- (2) The entry of a decree of judicial dissolution under the Act.

Upon dissolution of the Company, the business and affairs of the Company shall terminate, and the assets of the Company shall be liquidated under this Article 7.

Dissolution of the Company shall be effective as of the day on which the event occurs giving rise to the dissolution, but the Company shall not terminate until there has been a winding up of the Company’s business and affairs, and the assets of the Company have been distributed as provided in Section 7.2.

Upon dissolution of the Company, the Member may cause any part or all of the assets of the Company to be sold in such manner as the Member shall determine in an effort to obtain the best prices for such assets; provided, however that the Member may distribute assets of the Company in kind to the Member to the extent practicable.

Notwithstanding any other provision of this Agreement, the Bankruptcy (as defined herein) of the Member or the occurrence of any event set forth in Section 18-304 of the Act with respect to the Member shall not cause such Member to cease to be a member of the Company and upon the occurrence of such an event, the business of the Company shall continue without dissolution. For purposes of this Agreement, “Bankruptcy” means, with respect to any Person, (a) such Person filing a voluntary petition under the federal bankruptcy code (11 U.S.C. §§ 101 et seq.) (the “Bankruptcy Code”) or any other federal or state bankruptcy or insolvency law, (b) the filing of an involuntary petition against such Person under the Bankruptcy Code or any other federal

or state bankruptcy or insolvency law, or soliciting or causing to be solicited, petitioning creditors for any involuntary petition against such Person, (c) such Person filing an answer consenting to or otherwise acquiescing in or joining in any involuntary petition filed against it, by any other Person under the Bankruptcy Code or any other federal or state bankruptcy or insolvency law, (d) such Person consenting to or acquiescing in or joining in an application for the appointment of a custodian, receiver, liquidator, assignee, trustee, sequestrator or any similar official for such Person or any portion of its assets, or (e) such Person making a general assignment for the benefit of creditors, or admitting, in writing or in any legal proceeding, its insolvency or inability to pay its debts as they become due.

**Form of First Amendment to the Limited
Partnership Agreement of EV Midstream, L.P.**

**FIRST AMENDMENT TO THE
LIMITED PARTNERSHIP AGREEMENT
OF
EV MIDSTREAM, L.P.**

This First Amendment to the Limited Partnership Agreement (the “**Agreement**”) of EV Midstream, L.P., a Delaware limited partnership, hereby amends the Agreement in the following respects, in accordance with Section 11.4 of the Agreement:

1. Section 9.1 of Article 9 of the Agreement is hereby amended and restated in its entirety as follows:

9.1 Causes. The Partnership shall be dissolved on the first to occur of any of the following events, and each Partner hereby expressly waives any right that it might otherwise have to dissolve the Partnership:

The retirement, resignation, or withdrawal from the Partnership by the last remaining General Partner;

The execution by all the Partners of an instrument dissolving the Partnership; or

An event requiring such action under the Act.

Notwithstanding any other provision of this Agreement, the Bankruptcy (as defined herein) of a General Partner or the occurrence of any event set forth in Sections 17-402(a)(4) or (5) of the Act with respect to a General Partner shall not cause such General Partner to cease to be a general partner of the Partnership and upon the occurrence of such an event, the business of the Partnership shall continue without dissolution. For purposes of this Agreement, “Bankruptcy” means, with respect to any Person, (a) such Person filing a voluntary petition under the federal bankruptcy code (11 U.S.C. §§ 101 et seq.) (the “Bankruptcy Code”) or any other federal or state bankruptcy or insolvency law, (b) the filing of an involuntary petition against such Person under the Bankruptcy Code or any other federal or state bankruptcy or insolvency law, or soliciting or causing to be solicited, petitioning creditors for any involuntary petition against such Person, (c) such Person filing an answer consenting to or otherwise acquiescing in or joining in any involuntary petition filed against it, by any other Person under the Bankruptcy Code or any other federal or state bankruptcy or insolvency law, (d) such Person consenting to or acquiescing in or joining in an application for the appointment of a custodian, receiver, liquidator, assignee, trustee, sequestrator or any similar official for such Person or any portion of its assets, or (e) such Person making a general assignment for the benefit of creditors, or admitting, in writing or in any legal proceeding, its insolvency or inability to pay its debts as they become due.

Nothing contained in this Section 9.1 is intended to grant to a Partner the right to dissolve the Partnership at will (by retirement, resignation, withdrawal, or otherwise), or to exonerate a Partner from liability to the Partnership and the remaining Partners if that Partner dissolves the Partnership at will. A dissolution at will of the Partnership is in contravention of this Agreement for purposes of the Act or any successor statute.

2. Except as specifically amended above, the Agreement shall remain the same and in full force and effect.
