JACKSONVILLE DIVISION**

**In Re:**

**V-Blox Corporation**

**Case No. 3:17-bk-00628  
Chapter 11**

**Debtor.**

---

**DEBTOR-IN-POSSESSION'S MOTION FOR ENTRY OF  
ORDER AUTHORIZING THE USE OF CASH COLLATERAL**

V-Blox Corporation, as Debtor and Debtor-In-Possession (“Debtor”), pursuant to 11 U.S.C. §363(c)(2) and Rules 4001(b) and 9014 of the Federal Rules of Bankruptcy Procedure (“Bankruptcy Rules”), requests Court authority to use cash collateral, and hereby provides notice of the same to all parties in interest and says:

**Jurisdiction**

1. This Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. Venue of this case and this Motion in this District is proper pursuant to 28 U.S.C. §§ 1408 and 1409. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2).
2. Venue of this proceeding and this Motion in this District is proper under 28 U.S.C. §§ 1408 and 1409.
3. The statutory basis for the relief requested herein are sections 105, 361, 362, and 363 of title 11 of the United States Code (the “Bankruptcy Code”), Rules 4001 and 9014 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”).

**Relief Requested**

4. By this Motion, the Debtor seeks entry of the Cash Collateral Orders granting the following relief, without limitations:

- a. Authorizing the Debtor to use Cash Collateral pursuant to sections 361 and 363 of the Bankruptcy Code;
- b. Approving the form of adequate protection provided to the lender pursuant to 361, 362, and 363 of the Bankruptcy Code;
- c. Scheduling a Final Hearing on the Motion to consider entry of the Final Cash Collateral Order; and
- d. Any other relief deemed appropriate by the Court.

**Background**

5. On February 24, 2017, the Debtor filed a voluntary petition for relief under Chapter 11 of the Bankruptcy Code. The Debtor continues to manage the property and operate its business as debtor-in-possession pursuant to Bankruptcy Code §§ 1107 and 1108. No trustee, examiner, or official committee has been appointed in this case.
6. The Debtor business operations involve selling equipment and maintenance to businesses in order to reduce their energy costs.
7. Prior to the Petition Date, the Debtor entered into a Security Agreement with T.D. Bank, N.A.
8. Pursuant to the loan agreements, T.D. Bank N.A. has liens on the Debtor's property ("Prepetition Collateral"), including the proceeds thereof.
9. The Debtor is current on the loan obligation as of the Petition Date.
10. The Debtor is preparing a detailed budget and intends on offering replacements liens to T.D. Bank, N.A. in order to protect the creditor's interest as well as monthly payments.
11. The Debtor will work with T.D. Bank, N.A. in order to get an agreed order on this Motion.

**Basis for Relief**

12. The Debtor's use of property of their estates is governed by section 363 of the Bankruptcy Code, which provides in pertinent part that:

If the business of the debtor is authorized to be operated under section...1108...of this title and unless the court orders otherwise, the [debtor] may enter into transactions, including the sale or lease of property of the estate, in the ordinary course of business, without notice or a hearing, and may use property of the estate in the ordinary course of business without notice or a hearing. 11 U.S.C. §363(c)(1).

13. Section 363(c)(2)(A) of the Bankruptcy Code permits a debtor-in-possession to use cash collateral with the consent of the secured party. Section 363(e) of the Bankruptcy Code requires that the debtor adequately protect the secured creditors' interest in the property to be used by a debtor against any diminution in value of such interest resulting from the debtor's use of the property during the chapter 11 case.

14. What constitutes sufficient adequate protection is decided on a case-by-case basis. See In re George Ruggiere Chrysler-Plymoth, 727 F.2d 1017 (11<sup>th</sup> Cir. 1984). Adequate Protection can come in various forms, including payment of adequate protection fees, payment of interest, granting of replacement liens and administrative claims.

15. In addition to replacement liens the Debtor-In-Possession is offering to keep monthly payments current on the note.

16. The Debtor believes that the proposed Adequate Protection for the benefit of the lender is necessary and appropriate to ensure that the Debtor can continue to use the cash collateral. Accordingly, the adequate protection proposed herein is fair and reasonable

and sufficient to satisfy the requirements of sections 363(c)(2) and (e) of the Bankruptcy Code.

**Request for Final Hearing**

17. Pursuant to Bankruptcy Rules 4001(b)(2) and 4001(c)(2), the Debtor requests that the Court set a date for the Final Hearing that is as soon as practicable, but in no event later than 45 days following the entry of the Interim Cash Collateral Order, and fix the time and date prior to the Final Hearing for parties to file objections to the Motion.

WHEREFORE, for the reasons set forth herein, the Debtor respectfully requests that the Court enter an order granting the relief requested herein and granting such other and further relief as the Court deems appropriate.
