The forecast includes emergence costs and restructured debt service for only those loans that have confirmed plans or are being heard for confirmation at the March 3rd hearing. Other property level loans, such as the 2008 multi property, Fashion Show, Palazzo, Oakwood, Beachwood and the Las Vegas multi property loans are assumed to be restructured and emerge at the same time as the parent company emerges from bankruptcy for purposes of this forecast solely for illustrative purposes. The timing of emergence for the remaining Debtors used in this forecast is not indicative of the actual timing of emergence.
