If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Check this box if debtor has no creditors holding unsecured claims to report on this Schedule F.

Chapter 11

STATEMENT OF FINANCIAL AFFAIRS

This statement is to be completed by every debtor. Spouses filing a joint petition may file a single statement on which the information for both spouses is combined. If the case is filed under chapter 12 or chapter 13, a married debtor must furnish information for both spouses whether or not a joint petition is filed, unless the spouses are separated and a joint petition is not filed. An individual debtor engaged in business as a sole proprietor, partner, family farmer, or self-employed professional, should provide the information requested on this statement concerning all such activities as well as the individual's personal affairs. To indicate payments, transfers and the like to minor children, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. § 112; Fed. R. Bankr. P. 1007(m).

Questions 1 - 18 are to be completed by all debtors. Debtors that are or have been in business, as defined below, also must complete Questions 19 - 25. **If the answer to an applicable question is "None," mark the box labeled "None."** If additional space is needed for the answer to any question, use and attach a separate sheet properly identified with the case name, case number (if known), and the number of the question.

DEFINITIONS

"In business." A debtor is "in business" for the purpose of this form if the debtor is a corporation or partnership. An individual debtor is "in business" for the purpose of this form if the debtor is or has been, within six years immediately preceding the filing of this bankruptcy case, any of the following: an officer, director, managing executive, or owner of 5 percent or more of the voting or equity securities of a corporation; a partner, other than a limited partner, of a partnership; a sole proprietor or self-employed full-time or part-time. An individual debtor also may be "in business" for the purpose of this form if the debtor engages in a trade, business, or other activity, other than as an employee, to supplement income from the debtor's primary employment.

"Insider." The term "insider" includes but is not limited to: relatives of the debtor; general partners of the debtor and their relatives; corporations of which the debtor is an officer, director, or person in control; officers, directors, and any owner of 5 percent or more of the voting or equity securities of a corporate debtor and their relatives; affiliates of the debtor and insiders of such affiliates; any managing agent of the debtor. 11 U.S.C. § 101.

1. Income from employment or operation of business

None

State the gross amount of income the debtor has received from employment, trade, or profession, or from operation of the debtor's business, including part-time activities either as an employee or in independent trade or business, from the beginning of this calendar year to the date this case was commenced. State also the gross amounts received during the **two years** immediately preceding this calendar year. (A debtor that maintains, or has maintained, financial records on the basis of a fiscal rather than a calendar year may report fiscal year income. Identify the beginning and ending dates of the debtor's fiscal year.) If a joint petition is filed, state income for each spouse separately. STATEMENT OF INFORMATION REQUIRED BY 11 U.S.C. §341

INTRODUCTION

Pursuant to the Bankruptcy Reform Act of 1994, the Office of the United States Trustee, United States Department of Justice, has prepared this information sheet to help you understand some of the possible consequences of filing a bankruptcy petition under chapter 7 of the Bankruptcy Code. This information is intended to make you aware of...

- (1) the potential consequences of seeking a discharge in bankruptcy, including the effects on credit history;
- (2) the effect of receiving a discharge of debts
- (3) the effect of reaffirming a debt; and
- (4) your ability to file a petition under a different chapter of the Bankruptcy Code.

There are many other provisions of the Bankruptcy Code that may affect your situation. This information sheet contains only general principles of law and is not a substitute for legal advice. If you have questions or need further information as to how the bankruptcy laws apply to your specific case, you should consult with your lawyer.

WHAT IS A DISCHARGE?

The filing of a chapter 7 petition is designed to result in a discharge of most of the debts you listed on your bankruptcy schedules. A discharge is a court order that says you do not have to repay your debts, but there are a number of exceptions. Debts which may not be discharged in your chapter 7 case include, for example, most taxes, child support, alimony, and student loans; court-ordered fines and restitution; debts obtained through fraud or deception; and personal injury debts caused by driving while intoxicated or taking drugs. Your discharge may be denied entirely if you, for example, destroy or conceal property; destroy, conceal or falsify records; or make a false oath. Creditors cannot ask you to pay any debts which have been discharged. You can only receive a chapter 7 discharge once every eight (8) years.

WHAT ARE THE POTENTIAL EFFECTS OF A DISCHARGE?

The fact that you filed bankruptcy can appear on your credit report for as long as 10 years. Thus, filing a bankruptcy petition may affect your ability to obtain credit in the future. Also, you may not be excused from repaying any debts that were not listed on your bankruptcy schedules or that you incurred after you filed for bankruptcy.

WHAT ARE THE EFFECTS OF REAFFIRMING A DEBT?

After you file your petition, a creditor may ask you to reaffirm a certain debt or you may seek to do so on your own. Reaffirming a debt means that you sign and file with the court a legally enforceable document, which states that you promise to repay all or a portion of the debt that may otherwise have been discharged in your bankruptcy case. Reaffirmation agreements must generally be filed with the court within 60 days after the first meeting of the creditors.

Reaffirmation agreements are strictly voluntary — they are not required by the Bankruptcy Code or other state or federal law. You can voluntarily repay any debt instead of signing a reaffirmation agreement, but there may be valid reasons for wanting to reaffirm a particular debt.

Reaffirmation agreements must not impose an undue burden on you or your dependents and must be in your best interest. If you decide to sign a reaffirmation agreement, you may cancel it at any time before the court issues your discharge order or within sixty (60) days after the reaffirmation agreement was filed with the court, whichever is later. If you reaffirm a debt and fail to make the payments required in the reaffirmation agreement, the creditor can take action against you to recover any property that was given as security for the loan and you may remain personally liable for any remaining debt.

OTHER BANKRUPTCY OPTIONS

You have a choice in deciding what chapter of the Bankruptcy Code will best suit your needs. Even if you have already filed for relief under chapter 7, you may be eligible to convert your case to a different chapter.

Chapter 7 is the liquidation chapter of the Bankruptcy Code. Under chapter 7, a trustee is appointed to collect and sell, if economically feasible, all property you own that is not exempt from these actions.

Chapter 11 is the reorganization chapter most commonly used by businesses, but it is also available to individuals. Creditors vote on whether to accept or reject a plan, which also must be approved by the court. While the debtor normally remains in control of the assets, the court can order the appointment of a trustee to take possession and control of the business.

Chapter 12 offers bankruptcy relief to those who qualify as family farmers. Family farmers must propose a plan to repay their creditors over a three-to-five year period and it must be approved by the court. Plan payments are made through a chapter 12 trustee, who also monitors the debtor's farming operations during the pendency of the plan.

Finally, chapter 13 generally permits individuals to keep their property by repaying creditors out of their future income. Each chapter 13 debtor writes a plan which must be approved by the bankruptcy court. The debtor must pay the chapter 13 trustee the amounts set forth in their plan. Debtors receive a discharge after they complete their chapter 13 repayment plan. Chapter 13 is only available to individuals with regular income whose debts do not exceed \$1,347,500 (\$336,900 in unsecured debts and \$1,010,650 in secured debts).

AGAIN, PLEASE SPEAK TO YOUR LAWYER IF YOU NEED FURTHER INFORMATION OR EXPLANATION, INCLUDING HOW THE BANKRUPTCY LAWS RELATE TO YOUR SPECIFIC CASE.
