WHEREAS, the Debtor’s Proposed Interim Budget (which is annexed hereto and incorporated herein as Exhibit A (the “Budget”) indicates that the Debtor will require the use of cash collateral in order to meet the Debtor’s expenses incidental to its operations;

WHEREAS, PNC and the Debtor agree that all of the Debtor's cash and available funds, wherever located, whether as original collateral or proceeds of other Collateral, constitute PNC's cash collateral;

WHEREAS, subject to the terms and conditions of this Seventeenth Interim Order, PNC is willing to permit the Debtor to use PNC's cash and non-cash Collateral solely for the purposes set forth in, and in accordance with the terms and conditions of, the Budget and this Seventeenth Interim Order.

NOW THEREFORE, subject to the Bankruptcy Court entry of this Seventeenth Interim Order, it is hereby stipulated and agreed by and between the Debtor and PNC as follows:

1. USE OF CASH COLLATERAL.

- a. Subject to the terms and conditions of this Seventeenth Interim Order, the Debtor may use PNC's cash Collateral solely to pay its ordinary and necessary business expenses as set forth on the Budget through March 13, 2018. The Debtor warrants and represents that, exclusive of professional fees as may be allowed by the Court and fees payable pursuant to 28 U.S.C. § 1930, the Budget represents a projection of all likely, reasonable, and necessary expenses to be incurred in connection with this Chapter 11 case and the operation of the Debtor's business for the period set forth in the Budget.
- b. Except as may be approved by the Court after written notice to PNC and a hearing or after written request to PNC and to 20/20 Franchise Funding and PNC's and 20/20 Franchise Funding's written consent, in no event shall the Debtor or any other party be authorized to use any of PNC's cash Collateral to pay any items:
 - i. not contained in the Budget; and
 - ii in excess of 105% of the amount set forth in the Budget, whether by line item, category, or in the aggregate.
- c. The Debtor agrees not to knowingly or intentionally incur any administrative expenses other than as set forth in the Budget, exclusive of professional fees approved by the Bankruptcy Court pursuant to 11 U.S.C. § 330, 331, or 503(b) and fees payable pursuant to 28 U.S.C. § 1930, or as is otherwise provided herein, without the prior written consent of PNC or approval by the Bankruptcy Court after notice to PNC and a hearing.

2. ADEQUATE PROTECTION. In consideration of and as adequate protection for any diminution in the value of the PNC's cash and non-cash Collateral arising from the use, sale, or lease of the Collateral and/or the imposition of the automatic stay:

- a. Retroactive to the Petition Date, PNC is hereby granted and shall have post-petition replacement liens, to the same extent and with the same priority as held pre petition under 11 U.S.C. §§ 361(2) on the same type of assets (the “Adequate Protection Liens”). The Adequate Protection Liens granted to PNC herein may not be primed by any other lien or encumbrance, whether by order of the Bankruptcy Court or by the passage of time, except after written notice to PNC and hearing. Without executing or recording any financing statements, security agreements, or other documents, the Adequate Protection Liens granted to PNC herein shall be a valid, perfected, first priority lien in favor of PNC against all existing and hereafter acquired pre-petition and post-petition assets of the Debtor of the same kind and type and to the same extent and priority as existed as of the Petition Date.
- b. Except as ordered by the Court, the Adequate Protection Liens and the priorities of same shall not be affected by the incurrence of indebtedness pursuant §364 of the Bankruptcy Code, or otherwise. Nothing contained in this Seventeenth Interim Order shall be deemed to be the consent by PNC, whether express or implied, to any claims against the Collateral or the assets subject to the Adequate Protection Liens under §506(c) of the Bankruptcy Code.
- c. To the extent that the use of PNC’s cash Collateral results in diminution of PNC’s interest in such cash Collateral as of the Petition Date in excess of the value of the Adequate Protection Liens, then PNC shall have a claim pursuant to §§503(b) and 507(b) of the Bankruptcy Code which shall have priority over all other claims entitled to priority under §507(a)(1), with the sole exception of quarterly fees due to the United States Trustee pursuant to 28 U.S.C. § 1930; provided that, this shall not affect a Trustee’s exercise of rights, if any, under §506(c) of the Bankruptcy Code.
- d. The Debtor shall maintain all necessary insurance, including, without limitation, fire, hazard, comprehensive, public liability, and workmen’s compensation as may be currently in effect, and obtain such additional insurance in an amount as is appropriate for the business in which the Debtor is engaged. Upon request, the Debtor shall timely provide PNC with evidence that PNC is listed as an additional insured loss payee on all such existing policies and all renewals and replacements of such policies. The Debtor shall also provide PNC with prompt notification of any change in such coverage that may hereafter occur.
- e. PNC shall have the right to inspect the Collateral or the assets subject to Adequate Protection Liens as well as the Debtor’s books and records during normal business hours.
- f. In addition to the foregoing, Debtor shall make an adequate protection payment, in the amount of \$16,428.14 to PNC. This payment is intended to be adequate protection for the Debtor’s use of the cash Collateral during the term of this Seventeenth Interim Order. This payment shall be applied to the amounts due under PNC’s claim consistent with the provisions of the Loans, subject to reallocation as deemed appropriate by the Court. Both the Debtor and PNC reserve their respective rights related to the adequate protection payments provided in the First, Second, Third, Fourth, Fifth, Sixth, Seventh, Eighth and Ninth Interim Orders, including, but not limited to, the application of those

payments in general and their application to the extent of any diminution of value of the Collateral and the Adequate Protection Liens granted to PNC in Paragraph 2(a).

3. FINANCIAL REPORTING. The Debtor shall furnish to PNC and to 20/20 Franchise Funding such financial and other information as PNC and 20/20 Franchise Funding shall reasonably request including, but not limited to the following:

- a. By Wednesday of each week, commencing November 15, 2016, a report which sets forth in reasonable detail:
 - i. total cash receipts and other collections for the prior week;
 - ii. a comparison of the Debtor's actual performance during the prior week with the Budget and the projections contained therein; and
 - iii. a schedule of all outstanding checks or payments issued by the Debtor identifying the line item within the Budget to which they relate;
- b. By the twenty-first (21st) day of each month beginning November 21, 2016, a balance sheet, income statement, accounts payable report, and accounts receivable report reflecting the Debtor's financial performance for the preceding month. Service of the Debtor's monthly operating report shall satisfy this paragraph.
- c. All other financial information and reports prepared by the Debtor in the ordinary course of its business, including any financial information required by the Bankruptcy Court or by the Operating Guidelines and Reporting Requirements of the United States Trustee's Office.
- d. All other reports and financial information required by the Loans or historically provided to PNC and to 20/20 Franchise Funding, and any additional reports as may be reasonably requested by PNC and 20/20 Franchise Funding from time to time with respect to the Debtor.
- e. Debtor shall send Burger King Corporation copies of all financial reports that are sent to PNC.

4. NOTICE. Any notice or correspondence required to be sent under this Interim Order shall be forwarded by email at the address set forth below and by first class mail, and shall be deemed given upon the earlier of (i) successful email transmission, or (ii) two (2) days after being deposited in the United States Mail, postage pre-paid, and addressed as follows:

5. As and for adequate protection, 20/20 FRANCHISE FUNDING LLC, and LEAF CAPITAL FUNDING LLC, are granted adequate protection as follows: a post-petition replacement lien, to the same extent and with the same priority as held pre petition, under 11 U.S.C. §§ 361(2) on the same type of asset without any further action by the Debtor or said secured creditor and without executing or recording any financing statements, security agreements, or other documents.

6. In addition on or before March 15, 2018, the Debtor-in-Possession shall make the following payments secured creditors listed in paragraph 5 as and for adequate protection:

20/20 Franchise Funding LLC \$4835.00

Leaf Capital Funding \$797.00

7. Nothing in this order adjudicates the priority of any secured interests nor does it act with prejudice with respect to the priority of any of the secured creditors or their right to challenge the nature, extent, priority or validity by any party.

8. The Debtor shall be authorized to deposit all cash into its Debtor in Possession operating accounts at US Bank.

9. Debtor's Motion For Use of Cash Collateral Pursuant to § 363 and Bankruptcy Rule 4001(b) is continued for hearing to March 6, 2018 at 10:00 a.m. in Courtroom 619.

Notes: 1.) An Insurance Claim is under preparation amounting to approximately \$230,000 to cover lost sales and overhead due to a car crash into store #3319, fire and flood losses at stores #139 and #2920.

There has been 2 meetings with the Insurance Agent and direct conversation with one of the 2 insurance companies involved. Once both insurance companies submit their evidence checklist, final figures will be submitted and negotiations have begun with an appointed insurance adjuster.

2.) Also not reflected are rebates due but no amounts have been furnished at this point in time.

3.) A non-recurring cost of approximately \$40,000 has been noted because the wrong figures were given to Workers Comp Insurance. An audit not yet approved mentions \$40,000 for figure errors.

4.) Please note that occupancy costs defined as Utilities, Rent and Real Estate Taxes should be budgeted at 11% for the fast food industry. These stores are averaging an excess of the budgeted amount which is creating a negative impact on cash flow of over \$30,000 this 30 day reporting period. Not reflected in this report are higher but correctable food waste costs which is negatively impacting earnings to the amount of 3% or \$24,000 this reporting period.

5.) Not reflected in this budget is a written and signed employee document from employees at store #3662 demanding increase in pay and retroactive pay of \$10 an hour for all employees earning under \$10 an hour and for those earning \$10 an hour, a wage increase to \$10.50. This will result in a substantial negative impact on cash, unless menu prices can be upword adjusted to pay this demand.

6.) The CEO who pays all th vendor invoices failed to pay Burger King Corporate Rent and Real Estate Taxes due and accounted for in prior budgets. Measures are underway to eliminate this overite.
