THE PLAN OFFERS THE SECURED CREDITORS FORD MOTOR COMPANY LLC, NISSAN-INFINITI LT AND DAIMLER TRUST CONTINUED PAYMENTS IN ACCORDANCE WITH THE TERMS OF THE NOTES.

THE PLAN OFFERS THE GENERAL UNSECURED CREDITORS IN THE CASE A PRO RATED PAYMENT OF 3% OF THE TOTAL AMOUNT OF UNSECURED DEBT OVER A PERIOD OF 60 MONTHS. NO DISTRIBUTION WOULD LIKELY BE AVAILABLE IN A CHAPTER 7 LIQUIDATION OF THE DEBTOR AS THE DEBTOR OWNS NO ASSETS THAT CARRY ANY EQUITY TO DATE.

REQUIREMENTS FOR CONFIRMATION OF THE PLAN

1. Confirmation and Disclosure Statement Hearing

The Bankruptcy Court approved this Disclosure Statement at the hearing held _____ . A hearing on confirmation of the Plan has been set for _____ . At that hearing the Court will determine whether (a) the Plan has been accepted by the requisite number of Creditors and (b) whether the other requirements for confirmation of the Plan have been satisfied. Each Creditor will receive notice of the Confirmation Hearing.

2. Requirements for Confirmation

In order to confirm the Plan, Section 1129 of the Bankruptcy Code requires the Bankruptcy Court to make a series of determinations concerning the Plan, including that:

- a. the Plan classifies Claims and Interests in a permissible manner;

- b. the Plan complies with the technical requirements of Chapter 11 of the Bankruptcy Code;
- c. the proponents of the Plan has proposed the Plan in good faith;
- d. the Plan proponent's disclosures concerning the Plan have been adequate and have included information concerning all payments and distributions to be made in connection with the Plan; and
- e. Confirmation of the Plan will not be followed by the need for liquidation or the need for further financial reorganization of the Debtor.

The Debtor believes that all of these conditions have been met or will be met by the time of the Confirmation Hearing, and the Debtor will seek a determination of the Bankruptcy Court at the Confirmation Hearing that each of these elements has been met.

3. Acceptances Necessary for Confirmation.

The Bankruptcy Code requires that the Plan place each creditor's Claim and each Interest in a class with other Claims or Interests which are substantially similar. The Debtor believes that the classification system in the Plan meets the Bankruptcy Code's standard. Although the Bankruptcy Court must independently conclude that the Plan's classification system is legally authorized, any Creditor or Interest holder who believes that the Plan has improperly classified any group of Claims or Interests may object to Confirmation of the Plan.

The Bankruptcy Code requires that the Plan be accepted by requisite votes of Creditors and Interest Holders in impaired classes. At the Confirmation Hearing, the Bankruptcy Court must determine, among other things, whether the Plan has been accepted by each Class of Creditors and Interest holders whose Claims or Interests are impaired under the Plan. Under Section 1126 of the Bankruptcy Code, any impaired Class is deemed to accept the Plan if it is accepted by at least two-thirds in amount and more than one-half in number of the Allowed Claims or Interests of Class members who have voted on the Plan.

Further, at least one impaired Class must accept the Plan, without counting the vote of Insiders of the Debtor.

Finally, unless there is unanimous acceptance of the Plan by an impaired Class, the Court must also determine that under the Plan, Class members will receive property of value as of the Effective Date of the Plan that is not less than the amount such Class members would receive or retain if the Debtor were liquidated under chapter 7 of the Bankruptcy Code on the Effective Date.

4. Confirmation of the Plan Without Necessary Acceptances.

The Plan may be confirmed even if it is not accepted by all of the impaired classes if the Court finds that the Plan was accepted by at least one impaired Class and does not discriminate unfairly against, and is fair and equitable with respect to, all non-accepting impaired Classes. This provision is set forth in Section 1129(b) of the Bankruptcy Code and requires, among other things, that the holders of Claims or Interests which are impaired must either receive or retain the full value of their Claims or, if they receive less, no Class with a junior priority may receive anything.

5. Absolute Priority Rule.

With certain exceptions, one of the requirements for confirmation is that a Plan not provide for any payments to a junior Class unless all senior Classes are paid in full. Since General Unsecured Claims are superior to the Debtor, the Debtor may not retain their Interests, except as to property delineated by Bankruptcy Code Section 1115, unless one of three situations occur:

- (i) The Plan provides for full payment to general unsecured creditors; or
- (ii) The stockholders seeking to retain their equity interests contribute “money or money’s worth” in the form of needed capital to the Reorganized Company reasonably equivalent in value to that of the equity interest sought to be retained; or
- (iii) The class of unsecured creditors waive their rights by consenting to the Plan as proposed.

6. Persons Entitled to Vote on the Plan.

Only the votes of Classes whose Claims or Interests are impaired by the Plan will be counted in connection with confirmation. Generally, this includes any holders of Claims who will have their contractual rights to payment altered under the Plan. The following Classes of Creditors are entitled to vote on the Plan: Classes II and III.

7. Solicitation of Acceptances.

This Disclosure Statement has been approved by the Bankruptcy Court in accordance with Section 1125 of the Bankruptcy Code and must be provided to creditors which have been scheduled by the Debtor or which have filed a proof of claim and are impaired under the Plan. This Disclosure Statement is intended to assist holders of Claims which are impaired in evaluating the Plan and in determining whether to accept or reject the Plan. Under the Bankruptcy Code, a determination that the Disclosure Statement contains “adequate

information”, as required by the Bankruptcy Code, does not constitute a recommendation by the Bankruptcy Court either for or against the Plan.

8. Voting Procedures.

Only Impaired Classes of Claims are entitled to vote for or against the Plan. Ballots will be mailed to the holders of Classes II and III. All persons or entities entitled to vote on the Plan may cast their votes for or against the Plan by completing, dating, and signing the ballot for accepting or rejecting the Plan to be sent to them together with a copy of the Disclosure Statement and Plan, and delivering same to counsel for the Debtor: Law Offices of Alla Kachan, P.C., 3099 Coney Island Avenue, 3rd Floor, Brooklyn, New York 11235. In order to be counted, all ballots must be received by Law Offices of Alla Kachan, P.C. on or before the date set forth in the Notice of Hearing on Confirmation of Plan. A copy of the proposed ballot has been annexed hereto as **Exhibit “B”**.

H. DESCRIPTION OF THE PLAN

The Plan is annexed to this Disclosure Statement as Exhibit "A". The Plan, which is subject to the provisions of the Bankruptcy Code, provides for treatment of all Creditors of the Debtor. b. Classes Impaired Under The Plan

Under Section 1126 of the Code, Classes of Claims or Interests that are impaired are entitled to vote on a Plan of Reorganization. Under Section 1124 of the Bankruptcy Code, a Class of Claims or Interests is impaired unless the Plan, with respect to such Class:

1. leaves unaltered the legal, equitable and contractual rights to which such Claim or Interest entitles the holder of such Claim or Interest; or
2. reinstates the maturity of such Claim or Interest as such maturity existed before such default; or
3. compensates the holder of such claim or interest for any damages incurred as a result of any reasonable reliance by such holder on such contractual provision or such applicable law; or
4. if such claim or such interest arises from any failure to perform a nonmonetary obligation,

other than a default arising from failure to operate a nonresidential real property lease subject to section 365(b)(1)(A), compensates the holder of such claim or such interest (other than the Debtor or an insider) for any pecuniary loss incurred by such holder as a result of such failure; and

5. does not otherwise alter the legal, equitable, or contractual rights to which such claim or interest entitles the holder of such claim or interest.

I. CURRENT STATEMENT OF OPERATIONS AND BALANCE SHEET

Annexed hereto as Exhibit "C" is the Debtor's Monthly Operating Report as of July 31, 2016. Annexed hereto as Exhibit "D" is Debtor's projected profit and loss statement for 5 years.

J. CLAIMS OBJECTIONS

If, as of thirty (30) days after the Effective Date, the Debtor have pending objections to claims, either filed as proofs of claim and/or scheduled in the Debtor's case (the "Disputed Claims"), no distributions otherwise due will be made by the Reorganized Debtor to the holders of Disputed Claims. At the time of any distribution under the Plan, the Reorganized Debtor will reserve and will not distribute cash equal to the amount that the holders of Disputed Claims at the time of such distribution would have received had the Disputed Claims been Allowed Claims. After the Court has determined all Disputed Claims, the reserved amount will be distributed in accordance with the provisions of the Plan. At such time as a Disputed Claim becomes an Allowed Claim, the distribution that would have been dispersed had the Disputed Claim been an Allowed Claim on the Effective Date will be distributed by the Reorganized Debtor, without interest, to the holder of such Allowed Claim promptly after the Disputed Claim becomes an Allowed Claim pursuant to final order of the Court.

The Debtor and the Reorganized Debtor reserves the right to file objections to claims, to the extent that such objections are deemed necessary and appropriate. Any objections to claims the Debtor intends to bring will be filed no later than thirty (30) days after the Effective Date.

K. EXECUTORY CONTRACTS AND UNEXPIRED LEASES

Unless the Confirmation Order shall otherwise provide, or the Debtor shall have filed a

motion to modify, substitute or reject any executory contracts or unexpired leases on the Effective Date, the Debtor will assume all executory contracts and leases which have not otherwise expired by their own terms. There are no contracts or leases to be assumed by the Debtor which require cure payments for assumption.

A proof of claim for any claim arising from the rejection of an executory contract shall be filed with the Clerk of the Court no later than thirty (30) days subsequent to the date that an order is entered rejecting the executory contract. The claim arising from the rejection of an executory contract or unexpired lease for which a proof of claim is not filed within such time shall be disallowed in its entirety, and shall be forever barred. The Debtor does not intend to file a motion to reject any executory contracts or unexpired leases. Accordingly, the Debtor does not anticipate that there will be any rejection damage claims filed.

L. FULL AND FINAL SATISFACTION

As provided in the Plan, all payments, distributions, and transfers of cash or property, under the Plan are in full and final satisfaction, settlement and release of all claims whatsoever existing as of the Confirmation Date against the Debtor, the Estate and the Reorganized Debtor, of any kind or nature whatsoever. These releases shall be effective upon Substantial Consummation of the Plan.

M. VOTING IMPAIRMENT, CONFIRMATION AND CRAMDOWN

1. Voting.

Claimants with allowed impaired claims are entitled to vote to accept or reject the Plan. A claimant who fails to vote to either accept or reject the Plan will not be included in the calculations regarding the acceptance or rejection of the Plan. Classes which are not "impaired" under the Plan, pursuant to Section 1126(f) of the Bankruptcy Code, are presumed to have accepted the Plan.

If the Court determines that any class is impaired, then a ballot to be completed by the holders of Claims of that class or classes will be enclosed herewith. Instructions for completing and returning the ballots are set forth thereon and should be reviewed at length. The Plan will be confirmed by the Bankruptcy Court and made binding upon all claimants if, with respect to all classes of claimants, the Plan is accepted by the holders of two-thirds (2/3) in dollar amount and

more than one-half (1/2) in number of allowed claims in each class voting upon the Plan.

2. The Confirmation Hearing

The Bankruptcy Court has scheduled the Confirmation Hearing to be held before the United States Bankruptcy Judge Elizabeth S. Stong, at the United States Bankruptcy Court - Eastern District of New York, 271 Cadman Plaza East, Brooklyn, New York 11201-1800 on _____. The Confirmation Hearing may be adjourned from time to time by the Bankruptcy Court without further notice except for the announcement of such adjournment in open Court. At the Confirmation Hearing, or at any adjourned hearing thereof, the Bankruptcy Court will consider whether the Plan satisfies the various requirements of the Bankruptcy Code, including whether it is feasible and whether it is in the best interests of holders of Claims and Interests. The Bankruptcy Court will also receive and consider a certification of ballots prepared on behalf of the proponent concerning the results of the vote on the Plan.

N. POTENTIAL AVOIDANCE AND OTHER SIMILAR CASES

The Debtor, after consultation with its professionals, has determined that there are very few, if any, preference actions. Under a cost benefit analysis, any such litigation would not increase the distribution to any class of creditors. The Debtor has agreed that no such actions will be brought. The Debtor has determined that there are no fraudulent conveyance actions to be brought in these Chapter 11 Cases.

O. TAX CONSEQUENCES TO ALLOWED CLAIMANTS.

The federal income tax consequences with respect to payments of Cash to Allowed Claimants in partial or full satisfaction of debt, or pursuant to a tax free recapitalization or other restructuring, depend on the allocation of such payments to principal and interest owed on the debt. The allocation of payments between interest and principal may affect:

- a. the existence and timing of recognition of interest income by a cash basis Claimant;
- b. the existence and timing of interest deductions on a cash basis (and sometimes to an accrual basis) Debtor;
- c. the amount (and possibly the character) of worthless debt loss recognized by the Claimants;
- d. the amount of cancellation of indebtedness income recognized by the Debtor; and the

amount of gain or loss recognized by the Claimant pursuant to a recapitalization under Internal Revenue Code § 368(a)(1)(E).

An Allowed Claimant will recognize ordinary income to the extent that any stock, debt securities, other premises, or cash received is attributable to interest (including original issue discount) ("OID") which has accrued while the Claimant held the debt and which the Claimant previously included in income, exceeds the fair market value of stock, debt and cash received by the Claimant which is attributable to such accrued interest (including OID).

In addition, such Claimants will realize gain on such amount equal to the excess of the fair market value of stock, debt, other premises and cash received (excluding amounts attributable to interest and discussed above) over the cost or other tax basis of the debt claims surrendered (excluding any tax basis allocated to accrued interest). The gain may be a capital gain unless the exchange has the effect of a distribution of a dividend under Internal Revenue Code § 305 (discussed below) in which case gain recognized that is not in excess of earning and profits of the Debtor will be treated as a dividend. A corporate Claimant who receives a dividend may qualify for a dividend received deduction with respect to the dividend.

The rules regarding taxation of payments to Claimants which are attributable to other accrued but unpaid income items (e.g., rents, compensation, royalties, dividends, etc.) are similar to the rules described above for payments allocated to interest.

-Importance of Obtaining Professional Tax Assistance.

THE FOREGOING IS INTENDED TO BE ONLY A SUMMARY OF SELECTED FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN, AND IS NOT A SUBSTITUTE FOR CAREFUL TAX PLANNING WITH, AND RECEIPT OF ADVICE FROM, A TAX PROFESSIONAL. THE FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN THAT ARE DESCRIBED HEREIN AND THE STATE, LOCAL AND FOREIGN TAX CONSEQUENCES OF THE PLAN THAT ARE NOT ADDRESSED HEREIN, ARE COMPLEX AND, IN SOME CASES, UNCERTAIN. SUCH CONSEQUENCES MAY ALSO VARY BASED ON THE INDIVIDUAL CIRCUMSTANCES OF EACH HOLDER OF A CLAIM. ACCORDINGLY, EACH CLAIMANT AND EQUITY HOLDER IS STRONGLY URGED TO CONSULT WITH ITS OWN TAX ADVISOR REGARDING THE FEDERAL, STATE, LOCAL AND FOREIGN TAX CONSEQUENCES OF THE PLAN.

P. RETENTION OF JURISDICTION.

The Bankruptcy Court shall retain jurisdiction of the Chapter 11 Cases pursuant to and for the purposes set forth in Section 1127(b) of the Bankruptcy Code and, inter alia, for the following purposes:

- (i) To determine additional objections, if any, to the allowance of Claims or Interests;
- (ii) To determine any and all applications for compensation and reimbursement of expenses for professional fees and any other fees and expenses authorized to be paid or reimbursed under the Bankruptcy Code;
- (iii) To amend or modify the Plan to remedy any defect, cure any omission, or reconcile any inconsistency in the Plan or the Confirmation Order as may be necessary or advisable to carry out the purposes and intent of the Plan to the extent authorized by the Bankruptcy Code or the Bankruptcy Rules;
- (iv) To determine any and all controversies and disputes arising under or related to the Plan;
- (v) To construe and enforce any and all provisions of the Plan;
- (vi) To determine any and all applications, motion, adversary proceedings and contested or litigated matters pending before the Bankruptcy Court, or commenced within ninety (90) days of the Effective Date, concerning the administration of the Estate, or its property;
- (vii) To determine any and all controversies and disputes arising under or related to any settlement of an adversary proceeding or contested matter approved by the Bankruptcy Court, either before or after the Confirmation Date; and
- (viii) To enter a final Order or decree in the Debtor's Chapter 11 Case upon notice to the Office of the United States Trustee.
- (ix) To determine such other matters as may be provided for in the Plan, Confirmation Order or as may be authorized under the provisions of the Bankruptcy Code or Bankruptcy Rules.

R. ACCOUNTING PROCESS

S. CREDITORS RIGHTS UNDER § 1129(a)(15)

The Bankruptcy Abuse Prevention and Consumer Prevention Act of 2005 added Bankruptcy Code Section 1129(a)(15) which created additional requirements with respect to the confirmation of a Chapter 11 plan in the case of an individual debtor. Bankruptcy Code Section 1129(a)(15) reads in pertinent part:

In a case in which the debtor is an individual and in which the holder of an allowed unsecured claim objects to confirmation of the plan—

- (A) the value, as of the effect date of the plan, of the property to be distributed under the plan on account of such claim is not less than the amount of such claim; or
- (B) the value of the property to be distributed under the plan is not less than the projected disposable income of the debtor (as defined in section 1325(b)(2)) to be received during the 5-year period beginning on the date that the first payment is due under the plan, or during the period for which the plan provides payment, whichever is longer.

All unsecured creditors have a right to object to the Debtor's Plan. Should an unsecured creditor object to confirmation of the Debtor's Plan, the individual Debtor's Chapter 11 Plan may only be confirmed if the Plan pays unsecured creditors 100% of their Allowed Claims, or devotes five (5) years of the individual Debtor's projected disposable income to the payment of Unsecured Creditors.

THE FAILURE BY AN UNSECURED CREDITOR TO OBJECT TO THE CONFIRMATION OF THE INDIVIDUAL DEBTOR'S PLAN OF REORGANIZATION MAY RESULT IN THE COURT CONFIRMING THE PLAN WITHOUT SATISFYING THE REQUIREMENTS OF SECTION 1129(a)(15). ALL UNSECURED CREDITORS SHOULD DISCUSS THEIR RIGHTS WITH THEIR RESPECTIVE ATTORNEY.

T. DISTRIBUTIONS UNDER THE PLAN

1. The Disbursing Agent

The Reorganized Debtor and such other Person(s) as may be approved by the Reorganized Debtor, or the Bankruptcy Court, shall act as Disbursing Agent(s) under the Plan. Any such Disbursing Agent may, with the prior approval of the Reorganized Debtor, employ or contract with other Persons to assist in or to perform the distributions required.

2. Cash Payments

Cash payments made pursuant to the Plan will be in U.S. dollars by checks drawn on a domestic bank selected by the Reorganized Debtor, or by wire transfer from a domestic bank, at the option of the Reorganized Debtor.

3. Transmittal of Distributions

A distribution shall be deemed made at the time such distribution is deposited in the United States mail, postage prepaid. Except as otherwise agreed with the holder of an Allowed Claim or Allowed Interest, any distribution on account of an Allowed Claim or Allowed Interest shall be distributed by mail to (i) the latest mailing address filed of record for the party entitled thereto or to a holder of a power of attorney designated by such holder to receive such distributions or (ii) if no such mailing address has been so filed, the mailing address reflected on the filed Schedules of Assets and Liabilities or in the Debtor's books and records.

4. Undeliverable Distributions

If any distribution is returned to a Disbursing Agent as undeliverable, no further distributions shall be made to the holder of the Allowed Claim or Allowed Interest on which such distribution was made unless and until the Disbursing Agent or the Debtor are notified in writing of such holder's then-current address. Undeliverable distributions shall remain in the possession of the Disbursing Agent until such time as a distribution becomes deliverable or is deemed canceled (as hereinafter provided). Any unclaimed distribution held by a Disbursing Agent shall be accounted for separately, but the Disbursing Agent shall be under no duty to invest any such unclaimed distribution in any manner. Any holder of an Allowed Claim or Allowed Interest that does not present a Claim for an undeliverable distribution within one hundred and twenty (120) days after the date upon which a distribution is first made available to such holder shall have its right to such distribution and all subsequent distributions discharged and shall be forever barred from asserting any such Claim or Interest against the Reorganized Debtor or its property or against any other Person or entity,

including the Disbursing Agent. All unclaimed or undistributed distributions shall, pursuant to Bankruptcy Code Section 347(b), be the property of the Debtor and shall be treated as determined by the Debtor in its sole and absolute discretion.

U. LEGAL EFFECTS OF CONFIRMATION AND EFFECTIVENESS OF THE PLAN

1. Discharge and Injunction

Entry of the Confirmation Order shall constitute an order of the Bankruptcy Court approving the Plan and any agreements or Orders entered in connection therewith, on and after the Effective Date and subject to the payments to be made under the Plan, and that:

- a. the rights afforded in the Plan, and the treatment of all Claims and Interests thereunder, shall be in exchange for, and in complete satisfaction, discharge, and release of all Claims, (including without limitation, all Administrative Claims, Secured Claims, and Unsecured Claims (including any interest accrued on such Claims from and after the Petition Dates)), against the Debtor and the Reorganized Debtor, or any of their assets or properties and any liability thereunder;
- b. all substantive or obligations of the Debtor shall be terminated, and the Debtor and the Reorganized Debtor shall be deemed discharged and released to the fullest extent permitted by Bankruptcy Code Section 1141 from all Claims that arose prior to the Effective Date against the Debtor and the Reorganized Debtor or their property or assets, (including without limitation, all Administrative Claims, Secured Claims, and Unsecured Claims (including any interest accrued on such Claims from and after the Petition Dates)), and all debts of the kind specified in Bankruptcy Code Sections 502(g), 502(h), or 502(i) of the Bankruptcy Code. This discharge and release shall be effective in each case whether or not: (i) a proof of claim or proof of interest based on such Claim, Administrative Claim, or Interest is Filed or deemed Filed pursuant to Bankruptcy Code Section 501, (ii) a Claim, Administrative Claim, is Allowed pursuant to the Bankruptcy Code, or (i) the holder of a Claim, Administrative Claim has accepted the Plan;
- c. all Persons and Governmental Units shall be permanently enjoined by Bankruptcy Code Section 524 from asserting against the Debtor, its successors, including the Reorganized Debtor, or their assets or properties, any other further Claims, or Administrative Claims, based upon any act or omission, transaction, or other activity of any kind or nature that occurred prior to the

Effective Date. The discharge shall void any judgment against the Debtor and the Reorganized Debtor at any time obtained to the extent that it relates to a Claim, or Administrative Claim, that has been discharged or terminated;

d. all Persons and Governmental Units who have held, currently hold, or may hold a Claim or Administrative Claim, discharged or terminated pursuant to the terms of the Plan shall be permanently enjoined by Bankruptcy Code Section 524 from taking any of the following actions on account of any such discharged Claim or Administrative Claim: (i) commencing or continuing in any manner any action or other proceeding against the Debtor or the Reorganized Debtor, their successors, assets, or properties; (ii) enforcing, attaching, collecting, or recovering in any manner any judgment, award, decree, or order against the Debtor or the Reorganized Debtor, their successors, assets, or properties; (iii) creating, perfecting, or enforcing any lien or encumbrance against the Debtor or the Reorganized Debtor, their successors, assets, or properties; (iv) asserting any setoff, right of subrogation, or recoupment of any kind against any obligation due to the Debtor or the Reorganized Debtor, their successors, assets, or properties; and (v) commencing or continuing any action, in any manner or place, that does not comply with or is inconsistent with the provisions of the Plan or the Confirmation Order. Any Person or Governmental Unit violating such injunction may be liable for actual damages, including costs and attorneys' fees and, in appropriate circumstances, punitive damages; and

e. all Persons and Governmental Units who have held, currently hold, or may hold a Claim or Administrative Claim, discharged or terminated pursuant to the terms of the Plan shall be permanently enjoined by Bankruptcy Code Section 524 from commencing or continuing in any manner any action or other proceeding against any party on account of a Claim or cause of action that was property of the Estate, including, without limitation, any derivative Claims capable of being brought on behalf of the Debtor or the Reorganized Debtor, and all such Claims and causes of action shall remain exclusively vested in the Debtor and the Reorganized Debtor to the maximum extent such Claims and causes of action were vested in the Debtor. The Plan shall be binding upon and govern the acts of all Persons including, without limitation, all holders of Claims and Administrative Claims, all filing agents or officers, title agents or companies, recorders, registrars, administrative agencies, Governmental Units and departments, agencies or officials thereof, secretaries of state, and all other Persons who may be required by law, the duties of their office, or contract to accept, file, register, record, or release any documents or instruments,

or who may be required to report or insure any title or state of title in or to any of the assets of the Debtor or the Reorganized Debtor.

f. Neither the Debtor, the Reorganized Debtor, nor counsel to the Debtor or any Professional Person employed in the Chapter 11 Cases, nor any of their respective members, shareholders, officers, directors, employees, attorneys, advisors or agents shall have or incur any liability to any holder of a Claim or Interest for any act or omission in connection with, or arising out of, the Chapter 11 Cases, the pursuit of confirmation of the Plan, the consummation of the Plan or the administration of the Plan or the property to be distributed under the Plan except for willful misconduct, fraud, breach or fiduciary duty or gross negligence.

g. Notwithstanding any of the foregoing, the Debtor discharge is governed by the provisions of Bankruptcy Code Section 1141(d)(5) which states as follows:

“In a case in which the debtor is an individual –

(A) unless after notice and a hearing the court orders otherwise for cause, confirmation of the plan does not discharge any debt provided for in the plan until the court grants a discharge on completion of all payments under the plan;

(B) at any time after the confirmation of the plan and after notice and a hearing the court may grant a discharge to the debtor who has not completed payments under the plan if – (i) the value, as of the effective date of the plan, of property actually distributed under the plan on account of each allowed unsecured claim is not less than the amount that would have been paid on such claim of the estate of the debtor had been liquidated and under chapter 7 on such date; and (ii) modification of the plan under Section 1127 is not practicable; and

(C) unless after notice and a hearing held not more than ten (10) days before the date of the entry of the order granting the discharge, the court finds that there is no reasonable cause to believe that – (i) section 522(q)(1) may be applicable to the debtor; and (ii) there is pending any proceeding in which the debtor may be found guilty of a felony of the kind described in section 522(q)(1)(A) or liable for a debt of the kind described in section 522(q)(1)(B).

2. Revesting of Property of the Estate and Release of Liens

Except as otherwise provided in the Plan, any contract, instrument, or other agreement or document created in connection with the Plan, or the Confirmation Order, on the Effective Date, all Property of the Estate, wherever situated, shall be revested in the Reorganized Debtor, and

except as set forth herein shall be free and clear of all Claims, mortgages, deeds of trust, liens, security interests, encumbrances, and other interests of any Person, and the Reorganized Debtor may thereafter operate its business and may use, acquire, and dispose of property and compromise or settle any Claims without the supervision or approval of the Bankruptcy Court, free of any restrictions of the Bankruptcy Code, the Bankruptcy Rules, the Local Bankruptcy Rules of the United States Bankruptcy Court for the Eastern District of New York, and the guidelines and requirements of the Office of the United States Trustee.

3. Votes Solicited in Good Faith

The Debtor have, and upon Confirmation of the Plan will be deemed to have, solicited acceptances of the Plan in good faith and in compliance with the applicable provisions of the Bankruptcy Code. The Debtor (and each of its affiliates, agents, directors, officers, members, employees, advisors, and attorneys if any) have participated in good faith and in compliance with the applicable provisions of the Bankruptcy Code and therefore has not been, and will not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or the distributions made under the Plan.

4. Administrative Claims Incurred After the Effective Date

Administrative Claims incurred by the Debtor after the Effective Date including (without limitation) Claims for Professionals' fees and expenses incurred after such date, may be paid by the Reorganized Debtor in the ordinary course of business and without application for or Bankruptcy Court approval.

V. MODIFICATION OR REVOCATION OF THE PLAN

Subject to the restrictions on modifications set forth in Bankruptcy Code Section 1127, the Debtor and the Reorganized Debtor reserve the right to alter, amend, or modify the Plan before or after the Effective Date. No alterations, amendments, or modifications may be made by any party except the Debtor or the Reorganized Debtor. If the Plan is modified by the Debtor or the Reorganized Debtor such entity will give notice of the amendment or modification to the U.S. Trustee. A hearing on such issues and any resolicitation of ballots may significantly delay Confirmation and, consequently, significantly delay distributions under the Plan.

The provisions of the Plan are not severable unless such severance is agreed to by the Debtor or the Reorganized Debtor and such severance would constitute a permissible modification

of the Plan pursuant to Bankruptcy Code Section 1127.

W. SUMMARY OF CERTAIN OTHER PROVISIONS OF THE PLAN

1. Setoffs

Except as otherwise provided in the Plan, agreements entered into in connection therewith, the Confirmation Order, or in agreements previously approved by Final Order of the Bankruptcy Court, the Debtor or the Reorganized Debtor may, pursuant to Bankruptcy Code Section 553 or applicable non-bankruptcy law, setoff against any Allowed Claim (before any distribution is made on account of such Claim) any and all of the Claims, rights and causes of action of any nature that the Debtor may hold against the holder of such Allowed Claim.

X. MEANS OF IMPLEMENTING THE PLAN

The funds required for confirmation and the payment of claims required to be paid on the Effective Date shall be provided by the Debtor and the Reorganized Debtor from funds generated by the business operations of the Debtor.

Y. EVENTS OF DEFAULT

It shall be an event of default if the Reorganized Debtor fail to make any payment as provided in the Plan.

Upon written receipt from any creditor of notice of default, the Reorganized Debtor shall have a period of thirty (30) days from receipt of such notice to cure such default and during such thirty (30) day period, the creditors shall take no action to terminate this Plan. If such default is cured by the Reorganized Debtor within said thirty (30) day period, then the Plan shall continue in full force and effect. Notices of default shall be sent to the Reorganized Debtor and the Debtor's attorneys, Law Offices of Alla Kachan, P.C., by overnight and electronic mail to: Law Offices of Alla Kachan, P.C., 3099 Coney Island Ave, 3rd Floor, Brooklyn, NY 11235, alla@kachanlaw.com.

**Z. ALTERNATIVES TO CONFIRMATION AND CONSUMMATION OF THE
PLAN**

If the Plan is not confirmed and consummated, the alternatives to the Plan include (i) liquidation of the Debtor under Chapter 7 of the Bankruptcy Code, and (ii) an alternative plan

of reorganization or a plan of liquidation.

A. Alternative Plan of Reorganization or Plan of Liquidation

If the Plan is not confirmed, the Bankruptcy Court could confirm a different plan. The Plan is, in essence, a reorganization of the Debtor's business and a different plan might involve either a reorganization and continuation of the Debtor's business or an orderly liquidation of the Debtor's assets. The Debtor believe that the Plan, as described herein, enables creditors and interest holders to realize the highest and best value under the circumstances. The Debtor believes that any liquidation of the Debtor's assets or alternative form of Chapter 11 plan is a much less attractive alternative to creditors than the Plan because of the far greater returns and certainty provided by the Plan. Other alternatives could involve diminished recoveries, significant delay, uncertainty, and substantial additional administrative costs. The Debtor believes that its Plan provides the best recovery to its creditors which provides for a distribution of Cash, rather than no recovery or diminished recoveries following a liquidation of its assets or distribution of other property.

B. Liquidation Under Chapter 7

If no plan is confirmed, the Chapter 11 Case may be converted to cases under Chapter 7 of the Bankruptcy Code, pursuant to which a trustee would be appointed or elected to liquidate the Debtor's assets for distribution in accordance with the priorities established by Chapter 7 of the Bankruptcy Code. (Please see attached **Exhibit "E"** – The Liquidation Analysis).

CONCLUSION

The Debtor believes that its Plan of Reorganization will result in creditors receiving more than they would under a hypothetical Chapter 7 liquidation and believes that Confirmation of the Plan of Reorganization is in the best interests of creditors and interest holders of the Debtor. Accordingly, the Debtor urges all Creditors to accept the Plan.

If the Effective Date does not timely occur, the Debtor reserve all rights to seek an order from the Bankruptcy Court directing that the Confirmation Order be vacated, that the Plan be null and void in all respects, and/or that any settlement of Claims provided for in the Plan be null and void. If the Bankruptcy Court enters an order vacating the Confirmation Order, the time within which the Debtor may assume and assign, or reject all executory contracts and unexpired leases not previously assumed, assumed and assigned, or rejected, shall be extended for a period of 30 days after the date the Confirmation Order is vacated, without prejudice to further extensions.

ARTICLE VIII

PROCEDURES FOR RESOLVING DISPUTED CLAIMS

A. Time Limit for Objections to Claims

Objections to Claims shall be filed by the Debtor with the Court and served upon each Holder of each of the Claims to which objections are made, not later than sixty (60) days

subsequent to the Confirmation Date or with such other time period as may be fixed by the Court.

B. Resolution of Disputed Claims

Unless otherwise ordered by the Court, the Debtor shall litigate to judgment, settle or withdraw objections to Disputed Claims, in its sole discretions, without notice to any party in interest.

Notwithstanding any other provision of the Plan, no Distributions shall be made with respect to all or any portion of a Disputed Claim unless and until all objections to the Disputed Claim have been settled or withdrawn or have been determined by Final Order, and the Disputed Claim, or some portion thereof, has become an Allowed Claim. To the extent that a Claim is not a Disputed Claim but is held by a Holder that is or may be liable to the Debtor on account of a Cause of Action, no Distributions shall be made with respect to all or any portion of such Claim unless and until such Claim and liability have been settled or withdrawn or have been determined by Final Order of the Bankruptcy Court or such other court having jurisdiction over the matter.

C. Distribution after Allowance

Distributions to the Holder of a disputed claim, to the extent that it ultimately becomes an Allowed claim, will be made in accordance with provisions of the Plan that govern distributions to Holders in that Class.

D. Estimation

The Debtor may, at any time, request that the Bankruptcy Court estimate any contingent, unliquidated, or Disputed Claim pursuant to section 502(c) of the Bankruptcy Code regardless of whether the Debtor previously objected to such Claim. The Bankruptcy Court shall retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including, without limitation, during the pendency of any appeal relating to any such objection. In the event that the Bankruptcy Court estimates any contingent, unliquidated, or Disputed Claim, the amount so estimated shall constitute either the Allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on the amount of such Claim, the Debtor may pursue supplementary proceedings to object to the allowance of such Claim. All of the aforementioned objection, estimation, and resolution procedures are

intended to be cumulative and not exclusive of one another. On and after the Effective Date, Claims that have been estimated may be compromised, settled, withdrawn, or otherwise resolved subsequently, without further order of the Bankruptcy Court.

ARTICLE IX

TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

A. Rejected Contracts and Leases

Except as otherwise provided in the Confirmation Order or the Plan, the Confirmation Order shall constitute an order under Section 365 of the Bankruptcy Code rejecting all pre-petition executory contracts and unexpired leases to which the Debtor is a party, to the extent such contracts or leases are executory contracts or unexpired leases, on and subject to the occurrence of the Effective Date, unless such contract or lease (a) previously shall have been assumed, assumed and assigned, or rejected by the Debtor, (b) previously shall have expired or terminated pursuant to its own terms before the Effective Date, or (c) is the subject of a pending motion to assume or reject on the Confirmation Date.

B. Bar to Rejection Damages

If the rejection of an executory contract or unexpired lease gives rise to a Claim by the other party or parties to the contract or lease, the Claim shall be forever barred and shall not be enforceable against the Post-Confirmation Debtor, unless a Proof of Claim is filed and served on the Post-Confirmation Debtor within 30 days after service of a notice of the Effective Date or such other date as is prescribed by the Bankruptcy Court.

ARTICLE X

RISK FACTORS

Pursuant to 11 U.S.C. section 1129(A)(15), if an unsecured creditor files an objection to confirmation, the Debtor's plan cannot be confirmed unless the amount distributed under the plan is not less than the Debtor's disposable income to be received during the 5-year period after the date the first payment is due under the plan. The risk in this case is that, because the Debtor proposes to distribute his disposable income to be received only for a 2-year period after the date the first payment is due, the plan cannot be confirmed if an unsecured creditor files an

objection to confirmation of the plan, unless the debtor further amends the plan and increases the amount of distribution to creditors of the Debtor's disposable income from 2 years to 5 years.

ARTICLE XI

DEFAULT

The Debtor shall be deemed in default if it fails to make timely payments to any creditors as provided for in the Plan and the Debtor and each creditor shall abide by the following:

1. Upon written receipt from any creditor of notice of default relating to payments, the Debtor shall have a period of thirty (30) days from receipt of such notice to cure such default, during such 30-day period, the creditors shall take no action to terminate the Debtor's Plan. If such default is cured by the Debtor within the 30-day period, the Plan shall continue in full force and effect. Any notices of default under the Plan shall be served upon the Debtor and Debtor's attorney.

2. If full payment of the default amount is not paid by the Debtor within thirty (30) days of such demand, the Internal Revenue Service and/or New York State Department of Taxation and Finance may collect any unpaid liabilities through governing administrative collection provisions, and the automatic stay of 11 U.S.C. §363(a) is lifted for this purpose without further order of the court.

3. If Debtor fails to make any post-confirmation deposits, fails to pay any post-confirmation tax liability or fails to file post-confirmation tax returns by the due date of the tax return, then after 5-days written notice of default to Debtor and Debtor's counsel and Debtor's failure to cure, the United States and/or the New York State Department of Taxation and Finance may declare a default of the Plan.

ARTICLE XII

DISCHARGE AND INJUNCTION

A. Discharge of the Debtor

Pursuant to Section 1141(d)(5) of the Bankruptcy Code, upon the Effective Date, the Debtor will be discharged from any claim that arose prior to the petition date whether or not the Holder of the Claim has accepted the Plan, except that the debtor may, by separate motion and after notice and a hearing seek discharge for cause. Pursuant to Section 1141(d)(2) of the

Bankruptcy Code, the Debtor will not be discharged from any debt excepted from discharge under section 523 of this title.

B. Release by the Debtor

To the extent permitted by Section 1125(e) of the Bankruptcy Code on the Effective Date, the Debtor and its Estate shall be released unconditionally, and hereby deemed to forever release unconditionally, (i) Debtor's Professionals from any and all claims, obligations, suits, judgments, damages, rights, causes of action and liabilities whatsoever (other than the right to enforce the performance of their respective obligations, if any, to the Debtor under the Plan, and the contracts and other agreements delivered under the Plan), whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, directly or derivatively, then existing or thereafter arising, in law, equity or otherwise that are based in whole or in part on any act or omission, transaction, event or other occurrence taking place on or prior to the Effective Date in any way relating to the Debtor, the Chapter 11 Case, the Plan or the Disclosure Statement provided, however, that notwithstanding the foregoing nothing contained herein is intended to or shall operate as a release of any claims for fraud, willful misconduct or gross negligence.

C. Injunction

Except as otherwise provided in the Plan, the Confirmation Order shall provide, among other things, that from and after the Effective Date all Persons who have held, hold or may hold Claims against the Debtor are permanently enjoined from taking any of the following actions against the Debtor, its Estate, or any of their property on account of any such Claims: (1) commencing or continuing, in any manner or in any place, any action or other proceeding; (2) enforcing, attaching, collecting or recovering in any manner, any judgment, award, decree or order; (3) creating, perfecting or enforcing any lien or encumbrance; (4) asserting a setoff, right of subrogation or recoupment of any kind against any debt, liability or obligation due to the Debtor unless authorized under the Plan; (5) commencing or continuing, in any manner or in any place, any action that does not comply with or is inconsistent with the provisions of the Plan; provided, however, that nothing contained in the Plan shall preclude such Persons from exercising their rights pursuant to and consistent with the terms of the Plan or the Confirmation Order.

D. Limitation of Liability

Except as otherwise provided in the Plan, the Debtor and its Professionals and any of such parties' successors and assigns, shall not have or incur any claim, action, proceeding, Cause of Action, suit, account, controversy, agreement, promise, right to legal remedies, right to equitable remedies, right to payment or Claim (as defined) in Section 101(4) of the Bankruptcy Code), whether known, unknown, reduced to judgment, not reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, secured or unsecured and whether asserted or assertable directly or derivatively, in law equity or otherwise to one another or to any Holder of a Claim, or any other party in interest, or any of their respective agents, employees, representatives, financial advisors, attorneys, or any of their successors or assigns, for any act or omission originating or occurring on or after the Petition Date through and including the Effective Date in connection with, relating to, or arising out of the Debtor, the Chapter 11 Case, negotiation and filing of the Plan or any prior plans, filing Chapter 11 Case, the pursuit of confirmation of the Plan or any prior plans, the consummation of the Plan, the administration of the Plan or the property to be liquidated other than resulting from and/or gross negligence as determined by a Final Order of a court of competent jurisdiction, and in all respects shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities under the Plan. Nothing herein shall abrogate the requirements of any applicable professional disciplinary rules.

E. Terms of Bankruptcy Injunction or Stays

All injunctions or stays provided for in the Chapter 11 Case under Sections 105 or 362 of the Bankruptcy Code, or otherwise, and in existence on the Confirmation Date, shall remain in full force and effect until the Effective Date unless otherwise provided in this Plan. Upon the Effective Date, the injunction provided in Article XI(D) shall apply.

ARTICLE XIII

RETENTION OF JURISDICTION

The Court shall retain and have exclusive jurisdiction over the Chapter 11 Case for the following purposes:

1. to determine any and all objections to the allowance of claims;
2. to determine any and all pending applications for the rejection or assumption of executor contracts or unexpired leases to which the Debtor is a party or with respect to which it
