1. INTRODUCTION

This Disclosure Statement¹ contains information about EDITH MARTINEZ-CONTRERAS (the “Debtor”), and describes the Debtor’s Plan of Reorganization - Plan # 1 (the “Plan”). Article 5 of this Disclosure Statement contains a summary of the Plan including class treatment and distributions. A full copy of the Plan is attached hereto as Exhibit 1 and also filed separately on the case docket. *Your rights may be affected. You should read the Plan and this Disclosure Statement carefully and discuss them with your attorney. If you do not have an attorney, you may wish to consult one.*

1.1. Purpose of This Document. This Disclosure Statement is submitted pursuant to 11 U.S.C. §1125² and describes:

- The Debtor and significant events during the bankruptcy case,
- How the Plan proposes to treat claims or equity interests of the type you hold (i.e., what you will receive on your claim or equity interest if the plan is confirmed),
- Who can vote on or object to the Plan,
- What factors the Bankruptcy Court (the “Court”) will consider when deciding whether to confirm the Plan,
- Why the Plan proponent believes the Plan is feasible, and how the treatment of your claim or equity interest under the Plan compares to what you would receive on your claim or equity interest in liquidation, and
- The effect of confirmation of the Plan.

Be sure to read the Plan as well as the Disclosure Statement. This Disclosure Statement describes the Plan, but it is the Plan itself that will, if confirmed, establish your rights.

1.2. Deadlines for Voting and Objecting; Date of Plan Confirmation Hearing. The Court has not yet confirmed the Plan described in this Disclosure Statement. The Order approving this Disclosure Statement sets the following:

- The deadline for objecting to confirmation of the Plan.
- The time and place for Plan confirmation.
- The deadline for voting to accept or reject the Plan.
- If the Order is conditional, the time and place of the hearing to finally approve this Disclosure Statement and the deadline for objecting to the adequacy of disclosure.

¹ The purpose of this Amended Disclosure Statement is to correct calculations on previously filed Schedule 2.

² Unless otherwise stated, references herein to the “Bankruptcy Code,” the “Code,” or unspecified references to “Section” or “§” refer to 11 U.S.C. § 101 et seq., as amended.

The above deadlines are also detailed in the Notice of Confirmation Hearing or if the

Order is conditional, the Notice of Combined Hearing provided to you. If your class is entitled to vote for or against the Plan, ballots should be returned (and received by the deadline) to the Debtor’s Balloting Agent at the address provided therein. In the event the Plan is not accepted by all classes, the Debtor will request confirmation of the Plan in accordance with the provisions of 11 U.S.C. § 1129(b). If you want additional information about the Plan, you should contact Debtor’s Counsel.

Pursuant to 11 U.S.C. §101(31)(A), as an individual, Debtor’s “insiders” include:

1. None

3.2. Management of Finances.

Both before and after the filing of this case, Debtor has managed Debtor’s personal affairs and the Investment Property. Debtor will continue to manage Debtor’s own financial affairs post confirmation and throughout the duration of the Plan though Debtor reserves the right to retain financial professionals as needed.

3.3. Events Leading to the Chapter 11 Filing.

Debtor was no longer regularly generating enough income to maintain all creditor payments and experienced a significant devaluation of the Investment Properties.

3.4. Significant Events Occurring in this Bankruptcy.

On November 12, 2013 Debtor filed a voluntary petition pursuant to Chapter 11 of the Bankruptcy Code. The meeting of creditors (11 U.S.C. § 341) was held and concluded on or about May 15, 2014. On or about October 30, 2015, a stipulated agreement regarding treatment of the 978 Hickock Street property was reached and on or about March 29, 2016 a stipulated agreement regarding treatment of the 4524 Skyview Drive property was reached with related secured creditors. There are no case associations for this case. Debtor has filed the following previous bankruptcy cases:
*Jose Manuel Contreras-Sanchez and Edith Martinez Contreras - Chapter 11 Case # 11-12869-bam (United States Bankruptcy Court, District of Nevada) filed on March 2, 2011, dismissed on February 2, 2013.

3.6. Pending Litigation.

No pending litigation involving the Debtor or the Estate is presently pending or anticipated.

3.7. Fraudulent and Preferential Transfers.

To the best of Debtor’s knowledge and belief there have not been any fraudulent or preferential transfers within one year of the bankruptcy filing.

3.8. Sources of Information for this Disclosure Statement. Information contained in this Disclosure Statement and the Plan have not been audited. Descriptions, values, and facts provided are derived from the Debtor’s experience in managing Debtor’s personal affairs and finances and where applicable, from professionals employed by Debtor. Significant effort has been made to compile and review the information provided herein. **Creditors are urged to review the Plan prior to voting.**

4. OPERATIONS, CURRENT & HISTORICAL FINANCIAL CONDITIONS

Debtor's income is generated from personal employment and from rental income received from Debtor's Investment Property. Debtor has been able to improve cash reserves since the filing of this bankruptcy and also retain income which can be used to fund the Plan. Available funding is outlined in Schedule 1 “Cash Flow Analysis” attached hereto. A liquidation analysis is also attached as Schedule 2. On the case docket are full descriptions of estate assets and liabilities contained in Debtor’s official schedules, as amended. Also available are various operating reports covering Debtor’s post-petition performance.

4.1. Assets.

Debtor’s assets consist generally of the following:	
Real Property:	Investment Properties: 1. 4524 Skyview Drive, Las Vegas, Nevada 89104 (undersecured) 2. 978 Hickock Street, Las Vegas, NV 89110 (undersecured) 3. 4649 East Chicago Ave, Las Vegas, Nevada 89104 (Prior 89115) (undersecured)
Personal Property:	Category 2 - Accounts

	Category 4 – Household Goods and Furnishings Category 6 – Wearing Apparel Category 20 – Prospective Claim against prior Counsel (not pursued by Debtor) Category 25 – Automobiles, Trucks, Trailers, etc.
--	--

Note: Details regarding applicable exemptions and the extent to which these assets are encumbered are provided in Debtor’s official schedules, as amended, filed on the case docket and Schedule 2, attached hereto.

4.2. Liabilities.

The estimated liabilities of the Debtor as set forth in filed proofs of claim, Debtor’s official schedules, as amended, as well as in post-petition operating reports include:		
Proofs of Claims Filed - Total: (8 Claims)		
Secured Claims Total:		\$822,824.70
Priority Claims Total:		\$0.00
Unsecured Claims Total:		\$2,091.96
	Total:	\$824,916.66
Schedule D – Creditors Holding Secured Claims		
Creditors Listed (3)	Total Scheduled:	\$710,556.00
Schedule E – Creditors Holding Unsecured Priority Claims		
Creditors Listed (0)	Total Scheduled:	\$0.00
Schedule F – Creditors Holding Unsecured Non-Priority Claims (Amended)		
Creditors Listed (17) Note: 1 Creditor, amount listed as “unknown”.	Total Scheduled:	\$38,267.00

Note: Plan payments (if any) shall be paid to creditors who have filed a proof of claim or who are deemed to have filed a proof of claim, that are not disputed, contingent, unliquidated, or otherwise allowed by order of the Court (11 U.S.C. § 1111 (a)). Scheduled claims may not match in amount, number, or classification, the actual proofs of claim filed. To ensure proper classification and the avoidance of redundant payments, prior to initial disbursement (if any), Debtor shall reconcile scheduled claims against filed proofs of claim, stipulated claims, and/or claims otherwise allowed. Debtor reserves its right to the full extent permissible under the Bankruptcy Code to object to claims.

4.3. Valuation Discussion. Debtor believes the valuation of assets estimated on schedules, as amended, are fair estimate(s) if the assets were to be sold at fair market value. Should Debtor be converted to a Chapter 7 bankruptcy resulting in liquidation of the Estate, it is highly possible that significantly lower value(s), or no value at all may be received from liquidated assets. As such, the liquidation analysis in Schedule 2, should only be considered in the context of orderly sales transaction(s) with motivated purchasers. In the event of liquidation, actual value received and resulting creditor payments may vary dramatically depending on the specific markets available to

1 sell Estate assets. Debtor believes the highest potential (and timely) recovery available with the
2 least risk to creditors will be achieved through the proposed Plan.

3 **4.4. Feasibility.** Debtor's Investment Property rental income and personal income has remained
4 stable since the order for relief and is expected to continue to do so. Debtor anticipates that the
5 course of repayment will be certain other than unforeseen business loss, personal disability, or a
6 downturn in general economic activity which exceeds worst estimates presently available to the
7 general public. Debtor has sufficient net income to fund proposed payments to Creditors under the
8 Plan.

9 **4.5. Projected Recovery of Avoidable Transfers.** The Debtor does not intend to pursue
10 preference, fraudulent conveyance, or other avoidance actions.

11 **4.6. Claim Objections.** Except to the extent that a claim is already allowed pursuant to a final
12 non-appealable order, the Debtor reserves the right to object to claims. Therefore, even if your
13 claim is allowed for voting purposes, you may not be entitled to a distribution if an objection to
14 your claim is later upheld. The procedures for resolving disputed claims are set forth in Article 5 of
15 the Plan.

16 **5. SUMMARY OF THE PLAN OF REORGANIZATION AND TREATMENT OF CLAIMS** 17 **AND EQUITY INTERESTS**

18 **5.1. What is the Purpose of the Plan of Reorganization?** As required by the Code, the Plan
19 places claims and equity interests in various classes and describes the treatment each class will
20 receive. The Plan also states whether each class of claims or equity interests is impaired or
21 unimpaired. If the Plan is confirmed, your recovery will be limited to the amount provided by the
22 Plan. This summary is not a solicitation for acceptance of the Plan. Creditors should not rely on
23 this summary to decide whether or not to vote in favor of or against the Plan. Creditors are
24 expressly referred to the Plan itself as it contains binding provisions which will not be summarized
25 herein.

26 **5.2. Unclassified Claims.** Certain types of claims are automatically entitled to specific treatment
27 under the Code. They are not considered impaired, and holders of such claims do not vote on the Plan.
28

1 They may, however, object if, in their view, their treatment under the Plan does not comply with that
 2 required by the Code. As such, the Plan Proponent has **not** placed the following claims in any class:

3 **5.2.1. Administrative Expenses.** Administrative expenses are costs or expenses of
 4 administering the Debtor’s chapter 11 case which are allowed under § 507(a)(2) of the Code.
 5 Administrative expenses also include the value of any goods sold to the Debtor in the ordinary
 6 course of business and received within 20 days before the date of the bankruptcy petition. The
 7 Code requires that all administrative expenses be paid on the effective date of the Plan, unless a
 8 particular claimant agrees to a different treatment. The following administrative expenses
 9 presently apply to this case:

<p>10 Professional Fees, as approved by the Court.</p>	<p>11 These expenses consist of fees for services rendered and expenses incurred by counsel and other professional persons prior to the Effective Date of the Plan, as approved and allowed by order of the Court, and any other expenses incurred during the course of the Chapter 11 proceeding that have not yet been paid. Presently, the member(s) of this class include Michael J Harker, Esq., Counsel for the Debtor. Debtor engaged the Law Offices of Michael J. Harker, Esq., under a general retainer for representation in these Chapter 11 proceedings (See Docket #110). Debtor’s Counsel has not filed any interim fee application(s) at this time. It is anticipated that, in addition to \$14,000.00 paid as a retainer, future legal fees will be approximately \$5,000 to \$10,000.00. Additional fees are subject to application, notice, and Court approval.</p>
<p>17 Office of the U.S. Trustee Fees</p>	<p>18 These expenses consist of various fees of the Office of the United States Trustee. The Reorganized Debtor shall timely pay post confirmation quarterly fees assessed pursuant to 28 U.S.C. § 1930 (a)(6) until such time as this Bankruptcy Court enters a final decree closing this Chapter 11 case, administratively closes, orders conversion to a case under Chapter 7, or dismisses this case. After Confirmation, the reorganized Debtor shall file with this Court and shall serve on the United States Trustee such reports as required by Trustee Guidelines and Federal Rule of Bankruptcy Procedure 2015. In the event the Debtor owes pre-confirmation U.S. Trustee's fees on the date of confirmation, the Debtor shall pay all past due fees to the U.S. Trustee on or before the Effective Date of the Plan.</p>

22 **5.2.2. Priority Tax Claims.** Priority tax claims are unsecured income, employment, and other
 23 taxes described by § 507(a)(8) of the Code. Unless the holder of such a § 507(a)(8) priority tax
 24 claim agrees otherwise, pursuant to § 1129(a)(9)(C) of the Code, it must receive the present
 25 value of such claim, in regular installments paid over a period not exceeding 5 years from the
 26 order of relief. The following priority tax claims presently apply to this case:

Should there be a Disputed Claim, payments to claimholders of non-disputed Class 5 claims shall not cease except upon order of the Court.

Unvalued Claims: For those claims which are scheduled as “unknown” with respect to value, Debtor shall substitute an amount reported on Debtor’s credit report for a date on or about the Effective Date or proof of claim amount(s) filed in previous bankruptcy case(s). If no amount is available, Debtor will send a request via United States mail to the scheduled creditor at its last known mailing address requesting an updated claim amount and providing for a period of 28 days after the notice mailing date to respond. If there is no response creditor shall not receive payment on any deemed allowed claim and their pro rata share shall be distributed to other general unsecured creditors. Debtor reserves the right to object to any updated claim amount.

Unclaimed Property: Debtor and Debtor’s Disbursement Agent are only required to make reasonable efforts to transmit dividend payments to Class 5 creditors. Failure by a creditor to update payment address(es) or timely process dividend payments received (regardless of the form of legal payment) may result in cancellation of payments and upon approval of the Court, forfeiture of Class 5 creditor’s pro rata share or a portion thereof.

5.3.4. Class[es] of Equity Interest Holders. Equity interest holders are parties who hold an ownership interest (i.e., equity interest) in the Debtor. In a corporation, entities holding preferred or common stock are equity interest holders. In a partnership, equity interest holders include both general and limited partners. In a limited liability company (“LLC”), the equity interest holders are the members. Finally, with respect to an individual who is a debtor, the Debtor is the equity interest holder. The following chart sets forth the Plan’s proposed treatment of the class[es] of equity interest holders:

CLASS 6	Impaired: NA	Insider(s): NA
Description	Equity Interest Holder – Edith Martinez-Contreras	
Treatment:	Debtor shall retain under the Plan the following: 1) Non-exempt 2002 Volkswagen Beetle. 2) The Investment Properties subject to stipulated agreement(s) (if any) with secured creditor(s).	

5.4. Means of Implementing the Plan.

1. **Source of Payments.** Payments and distributions under the Plan will be funded by the Investment Property rents and Debtor’s wage income as required.
2. **Post-confirmation Management.** See 3.2 above.

5.5. Risk Factors. Various risk factors can affect the success of a Plan and/or require future amendment(s). Risk factors personal to the Debtor may include change or loss of employment, disability, unexpected expenses (business or otherwise), loss of customers, and management decisions which may negatively affect business revenue. Events beyond Debtor’s control can also result in the inability to fund the Plan such as a general slowing of economic activity and/or events of “force majeure.”

5.6. Executory Contracts and Unexpired Leases. The Plan describes which contracts and unexpired leases Debtor’s intends to assume under the Plan. Assumption means that the Debtor has elected to continue to perform the obligations under such contracts and unexpired leases, and to cure defaults of the type that must be cured under the Code, if any. If applicable, the Plan also lists how the Debtor will cure and compensate the other party to such contract or lease for any such defaults. If you object to the assumption of your unexpired lease or executory contract, the proposed cure of any defaults, or the adequacy of assurance of performance, you must file and serve your objection to the Plan within the deadline for objecting to the confirmation of the Plan, unless the Court has set an earlier time. All executory contracts and unexpired leases that are not expressly assumed will be rejected under the Plan. Consult your adviser or attorney for more specific information about particular contracts or leases. If you object to the rejection of your contract or lease, you must file and serve your objection to the Plan within the deadline for objecting to the confirmation of the Plan.

1 **5.7. Tax Consequences of Plan.** Distributions received from the Estate may be taxed. The
 2 characterization of distributions for tax purpose depends upon the nature of the claim. The method
 3 of accounting utilized by a creditor for income tax purposes may also affect the tax consequences
 4 of a distribution. In general, the amount of gain (or loss) recognized by a creditor distributee will
 5 be the difference between (i) the creditor's basis (if any) in the claim, and (ii) the amount of the
 6 distribution. Characterization of a distribution as ordinary income or capital gain depends generally
 7 upon whether the distribution results from a claim which would otherwise generate ordinary
 8 income or would constitute a return of capital.

17 **6. CONFIRMATION REQUIREMENTS AND PROCEDURES**

18 To be confirmable, the Plan must meet the requirements listed in §§ 1129(a) or (b) of the
 19 Code. These include the requirements that: the Plan must be proposed in good faith; at least one
 20 impaired class of claims must accept the plan, without counting votes of insiders; the Plan must
 21 distribute to each creditor and equity interest holder at least as much as the creditor or equity
 22 interest holder would receive in a chapter 7 liquidation case, unless the creditor or equity interest
 23 holder votes to accept the Plan; and the Plan must be feasible. These requirements are not the only
 24 requirements listed in § 1129, and they are not the only requirements for confirmation.

25 **6.1. Who May Vote or Object.** Any party in interest may object to the confirmation of the Plan
 26 if the party believes that the requirements for confirmation are not met. Many parties in interest,
 27 however, are not entitled to vote to accept or reject the Plan. A creditor or equity interest holder
 28 has a right to vote for or against the Plan only if that creditor or equity interest holder has a claim
 or equity interest that is both (1) allowed or allowed for voting purposes and (2) impaired. See
 Article 5 above for a description of Plan classes and their impairment status as proposed.

1 **6.1.1. What Is an Allowed Claim or an Allowed Equity Interest?** Only a creditor or equity
2 interest holder with an allowed claim or an allowed equity interest has the right to vote on the
3 Plan. Generally, a claim or equity interest is allowed if either (1) the Debtor has scheduled the
4 claim on the Debtor’s schedules, unless the claim has been scheduled as disputed, contingent, or
5 unliquidated, or (2) the creditor has filed a proof of claim or equity interest, unless an objection
6 has been filed to such proof of claim or equity interest. When a claim or equity interest is not
7 allowed, the creditor or equity interest holder holding the claim or equity interest cannot vote
8 unless the Court, after notice and hearing, either overrules the objection or allows the claim or
9 equity interest for voting purposes pursuant to Rule 3018(a) of the Federal Rules of Bankruptcy
10 Procedure. **The deadline for filing a proof of claim in this case was March 19, 2014 and**
11 **unless otherwise extended by court order, all objections to claims must be filed within**
12 **sixty (60) days after entry of an order confirming the Plan.**

13 **6.1.2. What Is an Impaired Claim or Impaired Equity Interest?** As noted above, the holder
14 of an allowed claim or equity interest has the right to vote only if it is in a class that is impaired
15 under the Plan. As provided in § 1124 of the Code, a class is considered impaired if the Plan
16 alters the legal, equitable, or contractual rights of the members of that class.

17 **6.1.3. Who is Not Entitled to Vote.** The holders of the following five types of claims and
18 equity interests are not entitled to vote:

- 19 • holders of claims and equity interests that have been disallowed by an order of the Court;
- 20 • holders of other claims or equity interests that are not “allowed claims” or “allowed equity interests” (as discussed above), unless they have been “allowed” for voting purposes.
- 21 • holders of claims or equity interests in unimpaired classes;
- 22 • holders of claims entitled to priority pursuant to §§ 507(a)(2), (a)(3), and (a)(8) of the Code; and
- 23 • holders of claims or equity interests in classes that do not receive or retain any value under the Plan;
- 24 • administrative expenses.

25 **Even If You Are Not Entitled to Vote on the Plan, You Have a Right to Object to the**
26 **Confirmation of the Plan and to the Adequacy of the Disclosure Statement (unless already**
27 **approved by the Court).**

28

1 **6.1.4. Who Can Vote in More Than One Class?** A creditor whose claim has been allowed in
2 part as a secured claim and in part as an unsecured claim, or who otherwise hold claims in
3 multiple classes, is entitled to accept or reject a Plan in each capacity, and should cast one ballot
4 for each claim.

5 **6.2. Votes Necessary to Confirm the Plan.** If impaired classes exist, the Court cannot confirm
6 the Plan unless (1) at least one impaired class of creditors has accepted the Plan without counting
7 the votes of any insiders within that class, and (2) all impaired classes have voted to accept the
8 Plan, unless the Plan is eligible to be confirmed by “cram down” on non-accepting classes.

9 **6.2.1. Votes Necessary for a Class to Accept the Plan.** A class of claims accepts the Plan if
10 both of the following occur: (1) the holders of more than one-half (1/2) of the allowed claims in
11 the class, who vote, cast their votes to accept the Plan, and (2) the holders of at least two-thirds
12 (2/3) in dollar amount of the allowed claims in the class, who vote, cast their votes to accept the
13 Plan. A class of equity interests accepts the Plan if the holders of at least two-thirds (2/3) in
14 amount of the allowed equity interests in the class, who vote, cast their votes to accept the Plan.

15 **6.2.2. Treatment of Nonaccepting Classes.** Even if one or more impaired classes reject the
16 Plan, the Court may nonetheless confirm the Plan if the nonaccepting classes are treated in the
17 manner prescribed by §1129(b) of the Code. A plan that binds nonaccepting classes is
18 commonly referred to as a “cram down” plan. The Code allows the Plan to bind nonaccepting
19 classes of claims or equity interests if it meets all the requirements for consensual confirmation
20 except the voting requirements of §1129(a)(8) of the Code, does not “discriminate unfairly” and
21 is “fair and equitable” toward each impaired class that has not voted to accept the Plan. The
22 requirement that a plan not discriminate unfairly generally refers to whether similar claims or
23 equity interests are treated similarly.

24 **6.2.3. Non-Accepting Secured Class(es).** With respect to secured creditors, to be fair and
25 equitable, a plan must permit a secured creditor to retain its lien and be paid the full value of its
26 secured claim. (See § 1129(b)(2)(A)).

27 **6.2.4. Non-Accepting Unsecured Class(es).** The “fair and equitable” plan standard with
28 respect to a non-accepting unsecured class can be found at § 1129(b)(2)(B). Subsection (ii)

1 applies where an unsecured class is not receiving or retaining property equal to the allowed
 2 amount of their claim(s). Recently the 9th Circuit Court of Appeals clarified that the standard
 3 under subsection (ii) for permitting retention of property under a plan of reorganization, applies
 4 to the pre-petition property of an individual debtor.⁴ The subsection (ii) standard does not apply
 5 to the retention of property included in the bankruptcy estate by way of 11 U.S.C. §1115 though
 6 (property acquired after the commencement of the case).

7 **6.3. Non-Consensual Confirmation.** Debtor believes the Plan conforms with the requirements of
 8 § 1129(b)(2)(A) and (B). In particular, should there be a non-accepting unsecured class, Debtor
 9 believes the Plan can be confirmed for reasons which include:

10 **6.3.1. Certain Retained Estate Assets Are Exempt:** A portion of the property proposed to be
 11 retained by the Debtor is exempt and thus excluded from the bankruptcy estate under 11 U.S.C.
 12 §522.

13 **6.3.2. Sufficient New Value Is Offered Under The Plan By the Debtor:** The Plan proposes
 14 to pay to unsecured creditors, cash in an amount that is equal to or exceeds the value of any
 15 non-exempt property or portion thereof in the case of partially exempt property. Where the full
 16 value of the property of an individual bankruptcy estate is being paid to unsecured creditors
 17 from non-estate assets, Debtor asserts sufficient “new value” is being provided and that such a
 18 plan is fair and equitable with respect to unsecured creditors⁵. Debtor also believes the
 19 proposed property valuations and the process by which Debtor has proposed to retain assets are
 20 fair and equitable under the Plan.⁶ The source of cash payments are Debtor’s post-petition
 21 earnings which are excluded from the reach of § 1129(b)(2)(B)(ii) as provided in §1115.

22 **6.3.3. Certain Under-Secured Property Is Retained Under the Plan Solely At The**
 23 **Discretion Of Controlling Creditor(s).** Debtor has negotiated retention of certain property

11 **6.4. Liquidation Analysis.** To confirm the Plan, the Court must find that all creditors and equity
12 interest holders who do not accept the Plan will receive at least as much under the Plan as such
13 claim and equity interest holders would receive in a chapter 7 liquidation. A liquidation analysis is
14 attached to this Disclosure Statement as Schedule 2.

15 **6.5. Feasibility.** With respect to feasibility, the court is only required to determine whether a
16 plan can be accomplished. This entails determining:

- 17 • The availability of cash for payments required at confirmation;
- 18 • The ability of the debtor to make payments called for under the plan; and
- 19 • The absence of other factor(s) which might make it impossible for a debtor to accomplish
20 what is promised in the plan as contemplated.

21 The Court's judgment on these matters does not constitute an expression of the Court's opinion as
22 to whether the plan is a good one or an opinion by the Court regarding any debt instrument or
23 equity interest or security interest issued to creditors under the plan. Rather, the Court's judgment
24 is merely that the plan complies with the applicable Bankruptcy Code provisions and has garnered
25 sufficient votes by its creditors for confirmation.

26 7. ALTERNATIVES TO THE PROPOSED PLAN

27 Debtor believes the Plan will realize the maximum available benefit for creditors. If the
28 Plan is not confirmed, however, the Debtor will seek other avenues for resolution and/or
liquidation of debts.

7.1. Conversion. In the event no suitable alternative to the Plan can be found, Debtor may be
compelled to recommend conversion of this Chapter 11 case to a case under Chapter 7 with
resulting liquidation of the Estate. Creditors are encouraged to reach their own conclusions but

1 Debtor is of the opinion that a forced liquidation of assets will not be in the best interest of
2 creditors for the following reasons:

- 3 • To evaluate the Debtor’s assets and liabilities, the newly appointed Chapter 7 Trustee will
- 4 require time to become familiar with the Debtor’s financial affairs, interview persons, and
- 5 review documents and operations;
- 6 • Additional administrative expenses entitled to priority over general unsecured claims will be
- 7 incurred, such as Trustee commissions and fees for any professionals retained;
- 8 • There will likely be no distribution, if any, to the creditors until the case is ready to be
- 9 closed;
- 10 • Secured creditors must be paid in full first from the sale of encumbered assets which
- 11 presently appraise for less than amounts due under applicable security agreements; and
- 12 • The bulk of the Estate’s unencumbered personal property is exempt under applicable law.

13 Debtor has prepared a “Liquidation Analysis,” attached hereto as Schedule 2 which illustrates the
14 likely outcome of a liquidation of the Estate. This analysis is conservative though and assumes an
15 orderly liquidation, low transaction costs, and estimated sales proceeds that may not reflect market
16 reality in a forced sale. Additionally, certain costs of liquidation such as auction or broker’s fees,
17 salvage costs, and incidental expenses have not been accounted for.

18 **7.2. Dismissal.** Dismissal of the case would, in the Debtor’s opinion, lead to an unsatisfactory
19 result as well. Dismissal will likely result in secured creditor(s) initiating foreclosure proceedings
20 on the Investment Property that Debtor is attempting to reorganize. As stated previously, limited
21 personal assets will be available for the creditors to secure judgments against, as a significant
22 portion are exempt or have only modest equity. Creditors may incur significant costs as well as be
23 forced into conflict with other creditors. Further, these actions would cause the Debtor to incur
24 more expenses in the form of professional fees, etc., thereby leaving even less for distribution to
25 creditors. It should be noted that a vote against the Plan leading to rejection of the Plan will not
26 alter the present status of the Debtor. A vote on the Plan does not include a vote on alternatives to
27 the Plan. There is no assurance what turn the proceedings will take if the Plan is rejected. If you
28 believe one of the alternatives referred to above is preferable to the Plan and you wish to urge it
upon the Court, you should consult independent counsel.

8. IMPLEMENTATION OF THE PLAN, JURISDICTION

Implementation of the Plan occurs after entry of an order by the Bankruptcy Court
confirming the Plan. If accepted and approved as filed, implementation of the Plan shall begin as

1 soon as practicable after Confirmation. Notwithstanding confirmation of the Plan, the Court will
2 retain jurisdiction (i) to determine the allowance of claims upon objection by a party in interest, (ii)
3 to determine requests for payment of administrative claims and expenses, including compensation,
4 entitled to priority under §507(a)(I) of the Code, (iii) to resolve disputes regarding interpretation of
5 the Plan, (iv) to modify the Plan, (v) to implement provisions of the Plan, (vi) to adjudicate any
6 cause of action brought by the Debtor or Trustee as representatives of the Estate, (vii) to enter a
7 final decree, and (viii) for other purposes.

8 9. MODIFICATION OF PLAN

9 **9.1. Modification Prior to Confirmation.** The Debtor may modify a plan at any time before
10 confirmation of the plan, but modified plans must meet the requirements of §§ 1122 and 1123 of
11 the Bankruptcy Code. However, the Court may require a new disclosure statement and/or re-
12 voting on the Plan.

13 **9.2. Modification After Confirmation.** If the debtor is an individual, as in this present case, the
14 plan may be modified at any time after confirmation of the plan but before the completion of
15 payments under the plan, whether or not the plan has been substantially consummated.

16 Modification may be upon request of the Debtor, the Trustee, the United States Trustee, or the
17 holder of an allowed unsecured claim for the purpose of (1) increasing or reducing the amount of
18 payments under a plan on claims of a particular class provided for by the plan, (2) extending or
19 reducing the time period for such payments, or (3) altering the amount of distribution to a creditor
20 whose claim is provided for by the plan to the extent necessary to take account of any payment of
21 such claim made other than under the plan.

10. EFFECT OF CONFIRMATION OF PLAN

10.1. **No Immediate Discharge of Debtor.** Unless after notice and hearing and the Court orders otherwise for cause, confirmation of this Plan does not discharge any debt provided for in this Plan until the Court grants a discharge on completion of all payments under this Plan. Alternatively, should Debtor demonstrate compliance with the requirements of 11 U.S.C. 1141(d)(5)(B) & (C), at any time after confirmation of the Plan, and after notice and a hearing, the Court may grant a discharge prior to completion of payments under the Plan.

10.2. **Vesting.** Property of the Estate will vest in the reorganized Debtor thirty days after entry of the final Confirmation Order.

10.3. **Final Decree.** Once the estate has been fully administered, as provided in Rule 3022 of the Federal Rules of Bankruptcy Procedure, the Plan Proponent, or such other party as the Court shall designate in the Plan Confirmation Order, shall file a motion with the Court to obtain a final decree to close the case. Alternatively, the Court may enter such a final decree on its own motion.

11. CONCLUSION

Debtor believes that the Plan as proposed will provide a better outcome for creditors to receive maximum potential payment on claims in a timely fashion than that which would occur resulting from a Chapter 7 liquidation or distress sale of Debtor's assets. If the Plan is not approved, Debtor will continue to seek reorganization alternatives. Liquidation may ensue though with the potential consequences discussed above in Article 7.

SCHEDULE 1 – CASH FLOW ANALYSIS

Debtor:**Case Number:****EDITH MARTINEZ-CONTRERAS****13-19471-led**

This analysis is based on a number of estimates and assumptions that, although considered reasonable by the Debtor, are inherently subject to significant economic, business and competitive uncertainties and contingencies beyond the control of the Debtor. This analysis is also based on the Debtor's best judgment of how likely it is that Debtor will be able to retain the same level of income throughout the life of the Plan and not have income reduced. There can be no assurance that the cash flow estimates reflected in this analysis will be realized if the Debtor is unable to maintain current income and actual results may vary materially and adversely from those contained herein.
