II. INFORMATION REGARDING THE PLAN AND THIS DISCLOSURE STATEMENT

The following are answers to common questions about a Chapter 11 reorganization:

1. What is Chapter 11?

Chapter 11 is the principal business reorganization chapter of the Bankruptcy Code.
 Under Chapter 11, a debtor is authorized to reorganize its business for the benefit of itself, its
 creditors, and equity interest holders. The commencement of a Chapter 11 case creates an estate
 that is comprised of all of the legal and equitable interests of the debtor as of the filing date. The
 Bankruptcy Code provides that the debtor may continue to operate its business and remain in
 possession of its property as a "debtor-in-possession."

16 17

18

19

20

2. What is the objective of a Chapter 11 bankruptcy case?

The objective of a Chapter 11 case is the confirmation (*i.e.* approval by the Bankruptcy Court) of a plan of reorganization. Here, Debtor commenced its Chapter 11 Case in order to complete a reorganization of its liabilities through a plan of reorganization, with a goal of providing the best prospects for a distribution to the Holders of Allowed Claims.

21 22

23

3. What is a plan of reorganization?

4. What happens after a plan is filed?

A plan describes in detail (and in language appropriate for a legal contract) the means for satisfying claims against, and equity interests in, a debtor.

24

25

After a plan has been filed, the holders of claims and equity interests that are impaired (as defined in Section 1124 of the Bankruptcy Code) and receiving some cash and/or property on account of such claims or equity interests are permitted to vote to accept or reject the plan.

Case 17-10814 Doc 398 Filed 12/11/17 Page 7 of 100

5. <u>What is a disclosure statement and its purpose?</u>

Before a debtor or other plan proponent can solicit acceptances of a plan, Section 1125 of the Bankruptcy Code requires the debtor or other plan proponent to prepare a disclosure statement containing adequate information of a kind, and in sufficient detail, to enable those parties entitled to vote on the plan to make an informed voting decision about whether to accept or reject the plan.

The purpose of this Disclosure Statement is to provide sufficient information about the
debtor and the plan to enable holders of impaired claims to make an informed voting decision
about whether to accept or reject the plan.

10

1

6. <u>What will happen after the Bankruptcy Court approves this Disclosure Statement?</u>

This Disclosure Statement will be used to solicit acceptances of the Plan only after the Bankruptcy Court has found that this Disclosure Statement provides adequate information in accordance with Section 1125 of the Bankruptcy Code and has entered an order approving this Disclosure Statement. Approval of the Disclosure Statement by the Bankruptcy Court is not an opinion or ruling on the merits of the Plan and it does not mean that the Plan has been or will be approved by the Bankruptcy Court.

17 **7.** W

7. Who may vote to accept or reject a plan?

A claim is defined by the Bankruptcy Code to include a right to payment from a debtor.
In order to vote on the Plan, a Creditor must have an Allowed Claim. The solicitation of votes
on the Plan will be sought only from Holders of Allowed Claims whose Claims are Impaired and
who will receive property or rights under the Plan. As explained further below, to be entitled to
vote, a Person must be a Holder of a Claim that is both an Allowed Claim and Impaired.

23

8. <u>Do I have an Allowed Claim?</u>

You have an Allowed Claim if: (i) you or your representative timely files a proof of Claim and no objection has been filed to your Claim within the time period set for the filing of such objections; (ii) you or your representative timely files a proof of Claim and an objection is filed to your Claim upon which the Bankruptcy Court has ruled and allowed your Claim; (iii) your Claim is listed by the Debtor in its Schedules or any amendments thereto (which are on file

Case 17-10814 Doc 398 Filed 12/11/17 Page 8 of 100

with the Bankruptcy Court as a public record) as liquidated in amount and undisputed and no 1 objection has been filed to your Claim; or (iv) your Claim is listed by the Debtor in its Schedules 2 as liquidated in amount and undisputed and an objection was filed to your Claim upon which the 3 Bankruptcy Court has ruled to allow your Claim. Under the Plan, the deadline for filing 4 5 objections to Claims is thirty (30) calendar days following the Effective Date. If your Claim is not an Allowed Claim, it is a Disputed Claim and you will not be entitled to vote on the Plan 6 unless the Bankruptcy Court temporarily or provisionally allows your Claim for voting purposes 7 pursuant to Bankruptcy Rule 3018. If you are uncertain as to the status of your Claim or if you 8 have a dispute with Debtor, you should check the Bankruptcy Court record carefully, including 9 Debtor's Schedules, and seek appropriate legal advice. Neither Debtor nor its professionals can 10 advise you about such matters. 11

12

23

9. <u>Is my Claim or Equity Security Impaired?</u>

Impaired Claims include those whose legal, equitable, or contractual rights are altered by 13 the Plan, even if the alteration is beneficial to the Creditor, or if the full amount of the Allowed 14 15 Claim will not be paid under the Plan. Holders of Claims that are not Impaired under the Plan will be deemed to have accepted the Plan pursuant to Section 1126(f) of the Bankruptcy Code, 16 and Debtor need not solicit acceptance of the Plan by Holders of such Unimpaired Claims. 17 Holders of Claims that are to receive nothing under the Plan will be deemed to have voted to 18 reject the Plan pursuant to Section 1126(g) of the Bankruptcy Code, and Debtor need not solicit 19 20 votes from such Holders.

Classes 1 and 3 are Unimpaired and deemed to accept the Plan, and therefore, will not
vote on the Plan.

Classes 2, 4, 5 and 6 are Impaired, and therefore, will vote on the Plan.

Class 7 will not receive anything under the Plan. Class 7 is thus Impaired and deemed to
reject the Plan, and therefore, will not vote on the Plan.

- 26 **10.** <u>How generally is a plan approved?</u>
- In order for a plan to be confirmed, it must be accepted by at least one impaired class of claims, excluding the affirmative votes of any insiders within that class. A class of claims is

Case 17-10814 Doc 398 Filed 12/11/17 Page 9 of 100

deemed to have accepted the plan if and when allowed votes representing at least two-thirds in 1 amount and a majority in number of the claims of the class actually voting cast votes in favor of 2 the plan. 3

11. What is the general construct of Debtor's Plan?

5 The primary objective of the Plan is to maximize returns to those Creditors entitled to recoveries from the Estate. Debtor desires to achieve this objective through reorganizing its 6 business operations, settling its governmental obligations, settling alleged claims against the 7 Released Parties, and obtaining exit financing to assist in the payment of Allowed Claims. 8

9

4

12. Will Reorganized Debtor be able to meet the financial terms of the Plan?

If the Plan is confirmed, Debtor will continue operations and, together with the proposed 10 settlement with the Released Parties and the exit financing that provides, in part, the funding of 11 the Plan, will ensure that Reorganized Debtor can meet the financial terms of the Plan. 12

- 13. What happens at the Confirmation Hearing? 13
- At the Confirmation Hearing, the Bankruptcy Court will consider whether the Plan 14 15 satisfies the requirements of the Bankruptcy Code.
- 16

14. What is the effect of Plan Confirmation?

Confirmation of a plan of reorganization by the bankruptcy court makes the plan binding 17 upon Debtor, any issuer of securities under the Plan, any person acquiring property under the 18 Plan, and every Creditor of Debtor, regardless of whether such creditor receives or retains any 19 20 property under the Plan. Subject to certain limited exceptions, and other than as provided in the Plan itself or the Confirmation Order, the Confirmation Order discharges Debtor from any debt 21 that arose prior to the date of confirmation of the Plan and substitutes the obligations specified 22 23 under the Plan.

The following is a general overview of the provisions of the Plan, which Plan treatment is 10 discussed more fully herein and is qualified in its entirety by reference to the provisions of the 11 Plan itself. 12

13 A.

Classification of Claims.

Section 1123 of the Bankruptcy Code provides that a plan of reorganization shall classify 14 15 the claims of a debtor's creditors and equity interest holders. In compliance therewith, the Plan divides Claims into various Classes and sets forth the treatment for each Class. Debtor is also 16 required under Section 1122 of the Bankruptcy Code to place a Claim into a particular Class only 17 if such Claim is substantially similar to the other Claims in such Class. Debtor believes that the 18 Plan has classified all Claims in compliance with the provisions of Section 1122 of the 19 20 Bankruptcy Code, but it is possible that a Holder of a Claim will challenge the Plan's classifications and that the Bankruptcy Court will find that different classifications are required 21 in order for the Plan to be confirmed. In such event, Debtor reserves the right, to the extent 22 23 permitted by the Bankruptcy Code, to make reasonable modifications of the classifications under the Plan to permit Confirmation of the Plan and to use the Plan acceptances received in this 24 25 solicitation for the purpose of obtaining the approval of the reconstituted Class or Classes of which the accepting Holders are ultimately deemed members. 26

The Plan's treatment of each classified Class of Claims is summarized in the following 27 table: 28

With respect to payment of the Allowed Professional Fees of the Committee, 6 (i) the Debtor shall pay the fees approved prior to the Effective Date, and (ii) the Disbursing 7 Agent shall pay the fees approved after the Effective Date. 8

Debtor anticipates that Garman Turner Gordon LLP ("GTG"), Debtor's bankruptcy 9 counsel, will seek the final approval and payment of approximately \$450,000 in fees and 10 expenses on or around the Effective Date of the Plan. Debtor further anticipates that Debtor's 11 local counsel, Bell, Davis & Pitt, P.A. will seek the final approval of approximately \$100,000 in 12 fees, expenses on or around the Effective Date. In addition to Debtor's counsel fees, Debtor 13 retained MJAC, LLC as financial advisor, and various special counsel and tax advisors. The Unsecured Creditors Committee ("<u>Committee</u>") is expected to seek approval of the fees and expenses of its Professionals, including counsel, Saul Ewing and Poyner Spruill, in the total amount of \$400,000, and fees and expenses for its financial advisor, Alix Partners, in the total amount of \$200,000, for total Committee professional expenses of \$600,000. These fees will ultimately be paid from the Class 5 Distribution Amount.

The foregoing are only estimates and may increase or decrease depending on the timing of the Plan's Effective Date and the number and extent of the contested matters arising in the Chapter 11 Case. All requests for payment of Administrative Claims against Debtor and all final applications for allowance and disbursement of Professional Fees must be filed by the Administrative Claims Bar Date or the Holders thereof shall be forever barred from asserting such Administrative Claims against Debtor and Reorganized Debtor. All Professional Fees applications must be in compliance with all of the terms and provisions of any applicable order

of the Bankruptcy Court, including the Confirmation Order, and all other orders governing
payment of Professional Fees. Unless otherwise ordered by the Bankruptcy Court, from and
after the Effective Date, no Professional shall be required to file fee applications with the
Bankruptcy Court and Reorganized Debtor may pay all Professionals in the ordinary course for
fees and expenses incurred after the Effective Date.

Until the Allowed Priority Tax Claim 13 is paid in full, the unpaid balance shall accrue statutory interest from the Effective Date fixed at 14 15 the applicable federal or state statutory rate in effect with respect to such Priority Tax Claim on the Petition Date. Debtor estimates Priority Tax Claims will total approximately \$6,250,000. 16

V. <u>SUMMARY OF DEBTOR'S BUSINESS, AND KEY EVENTS LEADING TO AND OF</u> THE CHAPTER 11 CASE

25

A. <u>Debtor's Operations</u>

Debtor is a Virginia limited liability company formed in 2010 that operates in High Point,
 North Carolina. Debtor is owned by members Commercial Aircraft Services Holdings, LLC,
 NVLV Management LLC, and the F. Paul Ohadi Trust u/t/d 12/15/99.

Case 17-10814 Doc 398 Filed 12/11/17 Page 21 of 100

1	2. Debtor's ultimate principals are Paul Kraus, through his ownership of Commercial
2	Aircraft Services Holdings, LLC, and Kenneth M. Woolley, through his ownership of NVLV
3	Management, LLC. The business was acquired in 2013.
4	3. Debtor owns and operates a full-service aviation enterprise, and is a licensed and
5	certificated air carrier authorized by the U.S. Department of Transportation (the "DOT") and the
6	U.S. Federal Aviation Administration (the "FAA"). Debtor holds a Part 121 Certificate (large
7	aircraft) and operates as a supplemental air carrier, providing charter and contract commercial
8	passenger air travel services to the general public.
9	4. Debtor's fleet of aircraft includes the following six Boeing 767s (the "Leased Aircraft"),
10	which complete international flights between United States cities and territories and foreign
11	countries:
12	A. A Boeing 767-23B bearing serial number 23974 and U.S. Registration Mark
13	N253MY leased from KMW Leasing IV, LLC;
14	B. A Boeing 767-246 bearing serial number 23213 and U.S. Registration Mark N767DA leased from KMW Leasing IX, LLC;
15 16	C. A Boeing 767-336 bearing serial number 24339 and U.S. Registration Mark N796MY leased from KMW Leasing N796JM, LLC;
10	D. A Boeing 767-336 bearing serial number 25443 and U.S. Registration Mark
18	N254MY leased from KMW Leasing VII, LLC;
19	E. A Boeing 767-336 bearing serial number 24343 and U.S. Registration Mark N740JM leased from KMW Leasing X, LLC
20	F. A Boeing 767-300ER bearing serial number 24342 and U.S. Registration
21	Mark N793JM leased from KMW Leasing X, LLC
22	5. As of the Petition Date, Debtor operated scheduled charter service between the
23	United States and locations such as China, Guyana, Saipan, and Ecuador. Following the Petition
24	Date, Debtor changed its operations to focus on what are generally known as ACMI (Aircraft
25	Charter Maintenance Insurance) Contracts. Since on or about October 5, 2017, Debtor has
26	operated exclusively using ACMI contracts.
27	B. <u>Debtor's Financial Condition as of the Petition Date.</u>
28	6. Debtor's debt as of the Petition Date, other than vendor payables and arbitration
	20

Case 17-10814 Doc 398 Filed 12/11/17 Page 22 of 100

awards and judgments, was primary limited to loan obligations owed to Kraus and Woolley.
 Debtor has no secured debt other that in favor of Woolley mentioned below.

7. As of the Petition Date, Debtor had approximately \$12.1 Million in obligations to
Woolley for moneys loaned, secured by an assignment of Debtor's accounts receivable,
perfected pursuant to a UCC-1 financing statement filed in Virginia in August 2016.

8. Woolley is also the manager and member of KMW which were collectively owed
more than \$10,500,000 in unpaid rent for the Leased Aircraft accruing since December 2015.

8

C. <u>The Events Necessitating the Bankruptcy Filing.</u>

9 9. Debtor has consistently sought to retain high quality and experienced individuals
10 to control the operations and finances of Debtor. However, over the past several years, Debtor
11 has encountered significant challenges in finding and retaining qualified employees.

12 10. For example, since 2013, Debtor has had three chief executive officers, four chief
13 operating officers, and three chief financial officers. While such actions have not impacted the
14 ultimate financial stability or safety of Debtor's operations, it has led to significant cash losses.
15 These management changes also resulted in different accounting and operations tracking systems
16 which has caused some confusion and some items to be overlooked and not properly handled.

17 11. Despite these losses and changes, Debtor's principals have remained committed
18 to funding Debtor and pursuing the Plan so that operations can continue, employees can retain
19 their jobs, and creditors can be paid.

Immediately prior to the Petition Date, Debtor retained MJAC L.L.C. d/b/a
Allison Consulting ("<u>MJAC</u>"), A North Carolina Limited Liability Company. MJAC provides
financial and operations counseling to national and local businesses (specializing in turnarounds
and performance improvement). MJAC was subsequently retained in the Chapter 11 Case to
assist the company in evaluating its long-term viability and to advise management as to shortterm issues relating to cash flow, profitability, operations and finance.

13. MJAC's review revealed a series of challenges that required Debtor to seek the
protections afforded by the Bankruptcy Code to allow Debtor a chance to take control of and
reorganize its existing financings and operations.

		Case 17-10814 Doc 398 Filed 12/11/17 Page 23 of 100
1		14. These challenges include:
2		a. Debtor is involved in a series of arbitrations and litigation related to its 2014
3		contract with Air India, Ltd. (" <u>Air India</u> ") concerning a charter service for the 2014 Haj Pilgrimage to Mecca. While Debtor performed under the contract, full payment was not provided resulting in several disputes.
4		1. Initially, Debtor filed a lawsuit in the United States District Court for
5		the Southern District of New York against Air India. Over Debtor's objection, Debtor was forced to engage in arbitration in India, which
6 7		resulted in an approximately \$11 million arbitration award against Debtor. Debtor is in the process of appealing the arbitration award in
8		India to the High Court of Delhi.
9		2. The lack of payment by Air India to Debtor resulted in arbitration demands being filed by three parties to whom Debtor was allegedly
10		required to make payments: BKP Enterprise (" <u>BKP</u> "), Expim International (" <u>Expim</u> "), and Worldwide Charter Group
11		(" <u>Worldwide</u> ," and together with BKP and Expim, the " <u>Arbitration</u> <u>Creditors</u> ").
12 13		3. BKP and Expim obtained a combined arbitration award in Canada in a
14		combined approximate amount of \$3.5 million (the " <u>BKP and Expim</u> <u>Award</u> "). While Debtor has filed a notice of appeal and intent to
15		challenge the BKP and Expim Award, it was nonetheless confirmed and judgment entered by the United States District Court for the Middle District of North Carolina on May 31, 2017.
16		4. Worldwide obtained an arbitration award in Canada in the
17		approximate amount of \$900,000 (the "Worldwide Award").
18		b. PMC Aviation 2012-1 LLC (" <u>PMC</u> ") obtained a judgment against Debtor in the amount of \$1,190,807.24 entered in the Circuit Court of Rockingham
19 20		County in Virginia on or about June 26, 2017 (the " <u>PMC Judgment</u> "). PMC commenced aggressive collection efforts on the PMC Judgment and, on July
20		18, 2017, garnished certain of Debtor's bank accounts.
21		c. Pas Consulting Group, LLC (" <u>Pas</u> ") obtained a judgment against Debtor in the
22		amount of \$151,743.50 entered in the United States District Court for the Southern District of Florida on or about May 25, 2017 (the " <u>Pas Judgment</u> ").
24		d. Debtor has other vendors that have, in the past, gone unpaid which has
25		resulted in, among other things, garnishments against Debtor's bank accounts. Although Debtor has worked through these garnishments, Debtor needed
26		additional time to review any other outstanding liabilities and determine a plan for repayment.
27	D.	Debtor's Post-Petition Date Operations
28		22

Case 17-10814 Doc 398 Filed 12/11/17 Page 24 of 100

15. Debtor has continued operations as a debtor in possession following the Petition 1 2 Date. Debtor has continued to fly aircraft, though has changed its business model from ticketed passenger flights, which caused significant drain on Debtor's resources, to ACMI contracts, as 3 discussed above. While Debtor's post-Petition Date operations have not been without challenge, 4 5 Debtor's principals have remained committed to funding operations to ensure a successful operation. 6

7

16. As a result. as of the date of this Disclosure Statement, Debtor is continuing operations and has generally remained current on post-Petition Date obligations. 8

17. Furthermore, as part of its pre-Petition Date services, Debtor collected revenue for 9 tickets for flights that were to be flown at a future date. As of the Petition Date, the amount of 10 11 the outstanding obligation pre-Petition Date customer obligations was \$7,984,493.06. This amount was approximately \$3,000,000 more than the amount that Debtor held in escrow 12 accounts. Through its post-Petition Date operations, Debtor successfully reduced its pre-Petition 13 Date customer obligations significantly, thereby reducing priority obligations of the Estate 14 15 therefore increasing potential distributions for remaining creditors.

16

E. Debtor's Assets and Liabilities.

17

1. <u>Assets</u>

18. As of the Petition Date, Debtor's assets consisted mainly of approximately 18 \$1,500,810 in accounts receivable, approximately \$150,000 in miscellaneous airplane inventory, 19 20 approximately \$3,900,000 in escrow balance funds and reserves, and a litigation claim against Air India valued at approximately \$8,000,000 (the "Air India Claim"). Although Debtor is 21 confident it could ultimately be successful if the Air India Claim were pursued, the matter 22 23 involves costly and likely protracted litigation that would cause a significantly less net recovery.

24

2. Liabilities

25 19. As of the Petition Date, Debtor's liabilities consisted of four categories: (1) judgments and arbitration awards; (2) trade debt; (3) tax debt and governmental claims; and (4) 26 debt generally obtained through loans or services by insiders to include Woolley, KMW, and Jet 27 Midwest. 28

Case 17-10814 Doc 398 Filed 12/11/17 Page 25 of 100

20. Debtor's three largest judgments and arbitration awards include an approximately 1 \$10,500,000 arbitration award in favor of Air India; an approximately \$3,500,000 arbitration 2 award in favor of B.K.P. and Expim, and an approximately \$1,203,000 judgment in favor of 3 PMC. 4 21. 5 Debtor's trade debt amounts to approximately \$22,000,000 and is generally for operations including various airport fees, fuel and flight services, and various other operational 6 7 expenses. 22. Debtor also has incurred unpaid pre-Petition Date taxes and governmental claims 8 owed to the IRS, North Carolina Department of Revenue, NYS Department of Financing, US 9 Department of Agriculture, Transportation Security Administration, and Customs and Border 10 Protection collectively in excess of \$11,000,000. 11 23. Finally, Debtor owes approximately \$12,047,918.67 to Woolley on a secured 12 basis for monies loaned; \$10,535,749.18 to KMW for unpaid lease payments; \$6,657,997.14 to 13 Jet Midwest Entities for goods and services provided (collectively, the "Insider Claims"). 14 15 F. **The Settlement Agreements** 1. The Class 2 and Class 6 Settlement Agreement 16 24. The Agencies have asserted various non-priority tax claims against Debtor related 17 to operations since 2015. Generally, these claims fall into three categories: (1) a secured APHIS 18 19 Claim of \$150,000 and an unsecured APHIS Claim of approximately \$175,000; (2) 20 Governmental Penalty Claims; and (3) Residual Governmental Unit Claims, which are claims that do not fall into the two prior categories nor are priority Claims. 21 25. These claims total approximately \$4,289,000. In order to resolve these claims, 22 Debtor, Woolley, and the DOJ have entered into the Class 2 and Class 6 Settlement Agreement 23 which provides for (1) an allowed secured APHIS Claim in the amount of \$150,000, which will 24 be paid in full on the 10th business days after the Effective Date; (2) for the governmental penalty 25 claims and the APHIS unsecured Claim to be included in the Class 5 General Unsecured Claims, 26 entitled to its pro rata Distribution from the Class 5 Distribution Fund; and (3) for the Residual 27 28

Governmental Unit Claims in Class 6, which shall be paid through a \$800,000 payment on the 10th business day after the Effective Date.

3

1

2

2. The Settlement and Restructuring Agreement

26. Although not formally filed, the Committee asserts that potential claims (the 4 5 "Committee Claims") exist against the Released Parties. The Committee Claims generally assert mismanagement and breaches of fiduciary duties in connection with Debtor's operations since 6 2015, and avoidance of payments and security interests obtained by the Released Parties during 7 that same time period. For example, through the Committee Claims, the Committee could seek: 8 (1) to avoid Woolley's approximately \$12,000,000 secured claim based on an alleged lack of 9 security agreement or, in the alternatively as preference payments; (2) for avoidance of 10 approximately \$775,000 in payments to Woolley, approximately \$1,000,000 in payments to Jet 11 Midwest, approximately \$200,000 to Swift Air, and approximately \$40,000 to Kraus as 12 avoidable transfers; (3) to subordinate KMW, Woolley, Kraus, and Jet Midwest's claims based 13 on contract or alleged inequitable conduct that purportedly led to Debtor's insolvency; (4) 14 recharacterization of Woolley's and Kraus' loans to Debtor as capital contributions; (5) for a 15 judgment for breach of fiduciary duty based on their alleged mismanagement of Debtor; and (6) 16 avoidance of a \$522,923 payment to Wells Fargo allegedly on Woolley's behalf, \$681,239 17 payment to Bank of America allegedly on Woolley's behalf, and an approximately \$3,100,000 18 19 payments to World Fuel and Mercury allegedly on Jet Midwest's behalf.

20 27. The Released Parties have asserted defenses to all Claims including, among other 21 things, that Woolley's security interest was properly recorded and valid; the payments to Woolley, Kraus, and their related entities during the preference period are not avoidance as not 22 23 being transfers of Debtor's property and/or new value having been provided; there has been no 24 inequitable conduct on behalf of the Released parties and managerial decisions made by Kraus 25 were made with proper business judgment; the loans to Debtor were properly documents and commercially reasonable, and any alleged payments on Woolley's and Jet Midwest's behalf 26 27 were not transfers of Debtor's property and/or made in the ordinary course.

28

28. Generally, through the Committee Claims, the Committee believes it can (1) seek

Case 17-10814 Doc 398 Filed 12/11/17 Page 27 of 100

to recover approximately \$6 million paid to or on behalf of the Insiders; (2) disallow,
subordinate, and/or recharacterize approximately \$30 million in Insider Claims; and (3) obtain an
unknown amount of damages against Woolley and/or Kraus for alleged breach of fiduciary duty.
Notwithstanding, the Committee also acknowledges that any amounts ultimately recovered
through litigation will be first used to pay litigation costs, then will be applied to any remaining
administrative costs and then to the Priority Tax Claim, leaving little if any moneys available for
General Unsecured Claims and Convenience Claims.

8 29. While the Released Parties deny any wrongdoing and, as set forth above, dispute 9 the validity of the Committee Claims against them, the Released Parties nonetheless understand 10 that the Committee Claims are assets of the Estate and may be asserted. In order to fully and 11 finally resolve the Committee Claims, Debtor, on the one hand, and the Released Parties, on the 12 other hand, have agreed to the terms of the Settlement and Restructuring Agreement which 13 provides that, in exchange for:

- a. the Exit Loan Lender entering into the Exit Loan and Exit Loan Documents
 and commencing funding as provided for therein;
- b. the subordination and Discharge of Woolley's pre-Petition Date Claims
 without receiving a Distribution related thereto;
- c. the treatment of the Woolley's Secured Claim as an Allowed General
 Unsecured Claim, to be subordinated and Discharged without a Distribution
 related thereto;
 - d. Solitude exchanging all Claims related to the Solitude DIP Loans for the Equity Securities of Reorganized Debtor;
 - e. KMW consenting to the assumption of the KMW Leases in accordance with Article 6 of the Plan; and
- f. Kraus and Jet Midwest agreeing to the subordination and Discharge of all prePetition Date Claims without receiving a Distribution related thereto,

27 100% of the Equity Securities of the Reorganized Debtor will be vested in Solitude and Released

28 Parties will be released from all claims which could be asserted by or on behalf of the Debtor as

21

22

23

Case 17-10814 Doc 398 Filed 12/11/17 Page 28 of 100

set forth in Section 9.6 of the Plan.

30. The Committee has reviewed the proposed terms of the Settlement and
Restructuring Agreement and agrees that the Settlement and Restructuring Agreement provides a
greater recovery for Creditors than what is likely to be obtained in the Committee further pursues
the Committee Claims.

6

1

G. <u>Significant Events During the Chapter 11 Case.</u>

7

15

1. Significant Early Motions in the Main Case.

8 31. At the outset of the Chapter 11 Case, Debtor filed numerous motions, 9 subsequently approved, to facilitate the Chapter 11 Case, including regarding administrative 10 procedures, employment of professionals, and DIP financing. Among these motions, Debtor 11 requested relief including:

(1) the employment of Garman Turner Gordon LLP as Debtor's' lead bankruptcy counsel;

- (2) the employment of Bell, Davis & Pitt, P.A. as Debtor's local bankruptcy counsel;
 - (3) the approval of initial post-petition financing in the amount of \$800,000;
- 16 (4) the use of pre-petition bank accounts;
- 17 (5) authority to pay its employees;
- 18 (6) authority to honor its pre-petition obligations; and
- 19 (7) an order determining that adequate assurances had been paid to utility companies.

20 32. 2. <u>Debtor's Post-Petition Date Challenges.</u>

33. On July 21, 2017, within days of the Petition Date, PMC filed a *Motion to Convert The Case from Chapter 11 to Chapter 7.* See ECF No. 35. The Motion has been
continued on the Court's docket, but PMC offered to withdraw the Motion without prejudice.

34. Following the Motion to Convert, on July 28, 2017, the Bankruptcy Administrator
filed a *Motion for Appointment of Chapter 11 Trustee* (the "Motion to Appoint"). See ECF No.
80. While the Motion to Appoint has been continued on the Court's docket, the BA has not

been actively engaged in the Chapter 11 Case.

37. In addition to its administrative challenges, Debtor has encountered various
operational issues that have required additional funding. As a result, Debtor has sought, and
obtained approval of, three additional debtor-in-possession financing requests in the amount of
\$2,355,369, plus an increase of up to \$160,000; \$500,00; and \$2,500,000, respectively. See ECF

2. <u>Approval of Assumption or Rejection.</u>

Entry of the Confirmation Order shall constitute as of the Effective Date: (i) approval, 2 pursuant to Bankruptcy Code Section 365, of the rejection by Reorganized Debtor of each 3 Executory Contract and Unexpired Lease to which Debtor is a party that is not listed on Schedule 4 5 6.1 to the Plan, not otherwise provided for in the Plan, and neither assigned, assumed and assigned, nor rejected by separate order of the Bankruptcy Court prior to the Effective Date; and 6 (ii) assumption by Debtor of each Executory Contract and Unexpired Lease to which Debtor is a 7 party that is listed on Schedule 6.1. 17

3. <u>Cure of Defaults.</u>

Reorganized Debtor shall Cure any defaults respecting each Executory Contract or 18 Unexpired Lease assumed pursuant to Section 6.1 of the Plan upon the latest of: (i) the Effective 19 20 Date or as soon thereafter as practicable; (ii) such dates as may be fixed by the Bankruptcy Court or agreed upon by Debtor, and after the Effective Date, Reorganized Debtor; or (iii) the 21 fourteenth (14th) Business Day after the entry of a Final Order resolving any dispute regarding: 22 23 (a) a Cure amount; (b) the ability of Debtor or Reorganized Debtor to provide "adequate assurance of future performance" under the Executory Contract or Unexpired Lease assumed 24 25 pursuant to the Plan in accordance with Section 365(b)(1) of the Bankruptcy Code; or (c) any matter pertaining to assumption, assignment, or the Cure of a particular Executory Contract or an 26 Unexpired Lease. 27

Any party to an Executory Contract or Unexpired Lease who objects to the Cure amount 4 5 determined by Debtor to be due and owing must file and serve an objection on Debtor's counsel no later than thirty (30) days after the Effective Date. Reorganized Debtor shall file all tax returns and other filings with 18 governmental authorities on behalf of Reorganized Debtor and the Assets it holds. The 19 Disbursing Agent shall be responsible for any tax returns and other filings with 20 governmental authorities with regard to the Assets it holds. 21

operate to expand the Debtor's discharge as provided for in Section 9.3 of the Plan beyond those 1 allowed by the Bankruptcy Code. Nothing in the Plan or Confirmation Order shall discharge any 2 Claims of the United States arising after the Confirmation Date. 3

D. Compromise and Settlement. The allowance, classification, and treatment of all 4 Allowed Claims and their respective Distributions under the Plan take into account and/or 5 conform to the relative priority and rights of the Claims in each Class in connection with any 6 contractual, legal, and equitable subordination rights relating thereto whether arising under 7 general principles of equitable subordination, section 510(c) of the Bankruptcy Code, or 8 otherwise. As of the Effective Date, any and all such rights described in the preceding sentence 9 will be settled, compromised, and released pursuant to the Plan and any and all such Causes of 10 Action related thereto are settled, compromised, and released pursuant hereto. 11

E. Injunction. From and after the Effective Date, and except as provided in the 12 Plan and the Confirmation Order, all entities that have held, currently hold, or may hold a 13 Claim or an Equity Security or other right of an Equity Security Holder that is terminated 14 pursuant to the terms of the Plan are permanently enjoined from taking any of the 15 following actions on account of any such Claims or terminated Equity Securities or rights: 16 (i) commencing or continuing in any manner any action or other proceeding against 17 Reorganized Debtor or its property; (ii) enforcing, attaching, collecting, or recovering in 18 any manner any judgment, award, decree, or order against Reorganized Debtor or its 19 20 property; (iii) creating, perfecting, or enforcing any Lien or encumbrance against Reorganized Debtor or its property; (iv) asserting a right of subrogation of any kind 21 against any debt, liability, or obligation due to Reorganized Debtor or its property; and (v) 22 23 commencing or continuing any action, in any manner or any place, that does not comply with or is inconsistent with the provisions of the Plan or the Bankruptcy Code. Nothing in 24 the Plan or the Confirmation Order will enjoin, impair or otherwise preclude the United 25 States (1) from pursuing any criminal action or any police or regulatory actions; (ii) from 26 pursuing any liability to the United States that is not a Claim; (iii) from exercising any 27 rights of setoff or recoupment; and (v) from pursuing any claim of the United States arising 28

after the Confirmation Date.

F. Releases By Debtor. Pursuant to section 1123(b) of the Bankruptcy Code, for 2 good and valuable consideration, including the release of Claims by and treatment of the 3 KMW Leases, the Released Parties' facilitation of the expeditious reorganization of Debtor 4 and the implementation of the restructuring contemplated by the Plan, on and after the 5 Effective Date, the Released Parties are deemed released and discharged by Debtor, the 6 Reorganized Debtor, and the Estate from any and all claims, obligations, rights, suits, 7 damages, Causes of Action, remedies and liabilities whatsoever, including any derivative 8 claims asserted or which could be asserted on behalf of the Debtor, whether known or 9 unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity or 10 otherwise, that the Debtor, the Reorganized Debtor, or and the Estate would have been 11 12 legally entitled to assert in their own right (whether individually or collectively), based on or relating to, or in any manner arising from, in whole or in part, Debtor, Debtor's 13 restructuring, Debtor's Chapter 11 Case, the purchase, sale or rescission of the purchase or 14 15 sale of any security of the Debtor or the Reorganized Debtor, the subject matter of, or the transactions or events giving rise to, any Claim or Equity Security that is treated in the 16 Plan, the business or contractual arrangements between Debtor and any Released Party, 17 the restructuring of Claims and Equity Securities before or during the Chapter 11 Case, 18 the negotiation, formulation or preparation of the Plan, the Disclosure Statement or related 19 20 agreements, instruments or other documents, or any other act or omission, transaction, agreement, event or other occurrence relating to the Debtor taking place on or before the 21 Confirmation Date of the Plan, other than claims or liabilities arising out of or relating to 22 23 any act or omission of a Released Party.

24

G. Exculpation. Except as provided in this Plan, from and after the Effective Date, neither the Debtor, Reorganized Debtor, Committee, KMW, Solitude, the 25 professionals employed on behalf of the Estate or the Creditor Committee, nor any of their 26 respective present or former members, directors, officers, managers, employees, advisors, 27 attorneys, or agents, shall have or incur any liability, including derivative claims, but 28

excluding direct claims, to any Holder of a Claim or Equity Security or any other party-in-1 interest, or any of their respective agents, employees, representatives, financial advisors, 2 attorneys, or Affiliates, or any of their successors or assigns, for any act or omission in 3 connection with, relating to, or arising out of (from the Petition Date through the Effective 4 Date), the Chapter 11 Case, the pursuit of confirmation of the Plan, or the consummation 5 of the Plan, except for gross negligence and willful misconduct, and in all respects shall be 6 entitled to reasonably rely upon the advice of counsel with respect to their duties and 7 responsibilities under the Plan or in the context of the Chapter 11 Case 8

9

H. **Post-Confirmation Reporting and Quarterly Fees to the UST.** Until the entry of the final decree closing the Chapter 11 Case, Reorganized Debtor shall comply with the 10 Bankruptcy Code, Bankruptcy Rules, and Local Rule's post-confirmation reporting 11 requirements. Additionally, Reorganized Debtor shall file post-confirmation quarterly operating 12 reports detailing receipts and disbursements (along with ending cash balance) for each calendar 13 quarter from the date of confirmation until dismissal, conversion, or entry of a final decree 14 15 closing the case no later than 20 days after the expiration of the reported quarter.

VIII. **RETENTION OF JURISDICTION**

A. Jurisdiction. Notwithstanding the entry of the Confirmation Order and the occurrence of the Effective Date, the Bankruptcy Court shall retain such jurisdiction over the Chapter 11 Case and Reorganized Debtor after the Effective Date as is legally permissible, including jurisdiction to:

1B.Information Presented Is Based on Debtor's Books and Records and Is2Unaudited.While Debtor has endeavored to present information fairly in this Disclosure3Statement, there is no assurance that Debtor's books and records upon which this Disclosure4Statement is based are complete and accurate. Certain of the financial information contained5herein has not been audited.

C. Projections and Other Forward-Looking Statements Are Not Assured and 6 Actual Results Will Vary. Certain information in this Disclosure Statement is forward-looking, 7 and contains estimates and assumptions that might ultimately prove to be incorrect, and 8 projections that may differ materially from actual future results. Debtor believes that the 9 projections of future performance upon which the treatments under the Plan are based are 10 reasonable and fairly represent the future performance of Debtor's business operations. 11 However, there are uncertainties associated with all assumptions, projections, and estimates, and 12 they should not be considered assurances or guarantees of the amount of funds that will be 13 distributed, the amount of Claims in the various Classes that will be allowed, or the success or 14 15 results of Reorganized Debtor's business operations.

16D.No Legal or Tax Advice Is Provided to You by This Disclosure Statement.17The contents of this Disclosure Statement should not be construed as legal, business, or tax18advice. Each Creditor or Holder of an Equity Interest should consult his, her, or its own legal19counsel and accountant as to legal, tax, and other matters concerning his, her or its Claim or20Equity Securities.

E. <u>No Admissions Made.</u> Nothing contained herein shall constitute an admission of
 any fact or liability by Debtor or any other party nor shall it be deemed evidence of the tax or
 other legal effects of the Plan on Debtor or on Holders of Claims.

F. <u>No Waiver of Right to Object or Right to Recover Transfers and Estate</u> <u>Assets.</u> Unless specifically provided in the Plan, a Creditor's vote for or against the Plan does not constitute a waiver or release of any claims or rights of Debtor (or any other party-in-interest) to object to that Creditor's Claim, or recover any preferential, fraudulent, or other voidable transfer of Estate assets, regardless of whether any claims or cause of action of Debtor or the Estate are specifically or generally identified herein.

Bankruptcy Law Risks and Considerations.

G. Confirmation of the Plan Is Not Assured. Although Debtor believes the Plan 5 will satisfy all requirements for Confirmation, the Bankruptcy Court might not reach that 6 conclusion. It is also possible that modifications to the Plan will be required for Confirmation 7 and that such modifications would necessitate a resolicitation of votes. Confirmation requires, 8 among other things, a finding by the Bankruptcy Court that it is not likely that there will be a 9 need for further financial reorganization and that the value of distributions to dissenting members 10 of Impaired Classes of Creditors and Holders of Equity Securities would not be less than the 11 value of distributions such Creditors and Holders of Equity Securities would receive if Debtor 12 was liquidated under Chapter 7 of the Bankruptcy Code ("Chapter 7"). Although Debtor 13 believes that the Plan will not be followed by a need for further financial reorganization and that 14 15 dissenting members of Impaired Classes of Creditors and Holders of Equity Securities will receive Distributions at least as great as they would receive in a liquidation under Chapter 7, 16 there can be no assurance that the Bankruptcy Court will conclude that these tests have been met. 17 H. No Assurance of Approval of the Settlement Agreements. There is no 18

assurance that the Settlement Agreements will be approved, which is a condition precedent to
Plan confirmation. If the Settlement Agreements are not approved, there will be no Plan
confirmation and no Distributions as set forth in the Plan.

22

I. <u>The Effective Date or Substantial Consummation Date Might Be Delayed or</u>

Never Occur. There is no assurance as to the timing of the Effective Date, Substantial
Confirmation Date, or that it will occur. If the respective conditions precedent to the Effective
Date and Substantial Consummation Date do not occur, the Confirmation Order will be vacated.
In that event, the Holders of Claims and Equity Securities would be restored to their respective
positions as of the day immediately preceding the Confirmation Date, and Debtor's obligations
for Claims and Equity Securities would remain unchanged as of such day (except to the extent of

Case 17-10814 Doc 398 Filed 12/11/17 Page 49 of 100

any post-Effective Date payments).

J. <u>The Projected Value of Estate Assets in the Event of Liquidation Might Not</u>
<u>Be Realized.</u> In the Best Interests Analysis, Debtor has projected the value of the Estate's
Assets that would be available for payment of expenses and Distributions to Holders of Allowed
Claims as set forth in the Plan. Debtor has made certain assumptions, as described in the
Liquidation Analysis that should be read carefully.

7

8

10

1

K. <u>Allowed Claims in Various Classes May Exceed Projections.</u> Debtor has also projected the amount of Allowed Claims in each Class in the Best Interests Analysis and in Section III(A). Certain Classes, and the Classes below them in priority, could be significantly affected by the allowance of Claims in an amount that is greater than projected.

11 **L.** <u>No Representations Outside of this Disclosure Statement Are Authorized.</u> No 12 representations concerning or related to Debtor, the Chapter 11 Case, or the Plan are authorized 13 by the Bankruptcy Court or the Bankruptcy Code, other than as set forth in this Disclosure 14 Statement. Any representations or inducements made to secure your acceptance or rejection of 15 the Plan that are other than as contained in, or included with, this Disclosure Statement should 16 not be relied upon by you in arriving at your decision.

X. FEDERAL INCOME TAX CONSEQUENCE

The Debtor as a limited liability company is a reporting entity with all U.S. federal 19 20 income tax consequences of the Plan being passed-through to Holders of Equity Securities. However, with regard to Creditors, the consequences of the Plan may be complex and are subject 21 to substantial uncertainties due to the lack of definitive judicial and administrative authority in a 22 23 number of areas Debtor has not requested a ruling from the IRS or an opinion of counsel with 24 respect to any tax aspects of the Plan. Therefore, no assurance can be given as to the position the 25 IRS will take on the tax consequences of the transactions that are to occur in connection with the Plan both as to Creditors and Holders of Equity Securities. 26

C. <u>The Best Interest Test and Feasibility of the Plan.</u>

For the Plan to be confirmed, it must satisfy the requirements discussed below:

1. <u>Best Interest Test</u>.

Pursuant to Section 1129(a)(7) of the Bankruptcy Code, for the Plan to be confirmed, it 4 must provide Holders of Allowed Claims or Allowed Equity Securities with at least as much 5 under the Plan as they would receive in a liquidation of Debtor under Chapter 7 of the 6 Bankruptcy Code (the "Best Interest Test"). The Best Interest Test with respect to each Impaired 7 Class requires that each Holder of an Allowed Claim or Allowed Equity Interest in such Class 8 either: (i) accepts the Plan; or (ii) receives or retains under the Plan property of a value, as of the 9 Effective Date, that is not less than the value such Holder would receive or retain if Debtor were 10 liquidated under Chapter 7. The Bankruptcy Court will determine whether the value to be 11 received under the Plan by the Holders of Allowed Claims in each Class of Creditors or Holders 12 of Allowed Equity Securities equals or exceeds the value that would be allocated to such Holders 13 in a liquidation under Chapter 7. Debtor believes that the Plan meets the Best Interest Test and 14 provides value which is not less than what would be recovered by each Holder of an Impaired 15 Claim or Impaired Equity Interest in a Chapter 7 proceeding for Debtor. 16

17

2. <u>Liquidation Analysis.</u>

The Liquidation Analysis attached as Exhibit "2" hereto summarizes Debtor's best
estimate of recoveries by Creditors and Holders of Allowed Equity Securities in the event of
liquidation of Debtor as of November 8, 2017.

Generally, to determine what Holders of Allowed Claims and Allowed Equity Securities in each Impaired Class would receive if Debtor was liquidated, the Bankruptcy Court must determine what funds would be generated from the liquidation of Debtor's Assets and properties in a Chapter 7 liquidation case for Debtor, which for unsecured Creditors would consist of the proceeds from the disposition of the Assets of Debtor, augmented by the unencumbered Cash held by Debtor upon the completion of the liquidation. Such Cash amounts would be reduced by the costs and expenses of the liquidation and by such additional Administrative Claims and Other

Priority Claims as may result from the Chapter 7 case and the use of Chapter 7 for the purpose of
 liquidation.

In a Chapter 7 liquidation, holders of allowed claims receive distributions based on the 3 liquidation of the non-exempt assets of a debtor. However, there are no exempt assets in the 4 Chapter 11 Case, and, as such, the distributions would include the same Assets being collected 5 and liquidated under the Plan, namely the interests of Debtor in the Assets. In this case, the 6 Assets consists largely of the Debtor's Claims against Debtor's managers, which are being 7 settled through the Plan. In a liquidation scenario, it is unclear whether a Chapter 7 Trustee 8 would pursue the Debtor's Claims or, if such claims were pursued, how much estate funds would 9 be spent in such pursuit. 10

Furthermore, the proceeds from the collection and sale of property of the Estate available for distribution to Creditors would be first reduced by the satisfaction of any liens and security interests in the Assets, costs of sale and litigation, any commission payable to the Chapter 7 trustee, the trustee's attorneys' and accounting fees, as well as the administrative costs of the Chapter 7 estate. In a Chapter 7 case, the Chapter 7 trustee would be entitled to seek a slidingscale commission based upon the funds distributed by such trustee to secured creditors.

The distributions from the liquidation proceeds would be paid Pro Rata according to the amount of the aggregate Claims held by each Creditor in each Chapter 7 case in accordance with the distribution scheme of the Bankruptcy Code. Debtor believes that the most likely outcome under Chapter 7 would be the application of the "absolute priority rule." Under that rule, no junior Creditor in a Chapter 7 case may receive any distribution until all senior Creditors are paid in full, with interest, and no Holder of an Equity Security may receive any distribution until all Creditors are paid in full.

24

3. <u>Feasibility.</u>

The Bankruptcy Code requires that in order to confirm the Plan, the Bankruptcy Court must find that Confirmation is not likely to be followed by liquidation or the need for further financial reorganization of Debtor (the "<u>Feasibility Test</u>"). For the Plan to meet the Feasibility Test, the Bankruptcy Court must find that Reorganized Debtor will possess the resources and

Case 17-10814 Doc 398 Filed 12/11/17 Page 53 of 100

working capital necessary to meet their obligations under the Plan. In this case, the Plan requires 1 2 approval of a Settlement and Restructuring Agreement that will provide for, among other things, Exit Financing sufficient to pay the Administration Class, Class 3 Allowed Priority Class, and 3 Class 5 Distribution Amount. The Settlement and Restructuring Agreement will be approved as 4 5 part of Confirmation, making feasibility, at least with respect to that certain Initial Distributions certain. The remaining Initial Distributions and payments following the Initial Distributions will 6 be paid by post-Effective Date Operations. The three-year Projections, attached hereto as 7 Exhibit "3," demonstrate sufficient funds to complete all subsequent distributions. 8

9 At the Confirmation Hearing, the Bankruptcy Court will determine whether the Plan
10 satisfies the statutory requirements for Confirmation.

4. <u>Confirmation of the Plan Without Acceptance By All Impaired Classes: the</u> <u>"Cramdown" Alternative.</u>

Section 1129(b) of the Bankruptcy Code provides that a plan of reorganization may be confirmed even if it has not been accepted by all impaired classes, as long as at least one impaired class of claims has accepted it. Consequently, the Bankruptcy Court may confirm the Plan at Debtor's request notwithstanding the Plan's rejection by Impaired Classes, as long as at least one Impaired Class has accepted the Plan and the Plan "does not discriminate unfairly" and is "fair and equitable" as to each Impaired Class that has not accepted it.

A plan will be deemed fair and equitable as to a class of secured claims that rejects the 19 plan if the plan provides: (i)(a) that the holders of claims in the rejecting class retain the lien 20 securing those claims, whether the property subject to those liens is retained by the debtor or 21 transferred to another entity, to the extent of the allowed amount of such claims, and (b) that 22 each holder of a claim in such class receives on account of that claim deferred cash payments 23 totaling at least the allowed amount of that claim of a value, as of the effective date of the plan, 24 at least equal to the value of the holder's interest in the estate's interest in such property; (ii) for 25 the sale, subject to Section 363(k) of the Bankruptcy Code, of any property that is subject to the 26 liens securing the claims included in the rejecting class, free and clear of the liens, with the liens 27 to attach to the proceeds of the sale, and the treatment of the liens on such proceeds as described 28

Case 17-10814 Doc 398 Filed 12/11/17 Page 54 of 100

under clause (i) or (ii) of this paragraph; or (iii) for the realization by such holders of the
 indubitable equivalent of such claims.

A plan is fair and equitable as to a class of unsecured claims that rejects the plan if the plan provides: (i) for each holder of a claim included in the rejecting class to receive or retain on account of such claim property that has a value, as of the effective date of the plan, equal to the allowed amount of such claim; or (ii) that the holder of any claim or interest that is junior to the claims of such rejecting class will not receive or retain on account of such junior claim or interest any property at all.

9

5.

Accepting Impaired Class.

Since at least one Class of Claims is Impaired under the Plan, in order for the Plan to be
confirmed, the Plan must be accepted by at least one Impaired Class of Claims (not including the
acceptance votes of Insiders of Debtor). For an Impaired Class of Claims to accept the Plan,
those representing at least two-thirds in amount and a majority in number of the Allowed Claims
voted in that Class must be cast for acceptance of the Plan.

<u>XII.</u> <u>ALTERNATIVES TO THE PLAN</u>

Debtor believes that the Plan provides Creditors the best and most complete form of recovery available. As a result, Debtor believes that the Plan serves the best interests of all Creditors and parties-in-interest in the Chapter 11 Case.

In formulating and developing the Plan, Debtor explored numerous alternatives. Debtor believes not only that the Plan fairly adjusts the rights of various Classes of Creditors and enables the Creditors to realize the greatest sum possible under the circumstances, but also that rejection of the Plan in favor of some theoretical alternative method of reconciling the Claims of the various Classes would require, at the very least, an extensive and time-consuming negotiation process and would not result in a better recovery for any Class.

26

27

28

Under the Bankruptcy Code, a debtor has an exclusive period of one hundred twenty (120) days and an additional vote solicitation period of sixty (60) days from the entry of the order for relief during which time, assuming that no trustee has been appointed by the

Case 17-10814 Doc 398 Filed 12/11/17 Page 55 of 100

Bankruptcy Court, only a debtor may propose a plan of reorganization. After the expiration of the initial 180-day period and any extensions thereof, the debtor or any other party-in-interest may propose a different plan, unless the Bankruptcy Court has extended the exclusivity periods.

If a plan of reorganization cannot be confirmed, a Chapter 11 case may be converted to a Chapter 7 case, in which a trustee would be elected or appointed to liquidate the assets of the debtor for distribution to creditors in accordance with the priorities established by the Bankruptcy Code. For a discussion of the effect that a Chapter 7 liquidation in the Chapter 11 Case would have on recovery by Creditors, see <u>Section XI.C.2</u>. and **Exhibit "2.**"

As previously stated, Debtor believes that liquidation under Chapter 7 would result in a 9 substantially reduced recovery of funds by the Creditors of the Estate because of: (i) additional 10 administrative expenses involved in the appointment of a trustee for Debtor and attorneys and 11 12 other professionals to assist such trustee; and (ii) additional expenses and Claims, some of which would be entitled to priority, which would be generated during the liquidation. Accordingly, 13 Debtor believes that Holders of all Classes of Claims will receive substantially smaller 14 distributions in Chapter 7 liquidation than under the Plan and therefore encourage all Holders of 15 Impaired Claims that are entitled to vote on the Plan to cast ballots accepting the Plan. 16

a transfer of property made by a debtor to a creditor on account of an antecedent debt while a debtor was insolvent, where that creditor receives more than it would have received in a liquidation of the entity under Chapter 7 had the payment not been made, if: (i) the payment was made within ninety (90) days before the date the bankruptcy case was commenced; or (ii) the creditor is found to have been an "insider," as defined in the Bankruptcy Code, within one year before the commencement of the bankruptcy case. A debtor is presumed to have been insolvent during the ninety (90) days preceding the commencement of the case.

If this Plan is withdrawn or revoked, then this Plan shall be deemed null and void and nothing contained herein shall be deemed to constitute a waiver or release of any Claims by or against Debtor or any other Person nor shall the withdrawal or revocation of this Plan prejudice in any manner the rights of Debtor or any Person in any further proceedings involving Debtor. 12.6. Governing Law. Except to the extent that the Bankruptcy Code or other federal law is applicable or as provided in any contract, instrument, release, or other agreement entered into in connection with this Plan or in any document which remains unaltered by this Plan, the rights, duties, and obligations of Debtor, Reorganized Debtor, and any other Person arising under this Plan shall be governed by, and construed and enforced in accordance with, the internal laws of the State of North Carolina without giving effect to North Carolina's choice of law provisions.

18
 12.7. Modification of Payment Terms. Reorganized Debtor reserves the right to
 19 modify the treatment of any Allowed Claim in any manner adverse only to the Holder of such
 20 Allowed Claim at any time after the Effective Date upon the prior written consent of the Holder
 20 whose Allowed Claim treatment is being adversely affected.

21 12.8. Providing for Claims Payments. Distributions to Holders of Allowed Claims shall be made by Reorganized Debtor or the Disbursing Agent, as applicable,: (i) at the addresses 22 set forth on the proofs of Claim filed by such Holders (or at the last known addresses of such Holders if no proof of Claim is filed or if Debtor has been notified of a change of address); (ii) at 23 the addresses set forth in any written notices of address changes delivered to Reorganized Debtor 24 after the date of any related proof of Claim; or (iii) at the addresses reflected in the Schedules if no proof of Claim has been filed and Reorganized Debtor has not received a written notice of a 25 change of address. If any Holder's Distribution is returned as undeliverable, no further Distributions to such Holder shall be made unless and until Reorganized Debtor or the 26 Disbursing Agent, as applicable, is notified of such Holder's then-current address, at which time all missed Distributions shall be made to such Holder without interest. Amounts in respect of 27 undeliverable Distributions made through Reorganized Debtor or the Disbursing Agent, as 28

applicable, shall be paid to the Clerk of the Bankruptcy Court pursuant to Bankruptcy Rule 3011, 1 as in the case of a Chapter 7 liquidation. Nothing contained in this Plan shall require Debtor or 2 Reorganized Debtor to attempt to locate any Holder of an Allowed Claim.

3 12.9. **Set Offs.** Debtor and Reorganized Debtor may, but shall not be required to, set off or recoup against any Claim and the payments or other Distributions to be made pursuant to 4 this Plan in respect of such Claim (before any Distribution is made on account of such Claim or Equity Security), claims of any nature whatsoever that the applicable Debtor or Reorganized 5 Debtor may have against the Holder of such Claim to the extent such Claims may be set off or recouped under applicable law, but neither the failure to do so nor the allowance of any Claim 6 hereunder shall constitute a waiver or release by Debtor or Reorganized Debtor of any such 7 Claim that it may have against such Holder.

8 12.10. **Notices.** Any notice required or permitted to be provided under this Plan shall be in writing and served by either: (i) certified mail, return receipt requested, postage prepaid; (ii) 9 hand delivery; or (iii) reputable overnight courier service, freight prepaid, to be addressed as follows: 10

SCHEDULE 1.1.68 TO PLAN OF REORGANIZATION CERTAIN PRESERVED POTENTIAL CAUSES OF ACTION

3 All defined terms used herein shall have the meanings set forth in the Plan. The following is a non-exhaustive list of potential parties against whom Debtor and/or Reorganized 4 Debtor may hold a claim or cause of action. Debtor and Reorganized Debtor reserve their right to modify this list to amend or add parties or causes of action, but disclaim any obligation to do 5 so. In addition to the possible causes of action and claims listed below, Debtor and Reorganized 6 Debtor have or may have, in the ordinary course of their business, numerous causes of action and Claims or rights against contractors, subcontractors, vendors, suppliers, and others with whom 7 they deal in the ordinary course of their business (the "Ordinary Course Claims"). Debtor and Reorganized Debtor reserve their right to enforce, sue on, settle, or compromise (or decline to do 8 any of the foregoing) the Ordinary Course Claims, as well as the claims and causes of action listed below and all other claims and causes of action. Debtor and Reorganized Debtor also 9 have, or may have, and are retaining, various claims or causes of action arising under or pursuant 10 to its insurance policies, and all rights arising under, relating to, or in connection with such policies are expressly reserved and retained. 11

- 1. Litigation Claims arising out of or in connection with Debtor's business, property, or operations, including the pending actions against Air India Limited before the United States District Court for the District of New York, The Second Circuit Court of Appeals and the High Court of Delhi.
 - 2. Litigation Claims arising out of transactions involving, concerning, or related to Debtor; and
 - 3. All other rights, privileges, claims, actions, or remedies of Debtor and/or Reorganized Debtor existing on the Effective Date, whether arising at law or in equity.

There may also be other Litigation Claims which currently exist or may subsequently arise that are not set forth herein because the facts underlying such Litigation Claims are not currently known or sufficiently known by Debtor. The failure to list any such unknown Litigation Claim herein is not intended to limit the rights of Reorganized Debtor to pursue any unknown Litigation Claim to the extent the facts underlying such unknown Litigation Claim become more fully known in the future.

Unless Litigation Claims against any individual or entity are expressly waived, 22 relinquished, released, compromised, or settled by the Plan or any Final Order, Debtor expressly reserves for its benefit, and the benefit of Reorganized Debtor, all Litigation Claims, including, 23 without limitation, all unknown Litigation Claims for later adjudication and therefore no preclusion doctrine (including, without limitation, the doctrines of res judicata, collateral 24 estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or 25 laches) shall apply to such Litigation Claims after the confirmation or consummation of the Plan. In addition, Debtor expressly reserves for its benefit and the benefit of Reorganized Debtor, the 26 right to pursue or adopt any claims alleged in any lawsuit in which Debtor is a defendant or an interested party, against any individual or entity, including plaintiffs and co-defendants in such 27 lawsuits.

* For purposes of this Chapter 7 Liquidation Analysis, it is assumed hypothetically that the Plan could not ultimately be confirmed at the Confirmation Hearing and, on or about March 1, 2018 (the "<u>Conversion Date</u>"), the Chapter 11 Case is converted to a proceeding under Chapter 7 of the Bankruptcy Code (the "<u>Chapter 7 Case</u>"). In connection with the hypothetical commencement of the Chapter 7 Case, it is assumed that on or about the Conversion Date, a Chapter 7 trustee is appointed to, among other things, manage the liquidation process, complete a claims analysis, defend against causes of action and/or claims asserted against Debtor, and distribute liquidation proceeds and other assets ultimately realized in accordance with the priorities established by the Bankruptcy Code. This Chapter 7 Liquidation Analysis should be read in conjunction with the Disclosure Statement and all undefined, capitalized terms shall have the meaning ascribed to them in the Disclosure Statement and Plan.

<u>Note 1</u> - The Litigation Claims consist of the \$8,000,000 claim against Air India (the "Air India Claim") and the claims asserted by the Creditor Committee against the Insiders (the "Committee Claims"). It is anticipated that, given the costs associated with pursuing the Litigation Claims and the limited likelihood of recovery, the Litigation Claims are not likely to be pursued and generate any recovery for creditors. However, for purposes of this liquidaton analysis, Debtor has estimated a potential recovery, as set forth by the Committee, of \$5,000,000 for the Committee Claims.

<u>Note 2</u> - The Secured Claims include only those secured claims of the United States Department of Agriculture - Animal and Plant Health Inspection Services ("APHIS"). While APHIS has asserTed a claim of approximately \$325,000, the only available security is believed to be the Miscellaneous Airplane Inventory, valued at approximately \$150,000, and thus the remainder of the APHIS claim will be in Class 5. The Secured Claims do not include the \$26,000,000+ secured claims held by Kenneth Woolley (the "Woolley Secured Claims"). For purposes of this liquidation analysis, it is assumed that, using the maximum proposed recovery set forth by the Committee for the Committee Claims, the Committee Claims will result in the Woolley Secured Claims being deemed unsecured and treated in Class 5. If the Committee analysis regarding the Committee Claims is incorrect, there will be no recovery beyond secured claims. Chapter 7 Liquidation Analysis*

<u>Note 3</u> - The DIP Loan was approved as an administrative expenses claim. However, the DIP Loan may not be repaid from recovery from the Committee Claims and therefore, only the accounts recievables may be utilized.

<u>Note 4</u> - In the event of a liquidation, the Insider Subordinated claims of approximately \$29,000,000 would not be subordinated and would share equally with all unsecured creditors. No adjustment has been made with regard to reducing this Insider Subordinated Claims for any recoveries referenced in Note 2 above.
