Schedule 1

SUMMARY OF PLAN

Debtor's proposed Reorganization Plan contemplates that the Debtor will obtain sufficient Exit Financing to enable the Debtor to pay all Administrative and non-tax Priority Claims (other than the Debtor-in-Possession Financing) in full on the Effective Date and to provide a standby line of credit for future operating cash flow needs for Debtor.

DLH

DLH, with the agreement of the DIP Lenders, will convert the Debtor In Possession Financing into a Post-Confirmation Term Loan. The current projected balance of this facility is approximately \$2.72 Million. Debtor has obtained additional Exit Financing approved by the Court. Certain Secured Claims will be satisfied on or shortly after the Effective Date by the surrender of the land securing such Secured Claims. Reorganized DLH will finance distributions to the other creditors from other sales of land, refinancing, Exit Financing and or joint ventures. The proceeds from any sale would be used first to pay necessary costs of closing, second, in payment of the Release Price necessary to satisfy in full the Secured Claim secured by such parcel, third, in payment of a Release Price on the Term Loan from the DIP Lenders, and fourth, payment of sufficient funds to allow the Debtor's owners to pay actual state and federal income taxes incurred as a result of the taxable gains realized on such a sale, if any resulting in the Net Sales Proceeds subject to Reorganized DLH being in compliance with all other terms of the Plan. The Net Sales Proceeds from any such sale will be allocated generally between Reorganized DLH and Creditors holding Allowed Claims against DLH: (a) to fund the operating expenses of Reorganized DLH, including the costs of managing and marketing the DLH Land and to repay the Term Loan and Other Exit Financing, and (b) to fund distributions to Creditors.

Under the Plan, DLH creditors secured by vacant land are divided into three (3) pools.

Pool 1 (the "Compass Pool") contains parcels as set forth in **Exhibit A-1** which are subject to the liens of Compass. Most of the parcels in the Compass Pool are Development Ready. Compass has a perfected first lien on all parcels in the Compass Pool, all of which secure the Allowed Secured Claim of Compass. The Plan establishes Release Prices for each individual parcel in the Compass Pool such that the aggregate sum of the Release Prices shall be not less than 150% of the Allowed Secured Claim of Compass. Those individual parcel Release Prices are specifically reflected on **Exhibit A-1**. Compass, with respect to its Pool 1 Allowed Secured Claim, shall receive a Variable Pay Note payable from three sources: 1) the net proceeds of any sale of a parcel which is subject to the Compass lien, up to the Release Price for such Parcel; and 2) 30% of Pool 1 Net Sales Proceeds for any and all sales of property contained in Pool 1 and 3) variable cash payments from DLH Excess Cash pursuant to Section 6.04. The Note will accrue interest annually at 7.25% with interest payable on the first anniversary of the Effective date and annually thereafter and mature not later than 5 years after the Effective Date. To the extent that certain principal payments of \$2 million by the second (2nd) anniversary of the Effective Date, a total of \$4 million in aggregate principal reduction by third (3rd) anniversary of the Effective Date and \$6 million in aggregate principal reduction by the

fourth (4th) anniversary of the Effective Date to Compass from sales of Pool 1 properties are not met, Reorganized DLH may make certain structured sales, sealed-bids and or auctions of land in Pool 1. On the Effective Date, DLH shall transfer approximately 150 acres for a credit against Compass Allowed Secured Claim of \$5.3 million. The first sums shall be applied to payment of unpaid interest through the Effective Date, next to attorneys fees and then principal.

Pool 2 (the "Hutchins Industrial Pool") contains parcels as set forth in **Exhibit A-2** hereto, which are subject to various seller financing liens. All or substantially all of the parcels in the Hutchins Industrial Pool are Development Ready. Secured Creditors with Pool 2 Allowed Secured Claims will each receive a Note payable from three sources: 1) the net proceeds of any sale of a parcel in the Hutchins Industrial Pool shall be paid to the Pool 2 Secured Creditor holding the lien on such Parcel, in the amount of such Secured Creditors Pool 2 Note, and 2) all other Pool 2 Secured Creditors holding Pool 2 Notes shall receive their pro-rata share (based on the then current principal balance of all Pool 2 Notes remaining unpaid) of 30% of Pool 2 Net Sales Proceeds for any and all sales of other property contained in Pool 2; and 3) variable cash payments from DLH Excess Cash pursuant to Section 6.04. The Pool 2 Notes will accrue interest annually at 7.25%, and shall mature 5 years after the Effective Date. The Pool 2 Notes shall be payable in annual payments of interest only commencing on the first (1st) anniversary of the Effective Date, with interest only on such Pool 2 Notes payable on each anniversary date through the third (3rd) anniversary of the Effective Date, and thereafter in equal payments of principal and interest sufficient to fully amortize the then outstanding balance of the Pool 2 Notes over ten (10) years (calculated from the end of the Third year after the Effective Date). The Pool 2 Notes shall be due and payable in full five (5) years after the Effective Date.

Pool 3 (the "ABOT Pool") DLH has surrendered to ABOT all of the Pool 3 Parcels in full satisfaction of the Claim of ABOT and all guarantees by Debtors and other related parties, including but not limited to Richard S. Allen and Richard S. Allen, Inc.

Pool 4 (the "Seller Notes Pool") contains parcels as set forth in **Exhibit A-4** hereto which are subject to various seller financing liens and which because of the level of debt associated with each could provide a significant source of cash for Debtor. Due to the location and current infrastructure needs, the land contained in Pool 4 will take longer to fully develop and sell. DLH has surrendered to the Secured Creditors holding Pool 4 Allowed Secured Claims on the Pool 4 parcels identified as Parcels 161-164 (Coffman Investments) and Parcels 93-95 and 156-157 (Southport Properties, LP) on the Effective Date in full satisfaction all such Claims. These Pool 4 Creditors are Unimpaired under the Plan. With respect to the remaining Pool 4 parcels, Reorganized DLH shall retain such parcels for up to six (6) months after the Effective Date in order to market such Pool 4 parcels through its current marketing program, auctions, sealed bid, and or other structured sales. Each Secured Creditor holding a lien on a Pool 4 parcel being retained by Reorganized DLH shall receive a Note (a "Pool 4 Note") in the full amount of the Allowed Claim of such Pool 4 Secured Creditor as of the Effective Date. The Pool 4 Notes shall each bear interest at the non-default contract rate including extension fees and CPI provisions, as appropriate, specified in the loan documents

evidencing the claim of each such Pool 4 Secured Creditor and shall be secured by the existing liens on the parcels securing the Allowed Claim of each Pool 4 Secured Creditor, modified to extend the maturity of such liens. Each Pool 4 Note shall be payable in full, with interest, on the earlier to occur of: (a) the closing of the sale of the Pool 4 parcel securing the Pool 4 Note; or (b) either (i) six months after the Effective Date, for the Pool 4 Note secured by the Pool 4 parcel in the event that said parcel has not been sold by Reorganized DLH, and for which no binding contract for sale has been executed prior to one hundred eighty (180) days after the Effective Date, or (ii) for any Pool 4 Note secured by a Pool 4 parcel for which Reorganized DLH has received a binding contract to sell such parcel prior to 6 months after the Effective Date, sixty (60) days after the end of the sixth month after the Effective Date. Upon the maturity of any Pool 4 Note secured by a Pool 4 parcel which has not been sold by Reorganized DLH, Reorganized DLH shall, within twenty (20) days after such maturity date, either (1) pay the Pool 4 Note in full, both principal and interest, or (2) deliver to the holder of the Pool 4 Note secured by such Pool 4 parcel, either a deed in lieu of foreclosure or a written consent to immediate foreclosure and surrender of possession of such Pool 4 Parcel, at the option of the holder of the Pool 4 Note, and an executed partial release of the subordinate lien on such Pool 4 Parcel securing the Term Loan. If a Pool 4 Claimant elects to take a Deed in lieu of immediate foreclosure that is in full satisfaction of such Claimant's Pool 4 Note. Any Secured Creditor in Pool 4 may elect, at its option, exercisable not earlier than ninety (90) days after the Effective Date, and provided that the Pool 4 parcel which secures such Secured Creditor's Allowed Secured Claim has not been previously sold, and is not under contract and scheduled to close within 150 days after the Effective Date, to receive the immediate surrender of its collateral, together with an executed partial release of the subordinate lien on such parcel securing the Term Loan, in full satisfaction of its Pool 4 Note.

DLH Secured Creditors which had claims secured by developed property are Great Western, which had a first lien on the ADESA Property, and Compass Bank, which had first liens on Buildings A and B.

Great Western Bank's Secured Claim was satisfied in the manner contemplated by the Great Western Settlement Agreement between the Debtors and Great Western which was previously approved by the Bankruptcy Court.

Compass Bank's Secured Claim with respect to the Buildings Loan was satisfied in the manner described in Section 4.03, Subclass 3F. Compass Bank's Secured Claim with respect to the Buildings Loan was fully satisfied at the closing in accordance with the Compass Buildings Sale Order, and is not treated under the Plan. Compass Bank's unsecured deficiency claim, as determined in accordance with the Compass Buildings Sale Order, shall be treated as a DLH Class 4 Claim and an ACP unsecured claim.

DIP Lenders' Term Loan

The DLH Debtor-in-Possession Financing which remains unpaid on the Effective Date, which DLH estimates will be approximately \$2.72 Million (including accrued

interest thereon), shall be converted to a Term Loan (the “**Term Loan**”). The Term Loan shall retain its perfected subordinate liens on the DLH Property other than the Compass Collateral transferred to Compass, the Pool 3 parcels and Pool 4 parcels being surrendered to the Secured Creditors in those pools. A new variable pay note and new subordinate lien deed of trust shall be executed on the Effective Date to evidence and secure the Term Loan. The Plan establishes Release Prices for the Term Loan for each parcel, calculated at 150% of the allocable portion for each parcel in Pool 1 and Pool 2 (excluding any land sold prior to the Effective Date) of the initial balance of the Term Loan on the Effective Date of the Plan. With respect to parcels contained within Pool 4, the Release Price shall be equal to ten percent (10%) of the Net Sales Proceeds of each sale. The Term Loan shall bear interest at 13.25% per annum. The Term Loan may not be paid while any other obligations under the Sixth Plan are in default. Interest on the Term Loan shall accrue annually, and shall be payable solely from the Net Sales Proceeds of the Pool 1, Pool 2 and Pool 4 properties. The Term Loan shall mature on the last business day of the month occurring after the third (3rd) anniversary date of the Effective Date of the Plan.

DLH Unsecured Creditors

DLH unsecured creditors will be paid over time from cash generated by DLH’s operations and sales, refinancing, or joint ventures of properties retained by Reorganized DLH.

Equity Interests

Except to the extent that additional equity interests are required to be issued by Reorganized DLH as a condition of obtaining Exit Financing, current equity will retain their interests in Reorganized DLH.

DLH also reserves the right to seek cram down in the event that any of the impaired Classes votes to reject the Plan.

With respect to a Second Consecutive Shortfall, if and when all shortfall amounts together with interest thereon as applicable are paid in full by Reorganized DLH to the Disbursing Agent, the interest rate payable on the remaining unpaid balance outstanding on the DLH 100% Notes shall reset from 4% to 3% on the outstanding balance under those notes and shall remain at 3% thereafter unless there is a subsequent shortfall in Reorganized DLH funding its required minimum annual amount, in which event the interest rate on the DLH 100% Notes shall reset to 4% per annum on the outstanding balance under those notes and remain at 4% thereafter.

ARTICLE IV - TREATMENT OF CLAIMS AND INTERESTS

4.01 Class 1 — Allowed Administrative Expense Claims (Unimpaired).

This Class will also include any claim for an award by any party for any Fee Claim, including without limitation any Fee Claim for substantial contribution rendered to the estate or to any claimant or class (*i.e.*, in the sense of a class action) of claimants which results in any award by the Bankruptcy Court (by Final Order) of attorneys' fees payable by a Debtor's estate as Allowed Administrative Expense Claims.

Treatment: All Allowed Administrative Expenses shall be treated as follows:

(a) **Administrative Expenses Bar Date (For Administrative Expense Claims Other than Fee Claims).** The holder of any Administrative Expense Claim other than (i) a Fee Claim, (ii) a liability incurred and paid in the ordinary course of business by Debtors, or (iii) a previously Allowed Administrative Expense, must file with the Bankruptcy Court and serve on Debtors and its counsel, notice of such Administrative Expense within 15 days after the Confirmation Date. At a minimum, such notice must identify (i) the name of the holder of such Claim, (ii) the amount of such Claim, and (iii) the basis of such Claim. Failure to file this notice timely and properly shall result in the Administrative Expense being forever barred and discharged.

(b) **Deadlines for Filing Fee Claim Estimates and Applications.** Each person asserting any Fee Claim for services rendered or expenses incurred on or before the Effective Date which is in whole or in part an Administrative Expense Claim, including without limitation any claim for "substantial contribution" under Section 503 of the Bankruptcy Code, shall be required to file with the Bankruptcy Court, and serve on Debtors and its counsel, (i) five (5) business days or more prior to the commencement of the Confirmation Hearing, a Fee Estimate, and (ii) within 60 days after the Effective Date, a formal Fee Application, by which any

(c) Payment of Allowed Administrative Expenses. Each holder of an Allowed Claim for an Administrative Expense shall receive (i) the amount of such holder's Allowed Claim in cash on the later of (w) the Effective Date of the Plan, (x) the date such Claim was due and payable by its terms, (y) a date agreed to by the holder of such Claim and (z) within 30 days following the date such Claim, if contested, is Allowed by Final Order. Fee Claims of professionals for services rendered and expenses incurred during the 90-day period after the Effective Date shall be submitted to and paid within 30 days after submission by Reorganized DLH without the need for Bankruptcy Court approval. If there is any dispute by the respective Reorganized Debtor as to the amount requested that cannot be resolved by the parties directly, such dispute shall be submitted by motion to the Bankruptcy Court for resolution. A formal fee application shall not be required. Notwithstanding anything to the contrary contained in the Plan, an Administrative Expense allowed against DLH shall be paid only from the DLH Estate.

4.02 **Class 2 — Allowed Priority Claims (Unimpaired).**

DLH Class 3 Subclass E. Great Western Bank (Deleted: Sold)

DLH Class 3 Subclass F. Compass Bank – Building Loan (Deleted: Sold)

Treatment:

DLH Class 3 Subclass A: Pool 1 – Compass Pool

(a) **Creation of Pool 1 Notes.** Compass, as the holder of an Allowed Secured Claim against DLH secured by a lien against all of the Pool 1 Parcels, shall receive a Pool 1 Variable Pay Note (the “**Pool 1 Note**”) in the amount of such Allowed Secured Claim, **less** the amount credited against such Allowed Secured Claim for the value of the Pool 1 Collateral to be distributed to Compass on the Effective Date, as hereafter provided. The Pool 1 Note will be issued by Reorganized DLH. All Parcel Senior Liens securing Allowed Secured Claims in this Subclass shall remain in place, as modified and extended pursuant to the Parcel Senior Lien Modifications to be executed and recorded concurrently with the issuance of the Pool 1 Note, and shall continue to be valid and perfected liens upon the Pool 1 Parcels until the earlier of the following: (i) any Parcel Senior Lien is released as described below, (ii) Compass forecloses upon the Parcel Senior Lien and Reorganized DLH has no remaining rights under applicable law to redeem the property so foreclosed, (iii) Reorganized DLH transfers any parcel or parcels subject to a Parcel Senior Lien to Compass in full or partial satisfaction of the Pool 1 Note

if consented to by Compass or approved by the Bankruptcy Court, or (iv) the Pool 1 Note issued to the holder of the Allowed Secured Claim in this Subclass has been paid in full.

(b) Distribution of Pool 1 Collateral to Compass in Partial Payment of Secured Claim. On the Effective Date, DLH shall distribute to Compass, fee and clear of the lien of the DIP/Term Lender in partial payment of \$5.3 million of the Compass Allowed Secured Claim a portion of the Pool 1 Collateral, consisting of the following parcels:

DLH Parcel #	Acres
57	19
58	55.34
85	4.2
86	36
139	1.08
140	3.52
72-1	8.57
72-2	2.54
72-3	6.7
Total	150.56

The partial payment shall be applied to the total Compass Allowed Secured Claim, first to pre Effective Date interest then to attorneys fees and costs and then to principal.

(c) Terms of Pool 1 Note. The Pool 1 Note shall have a beginning principal balance of the Allowed Secured Claim, less the amount to be credited upon distribution to Compass of the Distributed Pool 1 Parcels, as provided in Paragraph (b) above. Compass, as the holder of an Allowed Secured Claim against DLH secured by a lien against all of the Pool 1 Parcels, shall receive a Pool 1 Variable Pay Note (the “**Pool 1 Note**”) in the amount of such Allowed Secured Claim, as modified by the Parcel Senior Lien Modification. The Pool 1 Note will be issued by Reorganized DLH. All Parcel Senior Liens securing Allowed Secured Claims in this Subclass shall remain in place, as modified and extended pursuant to the Parcel Senior Lien Modifications to be executed and recorded concurrently with the issuance of the Pool 1 Note, and shall continue to be valid and perfected liens upon the Pool 1 Parcels until the earlier of the following: (i) any Parcel Senior Lien is released as described below, (ii) Compass forecloses upon the Parcel Senior Lien and Reorganized DLH has no remaining rights under applicable law to redeem the property so foreclosed, (iii) Reorganized DLH transfers any parcel or parcels subject to a Parcel Senior Lien to Compass in full or partial satisfaction of the

Pool 1 Note, if consented to by Compass or approved by the Bankruptcy Court, or (iv) the Pool 1 Note issued to the holder of the Allowed Secured Claim in this Subclass has been paid in full. Pool 1 Note shall accrue interest at 7.25% per annum. Interest only on the Pool 1 Note shall be due and payable on the first anniversary date of the Effective Date, and annually thereafter until maturity on each subsequent anniversary date of the Effective Date, and all unpaid principal and interest accrued shall become due and payable on the fifth (5th) anniversary of the Effective Date. The Pool 1 Note will be paid from the (i) Release Price as to any parcel, when and if Compass is requested to release the Parcel Senior Lien on such a parcel, parcels or the remainder of a parcel securing such a Pool 1 Note, and (ii) quarterly from Secured Creditor Pool 1 Net Proceeds. All payments of a Release Price on the Pool 1 Note shall be applied in reduction of the principal balance of the Pool 1 Note, and all payments of the Secured Creditor Pool 1 Net Proceeds shall be applied first to payment of accrued but unpaid interest and then in reduction of the principal balance of the Pool 1 Note. In the event that Reorganized DLH fails to timely make a required payment and Compass declares a default on the Pool 1 Note, by written notice of such default to Reorganized DLH, Reorganized DLH shall have thirty (30) days thereafter to cure such payment default.

(d) Security for Pool 1 Note. The Pool 1 Note shall be secured by the existing Parcel Senior Liens securing the Allowed Secured Claim for which the Pool 1 Note is issued, as modified by the Parcel Senior Lien Modification. Upon receiving the lesser of (i) the Release Price for any parcel, as hereinafter defined, (ii) an agreed amount negotiated between Reorganized DLH and the Pool 1 Noteholder, or (iii) the remaining amount due and owing on the related Pool 1 Note, the Pool 1 Noteholder shall release the Parcel Senior Lien(s) on such a parcel, parcels or the remainder of a parcel. To the extent to which Pool 1 Noteholder agrees to release all of its Parcel Senior Liens for an amount less than the remaining amount due and owing on the related Pool 1 Note, such a Pool 1 Note shall be cancelled and the creditor shall not be entitled to assert an unsecured claim for any deficiency. Notwithstanding the definition of DLH Net Sales Proceeds, a Pool 1 Noteholder shall not be required to release its Parcel Senior Lien unless such Pool 1 Noteholder actually receives the full amount set forth in this paragraph. More specifically, no deduction from this amount shall be made for any of the adjustments set forth in the definition of DLH Net Sales Proceeds.

(e) Trigger for Required Structured Sales. In addition to the foregoing, at the end of each month following the second (2nd), (3rd) and fourth (4th) anniversary dates of the Effective Date of the Plan (each such date being a "**Trigger Date**"), if the cumulative sum of all distributions to the holder of the Pool 1 Note including Release Prices and distributions to the holder of the Pool 1 Note from DLH Excess Cash Distributions, is less than the amount necessary to pay current through such Trigger Date all accrued but unpaid interest on the Pool 1 Note and to have reduced the balance of principal on the Pool 1 Note by not less than (i) \$2.0 million by the second anniversary of the Effective Date, (ii) \$ 4.0 million by the third anniversary of the Effective Date and, (iii) \$6.0 million by the fourth anniversary of the Effective Date, then Compass may declare Reorganized DLH in default on the Pool 1 Note by written notice of default. Reorganized DLH shall have thirty (30) days from receipt of such notice to cure and reinstate the Pool 1 Note (the "**Cure Period**"). To effect a cure of such a default, Reorganized DLH may, at its option, either (1) pay interest current through such Trigger

Date on the Pool 1 Note and make any required principal pay down out of other funds available to Reorganized DLH, or (2) convey the remaining Pool 1 property back to the Pool 1 Noteholder in full satisfaction of the Pool 1 Note, DLH may offer a structured sale, sealed bid or auction ("Structured Sale") of a sufficient portion of Pool 1 property to pay such interest current through the Trigger Date and make any required principal pay down provided however, all required payments of interest and principal must be fully paid and satisfied by the end of the Cure Period. The reserve price for such parcels in such a Structured Sale shall be (i) at least equal to the Release Price for each parcel included in the Structured Sale, plus all normal and customary closing costs, and (ii) no greater than 175% of the Release Price for such a parcel unless the holder of the Pool 1 Note consents. In the event the Reserve Prices are not met for one or more parcels, Reorganized DLH shall consult with the Pool 1 Noteholder with respect to the appropriate disposition of the parcels. If Reorganized DLH elects to pay the accrued but unpaid interest and any required principal pay down on the Pool 1 Note current through the Trigger Date out of other available funds, such payment shall be made concurrently with the notice of such election. In the event that Reorganized DLH elects to conduct a Structured Sale, the written notice of such election shall include a description of the parcel or parcels selected for such Structured Sale, the proposed reserve prices for such parcels, and the manner in which such Structured Sale shall be conducted. Any Structured Sale must be closed and funded not later than the end of the applicable Cure Period and the payments to Compass from such Structured Sale must satisfy the required payment of interest and principal to effect the cure of a noticed default.

(f) **Reporting to Pool 1 Noteholder** . Reorganized DLH will provide quarterly reports, not later than sixty (60) days after the end of each calendar quarter, to the holder of the Pool 1 Note stating (i) whether any Pool 1 properties were sold during that quarter, and if so, setting forth the calculation of total Pool 1 Net Sales Proceeds for the quarter. To the extent the holders of a Pool 1 Note execute an acceptable confidentiality agreement, as part of the quarterly report, Reorganized DLH shall make additional information with respect to the individual property sales available and shall provide a brief report regarding the current status of Reorganized DLH's attempts to sell the Pool 1 Parcels. Upon request by the holder of a Pool 1 Note and after the holder of the Pool 1 Note executes a confidentiality agreement, Reorganized DLH shall provide all offers to purchase all or any portion of the Pool 1 Note's collateral to the Pool 1 Note holder within five (5) business days after receipt. If a form of confidentiality agreement has not been agreed upon within ten (10) days after an order of confirmation, the form shall be submitted to the Bankruptcy Court for approval.

(g) **No Additional Liens or Refinancing Allowed Without Consent.** Unless the Pool 1 Noteholder consents, beginning sixty (60) days after the Effective Date, Reorganized DLH may not grant new or additional liens on any Pool 1 Parcel unless the proceeds of the loan are for the purpose of curing any default and/or Additional Exit Financing.

DLH Class 3 Subclass B: Pool 2 – Hutchins Industrial Pool

(a) Creation of Pool 2 Notes. Each holder of an Allowed Secured Claim against DLH secured by a lien against one or more of the Pool 2 Parcels shall receive a Pool 2 Note (a “Pool 2 Note”, and collectively the “Pool 2 Notes”) in the amount of such Allowed Secured Claim. The Pool 2 Notes will be issued by Reorganized DLH. All Parcel Senior Liens securing Allowed Secured Claims in this Subclass shall remain in place, as modified and extended pursuant to the Parcel Senior Lien Modifications to be executed and recorded concurrently with the issuance of the Pool 2 Notes, and shall continue to be valid and perfected liens upon the Pool 2 Parcels until the earlier of the following: (i) any Senior Parcel Lien is released as described below, (ii) a Pool 2 Noteholder forecloses the Senior Parcel Lien upon the parcel or parcels on which it has a lien and Reorganized DLH has no remaining rights under applicable law to redeem the property so foreclosed, (iii) Reorganized DLH transfers any parcel or parcels subject to a Parcel Senior Lien to the applicable Pool 2 Noteholder in satisfaction of the Parcel Note, or (iv) until the Pool 2 Note issued to the holder of the Allowed Secured Claim in this Subclass has been paid in full.

(b) Terms of Pool 2 Notes. Each Pool 2 Note shall have a beginning principal balance equal to the amount of the Allowed Secured Claim related to each Pool 2 Note. The Pool 2 Notes shall accrue interest at 7.25% per annum and all principal and accrued but unpaid interest shall be due and payable in full on the fifth (5th) anniversary of the Effective Date. Interest on the Pool 2 Notes shall be payable annually in arrears commencing on the first anniversary date of the Effective Date, with interest only on the Pool 2 Note for the first three (3) years after the Effective Date, and thereafter, in equal annual payments of principal and interest sufficient to fully amortize the then outstanding principal balance of the Pool 2 Notes over ten (10) years (calculated from the 3rd anniversary of the Effective Date). All distributions to the holders of Pool 2 Notes from Secured Creditor Pool 2 Net Proceeds shall be credited against annual payments of interest and principal due under the Pool 2 Notes, so that, for any six month period for which there is either an interest payment due to the holders of the Pool 2 Notes or a payment of principal and interest due to the holders of the Pool 2 Notes, such holders shall receive the greater of: (1) the Secured Creditor Pool 2 Net Proceeds distributed for such twelve (12) month period; or (2) the annual payment of interest or principal and interest due for such period. To the extent to which the underlying Allowed Secured Claim which gave rise to a Pool 2 Note was non-recourse to DLH, the Pool 2 Note issued to the holder of such Allowed Secured Claim shall also be non-recourse for any and all claims against DLH. Each such Pool 2 Note will be paid from: (i) the release price for such Pool 2 Note when and if Parcel Noteholder is requested to release the Parcel Senior Lien on such a parcel, parcels or the remainder of a parcel securing such a Pool 2 Note, and (ii) quarterly, from Secured Creditor Pool 2 Net Proceeds (which shall be distributed pro rata based on the then outstanding balance on all remaining Pool 2 Notes after taking into account distributions of the release price to discharge the first liens to the various holders of Pool 2 Notes during the quarter in question). The payment of the release price shall be applied to all accrued but unpaid interest and all principal due on the Pool 2 Note to which such release price relates. All payments from Secured Creditor Pool 2 Net

Proceeds on the Pool 2 Notes shall be applied: (x) first, to payment of accrued but unpaid interest on each Pool 2 Note that remains unpaid, and (y) second in reduction of the principal balance of the Pool 2 Note. In the event that Reorganized DLH fails to timely make a required payment on any Pool 2 Note and such Pool 2 Noteholder declares a default on that Pool 2 Note, by written notice of such default to Reorganized DLH, Reorganized DLH shall have thirty (30) days thereafter to cure such payment default.

(c) DELETED

(d) DELETED

(e) Special Treatment for Short Sales Recommended by Reorganized DLH. Notwithstanding any other provision in this section, in the event that the parcel or parcels securing the Allowed Secured Claim for which a non-recourse Pool 2 Note was issued are sold to a third party on the recommendation of Reorganized DLH and with the consent of the Parcel Noteholder(s) of the Pool 2 Note(s) secured by such Pool 2 parcel(s), and the Pool 2 Note(s) secured by such parcel or parcels has not been paid in full as a result of such sale, such Pool 2 Note shall continue to participate in distributions, if any, of Secured Creditor Pool 2 Net Proceeds until either the Pool 2 Note has been paid in full or the Pool 2 Note matures according to its terms.

(f) Security for Pool 2 Notes. Each Pool 2 Note is secured by (a) the existing Parcel Senior Lien securing the Allowed Secured Claim for which the Pool 2 Note was issued, and (b) an additional *pro rata* interest in a subordinate lien on all other Pool 2 Parcels. Reorganized DLH shall file in the Deed Records of Dallas County, Texas a Subordinate Lien Deed of Trust on the Pool 2 Parcels promptly after the later to occur of (i) the Effective Date, or (ii) the receipt by DLH of fully executed Parcel Senior Lien Modifications executed by the holders of all Pool 2 Notes. DLH, as the agent of the Pool 2 Noteholders, shall have full power and authority to execute and deliver partial releases from the Subordinate Lien Deed of Trust on the Pool 2 Parcels conditioned only upon delivery of directions to a Title Insurance Company or Escrow Agent to deliver the Secured Creditor Pool 2 Net Proceeds into an escrow account for the benefit of the holders of the Pool 2 Notes. No holder of a Pool 2 Note, either individually or collectively, shall have the right to foreclose upon the subordinate lien described herein unless and until the earlier of: (a) sixty (60) days after the final Maturity Date of the Pool 2 Notes; or (b) after any default by Reorganized DLH in (i) paying over any Secured Creditor Pool 2 Net Proceeds to an escrow account for the benefit of the holders of the Pool 2 Notes, or (ii) causing or directing the payment of quarterly distributions of the Secured Creditor Pool 2 Net Proceeds to the holders of the Pool 2 Notes, and either such default is not cured within ten (10) business days after written notice from any Pool 2 Note holder. In the event that a foreclosure of the Subordinate Lien Deed of Trust is authorized under the preceding sentence, such foreclosure shall be commenced upon the written consent and direction of the holders of two-thirds (2/3) in amount of the remaining outstanding balance of the Pool 2 Notes directed to the Trustee named in the Subordinate Lien Deed of Trust, or to any substitute trustee which may be appointed by the holders of not less than two-thirds (2/3) in amount of the Pool 2 Notes.

Upon receiving the lesser of (i) the release price in satisfaction of the first lien for any parcel, (ii) an agreed amount negotiated between Reorganized DLH and a Parcel Noteholder, or (iii) the remaining amount due and owing on the related Pool 2 Note, Parcel Noteholder shall release its Parcel Senior Lien on such a parcel. To the extent to which a creditor agrees to release all of its retained liens for an amount less than the remaining amount due and owing on the related Pool 2 Note, such a Pool 2 Note shall be cancelled and the creditor shall not be entitled to assert an unsecured claim for any deficiency. Notwithstanding the definition of DLH Net Sales Proceeds, Pool 2 Noteholder shall not be required to release their Parcel Senior Lien unless the creditor actually receives the amount set forth in this paragraph. More specifically, no deduction from this amount shall be made for any of the adjustments set forth in the definition of DLH Net Sales Proceeds.

With respect to the sale of any parcel in Pool 2, once the Secured Creditor Pool 2 Net Sales Proceeds, if any, are directed to be deposited into an escrow or reserve account or are actually paid or distributed to the holders of the Pool 2 Notes, the subordinated lien granted against that parcel pursuant to this section shall be released and discharged automatically pursuant to this Plan. In such circumstances, Reorganized DLH shall have full power and authority to execute, as agent for the holders of the Pool 2 Notes, and deliver to any Title Company or closing agent, any partial release of the subordinated lien on the Pool 2 parcels, and the written consent of any Pool 2 Noteholder shall not be required to release and discharge the subordinated lien. In addition, to the extent to which Reorganized DLH transfers a parcel to the applicable Pool 2 Noteholder holding the Parcel Senior Lien on that parcel in satisfaction of the Pool 2 Note secured by such parcel, the subordinate lien granted against such parcel so transferred shall be automatically released and discharged as well, and Reorganized DLH shall be fully authorized and empowered to execute and deliver a partial release of the subordinate lien in connection with any transfer in lieu of foreclosure of a Parcel Senior Lien on a Pool 2 parcel without any further consent of the remaining holders of the Pool 2 Notes.

(g) Reporting to Pool 2 Noteholder. Reorganized DLH will provide quarterly reports, not later than sixty (60) days after the end of each calendar quarter, to all holders of Pool 2 Notes stating whether any Pool 2 properties were sold during that quarter, and if so, setting forth the calculation of total Pool 2 Net Sales Proceeds for the quarter. To the extent the holders of Pool 2 Notes execute an acceptable confidentiality agreement, as part of the quarterly report, Reorganized DLH shall make the additional information with respect to the individual property sales available and shall provide a brief report regarding the current status of Reorganized DLH's attempts to sell the Pool 2 Parcels.

(h) Each Claim Separately Classified. Each Allowed Claim in Pool 2 which has its own identifiable and separate collateral will be in its own class under the Plan such that each secured claim in this group will constitute its own class for purposes of voting on the Plan; however, participants in any such claim do not constitute a separate class.

(i) No Additional Liens or Refinancing Allowed Without Consent. Unless 70% in the aggregate by principal amount of all Parcel Noteholders holding a Parcel Senior Lien on each Pool 2 Parcel owned by Reorganized DLH consent, beginning sixty (60) days after the Effective Date, Reorganized DLH may not grant a new or additional

liens (exclusive of the Pool 2 Subordinate Lien Deed of Trust for the benefit of all Pool 2 Notes, the Additional Exit Financing and/or lien created to cure a Pool 2 Note monetary default,) on any Pool 2 Parcel unless and until all of the remaining Pool 2 Notes, have been paid in full or will be paid in full as a result of the grant of such a lien.

Each such Pool 4 Note will be paid in full from the Net Sales Proceeds upon the sale of the parcel in Pool 4 securing such Pool 4 Note.

5.02 **Class Acceptance Requirement.** As provided more fully in the Bankruptcy Code, a Class of Claims shall have accepted the Plan if it is accepted by at least two-thirds (2/3) in amount and more than one-half (1/2) in number of the Allowed Claims in such Class that have voted on the Plan. A Class of Interests shall have accepted the Plan if it is accepted by at least two-thirds (2/3) of the authorized, issued, and outstanding equity securities in such Class that have voted on the Plan. Any Class of Claims or Interests which receives nothing under the Plan (which only happens in the event of a Cramdown) is deemed to have rejected the Plan. In addition, in order to confirm the Plan, there must be at least one impaired Class of Claims which accepts the Plan as outlined above and the acceptance must be determined without including any acceptance of the Plan by any insider.

ARTICLE VI - MEANS OF IMPLEMENTATION AND GENERAL DESCRIPTION OF THE PLAN

6.01 **Vesting of Assets.** Except as otherwise provided in the Plan or the Confirmation Order, upon the Effective Date, all property of DLH's estate, wherever situated, shall vest in Reorganized DLH, free and clear of all Claims to the full extent permitted by law including the Bankruptcy Code.

6.02 **Resolution of Claims.** Commencing on the Effective Date, the Reorganized Debtor shall be authorized to object to, settle or liquidate all Claims entitled to payment which Claims are not otherwise Allowed Claims pursuant to the terms of this Plan. The Reorganized Debtor shall consult with the Disbursing Agent and the Creditors Committee while it is still in existence with regard to issues relating to objections to Claims. All costs and expenses relating to the foregoing, including, without limitation, fees of Professional Persons, shall be paid from the proceeds of liquidation.

6.03. **No Merger or Substantive Consolidation.** Debtor shall not be merged with or into or substantively consolidated with or into any entity.

6.04. **Mandatory Distributions of Excess Cash.** If, at the end of any calendar quarter after the Effective Date, there is DLH Excess Cash, Reorganized DLH shall be required to distribute all such DLH Excess Cash as DLH Excess Cash Distributions. The DLH Excess Cash Distributions shall be distributed only: (a) in repayment of the Term Loan; (b) in repayment of any loans obtained by Reorganized DLH as part of its Exit Financing; (c) in voluntary repayments of principal or interest on the Pool 1 Note, the Pool 2 Notes, or the Pool 4 Notes; or (d) in payment to the Disbursing Agent for DLH for distribution on the DLH 50% Notes and/or the DLH 100% Notes. While Reorganized DLH will be obligated to make the DLH Excess Cash Distributions and only as provided above, the actual allocation among such creditors of DLH Excess Cash Distributions

shall be in the discretion of the Board of Directors of Reorganized DLH, provided that the Board of Directors shall not have any discretion with regard to making the Additional DLH Minimum Payments (if such payments are due and owing).

Notwithstanding anything to the contrary contained herein, if at the end of any calendar quarter, Reorganized DLH has a cash balance of less than \$2.75 Million, and the Disbursing Agent for DLH has received distributions of DLH Unsecured creditor Net Proceeds for such calendar quarter. The Disbursing Agent for DLH shall disburse to Reorganized DLH a sufficient sum to bring the cash balance to \$2.75 Million prior to making any distributions on the DLH 50% Notes on the DLH 100% Notes.

6.05. **Governance of Reorganized DLH and Reorganized ACP.** The Operating Agreement of Reorganized DLH shall be amended as of the Effective Date to provide as follows:

The Board of Directors of Reorganized DLH shall continue to include the Creditors Representative until the DLH 50% Notes and the DLH 100% Notes have been paid in full or otherwise discharged.
- (b) **Board Approval of Insider or Affiliate Transactions.** Except as expressly provided in this subsection (b), all transactions between Reorganized DLH and any insider or affiliate of such entities (as the terms “insider” and “affiliate” are defined in Section 101 of the Bankruptcy Code) or senior management of such entities (whether or not such person or entity is an insider or affiliate) shall require unanimous approval of the Board of Directors of such Reorganized Debtor, including approval by the Creditors Representative. Notwithstanding the foregoing, a simple majority of the Board of Directors may approve any of the following transactions with insiders, affiliates or senior management:
 - (1) The renewal, extension or non-material modification of any existing agreement that has been approved by the Creditors Committee on or before the Effective Date with an insider, affiliate or senior management to provide services to the Reorganized Debtor, including any agreement to provide employment, accounting, tax reporting, or other services;

- (4) The repayment in accordance with its terms of any other loan or obligation to an insider, affiliate or senior management which loan or obligation has been approved by the Creditors Committee on or before the Effective Date, including but not limited to the repayment of any loans made as part of the Exit Financing for DLH in accordance with terms approved by the Creditors Committee and payment in accordance with their terms of the service agreements described in subsection (1) above.

If there is a dispute as to the terms of any agreement, the Bonus Pool or any loans or obligations that DLH has submitted to the Creditors Committee for approval on or before the Effective Date in accordance with subsections (b)(1), (2) or (4) above, such dispute shall be submitted upon motion to the Bankruptcy Court for determination. Any such agreement, Bonus Pool or loan or obligation which is approved by Final Order of the Bankruptcy Court shall satisfy the Creditors Committee approval requirement of subsections (b)(1), (2) and (4) above.

- (c) **Other Board Approval.** In addition, unanimous approval of the Board of Directors including approval by the Creditors Representative shall be required for the following:

- (1) Any merger, sale of all or substantially all assets or dissolution of Reorganized DLH;
- (2) Any sales, dispositions, transfers, non-cash exchanges, joint ventures, partnerships or similar transactions of Reorganized DLH which involve 500 acres or more of land or \$10,000,000 or more in transaction value (in one transaction or in combination with any related transactions), provided however that as part of the Creditors Representative's approval of a joint venture transaction for any of Reorganized DLH, such approval may include advance approval by the Creditors Representative, upon such terms as may be agreed to by the Creditors Representative, of future transactions by the joint venture without requiring approval of each such future joint venture transaction on a transaction by transaction basis (any such approval must be documented in a writing signed by the Creditors Representative);

- (3) Any new liens or encumbrances after the Confirmation Date on property of Reorganized DLH, other than any refinancings that do not involve additional debt or additional collateral and other than easements being granted in the ordinary course of business and according to commercially reasonable terms provided, however, that such liens or encumbrances may be submitted to the Creditors Representative for approval (whether or not such approval is required under subsection 6.05(c)(2) above), and such approval may include advance approval by the Creditors Representative, upon such terms as may be agreed to by the Creditors Representative, of future transactions by the joint venture without requiring approval of each such future joint venture transaction on a transaction by transaction basis (any such approval must be documented in a writing signed by the Creditors Representative), and any transaction approved or preapproved under subsection 6.05(c)(2) above shall be deemed approved under this subsection;
- (4) Any new bankruptcy filing by DLH, any bankruptcy filing by Reorganized DLH and any consent to judgment or order for relief in bankruptcy or other insolvency proceeding by DLH, or Reorganized DLH; and
- (5) Any corporate or LLC restructuring of Reorganized DLH, including, but not limited to, any amendments to the operating agreements of Reorganized DLH that involve insiders, affiliates or senior management of Reorganized DLH, that impact or may impact payments to creditors under the DLH 50% Notes, the DLH 100% Notes, or that impact or may impact the Creditors Representative or his/her rights and role with respect to Reorganized DLH.

6.06. **Sale of Properties Subject To Non-Recourse Note.** Certain claims against DLH are based on non-recourse notes issued pre-petition. Those non-recourse notes are receiving new non-recourse notes pursuant to this Plan. Within the six months prior to any such a note maturing, to the extent to which the property securing the claim has not been sold or the note otherwise repaid, in consultation with Parcel Noteholder, Reorganized DLH shall create a structured sale, sealed bid or auction (“Structured Sale”) for such a parcel. If (i) Reorganized DLH fails to begin such a Structured Sale within four months of the non-recourse note maturing, (ii) Parcel Noteholder notifies Reorganized DLH of its default under this provision and requests Reorganized DLH to commence such a Structured Sale and (iii) the Structure Sale does not commence within thirty (30) days of Reorganized DLH receiving the notice of default and request from Parcel Noteholder, the Parcel Note shall become a recourse obligation of Reorganized DLH, but only on a parity with other pre-petition recourse obligations of DLH, and not as an Administrative Expense or post-Confirmation claim against Reorganized DLH.

The reserve price for such parcels in such a Structure Sale shall be (i) at least equal to the Release Price for such parcel plus all normal and customary closing costs and (ii) no greater than 175% of the Release Price for such a parcel unless Parcel Noteholder consents. In the event the Reserve Price is not met, Reorganized DLH shall consult with Parcel Noteholders holding the Parcel Senior Lien on such parcels with respect to the appropriate disposition of the parcel. If the parties cannot reach an agreement with respect to the appropriate disposition, Reorganized DLH may, at its sole discretion, either (a) retain such a parcel for subsequent sale or (b) transfers each parcel or parcels subject to the applicable Parcel Senior Lien to Parcel Noteholder in satisfaction of the applicable Parcel Note. In the event Reorganized DLH retains the parcel for subsequent sale, the applicable Parcel Note shall become a recourse obligation of Reorganized DLH.

6.07. **Conversion of DIP Loan to Term Loan.**

A. DLH

On the Effective Date, the DLH DIP Loan (including that portion of the DIP Loan which was advanced to DLH prepetition) shall be satisfied by converting the DIP Loan into the Term Loan. DLH estimates that, as of the Effective Date, the outstanding balance of the DIP Loan will be approximately \$2.782 Million (including all accrued interest thereon); all of such principal balance, together with all accrued but unpaid interest thereon as of the Effective Date, shall be converted to the Term Loan. The Term Loan shall be evidenced by a new note executed on the Effective Date. The Term Loan shall retain its perfected subordinate liens on the DLH Property but excluding any Pool 3 or Pool 4 property surrendered to the secured creditors with a senior interest in such property and excluding any property sold or surrendered by DLH prior to the Effective Date, and a Subordinate Lien Deed of Trust on the Pool 1, Pool 2 and Pool 4 Properties shall be filed on the Effective Date to evidence and perfect such liens; that Subordinate Lien Deed of Trust shall be expressly subject and subordinate to any Senior Parcel Lien securing the claim of any Pool 1, Pool 2 or Pool 4 Noteholder. The Plan establishes Release Prices for the Term Loan for each parcel, as set forth on Exhibit A attached hereto, calculated at 150% of the allocable portion of the Term Loan for each parcel on the Effective Date of the Plan. The Term Loan shall bear interest at 13.25% per annum. Interest on the Term Loan shall accrue annually, and shall be payable solely from the Net Sales Proceeds of the Pool 1 and Pool 2 properties. The Term Loan shall mature on the last business day of the month occurring after the third (3rd) anniversary date of the Effective Date of the Plan. The Term Loan may not be paid unless at the time of payment, DLH is current with all of its obligations owed under the Plan.

6.08. **Provision for Exit Financing.**

Plan Summary

DIP Lenders' Term Loan and Line of Credit

The DLH Debtor-in-Possession Financing which remains unpaid on the Effective Date, which DLH estimates will be approximately \$2.72 Million (including accrued interest thereon), shall be converted to a Term Loan (the "**Term Loan**"). The Term Loan shall retain its perfected subordinate liens on the DLH Property other than the Compass Collateral distributed to Compass, the Pool 3 parcels and Pool 4 parcels being surrendered to the Secured Creditors in those pools. A new variable pay note and new subordinate lien deed of trust shall be executed on the Effective Date to evidence and secure the Term Loan. The Plan establishes Release Prices for the Term Loan for each parcel, calculated at 150% of the allocable portion for each parcel in Pool 1 and Pool 2 (excluding any land sold and or transferred to the Pool 1 Secured Creditor, prior to the Effective Date). With respect to parcels contained within Pool 4, the Release Price shall be equal to ten percent (10%) of the Net Sales Proceeds of each sale. The Term Loan shall bear interest at 13.25%. Interest on the Term Loan shall accrue annually, and shall be payable solely from the Net Sales Proceeds of the Pool 1, Pool 2 and Pool 4 properties. The Term Loan shall mature on the last business day of the month occurring after the third (3rd) anniversary date of the Effective Date of the Plan.

In addition to the outstanding balance of the DIP Loan on the Effective Date, one or more of the current the DIP Lenders, Richard S. Allen (subject to Bankruptcy Court approval), and Luke Allen have agreed to provide a line of credit to Reorganized DLH (the "Term Loan Line of Credit" or "Additional Exit Financing") in an amount of \$2,000,000.00, to be available as and when Reorganized DLH needs cash to meet any obligations under the Plan and to provide for the payment of operating expenses of Reorganized DLH. The Term Loan Line of Credit shall be provided by: (a) Richard S. Allen, in the amount of \$875,000.00, subject to Bankruptcy Court approval in Richard S. Allen's Chapter 11 Bankruptcy Case, (b) Luke Allen, in the amount of \$125,000.00, and (c) one or more of the current the DIP Lenders, in the amount of \$1,000,000.00. The Term Loan Line of Credit shall be upon the same terms as the Term Loan, shall be secured by the same lien and collateral as the Term Loan, and shall mature on the third (3rd) anniversary date of the Effective Date of the Plan. No payments may be made on the Term Loan when any payments under this Plan are in default.

6.09. **Modifications to the DLH Plan to Resolve Objections.** DLH reserves the right to modify the treatment of any Class of Creditors under the Plan in order to resolve any objections to Confirmation of the Plan, or in order to obtain confirmation of the Plan pursuant to Section 1129(b) of the Bankruptcy Code with respect to any non-consenting Class; provided that any modification affecting Unsecured Creditors or provisions of the Plan negotiated with the Creditors Committee must be approved by the Creditors Committee. Provided that any such modifications do not materially and adversely affect the treatment of any other Class of Creditors or Interest Holders under the Plan (without the consent of such Creditors or Interest Holders), DLH shall not be required to re-solicit acceptances of the Plan as so modified, and any accepting Class of Creditors or Interest Holders which has either consented to the modification, or whose treatment under the Plan is not materially and adversely affected by any such modification, shall be deemed to have accepted the Plan as so modified.

6.10 **Contributions of Property by Reorganized DLH.** Notwithstanding anything to the contrary in the Plan, Reorganized DLH shall have the right, from time to time, to contribute any one or more parcels of the Pool 1 Property or the Pool 2 Property, subject to the Parcel Senior Liens secured by such property and, with respect to any Pool 2 Parcel, the Subordinate Lien securing the payment of any portion of Pool 2 Net Sales Proceeds to the holders of the Pool 2 Notes, and subject to the lien securing the Term Loan, to any partnership, joint venture, limited liability company, or other entity formed for the purpose of developing or constructing improvements on such parcel or parcels. Provided that the contribution is solely in exchange for an ownership interest in such newly formed entity, any such contribution shall not be deemed a sale or transfer of such parcel for purposes of calculating DLH Net Sales Proceeds, and the transfer of any such parcel shall be ignored for purposes of calculating subsequent distributions of DLH Net Sales Proceeds to the holders of the Pool 1 Note and the Pool 2 Notes. To the extent that: (a) DLH receives any cash consideration as part of any such contribution of a Pool 1 Parcel or a Pool 2 Parcel to any such newly formed entity, except to the extent such cash is necessary to pay allowed Administrative Expenses incurred in the DLH Bankruptcy or otherwise to make distributions required to be made under the DLH Plan within ninety (90) days of the Effective Date, or (b) DLH receives distributions from any such entity resulting from the proceeds of any sale, lease, or other disposition, then all such cash consideration and distributions to DLH shall be deemed to be DLH Net Sales Proceeds with respect to such parcel, and shall be distributed in accordance with the Plan. Notwithstanding the foregoing, no Pool 1 Property or Pool 2 Property shall be contributed to any such partnership, joint venture, limited liability company, or other entity, subject to the Parcel Senior Liens unless the Release Price for such Property is paid to the holder of the Pool 1 Note or the Pool 2 Note, as applicable, concurrently with such contribution, or such contribution is otherwise approved by the Bankruptcy Court after notice and hearing.

6.11 **DLH Creditors Trust.** On the Effective Date, the DLH Creditors Trust shall become effective to administer certain post-Effective Date responsibilities and exercise post-Effective Date rights under the Plan. The powers, authority, responsibilities and duties of the DLH Creditors Trustee shall be set forth in and governed by the respective DLH Creditors Trust Agreement. Other documents in connection with the Creditors Trust may be executed and entered into by the respective Creditors Trust Trustee on behalf of the beneficiaries of the Creditors Trusts. The DLH Creditors Trust Trustee shall be the representative of the DLH Creditors Trust.

ARTICLE VII - PROCEDURES FOR RESOLVING AND TREATING CONTESTED AND CONTINGENT CLAIMS

7.01 **Objection Deadline.** Unless a different date is set by order of the Bankruptcy Court, all objections to Claims shall be served and filed by ninety (90) days after the Effective Date. Unless arising from an Avoidance Action, any Proof of Claim filed more than ninety (90) days after the Effective Date shall be of no force and effect and need not be objected to. All Contested Claims shall be litigated to Final Order unless estimated by the Bankruptcy Court for purposes of distribution; provided, however, that

the Reorganized DLH may compromise and settle any Contested Claim, subject to the approval of the Bankruptcy Court and the provisions of this Plan.

7.02 **Distributions on Account of Contested Claims.** (a) **No Distribution Pending Allowance.** Notwithstanding any other provision of the Plan, no payment or distribution shall be made with respect to any Contested Claim unless and until such Contested Claim becomes an Allowed Claim by Final Order or is estimated for purposes of distribution by the Bankruptcy Court. In the case of a holder of a Claim who is also alleged to be holding property that is recoverable by virtue of any Avoidance Action or liable on any Avoidance Action brought, filed, joined, or adopted by Debtors as of the date of a particular distribution, such holder's Claim shall then be and shall thereafter continue to be a Contested Claim until such Avoidance Action is fully resolved by Final Order and, if and to the extent the holder of such Claims is found to be obliged to turnover property or to pay a monetary amount, such Final Order is fully performed and satisfied by such holder, such holder shall receive no distributions under this Plan.

(b) **Distribution After Allowance.** As soon as practicable after a Contested Claim becomes an Allowed Claim, the holder of an Allowed Claim shall receive a distribution in an amount of dollars equal to the aggregate of all the distributions which such holder would have received had such Contested Claim been an Allowed Claim on the Effective Date. Distributions to each holder of a Contested Claim, to the extent that such Claim becomes an Allowed Claim, shall be made in accordance with the provisions of the Plan governing the Class of Claims to which such Claim belongs. The Reorganized Debtor or Disbursing Agent shall have the right to make or direct the making of all distributions to the holders of Allowed Claims.

7.03 **Reservation of Rights to Object to Claims.** Unless a Claim is expressly described as an Allowed Claim pursuant to or under the Plan, or otherwise becomes an Allowed Claim prior to or after the Effective Date, Reorganized DLH (on behalf of the Estate) reserves any and all objections to any and all Claims and motions or requests for the payment of Claims, whether administrative expense, priority, secured or unsecured, including, without limitation, any and all objections to the validity or amount of any and all alleged Administrative Claims, Priority Tax Claims, Priority Claims, General Unsecured Claims, Intercompany Claims, Interest Related Claims, Interests, Liens and security interests, whether under the Bankruptcy Code, other applicable law or contract.

7.04 **Standing and Responsibility to Object to Claims.** Prior to the Effective Date, except as otherwise specified under the Bankruptcy Code and Bankruptcy Rules, DLH shall be responsible for pursuing any objection to the allowance of any Claim. From and after the Effective Date, Reorganized DLH will, subject to the provisions of this Plan, retain responsibility for administering, disputing, objecting to, compromising or otherwise resolving and making distributions, if any, with respect to all Claims.

7.05 **Service.** An objection to a Claim or Interest shall be deemed properly served on the Holder of such Claim or Interest if Reorganized DLH effects service in accordance with Bankruptcy Rule 3007.

ARTICLE VIII - PROVISIONS GOVERNING DISTRIBUTION

8.01 **Distributions to be Made by Reorganized Debtor.** Unless expressly otherwise provided in this Plan or in the Confirmation Order, distributions to Creditors required pursuant to the Plan shall be made by the Reorganized Debtor. All distributions to the holders of non-Schedule 1 DLH Class 4 Claims shall be made by the Disbursing Agent for DLH. After all DLH 50% Notes and all DLH 100% Notes have been paid in full, Reorganized DLH shall be responsible for distributions to Schedule 1 DLH Class 4 Claims

8.02 **Means of Cash Payment.** Payments of cash to be made by Reorganized DLH or the Disbursing Agent, as the case may be, pursuant to the Plan shall be made by check drawn on a domestic bank, by wire transfer or by ACH.

8.03 **Delivery of Distributions.** Distributions of cash to holders of Allowed Claims shall be made at the addresses set forth on the Proofs of Claim filed by such holders (or at the last known addresses of such holders if no Proof of Claim is filed or if Reorganized DLH or the Disbursing Agent, as the case may be, have been notified in writing of a change of address). If any holder's distribution is returned as undeliverable, no further distributions to such holder shall be made unless and until the Reorganized Debtor or the Disbursing Agent, as the case may be, is notified of such holder's then current address, at which time all missed distributions shall be made to such holder without interest. All claims for undeliverable distributions shall be made on or before the one-year anniversary of the distribution to the Creditor that was undeliverable. After such date, such undeliverable distributions shall become an asset available to the Reorganized Debtor, or the DLH Creditors Trust in the case of distributions to non-Schedule 1 Class 4 Claims, and the Creditors entitled to the undeliverable distributions shall thereafter have no further rights or entitlements to the undeliverable distributions.

8.04 **Time Bar to Payments and Distributions.** Checks issued by the Reorganized Debtor or Disbursing Agent, as the case may be, on account of Allowed Claims shall be null and void if not cashed within ninety (90) days of the date of issuance thereof. Requests for reissuance of any check shall be made directly to the Reorganized Debtor or the Disbursing Agent, as the case may be, by the holder of the Allowed Claim with respect to which such check originally was issued. Any claim in respect of such a voided check shall be made on or before the later of the first (1st) anniversary of the Initial Distribution Date or ninety (90) days after the date of the issuance of such check. After such date, all Claims in respect of void checks shall be discharged and forever barred and the subject funds shall become an asset available to Reorganized Debtor or the respective DLH Creditors Trust in the case of distributions to non-Schedule 1 Allowed Class 4 Claims.

8.05 **De minimis Distributions.** Any distribution of less than \$25.00 will be considered *de minimis*, and Holders of Allowed Claims that are entitled to any distribution of less than \$25.00 may not receive any distribution (at the sole discretion of the Reorganized Debtor or the Disbursing Agent, as applicable) unless and until the aggregate of such distributions exceeds \$25.00. To the extent that the aggregate of such distributions does not exceed \$25.00 within one year of when the funds would originally have been distributed, such funds shall be paid on the first anniversary of when *de*

minimis distribution would otherwise have become due and payable except for the provisions of this section.

8.06 **Rounding of Fractional Distributions.** Notwithstanding any other provisions of the Plan to the contrary, no payment of fractional cents will be made under the Plan. Any such distributions will be in whole cents (rounded to the nearest whole cent when and as necessary).

8.07 **Single Recovery Rule.** To the extent that any Creditor may obtain payment from either DLH or ACP or both, or from either Debtor and any other sources, including any guarantor of a Claim on which DLH or ACP is the principal obligor, the “single recovery rule” shall apply, and any such Creditor shall not be entitled to receive any further distributions on its claim after its claim has been fully satisfied, taking into consideration payments on such claim from all sources. By way of example, if a Secured Creditor of DLH also has an unsecured claim against ACP by reason of any guaranty or other agreement, or has a claim against Richard S. Allen or Richard S. Allen, Inc., once the total of distributions to such creditor from all sources are sufficient to fully satisfy that creditor’s claim, that creditor shall not be entitled to any further distributions from any source on account of the satisfied claim.

ARTICLE IX - EXECUTORY CONTRACTS AND LEASES

9.01 General Treatment - If Not Rejected, Assumed.

The Plan constitutes and incorporates one or more motions by DLH to assume, as of the Confirmation Date and conditioned upon the occurrence of the Effective Date, all prepetition executory contracts and unexpired leases to which DLH is a party, except for executory contracts or unexpired leases that (a) have been assumed or rejected pursuant to Final Order of the Bankruptcy Court, or (b) are the subject of a separate motion (or appeal from the ruling on such motion) filed pursuant to section 365 of the Bankruptcy Code by one or both of the Debtors prior to the Effective Date or a separate motion (or appeal of the ruling from such motion) to compel or permit assumption or rejection pursuant to section 365 of the Bankruptcy Code filed by the Committee prior to the Effective Date and such unexpired lease or executory contract shall be assumed or rejected, as the case may be, by virtue of a Final Order of the Bankruptcy Court, which may be entered after the Effective Date.

9.02 **Bar to Rejection Damages.** If the rejection of an executory contract or an unexpired lease results in damages to the other party to such contract or lease, a Claim for such damages shall be forever barred and shall not be enforceable unless a Proof of Claim is filed with the Bankruptcy Court and served upon Reorganized DLH no later than thirty (30) days after the Confirmation Date.

9.03 **Service Agreement.** Reorganized ACP and Allen Employment Services, LLC shall continue to provide certain services for Reorganized DLH. The Services Agreement shall be amended to reflect the services and changes in payment amounts set forth in the budgets, from time to time, anticipated to be provided by ACP and AES to Reorganized DLH. As amended, the Services Agreement shall be assumed by

Reorganized DLH pursuant to the Plan. The form of the Amendment to the Services Agreement shall be filed by DLH with the Bankruptcy Court five (5) business days prior to the Confirmation Date.

9.04 **ADESA Texas, Inc. Lease.** DLH Hutchins Wintergreen 178, LLC (a predecessor to DLH) as landlord and ADESA Texas, Inc. were parties to a Reverse Build-to-Suit Single Tenant Lease (Triple Net) (as amended, the “**ADESA Lease**”) and Project Improvement Agreement incorporated thereto (the “**ADESA PIA**”) made and entered into as of March 31, 2008, as amended pursuant to that First Amended to Reverse Build-to-Suit Single Tenant Lease (Triple Net) and Projects Improvement Agreement dated July 18, 2008. Prior to the confirmation date, DLH has filed a separate motion to assume and assign the ADESA Lease and the ADESA PIA which was granted in the ADESA Sale Order.

ARTICLE X - MAINTENANCE OF CAUSES OF ACTION

10.01 **Treatment of Avoidance Actions.** All DLH Avoidance Actions are preserved in the estate for the benefit of creditors. All DLH Avoidance Actions shall, by operation of the Confirmation Order, be assigned free and clear of all liens (as defined in Section 101(37) of the Bankruptcy Code), Claims and Interests to the DLH Creditors Trust on the Effective Date, and after the Effective Date, the Creditors Trust Trustee may pursue, release, abandon, settle or otherwise resolve any and all Avoidance Actions or claims relating to Avoidance Actions. The net proceeds and recoveries from any Avoidance Actions brought by the DLH Creditors Trust Trustee shall be added to funds available to the Disbursing Agent to distribute to Allowed Class 4 Claims. Any costs and expenses including professional fees incurred pursuing Avoidance Actions by or on behalf of the DLH Creditors Trust shall be paid out of funds in the Creditors Trust. The Creditors Trust Trustee may, but is not required to, retain professionals on a contingency basis.

10.02 **Maintenance of Causes of Action.** All creditors and parties in interest are hereby placed on notice that despite provisions which may be contained in this Plan, including without limitation those providing for satisfaction of Claims, if Allowed, Reorganized DLH and the Creditors Trust Trustee in accordance with the preceding section reserve the right to (a) commence, prosecute to judgment, settle and collect upon any cause of action (including the Avoidance Actions), whether or not such cause of action is listed in the Schedules and Statements of Affairs as an asset of DLH's chapter 11 Estate and to (b) include as defendants in a suit any and all parties which are, at this time, named and unnamed. Currently, Reorganized Debtor is unable to estimate the size of any recovery from such a lawsuit. The Reorganized Debtor and the Creditors Trust Trustee in accordance with the preceding section are authorized under the Plan, in their sole discretion, to litigate to final judgment, prosecute appeals as are necessary and enter into such settlement agreements as are deemed appropriate with respect to any and all suits initiated as provided herein. Persons subject to a successful Avoidance Action may file a Claim, as appropriate, within such time as is established by the Bankruptcy Court.

ARTICLE XI - DISCHARGE

11.01 General Discharge Under Plan. Except with respect to Classes of Claims unimpaired pursuant to this Plan, the distributions and rights afforded in this Plan shall be in complete and full satisfaction, discharge and release, effective as of the Effective Date, of all Claims against and Interests in DLH or any of its respective assets or properties of any nature whatsoever. Commencing on the Effective Date, except as expressly otherwise provided in this Plan, all Claim holders and Interest holders shall be precluded forever from asserting against DLH, its respective agents and attorneys or their respective assets and properties, any other or further liabilities, liens, obligations, Claims or Interests, or causes of action belonging to Debtor pursuant to 11 U.S.C. § 541 which could arise up through the Effective Date of the Plan including but not limited to, all principal and accrued and unpaid interest and penalties on the debts of Debtor, based on any act or omission, transaction or other activity or security interest or other agreement of any kind or nature occurring, arising or existing prior to the Effective Date, that was or could have been the subject of any Claim or interest, whether or not Allowed. As of the Effective Date, DLH shall be discharged and released from and shall hold all the assets and properties received or retained by it pursuant to this Plan, free of all liabilities, liens, Claims and obligations or other claims of any nature, known or unknown, except as set forth pursuant to this Plan. All legal or other proceedings and actions seeking to establish or enforce liabilities, liens, Claims and interests or obligations of any nature against DLH or assets or properties received or retained by DLH with respect to debts and obligations, if any, of the estate arising before the Effective Date shall be permanently stayed or enjoined, except as otherwise specifically provided in this Plan. Notwithstanding the foregoing, this provision shall not be interpreted to release any third party claims, liabilities or other causes of action against the affiliates and principals of DLH unless the claim or cause of action so released is derivative of a claim or cause of action which was or could have been asserted against DLH in this Bankruptcy, or constitutes property of DLH's bankruptcy estate.

11.02 Cancellation Of Instruments And Agreements. Upon the occurrence of the Effective Date, except as otherwise provided herein, all promissory notes, shares, certificates, instruments, indentures, stock or agreements evidencing, giving rise to or governing any Claim or Interest (but expressly excluding: (a) the Parcel Senior Liens, as modified by the Parcel Senior Lien Modifications, and any other Mortgage, Deed of Trust, Security Agreement, Financing Statement or other lien or security interest, evidencing any lien or security interest which is to survive the Effective Date under the terms of this Plan; (b) the Operating Agreement of DLH, as amended pursuant to the Plan) shall be deemed canceled and annulled without further act or action under any applicable agreement, law, regulation, order or rule; obligations of DLH under such promissory notes, share certificates, instruments, indentures or agreements shall be discharged and the Holders thereof shall have no rights against DLH, the Estate or Reorganized DLH; and such promissory notes, share certificates, instruments, indentures or agreements shall evidence no such rights, except the right to receive the distributions provided for in the Plan. Notwithstanding the foregoing, the cancellation of such instruments and agreements shall be solely effective as to DLH's obligation under such Instruments and Agreements and shall not be interpreted to discharge or release any

claims against guarantors or any claims against any third party under those Instruments or Agreements.

ARTICLE XII - RETENTION OF JURISDICTION

12.01 **Retention of Jurisdiction.** Pursuant to sections 1334 and 157 of title 28 of the United States Code, the Bankruptcy Court shall retain exclusive jurisdiction of all matters arising in, arising under, and related to the Chapter 11 Case and the Plan, for the purposes of sections 105(a) and 1142 of the Bankruptcy Code, and for, among other things, the following purposes:

- a. to hear and determine all Claims and Objections to Claims, including all Fee Claims and all Claims arising from the rejection of any executory contract or unexpired lease and any Objections which may be made thereto;
- b. to liquidate or estimate the amount or determine the manner and time for such liquidation or estimation in connection with any contingent or unliquidated Claim;
- c. to adjudicate all Claims (and other claims) and controversies arising during the pendency of the Case;
- d. to allow or disallow any Fee Claim and any request for compensation or reimbursement of expenses by a professional related to post-confirmation services, but only for services rendered prior to the Effective Date of the Plan;
- e. to enter any orders which may be necessary and appropriate to carry out and enforce the provisions of the Plan, including but not limited to the resolution of any dispute between Reorganized DLH and any Secured Creditor concerning the Release Price applicable to the sale of any partial parcel in Pool 1, Pool 2, or Pool 4;
- f. to determine and allow amendments or modifications to the Plan, to the extent permitted in the Bankruptcy Code;
- g. to hear and determine any and all adversary proceedings, applications, or contested matters, including any remands or appeals;
- h. to hear, determine, adjudicate, and enforce any and all adversary proceedings or contested matters which may be commenced before or after the Effective Date, including, but not limited to, all Avoidance Actions and any other adversary proceeding to avoid or recover any preference, fraudulent transfer or other avoidable transfer, lien or security

interest whatsoever under 11 U.S.C. §§ 544, 545, 547, 548, 549, 550, 551, 552 or 553(b), and any and all adversary proceedings to recover any claim, direct or derivative, of DLH or its estate against any Insider DLH, including any remands or appeals;

- i. to enable Reorganized DLH as successor to Debtors-in-Possession and, as applicable, the Creditors Trust Trustee on behalf of the DLH Creditors Trust, as representatives of the estate pursuant to Section 1123(b)(3)(B) of the Bankruptcy Code, to prosecute any and all proceedings which may be brought to set aside liens or encumbrances and to recover any transfers, assets, properties or damages to which Debtor may be entitled under applicable provisions of the Bankruptcy Code or any other federal, state or local laws, including causes of action, controversies, disputes and conflicts between DLH and any other party, including but not limited to, the retained Causes of Action and Avoidance Actions; and,
- j. to enter a Final Decree pursuant to § 350 of the Bankruptcy Code and Bankruptcy Rule 3022.

ARTICLE XIII - MISCELLANEOUS PROVISIONS

13.01 **Continued Existence of Reorganized DLH.** Subject to the restructuring and reorganization contemplated by, and described more fully in this Plan, DLH shall continue to exist after the Effective Date as a separate entity, and all Interests held by DLH in another Debtor or a subsidiary thereof shall be reinstated, with all the powers available to such legal entity, in accordance with applicable law and pursuant to the Plan Debtor Constituent Documents, which shall become effective upon the occurrence of the Effective Date or such other later date contemplated thereby.

13.02 **Compliance With All Applicable Laws.** If notified by any governmental authority that it is in violation of any applicable law, rule, regulation, or order of such governmental authority relating to its business, DLH shall comply with such law, rule, regulation, or order; provided that nothing contained herein shall require such compliance if the legality or applicability of any such requirement is being contested in good faith in appropriate proceedings and, if appropriate, an adequate reserve has been set aside on the books of DLH. Confirmation of this Plan shall constitute a determination by the Bankruptcy Court that no provision of this Plan violates any applicable state or federal law or regulation; however, if any person, party, or governmental agency obtains a determination from the Bankruptcy Court or other court of competent jurisdiction that any provision of this Plan is violative of any state or federal law, such provision shall be severed from the Plan and the remainder of the Plan shall constitute the Plan.

13.03 **Binding Effect.** The Plan shall be binding upon, and shall inure to the benefit of DLH, any Disbursing Agent, the holders of Claims or Interests and their respective successors and assigns. On and after the Effective Date, the provisions of the Plan shall bind any holder of a Claim against, or Interest in, DLH and such Holder's

respective successors and assigns, whether or not the Claim or Interest of such Holder is Impaired under the Plan, whether or not such Holder has accepted the Plan and whether or not such Holder is entitled to a Distribution under the Plan.

13.04 **Governing Law.** Except as hereinafter provided, unless a rule of law or procedure supplied by federal law (including the Bankruptcy Code and Bankruptcy Rules) is applicable, the internal laws of the State of Texas shall govern the construction and implementation of the Plan and any agreements, documents, and instruments executed in connection with the Plan, without regard to conflicts of law. Notwithstanding the foregoing, any agreements, documents, or instruments executed pursuant to this Plan which, by their terms, are to be governed by the laws of another jurisdiction, including, but not limited to: (a) the Certificates of Organization and LLC Operating Agreements for DLH ADESA Parcel, LLC and DLH Buildings AB, LLC (which are to be governed by Delaware law); (b) the Amendment to the LLC Operating Agreement of DLH as provided in Section 13.15 of the Plan (which is to be governed by Delaware law); and (c) any new Membership Interests in DLH, including the DLH Class B Interests and the DLH Class C Interests, issued pursuant to this Plan (which shall be governed by Delaware law), shall be construed and interpreted in accordance with the laws of the jurisdiction specified in any such agreement, document, or instrument.

13.05 **Payment of Statutory Fees.** All fees payable pursuant to section 1930 of title 28 of the United States Code, as determined by the Bankruptcy Court at the hearing pursuant to section 1128 of the Bankruptcy Code, shall be paid on or before the Effective Date. All fees through the Effective Date pursuant to 28 U.S.C. § 1930 shall be paid on or before the Effective Date to the extent that an invoice for such fees has been provided to DLH prior to the Effective Date. All fees invoiced after the Effective Date pursuant to 28 U.S.C. § 1930 shall be paid by Reorganized DLH.

13.06 **Timing of Distributions.** Any payment or distribution required to be made hereunder on a day other than a Business Day shall be due and payable on the next succeeding Business Day.

13.07 **Post Confirmation Notices.** After the Confirmation Date but before the Effective Date, unless otherwise directed by the Bankruptcy Court, notice of any motion creating a contested matter shall be given under the 20-day provision of Local Bankruptcy Rule 9007 to the parties on the service list maintained by DLH which may be amended or supplemented to include any party in interest requesting notice. In addition, any notices required under the Plan or any notices or requests of DLH or Reorganized DLH by parties in interest under or in connection with the Plan shall be in writing and served either by (i) certified mail, return receipt requested, postage prepaid, (ii) hand delivery, or (iii) reputable overnight delivery service, all charges prepaid, and shall be deemed to have been given when received by the following parties: (a) Mark E. MacDonald, (b) Jenny Saubert, (c) Richard S. Allen, (d) Daniel J. McAuliffe and (e) the Creditors Trust Trustee(s) at the address designated in the Order confirming this Plan of Reorganization.

13.08 **General Savings Clause.** If any provision or portion of this Plan or consideration issued hereunder is subsequently determined to be illegal (*i.e.*, to violate a

criminal statute so that the actions or inactions by Debtors or any party under the Plan would constitute a crime) or to violate any applicable law or regulation, such violative provision shall thereupon be deleted and expunged from this Plan, notwithstanding substantial consummation thereof, and the remainder of this Plan shall thereafter be construed to exclude such violative provision, portion or consideration and shall be enforced to the full extent legally permitted in the absence thereof.

13.09 **Reservation of Right to Seek Confirmation under 1129(b).** The proponent of the Plan expressly reserves the right, pursuant to section 1129(b) of the Bankruptcy Code, to request the Court to confirm the Plan if all of the applicable requirements of section 1129(a) of the Bankruptcy Code have been met other than those of section 1129(a)(8).

13.10 **Dates.** The provisions of Bankruptcy Rule 9006 shall govern the calculation of any dates or deadlines referenced in the Plan.

13.11 **Further Action.** Nothing contained in the Plan shall prevent Debtor or its successor from taking such actions as may be necessary to consummate the Plan, even though such actions may not specifically be provided for within the Plan.

13.12 **Plan Amendments.** DLH may propose amendments or modifications to the Plan in accordance with section 1127 of the Bankruptcy Code at any time before the Confirmation Date. Any proposed modifications or amendments to the Plan that affect Unsecured Creditors, or provisions of the Plan negotiated with the Creditors Committee, must be approved by the Creditors Committee.

Provided that any amendment or modification to the Plan proposed by the Debtor does not materially and adversely change the treatment of any Creditor or Interest holder affected by such amendment or modification, the amendment or modification shall be deemed to comply with section 1125 of the Bankruptcy Code without the need for any additional disclosure by the Debtor through a new Disclosure Statement, and DLH will not be required to re-solicit votes on the Plan. The Debtor expressly reserves the right to agree to amendments or modifications to the Plan requested by any Creditor in a Class which has rejected the Plan, and to permit such Creditor to withdraw its rejection of the Plan and change its vote to acceptance of the Plan after the voting deadline, and such amendment or modification shall be deemed to comply with Section 1125 of the Bankruptcy Code without the need for additional disclosure or a resolicitation of votes on the Plan so long as it is consented to by any Class of Creditors or Interest holders (if any) adversely affected by such amendment or modification.

After the Confirmation Date, DLH or its successor may, subject to section 1127(b) of the Bankruptcy Code and with Bankruptcy Court approval, and so long as it does not materially or adversely affect the rights set forth in the Plan of Creditors and other parties in interest, amend or modify the Plan to remedy any defect or omission or reconcile any inconsistencies in the Plan or in the Confirmation Order, in such manner that may be necessary to carry out the purposes and intent of the Plan. At the Confirmation Hearing, DLH may, either in writing or on oral motion, request a modification of any provision of the Plan to address any objection to confirmation of the

Plan and may seek confirmation of the Plan, as modified. In addition to the foregoing, on or before substantial consummation of the Plan, and without the need for any further order or authority, DLH may file with the Bankruptcy Court such agreements or other documents as may be necessary or appropriate to effectuate and further evidence the terms and conditions of the Plan.

13.13 **Substantial Consummation.** The Plan shall be deemed substantially consummated immediately on the completion of all actions required to be undertaken on or within ninety (90) days after the Effective Date.

13.14 **Creation of Class B Preferred Callable Membership Interests in DLH.** The LLC Agreement for DLH shall be amended to provide for separate Class B Membership Interests as follows:

(a) The DLH Class B Membership Interests shall have a stated par value, a cumulative preference on returns at 3% per annum, and a preference on liquidation to receive the par value of such Interests, so that all DLH Class B Membership Interests shall receive a return of their Par Value plus accrued but unpaid preferred return before any distributions to Class A Membership Interests as described below.

(b) The DLH Class B Membership Interests shall be callable, in whole or in part, at any time that it is legally permissible for DLH to redeem Membership Interests under applicable law (i.e., the Delaware Limited Liability Company Act), for a period of ten (10) years after the Effective Date of the DLH Plan, but shall not be called before the DLH 50% Notes and the DLH 100% Notes have been paid in full.

(c) The DLH Class B Membership Interest Holders shall have voting rights in Reorganized DLH as required by applicable law, but the DLH Class B Membership Interests shall have no right to vote on any proposal to call and redeem, in whole or in part, the DLH Class B Membership Interests.

(d) If the aggregate par value of Class B Membership Interests exceeds \$2,000,000, the DLH Class B Membership Interests shall have the right to vote separately as a single class to elect one (1) additional director to the board of DLH. Such right to elect a director shall continue in effect for so long as: (i) the aggregate outstanding par value of the DLH Class B Membership Interests exceeds \$2,000,000.00, or (ii) any accrued preference as to returns on DLH Class B Membership Interests remains unpaid for four (4) consecutive calendar quarters.

(e) Provided that all accrued preferences as to returns on the DLH Class B Membership Interests have been paid currently, Reorganized DLH may, to the extent permitted by governing Delaware law, by the Exit Financing, and by any other contract or agreement by which it is bound, make additional distributions to DLH Class B Interests. The DLH Class B Interests shall have no right to share in any additional distributions to the equity interests in DLH over and above the preferred returns on the DLH Class B Interests. Notwithstanding the preference in returns granted to the DLH Class B Interests, Reorganized DLH shall, subject to the last sentence of Section 13.17 below, be permitted to make distributions to the existing DLH Class A Interest holders

on an annual basis, but only if and to the extent that such distributions are necessary for the payment of Taxes actually incurred (on a cash basis) by the holders (direct or indirect) of such DLH Interests as a direct result of taxable income or gains recognized by such holders (direct or indirect) of DLH Interests resulting from the sale, exchange, or other disposition of property by Reorganized DLH, or any forgiveness of indebtedness income, or income from the operations of DLH.

13.15 **Board Representation in Reorganized DLH.** The initial Board for Reorganized DLH shall consist of Richard S. Allen, Luke Allen, Laura Allen Jefferies, Rex Allen, Richard E. Allen and Ryan Allen and as provided in Section 6.05 above, the Creditors Committee may designate one additional member of the Board representative for holders of Unsecured Claims against DLH. In addition, the holders of DLH Class B Interests may have the right to elect one additional director to the Board, but only if and for so long as the aggregate par value of their interests exceeds \$2,000,000 (and thereafter if the accrued preferred return on the DLH Class B Membership Interests remains unpaid for four (4) consecutive quarters). The right of the DLH Class B Interests to elect a director for Reorganized DLH shall terminate when: (a) the aggregate outstanding par value of the DLH Class B Interests has been reduced, by redemption or otherwise, below the amount of \$2,000,000.00, and (ii) all accrued preference as to returns on the DLH Class B Interests has been paid current. The right of the Creditors Representative to serve as a Director of Reorganized DLH shall terminate when all DLH 50% Notes and all DLH 100% Notes have been paid in full or otherwise discharged. Notwithstanding the foregoing and prior to any election of the additional director, the identity and affiliations of each proposed initial director or officers following the Effective Date (and, to the extent such Person is an insider of the Debtors, the nature of any compensation of such Person, as well as the related terms) shall be disclosed no later than two (2) calendar days prior to the Confirmation Hearing.

13.16 **Board Representation in Reorganized ACP.** Deleted

13.17 **Limits on Equity Distributions at Reorganized DLH.** While the obligations under the Term Loan are outstanding, no distributions to interest holders of DLH shall be made, whether for the annual preferred return on the callable DLH Class B Interests or otherwise, unless:

- a) Allowed under the terms of the Term Loan, and
- b) All Secured Creditors in Pools 1 and 2 have received payment of at least the amount of interest accrued on their respective Pool Notes from the Effective Date until the end of the calendar quarter immediately preceding the payment date.

Until the DLH 50% Notes and the DLH 100% Notes are paid in full, there shall be no distributions to interest holders of Reorganized DLH except for the limited purpose of paying Taxes as provided in Section 1.61(d) above. No distributions to interest holders of Reorganized DLH for the purpose of paying Taxes may be made at any time that a default exists, has been declared, and remains uncured under any Plan obligation.

13.18 **Setoff and Recoupment.** Reorganized DLH or the Disbursing Agent, as the case may be, may, but shall not be required to, set off or exercise recoupment rights against any Claim including any payments or other distributions to be made pursuant to this Plan in respect of such Claim, any Claims of any nature whatsoever DLH may have against the holder of such Claim, but neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release of any such Claim that DLH may have against such holder.

Pleasant Run Road, City of Wilmer, Dallas County, Texas, and at 809 N. J J Lemmon Road, City of Hutchins, Dallas County, Texas. In the event that the Effective Date of the Plan does not occur prior to October 31, 2011, DLH shall pay such amount within ten (10) days after the Effective Date, together with any additional interest and penalties accrued through such date. Upon receipt by Dallas County of the foregoing amount, the first priority liens held by Dallas County on the foregoing property for unpaid 2010 ad valorem property taxes will be released. As concerns unpaid 2011 ad valorem taxes on the Debtor property, the treatment of such taxes is contingent pending the potential structured sale of such property as described elsewhere in this Plan. Pending payment of the 2011 ad valorem property taxes on the Debtor property, Dallas County shall retain a first priority lien on its collateral pursuant to sections 32.01 and 32.05 of the Texas Property Tax Code. If the Debtor is unable to close a structured sale or sales on the collateral of Dallas County as provided elsewhere in the Plan, DLH will pay any post-petition ad valorem property taxes assessed on the collateral of Dallas County as an administrative expense without the requirement that Dallas County file a request for payment of such taxes in accordance with 11 U.S.C. Section 503(b)(1)(D). The 2011 ad valorem taxes shall be paid timely on or before their delinquency date under state law (generally January 31, 2012), whether by the Debtor or a subsequent purchaser. If the taxes are not timely paid, Dallas County may proceed to collect all amounts owed for any unpaid taxes pursuant to applicable non-bankruptcy law. In the event the property becomes subject to the imposition of "roll back" taxes, such taxes for the 2010, 2011 and/or other tax years shall be paid by the Debtor and/or purchasers of the property, and in the event the "roll back" taxes are not timely paid before delinquency, Dallas County may proceed to collect all amounts owed pursuant to applicable non-bankruptcy law.
