INTERIM ORDER AUTHORIZING INTERIM USE OF CASH COLLATERAL AND GRANTING RELATED RELIEF

THIS MATTER COMING TO BE HEARD upon the Motion of Aspen Court, LLC, Debtor/Debtor-in-Possession herein, For Authority to Use Cash Collateral pursuant to Section 363 of the Bankruptcy Code (the "Motion"); proper notice as required by Rule 4001(b) of the Federal Rules of Bankruptcy Procedure having been provided; this Court having determined that the Debtor's use of cash collateral to cover the expenditures set forth on Exhibit A to the Motion is necessary to avoid immediate and irreparable harm to the Debtor's estate pending a final hearing on the Motion; and this Court being fully advised in the premises;

NOW, THEREFORE, IT IS HEREBY ORDERED as follows:

A) The Debtor is authorized to use cash collateral on an interim basis during the period September 1, 2017, through October 31, 2017, to the extent set forth on Exhibit A attached to the Motion;

B) In return for the Debtor's continued interim use of cash collateral, Soy Capital Bank, Old Second Bank, Commerce Bank and Heartland Bank (collectively, the "Lenders") are granted the following adequate protection for their purported secured interests in property of the Debtor:

1. The Debtor will permit the Lenders to inspect, upon reasonable notice, within reasonable hours, the Debtor's books and records;

2. The Debtor shall maintain and pay premiums for insurance to cover all of its assets from fire, theft and water damage, shall name Lenders as loss payees and/or mortgagees on such insurance policies as provided in the respective pre-petition loan documents and shall provide copies of insurance policies, or endorsements as reasonably requested by any Lender;

3. The Debtor shall, upon reasonable request, make available to the Lenders evidence of that which constitutes their collateral or proceeds;

4. The Debtor will properly maintain its assets in good repair and properly manage its business;

5. The Lenders are granted valid, perfected, enforceable security interests in and to Debtor's post-petition assets, including all proceeds and products which are now or hereafter become property of this estate to the extent and priority of their alleged pre-petition liens, if valid, but, for any Lender, only to the extent of any diminution in the value of such Lender's collateral during the period from the commencement of the Debtor's Chapter 11 case through October 31, 2017;

6. Nothing in this Order shall eliminate the effect of Section 552(b) of the Bankruptcy Code;

C) For any item set forth on Exhibit A, the Debtor is authorized to make the expenditures plus no more than 10% of the total proposed expense payments unless otherwise agreed by the respective Lender or upon further Order of this Court;

D) Any expenses that are budgeted for payment in one month but are not paid in such month shall be carried over for payment in subsequent months;

E) Beginning in the month ending on May 31, 2017, and in addition to any reporting obligations of the United States Trustee, the Debtor shall file and serve upon Lenders' Counsel by the 15th of each month a financial report for the prior month, broken down for each property, that shows the revenues received and expenses incurred with respect to each property; and

F) A final hearing on the Motion is scheduled before this Court on October 24, 2017, at 10:30a.m. Nothing herein shall limit the right of any Lender to object to the Motion at the final hearing or to the terms and conditions of any subsequent cash collateral order.
