OLDCO, LLC SECRETARY'S CERTIFICATE

I, Christopher Drake, being the duly elected and acting Secretary of OldCo, LLC, a North Carolina limited liability company (the "Company"), do hereby certify on behalf of the Company that attached hereto as Exhibit A is a true, correct and complete copy of resolutions that were duly adopted by the Managers of the Company, which resolutions have not been amended, modified, revoked, or rescinded, and are in full force and effect as of the date hereof.

IN WITNESS WHEREOF, the undersigned has executed this Certificate on the 30th day of January, 2017.

Christopher Drake

Exhibit A

**RESOLUTIONS OF THE MANAGERS OF
OLDCO, LLC**

WHEREAS, OldCo, LLC, a North Carolina limited liability company (the "Company"), is the successor by merger to Coltec Industries, Inc ("Coltec");

WHEREAS, since approximately 1992, Coltec has been subject to tens of thousands of asbestos claims in state and federal courts across the United States based on the manufacture and sale by its operating divisions and subsidiaries of products with asbestos-containing components;

WHEREAS, the Company expects to be subject to asbestos claims in the future based on the manufacture and sale by Coltec's operating divisions and subsidiaries of products with asbestos-containing components;

WHEREAS, the costs of resolving these asbestos claims in the ordinary course of litigation and settlement in state and federal courts across the country will continue to burden the Company and interfere with its operations, and potentially threaten the financial stability of the Company;

WHEREAS, the Company's Managers, with the help of its management and professional advisors, have concluded that a bankruptcy proceeding as described in these Resolutions, intended to establish a trust that would resolve all present and future asbestos claims under section 524(g) of title 11 of the United States Code (the "Bankruptcy Code"), currently provides the best alternative for the Company, its creditors, member and other interested parties by providing a single forum that offers an efficient and fair means of determining and satisfying the Company's alleged responsibility for the asbestos personal injury claims pending against it and expected to be filed in the future;

WHEREAS, in reaching this conclusion, the Managers have sought and relied upon reports, statements and other information prepared by officers and employees of the Company believed to be competent with respect to such matters and upon reports, statements and other information of legal counsel and other experts with respect to matters within their professional or expert competence;

WHEREAS, the Managers believe that, in light of all available alternatives to address pending and future asbestos claims against the Company and with an awareness of the potential ramifications, risks and uncertainties of pursuing a resolution of all present and future asbestos claims in bankruptcy and of not pursuing such a resolution, pursuing such a resolution is in the best interests of the Company, its creditors, member and other interested parties;

WHEREAS, the Company has a present opportunity, through filing its own bankruptcy case, to resolve all present and future asbestos claims as part of a combined resolution of similar claims in the currently pending bankruptcy cases of (a) Garrison Litigation Management Group, Ltd., its direct, wholly owned subsidiary, (b) The Anchor Packing Company, its indirect, wholly owned subsidiary, and (c) Garlock Sealing Technologies LLC, a direct, wholly owned subsidiary

of the Company's parent, EnPro Holdings, Inc., and such combined resolution will be materially less costly and more efficient for the Company than the pursuit of any other alternative; and

WHEREAS, the Company's goal in its bankruptcy case is to pay all creditors, asbestos and non-asbestos, the full amount of their allowed claims, and the Company is confident it can achieve this goal if permitted to continue to operate in the ordinary course of the Company's business; it is therefore

RESOLVED that, in the business judgment of the Managers of the Company, due to the circumstances affecting the Company as described in the foregoing clauses of these Resolutions, it is desirable and in the best interests of the Company, its creditors, member and other interested parties that a petition should be filed by the Company seeking relief under the provisions of chapter 11 of the Bankruptcy Code (the "Chapter 11 Case"), and the filing of such petition is authorized hereby; and it is further

RESOLVED that Joseph Wheatley, as President and Treasurer of the Company, Christopher Drake, as Vice President and Secretary of the Company, or any other duly appointed officer of the Company (each, an "Authorized Officer" and together, the "Authorized Officers"), is hereby authorized, empowered and directed on behalf of the Company, to execute, deliver and verify a petition in the name of the Company under chapter 11 of the Bankruptcy Code and to cause the same to be filed in the United States Bankruptcy Court for the Western District of North Carolina ("Bankruptcy Court") in such form and at such time as the Authorized Officer executing said petition on behalf of the Company shall determine appropriate, and the execution and delivery thereof by such Authorized Officer shall be conclusive evidence of such officer's determination and the Managers' approval thereof; and it is further

RESOLVED that the Authorized Officers be, and each of them hereby is, authorized, directed and empowered, on behalf of and in the name of the Company, to execute, deliver, verify, and/or file, or cause to be filed and/or executed or verified (or direct others to do so on their behalf as provided herein) all documents necessary or appropriate in connection with the filing of said bankruptcy petition, including, without limitation, all petitions, affidavits, schedules, motions, lists, applications, pleadings, and other papers, in such form as one or more of the Authorized Officers shall determine appropriate, such execution, delivery, verification and/or filing to be conclusive evidence of such Authorized Officer's determination and the Managers' approval thereof and in that connection to employ and retain all assistance by legal counsel, investment bankers, accountants, brokers, financial advisors, financial consultants, and other professionals and to take any and all action which they deem necessary or proper in connection with the Chapter 11 Case with a view to the successful prosecution of such case; and it is further

RESOLVED that the Authorized Officers be, and each of them hereby is, authorized, directed and empowered to engage, on behalf of and in the name of

the Company, the law firm of Parker Poe Adams & Bernstein, LLP, 401 South Tryon Street, 30th Floor, Charlotte, North Carolina 28202, as attorneys for the Company in the Chapter 11 Case and in related matters, on such terms and conditions as one or more of the Authorized Officers shall approve, the execution of any document by any Authorized Officer and/or the taking of any action by any Authorized Officer to constitute conclusive evidence of such officer's approval and the Managers' approval thereof; and it is further

RESOLVED that the Authorized Officers be, and each of them hereby is, authorized, directed and empowered to engage, on behalf of and in the name of the Company, the law firm of Robinson, Bradshaw & Hinson, P.A., 101 North Tryon Street, Suite 1900, Charlotte, North Carolina 28246, as attorneys for the Company in certain aspects of its bankruptcy case, in asbestos litigation matters and in related matters, on such terms and conditions as one or more of the Authorized Officers shall approve, the execution of any document by any Authorized Officer and/or the taking of any action by any Authorized Officer to constitute conclusive evidence of such officer's approval and the Managers' approval thereof; and it is further

RESOLVED that the Authorized Officers be, and each of them hereby is, authorized, directed and empowered to engage, on behalf of and in the name of the Company, any other firm as professionals or consultants to the Company as are deemed necessary to represent and assist the Company in carrying out its duties under the Bankruptcy Code, on such terms and conditions as one or more of the Authorized Officers shall approve, the execution of any document by any Authorized Officer and/or the taking of any action by any Authorized Officer to constitute conclusive evidence of such officer's approval and the Managers' approval thereof; and it is further

RESOLVED that the Authorized Officers be, and each of them hereby is, authorized, in the name and on behalf of the Company to take or cause to be taken any and all such further action and to enter into and to execute and deliver or cause to be executed or delivered all such further agreements, documents, certificates and undertakings, and to incur all such fees and expenses as in their judgment shall be necessary, appropriate or advisable to effectuate the purpose and intent of any and all of the foregoing resolutions, as one or more of the Authorized Officers shall determine necessary, proper or desirable, such taking of action and/or execution and/or delivery of such documents to be conclusive evidence of such officer's determination and the Managers' approval thereof; and it is further

RESOLVED that all actions previously taken by any Authorized Officer in the name and on behalf of the Company in furtherance of any or all of the proceeding resolutions be, and the same hereby are, ratified, confirmed and approved as acts of the Company; and it is further

RESOLVED that the Managers hereby confirm that these resolutions supersede any prior resolutions of the Managers, if any, that are inconsistent with these resolutions solely to the extent of any such inconsistency; and it is further

RESOLVED that the Managers hereby authorize the Secretary or any Assistant Secretary of the Company to make such corrective or minor modifications or additions to the foregoing resolutions as shall be deemed necessary or appropriate, so long as the resolutions, as so modified or supplemented, effect the intent and purposes of these resolutions.

In witness whereof, the undersigned, being all of the duly appointed and acting Managers of the Company, have adopted the foregoing Resolutions as of this day, January 30th, 2017.

*As part of the Coltec Restructuring, the Debtor assigned certain of its contracts to Fairbanks Morse, LLC. Each of the entities listed in this endnote are counterparties to such assigned contracts who have explicitly consented to such assignment or whose contract did not require consent. These entities are listed in this endnote for completeness and in an abundance of caution; however, the Debtor has no knowledge that any such entity has a claim against it so these entities are not included on the Debtor's lists of creditors or mailing matrix.
