In the event of a discrepancy between the Disclosure Statement and the actual terms of a document, the actual terms of such document shall govern and apply. The statements contained in this Disclosure Statement are made as of the date hereof, unless another time is specified. Neither the delivery of this Disclosure Statement nor any exchange of rights made in connection with it shall, under any circumstances, create an implication that there has been no change of the facts set forth herein since the date of this Disclosure Statement.

**NO PERSON OR ENTITY HAS BEEN AUTHORIZED BY THE DEBTOR OR THE COURT TO GIVE ANY INSTRUCTIONS OR MAKE ANY REPRESENTATIONS CONCERNING THE DEBTOR, ITS FINANCIAL AFFAIRS, OR THE VALUE OF ITS PROPERTY, OTHER THAN AS SET FORTH IN THIS DISCLOSURE STATEMENT. ANY REPRESENTATIONS, PROMISES OR INDUCEMENTS, PARTICULARLY REGARDING DEBTOR’S PROPERTY OR FUTURES INCOME, MADE TO SECURE YOUR ACCEPTANCE OR REJECTION OF THE PLAN, WHICH ARE OTHER THAN AS CONTAINED IN THIS DISCLOSURE STATEMENT, SHOULD NOT BE RELIED UPON BY YOU IN ARRIVING AT YOUR DECISION, SUCH REPRESENTATION, INDUCEMENTS AND/OR PROMISES, IF ANY, SHOULD BE REPORTED TO COUNSEL FOR DEBTOR WHO, IN TURN, SHALL DELIVER SUCH INFORMATION FOR SUCH ACTION AS THE COURT MAY DEEM APPROPRIATE.**

( All professional fees and expenses are subject to approval of the Bankruptcy Court following notice and hearing).

The Debtor has provided for the delay in plan payments from confirmation to allow it to pay its administrative expense claims.

## **ARTICLE II** **DESCRIPTION OF THE DEBTOR**

### **A. DESCRIPTION OF DEBTOR'S BUSINESS, BACKGROUND, AND HISTORY**

The Debtor provides in-home medical care services to patients throughout Genesee County. It has a staff of 30 full and part time employees consisting of registered nurses, licensed practical nurses, certified nursing assistants and social workers.

The Debtor in possession is Judith Ekong who is a registered nurse and who runs the day to day operation of the Debtor. Judith and her husband Benson are the sole shareholders. The Debtor also employs a director of nursing who acts as a supervisor.

The company, which was formed in 2003 gets most of his patients as referrals from local hospitals, local doctors and from nursing homes. The company normally has between 120 and 140 patients at any given time.

### **B. CAUSE OF CHAPTER 11 FILING**

The Debtor was forced to file chapter 11 for two main reasons:

1. Benson Ekong, one of the shareholders of the corporation, formerly operated a now defunct ambulance company. Prior to its cessation of operating it was common place for the ambulance company to borrow funds from Genesee Total Healthcare LLC to keep operating. Because the ambulance company was a complimentary business to Genesess Total Healthcare the Debtor believed it was in the best interest of Genesee Total Healthcare to make these transfers. Unfortunately, this caused serious defaults by the Debtor to the IRS, State of Michigan and other creditors.
2. On September 7, 2017 judgment creditor, Metro Community Development, a local non profit caused a freeze on the Debtor's bank account. This freeze, obtained on the eve of payroll, crippled the company.

Faced with mounting tax liabilities and the seizure of it's bank account the Debtor was forced to file this Chapter 11.

### **ARTICLE III**

#### **POST-PETITION EVENTS OF SIGNIFICANCE**

A. Post-petition Transfers Outside the Ordinary Course of Business  
No transfers of any nature have occurred outside the debtor's ordinary course of business post-petition.

1. Post-Petition Financing.

The Debtor has not obtained new or additional financing since the petition date.

2. Litigation Arising or Continuing During the Case.

No litigation has occurred post-petition.

3. The U.S. Trustee sought the appointment of a medical ombudsman to oversee patient care issues post petition. Attorney Deborah Fish was appointed and has filed several reports with the Court. Each of these reports has found no problems with patient care.

Further, qualifications may be set forth directly on the liquidation analysis which is attached hereto and incorporated herein. Post Petition the Debtor has been able to operate at a snail profit earning sufficient funds to fund the plan. The financials filed with the court reflect the leveling off of sales to a consistent number and the Debtor has worked very hard to cut costs, especially in the area of labor to allow this plan to be successful.

10. **Projection of Income and Expenses for the Period of the Plan**

A projection of the Debtor's future income and expenses for the Plan is attached as Exhibit "A". The projections attached as Exhibit "A" extend through 2020 and not for the life of the Plan.

As can be seen by the projections attached to the Plan of Reorganization and Disclosure Statement, the Debtor has the ability to meet the obligations set forth by the Plan. *To Debtor.* Pursuant to the Bankruptcy Tax Act, no negative tax ramifications will thereafter occur.

*To Creditors.* The tax consequences to each Creditor resulting from confirmation of the Plan may vary depending upon each Creditor's particular circumstances. Debtor recommends that creditors or holders of claims obtain independent tax counsel to advise them as to the tax consequences of the Plan.

**ARTICLE V**

**LEGAL REQUIREMENT RELATING TO CONFIRMATION OF THE PLAN**

A. **Voting Procedures**

Under the Bankruptcy Code, the only classes that are entitled to vote to accept or reject a Plan are classes of claims or equity interests that are impaired under the Plan. Accordingly, classes of claims or equity interests that are **not** impaired are not entitled to vote on the Plan.

Creditors that hold claims in more than one (1) impaired class are entitled to vote separately in each class. Such a creditor will receive a separate ballot for all of its claims in each class (in accordance with the records of the Clerk of the Court) and should complete and sign each ballot separately. A creditor who asserts a claim in more than one (1) class and who has not been provided with sufficient ballots may photocopy the ballot received and file multiple ballots.

Votes on the Plan will be counted only with respect to claims: a) that are listed on the Debtor's schedules of assets and liabilities **other** than as disputed, contingent or unliquidated; or b) for which a proof of claim was filed on or before the bar date set by the Court for the filing of proof(s) of claim (except for certain claims expressly excluded from that bar date or which are allowed by court order). However, any vote by a holder of a claim will not be counted if such claim has been disallowed or is the subject of an unresolved objection, absent an order of the court allowing such claim for voting purposes pursuant to 11 U.S.C. §502 and Bankruptcy Rule 3018.

Voting on the Plan by each holder of a claim or equity interest in an impaired class is important. After carefully reviewing the Plan and Disclosure Statement, each holder of such a claim or equity interest should vote on the enclosed ballot either to accept or to reject the Plan, and then return the ballot by mail to the Debtor's attorney by the deadline previously established by the Court.

Any ballot that does not appropriately indicate acceptance or rejection of the Plan will not be counted.

A ballot that is not received by the deadline will not be counted.

If a ballot is damaged, lost, or missing, a replacement ballot may be obtained by sending a written request to the Debtor's attorney.

**B. Acceptance**

The Bankruptcy Code defines acceptance of a Plan by an impaired class of claims as acceptance by the holders of at least two-thirds (2/3) in dollar amount, and more than one-half (1/2) in number, of the claims of that class which actually cast ballots. The Bankruptcy Code defines acceptance of a Plan by an impaired class of equity interests as acceptable by holders of at least two-thirds (2/3) in number of the equity interests of that class that actually cast ballots. If no creditor or equity interest holder in an impaired class votes, then that class has not accepted the Plan.

**C. Confirmation**

11 U.S.C. §1129(a) establishes conditions for the confirmation of a Plan. These conditions are too numerous and detailed to be fully explained here. Parties are encouraged to seek independent legal counsel to answer any questions concerning the Chapter 11 process.

Among the several conditions of a Plan under 11 U.S.C. §1129(a) are these:

1. Each class of impaired creditors and equity interests must accept the Plan.
2. Either each holder of a claim or equity interest in a class must accept the Plan, or the Plan must be provided at least as much value as would be received upon liquidation under Chapter 7 of the Bankruptcy Code.

**D. Modification**

The Debtor reserves the right to modify or withdraw the Plan at any time before confirmation.

**E. Effect of Confirmation**

If the Plan is confirmed by the Court:

1. Its terms are binding on the Debtor, all creditors, shareholders and other parties in interest, regardless of whether they have accepted the Plan.
2. Except as provided in the Plan:
  - A. In the case of a corporation that is reorganizing and continuing business:
    1. All claims and equity interests will be discharged.

2. Creditors and shareholders will be prohibited from asserting their claims against or equity interest in the Debtor or its assets.
- B. In the case of a corporation that is liquidating and not continuing its business:
1. All claims and equity interests will be discharged.
  2. Creditors and shareholders will be prohibited from asserting their claims against or equity interests in the Debtor to its assets.
- C. In the case of an individual or husband and wife:
1. Claims will be discharged, except as provided in 11 U.S.C. §523 and 727(a).
  2. Creditors will be prohibited from asserting their claims except as to those debts which are not discharged or dischargeable under 11 U.S.C. §523 and 727(a).

**ARTICLE VI**  
**CONCLUSION**

The matters set forth above are intended to be descriptive and explanatory and no representations nor warranties are made herein. Each creditor should review the Plan in detail. This Disclosure Statement is not intended to be a statement of the legal rights of the creditors or interested parties to whom this Disclosure Statement is mailed. Each recipient is cautioned to read this Disclosure Statement and plan carefully and to consult, to the extent necessary or desirable, with legal or financial consultants in assessing and making decisions with respect to the Plan and Disclosure Statement.
