This Monthly Operating Report ("MOR") has been prepared solely for the purpose of complying with the monthly reporting requirements applicable in the bankruptcy cases and is in a format acceptable to the U.S. Trustee. The financial information contained herein is unaudited, limited in scope and as discussed below, is not prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

The unaudited combined financial statements have been derived from the books and records of the Debtors. The information furnished in this report includes primarily normal recurring adjustments, but not all the adjustments that would typically be made for the quarterly and annual financial statements to be in accordance with U.S. GAAP. Furthermore, the monthly financial information contained herein has not been subjected to the same level of accounting review and testing that Eastman Kodak Company and related Debtors applies in the preparation of its quarterly and annual financial information in accordance with U.S. GAAP. Accordingly, upon the application of such procedures, the Debtors believe that the financial information may be subject to change, and these changes could be material.

The financial statements presented in MOR-2 and MOR-3 do not include elimination entries for intercompany balances related to non-debtor affiliates. Investment in subsidiary balances are recorded at cost which may not be in accordance with U.S. GAAP. Intercompany transactions between Debtors have been eliminated in the financial statements contained herein. The amounts currently classified as liabilities subject to compromise may be subject to future change.

The results of operations contained herein are not necessarily indicative of results which may be expected from any other period or for the full year and may not necessarily reflect the consolidated results of operations, financial position and cash flows of the Debtors in the future. The Debtors caution readers not to place undue reliance upon the MOR. There can be no assurance that such information is complete and the MOR may be subject to revision.

**Notes to MOR 4 and MOR 5:**

Eastman Kodak Company and related debtors will disclose the ending accounts receivable and accounts payable balances as part of MOR 3. Due to the volume of transactions related to customer and vendor billings and payments, these items will be made available upon request.

**Note to MOR 6:**

Eastman Kodak Company and related debtors believe the various motions, filings, and orders that occur with the U.S. Bankruptcy Courts on a regular basis achieve the disclosure requirement of this MOR.
