (B) Allowing, or estimating the maximum amount of, the Caliber Rejection Damages Claim in an amount equal to or less than the Caliber Rejection Damages Cap; *provided, however*, that any settlement entered into by the Debtors with respect to any of the forgoing matters set forth in Section 10.01(l) of the Plan shall be acceptable to the Required Participating Noteholders.

2. Waiver of Conditions Precedent

(a) The conditions set forth in Section 10.01(a), (d), (e), (f), (h) (i), (j) and (l) of the Plan may be waived, in whole or in part, by the Debtors, with the consent of the Required Participating Noteholders and each Backstop Party.

(b) The conditions set forth in Section 10.01(k) may be waived, in whole or in part, by the Debtors, with the consent of the RBL Agent, in its sole discretion.

(c) The conditions set forth in Section 10.01, (b), (c) and (g) of the Plan may be waived, in whole or in part, by the Debtors, with the consent of the RBL Agent and the Required Participating Noteholders, and each Backstop Party, in each of their sole discretion.

3. Notice of Effective Date

The Reorganized Debtors shall file with the Bankruptcy Court a notice of the occurrence of the Effective Date within a reasonable period of time after the conditions in Section 10.01 of the Plan have been satisfied or waived pursuant to Section 10.02 of the Plan.

4. Effect of Non-Occurrence of Conditions to Consummation

If, prior to consummation of the Plan, the Confirmation Order is vacated pursuant to a Final Order, then except as provided in any order of the Bankruptcy Court vacating the Confirmation Order, the Plan will be null and void in all respects, and nothing contained in the Plan or Disclosure Statement shall (a) constitute a waiver or release of any Claims, Interests, or Causes of Action, (b) prejudice in any manner the rights of the Debtors or any other Entity, or (c) constitute an admission, acknowledgment, offer, or undertaking of any sort by the Debtors or any other Entity.

J. Bankruptcy Court Jurisdiction

1. Retention of Jurisdiction

Pursuant to sections 105(a) and 1142 of the Bankruptcy Code, the Bankruptcy Court shall have exclusive jurisdiction of all matters arising out of, and related to, the Chapter 11 Cases and the Plan, including jurisdiction to:

(a) resolve any matters related to Executory Contracts and Unexpired Leases, including: (i) the assumption, assumption and assignment, or rejection of Executory Contracts or Unexpired Leases to which the Debtors are a party or with respect to which the Debtors may be liable, and to hear and determine the allowance of Claims resulting therefrom including the amount of Cure, if any, required to be paid; (ii) any potential contractual obligation under any Executory Contract or Unexpired Lease that is assumed; (iii) the Reorganized Debtors' amendment, modification, or supplement after the Effective Date, pursuant to Article VI of the Plan, of the lists of Executory Contracts and Unexpired Leases to be assumed or rejected or otherwise; and (iv) any dispute regarding whether a contract or lease is or was executory or expired, including, in each case, as it relates to the Specified Caliber Contracts;

(d) ensure that distributions to Holders of Allowed Claims are accomplished as provided in the Plan and adjudicate any and all disputes arising from or relating to distributions under the Plan;

(e) allow in whole or in part, disallow in whole or in part, determine, liquidate, classify, estimate, or establish the priority, secured or unsecured status, or amount of any Claim or Interest, including hearing and determining any and all objections to the allowance or estimation of Claims or Interests filed, both before and after the Confirmation Date, including any objections to the classification of any Claim or Interest, and the resolution of request for payment of any Administrative Claim;

(f) hear and determine or resolve any and all matters related to Causes of Action;

(g) enter and implement such orders as may be appropriate if the Confirmation Order is for any reason stayed, revoked, modified, and/or vacated;

(l) adjudicate, decide, or resolve any and all matters related to section 1141 of the Bankruptcy Code;

(m) hear and determine disputes arising in connection with the interpretation, implementation, or enforcement of the Plan or the Confirmation Order, including disputes arising under agreements, documents, or instruments executed in connection with the Plan and disputes arising in connection with any Entity's obligations incurred in connection with the Plan;

(n) hear and determine all suits or adversary proceedings to recover assets of the Debtors and property of their Estates, wherever located;

(o) hear and determine matters concerning state, local, and federal taxes in accordance with sections 346, 505, and 1146 of the Bankruptcy Code;

(p) resolve any matters relating to any pre- and post-Confirmation sales of the Debtors' assets;

(q) grant any consensual request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code;

(r) hear any other matter not inconsistent with the Bankruptcy Code;

(s) hear and determine all disputes involving the existence, nature, or scope of the Debtors' discharge;

(t) enter a Final Decree closing the Chapter 11 Cases;

(u) enforce all orders previously entered by the Bankruptcy Court;

(v) hear and determine all matters relating to any Section 510(b) Claim;

and

(w) hear and determine all matters arising in connection with the interpretation, implementation, or enforcement of the Backstop Commitment Agreement and the Rights Offering.

From the Confirmation Date through the Effective Date, the Bankruptcy Court shall retain jurisdiction with respect to each of the foregoing items and all other matters that were subject to its jurisdiction prior to the Confirmation Date. Nothing contained in the Plan shall be construed to increase, decrease, or otherwise modify the independence, sovereignty, or jurisdiction of the Bankruptcy Court.

K. Miscellaneous Provisions

1. Binding Effect

Upon the Effective Date, the Plan shall be binding upon and inure to the benefit of the Debtors, the Reorganized Debtors, all current and former Holders of Claims, all current and former Holders of Interests, and all other parties-in-interest and their respective heirs, successors, and assigns.

2. Payment of Statutory Fees

All fees payable pursuant to section 1930 of title 28 of the United States Code, as of the entry of the Confirmation Order as determined by the Bankruptcy Court at the Confirmation Hearing, shall be paid on the Effective Date. The Reorganized Debtors shall continue to pay fees pursuant to section 1930 of title 28 of the United States Code until the Chapter 11 Cases are closed by entry of the Final Decree. Furthermore, following entry of the Confirmation Order, the Reorganized Debtors shall continue to file quarterly reports in compliance with Bankruptcy Rule 2015(a)(5); *provided, however*, such reports shall not purport to be prepared in accordance with GAAP, may not be construed as reports filed under the Securities Exchange Act, and may not be relied upon by any party for any purpose except as set forth in Bankruptcy Rule 2015(a)(5).

3. Restructuring Expenses

On the Effective Date, the Debtors or the Reorganized Debtors, as applicable, shall pay in full in Cash all outstanding Restructuring Expenses not previously paid pursuant to an order of the Bankruptcy Court in accordance with the terms of the applicable engagement letters entered into or acknowledged by the Debtors or other applicable arrangements, without the need for any application or notice to or approval by the Bankruptcy Court. Restructuring Expenses invoiced after the Effective Date, covering the period prior to or on the Effective Date, shall be paid promptly by the Reorganized Debtors following receipt of invoices therefor and the terms of the applicable documents giving rise to such rights; *provided, however*, that the Debtors or the Reorganized Debtors, as applicable, reserve their right to dispute the reasonableness of any

such Restructuring Expenses, and any such dispute that is not consensually resolved among the parties shall be resolved by the Bankruptcy Court pursuant to Section 2.01 of the Plan.

4. Modification and Amendment

The Debtors may alter, amend, or modify the Plan under section 1127(a) of the Bankruptcy Code at any time prior to the Confirmation Date, provided that such amendments and modifications are consistent with the Cash Collateral Order and that nothing herein shall be deemed to imply that any other party has consented to such amendment. After the Confirmation Date and prior to substantial consummation of the Plan as defined in section 1101(2) of the Bankruptcy Code, the Debtors may under section 1127(b) of the Bankruptcy Code, institute proceedings in the Bankruptcy Court to remedy any defect or omission or reconcile any inconsistencies in the Plan, the Disclosure Statement, or the Confirmation Order, and such matters as may be necessary to carry out the purposes and effects of the Plan.

5. Confirmation of Plan

The Debtors request Confirmation of the Plan under section 1129(b) of the Bankruptcy Code with respect to any Impaired Class that does not accept the Plan pursuant to section 1126 of the Bankruptcy Code. The Debtors reserve the right to amend the Plan to any extent, if any, that Confirmation pursuant to section 1129(b) of the Bankruptcy Code requires modification.

6. Additional Documents

On or before the Effective Date, the Debtors may file with the Bankruptcy Court such agreements or other documents as may be necessary or appropriate to effectuate and further evidence the terms and conditions of the Plan. The Debtors or the Reorganized Debtors, as applicable, and Holders of Claims receiving distributions pursuant to the Plan and all other parties in interest shall, from time to time, prepare, execute, and deliver any agreements or documents and take any other actions as may be necessary or advisable to effectuate the provision and intent of the Plan.

7. Revocation, Withdrawal, Non-Consummation

(a) *Right to Revoke or Withdraw.* The Debtors reserve the right to revoke or withdraw the Plan at any time prior to the Effective Date and file subsequent chapter 11 plans, subject to the terms of the Cash Collateral Order.

(b) *Effect of Withdrawal, Revocation, or Non-Consummation.* If the Debtors revoke or withdraw the Plan prior to the Effective Date, or if the Confirmation Date or the Effective Date does not occur, then the Plan, any settlement or compromise embodied in the Plan (including the fixing or limiting to an amount certain any Claim or Class of Claims or the allocation of the distributions to be made hereunder), the assumption or rejection of Executory Contracts or Unexpired Leases effected by the Plan, and any document or agreement executed pursuant to the Plan shall be null and void in all respects. In such event, nothing contained in the Plan or in the Disclosure Statement, and no acts taken in preparation for consummation of the Plan, shall be deemed to constitute a waiver or release of any Claims, Interests, or Causes of

Action by or against the Debtors or any other Entity, to prejudice in any manner the rights and defenses of the Debtors, the Holder of a Claim or Interest, or any Entity in any further proceedings involving the Debtors, or to constitute an admission, acknowledgement, offer, or undertaking of any sort by the Debtors or any other Entity.

9. Term of Injunctions or Stays

Unless otherwise provided in the Plan or in the Confirmation Order, all injunctions or stays in effect in the Chapter 11 Cases pursuant to sections 105 or 362 of the Bankruptcy Code or any order of the Bankruptcy Court, and existing on the Confirmation Date (excluding any injunctions or stays contained in the Plan or the Confirmation Order) shall remain in full force and effect until the Effective Date. All injunctions or stays contained in the Plan or the Confirmation Order shall remain in full force and effect in accordance with their terms.

10. Governing Law

Unless a rule of law or procedure is supplied by federal law (including the Bankruptcy Code and Bankruptcy Rules) or unless otherwise specifically stated, the laws of the State of New York shall govern the construction and implementation of the Plan, any agreements, documents, and instruments executed in connection with the Plan (except as otherwise set forth in those agreements, in which case the governing law of such agreements shall control). Corporate governance matters shall be governed by the laws of the state of incorporation, formation, or functional equivalent thereof, as applicable, of the applicable Reorganized Debtor.

11. Entire Agreement

Except as otherwise indicated, the Plan supersedes all previous and contemporaneous negotiations, promises, covenants, agreements, understandings, and representations on such subjects, all of which have become merged and integrated into the Plan.

12. Severability

If, prior to Confirmation, any term or provision of the Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of the Plan will remain in full force and effect and will in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is (a) valid and enforceable pursuant to its terms, (b) integral to the Plan and may not be deleted or modified without the consent of (i) the Debtors, (ii) Required Participating Noteholders (not to be unreasonably withheld), (iii), with respect to any document over which the Backstop Parties have consent rights pursuant to the Backstop and Rights Offering Procedures Approval Order, the Backstop Parties, and (iv) to the extent set forth in the Cash Collateral Order, the Prepetition Secured Parties, and (c) non-severable and mutually dependent.

13. No Waiver or Estoppel

Upon the Effective Date, each Holder of a Claim or Interest shall be deemed to have waived any right to assert that its Claim or Interest should be Allowed in a certain amount, in a certain priority, be secured, or not be subordinated by virtue of an agreement made with the Debtors and/or their counsel or any other party, if such agreement was not disclosed in the Plan, the Disclosure Statement, or papers filed with the Bankruptcy Court.

14. Conflicts

In the event that the provisions of the Disclosure Statement and the provisions of the Plan conflict, the terms of the Plan shall govern.

VIII. FINANCIAL INFORMATION AND PROJECTIONS

- A. Consolidated Condensed Projected Financial Information**
- B. General Assumptions**
- C. Assumptions with Respect to Financial Projections**
- D. Summary Financial Projections**

IX. RISK FACTORS TO BE CONSIDERED

PRIOR TO VOTING TO ACCEPT OR REJECT THE PLAN, ALL HOLDERS OF CLAIMS THAT ARE IMPAIRED AND ENTITLED TO VOTE SHOULD READ AND CONSIDER CAREFULLY THE FACTORS SET FORTH HEREIN, AS WELL AS ALL OTHER INFORMATION SET FORTH OR OTHERWISE REFERENCED IN THIS DISCLOSURE STATEMENT. ALTHOUGH THESE RISK FACTORS ARE MANY, THESE FACTORS SHOULD NOT BE REGARDED AS CONSTITUTING THE ONLY RISKS PRESENT IN CONNECTION WITH THE DEBTORS' BUSINESS OR THE PLAN AND ITS IMPLEMENTATION.

As noted above, there can be no guarantee that the assumptions, estimates, and projections underlying the Plan will continue to be accurate or valid at any time after the date hereof. This section of this Disclosure Statement explains that there are certain risk factors that each voting Holder of a Claim should consider in determining whether to vote to accept or reject the Plan. Accordingly, each Holder of a Claim who is entitled to vote on the Plan should read and carefully consider the following factors, as well as the other information set forth in this Disclosure Statement (and the documents delivered together herewith and/or incorporated by reference herein), before deciding whether to vote to accept or to reject the Plan.

A. General

The Plan sets forth the means for satisfying the Claims against and Interests in each of the Debtors. Certain Claims are not expected to be paid in full. Nevertheless, the reorganization of the Debtors' business and operations under the proposed Plan avoids the potentially adverse impact of the likely increased delays and costs associated with a chapter 7 liquidation of the Debtors. The Plan has been proposed after a careful consideration of all reasonable restructuring alternatives. Despite the risks inherent in the Plan, as described herein, the Debtors believe that the Plan is in the best interests of Creditors when compared to all reasonable alternatives.

B. Potential Adverse Effects of Chapter 11

Although the Debtors will seek to make their stay in chapter 11 as brief as possible and to obtain relief from the Bankruptcy Court so as to minimize any potential disruption to their business operations, it is possible that the commencement and pendency of the Chapter 11 Cases could materially adversely affect the relationship among the Debtors, customers, employees, vendors, and service providers.

C. Plan May Not Be Accepted

There can be no assurance that the requisite acceptances to confirm the Plan will be obtained. Thus, while the Debtors believe the Plan is confirmable under the standards set forth in Bankruptcy Code section 1129, there is no guarantee that the Plan will be accepted by the requisite Classes entitled to vote on the Plan.

D. Debtor-Specific Risk Factors

The following are risk factors pertaining to the Debtor's operations and industry:

(a) Oil and natural gas prices are volatile and change for reasons beyond the Debtors' control. Decreases in the price the Debtors receive for their production adversely affect the Debtors' business, financial condition, results of operations, and liquidity.

(b) Oil and natural gas exploration, exploitation, and development activities may not be successful and could result in a complete loss of a significant investment.

(c) The oil and natural gas industries are subject to complex laws and regulations, including environmental laws and regulations that can adversely affect the cost, manner, and feasibility of doing business and limit Debtors' future growth.

E. Certain Bankruptcy Considerations

Even if all voting Impaired Classes vote in favor of the Plan, and even if with respect to any Impaired Class deemed to have rejected the Plan the requirements for "cramdown" (discussed in more detail in Section XI.F herein) are met, the Bankruptcy Court, which, as a court of equity, substantial discretion concerning Plan confirmation, and may choose not to confirm the Plan. Bankruptcy Code section 1129 requires, among other things, a showing that confirmation of the Plan will not be followed by liquidation or the need for further financial reorganization of the Debtors, and that the value of distributions to dissenting Holders of Claims and Interests will not be less than the value such Holders would receive if the Debtors were liquidated under chapter 7 of the Bankruptcy Code, see *infra* Section XI.C. Although the Debtors believe that the Plan will meet such tests, there can be no assurance that the Bankruptcy Court will reach the same conclusion.

F. Bankruptcy-Specific Risk Factors That Could Negatively Impact the Debtors' Business

1. The Debtors are subject to the risks and uncertainties associated with the Chapter 11 Cases.

For the duration of the Chapter 11 Cases, the Debtors' operations and its ability to execute its business strategy will be subject to risks and uncertainties associated with bankruptcy. These risks include:

(a) the Debtors' ability to continue as a going concern;

(b) the Debtors' ability to obtain Bankruptcy Court approval with respect to motions filed in the Chapter 11 Cases;

(c) the Debtors' ability to develop, prosecute, confirm, and consummate the proposed Plan or any other plan of reorganization with respect to the Chapter 11 Cases;

(d) the ability of third parties to seek and obtain court approval to terminate or shorten the exclusivity period for the Debtors to propose and confirm a plan of reorganization, to appoint a chapter 11 trustee, or to convert the Chapter 11 Cases to chapter 7 cases;

(e) the Debtors' ability to retain key vendors or secure alternative supply sources;

(f) the Debtors' ability to obtain and maintain normal payment and other terms with vendors and service providers;

(g) the Debtors' ability to maintain contracts that are critical to its operations;

(h) the Debtors' ability to attract, motivate, and retain management and other key employees; and

(i) the Debtors' ability to fund and execute their business plan.

2. The Debtors' business could suffer from a long and protracted restructuring.

The Debtors' future results are dependent upon the successful confirmation and implementation of a plan of reorganization. Failure to obtain this approval in a timely manner could adversely affect the Debtors' operating results, as their ability to obtain financing to fund operations may be harmed, and the Debtors may need to pursue the Sales Process pursuant to the Final Cash Collateral Order. Accordingly, if the Plan is not confirmed and implemented within the Plan Milestones, there is a significant risk that the value of the Debtors' enterprise would be substantially eroded to the detriment of all stakeholders.

Furthermore, the Debtors cannot predict the ultimate amount of all settlement terms for the liabilities that will be subject to a plan of reorganization. Even once a plan of reorganization is approved and implemented, the Debtors' operating results may be adversely affected by the possible reluctance of prospective lenders, customers, or vendors to do business with a company that recently emerged from bankruptcy proceedings.

G. Classification and Treatment of Claims and Interests

Bankruptcy Code section 1122 requires that the Plan classify Claims against, and Interests in, the Debtors. The Bankruptcy Code also provides that the Plan may place a Claim or Interest in a particular Class only if such Claim or Interest is substantially similar to the other

Claims or Interests of such Class. The Debtors believe that all Claims and Interests have been appropriately classified in the Plan.

To the extent that the Bankruptcy Court finds that a different classification is required for the Plan to be confirmed, the Debtors would seek (a) to modify the Plan to provide for whatever classification might be required for confirmation and (b) to use the acceptances received from any Creditor pursuant to this solicitation for the purpose of obtaining the approval of the Class or Classes of which such Creditor ultimately is deemed to be a member. Any such reclassification of Creditors, although subject to the notice and hearing requirements of the Bankruptcy Code, could adversely affect the Class in which such Creditor was initially a member, or any other Class under the Plan, by changing the composition of such Class and the vote required for approval of the Plan. There can be no assurance that the Bankruptcy Court, after finding that a classification was inappropriate and requiring a reclassification, would approve the Plan based upon such reclassification. Except to the extent that modification of classification in the Plan requires resolicitation, the Debtors will, in accordance with the Bankruptcy Code and the Bankruptcy Rules, seek a determination by the Bankruptcy Court that acceptance of the Plan of any Holder of Claims pursuant to this solicitation will constitute a consent to the Plan's treatment of such Holder regardless of the Class as to which such Holder is ultimately deemed to be a member. The Debtors believe that under the Bankruptcy Rules, they would be required to resolicit votes for or against the Plan only when a modification adversely affects the treatment of the Claim of any Creditor or equity holder.

The Bankruptcy Code also requires that the Plan provide the same treatment for each Claim or Interest of a particular Class unless the Holder of a particular Claim or Interest agrees to a less favorable treatment of its Claim or Interest. The Debtors believe that the Plan complies with the requirement of equal treatment. To the extent that the Bankruptcy Court finds that the Plan does not satisfy such requirement, the Bankruptcy Court could deny confirmation of the Plan.

Issues or disputes relating to classification and/or treatment could result in a delay in the confirmation and consummation of the Plan and could increase the risk that the Plan will not be consummated.

H. Conditions Precedent to Consummation of the Plan

Article XI of the Plan provides for certain conditions that must be satisfied (or waived) prior to the Effective Date. As of the date of this Disclosure Statement, there can be no assurance that any or all of the conditions in the Plan will be satisfied (or waived). Accordingly, even if the Plan is confirmed by the Bankruptcy Court, there can be no assurance that the Plan will be consummated and the restructuring completed.

I. Funding Necessary for the Consummation of the Plan

The occurrence of the Effective Date is predicated on, among other things, a commitment to backstop the Rights Offering, consummating the Rights Offering, and receipt of financing under the Exit Facility. While the Debtors do not yet have a commitment to backstop the Rights Offering, the Debtors are actively negotiating with respect to a backstop commitment with

members of the Ad Hoc Noteholder Group, who have indicated their support of the Plan. The Debtors may not be able to consummate the Rights Offering if, among other things, they do not receive a commitment to backstop the Rights Offering. However, there can be no assurance that the Debtors will be able to negotiate definitive documents and receive any or all of the necessary backstop funding or exit financing, or that the Debtors will receive a backstop commitment or exit financing on favorable terms. If the Debtors do not receive the necessary backstop funding or exit financing, the Debtors will not be able to effectuate the transactions scheduled for consummation on the Effective Date.

J. Liquidation Under Chapter 7

If no plan can be confirmed, the Chapter 11 Cases may be converted to a case under chapter 7 of the Bankruptcy Code, pursuant to which a trustee would be elected or appointed to liquidate the assets of the Debtors for distribution in accordance with the priorities established by the Bankruptcy Code. A discussion of the effects that chapter 7 liquidation would have on the recoveries of holders of Claims and the Debtors' Liquidation Analysis is described herein and attached hereto as **Exhibit C**.

K. Certain Tax Consequences of the Plan

Some of the material consequences of the Plan regarding United States federal income taxes will be summarized in Article XIII pursuant to a subsequent amendment or supplement to this Disclosure Statement. You are urged to consider such analysis carefully when it becomes available.

X. SOLICITATION AND VOTING PROCEDURES

A. Voting Status of Each Class

Under the Bankruptcy Code, Creditors are entitled to vote if their contractual rights are Impaired by the Plan and they are receiving a distribution under the Plan. Creditors are not entitled to vote if their contractual rights are Unimpaired by the Plan or if they will receive no distribution of property under the Plan. The following table sets forth which Classes of Claims will or will not be entitled to vote on the Plan:

Class	Claim or Interest	Status	Voting Rights
1	Other Priority Claims	Unimpaired	Presumed to Accept
2	Other Secured Claims	Unimpaired	Presumed to Accept
3	RBL Claims	Unimpaired	Presumed to Accept
4	Ranger General Unsecured Claims	Impaired	Entitled to Vote
5	TUSA General Unsecured Claims	Impaired	Entitled to Vote
6	TUSA Convenience Claims	Impaired	Entitled to Vote
7	Intercompany Claims	Unimpaired	Presumed to Accept
8	Intercompany Interests	Unimpaired	Presumed to Accept
9	Subordinated Claims	Impaired	Deemed to Reject
10	Ranger Interests	Impaired	Deemed to Reject
11	TUSA Interests	Impaired	Deemed to Reject

B. Classes Entitled to Vote

The following Classes are the only Classes entitled to vote to accept or reject the Plan:

Class	Claim or Interest	Status
4	Ranger General Unsecured Claims	Impaired
5	TUSA General Unsecured Claims	Impaired
6	TUSA Convenience Claims	Impaired

If your Claim or Interest is not included in any of these Classes, you are not entitled to vote and you will not receive a Solicitation Package.

Under the Bankruptcy Code, acceptance of a plan of reorganization by a Class of Claims is determined by calculating the number and the amount of Claims voting to accept, based on the actual total Allowed Claims voting on the Plan. Acceptance by a Class requires more than one-half of the number of total Allowed Claims in the Class to vote in favor of the Plan and at least two-thirds in dollar amount of the total Allowed Claims in the Class to vote in favor of the Plan.

C. Voting Procedures

The Debtors retained Prime Clerk LLC to, among other things, act as the Debtors' agent in connection with the solicitation of votes to accept or reject the Plan.

1. Voting Record Date

The Voting Record Date (as defined in the Disclosure Statement Motion)²² is [•], 2017. The Voting Record Date is the date for determining (a) which Holders of Claims are

²² As used herein, the “**Disclosure Statement Motion**” refers to the *Motion of the Debtors for Entry of an Order Approving(I) Approving the Adequacy of the Debtors’ Disclosure Statement, (II) Approving Solicitation and*

entitled to vote to accept or reject the Plan and receive the Solicitation Package in accordance with the Solicitation Procedures (as defined in the Disclosure Statement Motion) and (b) whether Claims have been properly assigned or transferred to an assignee under Bankruptcy Rule 3001(e) such that the assignee can vote as the Holder of a Claim. The Voting Record Date and all of the Debtors' solicitation and voting procedures shall apply to all of the Debtors' Creditors and other parties in interest.

2. Distribution of Solicitation Packages

Under the Plan, Holders of Claims in Classes 4, 5, and 6 (collectively, the "**Voting Classes**") are entitled to vote to accept or reject the Plan. As such, the Debtors are providing Solicitation Packages to record Holders of Ranger General Unsecured Claims, TUSA General Unsecured Claims, and Convenience Claims against TUSA Debtors.

3. General Voting Instructions

In order for the Holder of a Claim in the Voting Classes to have such Holder's Ballot (as defined in the Disclosure Statement Motion) counted as a vote to accept or reject the Plan, such Holder's Ballot, must be properly completed, executed, and delivered in accordance with the instructions included in the Ballot by: (a) first class mail; (b) courier; or (c) personal delivery to the Voting Agent, so that such holder's Ballot is actually received by the Voting Agent prior to 5:00 p.m. (Eastern) on [•], 2017 (the "**Voting Deadline**"). It is important that the Holder of a Claim in the Voting Classes follow the specific instructions provided on such Holder's Ballot and the accompanying instructions. The Holder of a Claim should also provide all of the information requested by the Ballot, and should complete and return all Ballots received in the enclosed, self-addressed, postage-paid envelope provided with each such Ballot either to the Voting Agent or their nominee, as applicable.

IF A BALLOT IS RECEIVED AFTER THE VOTING DEADLINE, IT WILL NOT BE COUNTED UNLESS THE DEBTORS DETERMINE OTHERWISE IN THEIR SOLE AND ABSOLUTE DISCRETION.

ANY BALLOT THAT IS PROPERLY EXECUTED BY THE HOLDER OF A CLAIM BUT THAT DOES NOT CLEARLY INDICATE AN ACCEPTANCE OR REJECTION OF THE PLAN OR ANY BALLOT THAT INDICATES BOTH AN ACCEPTANCE AND A REJECTION OF THE PLAN WILL NOT BE COUNTED FOR PURPOSES OF ACCEPTING OR REJECTING THE PLAN.

EACH HOLDER OF A CLAIM MUST VOTE ALL OF ITS CLAIMS WITHIN A PARTICULAR CLASS EITHER TO ACCEPT OR REJECT THE PLAN AND MAY NOT SPLIT SUCH VOTES. BY SIGNING AND RETURNING A BALLOT, EACH HOLDER OF A CLAIM WILL CERTIFY TO THE BANKRUPTCY COURT AND THE DEBTORS THAT NO OTHER BALLOTS WITH RESPECT TO SUCH CLAIM HAVE BEEN CAST.

Notice Procedures, With Respect to Confirmation of the Debtors' Proposed Plan of Reorganization, (III) Approving the Form of Various Ballots and Notices in Connection Therewith, and (IV) Scheduling Certain Dates with Respect Thereto [Docket No. [•]].

IT IS IMPORTANT TO FOLLOW THE SPECIFIC INSTRUCTIONS PROVIDED ON EACH BALLOT, AS APPROPRIATE, WHEN SUBMITTING A VOTE.

IF YOU ARE A HOLDER OF A CLAIM ENTITLED TO VOTE ON THE PLAN AND YOU DID NOT RECEIVE A BALLOT, YOU RECEIVED A DAMAGED BALLOT, OR YOU LOST YOUR BALLOT, OR IF YOU HAVE ANY QUESTIONS CONCERNING THIS DISCLOSURE STATEMENT, THE PLAN, OR PROCEDURES FOR VOTING ON THE PLAN, PLEASE CONTACT THE VOTING AGENT, PRIME CLERK, AT (855) 842-4122, WITHIN THE UNITED STATES OR CANADA, OR (929) 333-8982, OUTSIDE OF THE UNITED STATES OR CANADA, OR AT tusainfo@primeclerk.com.

4. Miscellaneous

All Ballots must be signed by the holder of record of the appropriate classes of claims, as applicable, or any person who has obtained a properly completed Ballot proxy from the record holder of the appropriate classes of claims, as applicable, on such date. An otherwise properly executed Ballot that attempts to partially accept and partially reject the Plan will likewise not be counted. If you cast more than one Ballot voting the same Claim(s) before the Voting Deadline, the last valid Ballot received on or before the Voting Deadline will be deemed to reflect your intent, and thus, to supersede any prior Ballot. If you cast Ballots received by the Voting Agent on the same day, but which are voted inconsistently, such Ballots will not be counted.

Except as provided below, unless the Ballot is timely submitted to the Voting Agent before the Voting Deadline together with any other documents required by such Ballot, the Debtors may, in their sole discretion, reject such Ballot as invalid, and therefore decline to utilize it in connection with seeking confirmation of the Plan.

5. Fiduciaries And Other Representatives

If a beneficial holder Ballot is signed by a trustee, executor, administrator, guardian, attorney-in-fact, officer of a corporation, or another acting in a fiduciary or representative capacity, such person should indicate such capacity when signing and, if requested, must submit proper evidence satisfactory to the Debtors of authority to so act. Authorized signatories should submit the separate beneficial holder Ballot of each Holder for whom they are voting.

XI. STATUTORY REQUIREMENTS FOR CONFIRMATION OF THE PLAN

The following is a brief summary of the Confirmation process. Holders of Claims and Interests are encouraged to review the relevant provisions of the Bankruptcy Code and to consult with their own advisors.

A. The Confirmation Hearing

Bankruptcy Code section 1128(a) provides that the Bankruptcy Court, after notice, may conduct a Confirmation Hearing. Bankruptcy Code section 1128(b) provides that any party in interest may object to Confirmation of the Plan.

B. Confirmation Standards

The following requirements must be satisfied under Bankruptcy Code section 1129(a) before the Bankruptcy Court may confirm a plan of reorganization.

1. The Plan complies with the applicable provisions of the Bankruptcy Code.
2. The proponents of the Plan have complied with the applicable provisions of the Bankruptcy Code.
3. The Plan has been proposed in good faith and not by any means forbidden by law.
4. Any payment made or to be made by the proponent, by a Debtor, or by a person issuing securities or acquiring property under a Plan, for services or for costs and expenses in or in connection with the Chapter 11 Cases, in connection with the Plan and incident to the Chapter 11 Cases, has been approved by, or is subject to the approval of, the Bankruptcy Court as reasonable.
5. The proponent of the Plan has disclosed the identity and affiliations of any individual proposed to serve, after confirmation of the Plan, as a director, officer, or voting trustee of the Debtors, an Affiliate of the Debtors participating in a joint Plan with a Debtor or a successor to a Debtor under the Plan, and the appointment to, or continuance in, such office of such individual is consistent with the interests of Creditors and Holders of Interests and with public policies.
6. The proponent of the Plan has disclosed the identity of any Insider that will be employed or retained by the Reorganized Debtors and the nature of any compensation for such insider.
7. Any governmental regulatory commission with jurisdiction, after Confirmation, over the rates of the Debtors has approved any rate change provided for in the Plan.
8. With respect to each holder within an Impaired Class of Claims or Interests, each such Holder (a) has accepted the Plan or (b) will receive or retain under the Plan on account of such Claim or Interest property of value, as of the Effective Date of the Plan, that is not less than the amount that such Holder would so receive or retain if the Debtors were liquidated under chapter 7 of the Bankruptcy Code on such date.
9. With respect to each Class of Claims or Interests, such Class (a) has accepted the Plan or (b) is Unimpaired under the Plan; *provided, however*, that if the Plan is rejected by an Impaired Class, the Plan may be confirmed if it “does not discriminate unfairly” and is “fair and equitable” as to such Class, is feasible, and is in the “best interests” of Holders of Claims and Interests that are Impaired under the Plan.
10. Except to the extent that the Holder of a particular Claim has agreed to a different treatment of such Claim, the Plan provides that:

(a) With respect to a Claim of a kind specified in Bankruptcy Code sections 507(a)(2) or 507(a)(3), on the Effective Date of the Plan, the Holder of the Claim will receive on account of such Claim Cash equal to the Allowed amount of such Claim, unless otherwise agreed;

(b) With respect to a Class of Claim of the kind specified in Bankruptcy Code sections 507(a)(1), 507(a)(4), 507(a)(5), 507(a)(6), or 507(a)(7), each Holder of a Claim of such Class will receive (a) if such Class has accepted the Plan, deferred Cash payments of a value, on the Effective Date of the Plan, equal to the Allowed amount of such Claim or (b) if such Class has not accepted the Plan, Cash on the Effective Date of the Plan equal to the Allowed amount of such Claim; and

(c) With respect to a Priority Tax Claim of a kind specified in Bankruptcy Code section 507(a)(8), the Holder of such Claim will receive on account of such claim deferred Cash payments, over a period not exceeding five years after the date of the order for relief, of a value, as of the Effective Date of the Plan, equal to the Allowed amount of such Claim.

11. If a Class of Claims is Impaired under the Plan, at least one Class of Claims that is Impaired under the Plan has accepted the Plan, determined without including any acceptance of the Plan by any Insider.

12. Confirmation of the Plan is not likely to be followed by the liquidation, or the need for further financial reorganization, of the Debtors or any successor to the Debtors under the Plan, unless such liquidation or reorganization is proposed in the Plan.

13. All fees payable under section 1930 of title 28, as determined by the Bankruptcy Court at the Confirmation Hearing, have been paid or the Plan provides for the payment of all such fees on the Effective Date of the Plan.

14. The Plan provides that following the Effective Date of the Plan, subject to the Reorganized Debtors' rights, if any, under applicable non-bankruptcy law, unless otherwise ordered by the Bankruptcy Court, the Reorganized Debtors shall continue to pay all retiree benefits, as that term is defined in Bankruptcy Code section 1114, at the level established under subsection (e)(1)(B) or (g) of section 1114 of the Bankruptcy Code, at any time prior to confirmation, for the duration of the period the debtor has obligated itself to provide such benefits.

C. Liquidation Analysis

As described above, Bankruptcy Code section 1129(a)(7) requires that each Holder of an Impaired Claim or Interest either (a) accept the Plan or (b) receive or retain under the Plan property of a value, as of the Effective Date, that is not less than the value such Holder would receive if the Debtors were liquidated under chapter 7 of the Bankruptcy Code.

Based on the Liquidation Analysis attached hereto as **Exhibit C**, the Debtors believe that the value of any distributions if the Chapter 11 Cases were converted to cases under chapter 7 of the Bankruptcy Code would be no greater than the value of distributions under the Plan.

As a result, the Debtors believe that Holders of Claims and Interests in all Impaired Classes will recover at least as much as a result of Confirmation of the Plan as they would recover through a hypothetical chapter 7 liquidation.

D. Valuation Analysis

[To come.]

E. Financial Feasibility

Bankruptcy Code section 1129(a)(11) requires that a debtor demonstrate that confirmation of a plan is not likely to be followed by liquidation or the need for further financial reorganization. For purposes of determining whether the Plan meets this requirement, the Debtors have analyzed their ability to meet their obligations under the Plan.

The Debtors believe that the Plan meets the feasibility requirement set forth in Bankruptcy Code section 1129(a)(11). As part of this analysis, the Debtors' management, with the assistance of their advisors, prepared the Financial Projections for the [•] months ending [•], 2017, and the fiscal years ending January 31, [2018] through January 31, [2021]. The Financial Projections, together with the assumptions upon which they are based, are attached hereto as **Exhibit B**. Based on such Projections, the Debtors believe that they will be able to make all payments required under the Plan. Therefore, the Debtors believe that confirmation and consummation of the Plan is not likely to be followed by liquidation or the need for further reorganization.

THE PROJECTIONS, INCLUDING THE UNDERLYING ASSUMPTIONS, SHOULD BE CAREFULLY REVIEWED IN EVALUATING THE PLAN. WHILE MANAGEMENT BELIEVES THE ASSUMPTIONS UNDERLYING THE PROJECTIONS, WHEN CONSIDERED ON AN OVERALL BASIS, ARE REASONABLE IN LIGHT OF CURRENT CIRCUMSTANCES AND EXPECTATIONS, NO ASSURANCE CAN BE GIVEN THAT THE PROJECTIONS WILL BE REALIZED. THE DEBTORS MAKE NO REPRESENTATION OR WARRANTY AS TO THE ACCURACY OF THE FINANCIAL PROJECTIONS.

The Financial Projections have not been examined or compiled by independent accountants. The Debtors make no representation as to their ability to achieve the projected results. Many of the assumptions on which the projections are based are inherently subject to significant economic and competitive uncertainties and contingencies beyond the control of the Debtors and their management. Inevitably, some assumptions will not materialize and unanticipated events and circumstances may affect the actual financial results. Therefore, the actual results achieved throughout the [four-year] period of the Projections may vary from the projected results, and the variations may be material. All Holders of Claims that are entitled to vote to accept or reject the Plan are urged to examine carefully all of the assumptions on which the Financial Projections are based in connection with their evaluation of the Plan.

F. Acceptance by Impaired Classes

The Bankruptcy Code also requires, as a condition to Confirmation, that each Class of Claims or Interests that is Impaired but still receives distributions under the Plan vote to accept the Plan, unless the Debtors can “cramdown” such Classes, as described below. A Class that is Unimpaired is presumed to have accepted the Plan and, therefore, solicitation of acceptances with respect to such Class is not required. A Class is Impaired unless the Plan leaves unaltered the legal, equitable, and contractual rights to which the Claim or Interest entitles the Holder of such Claim or Interest, or the Debtors cure any default and reinstate the original terms of the obligation.

Under Bankruptcy Code sections 1126(c) and 1126(d) and except as otherwise provided in Bankruptcy Code section 1126(e): (a) an Impaired Class of Claims has accepted the Plan if the Holders of at least two-thirds in dollar amount and more than half in number of the voting Allowed Claims have voted to accept the Plan and (b) an Impaired Class of Interests has accepted the Plan if the Holders of at least two-thirds in amount of the Allowed Interests of such Class actually voting have voted to accept the Plan.

G. Confirmation Without Acceptance by All Impaired Classes

Bankruptcy Code section 1129(b) allows the Bankruptcy Court to confirm the Plan, even if the Plan has not been accepted by all Impaired Classes, provided that the Plan has been accepted by at least one Impaired Class entitled to vote, without counting the vote of any Insider, as defined in Bankruptcy Code section 101(31). Bankruptcy Code section 1129(b) permits the Debtors to confirm the Plan, notwithstanding the failure of any Impaired Class to accept the Plan, in a procedure commonly known as “cramdown,” so long as the Plan “does not discriminate unfairly” and is “fair and equitable” as to each Impaired Class that has not accepted the Plan.

1. No Unfair Discrimination

A plan “does not discriminate unfairly” if (a) the legal rights of a nonaccepting class are treated in a manner that is consistent with the treatment of other classes whose legal rights are similar to those of the nonaccepting class and (b) no class receives payments in excess of that which it is legally entitled to receive for its claims or interests. The test does not require that the treatment be the same or equivalent, but that such treatment be “fair.”

The Debtors do not believe the Plan discriminates unfairly against any Impaired Class of Claims or Interests. The Debtors believe the Plan and the treatment of all Classes of Claims and Interests under the Plan satisfy the foregoing requirements for nonconsensual Confirmation.

2. Fair and Equitable Treatment

With respect to a dissenting class of claims or interests, the “fair and equitable” standard requires that a plan provide that either the claims or interests in each class received everything to which they are legally entitled or, with respect to unsecured claims, that classes junior in priority to the class receive nothing.

The Bankruptcy Code establishes different “fair and equitable” tests for holders of secured claims, unsecured claims, and interests, which may be summarized as follows:

(a) *Secured Claims.* Either (i) each holder of a claim in an impaired class of secured claims retains its liens securing its secured claim and it receives on account of its secured claim deferred cash payments having a present value equal to the amount of its allowed secured claim, (ii) each holder of a claim in an impaired class of secured claims realizes the indubitable equivalent of its allowed secured claim, or (iii) the property securing the claim is sold free and clear of liens, with such liens to attach to the proceeds and the treatment of such liens on proceeds as provided in clause (i) or (ii) of this subparagraph.

(b) *Unsecured Claims.* Either (i) each holder of a claim in an impaired class of unsecured claims receives or retains under the plan property of a value equal to the amount of its allowed claim or (ii) the holders of claims and interests that are junior to the claims of the dissenting class will not receive any property under the chapter 11 plan, subject to the applicability of the judicial doctrine of contributing new value.

(c) *Interests.* Either (i) each holder of an equity interest in an impaired class of interests will receive or retain under the chapter 11 plan property of a value equal to the greater of (y) the fixed liquidation preference or redemption price, if any, of such stock or (z) the value of the stock or (ii) the holders of interests that are junior to the stock will not receive any property under the chapter 11 plan, subject to the applicability of the judicial doctrine of contributing new value.

The Debtors believe that the distributions provided under the Plan satisfy the “fair and equitable” requirements of the Bankruptcy Code. Certain Classes of Claims and Interests will receive no distribution under the Plan and are therefore conclusively deemed to reject the Plan. Accordingly, the Debtors will seek to confirm the Plan under Bankruptcy Code 1129(b) with respect to such Classes. In addition, although the Plan is predicated on the substantial support of certain of the Debtors’ creditor constituencies, the Debtors reserve the right to seek confirmation of the Plan under Bankruptcy Code section 1129(b) if one or more voting Impaired Classes votes to reject the Plan.

XII. ALTERNATIVES TO CONFIRMATION AND CONSUMMATION OF THE PLAN

The Debtors believe that the Plan affords Holders of Claims and Interests the potential for the greatest realization on the Debtors’ assets and, therefore, is in the best interests of such Holders. If the Plan is not confirmed, however, the theoretical alternatives include: (a) continuation of the pending Chapter 11 Cases, (b) sale of the Debtors’ assets under Bankruptcy Code section 363, (c) an alternative plan or plans of reorganization, or (d) liquidation of the Debtors under chapter 7 or chapter 11 of the Bankruptcy Code.

A. Continuation of the Bankruptcy Cases

If the Debtors remain in chapter 11, they could continue to operate their business and manage their properties as debtors in possession, but they would remain subject to the restrictions imposed by the Bankruptcy Code and the requirements of the Final Cash Collateral

Order related to the Sales Process. It is not clear whether the Debtors could survive as a going concern in protracted chapter 11 cases. In particular, the Debtors could have difficulty gaining access to sufficient liquidity to allow them to continue their operations as a going concern. Moreover, protracted chapter 11 proceedings will make it difficult for the Debtors to expand their customer base, which is critical to the ultimate success of the Debtors' business.

B. Sale of Substantially All of the Debtors' Assets Under Bankruptcy Code Section 363

In lieu of the present Plan, or if the Debtors fail to meet the Plan Milestones pursuant to the Final Cash Collateral Order, the Debtors may have to pursue the Sales Process to sell substantially all of their assets to a buyer under Bankruptcy Code section 363. A section 363 sale would leave a residual estate consisting of the proceeds of the sale and any excluded assets and unassumed liabilities. Following the sale, the Debtors would remain in chapter 11 to administer this residual estate and distribute proceeds to Creditors pursuant to a chapter 11 plan of liquidation or a liquidation pursuant to chapter 7 of the Bankruptcy Code.

The Debtors believe that the Plan represents a superior structure than a sale under Bankruptcy Code section 363. The Debtors believe the Plan provides recoveries equal to or greater than what Creditors would likely achieve in a section 363 sale, but with the advantages of greater efficiency and greater certainty as to outcome. In particular, an asset sale is unlikely to be a value maximizing proposition. Given the current commodity price environment, such a sale would likely produce a lower recovery for Creditors than they would otherwise obtain through confirmation of a plan. For the above-stated reasons, the Debtors believe the Plan represents a superior option than a section 363 sale at the time of this Disclosure Statement. However, the Debtors continue to monitor and assess the macro-economic and firm-specific conditions that may make a section 363 sale more favorable.

C. Alternative Plans of Reorganization

If the Plan is not confirmed, the Debtors, or, after the expiration of the Debtors' exclusive period in which to propose and solicit a reorganization plan, any other party in interest in the Chapter 11 Cases, could propose a different plan or plans. Additionally, until the Plan is consummated, subject to certain conditions, the Debtors may determine to withdraw the Plan and propose and solicit different reorganization plans. Any such plans proposed by the Debtors or others might involve either a reorganization and continuation of the Debtors' business, or an orderly liquidation of its assets, or a combination of both.

Although alternative plans of reorganization are possible, the present Plan is the result of a thorough assessment of restructuring alternatives undertaken in consultation with key stakeholders. Accordingly, the Debtors believe the prospect of an alternative plan of reorganization that delivers greater value to economic stakeholders is remote.

D. Liquidation Under Chapter 7 or Chapter 11

If no plan is confirmed, the Chapter 11 Cases may be converted to cases under chapter 7 of the Bankruptcy Code. In chapter 7 cases, a trustee or trustees would be appointed to liquidate

the assets of the Debtors. It is impossible to predict precisely how the proceeds of the liquidation would be distributed to the respective Holders of Claims or Interests.

However, the Debtors believe that Creditors would lose the materially higher going concern value if the Debtors were forced to liquidate. In addition, the Debtors believe that in liquidation under chapter 7, before Creditors received any distribution, additional administrative expenses involved in the appointment of a trustee or trustees and attorneys, accountants, and other professionals to assist such trustees would cause a substantial diminution in the value of the Estate. The assets available for distribution to Creditors would be reduced by such additional expenses and by claims, some of which would be entitled to priority, which would arise by reason of the liquidation and from the rejection of leases and other executory contracts in connection with the cessation of operations and the failure to realize the greater going concern value of the Debtors' assets.

The Debtors may also be liquidated under a chapter 11 plan. In a liquidation under chapter 11, the Debtors' assets could be sold in an orderly fashion over a more extended period of time than in a liquidation under chapter 7. Thus, a chapter 11 liquidation might result in larger recoveries than a chapter 7 liquidation, but the delay in distributions could result in lower present values received and higher administrative costs. Because a trustee is not required in a chapter 11 case, expenses for professional fees could be lower than in a chapter 7 case, in which a trustee must be appointed. However, any distribution to the Holders of Claims or Interests under a chapter 11 liquidation plan probably would be delayed substantially. In addition, as with a chapter 7 liquidation, the Debtors believe that Creditors would lose the materially higher going concern value if the Debtors were forced to liquidate under a chapter 11 plan.

The Liquidation Analysis attached hereto as **Exhibit C** illustrates the recoveries the Debtors anticipate in a liquidation scenario. The Liquidation Analysis is premised upon a hypothetical liquidation in a chapter 7 case. In the Liquidation Analysis, the Debtors have taken into account the nature, status, and underlying value of their assets, the ultimate realizable value of their assets, and the extent to which such assets are subject to liens and security interests. The likely form of any liquidation in a chapter 7 proceeding would be the sale of individual assets. Based on this analysis, it is likely that a chapter 7 liquidation of the Debtors' assets would produce less value for distribution to each class of Creditors than that recoverable under the Plan. In the Debtors' opinion, the recoveries projected to be available in a chapter 7 liquidation are not likely to afford Holders of Claims and Interests as great a realization potential as does the Plan.

XIV. PLAN SUPPLEMENT

Exhibits to the Plan not attached hereto shall be filed in one or more Plan Supplements. Any Plan Supplement (and amendments thereto) filed by the Debtors shall be deemed an integral part of the Plan and shall be incorporated by reference as if fully set forth therein. XV. RECOMMENDATION AND CONCLUSION

In the opinion of the Debtors, the Plan is preferable to all other available alternatives and provides for a larger distribution to the Debtors' creditors than would otherwise result in any other scenario. Accordingly, the Debtors recommend that Holders of Claims entitled to vote on the Plan vote to accept the Plan and support Confirmation of the Plan.

To the extent that the Prepetition Secured Parties have filed or recorded publicly any Liens and/or security interests to secure the Debtors' obligations under the RBL Credit Facility, the Prepetition Secured Parties shall take any commercially reasonable steps requested by the Debtors or the Reorganized Debtors, at the expense of the Reorganized Debtors, that are necessary to cancel and/or extinguish such publicly-filed Liens and/or security interests, except such Liens and/or security interests securing the Excluded RBL Obligations.

ACCEPTANCE

Section 4.01 Classes Entitled to Vote. Classes 4–6 are Impaired and are entitled to vote to accept or reject this Plan. By operation of law, Classes 1–3, 7, and 8 are Unimpaired and are conclusively presumed to have accepted this Plan and, therefore, are not entitled to vote. By operation of law, Classes 9–11 are deemed to have rejected this Plan and are not entitled to vote.

Section 4.02 Acceptance by Impaired Classes. An Impaired Class of Claims shall have accepted this Plan if, not counting the vote of any Holder designated under section 1126(e) of the Bankruptcy Code, (a) the Holders of at least two-thirds in amount of the Allowed Claims actually voting in the Class have voted to accept this Plan and (b) the Holders of more than one-half in number of the Allowed Claims actually voting in the Class have voted to accept the Plan.

Section 4.03 Elimination of Classes. To the extent applicable, any Class that does not contain any Allowed Claims or any Claims temporarily allowed for voting purposes under Bankruptcy Rule 3018 as of the date of commencement of the Confirmation Hearing for all Debtors or with respect to any particular Debtor shall be deemed to have been deleted from this Plan for all Debtors or for such particular Debtor, as applicable, for purposes of (a) voting to accept or reject this Plan and (b) determining whether it has accepted or rejected this Plan under section 1129(a)(8) of the Bankruptcy Code. In particular, Classes 3, 5, 6, and 11 shall exist only with respect to the TUSA Debtors, and Classes 4 and 10 shall exist only with respect to the Ranger Debtors.

The Debtors reserve the right to modify, amend, or withdraw this Plan, with respect to all Debtors or any individual Debtor or group of Debtors, to the extent, if any, that Confirmation pursuant to section 1129(b) of the Bankruptcy Code requires modification.

ARTICLE V

MEANS OF IMPLEMENTATION OF THE PLAN

Section 5.01 Substantive Consolidation. This Plan contemplates and is predicated upon the deemed substantive consolidation of (a) the Estate and Chapter 11 Case of each TUSA Debtor with the Estate and Chapter 11 Case of each other TUSA Debtor and (b) the Estate and Chapter 11 Case of each Ranger Debtor with the Estate and Chapter 11 Case of each other Ranger Debtor, in each case for distribution purposes only. On the Effective Date, each Claim filed or to be filed against any TUSA Debtor or any Ranger Debtor, as applicable, shall be deemed filed only against TUSA or Ranger, respectively, and shall be deemed a single Claim against and a single obligation of TUSA or Ranger, respectively, for distribution purposes only and the claims register shall be updated accordingly. This limited substantive consolidation effected pursuant to this Section 5.01 of the Plan shall not otherwise affect the rights of any Holder of any Claim, or affect the obligations of any Debtor with respect to such Claim. For the avoidance of doubt, the Estates and Chapter 11 Cases of the TUSA Debtors shall not be deemed to be substantively consolidated with the Estates and Chapter 11 Cases of the Ranger Debtors.

Section 5.02 General Settlement of Claims and Interests. Pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for the classification, distributions, releases, and other benefits provided under the Plan, on the Effective Date, the provision of the Plan shall constitute a good-faith compromise and settlement of all Claims and Interests and controversies resolved pursuant to the Plan.

Section 5.03 Plan Funding. Distributions under this Plan and the Reorganized Debtors' post-Effective Date operations will be funded from the following sources:

(a) *Exit Facility.* On the Effective Date, the Reorganized Debtors shall enter into the Exit Facility, the final form and substance of which shall be acceptable to the Reorganized Debtors, the Required Participating Noteholders, and the Backstop Parties. Confirmation shall be deemed approval of the Exit Facility (including the transactions contemplated thereby, such as any supplementation or additional syndication of the Exit Facility, and all actions to be taken, undertakings to be made, and obligations to be incurred by the Reorganized Debtors in connection therewith, including the payment of all fees, indemnities, and expenses provided for therein) and authorization for the Reorganized Debtors to enter into and execute the Exit Facility and such other documents as the Exit Facility Lenders may reasonably require to effectuate the treatment afforded to such lenders pursuant to the Exit Facility, subject to such modifications as the Reorganized Debtors may deem to be reasonably necessary to consummate such Exit Facility.

(b) *Rights Offering.* On the Effective Date, the Reorganized Debtors shall consummate the Rights Offering, in accordance with Section 5.09 and the terms of the Rights Offering Procedures. On or before the Effective Date, the Backstop Parties shall fulfill their funding obligations under the Backstop Commitment Agreement, including backstopping the Rights Offering.

(c) *Convenience Claim Excess Balance.* After all Disputed Convenience Claims have been finally Allowed or Disallowed, the Convenience Claim Excess Balance, if any, shall revert to the Reorganized Debtors and may be used, in the discretion of the Reorganized Debtors, to fund other distributions contemplated by this Plan and for general corporate purposes.

(d) *Other Plan Funding.* Other than as set forth in Sections 5.03(a), (b), and (c), all Cash necessary for the Reorganized Debtors to make payments required by this Plan shall be obtained from the Debtors' Cash balances on hand at the time such payment is required, after giving effect to the transactions contemplated herein.

Section 5.04 Authorization and Issuance of New TUSA Common Stock

(a) On the Effective Date, Reorganized TUSA shall authorize and issue the New TUSA Common Stock in accordance with the New TUSA Common Stock Allocation. Distribution of New TUSA Common Stock hereunder shall constitute the issuance of 100% of the New TUSA Common Stock and such stock shall be deemed issued on the Effective Date. The issuance of New TUSA Common Stock by Reorganized TUSA, options for the purchase thereof, or other equity awards, if any, providing for the issuance of New TUSA Common Stock, is authorized without the need for any further corporate action or further action by the Debtors or the Reorganized Debtors, as applicable.

(b) The New TUSA Common Stock issued under this Plan shall be issued in accordance with the New TUSA Common Stock Allocation and subject to economic and legal dilution as set forth in the New TUSA Common Stock Allocation and from any other shares, membership units, or functional equivalent thereof, as applicable, of New TUSA Common Stock issued after the Effective Date.

(c) All of the shares, membership units, or functional equivalent thereof, as applicable, of New TUSA Common Stock issued pursuant to the Plan shall be duly authorized, validly issued, fully paid, and non-assessable. Any Entity that does not execute the New Shareholders Agreement shall be automatically deemed to have accepted the terms of the New Shareholders Agreement (in their capacity as shareholders, membership unit holders, or functional equivalent thereof, as applicable, of Reorganized TUSA) and to be parties thereto without further action. The New Shareholders Agreement shall be adopted on the Effective Date and shall be deemed to be valid, binding, and enforceable in accordance with its terms, and each Holder of New TUSA Common Stock shall be bound thereby.

(d) As of the Effective Date: (i) the New TUSA Common Stock and the Rights Offering Securities will not be registered under the Securities Act, listed on a national securities exchange, or quoted in the over-the-counter marketplace; (ii) Reorganized TUSA and the other Reorganized Debtors will not be reporting companies under the Exchange Act; (iii) Reorganized TUSA and the other Reorganized Debtors will not be required to, and will not, file reports or other information with the Securities and Exchange Commission or any other person or agency; and (iv) Reorganized TUSA and the other Reorganized Debtors will not be required to file monthly operating reports with the Bankruptcy Court after the Effective Date. In order to prevent the Reorganized Debtors from becoming subject to the reporting requirements of the

Exchange Act, except for Reorganized TUSA in connection with a registered public offering of New TUSA Common Stock, the New Corporate Governance Documents will impose, and the New TUSA Common Stock and the Rights Offering Securities will be subject to, certain transfer and other restrictions.

Section 5.05 Exemption from Securities Act Registration Requirements. The offering, issuance, and distribution of any Securities pursuant to the Plan and the Rights Offering will be exempt from the registration requirements of section 5 of the Securities Act pursuant to section 1145 of the Bankruptcy Code, section 4(a)(2) of the Securities Act, or any other available exemption from registration under the Securities Act, as applicable. Section 4(a)(2) of the Securities Act exempts transactions not involving a public offering, and section 506 of Regulation D of the Securities Act provides a safe harbor under section 4(a)(2) for transactions that meet certain requirements. In addition, under section 1145 of the Bankruptcy Code, if applicable, any Securities issued pursuant to the Plan and any and all settlement agreements incorporated therein will be freely transferable under the Securities Act by the recipients thereof, subject to (a) the provisions of section 1145(b)(1) of the Bankruptcy Code relating to the definition of an underwriter in section 2(a)(11) of the Securities Act, and compliance with any applicable state or foreign securities laws, if any, and the Securities Act and the rules and regulations of the United States Securities and Exchange Commission, if any, applicable at the time of any future transfer of such Securities or instruments, (b) the restrictions, if any, on the transferability of such Securities and instruments, including restrictions contained in the Backstop Commitment Agreement or in the governing documents with respect to such Securities or instruments, and (c) any other applicable regulatory approval. In reliance upon these exemptions, the offer, issuance, and distribution of Securities pursuant to the Plan and the Rights Offering will not be registered under the Securities Act or any applicable state Blue Sky Laws, and such Securities and instruments may not be transferred, encumbered, or otherwise disposed of in the absence of such registration or an exemption therefrom under the Securities Act or under such laws and regulations thereunder. All Securities and instruments issued under this Plan and the Rights Offering will bear a legend relating to the transfer restrictions, including those arising under the New Corporate Governance Documents, applicable to such Securities and instruments.

Section 5.06 Cancellation of Old TUSA Securities and Agreements. On the Effective Date, except as otherwise specifically provided for herein, (a) the Old TUSA Securities and any other note, bond, indenture, Certificate, or other instrument or document evidencing or creating any indebtedness or obligation of or ownership interest in the Debtors (including the Senior Notes Indenture), shall be deemed to be automatically cancelled without further action by any person and (b) the obligations of, Claims against, and/or Interests in TUSA under, relating, or pertaining to any agreements, indentures, notes, bonds, certificates of designation, bylaws, or certificate or articles of incorporation or similar documents governing the Old TUSA Securities, and any other note, bond, indenture, Certificate, or other instrument or document evidencing or creating any indebtedness or obligation of or ownership interest in the Debtors (including the Senior Notes Indenture), as the case may be, shall be deemed to be automatically released and discharged and cancelled without further action by any person; *provided, however*, that (i) the Class 8 Intercompany Interests shall be treated as set forth in Section 3.02(h) above and (ii) any agreement (including the Senior Notes Indenture) that governs the rights of a Holder of a Claim and that is administered by a Servicer shall continue in effect solely for the purposes of allowing

such Servicer to (A) make the distributions on account of such Claims under this Plan and perform such other necessary functions with respect thereto, if any, as provided for in Section 8.04 of this Plan and (B) maintain and exercise its charging lien or other right to priority payment against distributions under the Plan on account of such Servicer's reasonable fees, expenses, and indemnities owed to such Servicer under the terms of the Senior Notes Indenture.

Section 5.07 Issuance of New Securities; Execution of Plan Documents. Except as otherwise provided in the Plan, on or as soon as reasonably practicable after the Effective Date, the Reorganized Debtors shall issue all Securities, notes, instruments, Certificates, and other documents required to be issued pursuant to the Plan.

Section 5.08 Continued Corporate Existence

(a) Except as otherwise provided in this Plan, including Section 5.09 below, the Debtors, other than the Ranger Debtors, shall continue to exist after the Effective Date as separate Entities, the Reorganized Debtors. Each Reorganized Debtor shall have all the powers of corporations or other Entities under applicable law in the jurisdictions in it was incorporated or formed, as applicable, and pursuant to its certificate of incorporation, bylaws, or other applicable organizational documents in effect prior to the Effective Date, except to the extent such organization documents are amended and restated by this Plan, including pursuant to Section 5.11 below, all without prejudice to any right of such Reorganized Debtor to terminate its existence (whether by merger or otherwise) under applicable law after the Effective Date. To the extent the organizational documents of any Debtor are amended, such organizational documents are deemed to be amended pursuant to the Plan without any further notice to or action, order, or approval of the Bankruptcy Court or any other court of competent jurisdiction (other than the requisite filings required under applicable state, provincial, or federal law).

(b) Except as otherwise provided in the Plan, the continued existence, operation, and ownership of Affiliates is a material component of the business of the Debtors and the Reorganized Debtors, as applicable, and, as set forth in Section 9.01 of this Plan, all of the Debtors' Interests and other property interests in such Affiliates shall vest in the Reorganized Debtors or their successors on the Effective Date.

Section 5.09 Restructuring Transactions

(a) On or following the Confirmation Date, the Debtors or Reorganized Debtors, as the case may be, shall take such actions as may be necessary or appropriate to effect the relevant restructuring transactions as set forth in the Plan and the Plan Transaction Documents, and may take other actions on or after the Effective Date.

(b) Prior to, on, or after the Effective Date, and pursuant to the Plan, the Reorganized Debtors shall enter into the restructuring transactions described herein and in the Plan Transaction Documents. The Debtors or the Reorganized Debtors, as applicable, shall take any actions as may be necessary or appropriate to effect a restructuring of the Debtors' business or the overall organization structure of the Reorganized Debtors. The restructuring transactions may include one or more restructurings, conversions, or transfers as may be determined by the Debtors or the Reorganized Debtors, as applicable, to be necessary or appropriate. The actions

taken by the Debtors or the Reorganized Debtors, as applicable, to effect the restructuring transactions may include: (i) the execution, delivery, adoption, and/or amendment of appropriate agreements or other documents of restructuring, conversion, disposition, or transfer containing terms that are consistent with the terms of the Plan and the Plan Transaction Documents and any ancillary documents and that satisfy the applicable requirements of applicable state law and any other terms to which the applicable parties may agree; (ii) the execution, delivery, adoption, and/or amendment of appropriate instruments of transfer, assignment, assumption, or delegation of any asset, property, right, liability, debt, or obligation on terms consistent with the terms of the Plan and the Plan Transaction Documents and any ancillary documents and having other terms for which the applicable parties may agree; (iii) the filing of appropriate certificates or articles of incorporation, reincorporation, or conversion (or, in each case, the functional equivalent thereof) pursuant to applicable state law, including but not limited to an amended certificate of incorporation and by-laws (or, in each case, the functional equivalent thereof, as applicable); (iv) the cancellation of shares and warrants; and (v) all other actions that the Debtors or the Reorganized Debtors, as applicable, determine to be necessary, desirable, or appropriate to implement, effectuate, and consummate the Plan or the restructuring transactions contemplated hereby, including making filings or recordings that may be required by applicable state law in connection with the restructuring transactions.

(c) Notwithstanding the foregoing, the Ranger Debtors shall be dissolved upon the Effective Date without any further notice to or action, order, or approval of the Bankruptcy Court or any other court of competent jurisdiction (other than the requisite filings required under applicable state, provincial, or federal law, if any). Any Claim arising as a result of such dissolutions shall receive the applicable treatment under this Plan.

Section 5.10 Rights Offering

(a) The Rights Offering shall consist of a distribution of subscription rights to Eligible Holders of Allowed TUSA General Unsecured Claims (or TUSA General Unsecured Claims Provisionally Allowed) for the purchase of up to \$[•] million in Rights Offering Securities on a ratable basis in proportion to the Allowed amount (or amount deemed Provisionally Allowed) of each such Eligible Holder's TUSA General Unsecured Claims as of the Confirmation Date. The Debtors shall implement and conduct the Rights Offering in accordance with the Backstop Commitment Agreement and the Rights Offering Procedures.

(b) The Rights Offering shall be open solely to Eligible Holders of TUSA General Unsecured Claims who submit an Eligible Holder Certification and whose TUSA General Unsecured Claims are Allowed or Provisionally Allowed as of the Confirmation Date (or such earlier deadline as may be established in the Rights Offering Procedures). Each Rights Offering Participant shall pay its purchase price in Cash in accordance with the Rights Offering Procedures by the funding deadline set forth in the Rights Offering Procedures. Any Rights Offering Participant that fails to timely pay its respective purchase price shall be ineligible to receive Rights Offering Securities and will forfeit and void any exercise of subscription rights in the Rights Offering. An Eligible Holder of a Disputed TUSA General Unsecured Claim that has been Provisionally Allowed as of the Confirmation Date may subscribe to the Rights Offering in the same manner as Holders of Allowed Claims, except that its respective purchase price shall be funded into escrow, and the correlative Rights Offering Securities allocable to such Eligible

Holder shall be held in the Disputed Claims Reserve, pending the final reconciliation of the Holder's TUSA Disputed General Unsecured Claim. If such Disputed Claim is Allowed in an amount equal to its Provisionally Allowed amount, the Holder's Rights Offering Securities shall be distributed to it pursuant to the terms set forth in Article VII, and the purchase price shall be released to the Reorganized Debtors. If, on the other hand, such Disputed Claim is Allowed in an amount less than its Provisionally Allowed amount or is Disallowed entirely, then the Holder's purchase price shall be refunded to the Holder proportionally, and the correlative Rights Offering Securities shall be further distributed as provided in Section 8.05(c).

(c) The Backstop Parties will backstop, in accordance with the Backstop Commitment Agreement, the Rights Offering and shall receive such fees for such backstop agreement as set forth in the Backstop Commitment Agreement. For the avoidance of doubt, the Backstop Parties shall backstop the purchase of any Rights Offering Securities pursuant to Section 8.05(c)(ii).

Section 5.11 New Corporate Governance Documents. The New Corporate Governance Documents shall be adopted and amended as may be required so as to be consistent with the provisions of this Plan and otherwise comply with section 1123(a)(6) of the Bankruptcy Code. After the Effective Date, the Reorganized Debtors may amend and restate the New Corporate Governance Documents and other constituent documents as permitted by applicable state corporation or other comparable alternative law, as applicable, and their charters and bylaws (or in each case, the functional equivalent thereof, as applicable).

Section 5.12 Directors and Officers of the Reorganized Debtors. On the Effective Date, the term of the current members of the board of directors of TUSA shall expire, and the New Board shall be appointed. On the Effective Date, the term of the current members of the boards of directors of the Subsidiary Debtors shall expire, and the New Subsidiary Debtor Boards shall be appointed. On and after the Effective Date, each director or officer of the Reorganized Debtors shall serve pursuant to the terms of the New Corporate Governance Documents and applicable state corporation law or alternative comparable law, as applicable. The members of the New Board and the New Subsidiary Debtor Boards and their compensation shall be set forth in the Plan Supplement.

Section 5.13 Corporate Action. Each of the matters provided for under this Plan involving the corporate structure of the Debtors or the Reorganized Debtors or corporate action to be taken by or required of the Debtors or the Reorganized Debtors shall, as of the Effective Date, be deemed to have occurred and be effective as provided herein, and shall be authorized, approved, and to the extent taken prior to the Effective Date, ratified in all respects without any requirement of further action by stockholders, creditors, or directors of the Debtors or the Reorganized Debtors. Such actions may include (a) the adoption and filing of the New Corporate Governance Documents, (b) the appointment of the New Board and the New Subsidiary Debtor Boards, (c) the issuance and distribution of the Rights Offering subscription Rights, the New TUSA Common Stock, and the Rights Offering Securities, and (d) entry into the Exit Facility.

Section 5.14 Effectuating Documents; Further Transactions. On and after the Effective Date, the Reorganized Debtors, and the officers thereof and members of the New Board and the New Subsidiary Debtor Boards, shall be authorized to and may issue, execute,

deliver, file, or record such contracts, Securities, instruments, releases, indentures, and other agreements or documents, and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and conditions of this Plan, or to otherwise comply with applicable law, in the name of and on behalf of the Reorganized Debtors, without the need for any approvals, authorizations, or consents except for those expressly required pursuant to the Plan.

Section 5.15 Employee Matters

(a) *Employment Agreements.* The Debtors shall assume or reject employment, severance (change in control), retirement, indemnification, or other agreements, if any, with their pre-Effective Date managers, officers, and employees in accordance with the provisions of Article VI of this Plan. The Reorganized Debtors may enter into new employment arrangements and/or change in control agreements with the Debtors' officers who continue to be employed after the Effective Date, subject to the consent of Required Participating Noteholders and Backstop Parties.

(b) *Other Incentive Plans and Employee Benefits.* Unless otherwise specified in this Plan, and except in connection and not inconsistent with Section 5.15(a), on and after the Effective Date, the Reorganized Debtors shall have the sole discretion to (i) amend, adopt, assume, and/or honor, in the ordinary course of business or as otherwise provided herein, any contracts, agreements, policies, programs, and plans assumed pursuant to Article VI of this Plan for, among other things, compensation, pursuant to the terms thereof or hereof, including any incentive plan, 401(k) plan, health care benefits, disability benefits, deferred compensation benefits, savings, severance benefits, retirement benefits, welfare benefits, workers' compensation benefits, life insurance, and accidental death and dismemberment insurance for the managers, officers, and employees of the Debtors who served in such capacity from and after the Petition Date; *provided, however*, that the Reorganized Debtors shall not alter the terms of the MIP except with the consent of any applicable and affected MIP participant, and (ii) honor, in the ordinary course of business, Claims of employees employed as of the Effective Date for accrued vacation time arising prior to the Petition Date.

(c) *MIP.* The Plan Supplement shall include a description of the MIP for the Reorganized Debtors. Reorganized TUSA shall adopt the MIP, on terms consistent with the Plan and the Plan Supplement, on the Effective Date.

Section 5.16 Preservation of Causes of Action. In accordance with section 1123(b)(3) of the Bankruptcy Code, the Reorganized Debtors shall retain and may (but are not required to) enforce all rights to commence and pursue any and all Causes of Action that are not released pursuant to Section 9.04 of this Plan or an order of the Bankruptcy Court, whether arising before or after the Petition Date, including, without limitation, any actions or categories of actions specifically enumerated in a list of retained Causes of Action contained in the Plan Supplement, and such Causes of Action shall vest in the Reorganized Debtors as of the Effective Date. The Debtors or the Reorganized Debtors, in their sole and absolute discretion, shall determine whether to bring, settle, release, compromise, or enforce such Causes of Action (or decline to do any of the foregoing), and shall not be required to seek further approval of the Bankruptcy Court for such action. The Reorganized Debtors or any successors may pursue such litigation claims in

accordance with the best interests of the Reorganized Debtors or any successor holding such rights of action. **No Entity may rely on the absence of a specific reference in this Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against it as any indication that the Debtors or the Reorganized Debtors will not pursue any and all available Causes of Action against it. The Debtors and the Reorganized Debtors expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided in the Plan.** Unless any Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in this Plan or an order of the Bankruptcy Court, the Reorganized Debtors expressly reserve all Causes of Action for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of Confirmation or consummation of the Plan; *provided, however*, that solely with respect to Avoidance Actions, only those Avoidance Actions specifically enumerated in a list of retained Causes of Action contained in the Plan Supplement shall vest in the Reorganized Debtors, and all other Avoidance Actions shall be waived and otherwise released.

Section 5.17 Reservation of Rights. With respect to any Avoidance Actions that the Debtors abandon in accordance with Section 5.16 of this Plan, the Debtors and the Reorganized Debtors, as applicable, reserve all rights, including the right under section 502(d) of the Bankruptcy Code to use defensively the abandoned avoidance Cause of Action as a basis to object to all or any part of a Claim against any Estates asserted by a creditor which remains in possession of, or otherwise obtains the benefit of, the avoidable transfer.

Section 5.18 Exemption from Certain Transfer Taxes and Recording Fees. Pursuant to section 1146(a) of the Bankruptcy Code, any transfers of property pursuant to the Plan shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, stamp act, real estate transfer tax, mortgage recording tax, or other similar tax or governmental assessment to the fullest extent contemplated by section 1146(a) of the Bankruptcy Code, and upon entry of the Confirmation Order, the appropriate state or local governmental officials or agents shall be directed to forgo the collection of any such tax or governmental assessment and to accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment.

Section 5.19 Insured Claims. Notwithstanding anything to the contrary contained herein, to the extent the Debtors have insurance with respect to any Allowed General Unsecured Claim, the Holder of such Allowed Claim shall (a) be paid any amount from the proceeds of insurance to the extent that the Claim is insured and (b) receive the treatment provided for in this Plan for Allowed General Unsecured Claims to the extent the applicable insurance policy does not provide coverage with respect to any portion of the Claim.

Section 5.20 Preservation of Mineral Interests. Notwithstanding any other provision in the Plan, but subject in all respects to all payments authorized to be made pursuant to the Oil and Gas Obligations Order, on and after the Effective Date all Working Interests and Working Interest Burdens shall be fully preserved and remain in full force and effect in accordance with the terms of the granting instruments or other governing documents applicable to such Working

Interests and Working Interest Burdens, which granting instruments and governing documents shall equally remain in full force and effect, and no Working Interests and Working Interest Burdens or any liabilities and obligations arising therefrom, including payment obligations, whether arising before or after the Petition Date, shall be compromised or discharged by the Plan.

ARTICLE VI

UNEXPIRED LEASES AND EXECUTORY CONTRACTS

Section 6.01 Assumption of Executory Contracts and Unexpired Leases

(a) *Automatic Assumption.* Except as otherwise provided herein, each Executory Contract and Unexpired Lease shall be deemed assumed in accordance with, and subject to, sections 365 and 1123 of the Bankruptcy Code as of the Effective Date, unless any such Executory Contract or Unexpired Lease: (i) is listed on the Schedule of Rejected Executory Contracts and Unexpired Leases contained in the Plan Supplement; (ii) has been previously rejected by the Debtors by Final Order of the Bankruptcy Court or has been rejected by the Debtors by order of the Bankruptcy Court as of the Effective Date, which order becomes a Final Order after the Effective Date; (iii) is the subject of a motion to assume or reject pending as of the Effective Date; or (iv) is otherwise rejected pursuant to the terms herein.

The Confirmation Order will constitute an order of the Bankruptcy Court approving such assumptions pursuant to sections 365 and 1123 of the Bankruptcy Code as of the Effective Date. To the extent any provision in any Executory Contract or Unexpired Lease assumed pursuant to the Plan (including any “change of control” provision) restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the Reorganized Debtors’ assumption of such Executory Contract or Unexpired Lease, then such provision shall be deemed modified such that the transactions contemplated by the Plan will not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto. Each Executory Contract and Unexpired Lease assumed pursuant to this Article of the Plan will revest in and be fully enforceable by the Reorganized Debtors in accordance with its terms, except as modified by the provisions of the Plan, any order of the Bankruptcy Court authorizing and providing for its assumption, or applicable law.

(b) *Modifications, Etc.* Unless otherwise provided in the Plan, each Executory Contract or Unexpired Lease that is assumed shall include all modifications, amendments, supplements, restatements, or other agreements that in any manner affect such Executory Contract or Unexpired Lease, and all rights related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests, unless any of the foregoing agreements has been previously rejected or repudiated or is rejected or repudiated pursuant hereunder.

Modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtors during the Chapter 11 Cases shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease, or the validity, priority, or amount of any Claims that may arise in connection therewith.

(c) *Proofs of Claim Based on Assumed Contracts or Leases.* Any and all proofs of Claim based on Executory Contracts or Unexpired Leases that have been assumed in the Chapter 11 Cases, including hereunder, except proofs of Claim asserting Cure amounts, pursuant to the order approving such assumption, including the Confirmation Order, shall be deemed Disallowed and expunged from the Claims register as of the Effective Date without any further notice to or action, order, or approval of the Bankruptcy Court.

(d) *Cure Proceedings and Payments.* With respect to each of the Executory Contracts or Unexpired Leases assumed hereunder, the Debtors shall designate a proposed Cure, and the assumption of such Executory Contract or Unexpired Lease shall be conditioned upon the disposition of all issues with respect to Cure. Except as otherwise set forth on the Schedule of Assumed Executory Contracts and Unexpired Leases, the Cure amount with respect to each of the Executory Contracts or Unexpired Leases assumed hereunder is designated by the Debtors as zero dollars, subject to the determination of a different Cure amount pursuant to the procedures set forth herein (including Section 6.01(e) below) and in the Cure Notices. Except with respect to Executory Contracts and Unexpired Leases for which the Cure is zero dollars, or for which the Cure amount is in dispute, the Cure shall be satisfied by the Reorganized Debtors or their assignee, if any, by payment of the Cure in Cash within 30 days following the occurrence of the Effective Date or as soon as reasonably practicable thereafter, or on such other terms as may be ordered by the Bankruptcy Court or agreed upon by the parties to the applicable Executory Contract or Unexpired Lease without any further notice to or action, order, or approval of the Bankruptcy Court.

Any provisions or terms of the Executory Contracts or Unexpired Leases to be assumed pursuant to the Plan that are, or may be, alleged to be in default, shall be satisfied solely by Cure, or by an agreed-upon waiver of Cure. If there is a dispute regarding such Cure, the ability of the Reorganized Debtors or any assignee to provide “adequate assurance of future performance” within the meaning of section 365 of the Bankruptcy Code, or any other matter pertaining to assumption, then payment of Cure shall occur as soon as reasonably practicable after entry of a Final Order resolving such dispute, approving such assumption (and, if applicable, assignment), or as may be agreed upon by the Debtors or the Reorganized Debtors, as applicable, and the counterparty to the Executory Contract or Unexpired Lease; *provided, however*, that the Debtors or the Reorganized Debtors, as applicable, shall have the right either to reject or nullify the assumption of any Executory Contract or Unexpired Lease after entry of a Final Order determining the Cure or any request for adequate assurance of future performance required to assume such Executory Contract or Unexpired Lease.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any Cures, Claims, or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time prior to the effective date of assumption.

(e) *Cure Notice.* No later than seven days before the Confirmation Hearing, the Debtors shall serve upon counterparties to such Executory Contracts and Unexpired Leases a Cure Notice that will (i) notify the counterparty of the proposed assumption of the applicable

Executory Contract or Unexpired Lease, (ii) list the applicable Cure, if any, set forth on the Schedule of Assumed Executory Contracts and Unexpired Leases, (iii) describe the procedures for filing objections to the proposed assumption or assumption and assignment of the applicable Executory Contract or Unexpired Lease, (iv) describe the procedures for filing objections to the proposed Cure of the applicable Executory Contract or Unexpired Lease, and (v) explain the process by which related disputes will be resolved by the Bankruptcy Court. If no objection is timely received, (A) the non-Debtor party to the assumed Executory Contract or Unexpired Lease shall be deemed to have consented to the assumption of the applicable Executory Contract or Unexpired Lease and shall be forever barred from asserting any objection with regard to such assumption, and (B) the proposed Cure shall be controlling, notwithstanding anything to the contrary in any applicable Executory Contract or Unexpired Lease or other document as of the date of the filing of the Plan, and the non-Debtor party to an applicable Executory Contract or Unexpired Lease shall be deemed to have consented to the Cure amount and shall be forever barred from asserting, collecting, or seeking to collect any additional amounts relating thereto against the Debtors or the Reorganized Debtors, or the property of any of them. For the avoidance of doubt, all proposed Cures in excess of \$100,000 shall be required to be reasonably acceptable to the Required Participating Noteholders.

(f) *Cure Objections.* If a proper and timely objection to the Cure Notice or proposed Cure was filed by the Cure Objection Deadline, the Cure shall be equal to (i) the amount agreed to between the Debtors or Reorganized Debtors, as applicable, and the applicable counterparty or (ii) to the extent the Debtors or Reorganized Debtors and counterparty do not reach an agreement regarding any Cure or any other matter related to assumption, the Bankruptcy Court shall determine the Allowed amount of such Cure and any related issues. Objections, if any, to the proposed assumption and/or Cure must be in writing, filed with the Bankruptcy Court, and served in hard-copy form on the parties identified in the Cure Notice so that they are actually received by the Cure Objection Deadline.

(g) *Hearing with Respect to Objections.* If an objection to the proposed assumption of an Executory Contract or Unexpired Lease and/or to the proposed Cure thereof is timely filed and received in accordance with the procedures set forth in Section 6.01(f), and the parties do not reach a consensual resolution of such objection, a hearing with respect to such objection shall be held at such time scheduled by the Bankruptcy Court or the Debtors or Reorganized Debtors. Objections to the proposed Cure or assumption of an Executory Contract or Unexpired Lease will not be treated as objections to Confirmation of the Plan.

(h) *Reservation of Rights.* Notwithstanding anything to the contrary herein, prior to the Effective Date, the Debtors may, with the consent of the Required Participating Noteholders (not to be unreasonably withheld), amend their decision with respect to the assumption of any Executory Contract or Unexpired Lease and provide a new notice amending the information provided in the applicable notice. In the case of an Executory Contract or Unexpired Lease designated for assumption that is the subject of a Cure objection that has not been resolved prior to the Effective Date, the Debtors or the Reorganized Debtors, as applicable, may designate such Executory Contract or Unexpired Lease for rejection at any time prior to the payment of the Cure, as set forth in Section 6.01(d) hereof.

Section 6.02 Rejection of Executory Contracts. Upon the occurrence of the Effective Date, each Executory Contract or Unexpired Lease listed on the Schedule of Rejected Executory Contracts and Unexpired Leases in the Plan Supplement shall be deemed automatically rejected pursuant to sections 365 and 1123 of the Bankruptcy Code as of the Effective Date. The Confirmation Order will constitute an order of the Bankruptcy Court approving such rejections pursuant to sections 365 and 1123 of the Bankruptcy Code as of the Effective Date. Counterparties to Executory Contracts or Unexpired Leases that are deemed rejected as of the Effective Date shall have the right to assert any Claim on account of the rejection of such Executory Contracts or Unexpired Leases subject to compliance with the requirements herein.

(a) *Preexisting Obligations to Debtors.* Rejection of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall not constitute a termination of pre-existing obligations owed to the Debtors under such contracts or leases. In particular, notwithstanding any non-bankruptcy law to the contrary, the Reorganized Debtors expressly reserve and do not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties or continued maintenance obligations on goods previously purchased by the contracting Debtors or the Reorganized Debtors, as applicable, from counterparties to rejected or repudiated Executory Contracts.

(b) *Rejection Damages Claim Procedures.* Unless otherwise provided by a Bankruptcy Court order, any proofs of Claim asserting Claims arising from the rejection of the Executory Contracts and Unexpired Leases pursuant to the Plan or otherwise must be filed with the Claims and Solicitation Agent no later than 30 days after the later of the Effective Date, the effective date of rejection, or the date notice of such rejection is transmitted by the Debtors or the Reorganized Debtors, as applicable, to the counterparty to such Executory Contract or Unexpired Lease. Any proofs of Claim arising from the rejection of the Executory Contracts or Unexpired Leases that are not timely filed shall be Disallowed automatically and forever barred, estopped, and enjoined from assertion and shall not be enforceable against the Debtors or the Reorganized Debtors, without the need for any objection by the Reorganized Debtors or any further notice to or action, order, or approval of the Bankruptcy Court, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, notwithstanding anything in the Schedules or a proof of Claim to the contrary. All Allowed Claims arising from the rejection of the Executory Contracts and Unexpired Leases shall be classified as TUSA General Unsecured Claims or Convenience Claims, as applicable.

(c) *Reservation of Rights.* Notwithstanding anything to the contrary herein, prior to the Effective Date, the Debtors may amend their decision with respect to the rejection of any Executory Contract or Unexpired Lease.

Section 6.03 Midstream Contracts

(a) The Caliber Declaratory Judgment Action, and all of the Debtors' or the Reorganized Debtors' rights with respect thereto, shall constitute retained Causes of Action, subject in all respect to Section 5.16 of the Plan. Without limiting the generality of the foregoing, the Debtors, with the consent of the Required Participating Noteholders, or the Reorganized Debtors, as applicable, shall determine whether to continue to prosecute, settle, release, compromise, or enforce the Caliber Declaratory Judgment Action (or decline to do any of the

foregoing), and shall not be required to seek further approval of the Bankruptcy Court for such action.

(b) To the extent one or more of the Specified Caliber Contracts is determined not to constitute or contain a covenant running with the land pursuant to a Final Order or judgment entered in the Caliber Declaratory Judgment Action, the Confirmation Order shall constitute an order of the Bankruptcy Court authorizing, but not directing, the Debtors to reject one or more such Specified Caliber Contracts, as determined by the Debtors, with the consent of the Required Participating Noteholders, or the Reorganized Debtors, as applicable. No later than 45 days after the entry of a Final Order or judgment in the Caliber Declaratory Judgment Action determining that one or more of the Specified Caliber Contracts constitutes an Executory Contract, the Debtors, with the consent of the Required Participating Noteholders, or the Reorganized Debtors, as applicable, shall transmit to the applicable Caliber Entity a notice identifying the Specified Caliber Contract(s), if any, to be rejected pursuant to this Section 6.03(b). Upon transmittal of such notice to Caliber, the rejection of the Specified Caliber Contracts identified therein shall be effective *nunc pro tunc* to the Effective Date. Any Caliber Rejection Damages Claim resulting therefrom shall be reconciled in accordance with the terms of Article VII and other applicable provisions of this Plan.

(c) To the extent the Bankruptcy Court or another court of competent jurisdiction issues a Final Order or judgment determining that one or more of the Specified Caliber Contracts is not an Executory Contract, constitutes or contains a covenant running with the land, or is otherwise not susceptible in whole or in part to rejection under section 365(a) of the Bankruptcy Code, then, for 30 days following the issuance of such Final Order or judgment, the Debtors or the Reorganized Debtors shall be permitted to assume such Specified Caliber Contracts in accordance with Section 6.01 of the Plan (and subject to the reservation of rights in Section 6.01(h) of the Plan) by delivering a Cure Notice to Caliber within such 30-day period.

Section 6.04 Postpetition Contracts and Leases. Contracts and leases entered into after the Petition Date by the Debtors, and any Executory Contracts and Unexpired Leases assumed by the Debtors, may be performed by the Reorganized Debtors in the ordinary course of business and in accordance with the terms thereof.

Section 6.05 General Reservation of Rights. Neither the exclusion nor inclusion of any contract or lease on the Schedule of Rejected Executory Contracts and Unexpired Leases, nor anything contained in the Plan, shall constitute an admission by the Debtors that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that the Reorganized Debtors, or any of their Affiliates, has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors or the Reorganized Debtors, as applicable, shall have 45 days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease.

ARTICLE VII

PROCEDURES FOR RESOLVING DISPUTED CLAIMS AND INTERESTS

Section 7.01 Determination of Claims and Interests. After the Effective Date, the Reorganized Debtors shall have and retain any and all rights and defenses the Debtors had with respect to any Claim or Interest immediately prior to the Effective Date, including the Causes of Action retained pursuant to Section 5.16, except with respect to any Claim or Interest deemed Allowed under the Plan.

Except as expressly provided in the Plan or in any order entered in the Chapter 11 Cases prior to the Effective Date (including the Confirmation Order), no Claim or Interest shall become an Allowed Claim or Interest unless and until such Claim or Interest is deemed Allowed or the Bankruptcy Court has entered a Final Order, including the Confirmation Order, in the Chapter 11 Cases allowing such Claim or Interest. All settled Claims approved prior to the Effective Date pursuant to a Final Order of the Bankruptcy Court, pursuant to Bankruptcy Rule 9019 or otherwise, shall be binding on all parties. For the avoidance of doubt, any Claim determined and liquidated pursuant to (a) an order of the Bankruptcy Court or (b) applicable non-bankruptcy law (which determination has not been stayed, reversed, or amended and as to which determination or any revision, modification, or amendment thereof as to which the time to appeal or seek review or rehearing has expired and no appeal or petition for review or rehearing was filed or, if filed, remains pending) shall be deemed an Allowed Claim in such liquidated amount and satisfied in accordance with this Plan.

Nothing contained in this Section 7.01 shall constitute or be deemed a waiver of any claim, right, or Cause of Action that the Debtors or the Reorganized Debtors may have against any Entity in connection with or arising out of any Claim, including any rights under section 157(b) of title 28 of the United States Code.

Section 7.02 Claims Administration Responsibility. Except as otherwise specifically provided for in the Plan, after the Effective Date, the Reorganized Debtors shall retain responsibility for (a) administering, disputing, objecting to, compromising, or otherwise resolving all Claims against and Interests in the Debtors, including (i) filing, withdrawing, or litigating to judgment objections to Claims or Interests, (ii) settling or compromising any Disputed Claim or Disputed Interest without any further notice to or action, order, or approval by the Bankruptcy Court, and (iii) administering and adjusting the Claims register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Bankruptcy Court and (b) making distributions (if any) with respect to all Claims and Interests.

Section 7.03 Objections to Claims. Unless otherwise extended by the Bankruptcy Court, any objections to Claims (other than Administrative Claims) shall be served and filed on or before the Claims Objection Deadline (or such later date as may be established by the Bankruptcy Court upon request of the Reorganized Debtors without further notice to parties-in-interest). Notwithstanding any authority to the contrary, an objection to a Claim shall be deemed properly served on the Holder of the Claim if the Debtors or the Reorganized Debtors effect service in any of the following manners: (a) in accordance with Federal Rule of Civil Procedure

4, as modified and made applicable by Bankruptcy Rule 7004; (b) to the extent counsel for a Holder of a Claim or Interest is unknown, by first class mail, postage prepaid, on the signatory on the proof of Claim or other representative identified on the proof of Claim or any attachment thereto (or at the last known addresses of such Holder if no proof of Claim is filed or if the Debtors have been notified in writing of a change of address); or (c) by first class mail, postage prepaid, on any counsel that has appeared on behalf of the Holder of the Claim in the Chapter 11 Cases and has not withdrawn such appearance.

Section 7.04 Disallowance of Claims. Except as otherwise agreed, any and all proofs of Claim filed after the applicable deadline for filing such proofs of Claim shall be deemed Disallowed and expunged as of the Effective Date without any further notice to, or action, order, or approval of the Bankruptcy Court, and Holders of such Claims shall not receive any distributions on account of such Claims, unless any such late proof of Claim is deemed timely filed by a Final Order of the Bankruptcy Court.

Nothing herein shall in any way alter, impair, or abridge the legal effect of the Bar Date Order, or the rights of the Debtors, the Reorganized Debtors, or other parties-in-interest to object to Claims on the grounds that they are time barred or otherwise subject to disallowance or modification. Nothing in this Plan shall preclude amendments to timely filed proofs of Claim to the extent permitted by applicable law.

All Claims of any Entity from which property is sought by the Debtors under section 542, 543, 550, or 553 of the Bankruptcy Code or that the Debtors or the Reorganized Debtors allege is a transferee of a transfer that is avoidable under section 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code shall be Disallowed if (a) the Entity, on the one hand, and the Debtors or the Reorganized Debtors, on the other hand, agree or the Bankruptcy Court has determined by Final Order that such Entity or transferee is liable to turn over any property or monies under any of the aforementioned sections of the Bankruptcy Code and (b) such Entity or transferee has failed to turn over such property by the date set forth in such agreement or Final Order.

Section 7.05 Estimation of Claims. Before or after the Effective Date, the Debtors or the Reorganized Debtors, as applicable, may (but are not required to) at any time request that the Bankruptcy Court estimate a Disputed Claim pursuant to section 502(c) of the Bankruptcy Code for any reason, regardless of whether any party previously has objected to such Claim or Interest or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction to estimate any such Disputed Claim, including during the litigation of any objection to any Disputed Claim or during the pendency of any appeal relating to such objection. In the event that the Bankruptcy Court estimates any contingent or unliquidated Claim, that estimated amount shall constitute a maximum limitation on such Claim for all purposes under the Plan (including for purposes of distributions and participation in the Rights Offering), without prejudice to the Holder of such Claim's right to request that estimation should be for the purpose of determining the Allowed amount of such Claim, and the Reorganized Debtors may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim. All of the objection, estimation, settlement, and resolution procedures set forth in the Plan are cumulative and not necessarily exclusive of one another. All estimation procedures set forth in the Plan shall be applied in accordance with section 502(c) of the Bankruptcy Code.

Disputed Claims may be estimated and subsequently compromised, settled, withdrawn, or resolved by any mechanism approved by the Plan or the Bankruptcy Court.

Section 7.06 No Interest on Disputed Claims. Unless otherwise specifically provided for in this Plan or as otherwise required by section 506(b) of the Bankruptcy Code, postpetition interest shall not accrue or be paid on Claims or Interests, and no Holder of a Claim or Interest shall be entitled to interest accruing on or after the Petition Date on any Claim or Interest. Additionally, and without limiting the foregoing, unless otherwise specifically provided for in this Plan or as otherwise required by section 506(b) of the Bankruptcy Code, interest shall not accrue or be paid on any Disputed Claim in respect of the period from the Effective Date to the date a final distribution is made, when and if such Disputed Claim becomes an Allowed Claim.

Section 7.07 Amendments to Claims. On or after the Effective Date, except as otherwise provided herein, a Claim may not be filed or amended without the authorization of the Bankruptcy Court or the Reorganized Debtors, and, to the extent such authorization is not received, any such new or amended Claim filed shall be deemed Disallowed in full and expunged without any further notice to or action, order, or approval of the Bankruptcy Court.

ARTICLE VIII

PROVISIONS GOVERNING DISTRIBUTIONS

Section 8.01 Time of Distributions. Except as otherwise provided for herein or ordered by the Bankruptcy Court, distributions under this Plan shall be made on the later of (a) Initial Distribution Date or (b) on the first Periodic Distribution Date occurring after the later of, (i) 30 days after the date when a Claim is Allowed or (ii) 30 days after the date when a Claim becomes payable pursuant to any agreement between the Debtors (or the Reorganized Debtors) and the Holder of such Claim; *provided, however*, that the Reorganized Debtors may, in their sole discretion, make one-time distributions on a date that is not a Periodic Distribution Date.

Section 8.02 Currency. Except as otherwise provided in the Plan or Bankruptcy Court order, as of the Effective Date, any Claim asserted in currency other than U.S. dollars shall be automatically deemed converted to the equivalent U.S. dollar value using the exchange rate as of Effective Date at 4:00 p.m. prevailing Eastern Time, mid-range spot rate of exchange for the applicable currency as published in the next *The Wall Street Journal, National Edition* following the Effective Date.

Section 8.03 Distribution Agent. Except as otherwise provided herein, all distributions under the Plan shall be made by the Reorganized Debtors as Distribution Agent, or by such other Entity designated by the Reorganized Debtors as a Distribution Agent on the Effective Date. The Distribution Agent shall not be required to give any bond or surety or other security for the performance of the Reorganized Debtors' duties as Distribution Agent unless otherwise ordered by the Bankruptcy Court. The Distribution Agent shall be empowered to (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan; (b) make all distributions contemplated hereby; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Distribution Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the

Distribution Agent to be necessary and proper to implement the provisions hereof. If the Distribution Agent is an Entity other than the Reorganized Debtors, such Entity shall be paid its reasonable fees and expenses, including the reasonable fees and expenses of its attorneys or other professionals. The Reorganized Debtors shall be the Distribution Agent with respect to all Claims against the Ranger Debtors.

Section 8.04 Claims Administered by Servicers. In the case of Holders of Claims governed by an agreement and administered by a Servicer, the respective Servicer shall be deemed to be the Holder of such Claims for purposes of distributions to be made hereunder. The Distribution Agent shall make all distributions on account of such Claims to the Servicers or as directed by the Servicers, in the Servicers' sole discretion. Each Servicer shall, at its option, hold or direct such distributions for the beneficial Holders of such Allowed Claims, as applicable; *provided, however,* that the Servicer shall retain all rights under its respective agreement in connection with delivery of distributions to the beneficial Holders of such Allowed Claim, including rights on account of its charging lien; *provided further, however,* that the Debtors' and the Reorganized Debtors' obligations to make distributions pursuant to this Plan shall be deemed satisfied upon delivery of distributions to each Servicer or the Entity or Entities designated by the Servicers. The Servicers shall not be required to give any bond, surety, or other security for the performance of their duties with respect to such distributions. The Servicers shall be paid in Cash their reasonable fees and expenses, including the reasonable fees and expenses of their attorneys or other professionals by the Reorganized Debtors.

Section 8.05 Distributions on Claims Allowed After the Effective Date

(a) *No Distributions Pending Allowance.* No payments or distributions shall be made with respect to all or any portion of a Disputed Claim unless and until all objections to such Disputed Claim have been settled or withdrawn or have been determined by a Final Order of the Bankruptcy Court, and the Disputed Claim has become an Allowed Claim.

(b) *Special Rules for Distributions to Holders of Disputed Claims.* Notwithstanding any provision otherwise in the Plan and except as otherwise agreed by the relevant parties no partial payments and no partial distributions shall be made with respect to a Disputed Claim until all such disputes in connection with such Disputed Claim have been resolved by settlement or Final Order. All distributions made pursuant to the Plan on account of a Disputed Claim that is later deemed an Allowed Claim by the Bankruptcy Court shall be made together with any dividends, payments, or other distributions made on account of, as well as any obligations arising from, the distributed property as if such Allowed Claim had been an Allowed Claim on the dates distributions were previously made to Holders of Allowed Claims included in the applicable Class; *provided, however,* that no interest shall be paid on account to such Allowed Claims unless required under applicable bankruptcy law.

(c) *Disputed Claims Reserve.* The Reorganized Debtors shall establish and administer the Disputed Claims Reserve. Each Holder of a Disputed TUSA General Unsecured Claim that becomes an Allowed TUSA General Unsecured Claim after the Effective Date shall receive a distribution of New TUSA Common Stock from the Disputed Claims Reserve pursuant to the terms set forth in Section 8.05(b) and at the time set forth in Section 8.01, together with such Holder's Rights Offering Securities, to the extent such Holder validly subscribed to

purchase such Rights Offering Securities pursuant to the Rights Offering Procedures. On each Periodic Distribution Date, (i) all shares of New TUSA Common Stock in the Disputed Claims Reserve on account of a Disputed TUSA General Unsecured Claims that has become Disallowed in whole or in part (or has been Allowed in an amount less than its Provisionally Allowed amount) shall be redistributed ratably among (A) Holders of Allowed TUSA General Unsecured Claims and (B) the Disputed Claims Reserve and (ii) all Rights Offering Securities in the Disputed Claims Reserve that were subscribed for by the Holder of such wholly or partially Disallowed Claim shall be purchased by the Backstop Parties pursuant to the Backstop Commitment Agreement.

Section 8.06 Delivery of Distributions

(a) *Record Date for Distributions.* On the Distribution Record Date, the Claims register shall be closed and the Distribution Agent shall be authorized and entitled to recognize only those record Holders listed on the Claims register as of the close of business on the Distribution Record Date. The RBL Agent shall have no obligation to recognize any transfer of any RBL Claims occurring after the close of business on the Distribution Record Date and shall instead be entitled to recognize and deal for all purposes under the Plan with only those Holders of record as of the close of business on the Distribution Record Date. Further, the Senior Notes Indenture Trustee shall have no obligation to recognize any transfer of any Senior Notes Claims occurring after the close of business on the Distribution Record Date and shall instead be entitled to recognize and deal for all purposes under the Plan with only those Holders of record as of the close of business on the Distribution Record Date.

(b) *Cash Distributions.* Distributions of Cash may be made either by check drawn on a domestic bank or wire transfer from a domestic bank, at the option of the Reorganized Debtors, except that Cash payments made to foreign creditors may be made in such funds and by such means as are necessary or customary in a particular foreign jurisdiction.

(c) *Address for Distributions.* Distributions to Holders of Allowed Claims shall be made by the Distribution Agent or the appropriate Servicer (i) at the addresses set forth on the proofs of Claim filed by such Holders of Claims (or at the last known addresses of such Holders of Claims if no proof of Claim is filed or if the Debtors or the Distribution Agent have been notified in writing of a change of address), (ii) at the addresses set forth in any written notices of address changes delivered to the Distribution Agent after the date of any related proof of Claim, (iii) at the addresses reflected in the Schedules if no proof of Claim has been filed and the Distribution Agent has not received a written notice of a change of address, or (iv) in the case of a Holder of a Claim whose Claim is governed by an agreement and administered by a Servicer, at the addresses contained in the official records of such Servicer. The Debtors, the Reorganized Debtors, and the Distribution Agent shall not incur any liability whatsoever on account of any distributions under the Plan.

(d) *Undeliverable Distributions.* If any distribution to a Holder of a Claim is returned as undeliverable, no further distributions to such Holder of such Claim shall be made unless and until the Distribution Agent or the appropriate Servicer is notified of then-current address of such Holder of the Claim, at which time all missed distributions shall be made to such Holder of the Claim without interest, dividends, or accruals of any kind on the next Periodic

Distribution Date. Amounts in respect of undeliverable distributions shall be returned to the Reorganized Debtors until such distributions are claimed.

(e) *Reversion.* Any distribution under the Plan that is an Unclaimed Distribution for a period of six months after such distribution shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code and such Unclaimed Distribution shall revert to and vest in the Reorganized Debtors free of any restrictions thereon, and to the extent such Unclaimed Distribution is New TUSA Common Stock, shall be deemed cancelled. Upon vesting, the Claim of any Holder or successor to such Holder with respect to such property shall be cancelled, discharged, and forever barred, notwithstanding federal or state escheat, abandoned, or unclaimed property laws to the contrary. The provisions of the Plan regarding undeliverable distributions and Unclaimed Distributions shall apply with equal force to distributions that are issued by the Reorganized Debtors or the Distribution Agent made pursuant to any indenture or Certificate (but only with respect to the initial distribution by the Servicer to Holders that are entitled to be recognized under the relevant indenture or Certificate and not with respect to Entities to whom those recognized Holders distribute), notwithstanding any provision in such indenture or Certificate to the contrary and notwithstanding any otherwise applicable federal or state escheat, abandoned, or unclaimed property law.

(f) *De Minimis Distributions.* Notwithstanding any other provision of the Plan to the contrary, the Reorganized Debtors, the Distribution Agent, and any Servicer shall not be required to make a distribution on account of an Allowed Claim if (i) the aggregate amount of all distributions authorized to be made on the Periodic Distribution Date in question is or has a value less than \$100,000; *provided, however,* that the Reorganized Debtors shall make, or cause to be made, a distribution on a Periodic Distribution Date of less than \$100,000 if the Reorganized Debtors expect that such Periodic Distribution Date shall be the final Periodic Distribution Date; or (ii) the amount to be distributed to the specific Holder of the Allowed Claim on the particular Periodic Distribution Date does not both (x) constitute a final distribution to such Holder and (y) have a value of at least \$50.00.

(g) *Fractional Distributions.* Notwithstanding any other provision of the Plan to the contrary, the Reorganized Debtors, the Distribution Agent, and any Servicer shall not be required to make partial distributions or distributions of fractional shares or membership units of New TUSA Common Stock or distributions or payments of fractions of dollars. Whenever any payment or distribution of a fractional share or membership unit of New TUSA Common Stock under the Plan would otherwise be called for, such fraction shall be deemed zero. Whenever any payment of Cash of a fraction of a dollar pursuant to the Plan would otherwise be required, the actual payment shall reflect a rounding of such fraction to the nearest whole dollar (up or down), with half dollars or more being rounded up.

(h) *Accrual of Dividends and Other Rights.* For purposes of determining the accrual of dividends or other rights after the Effective Date, New TUSA Common Stock shall be deemed distributed as of the Effective Date regardless of the date on which it is actually issued, dated, authenticated, or distributed; *provided, however,* the Reorganized Debtors shall not pay any such dividends or distribute such other rights, if any, until after distributions of New TUSA Common Stock actually take place.

Section 8.07 Surrender of Securities or Instruments. As soon as practicable after the Effective Date, each Holder of Senior Notes shall surrender its note(s) to the Indenture Trustee, or in the event such note(s) are held in the name of, or by a nominee of, the DTC, the Reorganized Debtors shall seek the cooperation of the DTC to provide appropriate instructions to the Senior Notes Indenture Trustee, and each Holder of Senior Notes shall be deemed to have surrendered each such Holder of Senior Note's note, debenture, or other evidence of indebtedness upon surrender of such global security by DTC or such other securities depository or custodian thereof. No distributions under the Plan shall be made for or on behalf of such Holder unless and until such note(s) is received by the Indenture Trustee or the loss, theft, or destruction of such note(s) is established to the reasonable satisfaction of the Indenture Trustee, which satisfaction may require such Holder to submit (a) a lost instrument affidavit and (b) an indemnity bond holding the Debtors, the Reorganized Debtors, and the Indenture Trustee, harmless in respect of such note and distributions made thereof. Upon compliance with this Section 8.07 by a Holder of Senior Notes, such Holder shall, for all purposes under the Plan, be deemed to have surrendered such Claim. Any Holder that fails to surrender such Senior Note or satisfactorily explain its non-availability to the Indenture Trustee within one year of the Effective Date shall be deemed to have no further Claim against the Debtors, the Reorganized Debtors (or their property), or the Indenture Trustee in respect of such Claim and shall not participate in any distribution under the Plan. All property in respect of such forfeited distributions, including interest thereon, shall be promptly returned to the Reorganized Debtors by the applicable Indenture Trustee, and any such security shall be cancelled. Notwithstanding the foregoing, if the record Holder of a Senior Notes Claim is the DTC or its nominee or such other securities depository or custodian thereof, or if a Senior Notes Claim is held in book-entry or electronic form pursuant to a global security held by the DTC or such other securities depository or custodian thereof, then the beneficial Holder of such an Allowed Senior Notes Claim shall be deemed to have surrendered such Holder's security, note, debenture, or other evidence of indebtedness upon surrender of such global security by the DTC or such other securities depository or custodian thereof.

Section 8.08 Compliance Matters. In connection with the Plan, to the extent applicable, the Reorganized Debtors and the Distribution Agent shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, the Reorganized Debtors and the Distribution Agent shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information necessary to facilitate such distributions, or establishing any other mechanisms they believe are reasonable and appropriate. The Reorganized Debtors reserve the right to allocate all distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support, and other spousal awards, Liens, and encumbrances.

Section 8.09 Claims Paid or Payable by Third Parties. The Claims and Solicitation Agent shall reduce in full a Claim to the extent that the Holder of such Claim receives payment in full on account of such Claim from a party that is not the Debtors or the Reorganized Debtors without any further notice to or action, order, or approval of the Bankruptcy Court. To the extent

a Holder of a Claim receives a distribution on account of such Claim and receives payment from a party that is not the Debtors or the Reorganized Debtors on account of such Claim, such Holder shall, within two weeks of receipt thereof, repay or return the distribution under the Plan to the Reorganized Debtors, to the extent the Holder's total recovery on account of such Claim from the third party and under the Plan exceeds the amount of such Claim as of the date of any such distribution under the Plan.

Section 8.10 Setoffs. Except as otherwise expressly provided for in the Plan and except with respect to any RBL Claims or Senior Notes Claim, and any distribution on account thereof, the Reorganized Debtors, pursuant to the Bankruptcy Code (including section 553 of the Bankruptcy Code), applicable non-bankruptcy law, or as may be agreed to by the Holder of a Claim, may set off against any Allowed Claim and the distributions to be made pursuant to the Plan on account of such Allowed Claim, any Claims, rights, and Causes of Action of any nature that the Debtors or the Reorganized Debtors, as applicable, may hold against the Holder of such Allowed Claim, to the extent such Claims, rights, or Causes of Action against such Holder have not been otherwise compromised or settled on or prior to the Effective Date (whether pursuant to the Plan or otherwise); *provided, however*, that neither the failure to effect such a setoff nor the allowance of any Claim pursuant to the Plan shall constitute a waiver or release by the Reorganized Debtors of any such Claims, rights, and Causes of Action that the Reorganized Debtors may possess against such Holder. In no event shall any Holder of Claims be entitled to set off any Claim against any Claim, right, or Cause of Action of the Debtors or the Reorganized Debtors, as applicable, unless such Holder has filed a motion with the Bankruptcy Court requesting the authority to perform such setoff on or before the Confirmation Date, and notwithstanding any indication in any proof of Claim or otherwise that such Holder asserts, has, or intends to preserve any right of setoff pursuant to section 553 or otherwise.

Section 8.11 Recoupment. In no event shall any Holder of Claims or Interests be entitled to recoup any Claim or Interest against any Claim, right, or Cause of Action of the Debtors or the Reorganized Debtors, as applicable, unless (a) such Holder actually has performed such recoupment and provided notice thereof in writing to the Debtors on or before the Confirmation Date or (b) such Holder's right to recoupment is preserved by applicable bankruptcy law.

Section 8.12 Allocation of Plan Distributions Between Principal and Interest. To the extent that any Allowed Claim entitled to a distribution under this Plan is composed of indebtedness and accrued but unpaid interest thereon, such distribution shall, to the extent permitted by applicable law, be allocated for federal income tax purposes to the principal amount of the Claim first and then, to the extent the consideration exceeds the principal amount of the Claim, to the portion of such Claim representing accrued but unpaid interest.

ARTICLE IX

EFFECT OF PLAN ON CLAIMS AND INTERESTS

Section 9.01 Vesting of Assets. Except as otherwise explicitly provided in this Plan, on the Effective Date, all property comprising the Estate (including Causes of Action, but excluding property that has been abandoned pursuant to an order of the Bankruptcy Court) shall vest in the

Reorganized Debtors which, as Debtors, owned such property or interest in property as of the Effective Date, free and clear of all Claims, Liens, charges, encumbrances, rights, and Interests (except for such Liens as may be retained in favor of the RBL Agent to secure the Excluded RBL Obligations); *provided, however*, that any property held by any of the inactive Debtors dissolved pursuant to Section 5.09 shall vest in Reorganized TUSA solely in its capacity as Distribution Agent for the Ranger Debtors. As of and following the Effective Date, the Reorganized Debtors may operate their business and use, acquire, and dispose of property and settle and compromise Claims, Interests, or Causes of Action without supervision of the Bankruptcy Court, free of any restrictions of the Bankruptcy Code or Bankruptcy Rules, other than those restrictions expressly imposed by this Plan or the Confirmation Order.

Section 9.02 Discharge of the Debtors. Pursuant to section 1141(d) of the Bankruptcy Code, except as otherwise specifically provided in this Plan or the Confirmation Order, and effective as of the Effective Date: (a) the distributions and rights that are provided in this Plan, if any, and the treatment of all Claims and Interests shall be in exchange for and in complete satisfaction, discharge, and release of all Claims and Causes of Action, whether known or unknown, including any interest accrued on such Claims from and after the Petition Date, against, liabilities of, Liens on, obligations of, rights against, and Interests in the Debtors or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to this Plan on account of such Claims, rights, and Interests, including, but not limited to, Claims and Interests that arose before the Effective Date and all debts of the kind specified in sections 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not (i) a proof of Claim or Interest based upon such Claim, debt, right, or Interest is filed or deemed filed under section 501 of the Bankruptcy Code, (ii) a Claim or Interest based upon such Claim, debt, right, or Interest is Allowed under section 502 of the Bankruptcy Code, or (iii) the Holder of such a Claim, right, or Interest accepted this Plan; (b) the Plan shall bind all Holders of Claims and Interests notwithstanding whether any such Holders failed to vote to accept or reject the Plan or voted to reject the Plan; (c) all Claims and Interests shall be satisfied, discharged, and released in full, and the Debtors' liability with respect thereto shall be extinguished completely, including any liability of the kind specified under section 502(g) of the Bankruptcy Code; and (d) all Entities shall be precluded from asserting against the Debtors, the Estates, the Reorganized Debtors, their successors and assigns, and their assets and properties any other Claims or Interests based upon any documents, instruments, or any act or omission, transaction, or other activity of any kind or nature that occurred prior to the Effective Date. The Confirmation Order shall be a judicial determination of the discharge of all Claims against and Interests in the Debtors, subject to the occurrence of the Effective Date.

Section 9.03 Compromise and Settlement. Pursuant to Bankruptcy Rule 9019(a), the Debtors may compromise and settle various (a) Claims or Interests and (b) Causes of Action that the Debtors have against other Entities up to the Effective Date. After the Effective Date, any such right shall pass to the Reorganized Debtors as contemplated in Section 9.01 of this Plan, without the need for further approval of the Bankruptcy Court. Pursuant to section 363 of the Bankruptcy Code and Bankruptcy Rule 9019 and in consideration for the distributions and other benefits provided pursuant to the Plan or any distribution to be made on account of an Allowed Claim, the provisions of the Plan shall constitute a good-faith compromise of all Claims,

Interests, and controversies relating to the contractual, legal, and subordination rights that a Holder of a Claim or Interest may have with respect to any Allowed Claim or Allowed Interest. The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the compromise or settlement of all such Claims, Interests, and controversies, as well as a finding by the Bankruptcy Court that any such compromise or settlement is in the best interests of the Debtors, their Estates, and Holders of Claims and Interests, and is fair, equitable, and reasonable.

Section 9.04 Release by Debtors. Pursuant to section 1123(b) of the Bankruptcy Code, as of the Effective Date, the Debtors and their Estates, the Reorganized Debtors, and each of their respective current and former Affiliates shall be deemed to have conclusively, absolutely, unconditionally, irrevocably, and forever released, waived, and discharged the Released Parties from any and all Claims, Interests, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, including any derivative Claims, asserted on behalf of the Debtors, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, that such Entity would have been legally entitled to assert (whether individually or collectively), based on or in any way relating to, or in any manner arising from, in whole or in part, the Debtors, the Debtors' restructuring, the Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors or the Reorganized Debtors, provided under any applicable law, rule, or regulation, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the restructuring of Claims and Interests prior to or in the Chapter 11 Cases, the negotiation, formulation, or preparation of the Plan, the Disclosure Statement, the Cash Collateral Order, the Backstop Commitment Agreement, the Plan Supplement, the Rights Offering the Exit Facility, any other Plan Transaction Document, or related agreements, instruments, or other documents, upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date of the Plan, other than Claims or liabilities arising out of or relating to any act or omission of a Released Party that constitutes the failure to perform the duty to act in good faith and where such failure to perform constitutes willful misconduct, gross negligence, or actual fraud. Notwithstanding anything to the contrary in the foregoing, the release set forth above does not release any post-Effective Date obligations of any party under the Plan or any document, instrument, or agreement executed to implement the Plan. For the avoidance of doubt, nothing in this paragraph shall in any way affect the operation of Section 9.02 of the Plan, pursuant to section 1141(d) of the Bankruptcy Code.

Section 9.05 Release by Holders of Claims and Interests. As of the Effective Date, and as permitted by applicable law, the Releasing Parties shall be deemed to have conclusively, absolutely, unconditionally, irrevocably, and forever released, waived, and discharged the Debtors, the Reorganized Debtors, their Estates, non-Debtor Affiliates, and the Released Parties from any and all Claims, Interests, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, including any derivative Claims, asserted on behalf of the Debtors, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, at law, in equity, or otherwise, that such Entity would have been legally entitled to assert (whether individually or collectively), based on or in any way relating to, or in any manner arising from, in whole or in part, the Debtors, the Debtors' restructuring, the Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors or the Reorganized Debtors provided under any applicable law, rule, or regulation, the subject matter of, or the transactions or events

giving rise to, any Claim or Interest that is treated in the Plan, the restructuring of Claims and Interests prior to or in the Chapter 11 Cases, the negotiation, formulation, or preparation of the Plan, the Disclosure Statement, the Cash Collateral Order, the Backstop Commitment Agreement, the Plan Supplement, the Rights Offering, the Exit Facility, any other Plan Transaction Document, or related agreements, instruments, or other documents, upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date of the Plan, other than Claims or liabilities arising out of or relating to any act or omission of a Released Party that constitutes the failure to perform the duty to act in good faith and where such failure to perform constitutes willful misconduct or, gross negligence, or actual fraud. Notwithstanding anything to the contrary in the foregoing, the release set forth above does not release any post-Effective Date obligations of any party under the Plan or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan.

For the avoidance of doubt, except as expressly provided herein, nothing in this Section 9.05 shall in any way affect the operation of Section 9.02 of the Plan, pursuant to section 1141(d) of the Bankruptcy Code.

Section 9.06 Exculpation and Limitation of Liability. The Exculpated Parties shall neither have, nor incur, any liability to any Entity for any Exculpated Claim; *provided, however*, that the foregoing “exculpation” shall have no effect on the liability of any Entity arising out of or relating to any act or omission of a Released Party that constitutes the failure to perform the duty to act in good faith and where such failure to perform constitutes willful misconduct or, gross negligence, or actual fraud.

The Exculpated Parties have, and upon Confirmation shall be deemed to have, participated in good faith and in compliance with the applicable provisions of the Bankruptcy Code, including with regard to the distributions of the New TUSA Common Stock and the Rights Offering Securities pursuant to the Plan and, therefore, are not and shall not be liable at any time for the violations of any applicable, law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

Section 9.07 Indemnification Obligations. From and after the Effective Date, the Reorganized Debtors will indemnify each Indemnitee to the same extent of any Indemnification Obligation in effect immediately prior to the Effective Date. The Reorganized Debtors’ indemnification obligation shall remain in full force and effect, shall not be modified, reduced, discharged, impaired, or otherwise affected in any way. The treatment of Indemnification Obligations in this Section 9.07 shall be in complete satisfaction, discharge, and release of any Claim on account of such Indemnification Obligation of the Debtors, except that any Indemnitee may assert a Claim in the Chapter 11 Cases for any prepetition Indemnification Obligation that is not satisfied because of the limitation contained in the prior sentence.

Section 9.08 Injunction. The satisfaction, release, and discharge pursuant to this Article IX shall act as an injunction, from and after the Effective Date, against any Entity (a) commencing or continuing in any manner or in any place, any action, employment of process, or other proceeding; (b) enforcing, attaching, collecting, or recovering in any manner any judgment,

award, decree, or order; (c) creating, perfecting, or enforcing any Lien or encumbrance; (d) asserting a setoff, right of subrogation, or recoupment of any kind against any debt, liability, or obligation due to the Debtors, except as set forth in Section 8.10 or 8.11 of the Plan, in each case with respect to any Claim, Interest, or Cause of Action satisfied, released or to be released, exculpated or to be exculpated, or discharged under this Plan or pursuant to the Confirmation Order and to the fullest extent authorized or provided by the Bankruptcy Code, including to the extent provided for or authorized by sections 524 and 1141 thereof; *provided, however*, that nothing contained herein shall preclude such Entities from exercising their rights pursuant to and consistent with the terms of this Plan or the Confirmation Order.

Section 9.09 Subordination Rights

(a) Except as otherwise provided in the Plan, the allowance, classification, and treatment of all Allowed Claims and the respective distributions and treatments under the Plan take into account and conform to the relative priority and rights of the Claims in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, section 510(b) of the Bankruptcy Code, or otherwise. All Claims and all rights and claims between or among Holders of Claims relating in any manner whatsoever to distributions on account of Claims or Interests, based upon any claimed subordination rights, whether asserted or unasserted, legal or equitable, shall be deemed satisfied by the distributions under the Plan to Holders of Claims having such subordination rights, and such subordination rights shall be deemed waived, released, discharged, and terminated as of the Effective Date. Except as otherwise specifically provided for in the Plan, distributions to the various Classes of Claims hereunder shall not be subject to levy, garnishment, attachment, or like legal process by any Holder of a Claim by reason of any subordination rights or otherwise, so that each Holder of a Claim shall have and receive the benefit of the distributions in the manner set forth in the Plan.

(b) Except as otherwise provided in the Plan, the right of the Debtors or the Reorganized Debtors to seek subordination of any Claim or Interest pursuant to section 510 of the Bankruptcy Code is fully reserved, and the treatment afforded any Claim or Interest that becomes a subordinated Claim or Interest at any time shall be modified to reflect such subordination. Unless the Plan or the Confirmation Order otherwise provide, no distributions shall be made on account of a Claim subordinated pursuant to this Section 9.09(b) unless ordered by the Bankruptcy Court.

Section 9.10 Protection Against Discriminatory Treatment. Consistent with section 525 of the Bankruptcy Code and clause 2 of Article VI of the United States Constitution, no Governmental Unit shall discriminate against the Reorganized Debtors or deny, revoke, suspend, or refuse to renew a license, permit, charter, franchise, or other similar grant to, condition such a grant to, discriminate with respect to such a grant against, the Reorganized Debtors, or another Entity with whom the Reorganized Debtors have been associated, solely because the Debtors have been debtors under chapter 11, have been insolvent before the commencement of the Chapter 11 Cases (or during the Chapter 11 Cases but before the Debtors are granted or denied a discharge), or have not paid a debt that is dischargeable in the Chapter 11 Cases.

Section 9.11 Release of Liens. Except as otherwise provided in the Plan, including Section 3.02(b), or in any contract, instrument, release, or other agreement or document created pursuant to the Plan, on the Effective Date, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall be fully released, and discharged, and all of the right, title, and interest of any Holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert to the Reorganized Debtors and their successors and assigns.

Section 9.12 Reimbursement or Contribution. If the Bankruptcy Court disallows a Claim for reimbursement or contribution of an Entity pursuant to section 502(e)(1)(B) of the Bankruptcy Code, then to the extent that such Claim is contingent as of the Effective Date, such Claim shall be forever Disallowed notwithstanding section 502(j) of the Bankruptcy Code, unless prior to the Effective Date (a) such Claim has been adjudicated as non-contingent or (b) the relevant Holder of a Claim has filed a contingent proof of Claim on account of such Claim and a Final Order has been entered determining such Claim as no longer contingent.

ARTICLE X

CONDITIONS PRECEDENT

Section 10.01 Conditions Precedent to the Effective Date of the Plan. The following are conditions precedent to the occurrence of the Effective Date, each of which may be satisfied or waived in accordance with Section 10.02 of this Plan:

- (c) the Bankruptcy Court shall have entered the Confirmation Order, and such order shall be a Final Order;

(i) all authorizations, consents, certifications, approvals, rulings, no action letters, opinions or other documents, or actions required by any law, regulation, or order to be received or to occur in order to implement the Plan on the Effective Date shall have been obtained or shall have occurred unless failure to do so will not have a material adverse effect on the Reorganized Debtors;

(j) all statutory fees and obligations then due and payable to the Office of the United States Trustee shall have been paid and satisfied in full;

(k) the Adequate Protection Obligations, including, but not limited to, the adequate protection payments and fees and expenses payable by the Debtors under the Cash Collateral Order shall have been paid in full in Cash; and

Section 10.02 Waiver of Conditions Precedent

(a) The conditions set forth in Section 10.01(a), (d), (e), (f), (h), (i), (j), and (l) may be waived, in whole or in part, by the Debtors, with the consent of the Required Participating Noteholders and each Backstop Party.

Section 10.04 Effect of Non-Occurrence of Conditions to Consummation. If, prior to consummation of the Plan, the Confirmation Order is vacated pursuant to a Final Order, then except as provided in any order of the Bankruptcy Court vacating the Confirmation Order, the Plan will be null and void in all respects, and nothing contained in the Plan or Disclosure Statement shall (a) constitute a waiver or release of any Claims, Interests, or Causes of Action, (b) prejudice in any manner the rights of the Debtors or any other Entity, or (c) constitute an admission, acknowledgment, offer, or undertaking of any sort by the Debtors or any other Entity.

ARTICLE XI

BANKRUPTCY COURT JURISDICTION

Section 11.01 Retention of Jurisdiction. Pursuant to sections 105(a) and 1142 of the Bankruptcy Code, the Bankruptcy Court shall have exclusive jurisdiction of all matters arising out of, and related to, the Chapter 11 Cases and the Plan, including jurisdiction to:

Upon the Effective Date, this Plan shall be binding upon and inure to the benefit of the Debtors, the Reorganized Debtors, all current and former Holders of Claims, all current and former Holders of Interests, and all other parties-in-interest and their respective heirs, successors, and assigns.

Section 12.02 Payment of Statutory Fees. All fees payable pursuant to section 1930 of title 28 of the United States Code, as of the entry of the Confirmation Order as determined by the Bankruptcy Court at the Confirmation Hearing, shall be paid on the Effective Date. The Reorganized Debtors shall continue to pay fees pursuant to section 1930 of title 28 of the United States Code until the Chapter 11 Cases are closed by entry of the Final Decree. Furthermore, following entry of the Confirmation Order, the Reorganized Debtors shall continue to file quarterly reports in compliance with Bankruptcy Rule 2015(a)(5); *provided, however*, such reports shall not purport to be prepared in accordance with GAAP, may not be construed as reports filed under the Securities Exchange Act, and may not be relied upon by any party for any purpose except as set forth in Bankruptcy Rule 2015(a)(5).

Section 12.03 Restructuring Expenses. On the Effective Date, the Debtors or the Reorganized Debtors, as applicable, shall pay in full in Cash all outstanding Restructuring Expenses not previously paid pursuant to an order of the Bankruptcy Court in accordance with the terms of the applicable engagement letters entered into or acknowledged by the Debtors or other applicable arrangements, without the need for any application or notice to or approval by the Bankruptcy Court. Restructuring Expenses invoiced after the Effective Date, covering the period prior to or on the Effective Date, shall be paid promptly by the Reorganized Debtors following receipt of invoices therefor and the terms of the applicable documents giving rise to such rights; *provided, however*, that the Debtors or the Reorganized Debtors, as applicable, reserve their right to dispute the reasonableness of any such Restructuring Expenses, and any such dispute that is not consensually resolved among the parties shall be resolved by the Bankruptcy Court pursuant to Section 2.01.

Section 12.04 Modification and Amendment. The Debtors may alter, amend, or modify this Plan under section 1127(a) of the Bankruptcy Code at any time prior to the Confirmation Date, provided that such amendments or modifications are consistent with the Cash Collateral Order and that nothing herein shall be deemed to imply that any other party has consented to such amendment. After the Confirmation Date and prior to substantial consummation of this Plan as defined in section 1101(2) of the Bankruptcy Code, the Debtors may under section 1127(b) of the Bankruptcy Code, institute proceedings in the Bankruptcy Court to remedy any defect or omission or reconcile any inconsistencies in this Plan, the Disclosure Statement, or the Confirmation Order, and such matters as may be necessary to carry out the purposes and effects of this Plan.

Section 12.05 Confirmation of Plan. The Debtors request Confirmation of the Plan under section 1129(b) of the Bankruptcy Code with respect to any Impaired Class that does not accept the Plan pursuant to section 1126 of the Bankruptcy Code. The Debtors reserve the right to amend the Plan to any extent, if any, that Confirmation pursuant to section 1129(b) of the Bankruptcy Code requires modification.

Section 12.06 Additional Documents. On or before the Effective Date, the Debtors may file with the Bankruptcy Court such agreements or other documents as may be necessary or appropriate to effectuate and further evidence the terms and conditions of the Plan. The Debtors or the Reorganized Debtors, as applicable, and Holders of Claims receiving distributions pursuant to the Plan and all other parties in interest shall, from time to time, prepare, execute, and deliver any agreements or documents and take any other actions as may be necessary or advisable to effectuate the provision and intent of the Plan.

Section 12.07 Revocation, Withdrawal, Non-Consummation

(a) *Right to Revoke or Withdraw.* The Debtors reserve the right to revoke or withdraw this Plan at any time prior to the Effective Date and file subsequent chapter 11 plans, subject to the terms of the Cash Collateral Order.

(b) *Effect of Withdrawal, Revocation, or Non-Consummation.* If the Debtors revoke or withdraw this Plan prior to the Effective Date, or if the Confirmation Date or the Effective Date does not occur, then this Plan, any settlement or compromise embodied in this Plan (including the fixing or limiting to an amount certain any Claim or Class of Claims or the allocation of the distributions to be made hereunder), the assumption or rejection of Executory Contracts or Unexpired Leases effected by this Plan, and any document or agreement executed pursuant to this Plan shall be null and void in all respects. In such event, nothing contained herein or in the Disclosure Statement, and no acts taken in preparation for consummation of this Plan, shall be deemed to constitute a waiver or release of any Claims, Interests, or Causes of Action by or against the Debtors or any other Entity, to prejudice in any manner the rights and defenses of the Debtors, the Holder of a Claim or Interest, or any Entity in any further proceedings involving the Debtors, or to constitute an admission, acknowledgement, offer, or undertaking of any sort by the Debtors or any other Entity.

Section 12.09 Term of Injunctions or Stays. Unless otherwise provided in the Plan or in the Confirmation Order, all injunctions or stays in effect in the Chapter 11 Cases pursuant to sections 105 or 362 of the Bankruptcy Code or any order of the Bankruptcy Court, and existing on the Confirmation Date (excluding any injunctions or stays contained in the Plan or the Confirmation Order) shall remain in full force and effect until the Effective Date. All injunctions or stays contained in the Plan or the Confirmation Order shall remain in full force and effect in accordance with their terms.

Section 12.10 Governing Law. Unless a rule of law or procedure is supplied by federal law (including the Bankruptcy Code and Bankruptcy Rules) or unless otherwise specifically stated, the laws of the State of New York shall govern the construction and implementation of this Plan, any agreements, documents, and instruments executed in connection with this Plan

Section 12.12 Severability. If, prior to Confirmation, any term or provision of this Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of the Plan will remain in full force and effect and will in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is (a) valid and enforceable pursuant to its terms, (b) integral to the Plan and may not be deleted or modified without the consent of (i) the Debtors, (ii) the Required Participating Noteholders (not to be unreasonably withheld), (iii) with respect to any document over which the Backstop Parties have consent rights pursuant to the Backstop and Rights Offering Procedures Approval Order, the Backstop Parties, and (iv) to the extent set forth in the Cash Collateral Order, the Prepetition Secured Parties, and (c) non-severable and mutually dependent.

Section 12.13 No Waiver or Estoppel. Upon the Effective Date, each Holder of a Claim or Interest shall be deemed to have waived any right to assert that its Claim or Interest should be Allowed in a certain amount, in a certain priority, be secured, or not be subordinated by virtue of an agreement made with the Debtors and/or their counsel or any other party, if such agreement was not disclosed in this Plan, the Disclosure Statement, or papers filed with the Bankruptcy Court.

Section 12.14 Conflicts. In the event that the provisions of the Disclosure Statement and the provisions of the Plan conflict, the terms of this Plan shall govern.
