#### II. BACKGROUND

The Debtor, Ballantrae, LLC, operates a preschool/day care facility in Jupiter, FL known as Oceanside Academey. The company is owned by Corinne Gates and operated by individuals with many years of experience in the preschool/day care industry. Ms. Gates,

through Ballantrae, purchased an existing school in January 2015. The school was profitable from April 2015 through May 2016. Then an unexpected drop in income occurred. It was not discovered for many months that the director hired to run Ballantrae was diverting income to herself.

Since the case was filed in March, 2017, the Debtor's principal, Corinne Gates, has been assisting the company in meeting its financial obligations by putting in approximately \$14,000.00 per month. Ballantrae's enrollment has been slowly increasing. If the enrollment continues to rise at its current rate, by January 2018 Ballantrae will no longer need the assistance of Ms. Gates to meet its obligations.

#### III. FINANCIAL INFORMATION

The Debtor has filed schedules of assets, liabilities, income and expenses, a Statement of Financial Affairs, and Monthly Operating Reports which contain the most accurate and current information available to the Debtor.

A. Real Property. The Debtor owns the property and the school. A recent appraisal values the property at \$2,900,000.00.

#### B. Personal Property

The Debtor has furniture for children and vehicles. The furnishings were valued at \$20,000.00 at the time of the filing. The two vehicles, a 2003 Ford Econo Van and a 2005 GMC Savana, were valued at \$13,000.00.

#### C. Ability to Fund and Complete Plan

The Debtor's ability to fully fund the plan and make payments is dependent on enrollment. As the school continues to grow, the income will increase. A copy of the projected

budget is attached hereto.

## **IV. EXECUTORY CONTRACTS**

The Debtor has a copier lease. This lease is assumed.

## V. LIQUIDATION ANAYLSIS

Estimated value of assets:		
Real estate and improvemen	ts	\$2,900,000.00
Office furniture and equipme Vehicles Cash on hand	ent	\$20,000.00 \$13,000.00 \$ 6,400.00
Liens on assets:	American Business Lending \$ 3,417,808	
	Total Liens	\$3,417,808
Amount available for unsecured creditors		\$0.00
Administrative Claims	\$15,000.00	
Priority Claims	\$ 507.78	

#### V. SPECIAL RISK FACTORS

Amount available for general unsecured creditors

Certain substantial risk factors are inherent in most plans of reorganization in Chapter 11

\$0.00

cases. If such plans are accepted, it is usually because they represent a greater return in dividends than in a liquidating Chapter 7 case. This Plan bears the risk that the Debtor continues to receive contracts from the federal government. If this case were dismissed or converted, it is not likely that creditors will receive any distribution.

ALL THE RISK FACTORS INHERENT IN A PLAN OF REORGANIZATION UNDER CHAPTER 11 ARE PRESENT IN THIS CASE. CREDITORS ARE URGED TO CAREFULLY READ THIS DISLOSURE STATEMENT AND THE ACCOMPANYING PLAN OF REORGANIZATION SO THAT AN INFORMED JUDGMENT CAN BE MADE WITH RESPECT TO VOTING ON THE PLAN.

#### VII. CLAIMS

The deadline to file a proof of claim was June 21, 2017.

No unsecured claims have been filed.

Palm Beach County Tax Collector has withdrawn its proof of claim.

American Business Lending, Inc. has filed a secured claim in the amount of \$3,417,808.64.

#### IX. SUMMARY OF PLAN OF REORGANIZATION

#### A. Purpose of the Plan of Reorganization

As required by the Code, the Plan places claims and equity interests in various classes and describes the treatment each class will receive. The Plan also states whether each class of claims or equity interests is impaired or unimpaired. If the Plan is confirmed, your recovery will be limited to the amount provided by the Plan.

#### B. Unclassified Claims

Certain types of claims are automatically entitled to specific treatment under the Code. They are not considered impaired, and holders of such claims do not vote on the Plan. They may, however, object if, in their view, their treatment under the Plan does not comply with that required by the Code. As such, the Plan Proponent has not placed the following claims in any class:

#### 1. Administrative Claims

Administrative expenses are costs or expenses or administering the Debtor's chapter 11 case which are allowed under § 507(a)(2) of the Code. Administrative expenses also include the value of any goods sold to the Debtor in the ordinary course of business and received within 20 days before the date of the bankruptcy petition. The Code requires that all administrative expenses be paid on the effective date of the Plan, unless a particular claimant agrees to a different treatment.

#### Administrative claims:

Professional fees:	Estimated \$25,000.00	Subject to Court authorization, to be paid in full on effective date or as agreed to by attorney and Debtor. To date, the Debtor has paid a retainer of \$8,000.00
Office of the U.S. Trustee	Current	Paid in full on effective date

#### 2. Priority Claims

The IRS has filed a priority claim in the amount of \$421.28. The claim will be paid in full on the effective date.

Palm Beach County tax collector has withdrawn its claim.

#### C. Classes of Claims and Equity Interests

The Plan shall provide for the payment of all expenses of this proceeding, including fees due the Office of the U.S. Trustee. The accompanying Plan of Reorganization divides creditors into the following classes:

Class 1 – The allowed secured claim of American Business Lending in the amount of \$3,417,808.64. This amount will be paid at the rate provide in the note, 6% over a period of 360 months. The Debtor will pay interest only through December 2017 in the amount of \$15,664.96. Regular monthly payments in the amount of \$20,491.49 will begin in January 2018, and will be paid on the 5<sup>th</sup> of each month. Liens against collateral shall remain until this claim is paid in full according to this Plan. This class is impaired.

Class 2 – The members of the Debtor shall retain all property of the estate.

The Debtor shall pay the United States Trustee the appropriate sum required pursuant to 28 U.S.C. Section 1930(a)(6) within ten (10) days of the entry of this order for pre-confirmation periods and simultaneously provide to the United States Trustee an appropriate affidavit indicating the cash disbursements for the relevant period. The reorganized Debtor shall further pay the United States Trustee the appropriate sum required pursuant to 28 U.S.C. § 1930(a)(6) based upon all disbursements of the reorganized debtor for post-confirmation periods within the time period set forth in 28 U.S.C. § 1930(a)(6), until the earlier of the closing of this case by the

issuance of a Final Decree by the Court, or upon the entry of an Order by this Court dismissing this case or converting this case to another chapter under the United States Bankruptcy Code, and the party responsible for paying the post-confirmation United States Trustee fees shall provide to the United States Trustee upon the payment of each post-confirmation payment an appropriate affidavit indicating all the cash disbursements for the relevant period.

The plan proposes to pay all costs and expenses of administration within thirty days of the date of confirmation of the Plan, or within such additional time as the administrative claimants may allow (such as in the case of Colonial Surety). The total amount of administrative expenses has not yet been determined, but will be set by the Court at the hearing on the confirmation of the Plan.

The plan will be funded by the income received by the Debtor from current and future projects it is awarded. The Debtor has attached the debtor in possession monthly reports and future projections. The Plan of Reorganization is deemed by the Debtor to be feasible.

#### X. CONFIRMATION REQUIREMENTS AND PROCEDURES

To be confirmable, the Plan must meet the requirements listed in §§ 1129(a) or (b) of the Code. These include the requires that: the Plan must be proposed in good faith; at least one impaired class of claims must accept the plan, without counting votes of insiders; the Plan must distribute to each creditor at least as much as the creditor would receive in a chapter 7 liquidation case, unless the creditor votes to accept the Plan; and the Plan must be feasible. These requirements are not the only requirements listed in § 1129, and they are not the only requirements for confirmation.

#### A. Who May Vote or Object

Any party in interest may object to the confirmation of the Plan if the party believes that the requirements for confirmation are not met.

Many parties in interest, however, are not entitled to accept or reject the Plan. A creditor has a right to vote for or against the Plan only if that creditor has a claim that is both (1) allowed or allowed for voting purposes and (2) impaired.

In this case, the Plan Proponent believes that classes are impaired and that holders of claims in each of these classes are therefore entitled to vote to accept or reject the Plan. The Plan Proponent believes that classes are unimpaired and that holders of claims in each of these classes, therefore, do not have the right to vote to accept or reject the Plan.

#### 1. What is an Allowed Claim?

Only a creditor with an allowed claim has the right to vote on the Plan. Generally, a claim is allowed if either (1) the Debtor has scheduled the claim on the Debtor's schedules, unless the claim has been scheduled as disputed, contingent, or unliquidated, or (2) the creditor has filed a proof of claim, unless an objection has been filed to such proof of claim. When a claim is not allowed, the creditor holding the claim cannot vote unless the Court, after notice and hearing, either overrules the objection or allows the claim for voting purposes pursuant to Rule 3018(a) of the Federal Rules of Bankruptcy Procedure.

## The deadline for filing a proof of claim in this case was June 21, 2017.

#### 2. What is an Impaired Claim?

As noted above, the holder of an allowed claim has the right to vote only if it is in a class that is impaired under the Plan. As provided in § 1124 of the Code, a class in considered impaired if the Plan alters the legal, equitable, or contractual rights of the members of that class.

#### 3. Who is Not Entitled to Vote?

The holders of the following types of claims and equity interests are not entitled to vote:

- holders of claims and equity interests that have been disallowed by an order of the Court;
- holders of claims and equity interests that are not "allowed claims" or "allowed equity interests", unless they have been "allowed" for voting purposes.
- holders of claims or equity interests in unimpaired classes;
- holders of claims entitled to priority pursuant to §§ 507(a)(2), (a)(3) and (a)(8) of the Code;
- holders of claims or equity interests in classes that do not receive or retain any value
   under the Plan; and
- administrative expenses

Even if you are not entitled to Vote on the Plan, you have a right to object to Confirmation of the Plan.

#### 4. Who Can Vote in More than One Class?

A creditor whose claim has been allowed in part as a secured claim and in part as an unsecured claim, or who otherwise holds claims in multiple classes, is entitled to accept or reject a Plan in each capacity, and should cast one ballot for each claim.

#### B. Votes Necessary to Confirm the Plan

If impaired classes exist, the Court cannot confirm the Plan unless (1) at least one impaired class of creditors has accepted the Plan without counting the votes of any insiders within that class of creditors, and (2) all impaired classes have voted to accept the Plan, unless the Plan is eligible to be confirmed by "cram down" on non-accepting classes as discussed

below in Section B.2.

#### 1. Votes Necessary for a Class to Accept the Plan

A class of claims accepts the Plan if both of the following occur: (1) the holders of more than one-half (1/2) of the allowed claims in the class, who vote, cast their votes to accept the Plan, and (2) the holders of at least two-thirds (2/3) in dollar amount of the allowed claims in the class, who vote, cast their votes to accept the Plan.

### 2. Treatment of Nonaccepting Classes

Even if one or more impaired classes reject the Plan, the Court may nonetheless confirm the Plan if the nonaccepting classes are treated in the manned prescribed by § 1129(b) of the Code. A plan that binds nonaccepting classes is commonly referred to as a "cram down" plan. The Code allows the Plan to bind nonaccepting classes or of claims or equity interests if it meets all the requirements for consensual confirmation except the voting requirements of § 1129(a)(8) of the Code, does not "discriminate unfairly" and is "fair and equitable" toward each impaired class that has not voted to accept the Plan.

You should consult your own attorney if a "cram down" confirmation will affect your claim or equity interest, as the variations on this general rule are numerous and complex.

#### XI. EFFECT OF CONFIRMATION OF PLAN

On the effective date of the Plan, the Debtor shall be discharged from any debt that arose before confirmation of the Plan, subject to the occurrence of the effective date, to the extent specified in § 1141(d)(1)(A) of the Code, except that the Debtor shall not be discharged of any debt (i) imposed by the Plan, (ii) of a kind specified in § 1141(d)(6)(A) if a timely complaint was filed in accordance with Rule 4007(c) of the Federal Rules of Bankruptcy

Procedure, or (iii) of a kind specified in § 1141(d)(6)(B). After the effective date of the Plan, your claims against the Debtor will be limited to the debts described in clauses (i) through (iii) of the preceding sentence.

### XII. CONCLUSION

The Plan offers to cure the amount owed to secured creditors and pay unsecured 100% of their allowed claim without interest.
