### 4. EFFECTIVE DATE / TERMINATION

### (a) Effective Date

The Agreement shall become effective on October 12, 2006, and shall remain in effect until April 1, 2007 (the "**Term**"), unless earlier terminated, in whole or in part, in accordance with the Agreement. The Parties acknowledge and agree that the Equipment, which is the subject of this

Agreement, is also the subject of the Lease, and shall be governed by the Lease.

## (b) Termination for Cause--SUBLESSOR

If (a) Sublessee fails to perform its obligations under the Agreement and such failure to perform continues for a period of thirty (30) days after written notice to Sublessee of such failure, (b) (i) Sublessee files a plan of reorganization in Sublessee's pending proceedings ("Sublessee's Case") under chapter 11 of title 11 of the United States Code (as amended from time to time, the "Bankruptcy Code") providing for the liquidation of all or substantially all of its assets (a "Liquidating Chapter 11 Plan"), or publicly announces the intent to file a Liquidating Chapter 11 Plan, (ii) Sublessee's Case is converted to a liquidation under chapter 7 of the Bankruptcy Code, (iii) Sublessee commences a sale of, or enters into an agreement to sell, all or substantially all of its assets, which sale must expressly include the Equipment, (iv) Sublessee discontinues or announces that it shall discontinue its current ground handling operations, provided that if Sublessor or its affiliates or agents cause Sublessee to announce such discontinuance of ground handling operations solely as a result of Sublessor or its affiliates or agents ceasing to use Sublessee for ground handling operations on behalf of it or one of its regional air carrier affiliates it shall not constitute a Bankruptcy Event or (v) in the event that Sublessee discontinues flight operations but continues to perform ground handling operations, failure by Sublessee to meet any of the ground handling performance standards specified in Schedule B to the Lease for a period of four consecutive days (such failure, a "Ground Handling Failure") (any of (i), (ii), (iii), (iv) or (v), a "Bankruptcy Event"), or (c) Sublessee is continuing flight operations and ground handling operations after the imposition of new employment terms on its union employees pursuant to Section 1113 of the Bankruptcy Code and/or the imposition of a wage reduction on its non-union employees, but a Ground Handling Failure has occurred, Sublessor may terminate this Agreement, upon written notice, and take such other action as may be permitted by this Agreement. Sublessee hereby agrees to notify Sublessor in writing no less than ten days prior to any discontinuance of ground handling operations as described in clause (iv) above, and the provision of such notice shall constitute a Bankruptcy Event under clause (iv) above. If Sublessor terminates under this provision, Sublessee shall immediately return the Equipment in accordance with Section 8(c) and shall not interfere with Sublessor's use and entitlement to the Equipment. Notwithstanding the foregoing, in the event that Sublessor terminates this Agreement under clause (c) above, this Agreement shall only be terminated as to such portion of the Equipment which Sublessor may sublease to a third party pursuant to Section 3 of the Lease.

In the event that Sublessor elects to terminate the Agreement pursuant to this Section 4(b) other than as a result of a Bankruptcy Event, then Sublessee shall immediately pay Sublessor an amount which is equal to (i) any unpaid amount due on or before Sublessor terminated this Agreement, plus (ii) all attorney fees and court costs incurred by Sublessor relating to the enforcement of its rights under the Agreement. Thereafter, Sublessor may use, sublease (to the extent provided in the Lease) or keep idle all or part of the Equipment in accordance with Sublessor's rights under the Lease. The proceeds of any sublease of the Equipment shall be applied: (1) to all of Sublessor 's costs, charges and expenses incurred in repairing and selling, leasing or otherwise disposing of the Equipment including attorney fees; then (2) to the extent not previously paid by Sublessee, to pay Sublessor any unpaid amount due and owing prior to termination of Lease. Any surplus remaining may be retained by Sublessor.

In the event that Sublessor elects to terminate the Agreement due to a Bankruptcy Event, then Sublessee shall only pay Sublessor an amount which is equal to any unpaid amount due hereunder on or before Sublessor terminated this Agreement, and Sublessor waives all other claims, causes against Sublessee. Thereafter, subject to the provisions of the Lease, Sublessor may use, sublease (to the extent provided in the Lease) or keep idle all or part of the Equipment in accordance with Sublessor's rights and obligations under the Lease. The proceeds of any sublease of the Equipment shall be applied: (1) to all of Sublessor 's costs, charges and expenses incurred in repairing and selling, leasing or otherwise disposing of the Equipment including attorney fees; then (2) to the extent not previously paid by Sublessee, to pay Sublessor any unpaid amount due and owing prior to termination of Lease. Any surplus remaining may be retained by Sublessor.

## (c)Termination for Cause – SUBLESSEE

If Sublessor fails to perform its obligations under the Agreement and such failure to perform continues for a period of thirty (30) days after written notice to Sublessor of such failure, Sublessee may terminate this Agreement, upon written notice, and take such other action as may be permitted by this Agreement.

If Sublessee elects to terminate this Agreement under this Section 4(c) such termination shall also be a termination of the Lease and Sublessor shall have no further right to or in the Equipment. Sublessor shall be responsible for payment of any and all costs related to or arising out of the disposition of the Equipment hereunder. Similarly, any and all costs, charges, and expenses incurred by Sublessor in repairing, subleasing, or otherwise redelivering of the Equipment following termination of this Agreement shall be the sole responsibility of Sublessor.

## (d) Termination for Purchase

In the event that Sublessor, as lessee under the Lease, shall exercise its purchase option under the Lease with respect to the Equipment, this Agreement shall terminate on the date of such purchase. If Sublessor terminates this Agreement with respect to the Equipment under this Section 4(d), Sublessee shall immediately return the Equipment to Sublessor in accordance with Section 8(c). Thereafter, Sublessor may use, sublease, or keep idle all or any part of the Equipment.

## (e) Termination for Convenience

If Sublessee confirms a plan of reorganization in Sublessee's Case (other than a Liquidating Chapter 11 Plan), either party may terminate the Agreement with respect to all of the Equipment upon prior written notice to the other party. Any termination under this Section 4(e) shall result in a corresponding termination of the Lease. If the Agreement terminates under this Section 4(e), Sublessee shall be entitled to keep and retain the Equipment in accordance with Section 11(a) and Sublessor shall not be required to return such Equipment to Lessor pursuant to Section 4(d) of the Sublease.

#### 30. EFFECT OF TERMINATION

Upon termination of this Agreement in accordance with the provisions hereof, the Term shall end and each provision of this Agreement whose applicability is limited to the Term, either expressly or by reasonable implication, shall no longer be applicable (provided that such termination will not relieve any Party of any obligation for any breach of this Agreement prior to termination).
