6 **3. BACKGROUND**

7 **3.1. Description and History of Debtor, Debtor’s Business, and Insiders (if any).**

8 Oscar Moretti is an individual residing in Clark County, Nevada and owns two investment  
9 properties in said County. Debtor receives monthly rental income from the two Investment  
10 Properties located at 1524 Chestnut Street, Henderson, NV 89015 and 107 Yucca Street,  
11 Henderson, Nevada 89015(“Investment Properties”) which are not operated as an  
12 independent business entity.

11 Pursuant to 11 U.S.C. §101(31)(A), as an individual, Debtor’s “insiders” include:

12 1. N/A

13 **3.2. Management of Finances.**

14 Both before and after the filing of this case, Debtor has managed Debtor’s personal affairs  
15 and the Investment Properties. Debtor will continue to manage Debtor’s own financial affairs  
16 post confirmation and throughout the duration of the Plan though Debtor reserve the right to  
17 retain financial professionals as needed.

16 **3.3. Events Leading to the Chapter 11 Filing.**

17 Debtor was no longer regularly generating enough income to maintain all creditor payments  
18 and experienced a significant devaluation of the Investment Properties.

19 **3.4. Significant Events Occurring in this Bankruptcy.**

20 On December 21, 2015 Debtor filed a voluntary petition pursuant to Chapter 11 of the  
21 Bankruptcy Code. The meeting of creditors (11 U.S.C. § 341) was held and concluded.  
22 Debtors have remained in possession of estate property pursuant to 11 U.S.C. § 1107. Since  
23 filing the voluntary petition, Debtors’ efforts have focused on reorganization of secured debt.  
24 The case was re-designated a “small business case” as defined under 11 U.S.C. § 101(51)(C  
& D). Debtors has filed an Application to Employ (counsel) and a Motion To Value the  
25 Investment Properties. On or about September 29 2016 a stipulated agreement regarding the  
26 value of the Investment Property located at 1524 Chestnut Street Henderson, Nevada was  
27 reached with Debtors’ Secured Creditor. The Motion to Value the property at 107 Yucca  
28 Street, Henderson, Nevada remains outstanding; however, an agreement in principal has  
been made with the Secured Creditor of that property.. There have been no other significant  
events during the pending proceedings and Debtor’s finances have remained stable.

27 **3.5. Prior Bankruptcy Proceedings.**

28 There are no case associations for this case. Debtor has not filed previous bankruptcy cases:

 2 **3.6. Pending Litigation.**

3 No pending litigation involving the Debtor or the Estate is presently pending or anticipated.

4 **3.7. Fraudulent and Preferential Transfers.**

5 To the best of Debtor’s knowledge and belief there have not been any fraudulent or  
 6 preferential transfers within one year of the bankruptcy filing.

7 **3.8. Sources of Information for this Disclosure Statement.** Information contained in this  
 8 Disclosure Statement and the Plan have not been audited. Descriptions, values, and facts provided  
 9 are derived from the Debtor’s experience in managing Debtor’s personal affairs and finances and  
 10 where applicable, from professionals employed by Debtor. Significant effort has been made to  
 11 compile and review the information provided herein. **Creditors are urged to review the Plan**  
 12 **prior to voting.**

13 **4. OPERATIONS, CURRENT & HISTORICAL FINANCIAL CONDITIONS**

14 Debtors’ income is generated from personal income from the Taco Shop and from rental  
 15 income received from Debtors’ Investment Properties. Debtors have been able to improve cash  
 16 reserves since the filing of this bankruptcy and also retain income which can be used to fund the  
 17 Plan. Available funding is outlined in Schedule 1 “Cash Flow Analysis” attached hereto. A  
 18 liquidation analysis is also attached as Schedule 2. On the case docket are full descriptions of  
 19 estate assets and liabilities contained in Debtor’s official schedules, as amended. Also available  
 20 are various operating reports covering Debtor’s post-petition performance.

21 **4.1. Assets.**

22 Debtor’s assets consist generally of the following:

23 Real Property:	Investment Properties: 1. 1524 Chestnut Street, Henderson, Nevada 89015 (undersecured) 2. 107 Yucca Street Henderson, Nevada 89104 (undersecured)
24 Personal Property:	Category 6– Household Goods and Furnishings Category 11 – Wearing Apparel Category 3 – Automobiles, Trucks, Trailers, etc. Category 17-deposit of money

25 **Note:** Details regarding applicable exemptions and the extent to which these assets are  
 26 encumbered are provided in Debtor’s official schedules, filed on the case docket and Schedule 2,  
 27 attached hereto.  
 28

**4.2. Liabilities.**

The estimated liabilities of the Debtor as set forth in filed proofs of claim, Debtor's official schedules, as amended, as well as in post-petition operating reports include:

**Proofs of Claims Filed - Total: (7 Claims)**

Secured Claims Total:	\$523057.76
Priority Claims Total:	\$56.61
Unsecured Claims Total:	\$20716.66
Total:	\$543831.03

**Schedule D – Creditors Holding Secured Claims**

Creditors Listed (2)	Total Scheduled:	\$517238.95
----------------------	------------------	-------------

**Schedule E – Creditors Holding Unsecured Priority Claims**

Creditors Listed (0)	Total Scheduled:	\$0.00
----------------------	------------------	--------

**Schedule F – Creditors Holding Unsecured Non-Priority Claims (Amended)**

Creditors Listed (5)	Total Scheduled:	\$9392.00
----------------------	------------------	-----------

**Note:** Plan payments (if any) shall be paid to creditors who have filed a proof of claim or who are deemed to have filed a proof of claim, that are not disputed, contingent, unliquidated, or otherwise allowed by order of the Court (11 U.S.C. § 1111 (a)). Scheduled claims may not match in amount, number, or classification, the actual proofs of claim filed. To ensure proper classification and the avoidance of redundant payments, prior to initial disbursement (if any), Debtor shall reconcile scheduled claims against filed proofs of claim, stipulated claims, and/or claims otherwise allowed. Debtor reserves its right to the full extent permissible under the Bankruptcy Code to object to claims.

**4.3. Valuation Discussion.** Debtor believes the valuation of assets, estimated on schedules, as amended, are fair estimate(s) if the assets were to be sold at fair market value. Should Debtor be converted to a Chapter 7 bankruptcy resulting in liquidation of the Estate, it is highly possible that significantly lower value(s), or no value at all may be received from liquidated assets. As such, the liquidation analysis in Schedule 2, should only be considered in the context of orderly sales transaction(s) with motivated purchasers. In the event of liquidation, actual value received and resulting creditor payments may vary dramatically depending on the specific markets available to sell Estate assets. Debtor believes the highest potential (and timely) recovery available with the least risk to creditors will be achieved through the proposed Plan.

**4.4. Feasibility.** Debtor's Investment Property rental income and personal income has remained stable since the order for relief and is expected to continue to do so. Debtor anticipates that the course of repayment will be certain other than unforeseen business loss, personal disability, or a downturn in general economic activity which exceeds worst estimates presently available to the

1 general public. Debtor has sufficient net income to fund proposed payments to Creditors under the  
2 Plan.

3 **4.5. Projected Recovery of Avoidable Transfers.** The Debtor does not intend to pursue  
4 preference, fraudulent conveyance, or other avoidance actions.

5 **4.6. Claim Objections.** Except to the extent that a claim is already allowed pursuant to a final  
6 non-appealable order, the Debtor reserves the right to object to claims. Therefore, even if your  
7 claim is allowed for voting purposes, you may not be entitled to a distribution if an objection to  
8 your claim is later upheld. The procedures for resolving disputed claims are set forth in Article 5 of  
9 the Plan.

10 **5. SUMMARY OF THE PLAN OF REORGANIZATION AND TREATMENT OF CLAIMS**  
11 **AND EQUITY INTERESTS**

12 **5.1. What is the Purpose of the Plan of Reorganization?** As required by the Code, the Plan  
13 places claims and equity interests in various classes and describes the treatment each class will  
14 receive. The Plan also states whether each class of claims or equity interests is impaired or  
15 unimpaired. If the Plan is confirmed, your recovery will be limited to the amount provided by the  
16 Plan. This summary is not a solicitation for acceptance of the Plan. Creditors should not rely on  
17 this summary to decide whether or not to vote in favor of or against the Plan. Creditors are  
18 expressly referred to the Plan itself as it contains binding provisions which will not be summarized  
19 herein.

20 **5.2. Unclassified Claims.** Certain types of claims are automatically entitled to specific treatment  
21 under the Code. They are not considered impaired, and holders of such claims do not vote on the Plan.  
22 They may, however, object if, in their view, their treatment under the Plan does not comply with that  
23 required by the Code. As such, the Plan Proponent has *not* placed the following claims in any class:

24 **5.2.1. Administrative Expenses.** Administrative expenses are costs or expenses of  
25 administering the Debtor's chapter 11 case which are allowed under § 507(a)(2) of the Code.  
26 Administrative expenses also include the value of any goods sold to the Debtor in the ordinary  
27 course of business and received within 20 days before the date of the bankruptcy petition. The  
28 Code requires that all administrative expenses be paid on the effective date of the Plan, unless a

particular claimant agrees to a different treatment. The following administrative expenses presently apply to this case:

<p><b>Professional Fees, as approved by the Court.</b></p>	<p>These expenses consist of fees for services rendered and expenses incurred by counsel and other professional persons prior to the Effective Date of the Plan, as approved and allowed by order of the Court, and any other expenses incurred during the course of the Chapter 11 proceeding that have not yet been paid. Presently, the member(s) of this class include Michael J Harker, Esq., Counsel for the Debtor. Debtor engaged the Law Offices of Michael J. Harker, Esq., under a general retainer for representation in these Chapter 11 proceedings. Debtor's Counsel has not filed any interim fee application(s) at this time. It is anticipated that, in addition to \$15,000.00 paid as a retainer prior to the filing of the bankruptcy, future legal fees will be approximately \$10,000 to \$15,000.00. Additional fees are subject to application, notice, and Court approval.</p>
<p><b>Office of the U.S. Trustee Fees</b></p>	<p>These expenses consist of various fees of the Office of the United States Trustee. The Reorganized Debtor shall timely pay post confirmation quarterly fees assessed pursuant to 28 U.S.C. § 1930 (a)(6) until such time as this Bankruptcy Court enters a final decree closing this Chapter 11 case, administratively closes, orders conversion to a case under Chapter 7, or dismisses this case. After Confirmation, the reorganized Debtor shall file with this Court and shall serve on the United States Trustee such reports as required by Trustee Guidelines and Federal Rule of Bankruptcy Procedure 2015. In the event the Debtor owes pre-confirmation U.S. Trustee's fees on the date of confirmation, the Debtor shall pay all past due fees to the U.S. Trustee on or before the Effective Date of the Plan.</p>

**5.2.2. Priority Tax Claims.** Priority tax claims are unsecured income, employment, and other taxes described by § 507(a)(8) of the Code. Unless the holder of such a § 507(a)(8) priority tax claim agrees otherwise, pursuant to § 1129(a)(9)(C) of the Code, it must receive the present value of such claim, in regular installments paid over a period not exceeding 5 years from the order of relief. The following priority tax claims presently apply to this case: Claim 1 has a priority amount of \$56.61

**5.3. Classified Claims and Equity Interests.** The following are the Classes set forth in the Plan, and the proposed treatment they will receive under the Plan.

**5.3.1. Classes of Secured Claims.** Allowed Secured Claims are claims secured by property of the Debtor's bankruptcy estate (or that are subject to setoff) to the extent allowed as secured claims under § 506 of the Code. If the value of the collateral or setoffs securing the creditor's claim is less than the amount of the creditor's allowed claim, the deficiency will be classified as

Discharge of Claims:	For purposes of compliance with 11 U.S.C. 1141(5)(A) and subject to Court approval at the time of discharge, with respect to Class 3C, "... completion of all payments under the plan[...]" shall be deemed to have occurred upon payment to all Class 3C Creditors their full claim amount.
Voting:	Class 3C is an impaired class. As such, Class 3C Creditors are entitled vote to accept or reject the Plan.
Procedures and Plan Disbursements:	<p>Debtor may seek approval of the Court for additional dividend disbursement procedures including but not limited to notice procedures and the treatment of Unclaimed Property, which shall conform to the following basic terms:</p> <p><u>Dividend(s)</u>: All payments to Class 3C Creditors shall be in cash or cash equivalent.</p> <p><u>Term</u>: Debtor shall have up to 12 months to pay Class 3C Creditors from the Effective Date.</p> <p><u>Notice of Final Dividend Payment</u>: Each final payment shall be accompanied by a Notice of Final Dividend Payment which shall detail Debtor's compliance with the terms of this Plan with respect to each creditor receiving a final dividend installment.</p> <p><u>Disbursement Agent</u>: Debtor may serve as its own Disbursement Agent or may select a third party. Under no circumstances shall a third party Disbursement Agent be liable for Debtor's failure to make payments under the Plan. Subject to Court approval, the third party Disbursement Agent shall be authorized to retain attorneys, if necessary, to object to claims, pay administrative expenses, and may collect a reasonable fee for administering Debtor's post-confirmation estate.</p> <p><u>Disputed Claims</u>: No payments shall be made on Disputed Claims until the dispute is resolved by settlement between the parties or a final non-appealable order of the Court. In the event of a Disputed Claim, the Disbursement Agent shall establish appropriate reserves limited to the potential dividend due on the Disputed Claim. Should there be a Disputed Claim, payments to claimholders of non-disputed Class 3C claims shall not cease except upon order of the Court.</p> <p><u>Unclaimed Property</u>: Debtor and Debtor's Disbursement Agent are only required to make reasonable efforts to transmit dividend payments to Class 3C creditors. Failure by a creditor to update payment address(es) or timely process dividend payments received (regardless of the form of legal payment) may result in cancellation of payments and upon approval of the Court, forfeiture of Class 3C creditor's dividend or portion thereof.</p>

<sup>4</sup> Class 3B presently consists of a five claims in the amount of \$20,000.00

**5.3.4. Class[es] of Unimpaired Secured Claims.** Secured unimpaired claims are secured by exempt property of the estate. The following chart identifies the Plan’s proposed treatment of Class 3 which contains general unsecured claims against the Debtors

**5.3.4. Class[es] of Equity Interest Holders.** Equity interest holders are parties who hold an ownership interest (i.e., equity interest) in the Debtor. In a corporation, entities holding preferred or common stock are equity interest holders. In a partnership, equity interest holders include both general and limited partners. In a limited liability company (“LLC”), the equity interest holders are the members. Finally, with respect to an individual who is a debtor, the Debtor is the equity interest holder. The following chart sets forth the Plan’s proposed treatment of the class[es] of equity interest holders:

<b>CLASS 4</b>	<b>Impaired: NA</b>	<b>Insider(s): NA</b>
Description	Equity Interest Holder – Debtors	
Treatment:	Debtor shall retain under the Plan the following: 1) The Investment Properties subject to Class 1 & 2.	

**5.4. Means of Implementing the Plan.**

1. **Source of Payments.** Payments and distributions under the Plan will be funded by the Investment Property rents and Debtor’s wage income as required.
2. **Post-confirmation Management.** See 3.2 above.

**5.5. Risk Factors.** Various risk factors can affect the success of a Plan and/or require future amendment(s). Risk factors personal to the Debtor may include change or loss of employment, disability, unexpected expenses (business or otherwise), loss of customers, and management decisions which may negatively affect business revenue. Events beyond Debtor’s control can also result in the inability to fund the Plan such as a general slowing of economic activity and/or events of “force majeure.”

**5.6. Executory Contracts and Unexpired Leases.** The Plan describes which contracts and unexpired leases Debtor’s intends to assume under the Plan. Assumption means that the Debtor has elected to continue to perform the obligations under such contracts and unexpired leases, and to cure defaults of the type that must be cured under the Code, if any. If applicable, the Plan also lists

1 how the Debtor will cure and compensate the other party to such contract or lease for any such  
 2 defaults. If you object to the assumption of your unexpired lease or executory contract, the  
 3 proposed cure of any defaults, or the adequacy of assurance of performance, you must file and  
 4 serve your objection to the Plan within the deadline for objecting to the confirmation of the Plan,  
 5 unless the Court has set an earlier time. All executory contracts and unexpired leases that are not  
 6 expressly assumed will be rejected under the Plan. Consult your adviser or attorney for more  
 7 specific information about particular contracts or leases. If you object to the rejection of your  
 8 contract or lease, you must file and serve your objection to the Plan within the deadline for  
 9 objecting to the confirmation of the Plan.

10 **5.7. Tax Consequences of Plan.** Distributions received from the Estate may be taxed. The  
 11 characterization of distributions for tax purpose depends upon the nature of the claim. The method  
 12 of accounting utilized by a creditor for income tax purposes may also affect the tax consequences  
 13 of a distribution. In general, the amount of gain (or loss) recognized by a creditor distributee will  
 14 be the difference between (i) the creditor's basis (if any) in the claim, and (ii) the amount of the  
 15 distribution. Characterization of a distribution as ordinary income or capital gain depends generally  
 16 upon whether the distribution results from a claim which would otherwise generate ordinary  
 17 income or would constitute a return of capital.

## 26 **6. CONFIRMATION REQUIREMENTS AND PROCEDURES**

27 To be confirmable, the Plan must meet the requirements listed in §§ 1129(a) or (b) of the  
 28 Code. These include the requirements that: the Plan must be proposed in good faith; at least one  
 impaired class of claims must accept the plan, without counting votes of insiders; the Plan must  
 distribute to each creditor and equity interest holder at least as much as the creditor or equity  
 interest holder would receive in a chapter 7 liquidation case, unless the creditor or equity interest

1 holder votes to accept the Plan; and the Plan must be feasible. These requirements are not the only  
2 requirements listed in § 1129, and they are not the only requirements for confirmation.

3 **6.1. Who May Vote or Object.** Any party in interest may object to the confirmation of the Plan  
4 if the party believes that the requirements for confirmation are not met. Many parties in interest,  
5 however, are not entitled to vote to accept or reject the Plan. A creditor or equity interest holder  
6 has a right to vote for or against the Plan only if that creditor or equity interest holder has a claim  
7 or equity interest that is both (1) allowed or allowed for voting purposes and (2) impaired. See  
8 Article 5 above for a description of Plan classes and their impairment status as proposed.

9 **6.1.1. What Is an Allowed Claim or an Allowed Equity Interest?** Only a creditor or equity  
10 interest holder with an allowed claim or an allowed equity interest has the right to vote on the  
11 Plan. Generally, a claim or equity interest is allowed if either (1) the Debtor has scheduled the  
12 claim on the Debtor's schedules, unless the claim has been scheduled as disputed, contingent, or  
13 unliquidated, or (2) the creditor has filed a proof of claim or equity interest, unless an objection  
14 has been filed to such proof of claim or equity interest. When a claim or equity interest is not  
15 allowed, the creditor or equity interest holder holding the claim or equity interest cannot vote  
16 unless the Court, after notice and hearing, either overrules the objection or allows the claim or  
17 equity interest for voting purposes pursuant to Rule 3018(a) of the Federal Rules of Bankruptcy  
18 Procedure. **The deadline for filing a proof of claim in this case was December 2, 2015 and**  
19 **unless otherwise extended by court order, all objections to claims must be filed within**  
20 **sixty (60) days after entry of an order confirming the Plan.**

21 **6.1.2. What Is an Impaired Claim or Impaired Equity Interest?** As noted above, the holder  
22 of an allowed claim or equity interest has the right to vote only if it is in a class that is impaired  
23 under the Plan. As provided in § 1124 of the Code, a class is considered impaired if the Plan  
24 alters the legal, equitable, or contractual rights of the members of that class.

25 **6.1.3. Who is Not Entitled to Vote.** The holders of the following five types of claims and  
26 equity interests are not entitled to vote:

- 27 • holders of claims and equity interests that have been disallowed by an order of the  
28 Court;

- holders of other claims or equity interests that are not “allowed claims” or “allowed equity interests” (as discussed above), unless they have been “allowed” for voting purposes.
- holders of claims or equity interests in unimpaired classes;
- holders of claims entitled to priority pursuant to §§ 507(a)(2), (a)(3), and (a)(8) of the Code; and
- holders of claims or equity interests in classes that do not receive or retain any value under the Plan;
- administrative expenses.

**Even If You Are Not Entitled to Vote on the Plan, You Have a Right to Object to the Confirmation of the Plan and to the Adequacy of the Disclosure Statement (unless already approved by the Court).**

**6.1.4. Who Can Vote in More Than One Class?** A creditor whose claim has been allowed in part as a secured claim and in part as an unsecured claim, or who otherwise hold claims in multiple classes, is entitled to accept or reject a Plan in each capacity, and should cast one ballot for each claim.

**6.2. Votes Necessary to Confirm the Plan.** If impaired classes exist, the Court cannot confirm the Plan unless (1) at least one impaired class of creditors has accepted the Plan without counting the votes of any insiders within that class, and (2) all impaired classes have voted to accept the Plan, unless the Plan is eligible to be confirmed by “cram down” on non-accepting classes.

**6.2.1. Votes Necessary for a Class to Accept the Plan.** A class of claims accepts the Plan if both of the following occur: (1) the holders of more than one-half (1/2) of the allowed claims in the class, who vote, cast their votes to accept the Plan, and (2) the holders of at least two-thirds (2/3) in dollar amount of the allowed claims in the class, who vote, cast their votes to accept the Plan. A class of equity interests accepts the Plan if the holders of at least two-thirds (2/3) in amount of the allowed equity interests in the class, who vote, cast their votes to accept the Plan.

**6.2.2. Treatment of Nonaccepting Classes.** Even if one or more impaired classes reject the Plan, the Court may nonetheless confirm the Plan if the nonaccepting classes are treated in the manner prescribed by §1129(b) of the Code. A plan that binds nonaccepting classes is commonly referred to as a “cram down” plan. The Code allows the Plan to bind nonaccepting classes of claims or equity interests if it meets all the requirements for consensual confirmation except the voting requirements of §1129(a)(8) of the Code, does not “discriminate unfairly” and

1 is “fair and equitable” toward each impaired class that has not voted to accept the Plan. The  
 2 requirement that a plan not discriminate unfairly generally refers to whether similar claims or  
 3 equity interests are treated similarly.

4 **6.2.3. Non-Accepting Secured Class(es).** With respect to secured creditors, to be fair and  
 5 equitable, a plan must permit a secured creditor to retain its lien and be paid the full value of its  
 6 secured claim. (See § 1129(b)(2)(A)).

7 **6.2.4. Non-Accepting Unsecured Class(es).** The “fair and equitable” plan standard with  
 8 respect to a non-accepting unsecured class can be found at § 1129(b)(2)(B). Subsection (ii)  
 9 applies where an unsecured class is not receiving or retaining property equal to the allowed  
 10 amount of their claim(s). Recently the 9<sup>th</sup> Circuit Court of Appeals clarified that the standard  
 11 under subsection (ii) for permitting retention of property under a plan of reorganization, applies  
 12 to the pre-petition property of an individual debtor.<sup>5</sup> The subsection (ii) standard does not apply  
 13 to the retention of property included in the bankruptcy estate by way of 11 U.S.C. §1115 though  
 14 (property acquired after the commencement of the case).

15 **6.3. Non-Consensual Confirmation.** Debtor believes the Plan conforms with the requirements of  
 16 § 1129(b)(2)(A) and (B). In particular, should there be a non-accepting unsecured class, Debtor  
 17 believes the Plan can be confirmed for reasons which include:<sup>6</sup>

18 **6.3.1. Certain Retained Estate Assets Are Exempt:** A portion of the property proposed to be  
 19 retained by the Debtor is exempt and thus excluded from the bankruptcy estate under 11 U.S.C.  
 20 §522.

21 **6.3.2. Certain Under-Secured Property Is Retained Under the Plan Solely At The**  
 22 **Discretion Of Controlling Creditor(s).** Debtor has negotiated retention of certain property  
 23 from creditor(s) who have sole authority and discretion with respect to said property.

 1129(b)(2)(B)(ii) constitutes to the extent intended by Congress, codification of the judicial doctrine  
 27 commonly referred to as the “Absolute Priority Rule.”

28 <sup>6</sup> As proposed, a “cram down” scenario under the Plan is highly unlikely as Class 2B creditor(s) shall be paid  
 the full amount of their claim(s) and do not vote. Class 2A is for voting purposes only and the sole Class 2A  
 claim is to be forgiven upon confirmation of the Plan per the Class 1 Stipulation.

1 Unsecured creditors have no interest either directly or derivatively (i.e. via their interest in the  
2 Bankruptcy Estate) in the subject property as it was exempt or was without equity on the  
3 petition date.

10 **6.4. Liquidation Analysis.** To confirm the Plan, the Court must find that all creditors and equity  
11 interest holders who do not accept the Plan will receive at least as much under the Plan as such  
12 claim and equity interest holders would receive in a chapter 7 liquidation. A liquidation analysis is  
13 attached to this Disclosure Statement as Schedule 2.

14 **6.5. Feasibility.** With respect to feasibility, the court is only required to determine whether a  
15 plan can be accomplished. This entails determining:

- 16 • The availability of cash for payments required at confirmation;
- 17 • The ability of the debtor to make payments called for under the plan; and
- 18 • The absence of other factor(s) which might make it impossible for a debtor to accomplish  
19 what is promised in the plan as contemplated.

20 The Court's judgment on these matters does not constitute an expression of the Court's opinion as  
21 to whether the plan is a good one or an opinion by the Court regarding any debt instrument or  
22 equity interest or security interest issued to creditors under the plan. Rather, the Court's judgment  
23 is merely that the plan complies with the applicable Bankruptcy Code provisions and has garnered  
24 sufficient votes by its creditors for confirmation.

25 **7. ALTERNATIVES TO THE PROPOSED PLAN**

26 Debtor believes the Plan will realize the maximum available benefit for creditors. If the  
27 Plan is not confirmed, however, the Debtor will seek other avenues for resolution and/or  
28 liquidation of debts.

**7.1. Conversion.** In the event no suitable alternative to the Plan can be found, Debtor may be  
compelled to recommend conversion of this Chapter 11 case to a case under Chapter 7 with  
resulting liquidation of the Estate. Creditors are encouraged to reach their own conclusions but

1 Debtor is of the opinion that a forced liquidation of assets will not be in the best interest of  
2 creditors for the following reasons:

- 3 • To evaluate the Debtor’s assets and liabilities, the newly appointed Chapter 7 Trustee will
- 4 require time to become familiar with the Debtor’s financial affairs, interview persons, and
- 5 review documents and operations;
- 6 • Additional administrative expenses entitled to priority over general unsecured claims will be
- 7 incurred, such as Trustee commissions and fees for any professionals retained;
- 8 • There will likely be no distribution, if any, to the creditors until the case is ready to be
- 9 closed;
- 10 • Secured creditors must be paid in full first from the sale of encumbered assets which
- 11 presently appraise for less than amounts due under applicable security agreements; and
- 12 • The bulk of the Estate’s unencumbered personal property is exempt under applicable law.

13 Debtor has prepared a “Liquidation Analysis,” attached hereto as Schedule 2 which illustrates the  
14 likely outcome of a liquidation of the Estate. This analysis is conservative though and assumes an  
15 orderly liquidation, low transaction costs, and estimated sales proceeds that may not reflect market  
16 reality in a forced sale. Additionally, certain costs of liquidation such as auction or broker’s fees,  
17 salvage costs, and incidental expenses have not been accounted for.

18 **7.2. Dismissal.** Dismissal of the case would, in the Debtor’s opinion, lead to an unsatisfactory  
19 result as well. Dismissal will likely result in secured creditor(s) initiating foreclosure proceedings  
20 on the Investment Property that Debtor is attempting to reorganize. As stated previously, limited  
21 personal assets will be available for the creditors to secure judgments against, as a significant  
22 portion are exempt or have only modest equity. Creditors may incur significant costs as well as be  
23 forced into conflict with other creditors. Further, these actions would cause the Debtor to incur  
24 more expenses in the form of professional fees, etc., thereby leaving even less for distribution to  
25 creditors. It should be noted that a vote against the Plan leading to rejection of the Plan will not  
26 alter the present status of the Debtor. A vote on the Plan does not include a vote on alternatives to  
27 the Plan. There is no assurance what turn the proceedings will take if the Plan is rejected. If you  
28 believe one of the alternatives referred to above is preferable to the Plan and you wish to urge it  
upon the Court, you should consult independent counsel.

**8. IMPLEMENTATION OF THE PLAN, JURISDICTION**

Implementation of the Plan occurs after entry of an order by the Bankruptcy Court  
confirming the Plan. If accepted and approved as filed, implementation of the Plan shall begin as

1 soon as practicable after Confirmation. Notwithstanding confirmation of the Plan, the Court will  
 2 retain jurisdiction (i) to determine the allowance of claims upon objection by a party in interest, (ii)  
 3 to determine requests for payment of administrative claims and expenses, including compensation,  
 4 entitled to priority under §507(a)(I) of the Code, (iii) to resolve disputes regarding interpretation of  
 5 the Plan, (iv) to modify the Plan, (v) to implement provisions of the Plan, (vi) to adjudicate any  
 6 cause of action brought by the Debtor or Trustee as representatives of the Estate, (vii) to enter a  
 7 final decree, and (viii) for other purposes.

## 8 9. MODIFICATION OF PLAN

9 **9.1. Modification Prior to Confirmation.** The Debtor may modify a plan at any time before  
 10 confirmation of the plan, but modified plans must meet the requirements of §§ 1122 and 1123 of  
 11 the Bankruptcy Code. However, the Court may require a new disclosure statement and/or re-  
 12 voting on the Plan.

13 **9.2. Modification After Confirmation.** If the debtor is an individual, as in this present case, the  
 14 plan may be modified at any time after confirmation of the plan but before the completion of  
 15 payments under the plan, whether or not the plan has been substantially consummated.  
 16 Modification may be upon request of the Debtor, the Trustee, the United States Trustee, or the  
 17 holder of an allowed unsecured claim for the purpose of (1) increasing or reducing the amount of  
 18 payments under a plan on claims of a particular class provided for by the plan, (2) extending or  
 19 reducing the time period for such payments, or (3) altering the amount of distribution to a creditor  
 20 whose claim is provided for by the plan to the extent necessary to take account of any payment of  
 21 such claim made other than under the plan.

**10. EFFECT OF CONFIRMATION OF PLAN**

**10.1. No Immediate Discharge of Debtor.** Unless after notice and hearing and the Court orders otherwise for cause, confirmation of this Plan does not discharge any debt provided for in this Plan until the Court grants a discharge on completion of all payments under this Plan. Alternatively, should Debtor demonstrate compliance with the requirements of 11 U.S.C. 1141(d)(5)(B) & (C), at any time after confirmation of the Plan, and after notice and a hearing, the Court may grant a discharge prior to completion of payments under the Plan.

**10.2. Vesting.** Property of the Estate will vest in the reorganized Debtor thirty days after entry of the final Confirmation Order.

**10.3. Final Decree.** Once the estate has been fully administered, as provided in Rule 3022 of the Federal Rules of Bankruptcy Procedure, the Plan Proponent, or such other party as the Court shall designate in the Plan Confirmation Order, shall file a motion with the Court to obtain a final decree to close the case. Alternatively, the Court may enter such a final decree on its own motion.

**11. CONCLUSION**

Debtor believes that the Plan as proposed will provide a better outcome for creditors to receive maximum potential payment on claims in a timely fashion than that which would occur resulting from a Chapter 7 liquidation or distress sale of Debtor’s assets. If the Plan is not approved, Debtor will continue to seek reorganization alternatives. Liquidation may ensue though with the potential consequences discussed above in Article 7.

This analysis is based on a number of estimates and assumptions that, although considered reasonable by the Debtor, are inherently subject to significant economic, business and competitive uncertainties and contingencies beyond the control of the Debtor. This analysis is also based on the Debtor’s best judgment of how likely it is that Debtor will be able to retain the same level of income throughout the life of the Plan and not have income reduced. There can be no assurance that the cash flow estimates reflected in this analysis will be realized if the Debtor is unable to maintain current income and actual results may vary materially and adversely from those contained herein.
