Bankruptcy Code, if any. The discharge, release and injunction provisions contained in the Second Amended Plan and Confirmation Order are not intended and shall not be construed to bar the United States or the State of Michigan, including DHHS from, subsequent to the Confirmation Order, pursuing any police or regulatory action.

4.8 With respect to the Internal Revenue Service, nothing in the order, incorporating documents, or any future order of the Court may be interpreted by any party to impact on the ability of the Internal Revenue Service to assess, collect, or otherwise determine the tax liability (whether in the form of taxes, penalties, and/or statutory interest) of any officer, employee, or other responsible party of the Debtor. Moreover, nothing in this order, incorporated documents, or any future order of the Court may be interpreted to predetermine any tax consequence, whether of the debtor or any other party, regarding the IRS's rights to duly assess, collect, examine, or otherwise determine any tax liability under non-bankruptcy law.

4.7 Payment of Claims and Claimholder's Rights after Payment The Debtor may pre-pay any Claim, other than Claims held by Insiders or Affiliates, at any time without penalty or liability for unmatured interest. Other Causes of Action preserved by this Plan include all accounts receivable, collection actions, contract claims, and commercial tort claims held by the Debtor. Potential defendants include all Persons that transact business with the Debtor and any Person listed in the Debtor's statements of financial affairs (available at the Bankruptcy Court or upon request to Debtor's counsel) as having received a payment within ninety (90) days of the Petition Date. **All Causes of Action, including Avoidance Actions, are specifically reserved, whether or not specifically listed in the Plan or Disclosure Statement.** The Debtor shall have full discretion to pursue, litigate, settle and/or abandon any Cause of Action or Avoidance Action. Unless any cause of action against a Person is expressly waived, released, compromised or settled in the Plan or a Final Order, the Debtor specifically reserves all causes of action for later adjudication, and, therefore, no preclusion doctrine, res judicata, estoppel (judicial, equitable or otherwise) or laches shall apply to any of the causes of action upon, after or as a consequence of the confirmation of the Plan, entry of the Confirmation Order, the Effective Date or consummation of the Plan. Whether or not any Cause of Action is pursued or abandoned, the Debtor reserves its rights to use any

Cause of Action defensively, including for the purposes of asserting a setoff or recoupment, or to object to all or part of any Claim pursuant to section 502(d) of the Bankruptcy Code or otherwise.

4.7 Professional Fees and Authorization of Interim Fee Applications All services performed or expenses incurred by any Professional on behalf of the Debtor with respect to this Chapter 11 Case after the Confirmation Date, shall be Administrative Claims and shall not be subject to the prior review and approval of the Bankruptcy Court. All fees and expenses of the Debtor arising after the Confirmation Date shall be billed directly to the Debtor and the Bankruptcy Court shall only review that portion to which the Debtor objects. The Debtor shall pay the portion not objected to in accordance with the terms of the invoice. Professionals are hereby authorized to file an interim fee application after the entry of the Confirmation Order but before the Effective Date.

4.8 Change of Address In order to ensure that it receives its distribution, each Creditor holding a Claim must advise the Debtor and/or Liquidation Trustee, as applicable, of any change in address. Absent any such notification Debtor and/or Liquidation Trustee, as applicable, shall send payments to the address listed on the Matrix on file with the Bankruptcy Court. If the payment is not negotiated within four (4) months after being mailed, it shall be void.

4.9 Corporate Action and Effectuating Documents Each of the matters provided for in this Plan involving the Debtor, including corporate action to be taken or required of Debtor, shall, as of the Confirmation Date, be deemed to have occurred, approved, authorized, and shall be effective as provided under this Plan without the requirement of any further action of any kind by the shareholders, directors, officers, or board of the Debtor. Any officer of Debtor shall be and hereby is authorized to execute, deliver, file, or record such contracts, instruments, releases, indentures, and other agreements or documents, and take such actions as may be necessary or appropriate on behalf of the Debtor to effectuate and further evidence the terms and conditions of this Plan without further notice to or order, action or approval of the Debtor's board or the Bankruptcy Court.

ARTICLE V

EFFECT OF CONFIRMATION

5.1 SUBORDINATED CLAIMS Pursuant to section 510 of the Bankruptcy Code, the Debtor reserves the right to re-classify (or request that the Bankruptcy Court re-classify) any Allowed Claim or Allowed Interest in accordance with any contractual, legal, or equitable subordination relating thereto.

5.2 INJUNCTION Except as provided in the Plan or the Confirmation Order, as of the Confirmation Date, all entities that have held, currently hold, or may hold Claims that have been

subject to treatment under the terms of the Plan, are permanently enjoined from taking any of the following actions against any of Debtor (or its Property), the purchaser, the Liquidation Trust or Liquidation Trustee on account of any such Claims, debts, liabilities, or terminated rights: (i) commencing or continuing, in any manner or in any place, any action or other proceeding; (ii) enforcing, attaching, collecting or recovering in any manner any judgment, award, decree, or order; (iii) creating, perfecting, or enforcing any Lien or encumbrance; (iv) asserting a setoff, right of subrogation or recoupment of any kind against any debt, liability, or obligation due to the Debtor; and (v) commencing or continuing any action in any manner, in any place that does not comply, or is consistent, with the provisions of this Plan.

5.5 **PROTECTIONS AGAINST DISCRIMINATORY TREATMENT** Consistent with section 525 of the Bankruptcy Code and the Supremacy Clause of the United States Constitution, all Persons, including Governmental Units, shall not discriminate against the Debtor or deny, revoke, suspend, or refuse to renew a license, permit, charter, franchise, or other similar grant to, condition such a grant to, discriminate with respect to such a grant against, the Debtor or other Person with whom Debtor has been associated, solely because the Debtor has been a Debtor under chapter 11 of the Bankruptcy Code, has been insolvent before the commencement of the Chapter 11 Case (or during the Chapter 11 Case but before the Debtor is granted or denied a discharge), or has not paid a debt that is dischargeable in the Chapter 11 Case.

5.6 **SETOFFS** Except as otherwise expressly provided for in the Plan, the Debtor pursuant to the Bankruptcy Code (including section 553 of the Bankruptcy Code), applicable to non-bankruptcy law, or as may be agreed by the Holder of a Claim, may setoff against any Allowed Claim and the distributions to be made pursuant to the Plan on account of such Allowed Claim (before any distribution is made on account such Allowed Claim), any Claims, rights, and Causes of Action of any nature that the Debtor may hold against the Holder of such Allowed Claim (or against the predecessor in interest to Holder to the extent that the Holder takes such Allowed Claim subject to setoffs and defenses that may be asserted against the predecessor in interest), to the extent such Claims, rights, or Causes of Action against such Holder have not been otherwise compromised or settled on or prior to the Effective Date (whether pursuant to the Plan or otherwise); provided, however, that neither the failure to effect such a setoff nor the allowance of any Claim pursuant to the Plan shall constitute a waiver or release by the Debtor of any Claims, rights, setoff rights and Causes of Action that Debtor may possess against such Holder. The Debtor shall not be required to make any distributions to the Holder of any Allowed Claim to the extent that the Debtor asserts setoff rights against such Holder until after entry of a Final Order resolving such setoff rights. In no event shall any Holder of Claims be entitled to setoff any Claim against any Claim, right, or Cause of Action of the Debtor unless such Holder has filed a motion with the Bankruptcy Court requesting the authority to perform such setoff on or before the Confirmation Date, and notwithstanding any indication in any Proof of Claim or otherwise that such Holder asserts, has, or intends to preserve any right of setoff pursuant to section 553 of the Bankruptcy Code or otherwise.

5.7 **RECOUPMENT** Except with respect to any taxing authorities, whose setoff rights or recoupment under applicable law shall not be impaired, in no event shall any Holder of a Claim or Interest be entitled to recoup any Claim or Interest against any Claim, right, or Cause of Action of

the Debtor unless such Holder actually has performed such recoupment and provided notice thereof in writing to the Debtor on or before the Confirmation Date, notwithstanding any indication in any Proof of Claim or otherwise that such Holder asserts, has, or intends to preserve any right of recoupment.

ARTICLE VI

MODIFICATION OF THE PLAN

6.1 **AMENDMENTS TO PLAN** Debtor may, from time to time, propose amendments or modifications of this Plan prior to its confirmation, without leave of the Court. After confirmation, the Debtor, with leave of the Bankruptcy Court and upon notice and opportunity for hearing to the affected Creditor(s) only, may remedy any defect or omission, reconcile any inconsistencies in the Plan or in the Confirmation Order or otherwise modify the Plan.

6.2 **REVOCATION OR WITHDRAWAL OF THE PLAN** The Debtor reserves the right to revoke or withdraw the Plan prior to the Confirmation Date and to file subsequent Chapter 11 plans. If the Debtor revokes or withdraws the Plan, or if confirmation or consummation does not occur, then: (1) the Plan shall be null and void in all respects; (2) any settlement or compromise embodied in the Plan (including the fixing or limiting to an amount certain of any Claim or Interest or Class of Claims or Interests), assumption, assignment, or rejection of executory contracts or unexpired leases effected by the Plan, and any document or agreement executed pursuant to the Plan, shall be deemed null and void; and (3) nothing contained in the Plan shall: (i) constitute a waiver or release of any Claims, Interests, or Causes of Action; (ii) prejudice in any manner the right of Debtor or any other Person; or (iii) constitute an admission, acknowledgement, offer, or undertaking of any sort by Debtor or any other Person.

ARTICLE VII

JURISDICTION OF THE COURT

7.1 This Court shall retain jurisdiction in this matter until the Plan has been fully consummated including, but not limited to, the following reasons and purposes:

A. The classification of the Claim of any Creditor, including, without limitation, assessment of Claims under Section 506 of the Bankruptcy Code, and the re-examination of Claims that have been allowed for purposes of voting, and the determination of such objections as may be filed to Claims of Creditors. The failure by Debtor to object to, or to examine, any Claim for the purposes of voting, shall not be deemed to be a waiver of any right to object to, or reexamine, the Claim in whole or in part. Furthermore, the fact that this Plan has provided a treatment for the benefit of a particular Creditor shall not in any way be deemed to be a waiver of any right to object to or re-examine the Claim or any secured interest whether by mortgage or otherwise which secures such Claim, in whole or in part.

B. The determination of all questions and disputes regarding title to the assets

of the Estate, and all causes of action, controversies, disputes, or conflicts, whether or not subject to action pending as of the Confirmation Date, between Debtor or any other party.

C. The correction of any defect, the curing of any omission or the reconciliation of any inconsistency in this Plan or the Confirmation Order as may be necessary to carry out the purposes and intent of this Plan.

D. The modification of this Plan after confirmation pursuant to the Bankruptcy Rules and the Bankruptcy Code and as provided as in Article VI of the Plan.

E. The enforcement and interpretation of the terms and conditions of this Plan and the entry of orders in aid of confirmation of this Plan.

F. The entry of any order, including injunctions, necessary to enforce the title, rights, and powers of the Debtor or any party-in-interest, and to impose such limitations, restrictions, terms and conditions of such title, rights and powers as this Court may deem necessary, to accomplish its obligations under the Plan.

G. The review and approval of all Professional Fee applications for services rendered prior to the Confirmation Date and the review of any Professional Fees for services rendered in connection with the Plan after the Confirmation Date, to the extent that the Debtor disputes all or a portion thereof.

H. The assumption or rejection of executory contracts under Article X of this Plan.

I. The litigation of any Avoidance Actions.

J. The entry of an order determining the extent and/or validity of any Lien.

K. The Proposed Sale of the Debtor's assets to the Purchaser.

ARTICLE VIII

TITLE TO PROPERTY

8.1 **VESTING OF PROPERTY** Except as provided otherwise herein, title to any of the Debtor's property not sold, transferred or otherwise disposed of pursuant to the terms of this Plan (including all Causes of Action and Avoidance Actions not released under 3.1.2) shall vest in the Liquidation Trust upon the Closing Date. As of and following the Closing Date, the Liquidation Trust may acquire and dispose of property and settle and compromise Claims or Interests without the supervision of the Bankruptcy Court, free of any restrictions of the Bankruptcy Code or

Bankruptcy Rules, other than those restrictions expressly imposed by this Plan and the Confirmation Order.

ARTICLE IX

UNITED STATES TRUSTEE FEES

9.1 **U.S. TRUSTEE FEES** The Debtor shall pay to the United States Trustee the appropriate sums required pursuant to 28 U.S.C. § 1930(a)(6) and shall provide the relevant information as required by the Office of the United States Trustee until the Chapter 11 Case is administratively closed. Upon the Closing, the Plan shall be deemed to be substantially consummated and the Court shall enter an order administratively closing the case.

ARTICLE X

EXECUTORY CONTRACTS

10.1 EXECUTORY CONTRACTS

10.1.1 The Debtor's Medicaid Provider Agreement with the State of Michigan Department of Health and Human Services ("DHHS") is hereby assumed, and any required cure amount will be paid to the DHHS in the ordinary course between the parties.

10.1.2 The Debtor's Medicare Provider Agreement is hereby assumed, and any required cure amount will be paid to Centers for Medicare & Medicaid Services ("CMS") in the ordinary course of business between the parties.

10.1.3 Notwithstanding anything to the contrary in this Plan, the Debtor shall not reject any collective bargaining agreement subject to section 1113 of the Bankruptcy Code without further order of the Bankruptcy Court under the requirements of section 1113.

10.1.4 On the Closing Date, all executory contracts shall be rejected, unless (i) on or before thirty (30) days after the Auction Sale, the Debtor shall file a list of contracts that shall be assumed, (ii) such executory contract was, prior to the Effective Date, the subject of a motion to assume, or (iii) such executory contract is the subject of a motion to assume filed by the Debtor on or before thirty (30) days after the Auction Sale. All assumed contracts assigned to the Purchaser shall be cured by the purchaser pursuant to Section 10.2, unless other provisions have been agreed to by the counter-party. As long as the purchaser complies with this provision, the contract counterparty must fulfill all contract obligations and is enjoined from declaring a default for non-performance due to the bankruptcy or pre-assumption default.

10.2 **RESOLUTION OF CURE CLAIM DISPUTES.** For each executory contract or unexpired lease to be assumed under this Article X, within thirty (30) days after the sale of assets,

the purchaser shall deliver a written proposal to the contract counter-party describing the method, timing and amount of any cure. The purchaser's proposal shall be binding unless the contract counter-party delivers a written objection to the purchaser's counsel within fifteen (15) days after receipt of the proposal, in which event the purchaser and contract counter-party shall meet and confer in good faith. In the event that the dispute cannot be resolved, either party may petition the Bankruptcy Court to resolve the dispute through filing of a properly noticed motion.

10.3 **REJECTION CLAIMS.** Any Creditor who has a Claim as a result of such rejection shall have thirty (30) days after receipt of the notice of rejection of its contract to file a Proof of Claim, failing which such Claim shall be disallowed in its entirety.

10.4 **OBJECTIONS TO REJECTION CLAIMS.** The Reorganized Debtor may file an objection to any Proof of Claim filed in accordance with this Article X and in accordance with Article XI.

10.5 **REJECTION OF UNEXPIRED LEASES** Upon the occurrence of the Confirmation Date, all unexpired leases shall be rejected, except for unexpired leases that are the subject of a motion to assume filed prior to the Confirmation Date.

10.6 **PRELIMINARY ASSUMPTION PENDING CHALLENGES** The assumption of a contract or lease under this Article does not prejudice the Debtor or purchaser's right to challenge whether any contract or lease is an executory contract or unexpired lease, as opposed to a disguised security agreement. If the Debtor or purchaser challenges an assumed contract or lease, the Debtor shall not be required to comply with the disputed portions of the contract or lease until a Final Order is entered resolving the dispute. If the dispute is not resolved in the Debtor or purchaser's favor, the Debtor has the right to reject the contract or lease for a period of ten (10) days after entry of a Final Order.

ARTICLE XI

OBJECTIONS TO CLAIMS

11.1. **TIMING OF OBJECTIONS** The Debtor, Liquidating Trustee or the purchaser may object to the allowance and priority of any Claim, or the extent, validity and enforcement of any security interest, whether listed on the schedules filed by Debtor or filed by any Creditor, on or before the later of (a) sixty (60) days from the date of filing of any Proof of Claim or (b) six (6) months after the Confirmation Date. The Debtor, Liquidating Trustee or the purchaser may petition the Bankruptcy Court for an extension of this time by filing an appropriate motion. The service of the motion through the Court's electronic court filing system shall be sufficient notice of any such request. Any Claim not the subject of a timely objection shall be an Allowed Claim.

11.2 **EXTENT OF OBJECTIONS** As part of the objection process set forth in Section 11.1 above, and without limiting same, the Debtor, purchaser and/or Liquidation Trustee shall have the

right to object to any Lien asserted against property of the Debtor or the Liquidating Trust.

11.3 **CLAIM DISPUTE RESOLUTION PROCEDURES** Resolution of disputes regarding Claims shall be subject to the following parameters:

11.3.1 If the Settlement Amount for any Claim is less than \$100,000.00, the Debtor or Liquidation Trustee shall be authorized to settle such Claim without the need for further Bankruptcy Court approval or further notice.

11.3.2 If the Settlement Amount for a Claim is greater than or equal to \$100,000.00, the Debtor or Liquidation Trustee shall file a proposed settlement stipulation with the Bankruptcy Court with notice and hearing consistent with the Local Rules and the Bankruptcy Rules.

11.3.3 Court authority is not required for any settlement between the purchaser and any Creditor for which the purchaser is assuming the Creditor's Allowed Claim.

11.4 **CLAIMS BAR DATE** Except as provided herein or otherwise agreed, any and all Proofs of Claim filed after the applicable Bar Date shall be deemed disallowed and expunged as of the Confirmation Date without any further notice to or action, order, or approval of the Bankruptcy Court, and Holders of such Claims may not receive any distributions on account of such Claims, unless on or before the Confirmation Date such late Claim has been deemed timely Filed by a Final Order.

ARTICLE XII

PROVISIONS GOVERNING DISTRIBUTION

12.1 **DISPUTED PAYMENTS** Notwithstanding anything in this Plan to the contrary, the Debtor, purchaser or Liquidation Trustee shall not be obligated to make any payments towards the Disputed portion of any Disputed Claim. The Debtor or Liquidation Trustee shall withhold any such payments, and, if the dispute is resolved in favor of the Claim Holder, the Debtor shall make any missed distributions within fourteen (14) days after entry of a Final Order determining the Claim.

12.2 **EFFECT OF ASSUMPTION AND CURE** These distribution procedures shall not apply to any Claim resulting from an executory contract or unexpired lease assumed by the Debtor. The Cure provisions of Article X and any agreement with the counter-party shall exclusively apply to distributions on such Claims.

12.3 **DELIVERY OF DISTRIBUTIONS IN GENERAL:** Except as otherwise provided in the Plan, and notwithstanding any authority to the contrary, distributions to Holders of Allowed Claims and Allowed Interests shall be made by the Debtor, in order of preference, (a) at the addresses set forth in any written notices of address changes delivered to the Debtor after the

date of any related Proof of Claim, (b) at the addresses set forth on the Proofs of Claim Filed by such Holders of Claims, (c) at the addresses reflected in the Schedules if no Proof of Claim has been Filed and the Debtor has not received a written notice of a change of address, or (d) on any counsel that has appeared in the Chapter 11 Cases on the Holder's behalf. Except as set forth herein, distributions under the Plan on account of Allowed Claims shall not be subject to levy, garnishment, attachment, or like legal process, so that each Holder of an Allowed Claim shall have and receive the benefit of the distributions in the manner set forth in the Plan. The Debtor shall not incur any liability whatsoever on account of any distributions under the Plan except for gross negligence or willful misconduct.

12.4 **ALLOCATION OF PAYMENTS** All distributions shall be allocated first to principle until the principle amount of the Claim is paid in full, next to interest if interest is Allowed in relation to the Claim and finally, to fees, costs and expenses if such are Allowed.

12.5 **COMPLIANCE WITH TAX REQUIREMENTS AND ALLOCATIONS** In connection with the Plan, to the extent applicable, the Debtor shall be authorized to take all actions necessary or appropriate actions to comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, including liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information necessary to facilitate such distributions, or establishing any other mechanisms they believe are reasonable and appropriate. The Debtor reserves the right, in their sole discretion, to allocate all distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support, other spousal awards, Liens, and encumbrances.

12.6 **UNDELIVERABLE DISTRIBUTIONS AND NON-NEGOTIATED CHECKS** If any distribution to a Holder of a Claim is returned as undeliverable, no further distributions to such Holder of such Claim shall be made unless and until the Debtor is notified of the then-current address of such Holder of the Claim, after which time future distributions shall be made to such Holder of the Claim without interest at such address. If checks issued by the Debtor on account of Claims are not negotiated within one hundred and twenty (120) days after the issuance of such check, the check shall be null and void. Amounts in respect to undeliverable distributions and non-negotiated checks shall be held by the Debtor until (i) such distributions are claimed or (ii) ninety (90) days after the check is returned or voided for due to non-negotiation, after which date all such undistributed and non-negotiated amounts shall revert to the Debtor free of any restrictions thereon and the Claim of any Holder or successor to such Holder with respect to such distribution shall be discharged and forever barred, notwithstanding federal or state escheat laws to the contrary. Nothing contained herein shall require the Debtor to attempt to locate any Holder of an Allowed Claim.

12.7 **FRACTIONAL PAYMENTS** Notwithstanding any other provision of the Plan to the contrary, payments of fractions of dollars shall not be required. Payment of fractions of dollars that would otherwise be distributed under the Plan shall be rounded to the lower whole number of dollars.

ARTICLE XIII

C. OVERVIEW OF CHAPTER 11

Chapter 11 is the principal business reorganization chapter of the Bankruptcy Code. Under Chapter 11, a debtor is authorized to reorganize or liquidate its business for the benefit of itself, its creditors and equity interest holders. In addition to permitting a rehabilitation or liquidation of a debtor, another goal of Chapter 11 is to promote equality of treatment for similarly situated creditors and similarly situated equity interest holders with respect to the distribution of a debtor's assets.

The commencement of a Chapter 11 case creates an estate that is comprised of all of the legal and equitable interests of the debtor as of the filing date. The Bankruptcy Code provides that a debtor may continue to operate its business and remain in possession of its property as a debtor-in-possession.

The consummation of a plan of liquidation is the principal objective in a Chapter 11 liquidation case. A plan of liquidation sets forth the means for satisfying claims against and interests in a debtor. Confirmation of a plan of liquidation by the Bankruptcy Court makes the plan binding upon a debtor, any issuer of securities under the plan, any person acquiring property under the plan and any creditor or equity interest holder of a debtor. Subject to certain limited exceptions, the confirmation order discharges a debtor from any debt that arose prior to the date of confirmation of the plan and substitutes the obligations specified under the confirmed plan.

After a plan of liquidation has been filed, the holders of claims against or interests in a debtor are permitted to vote to accept or reject the plan. Before soliciting acceptances of the proposed plan, however, Section 1125 of the Bankruptcy Code requires a debtor to prepare a disclosure statement containing adequate information of a kind, and in sufficient detail, to enable a hypothetical reasonable investor to make an informed judgment about the plan.

The Debtor is submitting this Disclosure Statement to holders of Claims against, and equity Interests in, the Debtor to satisfy requirements of Section 1125 of the Bankruptcy Code.

II. DESCRIPTION OF THE DEBTOR

A. THE DEBTOR-IN-POSSESSION

On February 24, 2016 (the "Petition Date"), the Debtor filed a Voluntary Petition under Chapter 11 of Title 11 of the United States Code, §§ 101 et. seq. in the United States Bankruptcy Court for the Eastern District of Michigan, Flint, Case No. 16-30397. The case was assigned to

the Honorable Daniel S. Opperman. Upon filing the Chapter 11 Petition, the Debtor became a “Debtor-in-Possession” as the term is understood in the Bankruptcy Code.

THE DEBTOR’S PRINCIPALS AND MANAGEMENT

1. Background & Compensation

a. Paul Ferguson has been a nursing home administrator for the past thirty-eight years. He has studied business administration and accounting at Walsh College and St. Clair Community College. Mr. Ferguson currently serves as the Debtor’s Vice President and Administrator and he is responsible for the overseeing the Debtor’s operations. Mr. Ferguson receives a salary of approximately \$6,380 per month, plus health insurance, as compensation for the services he provides to the Debtor.

b. Phebe Dennis has been in the nursing home industry for almost fifty years, and currently serves as the Debtor’s Director of Nursing and oversees the Debtor’s nursing department. Ms. Dennis has completed both the LPN and RN programs at Mid-Michigan Community College and St. Clair County Community College, respectively. Ms. Dennis receives a salary of approximately \$5,381.72 per month, plus health and life insurance, as compensation for the services she provides to the Debtor.

2. Legal Relationship Between Principals and Debtor

a. The Debtor operates out of a facility located at 239 S. Main St., in LaPeer, Michigan (the “Facility”). The Facility is owned by the Trust Successors. The Debtor pays rent to the Trust Successors for its use of the Facility and certain related properties in the approximate amount of \$6,050 per month. The Debtor believes that the Trust Successors are Paul Ferguson and Phebe Dennis.

b. The Debtor also utilizes an additional and adjoining parcel of real property commonly known as 908 Turrill Ave., in Lapeer Michigan (the “Second Parcel”) which is owned by Ferguson Properties. The Debtor’s primary use of the Second Parcel is as storage for its supplies and equipment. The Debtor pays rent to Ferguson Properties in the approximate amount of \$1,520 per month for its use of the Second Parcel. Ferguson Properties is owned by Paul Ferguson and Phebe Dennis.

3. Future Principals and Management of Debtor and Compensation

The Debtor anticipates that Paul Ferguson will continue to operate the Debtor and Phebe Dennis will continue to serve as the Director of Nursing after the Confirmation Date until the Closing Date, at which time the Debtor’s operating assets will be sold to a purchaser. Upon sale of the Debtor’s assets, Paul Ferguson and Phebe Dennis will cease working for the Debtor and will only work for the purchaser in the even a mutually acceptable employment relationship is independently forged with the purchaser.

B. THE DEBTOR'S BUSINESS/ CAUSES FOR CHAPTER 11 FILING

The Debtor began operating as a nursing home in 1953 and subsequently incorporated in 1968. Anna Lee Ferguson was the sole shareholder of the Debtor at the time of her death on January 20, 2016. Currently the Debtor is being operated by Anna Lee Ferguson's son and daughter, Paul Ferguson and Phebe Dennis. The Debtor is licensed by the State of Michigan and is certified to accept both Medicare and Medicaid residents.

Traditionally the Debtor only participated in the Medicaid program and was one of the only nursing homes in the State of Michigan that operated this way. Over the years, the Medicaid Reimbursement system has become politicized and a function of the State budget. Today most accountants in the nursing home business describe Medicaid as a breakeven business, at best. Historically, the payment system would go thru cycles and after a year or two, reimbursement would improve. However, the reimbursement cycle applicable to the Debtor has not improved over the last 15 to 20 years. The Debtor gradually became an undercapitalized enterprise even as Anna Lee Ferguson reinvested all of her available capital.

The Debtor previously filed for Chapter 11 bankruptcy protection on April 6, 2010. The filing became necessary when the IRS levied all the Debtor's bank accounts and State Medicaid payments. This posed an eminent threat to the health and safety of the Debtor's residents. With some improvement in its Medicaid reimbursement and a plan to seek Medicare certification, the Debtor was able to confirm a plan of reorganization.

In 2011 the Debtor requested and received certification for the Medicare program. This additional payor source helped with both revenue and cash flow. However, in the fall of 2011 a competing facility, Stonegate Health Campus ("Stonegate"), opened in Lapeer. This new facility features all two bed and private rooms which the Debtor does not offer. Since Stonegate opened, the Debtor has seen a gradual decline in its census.

The Debtor currently houses between 60 and 70 residents. The facility has 18 three bed rooms which are difficult to fill. The decline in the Debtor's census has caused a series of cash flow problems that have prevented the Debtor from making plan payments and some tax deposits. The Debtor suffered additional cash flow issues when the State of Michigan further reduced its Medicaid reimbursement rate. The Medicaid rate reductions were a result of the Debtor's census being below 85 percent for more than two years. As of October 1, 2015, the Debtor's Medicaid rate was reduced from \$163.44 to \$142.21 per day and the Quality Assurance Supplement was reduced from \$54,516.00 to \$44,011.00 per month. The result was a monthly reduction in the Debtor's revenue of approximately \$42,031.00 with no corresponding reduction in Debtor's operating costs.

Although Debtor's cash flow has been extremely stressed, the Debtor has made some very positive changes that have contributed to its financial health. Some of these efforts have been successful and others have not.

1. In March of 2013, the Debtor was listed for sale. The Debtor received several offers and signed a letter of intent but the deal fell through because of the buyer's inability to secure financing. The Debtor then withdrew the facility from the market because its declining census was causing a decline in market value.
2. The Debtor worked with the State and entered into payment plans related to Medicaid payments due to the State, freeing up the Debtor's cash flow. These payment plans included payments on post-petition QAA fees and an agreement to use settlements due to the Debtor toward post-petition QAA fees. This resulted in all QAA fees being current as of Sept 30, 2015.
3. The Debtor negotiated with the Michigan Department of Treasury to avoid further aggressive collection activity. The Debtor establish a payment plan for past due taxes, and Debtor made timely payments through February, 2016. The State of Michigan defaulted the Debtor under the payment plan after the IRS levied Debtor's bank accounts causing the one of the Debtor's checks to the State of Michigan to be returned for non-sufficient funds.
4. The Debtor paid all pre-petition IRS trust fund taxes due as of the first bankruptcy filing.
5. The Debtor hired a company in March of 2015 to assist in negotiating a payment plan with the IRS after waiting nearly a year for the IRS to assign the case to an agent. The IRS agent that was eventually assigned levied the Debtor's accounts in February 2016, causing an eminent threat to their health and safety of Debtor's residents. As a result, the Debtor filed the current Chapter 11 on February 26, 2016.
6. Prior to the Petition Date, the Debtor investigated many options to obtain financing with the intent of using the proceeds of such financing to pay off debt. However, the Debtor was unable to secure a lender due to IRS liens on its assets.

III. POST-PETITION EVENTS OF SIGNIFICANCE

A. POST-PETITION TRANSFERS OUTSIDE OF THE ORDINARY COURSE OF BUSINESS

The Debtor has not made any post-petition transfers outside of the ordinary course of business during this Case.

B. CHAPTER 11 EVENTS AND ORDERS

1. Employment of Professionals and Patient Care Ombudsman

On March 8, 2016, the Court entered its *Order for Appointment of Attorney* [Dkt. No. 19], authorizing the Debtor to retain Martin Hable, as its counsel in this Chapter 11 bankruptcy.

Pursuant to its *Notice of Appointment of Patient Care Ombudsman*, filed on March 24, 2016 [Dkt. No. 32 in furtherance of the Court's *Order Directing United States Trustee to Appoint Patient Care Ombudsman* [Dkt. No. 10], the United State Trustee's office appointed Deborah L. Fish as the Patient Care Ombudsman for the Debtor.

2. Meeting of Creditors

The section 341 Meeting of Creditors was held and concluded on March 30, 2016.

3. Order Establishing Deadlines and Procedures

On April 7, 2016, the Court entered its *Chapter 11 Case Management Order Establishing Deadlines and Procedures for a "Small Business" Debtor* [Dk. No. 36], establishing August 22, 2016, as the deadline for the Debtor to file its plan and disclosure statement.

4. DIP Financing & Adequate Protection

On June 30, 2016, the Court entered its *Order Granting Motion for Entry of an Interim Order Authorizing Debtor to (A) Grant Replacement Liens; (B) Obtain Post-Petition Financing; (C) Grant Priming Liens, Security Interests and Superpriority Administrative Expense Status Under 11 U.S.C. §§ 105, 361, and 364(c) and (d)(1) and (D) Scheduling a Final Hearing Pursuant to Bankruptcy Rule 4001*(the "Interim Order") [Dkt. No. 65], authorizing Debtor to obtain post-petition financing and to grant replacement liens to the IRS.

The Court subsequently entered its *Final Order Authorizing Debtor to (A) Grant Replacement Liens; (B) Obtain Post-Petition Financing; (C) Grant Priming Liens, Security Interests and Superpriority Administrative Expenses Status under 11 U.S.C. §§105, 361, 364 (c) and (d)(1); (D) Scheduling a Final Hearing Pursuant to Bankruptcy Rule 4001; and (E) Granting Related Relief* [Dk. No. 76] ("Final Order"). Pursuant to the terms of the Final order, the Debtor was authorized to borrow up to \$50,000 in debtor-in-possession financing, according to a budget to be filed by the Debtor, without further order of the Court.

The party who had previously agreed to provide the Debtor with financing pursuant to the Final Order has declined to proceed as the Debtor's DIP Lender, and as a result the Debtor does not currently have access to DIP financing.

5. Litigation Involving the Debtor

There is no post-petition litigation involving the Debtor.

IV. ASSETS AND LIABILITIES

A. LIQUIDATION ANALYSIS

The Debtor's Liquidation Analysis is attached hereto as Exhibit A. In the event the Debtor's Plan is not accepted by the Creditors or is not otherwise confirmed by the Bankruptcy Court, the Debtor believes that it will be unable to continue to operate as a going concern because its Medicaid receivables will be attached leaving it with no operating capital. If the Debtor ceases operating it will no longer have any going concern value and there is substantial risk that it will lose its Bed Licenses which are its most valuable assets. Furthermore, an unstructured closure of the Debtor's facility would result in the emergency relocation of the Debtor's residents which would be detrimental to their health and safety.

B. RISKS, CONDITIONS AND ASSUMPTION IN LIQUIDATION ANALYSIS

All values stated in the Liquidation Analysis for assets, liabilities, costs, expenses and potential recoveries are based on good faith estimates using information currently available to the Debtor. The Debtor's estimates have not been subject to audit or appraisal. The estimates shall in no way be construed to constitute binding guaranties, representations or warranties and are subject to revision at any time.

Except as otherwise noted herein or in the Plan, the values for the Debtor's assets, as set forth in the Bankruptcy Schedules filed in connection with the Bankruptcy Petition, reflect the Debtor's best estimate of the market value of its assets, except where noted to the contrary. In establishing the values, Debtor has considered the size, age, physical condition and location of the assets, in addition to the need for certain additional capital requirements.

Upon liquidation/sale of assets, there will be significant setoffs and adjustments to the Debtor's accounts receivable, which are primarily Medicaid receivables. The amounts provided are conservative estimates, but the setoffs and adjustments may result in a value that is lower than the Debtor anticipated when drafting the Liquidation Analysis.

C. CAUSES OF ACTION

The Debtor is not aware of any Causes of Action not otherwise set forth herein. Furthermore, the Debtor has not undertaken an analysis of what claims it may have under Chapter 5 of the Bankruptcy Code and the potential defenses thereto, and cannot make any representations as to their value. However, the Debtor has filed detailed schedules and a statement of financial affairs that disclose the Debtor's relevant pre-petition transfers.

The Debtor reserves the right to collect all accounts receivable and all other amounts due Debtor for any reason whatsoever (whether owed to Debtor pursuant to contract rights, quasi contract, tort law, refund rights, deposits, or for any other reason). The Debtor reserves all setoff and recoupment rights of all kinds. The Debtor reserves the right to commence avoidance actions pursuant to 11 U.S.C. §§ 544, 545, 547, 548, 549 and 550 (the “Avoidance Actions”). Accordingly, the Debtor may have potential causes of action and reserves its right to bring a lawsuit against any entity listed on Debtor’s Schedules (as filed with the Bankruptcy Court) as owing a debt to the Debtor, and any entity listed on their Statement of Financial Affairs (as filed with the Bankruptcy Court) as having received a transfer from the Debtor. More specifically, and without waiving any other claim, the Debtor may seek to avoid from any direct or indirect transferee, (i) under § 547 of the Code, any transfer of an interest of the Debtor in property which occurred within 90 days of the Petition Date, or, for insiders of the Debtor, within one year of the Petition Date; (ii) under § 544(a) and 545, any liens asserted against the Debtor, (iii) under §§ 544(b) and 548, any actual or constructive fraudulent transfers or obligations, and (iv) under § 549, any unauthorized post-petition transactions.

In addition, the Debtor reserves the right to collect and pursue all Causes of Action arising before or after the Petition Date in the ordinary course against any and all Persons with which the Debtor has contractual, trade or account relations, including all Causes of Action relating to breaches of contract, collection of accounts receivable and other actions against the Debtor’s clientele that may owe money or other obligations to the Debtor, breach of warranties or representations, supply of non-conforming or deficient goods or services, overpayments, credits, setoffs, demands for turnover of property, and any other Causes of Action that the Debtor may have arising under applicable state or federal law against the Debtor’s customers, trade suppliers and other business partners of any nature whatsoever.

D. SECURED CREDITORS

The Claims listed herein are for description purposes only and not an admission by Debtor or any other person. The Debtor reserves the right to contest the amount of any Secured Claim or Unsecured Claim, and if applicable, any asserted security interest or Lien, or the priority or extent thereof.

1. IRS

Prior to the Petition Date, the IRS filed various tax liens against the Debtor’s assets to secure tax obligations allegedly owed by the Debtor to the IRS. According to the IRS’ Proof of Claim, the total amount owed by the Debtor as of the Petition Date was \$1,671,825.87 of which the IRS claims \$1,464,106 is secured by the Debtor’s assets (the “IRS Claim”). The Debtor disputes that \$1,464,106 of the IRS Claim is secured by a perfected security interest, and instead believes that a maximum of \$1,065,446 of the IRS Claim is secured by a perfected security interest. In addition, the Debtor believes that the IRS’ Allowed Secured Claim is far less under 11 U.S.C. §506 (a)(1) because the value of the Debtor’s assets is far less than the amount the IRS Claim.

The Debtor plans to file a motion under 11 U.S.C. §502(c) to estimate the amount of the IRS' Allowed Secured Claim under 11 U.S.C. §506 (a)(1).

2. State of Michigan – Treasury

The State of Michigan – Treasury alleges that it holds a secured claim against the Debtor in the amount of \$143,693.73 secured by a tax lien on the Debtor's assets. The Debtor believes that the State of Michigan UIA's Claim is entirely Unsecured under 11 U.S.C. §506 (a)(1) because its security interest is junior to the interests of the IRS and there is not sufficient equity remaining in the assets to secure the amounts owed to the State of Michigan – Treasury.

3. Wolverine Bank

Wolverine Bank claims an all asset security interest in the Debtor's assets to secure a term loan from the Debtor to Wolverine Bank which matured on September 30, 2016 (the "Wolverine Loan"). The Wolverine Loan is also secured by a mortgage on the Facility. The Debtor estimates the balance of the Wolverine Loan as of September 30, 2016 at \$145,289.04.

E. PRIORITY CLAIMS AND ANTICIPATED ADMINISTRATIVE EXPENSE CLAIMS

The Claims listed herein are for description purposes only and not an admission by Debtor or any other person. The Debtor reserves the right to contest the amount of any Secured Claim or Unsecured Claim, and if applicable, any asserted security interest or Lien, or the priority or extent thereof.

While it is impossible to accurately estimate administrative expenses as of the date of this Disclosure Statement, as such estimate depends on various unknown factors including the total duration of the Chapter 11 Case and the nature and extent of additional administrative expenses, including professional expenses, the Debtor anticipates the following Priority and Administrative Claims:

Claimant	Estimated Amount	Proof of Claim Amount	Classification
Internal Revenue Service		\$203,050.75	Priority
State of Michigan UIA		\$39,970.80	Priority
State of Michigan – DHHS		\$243,782.06	Priority
State of Michigan – Treasury		\$262,776.77	Priority
City of Lapeer		\$61,680.96	Priority
Martin Hable	\$9,500		Administrative
United States Trustee	\$6,500		Administrative
McLaren	\$4,000		Administrative

Further information on Claims can be found by accessing the claims register on the Bankruptcy Court's website. Administrative expense claims for Professionals are subject to

review and approval by the Bankruptcy Court.

F. NON-PRIORITY UNSECURED CLAIMS AND UNDERSECURED CLAIMS

The Claims listed herein are for description purposes only and not an admission by Debtor or any other person. The Debtor reserves the right to contest the amount of any Secured Claim or Unsecured Claim, and if applicable, any asserted security interest or Lien, or the priority or extent thereof.

G. CO-OBLIGORS WITH DEBTOR

The Claims listed herein are for description purposes only and not an admission by Debtor or any other person. The Debtor reserves the right to contest the amount of any Secured Claim or Unsecured Claim, and if applicable, any asserted security interest or Lien, or the priority or extent thereof.

1. The IRS has asserted that Paul Ferguson and Phebe Denis are co-liable for some or all of the Debtor's obligations to the IRS for withholding taxes.

2. Paul Ferguson has personally guaranteed repayment of the Wolverine Loan.

V. IMPLEMENTATION OF PLAN

A. FINANCIAL INFORMATION

1. Pre-Petition Financial Summaries

The Debtor has attached as Exhibit B, financial summaries relating to the years 2013 and 2014. These documents summarize the Debtor's financial history prior to the commencement of Debtor's bankruptcy proceeding.

2. Post-Petition Financial Summaries

The Debtor has attached as Exhibit C, summaries of its financial performance during these Chapter 11 proceedings. These documents summarize the financial condition relating to the Debtor's post-petition operations. The source of this summary is the Debtor's books and records.

3. Plan Projections

The Debtor has attached as Exhibit D, its summary of post-confirmation financial projections for the life of the Plan. The assumptions underlying the Plan projections include an increase in the Debtor's census for Medicare patients, and confirmation of this Plan.

B. TAX RAMIFICATION

1. To Debtor

The Debtor believes that the forgiveness of indebtedness will not result in a significant tax consequence to the Debtor. The forgiveness of indebtedness, pursuant to the Internal Revenue Code, can be applied either to the Debtor's basis in its assets or to its net operating loss carry forward. The Debtor cannot accurately determine the amount and extent of any forgiveness of indebtedness. First, the Debtor must determine if all of the Claims that have been filed, or deemed filed within this Case, are accurate. Also, depending on whether the Debtor achieves or exceeds the projection in its current fiscal year, the Debtor may elect to apply any forgiveness of a debt directly to its basis. Despite the fact that the Debtor believes that they can either (a) apply such forgiveness of indebtedness to its net operating loss carry forward or (b) to its basis, it is not expected that the amount of forgiveness of debt will be totally offset by the foregoing. However, once these net operating losses are used by the Debtor to offset forgiveness of indebtedness, they cannot be used again. Taxes paid by the Debtor in the future years would, therefore, be impacted as a result of confirmation of the Plan.

2. To Creditors

The tax consequences to each Creditor resulting from confirmation of the Plan may vary depending upon each Creditor's particular circumstances. Debtor recommends that Creditors or Holders of Claims obtain independent tax counsel to advise them as to the tax consequences of the Plan.

VI. LEGAL REQUIREMENTS

A. VOTING PROCEDURES

Under the Bankruptcy Code, only classes of claims or equity interests that are impaired under the plan are entitled to vote to accept or reject a plan. Accordingly, classes of claims or interests that are not impaired are not entitled to vote on the plan.

Creditors that hold Claims in more than one impaired class are entitled to vote separately in each class. Such a Creditor will receive a separate ballot for all of its Claims in each class (in accordance with the records of the Clerk of the Court) and should complete and sign each ballot separately. A Creditor who asserts a Claim in more than one class and who has not been provided with sufficient ballots may photocopy the ballot received and file multiple ballots.

Votes on the Plan will be counted only with respect to Claims: (a) that are listed on the Debtor's Schedules of Assets and Liabilities other than as disputed, contingent or unliquidated; or (b) for which a proof of claim was filed on or before the bar date set by the Court for the filing of

proofs of claim (except for certain claims expressly excluded from that bar date or which are allowed by Court order). However, any vote by a Holder of a Claim will not be counted if such Claim has been disallowed or is the subject of an unresolved objection, absent an order of the Court allowing such Claim for voting purposes pursuant to 11 U.S.C. § 502 and Bankruptcy Rule 3018.

Votes on the plan will be counted only with respect to claims: (a) that are listed on the Debtor's Schedules of Assets and Liabilities other than as disputed, contingent or unliquidated; or (b) for which a proof of claim was filed on or before the bar date set by the Court for the filing of proofs of claim (except for certain claims expressly excluded from that bar date or which are allowed by Court order). However, any vote by a holder of a claim will not be counted if such claim has been disallowed or is the subject of an unresolved objection, absent an order of the Court allowing such claim for voting purposes pursuant to 11 U.S.C. § 502 and Bankruptcy Rule 3018.

Voting on the plan by each holder of a claim or interest in an impaired class is important. After carefully reviewing the plan and disclosure statement, each holder of such a claim or interest should vote on the enclosed ballot either to accept or to reject the plan, and then return the ballot by mail to the debtor's attorney by the deadline previously established by the Court.

Any ballot that does not appropriately indicate acceptance or rejection of the Plan will not be counted.

A ballot that is not received by the deadline will not be counted.

If a ballot is damaged, lost, or missing, a replacement ballot may be obtained by sending a written request to the Debtor's attorney.

B. ACCEPTANCE

The Bankruptcy Code defines acceptance of a plan by an impaired class of claims as acceptance by the holders of at least two-thirds in dollar amount, and more than one-half in number, of the claims of that class which actually cast ballots. The Bankruptcy Code defines acceptance of a plan by an impaired class of equity interests as acceptance by holders of at least two-thirds in number of the equity interests of that class that actually cast ballots. If no creditor or interest holder in an impaired class votes, then that class has not accepted the plan.

C. CONFIRMATION

11 U.S.C. § 1129(a) establishes conditions for the confirmation of a plan. These conditions are too numerous and detailed to be fully explained here. Parties are encouraged to seek independent legal counsel to answer any questions concerning the Chapter 11 process.

Among the several conditions for confirmation of a plan under 11 U.S.C. § 1129(a) are

these:

1. Each class of impaired creditors and interests must accept the plan, as described in paragraph VI. B., above.

2. Either each holder of a claim or interest in a class must accept the plan, or the plan must provide at least as much value as would be received upon liquidation under Chapter 7 of the Bankruptcy Code.

D. MODIFICATION

The Debtor reserves the right to modify or withdraw the plan at any time before confirmation.

E. EFFECT OF CONFIRMATION

If the Plan is confirmed by the Court:

1. Its terms are binding on the debtor, all creditors, shareholders and other parties in interest, regardless of whether they have accepted the Plan.

2. Except as provided in the plan and in 11 U.S.C. § 1141(d):

(a) In the case of a corporation that is reorganizing and continuing business:

i. All claims and interests will be discharged.

ii. Creditors and shareholders will be prohibited from asserting their claims against or interests in the debtor or its assets.

(b) In the case of a corporation that is liquidating and not continuing its business:

i. Claims and interests will not be discharged.

ii. Creditors and shareholders will not be prohibited from asserting their claims against or interests in the debtor or its assets.

(c) In the case of an individual or husband and wife:

i. Claims will be discharged, except as provided in 11 U.S.C.

§§ 523 and 1141(d). Unless the Court orders otherwise, the discharge will be entered only after completion of plan payments as provided in § 1141(d)(5)(a). It is the usual practice of the Court to close Chapter 11 cases after confirmation, then the individual debtor files a motion to reopen the case for entry of discharge upon completion of plan payments.

- ii. Creditors will be prohibited from asserting their claims except as to those debts which are not discharged or dischargeable under 11 U.S.C. §§ 523 and 1141(d).

Paragraph VI.E.2 (b) applies in this case.
