This matter having come before the Court upon the Motion to Convert the Case to a Case Under Chapter 7 or, in the Alternative, to Dismiss the Case [Doc. No. 90] (the "Conversion Motion") filed by the United States Trustee and the Motion for Third Order Authorizing Further Use of Cash Collateral and Adequate Protection [Docket No. 81] (the "<u>Motion</u>," together with the Conversion Motion, the "Motions")¹ filed by Crystal Lake Golf Club LLC, the debtor and debtor-in-possession (the "<u>Debtor</u>") wherein the Debtor sought an order of this Court granting it authority, pursuant to sections 361 and 363(c) of title 11 of the United States Code, 11 U.S.C. §§ 101 *et seq.*, (the "<u>Bankruptcy Code</u>") for the Debtor's use of cash and other collateral in which Pentucket Bank ("Pentucket") and the United States of America (the "<u>United States</u>"), on behalf of its agency, the Internal Revenue Service (the "<u>IRS</u>") (collectively, Pentucket and the United States will be referred to herein as the "<u>Secured Creditors</u>") assert an interest and for approval of the adequate protection for such use on the terms proposed in the Motion.

A hearing was held on the Motions on February 24, 2017 (the "Hearing"),² at which time the terms of further cash collateral usage were presented to the Court and certain conditions for continued use of the Collateral and the continuation of this case with the Debtor remaining as a debtor in possession as opposed to being converted to chapter 7 or dismissed were put on the record. The Court having found service and notice of the Motions and the hearing thereon to be sufficient notice, and good cause for the relief requested having been shown, it is hereby:

ORDERED, ADJUDGED AND DECREED that:

1. The Motion to the extent provided herein is hereby granted and the Conversion Motion is hereby continued to <u>June 8, 2017 at 2:00 p.m.</u>, subject to certain conditions agreed to by the parties and as set forth in paragraphs 14-19 herein.

2. The Debtor be, and hereby is, authorized to collect and use cash collateral in which Pentucket and the United States claim security interests for the purposes and on the terms and amounts proposed in the budget attached as <u>Exhibit A</u> (the "<u>Budget</u>) for the periods set forth in the Budget to the extent required to pay actual and reasonable expenses incurred post-petition in the ordinary course of business, in accordance with the Debtor's Budget.

3. In no event shall the Debtor use any of the Secured Creditors' cash Collateral to pay any items not contained in the Budget, except as approved by the Court after written notice to the Secured Creditors and to the United States Trustee. Absent their written consent, the Secured Creditors and the United States Trustee shall be given an opportunity to object to the proposed use with at least seven days' notice.

4. The Debtor agrees not to knowingly or intentionally incur any administrative expenses other than as set forth in the Budget, exclusive of professional fees approved by the Bankruptcy Court pursuant to §§ 330, 331, or 503(b) of the Bankruptcy Code and fees payable pursuant to 28 U.S.C. §1930, without the prior written consent of the Secured Creditors or approval by the Bankruptcy Court after notice and a hearing.

5. As adequate protection to Pentucket and the United States for the Debtor's use of Collateral in which they claim an interest: (a) the Secured Creditors are hereby granted a security interest on the Pre-Petition Collateral. The lien granted to the Secured Creditors herein shall be perfected as of the Petition Date,

² On February 24, 2017, the Court also heard the parties on Pentucket's *Motion For Relief From Automatic Stay* (*Tractors, Mowers, Golf Carts, and Misc. Equipment and Personal Property*) [Doc. No. 99], and Pentucket's *Motion For Relief From Automatic Stay* (890-940 North Broadway, Haverhill, Massachusetts) filed in In re Crystal Lake Open Space, Case No. 16-41325 [Doc. No. 41].

shall maintain the same priority, validity, and enforceability as liens held by the Secured Creditors on the Petition Date, and may not be primed by any other lien or encumbrance, whether by order of the Bankruptcy Court or the passage of time. The liens and security interests granted herein shall each be deemed valid and perfected notwithstanding any requirement of non-bankruptcy law with respect to perfection and shall be supplemental of, and in addition to, the security interest and any liens which the Secured Creditors possess pursuant to the Loan Documents and Tax Liens;³ (b) the Debtor shall continue to pay to Pentucket \$10,818.00 monthly on or before the 1st day of each month (the "<u>Pentucket Adequate Protection Payment</u>"); (c) the Debtor shall continue to pay to the United States \$2,700.00 monthly on or before the 1st day of each month (the "<u>United States Adequate Protection Payment</u>"); and (e) the Debtor shall maintain adequate insurance coverage, shall notify the United States Trustee and Pentucket's counsel at least five business days prior to any decrease, expiration, cancellation, or termination of coverage and shall timely pay its insurance premiums as the same become due. The Secured Creditors shall have the right to inspect the non-cash Collateral during normal business hours.

6. Specifically excluded from the post-petition liens are the so-called bankruptcy avoidance actions, including, without limitation, actions under Sections 544, 545, 547, 548, 549 and 550 of the Bankruptcy Code other than proceeds of any avoidance action brought pursuant to §549 of the Bankruptcy Code to recover any post-petition transfer of Collateral. The liens and security interests created herein shall continue in full force and effect until all obligations of the Debtor to the Secured Creditors have been satisfied in full in accordance with the proposed plan of reorganization to be filed by the Debtor. Adequate protection payments made to the IRS shall be mailed to: Mike Rodkey, Internal Revenue Service, 15 New Sudbury Street, Stop 20800, Boston, MA 02203. Adequate protection payments applied to interest are subject to reallocation to principal if it is ultimately determined that the Secured Creditors' claim(s) is/are undersecured.

7. Nothing contained in this Order shall be deemed to be the consent by the Secured Creditors, whether express or implied, to any claims against the Collateral or the Post-Petition Collateral under §506(c) of the Bankruptcy Code.

³ The Debtor acknowledges that Pentucket Bank and the United States assert that their claims are secured by a security interest in the Collateral of the Debtor and shall constitute an allowed secured claim to the extent of the value of such property, and are an unsecured claim to the extent that the value of such creditor's interest exceeds the value of the Collateral and/or there is not sufficient value in the Collateral to cover such creditor's security interest in the Collateral, if applicable.

8. The obligation of the Debtor to the Secured Creditors, whether now existing or hereafter arising, shall be treated as a first priority expense of administration and shall have the priority afforded by Bankruptcy Code Section 507(b) to the full extent that the Debtor makes use of the Collateral (whether previously existing or newly created) or has made use of Collateral during the pendency of this case and has not replaced said Collateral with new collateral such as cash, inventory or accounts receivable.

9. Notwithstanding contrary non-Bankruptcy law, this Order, the Loan Documents, and the Tax Liens shall be sufficient and conclusive evidence of the priority, perfection, attachment, and validity of all of the Secured Creditors' security interests in, and liens on, the post-petition Collateral and the liens and security interests granted and created herein shall, by virtue of this Order, constitute valid, automatically perfected and unavoidable security interests, with the priorities granted hereunder, without the necessity of creating, filing, recording, or serving any financing statements or other documents that might otherwise be required under federal or state law in any jurisdiction or the taking of any other action to validate or perfect the security interests and liens granted to the Secured Creditors under this Order. To the extent that any applicable non-bankruptcy law otherwise would restrict the granting, scope, enforceability, attachment, or perfection of the Secured Creditors' liens and security interests authorized, ratified, or created by this Order, or otherwise would impose filing or registration requirements with respect to such replacement liens, such law is hereby preempted to the maximum extent permitted by the Bankruptcy Code, otherwise applicable federal law, and the judicial power of the United States Bankruptcy Court. Notwithstanding the foregoing, the Debtor shall cooperate with the Secured Creditors to execute such documents and instruments and to do such other things as the Secured Creditors request in order to evidence and/or perfect their Post-Petition Lien. The Automatic Stay imposed by 11 U.S.C. §362 is hereby modified to the extent necessary for the Secured Creditors to so perfect and enforce the security interest granted herein. The Liens created herein shall remain in effect until all obligations of the Debtor to the Secured Creditors have been satisfied in full in accordance with the proposed plan of reorganization to be filed by the Debtor.

10. The Debtor is permitted to and shall pay over to the City of Haverhill's Tax Collector, not later than May 31, 2017, all amounts accrued and unpaid post-petition, together with penalties and interest, if any, ("<u>City Tax Arrearage Payments</u>") including, on account of post-petition real and personal property taxes, the amounts set forth on <u>Exhibit B</u> attached hereto and incorporated herein as and when set forth on <u>Exhibit B</u>.

11. The Debtor is permitted to and shall pay over to the United States Treasury, not later than

Such weekly reports shall (A) disclose the number of new or renewal memberships entered into during the period, (B) disclose the source of funding of capital contributions made to the Debtor and the amount contributed by each source, (C) disclose the payee and amount of any Debtor checks returned for nonsufficient funds, and (D) shall include as an attachment a current accounts payable aging report in the same
