Case No. 13-12404 (CSS)

(Jointly Administered)

**GLOBAL NOTES REGARDING
DEBTORS' BANKRUPTCY SCHEDULES AND STATEMENTS**

General Notes

The Schedules of Assets and Liabilities (the “**Schedules**”) and Statements of Financial Affairs (the “**SOFA**” and, collectively with the Schedules, the “**Bankruptcy Materials**”) of PMGI Holdings, Inc. (“**PMGI**”) and its affiliated debtors in the above-captioned, jointly administered chapter 11 cases (collectively, the “**Debtors**”) were prepared pursuant to 11 U.S.C. § 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure by management of the Debtors and are unaudited. While the Debtors’ management has made reasonable efforts to ensure that the Bankruptcy Materials are accurate and complete, based upon information that was available to them at the time of preparation, subsequent information may result in material changes to the Bankruptcy Materials. Moreover, because the Bankruptcy Materials contain unaudited information which is subject to further review and potential adjustment, there can be no assurance that these Bankruptcy Materials are complete. The Debtors reserve all rights to amend the Bankruptcy Materials from time to time, in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or otherwise assert offsets or defenses to any claim reflected on the Bankruptcy Materials as to amount, liability or classification, or to otherwise subsequently designate any claim as “disputed,” “contingent,” or “unliquidated.” Furthermore, nothing contained in the Bankruptcy Materials shall constitute a waiver of rights with respect to the above-captioned chapter

DEL 86468910v1

11 cases, including but not limited to any issues involving substantive consolidation, equitable subordination, or causes of action arising under the provisions of Chapter 5 of Title 11 of the United States Code (the “**Bankruptcy Code**”) or any other relevant non-bankruptcy laws to recover assets or avoid transfers. These global notes regarding the Debtors’ Bankruptcy Materials (“**Global Notes**”) comprise an integral part of the Bankruptcy Materials and should be referred to and considered in connection with any review of the Bankruptcy Materials.

Basis of Presentation. The Bankruptcy Materials reflect the unconsolidated assets and liabilities of each individual Debtor to the extent distinguishable. The Bankruptcy Materials do not purport to represent financial statements prepared in accordance with U.S. Generally Accepted Accounting Principles (“**GAAP**”).

Causes of Action. The Debtors, despite their efforts, may not have listed all of their causes of action against third parties as assets in the Bankruptcy Materials. The Debtors reserve all of their rights with respect to any causes of action they may have, and neither these Global Notes nor the Bankruptcy Materials shall be deemed a waiver of any such causes of action.

Claims Description. Any failure to designate a claim on the Debtors’ Bankruptcy Materials as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Debtors that such amount is not “disputed,” “contingent,” or “unliquidated.” The Debtors reserve the right to dispute any claim reflected on their Bankruptcy Materials on any grounds, including but not limited to, amount, liability or classification, or to otherwise subsequently amend the Bankruptcy Materials or to designate such claims as “disputed,” “contingent,” or “unliquidated.”

Claims Paid Pursuant to Court Orders. The United States Bankruptcy Court for the District of Delaware (the “**Court**”) authorized the Debtors to pay discrete prepetition claims, including but not limited to, insurance payments, certain taxes, employee related claims, and customer claims. Consequently, certain prepetition fixed, liquidated and undisputed unsecured claims have been paid following the Petition Date. Accordingly, only claims against the Debtors for prepetition amounts that have not been paid as of the time the Bankruptcy Materials were prepared, and which are not anticipated to be paid in the ordinary course of business per these Court orders, have been included in the Bankruptcy Materials.

Confidentiality. In a limited number of instances names of individual and corporate creditors or other parties have been redacted and an alias listed (e.g. employee1, patient1, etc). Further, in accordance with the *Order Pursuant to 11 U.S.C. § 107(b)(1), Fed. R. Bankr. P. 9018, and Local Rule 9018-1(B) Authorizing Debtors to File Certain Confidential Information Under Seal*, entered by the Court on October 11, 2013 [Docket No. 128] (the “**Confidentiality Order**”), certain parties delineated in the Confidentiality Order have been redacted and an alias listed or aggregate information provided, as applicable. Due to the confidential nature of certain amounts owing to certain individuals

or the nature of the confidential business transaction with the Debtors, the Debtors have deemed it appropriate and necessary to avoid listing such names.

Dates. Unless otherwise indicated, all asset information is listed as of August 31, 2013 and all liability information is listed as of September 17, 2013.

General Reservation of Rights. The Debtors specifically reserve the right to amend, modify, supply, correct, change or alter any part of their Schedules and SOFAs as and to the extent necessary as they deem appropriate.

Insiders. In the circumstance where the Bankruptcy Materials require information regarding insiders and/or officers and directors, the Debtors have attempted to include therein each of the Debtors' (a) directors and (b) employees that may be, or may have been during the relevant period, "officers," as such term is defined by applicable law. The listing of a party as an insider is not intended to be, nor should it be, construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims, and defenses are hereby expressly reserved. Employees have been included in this disclosure for informational purposes only and should not be deemed to be "insiders" in terms of control of the Debtors, management responsibilities or functions, decision-making or corporate authority and/or as otherwise defined by applicable law, including without limitation, federal securities laws, or with respect to any theories of liability or for any other purpose.

Leases. In the ordinary course of business, the Debtors may lease certain fixtures and equipment from certain third party lessors for use in the daily operation of their businesses. The underlying lease agreements are listed on Schedule G and any current amount due under such leases that were outstanding as of the Petition Date are listed on Schedule F. Nothing in the Schedules and Statements is or shall be construed as an admission as to the determination of the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all rights with respect to such issues.

Litigation. Certain litigation reflected as claims against one of the Debtor entities may relate to any of the other Debtors. The Debtors have made reasonable efforts to accurately record these actions in the Bankruptcy Materials of the Debtors that are the party to the action.

Specific Notes. These Global Notes are in addition to the specific notes set forth below and in the individual Bankruptcy Materials. Disclosure of information in one Schedule, SOFA, exhibit, or continuation sheet even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule, SOFA, exhibit or continuation sheet.

Totals. All totals that are included in the Bankruptcy Materials represent totals of all the known amounts included in the schedules.

Valuation. It would be prohibitively expensive, unduly burdensome and an inefficient use of estate assets for the Debtors to obtain current market valuations of all of their assets. Accordingly, unless otherwise indicated, net book values as of August 31, 2013 are reflected on the Bankruptcy Materials. Amounts ultimately realized will vary from net book value, and such variance may be material. In addition, the amounts shown for total liabilities exclude items identified as “unknown” or “undetermined” therefore, ultimate liabilities may differ materially from those stated in the Bankruptcy Materials.

Notes to the Schedules of Assets and Liabilities

Schedule B.2: Checking, Savings and Other Financial Accounts. Bank account balances included on B.2 are reflective of the opening book balances as of August 31, 2013, which may differ slightly from the bank balances due to common reconciling items. The bank accounts have been listed on Schedule B.2 of the Debtor whose name is actually listed on the bank account. In some instances, the payments made from, and the book balances related to, a particular bank account are reflected on the books of a Debtor other than the one whose actual name is listed on the bank account.

Schedule B.9: Interests in Insurance Policies. A determination as to the surrender or refund value of each of the insurance policies has not been made and therefore the balance is listed as undetermined.

Schedule B.24: Customer Lists. The Debtors have compiled certain lists and related account holder and marketing affiliate information. This information is confidential and therefore has not been included on Schedule B; the omission of such information should not be deemed a conclusion that such information has no value or does not exist.

Schedule D: Creditors Holding Secured Claims. The Debtors reserve the right to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtors. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor’s claim or the characterization of the structure of any such transaction or any document or instrument (including, without limitation, any intercompany agreement) related to such creditor’s claim. In certain instances, a Debtor may be a co-obligor, co-mortgagor or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Except as specifically stated herein, real property lessors, utility companies and other parties which may hold security deposits have not been listed on Schedule D. Certain of the Debtors’ agreements listed on Schedule G may be in the nature of conditional sales agreements or secured

financing agreements. No attempt has been made to identify such agreements for purposes of Schedule D.

Schedule E: Creditors Holding Unsecured Priority Claims. While commercially reasonable efforts have been made, determining the date upon which each claim in Schedule E was incurred or arose would be unduly burdensome and cost prohibitive, and therefore, the Debtors do not list a date for each claim listed on Schedule E.

The Debtors reserve the right to assert that any claim listed on Schedule E does not constitute an unsecured priority claim under 11 U.S.C. § 507.

Schedule F: Creditors Holding Unsecured Non-Priority Claims. Schedule F does not include certain deferred charges, deferred liabilities or general reserves. Such amounts are general estimates of liabilities and do not represent specific claims as of the Petition Date; however, they may be reflected on the Debtors' books and records as required in accordance with GAAP.

The claims listed in Schedule F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. While reasonable efforts have been made to determine the date upon which each claim in Schedule F was incurred or arose, making all such determinations would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list a date for each claim listed on Schedule F.

In addition, certain claims listed on Schedule F may be entitled to priority under 11 U.S.C. § 503(b)(9). The Debtors have made their best efforts to include all trade creditors on Schedule F; however, the Debtors believe there are instances where vendors have yet to provide proper invoices for prepetition goods or services.

Schedule G: Executory Contracts. While commercially reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors, omissions or over-inclusions may have occurred. The Debtors reserve all of their rights to dispute the validity, status or enforceability of any contracts, agreements or leases set forth in Schedule G and to amend or supplement such Schedule as necessary.

The contracts, agreements and leases listed on Schedule G may have expired or may have been modified, amended and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letter and other documents, instruments and agreements which may not be listed therein.

In some cases, the same supplier or provider may have multiple agreements listed in Schedule G. These agreements represent distinct agreements between the applicable Debtor and such supplier or provider, and will be listed as multiple contracts under the same counterparty.

Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. In addition, the applicable Debtor may have entered into various other types of agreements in the ordinary course of their business, such as easements, right of way, subordination, nondisturbance and attornment agreements, supplemental agreements, amendments/letter agreements, title agreements and confidentiality agreements. Such documents are also not set forth on Schedule G.

In addition, certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings. The Debtors reserve all of their rights to dispute or challenge the characterization of the structure of any transaction, or any document or instrument (including, without limitation, any intercompany agreement) related to a creditor's claims. Finally certain of the executory agreements may not have been memorialized and could be subject to dispute.

Listing a contract or agreement on this schedule does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. Any and all of the Debtors' rights, claims, and causes of action with respect to the contracts and agreements listed on this schedule are hereby reserved and preserved. Similarly, the listing of a contract or lease on this schedule does not constitute admission that such document is not a secured financing.

Notes to Statement of Financial Affairs

SOFA 3b: Payments to Creditors. The disbursements listed in 3b do not include interbank transfers made between the Debtors' bank accounts.

SOFA 9: Payments Related to Debt Counseling or Bankruptcy. All payments relating to bankruptcy professionals have been made by Various, Inc. and FriendFinder Networks Inc. on behalf of all of the Debtors.

SOFA 18: Nature, location and name of business. The dates listed as beginning and ending dates of the business refer to the formation dates of the entity which may be different than the dates in which the Debtors became owners of the subsidiaries listed therein.
