Preamble

The Debtors propose the following Plan for resolution of their outstanding Claims against, and Equity Interests in, the Debtors pursuant to the Bankruptcy Code. Capitalized terms used herein have the meanings ascribed to such terms in Article I of the Plan or, to the extent not defined therein, as such terms are defined in the Bankruptcy Code. Except as otherwise indicated herein, the Plan applies to all of the Debtors and constitutes 23 distinct chapter 11 plans.

The Plan proposes an economic resolution of the claims of creditors of all of the Debtors and incorporates various inter-Debtor, Debtor-creditor and inter-creditor resolutions designed to achieve a global and efficient resolution of the Chapter 11 Cases. The Debtors believe that the proposed Plan represents a fair economic resolution for all of the Debtors' claimants that will expedite the administration of the Debtors' chapter 11 cases and accelerate recoveries to creditors. The Plan enables the avoidance of the potential enormous costs and extended time that would otherwise be incurred in connection with litigation of the multifaceted and complex issues associated with these extraordinary cases. The Plan recognizes the corporate integrity of each Debtor. Allowed Claims against a Debtor will be satisfied from the assets of that Debtor.

Concurrently with the filing of the Plan, LBHI has filed a motion for authorization to establish LAMCO. In the course of managing and administering the Debtors' assets, LBHI has developed an asset management business specializing in the management of commercial real estate, residential mortgages, principal investments and private equity, corporate debt and derivatives assets. While its capabilities are designed for the administration of assets of the Debtors, LAMCO is well-suited for management of similar third party assets, and the production of revenues that will benefit the stakeholders of that entity. LAMCO, a newly created subsidiary of LBHI, will provide management services to the Debtors and will undertake the administration of the Debtors' assets. LAMCO will enable the Debtors to capitalize on existing infrastructure for the management of long-term investments and illiquid assets and will also provide long-term employment opportunities for the Debtors' employees.

Any payment of Cash made pursuant to the Plan may be made at the option of the Plan Administrator either by check or by wire transfer.

8.5 Distributions Free and Clear. Except as otherwise provided herein, any Distributions under the Plan shall be free and clear of any Liens, Claims and encumbrances, and no other entity, including the Debtors or the Plan Administrator shall have any interest, legal, beneficial or otherwise, in assets transferred pursuant to the Plan.

8.6 Delivery of Distributions and Undeliverable Distributions. Distributions to holders of Allowed Claims shall be made at the address of each such holder as set forth on the Schedules filed with the Bankruptcy Court, unless superseded by a new address as set forth (a) on a proof of claim filed by a holder of an Allowed Claim or (b) in another writing notifying the Plan Administrator (at the addresses set forth in Section 14.8) of a change of address. If any holder's Distribution is returned as undeliverable, no further Distributions to such holder shall be made unless and until the Plan Administrator is notified of such holder's then-current address, at which time all missed Distributions shall be made to such holder at its then-current address, without interest. All demands for undeliverable Distributions shall be made on or before six (6) months after the date such undeliverable Distribution was initially made. Thereafter, the amount represented by such undeliverable Distribution shall irrevocably revert to the applicable Debtor and any Claim in respect of such undeliverable Distribution shall be discharged and forever barred from assertion against such Debtor or its respective property.

8.7 Withholding and Reporting Requirements. In connection with the Plan and all instruments issued in connection therewith and distributed thereon, the Plan Administrator shall comply with all applicable withholding and reporting requirements imposed by any federal, state, or local taxing authority, and all Distributions under the Plan shall be subject to any such withholding or reporting requirements. Notwithstanding the above, each holder of an Allowed Claim that is to receive a Distribution under the Plan shall have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any Governmental Unit, including income, withholding and other tax obligations, on account of such Distribution. The Plan Administrator has the right, but not the obligation, to not make a Distribution until such holder has made arrangements satisfactory to such issuing or disbursing party for payment of any such tax obligations. The Plan Administrator may require, as a condition to receipt of a Distribution, that the holder of an Allowed Claim complete and return a Form W-8 or W-9, as applicable to each such holder. If the Plan Administrator makes such a request and the holder fails to comply before the date that is 180 days after the request is made, the amount of such Distribution shall irrevocably revert to the applicable Debtor and any Claim in respect of such Distribution shall be discharged and forever barred from assertion against such Debtor or its respective property.

8.8 Time Bar to Cash Payment Rights. Checks issued in respect of Allowed Claims shall be null and void if not negotiated within 90 days after the date of issuance thereof. Requests for reissuance of any check shall be made to the Plan Administrator by the holder of the Allowed Claim to whom such check originally was issued. Any claim in respect of such a voided check shall be made on or before 90 days after the expiration of the 90 day period following the date of issuance of such check. Thereafter, the amount represented by such voided check shall irrevocably revert to the Debtor and any Claim in respect of such voided check shall be discharged and forever barred from assertion against such Debtor and its property.

8.9 Setoffs and Recoupment. The Debtors may, but shall not be required to, setoff against or recoup from any Claim and the payments to be made pursuant to the Plan in respect of such Claim any Claims of any nature whatsoever that the Debtors may have against the claimant, but neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release by the Debtors of any such Claim the Debtors may have against such claimant.

8.10 Distribution Record Date. On the Distribution Record Date, the Claims register shall be closed and any transfer of any Claim therein shall be prohibited. The Debtors and the Plan Administrator shall have no obligation to recognize any transfer of any such Claims occurring after the close of business on the Distribution Record Date.

8.11 Allocation of Distributions. Distributions to any holder of an Allowed Claim shall be allocated first to the principal portion of any such Allowed Claim (as determined for federal income tax purposes), and, only after the principal portion of any such Allowed Claim is satisfied in full, to any portion of such Allowed Claim comprising interest (but solely to the extent that interest is an allowable portion of such Allowed Claim).

8.12 Maximum Distribution. In no event shall any holder of any Allowed Claim receive Distributions under the Plan in excess of the Allowed amount of such Claim.

ARTICLE IX

Procedures for Treating Disputed Claims

9.1 Objections. As of the Effective Date, objections to, and requests for estimation of, all Claims against the Debtors may be interposed and prosecuted only by the Plan Administrator, which shall consult with the applicable Debtor and the Creditors' Committee regarding the same. Objections to and requests for estimation of Claims shall be filed with the Court and served on the claimant on or before the later of (a) the date that is 2 years after the Effective Date and (b) such later date as may be fixed by the Bankruptcy Court for cause shown.

9.2 No Distributions Pending Allowance. Notwithstanding any other provision hereof, if any portion of a Claim is a Disputed Claim, no Distribution shall be made on account of such Claim unless and until such Disputed Claim becomes an Allowed Claim.

9.3 Estimation of Claims. The Plan Administrator may at any time request on behalf of any Debtor, after consultation with the Creditors' Committee, that the Bankruptcy Court estimate any contingent, unliquidated, or Disputed Claim pursuant to section 502(c) of the Bankruptcy Code or otherwise regardless of whether such Debtor previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court will retain exclusive jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including, without limitation, during the pendency of any appeal relating to any such objection. In the event that the Bankruptcy Court estimates any contingent, unliquidated or Disputed Claim, the amount so estimated shall constitute either the Allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on the amount of such Claim, such Debtor may pursue supplementary proceedings to object to the allowance of such Claim. All of the aforementioned objection, estimation, and resolution procedures are intended to be cumulative and not exclusive of one another. Claims may be estimated and subsequently disallowed, reduced, compromised, settled, withdrawn, or resolved by any mechanism approved by the Bankruptcy Court.

9.4 Resolution of Disputed Claims. On and after the Effective Date, the Plan Administrator shall have the authority, after consultation with the Creditors' Committee, to compromise, settle or otherwise resolve or withdraw any objections to Claims and to compromise, settle or otherwise resolve any Disputed Claims. On the date of the first Distribution that is at least sixty (60) days after the date a Disputed Claim becomes an Allowed Claim against a Debtor, such Debtor shall remit to the holder of such Allowed Claim Cash equal to the amount such holder would have received as of that date under the Plan if the Allowed portion of the Disputed Claim had been an Allowed Claim as of the Effective Date. To the extent that a Disputed Claim against a Debtor is not Allowed or becomes an Allowed Claim in an amount less than the amount of the Disputed Claim set forth in the proof of claim, or as previously estimated by the Bankruptcy Court, the excess of the amount of Cash that would have been distributed to the holder of the Disputed Claim if the Claim had been Allowed in full over the amount of Cash actually distributed on account of such Disputed Claim shall be Available Cash.

9.5 No Interest. Holders of Disputed Claims shall not be entitled to interest if such Disputed Claim becomes an Allowed Claim unless the holder of such Allowed Claim is entitled to postpetition interest on such Claim under the Bankruptcy Code and the Plan.

ARTICLE X

Treatment of Executory Contracts and Unexpired Leases

10.1 Executory Contracts and Unexpired Leases. Pursuant to sections 365(a) and 1123(b)(2) of the Bankruptcy Code, all executory contracts and unexpired leases that exist between a Debtor and any person or entity shall be deemed rejected by such Debtor, as of the Effective Date, except for any executory contract or unexpired lease (i) that has been assumed pursuant to an order of the Bankruptcy Court entered prior to the Effective Date and for which the motion was filed prior to the Confirmation Date, (ii) as to which a motion for approval of the assumption or rejection of such executory contract or unexpired lease has been filed prior to the Confirmation Date, or (iii) that is specifically designated in the Plan Supplement as a contract or lease to be assumed by the Debtor; *provided, however*, that the Debtors reserve the right, on or prior to the Confirmation Date, to amend the Plan Supplement to remove any executory contract or unexpired lease therefrom or add any executory contract or unexpired lease thereto, in which event such executory contract(s) or unexpired lease(s) shall be deemed to be, respectively, rejected or assumed. The Debtors shall provide notice of any amendments to the Plan Supplement to the parties to the executory contracts and unexpired leases affected thereby. The listing of a document in the Plan Supplement shall not constitute an admission by the Debtors that such document is an executory contract or an unexpired lease or that the Debtors have any liability thereunder.

10.2 Approval of Assumption and Rejection of Executory Contracts and Unexpired Leases. Entry of the Confirmation Order shall, subject to and upon the occurrence of the Effective Date, constitute (i) the approval, pursuant to sections 365(a) and 1123(b)(2) of the Bankruptcy Code, of the assumption of the executory contracts and unexpired leases assumed or assumed and assigned pursuant to the Plan and (ii) the approval, pursuant to sections 365(a) and 1123(b)(2) of the Bankruptcy Code, of the rejection of the executory contracts and unexpired

leases rejected pursuant to the Plan. To the extent any provision of an executory contract or unexpired lease to be assumed by any of the Debtors under the Plan limits such Debtor's ability to assign such executory contract or unexpired lease, the effectiveness of such provision shall be limited or nullified to the full extent provided in section 365(f) of the Bankruptcy Code.

10.3 Cure of Defaults. Except as may otherwise be agreed to by the parties, within thirty (30) days after the Effective Date, the Debtor shall cure any and all undisputed defaults under any executory contract or unexpired lease assumed by the Debtor pursuant to the Plan, in accordance with section 365(b) of the Bankruptcy Code. All disputed defaults that are required to be cured shall be cured either within thirty (30) days of the entry of a Final Order determining the amount, if any, of the Debtor's liability with respect thereto, or as may otherwise be agreed to by the parties.

10.4 Bar Date for Filing Proofs of Claim Relating to Executory Contracts and Unexpired Leases Rejected Pursuant to the Plan. Claims arising out of the rejection of an executory contract or unexpired lease pursuant to the Plan must be filed with the Bankruptcy Court and served upon the relevant Debtor no later than forty-five (45) days after the later of (i) notice of entry of an order approving the rejection of such executory contract or unexpired lease, (ii) notice of entry of the Confirmation Order, and (iii) notice of an amendment to the Plan Supplement relating to such executory contract or unexpired lease. **Except as set forth in the preceding sentence, all such Claims must otherwise comply with the provisions of the Bar Date Order, including, without limitation, the Derivatives Questionnaire and the Guarantee Questionnaire. All such Claims not filed in accordance with the foregoing and within such time will be forever barred from assertion against the Debtors and their estates.** Any Claim arising out of the rejection of an executory contract or unexpired lease pursuant to the Plan shall be classified as a General Unsecured Claim against the Debtor that is a party to such executory contract or unexpired lease.

10.5 Insurance Policies. All of the Debtors' insurance policies and any agreements, documents, or instruments relating thereto, are treated as executory contracts under the Plan. Nothing contained herein shall constitute or be deemed a waiver of any Litigation Claims that the Debtors may hold against any entity, including, without limitation, the insurer, under any of the Debtors' policies of insurance.

10.6 Indemnification Obligations. Subject to the occurrence of the Effective Date, the obligations of each Debtor arising after the Commencement Date to indemnify, defend, reimburse or limit the liability of (i) directors, officers and any other employee who is held responsible for obligations of the Debtor incurred after the Commencement Date who are directors, officers or employees of such Debtor or a Debtor-Controlled Entity on or after the Commencement Date and (ii) Released Parties, respectively, against any Claims or Causes of Action as provided in the Debtor's articles of organization, certificates of incorporation, bylaws, other organizational documents or applicable law, shall survive confirmation of the Plan, shall be assumed by such Debtor and will remain in effect after the Effective Date if such indemnification, defense, reimbursement or limitation is owed in connection with an event occurring before the Commencement Date.

ARTICLE XI
Effectiveness of the Plan

11.1 Conditions Precedent to the Confirmation of the Plan. A condition precedent to the confirmation of each Plan is that the Bankruptcy Court shall have entered a Confirmation Order with respect to such Plan in form and substance satisfactory to the respective Debtor and the Creditors' Committee.

11.2 Conditions Precedent to the Effective Date of the Plan. The following are conditions precedent to the Effective Date of the Plan with respect to each Debtor:

(a) The Confirmation Order, in form and substance acceptable to the Debtors and the Creditors' Committee, shall have been entered;

(b) All actions and all agreements, instruments or other documents necessary to implement the terms and provisions of the Plan are effected or executed and delivered, as applicable, in form and substance satisfactory to the Debtors;

(c) All authorizations, consents and regulatory approvals, if any, required by the Debtors in connection with the consummation of the Plan are obtained and not revoked; and

(d) the certificate of incorporation and by-laws of the Debtors shall have been amended to the extent necessary to effectuate the Plan.

11.3 Waiver of Conditions. Notwithstanding the foregoing, each Debtor reserves its right, upon obtaining the consent of the Creditors' Committee, to waive the occurrence of the conditions precedent to the Effective Date set forth in Section 11.2 of the Plan other than Section 11.2(a) of the Plan. Any such waiver may be effected at any time, without notice, without leave or order of the Bankruptcy Court, and without any formal action other than proceeding to consummate the Plan. Any actions required to be taken on the Effective Date shall take place and shall be deemed to have occurred simultaneously, and no such action shall be deemed to have occurred prior to the taking of any other such action. If any of the Debtors decide, after consultation with the Creditors' Committee, that one of the conditions precedent to the Effective Date of its Plan cannot be satisfied and the occurrence of such condition is not waived or cannot be waived, then the Debtor shall file a notice of the inability to satisfy such condition prior to the Effective Date with the Bankruptcy Court.

ARTICLE XII
Effects of Confirmation

12.1 Vesting of Assets. Upon the Effective Date, pursuant to section 1141(b) and (c) of the Bankruptcy Code, all property of the Debtors' estates shall vest in the respective Debtor free and clear of all Claims, Liens, encumbrances, charges and other interests, except as provided herein. From and after the Effective Date, the Debtors may take any action, including, without limitation, the operation of their businesses, the use, acquisition, sale, lease and disposition of property, and the entry into transactions, agreements, understandings or arrangements, whether in or other than in the ordinary course of business, and execute, deliver, implement, and fully

perform any and all obligations, instruments, documents and papers or otherwise in connection with any of the foregoing, free of any restrictions of the Bankruptcy Code or the Bankruptcy Rules and in all respects as if there were no pending cases under any chapter or provision of the Bankruptcy Code, except as explicitly provided herein.

12.2 **Binding Effect.** On and after the Confirmation Date, the provisions of the Plan shall bind any holder of a Claim against, or Equity Interest in, the Debtors and their respective successors and assigns, whether or not the Claim or Equity Interest of such holder is impaired under the Plan and whether or not such holder has accepted the Plan.

12.3 **Compromise of Controversies.** Pursuant to Bankruptcy Rule 9019, and in consideration for the classification, Distributions and other benefits provided under the Plan, the provisions of this Plan shall constitute a good faith compromise and settlement of all Claims and controversies resolved pursuant to the Plan, including, without limitation, the resolution of issues relating to: (i) the enforceability of Guarantee Claims; (ii) Intercompany Claims; and (iii) inter-Debtor disputes. The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of each of the foregoing compromises or settlements and all other compromises and settlements provided for in the Plan, and the Bankruptcy Court's findings shall constitute its determination that such compromises and settlements are in the best interests of the Debtors, the estates, creditors, and other parties in interest, and are fair, equitable, and within the range of reasonableness.

12.4 **Release and Exculpation.** On and after the Effective Date, the Debtors and all entities who have held, hold or may hold Claims against or Equity Interests in any or all of the Debtors (whether proof of such Claims or Equity Interests has been filed or not), along with their respective present or former employees, agents, officers, directors or principals, shall be deemed to have released the Released Parties from, and none of the Released Parties shall have or incur any liability for, any Claim, Cause of Action or other assertion of liability for any act taken or omitted to be taken during the Chapter 11 Cases in connection with, or arising out of, the Chapter 11 Cases, the formulation, dissemination, confirmation, consummation or administration of the Plan, property to be distributed under the Plan or any other act or omission in connection with the Chapter 11 Cases, the Plan, the Disclosure Statement or any contract, instrument, document or other agreement related thereto; *provided, however,* that (i) in no event shall any Litigation Claim, Cause of Action or other Claim or assertion of liability against any Released Party for any act taken or omitted to be taken prior to the Commencement Date be released by the Plan, and (ii) nothing herein shall affect the liability of any person that otherwise would result from any such act or omission to the extent such act or omission is determined by a Final Order to have constituted willful misconduct or gross negligence; *provided, further,* that nothing in this Plan shall limit the liability of the professionals of the Debtors or the Creditors' Committee to their respective clients pursuant to DR 6-102 of the Model Code of Professional Responsibility.

12.5 **Injunction.** Except as expressly provided in the Plan, the Confirmation Order, or a separate order of the Bankruptcy Court, all entities who have held, hold or may hold Claims against or Equity Interests in any or all of the Debtors and other parties

in interest (whether proof of such Claims or Equity Interests has been filed or not), along with their respective present or former employees, agents, officers, directors or principals, are permanently enjoined, on and after the Effective Date, with respect to any Claims and Causes of Action which are extinguished or released pursuant to the Plan from (i) commencing, conducting, or continuing in any manner, directly or indirectly, any suit, action, or other proceeding of any kind (including, without limitation, any proceeding in a judicial, arbitral, administrative or other forum) against or affecting the Released Parties or the property of any of the Released Parties, (ii) enforcing, levying, attaching (including, without limitation, any prejudgment attachment), collecting, or otherwise recovering by any manner or means, whether directly or indirectly, any judgment, award, decree, or order against the Released Parties or the property of any of the Released Parties, (iii) creating, perfecting, or otherwise enforcing in any manner, directly or indirectly, any encumbrance of any kind against the Released Parties or the property of any of the Released Parties, (iv) asserting any right of setoff, directly or indirectly, against any obligation due the Released Parties or the property of any of the Released Parties, except as contemplated or allowed by the Plan; (v) acting or proceeding in any manner, in any place whatsoever, that does not conform to or comply with the provisions of the Plan; and (vi) taking any actions to interfere with the implementation or consummation of the Plan.

12.6 Terms of Injunctions or Stays. Unless otherwise provided in the Plan, the Confirmation Order, or a separate order of the Bankruptcy Court, all injunctions or stays arising under or entered during the Chapter 11 Cases under section 105 or 362 of the Bankruptcy Code, or otherwise, and in existence on the Confirmation Date, shall remain in full force and effect until the closing of all of the Chapter 11 Cases.

12.7 Retention of Litigation Claims and Reservation of Rights.

(a) Except as expressly provided in the Plan, nothing contained in the Plan or the Confirmation Order shall be deemed to be a waiver or the relinquishment of any rights or Litigation Claims that the Debtors may have or choose to assert on behalf of their respective estates under any provision of the Bankruptcy Code or any applicable nonbankruptcy law, including, without limitation, (i) any and all Claims against any person or entity, to the extent such person or entity asserts a crossclaim, counterclaim, and/or Claim for setoff which seeks affirmative relief against the Debtors, their officers, directors, or representatives, (ii) any and all Claims or rights arising under any tax sharing agreement among the Debtors and their Affiliates (including the tax sharing agreement among the Debtors and LBI based on their regular and consistent course of conduct over many years), (iii) any and all Claims for reimbursement of costs incurred for the benefit of any Affiliate, including in connection with the disposition of an Affiliate's assets; and (iv) any and all Avoidance Actions.

(b) Except as expressly provided in the Plan, nothing contained in the Plan or the Confirmation Order shall be deemed to be a waiver or relinquishment of any Litigation Claim, right of setoff, or other legal or equitable defense which the Debtors had immediately prior to the Commencement Date, against or with respect to any Claim left unimpaired by the Plan. The Debtors shall have, retain, reserve, and be entitled to assert all such Litigation Claims, rights of setoff, and other legal or equitable defenses which they had immediately prior to the

Commencement Date fully as if the Chapter 11 Cases had not been commenced, and all of the Debtors' legal and equitable rights respecting any Claim left unimpaired by the Plan may be asserted after the Confirmation Date to the same extent as if the Chapter 11 Cases had not been commenced; *provided, however*, that, for the avoidance of doubt, the foregoing shall not restrict the Debtors' ability to retain, prosecute or settle any Avoidance Actions.

(c) Except as expressly provided in the Plan, the Plan Administrator, shall, after the Effective Date, retain the rights of each Debtor, to prosecute any Litigation Claims that could have been brought by such Debtor at any time. The Plan Administrator shall prosecute all such retained Litigation Claims in coordination with the Debtors and the Creditors' Committee. If the Plan Administrator declines to prosecute any Litigation Claim on behalf of any Debtor, the Creditors' Committee shall have the right and standing to prosecute such Litigation Claim on behalf of such Debtor.

ARTICLE XIII **Retention of Jurisdiction**

13.1 Retention of Jurisdiction. The Bankruptcy Court shall retain exclusive jurisdiction of all matters arising under, arising out of, or related to, the Chapter 11 Cases and the Plan pursuant to, and for the purposes of, sections 105(a) and 1142 of the Bankruptcy Code and for, among other things, the following purposes:

- (a) To hear and determine any motions for the assumption, assumption and assignment or rejection of executory contracts or unexpired leases and the allowance of any Claims resulting therefrom;
- (b) To determine any and all pending adversary proceedings, applications and contested matters relating to the Chapter 11 Cases;
- (c) To hear and determine any objection to Claims;
- (d) To enter and implement such orders as may be appropriate in the event the Confirmation Order is for any reason stayed, revoked, modified, or vacated;
- (e) To issue such orders in aid of execution of the Plan to the extent authorized by section 1142 of the Bankruptcy Code;
- (f) To consider any modifications of the Plan, to cure any defect or omission or reconcile any inconsistency in any order of the Bankruptcy Court, including, without limitation, the Confirmation Order;
- (g) To hear and determine all applications for compensation and reimbursement of expenses of professionals under sections 330, 331 and 503(b) of the Bankruptcy Code;

(h) To hear and determine disputes arising in connection with the interpretation, implementation, or enforcement of the Plan, including any agreements or documents contemplated by the Plan;

(i) To issue injunctions, enter and implement other orders, and take such other actions as may be necessary or appropriate to restrain interference by any person with the consummation, implementation or enforcement of the Plan, the Confirmation Order, or any other order of the Bankruptcy Court;

(j) To hear and determine any actions brought against the Plan Administrator in connection with the Plan;

(k) To hear and determine any actions brought to recover all assets of the Debtors and property of the estates, wherever located;

(l) To hear and determine matters concerning state, local, and federal taxes in accordance with sections 346, 505 and 1146 of the Bankruptcy Code, including any requests for expedited determinations under section 505(b) of the Bankruptcy Code filed, or to be filed, with respect to tax returns for any and all taxable periods ending after the Commencement Date;

(m) To hear all matters relating to Article XII of the Plan, including, without limitation, all matters relating to the releases, exculpation, and injunction granted thereunder.

(n) To hear any other matter consistent with the provisions of the Bankruptcy Code; and

(o) To enter a final decree closing the Chapter 11 Cases.

ARTICLE XIV **Miscellaneous Provisions**

14.1 Dissolution of the Committee. On the Closing Date, the Creditors' Committee shall be dissolved and the members thereof shall be released and discharged of and from all further authority, duties, responsibilities, and obligations related to and arising from and in connection with the Chapter 11 Cases, and the retention or employment of the Creditors' Committee's attorneys, accountants, and other agents shall terminate.

14.2 Exemption from Transfer Taxes. Pursuant to section 1146(a) of the Bankruptcy Code, (a) the issuance, transfer, or exchange of notes or equity securities, (b) the creation of any mortgage, deed of trust, lien, pledge, or other security interest, (c) the making or assignment of or surrender of any lease or sublease, or (d) the making of or delivery of any deed or other instrument of transfer under, in furtherance of, or in connection with the Plan, and any merger agreements, agreements of restructuring, disposition, liquidation or dissolution, any deeds, bills of sale, transfers of tangible property, or assignments executed in connection with any

disposition of assets contemplated by the Plan, shall not be subject to any stamp, real estate transfer, mortgage recording, sales, use or other similar tax.

14.3 Plan Supplement. The Debtor Allocation Agreement, the amended certificate and by-laws of the Debtors (if any) in accordance with Section 7.6, and a list of any contracts or leases to be assumed or assumed and assigned by the Debtors in accordance with Section 10.1, shall be contained in the Plan Supplement that is filed with the Clerk of the Bankruptcy Court at least ten (10) days prior to the last day upon which holders of Claims may vote to accept or reject the Plan. Upon its filing with the Bankruptcy Court, the Plan Supplement may be obtained on the Debtors' independent website at www.lehman-docket.com or by request to the Debtors in accordance with Section 14.8 of the Plan.

14.4 Amendment or Modification of Plan. The Debtors reserve the right to propose alterations, amendments, or modifications of or to the Plan in writing at any time prior to the Confirmation Date, provided that the Plan, as altered, amended or modified satisfies the conditions of section 1122 and 1123 of the Bankruptcy Code, and the Debtors shall have complied with section 1125 of the Bankruptcy Code. The Plan may be altered, amended, or modified at any time after the Confirmation Date and before substantial consummation, provided that the Plan, as altered, amended or modified satisfies the requirements of sections 1122 and 1123 of the Bankruptcy Code and the Bankruptcy Court, after notice and a hearing, confirms the Plan, as altered, modified or amended, under section 1129 of the Bankruptcy Code and the circumstances warrant such alterations, amendments or modifications. A holder of a Claim that has accepted the plan shall be deemed to have accepted the Plan, as altered, amended or modified, if the proposed alteration, amendment or modification does not materially and adversely change the treatment of the Claims of such holder.

14.5 Withdrawal or Revocation of the Plan. The Debtors reserve the right to withdraw or revoke the Plan at any time prior to the Confirmation Date. If the Debtors revoke or withdraw the Plan prior to the Confirmation Date, or if the Confirmation Date does not occur, then the Plan shall be deemed null and void. In such event, nothing contained herein shall be deemed to constitute a waiver or release of any Claim by or against the Debtors or any other person or to prejudice in any manner the rights of the Debtors or any other person in any further proceedings involving the Debtors.

14.6 Courts of Competent Jurisdiction. If the Bankruptcy Court abstains from exercising, or declines to exercise, jurisdiction or is otherwise without jurisdiction over any matter arising out of the Plan, such abstention, refusal or failure of jurisdiction shall have no effect upon and shall not control, prohibit, or limit the exercise of jurisdiction by any other court having competent jurisdiction with respect to such matter.

14.7 Transactions on Business Days. If the Effective Date or any other date on which a transaction may occur under the Plan shall occur on a day that is not a Business Day, any transactions or other actions contemplated by the Plan to occur on such day shall instead occur on the next succeeding Business Day.

14.8 Notices. Any notices to or requests of the Debtors by parties in interest under or in connection with the Plan shall be in writing and served either by (a) certified mail, return receipt requested, postage prepaid, (b) hand delivery, or (c) reputable overnight delivery service, all charges prepaid, and shall be deemed to have been given when received by the following parties:

14.9 Severability. In the event that the Bankruptcy Court determines, prior to the Confirmation Date, that any provision of the Plan is invalid, void, or unenforceable, the Bankruptcy Court shall, with the consent of the Debtors, have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of the Plan shall remain in full force and effect and shall in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is valid and enforceable pursuant to its terms.

14.10 Governing Law. Except to the extent the Bankruptcy Code or Bankruptcy Rules are applicable, the rights and obligations arising under the Plan shall be governed by, and construed and enforced in accordance with, the laws of the State of New York without giving effect to the principles of conflicts of law thereof.
