# GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY AND DISCLAIMER REGARDING DEBTORS' SCHEDULES AND STATEMENTS

The Schedules of Assets and Liabilities and Statements of Financial Affairs (the "Schedules and Statements") filed by J.L. French Automotive Castings, Inc. and 6 of its affiliates (together, the "Debtors"), in the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court"), were prepared pursuant to 11 U.S.C. § 521 and Fed.R.Bankr.P. 1007 by management of the Debtors and are unaudited. The Debtors have made every reasonable effort to allocate liabilities between prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. While management of the Debtors has made reasonable efforts to file complete and accurate Schedules and Statements based upon information available at the time of preparation, the Schedules and Statements remain subject to further review and verification by the Debtors. Subsequent information may result in material changes in financial and other data contained in the Schedules and Statements. The Debtors reserve their right to amend their Schedules and Statements from time to time as may be necessary or appropriate. These Global Notes and Statement of Limitations, Methodology and Disclaimer Regarding Debtors' Schedules and Statements (the "Global Notes") are incorporated by reference in, and comprise an integral part of, the Schedules and Statements and should be referred to and reviewed in connection with any review of the Schedules and Statements.

- Description of the Cases and "As Of" Information Date. On July 13, 2009 (the "Petition Date"), the Debtors each filed voluntary petitions with the Bankruptcy Court under Chapter 11 of Title 11 of the United States Code, 11 U.S.C. §§ 101, et seq. (as amended, the "Bankruptcy Code"). The cases have been consolidated for the purpose of joint administration under case number 09-12445. The Debtors are currently operating their businesses as debtors-in-possession pursuant to the Bankruptcy Code. Except as otherwise noted, asset information is as of the close of business on May 31, 2009 and liability information is as of July 12, 2009 the day before the Petition Date. Because of the particular accounting methods used by the Debtors, asset information is only available as of the end of each calendar month. In addition, the company closes its books and records for each calendar month approximately two weeks after the end of that particular month. As of the filing of the Schedules and Statements, the Debtors' most current available books and records were for the month of May 2009. Accordingly, the Schedules and Statement reflect the Debtors' asset information as of May 31, 2009.
- 2. <u>Basis of Presentation</u>. These Schedules and Statements reflect financial information for Debtor entities only and do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles ("GAAP"), nor are they intended to fully reconcile to any financial statements otherwise prepared and/or distributed by the Debtors. French Holdings LLC is comprised of the following Debtor entities (i) J.L. French LLC, (ii) Central Die LLC, and (iii) Allotech International LLC. Information for these schedules and statements is presented in each of the Debtor subsidiaries and therefore not reflected again in the schedules and statements of French Holdings LLC.

- 3. <u>Summary of Significant Reporting Policies</u>. The following conventions were adopted by the Debtors in the preparation of the Schedules and Statements:
- 4. <u>Debtors</u>. The Debtors maintain separate, stand-alone accounting records for the Debtor entities. Accordingly, each Debtor entity has prepared a separate set of Schedules and Statements. French Holdings LLC is comprised of the following Debtor entities (i) J.L. French LLC, (ii) Central Die LLC, and (iii) Allotech International LLC. Information for these schedules and statements is presented in each of the Debtor subsidiaries and therefore not reflected again in the schedules and statements of French Holdings LLC.
  - (a) Fair Market Value; Book Value. Except as noted in schedule A, each asset and liability of the Debtors shown in their respective Schedules are provided on the basis of the net book value, rather than the current market value, of the asset or liability as indicated in the Debtors' respective books and records, net of any applicable depreciation, amortization or reserves. For schedule A, the current market values of interests in property is reflected on Debtors' Schedules.
  - (b) <u>Inventories</u>. Inventories are valued in the Schedules at the values reflected on the Debtors' books and records.
  - Leased Real and Personal Property. In the ordinary course of businesses, the Debtors lease real property and various articles of personal property from certain third-party lessors. Such leases are set forth in the Schedules and Statements to the extent the Debtors have been able to identify such leases. The property subject to these leases is not reflected in the Schedules and Statements as either owned property or assets of the Debtors or property or assets of third-parties within the control of the Debtors. The obligations under personal property leases have been included in Schedule D (secured debt) to the extent that the Debtors have determined that a valid UCC-1 filing is in effect. However, nothing in the Schedules or Statements is or shall be construed as an admission or determination as to the legal status of any personal property lease (including whether it is a true lease or a financing arrangement) and the Debtors reserve all rights with respect to all such issues.
  - (d) <u>Causes of Action</u>. The Debtors have not set forth causes of action against third parties as assets in their Schedules and Statements. The Debtors reserve all of their rights with respect to any causes of action they may have and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.
  - (e) <u>Potential Adjustments to Claims</u>. The claims of individual creditors are listed as the amounts entered on the Debtors' books and records and may not reflect credits, allowances, potential set-off rights or other adjustments due from such creditors to the Debtors. The Debtors reserve all of their rights respecting such credits, allowances, potential set-off rights or other adjustments.

- Schedule D. Except as otherwise agreed pursuant to a stipulation or agreed order (f) or general order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtor. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements. To the extent that a claim listed on Schedule D as a result of a UCC filing is based upon an executory contract, the Debtors, to the best of their ability, have included those executory contracts on Schedule G. However, there may be instances where an executory contract related to a UCC filing on Schedule D was not available at the time of the filing of the Schedules and Statements. To the extent that these additional executory contracts become available, the Debtors reserve the right to amended Schedule G.
- (g) Schedule F. Information listed on Schedule F for trade payables is reflective of the Debtors' books and records as of July 13, 2009. While every effort has been made to ensure the accuracy of the unsecured liability, inadvertent error or omissions may have occurred. The Debtors hereby reserve all of their rights to amend and supplement such Schedule as necessary.
- Schedule G. While every effort has been made to ensure the accuracy of the (h) Schedule of Executory Contracts, inadvertent errors or omissions may have occurred. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. The contracts, agreements and leases listed on Schedule G may have expired or may have been modified, amended or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters and other documents, instruments and agreements which may not be listed therein. Certain of the real property leases listed on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. Certain of the executory agreements may not have been memorialized and could be subject to dispute. Executory agreements that are oral in nature, if any, have been scheduled to the best of the Debtors' knowledge. Additionally, the Debtors may be parties to various other concerning real property, supplemental agreements amendments/letter agreements, and other miscellaneous agreements. agreements, if any, are not set forth in Schedule G. Certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or

secured financings. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. The Debtors reserve all of their rights, claims and causes of action with respect to the contracts and agreements listed on these Schedules, including the right to dispute or challenge the characterization or the structure of any transaction, document or instrument. Additionally, there may be instances where the Debtors were unable to locate a particular executory contract or unexpired lease in connection with preparation of Schedule G and such instruments may have been inadvertently omitted from Schedule G. To the extent the Debtors locate such additional executory contracts or unexpired leases, the Debtors reserve the right to amend Schedule G.

- Authorized Payments of Certain Claims. Certain of the Debtors' Schedules list creditors and set forth the Debtors' estimate of the claims of creditors as of the Petition Date. The Bankruptcy Court has authorized the Debtors to pay certain prepetition claims, including those relating to (i) wages, salaries and employee benefits; (ii) shippers and certain lien claimants; (iii) insurance programs; and (iv) claims of critical vendors. Accordingly, portions of such claims may have been paid prior to the preparation of the Schedules and, therefore, will not be reflected on the Schedules.
- 6. <u>Intercompany Claims</u>. Prior to the Petition Date, the Debtor routinely engaged in intercompany transactions and such obligations/receivables are included in these Schedules and the Statement. If upon further review and investigation any intercompany claim balances listed in the Schedules require updating, the Debtor will update such balances in accordance with Rule 1009 of the Federal Rules of Bankruptcy Procedure, as appropriate.
- 7. <u>Employee Claims</u>. The Bankruptcy Court entered an order granting authority to the Debtors to pay prepetition employee wages, salaries, benefits and other obligations. Accordingly, only Workers' Compensation claims open as of the petition date have been included in the Schedules and Statements.
- 8. Other Long-Term Liabilities. The Debtors have accrued certain current expenses and other long-term liabilities that either are not payable at this time or have not yet been reported and, therefore, are not otherwise set forth in the Schedules and Statements. The accrued liabilities, for which the Debtors may have accrued reserves, relate to, among other things, the Debtors' medical and pension plans, workers' compensation plans, vacation policies, litigation and federal, state and local taxes.
- 9. No Admissions. Any failure to designate a claim on the Schedules as "disputed," "contingent" or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed," "contingent" or "unliquidated." The Debtors reserve the right to dispute, or to assert offsets or defenses to, any claim reflected on the Schedules as to amount, liability or classification or to otherwise subsequently designate any claim as "disputed," "contingent" or "unliquidated." Listing a claim does not constitute an admission of liability by the Debtors. Moreover, the categorization of any claims in the Debtors' Schedules shall not constitute (i) an admission by the Debtors as to the legal

rights of the claimant or (ii) a waiver of the Debtors' rights to recharacterize, reclassify or otherwise object to such claim.
