The Prepetition Lenders' Claims and the Debtor's Stipulations²

5. (a) Pursuant to (i) that certain Credit Agreement dated April 1, 2008, as previously amended and in effect (the "Prepetition Senior Credit Agreement"), and (ii) all other agreements, documents, and instruments executed and/or delivered with, to, or in favor of the Prepetition Agent and the other Prepetition Senior Secured Parties, including, without limitation, the promissory notes, security agreements, UCC financing statements, collateral access agreements, cash management agreements, credit card notifications, demand deposit account notifications, control agreements and all other related agreements, documents, and instruments executed and/or delivered in connection therewith or related thereto (collectively, as they have been amended, modified or supplemented and in effect from time to time) by, among others, the Debtor and the Prepetition Senior Secured Parties, the Prepetition Senior Secured Parties

² The stipulations and agreements of the Debtor and the Prepetition Lender in Paragraphs 5 through 9 are referred to collectively as the "Debtor's Stipulations." The Debtor's Stipulations are made by the Debtor in its capacity as a debtor and not on behalf of its estate or as a debtor-in-possession and are without prejudice to the rights of other parties in interest in challenging as they may receive authority to act on behalf of the estate, to the extent provided herein.

established in favor of the Debtor a secured revolving credit facility in the maximum amount of Six Million and 00/100 (\$6,000,000.00) Dollars, in addition to other financial accommodations established in the Prepetition Senior Credit Agreement. (The Prepetition Senior Credit Agreement, and all other documents, instruments, and agreements referenced above and otherwise executed in connection therewith or related thereto shall be referred to herein as the “Prepetition Senior Claim Documents.”) True and correct copies of the Prepetition Senior Claim Documents are retained by the Prepetition Agent and the Debtor and will be available to interested parties upon request.

(b) Under the Prepetition Senior Claim Documents and applicable law, the Debtor and the Prepetition Senior Secured Parties maintain that the Prepetition Agent, for the ratable benefit of the Prepetition Senior Secured Parties, holds valid, enforceable, and allowable claims against the Debtor, as of the Petition Date, in an aggregate amount equal to at least Two Million, Five Hundred Fifty-Five Thousand, Three Hundred Fifty-Three and 12/100 (\$2,555,353.12) Dollars (inclusive of Six Hundred Eighteen Thousand, Eight Hundred Forty and 60/100 (\$618,840.60) Dollars, plus any and all interest, fees and costs, and any and all other debts or obligations of the Debtor to the Prepetition Senior Secured Parties under the Prepetition Senior Claim Documents (including all “Obligations” as defined in the Prepetition Senior Claim Documents), or otherwise (collectively, the “Prepetition Senior Claim”). The Prepetition Senior Claim was indefeasibly paid in full on or about August 22, 2011.

6. (a) Metropark was also a party to that certain Note Purchase Agreement, dated March 21, 2011 (the “Prepetition Subordinated Credit Agreement”) among the Debtor and Bricoleur Capital Partners, LP, as second lien agent (“Agent for the Second Lien Lenders”), on behalf of itself and the Second Lien Lenders, including certain officers and directors of the

Debtor (the "Prepetition Subordinated Secured Parties" or "Second Lien Lenders"). The Prepetition Subordinated Credit Agreement and all other agreements, documents, instruments and filings executed and/or delivered with, to, or in favor of the Agent for the Second Lien Lenders, including, without limitation, any and all promissory notes, security agreements, UCC financing statements, collateral access agreements, subordination agreements, cash management agreements, credit card notifications, control agreements and any and all other related agreements, documents and instruments (as such may have been amended, supplemented or modified from time to time) establishing the \$825,000 loan shall hereafter be referred to as the "Prepetition Subordinated Secured Claim Documents." The Debtor maintains that as of the Petition Date, the principal balance owed under the Prepetition Subordinated Credit Agreement was approximately Eight Hundred Twenty-Five Thousand and 00/100 (\$825,000.00) Dollars (the "Prepetition Subordinated Secured Claim"). The Debtor further maintains that the Prepetition Subordinated Claim is secured by security interests in and liens on the Prepetition Collateral, expressly subordinated to the security interests and liens of the Prepetition Senior Secured Parties pursuant to that certain Security Agreement, dated March 21, 2011.

(b) The Prepetition Senior Secured Parties and the Prepetition Subordinated Secured Parties are party to that certain Subordination Agreement dated as of March 21, 2011 ("Subordination Agreement"), pursuant to which, among other things, the interests of the Prepetition Subordinated Secured Parties are contractually subordinated and subject in right and time of payment to the security interest of the Prepetition Senior Secured Parties. Under Section 2.3(d) of the Subordination Agreement, in the event Metropark filed for bankruptcy, the Prepetition Subordinated Secured Parties agreed that the Prepetition Senior Secured Parties "may consent to the use of cash collateral or provide financing to [Metropark] on such terms and

conditions and in such amounts as [the Prepetition Senior Secured Parties], in its sole discretion, may decide....” The Prepetition Senior Secured Parties have now been indefeasibly paid in full, and as such, the Agent for the Second Lien Lenders is the party who may now consent to the use of cash collateral.

The Prepetition Collateral

7. The Debtor, the Prepetition Agent and the Agent for the Second Lien Lenders maintain that each component of the Prepetition Senior Claim evidenced by the Prepetition Senior Claim Documents as well as each element of the Prepetition Subordinated Secured Claim, is secured by valid, perfected, and unavoidable first priority liens and security interests (or in the case of the Prepetition Subordinated Secured Claim, second priority liens and security interests until the Prepetition Secured Claim is paid in full) in substantially all of the personal property of the Debtor, including, without limitation, all “Collateral” (as defined in the Prepetition Senior Credit Agreement), and all proceeds thereof, substitutions therefore, and accessions thereto, as further provided in the Prepetition Senior Claim Documents and Prepetition Subordinated Secured Claim Documents (the “Prepetition Collateral”), as follows:

- (o) All Supporting Obligations.
- (p) All money, policies and certificates of insurance, deposits, cash, or other property.

(q) All books, records, and information relating to any of the foregoing ((a) through (p)) and/or to the operation of the Debtors' business, and all rights of access to such books, records, and information, and all property in which such books, records, and information are stored, recorded and maintained.

(r) All insurance proceeds, refunds, and premium rebates, including, without limitation, proceeds of fire and credit insurance, whether any of such proceeds, refunds, and premium rebates arise out of any of the foregoing ((a) through (q)) or otherwise.

(s) All liens, guaranties, rights, remedies, and privileges pertaining to any of the foregoing ((a) through (r)), including the right of stoppage in transit.

(t) Any of the foregoing, whether now owned or now due, or in which the Debtor has an interest, or hereafter acquired, arising, or to become due, or in which the Debtor obtains an interest, and all products, Proceeds, substitutions, and Accessions of or to any of the foregoing.³

The Prepetition Collateral is more fully described in the Prepetition Senior Claim Documents.

The Prepetition Agent's liens and security interests in the Prepetition Collateral were granted pursuant to the Prepetition Senior Claim Documents, and the Agent for the Second Lien Lender's liens and security interests in the Prepetition Collateral were granted pursuant to the Prepetition Subordinated Secured Claim Documents, copies of which are on file with Debtor's counsel and may be inspected.

³ Security Agreement (as defined in the Prepetition Senior Credit Agreement), definition of "Collateral."

8. The Debtor, the Prepetition Senior Secured Parties and the Second Lien Lenders maintain that the Prepetition Agent (for the ratable benefit of the Prepetition Senior Secured Parties) and the Agent for the Second Lien Lenders (for the ratable benefit of the Second Lien Lenders), have properly perfected their respective first and second priority liens and security interests and other liens in the Prepetition Collateral as evidenced by the Prepetition Senior Claim Documents, the Senior Subordinated Secured Claim Documents, by documents held in possession of the Prepetition Senior Secured Parties and Second Lien Lenders, and documents filed with the appropriate federal, state, and/or other offices.

9. The Debtor, the Prepetition Senior Secured Parties and the Second Lien Lenders maintain that the Prepetition Senior Claim Documents and the Prepetition Subordinated Secured Claim Documents are genuine, valid, existing, and legally enforceable.

CASH COLLATERAL

The Prepetition Secured Parties' Cash Collateral

10. To the extent the Prepetition Secured Parties have a valid, perfected and enforceable lien or security interest therein as set forth in the Prepetition Senior Claim Documents, the Senior Subordinated Secured Claim Documents, and as permitted by this Interim Cash Collateral Order and the Bankruptcy Code, all (a) cash of the Debtor's estate, wherever located, and (b) cash equivalents, whether in the form of negotiable instruments, documents of title, securities, deposit accounts, or in any other form, which represent income, proceeds, products, rents, or profits of the Prepetition Collateral that are now in the possession, custody, or control of the Debtor (or of persons in privity with the Debtor), or in which the Debtor will obtain an interest during the pendency of this Case, which represent income, proceeds, products, rents, or profits of the Prepetition Collateral (collectively, the "Cash Collateral"), shall constitute the Cash Collateral of the Prepetition Secured Parties. Upon the Senior Secured Parties being

indefeasibly paid in full, the Cash Collateral is collateral of the Second Lien Lenders. The Debtor and the Prepetition Secured Parties maintain that the Prepetition Agent, for the ratable benefit of the Prepetition Senior Secured Parties, has a first priority perfected lien and security interest in the Cash Collateral, and the Agent for the Second Lien Lenders, for the ratable benefit of the Second Lien Lenders, has a second priority perfected lien and security interest in the Cash Collateral, subordinated to the Senior Secured Parties, all pursuant to the applicable provisions of the Prepetition Senior Claim Documents, Prepetition Subordinated Secured Claim Documents, Bankruptcy Code §§ 363(a) and 552(b), and this Interim Cash Collateral Order.

11. The Debtor shall segregate and account to the Prepetition Agent, and subsequent to the Prepetition Agent being paid in full to the Agent for the Second Lien Lenders, for all Cash Collateral that it now possesses, that it has permitted to be transferred into the possession of others, if any, that is being held by those in privity with the Debtor, or that the Debtor might hereafter obtain or have any interest in, to include, if any, Cash Collateral received by the Debtor since the Petition Date and prior to the entry of this Interim Cash Collateral Order. The Debtor shall account to the Prepetition Agent, and subsequent to the Prepetition Agent being paid in full to the Agent for the Second Lien Lenders, for the receipt and use, if any, of the Cash Collateral received by the Debtor since the Petition Date and prior to the entry of this Interim Cash Collateral Order. The Debtor is strictly prohibited from using the Cash Collateral except as expressly provided in this Interim Cash Collateral Order and any previous or future Cash Collateral Orders.

Need For and Consent To Limited Use of Cash Collateral

12. The Prepetition Secured Parties do not consent to the Debtor's use of Cash Collateral except in strict compliance with the terms and conditions contained in this Interim Cash Collateral Order.

13. Without the use of Cash Collateral, the Debtor will not have the funds necessary to maintain its assets, provide financial information, pay employees, payroll taxes, inventory suppliers and other vendors, overhead, lease expenses, and other expenses necessary for the operation of the Debtor's business in the ordinary course and to maintain the value of the Debtor's assets. The Debtor's efforts in connection with the operation of its business require the use of Cash Collateral as provided herein.

14. As the Senior Secured Parties have been paid in full, the Debtor has requested that the Second Lien Lenders consent to the use of Cash Collateral for such purposes set forth in the Budget (as defined in Paragraph 22 below), and such other purposes as permitted by this Interim Cash Collateral Order in order to avoid immediate and irreparable harm to the Debtor's estate that will occur if this Interim Cash Collateral Order is not immediately approved.

15. Good, adequate, and sufficient cause has been shown to justify the granting of the relief requested herein. The use of Cash Collateral will benefit the Debtor and its estate. The ability of the Debtor to reorganize and/or preserve and maintain the value of its assets depends upon the Debtor's ability to use the Cash Collateral of the Prepetition Secured Parties. Accordingly, the use of Cash Collateral by the Debtor is necessary to preserve its estate and will avoid immediate and irreparable harm to the Debtor, its estate, and its assets.

Authorization for Limited Use of Cash Collateral

16. The Debtor is hereby authorized, on a limited basis, to use Cash Collateral only in strict compliance with the terms and conditions provided in this Interim Cash Collateral Order, including, without limitation, the Budget. Furthermore, the Debtor is authorized and hereby agrees to perform any and all acts reasonably required by the Prepetition Agent and/or the Agent for the Second Lien Lenders after the Prepetition Agent has been paid in full to comply with the terms and conditions of this Interim Cash Collateral Order.

17. The provisions of this Interim Cash Collateral Order affecting Cash Collateral are entered pursuant to, and shall be construed and be consistent with, Bankruptcy Code § 363 and Bankruptcy Rules 4001(b)(ii), 4001(d), and 6003 to prevent immediate and irreparable harm to the Debtor.

Cash Collateral Accounts

18. From and after the Petition Date, the Debtor shall cause all cash receipts, collected from any source and of any nature, including the operation and/or liquidation of its business and assets, to be remitted, as expeditiously as possible, to the appropriate depository account, with a daily sweep of all net account balances to the Prepetition Lender's concentration account as maintained by the Debtor with the Prepetition Agent pursuant to the Prepetition Senior Credit Agreement in accordance with the existing cash management provisions set forth in the Prepetition Senior Claim Documents (the "Cash Collateral Account"). With respect to any and all other accounts into which collections are ever deposited, the Debtor shall irrevocably authorize and direct, in writing, in a form and of substance satisfactory to Prepetition Agent and/or the Agent for the Second Lien Lenders, as applicable, each such bank to send via wire transfer all funds deposited into each such account to the Cash Collateral Account.

19. The Debtor shall be prohibited from using the funds from the Cash Collateral Account except as provided for in the Budget. The Cash Collateral Account shall be maintained for the purpose of complying with this Interim Cash Collateral Order, and shall be separate from any other accounts of the Debtor that have been established as "debtor-in-possession" accounts.

20. The Debtor shall instruct the Prepetition Agent in writing, or in another manner acceptable to the Prepetition Agent, to transfer each day the needed portion of the funds on deposit in the Cash Collateral Account to the Debtor's debtor-in-possession operating account for use by the Debtor subject to the terms and provisions of the Budget and this Interim Cash

Collateral Order, including, without limitation, the provisions of Paragraph 22 below. None of the Prepetition Senior Secured Parties or Second Lien Lenders shall have any obligation to provide any provisional credit for items presented. The Debtor shall comply with all rules and regulations of the Office of the United States Trustee in connection with the accounts referenced above, except as modified by orders of this Court.

21. In the event an item that was issued prepetition is presented that is not within the Budget, and for which the Debtor has not given a stop payment order, and such item is inadvertently cleared, none of the Prepetition Senior Secured Parties shall have any liability regarding the same and the Debtor's sole remedy shall be recovery from the transferee.

ADEQUATE PROTECTION OF PREPETITION SECURED PARTIES' INTEREST

Budgeted Cash Collateral Usage

22. As partial adequate protection of the Prepetition Secured Parties' interests in the Prepetition Collateral to the extent such interests are valid, perfected and enforceable, (the "Prepetition Secured Parties' Interest") and for the Debtor's use of Cash Collateral, the Debtor may not request the transfer of, nor use Cash Collateral, except to pay actual, ordinary, and necessary expenses set forth in, and in strict compliance with, the budget attached hereto as Exhibit A, or as such budget may be modified in writing with the prior written consent of the Prepetition Agent or, once the Prepetition Agent has been paid in full, of the Agent for the Second Lien Lenders (and no such consent shall be inferred from any action, inaction, or acquiescence of any Prepetition Secured Party), with a copy of any such modified budget to be filed promptly with this Court (the "Budget"). The Debtor may request from time to time, and the Prepetition Agent shall release funds to the Debtor from the Cash Collateral Account consistent with the terms and conditions of this Paragraph 22. In no event shall the Debtor request any transfer nor use any of the Prepetition Secured Parties' Cash Collateral to pay any

items (i) in excess of 105% of the amount set forth in the Budget, (x) by line item, or (y) in the aggregate, or (ii) in advance of the week in which a cash disbursement is scheduled to be paid. However, savings by line item may be utilized thereafter for payment of similar line items, but not other line items. Prior to any transfer or use of Cash Collateral by the Debtor, a Responsible Officer (as defined in the Prepetition Senior Credit Agreement) of the Debtor shall review the proposed transfer or use of Cash Collateral for strict compliance with the Budget as to amount, purpose, and timing, and the Prepetition Agent shall have received a daily officer's certificate, duly executed by a Responsible Officer of the Debtor, which shall include (i) the check register for such day (identifying each check and the line item in the Budget to which it relates), (ii) the Debtor's bank account balances, and (iii) a statement of compliance with the Budget.

23. The Debtor warrants and represents that the Budget includes all reasonable and necessary expenses reasonably foreseeable to be incurred in connection with this case for the period set forth in the Budget.

24. Except as may be provided in the Budget, including, without limitation, for ordinary course salary, payroll, benefits, tax distributions, and expense reimbursements, the Debtor agrees that no transfer of Cash Collateral shall be made to any of the Debtor's insiders, as that term is defined in Bankruptcy Code § 101(31).

25. Notwithstanding anything herein to the contrary, the Debtor shall not make any further payment of prepetition tax claims, including those payments authorized in the Budget, without seeking further Court approval to do so.

Replacement Liens and Super Priority Administrative Claims

26. As partial adequate protection for any use or diminution in the value of the Prepetition Secured Parties' Interest in the Prepetition Collateral and Cash Collateral ("Diminution"), and in the amount of such Diminution, the Debtor grants the Prepetition Agent,

for the ratable benefit of the Prepetition Senior Secured Parties and the Agent for the Second Lien Lenders, for the ratable benefit of the Second Lien Lenders, subordinate to the Prepetition Senior Secured Parties, retroactively effective as of the Petition Date, valid and perfected replacement liens and additional liens and security interests, of the highest available priority in and upon all of the properties and assets of the Debtor on which the Prepetition Agent, for the ratable benefit of the Prepetition Senior Secured Parties, and/or the Agent for the Second Lien Lenders, for the ratable benefit of the Second Lien Lenders, asserts a valid and perfected security interest prepetition, whether real or personal, tangible or intangible, including, but not limited to, the Prepetition Collateral and all of the other assets described in the Prepetition Senior Claim Documents and this Interim Cash Collateral Order, expressly to include the proceeds of any leases (but not the leases or leasehold interests themselves), tax refunds, insurance proceeds, insurance premium refunds, security deposits (with utilities, landlords, and other parties), claims, causes of action whether under contract or in tort, bonds and proceeds of same, whether acquired before or after the Petition Date, whether now owned and existing or hereafter acquired, created, or arising, and all products and proceeds thereof (including, without limitation, claims of the Debtor against third parties for loss or damage to such property), including all accessions thereto, substitutions and replacements therefor, and wherever located and all assets acquired by the Debtor postpetition and recoveries by the estate under any provision of the Bankruptcy Code or other applicable law (the "Adequate Protection Collateral"), retroactive to the filing of this Case.

(a) The foregoing grant of a lien on the Adequate Protection Collateral shall exclude avoidance actions under chapter 5 of the Bankruptcy Code and the proceeds thereof (other than proceeds of any avoidance action brought pursuant to § 549 of the Bankruptcy Code to recover any postpetition transfer of Collateral).

(b) The Adequate Protection Collateral is not exclusive and is provided without prejudice to the Prepetition Secured Parties' rights regarding additional adequate protection. The lien on Adequate Protection Collateral granted in this Paragraph 25 shall be limited to the extent of the aggregate Diminution of the value of the Prepetition Collateral and Cash Collateral subsequent to the Petition Date, whether by depreciation, use, sale, loss, decline in market price, or otherwise, including such diminution as may arise from the application of Prepetition Collateral (including Cash Collateral) in accordance with this Interim Cash Collateral Order or otherwise, other than payments to the Prepetition Agent in accordance with Paragraphs 26 and 28 below.

Payments

27. As additional partial adequate protection for any Diminution in the value of the Prepetition Senior Secured Parties' Interest in the Prepetition Collateral and Cash Collateral, the Debtor shall make the following payments to the Prepetition Agent, for the ratable benefit of the Secured Parties (the "Adequate Protection Payments"), which payments shall be subject to allocation and possible disgorgement under 11 U.S.C. § 506:

(a) Payment of interest on the first day of each month on the Prepetition Senior Claim which shall continue to accrue after the Petition Date at the rate set forth in the Prepetition Senior Claim Documents until the Prepetition Senior Claim has been paid in full.

(b) Payment of all proceeds from the Store Closing Sale (as defined in Paragraph 29 below) in cash at closing, including without limitation the "Initial Guaranty Payment," the "Guaranteed Amount," the "Recovery Amount," and the "Augment Recovery Amount" (as each of those terms is defined in the Agency Agreement referred to in Paragraph 29 below), with all such proceeds to be held by the Prepetition Agent in the Cash Collateral Account:

(i) Other than releasing funds to the Debtor as provided in Paragraph 22 above, the Prepetition Agent shall maintain on deposit in the Cash Collateral Account all proceeds of the Store Closing Sale and any other proceeds of the Collateral which the Debtor may receive, and the Prepetition Agent shall not apply any of those proceeds in reduction of the Prepetition Senior Claim until, and if, authorized pursuant to the Final Cash Collateral Order;

(ii) Upon entry of the Final Cash Collateral Order, and to the extent and in the amount authorized therein, the Prepetition Agent shall apply funds on deposit in the Cash Collateral Account in satisfaction or reduction of the Prepetition Senior Claim.

(c) Reimbursement to the Prepetition Agent, for the ratable benefit of the Prepetition Senior Secured Parties, on the first day of each month of all costs, expenses, and costs of collection, including without limitation, reasonable attorneys' fees and expenses, and all "Credit Party Expenses" (as defined in the Prepetition Senior Credit Agreement) incurred by the Prepetition Senior Secured Parties, which shall continue to accrue whether before or after the Petition Date.

28. To the extent such adequate protection is insufficient to adequately protect the Prepetition Secured Parties' Interest in the Prepetition Collateral from Diminution, and in the amount of such Diminution, the Prepetition Agent, for the ratable benefit of the Prepetition Senior Secured Parties, and the Agent for the Second Lien Lenders, for the ratable benefit of the Second Lien Lenders and wholly subordinate to the Prepetition Senior Secured Parties, shall each have an allowed claim under § 507(a)(1) of the Bankruptcy Code, which claim is and shall at all times during the pendency of this Case or any successor case have superiority in

accordance with the provisions of § 507(b) of the Bankruptcy Code over all administrative expenses of the kind specified in the Bankruptcy Code subject to the Carve Out.

29. Further, nothing in this Interim Cash Collateral Order shall limit the right of the Prepetition Secured Parties from seeking additional adequate protection, including without limitation, seeking to establish and maintain one or more cash collateralization reserve accounts so as to provide adequate protection and security for the Debtor's continuing indemnification obligations and reimbursement obligations to the Prepetition Senior Secured Parties under the Prepetition Senior Claim Documents, including under (i) Sections 3.01(c), 10.02(d), 10.04 and 10.11 of the Prepetition Senior Credit Agreement, and (ii) this Interim Cash Collateral Order; provided, however, that the Agent for the Second Lien Lenders can only exercise this right, or any rights granted herein, consistent with the terms of the Subordination Agreement.

ADDITIONAL CASH COLLATERAL USAGE
AND ADEQUATE PROTECTION TERMS

30. No sale of properties of the Debtor's estate outside the ordinary course of business shall be permitted unless the Prepetition Lender, or the Agent for the Second Lien Lenders, as the case may be, shall have given its prior written consent, or as may be ordered by the Court.

31. The security interests and liens of the Prepetition Agent and the Agent for the Second Lien Lenders granted pursuant to the terms of this Interim Cash Collateral Order shall not have priority over (a) prior perfected and unavoidable liens and security interests in property of the Debtor's estate as of the Petition Date, including, without limitation, security deposits, other than the Agent's liens in the Prepetition Collateral (the "Prior Liens"), provided that (i) the Prior Liens are paramount to the Prepetition Agent's liens and security interests pursuant to the Prepetition Senior Claim Documents, and are valid, perfected, and non-avoidable in accordance

with applicable law, and (ii) the foregoing is without prejudice to the rights of the Debtor or any other party in interest, including the Prepetition Senior Secured Parties, to object to the validity, priority, or extent of such Prior Liens, or the allowance of such debts secured thereby, or to institute any actions or adversary proceedings with respect thereto; (b) the quarterly fees payable to the United States Trustee, plus interest, if any, pursuant to 28 U.S.C. § 1930 and 31 U.S.C. § 3717; (c) the fees and expenses of the Clerk of this Court; (d) subject to Paragraph 46 below, up to the amounts set forth in the Budget for professional fees and expenses incurred by professionals employed by the Debtor or by the Committee rendering services to advance this Case, as the same may be hereafter allowed by this Court (the “Professional Expenses”); or (e) up to Thirty Thousand and 00/100 (\$30,000.00) Dollars for fees and expenses incurred by a chapter 7 trustee, in the event this case converts to a case under chapter 7 of the Bankruptcy Code.

Automatic Perfection

32. This Interim Cash Collateral Order is, and shall be, sufficient and conclusive evidence of the priority, perfection, attachment, and validity of all of the Prepetition Agent’s and Agent for the Second Lien Lender’s security interests in, and liens on, as applicable, the Adequate Protection Collateral, and the liens and security interests granted and created herein shall, by virtue of this Interim Cash Collateral Order, constitute valid, automatically perfected and unavoidable security interests, with the priorities granted hereunder, without the necessity of creating, filing, recording, or serving any financing statements or other documents that might otherwise be required under federal or state law in any jurisdiction or the taking of any other action to validate or perfect (a) the security interests and liens granted to either the Prepetition Agent or the Agent for the Second Lien Lenders.

33. To the extent that any applicable non-bankruptcy law otherwise would restrict the granting, scope, enforceability, attachment, or perfection of the Prepetition Agent's and/or the Agent for the Second Lien Lender's liens and security interests authorized, or created by this Interim Cash Collateral Order, or otherwise would impose filing or registration requirements with respect to such replacement liens, such law is hereby preempted to the maximum extent permitted by the Bankruptcy Code, otherwise applicable federal law, and the judicial power of the United States Bankruptcy Court.

34. By virtue of the terms of this Interim Cash Collateral Order to the extent that either the Prepetition Agent or the Agent for the Second Lien Lenders has filed Uniform Commercial Code financing statements, entered into control agreements, collateral access agreements, or otherwise perfected the Prepetition Secured Parties' Interest in the Adequate Protection Collateral under the name of the Debtor, such filings and other actions and agreements shall be deemed to properly perfect its liens and security interests in the Adequate Protection Collateral under this Interim Cash Collateral Order without further action by any Prepetition Secured Party.

35. So long as this Interim Cash Collateral Order is in effect, and without further Order of the Court: (a) no other entity shall foreclose or otherwise seek to enforce any lien or other right such other party may have in and to any property of the estate of the Debtor which the Prepetition Agent or the Agent for the Second Lien Lenders deems material and upon which either of the Agents, for the ratable benefit of the Prepetition Secured Parties, holds or asserts a senior lien or security interest; and (b) the Debtor shall not, without prior written approval from the appropriate Agent or Order of the Court, engage in any transaction that is not in the ordinary

course of the Debtor's business, except as contemplated in connection with the Store Closing Sale.

No Additional Liens

36. So long as this Interim Cash Collateral Order is in effect, the Debtor shall not be authorized to obtain credit secured by a lien or security interest in the Prepetition Collateral or Cash Collateral without the prior written consent of the Prepetition Agent, or, if the Prepetition Agent is paid in full, the Agent for the Second Lien Lenders, which may be given or withheld by the respective Agent in its sole and exclusive discretion, unless the terms of such financing provide that the Prepetition Senior Claim or the Prepetition Subordinated Secured Claim, as the case may then be, to the extent it constitutes a valid, perfected and enforceable secured claim shall be paid and satisfied in full in cash at the closing of such financing.

Automatic Stay

37. The automatic stay, under 11 U.S.C. § 362(a) is hereby vacated and modified to the extent necessary to permit (a) the Debtor and the Prepetition Secured Parties to commit all acts and take all actions necessary to implement this Interim Cash Collateral Order, and (b) all acts, actions, and transfers contemplated herein including, without limitation, transfers of Cash Collateral and other funds to the Prepetition Agent, for the ratable benefit of the Prepetition Secured Parties, by the Debtor and the application by the Prepetition Agent of same as provided herein.

Collateral Insurance, Maintenance, Taxes, Deposits

38. The Debtor shall maintain insurance of the kind covering the Collateral, and in accordance with the Prepetition Senior Claim Documents and Prepetition Subordinated Claim Documents (covering such risks in amounts as shall be satisfactory to the Prepetition Lender and shall name the Prepetition Agent as lender's loss payee thereunder and once the Prepetition

Agent is paid in full, the Agent for the Second Lien Lenders), including, without limitation, insurance covering the Collateral and such other collateral of the Prepetition Agent and the Agent for the Second Lien Lenders, if any, as such Agents may from time to time reasonably request, and, at the respective Agent's request, deliver to the Prepetition Secured Lenders evidence of the maintenance of such insurance.

39. To the extent the Debtor has made or makes any deposits for the benefit of utility companies or any other entity, such deposits shall be, and hereby are, upon any return of same to the Debtor, subject to the first and second priority perfected liens and security interests of the Prepetition Agent and the Agent for the Second Lien Lenders in respect of the Debtor's use of Cash Collateral granted by this Interim Cash Collateral Order. The Debtor may not use, except in accordance with the Budget, or transfer any such returned deposits, and the Debtor assigns and sets over its rights in and to all such returned deposits to the Prepetition Agent, or, once the Prepetition Agent is paid in full, to the Agent for the Second Lien Lenders.

Reporting Requirements

40. The Debtor is authorized and directed to provide to the Prepetition Secured Parties all of the documentation and reports required under their respective Documents, schedules, assignments, financial statements, insurance policies and endorsements, and such other information as the Agents may from time to time request (the "Reporting Information"), unless the Prepetition Agent or the Agent for the Second Lien Lenders waives or modifies such requirements in writing.

41. The Prepetition Agent and the Agent for the Second Lien Lenders and their agents shall have full access, upon reasonable notice during normal business hours, to the Debtor's business records, business premises, and to the Collateral to enable the Agents or their agents to (a) review, appraise, and evaluate the physical condition of the Collateral, (b) inspect and review

the financial records and all other records of the Debtor concerning the operation of the Debtor's business, and (c) evaluate the Debtor's overall financial condition and all other records relating to the operations of the Debtor. The Debtor shall fully cooperate with the Prepetition Agents and their agents regarding such reviews, evaluations, and inspections, and shall make its employees and professionals available to the Agents and their agents to conduct such reviews, evaluations, and inspections; provided, however, that the Agent for the Second Lien Lenders cannot exercise any rights under this paragraph 40 until the Prepetition Agent has been paid in full.

Administrative Expenses

42. The Debtor agrees not to knowingly or intentionally incur any administrative expenses other than as set forth in the Budget, exclusive of professional fees, taxes, and other amounts approved by the Bankruptcy Court pursuant to §§ 330, 331, or 503(b) of the Bankruptcy Code and fees payable pursuant to 28 U.S.C. § 1930, without the prior written consent of the Prepetition Agent, or if the Prepetition Agent is paid in full, the Agent for the Second Lien Lenders, or approval by the Bankruptcy Court after notice to the appropriate Agent and a hearing.

43. Subject to the entry of a Final Cash Collateral Order, no costs or expenses of administration which have been or may be incurred in this Case at any time shall be charged against any Prepetition Secured Party, the Prepetition Collateral, or the Collateral pursuant to §§ 105, 506(c), or 552 of the Bankruptcy Code, or otherwise, without the prior written consent of the Prepetition Agent, and no such consent shall be implied from any action, inaction, or acquiescence by the Prepetition Agent. Nothing contained in this Interim Cash Collateral Order shall be deemed a consent by the Prepetition Agent to any charge, lien, assessment, or claim against the Prepetition Collateral or the Collateral under § 506(c) of the Bankruptcy Code or otherwise.

44. The occurrence of any of the following shall constitute an event of default (each an “Event of Default”) under this Interim Cash Collateral Order, with or without notice of any kind to the Debtor by any Prepetition Secured Party, and, except as provided in paragraph 45 below, no Prepetition Secured Party shall have any obligation to provide any notice of any such occurrence: (a) any default, violation, or breach of any of the terms of this Interim Cash Collateral Order by the Debtor, including all reporting requirements and all representations, warranties, covenants, and other obligations; (b) the dismissal of this case or the conversion of this case to a case under chapter 7 of the Bankruptcy Code; (c) the appointment of a trustee or examiner in this case; (d) the sale of all or any substantial portion of the Debtor’s assets, other than incidental to the Store Closing Sale unless the secured loan, to the extent allowed, is paid in full in cash; (e) the entry of any order modifying, reversing, revoking, staying, rescinding, vacating, or amending this Interim Cash Collateral Order without the express written consent of the Prepetition Agent, or, if the Prepetition Agent is paid in full, the Agent for the Second Lien Lenders; (f) any other security interest, lien, claim, or encumbrance shall be granted on the Collateral, other than as consented to in writing by the Prepetition Agent, or, if the Prepetition Agent is paid in full, the Agent for the Second Lien Lenders, in its sole and exclusive discretion; (g) the entry of an order granting relief from the automatic stay to the holder or holders of any security interest or lien to permit the pursuit of any judicial or non-judicial transfer or other remedy against any material assets of the Debtor; (h) any expenditure of Cash Collateral at variance from the Budget in excess of 105% of the budgeted amount either (x) by line item or (y) in the aggregate, or in advance of the week in which the cash disbursement is scheduled to be made; (i) the failure of the Debtor to maintain all insurance required under the Prepetition Senior

Claim Documents, the Prepetition Subordinated Claim Documents and this Interim Cash Collateral Order; (j) the occurrence of a postpetition event that causes or would cause a material adverse change or a material adverse effect on the ability of the Debtor to continue to operate its business as contemplated herein, or (k) the failure of the Debtor to obtain entry of a Final Cash Collateral Order of the Bankruptcy Court authorizing the use of the Prepetition Senior Secured Parties' cash and non-cash Collateral on terms and conditions substantially identical to those set forth herein, and acceptable to the Prepetition Agent in its sole and exclusive discretion in any event, on or before the Expiration Date (as defined below).

Remedies

45. Upon the occurrence of any Event of Default, the Prepetition Agent, or the Agent for the Second Lien Lenders if the Prepetition Agent has been paid in full, may immediately deliver a written notice of default (the "Default Notice"), served by e-mail, overnight delivery service, or facsimile to (i) the Debtor, (ii) the United States Trustee, and (iii) counsel to any official committee, of the occurrence of such Event of Default. 46. Upon the failure of the Debtor to timely perform in accordance with the terms and conditions of this Interim Cash Collateral Order, it being expressly acknowledged and agreed that TIME IS OF THE ESSENCE, then the Prepetition Senior Secured Parties, or if they are paid in full, the Second Lien Lenders, may request an emergency hearing before the Bankruptcy Court to enforce and otherwise implement the terms and conditions of this Interim Cash Collateral Order. In this regard, the Debtor acknowledges and agrees that the Prepetition

Secured Parties will suffer irreparable injury if the terms and conditions of this Interim Cash Collateral Order are not implemented strictly in accordance with their terms, and that injunctive relief shall be necessary and appropriate to insure compliance with this Interim Cash Collateral Order.

47. Notwithstanding the foregoing, each Prepetition Secured Party reserves the right to seek emergency relief, as may be necessary, pursuant to the applicable provisions of the Bankruptcy Code or other applicable law.

Professional Fees

48. Cash Collateral shall not be used for the payment or reimbursement of any fees, expenses, costs, or disbursements of any of the professionals, including any professionals retained by the Committee, incurred in connection with the assertion, prosecution, or joinder in any claim, counter-claim, action, proceeding, application, motion, objection, defense, or contested matter, the purpose of which is to seek any order, judgment, determination, or similar relief (i) invalidating, setting aside, avoiding, or subordinating in whole or part either the Prepetition Agent's liens and security interests provided by the Prepetition Senior Claim Documents or this Interim Cash Collateral Order or the Agent for the Second Lien Lenders' liens and security interests provided by the Prepetition Subordinated Claim Documents or this Interim Cash Collateral Order (ii) delaying, limiting, hindering, or preventing the prompt, full, and indefeasible payment of the Prepetition Senior Claims, including the opposition to the conduct of the Store Closing Sale, or the Prepetition Subordinated Claims, or (iii) preventing, hindering, or delaying, whether directly or indirectly, the Prepetition Secured Parties' assertion, enforcement, or realization upon any Collateral, provided however, that the Committee may use Ten Thousand and 00/100 (\$10,000.00) Dollars in connection with its investigation of the matters listed in this paragraph 48 as it pertains to the Prepetition Senior Claims and such amount as the Court may

allow through today's date as it pertains to the Prepetition Subordinated Claims, but no further amounts from the date on which the Fifth Interim Cash Collateral Order was entered forward pertaining to the Prepetition Subordinated Claims above; and provided further, no amounts whatsoever in connection with the filing of adversary proceedings or contested matters and prosecution thereof as it pertains to the Prepetition Secured Claims.

49. Each Prepetition Secured Party reserves the right to object to the Professional Expenses and nothing herein shall be construed to obligate the Prepetition Lender in any way to pay the Professional Expenses, the U.S. Trustee Fees, or the chapter 7 Trustee Fees, or to assure that the Debtor has sufficient funds on hand to pay any Professional Expenses, U.S. Trustee Fees, or chapter 7 Trustee Fees.

Nothing herein shall in any way affect the rights of Prepetition Secured Parties as to any non-Debtor entity, or with respect to any collateral granted or payment made by such entity.

56. Nothing herein shall be deemed or construed to waive, limit, or modify the rights of the Prepetition Secured Parties to seek additional relief in this Case in accordance with any provision of the Bankruptcy Code or applicable law.
