² Capitalized terms used in this Order, but not defined herein, shall have the meanings ascribed to such terms in the Replacement DIP Credit Agreement or the DIP Motion, as may be applicable.

and (b) all other Loan Documents (together with the Replacement DIP Credit Agreement, the **“Replacement DIP Loan Documents”**);

(ii) borrow, pursuant to the Replacement DIP Loan Documents, \$400,000,000 and seek other financial accommodations from the Lenders pursuant to the Replacement DIP Credit Agreement, the other Replacement DIP Loan Documents, and this Order;

(iii) grant non-priming liens, security interests, and mortgages in substantially all of the Obligors’ assets (subject to certain exceptions more fully set forth in the Replacement DIP Loan Documents and this Order) to secure repayment of the borrowings made under the Replacement DIP Loan Documents by, and financial accommodations made to, the Debtors;

(iv) use the proceeds arising from the Replacement DIP Loan Documents in a manner consistent with the terms and conditions of the Replacement DIP Loan Documents and this Order;

(v) vacate and modify the automatic stay imposed by section 362 of title 11 of the United States Code (the **“Bankruptcy Code”**) to the extent necessary to implement and effectuate the terms and provisions of the Replacement DIP Loan Documents and this Order;

(vi) pay all amounts contemplated to be paid under the Replacement DIP Documents (as defined below), including all fees and expenses set forth therein; and

(vii) waive any applicable stay of the effectiveness of this Order and provide for the immediate effectiveness of this Order.

The Court having considered the DIP Motion, examined the exhibits attached thereto, and having completed a final hearing (the **“Final Hearing”**) as provided for under section 364 of the Bankruptcy Code, Rule 4001(c) of the Federal Rules of Bankruptcy Procedure (the **“Bankruptcy Rules”**), and Rule 4001-2 of the Local Bankruptcy Rules for the Southern

District of New York (the “**Local Rules**”) and finding the Debtors provided adequate notice to all necessary parties and that no further notice is required:

BASED UPON THE RECORD ESTABLISHED AT THE FINAL HEARING, THE COURT HEREBY MAKES THE FOLLOWING FINDINGS OF FACT AND CONCLUSIONS OF LAW:

A. **Petition Date.** Commencing on April 16, 2009 (the “**Petition Date**”) and continuing thereafter, the Debtors each filed voluntary petitions under chapter 11 of the Bankruptcy Code with the United States Bankruptcy Court for the Southern District of New York. The Debtors have continued in the management and operation of their business and property as debtors-in-possession pursuant to sections 1107 and 1108 of the Bankruptcy Code. No trustee or examiner has been appointed in the Debtors’ chapter 11 cases.

B. **Jurisdiction and Venue.** This Court has jurisdiction over these proceedings pursuant to sections 157(b) and 1334 of title 28 of the United States Code and over the persons and property affected hereby. This Court’s consideration of the DIP Motion constitutes a core proceeding under section 157(b)(2) of title 28 of the United States Code. Venue for these cases and the proceedings regarding the DIP Motion is proper in this district under sections 1408 and 1409 of title 28 of the United States Code.

C. **Committee Formation.** On April 24, 2009, as subsequently amended on January 15, 2010, February 2, 2010, February 18, 2010, April 5, 2010, April 27, 2010, and May 27, 2010, the United States Trustee for the Southern District of New York (the “**United States Trustee**”) appointed an official committee of unsecured creditors in the Case (the “**Creditors’ Committee**”). On September 8, 2009, as subsequently amended on September 21, 2009 and September 24, 2009, the United States Trustee appointed an official committee of equity security holders in the Case (the “**Equity Committee**” and together with the Creditors’ Committee, the “**Committees**”).

D. **Notice.** The Final Hearing was held in accordance with Bankruptcy Rule 4001 and Local Rule 4001-2. Notice of the Final Hearing and the relief requested in the DIP Motion was provided by the Debtors on July 8, 2010, whether by telecopy, email, overnight courier or hand delivery, to parties in interest, including: (i) the Office of the United States Trustee for the Southern District of New York (Attn: Andrea B. Schwartz and Elisabetta G. Gasparini); (ii) the Securities and Exchange Commission; (iii) the Internal Revenue Service; (iv) counsel to agent under the Original DIP Loan; (v) counsel to Pershing Square Capital Management, L.P.; (vi) counsel to the Agent; (vii) counsel to the Creditors' Committee; (viii) counsel to the Equity Committee; (ix) counsel to Brookfield Asset Management Inc.; and (x) all other parties entitled to receive notice pursuant to Bankruptcy Rule 2002 and this Court's administrative order dated May 8, 2009. Such notice of the Final Hearing and the relief requested in the DIP Motion is due and sufficient notice and complies with sections 102(1) and 364(c) of the Bankruptcy Code, Bankruptcy Rules 2002, 4001(c), 4001(d) and the Local Rules.

E. **Need for Postpetition Financing.** Entry of this Order is necessary to allow the Debtors to borrow monies under the Replacement DIP Credit Agreement and satisfy the aggregate unpaid principal amount, accrued and unpaid interest, Breakage Costs (as defined in the Original DIP Credit Agreement), accrued and unpaid fees (including the Exit Fee (as defined in the Original DIP Credit Agreement)), and all costs and expenses of the Original DIP Agent and the lenders party to the Original DIP Credit Agreement (the "**Original DIP Lenders**") (including counsel fees), in each case, to the extent required under the Original DIP Credit Agreement (collectively, the "**Original DIP Indebtedness**"), thereby achieving substantial cost savings to these estates and otherwise allowing the Debtors to realize the other benefits provided by consummating the Replacement DIP Credit Agreement; accordingly, by the

power vested in the Court pursuant to sections 105(a) and 364(c) of the Bankruptcy Code, the Replacement DIP Loan Documents, and any other documents, instruments, or agreements related thereto or delivered or executed in connection therewith (the Replacement DIP Loan Documents, together with such documents, instruments, and agreements, the “**Replacement DIP Documents**”) are hereby approved.

F. **No Comparable Credit Available on More Favorable Terms.** The Debtors are unable to obtain, in the ordinary course of business or otherwise, financing of the type contemplated herein on an unsecured basis. Specifically, the Debtors have been unable to obtain unsecured credit allowable under sections 364(a), 364(b), 364(c)(1) and 503(b)(1) of the Bankruptcy Code as an administrative expense. The Debtors are also unable to obtain secured credit, allowable only under Bankruptcy Code sections 364(c)(2) and 364(c)(3), on more favorable terms and conditions than those provided in the Replacement DIP Documents and this Order.

G. **Lenders’ Requirements.** The Lenders are willing to lend money and provide other financial accommodations to the Debtors only on the terms and conditions and with the protections provided herein and in the Replacement DIP Documents and are relying on such terms, conditions, and protections in agreeing to lend money and provide financial accommodations to the Debtors hereunder.

H. **Good Faith.** The terms and conditions of the Replacement DIP Documents have been negotiated in good faith and at arms’ length by all parties involved, and the Debtors have offered sufficient proof thereof. Accordingly, the Court expressly finds that the terms of the Replacement DIP Documents have been extended in good faith and that any credit extended, loans to be made, or other financial accommodations granted to the Debtors pursuant

to the Replacement DIP Documents shall, in each case, be deemed to be extended in good faith, as that term is used in section 364(e) of the Bankruptcy Code.

I. **[Intentionally Omitted]**

J. **Section 506(c) and Section 552(b) Waiver.** In light of the Lenders' agreement to subordinate their liens and superpriority claims to the Carve-Out, the Lenders are entitled to a waiver of (i) the provisions of section 506(c) of the Bankruptcy Code and (ii) any "equities of the case" claims under section 552(b) of the Bankruptcy Code, in each case, in respect of the Replacement DIP Documents.

K. **Immediate Entry of the Order.** The Debtors have requested that this Order become immediately effective and enforceable upon entry, notwithstanding any provisions that may apply in Bankruptcy Rules 6004(h), 6006(d), 7062, or 9014 or any other Bankruptcy Rule, or Rule 62(a) of the Federal Rules of Civil Procedure. The Debtors have demonstrated good cause for the entry of this Order and for this Order to become immediately effective and enforceable upon entry. Among other things, entry of this Order and the immediate effectiveness and enforceability of this Order upon entry will allow the Debtors to consummate the Replacement DIP Credit Agreement and begin to realize without delay the substantial savings to be achieved by consummation of the Replacement DIP Credit Agreement and satisfaction of the Original DIP Indebtedness, and is in the best interests of the Debtors, their creditors, and the Debtors' bankruptcy estates. The terms of the borrowings and other financial accommodations authorized hereby are fair and reasonable under the circumstances and reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties.

ACCORDINGLY, IT IS HEREBY ORDERED THAT:

1. **Motion Granted.** The DIP Motion is granted in accordance with the terms and conditions set forth in this Order and the Replacement DIP Documents. Any

objections and reservations of rights included therein, to the extent not withdrawn with prejudice, settled, or resolved, are hereby overruled on the merits.

2. **Approval of Entry into Replacement DIP Documents.** The Debtors shall be and hereby are authorized to borrow money and seek other financial accommodations from the Lenders on the terms and conditions contained in this Order and the Replacement DIP Documents, and the Replacement DIP Documents, including, without limitation, the Replacement DIP Credit Agreement, are expressly approved by this Court. To effectuate and evidence the terms and conditions of the borrowings and extensions of credit and other financial accommodations to be made to the Debtors by the Lenders pursuant to the terms of this Order, the Debtors are hereby authorized and directed to enter into the Replacement DIP Credit Agreement substantially in the form appended as **Exhibit 1** hereto and any other Replacement DIP Documents that may be entered into in connection with the Replacement DIP Credit Agreement, which agreements are hereby expressly approved by this Court.

3. **Enforceable Obligations.** Upon execution and delivery of the Replacement DIP Credit Agreement and the other Replacement DIP Documents, and subject to the terms of this Order, such agreements and documents shall constitute valid and binding obligations of the Obligors, enforceable against the Obligors, their estates and any successors thereto and their creditors in accordance with their terms.

4. **Protection of Lenders and Other Rights.** From and after the Closing Date, the Obligors shall use the proceeds of the extensions of credit under the Replacement DIP Loan Documents only for the purposes specifically set forth in the Replacement DIP Loan Documents and this Order, including to satisfy and discharge in full the Original DIP Indebtedness and for general working capital purposes not otherwise restricted by the

Replacement DIP Credit Agreement. In connection therewith, upon the Closing Date, the Obligors shall transfer immediately available funds to the agent under the Original DIP Credit Agreement or any proper assignee or designee thereof an amount necessary to pay in full the Original DIP Indebtedness, including, for the avoidance of doubt, all unpaid amounts accrued through and including the date of the repayment (the “**Payoff Amount**”), as set forth in the payoff letter from the agent (the “**Original DIP Agent**”) under the Original DIP Credit Agreement to GGP, dated July 22, 2010 (the “**Payoff Letter**”). Upon the receipt of the Payoff Amount by the Original DIP Agent: (i) all of the Debtors’ obligations under the Original DIP Loan shall be considered finally satisfied in full; provided, however, that each of the Obligations under the Original DIP Credit Agreement that by their express terms survive repayment of the Original DIP Indebtedness, including, without limitation, Section 3.6 and the indemnities provided in Section 15.10 of the Original DIP Credit Agreement, shall remain in full force and effect for all purposes; (ii) all liens, encumbrances, and any other interests in the Debtors’ (or any affiliate’s) property held by the Original DIP Agent under the Original DIP Credit Agreement or otherwise arising under the Original DIP Credit Agreement shall be deemed fully released, and the Original DIP Agent and the lenders under the Original DIP Credit Agreement are hereby directed upon request of the Debtors or the Lenders to promptly deliver to the Debtors or the Lenders documents in recordable form as are necessary to evidence the release of such liens, encumbrances, and interests; and (iii) all parties shall be forever barred from attempting to enforce any such lien, encumbrance or other interest in the Debtors’ or any affiliate’s property that arose under the terms of the Original DIP Credit Agreement.

5. **[Intentionally Omitted].**

6. **Post-Petition Liens.** Upon entry of this Order, and subject to the repayment and satisfaction of the Payoff Amount, the Agent, for the benefit of itself and the Lenders, is hereby granted valid, perfected, enforceable, and non-avoidable security interests, liens, and mortgages (the “**DIP Liens**”) in the Collateral; provided, however, in no event shall the Collateral (or any component thereof) include or be deemed to include: (i) the Debtors’ claims and causes of action under chapter 5 of the Bankruptcy Code and any other avoidance or similar action under the Bankruptcy Code or similar state law and the proceeds thereof, whether received by judgment, settlement or otherwise; (ii) the Capital Stock of any Foreign Subsidiary, other than 65% in total voting power of such Capital Stock and 100% of non-voting Capital Stock, in each case, of a first tier Foreign Subsidiary of any Obligor; (iii) any contracts, instruments, licenses, license agreements or other documents (or any rights thereunder), to the extent (and only to the extent) that the grant of a security interest would (A) constitute a violation of a restriction in favor of a third party on such grant, (B) give any other party to such contract, instrument, license, license agreement or other document the right to terminate its obligations thereunder, or (C) violate any law; provided, that the limitation set forth in this clause (iii) shall not affect, limit, restrict or impair the grant by an Obligor of a security interest pursuant to the Replacement DIP Loan Documents in any such right, to the extent that an otherwise applicable prohibition or restriction on such grant is rendered ineffective by any applicable law, including the Uniform Commercial Code (the “**UCC**”) or the Bankruptcy Code; (iv) any direct or indirect interest in any Capital Stock of any joint venture, partnership or other entity if and for so long as the grant of such security interest or Lien shall constitute a default under or termination pursuant to the terms in effect as of the Petition Date of the joint venture agreement, partnership

agreement or other organizational documents of, or contract, mortgage or other debt agreements, or other agreement of (or purporting to cover the assets of) such joint venture, partnership or entity or its direct or indirect parent, as amended, restated, amended and restated, supplemented, refinanced, replaced, or otherwise modified in accordance with the Replacement DIP Loan Documents, or require the payment of a fee, penalty or similar increased costs or result in the loss of economic benefit or the abandonment or invalidation of such Obligor's or any Subsidiary's interest in such Capital Stock or shall otherwise adversely impact such interest in such joint venture, partnership or other entity; provided, that, the limitation set forth in this clause (iv) shall not affect, limit, restrict or impair the grant by an Obligor of a security interest pursuant to the Replacement DIP Loan Documents in any such right, to the extent that an otherwise applicable prohibition or restriction on such grant (whether applicable to such Obligor or to any parent company or Person owned by such Obligor) is rendered ineffective by any applicable law, including the UCC or the Bankruptcy Code; (v) any Ground Lease of a Debtor that has been assumed pursuant to section 365 of the Bankruptcy Code if the granting of a Lien hereunder would cause a default under or allow the termination of such Ground Lease (it being agreed that, to the extent the Lien granted pursuant to this paragraph attaches to any such Ground Lease prior to a Debtor's assumption thereof, such Lien shall automatically be released upon such assumption and any Mortgage evidencing such Lien shall automatically terminate); (vi) the Gift Card and Lotto Accounts; (vii) any Real Estate of GGMI; and (viii) any Shopping Center Properties (defined in Paragraph 8 of the Original DIP Order) that are subject to a valid, unavoidable, prepetition lien, provided, however, that, notwithstanding anything set forth in the Order or the Replacement DIP Documents to the contrary, as security for the obligations under the Replacement DIP Loan Documents, the Agent, on behalf of the Lenders, shall have a pledge

of the unencumbered equity of any subsidiary holding a Shopping Center Property; provided, further, that any such security interest and Lien shall attach immediately and automatically after any such disqualifying condition specified in clause (iii), (iv) or (v) of this Paragraph shall cease to exist. The DIP Liens shall be granted on the following basis:

(a) **Senior Lien Priority.** Pursuant to section 364(c)(2) of the Bankruptcy Code, valid, perfected, enforceable, and non-avoidable first priority security interests, liens, and mortgages on all of the Obligors' now existing or hereafter acquired Collateral not subject to a valid, perfected, enforceable, and non-avoidable security interest, lien, or mortgage (i) as of the Petition Date or subject to valid liens in existence on the Petition Date that are perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code, in each case, only to the extent that such valid, perfected, enforceable, and non-avoidable security interests, liens, or mortgages are senior in priority to the DIP Liens or are Permitted Liens that, pursuant to the Replacement DIP Credit Agreement, are permitted to be senior in priority to the DIP Liens, except as otherwise provided in Paragraph 4 above or 6(c) below or (ii) as a result of the refinancing of the Original DIP Loan and the release of security interests, liens, and mortgages resulting therefrom; provided, however, as to the Debtors' Main Operating Account, as well as the funds in such account, the Lenders and the Agent's perfected lien shall be junior only to the liens securing the Adequate Protection Obligations (if any) and other than the holders of the Adequate Protection Obligations, the Agent, and the Lenders, no other party or entity shall have any lien or security interest in such account or in any funds in such account.

(b) **Junior Lien Priority.** Pursuant to section 364(c)(3) of the Bankruptcy Code, valid, perfected, enforceable, and non-avoidable junior security interests, liens

and mortgages on all of the Obligors' now existing or hereafter acquired Collateral that was subject to valid, perfected, enforceable, and non-avoidable security interests, liens, or mortgages in existence on the Petition Date or that is subject to valid liens in existence on the Petition Date that are perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code and that have priority to the Lenders under applicable law, in each case, subject only to such valid, perfected, enforceable, and non-avoidable senior security interests, liens, or mortgages and any other Permitted Liens that, pursuant to the Replacement DIP Credit Agreement, are permitted to be senior in priority to the DIP Liens.

(c) **Lien on Main Operating Account.** Notwithstanding anything to the contrary above or otherwise, the DIP Liens shall include valid, binding, perfected, enforceable, and non-avoidable liens and fully-perfected security interests in the Debtors' "Main Operating Account" as defined in the cash management motion filed on April 16, 2009 in these cases and any successor or replacement account (the "**Main Operating Account**"), as well as the funds in such account, subject and junior only to the liens securing the Adequate Protection Obligations (if any), as defined and as set forth in Paragraph 8(a) of the Original DIP Order; provided, that, until this Court orders otherwise, to preserve the asserted setoff rights of U.S. Bank N.A. ("**U.S. Bank**") in the Main Operating Account, any lien granted to a Lender or any other party shall be subordinated to U.S. Bank's asserted claim to \$1,717,336.18 in the Main Operating Account; provided, further, that (i) the rights of any parties in interest to object to U.S. Bank's asserted setoff rights, its claims, and the forms of relief noted herein are expressly preserved and (ii) the Debtors' rights, generally, with respect to the bank accounts maintained at U.S. Bank are expressly preserved; provided, further, that other than holders of the Adequate Protection Obligations (if any), the Agent, and the Lenders, no other Person shall have any lien

or security interest in the Main Operating Account or in any funds in the Main Operating Account. Notwithstanding the foregoing, the financial institution (the “**Bank**”) at which the Main Operating Account is maintained is authorized to charge back, offset, expense or deduct from the Main Operating Account the service charges incurred by the Bank on account of the Debtors’ cash management expenses, returned checks or other returned items, including, but not limited to, dishonored checks, wire transfers, drafts, ACH Transfers or other debits, regardless of whether such amounts were deposited prepetition and regardless of whether the returned items relate to prepetition or postpetition items, and that solely the normal service charges and fees (the “**Service Charges**”) may be assessed and deducted in the ordinary course of business from funds held in the Main Operating Account, and the automatic stay provisions of section 362 of the Bankruptcy Code are modified to allow the Bank to assess and collect such charges, but the automatic stay shall remain in full force and effect for all other purposes as to the Bank, including, but not limited to, any setoff rights (other than with respect to the Service Charges) that the Bank may possess. Should the Debtors transfer or otherwise utilize funds from the Main Operating Account outside of the Debtors’ ordinary course of business, except as otherwise permitted under the Replacement DIP Credit Agreement or this Order, the Agent’s valid, binding, perfected, enforceable, and non-avoidable liens and fully-perfected security interests in the Main Operating Account (subject and junior only to the liens securing the Adequate Protection Obligations (if any) as set forth in Paragraph 8(a) of the Original DIP Order), and all funds contained therein shall transfer and attach, on the same senior priority basis, to the Debtors’ interest in such funds wherever deposited, in the proceeds and other assets created from any such use of the funds held in the Main Operating Account outside the ordinary course of the Debtors’ business. During the existence of an Event of Default, all amounts held in the Main

Operating Account or any Cash Collateral Account (other than amounts held in the Main Operating Account subject to the Liens in favor of the Adequate Protection Parties (if any)), at the election of the Agent, shall be applied as required by section 11.2(e) of the Replacement DIP Credit Agreement; provided, however, that notwithstanding the existence of an Event of Default or an acceleration of the Obligations, funds that are not subject to the first lien of the Agent shall not be transferred out of the Main Operating Account other than for ordinary course expenditures to protect and preserve the Collateral (including all documented payroll expenses (including benefits), operating expenses of the Properties, taxes, insurance premiums, ground rents with respect to the Properties, and cash management, in each case, in the ordinary course of business) and the Adequate Protection Payments (if any and as defined in the Original DIP Order); provided further, that notwithstanding the existence of an Event of Default or an acceleration of the Obligations, the Debtors may continue to use Cash Collateral in accordance with the terms of the Original DIP Order.

(d) **General Priority of DIP Liens.** Subject to the provisions above (and the provisions relating to the Adequate Protection Obligations (if any) set forth more particularly in Paragraph 8(a) of the Original DIP Order), the DIP Liens shall, subject to the provisions of the Carve-Out, be at all times senior to the rights of the Debtors, their estates, and all of their creditors, and shall at all times be senior to the rights of any successor trustee, examiner, or responsible person in these or any subsequent proceedings under the Bankruptcy Code.

(e) **Perfection of Post-Petition Liens.** The Agent shall not be required to file financing statements, mortgages, notices of liens, or other documents in any jurisdiction or take any other action in order to validate, perfect, or establish the priority of the

DIP Liens granted to them by this Order or the Replacement DIP Loan Documents. The DIP Liens granted in this Order and in the Replacement DIP Loan Documents to secure repayment of any of the Obligations are deemed perfected hereby and no further notice, filing or other act shall be required to effect such perfection. If the Lenders shall, in their sole discretion, choose to file (in accordance with the terms and conditions set forth in the Replacement DIP Loan Documents) financing statements, mortgages, or other documents or otherwise confirm perfection of such security interests, liens, and mortgages, the Lenders are authorized (to the extent not prohibited by the Replacement DIP Loan Documents) to effect such filings and recordings and all such financing statements, mortgages, or similar documents shall be deemed to have been filed or recorded at the time and on the date of entry of this Order. A photocopy of this Order may, in the discretion of the Lenders, be filed with or recorded in filing or recording offices in addition to or in lieu of such financing statements, notices of lien or similar instruments, and all filing offices are directed hereby to accept such copy of this Order for filing and recording.

7. **Superpriority Administrative Claim Status.** Subject to repayment and satisfaction in full of the Payoff Amount, the Obligations shall constitute an administrative expense under section 364(c)(1) of the Bankruptcy Code, with priority, subject to the section 507(b) claims of the Adequate Protection Parties (if any) as set forth in Paragraph 8(b) of the Original DIP Order and the provisions of the Carve-Out, over all other claims or costs or expenses of administration of the kinds specified in, or ordered pursuant to, any provision of the Bankruptcy Code (the “**Superpriority Administrative Claim**”), and shall at all times be senior to the rights of the Debtors or any successor trustee, examiner, or responsible person in these or any subsequent proceedings under the Bankruptcy Code. With the exception of the fees and expenses permitted by the Carve-Out, no costs or expenses of administration that have been or

may be incurred in these cases, any conversion of any of these cases pursuant to sections 105 or 1112 of the Bankruptcy Code or otherwise, or in any other future proceedings related hereto, and no priority claims, are or will be prior to or on a parity with any claim of the Lenders against the Debtors arising out of loans and extensions of credit or other financial accommodations made by the Lenders to the Debtors.

8. The Adequate Protection Second Liens (if any and as defined in the Original DIP Order) shall be junior, subject and subordinate to the DIP Liens. Whether or not payments on account of the Adequate Protection Obligations (if any) are made, the holders of the Adequate Protection Second Liens (if any) shall not be entitled to exercise any rights or remedies with respect to the Adequate Protection Second Liens until the Obligations have been paid in full in cash or converted to equity and/or post-reorganization debt in the manner contemplated by the Replacement DIP Credit Agreement. Notwithstanding anything set forth herein, until the DIP Obligations are paid in full, the Debtors shall not use Collateral or the sale proceeds thereof to pay the Adequate Protection Obligations.

9. **Carve-Out.** The DIP Liens, the Adequate Protection Liens (if any), and the Superpriority Administrative Claim shall be subject to: (i) any unpaid fees due to the United States Trustee, and any interest accruing thereto, pursuant to section 1930 of title 28 of the United States Code or otherwise and any fees due to the Clerk of the Court of the United States Bankruptcy Court for the Southern District of New York; (ii) all reasonable fees and expenses incurred by a trustee under section 726(b) of the Bankruptcy Code in an amount not exceeding \$500,000 (the “**Chapter 7 Carve-Out**”); (iii) the reasonable expenses of members of any statutory committee (excluding fees and expenses of professional persons employed by such committee members individually); (iv) to the extent allowed at any time, all unpaid fees and

expenses allowed by the Bankruptcy Court of professionals or professional firms retained pursuant to section 327 or 1103 of the Bankruptcy Code (the “**Professional Persons**”) through the date of the acceleration of the maturity of the Term Loan; and (v) after the date of acceleration of the maturity of the Term Loan, to the extent allowed at any time, the payment of the fees and expenses of Professional Persons in an aggregate amount not to exceed \$25 million minus the Chapter 7 Carve-Out (plus the amounts specified in items (i) through (iv) hereof) (the amount of all such permitted uses being defined herein as the “**Carve-Out**”). The Carve-Out shall exclude any fees and expenses incurred in connection with (a) any action or inaction that is in violation of or a default under any of the Replacement DIP Documents or this Order or (b) the assertion or joinder in any claim, counterclaim, action, proceeding, application, motion, objection, defenses or other contested matter, the purpose of which is to seek any order, judgment, determination or similar relief (x) invalidating, setting aside, avoiding, or subordinating, in whole or in part, (i) the Obligations, (ii) the DIP Liens, or (iii) any of the Agent’s or Lenders’ rights under the Replacement DIP Documents or (y) preventing, hindering, or delaying, whether directly or indirectly, the Agent’s or Lenders’ assertion or enforcement of the DIP Liens or realization upon any Collateral.

10. **Authorization to Use Proceeds of Replacement DIP Loan Documents.**

To the extent that the Lenders make advances or extend credit under this Order and the Replacement DIP Credit Agreement, the Debtors shall use such loans, solely in a manner that is consistent with the terms of this Order and the Replacement DIP Loan Documents. So long as the Term Loan has not been accelerated, the Debtors are hereby authorized to use any cash proceeds of the Collateral as provided in this Order and the Replacement DIP Loan Documents.

11. **Limitations on the Use of Proceeds.** No proceeds of loans or other financial accommodations made by the Lenders hereunder (including the Carve-Out) may be used to compensate services rendered or expenses incurred in connection with, directly or indirectly, (i) the modification, stay, or amendment of this Order without the consent of the Lenders or (ii) a violation, breach, or default of this Order or any of the Replacement DIP Documents, including, without limitation, any claim or action the purpose of which is to seek or the result of which would be to obtain any relief (a) invalidating, setting aside, avoiding, or subordinating, in whole or in part, any of the Obligations or the DIP Liens in the Collateral or (b) preventing, hindering, or otherwise delaying, whether directly or indirectly, the Lenders' or the Agent's assertion, enforcement, or realization upon any Collateral as permitted by this Order or such documents.

12. **Sale of the Collateral and Resulting Proceeds.** Any proceeds of the sale, lease, or other disposition of the Collateral shall be applied in the manner consistent with this Order and the terms of the Replacement DIP Loan Documents, and the Debtors hereby irrevocably waive any right to direct the manner or application of any payments to the Lenders or any other receipts by the Lenders of proceeds of the Collateral contrary to the provisions of the Replacement DIP Loan Documents. The Debtors may not sell any Collateral unless the proceeds of the sale of the Collateral are applied in accordance with the terms of the Replacement DIP Credit Agreement.

13. **Enforcement of Remedies.**

(a) Upon an Event of Default or the occurrence of the Maturity Date, the Lenders shall have the right to demand immediate payment in full in cash of all of the non-contingent Obligations. In the absence of immediate and full payment in cash of all of the

Obligations at 9:00 a.m. (New York time) on the fifth (5th) Business Day after the date on which the Agent shall have given written notice (by facsimile or otherwise) to the Debtors and their counsel, counsel of record for the Committees, the parties listed on the Adequate Protection Exhibit (as defined in, and as may be amended or supplemented in accordance with, the Original DIP Order) (the “**Order Amendment Notice Parties**”) and the United States Trustee of the Agent’s intention to exercise and enforce the rights granted to the Lenders under the Replacement DIP Documents, this Order, and applicable law, the automatic stay is hereby deemed vacated, and the Agent shall be permitted to exercise such rights and remedies under such agreements, documents, and applicable law as to all or such part of the Collateral as the Agent shall, in its sole discretion, elect, including, but not limited to, the Agent’s right to foreclose on the mortgages placed on the Primary Properties under this Order and the Replacement DIP Loan Documents. Upon such enforcement by the Agent, the Debtors shall cooperate with the Agent in the disposition of the Collateral and shall not otherwise interfere or actively encourage others to interfere with the Agent’s enforcement of its rights.

(b) Upon receipt of written notice by counsel to the Debtors and counsel to the Committees of an Event of Default of any of the Debtors’ Obligations, the Lenders and/or the Agent, as applicable, may immediately charge interest at the Default Rate set forth in the Replacement DIP Credit Agreement.

14. **Enforcement of Remedies in the Bankruptcy Court.** In addition to the remedies set forth in the Replacement DIP Loan Documents and to provide for an orderly disposition of the Collateral, upon an occurrence and during the continuation of an Event of Default and written request by the Agent to counsel to the Debtors (with a copy delivered simultaneously to counsel to the Committees), the Debtors shall, at the sole expense of the

Debtors' bankruptcy estates and on such terms as set forth by the Agent, file: (i) a motion or motions seeking to sell, assume and assign, or otherwise dispose of any or all of the Collateral as the Agent may direct pursuant to sections 363 and 365 of the Bankruptcy Code (to the extent the Debtors do not have Court authorization already pursuant to any order previously entered by the Court permitting the Debtors to sell, assume, assign or otherwise dispose of any Collateral without further order of the Court); and (ii) any further motions necessary to maximize the value received from the sale or disposition of the Collateral, including, but not limited to, motions to retain any additional professionals to assist the Debtors in the sale of the Collateral. The Debtors shall file any such motions within five (5) Business Days after the Agent's request and shall diligently prosecute all such motions. If the Debtors fail to so file or diligently pursue such motions, the Agent may file and prosecute such motions in the name of and at the expense of the Debtors, and the Agent is hereby specifically given such authority and standing. In the event of any sale or disposition of the Collateral in accordance with this paragraph or otherwise, the Agent shall have the right to credit bid any or all of the Obligations under section 363(k) of the Bankruptcy Code.

15. **Reliance by Lender.** The Debtors shall not seek to modify, vacate, or amend this Order without the written consent of the Agent. If any or all of the provisions of this Order are hereafter modified, vacated, or stayed by subsequent order of this or any other Court, such stay, modification, or vacation shall not affect the validity of any debt to the Lenders incurred pursuant to this Order or the Replacement DIP Documents prior to the later of (i) the effective date of such stay, modification, or vacation and (ii) receipt of written notice thereof by counsel to the Agent at the addresses set forth in section 15.7 of the Replacement DIP Credit Agreement (the "**Effective Time**"), or otherwise affect the validity and enforceability of any DIP

Lien or priority authorized hereby. Notwithstanding any such stay, modification, or vacation, any advances of funds made pursuant to this Order by the Lenders to or for the benefit of the Debtors prior to the Effective Time shall be governed in all respects by the original provisions of this Order.

16. **Good Faith.** The Court has considered and determined the matters addressed in this Order pursuant to its power under section 364(c) of the Bankruptcy Code to authorize the Debtors to obtain credit and other financial accommodations on the terms agreed to by and between the Debtors and the Lenders and as set forth in this Order, the Replacement DIP Credit Agreement, and the other Replacement DIP Documents, and thus, each of the terms and conditions of the Replacement DIP Documents, as part of an authorization under such section, is subject to the protections contained in section 364(e) of the Bankruptcy Code.

17. **Miscellaneous.**

(a) **Section 364 Waiver.** In consideration of the financing and other accommodations made available pursuant hereto, the Debtors irrevocably waive any right to: (i) grant or impose, or request that the Court grant or impose, under section 364 of the Bankruptcy Code or otherwise, liens, security interests, or mortgages on any property, equal or superior to the priority of the DIP Liens, except as provided under the Carve-Out and the Replacement DIP Loan Documents (including the Adequate Protection Obligations (if any)). Upon the acceleration of the Term Loans, the Debtors' right to use Cash Collateral shall permanently cease and all such Cash Collateral shall be applied solely to the Obligations. Such waiver shall be binding upon any successor trustee, examiner, or responsible person in these or any subsequent proceedings under the Bankruptcy Code.

(b) **Modification of the Automatic Stay.** The automatic stay provisions of section 362 of the Bankruptcy Code are hereby modified as to the Agent to the extent necessary to permit the Agent to implement the provisions of this Order and the Replacement DIP Documents, thereby permitting the Agent, inter alia, (i) to receive and apply collections, payments, or proceeds of Collateral, (ii) to file any financing statements or other instruments and documents, if any, evidencing its security interests in and liens and mortgages on the Collateral, in each case, to the extent permitted by, and in accordance with, the Replacement DIP Loan Documents, (iii) to charge any fees and interest accruing under the Replacement DIP Loan Documents, and (iv) to take any or all of the actions permitted by the Replacement DIP Documents and this Order upon an Event of Default or following acceleration of the Term Loan (provided, however, the Agent shall comply with the notice requirements of Rule 4001-2 of the Local Rules of Bankruptcy Procedure for the Southern District of New York).

(c) **Prohibition of Alterations to Lenders Rights Under the**

Replacement DIP Documents. The DIP Liens and rights, remedies, and benefits granted to the Agent pursuant to this Order and the Replacement DIP Documents shall not be modified, altered, or impaired in any manner by any plan of reorganization or order of confirmation for any of the Debtors, or by any other financings of, extensions of credit to, or incurring of debt by any of the Debtors, whether pursuant to section 363 or 364 of the Bankruptcy Code, or otherwise, or by any other order of this Court. In connection therewith, no order (i) converting the chapter 11 case of any of the Major Entities under section 105 or 1112 of the Bankruptcy Code or otherwise shall be entered unless such order expressly provides, prior to any other relief set forth therein, for the final payment in full in cash of all of the non-contingent Obligations and treatment of the contingent Obligations in accordance with the provisions the Replacement DIP Credit Agreement, unless such Debtor would cease to be a Major Entity upon giving effect to transactions permitted under Section 9.8 of the Replacement DIP Credit Agreement, provided that any mandatory prepayments required under Section 3.3 of the Replacement DIP Credit Agreement shall occur substantially contemporaneously with or prior to such dismissal; or (ii) confirming any plan in any of the Major Entities' chapter 11 cases shall be entered unless such order and such plan provides for the final payment in full in cash of all the non-contingent Obligations and treatment of contingent Obligations in accordance with the provisions of the Replacement DIP Loan Documents on or before the effective date of such plan or, as of such time, the conversion of certain Obligations to equity and/or post reorganization indebtedness in the manner contemplated by the Replacement DIP Credit Agreement. The Replacement DIP Credit Agreement and the other Replacement DIP Documents are, to the extent applicable, hereby assumed as of the applicable Debtors' execution thereof, and none of such agreements

may be rejected, abrogated, or disaffirmed in these or any subsequent proceedings under the Bankruptcy Code, including the conversion of any of these cases.

(d) **Prohibitions in the Event of Dismissal of Any of the Cases.**

Except to the extent provided in the Replacement DIP Loan Documents, the Debtors shall not seek dismissal of any of the chapter 11 cases of the Major Entities unless and until all of the non-contingent Obligations shall have been finally paid in full in cash or, as of such time, converted to equity and/or post reorganization indebtedness in accordance with the provisions of, and in the manner contemplated by, the Replacement DIP Credit Agreement, unless such Debtor would cease to be a Major Entity upon giving effect to transactions permitted under Section 9.8 of the Replacement DIP Credit Agreement; provided that any mandatory prepayments required under Section 3.3 of the Replacement DIP Credit Agreement shall occur substantially contemporaneously with or prior to such dismissal. If an order dismissing any of the cases of the Debtors under section 1112 of the Bankruptcy Code or otherwise is at any time entered: (i) the priority claims and DIP Liens granted to the Agent pursuant to this Order and the Replacement DIP Loan Documents in the Collateral of such Debtor shall continue in full force and effect and shall maintain their priorities as provided in this Order until the Obligations shall have been finally paid in full in cash, or converted to equity in the manner contemplated by the Replacement DIP Credit Agreement; (ii) this Court shall retain jurisdiction, notwithstanding such dismissal, for purposes of interpreting this Order; and (iii) such order shall not modify the rights granted to the Lenders pursuant to this paragraph.

(e) **Section 506(c) Waiver.** No costs or expenses of administration shall be imposed against the Agent or the Lenders, the Obligations, or the Collateral in respect of the Replacement DIP Loan Documents under section 506(c) of the Bankruptcy Code or

otherwise, and no action or inaction on the part of the Agent or the Lenders shall be deemed to constitute a consent to such surcharge.

(f) **Section 552(b) Waiver.** The Agent and Lenders shall be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code, and the “equities of the case” exception under section 552(b) of the Bankruptcy Code shall not apply to the Agent and the Lenders with respect to proceeds, product, offspring or profits of any of the Collateral.

(g) **No Marshaling.** The Agent and the Lenders shall not be subject to the equitable doctrine of “marshaling” or any other similar doctrine with respect to any of the Collateral.

(h) **Amendment.** The Debtors and the Agent may amend or waive any provision of the Replacement DIP Documents without the need for further approval from this Court provided that: (i) the Replacement DIP Documents, as so modified, are not materially different from the Replacement DIP Documents approved in this Order; (ii) notice of all amendments to the Replacement DIP Documents are filed with the Court; and (iii) notice of all amendments to the Replacement DIP Documents (other than those that are ministerial or technical and do not adversely affect the Debtors) is provided five (5) Business Days’ in advance to counsel to the Committees (the “**Amendment Notice Period**”), all parties requesting notice in these cases, the Order Amendment Notice Parties, and the United States Trustee; provided, however, that if either Committee notifies the Debtors and the Agent that it objects to such an amendment within the Amendment Notice Period, such amendment shall not become effective absent entry of an Order of the Court authorizing such amendment unless such objection is resolved or withdrawn.

(i) **Amendment of Organic Documents.** Each Debtor shall, and shall cause each applicable entity that it controls to, implement any necessary amendment to its certificate of incorporation, bylaws or comparable governing documents such that ownership of (1) any equity securities issued in connection with the provisions of the Replacement DIP Documents (including the conversion of all or a portion of the Term Loan, any accrued and unpaid interest, and/or post reorganization indebtedness into equity under the terms therein) and (2) any other equity securities received in respect of pre-petition securities of the Debtors owned by the Lenders will not, in any case, (A) violate any applicable limitations on ownership, and (B) have any adverse consequences under any provisions in such governing documents or any shareholder rights plan or similar arrangements.

(j) **[Intentionally omitted.]**

(k) **Reimbursement of Costs and Expenses.** The Agent and Lenders shall be promptly reimbursed by the Debtors without further motion to, hearing by, or order of this Court for all reasonable out-of-pocket costs and expenses (including, without limitation, all filing and recording fees, attorneys' and paralegals' fees and expenses, and out-of-pocket expenses) (the "**Expense Reimbursement**"), in each case, as provided for in the Replacement DIP Documents; provided, however, that the Agent shall serve, by facsimile or electronic mail, each Expense Reimbursement on the United States Trustee, counsel to the Debtors, and counsel to the Committees (the "**Expense Reimbursement Notice Parties**"). If, after ten (10) Business Days after receipt by the Expense Reimbursement Notice Parties of any Expense Reimbursement, the Expense Reimbursement Notice Parties do not deliver to the Agent an objection to the reasonableness of such Expense Reimbursement, then the Debtors shall promptly pay the Agent and the Lenders such Expense Reimbursement.

(1) **Releases.** Upon repayment and satisfaction of the Payoff Amount, the Debtors hereby each release and discharge the Agent, the Lenders, and their attorneys, officers, directors, affiliates, agents, and employees (the “**Lender Parties**”) from any and all claims and causes of action arising out of the Lender Parties’ relationship with any of the Debtors in connection with, in any manner directly or indirectly, the Loan Documents, this Order, the negotiation of any of the foregoing, or any action or inaction in connection therewith or the facilities, consideration, agreements, documents, or reimbursements related to the foregoing. Further, upon repayment and satisfaction of the Payoff Amount, the Debtors hereby release each of the Original DIP Agent and the Original DIP Lenders and each of their attorneys, officers, directors, affiliates, agents and employees, as well as their respective successors and assigns, from any and all claims, obligations, rights, causes of action, and liabilities, of whatever kind or nature, whether known or unknown, whether foreseen or unforeseen, arising on or before the date hereof, which any Debtor ever had, now has or hereafter can, shall or may have for, upon or by reason of any matter, cause or thing whatsoever, which are based upon arise under or are related to the Original DIP Credit Agreement; provided, that the foregoing release shall not apply to any such claims, obligations, rights, causes of action or liabilities to the extent they have resulted from the willful misconduct or gross negligence of the Original DIP Agent (or its attorneys, officers, directors, affiliates, agents and employees or successors and assigns) or the Original DIP Lenders (or their respective attorneys, officers, directors, affiliates, agents and employees or successors and assigns). In addition, upon repayment and satisfaction of the Payoff Amount, the Original DIP Agent and the Original DIP Lenders hereby release the Debtors and each of their attorneys, officers, directors, affiliates, agents and employees, as well as their respective successors and assigns, from any and all claims, obligations, rights, causes of

action, and liabilities, of whatever kind or nature, whether known or unknown, whether foreseen or unforeseen, arising on or before the date hereof, which the Original DIP Agent or the Original DIP Lenders ever had, now has or hereafter can, shall or may have for, upon or by reason of any matter, cause or thing whatsoever, which are based upon arise under or are related to the Original DIP Credit Agreement (other than each of the Obligations under the Original DIP Credit Agreement that by their express terms survive repayment of the Original DIP Indebtedness, including, without limitation, Section 3.6 and the indemnities provided in Section 15.10 of the Original DIP Credit Agreement); provided, that the foregoing release shall not apply to any such claims, obligations, rights, causes of action or liabilities to the extent they have resulted from the willful misconduct or gross negligence of the Debtors (or their respective attorneys, officers, directors, affiliates, agents and employees or successors and assigns).

(o) **Amendment of Order.** The Debtors shall, with the consent of the DIP Lenders, be entitled to amend this Order so as to make any non-substantive, non-material changes, provided that the Debtors provide counsel to the Committees and the Order Amendment Notice Parties five (5) Business Days' notice in advance of any such amendment (the "**Order Amendment Notice Period**") and the Debtors shall file such amended order with

the Court; provided, further, that if the Order Amendment Notice Parties or either Committee notifies the Debtors and the Agent that it objects to such an amendment to the Order within the Order Amendment Notice Period, such amended Order shall not become effective absent entry of an Order of the Court authorizing such amendment unless such objection is resolved or withdrawn. Notice of any amendment of the Order shall be provided to all parties entitled to receive notice of such amended Order.

(p) **Order Controlling**. To the extent any terms of this Order are inconsistent with the terms set forth in the Replacement DIP Documents, the terms of this Order shall control.

18. **Limitations on Liens**. Notwithstanding anything in this Order (including clause (viii) in the first paragraph of Paragraph 6 above), any order authorizing use of cash collateral entered prior to the date hereof, any Order entered approving the operation of the Debtors' cash management system (including docket #43), the Replacement DIP Credit Agreement and related documents to the contrary, the Debtors are not authorized to use distributions on account of the direct or indirect equity interests in GGP Ivanhoe, Inc., or its subsidiaries, including cash dividends, the equity interests, or any proceeds of the foregoing, to the extent subject to the lien of Ivanhoe Capital LP and nothing herein or in the other Orders and documents referred to above shall be deemed to authorize or grant a lien or security interest to, or encumbrance in favor of, any party in or on any of such property or any of the proceeds thereof or to eliminate, modify, subordinate or cut off any lien or security interest Ivanhoe Capital LP would otherwise have, if any, in such property or proceeds.
