Case No. 15-14012-MSH

DEBTOR AND THIRD-PARTY PROPONENT'S AMENDED DISCLOSURE STATEMENT WITH RESPECT TO DEBTOR AND THIRD PARTY PROPONENT'S AMENDED PLAN OF REORGANIZATION

I. <u>INTRODUCTION</u>

This Amended Disclosure Statement has been prepared by the above Debtor, Dermot Kirwan and Third Party Proponent, Eastern Insulation, Inc., by their respective counsel.

On October 19, 2015, the above Debtor filed a voluntary petition seeking relief under Chapter 11. The United States Bankruptcy Court has not passed upon the accuracy or content of any of the representations contained herein. Each creditor or party-in-interest is urged to make a determination upon the Amended Plan of Reorganization by Debtor dated September 23, 2016 (the "Plan"), to which this Disclosure Statement pertains, upon his/her/its own particular interests. A copy of the Plan is attached hereto as Exhibit A.

The Debtor is filing a Plan of Reorganization with this Court along with this Disclosure Statement (hereinafter the "Disclosure"). Various definitions indicated in the Plan are specifically incorporated by reference herein.

The Date of this Disclosure Statement is September 27, 2016.

Pursuant to 11 U.S.C. sec. 1125, the Debtor must provide all known creditors with a Disclosure Statement, which has been approved by the Court, after notice and a hearing. The within Disclosure Statement should be reviewed carefully by each and every party in rendering a determination whether to accept or reject the Plan. The Debtor recommends that you vote to accept the Plan. Each creditor should, however, review the Plan and this Disclosure Statement and all of its exhibits carefully, in their entirety, and determine whether or not to accept or reject the Plan based upon that creditor's independent judgment and evaluation. The description of the Plan in this Disclosure Statement is in summary form and is qualified by reference to the actual terms and conditions of the Plan, which should be reviewed carefully before making a decision to accept or reject the Plan.

The purpose of this Disclosure Statement is to provide creditors and note holders adequate information regarding the prior history and current affairs of the Debtor and certain information about the Debtor so as to enable them to make a reasoned judgment on whether or not to vote for the Plan of Reorganization.

NO REPRESENTATIONS CONCERNING THE DEBTOR, PARTICULARLY CONCERNING THE VALUE OF HIS PROPERTY, ARE AUTHORIZED BY THE DEBTOR OTHER THAN AS SET FORTH IN THIS DISCLOSURE STATEMENT. ANY REPRESENTATION MADE TO SECURE ACCEPTANCE OF THE PLAN WHICH IS OTHER THAN AS CONTAINED IN THE DISCLOSURE STATEMENT SHOULD NOT BE RELIED UPON BY ANY CREDITOR.

INFORMATION CONTAINED HEREIN AND THE EXHIBITS ANNEXED HERETO HAVE NOT BEEN SUBJECT TO A CERTIFIED AUDIT. NOTHING CONTAINED HEREIN SHALL CONSTITUTE AN ADMISSION OF ANY FACT OR LIABILTY BY ANY PARTY, OR BE ADMISSIBLE IN ANY PROCEEDING INVOLVING THE DEBTOR OR ANY OTHER PARTY. THE RECORDS KEPT BY THE DEBTOR ARE NOT WARRANTED OR REPRESENTED TO BE WITHOUT ANY INACCURACY OR OMISSION. HOWEVER, EVERY EFFORT HAS BEEN MADE TO BE ACCURATE AND COMPLETE.

The Debtor believes that the Plan will maximize the return to creditors on their Claims. ACCORDINGLY, THE DEBTOR URGES ALL CREDITORS TO VOTE IN FAVOR OF THE PLAN.

I. INFORMATION ABOUT THE REORGANIZATION PROCESS

1.1 Purpose Of Disclosure Statement

This Disclosure Statement includes background information about the Debtor and also identifies the classes into which creditors have been placed by the Plan. The Disclosure Statement describes the proposed treatment of each of those classes if the Plan is confirmed. In addition, this Disclosure Statement contains information concerning the Debtor's future prospects in the event of confirmation or, in the alternative, the prospects if confirmation is denied or the proposed Plan does not become effective.

Upon approval by the Bankruptcy Court, this Disclosure Statement and the Exhibits described will have been found to contain, in accordance with the provisions of the Bankruptcy Code, adequate information of a kind and in sufficient detail that would enable reasonable, hypothetical investor typical of a holder of impaired claims or interests to make an informed judgment about the Plan. Approval of this Disclosure Statement by the Bankruptcy Court, however, does not constitute a recommendation by the Bankruptcy Court either for or against the Plan.

⁴ This is a "pot plan". The stated percentage amount is solely for estimation purposes and not to be construed as a guaranteed payment amount

1.2 Voting Procedure

All creditors entitled to vote on the Plan may cast their votes for or against the Plan by completing, dating, signing and causing the Ballot Form accompanying this Disclosure Statement to be returned to the following address or via facsimile:

McAuliffe & Associates, P.C. 430 Lexington Street Newton, MA 02466 Fax: 617-558-6882

Ballots must be received **on or before 4:30 P.M. (EST) on ______, 2016** to be counted in the voting. Ballots received after this time will not be counted in the voting unless the Bankruptcy Court so orders.

As prescribed by the Bankruptcy Code and the Federal Rules of Bankruptcy Procedure, Claims asserted against and equity interests in, the Debtor are placed into "classes". The Plan designates four separate Classes of Claims and Interests. The classification of Claims and Interests and the treatment of each Class is discussed in detail in Debtor's Plan of Reorganization.

The Debtor believes that the Plan provides the best possible recoveries to the claimants and that acceptance of the Plan is in the best interest of every class of claimants. Accordingly, the Debtor recommends a vote for "<u>ACCEPTANCE</u>" of the Plan.

1.3 Ballots

Accompanying this Disclosure Statement are appropriate Ballots for acceptance or rejection of the Plan. Each party in interest entitled to vote on the Plan will receive a Ballot (for each class of claim or interest to which it belongs). Because some parties may be in more than one class for voting purposes, in some instances more than one Ballot has been included with the Disclosure Statement.

Case 15-14012 Doc 179 Filed 09/27/16 Entered 09/27/16 21:01:02 Desc Main Document Page 6 of 68

Members of Classes 1 and 3 are impaired and are voting Classes. Each member of a voting Class will be asked to vote for acceptance or rejection of the Plan. A party who holds claims in more than one Class should complete a separate Ballot for each Class with respect to the applicable portion of its claim included in each Class.

Any completed ballot received that does not indicate either an acceptance or rejection of the Plan or that indicates both an acceptance and a rejection of the Plan *will be counted as accepting the Plan*.

1.4 The Confirmation Hearing

The Bankruptcy Court has scheduled a hearing on confirmation of the Plan to commence on ______, 2016 at ______.m., or as soon thereafter as the parties can be heard. The Confirmation Hearing will be held before the Honorable Melvin S. Hoffman, Chief United States Bankruptcy Judge, at the John W. McCormack Post Office and Courthouse, 5 Post Office Square, Boston, Massachusetts. At the hearing, the Bankruptcy Court will consider whether the Plan satisfies the various requirements of the Bankruptcy Code, including whether it is feasible and whether it is in the best interests of holders of claims and interests. The Bankruptcy Court will also receive and consider a Report of Plan Voting prepared by the Debtor and summarizing the votes for acceptance or rejection of the Plan by the parties entitled to vote.

1.5 Acceptances Necessary To Confirm Plan

At the Confirmation Hearing, the Bankruptcy Court must determine, among other things, whether each impaired Class has accepted the Plan. Under Section 1126 of the Bankruptcy Code, an impaired Class is deemed to have accepted the Plan if at least 2/3 in dollar amount and more than 1/2 in number of the Allowed Claims of Class members who have voted to accept or reject the Plan have voted for acceptance of the Plan. Further, unless there is acceptance of the Plan by all members of an impaired Class, the Bankruptcy Court must also determine that under the Plan, Class members will receive property of a value, as of the Effective Date of the Plan,

that is not less than the amount that such Class members would receive or retain if the Debtor was liquidated under Chapter 7 of the Bankruptcy Code on the Effective Date of the Plan.

1.6 Confirmation Of The Plan Without The Necessary Acceptances.

The Plan may be confirmed even if it is not accepted by one or all of the impaired Classes if the Bankruptcy Court finds that the Plan does not discriminate unfairly against and is fair and equitable as to such Class or Classes. This provision is set forth in Section 1129(b) of the Bankruptcy Code and requires that, among other things, the claimants must either receive the full value of their claims or, if they receive less, no Class with junior liquidation priority may receive anything. This is known as the "absolute priority rule."

The Debtor may, at his option, choose to rely on Section 1129(b) to seek confirmation of the Plan if it is not accepted by all impaired Classes of Creditors. The Debtor may make any such modifications or amendments to the Plan, and any such modifications or amendments shall be filed with the Court and served on all parties in interest entitled to receive notice of the Confirmation Hearing, at least one (1) day prior to such hearing. In the event that the Debtors determines to modify or amend the plan to effectuate a "cramdown" the filing and service of the modifications and amendments, if any, in accordance with this paragraph shall be deemed to be adequate notice of the Debtor's intention to seek "cramdown" and no other notice will be required. In the event that the Debtor determines to seek "cramdown" without modifying or amending the Plan, the Debtor shall not be required to file or serve any notice in connection therewith. All holders of Claims and Interest are hereby advised that the Debtor may seek "cramdown" of the Plan in its current form over the rejecting votes of any impaired Class at the Confirmation Hearing without further notice.

Nothing contained in the foregoing paragraph shall limit the ability of the Debtor or otherwise require the Debtor, without Court Order, to modify the Plan at or before the Confirmation Hearing, subject to Bankruptcy Court approval, without further notice.

II. <u>THE DEBTOR</u>

The Debtor is a native of Galway, Ireland, having come to the United States in 1992. Mr. Kirwan established legal residency in the United States and subsequently became a naturalized U.S. citizen. In 2001, the Debtor formed the painting company, Galway Bay Décor, Inc. ("GB Decor"). GB Decor had many successful years building its core business and working on basic residential and commercial projects and gaining a reputation as a business focusing on high quality interior and exterior work for luxury homes and detailed architectural work. In its best years, GB Decor had approximately 25 employees on a payroll whom completed the painting contracts. The size and number of the employees and total hours of available work would naturally fluctuate with the demand of the business. Not all workers were full time employees and not all of the daily laborers worked full days or complete weeks. The Debtor, however, demanded that each employee perform to a high standard of finish work and be punctual and prompt in completion of the tasks required for each job as assigned. In the Summer or Fall of 2007, the Debtor was introduced by mutual friends to Andrew Fillippone ("Fillippone"). Both men conferred about the idea and opportunity to expand GB Décor's business through bids on municipal projects that generally included painting as part of larger renovation and improvement contracts of public buildings. Although the Debtor, individually and his company, GB Décor, had absolutely no prior experience with public bidding arrangements, the award of public jobs from a municipality, state agency, or quasi-government agency, or any other experience with contractual arrangements and mandates under local, state and federal law, Fillippone represented to the Debtor that he possessed experience finding and bidding on municipal contracts.

Based on the assurances of Fillippone and his stated experience of "years" of experience in the public bidding process, the Debtor and GB Decor agreed to embark on the unchartered territory of municipal work. As agreed, Mr. Fillippone, took responsibility finding municipal projects and submitting bids to the municipalities for painting work on behalf of GB Decor. The Debtor reviewed the general plans and scope of work of the potential municipal projects but Fillippone prepared the bids and, to the Debtor's present misfortune, the Debtor did not review the exact calculations and profit and loss estimates of each job because this was the purposed expertise of Fillippone. The Debtor later learned and believes that Fillippone had little or no prior

Case 15-14012 Doc 179 Filed 09/27/16 Entered 09/27/16 21:01:02 Desc Main Document Page 9 of 68

experience in the bidding of painting jobs. GB Decor was ultimately awarded approximately thirteen municipal contracts.

As GB Décor commenced the public projects in 2008, the Debtor began to review the payroll time requirements of the municipal projects that GB Décor was now contractually obligated to complete at a fixed price. The Debtor realized that the bids were not awarded to GB Décor as a result of Fillippone's skill, good fortune, or expertise winning bids, they were awarded because GB Décor had woefully underbid the projects given the labor and materials required to complete the work.

THE EMPLOYEES- CORDEIRO CLAIMS

GB Décor's residential projects remained profitable, but the economic downtown was quickly reducing the number and scope of those projects and the Debtor realized that GB Décor's viability was at risk if it needed to devote all of its residential project profits to cover the losses from the public projects. The Debtor, on behalf of his company GB Décor, called a meeting and informed all his employees that the municipal jobs at the prevailing pay rate that was required would be impossible to complete and that he would prefer to cancel the work, terminate the jobs and end the problem so the City/Town could obtain a replacement contractor and complete the jobs. The Debtor asked each of the workers their preference: GB Décor could walk off the public projects, lay off the majority of its employees, and focus on a falling residential painting market, or it could keep all present workers through the recession by paying each of them at the municipal jobs the same hourly rate each had earned for the past years on the residential jobs. All employees present decided, on their own initiative, that the best alternative was to continue working on the public jobs at their normal hourly rate because the current work environment evidenced high unemployment and little opportunity. This agreement enabled GB Décor to survive the severe economic recession and provide wages to its employees.

During this time from 2008 to 2010, GB Decor's employees were paid their agreed upon hourly rate of \$15.00 to \$20.00 per hour for the time spent working on the municipal contracts. However, it was also forced to terminate one of its employees after being advised by authorities that the employee was not authorized to lawfully work in the United States, and it terminated another employee due to poor performance. In early 2010, Douglas G. Cordeiro, Deivson G. Cordeiro, Edilson A. Pinto, Edson Borges Junior and Adilson Cordeiro (hereinafter the "Wage

Case 15-14012 Doc 179 Filed 09/27/16 Entered 09/27/16 21:01:02 Desc Main Document Page 10 of 68

Litigants") filed suit in Middlesex Superior Court against GB Décor and Kirwan, individually as a responsible officer for, *inter alia*, failure to pay the prevailing wage and failure to pay overtime wage. Pursuant to M.G.L. ch. 149 §§ 26-27, the Wage Litigants alleged that GB Décor was required to pay the Wage Litigants approximately \$50.44 per hour for municipal contract work, and one and one half times their normal hourly rate for weeks wherein they performed more than 40 hours of work.

On January 19, 2010 the Wage Litigants obtained a Trustee Process attachment in the amount of \$450,000, against Debtor's bank account at Citizen's Bank, N.A, which at that time held \$47,000. Despite the fact that the Wage Litigants had agreed to receive their normal residential hourly rate for municipal project work and the fact that GB Decor could not have completed the municipal jobs at the prevailing wage rates, M.G.L. ch. 149 §§ 26-27 is a strict liability statute which provides no such defenses to overcome liability and imposes treble damages. In March 2014, after a two week jury trial, GB Décor was found liable and the Wage Litigants were awarded approximately \$805,307.87 by the Middlesex County Superior Court, inclusive of treble damages, costs, fees, and interest. Under the statute, GB Décor's liability attaches jointly and severally to the Debtor, individually, as a "responsible party". The Debtor appealed the decision due to the improper allowance of testimony outside the courtroom and improper admission of certain evidence, including paychecks and timesheets. After consideration of the costs of appeal and the prospect that, if successful with the appeal, the case would likely be remanded back to the trial court for further trial, in May 2015, the Debtor elected to dismiss the appeal.

Thereafter the Wage Litigants received the \$47,000 in funds from the Citizen's Bank attachments on a motion to charge the Trustee. The claim of Citizen's Bank in Debtor's case arises from the Wage Litigant attachment against an unsecured business line of credit. The amount of the Citizens claim includes interest and accruals from 2010 to the present and Citizens' obtained a writ of attachment prior to the Debtor filing his petition in this case. In addition, both Citizens and the Wage Litigants recorded their respective attachment and executions against the Debtor's residence in Waltham, Massachusetts. The Bankruptcy court has recently allowed motions to "strip" these liens from the Debtor's residence pursuant to 11 USC 522(f).

In 2014, the Debtor determined that GB Décor no longer remained a viable commercial enterprise and decided to cease running a painting company, with employees who completed the contracts. It ceased operations and terminated all remaining employees. In order to wind up the company, the Debtor collected any outstanding receivables and used those funds to pay GB Décor's taxes and ordinary course trade creditors. On October 5, 2015 GB Décor filed for chapter 7 protection under the United States Bankruptcy Code⁵.

In October 2014, Debtor formed Galway Bay Painting, Inc. ("GB Painting"), which business operates primarily as a brokerage company for painting services. GB Painting focuses on high-end residential homes and, through the Debtor as well as contractors and other laborers focused on the high-end residential market, pursues leads on residential work via word of mouth and referrals , (both renovation and new construction) in need of high-end or specialized painting services. GB Painting then works with the owner or general contractor to obtain the contract, while GB Painting simultaneously contacts available subcontractors capable of skilled performance. Although GB Painting has protected its standards and reputation by occasionally hiring different contract laborers if the subcontractor chosen cannot complete the work in a timely manner. GB Painting has no employees other than the Debtor and an occasional temporary worker who may perform punch list or other small day jobs and follow up work.. Likewise, given that municipal projects from 2008-2010 brought about the demise of GB Decor, GB Painting does not act as a broker for any public or municipal projects. No assets of GB Decor were transferred to GB Painting.

After obtaining judgment against the Debtor, counsel for the Wage Litigants began a relentless campaign of collection and harassment of the Debtor and clients of GB Painting (an entity that was not a judgment debtor and had no liability to the Wage Litigants) in order to collect on the judgment. The Wage Litigants' Counsel commenced numerous competing lawsuits in district and superior courts by choosing to represent a single Wage Litigant for each individual case, which impeded Debtor's ability to work and required Debtor (or counsel) to attend hearings, and respond to and defend pleadings, in multiple venues at virtually the same time. The Wage Litigants' Counsel also hired a private investigator to follow the Debtor throughout the day, which resulted in GB Painting's clients receiving subpoenas relating to GB Décor. After such customers retained counsel and attempted to cooperate with Wage Litigants'

Counsel, they were served with further process and demands by the Wage Litigants' counsel, which resulted in GB Painting's customers threatening to cease work with GB Painting and/or terminate it from its contracts. All this civil process and unceasingly collection activity pushed the Debtor to a last resort option to file a Chapter 11 or otherwise be forced to close his business.

In addition, Debtor's mortgage company had commenced foreclosure proceedings against the Debtor.

With his mortgage lender foreclosing on his home and with five different judgment creditors each seeking their own attachments, levies, and garnishments to the detriment of each of the others (as well as Citizen's Bank filing a Civil Action and obtaining an attachment on the Debtor's residence), Debtor decided to file the within bankruptcy proceeding in order to establish a plan to pay all of his creditors their equal share in the proper order of priority. The Debtor has continued to operate his business GB Painting and had invested funds in Eastern Insulation ("Eastern"), a separate and distinct business from which the Debtor receives a small monthly salary. Eastern is a Proponent of the Debtor's Plan and will participate in the settlement of any of the claims held by the Ch. 7 Trustee of the GB Décor case

III. <u>CHAPTER 11 PROCEEDINGS</u>

Non-Dischargeability Adversary Proceeding

Since the filing of Debtor's bankruptcy case, on November 23, 2015 the Wage Litigants filed an adversary proceeding⁶ asserting three claims of non-dischargeability against the Debtor. The Debtor has answered the Complaint and filed a motion to dismiss Count III of the Complaint, which asserted *inter alia* non-dischargeability due to the transfer of Debtor's business (Galway Bay Décor to Galway Bay Painting). A hearing on the motion to dismiss was held on April 26, 2016 and on September 20, 2016 this Court granted Debtor's motion to dismiss Count III of the Adversary Proceeding Complaint.. Discovery as to Counts 1 and 2 concluded in or around June 6, 2016. On June 18, 2016 Wage Litigants filed a motion for summary judgment. Debtor opposed the motion and on July 27, 2016 this Court denied Wage Litigants motion for summary judgment.

Case 15-14012 Doc 179 Filed 09/27/16 Entered 09/27/16 21:01:02 Desc Main Document Page 13 of 68

Debtor anticipates a pre-trial conference will be scheduled by the Court and after the pretrial conference the Court will schedule a trial on the Complaint. Debtor intends to vigorously defend the case filed by the Wage Litigants and believes that he has a likelihood of success on the merits and legal standards relevant to the adversary proceeding. In the event the Debtor is successful in his defense of the case, the debts of the Wage Litigants would be discharged after completion of the Plan payments outlined in the Plan. In the event the Debtor does not prevail in the adversary proceeding and the Wage Litigants' claims, in whole or in part, are determined to be non-dischargeable, Debtor will pay the claim pursuant to this Plan for five years. During the five years of the Plan, the Debtor will request that the Wage Litigants be stayed from collecting on the non-dischargeable portion of the claim. In order to fund this Plan, Debtor must use his sources of income which arise from income generated by Galway Bay Painting and Eastern Insulation. Any collection efforts against the Debtor by the Wage Litigants would substantially impact Debtor's ability to make Plan payments, therefore a stay on any collection against the Debtor and Debtor's companies, will be in effect for the term of the Plan.

Further, in accordance with *In re Juan C. Mendez*, 464 B.R. 63 (D. Mass 2011), Debtor will seek an order to close his case for administrative purposes after confirmation of his Plan, the conclusion of the Adversary Proceeding and after initial distributions to creditors have been made. The Debtor will seek confirmation from the Court that the automatic stay of 11 U.S.C. § 362 continues until Debtor receives his discharge.

Case Proceedings

In addition, the Wage Litigants filed a motion on January 9, 2016 to conduct a Rule 2004 examination of the Debtor. Debtor objected to the broad scope of the examination and subsequently, the Court allowed the 2004 motion provided it was significantly narrowed. Debtor provided certain requested documents and attended two depositions by counsel to the Wage Litigants on April 6, 2016 and April 15, 2016. In addition, Debtor's counsel attended the deposition of Andrew Fillippone conducted by counsel to the Wage Litigants. The Wage Litigants held a third deposition of the Debtor and issued subpoenas to Debtor's bank, credit card companies, and insurance company, as well as numerous municipalities through the state.

Case 15-14012 Doc 179 Filed 09/27/16 Entered 09/27/16 21:01:02 Desc Main Document Page 14 of 68

Further, on March 24, 2016 the United States Trustee filed a motion to convert Debtor's case. Debtor filed an opposition on April 19, 2016 and a hearing was held on April 26, 2016 and continued to June 1, 2016. The Wage Litigants also filed a response to the Trustee's motion seeking dismissal of Debtor's chapter 11 case. This hearing has been continued to November 2, 2016.

Debtor's counsel has also filed (1) *Motion for Adoption of the Case Management Procedures Set Forth in Appendix 6, Massachusetts Local Bankruptcy Rules Relating to Periodic Interim Payment of Legal Fees and Expenses to Debtor's Counsel* (docket 81, on April 21, 2016); (2) *Motion to Employ Accountant* (docket no. 103, on May 3, 2016); and (3) *Motion to Extend Debtor's Exclusive Periods for Filing and Obtaining Acceptances of Plan of Reorganization Pursuant to 11 U.S.C. § 1121(d)* (docket no 51, on February 16, 2016). All motions were objected to by the Wage Litigants and all were approved by the Court. The Court has also allowed the Debtor's motion to avoid the judicial liens of each of the Wage Litigants and Citizen's Bank, over a response/objection of the Wage Litigants.

In addition, on April 25, 2016 Debtor and his mortgage lender, Nationstar Mortgage as servicer for Citibank NA, entered into a stipulation with respect to the adequate protection payments on Citibank's secured lien. The Wage Litigants filed an objection to the stipulation, which was ultimately approved by the Court on June 21, 2016 and requires Debtor to make payments of \$4,500 of principal, interest and escrow to his mortgage company. On May 27, 2016 Debtor filed his Disclosure Statement and Plan of Reorganization (docket nos. 134 and 135) and on June 29, 2016 the Wage Litigants filed an objection to the adequacy of the Disclosure Statement (docket no. 151). In addition, the Wage Litigants filed additional supplemental objections to the Disclosure Statement on July 4, 2016 (docket no. 154) and August 2, 2016 (docket no. 167). Citibank, N.A., Debtor's mortgagee, also filed an objection to the Disclosure Statement on June 29, 2016 (docket no. 152) however Debtor believes it has resolved the objections and concerns of Citibank through this Amended Disclosure Statement. Finally on August 15, 2016, the United States Trustee filed an objection to the Disclosure Statement. Debtor had previously conferred with the Trustee regarding her objections and agreed to address those issues and concerns in this amended disclosure statement. A hearing on the adequacy of the Debtor's Disclosure Statement was held on August 16, 2016 and Debtor agreed to file an amended disclosure statement to address the concerns raised.

Case 15-14012 Doc 179 Filed 09/27/16 Entered 09/27/16 21:01:02 Desc Main Document Page 15 of 68

In addition to the various objections filed by the Wage Litigants, on July 4, 2016 the Wage Litigants filed a motion for order to show cause (docket no. 155) against the Debtor asserting that Debtor has failed to disclose all of his income. Debtor denied these allegations and filed an opposition on July 18, 2016 (docket no. 158) stating the same and on July 27, 2016 this Court denied the Wage Litigants motion (docket no. 162).

Galway Bay Décor, Inc., Bankruptcy Case

As previously stated, Galway Bay Décor, Inc., filed a chapter 7 voluntary petition on October 5, 2015. Debtor was the 100% shareholder of Galway Bay Décor, Inc. In this pending chapter 7, counsel to the Wage Litigants filed an adversary proceeding on October 26, 2015 asserting claims of nondischargeability. The Wage Litigants subsequently amended their adversary complaint on November 25, 2015 against Galway Bay Décor, Inc. and Galway Bay Painting, Inc., asserting claims for, *inter alia* (1) Declaratory Judgment – Piercing the Corporate Veil; (2) Declaratory Judgment – Successor Liability; (3) Declaratory Judgment – Fraudulent Transfer; and (4) Substantive Consolidation. Counsel for GB Décor moved to dismiss the complaint for lack of standing and, as Debtor is the 100% shareholder of GB Painting, and GB Painting is the source of Debtor's income to make payments under this Plan, Debtor's counsel also filed a motion to dismiss the GB Decor adversary proceeding due to the Wage Litigant's lack of standing. A hearing was held on March 8, 2016, at which time GB Décor's Judge (Hon. Joan N. Feeney) transferred the entire adversary and bankruptcy case to Judge Melvin S. Hoffman. A hearing was originally scheduled on this matter for June 21, 2016 and was continued to July 27, 2016 and a further hearing is scheduled for August 16, 2016. IV. PLAN OF REORGANIZATION

4.1 Unclassified Claims.⁹

⁹ Any description in this section of the Disclosure Statement of any claim against the Debtor does not constitute an admission that the claim is an Allowed Claim or that the Debtor agrees with the amount of the claim. The Debtor reserves all of its rights, claims and defenses with respect to any and all claims.

As provided in Section 1123(a)(1) of the Bankruptcy Code, Administrative Expense Claims and Priority Tax Claims are not classified for the purposes of voting on, or receiving distributions under, the Plan. All such Claims are instead treated separately in accordance with the terms set forth in Article II of the Plan.

A. Administrative Expense Claims.

The Debtor is liable for all post-petition administrative claims that accrue prior to Plan confirmation. Exclusive of Professional Fees and Tax Claims, the Debtor estimates that there will be minimal administrative expense claims. Under the Plan, Administrative Expense Claims are treated as follows:

(1) <u>General</u>. Except for Professional Fee Claims and except as otherwise agreed to by the Debtor and the holder of an Allowed Administrative Expense Claim, each such holder shall be paid in full in Cash on the later of: (i) the date such Allowed Administrative Expense Claim becomes due in accordance with its terms; and (ii) the Effective Date. If the Debtor disputes any portion of an Administrative Expense Claim, the Debtor shall pay the Allowed amount of such Administrative Expense Claim within five (5) days after the entry of a Non-Appealable Order with respect to the allowance of such disputed Administrative Expense Claim.

(2) <u>U.S. Trustee's Fees</u>. The outstanding fees due to the United States Trustee pursuant to 11 U.S.C. § 1930 shall be paid in full on or before the Effective Date.

- (3) <u>Professional Compensation and Expense Reimbursement Claims</u>.

Any such application granted by the Bankruptcy Court shall be paid: (1) within fifteen days of the entry of the order of the Bankruptcy Court approving such application, unless a stay of the order approving the application is obtained; or (2) upon such other terms as may be mutually agreed upon between the Professional and the Debtor or Reorganized Debtor. Debtor estimates that Debtor's counsel will be owed approximately \$100,000 in legal fees and costs on the Effective Date. Debtor believes any other administrative fees will be minimal.

(ii) All fees and expenses of Professionals for services rendered after the Effective Date shall be paid by the Reorganized Debtor upon receipt of reasonably detailed invoices in such amounts and on such terms as such Professional and the Reorganized Debtor may agree. No further order or authorization from the Bankruptcy Court shall be necessary to permit the Reorganized Debtor to pay the fees and expenses of Professionals for services rendered after the Effective Date.

(4) <u>Administrative Tax Claims</u> Except as otherwise agreed to between Debtor and the holder of an Allowed Administrative Tax Claim, each such holder shall be paid in full in Cash on the later of: (i) the date such Allowed Administrative Tax Claim becomes due in accordance with its terms; and (ii) the Effective Date. The Debtor estimates there is approximately \$26,398 owed to the Internal Revenue Service and \$6,128 to the Massachusetts Department Revenue.

¹⁰ On July 28, 2016 Debtor issued a check to the Internal Revenue Service in the amount of \$7,500 and to the Massachusetts Department of Revenue in the amount of \$1,500 and on August 31, 2016 Debtor made a payment of \$7,000 to the Internal Revenue Service and \$3,000 to the Massachusetts Department of Revenue. To the extent deemed necessary or advisable by the Reorganized Debtor, any holder of a Claim shall promptly provide the Reorganized Debtor with an appropriate instrument of cancellation, discharge or release, as the case may be, in suitable form for recording wherever necessary to evidence such cancellation, discharge or release, including the cancellation, discharge or release of any Lien securing such Claim.

6.15 Exculpation.

Except as otherwise set forth in the Plan, neither the Debtor, the Reorganized Debtor nor any of his advisors, attorneys, agents, successors or assigns, shall have or incur any liability to any holder of a Claim or an Interest, or any other party in interest, or any of their respective agents, employees, representatives, financial advisors, attorneys, or affiliates, or any of their successors or assigns, for any act or omission in connection with, relating to, or arising out of, the administration of these Chapter 11 bankruptcy proceedings, the pursuit of confirmation of the Plan, the Disclosure Statement, the consummation of the Plan, or the administration of the Plan or the property to be distributed under the Plan occurring prior to the Effective Date, provided that the terms of this Section 6.15 shall not apply to any liability for willful misconduct, or gross misconduct. Nothing in this paragraph shall relieve any of the foregoing persons or entities (the exculpated parties) from carrying out their responsibilities, in any, under the Plan.

6.16 Setoffs.

Except as otherwise provided in the Plan, nothing contained in the Plan shall constitute a waiver or release by the Debtor, the Estate and/or the Reorganized Debtor of any rights of setoff each may have against any Person.

6.17 Tax Consequences of the Plan.

The following is a general summary of certain material federal income tax consequences of the Plan and the distributions provided under the Plan. This summary does not discuss all aspects of federal taxation that may be relevant to a particular creditor in light of its individual investment circumstances or to certain creditors or shareholders subject to special treatment under the federal income tax laws (for example, tax-exempt organizations, financial institutions, broker-dealers, life insurance companies, foreign corporations or individuals who are not citizens or residents of the United States). This summary does not discuss any aspects of state, local or foreign taxation. The impact on foreign holders of claims and equity interests is not discussed.

This summary is based upon the Internal Revenue Code of 1986, as amended (the "IRC"), the Treasury regulations (including temporary regulations) promulgated thereunder, judicial authorities and current administrative rulings, all as in effect on the date hereof and all of which are subject to change (possibly with retroactive effect) by legislation, administration action or judicial decision. Moreover, due to a lack of definitive judicial or administrative authority or interpretation and the complexity of the transactions contemplated in the Plan, substantial uncertainties exist with respect to various tax consequences of the Plan. The Debtors has not requested a ruling from the Internal Revenue Service (the "IRS") with respect to these matters and no opinion of counsel has been sought or obtained by the Debtors with respect thereto. There can be no assurance that the IRS or any state or local taxing authorities will not challenge any or all of the tax consequence of the Plan, or that such a challenge, if asserted, would not be sustained. FOR THE FOREGOING REASONS, CREDITORS ARE URGED TO CONSULT WITH THEIR OWN TAX ADVISORS AS TO THE SPECIFIC TAX CONSEQUENCES (FOREIGN, FEDERAL, STATE AND LOCAL) TO THEM OF THE PLAN. THE DEBTORS ARE NOT MAKING ANY REPRESENTATIONS REGARDING THE PARTICULAR TAX CONSEQUENCES OF THE CONFIRMATION AND CONSUMMATION OF THE PLAN AS TO ANY CREDITOR NOR ARE THE DEBTORS RENDERING ANY FORM OF LEGAL OPINION AS TO SUCH TAX **CONSEQUENCES.**

A. Federal Income Tax Consequences to the Debtor.

<u>Cancellation of Indebtedness</u>. Generally, the Debtor will realize cancellation of debt ("COD") income to the extent, if at all, that the Debtor pays a creditor pursuant to the Plan an

amount of consideration in respect of a Claim against the Debtor that is worth less than the amount of such Claim. For this purpose, the amount of consideration paid to a creditor generally will equal the amount of cash or the fair market value of property paid to such creditor. Because the Debtor will be in a bankruptcy case at the time the COD income is realized (if any is realized), the Debtor will not be required to include COD income in gross income, but rather will be required to reduce tax attributes by the amount of COD income so excluded.

B. Tax Consequences to Creditors.

In General. The federal income tax consequences of the implementation of the Plan to a holder of a Claim will depend, among other things, on: (a) whether such Claim constitutes a debt or a security for federal income tax purposes, (b) whether the holder of the Claim receives consideration in more than one tax year, (c) whether the holder of the Claim is a resident of the United States, (d) whether all the consideration received by the holder of the Claim is deemed to be received by the holder of the Claim as part of an integrated transaction, (e) whether the holder of the claim reports income using the accrual or cash method of accounting, and (f) whether the holder has previously taken a bad debt deduction or worthless security deduction with respect to the Claim.

<u>Gain or Loss on Exchange</u>. Generally, a holder of an Allowed Claim will realize a gain or loss on the exchange under the Plan of his or her allowed Claim for cash and other property in an amount equal to the difference between (i) the sum of the amount of any cash and the fair market value on the date of the exchange of any other property received by the holder (other than any consideration attributable to accrued but unpaid interest on the Allowed Claim), and (ii) the adjusted basis of the Allowed Claim exchanged therefor (other than basis attributable to accrued but unpaid interest previously included in the holder's taxable income). Any gain recognized generally may be a capital gain (except to the extent the gain is attributable to accrued but unpaid interest or accrued market discount, as described below) if the Claim was a capital asset in the hands of an exchanging holder, and such gain would be a long-term capital gain if the holder's holding period for the Claim surrendered exceeded one (1) year at the time of the exchange.

Any loss recognized by a holder of an Allowed Claim may be a capital loss if the Claim constitutes a "security" for federal income tax purposes or is otherwise held as a capital asset. For this purpose, a "security" is a debt instrument with interest coupons or in registered form.

C. Information Reporting and Backup Withholding.

Under the backup withholding rules of the Internal Revenue Code, holders of Claims may be subject to backup withholding at the rate of 31 percent with respect to payments made pursuant to the Plan unless such holder (i) is a corporation or comes within certain other exempt categories and, when required, demonstrates this fact, or (i) provides a correct taxpayer identification number and certifies under penalties of perjury that the taxpayer identification number is correct and that the holder is not subject to backup withholding because of a failure to report all dividends and interest income. Any amount withheld under these rules will be credited against the holder's federal income tax liability. Holders of Claims may be required to establish exemption from backup withholding and federal and state payroll taxes or to make arrangements with respect to the payment of backup withholding.

THE FOREGOING IS INTENDED TO BE A SUMMARY ONLY AND IS NOT A SUBSTITUTE FOR CAREFUL TAX PLANNING WITH A TAX PROFESSIONAL. THE FEDERAL, STATE, AND FOREIGN TAX CONSEQUENCES OF THE PLAN ARE COMPLEX AND, IN MANY AREAS, UNCERTAIN. ACCORDINGLY, EACH HOLDER OF A CLAIM OR EQUITY INTEREST IS URGED TO CONSULT WITH HIS OWN TAX ADVISOR REGARING SUCH TAX CONSEQUENCES.

VII. FEASBILITY AND LIQUIDATION ANALYSES

7.1 Feasibility of the Plan

Based on the continued income received from Debtor's business operations, the new value contribution and the contribution by the Third Party Proponent, the Plan is feasible.

7.2 Best Interests of Creditors and Comparison with Chapter 7 Liquidation.

In the event that the Plan were to be rejected by creditors, or that the Court were not to confirm the Plan for any reason, it is likely that the Chapter 11 case would be converted to a case under Chapter 7 of the Bankruptcy Code. Following the appointment of a Chapter 7 trustee, and after a period of examination and administration, it is likely that one or more public auctions would be conducted to sell all or portions of the Debtor's saleable assets or otherwise liquidate accounts receivables, which mainly consist of shares of stock in closely held corporations. In addition, significant breach of contract claims may arise from the failure to complete work. Claims would be paid from the sale proceeds in the order of priority established under the Bankruptcy Code, beginning with a new tier of administration expenses and fees (est. at least \$15,000.00) derived from the Chapter 7 proceeding. All of the allowed Chapter 11 administrative fees and expenses would carry over, as well as U.S. Trustee fees (together estimated at approximately \$100,000.00).

TOTAL AVAILABLE FOR UNSECURED CREDITORS \$19,008.74

The amount available for distribution to unsecured creditors would be less than proposed by this Plan as all administrative, secured and priority claims would be paid first. Thus there would more likely be a small dividend for the general unsecured creditors.

Under the proposed Chapter 11 Plan of Reorganization, it is anticipated that the first payment to creditors could be made within sixty (60) days of the Confirmation Date, which could be as early as January 2017. The Debtor believes that the return to Unsecured Creditors will be more beneficial under that Plan compared to the result if the case were converted to Chapter 7.

The Debtor, therefore, believe that the conditions in Section 1129(a)(7) of the Bankruptcy Code have been satisfied.

VIII. ACCEPTANCE/ REJECTION

Each creditor may indicate whether acceptance or rejection of the proposed Plan is selected, by completing the enclosed Acceptance/ Rejection Form, being careful to follow the directions written therein in so doing. Case 15-14012 Doc 179 Filed 09/27/16 Entered 09/27/16 21:01:02 Desc Main Document Page 45 of 68

For the purpose of this Plan, Claims are divided into the following Classes. A Proof of Claim asserting a Claim which is properly included in more than one Class is included in each such Class to the extent that it qualifies within the description of such Class.

2.1 Class One shall include the allowed Secured Claim of Citibank N.A., not individually, but as Trustee for NRZ Pass-Through Trust, VI, currently serviced by Nationstar Mortgage, with respect to the first mortgage on the property located at 41-43 Lyman Road, Waltham, Massachusetts.

2.2 Class Two shall include the allowed secured claim of Ford Motor Credit.

2.3 Class Three shall include the allowed claims of General Unsecured Creditors, including the undersecured claim of E*Trade Bank, the Wage Litigants, and the Chapter 7 Estate of Galway Bay Décor, Inc., John O. Desmond, Trustee.

ARTICLE III TREATMENT OF UNCLASSIFIED CLAIMS

As provided in Section 1123(a)(1) of the Bankruptcy Code, claims entitled to priority under Sections 503(b), 507(a)(1) and 507(a)(8) of the Bankruptcy Code are not classified for the purposes of voting on, or receiving distributions under, the Plan. All such Claims are instead treated separately in accordance with the terms set forth in this Article III.

3.1 The Debtor is liable for all post-petition administrative claims that accrue prior to Plan confirmation. Exclusive of Professional Fees and Tax Claims, the Debtor estimates that there will be minimal administrative expense claims. For the period from the Petition Date through the date of this Disclosure Statement, the Debtor utilized his income to pay all administrative claims as those claims arose.

Under the Plan, Administrative Expense Claims are treated as follows:

(1) <u>General</u>. Except for Professional Fee Claims and except as otherwise agreed to by the Debtor and the holder of an Allowed Administrative Expense Claim, each such holder shall be paid in full in Cash on the later of: (i) the date such Allowed Administrative Expense Claim becomes due in accordance with its terms; and (ii) the Effective Date. If the Debtor disputes any portion of an Administrative Expense Claim, the Debtor shall pay the Allowed amount of such Administrative Expense Claim within five (5) days after the entry of a Non-Appealable Order with respect to the allowance of such disputed Administrative Expense Claim.

(2) <u>U.S. Trustee's Fees</u>. The outstanding fees due to the United States Trustee pursuant to 11 U.S.C. § 1930 shall be paid in full on or before the Effective Date.

(3) <u>Professional Compensation and Expense Reimbursement Claims</u>.

- (i) Within thirty (30) days after the Effective Date, each Professional shall file a final application for the allowance of compensation for services rendered or reimbursement of expenses incurred through and including the Effective Date.
