II. BACKGROUND

The Debtor, Frederick Keitel, is an individual that, at the time of the filing, owned various interests in companies that own valuable commercial real estate. At the time of the filing of his case, the Debtor's companies and their assets were valued at over \$30,000,000.00.

412 Brazilian Ave.

At the time of the filing, the Debtor individually owned property located at 412 Brazilian Ave, Palm Beach, FL. The Court approved the sale of the property [ECF #83] on January 13, 2016. The Debtor netted approximately \$1,400,000.00, which was placed in the trust account of Furr and Cohen pending further resolution of claims. On September 2, 2016, the Court approved a settlement with PNC allowing PNC to be paid \$1,175,000.00. There remains the amount \$305,958.81 in the trust account of Furr and Cohen. Those funds are subject to the claims of creditors Thomas B. D'Agostino and Tasha Enterprises. Thomas B. D'Agostino's lien on the proceeds has been satisfied. The remaining amount is subject to the lien of Tasha Enterprises. The Debtor filed an adversary complaint to determine the validity, priority and extent of the liens on the property, Adv. Case No. 16-01042. The complaint remains pending.

FJK IV Properties – 241 Royal Palm

At the time of the filing of the case, the Debtor was involved in litigation with his corporate partners relating to FJK IV Properties' interest in FJK-Tee Jay. The lawsuit is pending in the 15th Judicial Circuit, in and for Palm Beach County, FL. Case No. FJK-Tee Jay, Ltd owns property located at 241 Royal Palm Way, Palm Beach, FL. The estimated value of this property is over \$12,200,000.00. It is subject to a disputed lien held by Thomas D'Agostino, Sr. in the approximate amount of \$4,734,000.00. The nature of the dispute between the entities relate to the former partners causing damage to FJK IV Properties, and the Debtor, by failing to sell the property after it received a cash offer of \$12,200,000.00. After FJK IV Properties and the Debtor filed suit against the former partners, FJK-Tee Jay, Thomas D'Agostino, Jr. and Jonathan D'Agostino filed counterclaims against the Debtor. Those claims remain pending and unliquidated.

Case 15-21654-EPK Doc 383 Filed 10/25/16 Page 5 of 69

Debtor received numerous letters of intent to purchase and contracts to purchase the property owned by FJK-Tee Jay. One offer was for \$12,200,000.00 with substantial earnest money deposits and a quick cash closing. The D'Agostinos refused to consider or negotiate with any buyers, creating further disruption to the Debtor's ability to reorganize. See attached composite exhibit A.

Florida Capital Management – 237 Brazilian

The Debtor also is involved in litigation relating to his company, Florida Capital Management ("FCM"). FCM filed bankruptcy, but the bankruptcy was voluntarily dismissed on May 24, 2016. FCM owns a piece of property worth approximately \$5,500,000.00. Thomas D'Agostino has asserted a claim in this case in the amount of \$4,548,706.09. Despite the litigation, FCM is redeveloping that property and has spent over \$400,000.00 toward the redevelopment. To date, the Debtor and FCM has obtained Architectural Commission ("Arcom") approval from the Town of Palm Beach, furnished all drawings for the property, hired a contractor and architect, and secured \$5,200,000.00 is in escrow from an entity owned by the Debtor's father in law, Peter Callahan. The entity is 237 Brazilian Enterprises, LLC. 237 Brazilian Enterprises is committing \$100,000.00 to the demolition of the existing buildings on the property and for permitting for new construction. The remaining funds will be used for construction of the townhomes on the property. After the development is finished, it is expected that the two townhomes will have a value of \$7,500,000.00 to \$8,000,000.00 each. Copies of the plans are attached hereto as Exhibit E.

FJK Properties (230 Royal Palm Way) and FJK III Properties (240 Royal Palm Way)

Since the filing of the case the properties owned by FJK Properties (230 Royal Palm Way) and FJK III Properties (240 Royal Palm Way) have been sold. The Debtor did not receive any proceeds. However, one of the creditors in this case, Thomas D'Agostino, Sr., was paid \$4,431,615.55, satisfying his claim in this case. There may be a remaining claim related to attorney's fees. The remaining

Case 15-21654-EPK Doc 383 Filed 10/25/16 Page 6 of 69

portion of the claim may be secured by the Debtor's stock in FJK IV Properties.

WMK Properties

WMK also filed for chapter 11 bankruptcy. The case was converted to Chapter 7 on October 29, 2015. The Debtor no longer has any interest in WMK. To the detriment of the Debtor's creditors, the profit that could have been obtained from the WMK property were squandered by the appointed trustee, the lawyers, and the real estate brokers.

III. FINANCIAL INFORMATION

The Debtor has filed schedules of assets, liabilities, income and expenses, a Statement of Financial Affairs, and Monthly Operating Reports which contain the most accurate and current information available to the Debtor.

A. Real Property. The Debtor does not presently own any real property in his name.

B. Personal Property. The Debtor holds stock in various companies that own valuable pieces of property. The remaining assets are:

| Company | % ownership | Assets owned | Va | lue of assets |
|-------------------------------------------|-------------|-----------------------------------------------------------------------------------------|----|---------------|
| FJK IV Properties | 100% | 50 % interest in FJK-Tee Jay 241 Royal Palm Way | \$ | 6,750,000.00 |
| KMS Restaurant Cor | rp 100% | malpractice claim (claim against Cohen, Norris et al And Katzman Wasserman et al) | \$ | 4,000,000.00 |
| Florida Capital Management 100% | | 237 Brazilian Ave. | \$ | 5,500,000.00 |
| FJK-Tee Jay, Ltd distributions | | | \$ | 750,000.00 |
| Claim relating to overpayment of FCM note | | e | \$ | 884,000.00 |

The Debtor has household goods, personal electronics, and clothes that have a combined value of \$37,000.00.

The Debtor is owed money by business partners and has claims against those business partners. He also has potential malpractice claims. The value of these asserts are unknown, but are believed to exceed \$30,000,000.00.

C. Post-petition litigation

As mentioned above, at the time of the filing, the Debtor individually owned property located at 412 Brazilian Ave, Palm Beach, FL. The Court approved the sale of the property [ECF #83] on January 13, 2016. The Debtor netted approximately \$1,400,000.00, which was placed in the trust account of Furr and Cohen pending further resolution of claims. On September 2, 2016, the Court approved a settlement with PNC allowing PNC to be paid \$1,175,000.00. There remains the amount \$305,958.81 in the trust account of Furr and Cohen. The Debtor initiated an adversary proceeding to determine the extent, validity and priority of the liens held by PNC (now resolved), Thomas D'Agostino, Sr., and Tasha Enterprises. The Debtor, through the sale of property owned by a related entity, satisfied the judgments held by D'Agostino. The remaining amount is subject to the lien held by Tasha Enterprises. The Debtor is investigating whether there was a possible preferential transfer in granting Tasha Enterprises a lien.

FJK Tee Jay, Ltd. and Tee Jay of Florida, RLLP filed an adversary proceeding against the Debtor seeking a determination of a debt and that the debt is non-dischargeable. Through an oversight by the Debtor, he failed to file a timely response to the complaint and a default was entered. The Debtor has valid defenses to the complaint and is preparing an answer and a motion to vacate the default.

D. Ability to Fund and Complete Plan

The Debtor's financial problems stem mostly around his dispute with his partners, Thomas D'Agostino, Sr., Thomas D'Agostino, Jr. and the Trust. Much of the dispute centers on a \$1,230,000 wire transfer to the trust account of Robert King, the attorney for the Trust. Thomas D'Agostino, Sr. failed to recognize this payment as a partial payment on the mortgage, but instead, insisted it was a gift to Mr. D'Agostino. This testimony was deemed unbelievable by Judge Hyman in a six-hour hearing

Case 15-21654-EPK Doc 383 Filed 10/25/16 Page 8 of 69

held on April 15, 2015. See attached transcript by Judge Hyman as part of composite Exhibit B. On July 11, 2016, Mr. King changed his testimony and admitted he represented the Trust at the time he received the \$1,230,000 from FCM's lawyer. This testimony contradicted his testimony before Judge Hyman. See deposition of Robert King attached hereto as Exhibit C. The disputed payment led to a default for which the creditors now claim that the Debtor is liable to them in the amount of \$4,548,706.09. The Debtor believes he is actually owed money for Debtor believes he will prevail in that lawsuit, which will result in the Debtor actually being owed \$800,000.00. If the Debtor and FCM are successful, the Debtor will own 100% of a company that holds a \$5,500,000.00 asset free and clear of liens.

Aside from the alleged, disputed amount owed to the D'Agostinos and their affiliates, the Debtor has listed on his schedules less than \$200,000.00 to undisputed unsecured creditors. Some of the claims have been satisfied and claims withdrawn. The Debtor will file objections to claims to clarify the remaining claims. At the time of the filing of this disclosure statement, the remaining outstanding undisputed, unsecured debt is approximately \$131,906.54. The Debtor intends to work out a deal with Tasha Enterprises that will allow the Debtor to use the money being held in Furr and Cohen trust account for the purposes of paying the unsecured creditors in full on the effective date. If an arrangement cannot be made, the Debtor will use the \$15,000.00 per month that he is to receive as a development fee to satisfy the creditors over an 18 month period, or from the sale of one of the townhomes.

As mentioned above, the Debtor's wholly owned entity, FCM, owns, 237 Brazilian Ave., which has an approximate worth of \$5,500,000.00. See Appraisal attached as Exhibit D. The development of the property will raise the value of the property to over \$15,000,000.00. As part of the investment, 237 Brazilian Enterprises will provide FCM with enough funds to allow the Debtor to receive a \$15,000.00 per month "development manager fee". A portion of that monthly fee will be dedicated to creditors.

Case 15-21654-EPK Doc 383 Filed 10/25/16 Page 9 of 69

Another of the Debtor's companies, FJK IV Properties, is the 50% owner of income generating property. The Debtor, through his company, has a claim for distributions exceeding \$750,000.00 and is owed \$10,000.00 per month.

IV. EXECUTORY CONTRACTS

The Debtor does not have any pre-petition executory contracts.

VI. SPECIAL RISK FACTORS

Certain substantial risk factors are inherent in most plans of reorganization in Chapter 11 cases. If such plans are accepted, it is usually because they represent a far greater return in dividends than in a liquidating Chapter 7 case. There is no risk in this plan to undisputed unsecured creditors. They will be paid in full on the effective date. The Debtor expects to pre-sell one of the townhomes within 4-6 months of the start of construction. The Debtor's success is also predicated on his success with litigation with his business partners. These business partners are fully protected by the value of the property (\$5,500,000.00) owned by the Debtor. The risk to all creditors is mitigated by the value of the various properties. The creditors would all be paid in full if the Debtor is not able to make the proposed payments and the property is liquidated. However, the Debtor would needlessly be denied the ability to realize profits of \$5,000,000.00 to \$6,000,000.00 <u>after</u> all creditors are paid 100% on the dollar.

ALL THE RISK FACTORS INHERENT IN A PLAN OF REORGANIZATION UNDER CHAPTER 11 ARE PRESENT IN THIS CASE. CREDITORS ARE URGED TO CAREFULLY READ THIS DISLOSURE STATEMENT AND THE ACCOMPANYING PLAN OF REORGANIZATION SO THAT AN INFORMED JUDGMENT CAN BE MADE WITH RESPECT TO VOTING ON THE PLAN.

VII. SUMMARY OF NON-BANKRUPTCY LITIGATION

At the time of the filing of the case, the Debtor had the following pending cases in state court:

FJK IV Properties, Inv., et al. vs. FJK-Tee Jay, Ltd, et al. 2012CA023240: Action for partition, fraud, tortuous interference. No action has been taken on this case since February, 2016.

Case 15-21654-EPK Doc 383 Filed 10/25/16 Page 11 of 69

Thomas D'Agostino vs. Frederick Keitel, III, et al, 2013CA004692: Foreclosure of property. Judgment entered, plaintiff satisfied from sale of property. Dispute exists as to amount of attorneys' fees.

Thomas B. D'Agostino, Sr., et al. vs. Florida Capital Management, et al. 2013CA004699: Action against FCM to foreclose on property.

Thomas B. D'Agostino vs. Frederick Keitell, III, 2015A000166: Final Judgment entered, satisfied by sale of property.

PNC Bank, N.A. vs. Frederick Keitel, III, et al. 2015CA010746: Final judgment entered. PNC has been fully satisfied with approval by this Court.

FJK IV Properties, Inc., et al. vs. Thomas B. D'Agostino, Jr. et al. 2015CA011522: Complaint for damages and injunctive relief. Amended complaint is pending. There has been no activity since February, 2016.

Tee Jay of Florida, RLLP v. FJK IV Properties, Inc., 2016CA010381: Initial Complaint filed. Case is without merit. Answer and counterclaims for fraud, conspiracy, and other causes of action will be filed. A motion to remove the case to the U.S. District Court will also be filed.

VIII. CLAIMS

The deadline to file a proof of claim was April 7, 2016.

The Internal Revenue Service has filed a claim for estimated taxes in the amount of \$39,815.37. The amount of \$20,008.67 is claimed as a priority claim. The claim is based on unfiled returns for 2011 and 2014. The Debtor has been unable to file a return for other tax years because his business partners have failed to provide necessary documents to complete a return, in an attempt to tortuously interfere with this reorganization plan.

The secured claim filed by Thomas D'Agostino, Sr. in the amount of \$4,195,044.20 was satisfied on February 5, 2016 when he received a payment of \$4,431,815.55.

Claim number 4 filed by FJK-Tee Jay of Florida and Thomas D'Agostino, Jr. is disputed and is

Case 15-21654-EPK Doc 383 Filed 10/25/16 Page 12 of 69

being liquidated in state court proceedings. The Debtor initially filed an original lawsuit against the claimant and the D'Agostinos for damages in excess of \$20,000,000.00. The claim filed against the Debtor in this case is retaliatory, unsubstantiated, and based on fraud.

FJK-Tee Jay of Florida and FJK Tee Jay, Ltd. filed an adversary proceeding against the Debtor seeking a determination that debts in excess of \$5,000,000 were non-dischargeable. The Debtor mistakenly failed to file a timely response. The Debtor has defenses to this action and will be seeking to have the discharge vacated.

Claim number 10 filed by Thomas D'Agostino, Sr. and Thomas D'Agostino, Jr as Trustees arises from a guarantee of a debt alleged owed by Florida Capital Management. That claim is disputed and being litigated in state court. The claim is a contingent claim for \$4,548,706.09. The property that secures the debt is valued at \$5,500,000.00. Consequently, it is unlikely that the Debtor will have any liability for this claim. Further, neither the Debtor nor Florida Capital Management is liable to the claimant. Rather the claimants owe Florida Capital Management \$884,803.00 as a result of overpayments. The Trust's claim, through the testimony of Thomas D'Agostino, Sr., that the disputed \$1,230,000.00 wire payment was a gift, has already been discounted by this Court when Chief Judge Paul Hyman, Jr. described Mr. D'Agostino, Sr.'s testimony as not believable or credible after a six hour evidentiary hearing on April 15, 2015. See exhibits B and C.

The claim of Tasha Enterprises is partially secured by funds held in trust by Furr and Cohen. A portion of Tasha Enterprises claim will be paid from the remainder of the amount being held in Trust. The unsecured portion owed to Tasha Enterprises will be paid within 18 months, or upon the sale of one of the townhomes to be developed at 237 Brazilian.

Other unsecured, undisputed claims, filed and unfiled, amount to \$131,906.54.

IX. SUMMARY OF PLAN OF REORGANIZATION

A. Purpose of the Plan of Reorganization

Case 15-21654-EPK Doc 383 Filed 10/25/16 Page 13 of 69

As required by the Code, the Plan places claims and equity interests in various classes and describes the treatment each class will receive. The Plan also states whether each class of claims or equity interests is impaired or unimpaired. If the Plan is confirmed, your recovery will be limited to the amount provided by the Plan.

B. Unclassified Claims

Certain types of claims are automatically entitled to specific treatment under the Code. They are not considered impaired, and holders of such claims do not vote on the Plan. They may, however, object if, in their view, their treatment under the Plan does not comply with that required by the Code. As such, the Plan Proponent has not placed the following claims in any class:

1. Administrative Claims

Administrative expenses are costs or expenses or administering the Debtor's chapter 11 case which are allowed under § 507(a)(2) of the Code. Administrative expenses also include the value of any goods sold to the Debtor in the ordinary course of business and received within 20 days before the date of the bankruptcy petition. The Code requires that all administrative expenses be paid on the effective date of the Plan, unless a particular claimant agrees to a different treatment.

Administrative claims:

| F | Professional fees: | estimated \$160,000.00 (*most of this amount is disputed) | Subject to Court authorization, to be paid in full on effective date or as agreed to by attorney and Debtor. |
|---|--------------------------|--------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------|
| (| Office of the US Trustee | current | Paid in full on effective date |

2. Priority Claims

The Internal Revenue Service has filed a priority claim for estimated taxes in the amount of \$20,008.67. The debtor will pay this amount in full by on the effective date.

C. Classes of Claims and Equity Interests

The Plan shall provide for the payment of all expenses of this proceeding, including fees due the Office of the U.S. Trustee. The accompanying Plan of Reorganization divides creditors into the following classes:

Class 1 –PNC Mortgage. PNC has filed a secured claim in the amount of \$1,204,102.08. Furr and Cohen was holding \$1,400,000.00 from the sale of the Debtor's property located at 412 Brazilian Court. PNC has been paid an agreed reduced amount of \$1,175,000.00 from these proceeds in September, 2016.

Class 2 – Thomas D'Agostino, Sr. D'Agostino, Sr. has filed a secured claim in the amount of \$4,195,044.20. D'Agostino has been paid the sum of \$4,431,815.55 and the claim is satisfied.

Class 3 – Tasha Enterprises, Inc. Tasha Enterprises has filed a secured claim in the amount of \$403,543.29. The claim is secured by proceeds from the sale of the property located at 412 Brazilian Court. It is estimated that Tasha has a valid secured claim in the approximate amount of \$125,000.00 which will be satisfied from the funds held by Furr and Cohen. The remaining amount owed within 18 months or will be paid in full upon the sale of one of the Palm Beach townhomes.

Class 4 – Tee Jay of Florida. FJK-Tee Jay has filed two unsecured claims, one in the amount of \$5,923,551.31 and the other in the amount of \$504,948.49. The Debtor has a lawsuit against the claimant for \$20,000,000.00. Both claims are unsubstantiated and are being litigated in the 15th Judicial Circuit in and for Palm Beach County, FL.¹ If FJK-Tee Jay is successful, it will be able to execute on ownership interest of the Debtor in FJK IV Properties. Based on offers sent to FJK-Tee Jay, Ltd to purchase the property and rejected by Jonathan D'Agostino, the Debtor estimates the value of his ownership interest in FJK IV Properties is approximately \$6,750,000.00. Tee Jay of Florida would be fully satisfied from the shares in FJK IV Properties.

¹ Thomas D'Agostino, Jr. has already admitted under oath that part of the allegations have no merit or basis in fact regarding the loss of income on Citicorp's lease. Further there is a valid defense as to whether a valid mortgage exists on the property at 241 Royal Palm Way, Palm Beach, FL.

Case 15-21654-EPK Doc 383 Filed 10/25/16 Page 15 of 69

Class 5 – Thomas D. D'Agostino, Jr. as Trustee filed a claim on behalf of the Thomas B. and Elzbieta M. D'Agostino 1997 CRT. The Trust's claim is a contingent claim in the amount of \$4,548,706.09. This claim is unsecured as to the Debtor but is secured by property owned by Florida Capital Management. The claimant has been fully satisfied and, in fact, owes the Debtor \$884,802.00. This claim is being litigated in the 15th Judicial Circuit in and for Palm Beach County, FL. The value of the property in its present state is \$5,500,000.00. If it is determined that the claim against the Debtor is valid, the claimant will be fully satisfied from the property and will have no remaining claim against the Debtor. The Debtor will be filing a motion to estimate this claim pursuant to 11 U.S.C. § 502(c)(1).

Class 6 – Unsecured creditors. Excluding the remaining unsecured portion of Tasha Enterprises, the total amount of undisputed unsecured claims, including the IRS unsecured claim, and is approximately \$151,713.24. Unsecured creditors will be paid in full on the effective date.

Class 7 – The Debtor shall retain all property of the estate.

The Debtor shall pay the United States Trustee the appropriate sum required pursuant to 28 U.S.C. Section 1930(a)(6) within ten (10) days of the entry of this order for pre-confirmation periods and simultaneously provide to the United States Trustee an appropriate affidavit indicating the cash disbursements for the relevant period. The reorganized Debtor shall further pay the United States Trustee the appropriate sum required pursuant to 28 U.S.C. § 1930(a)(6) based upon all disbursements of the reorganized debtor for post-confirmation periods within the time period set forth in 28 U.S.C. § 1930(a)(6), until the earlier of the closing of this case by the issuance of a Final Decree by the Court, or upon the entry of an Order by this Court dismissing this case or converting this case to another chapter under the United States Bankruptcy Code, and the party responsible for paying the post-confirmation United States Trustee fees shall provide to the United States Trustee upon the payment of each post-confirmation payment an appropriate affidavit indicating all the cash disbursements for the relevant period.

Case 15-21654-EPK Doc 383 Filed 10/25/16 Page 16 of 69

The plan proposes to pay all costs and expenses of administration within thirty days of the date of confirmation of the Plan, or within such additional time as the administrative claimants may allow. The total amount of administrative expenses has not yet been determined, but will be set by the Court at the hearing on the confirmation of the Plan.

The plan will be funded by the income to be received by the Debtor as the developer of the Florida Capital Management project and money in escrow. The Plan of Reorganization is deemed by the Debtor to be feasible and secured.

X. CONFIRMATION REQUIREMENTS AND PROCEDURES

To be confirmable, the Plan must meet the requirements listed in §§ 1129(a) or (b) of the Code. These include the requires that: the Plan must be proposed in good faith; at least one impaired class of claims must accept the plan, without counting votes of insiders; the Plan must distribute to each creditor at least as much as the creditor would receive in a chapter 7 liquidation case, unless the creditor votes to accept the Plan; and the Plan must be feasible. These requirements are not the only requirements listed in § 1129, and they are not the only requirements for confirmation.

A. Who May Vote or Object

Any party in interest may object to the confirmation of the Plan if the party believes that the requirements for confirmation are not met.

Many parties in interest, however, are not entitled to accept or reject the Plan. A creditor has a right to vote for or against the Plan only if that creditor has a claim that is both (1) allowed or allowed for voting purposes and (2) impaired.

In this case, the Plan Proponent believes that classes are impaired and that holders of claims in each of these classes are therefore entitled to vote to accept or reject the Plan. The Plan Proponent believes that classes are unimpaired and that holders of claims in each of these classes, therefore, do not have the right to vote to accept or reject the Plan.

1. What is an Allowed Claim?

Only a creditor with an allowed claim has the right to vote on the Plan. Generally, a claim is allowed if either (1) the Debtor has scheduled the claim on the Debtor's schedules, unless the claim has been scheduled as disputed, contingent, or unliquidated, or (2) the creditor has filed a proof of claim, unless an objection has been filed to such proof of claim. When a claim is not allowed, the creditor holding the claim cannot vote unless the Court, after notice and hearing, either overrules the objection or allows the claim for voting purposes pursuant to Rule 3018(a) of the Federal Rules of Bankruptcy Procedure.

The deadline for filing a proof of claim in this case was April 7, 2016

2. What is an Impaired Claim?

As noted above, the holder of an allowed claim has the right to vote only if it is in a class that is impaired under the Plan. As provided in § 1124 of the Code, a class in considered impaired if the Plan alters the legal, equitable, or contractual rights of the members of that class.

3. Who is Not Entitled to Vote?

The holders of the following types of claims and equity interests are not entitled to vote:

- holders of claims and equity interests that have been disallowed by an order of the Court;

- holders of claims and equity interests that are not "allowed claims" or "allowed equity interests", unless they have been "allowed" for voting purposes.

- holders of claims or equity interests in unimpaired classes;

- holders of claims entitled to priority pursuant to \$\$ 507(a)(2), (a)(3) and (a)(8) of the Code;

holders of claims or equity interests in classes that do not receive or retain any value under the
 Plan; and

administrative expenses

17

Case 15-21654-EPK Doc 383 Filed 10/25/16 Page 18 of 69

Even if you are not entitled to Vote on the Plan, you have a right to object to Confirmation of the Plan.

4. Who Can Vote in More than One Class?

A creditor whose claim has been allowed in part as a secured claim and in part as an unsecured claim, or who otherwise holds claims in multiple classes, is entitled to accept or reject a Plan in each capacity, and should cast one ballot for each claim.

B. Votes Necessary to Confirm the Plan

If impaired classes exist, the Court cannot confirm the Plan unless (1) at least one impaired class of creditors has accepted the Plan without counting the votes of any insiders within that class of creditors, and (2) all impaired classes have voted to accept the Plan, unless the Plan is eligible to be confirmed by "cram down" on non-accepting classes as discussed below in Section B.2.

1. Votes Necessary for a Class to Accept the Plan

A class of claims accepts the Plan if both of the following occur: (1) the holders of more than one-half $(\frac{1}{2})$ of the allowed claims in the class, who vote, cast their votes to accept the Plan, and (2) the holders of at least two-thirds (2/3) in dollar amount of the allowed claims in the class, who vote, cast their votes to accept the Plan.

2. Treatment of Nonaccepting Classes

Even if one or more impaired classes reject the Plan, the Court may nonetheless confirm the Plan if the nonaccepting classes are treated in the manned prescribed by § 1129(b) of the Code. A plan that binds nonaccepting classes is commonly referred to as a "cram down" plan. The Code allows the Plan to bind nonaccepting classes or of claims or equity interests if it meets all the requirements for consensual confirmation except the voting requirements of § 1129(a)(8) of the Code, does not "discriminate unfairly" and is "fair and equitable" toward each impaired class that has not voted to accept the Plan.

You should consult your own attorney if a "cram down" confirmation will affect your claim or equity interest, as the variations on this general rule are numerous and complex.

XI. EFFECT OF CONFIRMATION

In accordance with 11 U.S.C. § 1141(d)(5), the Debtor will not, without court order, be entitled to a discharge until all payments are made pursuant to the terms of the Plan.

The Debtor will seek to have the case administratively closed until all payments are made and the Debtor is entitled to a discharge.

XII. CONCLUSION

The Plan offers to pay all undisputed creditors in full.

Based on the efforts of myself as well as John F. Dodge III. Pinnacle Real Estate Associates is pleased to present the attached offer to purchase the property located at 241 Royal Palm Way, commonly known as the First Republic Building.

The terms of the purchase are as follows:

- Purchase Price: \$12,200,000, all cash, no financing contingencies
- 10% / \$1,220,000 deposit
- 45 day due diligence period, closing to occur 15 days following satisfaction of due diligence period
- 2% brokerage commission, 1% paid by the buyer and 1% paid by the seller
- \$12,078,000 Net proceeds to seller (after commission and not including closing costs)

We are thrilled to bring this offer to your group for several reasons. Not only is this an extremely qualified buyer who has the financial ability and track record of closing on these types of assets, at an impressive \$960.63 per square foot this purchase will dramatically set a record for the highest sale price per square foot on Bankers Row - far exceeding \$720psf for 250 Royal Palm Way, which closed this past week. John and I have worked very hard to get you the absolute best price for this asset.

The buyer includes publicly traded insurance company W.R. Berkley <u>http://www.wrberkley.com</u> with over \$7 billion in revenue and its subsidiary Property Group Partners <u>http://www.pap.us.com/about/overview.php</u>.

Please be advised that the buyer is very serious about moving forward quickly with this purchase, therefore I respectfully request a response to this email as soon as possible. The buyer requires a formal response to the attached LOI **no later than June 3, 2016**, so time is of the essence.

In the interim, feel free to contact either John or myself with any questions. We look forward to working with you on this transaction.

Subject: RE: \$12,000,000. LOI for FJK-TeeJay,Ltd the First Republic Bank Building 241 RPW

Mr. Dodge:

I do not believe we have met and I am not really sure of your exact involvement in the matter Mr. Keitel is discussing in his email; but allow me to hopefully clarify some of the misinformation in Mr. Keitel's below communication. The property at 241 Royal Palm Way, which you may or may not be interested in purchasing, is owned by FJK – Tee Jay, Ltd. ("FJK"). FJK is a limited partnership, the General Partner of which is FJK – TEE JAY, Inc., and the limited partners in which are FJK IV Properties, Inc. and Tee Jay of Florida. The General Partner has the sole and exclusive right to manage the business of the Partnership. Jonathan D'Agostino is the President of the General Partner and a Florida state court has already determined that Mr. Keitel has no authority to act or speak on behalf of the General Partner. In any event, there is a lawsuit between the limited partners that has been pending since 2012 and the Partnership cannot properly consider the sale of the building in the midst of this litigation and given other issues presently affecting the Partnership.

Mr. Keitel has also copied on his email the trial lawyer from the United States Trustee's Office who is overseeing Mr. Keitel's personal bankruptcy case, and while we do not understand why he has included Ms. Feinman in this exchange since neither the owner of the building nor either of the partners are in bankruptcy, if there is some basis for the Bankruptcy Court to be involved, Mr. Keitel has never sought any bankruptcy court approval for any of his activities in this regard.

At such time as the Partnership may in the future desire to sell this property, we would certainly keep your information on file.

Thank you

John Dodge

I have forwarded your \$12,000,000.00 offer and LOI to Jonathan D'Agostino who represents TeeJay of Florida, RLLP, who own 50% of the First Republic Bank Building, and his lawyers, as well as multiple correspondence and emails requesting an immediate response.to/from both Jonathan, and his lawyers, Heather Ries at Fox Rothschild, and Eric Christu at Shutts and Bowen.

I have explained the importance of a quick answer, since April, when you made the initial offer of \$11,500,000., due to your client's 1031 Exchange requirements. I also told Jonathan and his lawyers that your clients, would accept a counter at \$12,000,000.00 (prior to your written counter for \$12m), but don't want to continue to bid against themselves.

Jonathan, and his lawyers have refused to respond, because, as per his email below,, "in his (my) business judgment, it is not in the best interest of FJK Tee Jay Ltd to make an initial contact with these unsolicited interested parties".

Obviously Jonathan and his lawyers are playing games for litigation purposes, and have refused to respond, in violation of his Fiduciary duties to FJK Tee Jay, Ltd, and the limited partners, and/or attempt to devalue the FMV of the building.

Since Jonathan and the lawyers for the LTD have been on notice of the offer(s), LOI's and all correspondence for almost a month, I suggest you send the offer directly to Jonathan D'Agostino (email address above), and his lawyer directly, and give them 48 hours to respond. Since they have had a long, long time to consider the LOI's, counter offers, and/or their options, they have a duty to FJK-TeeJay, LTD, and the limited partners, to respond immediately to your client's offer.

If you don't get a response with the time frame, I'll file a Emergency Motion to Dissolve the LTD, and put the property up for sale. All the email addresses will be listed at the top and everyone copied by my email.

Since I have copied everyone in this email, Jonathan and his lawyers will know immediately to expect your offer. I have previously forwarded both the signed \$11,5000,000. LOI, and your clients unsigned \$12,000,000

LOI, notifying them that once signed by FJK Tee Jay, Ltd, your client would sign immediately and wire a deposit.

Jonathan has the option to consult with me, and either accept the offer, and/counter the offer, or be in breach of his duties, so all the partners in FJK-TeeJay,Ltd, agree to the terms.

Thanks for your serious interest and patience. Rick

Rick-

In my business judgment, it is not in the best interests of FJK Tee Jay Ltd to make an initial contact with these unsolicited interested parties. While the parties may have had prior contact with you, I was not privy to the conversations and therefore lack necessary information to assess the credibility and viability of any offer or to formulate any negotiation strategy.

If there are parties who are interested in the property, they need to initiate contact with me as President of the General Partner. This will allow the best analysis of any offer and ensure the best result for FJK Tee Jay Ltd., should the partners decide to pursue any sale.

Best,

Jonathan D'Agostino

| 2 | A. To the best of my knowledge, I did not remember |
| 3 | that the mortgage was part of that. |
| 4 | Q. But you really would correct that statement and |
| 5 | say, yes, you were. That was an incorrect statement. |
| 6 | A. That was an incorrect statement. |
| 7 | Q. Uh-huh. When did you discover that that was an |
| 8 | incorrect statement that you'd made under oath to |
| 9 | Judge Hyman? |
| 10 | A. A matter of probably a week ago perhaps when I |
| 11 | was going through files. |
| 12 | Q. Have you taken any steps to correct this |
| 13 | incorrect statement with Judge Hyman? |
| 14 | A. No, because I didn't considered it, number |
| 15 | one, pretty irrelevant, but, number two, more important, |
| 16 | is that was to the best of my knowledge at that time. |
| 17 | Q. But now your knowledge is, after having looked |
| 18 | at your records, your knowledge is such that that answer |
| 19 | should have been yes, correct? |
| 20 | A. That's correct. |
| 21 | Q. Did you ever have a discussion with Mr. Lubitz |
| 22 | about where this money should go when it showed up in |
| 23 | your trust account? |
| 24 | A. I do not remember having any discussions with |
| 25 | Mr. Lubitz, no. |

If Florida Capital Management was being handled 8 back then, it would show, but I don't -- I don't know 9 that it was. I mean, we have nothing reflecting Florida 10 Capital Management back then. 11 Okay. Well, the money that went from Q. 12 Mr. D'Agostino, the 2 million to fund the mortgage ---13 Α. COMMENTS ON THE SUBJECT SITE

THE SUBJECT IS LOCATED BETWEEN ROYAL PALM WAY AND WORTH AVENUE ON THE CENTRAL PORTION OF THE ISLAND WHICH IS A VERY DESIRABLE LOCATION. IN REFERENCE TO THE TAX MAP AND PHOTOS, THE SITE HAS DIMENSIONS OF 100' X 180' AND IS ADJACENT TO A HIGH RISE CONDOMINIUM.

HIGHEST AND BEST USE

THE SITE IS CURRENTLY IMPROVED WITH RENTAL UNITS CONSTRUCTED IN 1925. HOWEVER, DUE TO THEIR AGE AND INCREASING LAND VALUES, THE IMPROVEMENTS WERE NOT CONSIDERED TO CONTRIBUTE TO VALUE

THE SITE IS ZONED MULTIPLE FAMILY R-C WHICH REQUIRES MINIMUM SITE SIZE OF 13,333 SQUARE FEET TO CONSTRUCT TWO ATTACHED LUXURY TOWNHOMES WHICH IS A COMMON USE FOR THE IMMEDIATE AREA. TOWNHOME DEVELOPMENT WAS CONSIDERED TO BE THE HIGHEST AND BEST USE FOR THE SUBJECT SITE SINCE THE SITE CONTAINS 18,000 SQUARE FEET.

LAND VALUE ANALYSIS

FOUR LAND SALES WERE ANALYZED TO ESTIMATE THE VALUE OF THE SUBJECT SITE. SINCE THIS MARKET IS INCREASING, ALL SALES WERE ADJUSTED UPWARD FOR TIME TO EQUATE THEM TO CURRENT MARKET CONDITIONS. WHILE THE SALES 1 AND 3 ON THE SAME STREET INDICATE A DECLINE IN VALUE WITH REGARDS TO THEIR PRICE PER SQUARE FOOT, THIS IS DUE TO THE IMPERFECTIONS OF THE MARKET. THE TIME ADJUSTMENTS WERE ESTIMATED AT .5% PER MONTH OF THEIR SALE PRICE WHICH WERE APPLIED FROM THEIR SALE DATES, UP TO AND INCLUDING OCTOBER 2016.

THE ADJUSTMENTS FOR LOCATION AND EXPOSURE WERE APPLIED ON A PERCENTAGE BASIS OF THE TIME ADJUSTED SALE PRICES WHICH WERE ROUNDED TO THE NEAREST \$10,000. CONSIDERATION WAS GIVEN TO THE SUBJECTS LOCATION NEXT TO THE BRAZILIAN OF PALM BEACH CONDOMINIUM WHICH WOULD OFFER INFERIOR VIEWS FROM THE HYPOTHETICAL EAST SUBJECT TOWNHOME COMPARED TO AN EXPOSURE TO A SINGLE FAMILY HOME. SALES 1 AND 3 ARE INFERIOR LOCATIONS NORTH OF ROYAL POINICIANA WAY. THE DOWNWARD ADJUSTMENTS FOR VIEW WERE OFFSET BY THEIR INFERIOR LOCATION.

THE LOT SIZE ADJUSTMENTS WERE BASED ON THE DIFFERENCE IN SIZE TIMES \$275 PER SQUARE FOOT.

THE PREMIUM FOR A TOWNHOME CAPABLE LOT WITH REGARDS TO ZONING AND LOT SIZE WAS ESTIMATED AT 5% OF THE TIME ADJUSTED SALE PRICE.

LASTLY, UPWARD ADJUSTMENTS WERE APPLIED FOR THE BUILDING APPROVAL COSTS WHICH WERE STATED TO BE \$325,000 TO DATE FROM THE OWNER.

THE LAND VALUE CONCLUSION OF \$5,175,000 EXCLUSIVE OF \$325,000 PERMITS FEES EQUATES TO \$288 PER SQUARE FOOT WHICH WAS CONSIDERED TO BE REASONABLE COMPARED TO THE OTHER INDICATIONS.

DEFINITION OF MARKET VALUE: The most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller, each acting prudently, knowledgeably and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby: (1) buyer and seller are typically motivated; (2) both parties are well informed or well advised, and each acting in what he considers his own best interest; (3) a reasonable time is allowed for exposure in the open market; (4) payment is made in terms of cash in U.S. dollars or in terms of financial arrangements comparable thereto; and (5) the price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions* granted by anyone associated with the sale.

*Adjustments to the comparables must be made for special or creative financing or sales concessions. No adjustments are necessary for those costs which are normally paid by sellers as a result of tradition or law in a market area; these costs are readily identifiable since the seller pays these costs in virtually all sales transactions. Special or creative financing adjustments can be made to the comparable property by comparisons to financing terms offered by a third party institutional lender that is not already involved in the property or transaction. Any adjustment should not be calculated on a mechanical dollar for dollar cost of the financing or concession but the dollar amount of any adjustment should approximate the market's reaction to the financing or concessions based on the Appraiser's judgment.

STATEMENT OF LIMITING CONDITIONS AND APPRAISER'S CERTIFICATION

CONTINGENT AND LIMITING CONDITIONS: The appraiser's certification that appears in the appraisal report is subject to the following conditions:

1. The appraiser will not be responsible for matters of a legal nature that affect either the property being appraised or the title to it. The appraiser assumes that the title is good and marketable and, therefore, will not render any opinions about the title. The property is appraised on the basis of it being under responsible ownership.

2. The appraiser has provided a sketch in the appraisal report to show approximate dimensions of the improvements and the sketch is included only to assist the reader of the report in visualizing the property and understanding the appraiser's determination of its size.

3. The appraiser has examined the available flood maps that are provided by the Federal Emergency Management Agency (or other data sources) and has noted in the appraisal report whether the subject site is located in an identified Special Flood Hazard Area. Because the appraiser is not a surveyor, he or she makes no guarantees, express or implied, regarding this determination.

4. The appraiser will not give testimony or appear in court because he or she made an appraisal of the property in question, unless specific arrangements to do so have been made beforehand.

5. The appraiser has estimated the value of the land in the cost approach at its highest and best use and the improvements at their contributory value. These separate valuations of the land and improvements must not be used in conjunction with any other appraisal and are invalid if they are so used.

6. The appraiser has noted in the appraisal report any adverse conditions (such as, needed repairs, depreciation, the presence of hazardous wastes, toxic substances, etc.) observed during the inspection of the subject property or that he or she became aware of during the normal research involved in performing the appraisal. Unless otherwise stated in the appraisal report, the appraiser has no knowledge of any hidden or unapparent conditions of the property or adverse environmental conditions (including the presence of hazardous wastes, toxic substances, etc.) that would make the property more or less valuable, and has assumed that there are no such conditions and makes no guarantees or warranties, express or implied, regarding the condition of the property. The appraiser will not be responsible for any such conditions that do exist or for any engineering or testing that might be required to discover whether such conditions exist. Because the appraiser is not an expert in the field of environmental hazards, the appraisal report must not be considered as an environmental assessment of the property.

7. The appraiser obtained the information, estimates, and opinions that were expressed in the appraisal report from sources that he or she considers to be reliable and believes them to be true and correct. The appraiser does not assume responsibility for the accuracy of such items that were furnished by other parties.

8. The appraiser will not disclose the contents of the appraisal report except as provided for in the Uniform Standards of Professional Appraisal Practice.

9. The appraiser has based his or her appraisal report and valuation conclusion for an appraisal that is subject to satisfactory completion, repairs, or alterations on the assumption that completion of the improvements will be performed in a workmanlike manner.

10. The appraiser must provide his or her prior written consent before the lender/client specified in the appraisal report can distribute the appraisal report (including conclusions about the property value, the appraiser's identity and professional designations, and references to any professional appraisal organizations or the firm with which the appraiser is associated) to anyone other than the borrower; the mortgagee or its successors and assigns; the mortgage insurer; consultants; professional appraisal organizations; any state or federally approved financial institution; or any department, agency, or instrumentality of the United States or any state or the District of Columbia; except that the lender/client may distribute the property description section of the report only to data collection or reporting service(s) without having to obtain the appraiser's prior written consent. The appraiser's written consent and approval must also be obtained before the appraisal can be conveyed by anyone to the public through advertising, public relations, news, sales, or other media.

APPRAISERS CERTIFICATION: The Appraiser certifies and agrees that:

1. I have researched the subject market area and have selected a minimum of three recent sales of properties most similar and proximate to the subject property for consideration in the sales comparison analysis and have made a dollar adjustment when appropriate to reflect the market reaction to those items of significant variation. If a significant item in a comparable property is superior to , or more favorable than, the subject property, I have made a negative adjustment to reduce the adjusted sales price of the comparable and, if a significant item in a comparable property is inferior to, or less favorable than the subject property, I have made a positive adjustment to increase the adjusted sales price of the comparable.

2. I have taken into consideration the factors that have an impact on value in my development of the estimate of market value in the appraisal report. I have not knowingly withheld any significant information from the appraisal report and I believe, to the best of my knowledge, that all statements and information in the appraisal report are true and correct.

3. I stated in the appraisal report only my own personal, unbiased, and professional analysis, opinions, and conclusions, which are subject only to the contingent and Limiting Conditions specified in this form.

4. I have no present or prospective interest in the property that is the subject to this report, and I have no present or prospective personal interest or bias with respect to the participants in the transaction. I did not base, either partially or completely, my analysis and/or the estimate of market value in the appraisal report on the race, color, religion, sex, handicap, familial status, or national origin of either the prospective owners or occupants of the subject property or of the present owners or occupants of the properties in the vicinity of the subject property.

5. I have no present or contemplated future interest in the subject property, and neither my current or future employment nor my compensation for performing this appraisal is contingent on the appraised value of the property.

6. I was not required to report a predetermined value or direction in value that favors the cause of the client or any related party, the amount of the value estimate, the attainment of a specific result, or the occurrence of a subsequent event in order to receive my compensation and/or employment for performing the appraisal. I did not base the appraisal report on a requested minimum valuation, a specific valuation, or the need to approve a specific mortgage loan.

7. I performed this appraisal in conformity with the Uniform Standards of Professional Appraisal Practice that were adopted and promulgated by the Appraisal Standards Board of The Appraisal Foundation and that were in place as of the effective date of this appraisal, with the exception of the departure provision of those Standards, which does not apply. I acknowledge that an estimate of a reasonable time for exposure in the open market is a condition in the definition of market value and the estimate I developed is consistent with the marketing time noted in the neighborhood section of this report, unless I have otherwise stated in the reconciliation section.

8. I have personally inspected the subject property and the exterior of all properties listed as comparables in the appraisal report. I further certify that I have noted any apparent or known adverse conditions in the subject improvements, on the subject site, or on any site within the immediate vicinity of the subject property of which I am aware and have made adjustments for these adverse conditions in my analysis of the property value to the extent that I had market evidence to support them. I have also commented about the effect of the adverse conditions on the marketability of the subject property.

9. I personally prepared all conclusions and opinions about the real estate that were set forth in the appraisal report. If I relied on significant professional assistance from any individual or individuals in the performance of the appraisal or the preparation of the appraisal report, I have named such individual(s) and disclosed the specific tasks performed by them in the reconciliation section of this appraisal report. I certify that any individual so named is qualified to perform the tasks. I have not authorized anyone to make a change to any item in the report; therefore, if an unauthorized change is made to the appraisal report, I will take no responsibility for it.

SUPERVISORY APPRAISER'S CERTIFICATION: If a supervisory appraiser signed the appraisal report, he or she certifies and agrees that: I directly supervise the appraiser who prepared the appraisal report, have reviewed the appraisal report, agree with the statements and conclusions of the appraiser, agree to be bound by the appraiser's certifications numbered 4 through 7 above, and am taking full responsibility for the appraisal and the appraisal report.

FREDERICK J. KEITEL, III,

Chapter 11

Debtor.

DEBTOR'S MOTION TO COMPEL CREDITOR TRUSTEE THOMAS B. D'AGOSTINO, SR.'S ANSWERS TO DEPOSITION QUESTIONS AND FOR ENTRY OF AN ORDER TO SHOW CAUSE AGAINST CREDITOR ATTORNEY ERIC CHRISTU

Debtor, Frederick J. Keitel, III ("Keitel" or the "Debtor") *pro se*, files this Motion to Compel Creditor Trustee Thomas B. D'Agostino, Sr.'s Answers to Deposition Questions and for Entry of an Order to Show Cause against Creditor Attorney Eric Christu, and in support thereof, states as follows:

1. On September 29, 2016, from approximately 1:30 p.m. to 3:20 p.m., Debtor, through the undersigned, took the deposition of Thomas B.D'Agostino, Sr. ("D'Agostino, Sr."), Trustee to Creditor Thomas B. and Elzbieta M. D'Agostino 1997 CRT (the "Trust"), at the offices of Phipps Reporting, 1551 Forum Place, Bldg. 200, Suite E, West Palm Beach, Florida (see *Deposition of Thomas D'Agostino, Sr.*, attached hereto as Exhibit "A").

2. During the aforementioned deposition, the undersigned asked D'Agostino, Sr. numerous relevant questions and/or questions designed to lead to the discovery of relevant evidence.

3. Throughout D'Agostino, Sr.'s testimony, however, the Trust's attorney, Eric Christu, continually interjected himself into the proceedings to prevent the undersigned from traveling down relevant lines of inquiry.

Case 15-21654-EPK Doc 383 Filed 10/25/16 Page 64 of 69

4. In addition to blatantly directing D'Agostino, Sr. not to answer proper questions, Mr. Christu would engage in drawn out speaking objections and commentary, from which his client would take cues and subsequently refuse to answer any questions on a particular topic any further.

5. These types of hindrances began literally at the beginning of the deposition, and continued until its premature adjournment.

6. By way of example, the following interaction occurred after the undersigned sought only to learn whether D'Agostino, Sr. and the Trust were seeking to stop the Debtor from developing the 237 Brazilian Avenue property, which is central to the reorganization plan in this matter:

Q. Are you trying to stop the construction of the property; the redevelopment?

A. I believe that I was supposed to be paid by you, according to the court, and I know that I have never been paid by you. You're behind. So if that's what it is...

Q. I'm asking you, sitting here today as trustee of the trust, if you're trying to stop Florida Capital Management from going ahead and developing the two townhomes at 237 Brazilian Avenue?

MR. CHRISTU: I'm going to object. It's been asked and answered. I'm going to object to the extent it calls for a legal conclusion.

Mr. Keitel, I object. It has nothing to do with the motion to convert that is before the court.

BY MR. KEITEL:

Q. Fine. Your objection is note. [sic]

Please answer, Mr. D'Agostino.

| MR. CHRISTU: | We can call the judge, as you know. |
|--------------|---------------------------------------------------|
| MR. KEITEL: | Call the judge. |
| MR. CHRISTU: | So if you're not |
| MR. KEITEL: | This is continually done by you in every hearing. |

You call the judge right now, and we'll sit here and ask him questions.

MR. CHRISTU: I will call the judge when I believe you have done something improper, but move on.

MR. KEITEL: Fine. Please read the question to Mr. D'Agostino.

THE COURT REPORTER: "I'm asking you, sitting here today as trustee of the trust, if you're trying to stop Florida Capital Management from going ahead and developing the two townhomes at 237 Brazilian Avenue?"

MR. CHRISTU: Objection, asked and answered.

BY MR. KEITEL:

Q. You can answer.

A. I've given you my best answer that I can give you.

Q. I'm asking whether or not you're trying to stop the development plans at Florida Capital Management? It's a yes or no question.

A. I think I have given you the best answer that I can give you.

Q. I'm looking for a yes or no. You're either trying to stop it or you're not.

MR. CHRISTU: Mr. Keitel, the witness has answered.

Case 15-21654-EPK Doc 383 Filed 10/25/16 Page 66 of 69

MR. KEITEL: He has not answered the question.

MR. CHRISTU: He has answered it.

(P. 6, L. 15-25; P. 7, L. 1-25; P. 8, L. 1-20, *Deposition of Thomas D'Agostino, Sr.*, attached hereto as Exhibit "A").

7. In addition to making speaking objections, from which D'Agostino, Sr. clearly took direction, Mr. Christu attempted to use the threat of calling the Court to intimidate the undersigned into backing off of a proper line of questioning. When the undersigned requested that the Court be called, Mr. Christu suddenly saw no reason to do so at that time.

8. The duration of the deposition continued as it began: D'Agostino, Sr. persisted in refusing to answer simple "yes" or "no" questions with a "yes" or "no", Mr. Christu continued to make speaking objections and running commentary, as well as continuous threats to involve the Court.

9. In preparation for the upcoming Motion to Convert, the Debtor has the right to inquire into areas relevant to the issues raised in that motion. The Trust has not allowed the Debtor to do so and thus, the Debtor would request that the Court enter an order directing D'Agostino, Sr. to reappear for his deposition and to provide responsive answers to all relevant questions posed to him, including those directed to him during the September 29, 2016 deposition proceeding.

10. The Debtor further requests that the Court take notice of and review the attached deposition transcript (Exhibit "A") and the misbehavior contained therein, and enter an Order to Show Cause why Mr. Christu should not be held in contempt of this Court and subject to sanctions.

Case 15-21654-EPK Doc 383 Filed 10/25/16 Page 67 of 69

WHEREFORE, the Debtor respectfully requests that this Honorable Court: 1) enter an order directing Creditor Trustee Thomas D'Agostino, Sr. to reappear for his deposition and to provide responsive answers to all relevant questions, including those posed during the September 29, 2016 deposition; and 2) enter an Order to Show Cause why Eric Christu should not be held in contempt of Court and subject to sanctions; and such further relief as deemed necessary and proper.

Dated: October 25, 2016

Respectfully Submitted,
