## I. INTRODUCTION

Preferred Concrete & Excavating Inc. ("Preferred"), the Debtor and Debtor-in-Possession in the above-captioned Chapter 11 Case, submits this Disclosure Statement (the "Disclosure Statement") pursuant to Section 1125 of the Bankruptcy Code (the "Code"), to all of the Debtor's Creditors and Equity Security Holders, in order to disclose material information sufficient to enable them to make an informed decision in exercising their right to vote for acceptance or rejection of the Debtor's Plan of Reorganization dated January 10, 2017.

On **APRIL 19, 2017 at 1:00 p.m.**, a hearing to consider confirmation of the Plan will be held by the Court or by any other judge sitting in the Court's place, in Courtroom 3100, of the United States Courthouse, 327 South Church Street, Rockford, IL 61101. A copy of the Plan is attached hereto as Exhibit 2. Throughout this Disclosure Statement, the Debtor refers to terms that have been specifically defined in the Plan. Those definitions are incorporated by reference into this Disclosure Statement. Therefore, to fully understand this Disclosure Statement, Creditors must review the Plan.

At the Consolidated Hearing, the Bankruptcy Court (the "**Court**") will consider whether this Disclosure Statement in accordance with Section 1125(b) of the Bankruptcy Code contains information of a kind and in sufficient detail adequate to enable a hypothetical reasonable investor typical of the holders of Claims of the relevant Voting Classes (as defined below) to make an informed judgment whether to accept or reject the Plan. Approval of this Disclosure Statement by the Bankruptcy Court and the transmittal of this Disclosure Statement does not, however, constitute a determination by the Bankruptcy Court as to the fairness or merits of the Plan and should not be interpreted as being a recommendation by the Bankruptcy Court either to accept or reject the Plan.

Upon approval of the Disclosure Statement, the Bankruptcy Court shall immediately commence a hearing to consider confirmation of the Plan.

In summary, but subject to more specific details provided herein and in the Plan, the treatment of claims under the Plan contemplates a greater recovery than that which is likely to be achieved under other alternatives for reorganization or liquidation of the Debtor.

Accordingly, the Debtor believes that confirmation of its Plan is in the best interests of the Creditors and recommends that you vote to accept the Plan.

Accompanying or included as exhibits to this Disclosure Statement are the following:

1. A ballot for acceptance or rejection of the Plan and Dividend Election;
2. The Plan;
3. Financial Projections of the Debtor;
4. Summary Pages of Debtor's Bankruptcy Operating Reports;

The Plan Documents (i.e. all documents that aid in effectuating the Plan, including the Exhibits to the Plan), if any, shall be filed with the Bankruptcy Court with this Disclosure Statement; provided, however, that the Debtor may amend the Plan Documents through and including the Confirmation Date. As the holder of an Allowed Claim in the voting Classes, your vote on the Plan is

extremely important. In order for the Plan to be accepted and thereafter confirmed by the Court without resorting to the "cram-down" provisions of Section 1129(b) of the Bankruptcy Code as to other classes of Allowed Claims, votes representing at least two-thirds in amount and more than one-half in number of Allowed Claims of each impaired Class of Claims that are voting must be cast for the acceptance of the Plan. The Debtor is soliciting acceptances only from members of the Voting Classes. You may be contacted by the Debtor with regard to your vote on the Plan.

Procedures and more information concerning the acceptance and rejection of the Plan are set forth more fully in the section titled "Acceptance or Rejection of the Plan" on page 20.

**D. Confirmation Hearing.**

Pursuant to section 105(d)(2)(B) of the Bankruptcy Code, the Court may order that the hearing ("Consolidated Hearing") on the approval of this Disclosure Statement shall be consolidated with the hearing on the confirmation of the Plan, which hearing has been set for **APRIL 19, 2017 at 1:00 p.m.**, at the United States Bankruptcy Court for the Northern District of Illinois, Courtroom 3100, Rockford, Illinois. The Hearing may be adjourned from time to time by the Court without further notice except for an announcement of the adjourned date made at the hearing.

Objections to confirmation of the Plan or to approval of the Disclosure Statement shall be filed with the Court on or before **MARCH 8, 2017**, and served by the same date on the Debtor, Debtor's counsel and the United States Trustee.

**ARTICLE II  
SUMMARY OF THE PLAN OF REORGANIZATION AND TREATMENT OF CLAIM  
AND EQUITY INTERESTS**

**A. Introduction.**

Chapter 11 is the principal business reorganization chapter of the Bankruptcy Code. Under Chapter 11, a debtor is authorized to reorganize and/or liquidate its business for the benefit of itself and its creditors and equity holders. The formulation of a plan is the principal objective of a Chapter 11 case. In general, a Chapter 11 plan (i) divides Claims and equity interests into separate classes, (ii) specifies the property that each class is to receive under such plan, and (iii) contains other provisions necessary to the reorganization and/or liquidation of the Debtor. Chapter 11 does not require each holder of a claim or equity interest to vote in favor of the plan in order for the Bankruptcy Court to confirm the plan. However, a plan must be accepted by the holders of at least one impaired class of Claims without considering the votes of "insiders" within the meaning of the Bankruptcy Code. The Plan provides for payments on the Effective Date which is four months after the confirmation date.

**B. Unclassified Administrative.**

Except as otherwise provided below, each Holder of an Allowed Administrative Expense Claim shall be paid (a) on the Effective Date, an amount in Cash equal to the Allowed Amount of its Administrative Expense Claim, in accordance with § 1129(a)(9)(A) of the Bankruptcy Code, (b) under such other terms as may be agreed upon by both the Holder of such Allowed Administrative Expense Claim and the Debtor, or (c) as otherwise ordered by order of the Bankruptcy Court. The Debtor estimates these claims will be approximately \$30,000.

All fees and charges assessed against the Estate under Chapter 123 of Title 28, United States Code, 28 U.S.C. §§ 1911-1930, through the Effective Date shall be paid to the United States Trustee by the Debtor by no later than the Effective Date. Following the Effective Date, any such fees required pursuant to 28 U.S.C. § 1930(a)(6) arising or accruing from Distributions

made by the Debtor or made under the Plan shall also be paid by the Debtor. All such payments to the United States Trustee shall be in the appropriate sum required pursuant to 28 U.S.C. § 1930(a)(6) based upon the applicable disbursements for the relevant post-confirmation periods and shall be made within the time period set forth in 28 U.S.C. § 1930(a)(6), until the earlier of (i) the closing of the Bankruptcy Case by the issuance of a Final Order by the Bankruptcy Court on the Final Decree Date, or (ii) the entry of an order by the Bankruptcy Court dismissing the Reorganization Case or converting the Reorganization Case to another chapter under the Bankruptcy Code. The Debtor shall provide to the United States Trustee quarterly post-confirmation payment reports indicating the disbursements for the relevant periods.

Administrative expenses are costs or expenses of administering the Debtor's Chapter 11 case which are allowed under § 507(a)(2) of the Code. The Code requires that all administrative expenses be paid on the effective date of the Plan, unless a particular claimant agrees to a different treatment. Professional Fees of the Debtor until confirmation and a final award of fees and costs to the Debtor's attorneys, the final amount of the attorneys' fees cannot be determined. All administrative expenses are subject to court approval. Administrative expenses will be paid by appropriate court order after notice and hearing. The Debtor estimates administrative expenses will be approximately \$30,000.00.

**C. Unclassified Priority Claims.**

Priority tax claims are unsecured income, employment and other taxes described by 507(a)(8) of the Bankruptcy Code. The Allowed Tax Claims, if any, will be paid in full within 60 equal monthly installments from the petition date plus statutory interest. This treatment of Claims is intended to comply with the requirements of Section 1129(a)(9)(C) of the Bankruptcy Code.

**D. Classification and Treatment of Claims and Equity Interests.**

Section 1123 of the Bankruptcy Code provides that a plan of reorganization shall classify the Claims of a debtor's creditors and interests of a debtor's equity holders. The Plan divides the Claims and Equity Interests into five classes.

Section 101 (5) of the Bankruptcy Code defines "claim" as a "right to payment, whether or not such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured or unsecured," or a "right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, disputed, undisputed, secured or unsecured." The Debtor is required under § 1122 of the Bankruptcy Code to classify the Claims and Equity Interests into separate Classes, which contain Claims, and Equity Interests that are substantially similar to the other Claims and Equity Interests within such Class.

The Debtor believes that it has classified all Claims and Equity Interests in compliance with the provisions of § 1122 of the Bankruptcy Code. However, it is possible that a Holder of a Claim or another interested party may challenge the classification of Claims and Equity Interests contained in the Plan and that the Bankruptcy Court may find that a different classification is required for the Plan to be confirmed. In such event, it is the Debtor's present intent, to the extent permitted by the Bankruptcy Court, to make such reasonable modifications of the classifications under the Plan to provide for whatever classification might be required by the Bankruptcy Court for Confirmation and to use the Plan acceptances received in this solicitation for the purpose of obtaining the approval of the Class or Classes of which the accepting Holder is ultimately deemed to be a member. Any such reclassification could adversely affect the Class in which such

Holder was initially a member, or any other Class under the Plan, by changing the composition of such Class and the vote required of that Class for approval of the Plan. A reclassification of Claims after approval of the Disclosure Statement might necessitate a re-solicitation of acceptances or rejections of the Plan.

Set forth below is also a summary of each Class of Claims and Equity Interests and the expected Distributions under the Plan to Holders of Allowed Claims against the Debtor. Any estimates of Claims set forth in this Disclosure Statement are approximate and are based on amounts scheduled by the Debtor. Except as otherwise specifically provided in the Plan, the treatment of, and the consideration to be received by, Holders of Allowed Claims and Holders of Allowed Equity Interests pursuant to the Plan shall be in full and final satisfaction, settlement, release, extinguishment and discharge of their respective Allowed Claims (of any nature whatsoever) and Allowed Equity Interests.

**Class 22: Equity Security Holder.**

The 100% of the ownership of Connie Hartman and Gerald Hartman shall be cancelled on the Effective Date of the Plan. The Equity Interest holder shall pay to the Reorganized Debtor the sum of Ten Thousand Dollars (\$10,000.00) this amount shall be the Debtor New Value Contribution.

In the event, there is a non-accepting class, then the New Value Contribution shall be subject to higher or better offers by a New Value Auction. The Debtor will publish a notice approved by the court for a new value auction in a newspaper published in the location of the Debtor, the terms of the auction will be subject to court approval at a later date. In the event that an entity offers more than the New Value Contribution for the purchase of the equity in the Reorganized Debtor, the Debtor shall conduct an auction for the sale of the equity in the Reorganized Debtor at the Confirmation Hearing. The highest and best offer at the auction shall constitute the New Value Contribution and the offeror shall constitute the new Interest holder(s) in the Reorganized Debtor.

If, in addition to the proposed contributions of Gerald Hartman and Connie Hartman pursuant to the terms of this Plan, at least one Qualified Bid for the New Value has been received, the Debtor will proceed with the Equity Auction to be held at the confirmation hearing. As soon as practicable after the conclusion of the Auction, the Debtor, (a) shall review each Qualified Bid on the basis of financial and contractual terms and the factors relevant to the sale process, including those factors affecting the speed and certainty of consummation of the transaction, (b) shall determine, in their business judgment, which Qualified Bid is the highest or

otherwise best offer (the “Winning Bid”), and the bidder making the Winning Bid (the “Winning Bidder”), and (c) reject at any time before entry of the Confirmation Hearing, any bid that, is (i) inadequate or insufficient, (ii) not in conformity with the requirements of the Bankruptcy Code, the Bidding Procedures, or the terms and conditions of sale, or (iii) contrary to the best interests of the Debtor, its estate and creditors (the “Bid Analysis”). At the conclusion of the Bid Analysis, the Debtor shall ask the Bankruptcy Court to enter an order authorizing the Debtor to consummate the Sale of the Equity upon the terms of the Winning Bid, to the Winning Bidder, and to execute such additional documentation as is reasonably necessary to close such Sale upon the terms of the Winning Bid. Notwithstanding anything contained herein to the contrary, the sale of the Equity in the Reorganized Debtor to any Winning Bidder is contingent upon the entry of an order by the Bankruptcy Court confirming this Plan.

Notwithstanding anything to the contrary contained in this Plan, in the event that Gerald Hartman and Connie Hartman are not the Winning Bidders, then (i) Gerald Hartman and Connie Hartman shall not make the New Value Contribution to the Reorganized Debtor, (ii) the Equity Interests shall be cancelled and extinguished on the Effective Date.

Parties wishing to overbid the current offer of the New Value Contribution for the equity interests in the Reorganized Debtor must (i) provide a written offer to the Debtor on or before the Confirmation Hearing setting forth the offeror’s name, contact information and amount of offer; (ii) prior to the Confirmation Hearing, submit a cashier’s check in the amount of \$10,000.00 payable to the Debtor (“Deposit”) and provide evidence of ability to pay any additional amounts offered; (iii) make an offer in excess of the New Value Contribution; and (iv) be present at the Confirmation Hearing. All offers and submissions of Deposits must be made on or before the Confirmation Hearing and sent to Debtor’s counsel: O. Allan Fridman, 555 Skokie Blvd. Suite

500, Northbrook, IL 60062.

**E. Determination of Claims.**

Unless otherwise ordered by the Bankruptcy Court, and except as to any late-filed Claims and Claims resulting from the rejection of executory contracts or unexpired leases, if any, all objections to Claims shall be filed with the Bankruptcy Court by no later than thirty (30) days following the Effective Date (unless such period is extended by the Bankruptcy Court), and the Confirmation Order shall contain appropriate language to that effect. Holders of Unsecured Claims that have not filed such Claims on or before the Bar Date shall serve notice of any request to the Bankruptcy Court for allowance to file late Unsecured Claims on the Debtor's Counsel and such other parties as the Bankruptcy Court may direct. If the Bankruptcy Court grants the request to file a late Unsecured Claim, such Unsecured Claim shall be treated in all respects as a Class 6 General Unsecured Claim. Objections to late-filed Claims and Claims resulting from the rejection of executory contracts or unexpired leases shall be filed on the later of (a) sixty (60) days following the Effective Date or (b) the date thirty (30) days after the Debtor receives actual notice of the filing of such Claim.

**F. Assumption and Rejection of Executory Contracts and Leases.**

Pursuant to §§ 365 and 1123(b)(2) of the Bankruptcy Code, all. The Debtor shall assume the its office lease, and shall cure all arrearages and breaches if any thereunder within sixty (60) days after the Effective Date.

**G. Acceptance or Rejection of the Plan.**

*Each Impaired Class Entitled to Vote Separately*

The Holders of Claims or Interests in each Impaired Class of Claims or Interests shall be entitled to vote separately to accept or reject the Plan.

*Acceptance by Impaired Classes*

Pursuant to Section 1126(c) of the Bankruptcy Code, an Impaired Class of Claims will have accepted the Plan if (a) the Holders (other than any Holder designated pursuant to Section 1126(e) of the Bankruptcy Code) of at least two-thirds (2/3) in dollar amount of the Allowed Claims actually voting in such Class have voted to accept the Plan and (b) the Holders (other than any Holder designated pursuant to Section 1126(e) of the Bankruptcy Code) of more than one-half (2) in number of the Allowed Claims actually voting in such Class have voted to accept the Plan.

*Best Interests Standard*

The Bankruptcy Code requires that the Plan meet the "best interest" test, which requires that members of a Class must receive or retain under the Plan, property having value not less than the amount which the Class members would have received or retained if the Debtor was liquidated under Chapter 7 on the same date. The Debtor believes that Distributions to all Impaired Classes of Claims in accordance with the terms of the Plan would exceed the net Distribution that would otherwise take place in Chapter 7. Attached is the Liquidation Analysis (Exhibit 4) that shows that creditors will receive under the Plan more than they would receive if the Debtor were liquidated under Chapter 7.

*Confirmation without Acceptance by all Impaired Classes*

If one or more of the Impaired Classes of Claims does not accept Plan, it may nevertheless be confirmed and be binding upon the non-accepting Impaired Class through the "cram-down" provisions of the Bankruptcy Code, if the Plan does not "discriminate unfairly" and is "fair and equitable" to the non-accepting Impaired Classes.

*Discriminate Unfairly*

The Bankruptcy Code requirement that a plan not "discriminate unfairly" means that a dissenting class must be treated equally with respect to other classes of equal rank. The Debtor's Plan does not "discriminate unfairly" with respect to any Class of Claims or Equity Interests because no class is afforded treatment which is disproportionate to the treatment afforded other Classes of equal rank, and the treatment under the Plan follows the Distribution scheme dictated by the Bankruptcy Code.

*Fair and Equitable Standard*

The "fair and equitable" standard, also known as the "absolute priority rule," requires that a dissenting class receive full compensation for its allowed Claims or interests before any junior class receives any Distribution. The Debtor believes the Plan is fair and equitable to all Classes pursuant to this standard. With respect to the Impaired Classes of Claims, Bankruptcy Code § 1129(b)(2)(B) provides that a plan is "fair and equitable" if it provides that (i) each Holder of a Claim of such a class receives or retains on account of such claim, property of a value as of the effective date of the plan equal to the allowed amount of such claim; or (ii) the Holder of any Claim or interest that is junior to the Claims of such class will not receive or retain any property under the plan on account of such junior claim or interest.

The Debtor believes that the Plan satisfies the absolute priority rule or any exception thereto. Accordingly, if necessary, the Debtor believes the Plan meets the requirements for Confirmation by the Bankruptcy Court, notwithstanding the non-acceptance by an Impaired Class of Claimants.

*Non-Confirmation of the Plan*

If the Bankruptcy Court does not confirm the Plan, the Court may permit the filing of an

amended plan, dismiss the case, or convert the case to Chapter 7. In a Chapter 7 case, the Debtor's Assets would be sold and distributed to the Unsecured Creditors after the payment of all Secured Claims, costs of administration and the payment of Priority Claims.

### **ARTICLE III THE DEBTOR'S OPERATIONS AND HISTORY**

The Debtor operates a construction business primarily engaged in concrete construction that installs concrete floors, streets and related construction work for the past fourteen years. The Debtor was formed by Gerald and Connie Hartman on February 13, 2002 as a union concrete contractor. The Debtor is a signatory for the various unions trade unions based upon the location of the work performed and the type of work performed. The Debtor does a substantial amount of work for municipal projects, schools, hospitals as well as commercial projects.

During the financial crisis in the nation's economy beginning in 2009, the Debtor experienced financial distress due to reduced work and the inability to collect monies due from its clients. With the beginning of the economic recovery, the Debtor's financial picture has been improving. The Debtor has been awarded significantly more projects in the last 12 months and therefore its economic prospects for the future have greatly improved. Nevertheless, because of the filing of collection suits by the various unions, Preferred was compelled to seek bankruptcy protection under Chapter 11 of the Bankruptcy Code.

The gross revenue for the Company in 2015 was approximately \$2,048,813.00. However due to general contractors failing to pay account receivables, Preferred was unable to pay its creditors, including trade creditors, taxing authorities and the Unions and finished the year with not enough funds to pay the Debt incurred during the financial crisis. The labor unions in turn sued Preferred to collect on outstanding fringe benefits and dues owed. Preferred incurred litigation costs because of various labor unions suing the Debtor, and collections attempts caused

Preferred to lose operating capital.

Beginning in 2014, the Debtor performed work on the and Cord Construction Co (“CCC”) was the General Contractor for the Ogle County Highway Department Storage Building at IL Rt. 2, Oregon for the project that entailed concrete work for the sum of \$140,000.00. CCC notwithstanding that it ordered work and extras refused to pay for the work. As a result, the Debtor fell behind in payments to unions and taxing authorities. The Debtor also was unable to pay the obligations for employee taxes and unemployment taxes. During the construction of the Project, various disputes arose among Ogle County (“the County”), CCC, the Debtor, and two of the Debtor’s suppliers, Super Mix, Inc. (“Super Mix”), and Rock River Ready Mix, Inc. (“Rock River”). As a result of these disputes, Super Mix and Rock River asserted liens against the public funds being held by the County, and three lawsuits eventually were filed. The lawsuits, all of which involved numerous claims and counterclaims, were consolidated in Ogle County Case No. 2014 L 34 (“the State Court Lawsuits”). In late June 2015, the parties engaged in settlement negotiations, with the position of the County, CCC, Super Mix, and Rock River being that Preferred should not receive any of the \$140,000 due under the contract and instead should be satisfied that it was not being asked to pay additional funds to the various parties. Preferred paid some of its subcontractors and suppliers from its own funds while the disputes were pending. Since the filing of the case, Preferred settled this claim and obtained approval from the Bankruptcy Court pursuant to Bankruptcy Rule 9019(a) to approve a settlement wherein it received \$54,283.96. Preferred is in the process of liquidating other receivables.

Preferred still has large amounts of account receivables including work due from other contractors. Preferred believes it will ultimately recover these funds and the net proceeds will be available to pay the claims of its creditors. Preferred currently is bidding on several large

construction projects and has been awarded substantial contracts that will begin in the next six months. With the addition of these projects, Preferred is confident it will be able to pay its creditors according to this Plan.

#### **ARTICLE IV THE CHAPTER 11 CASE**

1. Filing of the Reorganization Case. On May 4, 2016, the Debtor's Chapter 11 case was commenced, when the Debtor filed its voluntary petition seeking relief under Chapter 11 of the United States Bankruptcy Code.

2. Administration of the Reorganization Case.

Since the commencement of the Debtor's Chapter 11 Case, the Debtor has operated under the jurisdiction of the Bankruptcy Court pursuant to the provisions of the Bankruptcy Code. During the pendency of the Bankruptcy Case, the Debtor has filed and submitted to the Bankruptcy Court detailed monthly statements reflecting its operations, cash flow, profit and loss, and financial condition, summaries of which are attached hereto as Exhibit 3.

#### **ARTICLE V. MEANS OF IMPLEMENTING THE PLAN**

**1. Source of Payments.**

As described above, (a) Administrative Claims will be paid from the Debtor's future operations; (b) secured Classes will be paid from future earnings; (c) priority Classes will be paid from the funds on hand on the Effective Date; and (d) unsecured Classes from the Debtor's future operations. In addition, the New Value Contribution may be used to fund Plan payments. A copy of the Debtor's pro forma projections is attached hereto as Exhibit 3.

**2. Distributions under the Plan.**

The effective date of this Plan means the first Business Day occurring on or after the

fourth month after the Confirmation Date; provided, however, that if a stay of the Confirmation Order is in effect on such first Business Day, then the Effective Date shall be within four month thereafter on which, if the Confirmation Order has not been vacated, no stay of the Confirmation Order is in effect.

The Initial Distribution Date” (“Initial Distribution Date”) will be the thirty (30) days after the Effective Date. On the Distribution date the Debtor will make payments as listed in exhibit 3.

**3. Plan Disbursing Agent.**

The Debtor’s Secretary Connie Hartman will serve as the Disbursing Agent for the Plan and the Debtor will administer the Plan and any payments called for herein. No separate compensation will be paid to the Disbursing Agent for performing the services called for under the Plan.

**4. Other Pertinent Provisions.**

Pursuant to § 1146(a) of the Bankruptcy Code, the issuance, distribution, transfer or exchange of any security or the making, delivery or recording of any instrument of transfer pursuant to, in implementation of or as contemplated by the Plan or any Plan Document, or the revesting, transfer or sale of any real or personal Property of, by or in the Debtor pursuant to, in implementation of or as contemplated by the Plan or any Plan Document, or any transaction arising out of, contemplated by or in any way related to the foregoing, shall not be subject to any document recording tax, stamp tax, conveyance fee, intangible or similar tax, mortgage tax, stamp act, real estate transfer tax, mortgage recording tax, Uniform Commercial Code filing or recording fee, or other similar tax or governmental assessment, and the appropriate state or local governmental officials or agents shall be, and hereby are, directed to forego the collection of any

such tax or governmental assessment and to accept for filing and recording any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment.

**5. Unclaimed Distributions.**

With respect to unclaimed distributions by either a Holder of an Allowed Administrative Claim or a Holder of an Allowed Priority Claim, if such Holder fails to negotiate a check issued to such Holder within ninety (90) days of the date such check was issued, then the Debtor may provide written notice to such Holder stating that unless such Holder negotiates such check within thirty (30) days of the date of such notice, the amount of cash attributable to such check will be deemed to be unclaimed, such Holder's Claim will no longer be deemed to be Allowed, and such Holder will be deemed to have no further Claim in respect of such check and will not participate in any further distributions under the Plan.

If a distribution to such Holder is returned due to an incorrect or incomplete address for the Holder of such Allowed Claim, as to such distribution within one hundred twenty (120) days of the return of such distribution, then the amount of cash attributable to such distribution will be deemed to be unclaimed and such Holder will be deemed to have no further Claim in respect of such distribution and will not participate in any further distributions under the Plan.

Any unclaimed cash distribution as described above will be distributed to other Holders of Allowed Claims in the same Class as the unclaimed distributee, utilized to pay Allowed Claims of higher priority, or transferred to the Debtor for further distribution to the creditors pursuant to the Court's directive.

**6. Transfers of Claims.**

In the event, that the Holder of any Claim will transfer such Claim on and after the

Effective Date, it will immediately advise the Reorganized Debtor, the Debtor and the Trustee and their counsel in writing of such transfer. The Reorganized Debtor, the Debtor and the Trustee will be entitled to assume that any Holder has made no transfer of any Claim unless such parties have received written notice to the contrary. Each transferee of any Claim will take such Claim subject to the provisions of the Plan and to any request made, waiver or consent given, or other action taken hereunder and, except as otherwise expressly provided in such notice, the Reorganized Debtor, the Debtor or the Trustee will be entitled to assume conclusively that the transferee named in such notice will thereafter be vested with all rights and powers of the transferor under the Plan.

**7. Discharge of Claims.**

Except as expressly provided in the Plan or the Confirmation Order, all Claims against Debtor, except to the extent of valid claims against co-obligors, shall be satisfied by the distributions or treatments received under this Plan. Further, except as expressly provided in the Plan or the Confirmation Order, all Holders shall be precluded from asserting against the Reorganized Debtor, or its assets, or, any further Claim based on any act, omission, transaction or activity of any kind or nature that occurred before the Confirmation Date, whether or not such holder filed a proof of claim in this Case.

Except as provided for in the Plan, all holders of Interests shall be precluded from asserting against the Reorganized Debtor, or its assets, because such Interests, any further right, title or interest based on any act, omission, transaction or activity of any kind or nature that occurred before the Effective Date, whether such holder filed a proof of interest in Case.

As of the Effective Date, all entities that have held, currently hold or may hold a Claim against the Debtor are permanently enjoined from taking any of the following actions on account

of any such Claim against the Reorganized Debtor as provided in the Plan or the Confirmation Order: (i) commencing or continuing in any manner any actions or other proceeding; (ii) enforcing, attaching, collecting or recovering in any manner any judgment, award, decree or order; (iii) creating, perfecting or enforcing any lien or encumbrance; and (iv) asserting a setoff, right of subrogation or recoupment of any kind against any debt, liability or obligation.

**8. Modification of Plan.**

The Debtor may modify the Plan at any time prior to the entry of the Confirmation Order provided that the Plan as modified and the Disclosure Statement meet applicable requirements of the Bankruptcy Code and the Rules.

After the Confirmation Date and before the Effective Date of the Plan, the Debtor or the Reorganized Debtor (as the case may be) may modify the Plan in a way that materially or adversely affects the interests, rights, treatment, or distributions of a Class of Claims, provided that (a) the Plan, as modified, meets applicable Bankruptcy Code requirements; (b) the Debtor obtains Bankruptcy Court approval for such modification, after notice and a hearing; (c) such modification is accepted by at least two-thirds in amount, and more than one-half in number, of Allowed Claims or Allowed Equity Interests voting in each Class adversely affected by such modification; and (d) the Debtor comply with Section 1125 of the Bankruptcy Code with respect to the Plan, as modified.

In the event any Class of Claims votes against the Plan, and the Plan is not revoked or withdrawn, the Debtor hereby requests, and will be allowed, to modify the terms of the Plan to effect a "cramdown" on the dissenting Class or Classes by (a) restructuring the treatment of any Class on terms consistent with Section 1129(b)(2)(B) of the Bankruptcy Code, or (b) deleting distributions to all Classes at or below the level of the objecting Class, or reallocating such

distributions, until such impaired senior Classes are paid in accordance with the absolute priority rule of Section 1129(b) of the Bankruptcy Code. The Debtor may make such modifications or amendments to the Plan and such modifications or amendments will be filed with the Bankruptcy Court and served on all parties in interest entitled to receive notice of the Confirmation Hearing. No such modifications will require any re-solicitation of acceptances as to the Plan by any Class of Claims unless the Bankruptcy Court will require otherwise.

Notwithstanding any provision of the Plan to the contrary, the Debtor reserves all rights it may have to challenge the validity, perfection, priority, scope, and extent of any Liens in respect to any Secured Claims and the amount of any Secured Claims, the Holders of which have not accepted the Plan.

**9. Revocation or Withdrawal of the Plan.**

The Debtor reserves the right to revoke or withdraw the Plan prior to the Confirmation Date. If the Plan is revoked or withdrawn, or if Confirmation of the Plan does not occur, then the Plan will be deemed null and void in all respects and nothing contained in the Plan will be deemed to (a) constitute a waiver or release of any Claims by or against, or Equity Interests in, the Debtor or any other person or other entity, or (b) prejudice in any manner the rights of the Debtor or any other Person or other Entity in any further proceedings involving the Debtor.

**10. Risk Factors.**

Certain substantial risk factors are inherent in most commitments made pursuant to a plan of reorganization in a Chapter 11 case. If such plans are accepted, it is usually because they represent a greater hope for returns and dividends than in a liquidating Chapter 7 case. The Debtor's business is tied to the housing market as such it is dependent on the changes in the market. All of the risk factors inherent in commitments made pursuant to a Plan of

Reorganization in Chapter 11 cases are present in this case. With the Plan of reorganization, the Debtor proposes a viable repayment of its debts.

**11. Tax Consequences of Plan.**

Creditors and Equity Interest Holders Concerned with How the Plan May Affect Their Tax Liability Should Consult with Their Own Accountants, Attorneys, and/or Advisors.

Pursuant to section 166 of the Internal Revenue Code (the "IRS Code"), the amount of any debt discharged in this proceeding may be eligible to be deducted by creditors to the extent of their tax basis in the debt discharged. Creditors are advised to consult with their tax advisors with respect to the specific consequences to them resulting from the discharge, which will depend upon their specific circumstances.

The potential tax consequences to the Debtor, any successor or hypothetical investor could be significant. The discharge of a debt under the Chapter 11 of the Bankruptcy Code generally will not result in income to the Debtor pursuant to IRS Code Section 108. However, tax attributes on a going forward basis such as net operating losses, general business credits, minimum tax credits and capital loss carryovers may be lost or substantially reduced. In addition, the basis for assets, passive activity carryovers and foreign tax credit carryovers may also be reduced.

**ARTICLE VI  
FEASIBILITY OF THE PLAN**

The Debtor believes the Plan is Feasible. The Debtor believes that the Reorganized Debtor will have sufficient cash flow to operate profitably and pay the Priority Pension Claims as well as Unsecured Dividend. Attached hereto as Exhibit 3 is a projection for the Debtor that demonstrates that it will generate sufficient revenue over the life of the Plan to make the payments called for in the Plan. As such, the Debtor believes that the Plan is feasible.

**ARTICLE VII  
LIQUIDATION ANALYSIS**

Liquidation Will Not Pay Creditors in Full. If the Debtor's estate were liquidated, the proceeds of such liquidation would first be used to pay the Class 2, 3, 4, 5, 6, 7, and 9 Claims. As described in greater detail in the liquidation analysis attached hereto as Exhibit 5, the Debtor believes that the proceeds of such liquidation would not yield a dividend to the General Unsecured Creditors.

**ARTICLE VIII  
ANNUAL FINANCIAL STATEMENTS**

Financial Statements. Attached hereto as Exhibit 6 are financial statements for the Debtor's operations during the year prior to the commencement of the Debtor's Chapter 11 Case.

**ARTICLE IX  
OFFICERS AND DIRECTORS**

Officers and Directors. The Plan does not contemplate a change in the Debtor's management; the Reorganized Debtor's management will consist of Gerald Hartman and Connie Hartman as President and Secretary.

**ARTICLE X  
ALTERNATIVES TO THE PROPOSED PLAN**

Conversion to a Liquidation Case the likely Alternative. The alternative to the Plan, as proposed, would be conversion of the Chapter 11 Case to Chapter 7 Case and the subsequent liquidation of the Debtor's assets by an appointed or elected Trustees. As indicated above and as disclosed by the Liquidation Analysis attached hereto as Exhibit 5, the Debtor believes that the proceeds of the liquidation of its estate will yield no dividend to the General Unsecured Creditors.

**ARTICLE XI  
DEBTOR'S RECOMMENDATION**

The Debtor believes that it is in the best interest of the Estate, its Creditors and its Equity Security Holders for the proposed Plan to be approved and, as such, the Debtor urges its Creditors cast ballots to accept the Plan.
