**DECLARATION OF Y.C. RUBIN PURSUANT
TO LOCAL BANKRUPTCY RULE 1007-4**

Y.C. Rubin declares the following under penalties of perjury pursuant to 28 U.S.C. §1967:

1. I am the Chief Restructuring Officer of 90 West Street LLC (the “Debtor”), together with its affiliate, Woodbriar Health Center LLC (“WHC”). I have been appointed by the members of the Debtor to lead its efforts to restructure and reorganize the financial and legal affairs of both entities through Chapter 11, although the petition relating to WHC is still being prepared. Once both cases are filed, the Debtors shall seek joint administration of the cases.

2. The Debtor owns the real property occupied by WHC, which operates a nursing home facility at the location (collectively, the “Facility”).

3. This Chapter 11 filing is being made on an emergency basis in an effort to avoid a potential distressed sale of the Facility in light of a pending state court receivership and motion to cause a sale thereof filed by the Debtor’s secured creditor, Oxford Finance LLC (“Oxford”).

4. I have served in a similar chief restructuring capacity in connection with a pending confirmed Chapter 11 proceeding before this Court (Keen Equities LLC, Case No. 13-46782). Certain principals in the Keen Chapter 11 case are also principals and investors in the Debtor’s Chapter 11 case. Thus, this case is being filed as a related matter to the Keen Equities case based on affiliated ownership and the overlap in the current management. Moreover, all

major management and executive decisions relating to the Debtor are now being made in the Eastern District of New York, which constitutes the nerve center for the Debtor, although the Facility is located in the Boston area.

5. Additionally, the operative Term Loan and Security Agreement and related documents with Oxford provide that New York law governs, and the parties previously consented to the jurisdiction of the New York state or federal courts to hear disputes. Accordingly, the Debtor submits that venue of this Chapter 11 case is properly in the Eastern District of New York.

6. In my capacity as Chief Restructuring Officer, I respectfully submit this Declaration in support of the Debtor's Chapter 11 filing in accordance with the Local Rules of this Court.

7. The purpose of this Declaration is to provide pertinent information regarding the circumstances prompting the Chapter 11 filings the Debtor's business, assets, and capital structure, and the Debtor's strategies for reorganization.

Salient Events Leading up to the Chapter 11 Filings

8. The Debtor, together with its affiliate, WHC, was organized in or about March 2015 to acquire the Facility for approximately \$22 million. The acquisition included both the real property at 90 West Street (the "Property") on which the Facility is located and the nursing home itself.

9. The Facility is part of the Synergy Health Care organization, which was primarily managed by Zisha Lipschutz. As part of the reorganization, Mr. Lipschutz will be stepping down once operating licenses are issued to a new managing member. The process to change the managing member will begin shortly after the Chapter 11 filing by the Debtor and WHC.

10. Although we do not believe it is necessarily a fair assessment, Mr. Lipschutz's continuing involvement has proved to be a lightning rod for many parties in interest, and he has agreed to voluntarily be replaced once the re-licensing process is completed.

11. The Facility has a 142 bed capacity, and is well appointed. The Facility employs approximately 137 people with a weekly payroll of approximately \$210,000 - \$230,000.

12. Following the Debtor's closing of the acquisition of the Facility in March 2015, and for the remainder of 2015, WHC operated the Facility at a profit and the census numbers were consistently high, averaging 130 patients at any given time.

13. Unfortunately, the fate of WHC changed dramatically on Christmas Eve, 2015, when a patient, Mary Ellen Meuse, broke her leg while being transferred out of her bed via a Hoyer Lift. Ms. Meuse subsequently died in the hospital a few days later from renal failure caused by internal bleeding following the fall.

14. The episode was truly unfortunate, but is not indicative of WHC's dedication to patient care. Nevertheless, it garnered a great deal of negative publicity. In turn, WHC's patient census declined from an average 130 patients to levels of less than 100 patients. As a result, the Facility suffered declining revenues and operating losses of approximately \$2 million in 2017, based on WHC's reduced total revenues of approximately \$10 million. In 2015, WHC's total revenues were approximately \$15.0 million.

15. Notwithstanding the adverse events, the Debtor and WHC have always remained current with debt service payments to Oxford since the acquisition in March of 2015. Under the loan agreement, Oxford controls all of the Facility's cash receipts and collections through a Deposit Account Control Agreement ("DACA").

16. The first waterfall under the DACA is payment of interest, amortization and reserves, aggregating approximately \$160,000 per month. Oxford financed approximately \$19 million in connection with the acquisition of the Facility, and also provides WHC with a separate credit facility of up to \$2 million on a revolving basis.

17. Oxford holds a first mortgage lien and security interest against the Property, as well as all of the WHC's operating assets and receivables, which consist primarily of Medicare-Medicaid reimbursement. The total current principal balance owed to Oxford has been paid down to approximately \$16.0 million.

18. In 2016, the Debtor and WHC entered into a forbearance agreement with Oxford which has since ended. Thereafter, the Debtor and WHC became subject to various financial covenant defaults, including WHC's accrual of certain arrears with respect to taxes and user fees of approximately \$700,000.

19. Based upon these defaults, Oxford commenced a foreclosure proceeding last fall against the Debtor and WHC, as co-borrowers. The firm of KCP Advisory Group was appointed on November 22, 2017 to act as a receiver (the "Receiver") with respect to the assets of the Facility. Notwithstanding the appointment of the Receiver, WHC's clinical management team, now headed by Damian Dell'Anno of Next Step Healthcare, has remained in place. Mr. Dell'Anno is a highly regard clinical manager and helped improve care at the Facility and ameliorate the prior negative publicity. Indeed, over the last year, there has been a marked improvement in WHC's census rates, as well as patient care.

20. While the Debtor was hoping to restructure its debt obligations without formal proceedings, Oxford has moved to amend the order appointing the receiver to direct a sale of the Facility. The prospect of a distressed sale makes the filing of a Chapter 11 an imperative, and

the goal is to obtain the benefit of a cooling-off period triggered by the automatic stay so as to enable the Debtor to pursue a mutually acceptable loan restructuring with Oxford without the pressure of a pending sale of the Facility.

Local Rule 1007 Disclosures

21. Pursuant to Local Rule 1007-4(a)(iii-iv), no committees were formed prior to the filing of the Petition.

22. Pursuant to Local Rule 1007-4(a)(v), a list of the names and addresses of the creditors holding the 20 largest unsecured claims against the Debtor is attached to the Petition.

23. Pursuant to Local Rule 1007-4(a)(v), Oxford is the Debtor's primary secured creditor.

24. Pursuant to Local Rule 1007-4(a)(vii), a summary of the assets and liabilities of the Debtor is set forth in the Schedules.

25. Pursuant to Local Rule 1007-4(a)(vii), a list of equity holders is attached to the Petition.

26. Pursuant to Local Rule 1007-4(a)(ix), the Debtor's Property is currently in the possession of the Receiver.

27. Pursuant to Local Rule 1007-4(a)(x), the Debtor's ownership of the Property is reflected in the Bankruptcy Schedules filed herewith.

28. Pursuant to Local Rule 1007-4(a)(xi), the Debtor's Property is located in Wilmington, MA.

29. Pursuant to Local Rule 1007-4(a)(xii), the Debtor's members receive no compensation, and have helped finance operating shortfalls for the Facility. A total management

fee of 5.75% for WHC is split between Mr. Dell'Anno's company, Next Step Healthcare and Mr. Lipschutz's back-office company, Synergy Health Care (on a 60-40 basis).

30. Pursuant to Local Rule 1007-4(a)(xix-xvi), a 30-day budget will be prepared shortly after the filing in connection with the anticipated cash collateral negotiations relating to WHC.
