INTRODUCTION

On March 29, 2017 (the “**Petition Date**”)¹ WEC and its debtor affiliates (each, a “**Debtor**” and collectively, the “**Debtors**” and with their non-Debtor subsidiaries, “**Westinghouse**”) commenced with the United States Bankruptcy Court for the Southern District of New York (the “**Bankruptcy Court**”) voluntary cases pursuant to chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”). The Debtors’ chapter 11 cases (the “**Chapter 11 Cases**”) are being jointly administered under the caption *In re Westinghouse Electric Company LLC, et al.*, Case No. 17-10751 (MEW).

The purpose of this Disclosure Statement is to provide holders of Claims entitled to vote to accept or reject the Plan with adequate information about (i) the Debtors’ businesses and certain historical events; (ii) the Chapter 11 Cases; (iii) the Plan; (iv) the rights of holders of Claims and Interests under the Plan; and (v) other information necessary to enable each holder of a Claim entitled to vote on the Plan to make an informed judgment as to whether to vote to accept or reject the Plan. Holders of Claims in Class 1 (Other Priority Claims), Class 2 (Other Secured Claims), and Class 4 (Intercompany Claims), and holders of Interests in Class 5 (U.S. HoldCo Interests), Class 6 (TNEH UK Interests), and Class 7 (Intercompany Interests) are not entitled to vote on the Plan (*see* discussion at Section V of this Disclosure Statement).

Under the Bankruptcy Code, only holders of claims or interests in “impaired” classes are entitled to vote on a plan (each class constituting a “**Voting Class**” and each claim constituting a “**Voting Claim**”) (unless, for reasons discussed in more detail below, such holders are deemed to reject the plan pursuant to section 1126(g) of the Bankruptcy Code). Under section 1124 of the Bankruptcy Code, a class of claims or interests is deemed to be “impaired” under a plan unless (i) a plan leaves unaltered the legal, equitable, and contractual rights to which such claim or interest entitles the holder thereof to, or (ii) notwithstanding any legal right to an accelerated payment of such claim or interest, a plan, among other things, cures all existing defaults (other than defaults resulting from the occurrence of events of bankruptcy) and reinstates the maturity of such claim or interest as it existed before the default.

Pursuant to section 1125 of the Bankruptcy Code, the Debtors, supported by the PSA Parties, submit this Disclosure Statement to all holders of Claims against the Debtors entitled to vote on the Plan to provide information in connection with the solicitation of votes to accept or reject the Plan. This Disclosure Statement is also available to all holders of Claims against and Interests in the Debtors for informational purposes, including to detail the impact the Plan will have on such holders’ Claims and Interests.

A. Voting Procedures

As set forth in more detail in Section V of this Disclosure Statement, only holders of Claims in Class 3 (General Unsecured Claims) are entitled to vote or are being solicited to vote to accept or reject the Plan. The Debtors will mail each holder of a Claim that is entitled to vote on the Plan a ballot (a “**Ballot**”) and voting instructions regarding how to properly complete the Ballot and submit a vote on the Plan. The individual Ballots must be used to vote each individual Claim. For detailed voting instructions, please refer to the specific voting instructions and the Ballot you will receive in the mail.

¹ Unless otherwise expressly set forth herein, capitalized terms used but not otherwise herein defined have the same meanings ascribed to such terms in the Plan.

All completed Ballots must be actually received by the Debtors' solicitation agent Kurtzman Carson Consultants LLC ("**KCC**" or the "**Solicitation and Distribution Agent**") no later than **8:00 p.m. (Prevailing Eastern Time) on March 15, 2018** (the "**Voting Deadline**").

The Debtors will be accepting electronic ballots ("**E-Ballots**") via electronic, online transmission through an E-Ballot platform available on KCC's website at <http://www.kccllc.net/westinghouse>. Holders of Claims may cast an E-Ballot and electronically sign and submit such Ballot using the E-Ballot platform. Instructions for casting an E-Ballot are available on KCC's website. Alternatively, Ballots may be sent so as to be received by the Voting Deadline via regular mail, overnight couriers, or hand delivery to:

Westinghouse Ballot Processing Center
c/o KCC
2335 Alaska Avenue
El Segundo, CA 90245

If you are holder of a Claim that is entitled to vote on the Plan and you did not receive a Ballot, received a damaged Ballot, or lost your Ballot, or if you have any questions concerning this Disclosure Statement, the Plan, or the procedures for voting on the Plan, please contact KCC at (877) 634-7177 (domestic toll-free) or (424) 236-7223 (international) or email (WestinghouseInfo@kccllc.com).

THE SOLICITATION AND DISTRIBUTION AGENT WILL NOT COUNT ANY BALLOTS RECEIVED AFTER THE VOTING DEADLINE, UNLESS EXTENDED BY THE DEBTORS.

D. Brief Overview of the Plan²

The Plan described in this Disclosure Statement provides for a global and integrated compromise and settlement of all disputes among the Debtors, and the direct and indirect non-Debtor subsidiaries of TSB Nuclear Energy Services Inc. (“**U.S. HoldCo**”) and TNEH UK (collectively, the “**Company Affiliates**”) and their key creditor constituencies. The Plan provides for a transaction valued at approximately \$4.6 billion, pursuant to which Brookfield WEC Holdings LLC (the “**Plan Investor**” or “**Brookfield**”) will provide approximately \$3.802 billion (subject to certain adjustments and holdbacks, the “**Plan Investment Proceeds**”) in cash and cash consideration to fund a chapter 11 plan process in exchange for the acquisition of 100% of (i) the equity interests in Westinghouse Electric Holdings UK Limited (“**WECHOL**”) held by TNEH UK, and (ii) the equity interests in reorganized U.S. HoldCo, in the latter case subject to certain excluded assets and liabilities (collectively, the “**Plan Investment Transaction**”) pursuant to that certain Plan Funding Agreement, dated January 12, 2018, by and among TNEH UK and U.S. HoldCo, as sellers, and Plan Investor, as buyer (the “**Plan Funding Agreement**”) ³ and in accordance with the Plan. The Plan Investment Transaction further contemplates the assumption of approximately \$770 million of liabilities, subject to certain adjustments.

The Debtors have engaged in extensive negotiations with (i) their ultimate parent, Toshiba Corporation (“**Toshiba**”), (ii) the holder of the largest Claims asserted against the Debtors, Nucleus Acquisition LLC (the “**Consenting Claimholder**”), (iii) the UCC, and (iv) the Plan Investor (collectively, the “**PSA Parties**”), which culminated in the entry into a “**Plan Support Agreement**,” dated January 17, 2018.⁴ Pursuant to the Plan Support Agreement, the PSA Parties have agreed to support the Plan and the restructuring transactions contemplated in the term sheet annexed thereto and incorporated into the Plan (the “**Restructuring**”).

Pursuant to the Plan and Confirmation Order, a Plan Oversight Board will be established to, among other things, oversee and direct the implementation and administration of the Plan for the benefit of holders of Claims. As discussed more fully herein, the Plan Oversight Board will be comprised of five individuals and will have authority to implement the Reconciliation Plan (as defined herein) and, among other things, and subject to certain restrictions in the Plan, facilitate Distributions under the Plan.

On or before the effective date of the Plan (the “**Effective Date**”), the Plan Investor will transfer the Net Plan Investment Proceeds, and the Debtors will transfer the Excluded Assets,⁵ to an entity to be formed to administer the Plan (“**Wind Down Co**”) for the benefit of holders of Allowed Claims. On the Effective Date, Wind Down Co shall deposit cash or cash equivalents of Wind Down Co equal to \$1.15 billion (the “**Segregated Funds**”) in a segregated account (the “**Segregated Account**”) to be used for Distributions to Allowed Class 3A General Unsecured Claims. The UCC will direct the Debtors’

² This summary is qualified in its entirety by reference to the Plan. Statements as to the rationale underlying the treatment of Claims and Interests under the Plan are not intended to, and will not, waive, compromise, or limit any rights, claims, defenses, or causes of action in the event that the Plan is not confirmed. You should read the Plan in its entirety before voting to accept or reject the Plan.

³ In the event that any inconsistencies between the provisions of the Plan Funding Agreement and the general description of such agreement in this Disclosure Statement, the Plan Funding Agreement shall control.

⁴ Please see Section IV(R) below for a description of the terms of the Plan Support Agreement, the various settlements and compromises contained therein, and the process and negotiations among the PSA Parties.

⁵ The “**Excluded Assets**” are those assets set forth on Exhibit J to the Plan, and will be transferred to Wind Down Co immediately prior to the closing of the Plan Investment Transaction.

Solicitation and Distribution Agent with respect to making Distributions to holders of Allowed Class 3A General Unsecured Claims. The Plan Oversight Board will direct Wind Down Co and utilize the Net Plan Investment Proceeds (less the amount of Segregated Funds placed into the Segregated Account), Excluded Assets, and any Cash received by Wind Down Co after the Effective Date to make Distributions to holders of Allowed Claims (other than Class 3A General Unsecured Claims) and to fund the activities of Wind Down Co.

Based on the Plan Investment Proceeds, the Debtors' analysis of Claims asserted against them, and the settlements and compromises with the PSA Parties and the Company Affiliates embodied in the Plan, the Debtors believe that holders of Allowed Class 3A General Unsecured Claims are estimated to receive Distributions under the Plan at or just below 100% of their Allowed 3A General Unsecured Claims.

Section V of this Disclosure Statement provides a more detailed description of the Plan.

E. Summary of Distributions and Voting Eligibility

The following summary table briefly outlines the classification and treatment of Claims against and Interests in the Debtors under the Plan, and the voting eligibility of the holders of such Claims. II.

THE DEBTORS' OPERATIONS AND CAPITAL STRUCTURE

A. Overview of Operations

Westinghouse operates an industry-leading global nuclear power business that provides products and services to most of the world's nuclear operating fleet, including: bespoke design, manufacturing, and engineering services; advanced products and services for complete plant outage support; design, manufacturing, and delivery of nuclear fuel; decommissioning services; and a variety of other critical services and support to nuclear power plants. Westinghouse has 63 global offices in 19 countries.

As of August 15, 2017, there were 99 operating nuclear reactors at 61 nuclear power plants in the United States.⁶ Westinghouse technology is used in approximately 60% of these nuclear power plants. Additionally, Westinghouse is the original equipment manufacturer or technology provider for 50% of the global installed base, inclusive of reactors constructed under licensing arrangements. Since 1990, the share of total annual U.S. electricity generation provided by nuclear power has averaged about 20%.

⁶ U.S. Energy Information Administration, *available at* <https://www.eia.gov/tools/faqs/> (last visited Jan. 25, 2018).

Further, Westinghouse is the original equipment manufacturer (“**OEM**”) for nuclear reactor technology for 59 out of the 99 licensed commercial nuclear reactors in the U.S. and 95 out of the 445 operable licensed commercial nuclear reactors worldwide.

B. Prepetition Capital Structure

Westinghouse is divided into two sibling chains of corporate entities: (i) a chain of U.S.-domiciled entities that are directly and indirectly owned by Debtor U.S. HoldCo (U.S. HoldCo, collectively with its direct and indirect subsidiaries, “**WEC U.S.**”), a Delaware limited liability company; and (ii) a chain of entities in the rest of the world (“**WEC EMEA**”) that are directly and indirectly owned by Debtor TNEH UK, a holding company registered in England and Wales.

In 2006, Toshiba and certain of its affiliates acquired a controlling equity interest in Westinghouse, and Toshiba is currently the ultimate parent corporation of Westinghouse. Toshiba indirectly owns 100% of WEC and directly owns 100% of TNEH UK.⁷

Westinghouse operates its product lines on a global basis. The WEC U.S. and WEC EMEA entities depend heavily on one another for business support relating to operations, engineering, intellectual property, credit support, and guarantees. Westinghouse operates its complex businesses by business line on a geographically consolidated basis. As such, WEC U.S. and WEC EMEA are a synergistic and operationally integrated nuclear power company.

C. Prepetition Funding

As of the Petition Date, the Debtors were not party to any secured funded debt arrangements, and the majority of the Debtors’ assets were unencumbered by liens.

Prior to the commencement of these Chapter 11 Cases, Westinghouse relied on Toshiba as its primary source of capital funding. Prepetition funding from Toshiba to Westinghouse included (i) \$250 million provided to WEC U.S. pursuant to that certain \$100 million promissory note dated February 6, 2017, and that certain \$150 million promissory note dated February 13, 2017, and (ii) \$650 million provided to WECHOL pursuant to that certain Loan Agreement dated February 6, 2017.

Besides Toshiba, Westinghouse’s only other significant source of prepetition financing was the unsecured letter of credit facility (the “**LC Facility**”), which certain Debtors and WEC EMEA entities accessed pursuant to that certain Second Amended and Restated Credit Agreement dated October 7, 2009 (as amended and restated on November 10, 2011 and December 11, 2015, and as further amended on February 13, 2017 and March 28, 2017, the “**LC Agreement**”) among WEC U.S. and WECHOL as co-applicants, BNP Paribas, as administrative agent (the “**LC Agent**”), and a number of banks and other financial institutions (the “**LC Banks**”).

⁷ On February 15, 2017, IHI Corporation exercised a put option for the sale of all of the shares (3% ownership) that it held in non-Debtor Toshiba Nuclear Energy Holdings (US) Inc. (“**TNEH US**”) and Debtor Toshiba Nuclear Energy Holdings (UK) Limited (“**TNEH UK**”) to Toshiba, which sale became effective May 17, 2017. On October 2, 2017, National Atomic Company Kazatomprom JSC (“**Kazatomprom**”) exercised a put option for the sale of all of the shares (10% ownership) that it held in TNEH US and TNEH UK to Toshiba. Kazatomprom’s sale to Toshiba is expected to close in January 2018. As described in Section IV(Q) herein, on January 17, 2018, Toshiba announced its selection of the Plan Investor as the buyer of its shares in TNEH UK and TNEH US pursuant to a share purchase agreement (the “**SPA**”) with the Plan Investor. That sale is subject to various regulatory approvals and has not yet closed.

A number of the Debtors and WEC EMEA entities relied upon the LC Facility to post letters of credit (“LCs”) to support dozens of customer projects across several business lines, as well as to provide financial assurance to nuclear and environmental regulators with respect to potential decommissioning or remediation liabilities. On March 28, 2017, the LC Facility was cash collateralized by a \$518 million cash deposit from a special purpose vehicle affiliated with Toshiba (the “**Toshiba SPV**”) and the commitment of the LC Banks to issue and extend LCs was terminated. As of the Petition Date, the aggregate amount of outstanding LCs issued pursuant to the LC Facility was approximately \$494 million. As of December 31, 2017, the aggregate amount of LCs issued and remaining outstanding under the LC Facility is approximately \$27.1 million. As co-applicants under the LC Facility, WEC U.S. and WECHOL are jointly and severally liable for the obligations thereunder, such as the payment of fees and expenses. Further, the obligations under the LC Facility are guaranteed by Toshiba pursuant to that certain Second Amended and Restated Parent Guarantee dated October 7, 2009 (as amended and restated on November 10, 2011 and December 11, 2015, and as further amended on March 28, 2017, the “**Toshiba LC Guarantee**”), and also by the Toshiba SPV pursuant to that certain Guarantee dated March 28, 2017. WEC U.S. and WECHOL are exposed to potential subrogation claims by the Toshiba SPV (or its assignee) in relation to the cash collateral provided by the Toshiba SPV to the LC Agent and used by the LC Agent to reimburse issuers of the LCs for payments made by such issuers to the beneficiaries of such LCs.

Prior to the Petition Date, WEC U.S. and WECHOL and certain of its subsidiaries were party to a cash pooling arrangement (the “**Cash Pool**”) that allowed the parties to efficiently transfer cash globally to where it was needed in the Westinghouse organization. Withdrawals from the Cash Pool generated receivables to the Cash Pool owed by withdrawing entities and deposits into the Cash Pool generated payables owed to the depositing entities from the Cash Pool. As of the Petition Date, WEC U.S. was a net borrower under the Cash Pool arrangement, and many of the WEC EMEA entities were net lenders under the Cash Pool arrangement. The Cash Pool was terminated by Bank Mendes Gans N.V., the host financial institution, on March 27, 2017. The combination of dwindling liquidity in the Cash Pool and the constraints on issuing LCs as a result of defaults, and the termination of commitments under the LC Facility, caused certain WEC EMEA entities to express concern regarding their ability to continue to operate as a going concern and/or satisfy certain financial assurance requirements with respect to pension obligations and maintaining nuclear regulatory licenses unless they could access other sources of liquidity and LCs.

Balance sheets for Q3 2017 for each of the Debtors on a non-consolidated basis (collectively, the “**Balance Sheets**”) are annexed hereto as **Exhibit D**.

D. Business Lines

As of the Petition Date, Westinghouse’s global operations were divided into five major business lines. Postpetition, Westinghouse reorganized its internal structure to establish two main business lines: (i) Global Products and Services and (ii) the New Projects Business. Global Products and Services contains six segments, and the New Projects Business contains four segments, each discussed more fully below.

1. Global Products and Services

The Global Products and Services business line contains six segments: (i) Nuclear Fuels; (ii) Global Components Manufacturing; (iii) Global Field Services and Plant Modifications; (iv) Global Engineering Services; (v) Global Instrumentation and Controls; and (vi) Decontamination, Decommissioning, and Remediation. The Global Products and Services business line generated

approximately \$2,097.2 million in revenues and EBITDA of approximately \$206.3 million through Q3 2017.⁸

(a) Nuclear Fuels

The Nuclear Fuels segment is a leading global supplier of nuclear fuel products. The Nuclear Fuels segment has a significant presence in the United States and Europe, where it provides a significant share of fuel products to pressurized water reactors (“**PWRs**”) and boiling water reactors (“**BWRs**”). The Nuclear Fuels segment generated revenues of approximately \$838.6 million and EBITDA of approximately \$81.2 million through Q3 2017. This business line has been a stable source of profits for years.

Westinghouse manufactures more fuel types than any other supplier in the world. The product line enjoys a strong reputation for delivering high performance fuel for PWRs, BWRs, Vodo-Vodyanoi Energetichesky reactors (“**VVERs**”), and advanced gas-cooled reactors (“**AGRs**”). The annual global demand for fuel fabrication services for PWR, BWR, and VVER (collectively known as “**Light Water Reactors**”) is approximately 7,000 tons of enriched uranium to be made into fuel assemblies.⁹ Westinghouse is the world’s largest supplier of fuel for Light Water Reactors, supporting 125 nuclear power plants worldwide through a robust supply chain and multiple manufacturing sites. Westinghouse supplies fuel to approximately 80% of the currently installed PWR plants in the Americas. In addition, Westinghouse delivers fuel to approximately 25% of the active nuclear power plants in Europe, the Middle East, and Africa, and approximately 10% of the nuclear power plants in Asia.

(b) Global Component Manufacturing

Global Component Manufacturing creates specialized components for new and operating nuclear power plants. This segment manufactures components and commercially dedicates spare or replacement parts for nuclear reactors globally. In addition, Global Component Manufacturing manufactures, installs, and supports tools and machinery for handling fuel in the United States and China, including delivering fuel handling equipment and cranes through Westinghouse’s Global Nuclear Supply Chain. The Global Component Manufacturing segment generated revenues of approximately \$142.5 million and EBITDA of approximately \$12.8 million through Q3 2017.

(c) Global Field Services and Plant Modifications

Global Field Services and Plant Modifications delivers advanced products and services for complete outage support, providing more outage support for customers than any other nuclear services business. During regularly scheduled refueling outages (generally every 18–24 months), Global Field Services and Plant Modifications provides maintenance, safety inspections, repair and replacement services, and plant modifications to customers worldwide. Outage services involve the complete shutdown of a plant for a specified period of time to allow for refueling, maintenance, and testing services that help to ensure the continued efficient and safe operations of the plant. Globally, Westinghouse typically supports approximately 75 outages every year. This segment also provides similar services to operating nuclear power plants on an *ad hoc* basis as needed between scheduled outages. The Global Field Services and Plant

⁸ Westinghouse’s fiscal year ends annually on March 31st.

⁹ World Nuclear Association—Nuclear Fuel Fabrication, *available at* <http://www.world-nuclear.org/information-library/nuclear-fuel-cycle/conversion-enrichment-and-fabrication/fuel-fabrication.aspx> (last visited Jan. 25, 2018).

Modifications segment generated revenues of approximately \$582.8 million and EBITDA of approximately \$53.7 million through Q3 2017.

(d) Global Engineering Services

Global Engineering Services provides critical engineering design and analysis to enhance the safety, availability, and reliability of operating nuclear power plants. Global Engineering Services is a comprehensive PWR and BWR OEM provider with significant experience in providing services to reduce utility operation costs, design and analyze components, increase availability, improve plant capacity, and manage plant aging. Global Engineering Services generated revenues of approximately \$217.7 million and EBITDA of approximately \$16.4 million through Q3 2017.

(e) Global Instrumentation & Controls

Global Instrumentation and Controls (“I&C”) creates and maintains a global portfolio that encompasses the full lifecycle of instrumentation and control products for asset management, improvements, upgrades, and complete systems for new nuclear power plants. I&C delivers reliable, state-of-the-art instrumentation and control system solutions including (i) plant information and control systems; (ii) systems plant protection and monitoring systems; and (iii) simulator systems and training solutions. I&C also provides licensed protection and monitoring solutions for AP1000, as well as the Korean Advance Power Reactor 1400 (“APR1400”) new plant designs. The full scope of I&Cs offerings makes Westinghouse a one-stop shop for customer instrumentation and control requirements. I&C generated revenues of approximately \$267.3 million and EBITDA of approximately \$46.9 million through Q3 2017.

(f) Decontamination, Decommissioning, and Remediation

Decontamination, Decommissioning, and Remediation (“DDR”) deploys global technologies and forms local partnerships to carry out long-term projects related to decontaminating, decommissioning, and remediating nuclear power facilities. These services, provided to nuclear power producers worldwide, include spent fuel management and plant decommissioning. The DDR segment is the smallest segment operated by Westinghouse, but it is expected to experience growth as reactors worldwide reach the ends of their useful lives. DDR generated revenues of approximately \$68.1 million and EBITDA of approximately \$2.2 million through Q3 2017.

The decommissioning of a nuclear power plant is a large, complex, and expensive project that involves multiple companies working closely with regulators to meet the regulatory standards of that particular jurisdiction. As part of DDR’s decontamination services, the segment removes nuclear material from plant machinery and equipment to minimize personnel exposure and reduces handling costs and decommissioning time. DDR’s services also reduce waste classification levels, allow for less expensive disposal of used nuclear materials, lower airborne risks, reduce spread of contamination and clean-up, and increase options for cutting plant materials. DDR also dismantles nuclear power plants to the point that they no longer require measures for radiation protection.

2. New Projects Business

The New Projects Business consists of four segments: (i) New Plant Projects, (ii) Westinghouse Government Services, (iii) Stone & Webster Non-Nuclear Solutions, and (iv) WECTEC Staffing Services. The New Projects Business generated revenues of approximately \$486.4 million and EBITDA of approximately \$8.9 million through Q3 2017.

(a) New Plant Projects

The New Plant Projects segment provides new plant technology to the nuclear industry with the engineering and procurement of new Advance Passive 1000 (“**AP1000**”) nuclear reactor designs— a new-generation nuclear power plant design that radically departs from existing nuclear power plants— and APR1400 nuclear reactor designs.

In addition to the U.S. AP1000 Projects, WEC and certain of its affiliates, including Westinghouse Electric (China) Co. Ltd., Westinghouse Industry Products International Company LLC (“**WIPICO**”), Stone & Webster Asia, Inc. (“**S&W Asia**”), and Stone & Webster International, Inc. (“**S&W International**”), are in different stages of completion of AP1000 projects in China. These AP1000 projects include the nuclear reactors in Sanmen, Zhejiang Province; in Haiyang, Shandong Province; in Lufeng, Guangdong Province; in Haixing, Hebei Province; and in Xudapu, Liaoning Province.

Westinghouse is also considering additional new plant opportunities for AP1000 reactors across the globe, including in India, Saudi Arabia, Turkey, United Arab Emirates, and the United Kingdom.

(b) Westinghouse Government Services

Westinghouse Government Services supports U.S. Government nuclear safety, quality, and operating performance needs by applying Westinghouse’s technology and capabilities in nuclear operations and decommissioning, and in engineering, procurement, and construction management.

(c) Stone & Webster Non-Nuclear Solutions

The Stone & Webster Non-Nuclear Solutions segment provides assistance to customers to enhance the availability and reliability of their operating non-nuclear power plants while sustaining regulatory compliance, extending plant life, and reducing operation and maintenance costs through engineering and maintenance, environmental compliance, decommissioning, and other project management services.

(d) WECTEC Staffing Services

WECTEC Staffing Services provides nuclear contingent in-house labor and predictable performance to Westinghouse projects and sites.

3. Implementation of the Business Plan

In August 2017, WEC’s board of directors (the “**Board**”) approved a five-year business plan (as amended, the “**Business Plan**”), designed to increase revenues while achieving cost savings. The Business Plan contemplates implementing cost reductions resulting in annual savings of approximately \$270 million. These initiatives include (i) simplifying Westinghouse’s operating model to increase effectiveness and utilization, clarify accountability, minimize redundancy, and reduce overhead costs; (ii) implementing a strategic sourcing campaign with the aim of lowering the cost profile of the business and increasing EBITDA; (iii) identifying and implementing cost reduction projects and best practices at nuclear fuels and component manufacturing plants; and (iv) a components manufacturing operations productivity improvement plan. In addition, the Business Plan calls for the review of approximately 33,000 contracts to assess for assumption or rejection under the Bankruptcy Code to improve pricing and other terms to make such contracts more favorable than other available options. The key elements of such cost-savings initiatives are set forth below.

(a) Operating Model Improvements

As part of its operating model restructuring, Westinghouse plans to implement a reduction of approximately 1,110 positions across three continents during the implementation of the Business Plan. This includes restructuring region responsibilities, product line organization, and corporate support functions. Westinghouse also plans to overhaul corporate spend through the restructuring of information technology infrastructure and reductions in overhead and facilities cost, external consulting, legal fees, travel cost, and marketing and communication spend. As of December 31, 2017, Westinghouse had achieved approximately \$54 million in savings fiscal year-to-date as part of its operating model transformation. The Business Plan also projects that Westinghouse will achieve approximately \$138 million in incremental savings for a total savings of approximately \$192 million.

(b) Strategic Sourcing

Westinghouse is currently conducting negotiations with approximately 40 key suppliers while leveraging Westinghouse's renewed focus on consolidating its supplier base and limiting the number of its sole-source relationships. Targeted areas of consolidation include contingent labor, maintenance, repair and overhaul activity ("MRO"), logistics, and components and equipment costs. As of December 31, 2017, negotiations had yielded approximately \$7 million in savings, and the Business Plan projects that Westinghouse will save an incremental \$23 million for a total savings of approximately \$30 million.

(c) Nuclear Fuels Productivity Plan

The Nuclear Fuels operations productivity improvement plan (the "**Nuclear Fuels Productivity Plan**") will provide savings achieved by three types of projects: (i) systematic process changes to structurally drive improvements, (ii) upgrades to manufacturing and inspection technology, and (iii) restructuring work to optimize resources. Major projects in Nuclear Fuels include an overhaul of maintenance and work management, reduction of MRO costs, improvement of equipment uptime and schedule attainment, and an evaluation of quality costs. As of December 31, 2017, Westinghouse had achieved approximately \$2.5 million in savings, and the Business Plan projects that Westinghouse will save an incremental \$27 million (approximately) as a result of the implementation of the Nuclear Fuels Productivity Plan, for a total savings of approximately \$30 million.

(d) Component Manufacturing Productivity Plan

The Components Manufacturing operations productivity improvement plan (the "**Component Manufacturing Productivity Plan**") provides for savings achieved by downsizing the product portfolio to concentrate on profitable product lines, closing excess plant locations and relocation of those operations to existing plants, and finding solutions for exiting current joint ventures. The Component Manufacturing Productivity Plan includes major milestones occurring in 2018 including complete transfer of product line production from locations set to close, reductions in force, re-haul of overtime assessment, a review of quality costs, and re-evaluation of inspection requirements. As of December 31, 2017, implemented actions have yielded approximately \$2 million in savings, and the Business Plan projects that Westinghouse will save an incremental \$13 million as a result of the Component Manufacturing Productivity Plan, for a total savings of approximately \$15 million.

E. Directors and Officers

The Board is composed of: (i) Mamoru Hatazawa (Chairman); (ii) Takayuki Shibano; (iii) Yoshiaki Sakashita; (iv) Marc Beilinson; (v) William Transier; and (vi) Wyatt Wachtel.

Each Debtor and its subsidiaries has its own slate of officers and directors.

F. Employees

As of December 31, 2017, Westinghouse employed approximately 10,730 individuals in 18 countries, with approximately 6,700 of these employees working in the United States (collectively, the "**Employees**"). Approximately 618 of the Debtors' Employees are unionized. WEC is a party to three collective bargaining agreements (collectively, the "**CBAs**") with various bargaining units of the following unions: (i) the Association of Westinghouse Salaried Employees; (ii) the International Brotherhood of Boilermakers, Iron Shipbuilders, Blacksmiths, Forgers and Helpers; and (iii) the International Brotherhood of Electrical Workers. In addition, Debtor PCI Energy Services LLC ("**PCI**") employs approximately 580 temporary workers (the "**Temporary Workers**"), all of which work for segments of the Debtors' Global Products and Services business line, and all of which are members of various national unions. The Debtors also engage a number of independent contractors (the "**Independent Contractors**") through staffing agencies to work on nuclear power plants and facilities, primarily for the Global Products and Services business. The Debtors are not party to any collective bargaining agreements with respect to the Temporary Workers or Independent Contractors.

G. Regulation of the Debtors' Businesses

The Debtors' operations are conducted in the United States as well as in non-U.S. jurisdictions and are subject to governmental laws, regulations, and treaties in the countries in which they operate. The nuclear energy business is a unique and highly regulated industry, with stringent requirements imposed upon participants on a day-to-day basis and for significant transactions. The laws, regulations, and treaties that impact the Debtors' operations include those relating to: (i) air emissions, (ii) wastewater discharges, (iii) hazardous material handling and storage, (iv) waste disposal and environmental contamination, (v) the preservation of natural resources, (vi) occupational health and safety, (vii) radiological health and safety, (viii) nuclear nonproliferation, and (ix) reactor design and licensing.

Laws, regulations, and treaties specific to nuclear reactor design and licensing include: (i) U.S. Nuclear Regulatory Commission (the "**NRC**") requirements for: (a) special nuclear material licenses, (b) export licenses, (c) transportation certificates of compliance, and (d) regulation over radioactive materials that is delegated to certain approved state programs; (ii) export and import regulations, including: (a) Department of Commerce Export Administration Regulations, (b) U.S. Department of Energy Export Authorizations, (c) U.S. Customs and Border Protection, and (d) European Union licenses

under respective national export control authorities; and (iii) requirements of other foreign regulatory authorities including: (a) the Nuclear Decommissioning Authority in the U.K., (b) the Office for Nuclear Regulation in the U.K., (c) the Swedish Radiation Safety Authority, (d) the Federal Agency for Nuclear Control in Belgium; and (e) the Belgian Agency for Radioactive Waste and Enriched Fissile Materials. Significant transactions potentially are subject to review by authorities such as the: (w) Committee on Foreign Investment in the U.S., (x) Federal Trade Commission, (y) Federal Communications Commission, (z) U.S. Department of Justice, and (z) European Commission.

III.

EVENTS LEADING TO THE COMMENCEMENT OF THE CHAPTER 11 CASES

A. U.S. AP1000 Projects¹⁰

As of the Petition Date, four of Westinghouse's new-generation AP1000 reactors were being built at the only two new nuclear construction sites in the United States—Units 3 and 4 at the Alvin W. Vogtle Electric Generating Plant near Waynesboro, Georgia (the “**Vogtle Project**”) and Units 2 and 3 at the Virgil C. Summer Nuclear Station near Columbia, South Carolina (the “**VC Summer Project**” and together with the Vogtle Project, the “**U.S. AP1000 Projects**”).

1. EPC Contracts

Pursuant to that certain Engineering, Procurement, and Construction Agreement, dated April 8, 2008 (the “**Vogtle EPC Agreement**”) between Georgia Power Company, a subsidiary of Southern Company (“**GPC**”), for itself and as agent for Oglethorpe Power Corporation, Municipal Electric Authority of Georgia and The City of Dalton, Georgia, acting by and through its Board of Water, Light and Sinking Fund Commissioners (collectively, the “**Vogtle Owners**”) and a consortium of CB&I Stone and Webster, Inc. (“**S&W**,” then a subsidiary of Chicago Bridge & Iron Company (“**CB&I**”), and WEC (collectively, the “**Consortium**”), the Consortium agreed to construct the Vogtle Project. Pursuant to that certain Engineering, Procurement, and Construction Agreement dated May 23, 2008 (the “**VC Summer EPC Agreement**” and together with the Vogtle EPC Agreement, the “**EPC Agreements**”) between South Carolina Electric & Gas Company (“**SCE&G**”), a subsidiary of SCANA Corporation (“**SCANA**”), for itself and as agent for the South Carolina Public Service Authority (collectively, the “**VC Summer Owners**” and together with the Vogtle Owners, the “**Project Owners**”) and the Consortium, the Consortium agreed to construct the VC Summer Project.

In both cases, WEC generally was responsible for the design, manufacture, and procurement of the nuclear reactors, steam turbines, and generators; while S&W was responsible for on-site construction and procurement of auxiliary equipment. Each EPC Agreement included a guarantee from Toshiba (together, the “**Toshiba Guarantees**”) in connection with any and all payment obligations of WEC to the respective Owner under the applicable EPC Agreement.

¹⁰ The Consenting Claimholder and the UCC reserve all rights with respect to the Debtors' description of the U.S. AP1000 Projects or other descriptions herein relating to the Vogtle Claims, the VC Summer Claims, or other related Claims, including Claims of subrogation. Pursuant to the Plan Support Agreement, such Claims are being resolved pursuant to the global compromise embodied in the Plan. In the event the Plan is not confirmed or consummated for any reason, the Consenting Claimholder, the UCC, and the Debtors reserve all rights, defenses, and remedies with respect to the Vogtle Claims, the VC Summer Claims, or other related Claims, including Claims of subrogation.

2. Delays at the U.S. AP1000 Projects

In 2008, the Debtors began work on the U.S. AP1000 Projects in collaboration with the Project Owners and S&W. However, regulatory changes, including ones stemming from the September 11, 2001 terrorist attacks in the United States and the March 11, 2011 accident at the Fukushima Dai-Ichi Nuclear Power Plant in Japan, led to new NRC requirements and safety measures enacted between 2009 and 2011 for reactor design and licensing. These changes created additional, unanticipated design challenges resulted in increased costs and delays on the U.S. AP1000 Projects and other AP1000 projects worldwide. These design changes, among other reasons, delayed issuance of a combined license to start the U.S. AP1000 Projects until early 2012. As a result, the Consortium could not achieve first nuclear concrete for the U.S. AP1000 Projects until March 2013, placing the U.S. AP1000 Projects behind the original schedule under the EPC Agreements.

As construction progressed, additional challenges regarding the U.S. AP1000 Projects emerged. As time passed and delays compounded, disputes arose between the Project Owners and the Consortium regarding the pace of the U.S. AP1000 Projects and which parties bore the ultimate responsibility for cost increases.

WEC, CB&I, and the Project Owners then entered into discussions to resolve the disputes. Among other reasons, to resolve existing and potential litigation, WEC agreed to acquire S&W from CB&I and assume primary responsibility for construction of the U.S. AP1000 Projects.

3. Acquisition of S&W

(a) WSW Acquisition Co., LLC WEC, and CB&I Enter Into the S&W Purchase Agreement

On October 27, 2015, WSW Acquisition Co., LLC (“**WSW Acquisition**”), as purchaser, and WEC, as the purchaser’s parent, entered into a purchase agreement (the “**S&W Purchase Agreement**”) to acquire S&W from CB&I. The S&W Purchase Agreement provided for a purchase price at closing of \$0, subject to a purchase price determination process specified in the Purchase Agreement (the “**Closing Date Adjustment**”), and with the prospect of deferred consideration (the “**Deferred Consideration**”) that might be received over time.

As part of the consideration for acquiring S&W, WSW Acquisition generally agreed to assume S&W’s current and future liabilities relating to the U.S. AP1000 Projects, including any liabilities that might arise from any cost overruns on the U.S. AP1000 Projects. The transaction closed on December 31, 2015.

WEC simultaneously entered into settlement agreements with the Project Owners of both U.S. AP1000 Projects, resulting in adjustments to the EPC Agreement prices and schedule relief. Following the purchase of S&W, construction workers employed by S&W were transferred to a newly appointed subcontractor, Fluor Corporation (“**Fluor**”), which was directly responsible for construction work and site management at the AP1000 Project sites.

(b) Cost to Complete Estimates

Subsequent assessment of the status of the projects led the Debtors to conclude that the number of hours required to complete the U.S. AP1000 Projects, labor costs, project management, and procurement costs were significantly higher than anticipated.

Westinghouse reported to Toshiba about the possibility of U.S. AP1000 Project losses, and that it was working to quantify the total amount of the estimated cost increases with additional specificity, but that it believed the losses totaled in the billions of dollars. The Debtors estimated that the increased U.S. AP1000 Project construction costs would result in approximately \$6.1 billion of cost overruns. Faced with potentially massive liabilities under the EPC Agreements and Toshiba Guarantees, Toshiba and Westinghouse each explored their limited options.

B. Prepetition Liquidity Crisis

While Westinghouse considered solutions and strategic alternatives to the increasingly complex problems, Westinghouse requested that Toshiba provide it with an emergency liquidity infusion to provide the parties additional time to explore strategic options. Toshiba responded by providing emergency funding to WEC of approximately \$250 million in February 2017. This additional liquidity allowed the Debtors to continue to consider options as well as begin contingency planning for a potential chapter 11 filing.

In the coming weeks, Westinghouse's overall liquidity crisis deepened and began to impact WEC EMEA. WEC as well as certain of the non-Debtor WEC EMEA entities were dependent on the Cash Pool as a source of liquidity. In the months leading up to the Petition Date, the balance of the Cash Pool available for WEC EMEA diminished, causing liquidity issues for a number of WEC EMEA entities and raising concerns about their solvency going forward.

Ultimately, the Debtors' dwindling liquidity and the lack of alternative out-of-court funding sources forced them to focus their efforts on a reorganization in chapter 11 in order to obtain necessary financing, resolve their issues with the U.S. AP1000 Projects, and preserve the value of the profitable portions of their business lines.

**IV.
THE CHAPTER 11 CASES**

A. Commencement of the Chapter 11 Cases and Description of First Day Orders

On the Petition Date, each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code in the Bankruptcy Court. The Chapter 11 Cases were assigned to the Honorable Michael E. Wiles and are being jointly administered for administrative convenience. Following their "first day" hearing, the Debtors obtained interim approval to, among other things, obtain debtor in possession ("DIP") financing; continue to use their existing cash management system; honor certain prepetition obligations to employees, pay certain prepetition taxes, critical vendors, and taxing authorities; and obtained related relief to allow them to continue their business in the ordinary course during the pendency of the Chapter 11 Cases [ECF Nos. 6–9, 19, 71, 73, 76, 78, and 86]. A description of the first day motions is set forth in the *Declaration of Lisa J. Donahue Pursuant to Rule 1007-2 of the Local Bankruptcy Rules for the Southern District of New York* [ECF No. 4], filed on the Petition Date. After a subsequent hearing on May 23, 2017, the Bankruptcy Court approved, on a final basis, the relief previously granted on an interim basis [ECF Nos. 545, 640, 648 and 677].

B. The Debtors' Professionals

The Debtors retained the following lead advisors in the Chapter 11 Cases, among others: (i) Weil, Gotshal & Manges LLP ("Weil"), as legal counsel to the Debtors other than Debtor TNEH UK; (ii) Togut, Segal & Segal LLP ("Togut"), as counsel to TNEH UK; (iii) AlixPartners LLP, retained as AP Services LLC ("Alix"), to provide a chief transition and development officer and additional personnel;

(iv) PJT Partners LP (“**PJT**”) as investment banker; (v) Milbank, Tweed, Hadley & McCloy LLP (“**Milbank**”) as special counsel to the Special Committee; (vi) K&L Gates LLP, as special counsel; and (vii) KCC, as claims and noticing agent and administrative agent. Each of these retentions was approved by the Bankruptcy Court. The Debtors also employ other professionals in the ordinary course of their businesses pursuant to the *Order Authorizing Employment of Professionals Utilized in the Ordinary Course of Business Pursuant to Sections 327, 328, 330, and 105(a) of the Bankruptcy Code* [ECF No. 543].

C. Chapter 11 Debtor in Possession Financing

On the Petition Date, the Debtors filed a motion [ECF No. 19] seeking authority to access an \$800 million postpetition secured financing facility (the “**DIP Facility**”) (inclusive of a \$225 million cash collateralized letter of credit facility (the “**LC Subfacility**”)) to be provided by certain affiliates of Apollo Global Management, LLC (collectively, the “**DIP Lenders**”) and Citibank, N.A. (as “**LC Issuer**” and “**DIP Agent**”). WEC is the borrower under the DIP Facility, and the obligations thereunder are guaranteed by each of WEC’s Debtor subsidiaries, as well as U.S. HoldCo and TNEH UK. The DIP Facility is a superpriority senior secured facility that is secured by a first priority lien on substantially all of the Debtors’ assets.

On March 31, 2017, the Bankruptcy Court entered an interim order [ECF No. 86] authorizing the Debtors to access the DIP Facility and loan a portion of the DIP Facility proceeds to certain WEC EMEA entities pursuant to an intercompany loan facility. The Debtors agreed to a protocol with the UCC pursuant to which the UCC has certain rights to review and object to the proposed terms and uses of loans from WEC to the WEC EMEA entities made under the intercompany facility. The protocol (as amended from time to time, the “**DIP Protocol**”) was memorialized as Exhibit C to the Final DIP Order (as defined below).

On May 26, 2017, the Bankruptcy Court entered a final order [ECF No. 565] (the “**Final DIP Order**”) authorizing the Debtors to access the DIP Facility on the terms set forth in that certain Superpriority Senior Debtor in Possession Credit Agreement dated as of May 25, 2017 (as amended on October 26, 2017 and November 15, 2017 and as further amended, modified, or supplemented from time to time, the “**DIP Credit Agreement**”). The Final DIP Order also authorized WEC to loan up to \$375 million to certain WEC EMEA entities under that certain intercompany Liquidity Facility Agreement dated as of April 5, 2017 (as amended and restated on May 26, 2017, October 26, 2017 and November 15, 2017, and as further amended, restated, modified, or supplemented from time to time, the “**Liquidity Facility Agreement**” or “**LFA**”), subject to the rights of the UCC pursuant to the DIP Protocol.

Since the Petition Date, the DIP Facility has allowed the Debtors to stabilize and finance their operations and Chapter 11 Cases, while the LFA has allowed WEC to loan DIP Facility proceeds to certain WEC EMEA entities in order to preserve the value of the global Westinghouse enterprise. The DIP Facility is scheduled to mature on March 31, 2018, subject to the Debtors’ option to extend the term by an additional 12 months upon the satisfaction of certain customary conditions.

1. Amendment No. 1 to DIP Documents

The DIP Facility has allowed the Debtors to finance their operations and Chapter 11 Cases, while the LFA has allowed WEC to loan DIP Facility proceeds to certain WEC EMEA entities. However, under the terms of the DIP Credit Agreement and LFA, the Debtors were unable to provide certain of their non-Debtor subsidiaries with much-needed financing due to restrictive covenants.

Accordingly, on October 11, 2017, the Debtors filed a motion [ECF No. 1524] to provide certain of their non-Debtor subsidiaries inside and outside the United States with financing, either to

maintain operations, preserve important customer relationships, make value-enhancing investments, or strengthen their own balance sheets to avoid foreign insolvency filing requirements. On October 17, 2017, the Bankruptcy Court entered an order [ECF No. 1637 (as amended, at ECF No. 1675)] approving amendments to the LFA and DIP Credit Agreement that, among other things, expanded the size and scope of the “permitted investment baskets” already existing under the DIP Facility and provided urgently needed funding to certain of the Debtors’ non-Debtor direct and indirect partially and wholly owned subsidiaries, including Mangiarotti S.p.A. (“**Mangiarotti**”), Westinghouse Electric (Asia) SA, Westinghouse Electric Belgium S.A., Astare, and Westinghouse Government Services LLC.

2. Amendment No. 2 to DIP Documents

As a result of, among other things, the Debtors’ chapter 11 filing, two critical WEC EMEA entities faced critical balance sheet solvency concerns and/or liquidity challenges following the Petition Date. The first is Mangiarotti, which provides critical support to Westinghouse Electric France SAS (“**WEC France**”) in its fulfillment of contractual obligations to one of the Debtors’ largest customers. As of the Petition Date, Mangiarotti was 70% owned by Toshiba and 30% owned by WECHOL. The second is WECHOL, the non-Debtor parent holding company of the WEC EMEA entities that has historically supported and managed certain of Westinghouse’s international operations.

Mangiarotti’s balance sheet solvency and liquidity concerns stemmed from, among other things, losses associated with its operations. In an effort to support Mangiarotti’s liquidity, on May 9, 2017, Toshiba and Mangiarotti executed a loan agreement pursuant to which Toshiba loaned an aggregate principal amount of €144 million to Mangiarotti. Shortly thereafter, as Mangiarotti’s issues persisted, Toshiba consented to implement a series of partial loan waivers in an attempt to address Mangiarotti’s balance sheet solvency concerns. Toshiba waived its right to repayment for €35 million on May 30, 2017, another €36 million on October 30, 2017, and the remaining €73 million on November 23, 2017 in connection with the MGRT/NFI Transactions described further below.

WECHOL’s balance sheet solvency concerns stemmed from, among other things, questions regarding how much WECHOL would recover from WEC’s estate on account of approximately \$705 million in prepetition claims asserted by WECHOL against WEC (the “**WECHOL Claim**”), including claims in excess of \$650 million for monies advanced by Toshiba to WECHOL, deposited by WECHOL into the Cash Pool, and subsequently withdrawn by WEC from the Cash Pool (the “**WECHOL Cash Pool Claim**”). If WECHOL was unable to recover the WECHOL Claim, and specifically the WECHOL Cash Pool Claim, from WEC’s estate, WECHOL would be unable to pay Toshiba’s claim against WECHOL for the money advanced by Toshiba to WECHOL and deposited by WECHOL into the Cash Pool (the “**Toshiba-WECHOL Claim**”).

Given the parties’ shared interest in preserving the value of WEC EMEA, on October 31, 2017, Toshiba, TNEH UK, WEC, and WECHOL negotiated and entered into a term sheet (the “**MGRT/NFI Term Sheet**”, and the transactions contemplated thereby, the “**MGRT/NFI Transactions**”) to provide for a value-preserving restructuring of Mangiarotti and relief for WECHOL’s balance sheet concerns. The material terms of the MGRT/NFI Term Sheet provided for (i) Toshiba to waive all claims it has against Mangiarotti, including the residual balance of loans totaling €144 million in aggregate principal amount (the “**Mangiarotti Claim Waiver**”); (ii) Toshiba to transfer its 70% interest in Mangiarotti to a new entity directly and wholly owned by WECHOL (the “**Mangiarotti Transfer**”); (iii) Toshiba to assign the Toshiba-WECHOL Claim to WECHOL in exchange for WECHOL assigning an equal amount of the WECHOL Claim to Toshiba, thereby permitting WECHOL to waive repayment of the Toshiba-WECHOL Claim (the “**Claim Swap**”); (iv) WEC to lend up to an additional \$27 million to TNEH UK under the LFA to be on-lent on a subordinated basis to Mangiarotti to meet its projected liquidity needs through March 2018 (the “**Mangiarotti Financing**”); and (v) the transfer by WECHOL to a subsidiary of

Toshiba of WECHOL's 52% interest in Nuclear Fuel Industries, Ltd. (a Japanese joint venture among WECHOL and two unaffiliated Japanese companies) (the "**NFI Transfer**").

The MGRT/NFI Transactions offered significant benefits to the Debtors by preserving Mangiarotti's operations and significantly improving WECHOL's balance sheet, which stabilized and strengthened the WEC EMEA entity chain, and in turn enhanced the value of Westinghouse as a whole. The MGRT/NFI Transactions also protected the Debtors by preserving their relationship with a large customer that utilizes components manufactured by Mangiarotti. However, a number of MGRT/NFI Transaction steps would have resulted in breaches of covenants under the DIP Credit Agreement and LFA. Accordingly, on October 31, 2017, the Debtors filed a motion [ECF No. 1662] seeking authority to further amend the DIP Credit Agreement and LFA to allow for the consummation of the MGRT/NFI Transactions. On November 15, 2017, the Bankruptcy Court entered an order [ECF No. 1760] approving the amendments. Subsequently, the Mangiarotti Claim Waiver, Mangiarotti Transfer, and Claim Swap were consummated. The consummation of the NFI Transfer is subject to the satisfaction of a number of conditions, and the NFI Transfer is expected to occur by June 30, 2018.

D. Interim Assessment Agreements

Prior to the Petition Date, the Debtors approached the Project Owners to determine whether there was a way to allow the construction of the U.S. AP1000 Projects to continue. Discussions between the Debtors and the Project Owners were successful and, following extensive negotiations, resulted in the Debtors entering into that certain Interim Assessment Agreement dated March 28, 2017 with the VC Summer Owners (the "**VC Summer Interim Assessment Agreement**"), and that certain Interim Assessment Agreement dated March 29, 2017 with the Vogtle Owners (the "**Vogtle Interim Assessment Agreement**," and together with the VC Summer Interim Assessment Agreement, the "**Interim Assessment Agreements**" or "**IAAs**").

Pursuant to the IAAs, the Project Owners agreed to pay the costs of continuing construction at their respective projects during an initial "Interim Assessment Period". Under the IAAs, the Project Owners agreed to, among other things, (i) pay all amounts incurred by the Debtors for work performed by subcontractors and vendors on a go-forward basis in connection with completion of their respective U.S. AP1000 Projects and (ii) pay the Debtors amounts to cover their costs for the Debtors' scope of services. On the Petition Date, the Debtors filed a motion seeking approval of the IAAs [ECF No. 5], and the IAAs were approved by the Bankruptcy Court on March 30, 2017 [ECF No. 68]. Additional information about the IAAs and amendments thereto is set forth more fully in Section IV(G) hereof.

E. Appointment of the UCC

Pursuant to section 1102(a)(1) of the Bankruptcy Code, on April 4, 2017, the United States Trustee for the Region 2 (the "**U.S. Trustee**") appointed the UCC. On October 2, 2017, the U.S. Trustee filed an amended notice of appointment removing SCE&G from the list of unsecured creditors appointed to serve on the UCC. On December 19, 2017, the U.S. Trustee filed a second amended notice of appointment [ECF No. 1954] removing GPC from the UCC.

The following creditors currently serve on the UCC: (i) Fluor Enterprises Inc., (ii) SSM Industries, Inc.; (iii) Dastech International Inc.; (iv) Jones Lang LaSalle Americas, Inc.; and (v) the Pension Benefit Guaranty Corporation (the "**PBGC**").

The UCC is represented by, among others, (i) Proskauer Rose LLP, as its counsel; (ii) Alvarez and Marsal North America, LLC, as its financial advisor; and (iii) Houlihan Lokey Capital,

Inc., as its investment banker. These professionals represent and assist the UCC in these Chapter 11 Cases and all of their retentions were approved by the Bankruptcy Court.

F. Claims

1. Schedules of Assets and Liabilities and Statements of Financial Affairs

Pursuant to section 521 of the Bankruptcy Code, Bankruptcy Rule 1007(c), and orders of the Bankruptcy Court granting extensions of time, on May 26, 2017, the Debtors filed their (i) schedules of assets and liabilities, (ii) a schedule of current income and expenditures, (iii) a schedule of executory contracts and unexpired leases, and (iv) a statement of financial affairs (collectively, the “**Schedules**”) [ECF Nos. 567–626] and on July 31, 2017, the Debtors filed certain supplements to the Schedules [ECF Nos. 1055–1066].

2. Claims Bar Date and Notice of Bar Date

On June 28, 2017, the Bankruptcy Court entered an order (i) establishing September 1, 2017 as the deadline (the “**Bar Date**”) for each person or entity (including, without limitation, individuals, partnerships, corporations, joint ventures, estates, and trusts, but not including governmental units) to file proofs of claim (each, a “**Proof of Claim**”) in respect of prepetition Claims against any of the Debtors, and September 25, 2017 as the deadline for governmental units to file Proofs of Claim in respect of prepetition Claims against any of the Debtors; and (ii) approving certain other related procedures [ECF No. 788] (the “**Bar Date Order**”). On January 25, 2018, the Bankruptcy Court entered an order establishing February 21, 2018 as the supplemental deadline for (i) certain parties to file Proofs of Claim in respect of prepetition Claims against any of the Debtors and (ii) certain parties to file Proofs of Claim against Debtor Westinghouse Equipment & Machining Solutions LLC [ECF No. 2273].

3. Claim Procedures

(a) Claims Settlement Procedures

On July 24, 2017, the Bankruptcy Court entered an order [ECF No. 979] approving the *Motion of Debtors Pursuant to 11 U.S.C. §§ 105(a) and 363(b) and Fed. R. Bankr. P. 9019 for Entry of an Order Authorizing and Approving Procedures for Settling Certain Claims and Causes of Action Brought by or Against the Debtors* [ECF No. 831] (the “**Settlement Procedures Motion**”), authorizing the Debtors to streamline the process for resolving scheduled and filed Claims and to avoid the costs associated with litigating certain disputed Claims and to settle certain Claims, including, but not limited to (i) prepetition Claims up to \$100,000, (ii) administrative expense Claims up to \$35,000, and (iii) affirmative claims and causes of actions by the Debtors against third parties up to \$100,000, in each case subject to the Debtors’ compliance with notice procedures.

(b) Claim Objections Procedures

On October 31, 2017, the Debtors filed the *Motion for Entry of Order Pursuant to 11 U.S.C. § 105(a) and Fed. R. Bankr. P. 3007 and 9019(b) Authorizing the Debtors to (I) File Omnibus Claims Objections and (II) Establish Procedures for Settling Certain Claims* [ECF No. 1668] (the “**Claim Objections Procedures Motion**”). On November 15, 2017, the Bankruptcy Court entered an order granting the Claim Objection Procedures Motion [ECF No. 1761] (the “**Claims Objection Procedures Order**”) (i) authorizing the Debtors to file omnibus claims objections on grounds additional to those enumerated in Bankruptcy Rule 3007, and (ii) establishing procedures for settling certain claims, including expanding the relief granted in the Settlement Procedures Motion, and allowing the Debtors to settle Claims

(a) up to \$1,000,000 without seeking approval of the Bankruptcy Court or any other party, and (b) up to \$5,000,000, if no objection is received after notice being provided to the UCC, DIP Lenders, and U.S. Trustee. Approval of the Claim Objections Procedures Motion has streamlined the claims objection, settlement, and reconciliation process, and will conserve the resources of the Debtors' estates.

(c) 503(b)(9) Procedures

On October 31, 2017, the Debtors filed the *Motion of Debtors Pursuant to 11 U.S.C. §§ 503(b)(9) and 105(a) for Entry of Order (I) Approving Procedures for the Resolution and Satisfaction of Claims Asserted Pursuant to 11 U.S.C. § 503(b)(9) and (II) Prohibiting Vendors From Pursuing Such Claims Outside the Procedures* [ECF No. 1667] (the "**503(b)(9) Procedures Motion**") to streamline the process for resolving administrative expense claims within the meaning of section 503(b)(9) of the Bankruptcy Code (the "**503(b)(9) Claims**") to, among other things, (i) negotiate with claimants asserting 503(b)(9) Claims and seek resolution of such claims; (ii) allow, settle, and pay certain 503(b)(9) Claims under \$100,000 in amount; and (iii) allow, settle, and pay certain 503(b)(9) Claims in an aggregate amount greater than \$100,000, after satisfying the requisite notice requirement. On November 15, 2017, the Bankruptcy Court issued an order approving the 503(b)(9) Procedures Motion [ECF No. 1759].

(d) Reclamation Procedures

On April 7, 2017, the Debtors filed the *Motion of Debtors for Entry of an Order Pursuant to 11 U.S.C. §§ 105 and 546(c) Establishing and Implementing Exclusive and Global Procedures for Treatment of Reclamation Claims* [ECF No. 154] (the "**Reclamation Procedures Motion**") seeking to establish procedures (the "**Reclamation Procedures**") to govern the treatment of all unpaid claims seeking reclamation of goods pursuant to section 546(c) of the Bankruptcy Code (collectively, the "**Reclamation Claims**"). On May 24, 2017, the Bankruptcy Court entered an order approving the Reclamation Procedures Motion [ECF No. 542]. As required by the Reclamation Procedures, the Debtors filed the *Debtors' Reclamation Notice Under the Order Pursuant to 11 U.S.C. §§ 105 and 546(c) Establishing and Implementing Exclusive and Global Procedures for Treatment of Reclamation Claims* [ECF No. 1387] (the "**Reclamation Notice**") listing the reclamation demand and the amount (if any) of each such asserted Reclamation Claim that the Debtors determined to be valid. In accordance with the Reclamation Procedures, the Debtors filed a number of settlement notices in November and December of 2017 and January of 2018 settling the treatment of Reclamation Claims asserted against the Debtors' estates [ECF Nos. 1512, 1517, 1686, 1708, 1772, 1788, and 2270]. On January 16, 2018, the Debtors filed the *Motion Pursuant to 11 U.S.C. §§ 105(a) and 503(b) for Entry of Order Supplementing Order Pursuant to 11 U.S.C. §§ 105 and 546(c) Establishing and Implementing Exclusive and Global Procedures for Treatment of Reclamation Claims* [ECF No. 2146] (the "**Supplemental Reclamation Procedures Motion**") seeking to supplement the Reclamation Procedures to provide the Debtors with authority to pay the approximately \$17 million in asserted Reclamation Claims that the Debtors determined to be valid. The Supplemental Reclamation Procedures Motion is currently pending and is scheduled to be heard before the Bankruptcy Court on February 27, 2018.

4. Claims Reconciliation Process

Pursuant to the Claims Objection Procedures Order, the Debtors filed four (4) omnibus claim objections, objecting to Claims on grounds that such Claims were amended and superseded by later-filed Claims, were duplicative of other Claims, or have been satisfied by the Debtors. The Bankruptcy Court entered orders expunging 210 such Claims [ECF Nos. 1942, 1943, 2109, and 2108].

Other Claims remain subject to ongoing evaluation and negotiation with creditors. The Debtors are evaluating these remaining Claims to determine whether to allow certain Claims, object to their

allowance, seek to settle certain Claims through negotiations with creditors, or whether certain Claims require other actions. The Debtors anticipate resolving a substantial amount of Claims consensually, but anticipate filing objections to those Claims in accordance with the Reconciliation Plan where consensual resolution with the applicable claimant cannot be achieved.

G. Postpetition U.S. AP1000 Matters

1. The Interim Assessment Agreements

Following the Petition Date, the Project Owners funded the costs of construction at their respective U.S. AP1000 Projects, and the Debtors continued to fulfill their obligations under the EPC Agreements (as modified by the terms of the IAAs).

Following the Petition Date, the Debtors and Project Owners entered into a series of amendments and extensions to the IAAs to (i) maintain the *status quo* and limit costly disruptions to the Project Owners while engaging in negotiations regarding the long-term future of the U.S. AP1000 Projects, and (ii) clarify that the Project Owners would cover any administrative expenses accrued by the Debtors related to the U.S. AP1000 Projects during the Interim Assessment Period.¹¹

The Vogtle Interim Assessment Agreement expired on July 27, 2017, the same date the Services Agreement (as defined below) went into effect. The VC Summer Interim Assessment Agreement expired on August 7, 2017, following the receipt of a notice of termination of the VC Summer Interim Assessment Agreement from the VC Summer Owners on July 31, 2017, the same date the VC Summer Owners announced they would be ceasing construction of the VC Summer Project. Since the expiration of the IAAs, the Debtors and Project Owners have been working to validate (i) the amounts advanced by the Project Owners pursuant to the IAAs and (ii) the amounts expended by the Debtors on the U.S. AP1000 Projects during the Interim Assessment Period. Pursuant to the Interim Assessment Agreements, the Project Owners may assert administrative expense claims for certain amounts advanced to the Debtors, to the extent such funds are not used by the Debtors to satisfy administrative expense claims in accordance with the Interim Assessment Agreement.

(a) Vogtle Services Agreement and Rejection of Vogtle EPC Agreement

Following the Petition Date, the Debtors entered into negotiations with the Vogtle Owners to enter into a profitable, longer-term engineering, procurement, and construction support services arrangements.

The Debtors and Vogtle Owners executed a non-binding term sheet in respect of a services agreement on May 12, 2017, and subsequently executed a binding agreement (the “**Services Agreement**”) on June 9, 2017. The effectiveness of the Services Agreement was subject to (i) the Debtors’ rejection of the Vogtle EPC Agreement and (ii) approval of the Services Agreement by the Bankruptcy Court, DIP Lenders, and United States Department of Energy (the “**DOE**”). On June 23, 2017, the Debtors filed a

¹¹ See Notice of Filing of Amendment No. 1 to V.C. Summer Interim Assessment Agreement [ECF No. 385]; Notice of Filing of Amendment No. 2 to V.C. Summer Interim Assessment Agreement [ECF No. 778]; Notice of Filing of Amendment No. 1 to Vogtle Interim Assessment Agreement [ECF No. 388]; Notice of Filing of Amendment No. 2 to Vogtle Interim Assessment Agreement [ECF No. 464]; Notice of Filing of Amendments No. 3 and 4 to Vogtle Interim Assessment Agreement [ECF No. 669]; Notice of Filing of Amendment No. 5 to Vogtle Interim Assessment Agreement [ECF No. 691]; Notice of Filing of Amendment No. 6 to Vogtle Interim Assessment Agreement [ECF No. 762]; Notice of Filing of Amendment No. 7 to Vogtle Interim Assessment Agreement [ECF No. 800]; and Notice of Filing of Amendment No. 8 to Vogtle Interim Assessment Agreement [ECF No. 957].

motion [ECF No. 769] seeking authority to, *inter alia*, enter into the Services Agreement and reject the Vogtle EPC Agreement. On July 20, 2017, the Bankruptcy Court entered an order [ECF No. 954] authorizing the Debtors' entry into the Services Agreement and rejection of the Vogtle EPC Agreement. On July 27, 2017, after satisfying the remaining conditions to effectiveness, the Debtors filed a *Notice of Effective Date of Services Agreement* [ECF No. 1020], rendering the Services Agreement and rejection of the Vogtle EPC Agreement effective.¹²

All ongoing work performed by the Debtors in connection with the Vogtle Project, regardless of whether such work was previously governed by the Vogtle EPC Agreement or the Vogtle Interim Assessment Agreement, is now exclusively governed by the Services Agreement. The Vogtle EPC Agreement was deemed rejected as of July 27, 2017, and the parties allowed the Vogtle Interim Assessment Agreement to expire on the same date.

Since then, pursuant the Services Agreement, the Debtors have been working with the Vogtle Owners to continue the construction of the Vogtle Project, as well as to assess the path to completion of the Vogtle Project. Unless otherwise earlier terminated by the Vogtle Owners in accordance with its terms, the Services Agreement will remain in full force and effect until the start-up and testing of the plant is complete and electricity is generated and sold from both units.

Under the Services Agreement, the Debtors have transferred control of the construction of the Vogtle Project by, among other things, assuming and assigning thousands of subcontracts to the Vogtle Owners; seconding employees to the Vogtle Owners; transferring regulatory permits to the Vogtle Owners; providing agreed engineering, procurement, and construction support services; and maintaining and delivering the intellectual property necessary to complete the Vogtle Project.

The Services Agreement is a cost-reimbursable-plus-fee contract which provides for the Vogtle Owners to pay all direct and indirect costs and expenses of the Debtors' services and other items provided under the agreement, plus an applicable margin, multiplier, or fixed fee depending on the labor or services being provided. The Services Agreement does not impose upon the Debtors any responsibility for the completion of the Vogtle Project or any liability in the event the construction schedule is delayed. Further, the Debtors' liability under the agreement is capped at the amount of fees earned thereunder, and the Debtors' indemnification obligations are limited.

The Services Agreement is expected to result in substantial profitable revenue to the Debtors. The Services Agreement also paves the way for the completion of the Vogtle Project, which, if completed, could represent a significant source of future revenue for the Debtors' core businesses, including its Global Products and Services business line. Further, completion of the Vogtle Project increases the potential that prospective customers around the globe could seek to build additional AP1000 reactors.

In connection with the Services Agreement, the Debtors negotiated and obtained the Vogtle Owners' agreement to pay the cost to cure and assume approximately 1,670 subcontracts related to the

¹² On August 25, 2017, GPC filed the *Motion of Georgia Power Company for an Order Lifting the Automatic Stay to Allow it to Terminate Rejected Engineering, Procurement and Construction Agreement* [ECF No. 1245] (the "**GPC Lift Stay Motion**") seeking relief from the stay to terminate the Vogtle EPC Agreement to allow the Vogtle Owners to assert a larger contractual claim. On September 25, 2017, the Debtors filed an objection to the GPC Lift Stay Motion [ECF No. 1392] asserting that GPC should not be entitled to lift the automatic stay to terminate the EPC solely to attempt to increase the size of its claim and to eliminate a valuable contract right of the Debtors' estates. On September 25, 2017, the UCC filed a reply to the GPC Lift Stay Motion stating that it did not object to the GPC Lift Stay Motion [ECF No. 1395]. To date, the GPC Lift Stay Motion remains pending and is currently adjourned indefinitely pursuant to a notice of adjournment filed on January 22, 2018 [ECF No. 2198].

Vogtle Project. Of these contracts, the Debtors have (i) assumed and assigned approximately 1,130 contracts to the Vogtle Owners and (ii) assumed and amended approximately 540 subcontracts to name the Vogtle Owners the primary obligor.

To date, the Vogtle Owners have made over \$47.6 million in cure payments in connection with the assignment and amendment of such subcontracts.

On August 31, 2017, GPC recommended to the Georgia Public Service Commission (the “PSC”) that construction of the Vogtle Project be continued. GPC believes that the most reasonable schedule for completing the Vogtle Project is that Unit 3 will be completed by November 2021 and Unit 4 will be completed by November 2022. On December 21, 2017, the PSC unanimously approved the continued construction of the Vogtle Project. As of the date hereof, construction is continuing and the Debtors are performing under the Services Agreement.

2. Shutdown of VC Summer Project

Following entry into the VC Summer Interim Assessment Agreement, the Debtors fulfilled their obligations under the VC Summer EPC Contract (as modified by the terms of the VC Summer Interim Assessment Agreement). In addition, the Debtors engaged in advanced negotiations with the VC Summer Owners regarding a longer-term agreement in respect of the VC Summer Project. However, on July 31, 2017 (the “**Shutdown Date**”), the VC Summer Owners announced publicly that they were ceasing construction of the VC Summer Project (the “**VC Summer Shutdown Announcement**”). On the Shutdown Date, the VC Summer Owners also provided the Debtors with a notice of termination of the VC Summer Interim Assessment Agreement.

Given the VC Summer Owners’ unilateral abandonment of the VC Summer Project, the Debtors’ only option was to wind down their involvement with the VC Summer Project in an expeditious and timely manner. On or about July 31, 2017, the Debtors instructed substantially all of the contract counterparties associated with the construction of the VC Summer Project to cease work on the VC Summer Project immediately, halt all shipments, and suspend or demobilize all work progress.

Since the Shutdown Date, the Debtors have taken the following steps to maximize value and mitigate damages against their estates:

(a) VC Summer Subcontract Rejection Motion

On August 7, 2017, the Debtors filed a motion [ECF No. 1099] (the “**VC Summer Subcontract Rejection Motion**”) seeking authority to reject substantially all 3,892 of its executory subcontracts, vendor contracts, and purchase orders associated with the construction of the VC Summer Project (the “**Rejected Subcontracts**”). The Debtors provided notice of the VC Summer Subcontract Rejection Motion to the Rejected Subcontracts counterparties in advance of, or promptly after, the expiry of the VC Summer Interim Assessment Agreement. On August 17, 2017, the VC Summer Owners filed a response [ECF No. 1172] (the “**Subcontractor Rejection Objection**”) requesting that the Bankruptcy Court deny the VC Summer Subcontractor Rejection Motion or, alternatively, continue the motion to enable the Debtors to cooperate with the VC Summer Owners in evaluating the Rejected Subcontracts in order to determine whether any Rejected Subcontracts should be assumed and assigned to SCE&G as part of its efforts to wind down the VC Summer Project. The VC Summer Owners and Debtors resolved the Subcontractor Rejection Objection, and the Subcontractor Rejection Objection has been fully withdrawn [see ECF Nos. 1391, 1744, and 2215].

(b) Assumption and Assignment of VC Summer Executory Contracts and Unexpired Leases

Following the Shutdown Date, the Debtors determined that they would no longer require certain leased premises (the “**VC Summer Warehouse Leases**”) used by the Debtors to store and maintain heavy equipment in connection with the design, engineering, and construction of the VC Summer Project. The vast majority of the equipment stored at the leased premises was owned by the VC Summer Owners, who reached out to the Debtors to express their interest in assuming the go-forward obligations under the applicable leases in order to maintain control of the equipment located at the leased premises. On November 3, 2017 and December 5, 2017, the Debtors filed motions [ECF Nos. 1692 and 1868] to assume and assign the VC Summer Warehouse Leases to SCE&G. On November 20, 2017 and December 20, 2017, the Bankruptcy Court entered orders approving such assignments [ECF Nos. 1779 and 1962].

(c) Sale and Abandonment of Project Assets

The Debtors own certain construction equipment and tools located at the VC Summer Project site or held by vendors that is no longer used or useful to the operation of their business. Following the shutdown of the VC Summer Project, the Debtors no longer have any use for such equipment and tools in their operation, the Debtors have determined to either sell or abandon such property.

Since the Shutdown Date, the Debtors have sought to secure and remove property located on the VC Summer Project site that has market value that exceeds the costs of extraction. Accordingly, on December 19, 2017, the Debtors filed a motion (the “**Auction Motion**”) [ECF No. 1956] seeking authority to retain Ritchie Bros. Auctioneers (America) Inc. to sell such property at an auction scheduled for February 19–23, 2018, free and clear of all liens, claims, encumbrances, and other interests. The Bankruptcy Court entered an order granting the Auction Motion on January 10, 2018 [ECF No. 2107]. The Debtors anticipate that they may be able to recover approximately \$10–\$15 million for their estates on account of such property related to the VC Summer Projects.

In certain instances, the cost of maintaining, retrieving, relocating, storing, and/or selling property may outweigh the projected recovery from selling such property. Notably, a significant amount of property located at the VC Summer Project site or vendor warehouses consists of partially built goods, equipment, or components specifically designed for the VC Summer Project that do not have an alternative use. Accordingly, on January 9, 2018, the Debtors filed the *Motion of Debtors for Entry of an Order Approving Procedures for the Sale, Transfer, or Abandonment of Certain Property* [ECF No. 2105] (the “**Abandonment Procedures Motion**”) seeking approval of procedures that would allow it abandon or sell such burdensome property in an efficient manner. The Bankruptcy Court entered an order granting the Abandonment Procedures Motion on January 25, 2018 [ECF No. 2274].

3. Additional U.S. AP1000 Project Rejection Motions

On July 14, July 24, and October 31, 2017, the Debtors filed motions [ECF Nos. 916, 985, and 1664] to reject certain executory contracts related to the Debtors’ activities on the U.S. AP1000 Projects (i) that were not assumed by the Debtors or Vogtle Owners in connection with entry into the Services Agreement, or (ii) were related to the ceased VC Summer Project. The Bankruptcy Court entered orders granting the motions on August 8, August 10, and November 16, 2017 [ECF Nos. 1104 (as amended, at ECF No. 1301), 1122, and 1771 (as amended, at ECF No. 1780)], respectively.

4. Toshiba Settlements with Project Owners

On June 9, 2017, Toshiba entered into a settlement agreement (the “**Vogtle Settlement**”) with the Vogtle Owners, made effective by the Distribution Order (as defined below), setting Toshiba’s obligations related to the Vogtle EPC Agreement at \$3.68 billion.

On July 20, 2017, the Bankruptcy Court entered the *Order Regarding Distributions in Respect of Claims and Interests of Toshiba Corporation and Affiliates* [ECF No. 953] (the “**Distribution Order**”) which (i) entitled the Vogtle Owners and VC Summer Owners to receive all distributions from the Debtors’ estates in respect of certain of Toshiba’s and certain of its affiliates’ rights or claims against the Debtors or the Debtors’ subsidiaries and (ii) limited distributions made to Toshiba or certain of its affiliates until the obligations under the Vogtle Settlement and the VC Summer Settlement (as defined herein) were fully satisfied.

On July 27, 2017, Toshiba entered into a settlement agreement (the “**VC Summer Settlement**”) with the VC Summer Owners setting Toshiba’s obligation related to the construction of the VC Summer Project at \$2.168 billion (the “**VC Summer Settlement Claim**”). On or about September 27, 2017, the VC Summer Owners announced the sale of the VC Summer Claims (as defined below) and VC Summer Settlement Claim to Citigroup Financial Products, Inc. (“**CFPI**”).

Following execution of the Vogtle Settlement and the VC Summer Settlement, Toshiba began to make scheduled monthly payments to each of the Vogtle Owners and the VC Summer Owners (or their assignees, as applicable) in compliance with the terms of the respective settlement agreements.

On December 14, 2017, GPC, on behalf of the Vogtle Owners, announced that they had received a payment of \$3.225 billion from Toshiba, representing the unpaid balance owed by Toshiba pursuant to the Vogtle Settlement. By an agreement between the Vogtle Owners and Toshiba, Toshiba completed such early payment in full satisfaction of its guarantee obligation and on December 21, 2017, the Vogtle Owners’ transferred their Proofs of Claim (the “**Vogtle Claims**”) to Toshiba (*see* ECF Nos. 1984–1999). On that same date, Toshiba caused approximately \$71.4 billion in duplicative Vogtle Claims to be withdrawn (*see* ECF Nos. 2000–2013).

On January 12, 2018, Toshiba announced that it completed early payment of the VC Summer Settlement Claim in an aggregate amount of \$2.108 billion, taking into account certain agreed-upon adjustments to the VC Summer Settlement Claim. Payment of the VC Summer Settlement Claim fully satisfied Toshiba’s guarantee obligations and completed Toshiba’s payments in full of its parent guarantee obligations for the U.S. AP1000 Projects.

5. Estimation of VC Summer Claims

On December 10, 2017, the Debtors filed a *Motion to Estimate Maximum Amount of Unliquidated Claims Filed by South Carolina Electric & Gas Company and the South Carolina Public Service Authority Under Bankruptcy Code Section 502(c) or, in the Alternative, Partial Objection to Claims* [ECF No. 1895, supplemented at ECF No. 2048] (the “**Estimation Motion**”) seeking an order from the Bankruptcy Court estimating the maximum allowable amount of the asserted General Unsecured Claims for the VC Summer Owners (the “**VC Summer Claims**”) at \$1.67 billion or, in the alternative, an order determining that a \$1.67 billion maximum liability cap applies to the VC Summer Claims. The Estimation Motion also sought an order from the Bankruptcy Court disallowing certain of the VC Summer Owners’ Proofs of Claim as duplicative. Pursuant to the Plan Support Agreement, all pending discovery or litigation is suspended and Marrigan Place, LLC (the “**Directing Party**”) agreed to direct CFPI to forbear from

pursuing any further discovery or litigation related to the Estimation Motion. On January 22, 2018, the Debtors filed a notice of adjournment [ECF No. 2197] adjourning the Estimation Motion indefinitely.

H. Unexpired Leases and Real Property Sales

Following a comprehensive review of their unexpired lease and real property portfolio, as part of the Business Plan, the Debtors determined which of their unexpired leases or real property, they should retain, and which properties required modifications to support cost savings initiatives under the Business Plan. When the Debtors reviewed their portfolio, they sought opportunities to increase efficiency and reduce overall infrastructure costs for the Debtors' businesses going forward, and considered whether to reject, assume, or modify and assume their existing unexpired leases or sell real property.

1. Section 365 Lease Assumption

On July 26, 2017, the Debtors filed a motion seeking approval of an extension of the time to assume or reject unexpired leases of nonresidential real property pursuant to section 365(d)(4) (the "**365(d)(4) Deadline**") of the Bankruptcy Code [ECF No. 1006]. On September 5, 2017, the Bankruptcy Court entered an order extending the 365(d)(4) Deadline to October 25, 2017 [ECF No. 1304].

The Debtors entered into consensual extensions of the 365(d)(4) Deadline for certain leases related to the VC Summer Project to afford additional time to consummate the assumption and assignment of such leases to SCE&G, including (i) that certain Agreement of Lease by and between Carolina Pines II LLC and WECTEC LLC, dated August 6, 2014 (as amended from time to time, the "**Blythewood Lease**") [ECF Nos. 1588 and 1713], and (ii) that certain Lease Agreement by and between 375 Metropolitan LLC and WECTEC, dated June 3, 2015 (the "**West Columbia Lease**") [ECF Nos. 1605 and 1832]. On November 20, 2017, the Bankruptcy Court entered an order authorizing the assumption and assignment of the Blythewood Lease to SCE&G, and on December 20, 2017, the Bankruptcy Court entered an order authorizing the assumption and assignment of the West Columbia Lease to SCE&G [ECF No. 1962].

In addition, the Debtors entered into consensual extensions of the 365(d)(4) Deadline for the nonresidential real property lease located in Shanghai (the "**Shanghai Lease**") to afford additional time for WIPICO to determine whether to assume or reject such lease [ECF No. 1607].

The Debtors filed motions to assume three nonresidential real property leases, as amended on terms favorable to the Debtors, and reject one nonresidential real property lease, on August 14 and August 23, 2017 [ECF Nos. 1144 and 1225]. The Bankruptcy Court entered orders granting the motions on September 5, 2017 and October 19, 2017 [ECF Nos. 1298 and 1586], respectively.

On October 2, 2017, the Debtors filed a motion for entry of an order approving the assumption of 16 of the Debtors' unexpired leases of nonresidential real property, and the amendment and assumption of the lease of premises constituting the Debtors' headquarters in Cranberry Township, PA [ECF No. 1443]. The Bankruptcy Court entered an order granting the motion on October 19, 2017 [ECF No. 1587].

On October 25, 2017, all nonresidential real property leases not otherwise assumed or previously rejected (other than the Shanghai Lease) were deemed rejected pursuant to section 365(d)(4) of the Bankruptcy Code.

2. Real Property Sales

On May 24, 2017, the Bankruptcy Court entered the *Order Pursuant to 11 U.S.C. §§ 105(a) and 363 and Fed R. Bankr. P. 2002 Authorizing Debtors to Sell Certain Nonresidential Assets Pursuant to the Purchase and Sale Agreement with Sunoco Pipeline L.P.* [ECF No. 541], authorizing the Debtors to enter into an agreement to sell 72.2 acres of undeveloped land located in Westmoreland County, Pennsylvania to Sunoco Pipeline L.P. (“**Sunoco**”) for consideration in the amount of approximately \$920,550. The Debtors and Sunoco engaged in a series of arm’s-length negotiations resulting in the parties agreeing to a sale of the land at the price of \$12,750 per acre, which was approved by the Bankruptcy Court free and clear of any liens and encumbrances pursuant to section 363 of the Bankruptcy Code.

On December 4, 2017, the Debtors filed the *Motion for Entry of an Order Authorizing the Debtors to Sell Certain Nonessential Assets Pursuant to the Purchase and Sale Agreement with Westmoreland County Industrial Development Corporation* [ECF No. 1857] seeking to sell 206 acres of access land currently part of the Waltz Mill Site (the “**Waltz Mill Sale**”). As consideration for the 206 acres, Westmoreland County Industrial Development Corporation agreed to pay the Debtors \$2 million and to extend the Municipal Authority of Westmoreland County sanitary sewer system to the Waltz Mill Site, which will reduce the Debtors’ operating costs and will allow the Debtors to increase and optimize occupancy levels at the Waltz Mill Site. On December 12, 2017, the Bankruptcy Court entered an order authorizing the Debtors to execute the Waltz Mill Sale [ECF No. 1915].

I. Employee Compensation

1. **KERP Motion**

On August 22, 2017, the Debtors filed the *Motion of Debtors Pursuant to 11 U.S.C. §§ 363(b) and 503(c)(3) for Entry of an Order Approving Key Employee Retention Program* [ECF No. 1218] (the “**KERP Motion**”) seeking approval of a key employee retention program (the “**KERP**”). The Debtors designed the KERP to motivate a limited number of the Debtors’ non-insider employees, many of whom have specialized engineering and technical expertise (the “**KERP Participants**”) to remain with the Debtors for a period of up to 18 months after the Petition Date. On September 12, 2017, the Bankruptcy Court entered an order (the “**KERP Order**”) approving the KERP Motion, authorizing the Debtors to implement the KERP [ECF No. 1349].

2. **KEIP Motion**

On October 4, 2017, the Debtors filed the *Motion of Debtors Pursuant to §§ 363(b) and 503(c)(3) for Entry of an Order Approving (I) Key Employee Incentive Program and (II) Key Employee Salary Adjustments* [ECF No. 1470] (the “**KEIP Motion**”) seeking approval of (i) the Key Employee Incentive Program (the “**KEIP**”) and (ii) key employee salary adjustments. On October 25, 2017, the Bankruptcy Court entered an order [ECF No. 1616] approving the KEIP Motion.

3. **Deferred Compensation Plan**

On August 22, 2017, the Debtors filed the *Motion of Debtors Pursuant to 11 U.S.C. § 363(b) for Order Authorizing Termination of Deferred Compensation Plan* [ECF No. 1215] (the “**DCP Motion**”) seeking authority to (i) terminate the Debtors’ nonqualified deferred compensation plan (the “**DCP**”) and (ii) deem as an administrative claim under section 503(b) of the Bankruptcy Code any portion of a Plan Participant’s (as defined below) regular postpetition income, earned on account of postpetition services provided for the benefit of the Debtors, that has been deferred or contributed to the DCP. On September 12, 2017, the Bankruptcy Court entered an order [ECF No. 1350] (the “**DCP Order**”)

approving the DCP Motion and authorizing the Debtors to terminate the DCP retroactive to August 31, 2017.

Thirty-four of the Debtors' current and former employees were participants in, or beneficiaries of, the DCP ("**Plan Participants**"). Under the terms of the DCP, Plan Participants deferred a portion of their salaries, and the payment of income tax on such compensation, until a later date. Deferred amounts were notionally invested in designated investment funds. The aggregate DCP balance of all Plan Participants' deferred compensation as of July 19, 2017 was approximately \$8,716,000. One of the key components of the DCP was the "contribution" to the DCP of a portion of base salary income over \$300,000. The Debtors estimated that deferrals of the Plan Participants' postpetition salaries for calendar year 2017, for which Plan Participants made irrevocable elections prior to the beginning of the year, would begin occurring in the ordinary course towards the end of September 2017 as certain base salaries reached that threshold.

J. Rule 2004 Discovery

On August 8, 2017, the Bankruptcy Court entered a consensual order ("**Debtors 2004 Order**") pursuant to Bankruptcy Rule 2004 authorizing the UCC to take discovery and deposition testimony of the Debtors and Toshiba [ECF No. 1106].

On September 27, 2017, the UCC filed a motion (the "**WEC EMEA 2004 Motion**") to authorize discovery from WEC EMEA [ECF No. 1408]. On October 12, 2017, the Bankruptcy Court entered a consensual order (the "**WEC EMEA 2004 Order**") pursuant to Bankruptcy Rule 2004 authorizing the UCC to take discovery of certain WEC EMEA entities (the "**WEC EMEA 2004 Entities**") [ECF No. 1526]. The WEC EMEA 2004 Order resolved the WEC EMEA 2004 Motion with respect to the WEC EMEA 2004 Entities. On October 27, 2017, the Bankruptcy Court denied the WEC EMEA 2004 Motion with respect to the remaining WEC EMEA entities [ECF No. 1641].

To date, the Debtors have produced approximately two million documents in response to UCC discovery requests. To date, the WEC EMEA 2004 Entities have produced over 1,600 documents in response to discovery requests. Toshiba has likewise worked cooperatively with the UCC in response to discovery requests.

As described in further detail in Section IV(R) herein, discovery is currently suspended pursuant to the terms of the Plan Support Agreement.

K. Pending Litigation

(a) CB&I

On July 21, 2016, CB&I filed a verified complaint in the Court of Chancery in the State of Delaware (the "**Chancery Court**"), styled *Chicago Bridge & Iron Company N.V. v. Westinghouse Electric Company LLC and WSW Acquisition Co., LLC*, No. 12585-VCL, against, among others, WEC (the "**Delaware Action**"), asserting two counts for declaratory relief in connection with a dispute stemming from the Closing Date Adjustment, and specifically regarding the proper calculation of net working capital. WEC filed for judgment on the pleadings and the Chancery Court entered judgment in WEC's favor on December 5, 2016, holding that the dispute should be resolved by retaining an independent auditor as prescribed by the S&W Purchase Agreement (the "**Auditor Dispute Resolution Procedure**"). On the same day, CB&I filed in the Supreme Court of the State of Delaware (the "**Delaware Supreme Court**") a notice of appeal of the Chancery Court's judgment (Case No. 573, 2016) (the "**Delaware Appeal**"). In accordance with the Chancery Court's ruling, on January 5, 2017, WEC, WECTEC, and CB&I commenced

the Auditor Dispute Resolution Procedure by retaining an independent auditor. As of the Petition Date, WEC, WECTEC, and CB&I were engaged in discovery in this matter.

The Delaware Action and the Auditor Dispute Resolution Procedure were stayed on the Petition Date. On May 2, 2017, the Bankruptcy Court issued an order approving the parties' stipulation and agreement to modify the stay to allow both the Delaware Action and Auditor Dispute Resolution Procedure to continue [ECF No. 394]. On June 28, 2017, after briefing on the Delaware Appeal was complete, the Delaware Supreme Court reversed the judgment of the Chancery Court and remanded the case, requiring the Chancery Court to enter judgment on the pleadings for CB&I. On August 7, 2017, the Chancery Court entered a final judgment and order implementing the Delaware Supreme Court's ruling (the "**Final Judgment**"). The parties have recently engaged a new independent auditor, and are continuing with the Auditor Dispute Resolution Procedure to decide the issues which remain after the Final Judgment.

(b) Duke Energy

The Duke Energy Appeal (as defined below) styled *Duke Energy Florida, Inc. v. Westinghouse Electric Company, LLC*, Nos. 17-1087, 17-1151, is pending before the United States Court of Appeals for the Fourth Circuit. During the underlying litigation, 3:14-cv-00141-MOC-DSC, the United States District Court for the Western District of North Carolina (the "**N.C. District Court**"), following cross-motions for summary judgment, entered partial judgment in WEC's favor, finding that Duke Energy Florida, Inc. owed WEC termination costs (to be determined at trial) and a termination fee under an engineering, procurement, and construction agreement (the "**Duke EPC Agreement**"), and that WEC's claim for breach of good faith and fair dealing in connection with the Duke EPC Agreement should be dismissed. On February 15, 2017, the N.C. District Court entered a final judgment finding that WEC was entitled to \$0 in termination costs and a termination fee of \$30 million plus accrued interest. Both parties appealed the N.C. District Court's summary judgment order, trial order, and final judgment, and WEC also appealed prior orders denying its motions to dismiss or transfer and for partial judgment on the pleadings (the "**Duke Energy Appeal**").

The Duke Energy Appeal was stayed on the Petition Date. On May 23, 2017, this Court issued an order approving the parties' stipulation and agreement to modify the stay to allow the Duke Energy Appeal to continue [ECF No. 537], and on June 14, 2017, the Fourth Circuit granted the parties' joint motion to reopen the Duke Energy Appeal. The briefing is complete and oral argument is expected to take place in May 2018. No judgment has been reached.

L. Other

On November 27, 2017, the South Carolina Department of Labor, Licensing and Regulation, Division of Professional and Occupational Licensing Office of Investigations and Enforcement submitted a letter to the Debtors seeking information about the Debtors' work on the VC Summer Project and the supervision of a South Carolina licensed engineer.

WEC has received subpoenas for the production of documents and witnesses for testimony in a formal investigation undertaken by the Enforcement Division staff of the Securities and Exchange Commission (the "**SEC Staff**") in a matter styled *In re Toshiba Corp.* (No. FL3987) (Miami). Westinghouse understands that the SEC Staff is reviewing the accounting for its AP1000 projects and certain other matters. The SEC Staff's inquiry remains in an investigative phase with no determination of any violation of the federal securities laws or any recommendation for any enforcement action at this stage. Westinghouse is cooperating with the SEC Staff's inquiry.

M. WARN Act and South Carolina Payment of Wages Litigation

Certain Debtors have been named as defendants in three (3) proposed class action adversary complaints related to the termination of employees arising out of the cancellation of construction at the VC Summer Project sites. The three (3) pending proposed class action adversary complaints are: (i) *Fleetwood et al. v. WECTEC LLC and Stone & Webster Services LLC* (“**Fleetwood**”), filed on August 10, 2017; (ii) *Gladden et al. v. Westinghouse Electric Company, LLC* (“**Gladden**”), filed on August 10, 2017; and (iii) *Massey et al. v. Westinghouse Electric Company, LLC, WECTEC LLC, WECTEC Staffing Services, LLC, and WECTEC Global Project Services, Inc.* (“**Massey**”), filed on November 9, 2017. *Fleetwood* asserts claims under the federal WARN Act as well as the South Carolina Payment of Wages Law and seeks unpaid wages and benefits, plus costs and attorneys’ fees. *Gladden* asserts a claim under the federal WARN Act and seeks unpaid wages and benefits, plus costs and attorneys’ fees. *Massey* asserts claims under the federal WARN Act, the South Carolina Payment of Wages Law, as well as a claim for breach of contract, and seeks unpaid wages and benefits, plus costs and attorneys’ fees. On November 15, 2017, the Bankruptcy Court held a pretrial conference in *Fleetwood* and *Gladden*. On November 20, 2017, the Bankruptcy Court granted the unopposed motions of the UCC to intervene in *Fleetwood* and *Gladden*. On December 27, 2017, the Bankruptcy Court entered a consolidated scheduling order consolidating all three adversary complaints for administrative purposes. The Debtors’ answers to all three adversary complaints are due February 15, 2018 [Adv. P. Case No. 17-01109, ECF No. 9]. The Bankruptcy Court will hold a final pretrial conference on December 7, 2018 at which date a trial date will be set.

N. Exclusivity

On September 5, 2017, the Bankruptcy Court entered an order [ECF No. 1305], pursuant to section 1121(d) of the Bankruptcy Code, granting an extension of the Debtors’ exclusive periods to file a chapter 11 plan and solicit acceptances thereof through and including December 6, 2017 and February 4, 2018, respectively, without prejudice to the right of the Debtors to seek further extension of such periods. On November 28, 2017 the Debtors filed a supplemental motion seeking a further 90-day extension of the exclusive periods to file a chapter 11 plan and solicit acceptances thereof [ECF No. 1828] (the “**Second Exclusivity Motion**”). After a contested hearing on the Second Exclusivity Motion, on December 13, 2017, the Bankruptcy Court entered an order extending the Debtors’ exclusive periods to file a chapter 11 plan and solicit acceptances thereof through and including March 13, 2018 and May 12, 2018, respectively, without prejudice to the right to seek further extensions of such periods [ECF No. 1929].

O. Marketing and Sale Process and Selection of Plan Investor

1. Overview of Marketing and Sale Process

On or around June 21, 2017, the Debtors decided to explore a broad array of strategic alternatives and options, including a possible sale, recapitalization, reorganization, or other monetization transaction for substantially all or a portion of the Debtors’ businesses (the “**Marketing and Sale Process**”). In support of the Marketing and Sale Process, the Board created the Special Committee, who were then delegated authority to, among other things, supervise, monitor, and oversee the process, and to preemptively avoid any potential conflicts that may arise. Subsequently, the Special Committee was empowered by the Board to approve or reject any proposal received and negotiate terms on behalf of the company. Ultimately, the board of directors of TNEH UK also adopted a similar approach by its independent directors to evaluate the sale process.

In August 2017, with the approval of Westinghouse and under the supervision of the Special Committee, PJT commenced an expansive two-stage Marketing and Sale Process for the Debtors to identify either a third-party investor or a purchaser of the assets and operations of the Debtors and their

non-Debtor affiliates. The first round of the process was designed to reach as large a number of qualified potential investors and purchasers as possible and provide them with sufficient information regarding Westinghouse's businesses to allow such parties to submit non-binding indications of interest and request further diligence. Round two of the process was aimed at providing investors and purchasers that had submitted indications of interest with a more thorough understanding of Westinghouse's businesses and an adequate period of time to conduct in-depth diligence so that they could formulate binding offers.

In preparation for round one of the Marketing and Sale Process, PJT, after soliciting input from the UCC and Toshiba, contacted 118 potential investors and purchasers, 54 of which executed non-disclosure agreements allowing them to participate in round one. PJT launched round one on September 11, 2017, and bidders were provided with access to a virtual data room and confidential information memorandum containing certain non-public information regarding Westinghouse's businesses. Of the round one participants, 14 bidders submitted indications of interest and one candidate submitted a "letter of indication" stating that it was interested in partnering with another bidder. Based on the overall quality of the bid, value, financing sources, and certainty of execution, the Special Committee ultimately selected five bidders that submitted indications of interest for the entire Westinghouse business to advance to the second round of the Marketing and Sale Process.

Round two of the Marketing and Sale Process commenced on October 24, 2017 and lasted approximately eight weeks. Between October 31, 2017 and December 17, 2017, Westinghouse and its advisors held approximately 133 diligence calls with bidders and their advisors, responded to over 2,143 diligence inquiries, facilitated approximately 13 in-person meetings with Westinghouse's senior management, and provided access to over 10 facilities globally. Throughout this process, the Debtors kept key constituencies, such as the UCC and Toshiba, apprised of the Debtors' efforts.

Westinghouse requested binding proposals from round two bidders to be submitted by December 18, 2017. Round two bidders were required to complete due diligence in advance of submitting definitive proposals and were provided guidance to not include any due diligence, financing, or other type of contingency. At the end of round two, three bidders submitted definitive proposals to purchase substantially all of Westinghouse's businesses for consideration by Westinghouse. Additionally, one bidder submitted a non-binding letter of intent that did not substantially comply with the requirements to be considered a definitive proposal and was subsequently rejected after careful evaluation by Westinghouse and its advisors.

2. Selection of Plan Investor and Plan Funding Agreement

Over the course of two and a half weeks, Westinghouse and its advisors engaged in extensive discussions with the bidders that provided definitive proposals. These discussions culminated in an additional round of bidding to determine the best and highest offer, conducted through a series of meetings on January 3, 2018 between the three remaining bidders and Westinghouse and its advisors, the Special Committee and its counsel, and the independent members of the board of directors of TNEH UK. Advisors to the UCC and to Toshiba were kept apprised of the negotiations and key developments. After a full day of negotiations, the Special Committee, after consulting with its counsel, the independent directors of TNEH UK, Westinghouse, and their respective advisors, selected Brookfield Capital Partners LLC's bid as the best and highest offer, after consulting with the UCC and Toshiba, and Westinghouse entered into a binding letter of intent on January 4, 2018 setting forth the key terms of a plan funding agreement.

On January 12, 2018, TNEH UK, U.S. HoldCo (U.S. HoldCo, together with TNEH UK, the " **Holding Companies**"), and the Plan Investor (the Plan Investor, together with Companies, the "**PFA Parties**") executed the Plan Funding Agreement. Pursuant to the Plan Funding Agreement, Plan Investor

will provide, subject to certain holdbacks, \$3.802 billion in cash and cash consideration in exchange for the acquisition of (i) 100% of TNEH UK's equity interests in WECHOL and (ii) the equity in reorganized U.S. HoldCo, except for the Excluded Assets. The Plan Investment Transaction further contemplates the assumption of approximately \$770 million of liabilities, subject to certain adjustments.

The Plan Investment Transaction is proposed to be consummated pursuant to the Plan, which maximizes the value of the Estates and brings a holistic resolution to these Chapter 11 Cases as quickly and efficiently as possible. Nevertheless, the Debtors and the Plan Investor recognize that confirmation of a plan of reorganization is not a certain outcome and have agreed upon a path forward that will provide Westinghouse the ability to sell its businesses to the Plan Investor pursuant to a standalone asset sale under section 363 of the Bankruptcy Code if confirmation of the Plan does not appear achievable by March 31, 2018.

Specifically, Section 2.01(e) of the Plan Funding Agreement provides that if (i) confirmation of the Plan is denied on or before March 31, 2018 or (ii) at any time following January 12, 2018, the Parties mutually agree that confirmation of the Plan is unlikely to occur (each event described in the foregoing clauses (i) or (ii), a "**Conversion Event**" and the date upon which either of such events occurs, the "**Conversion Date**"), then the Plan Investment Transaction shall thereupon automatically convert to a sale of all or substantially all of the assets of the Debtors pursuant to section 363 of the Bankruptcy Code pursuant to the terms of a stock and asset purchase agreement, containing the terms set forth in Exhibit D to the Plan Funding Agreement and otherwise prepared and negotiated in accordance with the immediately succeeding sentence (it being understood that such stock and asset purchase agreement contains terms providing that its effectiveness is conditioned upon a conversion having first occurred). Under the Plan Funding Agreement, the Parties have agreed to promptly prepare and negotiate in good faith a stock and asset purchase agreement with respect to the standalone section 363 sale reflecting the terms of the Plan Funding Agreement as modified by the terms set forth in Exhibit D to the Plan Funding Agreement and including such other terms as are customary, appropriate, and reasonable in connection therewith.

The overall consideration provided by the Plan Investor in a standalone section 363 sale scenario would be reduced by \$150 million (as compared to the Plan Investment Transaction) as a result of the loss of certain economic benefits to the Plan Investor only available in the context of a plan of reorganization.

The Plan Funding Agreement was conditioned on certain protections being made available to the Plan Investor (the "**Plan Investor Protections**"), including (i) a break-up fee of \$75 million (the "**Break-Up Fee**"), (ii) an expense reimbursement for reasonable documented fees and expenses (including professional fees) incurred by the Plan Investor of up to \$25 million (the "**Expense Reimbursement**"), and (iii) a prohibition (a "**No-Shop Provision**") on the Debtors from soliciting, encouraging the submission of, or negotiating any alternative Competing Transaction (as defined in the Plan Funding Agreement) to the Plan Investment Transaction, subject to the Debtors' ability to consider, negotiate, or enter into certain proposed Competing Transactions if failure to take such action would be inconsistent with their fiduciary duties (subject to certain limitations). The Expense Reimbursement would be earned upon the Plan Investor's termination of the Plan Funding Agreement based on certain conditions set forth in the Plan Funding Agreement, including with respect to the breach of any representation or warranty or covenants that would cause any closing condition to not be satisfied, and the failure to meet certain conditions, including the following bankruptcy milestones: (a) filing of the Plan, Disclosure Statement, and Solicitation Motion by January 29, 2018; (b) entry of the order approving the Disclosure Statement and related procedures by February 27, 2018; and (c) entry of the Confirmation Order or an order approving the standalone asset sale pursuant to section 363 of the Bankruptcy Code by April 16, 2018. As set forth in Section 12.03(b) of the Plan Funding Agreement, both the Break-Up Fee and Expense Reimbursement are earned upon termination of the Plan Funding Agreement based on the willful and

intentional breach of the No-Shop Provision or signing a definitive agreement with respect to a Competing Transaction.

On January 10, 2018, the Debtors filed the *Motion of Debtors Pursuant to 11 U.S.C. §§ 105(a), 363(b), 503(b) and 507(a)(2) and Fed. R. Bankr. P. 6004 Authorizing and Approving Certain Plan Investor Protections* [ECF No. 2111] (the “**Investor Protections Motion**”), seeking approval of the Plan Investor Protections on shortened notice. The Plan Investor Protections were consensually modified and approved by the Bankruptcy Court on January 19, 2018 [ECF No. 2184].

3. Related Tax Agreement

In connection with the Plan Funding Agreement, on January 12, 2018, (i) Toshiba and certain of Toshiba’s direct and indirect subsidiaries (in each case excluding the Debtors and the Debtors’ direct and indirect non-Debtor subsidiaries (the “**Toshiba Affiliates**”), including TNEH US, (ii) U.S. HoldCo and TNEH UK, and (iii) the Plan Investor entered into that certain Side Agreement whereby, *inter alia*, (a) the Plan Investor grants Toshiba the right to enforce provisions of the Plan Funding Agreement relating to parent guarantee obligations; (b) TNEH US grants to U.S. HoldCo control over the preparation, filing, and amendment of tax returns, reports, certificates, forms, and similar statements or documents required to be filed for U.S. federal, state, or local tax purposes with respect to the WEC U.S. Tax Group (or any subgroup thereof that includes a Debtor) for all taxable periods preceding or including the date on which the U.S. Debtors are deconsolidated from the WEC U.S. Tax Group (with each such return or tax filing subject to reasonable review and approval by TNEH US and Toshiba), as well as control over any tax disputes relating to such periods; (c) the U.S. Debtors indemnify Toshiba, Toshiba Affiliates not in the WEC U.S. Tax Group, and any transferee of Toshiba’s interest in TNEH US against any liability for taxes of the WEC U.S. Tax Group for such taxable periods; (d) the U.S. Debtors are entitled to any and all tax refunds or credits (including interest thereon) with respect to or otherwise relating to taxes of the WEC U.S. Tax Group; and (e) Toshiba agrees that neither it nor any successor owner of the equity of the WEC U.S. Tax Group will take certain actions or reporting positions that could have an adverse impact on the WEC U.S. Tax Group for U.S. federal income tax purposes, subject to certain reservations of rights (as applicable).

P. Summary of Claims

Approximately 3,450 Proofs of Claim asserting Claims against the Debtors have been received by KCC or filed with the Bankruptcy Court to date. In addition, the Debtors have scheduled approximately 2,140 liquidated, noncontingent, and undisputed Claims (the “**Scheduled Claims**”). The Debtors have matched approximately 1,000 of the Scheduled Claims to Proofs of Claim, leaving approximately 1,115 Scheduled Claims remaining. As of the date hereof, the aggregate amount of Claims filed against and scheduled by the Debtors that have not been Disallowed or withdrawn is 41.4 billion (including duplicative Claims, but excluding any estimated amounts for contingent Claims).

The Claims that have been scheduled or asserted against the Debtors that remain pending include the following categories of Claims:

1. DIP Claims

The Debtors expect that the DIP Claims will be Allowed in the full amount drawn under the DIP Facility. The Debtors expect that the DIP Claims will be \$800 million, plus any accrued interest and fees as of the date of repayment.

2. Priority Tax Claims

As of the date hereof, approximately 119 in number and \$71.8 million¹³ in amount of Priority Tax Claims are asserted against the Debtors. The Debtors estimate that approximately \$16.8 to \$19.6 million in Priority Tax Claims may be Allowed as Priority Tax Claims.

3. Other Priority Claims

As of the date hereof, approximately 250 in number and \$71 million in amount of Other Priority Claims are asserted against the Debtors. The Debtors estimate that approximately \$3.8 million to \$58.4 million of the Other Priority Claims may be Allowed as Other Priority Claims (Class 1).

4. Other Secured Claims

As of the date hereof, approximately 193 in number and \$247.3 million in amount of Other Secured Claims (*i.e.*, Secured Claims other than DIP Claims or Priority Tax Claims) are asserted against the Debtors. The Debtors estimate that approximately \$17.3 to \$137.7 million of the Other Secured Claims may be Allowed as Other Secured Claims (Class 2).

5. Intercompany Claims

The Debtors estimate that there are approximately 47 in number and \$1.273 billion in amount of Intercompany Claims asserted by non-Debtor Westinghouse entities against the Debtors. Intercompany Claims includes Claims related to ordinary course of business operations among the Debtors and the Company Affiliates prior to the Petition Date. For the avoidance of doubt, Intercompany Claims do not include Cash Pool Claims or the AUAM Loan Claim.

6. General Unsecured Claims

As of the date hereof, approximately 2,381 in number and \$111.391 billion in amount of General Unsecured Claims have been asserted against the Debtors. Of these amounts, the Debtors estimate that approximately \$774.5 million to \$1.162 billion in Class 3A General Unsecured Claims (other than Cash Pool Claims) and \$7.6 billion in Class 3B General Unsecured Claims may ultimately be Allowed.

The General Unsecured Claims includes all Claims except for those listed in Section IV(P)(1)–(5) (above) and include the following:

(i) **Vogtle Claims:** Pursuant to the Vogtle Settlement, approximately \$5.1 billion of Vogtle Claims were transferred to Toshiba on December 21, 2017. On that same date, Toshiba caused approximately \$71.4 billion in duplicate Vogtle Claims to be withdrawn. Pursuant to the Plan and the settlements and compromises embodied therein, the Vogtle Claims, which are held by the Consenting Claimholder as of the date hereof,¹⁴ will be Allowed as Class 3B General Unsecured Claims in the amounts set forth on lines 1 and 2 on Exhibit E annexed to the Plan.

¹³ Included in these amounts is Proof of Claim No. 3447 asserted in an amount of \$13.9 million. The amounts asserted in this Claim are subject to ongoing audit and are currently disputed by the Debtors.

¹⁴ The Toshiba Claims, the Vogtle Claims, and the WECHOL Claim were asserted by Toshiba (either initially or after being acquired by Toshiba) prior to such Claims being sold to Consenting Claimholder pursuant to the Claim APA, as described in Section IV(Q) herein.

(ii) VC Summer Claims. CFPI (as assignee of the VC Summer Owners) filed approximately \$7.5 billion in claims related to the VC Summer Project. Pursuant to the Plan and the settlements and compromises embodied therein, the VC Summer Claims, which are held by CFPI, shall be withdrawn on the Effective Date and, to the extent that such Claims are not withdrawn, will be classified as Class 3B General Unsecured Claims.

(iii) Toshiba Claims. Toshiba and the Toshiba Affiliates have asserted \$6.9 billion in Claims against the Debtors (such Claims as listed on lines 3–20 on Exhibit E and lines 1–3 on Exhibit F annexed to the Plan, the “**Toshiba Claims**”) on account of Claims arising out of certain intercompany advances made to the Debtors, as well as certain prepetition credit support arrangements and guarantees (including the Toshiba Guarantees) provided on behalf of the Debtors. Prior to the Petition Date, Toshiba agreed to provide certain credit support to the Debtors in connection with the Debtors’ prepetition business obligations, including, among other things, parent guarantees, subrogation, indemnification, and/or collateralization obligations relating to amounts owed to third parties or with the Debtors’ performance under certain contracts with third parties. As of the Petition Date, certain of the beneficiaries of the credit support obligations made payment demands on Toshiba or drew on existing collateral provided by Toshiba. In other instances, the support obligations remain contingent and unliquidated. Pursuant to the Plan and the settlements contained therein, the Toshiba Claims, which are held by the Consenting Claimholder as of the date hereof, will be treated as Allowed Class 3B General Unsecured Claims in an amount equaling \$6.9 billion in the aggregate, subject to adjustment for continuing postpetition demands or draw requests actually satisfied by Toshiba or Toshiba Affiliates prior to the Effective Date.

(iv) Cash Pool Claims. The Cash Pool Claims, which are listed on Exhibit B to the Plan, represent all of the Claims asserted against the Debtors, including on account of an asserted indemnification obligation of the Debtors related to the Cash Pool, other than the WECHOL Claim (the “**Cash Pool Claims**”). Approximately \$471.5 million in Cash Pool Claims have been asserted against the Debtors. Pursuant to the Cash Pool Settlement under the Plan, in exchange for the waiver, release, satisfaction or other agreed-upon treatment of the Cash Pool Claims by holders thereof, the holders of such Claims will be rendered Solvent in connection with the Plan Investment Transaction pursuant to the Solvency Steps Plan (as defined in the Plan Funding Agreement). The Cash Pool Claims are classified as Class 3A General Unsecured Claims; *however*, because the WEC EMEA entities will be rendered solvent pursuant to the Solvency Steps Plan, holders of Cash Pool Claims will not be entitled to share in distributions from the Segregated Account with the other holders of Allowed Class 3A General Unsecured Claims.

(v) WECHOL Claim. On August 30, 2017, WECHOL asserted the \$650 million WECHOL Claim arising from the Cash Pool against the Debtors. On November 23, 2017, WECHOL transferred the WECHOL Claim to Toshiba pursuant to the Claim Swap, and Toshiba subsequently transferred the WECHOL Claim to the Consenting Claimholder pursuant to the Claim APA. Pursuant to the Plan, the WECHOL Claim shall be deemed an Allowed Class 3B General Unsecured Claim in the amount of \$650 million; *provided*, that the Consenting Claimholder has agreed to subordinate the WECHOL Claim until such time that all Allowed Class 3B General Unsecured Claims listed on Exhibit F to the Plan are paid in full.

(vi) Toshiba GUC Claims. As of the date hereof, Toshiba and the Toshiba Affiliates have asserted 28 in number and \$43,665,642.48 in Claims against the Debtors (the “**Toshiba GUC Claims**”), which includes a number of Claims arising out of their ordinary course trade relationship with the Debtors, pursuant to which Toshiba and the Toshiba Affiliates provided various products and services to the Debtors’ prepetition business operations. Pursuant to the Plan and the

settlements contained therein, the Toshiba GUC Claims shall be deemed Allowed Class 3A General Unsecured Claims in the amount of approximately \$43.7 million, as set forth in Exhibit G to the Plan.

(vii) Other General Unsecured Claims. As of the date hereof, approximately 2,353 in number and \$6 billion in amount of General Unsecured Claims, other than Toshiba Claims, Vogtle Claims, VC Summer Claims, Cash Pool Claims, the WECHOL Claim, and the Toshiba GUC Claims, are asserted against the Debtors. The Debtors estimate that approximately \$730.8 million to \$1.1 billion of these other General Unsecured Claims may be Allowed as Class 3A General Unsecured Claims.

Q. Toshiba Sale of Westinghouse Claims and Equity

On November 19, 2017, Toshiba announced that it had decided to explore strategic alternatives in connection with the majority of its residual claims against and equity interests in Westinghouse, subject to obtaining any required regulatory approvals. Over the next two months, Toshiba launched and pursued a sale process for the Toshiba Claims and 100% of the outstanding shares in TNEH UK and TNEH US. Toshiba worked closely with the Debtors and the Debtors' advisors to align Toshiba's sale process with the Debtors' ongoing Marketing and Sale Process. At the same time, Toshiba and the Debtors engaged in initial discussions regarding the parameters of a potential plan of reorganization for the Debtors, which ultimately provided the framework for the Plan Support Agreement (described further below). On January 17, 2018, Toshiba announced the winning bidders for the Toshiba Claims, the TNEH UK and TNEH US equity, and the membership interests in the Toshiba SPV, as described in further detail below (together, the "**Toshiba Sale Transactions**").

1. Claims Assignment and Purchase Agreement with the Consenting Claimholder

On January 17, 2018, Toshiba announced that it had selected the Consenting Claimholder, Nucleus Acquisition LLC, an entity managed by an affiliate of the Baupost Group, L.L.C., as the buyer of the Toshiba Claims and the Vogtle Claims and had accordingly entered into an assignment and purchase agreement (the "**Claim APA**") with the Consenting Claimholder.

Pursuant to the Claim APA, Toshiba transferred the Toshiba Claims and Vogtle Claims to the Consenting Claimholder on January 22, 2018 [see ECF Nos. 2222–2256].

2. Membership Interest Purchase Agreement with the Consenting Claimholder

On January 17, 2018, Toshiba announced its entry into a membership interest purchase agreement with LC SPV Acquisition LLC, an entity affiliated with the Consenting Claimholder, pursuant to which Toshiba will sell all of its membership interests in Toshiba SPV, subject to certain third-party approvals under the LC Agreement (and related transaction documents) and customary conditions.

3. Share Purchase Agreement with the Plan Investor

On January 17, 2018, Toshiba also announced its selection of the Plan Investor as the buyer of its shares in TNEH UK and TNEH US pursuant to the SPA with the Plan Investor. Pursuant to the SPA, Toshiba will sell all of its shares in TNEH US and TNEH UK to the Plan Investor in exchange for aggregate cash consideration of \$1 (\$0.50 for the TNEH US shares and \$0.50 for the TNEH UK shares), with the goal of completing the sale of such shares by the end of March 2018, subject to regulatory approval. The Plan Investor will not acquire control of Westinghouse through the transactions contemplated by the SPA, and such shares will be cancelled on the Effective Date pursuant to the Plan.

R. Plan Support Agreement

On January 17, 2018, after arm's-length, good faith discussions, the Debtors entered into the Plan Support Agreement with the PSA Parties and the Directing Party regarding the terms of the transactions contemplated and outlined in the Plan Support Agreement and the Restructuring. As long as the Plan Support Agreement is in effect, the Debtors and each of the PSA Parties consent to the Restructuring.

The PSA Parties engaged in good faith discussions for weeks, and in the case of Toshiba and the Debtors, for months, regarding the key terms of the Plan Support Agreement, with the goal of maximizing the value of the Debtors' estates for all parties in interest and implementing a framework that would support both the Plan Investment Transaction and the Toshiba Sale Transactions, which are key elements of the Plan Support Agreement.

The Plan Support Agreement and the Plan contain and effect a global and integrated compromise and settlement of all disputes among the Debtors and the PSA Parties. Accordingly, the release, exculpation, and injunction provisions set forth in the Plan are necessary components of the global compromise and settlement, and such provisions are critical to induce each of the PSA Parties to support the Plan and the transactions set forth therein. Ultimately, the Plan Support Agreement and the Plan provide for substantial recoveries, projected to be at or just below 100%, for holders of Allowed Class 3A General Unsecured Claims. This is achieved through a number of key elements, including, but not limited to:

- agreement by the Consenting Claimholder, as purchaser of the Toshiba Claims and Vogtle Claims, to accept less favorable treatment in connection with the Toshiba Claims and Vogtle Claims by permitting \$1.15 billion in cash funds to be segregated and utilized to satisfy Class 3A General Unsecured Claims, and to defer other recoveries in accordance with the Pension Funding Agreement (as defined below);
- agreement by (i) Toshiba, as controlling holder of the TNEH UK equity interests, (ii) Toshiba, as owner of certain Claims against TNEH UK, (iii) the Consenting Claimholder, as purchaser of certain Toshiba Claims against TNEH UK, and (iv) the Plan Investor, as the expected purchaser of the TNEH UK equity interests, to the substantive consolidation of the Debtors' estates for distribution purposes only, thereby avoiding delay, expense, and uncertainty associated with extensive potential litigation, including litigation relating to the valuation of TNEH UK and the WEC EMEA entities, and the associated allocation of proceeds from the Plan Investment Transaction between the U.S. Debtors, on the one side, and TNEH UK and the WEC EMEA entities on the other side;
- agreement by Toshiba to support the solvency of WEC EMEA entities by waiving and releasing over \$400 million of claims against such WEC EMEA entities, in addition to the €144 million Mangiarotti Claim Waiver and the consummation of the Claim Swap, which allowed WECHOL to waive repayment of the \$650 million Toshiba-WECHOL Claim, thereby maximizing sale proceeds received by the Debtors' estates pursuant to the Plan Investment Transaction;
- agreement by TNEH UK to support the solvency of WEC EMEA entities by waiving and releasing over \$760 million of claims against such WEC EMEA entities (provided, however, that any holders of Claims against or Interests in TNEH UK will receive treatment under the Plan consistent with the terms set forth in the Plan);
- agreement by TNEH UK to waive receipt of any Plan Investment Proceeds, any Cash, and/or any Distributions from Wind Down Co;

- agreement by the Consenting Claimholder to withdraw the VC Summer Claims on the Effective Date; and
- agreement by WEC to waive and release its right to repayment against TNEH UK and its non-Debtor subsidiaries pursuant to the Liquidity Facility Agreement.

1. PSA Milestones

The Plan Support Agreement requires that by no later than March 27, 2018, a Confirmation Order shall have been entered by the Bankruptcy Court.

2. PSA Parties' Commitments

Under the Plan Support Agreement, each of the PSA Parties agreed, among other things, and subject to certain conditions:

- (i) to the extent solicited, timely vote or cause or direct to be voted all of its Claims and Interests in the Debtors' estates in favor of the Plan by delivering its duly executed and completed ballot or ballots accepting such Plan on a timely basis, and in any event no later than five (5) Business Days following the commencement of solicitation of the Plan by the Debtors;

- (vi) take any and all commercially reasonable necessary actions in furtherance of the Restructuring and Plan Investment and the transactions contemplated by the Plan Support Agreement, the Plan Funding Agreement, the Plan, this Disclosure Statement, the materials related to the solicitation of votes to accept or reject the Plan (the "**Solicitation Materials**"), the order approving the Disclosure Statement and the Solicitation Materials (the "**Disclosure Statement Order**"), and the order confirming the Plan (the "**Confirmation Order**" and collectively with the Plan, the Disclosure Statement, the Solicitation Materials, and the Disclosure Statement Order, the "**Plan Documents**");

- (vii) coordinate with the Debtors in good faith to ensure an effective transition of the Debtors and WEC EMEA to the Plan Investor, including, but not limited to, transition issues such as regulatory support and outstanding parent guarantees; and
- (viii) not object to or otherwise oppose any request by the Debtors for an extension of their exclusive periods to file and/or solicit acceptances of a plan of reorganization.

Further, the UCC agreed to suspend and forbear from pursuing any pending document discovery and deposition testimony requests previously served upon the Debtors, other Westinghouse entities, Toshiba, or the Toshiba Affiliates, as applicable, and to refrain from serving additional document discovery or deposition testimony requests upon the Debtors, other Westinghouse entities, Plan Investor, Toshiba, or the Toshiba Affiliates, including, but not limited to, any such document discovery or deposition testimony requests pursuant to (i) the Debtors 2004 Order, (ii) the WEC EMEA 2004 Order, or (iii) any Bankruptcy Court order amending, modifying, or joining other Company Affiliates to the Debtors 2004 Order or the WEC EMEA 2004 Order.

3. The Debtors' Commitments

Under the Plan Support Agreement, the Debtors agreed, among other things, and subject to certain conditions, to:

- (i) support and complete the Restructuring and all transactions contemplated under the term sheet annexed to the Plan Support Agreement (the "**Term Sheet**"), the Plan, and the Plan Documents within the applicable timeframes provided therefor in the Plan Support Agreement;
- (ii) take any commercially reasonable actions necessary in furtherance of the Restructuring and the transactions contemplated under the Term Sheet, the Plan, and the Plan Documents;
- (iii) take any commercially reasonable actions necessary in furtherance of the Plan Investment Transaction; such actions shall include but not be limited to the Debtors' good faith (a) pursuit of the Plan Investment Transaction; and (b) compliance with the PSA Milestones;
- (iv) take no actions, and not encourage any other person to take any actions, inconsistent with the Plan Support Agreement or Term Sheet, or that would, or would reasonably be expected to, (a) materially diminish the distributable value available to holders of General Unsecured Claims; (b) make any change to the amount of the Segregated Funds; and/or (c) directly or indirectly, delay, or impede the solicitation, confirmation, or consummation of the Plan, including the soliciting or causing or allowing any of their agents or representatives to solicit any agreements relating to any chapter 11 plan or restructuring transaction other than the Plan (an "**Alternative Transaction**");
- (v) if the Debtors receive a proposal for an Alternative Transaction, promptly notify the PSA Parties of the existence and material terms of such proposed Alternative Transaction (including any writings received by the Debtors in connection with such a proposal);

- (vi) take no actions to propose or otherwise consent to the entry of any order modifying or terminating the Debtors' exclusive right to file and/or solicit acceptances of a plan of reorganization, as applicable, that is not acceptable to the PSA Parties;
- (vii) cause each of the Company Affiliates to execute or join the Plan Support Agreement or consent to the Plan no later than March 27, 2018;
- (viii) coordinate with Toshiba in good faith to ensure an effective transition of the Debtors and the Company Affiliates to the Plan Investor, including, but not limited to, transition issues such as regulatory support and outstanding parent guarantees;
- (ix) use commercially reasonable efforts to continue to support Toshiba in connection with (a) the transfers of Class 3B General Unsecured Claims to the Consenting Claimholder and (b) the transfers of the equity interests in TNEH US and TNEH UK to the Plan Investor, including, but not limited to, support and cooperation in obtaining necessary regulatory approvals for such transfers; and
- (x) if the Debtors know of a breach by any Debtor in any respect of the obligations, representations, warranties, or covenants of the Debtors set forth in the Plan Support Agreement, furnish prompt written notice (and in any event within three (3) Business Days of such actual knowledge) to the PSA Parties.

Further, upon execution of the Plan Support Agreement, the Debtors agreed to suspend any and all pending discovery or litigation related to, and forbear from pursuing any further discovery or litigation related to, the Estimation Motion, and the Directing Party agreed to direct CFPI to suspend any and all pending discovery or litigation related to the Estimation Motion and forbear from pursuing any further discovery or litigation related to the Estimation Motion.

In addition, the Debtors agreed to provide, promptly following execution of the Plan Support Agreement, to the UCC and its advisors a detailed summary of the Debtors' claims reconciliation efforts to date for the purpose of developing a cooperation and responsibility plan (the "**Reconciliation Plan**") with respect to the allowance and disallowance of Claims against the Estates, which Reconciliation Plan must be reasonably acceptable to the PSA Parties. As of the date hereof, the Debtors and the UCC have commenced discussions regarding the Reconciliation Plan.

From the execution of the Plan Support Agreement until the date of entry of the Confirmation Order, the Debtors and their advisors are permitted to continue to resolve and settle Claims in accordance with the procedures discussed in Section IV(F) hereof, provided that any claims objection filed by the Debtors are subject to the UCC's consent and that the PSA Parties have reasonable approval rights over any settlement of Material Claims or Additional Consent Claims.

4. Plan Oversight Board

In accordance with the Plan Support Agreement, on the date the Confirmation Order is entered, the Plan Oversight Board will be established for the benefit of holders of Claims. The Plan Oversight Board will be comprised of five individuals: three to be appointed by the Consenting Claimholder, one to be appointed by the UCC, and one to be appointed by the Debtors. From the date the Confirmation Order is entered to the Effective Date, the Plan Oversight Board shall be vested with all rights and authority to implement the Reconciliation Plan, including to file and prosecute objections to, approve settlements and compromises of, and otherwise resolve all Claims against the Debtors.

**YOU SHOULD READ THE PLAN IN ITS ENTIRETY
BEFORE VOTING TO ACCEPT OR REJECT THE PLAN.**

A. Administrative Expense and Priority Claims

1. Treatment of Administrative Expense Claims

Except to the extent that a holder of an Allowed Administrative Expense Claim and the applicable Debtor or Wind Down Co (or the Reorganized Debtors, as applicable) agree to different treatment, Wind Down Co (or with regard to an Allowed Administrative Expense Claim that is an Assumed Liability under the Plan Funding Agreement, the applicable Reorganized Debtor) shall pay to each holder of an Allowed Administrative Expense Claim Cash in an amount equal to the Allowed amount of such Allowed Claim, which payment shall be made on, or as soon as reasonably practicable after, the first business day after the later of the (i) Effective Date, and (ii) the date such Administrative Expense Claim becomes an Allowed Administrative Expense Claim; provided, however, that the DIP Claims shall receive the treatment provided in Section 2.4 of the Plan; provided further that Allowed Administrative Expense Claims representing liabilities incurred in the ordinary course of business by the Debtors shall be paid by Wind Down Co or the Reorganized Debtors (as applicable) in the ordinary course of business, consistent with past practice and in accordance with the terms and subject to the conditions of any agreements governing, instruments evidencing or other documents relating to such transactions.

Except as otherwise provided by a Final Order previously entered by the Bankruptcy Court (including the Bar Date Order) or as provided by Section 2.4 of the Plan, requests for payment of Administrative Expense Claims, other than requests for payment of Professional Fee Claims, must be filed and served on the Debtors no later than the Administrative Expense Claims Bar Date pursuant to the procedures specified in the Confirmation Order and the notice of entry of the Confirmation Order.

Holders of Administrative Expense Claims that are required to file and serve a request for payment of such Administrative Expense Claims and that do not file and serve such a request by the Administrative Expense Claims Bar Date shall be forever barred, estopped, and enjoined from asserting such Administrative Expense Claims against the Debtors, Wind Down Co, and the Reorganized Debtors, or their property, and such Administrative Expense Claims shall be deemed compromised, settled, and released as of the Effective Date. The Plan Oversight Board may file and serve objections to Administrative Expense Claims on or before the Administrative Expense Claims Objection Bar Date.

2. Treatment of Professional Fee Claims

(a) Professional Fee Escrow

No later than five (5) Business Days after the Effective Date, Wind Down Co shall establish and fund the Professional Fee Escrow. Funds held in the Professional Fee Escrow shall not be considered property of Wind Down Co or property of the Reorganized Debtors; *provided, however*, that any funds in the Professional Fee Escrow, including interest earned on funds held in the Professional Fee Escrow, after all Professional Fee Claims Allowed by the Bankruptcy Court have been irrevocably paid in full pursuant to one or more Final Orders of the Bankruptcy Court shall be released to Wind Down Co and deemed to

constitute Available Cash and shall be distributed pursuant to the Plan as if such amounts had constituted Available Cash on the Effective Date. The Professional Fee Escrow shall be held in trust for the Professionals and for no other parties until all Professional Fee Claims Allowed by the Bankruptcy Court have been paid in full in Cash. No Liens, claims, or interests shall encumber the Professional Fee Escrow or Cash held in the Professional Fee Escrow in any way. Professional Fees owing to the Professionals shall be paid in Cash to such Professionals from funds held in the Professional Fee Escrow when such Claims are Allowed by an order of the Bankruptcy Court. The Debtors' obligations to pay Professional Fee Claims shall not be limited nor be deemed limited to funds held in the Professional Fee Escrow. For the avoidance of doubt, the fees and expenses of the DIP Agent's and DIP Lenders' professionals do not constitute Professional Fee Claims and shall be paid in accordance with and pursuant to the DIP Loan Documents.

(b) Estimation of Fees and Expenses

Professionals shall provide a good faith estimate of their Professional Fee Claims projected to be outstanding as of the Effective Date and shall deliver such estimate to the Debtors no later than five (5) calendar days before the anticipated Effective Date. Such estimate shall not be considered an admission or limitation with respect to the fees and expenses of such Professional and such Professionals are not bound to any extent by the estimates. If a Professional does not provide an estimate, the Debtors may estimate the unbilled fees and expenses of such Professional. The total amount so estimated shall be utilized by the Debtors to determine the amount to be funded to the Professional Fee Escrow. Wind Down Co shall use Cash on hand to increase the amount of the Professional Fee Escrow to the extent fee applications are filed after the Effective Date in excess of the amount held in the Professional Fee Escrow based on such estimates.

(c) Final Fee Applications and Payment of Allowed Professional Fee Claims

All final requests for payment of Professional Fee Claims must be filed with the Bankruptcy Court and served on Wind Down Co and the Reorganized Debtors no later than the first Business Day that is sixty (60) days after the Effective Date. After notice and a hearing in accordance with the procedures established by the Bankruptcy Code, Bankruptcy Rules, and prior Bankruptcy Court orders, the Allowed amounts of such Professional Fee Claims shall be determined by the Bankruptcy Court. The amount of Allowed Professional Fee Claims owing to the Professionals shall be paid in Cash to such Professionals from funds held in the Professional Fee Escrow when such Claims are Allowed by order of the Bankruptcy Court.

3. Treatment of Priority Tax Claims

Except to the extent that a holder of an Allowed Priority Tax Claim and the applicable Debtor or Wind Down Co (or if a Priority Tax Claim is an Assumed Liability under the Plan Funding Agreement, the applicable Reorganized Debtor) agrees to a different treatment, each holder of an Allowed Priority Tax Claim shall receive Cash in an amount equal to the Allowed amount of such Allowed Priority Tax Claim on, or as soon as is reasonably practicable after, the first Business Day after the later of the (i) Effective Date, and (ii) date such Priority Claim becomes an Allowed Priority Tax Claim; *provided further* that Allowed Priority Tax Claims representing liabilities incurred in the ordinary course of business by the Debtors shall be paid by Wind Down Co or the Reorganized Debtors (as applicable) in the ordinary course of business, consistent with past practice.

4. DIP Claims

The DIP Claims shall be Allowed in the full amount due and owing under the DIP Credit Agreement and the DIP Loan Documents. Except to the extent that a holder of a DIP Claim agrees in writing to a different treatment, each holder of a DIP Claim shall be indefeasibly paid in full in Cash in an amount equal to the full amount of such Claims on the earlier of the DIP Maturity Date or the Effective Date (or, in the case of any DIP L/Cs outstanding on the DIP Maturity Date or the Effective Date, the funding of the L/C Cash Collateralization Amount (or, in lieu thereof, the establishment of “backstop” letters of credit or other Cash collateralization thereof at 105%, in each case, pursuant to Section 2.4(a)(iii)(C) of the DIP Credit Agreement)); *provided, however*, that DIP Claims in respect of contingent and unliquidated obligations of the Debtors under the DIP Loan Documents (including, without limitation, under Section 9.5 of the DIP Credit Agreement) shall survive the Effective Date on an unsecured basis and shall not be discharged or released pursuant to the Plan or the Confirmation Order and shall be paid by Wind Down Co as and when due under the DIP Loan Documents. Upon the indefeasible payment in full in Cash of all DIP Claims (or, in the case of any DIP L/Cs outstanding on the DIP Maturity Date or the Effective Date, the funding of the L/C Cash Collateralization Amount (or, in lieu thereof, the establishment of “backstop” letters of credit or other Cash collateralization thereof at 105%, in each case, pursuant to Section 2.4(a)(iii)(C) of the DIP Credit Agreement)) in accordance with the preceding sentence, all Liens and security interests granted to the DIP Agent pursuant to the DIP Loan Documents shall be deemed cancelled and shall be of no further force and effect and, except as set forth in the preceding sentence, each Allowed DIP Claim shall be deemed to be fully satisfied, settled, released, and discharged.

Pursuant to the DIP Credit Agreement, all Distributions pursuant to Section 2.4 of the Plan shall be made to the DIP Agent for distribution to the DIP Lenders in accordance with the DIP Credit Agreement and the DIP Loan Documents. The DIP Agent shall retain all right as DIP Agent under the DIP Loan Documents in connection with the delivery of Distributions to the DIP Lenders. The DIP Agent shall not have any liability to any person with respect to Distributions made or directed to be made by such DIP Agent, except for liability resulting from gross negligence or willful misconduct of the DIP Agent. All Cash Distributions to be made under the Plan to the DIP Agent on account of the DIP Claims shall be made by wire transfer.

If the Debtors enter into a Replacement DIP Facility, the repayment of DIP Claims contemplated by the preceding paragraphs of Section 2.4 of the Plan shall be effected on the date of, and substantially concurrently with, the closing of the Replacement DIP Facility, and the provisions of the preceding paragraphs of Section 2.4 of the Plan shall apply, *mutatis mutandis*, to the repayment of the Replacement DIP Facility on the Effective Date.

B. Classification of Claims and Interests

1. Classification in General

Claims and Interests, except for Administrative Expense Claims, Professional Fee Claims, DIP Claims, and Priority Tax Claims, are classified in the Classes set forth in Section 3 of the Plan. A Claim or Interest is placed in a particular Class for all purposes, including voting, confirmation, and Distribution (subject to Section 5.3 of the Plan) under the Plan and under sections 1122 and 1123(a)(1) of the Bankruptcy Code; *provided, however*, that a Claim or Interest is placed in a particular Class for the purpose of receiving Distributions pursuant to the Plan only to the extent that such Claim or Interest is an Allowed Claim or Allowed Interest in that Class and such Claim or Interest has not been satisfied, released, or otherwise settled prior to the Effective Date.

2. Formation of Debtor Group for Convenience Only

The Plan (including, but not limited to, Sections 2 and 3 of the Plan) groups the Debtors together solely for the purpose of describing treatment under the Plan, confirmation of the Plan, and Distributions to be made in respect of Claims against and Interests in the Debtors under the Plan. Such groupings shall not affect each Debtor’s status as a separate legal entity, change the organizational structure of the Debtors’ business enterprise, constitute a change of control of any Debtor for any purpose, cause a merger of consolidation of any legal entities, or cause the transfer of any assets. Except as otherwise provided by or permitted under the Plan, all Debtors shall continue to exist as separate legal entities.

3. Summary of Classification of Claims and Interests

The following table designates the Classes of Claims against and Interests in each of the Debtors and specifies which of those Classes are (i) Impaired or Unimpaired by the Plan, and (ii) entitled to vote to accept or reject the Plan in accordance with section 1126 of the Bankruptcy Code. In accordance with section 1123(a)(1) of the Bankruptcy Code, Administrative Expense Claims, DIP Claims, Professional Fee Claims, and Priority Tax Claims have not been classified and, thus, are excluded from the Classes of Claims and Interests set forth in Section 3 of the Plan. All of the potential Classes for the Debtors are set forth in the Plan. Certain of the Debtors may not have holders of Claims or Interests in a particular Class or Classes, and such Classes shall be treated as set forth in Section 4 of the Plan.

Class	Designation	Treatment	Entitled to Vote
1	Other Priority Claims	Unimpaired	No (Conclusively Presumed to Accept)
2	Other Secured Claims	Unimpaired	No (Conclusively Presumed to Accept)
3	Class 3A General Unsecured Claims Class 3B General Unsecured Claims	Impaired	Yes (Entitled to Vote)
4	Intercompany Claims	Unimpaired	No (Conclusively Presumed to Accept)
5	U.S. HoldCo Interests	Impaired	No (Not Entitled to Vote, but accepting pursuant to the Plan Support Agreement)
6	TNEH UK Interests	Impaired	No (Not Entitled to Vote, but accepting pursuant to the Plan Support Agreement)
7	Intercompany Interests	Unimpaired	No (Conclusively Presumed to Accept)

4. Classification of Class 3(General Unsecured Claims)

Class 3 consists of General Unsecured Claims against the Debtors. For purposes of voting on the Plan, holders of Class 3A General Unsecured Claims and holders of Class 3B General Unsecured Claims shall be considered a single Class. For purposes of Claim treatment and Distributions, and to reflect settlements incorporated into Section 5.3 of the Plan, Class 3 shall be divided into Class 3A General Unsecured Claims and Class 3B General Unsecured Claims.

5. Special Provision Governing Unimpaired Claims

Except as otherwise provided in the Plan, nothing under the Plan shall affect the rights of the Debtors, Wind Down Co and the Plan Oversight Board, as applicable, in respect of any Unimpaired Claims, including all rights in respect of legal and equitable defenses to, or setoffs or recoupments against, any such Unimpaired Claims.

6. Subordinated Claims

The allowance, classification, and treatment of all Allowed Claims and Interests and the respective Distributions and treatments under the Plan take into account and conform to the relative priority and rights of the Claims and Interests in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, section 510 of the Bankruptcy Code, or otherwise. Pursuant to section 510 of the Bankruptcy Code, the Debtors, Wind Down Co and the Plan Oversight Board, as applicable, reserve the right to reclassify or subordinate any Disputed or Allowed Claim or Interest in accordance with any contractual, legal, or equitable subordination relating thereto, or on any other grounds.

7. Cramdown

If any Class of Claims or Interests is deemed to reject the Plan or is entitled to vote on the Plan and does not vote to accept the Plan, the Debtors may (i) seek confirmation of the Plan under section 1129(b) of the Bankruptcy Code or (ii) amend or modify the Plan in accordance with the terms hereof and the Bankruptcy Code. If a controversy arises as to whether any Claims or Interests, or any class of Claims or Interests, are impaired, the Bankruptcy Court may, after notice and a hearing, determine such controversy on or before the Confirmation Date.

8. Voting; Presumptions; Solicitation

(a) Acceptance by Certain Impaired Classes

Only holders of Allowed Claims in Class 3 (General Unsecured Claims) are entitled to vote to accept or reject the Plan. An Impaired Class of Claims will have accepted the Plan if (i) the holders of at least two-thirds (2/3) in amount of the Allowed Claims actually voting in such Class have voted to accept the Plan and (ii) the holders of more than one-half (1/2) in number of the Allowed Claims actually voting in such Class have voted to accept the Plan. Holders of Claims Class 3A and Class 3B will receive Ballots containing detailed voting instructions.

(b) Deemed Acceptance by Unimpaired Holders

Holders of Claims or Interests in Class 1 (Other Priority Claims), Class 2 (Other Secured Claims), Class 4 (Intercompany Claims), and Class 7 (Intercompany Interests) are conclusively deemed to have accepted the Plan pursuant to section 1126(f) of the Bankruptcy Code. Accordingly, such holders are not entitled to vote to accept or reject the Plan.

Except to the extent that a holder of an Allowed Other Priority Claim has agreed to less favorable treatment, each holder of an Allowed Other Priority Claim shall receive, in full and final satisfaction of such Claim, Cash Distributions, to be made in accordance with Section 7 of the Plan, in an amount equal to the Allowed amount of such Claim.

In no event shall the holder of a Class 3A General Unsecured Claim receive Distributions (a) in excess of the Allowed amount of such Claim, or (b) in respect of postpetition interest.

5. Class 4: Intercompany Claims

At the option of the Debtors, subject to the terms of the Plan Funding Agreement, holders of Allowed Intercompany Claims shall have such Claims Reinstated, settled, offset, cancelled, extinguished or eliminated, including by way of capital contribution. For the avoidance of doubt, any settlement or payment made on account of an Intercompany Claim in accordance with the Plan Funding Agreement shall not be made out of the Segregated Account or otherwise reduce the amount of the Segregated Funds available to holders of Class 3A General Unsecured Claims (other than Cash Pool Claims who shall participate in the Cash Pool Settlement).

D. Means for Implementation

1. Vesting of Assets

On the Effective Date, pursuant to sections 1141(b) and (c) of the Bankruptcy Code, all property of the Estates other than Excluded Assets and any Cause of Action preserved for the benefit of Wind Down Co under Section 5.12 or Section 11.2 of the Plan shall vest in the Reorganized Debtors free and clear of all Claims, liens, encumbrances, charges and other interests, except as provided pursuant to the Plan Funding Agreement, the Plan and the Confirmation Order. From and after the Effective Date, the Reorganized Debtors may operate their businesses and use, acquire, and dispose of property without supervision by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules, other than those restrictions expressly imposed by the Plan and the Confirmation Order.

2. Plan Investment Transaction

Pursuant to and subject to the terms and conditions of Plan Funding Agreement, on the Effective Date, the Plan Investor will (i) be issued 100% of the equity interests in Reorganized U.S. HoldCo, and (ii) purchase all of the issued and outstanding equity interests in WECHOL, in each case, free and clear of all Liens (other than Liens arising under applicable securities laws). The Confirmation Order shall authorize the Plan Investment Transaction under sections 363 and 1123(b)(4) of the Bankruptcy Code under the terms and conditions of the Plan Funding Agreement. Upon Confirmation, the Debtors shall be authorized to take any and all actions necessary to consummate the Plan Investment Transaction, without the need for any further corporate actions or further order of the Bankruptcy Court and without any further actions by holders of Claims or Interests.

3. Plan Settlement and Compromises

The Plan contemplates and is predicated upon entry of an order (which may be the Confirmation Order) substantively consolidating the Estates and the Chapter 11 Cases pursuant to a global and integrated compromise and settlement of all disputes among the Debtors, the PSA Parties, the EMEA Subsidiaries, and the PBGC, approval of which is being sought under section 1123(b)(3) of the Bankruptcy Code and Bankruptcy Rule 9019. Specifically, and without limitation, the treatment of the Class 3A General Unsecured Claims (including the Toshiba GUC Claims, Cash Pool Claims and AUAM Loan Claim), Class 3B General Unsecured Claims (including the VC Summer Claims and Vogtle Claims), Intercompany Claims, Released Toshiba Claims, Released TNEH UK Claims, and LFA Claims provided in the Plan is a settlement and compromise of the delay, expense, and uncertainty associated with extensive potential litigation, including among other things, (i) litigation relating to the valuation of the U.S. Debtors, TNEH UK, and the EMEA Subsidiaries, and the associated allocation of Plan Investment Proceeds between and among the U.S. Debtors on the one side, and TNEH UK and the EMEA Subsidiaries on the other side, and (ii) litigation relating to the allowance and amount of the VC Summer Claims, Vogtle Claims, and Claims and Interests of Toshiba and the Toshiba Affiliates. Further, the treatment of such Claims pursuant

to the settlements provided in the Plan supports maximum recoveries for the holders of Allowed Claims while providing for the solvency of the EMEA Subsidiaries and going concern emergence of the Reorganized Debtors from these Chapter 11 Cases. The Plan and this Disclosure Statement is deemed a motion for approval of compromises and settlements contained in the Plan, and the Confirmation Order will approve, under Bankruptcy Rule 9019, the global settlement provided for thereunder and the associated substantive consolidation of the Estates and Chapter 11 Cases. The Plan settlement will be implemented as follows:

(a) Treatment of Class 3B General Unsecured Claims

On the Effective Date, the Class 3B General Unsecured Claims shall be Allowed in the amounts stated on Exhibit E and Exhibit F of the Plan, as applicable, annexed to the Plan. All Claims for amounts in excess of the amounts listed on Exhibit E and Exhibit F to the Plan shall be deemed withdrawn. The holders of Class 3B General Unsecured Claims have agreed to less favorable treatment than other holders of General Unsecured Claims by (i) until after the Final Class 3A Distribution Date, waiving their right to any Distributions from Segregated Funds deposited into the Segregated Account for the benefit of holders of Allowed Class 3A General Unsecured Claims, (ii) consenting to \$100,000,000.00 of Plan Investment Proceeds, which would otherwise constitute Available Cash distributable to holders of Class 3B General Unsecured Claims, being transferred by the Plan Investor to WEC or Reorganized WEC for use exclusively in accordance with the Pension Funding Agreement, (iii) after the Final Class 3A Distribution Date, waiving their right to receive 5% of any remaining Segregated Funds and directing that such remaining Segregated Funds be used exclusively in accordance with the Pension Funding Agreement, and (iv) consenting to the Allowed Class 3B General Unsecured Claims on Exhibit F to the Plan being subordinated to the Allowed Class 3B General Unsecured Claims on Exhibit E to the Plan. In connection with the settlement of the Class 3B General Unsecured Claims, on the Effective Date, the VC Summer Claims shall be deemed discharged without consideration.

(b) Allowance of Toshiba Trade Claims

On the Effective Date, the Toshiba GUC Claims shall be Allowed as Class 3A General Unsecured Claims in the amounts stated on Exhibit G annexed to the Plan which amounts shall not exceed \$43,665,642.48. All amounts claimed in excess of such amounts shall be Disallowed. For the avoidance of doubt, any Toshiba GUC Claim with an “unknown” claim amount reflected on Exhibit G to the Plan (*see* items 24 through 27) shall be deemed waived and withdrawn on the Effective Date.

(c) Allowance of AUAM Loan Claim

(i) Waiver of LFA Claims against TNEH UK and the EMEA Subsidiaries. On the Effective Date, WEC shall be deemed to have irrevocably waived, released and discharged any and all right to repayment of the LFA Claims, or the LFA Claims shall otherwise be resolved in a manner satisfactory to the Debtors, Plan Investor, and non-Debtor obligors of the LFA Claims; *provided*, that WEC shall not release or be deemed to release any LFA Claims until the DIP Claims are indefeasibly repaid in full in Cash.

(ii) Waiver of Toshiba Claims against the EMEA Subsidiaries. On the Effective Date, pursuant to the Toshiba-EMEA Settlement Agreement, Toshiba shall be deemed to have irrevocably waived, released, deemed satisfied, or otherwise discharged any and all right to repayment of the Released Toshiba Claims, and each EMEA Subsidiary shall be deemed to have waived, released, deemed satisfied, or otherwise discharged all liabilities in any way that each such EMEA Subsidiary has, had, or may have against Toshiba and the Toshiba Affiliates, including but not limited to any liability arising from or relating to the Cash Pool Settlement, except for any liabilities relating to any contract, instrument, or other agreement or document between any such EMEA Subsidiary and Toshiba or any Toshiba Affiliate.

Pursuant to the Cash Pool Settlement, the Cash Pool Claims shall be either waived, discharged, or be Allowed in an amount such that the applicable holder receives the amount of Plan Investment Proceeds or other funds necessary to render such holder Solvent on the Effective Date, solely to the extent required under the Plan Funding Agreement. For the avoidance of doubt, notwithstanding any amounts of the Plan Investment Proceeds or other funds that are advanced to the holders of Cash Pool Claims in accordance with the Plan Funding Agreement, any such advances shall not be made out of the Segregated Account or reduce the amount of the Segregated Funds available to other holders of Class 3A General Unsecured Claims, and under no circumstances shall any holders of Cash Pool Claims receive any Distributions as holders of Class 3A General Unsecured Claims from the Segregated Account or the Segregated Funds.

(v) Settlement of Intercompany Claims. On the Effective Date, in accordance with Section 4.4(b) of the Plan, Intercompany Claims shall be Reinstated, settled, offset, cancelled, extinguished or eliminated. All Intercompany Claims shall be ignored for purposes of making Distributions to holders of all other Allowed Claims; *provided*, that the Debtors may, in accordance with the Plan Funding Agreement, settle Intercompany Claims in an amount such that the applicable holder of an Intercompany Claim receives an amount of Plan Investment Proceeds necessary to render such holder Solvent on the Effective Date. For the avoidance of doubt, notwithstanding any amounts of the Plan Investment Proceeds that are advanced to the holders of Intercompany Claims in accordance with the Plan Funding Agreement, any such advances shall not be made out of the Segregated Account or reduce the amount of the Segregated Funds available to other holders of Class 3A General Unsecured Claims, and under no circumstances shall any holders of Intercompany Claims receive any Distributions as holders of Class 3A General Unsecured Claims from the Segregated Account or the Segregated Funds.

(e) Settlement of PBGC Claims

In consideration for the contributions to be provided under the Pension Funding Agreement and the assumption of the Pension Plans referenced therein, effective as of the Effective Date, (i) all proofs of claim filed by the PBGC in the Chapter 11 Cases shall be deemed withdrawn, and (ii) the PBGC shall release WEC and its controlled group for all claims arising from the Pension Plans in accordance with the Pension Funding Agreement. One (1) Business Day after the Effective Date, in accordance with the Pension Funding Agreement, Reorganized WEC shall contribute an aggregate amount of \$100,000,000 in Cash from the Plan Investment Proceeds, to one or more of the Pension Plans. (f) Settlement of NI Contract Claims

In consideration for the payments to be made under the NI Settlement, and the assumption of the NI Contract, effective as of the Effective Date, (i) all Proofs of Claims related to the NI Contract filed by the NI Counterparties shall be deemed withdrawn in accordance with the terms of the NI Settlement, and (ii) the NI Counterparties shall be deemed to have released the Debtors for all claims arising from the NI Contract in accordance with the NI Settlement.

(g) Settlement of Additional Consent Claims

Any settlement agreement entered into among the Debtors and the holders of the Additional Consent Claims that is contained in the Plan Supplement is incorporated in the Plan and shall become effective in accordance with its terms.

(h) Deemed Substantive Consolidation for Distribution Purposes

(i) Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to sections 105(a) and 1123(a)(5)(C) of the Bankruptcy Code and Bankruptcy Rule 9019, effective as of the Effective Date, of the substantive consolidation of the Estates for distribution purposes only, and the Bankruptcy Court's findings that the substantive consolidation of the Estates to the extent set forth in the Plan is (a) in exchange for good and valuable consideration provided by each of the Estates (including, without limitation, performance of the terms of the Plan), and a good-faith settlement and compromise of the released claims, (b) in the best interests of the Debtors, the Estates and all Holders of Claims, (c) fair, equitable, and reasonable, and (d) effected after due notice and opportunity for hearing.

(ii) On and after the Effective Date, solely for Distribution purposes (a) all assets and liabilities of the Debtors shall be treated as though they were pooled, (b) each Claim filed or to be filed against any Debtor shall be deemed filed as a single Claim against, and a single obligation of, the Debtors, (c) all Intercompany Claims shall be Reinstated, settled, offset, cancelled, extinguished or eliminated in accordance with Sections 4.4 and 5.3 of the Plan, (d) no Distributions shall be made under the Plan on account of any Intercompany Interest, (e) any Claims on account of a guarantee provided by a Debtors of the obligations of another Debtor shall be eliminated so that any Claim against any Debtor and any Claim based upon a guarantee thereof by any other Debtor shall be treated as one consolidated Claim against the substantively-consolidated Debtors, and (f) any joint or several liability of any of the Debtors shall be one obligation of the substantively-consolidated Debtors and any Claims based upon such joint or several liability shall be treated as one consolidated Claim against the substantively-consolidated Debtors.

(iii) The deemed substantive consolidation of the Debtors under the Plan and pursuant to the global settlement under the Plan shall not (other than for purposes related to funding Distributions under the Plan) affect (a) the legal and organizational structure of the Debtors or Reorganized Debtors, (b) executory contracts or unexpired leases that were entered into during the Chapter 11 Cases or that have been or will be assumed or rejected, (c) any agreements entered into by Wind Down Co on or after the Effective Date, (d) the Debtors' or Wind Down Co's ability to subordinate or otherwise challenge Claims on an entity-by-entity basis, (e) any Causes of Action or Avoidance Actions or defenses thereto, which in each case shall survive entry of the Confirmation Order as if there had been no substantive consolidation of the Estates of the Debtors, and (f) distributions to the Debtors, Reorganized Debtors, or Wind Down Co from any insurance policies or the proceeds thereof. Notwithstanding the substantive consolidation called for in the Plan and pursuant to the settlement under the Plan, each and every Debtor shall remain responsible for the payment of U.S. Trustee fees pursuant to 28 U.S.C. § 1930 until each Debtor's particular case is closed, dismissed or converted; *provided*, that on and after the Effective Date, Wind Down Co shall be solely responsible for the payment of such U.S. Trustee fees.

4. Wind Down Co

(a) Form of Wind Down Co

Wind Down Co shall be a limited liability company unless, on or before the Effective Date, the Consenting Claimholder determines, with the reasonable consent of the PSA Parties, that Wind Down Co shall be a different form of Entity (*e.g.*, a corporation or a liquidating trust, among others) and determines that such form is in the best interests of the Reorganized Debtors and holders of Allowed Claims against the Debtors. If Wind Down Co is a limited liability company, the Consenting Claimholders may elect to treat Wind Down Co as a corporation for tax purposes. If it is determined that Wind Down Co shall take the form of a liquidating trust, (i) the terms of the liquidating trust shall be set forth in a liquidating trust agreement, (ii) Wind Down Co shall be structured to qualify as a “liquidating trust” within the meaning of Treas. Reg. § 301.7701-4(d) and in compliance with Rev. Proc. 94-45, 1994-2 C.B. 684, and, thus, as a “grantor trust” within the meaning of Sections 671 through 679 of the Tax Code to the holders of Claims, consistent with the terms of the Plan, (iii) the sole purpose of Wind Down Co shall be the liquidation and distribution of the assets transferred to Wind Down Co in accordance with Treas. Reg. § 301.7701-4(d), including the resolution of Claims in accordance with the Plan, with no objective to continue or engage in the conduct of a trade or business, (iv) all parties (including the Debtors, holders of Claims, the UCC, the Plan Oversight Board, the Distribution and Solicitation Agent and the trustee of the liquidating trust) shall report consistently with such treatment (including the deemed receipt of the underlying assets, subject to applicable liabilities and obligations, by the holders of Allowed Class 3B General Unsecured Claims followed by the deemed transfer of such assets to Wind Down Co), (v) all parties shall report consistently with the valuation of the assets transferred to Wind Down Co as determined by the trustee of the liquidating trust (or its designee), (vi) the trustee of the liquidating trust shall be responsible for filing returns for the trust as a grantor trust pursuant to Treas. Reg. § 1.671-4(a), and (vii) the trustee of the liquidating trust shall annually send to each holder of an interest in the liquidating trust a separate statement regarding the receipts and expenditures of the trust as relevant for U.S. federal income tax purposes. Regardless of the form of Wind Down Co, and in furtherance of section 1123(b)(3)(B) of the Bankruptcy Code, Wind Down Co shall have the same authority in respect of all taxes and tax filings of the Debtors for all taxable periods (or portions thereof) ending on or prior to the Effective Date as if Wind Down were the applicable Debtors, subject only (as between the Reorganized Debtors and Wind Down Co) to the Plan Funding Agreement.

(b) Assets of Wind Down Co on and After the Effective Date

In accordance with the Plan Funding Agreement, and subject to Section 5.6 of the Plan, on the Effective Date: (i) Plan Investor shall deliver the Net Plan Investment Proceeds to Wind Down Co, (ii) the Excluded Assets shall be transferred from the Debtors to Wind Down Co, and (iii) any Cause of Action preserved for the benefit of Wind Down Co under Section 5.12 or Section 11.2 of the Plan shall be transferred from the Debtors to Wind Down Co. The Net Plan Investment Proceeds, Excluded Assets, and any Cash received by Wind Down Co after the Effective Date (less the amount of the Segregated Funds to be deposited in the Segregated Account) will be deposited into accounts owned by Wind Down Co at the direction of the Plan Oversight Board, and will be utilized by Wind Down Co, at the direction of the Plan Oversight Board, to make Distributions to holders of Allowed Claims against the Debtors’ Estates and to fund the operations of Wind Down Co.

For the avoidance of doubt, neither TNEH UK nor any successor thereof (including Reorganized TNEH UK, as applicable) shall receive any Plan Investment Proceeds, any Cash, or any Distributions from Wind Down Co (including, but not limited to, any Plan Investment Proceeds, any Cash, or any other Distributions attributable to or in connection with any sale or transfer of TNEH UK’s equity interests in WECHOL); *provided, however*, that any holders of claims against or interests in TNEH UK will receive treatment under the Plan consistent with the terms set forth in the Plan.

(c) Responsibilities of Wind Down Co

Wind Down Co shall be responsible for administering the Debtors' obligations under the Plan, in each case solely to the extent required under the Plan. For the avoidance of doubt, Wind Down Co's obligations to any holder of a Claim against the Debtors or their Estates shall be no greater than the Debtors' liability to such holder under the Plan. From and after the Effective Date, none of the Reorganized Debtors shall assume, or be liable or otherwise responsible for any actions against or liability, debt, guarantee, Claim, demand, expense, commitment, or obligation (whether direct or indirect, absolute or contingent, accrued or unaccrued, liquidated or unliquidated, or due or to become due) of any kind or description, including all costs and expenses related thereto of the Debtors that are not Assumed Liabilities, including, for the avoidance of doubt, any rejection damages arising from the rejection of any Executory Contract or Unexpired Lease, and no Reorganized Debtor shall be liable for, or be deemed to assume, any Claim against, or liability of, the Debtors, except for the Assumed Liabilities.

(d) Post-Effective Date Authority of Wind Down Co

After the Effective Date, Wind Down Co shall have the authority, without the need for Bankruptcy Court approval (unless otherwise expressly indicated in the Plan), to perform its obligations hereunder, including, without limitation, to:

- (i) maintain the books and records and accounts of Wind Down Co;
- (ii) invest Cash of Wind Down Co (other than the Segregated Funds), and any income earned thereon;
- (iii) incur and pay reasonable and necessary expenses in connection with the performance of the Plan Oversight Board's and Wind Down Co's duties under the Plan, including the reasonable fees and expenses of professionals retained by Wind Down Co; *provided*, that for the avoidance of doubt, the compensation and expenses of the Plan Oversight Board and Wind Down Co, including professional fees, shall not be paid from the Segregated Funds;
- (iv) retain professionals to assist in performing its duties under the Plan;
- (v) administer Wind Down Co's tax obligations, including (1) filing tax returns and paying tax obligations, (2) requesting, if necessary, an expedited determination of any unpaid tax liability of Wind Down Co under Bankruptcy Code section 505(b) for all taxable periods of the applicable Debtor ending after the Petition Date through the dissolution of Wind Down Co as determined under applicable tax laws, and (3) representing the interest and account of Wind Down Co before any taxing authority in all matters including, without limitation, any action, suit, proceeding or audit;
- (vi) prepare and file any and all informational returns, reports, statements, returns or disclosures relating to Wind Down Co that are required hereunder, by any Governmental Unit or under applicable law;
- (vii) pay statutory fees in accordance with Section 14.6 of the Plan; and
- (viii) perform other duties and functions of Wind Down Co that are consistent with the implementation of the Plan;

provided, however, that Wind Down Co shall take the following actions to implement the Plan, solely as directed by the Plan Oversight Board:

(A) except to the extent Claims have been previously Allowed, control and effectuate the Reconciliation Plan, including to object to, seek to subordinate, compromise or settle any and all Claims against the Debtors (other than Assumed Liabilities); *provided, further*, that Additional Consent Claims shall not be Allowed absent reasonable consent of the PSA Parties;

(B) make Distributions to holders of Allowed Claims other than Class 3A General Unsecured Claims and Assumed Liabilities, in accordance with the Plan; *provided, however*, that the Additional Consent Claims shall not be entitled to any Distributions as Class 3A General Unsecured Claims absent the consent of the UCC;

(C) to direct and control the wind down, liquidation, sale and/or abandoning of the remaining assets of Wind Down Co under the Plan and in accordance with applicable law as necessary to maximize Distributions to holders of Allowed Claims; and

(D) prosecute all Causes of Action (other than those Causes of Action that are released, waived, or transferred pursuant to the Plan) on behalf of Wind Down Co for the benefit of holders of Allowed Claims, elect not to pursue any Causes of Action, and determine whether and when to compromise, settle, abandon, dismiss, or otherwise dispose of any such Causes of Action.

(e) Indemnification

Wind Down Co shall indemnify and hold harmless each member of the Plan Oversight Board, solely in its capacity as a member of the Plan Oversight Board, for any losses incurred in such capacity, except to the extent such losses were the result of such member's gross negligence, willful misconduct or criminal conduct.

(f) Continued Existence

Wind Down Co will continue in existence until all Claims against the Debtors have been fully resolved and all Available Cash has been fully distributed in accordance with the Plan, and all other duties and functions of Wind Down Co and the Plan Oversight Board as set forth in Section 5.4 of the Plan have been fully performed.

5. Cooperation and Access

Subject to Section 6.1 of the Plan Funding Agreement, from and after the Effective Date, in connection with any reasonable business purpose, or as is necessary to administer, or satisfy Wind Down Co's obligations in connection with administering the Chapter 11 Cases, the Reorganized Debtors will, (i) afford Wind Down Co and the Plan Oversight Board access to the Reorganized Debtors' properties, books, and records, (ii) furnish to Wind Down Co and the Plan Oversight Board financial and other information, and (iii) make available to Wind Down Co and the Plan Oversight Board those employees of the Reorganized Debtors whose assistance, expertise, testimony, notes, or recollections or presence may be reasonably necessary to assist Wind Down Co and the Plan Oversight Board.

6. Segregated Account for Class 3A General Unsecured Claims

On the Effective Date, Wind Down Co shall deposit the Segregated Funds in the Segregated Account. Until the Final Class 3A Distribution Date, the Segregated Funds shall be utilized for

the sole purpose of (i) making Distributions to holders of Allowed Class 3A General Unsecured Claims (other than holders of Cash Pool Claims), (ii) establishing a Disputed Claims Reserve for Disputed Class 3A General Unsecured Claims, and (iii) making Distributions on account of Disputed Class 3A General Unsecured Claims as such Disputed Claims are resolved. After the Final Class 3A Distribution Date, (a) 95% of any remaining Segregated Funds shall be delivered to Wind Down Co to be distributed to holders of Allowed Class 3B General Unsecured Claims in accordance with the terms of the Plan, and (b) 5% of any remaining Segregated Funds shall be transferred to Reorganized WEC to be contributed by Reorganized WEC to its pension plans in accordance with the Pension Funding Agreement.

7. Continuing Role of UCC

The UCC shall continue to exist following the Confirmation Date and Effective Date solely for the purposes of performing its responsibilities under the Reconciliation Plan, overseeing distributions from the Segregated Account, and as otherwise set forth in the Plan. The UCC shall cease to exist upon the earliest to occur of the resignation of all its remaining members, the closing of the Chapter 11 Cases, and the Final Class 3A Distribution Date, if not otherwise provided in the Plan; *provided, however*, that after such date, the UCC shall exist and its Professionals shall continue to be retained and shall continue to be entitled to reasonable compensation by Wind Down Co subject to application to the Bankruptcy Court with respect to (i) all applications filed pursuant to sections 330 and 331 of the Bankruptcy Code and any related hearings; and (ii) pending appeals of the Confirmation Order.

8. Corporate Action

Upon the Effective Date, by virtue of the solicitation of votes in favor of the Plan and entry of the Confirmation Order, and all conditions to the Effective Date having been satisfied, all actions contemplated by the Plan (including any action to be undertaken by Wind Down Co or the Plan Oversight Board) and the Plan Funding Agreement shall be deemed authorized, approved, and, to the extent taken prior to the Effective Date, ratified without any requirement for further action by holders of Claims or Interests, the Debtors, or any other Entity or Person. All matters provided for in the Plan involving the corporate structure of the Debtors, and any corporate action required by the Debtors in connection therewith, shall be deemed to have occurred and shall be in effect, without any requirement of further action by the Debtors or the Estates.

9. Other Transactions

On or following the Effective Date, the Plan Oversight Board, with the consent of the Consenting Claimholder, UCC, and Plan Investor (in each case not to be unreasonably withheld), and subject to any consents required by the Plan Support Agreement or Plan Funding Agreement, shall take such actions as may be necessary or appropriate to effect the transactions as set forth in the Plan. The restructuring transactions may include one or more restructurings, conversions, or transfers as may be determined by the Plan Oversight Board, with the consent of the Consenting Claimholder, UCC and Plan Investor (in each case not to be unreasonably withheld), to be necessary or appropriate, subject to the terms of the Plan Funding Agreement. The actions taken by the Plan Oversight Board, with the consent of the Consenting Claimholder, UCC, and Plan Investor (in each case not to be unreasonably withheld), to effect the restructuring transactions may include: (i) the execution, delivery, adoption, and/or amendment of appropriate agreements or other documents of restructuring, conversion, disposition, or transfer containing terms consistent with the terms of the Plan, and any ancillary documents and that satisfy the applicable requirements of applicable state or foreign law and any other terms to which the applicable parties may agree; (ii) the execution, delivery, adoption, and/or amendment of appropriate instruments of transfer, assignment, assumption or delegation of any asset, property, right, liability, debt, or obligation on terms consistent with the terms of the Plan, and any ancillary documents and having other terms for which the

applicable parties may agree; (iii) the filing of appropriate certificates or articles of incorporation, reincorporation, or conversion (or, in each case, the functional equivalent thereof) pursuant to applicable federal, state, or foreign law, including but not limited to an amended certificate of incorporation and by-laws (or, in each case, the functional equivalent thereof, as applicable); (iv) the cancellation of shares, warrants and any other convertible, exercisable or exchangeable securities; and (v) all other actions that the Plan Oversight Board with the consent of the Consenting Claimholder, UCC and Plan Investor (in each case not to be unreasonably withheld) determine to be necessary, desirable, or appropriate to implement, effectuate, and consummate the Plan or the restructuring transactions contemplated hereby, including making filings or recordings that may be required by applicable state or foreign law in connection with the restructuring transactions.

10. Exemption From Certain Transfer Taxes

To the maximum extent provided by section 1146(a) of the Bankruptcy Code, the Plan Investment Transaction, the transfer of WECHOL Interests to the Plan Investor by TNEH UK, any post-Confirmation sale by any Debtor, or any transfer from any Entity pursuant to, in contemplation of, or in connection with the Plan or pursuant to: (i) the issuance, Distribution, transfer, or exchange of any debt, equity security, or other interest in the Debtors, (ii) the making, delivery, or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, the Plan, including any deeds, bills of sale, assignments, or other instruments of transfer executed in connection with any transaction arising out of, contemplated by, or in any way related to the Plan, or (iii) any transfer of the Debtors' assets to Wind Down Co or a liquidating trust, shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, real estate transfer tax, mortgage recording tax, Uniform Commercial Code filing or recording fee, or other similar tax or governmental assessment, and the appropriate state or local government officials or agents shall forego collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment.

11. Effectuating Documents; Further Transactions

On and after the Effective Date, the Reorganized Debtors and Wind Down Co are authorized to and may issue, execute, deliver, file or record such contracts, securities, instruments, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement and further evidence the terms and conditions of the Plan in the name of and on behalf of the Reorganized Debtors or Wind Down Co, as applicable, without the need for any approvals, authorization, or consents except for those expressly required pursuant to the Plan.

12. Preservation of Causes of Action

Other than Causes of Action against an Entity that are waived, relinquished, exculpated, released, compromised, or settled in the Plan or by a Bankruptcy Court order, the Debtors reserve any and all Causes of Action, subject to the terms of the Plan Funding Agreement. No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against them as any indication that the Debtors will not pursue any and all available Causes of Action against them. No preclusion doctrine, including the doctrines of *res judicata*, collateral estoppel, issue preclusion, claim preclusion (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation. With respect to any Causes of Action of Wind Down Co, on and after the Effective Date, the Plan Oversight Board shall have, including through its authorized agents or representatives, the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action and to decline to do any of the foregoing without the consent or

approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court. Notwithstanding anything contained herein to the contrary, the settlement of any Claims and Causes of Action which are expressly to be settled by Confirmation of the Plan itself shall be resolved only by Confirmation of the Plan itself.

13. Plan Supplement

The Plan Supplement shall be filed with the Clerk of the Bankruptcy Court by no later than five (5) days before the Voting Deadline. Upon its filing with the Bankruptcy Court, the Plan Supplement may be inspected in the office of the Clerk of the Bankruptcy Court during normal court hours. Documents to be included in the Plan Supplement will be posted at the website of the Solicitation and Distribution Agent as they become available.

14. Closing of the Chapter 11 Cases

After the Chapter 11 Case of a Debtor has been fully administered, the Plan Oversight Board shall seek authority from the Bankruptcy Court to close such Debtor's Chapter 11 Case in accordance with the Bankruptcy Code and the Bankruptcy Rules.

E. Corporate Governance

1. Continued Corporate Existence

Except as otherwise provided in the Plan or the Plan Funding Agreement, the Debtors shall continue to exist after the Effective Date as Reorganized Debtors in accordance with the applicable laws of the respective jurisdictions in which they are incorporated or organized and pursuant to the Amended Certificates of Incorporation and the Amended By-Laws. On or after the Effective Date, each Reorganized Debtor may, in its sole discretion, take such action as permitted by applicable law and such Reorganized Debtor's organizational documents, as such Reorganized Debtor may determine is reasonable and appropriate, including causing: (i) a Reorganized Debtor to be merged into another Reorganized Debtor or an affiliate of a Reorganized Debtor; (ii) a Reorganized Debtor to be dissolved; (iii) the legal name of a Reorganized Debtor to be changed; or (iv) the closure of a Reorganized Debtor's Chapter 11 Case on the Effective Date or any time thereafter.

2. Boards of Directors and Officers

Subject to the exceptions noted below, the composition of each board of directors or similar governing body, as applicable, of the Reorganized Debtors, shall be disclosed prior to the entry of the Confirmation Order to the extent required by section 1129(a)(5) of the Bankruptcy Code. On the Effective Date and specifically following the closing of the Plan Investment Transaction with the Plan Investor, the Plan Investor shall have full power and authority to appoint the directors and officers of the Reorganized Debtors.

Between the Confirmation Date and the Effective Date, directors of TNEH UK will be the independent directors: David Jan Baker and Alan Miller; the directors of U.S. HoldCo and WEC will be the independent directors: Marc Beilinson, William Transier, and Wyatt Wachtel (together with David Jan Baker and Alan Miller, and including any and all replacement independent directors appointed by such group, the "**Independent Directors**"). The agreements between the Independent Directors and the Debtors provide for the Independent Directors to be paid an agreed upon fee, subject to annual adjustment, for their services during the course of these Chapter 11 Cases. Any adjustments to such compensation or agreement

amendments, or forms thereof, that may be agreed upon will be filed with the Plan Supplement and, if necessary, subject to approval in the Confirmation Order.

Within two (2) Business Days following entry of the Confirmation Order, any and all directors nominated by Toshiba who are currently serving on boards of directors of the Debtors or subsidiaries of the Debtors shall resign their positions from such boards, subject to any applicable regulatory requirements. From the date of such resignation through the Effective Date, each of the boards of directors of the Debtors shall remain in place, no additional appointees or removals may be directed by any holder of U.S. HoldCo Interests or TNEH UK Interests. In the event that a new director needs to be appointed following entry of the Confirmation Order for any reason (including but not limited to the resignation of an existing director), the remaining directors may appoint the new director.

On the Effective Date and specifically following the closing of the Plan Investment Transaction with the Plan Investor, the Plan Investor shall have full power and authority to appoint the directors and officers of the Reorganized Debtors.

3. Organizational Documents

As of the Effective Date, the certificates or articles of incorporation, by-laws, shareholder agreements, limited liability company agreements, memoranda of association, or such other applicable formation or governance documents of each of the Debtors may be amended to the extent necessary to carry out the provisions of the Plan.

F. Distributions

1. Administration of Distributions

Wind Down Co, as authorized and directed by the Plan Oversight Board, shall be responsible for administering and making Distributions to holders of Allowed Claims in accordance with the Plan, including Section 7 of the Plan, other than Claims that constitute Assumed Liabilities, which shall be paid by the Reorganized Debtors; *provided*, that notwithstanding any other provision of the Plan, the UCC shall retain sole authority to authorize and direct the Solicitation and Distribution Agent to make Distributions from the Segregated Account to holders of Allowed Class 3A General Unsecured Claims in accordance with the treatment outlined in Section 4.3(b)(i) of the Plan. For the avoidance of doubt, Additional Consent Claims shall not be entitled to any Distributions as Class 3A General Unsecured Claims absent the consent of the UCC.

2. Distribution Record Date

The Plan Oversight Board and UCC (solely with respect to Class 3A General Unsecured Claims) shall have no obligation to recognize any transfer of the Claims or Interests (i) occurring on or after the Effective Date, or (ii) that does not comply with Bankruptcy Rule 3001(e) or otherwise does not comply with the Bankruptcy Code or Bankruptcy Rules.

3. Date of Distributions

Except as otherwise provided in the Plan, Wind Down Co shall make, or, solely with respect to Class 3A General Unsecured Claims, the UCC shall direct the Initial Distribution to holders of Allowed Claims no later than the Initial Distribution Date; *provided, however*, that the Initial Distribution to holders of Allowed Class 3B General Unsecured Claims listed on Exhibit E to the Plan shall include 100% of the membership interests (or other beneficial ownership interests) in Wind Down Co. After the

Initial Distribution Date, the Plan Oversight Board, or, solely with respect to Class 3A General Unsecured Claims, the UCC, shall, from time to time, determine the subsequent Distribution Dates. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on or as soon as reasonably practicable after the next succeeding Business Day, but shall be deemed to have been completed as of the required date. Notwithstanding anything to the contrary in the Plan, no holder of an Allowed Claim shall, on account of such Allowed Claim, receive a Distribution in excess of the Allowed amount of such Claim.

4. Delivery of Distributions

In the event that any Distribution to any holder is returned as undeliverable, no Distribution to such holder shall be made unless and until Wind Down Co or, solely with respect to Class 3A General Unsecured Claims, the UCC, has determined the then current address of such holder, at which time such Distribution shall be made to such holder without interest; *provided, however*, such Distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of six months from the date such Distribution was made. After such date, all unclaimed property or interests in property shall revert (notwithstanding any applicable federal or state escheat, abandoned, or unclaimed property laws to the contrary) to Wind Down Co or the Segregated Account (as applicable) automatically and without need for a further order by the Bankruptcy Court for Distribution in accordance with the Plan and the Claim of any such holder to such property or interest in property shall be released, settled, compromised, and forever barred.

5. Manner of Payment Under Plan

At the option of Wind Down Co, or solely with respect to Class 3A General Unsecured Claims, the UCC, any Cash payment to be made under the Plan may be made by a check or wire transfer. Any wire transfer fees incurred by Wind Down Co or the Solicitation and Distribution Agent (as applicable) in connection with the transmission of a wire transfer shall be deducted from the amount of the recipient holder's Allowed Claim. The wire transfer fee will be deducted from the amount of the Distribution a holder of an Allowed Claim would otherwise receive. Wind Down Co, or solely with respect to Class 3A General Unsecured Claims, the UCC, will, to the extent practicable, make aggregate Distributions on account of all the Allowed Claims held by a particular holder.

In order to receive a Distribution under the Plan, a holder of an Allowed Claim must submit to the Solicitation and Distribution Agent both (i) the applicable Form W-9 or, if the payee is a foreign Person, Form W-8, unless such Person is exempt under the tax code and so notifies Wind Down Co or the Solicitation and Distribution Agent, as applicable, and (ii) a form certifying that neither the holder nor, to the best of their knowledge, any Person or Entity for whom they may be acting or who may be the beneficial owner of a Claim or Interest that is in their name or control is a person or entity with whom it is illegal for a U.S. Person to transact under (a) the Office of Foreign Assets Control sanctions regulations, or (b) the list of Specially Designated Nationals and Blocked Persons. Unless Wind Down Co or the Solicitation and Distribution Agent (as applicable) receives original, properly completed copies of each form with an amount of time sufficient, in the Plan Oversight Board's or UCC's sole discretion (as applicable), to process in advance of a scheduled Distribution Date, the holder of an Allowed Claim that would otherwise be entitled to a Distribution shall not receive any Distribution on the applicable Distribution Date.

6. Minimum Cash Distributions

Wind Down Co and the Solicitation and Distribution Agent (as applicable) shall not be required to make any payment to any holder of an Allowed Claim on any Distribution Date of Cash less

than \$100; *provided, however*, that if any Distribution is not made pursuant to Section 7.6 of the Plan, such Distribution shall be added to any subsequent Distribution to be made on behalf of the holder's Allowed Claim. Wind Down Co and the Solicitation and Distribution Agent (as applicable) shall not be required to make any final Distributions of Cash less than \$50 to any holder of an Allowed Claim. If either (i) all Allowed Claims (other than those whose Distributions are deemed undeliverable under the Plan) have been paid in full, or (ii) the amount of any final Distributions to holders of Allowed Claims would be \$50 or less and the aggregate amount of Cash available for Distributions to holders of Allowed General Unsecured Claims is less than \$25,000, then no further Distribution shall be made by Wind Down Co and any surplus Cash shall be donated and distributed to an I.R.C. § 501(c)(3) tax-exempt organization selected by the Plan Oversight Board.

7. Setoffs and Recoupment

Wind Down Co may, with the express consent of the Reorganized Debtors, but shall not be required to, set off against or recoup any Claim, any Claims of any nature whatsoever that the Debtors or Wind Down Co may have against the holder of such Claim; *provided, however*, that neither the failure to do so nor the allowance of any Claim under the Plan shall constitute a waiver or release by Wind Down Co of any such Claim Wind Down Co may have against the holder of such Claim.

8. Distributions After Effective Date

Distributions made after the Effective Date to holders of Disputed Claims that are not Allowed Claims as of the Effective Date but which later become Allowed Claims shall be deemed to have been made on the Effective Date.

9. Allocation of Distributions Between Principal and Interest

Except as otherwise provided in the Plan, to the extent that any Allowed Claim entitled to a Distribution under the Plan is comprised of indebtedness and accrued but unpaid interest thereon, such Distribution shall be allocated to the principal amount (as determined for U.S. federal income tax purposes) of the Claim first, and then to accrued but unpaid interest.

10. No Postpetition Interest on Claims

Postpetition interest shall not accrue or be paid on any General Unsecured Claims and no holder of a Claim shall be entitled to interest accruing on or after the Petition Date, except to the extent permitted under the Plan or the Bankruptcy Code.

11. Claims Paid by Third Parties

Wind Down Co (at the direction of the Plan Oversight Board) shall reduce in full a Claim, and such Claim shall be Disallowed without a Claims objection having to be filed and without any further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the holder of such Claim receives payment in full on account of such Claim from a party that is not the Debtors, Wind Down Co, or the Solicitation and Distribution Agent. If a holder of a Claim receives a Distribution from Wind Down Co and/or the Solicitation and Distribution Agent on account of such Claim and also receives payment from a third party on account of such Claim, such holder shall, within fourteen (14) days of receipt thereof, repay or return the Distribution to Wind Down Co or the Solicitation and Distribution Agent (as applicable), to the extent the holder's total recovery on account of such Claim from the third party and under the Plan exceeds the total Allowed amount of such Claim as of the date of any such Distribution under the Plan. The failure of such holder to timely repay or return such Distribution shall result in the holder owing Wind

Down Co interest on such amount owed for each Business Day after the 14-day grace period specified above until the amount is repaid.

12. Claims Payable by Third Parties

No Distributions shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' insurance policies until the holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy. To the extent that one or more of the Debtors' insurers agrees to satisfy in full a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' agreement, such Claim may be expunged to the extent of any agreed upon satisfaction on the Claims Register by the Solicitation and Distribution Agent without a Claims objection having to be filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

13. Distribution Order

Any Distributions on account of Claims or Interests that are subject to the Distribution Order shall be made in accordance with the terms thereunder; *provided, however*, that to the extent any provision in the Distribution Order conflicts with any provision in the Plan or Confirmation Order, the terms of the Plan or Confirmation Order (as applicable) shall govern. As set forth in greater detail in Section IV(G)(4) above, Toshiba has satisfied all of its payment obligations under the Vogtle Settlement and the VC Summer Settlement. Accordingly, the Confirmation Order shall render the Distribution Order and the provisions thereof moot and no longer applicable to any Claims or Interests previously subject to the Distribution Order.

14. Withholding and Reporting Requirements

(a) Withholding Rights

In connection with the Plan, any party issuing any instrument or making any Distribution described in the Plan shall comply with all applicable withholding and reporting requirements imposed by any federal, state, or local taxing authority, and all Distributions pursuant to the Plan and all related agreements shall be subject to any such withholding or reporting requirements. Notwithstanding the foregoing, each holder of an Allowed Claim or any other Person that receives a Distribution pursuant to the Plan shall have responsibility for any taxes imposed by any Governmental Unit, including, without limitation, income, withholding, and other taxes, on account of such Distribution. Any party issuing any instrument or making any Distribution pursuant to the Plan has the right, but not the obligation, to not make a Distribution until such holder has made arrangements satisfactory to such issuing or disbursing party for payment of any such tax obligations.

(b) Forms

Any party entitled to receive any property as an issuance or Distribution under the Plan shall, upon request, deliver to Wind Down Co, or solely with respect to Class 3A General Unsecured Claims, the UCC, or such other Person designated by the Plan Oversight Board or the UCC (as applicable) (which entity shall subsequently deliver to the applicable party) any applicable tax forms, as described in Section 7.5 of the Plan. If such request is made by the Plan Oversight Board, UCC, or such other Person designated by the Plan Oversight Board or UCC and the holder fails to comply before the date that is one hundred and fifty (150) days after the request is made, the amount of such Distribution shall irrevocably revert to Wind Down Co or the Segregated Account (as applicable) and any Claim in respect of such Distribution shall be discharged and forever barred from assertion against any Debtor and its respective property. In the event the Plan Oversight Board determines that a holder has failed to comply with the Plan

Oversight Board's initial request for a Form W-8 or Form W-9, the Plan Oversight Board shall file a notice on the Court's docket listing the name of such holder and provide not less than thirty (30) days' notice for such holder to comply with the Plan Oversight Board's request.

15. Distributions on Account of DIP Claims

Notwithstanding anything to the contrary contained in the Plan, the foregoing provisions of Section 7 of the Plan (including Sections 7.2 and 7.10 of the Plan) shall not apply to the DIP Claims, and the Distributions on account of the DIP Claims, including the manner and timing thereof, shall be solely governed by Section 2.4 of the Plan and the terms of the DIP Credit Agreement.

G. Procedures for Resolving Claims

1. Objections to Prepetition Claims

As of the Effective Date, objections to, and requests for estimation of Claims against the Debtors may only be interposed and prosecuted by Wind Down Co (as directed by the Plan Oversight Board). Such objections and requests for estimation shall be served and filed on or before the Claims Objection Bar Date.

2. Allowance of Claims

After the Effective Date, Wind Down Co shall have and shall retain any rights and defenses that the Debtors had with respect to any Claim against a Debtor, except with respect to any Assumed Liability and any Claim deemed Allowed under the Plan. Except as expressly provided in the Plan or in any order entered in the Chapter 11 Cases prior to the Effective Date (including, without limitation, the Confirmation Order), no Claim shall become an Allowed Claim unless and until such Claim is deemed Allowed under the Plan or the Bankruptcy Code or the Bankruptcy Court has entered a Final Order, including, without limitation, the Confirmation Order, in the Chapter 11 Cases allowing such Claim; *provided, however*, that the Additional Consent Claims shall not be Allowed absent reasonable consent of the PSA Parties.

3. Estimation of Claims

Wind Down Co may at any time, at the direction of the Plan Oversight Board, request that the Bankruptcy Court estimate any contingent, unliquidated, or Disputed Claim pursuant to section 502(c) of the Bankruptcy Code regardless of whether any party in interest previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection. In the event that the Bankruptcy Court estimates any contingent, unliquidated, or Disputed Claim, the amount so estimated shall constitute either the Allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on the amount of such Claim, Wind Down Co, may pursue supplementary proceedings to object to the allowance of such Claim. All of the aforementioned objection, estimation and resolution procedures are intended to be cumulative and not exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn, or resolved by any mechanism approved by the Bankruptcy Court.

4. No Distributions Pending Allowance

No payment or Distribution provided under the Plan (including from the Segregated Funds) shall be made on account of a Disputed Claim unless and until such Disputed Claim becomes an Allowed Claim.

5. Resolution of Claims

Except as otherwise provided in the Plan (including the release provisions thereof) or in the Plan Funding Agreement, Confirmation Order, or in any contract, instrument, release, or other agreement or document entered into in connection with the Plan, in accordance with section 1123(b) of the Bankruptcy Code and the Claims Procedures Orders, on and after the Effective Date, Wind Down Co, under the direction of the Plan Oversight Board, may enforce, sue on, settle, or compromise (or decline to do any of the foregoing) all Claims, Disputed Claims, rights, Causes of Action, suits, and proceedings, whether in law or in equity, whether known or unknown, that Wind Down Co may hold against any Person, and any contract, instrument, release, indenture, or other agreement entered into in connection with the Plan; *provided, however*, that the Additional Consent Claims shall not be Allowed absent reasonable consent of the PSA Parties. Wind Down Co may pursue any retained Claims, rights, Causes of Action, suits, or proceedings, as appropriate, in accordance with the Plan and the Plan Funding Agreement.

6. Segregated Account

(a) Segregated Account

As Disputed Class 3A General Unsecured Claims are resolved pursuant to Section 8 of the Plan, the UCC may direct the Solicitation and Distribution Agent to make Distributions of Segregated Funds out of the Segregated Account on account of such Disputed Claims as if such Disputed Claims were Allowed Claims as of the Effective Date. Such Distributions shall be made on the first Distribution Date that is at least forty-five (45) days after the date on which a Disputed Claim becomes an Allowed Claim, or on an earlier date selected by the UCC in the UCC's sole discretion. In the event the holders of Allowed Class 3A General Unsecured Claims have not received payment in full on account of their Claims after the resolution of all Disputed Class 3A General Unsecured Claims, then the UCC shall direct the Solicitation and Distribution Agent to make a final Distribution to all holders of Allowed Class 3A General Unsecured Claims in an amount equal to such holders' Pro Rata share of any remaining Segregated Funds. In the event that holders of Allowed Class 3A General Unsecured Claims have received payment in full on account of such Claims, the remaining funds in the Segregated Account shall be disbursed in accordance with sections 5.3(e) and 5.6 of the Plan. For the avoidance of doubt, in the event any such Disputed Claim is Disallowed, the holder of such Disputed Claim shall not receive any proceeds from the Segregated Account, and the Segregated Funds reserved for such Disputed Claim shall revert to the Segregated Account until the Final Class 3A Distribution Date.

(b) Treatment of Segregated Account as a "Disputed Ownership Fund" for U.S. Federal Income Tax Purposes.

All parties (including the Debtors, holders of Claims, the UCC and, at the direction of the UCC, the Solicitation and Distribution Agent) will (i) treat the Segregated Account as a "disputed ownership fund" governed by Section 1.468B-9 of the Treasury Regulations, and (ii) to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes. All taxes imposed on the assets or income of the Segregated Account shall be payable out of the assets of the Segregated Account. The UCC or its designee shall be responsible for complying with all tax payment and tax filing obligations of the Segregated Account.

7. Retained Amounts

Wind Down Co, at the direction of the Plan Oversight Board, shall withhold and retain from Distribution (i) an amount sufficient to pay holders of Disputed Claims (other than Disputed Class 3A General Unsecured Claims) the amount such holders would be entitled to receive under the Plan if such

Claims were to become Allowed Claims, (ii) such lesser amount as estimated by the Bankruptcy Court, or (iii) such lesser amount as agreed to between Wind Down Co and the holders thereof. For the avoidance of doubt, (a) all Class 3B General Unsecured Claims shall be Allowed on the Effective Date and thus there shall be no disputed claims reserve for Class 3B General Unsecured Claim, and (b) the amounts retained for Class 3A General Unsecured Claims shall be funded solely from Segregated Funds in the Segregated Account. As Disputed Claims are resolved pursuant to Section 8 of the Plan, the Plan Oversight Board shall direct Wind Down Co, or solely with respect to Allowed Class 3A General Unsecured Claims, the UCC shall direct the Solicitation and Distribution Agent, to make Distributions on account of such Disputed Claims as if such Disputed Claims were Allowed Claims as of the Effective Date. Such Distributions shall be made on the first Distribution Date that is at least forty-five (45) days after the date on which a Disputed Claim becomes an Allowed Claim, or on an earlier date selected by the Plan Oversight Board in the Plan Oversight Board's sole discretion.

8. Late-Filed Claims

Except as otherwise provided in the Plan or as agreed to by the Debtors or Plan Oversight Board, any Proof of Claim filed after the Bar Date with respect to such Claim shall be deemed Disallowed and expunged as of the Effective Date without any further notice to or action, order, or approval of the Bankruptcy Court, and holders of such Claims may not receive any Distributions on account of such Claims, unless such late Proof of Claim has been deemed timely filed by a Final Order.

9. Amendments to Claims

A Claim may not be filed, amended, or supplemented without the prior written authorization of the Bankruptcy Court or the Plan Oversight Board, and any such new, amended, or supplemented Claim filed shall be deemed Disallowed in full and expunged without any further notice to or action, order, or approval of the Bankruptcy Court to the maximum extent provided by applicable law.

H. Executory Contracts and Unexpired Leases

1. Assumption, Assignment, and Rejection of Executory Contracts and Unexpired Leases

On the Effective Date, except as otherwise provided in the Plan, each Executory Contract and Unexpired Lease not previously rejected, assumed, or assumed and assigned by the Debtors during the Chapter 11 Cases shall be deemed automatically rejected pursuant to sections 365 and 1123 of the Bankruptcy Code, unless such Executory Contract or Unexpired Lease: (i) is listed on the Schedules of Executory Contracts; (ii) as of the Effective Date is subject to a pending motion to assume or assume and assign such Unexpired Lease or Executory Contract; or (iii) is a contract, instrument, release, or other agreement or document entered into in connection with the Plan, including, for the avoidance of doubt, the Plan Funding Agreement.

Subject to the entry of an order (the "**Solicitation Procedures Order**") approving the Debtors' motion (a) approving the Disclosure Statement, (b) establishing procedures for the assumption and assumption and assignment of Executory Contracts and Unexpired Leases under the Plan and the form of cure notices and assumption notices related thereto, (c) establishing the Voting Deadline, (d) approving solicitation procedures, distribution of solicitation packages, and establishing a deadline and procedures for temporary allowance of Claims for voting purposes, (e) approving the form of ballots and voting instructions, and (f) approving the form and manner of notice of the Confirmation Hearing and related issues, and in accordance with the terms and provisions thereof, by no later than four (4) Business Days prior to the date scheduled for the Confirmation Hearing, the Debtors shall cause notices of their proposed

assumption of Executory Contracts or Unexpired Leases listed on the Schedule of Assumed Contracts and Schedule of Assigned Contracts to be sent to applicable counterparties to such contracts as well as all counterparties to pending executory contracts of the Debtors that are not on the Schedule of Assumed Contracts and Schedule of Assigned Contracts. Such notice shall include the proposed Cure Obligation in respect of the applicable Executory Contract(s) or Unexpired Lease(s). Any counterparty to an Executory Contract or Unexpired Lease that fails to assert a timely objection to the notice of proposed assumption, or assumption and assignment of such Executory Contract or Unexpired Lease within fourteen (14) days of the service thereof, will be deemed to have assented to such assumption, or assumption and assignment, including the proposed Cure Obligation. If there is a pending objection relating to assumption or rejection of an Executory Contract or Unexpired Lease pursuant to section 365 of the Bankruptcy Code or a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection under the Plan, the Debtors or Reorganized Debtors (as applicable), prior to the Effective Date may alter their treatment of such contract or lease by filing a notice indicating such altered treatment, subject to any rights of the Plan Investor under the Plan Funding Agreement.

Entry of the Confirmation Order shall constitute a Bankruptcy Court order approving the assumptions, assumption and assignment, or rejections, as applicable, of such Executory Contracts or Unexpired Leases as set forth in the Plan, the Schedule of Assumed Contracts, and the Schedule of Assigned Contracts, as applicable, pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Unless otherwise indicated or provided in a separate order of the Bankruptcy Court, rejections or assumptions or assignments of Executory Contracts and Unexpired Leases pursuant to the Solicitation Procedures Order and the Plan are effective as of the Effective Date.

In accordance with the Solicitation Procedures Order and Plan Funding Agreement, the Debtors reserve the right to modify the treatment of any particular Executory Contract or Unexpired Lease pursuant to the Plan, including to add or remove any Executory Contract or Unexpired Lease from the Schedule of Assumed Contracts or Schedule of Assigned Contracts or alter the proposed Cure Obligation in respect of the applicable Executory Contract(s) or Unexpired Lease(s) prior to the Effective Date on or prior to the date that is four (4) Business Days prior to the Confirmation Hearing.

2. Cure of Defaults for Assumed Executory Contracts and Unexpired Leases

Any Cure Obligation due under each Executory Contract and Unexpired Lease to be assumed pursuant to the Plan shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment in Cash on the Effective Date, subject to the limitation described below, by the Debtors or Wind Down Co (as applicable), or on such other terms as the parties to such Executory Contracts or Unexpired Leases may otherwise agree.

In the event of a dispute regarding (i) the amount of the Cure Obligation, (ii) the ability of Wind Down Co or any other applicable assignee to provide “adequate assurance of future performance” (within the meaning of section 365 of the Bankruptcy Code) under the Executory Contract or Unexpired Lease, or (iii) any other matter pertaining to assumption or assumption and assignment (as applicable), the obligations of section 365 of the Bankruptcy Code shall be deemed satisfied following the entry of a Final Order or orders resolving the dispute and approving the assumption or assumption and assignment (as applicable); provided, however, that the Debtors or Wind Down Co (as applicable) may settle any dispute regarding the amount of any Cure Obligation without any further notice to any party or any action, order, or approval of the Bankruptcy Court, subject to the obligations of the Debtors and Wind Down Co (as applicable) under the Plan Funding Agreement.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan, or otherwise, shall result in the full release and satisfaction of any Claims or defaults, subject to satisfaction

of the Cure Obligations, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time before the Effective Date of assumption and/or assignment. **Any prepetition default amount set forth in the Schedules and/or any Proofs of Claim filed with respect to an Executory Contract or Unexpired Lease that has been assumed and assigned shall be deemed Disallowed and expunged, without further notice to or action, order, or approval of the Bankruptcy Court or any other Entity.**

The Plan Investor and the Reorganized Debtors shall have no liability to any counterparty to any Executory Contract or Unexpired Lease, except for Assumed Liabilities, and all such counterparties shall be enjoined from asserting any such liability (except for an Assumed Liability) against Plan Investor or the Reorganized Debtors.

For the avoidance of doubt, any settlement or payment made on account of a Cure Obligation shall not be made out of the Segregated Account or otherwise reduce the amount of the Segregated Funds available to holders of Class 3A General Unsecured Claims (other than Cash Pool Claims which shall participate in the Cash Pool Settlement).

3. Claims Based on Rejection of Executory Contracts and Unexpired Leases

Unless otherwise provided by an order of the Bankruptcy Court, any Proofs of Claim based on the rejection of the Debtors' Executory Contracts or Unexpired Leases pursuant to the Plan or otherwise, must be filed with Bankruptcy Court and served on Wind Down Co no later than thirty (30) days after the later of the Effective Date or the effective date of rejection of such Executory Contract or Unexpired Lease.

Each holder of a Claim arising from the rejection of an Executory Contract or Unexpired Lease for which Proofs of Claims were not timely filed as set forth in the paragraph above shall not (a) be treated as a creditor with respect to such Claim, or (b) participate in any Distribution in the Chapter 11 Cases on account of such Claim, and any Claims arising from the rejection of an Executory Contract or Unexpired Lease not filed with the Bankruptcy Court within such time will be automatically Disallowed, forever barred from assertion, and shall not be enforceable against the Debtors, the Reorganized Debtors, the Plan Oversight Board, Wind Down Co, the Estates, or the property for any of the foregoing without the need for any objection or further notice to, or action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully compromised, settled, and released, notwithstanding anything in the Schedules or a Proof of Claim to the contrary. All Allowed Claims arising from the rejection of the Debtors' prepetition Executory Contracts or prepetition Unexpired Leases shall be classified as Class 3A General Unsecured Claims, except as otherwise provided by order of the Bankruptcy Court.

4. Plan Funding Agreement

The Debtors' assumption, assignment, or rejection of any Executory Contract or Unexpired Lease pursuant to the Plan shall be subject in all respects to the Plan Investor's rights and obligations under the Plan Funding Agreement, including (i) any obligations of Wind Down Co to pay Cure Obligations with respect to Executory Contracts and Unexpired Leases assumed by the Reorganized Debtors in accordance with the Plan Funding Agreement, and (ii) any rights of the Plan Investor to require the Debtors to add or remove an Executory Contract or Unexpired Lease from the applicable Schedule of Executory Contracts prior to the Confirmation Hearing.

5. Modifications, Amendments, Supplements, Restatements, or Other Agreements

Unless otherwise provided in the Plan, each assumed Executory Contract or Unexpired Lease shall include all modifications, amendments, supplements, restatements, or other agreements that in any manner affect such Executory Contract or Unexpired Lease, and all Executory Contracts and Unexpired Leases related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests, unless any of the foregoing agreements has been previously rejected or repudiated or is rejected or repudiated under the Plan.

Unless otherwise provided in an order entered by the Bankruptcy Court, modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtors during the Chapter 11 Cases shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease, or the validity, priority, or amount of any Claims that may arise in connection therewith.

6. Survival of Indemnification Obligations

To the fullest extent permitted by applicable law, and as set forth in Section 7.02 of the Plan Funding Agreement, any outstanding obligations of the Debtors pursuant to their corporate charters, by-laws, limited liability company agreements, memorandum and articles of association, or other organizational documents and agreements to indemnify current and former officers, directors, agents, or employees with respect to all present and future actions, suits, and proceedings against the Debtors or such officers, directors, agents, or employees based upon any act or omission for or on behalf of the Debtors shall not be discharged, impaired, or otherwise affected by the Plan. All such obligations shall be deemed and treated as executory contracts to be assumed by the Debtors under the Plan unless such obligation was rejected by the Debtors pursuant to a Bankruptcy Court order, or is the subject of a motion to reject pending on the Effective Date. For the avoidance of doubt, any settlement or payment made on account of a Cure Obligation shall not be made out of the Segregated Account or otherwise reduce the amount of the Segregated Funds available to holders of Class 3A General Unsecured Claims (other than Cash Pool Claims which shall participate in the Cash Pool Settlement).

7. Reservation of Rights

Neither the exclusion nor inclusion of any contract or lease in the Schedules of Executory Contracts, Plan Supplement, or Plan Funding Agreement, nor anything contained in the Plan, shall constitute an admission by the Debtors that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that the Estates have any liability thereunder. In the event of a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors, the Reorganized Debtors, Wind Down Co, or the Plan Oversight Board, as applicable, shall have sixty (60) days following entry of a Final Order resolving such dispute to alter the treatment of such contract or lease as otherwise provided in the Plan.

Any such waivers may be effected at any time, without notice, without leave or order of the Bankruptcy Court and without any formal action.

10. Waiver of Statutory Limitation on Releases

EACH RELEASING PARTY IN EACH OF THE RELEASES CONTAINED IN THE PLAN (INCLUDING UNDER SECTION 11 OF THE PLAN) EXPRESSLY ACKNOWLEDGES THAT ALTHOUGH ORDINARILY A GENERAL RELEASE MAY NOT EXTEND TO CLAIMS WHICH THE RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR, WHICH IF KNOWN BY IT MAY HAVE MATERIALLY AFFECTED ITS SETTLEMENT WITH THE PARTY RELEASED, IT HAS CAREFULLY CONSIDERED AND TAKEN INTO ACCOUNT IN DETERMINING TO ENTER INTO THE ABOVE RELEASES THE POSSIBLE EXISTENCE OF SUCH UNKNOWN LOSSES OR CLAIMS. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, EACH RELEASING PARTY EXPRESSLY WAIVES ANY AND ALL RIGHTS CONFERRED UPON IT BY ANY STATUTE OR RULE OF LAW WHICH PROVIDES THAT A RELEASE DOES NOT EXTEND TO CLAIMS

WHICH THE CLAIMANT DOES NOT KNOW OR SUSPECT TO EXIST IN ITS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY IT MAY HAVE MATERIALLY AFFECTED ITS SETTLEMENT WITH THE RELEASED PARTY, INCLUDING THE PROVISIONS OF CALIFORNIA CIVIL CODE SECTION 1542. THE RELEASES CONTAINED IN SECTION 11 OF THE PLAN ARE EFFECTIVE REGARDLESS OF WHETHER THOSE RELEASED MATTERS ARE PRESENTLY KNOWN, UNKNOWN, SUSPECTED OR UNSUSPECTED, FORESEEN OR UNFORESEEN.

VI.

MODIFICATION, REVOCATION, OR WITHDRAWAL OF THE PLAN

A. Amendments

1. Plan Modifications

The Plan may be amended, modified or supplemented by the Debtors in the manner provided for by section 1127 of the Bankruptcy Code or as otherwise permitted by law without additional disclosure pursuant to section 1125 of the Bankruptcy Code; *provided, however*, that the Plan and exhibits, supplements, or appendices to the Plan may not be modified in any way that adversely affects the Distributions, recoveries, treatment, classification, or other rights or entitlements of (i) the PSA Parties (either as a group or individually) without the consent of each affected PSA Party, and (ii) the DIP Lenders and DIP Agent without the DIP Agent's consent. In addition, after the Confirmation Date, the Debtors may institute proceedings in the Bankruptcy Court to remedy any defect or omission or reconcile any inconsistencies in the Plan or the Confirmation Order, with respect to such matters as may be necessary to carry out the purposes and effects of the Plan.

2. Other Amendments

Before the Effective Date, the Debtors may make appropriate technical adjustments and modifications to the Plan and the documents contained in the Plan Supplement without further order or approval of the Bankruptcy Court, subject to the proviso contained in Section 12.1(a) of the Plan and the rights of the PSA Parties set forth in the Plan Support Agreement.

B. Revocation or Withdrawal of the Plan

The Debtors reserve the right to revoke or withdraw the Plan, including the right to revoke or withdraw the Plan for any Debtor or all Debtors, prior to the Confirmation Date, subject to the terms and conditions of the Plan Support Agreement and Plan Funding Agreement. If the Debtors revoke or withdraw the Plan, if Confirmation does not occur, or if the Confirmation Order is vacated, then: (i) the Plan shall be null and void in all respects; (ii) any settlement or compromise embodied in the Plan (including the fixing or limiting to an amount certain of any Claim or Interest or Class of Claims or Interests), assumption or rejection of Executory Contracts or Unexpired Leases effected by the Plan, and any document or agreement executed pursuant to the Plan, shall be deemed null and void; and (iii) nothing contained in the Plan shall: (a) constitute a waiver or release of any Claims or Interests; (b) prejudice in any manner the rights of the Debtors, the Estates, or any other Entity; or (c) constitute an admission, acknowledgement, offer, or undertaking of any sort by the Debtors, the Estates, or any other Entity.

VII.
RETENTION OF JURISDICTION

On and after the Effective Date, the Bankruptcy Court shall retain jurisdiction over all matters arising in, arising under, and related to the Chapter 11 Cases for, among other things, the following purposes:

(a) to hear and determine motions and/or applications for the assumption or rejection of Executory Contracts or Unexpired Leases and the allowance, classification, priority, compromise, estimation, or payment of Claims resulting therefrom (including Cure Obligations);

(b) to determine any motion, adversary proceeding, application, contested matter, or other litigated matter pending on or commenced after the Confirmation Date;

(c) to ensure that Distributions to holders of Allowed Claims are accomplished as provided in the Plan;

(d) to consider Claims or the allowance, subordination, classification, priority, compromise, estimation, or payment of any Claim;

(e) to enter, implement, or enforce such orders as may be appropriate in the event the Confirmation Order is for any reason stayed, reversed, revoked, modified, or vacated;

(f) to issue injunctions, enter and implement other orders, and take such other actions as may be necessary or appropriate to restrain interference by any Person with the Consummation, implementation, or enforcement of the Plan, the Confirmation Order, or any other order of the Bankruptcy Court;

(g) to hear and determine any application to modify the Plan in accordance with section 1127 of the Bankruptcy Code, to remedy any defect or omission or reconcile any inconsistency in the Plan, or any order of the Bankruptcy Court, including the Confirmation Order, in such a manner as may be necessary to carry out the purposes and effects thereof;

(h) to hear and determine all applications under sections 330, 331, and 503(b) of the Bankruptcy Code for awards of compensation for services rendered and reimbursement of expenses incurred before the Confirmation Date;

(i) to hear and determine disputes arising in connection with the interpretation, implementation, or enforcement of the Plan, the Plan Funding Agreement, the Confirmation Order, the Plan Oversight Board By-Laws, or any agreement, instrument, or other document governing or relating to any of the foregoing;

(j) to take any action and issue such orders as may be necessary to construe, interpret, enforce, implement, execute, and consummate the Plan or to maintain the integrity of the Plan following Consummation;

(k) to determine such other matters and for such other purposes as may be provided in the Confirmation Order;

(l) to hear and determine matters concerning state, local, and federal taxes in accordance with sections 346, 505, and 1146 of the Bankruptcy Code (including any requests for expedited

determinations under section 505(b) of the Bankruptcy Code with respect to the Debtors for all taxable periods through the Effective Date, and with respect to Wind Down Co, for all taxable periods through the dissolution of Wind Down Co);

(m) to adjudicate, decide or resolve any and all matters related to section 1141 of the Bankruptcy Code;

(n) to adjudicate any and all disputes arising from or relating to Distributions under the Plan;

(o) to hear and determine any other matters related to the Plan and not inconsistent with the Bankruptcy Code and title 28 of the United States Code;

(p) to enter a final decree closing the Chapter 11 Cases;

(q) to enforce all orders previously entered by the Bankruptcy Court;

(r) to recover all assets of the Debtors and property of the Estates, wherever located; and

(s) to hear and determine any rights, Claims, or Causes of Action held by or accruing to the Reorganized Debtors pursuant to the Bankruptcy Code or pursuant to any federal statute or legal theory.

VIII.

MISCELLANEOUS PROVISIONS

A. Immediate Binding Effect

Notwithstanding Bankruptcy Rules 3020(e), 6004(h), or 7062 or otherwise, upon the occurrence of the Effective Date, the terms of the Plan and Plan Supplement shall be immediately effective and enforceable and deemed binding upon and inure to the benefit of the Debtors, the PSA Parties, the holders of Claims and Interests, the Released Parties, the Exculpated Parties, and each of their respective successors and assigns, including, without limitation, the Reorganized Debtors, Wind Down Co, and the Plan Oversight Board.

B. Severability of Plan Provisions upon Confirmation

If, before the entry of the Confirmation Order, any term or provision of the Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court, at the request of the Debtors, shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of the Plan will remain in full force and effect and will in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is (i) valid and enforceable pursuant to its terms; (ii) integral to the Plan and may not be deleted or modified without the consent of the Debtors or the Plan Oversight Board (as the case may be); and (iii) non-severable and mutually dependent.

C. Expedited Tax Determination

The Reorganized Debtors may request an expedited determination of taxes of the Debtors under section 505(b) of the Bankruptcy Code for all tax returns filed for, or on behalf of, the Debtors for all taxable periods through the Effective Date. In addition, Wind Down Co may request an expedited determination of taxes of Wind Down Co, including any reserve for Disputed Claims, or as to the Debtors, under section 505(b) of the Bankruptcy Code for all tax returns filed for, or on behalf of, Wind Down Co, for all taxable periods through the dissolution of Wind Down Co, or for or on behalf of the Debtors for all taxable periods through the Effective Date.

D. Exemption from Securities Laws

The (i) issuance and sale of all of the equity Interests in Reorganized U.S. HoldCo pursuant to the Plan Funding Agreement and Section 5.2 of the Plan, and (ii) the issuance of and Distribution of interests of Wind Down Co pursuant to Section 4.3(b)(ii) of the Plan and are being made in reliance on the exemption from registration set forth in section 4(a)(2) of the Securities Act and Regulation D thereunder.

E. Solicitation of Votes on the Plan

As of and subject to the occurrence of the Confirmation Date, the Debtors shall be deemed to have solicited acceptances of the Plan in good faith and in compliance with the applicable provisions of the Bankruptcy Code, including, without limitation, sections 1125(a) and (e) of the Bankruptcy Code, and any applicable non-bankruptcy law, rule, or regulation governing the adequacy of disclosure in connection with such solicitation.

F. Payment of Statutory Fees

On the Effective Date and thereafter as may be required, Wind Down Co shall pay all fees incurred pursuant to § 1930 of title 28 of the United States Code, together with interest, if any, pursuant to § 3717 of title 31 of the United States Code for each Debtor's case; *provided, however*, that after the Effective Date such fees shall only be payable until such time as a final decree is entered closing a Debtor's Chapter 11 Case, a Final Order converting such case to a case under chapter 7 of the Bankruptcy Code is entered, or a Final Order dismissing the Chapter 11 Case is entered. For the avoidance of doubt, such fees shall not be paid from the Segregated Account.

G. Governing Law

Except to the extent that the Bankruptcy Code or other federal law is applicable, or to the extent an exhibit to the Plan or a schedule in the Plan Supplement provides otherwise, the rights, duties and obligations arising under the Plan shall be governed by, and construed and enforced in accordance with, the laws of the State of New York, without giving effect to the principles of conflict of laws thereof.

H. Additional Documents

On or before the Effective Date, the Debtors may file with the Bankruptcy Court such agreements and other documents as may be necessary or appropriate to effectuate and further evidence the terms and conditions of the Plan. The Debtors and all holders of Claims or Interests receiving Distributions pursuant to the Plan and all other parties in interest shall, prepare, execute, and deliver any agreements or documents and take any other actions as may be necessary or advisable to effectuate the provisions and intent of the Plan.

I. Successor and Assigns

The rights, benefits and obligations of any Person named or referred to in the Plan shall be binding on, and shall inure to the benefit of any heir, executor, administrator, successor, or permitted assign, if any, of each Entity.

J. Entire Agreement

On the Effective Date, the Plan, the Plan Supplement, the Plan Funding Agreement, and the Confirmation Order shall supersede all previous and contemporaneous negotiations, promises, covenants, agreements, understandings, and representations on such subjects, all of which have become merged and integrated into the Plan; *provided, however*, that the Plan Support Agreement shall not be so superseded solely to the extent such agreements contain covenants or other obligations are incorporated into the Plan and apply to the period after the Effective Date.

K. Notices

All notices, requests and demands to or upon the Debtors to be effective shall be in writing (including by facsimile transmission) and, unless otherwise expressly provided in the Plan, shall be deemed to have been duly given or made when actually delivered or, in the case of notice by facsimile transmission, when received and telephonically confirmed, addressed as follows:

authorized to limit the list of Entities receiving documents pursuant to Bankruptcy Rule 2002 to those Entities who have filed such renewed requests.

IX.
CERTAIN RISK FACTORS TO BE CONSIDERED

Prior to voting to accept or reject the Plan, holders of Claims should read and carefully consider the risk factors set forth below, in addition to the information set forth in this Disclosure Statement. The factors below should not be regarded as the only risks associated with the Plan or its implementation.

A. Certain Bankruptcy Law Considerations

1. Non-Confirmation of the Plan

Although the Debtors believe that the Plan will satisfy all requirements necessary for confirmation by the Bankruptcy Court in accordance with the Bankruptcy Code, there can be no assurance that the Bankruptcy Court will reach the same conclusion.

The Bankruptcy Code requires that a plan of reorganization comply with certain requirements (including, but not limited to, the requirements of section 1129 of the Bankruptcy Code) for a plan of reorganization to be confirmed. The Bankruptcy Court may determine that one or more of those requirements is not satisfied with respect to the Plan. If the Bankruptcy Court were to make such a determination, the Debtors could be required to restart the solicitation process. In such a situation, the Debtors could be required to (i) seek approval of a new disclosure statement; (ii) solicit or re-solicit votes from holders of Claims and/or Interests, as applicable; and/or (iii) seek confirmation of the newly-proposed plan of reorganization.

Moreover, the Debtors can make no assurances that they will receive the requisite votes for acceptance to confirm the Plan. Even if all Voting Classes vote in favor of the Plan or the requirements for “cramdown” are met with respect to any Class that rejects the Plan, the Bankruptcy Court could decline to confirm the Plan if it finds that any of the statutory requirements for confirmation are not met.

2. Non-Occurrence of the Effective Date

Although the Debtors believe that the Effective Date will occur, there can be no assurance as to the timing or occurrence of the Effective Date. As discussed below, if the conditions precedent to the Effective Date set forth in the Plan have not occurred or have not been waived as set forth in Section 10 of the Plan, then the Confirmation Order may be vacated, in which event no Distributions would be made under the Plan, the Debtors and all holders of Claims or Interests would be restored to the *status quo* as of the day immediately preceding the Confirmation Date, and the Debtors’ obligations with respect to Claims and Interests would remain unchanged.

3. Risk Related to DIP Credit Facility

In the event of the occurrence of an event of default under the DIP Facility, the DIP Lenders may seek, among other things, to exercise remedies with respect to the collateral securing the DIP Facility, and to take certain other actions against the Debtors.

4. Conversion into Chapter 7 Cases

If no chapter 11 plan can be confirmed, or if the Bankruptcy Court otherwise finds that it would be in the best interest of creditors and/or the Debtors, the Chapter 11 Cases may be converted to cases under chapter 7 of the Bankruptcy Code, pursuant to which a trustee would be appointed or elected to liquidate the Debtors' assets for distribution in accordance with the priorities established by the Bankruptcy Code. As further described in Exhibit C hereto, the Debtors believe that liquidation under chapter 7 would result in smaller distributions being made to the Debtors' creditors than those provided for in the Plan.

B. Risks Relating to the Plan Support Agreement

The Plan Support Agreement may be terminated upon the occurrence of a number of termination events (each, a "**Plan Support Agreement Termination Event**"), as more specifically set forth in the Plan Support Agreement. If a Plan Support Agreement Termination Event occurs and the Plan Support Agreement is terminated, all obligations of the parties to the Plan Support Agreement shall terminate (except as specifically provided in the Plan Support Agreement).

Furthermore, upon termination of the Plan Support Agreement, any party to the Plan Support Agreement will have all the rights and remedies that it would have had and shall be entitled to take all actions that it would have been entitled to take if it not entered into the Plan Support Agreement. Without the commitment provided by the PSA Parties to vote in favor of the Plan and take other actions contemplated in the Plan Support Agreement, the Debtors may not be able to secure sufficient votes in favor of the Plan for confirmation and may not be able to provide the holders of Class 3 General Unsecured Claims with the level of recoveries contemplated by the Plan.

C. Risks Relating to the Plan

1. Claims Could Be More than Projected

There can be no assurance that the estimated Allowed amount of Claims in certain Classes will not be significantly more than projected, which, in turn, could cause the value of distributions to be reduced substantially. Inevitably, some assumptions will not materialize, and unanticipated events and circumstances may affect the ultimate results. Therefore, the actual amount of Allowed Claims may vary from the Debtors' projections and the variation may be material.

D. Risks Relating to the Plan Investment Transaction

1. Conditions to Consummation of Plan Investment

Although the Debtors believe that they will be able to consummate the Plan Investment Transaction, there are conditions to the closing of the proposed Plan Investment Transaction, including that the Plan be confirmed on or before March 31, 2018, and that certain regulatory approvals are received. Accordingly, the Debtors are not certain that the Plan Investment Transaction will be consummated as planned.

2. Failure to Secure Necessary Governmental Approvals

Although the Debtors believe that they will be able to secure the necessary government approvals to consummate the Plan Investment Transaction, the Debtors are not certain whether certain governmental agencies, including the NRC, the Committee on Foreign Investment in the United States, the

DOE, the U.S. Department of State, or antitrust authorities will approve the consummation of the Plan Investment Transaction or any material portion thereof. Any delay in consummating the Plan Investment Transaction due to governmental approval processes, or the failure to obtain such approvals, could prolong the Chapter 11 Cases and reduce recoveries available to creditors.

E. Risks Relating to the Debtors' Businesses and Financial Condition

1. Debtors' Businesses and Industry

The risks associated with the Debtors' businesses and industry include, but are not limited to, the following:

- risk of direct financial impact attributable to a significant safety or other hazardous incident;
- risk that a significant safety or other hazardous incident could negatively impact ability to attract and retain customers;
- risks relating to small number of suppliers for the Debtors' business needs;
- risks relating to operating in international locations; and
- political, regulatory, commercial, and economic uncertainty associated with operating a global, highly regulated business.

F. Risks Pertaining to Labor

The Debtors' businesses are labor-intensive, and unions represent more than 1,100 Employees and Temporary Employees working for the Debtors. A strike or other form of significant work disruption by the Debtors' employees or Temporary Employees would likely have an adverse effect on their ability to operate their businesses. In addition, the Debtors' inability to negotiate a collective bargaining agreement upon its expiration could reduce the Debtors' sales and harm profitability.

G. Environmental Risks

The Debtors are subject to various environmental laws, including those governing discharges into the air and water; the storage, handling, and disposal of solid and hazardous wastes; the remediation of contaminated soil and groundwater; and the health and safety of their employees. The Debtors are also required to obtain permits from governmental authorities for certain operations. While the Debtors expect to remain in compliance with all applicable environmental laws and regulations, the Debtors may not be in complete compliance with these laws and permits at all times and any related violations could result in governmental fines or other sanctions, some of which could be material. The Debtors' operations expose the Debtors to the risk of environmental liabilities that could have a material adverse effect on their business. For example, the Debtors may be liable for the costs of clean-up of contamination at current or former facilities, as well as sites at which the Debtors or their predecessors disposed of hazardous waste. The Debtors could be liable even if they did not know about or cause the contamination, and even if the practices that resulted in the contamination were legal when they occurred. Thus, the Debtors cannot assure that costs of complying with current and future environmental and health and safety laws, and their liabilities arising from past or future releases of, or exposure to, hazardous substances, will not adversely affect their financial condition.

H. Additional Risks

1. Debtors Have No Duty to Update

The statements contained in this Disclosure Statement are made by the Debtors as of the date hereof, unless otherwise specified in the Plan, and the delivery of this Disclosure Statement after that date does not imply that there has been no change in the information set forth in the Plan since that date. The Debtors have no duty to update this Disclosure Statement unless otherwise ordered to do so by the Bankruptcy Court.

2. No Representations Outside This Disclosure Statement Are Authorized

No representations concerning or related to the Debtors, the Chapter 11 Cases, or the Plan are authorized by the Bankruptcy Court or the Bankruptcy Code, other than as set forth in this Disclosure Statement. Any representations or inducements made to secure acceptance or rejection of the Plan that are other than those contained in, or included with, this Disclosure Statement should not be relied upon in making the decision to accept or reject the Plan.

3. No Legal or Tax Advice Is Provided by This Disclosure Statement

The contents of this Disclosure Statement should not be construed as legal, business, or tax advice. Each holder of a Claim or Interest should consult their own legal counsel and accountant as to legal, tax, and other matters concerning their Claim or Interest.

This Disclosure Statement is not legal advice. This Disclosure Statement may not be relied upon for any purpose other than to determine how to vote on the Plan or object to confirmation of the Plan.

4. No Admission Made

Nothing contained herein or in the Plan will constitute an admission of, or will be deemed evidence of, the tax or other legal effects of the Plan on the Debtors or holders of Claims or Interests.

5. Certain Tax Consequences

For a discussion of certain tax considerations to the Debtors and certain holders of Claims in connection with the implementation of the Plan, see Section X below.

6. No Waiver of Right to Object or Right to Recover Transfers and Assets

The vote by a holder of a Claim for or against the Plan does not constitute a waiver or release of any claims, causes of action, or rights of the Debtors (or any entity, as the case may be) to object to such holder's Claim, or recover any preferential, fraudulent, or other voidable transfer of assets, regardless of whether any claims or causes of action of the Debtors or their respective Estates are specifically or generally identified in this Disclosure Statement.

7. Information Was Provided by Debtors and Relied upon by Debtors' Advisors

The Debtors' advisors have relied upon information provided by the Debtors in connection with the preparation of this Disclosure Statement. Although the Debtors' advisors have performed certain

limited due diligence in connection with the preparation of this Disclosure Statement, they have not independently verified the information contained in this Disclosure Statement.

X.
CERTAIN TAX CONSEQUENCES OF THE PLAN

The following discussion summarizes certain U.S. federal income tax consequences of the implementation of the Plan to the Debtors and to certain holders of Allowed Claims entitled to vote on the Plan. This summary does not address the U.S. federal income tax consequences to holders of Claims whose Claims are entitled to payment in full in Cash, holders of Claims who are deemed to have rejected the Plan, or holders of Interests. Moreover, the following summary does not discuss the U.S. federal income tax consequences of the Plan if the Debtors elect prior to the Effective Date to pursue an alternative to the Plan Investment Transaction.

This summary is based on the U.S. Internal Revenue Code of 1986, as amended (the “**Tax Code**”), existing and proposed U.S. Treasury regulations thereunder (the “**Treasury Regulations**”), judicial decisions, and published administrative rules and pronouncements of the Internal Revenue Service (the “**IRS**”) as in effect on the date hereof, all of which are subject to change, possibly on a retroactive basis. Any such change could significantly affect the U.S. federal income tax consequences described below.

The U.S. federal income tax consequences of the Plan are complex and subject to significant uncertainties. The Debtors have not requested an opinion of counsel or a ruling from the IRS with respect to any of the tax aspects of the Plan. This summary does not address state, local or foreign income or other tax consequences of the Plan, nor does it purport to address the U.S. federal income tax consequences of the Plan to special classes of taxpayers (such as non-U.S. persons, broker-dealers, banks, mutual funds, insurance companies, financial institutions, thrifts, small business investment companies, regulated investment companies, real estate investment trusts, tax-exempt organizations, retirement plans, individual retirement and other tax-deferred accounts, S corporations, partnerships or other pass-through entities for U.S. federal income tax purposes, persons holding securities as part of a hedging, straddle, conversion or constructive sale transaction, or other integrated investment, traders in securities that elect to use a mark-to-market method of accounting for their security holding, dealers in securities or foreign currencies, persons whose functional currency is not the U.S. dollar, certain expatriates or former long-term residents of the United States, persons who received their Claim as compensation, and persons subject to the “Medicare” tax on net investment income). Additionally, this discussion does not address the Foreign Account Tax Compliance Act or U.S. federal taxes other than income taxes.

The discussion assumes that all Claims are held as “capital assets” (generally, property held for investment) within the meaning of section 1221 of the Tax Code (unless otherwise indicated), and that the various debt and other arrangements to which the Debtors are parties will be respected for U.S. federal income tax purposes in accordance with their form.

ACCORDINGLY, THE FOLLOWING SUMMARY IS FOR INFORMATIONAL PURPOSES ONLY AND IS NOT A SUBSTITUTE FOR CAREFUL TAX PLANNING OR FOR ADVICE BASED UPON THE PARTICULAR CIRCUMSTANCES PERTAINING TO A HOLDER OF A CLAIM. EACH HOLDER OF A CLAIM OR INTEREST IS URGED TO CONSULT ITS OWN TAX ADVISORS FOR THE FEDERAL, STATE, LOCAL AND FOREIGN INCOME AND OTHER TAX CONSEQUENCES APPLICABLE TO IT UNDER THE PLAN.

A. Consequences to the Debtors

Each of the Debtors (other than TNEH UK) is a member of an affiliated group of corporations (or is a disregarded entity wholly owned by members of such group) of which TNEH US is the common parent, which files a single consolidated U.S. federal income tax return (the “**WEC U.S. Tax Group**”). TNEH UK is a U.K. entity and is not subject to U.S. federal income tax.

The WEC U.S. Tax Group has reported consolidated net operating loss (“**NOL**”) carryforwards for U.S. federal income tax purposes as of March 31, 2017, all but a small portion of which is allocable to the U.S. Debtors. Moreover, upon the implementation of the Plan, the U.S. Debtors currently expect to generate substantial additional NOLs and a substantial increase in the aggregate tax basis of its assets, due to amounts distributable in respect of certain claims for which the Debtors had not previously received any tax benefit.

In conjunction with the execution of the Plan Support Agreement, Toshiba announced its selection of the Plan Investor as the buyer of its shares in Westinghouse pursuant to the SPA with the Plan Investor, with the goal of completing the sale of such shares by the end of March 2018, subject to regulatory approval. *See* Section IV(Q)(3) above. As a result, the WEC U.S. Tax Group may undergo an “ownership change” under section 382 of the Tax Code in advance of the implementation of the Plan. In such event, as discussed below, the ability of the WEC U.S. Tax Group (and the Reorganized Debtors) to utilize such NOLs and other tax attributes against future taxable income would be subject to significant limitations, in addition to any reductions and limitations that result from the implementation of the Plan. The amount of any NOLs and other tax attributes, and the extent to which any limitations apply, remains subject to audit and adjustment by the IRS.

Pursuant to the Plan, the Plan Investor will acquire 100% of the equity interests in Reorganized U.S. HoldCo. Accordingly, unless the Plan Investor acquires TNEH US or a subsidiary of TNEH US to acquire Reorganized U.S. HoldCo, the acquisition of Reorganized U.S. HoldCo by the Plan Investor will result in a deconsolidation of the U.S. Debtors from the WEC U.S. Tax Group for U.S. federal income tax purposes. The Debtors do not anticipate, however, that such deconsolidation would have a material adverse impact on the Debtors. Significantly, pursuant to a Side Agreement among Toshiba, TNEH US, U.S. HoldCo and Plan Investor (among others), and in connection with the SPA, TNEH US granted to U.S. HoldCo general control over the tax filings of the WEC U.S. Tax Group for all taxable periods preceding or including the deconsolidation of the U.S. Debtors from the WEC U.S. Tax Group. *See* Section IV(O)(3) above.

1. Transfer of Excluded Assets to Wind Down Co

Pursuant to the Plan Investment Transaction, the Reorganized Debtors will transfer the Excluded Assets (together with the cash proceeds from the Plan Investment Transaction) to Wind Down Co, subject to certain liabilities and obligations. For U.S. federal income tax purposes, the transfer of assets to Wind Down Co will be treated as a sale of such assets at then fair market value. Although the Debtors may recognize income in connection with the transfer of the Excluded Assets, the Debtors expect that the amount of such income (if any) will not be material and thus expects to incur sufficient net operating losses in connection with the implementation of the Plan to avoid any material U.S. federal, state or local income tax liability (even in the event of a prior ownership change of the WEC U.S. Tax Group due to the acquisition of TNEH US pursuant to the SPA).

2. Cancellation of Debt

In general, the Tax Code provides that a debtor in a bankruptcy case must reduce certain of its tax attributes—such as NOL carryforwards and current-year NOLs, capital loss carryforwards, tax credits, and tax basis in assets—by the amount of any cancellation of debt (“COD”) incurred pursuant to a confirmed chapter 11 plan. The amount of COD income incurred is generally the amount by which the indebtedness discharged exceeds the value of any consideration given in exchange therefor. Certain statutory or judicial exceptions may apply to limit the amount of COD incurred for U.S. federal income tax purposes, including an exception for the cancellation of a debt to the extent payment of the debt would have given rise to a deduction. Under applicable Treasury Regulations, the reduction in certain tax attributes (such as NOL carryforwards) occurs under consolidated return principles, as in the case of the Debtors who are members of the WEC U.S. Tax Group. Any reduction in tax attributes in respect of COD income generally does not occur until after the determination of the debtor’s net income or loss for the taxable year in which the COD is incurred.

The Debtors expect to incur significant COD as a result of the implementation of the Plan and the Plan Investment Transaction, with a corresponding reduction in the NOLs, NOL carryforwards, and other tax attributes of the U.S. Debtors.

3. Limitation of NOL Carryforwards and Other Tax Attributes

Under the Tax Code, any NOLs and certain other tax attributes of a corporation (collectively, “Pre-Change Losses”) may be subject to an annual limitation if the corporation undergoes an “ownership change” within the meaning of section 382 of the Tax Code. For this purpose, if a corporation has a net unrealized “built-in loss” in its assets (adjusted for certain built-in deductions or income) at the time of an ownership change, the Pre-Change Losses subject to limitation will include any such losses or deductions subsequently recognized (including, but not limited to, amortization or depreciation deductions attributable to such built-in losses) during the five-year period following the ownership change (up to the amount of the original net unrealized built-in loss). The Debtors currently expect that the WEC U.S. Tax Group and the U.S. Debtors have, and as of the Effective Date will have, a net unrealized built-in loss.

As discussed above, as a result of the acquisition of TNEH US by the Plan Investor pursuant to the SPA, the WEC U.S. Tax Group may undergo an ownership change in advance of the implementation of the Plan. Alternatively, and possibly additionally, the U.S. Debtors would undergo an ownership change upon the implementation of the Plan. Accordingly, any Pre-Change Losses of the U.S. Debtors that may be utilized to offset future taxable income or tax liability will be subject to an annual limitation. Any such limitation applies in addition to, and not in lieu of, the use of attributes or the attribute reduction that results from COD arising in connection with the Plan.

In general, the amount of the annual limitation of a corporation (or consolidated group) that undergoes an ownership change will be subject to the product of (i) the fair market value of the stock of the corporation (or the parent of the consolidated group) *immediately before* the ownership change (with certain adjustments) multiplied by (ii) the “long-term tax-exempt rate” in effect for the month in which the ownership change occurs (which is 1.97% for ownership changes in February 2018). This annual limitation potentially may be increased in the event the corporation (or consolidated group) has a net unrealized built-in gain in its assets at the time of the ownership change. For a corporation (or consolidated group) in bankruptcy that undergoes an ownership change pursuant to a confirmed bankruptcy plan, the fair market value of the stock of the corporation (or the parent of the consolidated group) is generally determined *immediately after* (rather than before) the ownership change, but subject to certain adjustments; in no event, however, can the stock value for this purpose exceed the pre-change gross value

of the corporation's assets. However, a more beneficial annual limitation imposed due to an ownership change occurring pursuant to a confirmed bankruptcy plan will not alleviate a more restrictive limitation due to a prior ownership change. Any unused annual limitation may be carried forward and, therefore, would be available to be utilized in a subsequent taxable year. Notwithstanding the general annual limitation, if the corporation (or group) does not continue its historic business or use a significant portion of its historic assets in a new business for at least two (2) years after the ownership change, the annual limitation resulting from the ownership change is reduced to zero, thereby precluding any subsequent utilization of the corporation's (or group's) Pre-Change Losses (absent any increases due to recognized built-in gains).

In the present case, depending on whether an ownership change of the Debtors occurs prior to or only on the Effective Date, the Pre-Change Losses of the Debtors either would not be available to offset any taxable income or tax liabilities of the Reorganized Debtors or such offset would be substantially limited.

B. Consequences to Holders of Certain Claims

As used herein, the term "**U.S. Holder**" means a beneficial owner of Claims that is for U.S. federal income tax purposes:

- an individual who is a citizen or resident of the United States;
- a corporation, or other entity taxable as a corporation for U.S. federal income tax purposes, created or organized in or under the laws of the United States, any state thereof, or the District of Columbia;
- an estate the income of which is subject to U.S. federal income taxation regardless of its source; or
- a trust, if a court within the United States is able to exercise primary jurisdiction over its administration and one or more U.S. persons have authority to control all of its substantial decisions, or if the trust has a valid election in effect under applicable Treasury Regulations to be treated as a U.S. person.

If a partnership or other entity or arrangement taxable as a partnership for U.S. federal income tax purposes holds Claims, the tax treatment of a partner in such partnership generally will depend upon the status of the partner and the activities of the partnership. If you are a partner in such a partnership holding any of such instruments, you should consult your own tax advisor.

1. Class 3A General Unsecured Claims

Pursuant to the Plan, each holder of an Allowed Class 3A General Unsecured Claim (other than a Cash Pool Claim) is entitled to receive, in satisfaction and discharge of its Claim, an amount equal to the lesser of (i) its Pro Rata share of the Segregated Funds in the Segregated Account established by Wind Down Co and (ii) 100% of the amount of such Allowed Class 3A General Unsecured Claim.

(a) Gain or Loss

Generally, a U.S. Holder of an Allowed General Unsecured Claim will recognize gain or loss with respect to its Allowed Claim in an amount equal to the difference between (i) the amount of any Cash received (other than any consideration attributable to a Claim for accrued but unpaid interest) and

(ii) the adjusted tax basis of the Allowed Claim exchanged therefor (other than basis attributable to accrued but unpaid interest previously included in the holder's taxable income). *See* Section X(B)(3) below—"Character of Gain or Loss;" and Section X(B)(4) below—"Distributions in Discharge of Accrued Interest."

In the event of the subsequent disallowance of any Disputed Class 3A General Unsecured Claims, a holder of a previously Allowed Class 3A General Unsecured Claim may have additional gain (if any) and/or imputed interest income in respect of additional distributions from the Segregated Account. In addition, it is possible that the recognition of any loss realized by a holder with respect to an Allowed Claim as to which additional distributions could be received from the Segregated Account may be deferred until all Disputed Class 3A General Unsecured Claims are Allowed or Disallowed. Holders are urged to consult their tax advisors regarding the possible application (and the ability to elect out) of the "installment method" of reporting any gain that may be recognized by such holders in respect of their Claims due to the receipt of cash in a taxable year subsequent to the taxable year in which the Effective Date occurs. The above discussion assumes that the installment method does not apply, either because the exchange is not eligible or because the holder elects out of such treatment.

(b) Tax Treatment of Segregated Account

Pursuant to the Plan, all parties (including the Debtors, holders of Claims, the UCC, and the Solicitation and Distribution Agent) will (i) treat the Segregated Account as a "disputed ownership fund" for U.S. federal income tax purposes and (ii) to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes. All taxes imposed on the assets or income of the Segregated Account will be payable out of the assets of the Segregated Account.

A "disputed ownership" fund is a separate taxable entity subject to U.S. federal income tax. Accordingly, the Segregated Account will be subject to tax annually on any net income earned with respect to its assets (including any gain recognized upon the disposition of such assets). All distributions from such assets (which distributions will be net of the expenses, including taxes, relating to the retention or disposition of such assets) will be treated as received by holders in respect of their Claims as if distributed by the Debtors. A disputed ownership fund that holds only passive assets is taxed as a qualified settlement fund, which is subject to an entity-level tax at the maximum rate applicable to trusts and estates.

2. Class 3B General Unsecured Claims

Pursuant to the Plan, each holder of an Allowed Class 3B General Unsecured Claim will receive, in satisfaction and discharge of its Claim, ownership interests in Wind Down Co. As discussed in Section 5.4 of the Plan, Wind Down Co will be a limited liability company unless the Consenting Claimholder determines before the Effective Date, with the reasonable consent of the PSA Parties, that a different form of entity (which may be a corporation, liquidating trust, or any other type of entity) would be in the best interests of holders of Allowed Claims against the Debtors. The U.S. federal income tax consequences to a holder can differ materially depending on the form of entity chosen and its U.S. federal income tax classification. Each holder of a Class 3B General Unsecured Claim is urged to consult its tax advisor regarding the tax consequences of the Plan to it.

For example, if Wind Down Co is a limited liability company taxable as a corporation for U.S. federal income tax purposes, a U.S. Holder of an Allowed Class 3B General Unsecured Claim will recognize gain or loss with respect to its Allowed Claim in an amount equal to the difference between (i) the aggregate fair market value of the stock in Wind Down Co received in exchange for such holder's Claims (other than any consideration attributable to a Claim for accrued but unpaid interest) and (ii) the adjusted tax basis of the Allowed Claim exchanged therefor (other than basis attributable to accrued but unpaid interest previously included in such holder's taxable income). *See* Section X(B)(3) below—"Character of

Gain or Loss.” For a discussion of distributions in respect of accrued by unpaid interest, see Section X(B)(4) below—“Distributions in Discharge of Accrued Interest.”

The tax treatment of subsequent distributions by a corporation will depend on whether or not such distributions are made pursuant to a plan of liquidation adopted by the board. Generally, if a subsequent distribution is made pursuant to a plan of liquidation, such distribution will be treated as a return of capital to the extent of a holder’s tax basis in the stock (*i.e.*, if the fair market value of the stock when received), and thereafter as gain in respect of the sale or exchange of the stock. Otherwise, any distributions with respect to stock of Wind Down Co will be treated as a taxable dividend to the extent paid out of Wind Down Co’s current or accumulated earnings and profits as determined under U.S. federal income tax principles, and will be includible by the U.S. Holder as ordinary income when received. To the extent the amount of any distribution exceeds available earnings and profits with respect to such distribution, the excess will be applied against and will reduce the U.S. Holder’s adjusted tax basis (on a dollar-for-dollar basis) in respect of the stock as to which the distribution was made, but not below zero. Any remaining excess will be treated as gain from the sale or exchange of Wind Down Co stock. Depending on the type of holder and the holder’s particular circumstances, a taxable dividend may be a qualified dividend entitled to a lower tax rate or may be eligible for a dividends received deduction (the benefits of which may be mitigated by the extraordinary dividend rules).

In contrast, if Wind Down Co is formed as a “liquidating trust” for U.S. federal income tax purposes, each holder of an Allowed Claim that receives an interest in Wind Down Co will be treated for U.S. federal income tax purposes as directly receiving, and as a direct owner of, its respective share of Wind Down Co’s assets (consistent with its economic rights in Wind Down Co). *See* Section X(C) below—“Tax Treatment of a Liquidating Trust and Holders of Beneficial Interests.”

In such event, a U.S. Holder of an Allowed Class 3B General Unsecured Claim generally will recognize gain or loss with respect to its Allowed Claim in an amount equal to the difference between (i) the sum of the amount of any Cash and the fair market value of any other property received by the holder or treated as received by reason of receiving a beneficial interests in a liquidating trust net of any fixed liabilities to which such assets are subject (other than any consideration attributable to a Claim for accrued but unpaid interest) and (ii) the adjusted tax basis of the Allowed Claim exchanged therefor (other than basis attributable to accrued but unpaid interest previously included in the holder’s taxable income). *See* Section X(B)(3) below—“Character of Gain or Loss.” For a discussion of distributions in respect of accrued by unpaid interest, *see* Section X(B)(4) below—“Distributions in Discharge of Accrued Interest.” If Wind Down Co is formed as a liquidating trust, the trustee of the liquidating trust (or its designee) will in good faith value the assets transferred to the liquidating trust, and all parties must consistently use such valuation for all U.S. federal income tax purposes.

Because a holder of a liquidating trust interest is treated as a direct owner of an undivided interest in the underlying assets of the trust, any income or loss of the liquidating trust will be treated as income or loss of the holder. In general, a distribution of cash by Wind Down Co to beneficiaries of the liquidating trust will not be separately taxable since the beneficiary is already regarded for U.S. federal income tax purposes as owning an undivided interest in the underlying assets. For a further discussion, *see* Section X(C) below—“Tax Treatment of a Liquidating Trust and Holders of Beneficial Interests.”

A holder’s aggregate tax basis in its respective share of Wind Down Co’s non-cash assets will equal its respective share of the fair market value of such assets, and the holder’s holding period generally will begin the day following the Effective Date.

3. Character of Gain or Loss

Where gain or loss is recognized by a U.S. Holder, the character of such gain or loss as long-term or short-term capital gain or loss or as ordinary income or loss will be determined by a number of factors, including (i) the tax status of the holder, (ii) whether the Claim constitutes a capital asset in the hands of the holder and how long it has been held, (iii) whether the Claim was acquired at a market discount, and (iv) whether and to what extent the holder previously claimed a bad debt deduction.

A holder that purchased its Claims from a prior holder at a “market discount” (relative to the principal amount of the Claims at the time of acquisition) may be subject to the market discount rules of the Tax Code. A holder that purchased its Claim from a prior holder will be considered to have purchased such Claim with “market discount” if the holder’s adjusted tax basis in its Claim is less than the stated redemption price of such Claim at maturity by at least a *de minimis* amount. Under these rules, any gain recognized on the exchange of Claims (other than in respect of a Claim for accrued but unpaid interest) generally will be treated as ordinary income to the extent of the market discount accrued (on a straight line basis or, at the election of the holder, on a constant yield basis) during the holder’s period of ownership, unless the holder elected to include the market discount in income as it accrued. If a holder of Claims did not elect to include market discount in income as it accrued and, thus, under the market discount rules, was required to defer all or a portion of any deductions for interest on debt incurred or maintained to purchase or carry its Claims, such deferred amounts would become deductible at the time of the exchange.

4. Distributions in Discharge of Accrued Interest

In general, to the extent that any consideration received pursuant to the Plan by a U.S. Holder of a Claim is received in satisfaction of interest accrued during its holding period, such amount will be taxable to the holder as interest income (if not previously included in the holder’s gross income). Conversely, a U.S. Holder may be entitled to recognize a deductible loss to the extent any accrued interest or amortized original issue discount was previously included in its gross income and is not paid in full.

The Plan provides that consideration received in respect of a Claim is generally allocable first to the principal amount of the Claim (as determined for U.S. federal income tax purposes) and then, to the extent of any excess, to any Claim for accrued but unpaid interest. There is no assurance that the IRS will respect such allocation for U.S. federal income tax purposes. You are urged to consult your own tax advisor regarding the allocation of consideration received under the Plan and the taxation or deductibility of unpaid interest for tax purposes.

C. Tax Treatment of a Liquidating Trust and Holders of Beneficial Interests

1. Classification of Wind Down Co as a Liquidating Trust

As discussed above, one possible form of entity for Wind Down Co is a “liquidating trust” for U.S. federal income tax purposes. The following further discusses the U.S. federal income tax consequences of Wind Down Co being formed as a liquidating trust.

In general, a liquidating trust is not a separate taxable entity but rather is treated for U.S. federal income tax purposes as a “grantor” trust (*i.e.*, a pass-through entity). The IRS, in Revenue Procedure 94-45, 1994-2 C.B. 684, set forth the general criteria for obtaining an IRS ruling as to the grantor trust status of a liquidating trust under a chapter 11 plan. If structured as a liquidating trust, Wind Down Co will be structured with the intention of complying with such general criteria. In such event, pursuant to the Plan, and in conformity with Revenue Procedure 94-45, all parties (including, without limitation, the Debtors, the trustee, and the beneficiaries of the liquidating trust) will be required to treat the transfer of assets to

Wind Down Co as (i) a transfer of such assets (subject to any obligations relating to those assets) directly to the holders of Allowed Class 3B General Unsecured Claims, followed by (ii) the transfer by such holders to Wind Down Co of the assets in exchange for interests in the liquidating trust. Accordingly, except in the event of contrary definitive guidance, the holders of Allowed Class 3B General Unsecured Claims (*i.e.*, the beneficiaries of the liquidating trust) will be treated for U.S. federal income tax purposes as the grantors and owners of their respective share of the liquidating trust's assets. For the avoidance of doubt, such assets are not intended to include the Segregated Funds.

If Wind Down Co is structured to qualify as a liquidating trust, the Debtors do not currently intend to request a ruling from the IRS concerning the tax status of Wind Down Co as a "liquidating trust" for U.S. federal income tax purposes. Accordingly, there can be no assurance that the IRS would not take a contrary position to the classification of Wind Down Co as a grantor trust. If the IRS were to challenge successfully such classification, the U.S. federal income tax consequences to Wind Down Co and the holders of Allowed Class 3B General Unsecured Claims could vary from those discussed herein.

2. General Tax Reporting by a Liquidating Trust and Beneficiaries

If Wind Down Co is structured to qualify as a "liquidating trust" for U.S. federal income tax purposes, then for all U.S. federal income tax purposes, all parties must treat Wind Down Co as a grantor trust of which the holders of interests in the liquidating trust are the owners and grantors, and treat the beneficiaries of the liquidating trust as the direct owners of an undivided interest in the liquidating trust's assets, consistent with their economic interests therein. The trustee of the liquidating trust will file tax returns for Wind Down Co treating it as a grantor trust pursuant to section 1.671-4(a) of the Treasury Regulations. The trustee of the liquidating trust also shall annually send to each holder of an interest in the liquidating trust a separate statement regarding the receipts and expenditures of Wind Down Co as relevant for U.S. federal income tax purposes.

Allocations of taxable income of Wind Down Co among beneficiaries of the liquidating trust will be determined by reference to the manner in which an amount of cash equal to such taxable income would be distributed (were such cash permitted to be distributed at such time) if, immediately prior to such deemed distribution, Wind Down Co had distributed all its assets (valued at their tax book value) to the beneficiaries of the liquidating trust, adjusted for prior taxable income and loss and taking into account all prior and concurrent distributions from Wind Down Co. Similarly, taxable loss of Wind Down Co will be allocated by reference to the manner in which an economic loss would be borne immediately after a liquidating distribution of the remaining assets of the liquidating trust. The tax book value of the liquidating trust's assets for purposes of allocating taxable income and loss shall equal their fair market value on the date of the transfer of such assets to Wind Down Co, adjusted in accordance with tax accounting principles prescribed by the Tax Code, applicable Treasury Regulations, and other applicable administrative and judicial authorities and pronouncements.

As soon as reasonably practicable after the transfer of the assets to Wind Down Co, the trustee of the liquidating trust (or its designee) will make a good faith valuation of the assets of the liquidating trust. All parties to the liquidating trust (including, without limitation, the Debtors, holders of Allowed Claims, and the beneficiaries of the liquidating trust) must consistently use such valuation for all U.S. federal income tax purposes. The valuation will be made available, from time to time, as relevant for tax reporting purposes.

Taxable income or loss allocated to a beneficiary of the liquidating trust (other than amounts due to a reallocation among holders of Allowed Claims of undeliverable Plan Distributions) will be treated as income or loss with respect to such beneficiary's undivided interest in the liquidating trust's

assets, and not as income or loss with respect to its prior Allowed Claim. The character of any income and the character and ability to use any loss will depend on the particular situation of the beneficiary.

The U.S. federal income tax obligations of a holder with respect to its interest in the liquidating trust are not dependent on Wind Down Co distributing any cash or other proceeds. Thus, a holder may incur a U.S. federal income tax liability with respect to its allocable share of trust income even if Wind Down Co does not make a concurrent distribution to the holder. In general, a distribution of cash by Wind Down Co to beneficiaries of the liquidating trust will not be separately taxable since the beneficiary is already regarded for U.S. federal income tax purposes as owning the underlying assets (and was taxed at the time the cash was earned or received by Wind Down Co).

Wind Down Co will comply with all applicable governmental withholding requirements. If any beneficiaries of the liquidating trust are *not* U.S. persons, the trustee of the liquidating trust may be required to withhold up to 30% of the income or proceeds allocable to such persons, depending on the circumstances (including whether the type of income is subject to a lower treaty rate). **As indicated above, the foregoing discussion of the U.S. federal income tax consequences of the Plan does not generally address the consequences to non-U.S. holders; accordingly, such holders should consult their tax advisors with respect to the U.S. federal income tax consequences of the Plan, including owning an interest in a liquidating trust.**

D. Withholding on Distributions and Information Reporting

All distributions to holders of Allowed Claims under the Plan are subject to any applicable tax withholding, including employment tax withholding. Under U.S. federal income tax law, interest, dividends, and other reportable payments may, under certain circumstances, be subject to “backup withholding” at the then-applicable withholding rate (currently 24%). Backup withholding generally applies if the holder (i) fails to furnish its social security number or other taxpayer identification number, (ii) furnishes an incorrect taxpayer identification number, (iii) fails properly to report interest or dividends, or (iv) under certain circumstances, fails to provide a certified statement, signed under penalty of perjury, that the tax identification number provided is its correct number and that it is not subject to backup withholding. Backup withholding is not an additional tax but merely an advance payment, which may be refunded to the extent it results in an overpayment of tax. Certain persons are exempt from backup withholding, including, in certain circumstances, corporations and financial institutions. Holders of Allowed Claims are urged to consult their tax advisors regarding the Treasury Regulations governing backup withholding and whether the transactions contemplated by the Plan would be subject to these Treasury Regulations.

In addition, as discussed above under Section X(C)—“Tax Treatment of the Liquidating Trust and Holders of Beneficial Interests,” a holder of an interest in a liquidating trust that is a *not* a U.S. person may be subject to 30% withholding, depending on, among other things, the particular type of income and whether the type of income is subject to a lower treaty rate. **A non-U.S. holder may also be subject to other adverse consequences in connection with the implementation of the Plan. As discussed above, the foregoing discussion of the U.S. federal income tax consequences of the Plan does not generally address the consequences to non-U.S. holders of Allowed Claims.**

In addition, Treasury Regulations generally require disclosure by a taxpayer on its U.S. federal income tax return of certain types of transactions in which the taxpayer participated, including, among other types of transactions, certain transactions that result in the taxpayer’s claiming a loss in excess of specified thresholds. Holders are urged to consult their tax advisors regarding these Treasury Regulations and whether the transactions contemplated by the Plan would be subject to these Treasury Regulations and require disclosure on the holder’s tax returns.

XI.
CONFIRMATION OF THE PLAN

A. Confirmation Hearing

Section 1128(a) of the Bankruptcy Code requires the Bankruptcy Court, after appropriate notice, to hold a hearing on confirmation of a chapter 11 plan. The Bankruptcy Court has scheduled the Confirmation Hearing to commence on **March 27, 2018 at 11:00 a.m. (prevailing Eastern Time)**. The Confirmation Hearing may be adjourned from time to time by the Debtors or the Bankruptcy Court without further notice except for an announcement of the adjourned date made at the Confirmation Hearing or any subsequent adjourned Confirmation Hearing.

B. Objections to Confirmation

Section 1128 of the Bankruptcy Code provides that any party in interest may object to the confirmation of a plan. Objections to confirmation of the Plan are governed by Bankruptcy Rule 9014.

Any objection to confirmation of the Plan must be in writing, must conform to the Bankruptcy Rules and the Local Bankruptcy Rules for the Bankruptcy Court, must set forth the name of the objector, the nature and amount of Claims or Interests held or asserted by the objector against the Estates, the basis for the objection and the specific grounds therefor, and must be filed with the Bankruptcy Court, with a copy to the chambers of The Honorable Michael E. Wiles, United States Bankruptcy Court for the Southern District of New York, One Bowling Green, New York, New York, together with proof of service thereof, and served so as to be received by (i) Willkie Farr & Gallagher LLP, 787 Seventh Avenue, New York, NY 10019 (Attn: Matthew A. Feldman and John C. Longmire), as counsel to the Plan Investor, and (ii) the parties required to be served pursuant to that certain *Order Pursuant to 11 U.S.C. § 105(a) and Fed. R. Bankr. P. 1015(c), 2002(m), and 9007 Implementing Certain Notice and Case Management Procedures* [ECF No. 101] no later than the objection deadline of **March 15, 2018 at 4:00 p.m. (prevailing Eastern Time)**.

C. Requirements for Confirmation of the Plan.

1. Requirements of Section 1129(a) of the Bankruptcy Code.

(a) General Requirements.

At the Confirmation Hearing, the Bankruptcy Court will determine whether the confirmation requirements specified in section 1129(a) of the Bankruptcy Code have been satisfied including, without limitation, whether:

- (i) the Plan complies with the applicable provisions of the Bankruptcy Code;
- (ii) the Debtors have complied with the applicable provisions of the Bankruptcy Code;
- (iii) the Plan has been proposed in good faith and not by any means forbidden by law;
- (iv) any payment made or promised by the Debtors or by a person issuing securities or acquiring property under the Plan, for services or for costs and expenses in or in connection with the Chapter 11 Cases, or in connection with the Plan and incident to the Chapter 11 Cases, has been disclosed to the Bankruptcy Court, and any such payment made before confirmation

of the Plan is reasonable, or if such payment is to be fixed after confirmation of the Plan, such payment is subject to the approval of the Bankruptcy Court as reasonable;

- (v) the Debtors have disclosed the identity and affiliations of any individual proposed to serve, after confirmation of the Plan, as a director, manager, or officer of the Reorganized Debtors, an affiliate of the Debtors participating in the Plan with the Debtors, or a successor to the Debtors under the Plan, and whether the appointment to, or continuance in, such office of such individual is consistent with the holders of Claims and Interests and with public policy, and the Debtors have disclosed the identity of any insider who will be employed or retained by the Reorganized Debtors, and the nature of any compensation for such insider;
- (vi) with respect to each Class of Claims or Interests, each holder of an Impaired Claim or Impaired Interest has either accepted the Plan or will receive or retain under the Plan, on account of such holder's Claim or Interest, property of a value, as of the Effective Date of the Plan, that is not less than the amount such holder would receive or retain if the Debtors were liquidated on the Effective Date of the Plan under chapter 7 of the Bankruptcy Code;
- (vii) except to the extent the Plan meets the requirements of section 1129(b) of the Bankruptcy Code, each Class of Claims either accepted the Plan or is not Impaired under the Plan;
- (viii) except to the extent that the holder of a particular Claim has agreed to a different treatment of such Claim, the Plan provides that administrative expenses and priority Claims, other than Priority Tax Claims, will be paid in full on the Effective Date, and that Priority Tax Claims will receive either payment in full on the Effective Date or deferred cash payments over a period not exceeding five years after the Petition Date, of a value equal to the Allowed amount of such Claims;
- (ix) at least one Class of Impaired Claims has accepted the Plan, determined without including any acceptance of the Plan by any insider holding a Claim in such Class;
- (x) confirmation of the Plan is not likely to be followed by the liquidation, or the need for further financial reorganization, of the Debtors or any successor to the Debtors under the Plan; and
- (xi) all fees payable under section 1930 of title 28, as determined by the Bankruptcy Court at the Confirmation Hearing, have been paid or the Plan provides for the payment of all such fees on the Effective Date of the Plan.

The Debtors believe that the Plan meets all of the applicable requirements of section 1129(a) of the Bankruptcy Code.

(b) Best Interests Test

With respect to each impaired class of claims and equity interests, confirmation of a plan requires that each such holder either (i) accept the plan or (ii) receive or retain under the plan property of a value, as of the effective date of the plan, that is not less than the value such holder would receive or retain if the debtors were liquidated under chapter 7 of the Bankruptcy Code. This requirement is referred to as the "best interests test."

This test requires a bankruptcy court to determine what the holders of allowed claims and allowed equity interests in each impaired class would receive from a liquidation of the debtor's assets and properties in the context of liquidation under chapter 7 of the Bankruptcy Code. To determine if a plan is in the best interests of each impaired class, the value of the distributions from the proceeds of the liquidation of the debtor's assets and properties (after subtracting the amounts attributable to the aforesaid claims) is then compared with the value offered to such classes of claims and equity interests under the plan.

The Debtors believe that under the Plan all holders of Impaired Claims and Interests will receive property with a value not less than the value such holder would receive in a liquidation under chapter 7 of the Bankruptcy Code. The Debtors' belief is based primarily on (i) consideration of the effects that a chapter 7 liquidation would have on the proceeds available for distribution to holders of Impaired Claims and Interests and (ii) the Liquidation Analysis attached hereto as **Exhibit C**.

The Debtors believe that any liquidation analysis is speculative, as it is necessarily premised on assumptions and estimates that are inherently subject to significant uncertainties and contingencies, many of which are beyond the control of the Debtors. The Liquidation Analysis provided in **Exhibit C** is solely for the purpose of disclosing the effects of a hypothetical chapter 7 liquidation of the Debtors, subject to the assumptions set forth therein. There can be no assurance as to values that would actually be realized in a chapter 7 liquidation nor can there be any assurance that a bankruptcy court will accept the Debtors' conclusions in determining whether section 1129(a)(7) of the Bankruptcy Code is satisfied.

(c) Feasibility

The Bankruptcy Code requires that a debtor demonstrate that confirmation of a plan is not likely to be followed by liquidation or the need for further financial reorganization unless contemplated by the Plan. The Effective Date of the Plan will not occur unless the Plan Investment Transaction closes. Upon the closing of the Plan Investment Transaction, Wind Down Co will have sufficient funds to make the Distributions required under the Plan. Accordingly, the Debtors believe that all Plan obligations will be satisfied without the need for further reorganization of the Debtors.

2. Requirements of Section 1129(b) of the Bankruptcy Code.

The Bankruptcy Court may confirm the Plan over the rejection or deemed rejection of the Plan by a class of Claims or Interests if the Plan "does not discriminate unfairly" and is "fair and equitable" with respect to such class.

(a) No Unfair Discrimination

The "no unfair discrimination" test applies to classes of claims or equity interests that are of equal priority and are receiving different treatment under a plan. A chapter 11 plan does not discriminate unfairly, within the meaning of the Bankruptcy Code, if the legal rights of a dissenting class are treated in a manner consistent with the treatment of other classes whose legal rights are substantially similar to those of the dissenting class and if no class of claims or equity interests receives more than it legally is entitled to receive for its claims or equity interests. This test does not require that the treatment be the same or equivalent, but that such treatment is "fair."

The Debtors believe that, under the Plan, all Impaired Classes of Claims and Interests are treated in a manner that is fair and consistent with the treatment of any and all other Classes of Claims and Interests having the same priority. Accordingly, the Debtors believe the Plan does not discriminate unfairly as to any Impaired Class of Claims or Interests.

(b) Fair and Equitable Test

The “fair and equitable” test applies to classes of different priority and status (*e.g.*, secured versus unsecured) and includes the general requirement that no class of claims receive more than 100% of the allowed amount of the claims in such class. The test sets forth different standards for what is fair and equitable, depending on the type of claims or interests in such class. In order to demonstrate that a plan is “fair and equitable,” the plan proponent must demonstrate the following:

(i) Secured Creditors

With respect to a class of impaired secured claims, a proposed plan must provide the following: (a) that the holders of secured claims retain their liens securing such claims, whether the property subject to such liens is retained by the debtor or transferred to another entity, to the extent of the allowed amount of such claims, and receive on account of such claim deferred cash payments totaling at least the allowed amount of such claim, of a value, as of the effective date of the plan, of at least the value of such holder’s interest in the estates’ interest in such property; (b) for the sale, subject to section 363 of the Bankruptcy Code, of any property that is subject to the liens securing such claims, free and clear of such liens, with such liens to attach to the proceeds of such sale; or (c) that the holders of secured claims receive the “indubitable equivalent” of their allowed secured claim.

(ii) Unsecured Creditors

With respect to a class of impaired unsecured claims, a proposed plan must provide the following: either (a) each holder of an impaired unsecured claim receives or retains under the plan property of a value equal to the amount of its allowed claim or (b) the holders of claims and interests that are junior to the claims of the dissenting class will not receive any property under the plan.

(iii) Holders of Equity Interests

With respect to a class of equity interests, a proposed plan must provide the following: (a) that each holder of an equity interest receive or retain on account of such interest property of a value, as of the effective date of the plan, equal to the greatest of the allowed amount of any fixed liquidation preference to such holder is entitled, any fixed redemption price to which such holder is entitled, or the value of such interest, or (b) that the holder of any interest that is junior to the interests of the class of equity interests will not receive or retain under the Plan on account of such junior interest any property.

The Debtors believe the Plan satisfies the “fair and equitable” test with respect to all Impaired Classes of Claims and Interests.

(c) Application to Plan

As to any Class that may vote to reject the Plan, the Debtors believe the Plan will satisfy both the “no unfair discrimination” requirement and the “fair and equitable” requirements because, as to any such dissenting Class, there is no Class of equal priority receiving more favorable treatment, and such Class will either be paid in full, or no Class that is junior to such a dissenting Class will receive or retain any property on account of the Claims or Interests in such Class.

XII.

ALTERNATIVES TO CONFIRMATION AND CONSUMMATION OF THE PLAN

The Debtors have evaluated several alternatives to the Plan. After studying these alternatives, the Debtors have concluded that the Plan is the best alternative and will maximize recoveries to parties in interest, assuming confirmation and consummation of the Plan. If the Plan is not confirmed and consummated, the alternatives to the Plan are (i) the preparation and presentation of an alternative plan of reorganization, or (ii) a sale of some or all of the Debtors' assets pursuant to section 363 of the Bankruptcy Code.

A. Alternative Plan of Reorganization

If the Plan is not confirmed, the Debtors (or if the Debtors' exclusive period in which to file a plan of reorganization has expired, any other party in interest) could propose a different plan. Such a plan might involve either a reorganization and continuation of the Debtors' businesses or an orderly liquidation of its assets. The Debtors, however, submit that the Plan, as described herein, enables their creditors to realize the most value under the circumstances.

B. Sale Under Section 363 of the Bankruptcy Code

As discussed in Section IV(O)(2) above, in accordance with the Plan Funding Agreement, upon the occurrence of a Conversion Event, the Plan Investment Transaction shall thereupon automatically convert to a sale of all or substantially all of the assets of the Debtors pursuant to section 363 of the Bankruptcy Code pursuant to the terms of a stock and asset purchase agreement, containing the terms set forth in Exhibit D to the Plan Funding Agreement and otherwise prepared and negotiated in accordance with the immediately succeeding sentence (it being understood that such stock and asset purchase agreement contains terms providing that its effectiveness is conditioned upon the Conversion Date having first occurred). Following the Agreement Date, the parties agreed to promptly prepare and negotiate in good faith a stock and asset purchase agreement with respect to the standalone section 363 sale reflecting the terms of the Plan Funding Agreement as modified by the terms set forth in Exhibit D to the Plan Funding Agreement and including such other terms as are customary, appropriate and reasonable in connection therewith.

The overall consideration provided by the Plan Investor in a standalone section 363 sale scenario would be reduced by \$150 million, as compared to the Plan Investment Transaction, as a result of the loss of certain economic benefits to the Plan Investor only available in the context of a plan of reorganization.

C. Liquidation Under Chapter 7 or Applicable Non-Bankruptcy Law

If no chapter 11 plan can be confirmed, the Chapter 11 Cases may be converted to cases under chapter 7 of the Bankruptcy Code in which a trustee would be elected or appointed to liquidate the assets of the Debtors for distribution to their creditors in accordance with the priorities established by the Bankruptcy Code. The conversion of the Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code would have significant adverse consequences to the Debtors and their Estates. Among other things, such conversion would (i) result in a default under the DIP Facility; (ii) render the Plan Investment Transaction no longer feasible; (iii) constitute a termination event under the Plan Support Agreement; (iv) cause the WEC EMEA entities to lose their source of funding, resulting in significant destruction of value; (v) cause the Debtors to lose valuable licenses; (vi) cause the Debtors to lose control over their operations; and (vii) result in the total loss of the going-concern value of the Westinghouse enterprise. The

effect of a chapter 7 liquidation would have on the recovery of holders of allowed Claims and Interests is set forth in the Liquidation Analysis attached hereto as Exhibit C.

XIII.
CONCLUSION AND RECOMMENDATION

The Debtors believe the Plan is in the best interests of all stakeholders and urge the holders of Claims in Class 3 to vote in favor thereof.

2.3. *Priority Tax Claims*

Except to the extent that a holder of an Allowed Priority Tax Claim and the applicable Debtor or Wind Down Co (or if a Priority Tax Claim is an Assumed Liability under the Plan Funding Agreement, the applicable Reorganized Debtor) agrees to a different treatment, each holder of an Allowed Priority Tax Claim shall receive Cash in an amount equal to the Allowed amount of such Allowed Priority Tax Claim on, or as soon as is reasonably practicable after, the first Business Day after the later of the (a) Effective Date, and (b) date such Priority Claim becomes an Allowed Priority Tax Claim; *provided further* that Allowed Priority Tax Claims representing liabilities incurred in the ordinary course of business by the Debtors shall be paid by Wind Down Co or the Reorganized Debtors (as applicable) in the ordinary course of business, consistent with past practice.

2.4. *DIP Claims*

The DIP Claims shall be Allowed in the full amount due and owing under the DIP Credit Agreement and the DIP Loan Documents. Except to the extent that a holder of a DIP Claim agrees in writing to a different treatment, each holder of a DIP Claim shall be indefeasibly paid in full in Cash in an amount equal to the full amount of such Claims on the earlier of the DIP Maturity Date or the Effective Date (or, in the case of any DIP L/Cs outstanding on the DIP Maturity Date or the Effective Date, the funding of the L/C Cash Collateralization Amount (or, in lieu thereof, the establishment of “backstop” letters of credit or other Cash collateralization thereof at 105%, in each case, pursuant to Section 2.4(a)(iii)(C) of the DIP Credit Agreement); *provided, however*, that DIP Claims in respect of contingent and unliquidated obligations of the Debtors under the DIP Loan Documents (including, without limitation, under Section 9.5 of the DIP Credit Agreement) shall survive the Effective Date on an unsecured basis and shall not be discharged or released pursuant to the Plan or the Confirmation Order and shall be paid by Wind Down Co as and when due under the DIP Loan Documents. Upon the indefeasible payment in full in Cash of all DIP Claims (or, in the case of any DIP L/Cs outstanding on the DIP Maturity Date or the Effective Date, the funding of the L/C Cash Collateralization Amount (or, in lieu thereof, the establishment of “backstop” letters of credit or other Cash collateralization thereof at 105%, in each case, pursuant to Section 2.4(a)(iii)(C) of the DIP Credit Agreement)) in accordance with the preceding sentence, all Liens and security interests granted to the DIP Agent pursuant to the DIP Loan Documents shall be deemed cancelled and shall be of no further force and effect and, except as set forth in the preceding sentence, each Allowed DIP Claim shall be deemed to be fully satisfied, settled, released, and discharged.

Pursuant to the DIP Credit Agreement, all Distributions pursuant to this Section 2.4 shall be made to the DIP Agent for distribution to the DIP Lenders in accordance with the DIP Credit Agreement and the DIP Loan Documents. The DIP Agent shall retain all right as DIP Agent under the DIP Loan Documents in connection with the delivery of Distributions to the DIP Lenders. The DIP Agent shall not have any liability to any person with respect to Distributions made or directed to be made by such DIP Agent, except for liability resulting from gross negligence or willful misconduct of the DIP

Agent. All Cash Distributions to be made hereunder to the DIP Agent on account of the DIP Claims shall be made by wire transfer.

If the Debtors enter into a Replacement DIP Facility, the repayment of DIP Claims contemplated by the preceding paragraphs of this Section 2.4 shall be effected on the date of, and substantially concurrently with, the closing of the Replacement DIP Facility, and the provisions of the preceding paragraphs of this Section 2.4 shall apply, *mutatis mutandis*, to the repayment of the Replacement DIP Facility on the Effective Date.

SECTION 3. CLASSIFICATION OF CLAIMS AND INTERESTS

3.1. *Classification in General*

Claims and Interests, except for Administrative Expense Claims, Professional Fee Claims, DIP Claims, and Priority Tax Claims, are classified in the Classes set forth in this Section 3. A Claim or Interest is placed in a particular Class for all purposes, including voting, confirmation, and Distribution (subject to Section 5.3) under this Plan and under sections 1122 and 1123(a)(1) of the Bankruptcy Code; *provided, however*, that a Claim or Interest is placed in a particular Class for the purpose of receiving Distributions pursuant to this Plan only to the extent that such Claim or Interest is an Allowed Claim or Allowed Interest in that Class and such Claim or Interest has not been satisfied, released, or otherwise settled prior to the Effective Date.

3.2. *Formation of Debtor Group for Convenience Only*

This Plan (including, but not limited to, Sections 2 and 3 of the Plan) groups the Debtors together solely for the purpose of describing treatment under this Plan, confirmation of this Plan, and Distributions to be made in respect of Claims against and Interests in the Debtors under this Plan. Such groupings shall not affect each Debtor's status as a separate legal entity, change the organizational structure of the Debtors' business enterprise, constitute a change of control of any Debtor for any purpose, cause a merger or consolidation of any legal entities, or cause the transfer of any assets. Except as otherwise provided by or permitted under this Plan, all Debtors shall continue to exist as separate legal entities.

3.3. *Summary of Classification*

The following table designates the Classes of Claims against and Interests in each of the Debtors and specifies which of those Classes are (a) Impaired or Unimpaired by the Plan, and (b) entitled to vote to accept or reject the Plan in accordance with section 1126 of the Bankruptcy Code. In accordance with section 1123(a)(1) of the Bankruptcy Code, Administrative Expense Claims, DIP Claims, Professional Fee Claims, and Priority Tax Claims have not been classified and, thus, are excluded from the Classes of Claims and Interests set forth in this Section 3. All of the potential Classes for the Debtors are set forth herein. Certain of the Debtors may not have holders of Claims or Interests in a particular Class or Classes, and such Classes shall be treated as set forth in Section 4.

Class	Designation	Treatment	Entitled to Vote
1	Other Priority Claims	Unimpaired	No (Conclusively Presumed to Accept)
2	Other Secured Claims	Unimpaired	No (Conclusively Presumed to Accept)
3	Class 3A General Unsecured Claims Class 3B General Unsecured Claims	Impaired	Yes (Entitled to Vote)
4	Intercompany Claims	Unimpaired	No (Conclusively Presumed to Accept)

3.5. *Subordinated Claims*

The allowance, classification, and treatment of all Allowed Claims and Interests and the respective Distributions and treatments under the Plan take into account and conform to the relative priority and rights of the Claims and Interests in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, section 510 of the Bankruptcy Code, or otherwise. Pursuant to section 510 of the Bankruptcy Code, the Debtors, Wind Down Co and the Plan Oversight Board, as applicable, reserve the right to reclassify or subordinate any Disputed or Allowed Claim or Interest in accordance with any contractual, legal, or equitable subordination relating thereto, or on any other grounds.

3.6 *Cramdown*

If any Class of Claims or Interests is deemed to reject this Plan or is entitled to vote on this Plan and does not vote to accept this Plan, the Debtors may (a) seek confirmation of this Plan under section 1129(b) of the Bankruptcy Code, or (b) amend or modify this Plan in accordance with the terms hereof and the Bankruptcy Code. If a controversy arises as to whether any Claims or Interests, or any class of Claims or Interests, are impaired, the Bankruptcy Court may, after notice and a hearing, determine such controversy on or before the Confirmation Date.

SECTION 4. TREATMENT OF CLAIMS AND INTERESTS

4.1. *Other Priority Claims (Class 1)*

(a) *Classification:* Class 1 consists of Allowed Other Priority Claims against the Debtors.

(c) *Voting:* Class 1 is Unimpaired, and the holders of Other Priority Claims are conclusively presumed to have accepted the Plan pursuant to section 1126(f) of the Bankruptcy Code. Therefore, holders of Other Priority Claims are not entitled to vote to accept or reject the Plan.

(b) *Treatment:*

(i) *Class 3A General Unsecured Claims:* Except to the extent that a holder of an Allowed Class 3A General Unsecured Claim has agreed to less favorable treatment, each holder of an Allowed Class 3A General Unsecured Claim (other than holders of Cash Pool Claims) shall receive, in full and final satisfaction of such Claim, Cash Distributions, to be made in accordance with Section 7 herein, in an amount equal to the lesser of (1) its Pro Rata share of the Segregated Funds, and (2) 100% of the amount of such Allowed 3A General Unsecured Claim. (b) *Treatment:* At the option of the Debtors, subject to the terms of the Plan Funding Agreement, holders of Allowed Intercompany Claims shall have such Claims Reinstated, settled, offset, cancelled, extinguished or eliminated, including by way of capital contribution. For the avoidance of doubt, any settlement or payment made on account of an Intercompany Claim in accordance with the Plan Funding Agreement shall not be made out of the Segregated Account or otherwise reduce the amount of the Segregated Funds available to holders of Class 3A General Unsecured Claims (other than Cash Pool Claims who shall participate in the Cash Pool Settlement).

(c) *Voting:* As a result of the settlements and compromises provided for in Section 5.3 herein, Class 4 is deemed Unimpaired, and the holders of Intercompany Claims are conclusively presumed to have accepted the Plan pursuant to section 1126(f) of the Bankruptcy Code. SECTION 5. MEANS FOR IMPLEMENTATION

5.1. ***Vesting of Assets***

On the Effective Date, pursuant to sections 1141(b) and (c) of the Bankruptcy Code, all property of the Debtors' Estates other than Excluded Assets and any Cause of Action preserved for the benefit of Wind Down Co under Section 5.12 or Section 11.2 hereof shall vest in the Reorganized Debtors free and clear of all Claims, liens, encumbrances, charges and other interests, except as provided pursuant to the Plan Funding Agreement, this Plan and the Confirmation Order. From and after the Effective Date, the Reorganized Debtors may operate their businesses and use, acquire, and dispose of property without supervision by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules, other than those restrictions expressly imposed by the Plan and the Confirmation Order.

5.2. ***Plan Investment Transaction***

Pursuant to and subject to the terms and conditions of Plan Funding Agreement, on the Effective Date, the Plan Investor will (a) be issued 100% of the equity interests in Reorganized U.S. HoldCo, and (b) purchase all of the issued and outstanding equity interests in WECHOL, in each case, free and clear of all Liens (other than Liens arising under applicable securities laws). The Confirmation Order shall authorize the Plan Investment Transaction under sections 363 and 1123(b)(4) of the Bankruptcy Code under the terms and conditions of the Plan Funding Agreement. Upon Confirmation, the Debtors shall be authorized to take any and all actions necessary to consummate the Plan Investment Transaction, without the need for any further corporate actions or further order of the Bankruptcy Court and without any further actions by holders of Claims or Interests.

5.3. *Plan Settlement and Compromises*

The Plan contemplates and is predicated upon entry of an order (which may be the Confirmation Order) substantively consolidating the Debtors' Estates and the Chapter 11 Cases pursuant to a global and integrated compromise and settlement of all disputes among the Debtors, the PSA Parties, the EMEA Subsidiaries, and the PBGC, approval of which is being sought under section 1123(b)(3) of the Bankruptcy Code and Bankruptcy Rule 9019. Specifically, and without limitation, the treatment of the Class 3A General Unsecured Claims (including the Toshiba GUC Claims, Cash Pool Claims, and AUAM Loan Claim), Class 3B General Unsecured Claims (including the VC Summer Claims and Vogtle Claims), Intercompany Claims, Released Toshiba Claims, Released TNEH UK Claims, and LFA Claims provided herein is a settlement and compromise of the delay, expense, and uncertainty associated with extensive potential litigation, including among other things, (a) litigation relating to the valuation of the U.S. Debtors, TNEH UK, and the EMEA Subsidiaries, and the associated allocation of Plan Investment Proceeds between and among the U.S. Debtors on the one side, and TNEH UK and the EMEA Subsidiaries on the other side, and (b) litigation relating to the allowance and amount of the VC Summer Claims, Vogtle Claims, and Claims and Interests of Toshiba and the Toshiba Affiliates. Further, the treatment of such Claims pursuant to the settlements provided herein supports maximum recoveries for the holders of Allowed Claims while providing for the solvency of the EMEA Subsidiaries and going concern emergence of the Reorganized Debtors from these Chapter 11 Cases. The Plan is deemed a motion for approval of compromises and settlements contained herein, and the Confirmation Order will approve, under Bankruptcy Rule 9019, the global settlement provided for hereunder and the associated substantive consolidation of the Debtors' Estates and Chapter 11 Cases. The Plan settlement will be implemented as follows:

(a) *Treatment of Class 3B General Unsecured Claims*

On the Effective Date, the Class 3B General Unsecured Claims shall be Allowed in the amounts stated on Exhibit E and Exhibit F, as applicable, annexed hereto. All Claims for amounts in excess of the amounts listed on Exhibit E and Exhibit F hereto shall be deemed withdrawn. The holders of Class 3B General Unsecured Claims have agreed to less favorable treatment than other holders of General Unsecured Claims by (i) until after the Final Class 3A Distribution Date, waiving their right to any Distributions from Segregated Funds deposited into the Segregated Account for the benefit of holders of Allowed Class 3A General Unsecured Claims, (ii) consenting to \$100,000,000.00 of Plan Investment Proceeds, which would otherwise constitute Available Cash distributable to holders of Class 3B General Unsecured Claims, being transferred by the Plan Investor to WEC or Reorganized WEC for use exclusively in accordance with the Pension Funding Agreement, (iii) after the Final Class 3A Distribution Date, waiving their right to receive 5% of any remaining Segregated Funds and directing that such remaining Segregated Funds be used exclusively in accordance with the Pension Funding Agreement, and (iv) consenting to the Allowed Class 3B General Unsecured Claims on Exhibit F being subordinated to the Allowed Class 3B General Unsecured Claims on Exhibit E. In connection with the settlement of the Class 3B General Unsecured Claims, on the Effective Date, the VC Summer Claims shall be deemed discharged without consideration.

(b) *Allowance of Toshiba Trade Claims*

On the Effective Date, the Toshiba GUC Claims shall be Allowed as Class 3A General Unsecured Claims in the amounts stated on Exhibit G annexed hereto which amounts shall not exceed \$43,665,642.48. All amounts claimed in excess of such amounts shall be Disallowed. For the avoidance of doubt, any Toshiba GUC Claim with an "unknown" claim amount reflected on Exhibit G (see items 24 through 27) shall be deemed waived and withdrawn on the Effective Date.

(c) *Allowance of AUAM Loan Claim*

On the Effective Date, the AUAM Loan Claim shall be Allowed as a Class 3A General Unsecured Claim in an amount equal to \$43,152,613.01. Any amounts claimed under the AUAM Loan Claim in excess of such amount shall be Disallowed.

(d) *Settlement of Intercompany Claims*

(i) *Waiver of LFA Claims against TNEH UK and the EMEA Subsidiaries.* On the Effective Date, WEC shall be deemed to have irrevocably waived, released and discharged any and all right to repayment of the LFA Claims, or the LFA Claims shall otherwise be resolved in a manner satisfactory to the Debtors, Plan Investor, and non-Debtor obligors of the LFA Claims; *provided*, that WEC shall not release or be deemed to release any LFA Claims until the DIP Claims are indefeasibly repaid in full in Cash.

(ii) *Waiver of Toshiba Claims against the EMEA Subsidiaries.* On the Effective Date, pursuant to the Toshiba-EMEA Settlement Agreement, Toshiba shall be deemed to have irrevocably waived, released, deemed satisfied, or otherwise discharged any and all right to repayment of the Released Toshiba Claims, and each EMEA Subsidiary shall be deemed to have waived, released, deemed satisfied, or otherwise discharged all liabilities in any way that each such EMEA Subsidiary has, had, or may have against Toshiba and the Toshiba Affiliates, including but not limited to any liability arising from or relating to the Cash Pool Settlement, except for any liabilities relating to any contract, instrument, or other agreement or document between any such EMEA Subsidiary and Toshiba or any Toshiba Affiliate.

(iii) *Waiver of TNEH UK Claims against the EMEA Subsidiaries.* On the Effective Date, TNEH UK shall be deemed to have irrevocably waived, released, deemed satisfied, or otherwise discharged any and all right to repayment of the Released TNEH UK Claims.

(iv) *Settlement of Cash Pool Claims.* The Cash Pool Settlement is incorporated in the Plan and shall become effective on the Effective Date. Pursuant to the Cash Pool Settlement, the Cash Pool Claims shall be either waived, discharged, or be Allowed in an amount such that the applicable holder receives the amount of Plan Investment Proceeds or other funds necessary to render such holder Solvent on the Effective Date, solely to the extent required under the Plan Funding Agreement. For the avoidance of doubt, notwithstanding any amounts of the Plan Investment Proceeds or other funds that are advanced to the holders of Cash Pool Claims in accordance with the Plan Funding Agreement, any such advances shall not be made out of the Segregated Account or reduce the amount of the Segregated Funds available to other holders of Class 3A General Unsecured Claims, and under no circumstances shall any holders of Cash Pool Claims receive any Distributions as holders of Class 3A General Unsecured Claims from the Segregated Account or the Segregated Funds.

(v) *Settlement of Intercompany Claims.* On the Effective Date, in accordance with Section 4.4(b), Intercompany Claims shall be Reinstated, settled, offset, cancelled, extinguished or eliminated. All Intercompany Claims shall be ignored for purposes of making Distributions to holders of all other Allowed Claims; *provided*, that the Debtors may, in accordance with the Plan Funding Agreement, settle Intercompany Claims in an amount such that the applicable holder of an Intercompany Claim receives an amount of Plan Investment Proceeds necessary to render such holder Solvent on the Effective Date. For the avoidance of doubt, notwithstanding any amounts of the Plan Investment Proceeds that are advanced to the holders of Intercompany Claims in accordance with the Plan Funding Agreement, any such advances shall not be made out of the Segregated Account or reduce the amount of the Segregated Funds available to other holders of Class 3A General Unsecured Claims, and

under no circumstances shall any holders of Intercompany Claims receive any Distributions as holders of Class 3A General Unsecured Claims from the Segregated Account or the Segregated Funds.

(e) *Settlement of PBGC Claims*

In consideration for the contributions to be provided under the Pension Funding Agreement and the assumption of the Pension Plans referenced therein, effective as of the Effective Date, (i) all proofs of claim filed by the PBGC in the Chapter 11 Cases shall be deemed withdrawn, and (ii) the PBGC shall release WEC and its controlled group for all claims arising from the Pension Plans in accordance with the Pension Funding Agreement. One (1) Business Day after the Effective Date, in accordance with the Pension Funding Agreement, Reorganized WEC shall contribute an aggregate amount of \$100,000,000 in Cash from the Plan Investment Proceeds, to one or more of the Pension Plans. On or promptly following the Final Distribution Date, an aggregate amount equal to 5% of any remaining Segregated Funds in the Segregated Account will be contributed to one or more of the Pension Plans (or to Reorganized WEC for such contribution).

(f) *Settlement of NI Contract Claims*

In consideration for the payments to be made under the NI Settlement, and the assumption of the NI Contract, effective as of the Effective Date, (i) all Proofs of Claims related to the NI Contract filed by the NI Counterparties shall be deemed withdrawn in accordance with the terms of the NI Settlement, and (ii) the NI Counterparties shall be deemed to have released the Debtors for all claims arising from the NI Contract in accordance with the NI Settlement.

(g) *Settlement of Additional Consent Claims*

Any settlement agreement entered into among the Debtors and the holders of the Additional Consent Claims that is contained in the Plan Supplement is incorporated in the Plan and shall become effective in accordance with its terms.

(h) *Deemed Substantive Consolidation for Distribution Purposes*

(i) Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to sections 105(a) and 1123(a)(5)(C) of the Bankruptcy Code and Bankruptcy Rule 9019, effective as of the Effective Date, of the substantive consolidation of the Estates for distribution purposes only, and the Bankruptcy Court's findings that the substantive consolidation of the Estates to the extent set forth herein is (1) in exchange for good and valuable consideration provided by each of the Estates (including, without limitation, performance of the terms of the Plan), and a good-faith settlement and compromise of the released claims, (2) in the best interests of the Debtors, the Estates and all holders of Claims, (3) fair, equitable, and reasonable, and (4) effected after due notice and opportunity for hearing.

(ii) On and after the Effective Date, solely for Distribution purposes (1) all assets and liabilities of the Debtors shall be treated as though they were pooled, (2) each Claim filed or to be filed against any Debtor shall be deemed filed as a single Claim against, and a single obligation of, the Debtors, (3) all Intercompany Claims shall be Reinstated, settled, offset, cancelled, extinguished or eliminated in accordance with Sections 4.4 and 5.3 herein, (4) no Distributions shall be made under the Plan on account of any Intercompany Interest, (5) any Claims on account of a guarantee provided by a Debtor of the obligations of another Debtor shall be eliminated so that any Claim against any Debtor and any Claim based upon a guarantee thereof by any other Debtor shall be treated as one consolidated Claim against the substantively-consolidated Debtors, and (6) any joint or several liability of

any of the Debtors shall be one obligation of the substantively-consolidated Debtors and any Claims based upon such joint or several liability shall be treated as one consolidated Claim against the substantively-consolidated Debtors.

(iii) The deemed substantive consolidation of the Debtors under the Plan and pursuant to the global settlement hereunder shall not (other than for purposes related to funding Distributions under the Plan) affect (1) the legal and organizational structure of the Debtors or Reorganized Debtors, (2) executory contracts or unexpired leases that were entered into during the Chapter 11 Cases or that have been or will be assumed or rejected, (3) any agreements entered into by Wind Down Co on or after the Effective Date, (4) the Debtors' or Wind Down Co's ability to subordinate or otherwise challenge Claims on an entity-by-entity basis, (5) any Causes of Action or Avoidance Actions or defenses thereto, which in each case shall survive entry of the Confirmation Order as if there had been no substantive consolidation of the Estates of the Debtors, and (6) distributions to the Debtors, Reorganized Debtors, or Wind Down Co from any insurance policies or the proceeds thereof. Notwithstanding the substantive consolidation called for herein and pursuant to the settlement hereunder, each and every Debtor shall remain responsible for the payment of U.S. Trustee fees pursuant to 28 U.S.C. § 1930 until each Debtor's particular case is closed, dismissed or converted; *provided*, that on and after the Effective Date, Wind Down Co shall be solely responsible for the payment of such U.S. Trustee fees.

5.4. *Wind Down Co*

(a) *Form of Wind Down Co*

Wind Down Co shall be a limited liability company unless, on or before the Effective Date, the Consenting Claimholder determines, with the reasonable consent of the PSA Parties, that Wind Down Co shall be a different form of Entity (*e.g.*, a corporation or a liquidating trust, among others), and determines that such form is in the best interests of the Reorganized Debtors and holders of Allowed Claims against the Debtors. If Wind Down Co is a limited liability company, the Consenting Claimholders may elect to treat Wind Down Co as a corporation for tax purposes. If it is determined that Wind Down Co shall take the form of a liquidating trust, (a) the terms of the liquidating trust shall be set forth in a liquidating trust agreement, (b) Wind Down Co shall be structured to qualify as a "liquidating trust" within the meaning of Treas. Reg. § 301.7701-4(d) and in compliance with Rev. Proc. 94-45, 1994-2 C.B. 684, and, thus, as a "grantor trust" within the meaning of Sections 671 through 679 of the Tax Code to the holders of Claims, consistent with the terms of the Plan, (c) the sole purpose of Wind Down Co shall be the liquidation and distribution of the assets transferred to Wind Down Co in accordance with Treas. Reg. § 301.7701-4(d), including the resolution of Claims in accordance with this Plan, with no objective to continue or engage in the conduct of a trade or business, (d) all parties (including the Debtors, holders of Claims, the UCC, the Plan Oversight Board, the Distribution and Solicitation Agent and the trustee of the liquidating trust) shall report consistently with such treatment (including the deemed receipt of the underlying assets, subject to applicable liabilities and obligations, by the holders of Allowed Class 3B General Unsecured Claims followed by the deemed transfer of such assets to Wind Down Co), (e) all parties shall report consistently with the valuation of the assets transferred to Wind Down Co as determined by the trustee of the liquidating trust (or its designee), (f) the trustee of the liquidating trust shall be responsible for filing returns for the trust as a grantor trust pursuant to Treas. Reg. § 1.671-4(a), and (g) the trustee of the liquidating trust shall annually send to each holder of an interest in the liquidating trust a separate statement regarding the receipts and expenditures of the trust as relevant for U.S. federal income tax purposes. Regardless of the form of Wind Down Co, and in furtherance of section 1123(b)(3)(B) of the Bankruptcy Code, Wind Down Co shall have the same authority in respect of all taxes and tax filings of the Debtors for all taxable periods (or portions thereof) ending on or prior to

the Effective Date as if Wind Down were the applicable Debtors, subject only (as between the Reorganized Debtors and Wind Down Co) to the Plan Funding Agreement.

(b) *Assets of Wind Down Co on and after the Effective Date*

In accordance with the Plan Funding Agreement, and subject to Section 5.6 hereof, on the Effective Date: (i) Plan Investor shall deliver the Net Plan Investment Proceeds to Wind Down Co, (ii) the Excluded Assets shall be transferred from the Debtors to Wind Down Co, and (iii) any Cause of Action preserved for the benefit of Wind Down Co under Section 5.12 or Section 11.2 hereof shall be transferred from the Debtors to Wind Down Co. The Net Plan Investment Proceeds, Excluded Assets, and any Cash received by Wind Down Co after the Effective Date (less the amount of the Segregated Funds to be deposited in the Segregated Account) will be deposited into accounts owned by Wind Down Co at the direction of the Plan Oversight Board, and will be utilized by Wind Down Co, at the direction of the Plan Oversight Board, to make Distributions to holders of Allowed Claims against the Debtors' Estates and to fund the operations of Wind Down Co.

(c) *Responsibilities of Wind Down Co*

Wind Down Co shall be responsible for administering the Debtors' obligations under the Plan, in each case solely to the extent required under the Plan. For the avoidance of doubt, Wind Down Co's obligations to any holder of a Claim against the Debtors or their Estates shall be no greater than the Debtors' liability to such holder under the Plan. From and after the Effective Date, none of the Reorganized Debtors shall assume, or be liable or otherwise responsible for any actions against or liability, debt, guarantee, Claim, demand, expense, commitment or obligation (whether direct or indirect, absolute or contingent, accrued or unaccrued, liquidated or unliquidated, or due or to become due) of any kind or description, including all costs and expenses related thereto of the Debtors that are not Assumed Liabilities, including, for the avoidance of doubt, any rejection damages arising from the rejection of any Executory Contract or Unexpired Lease, and no Reorganized Debtor shall be liable for, or be deemed to assume, any Claim against, or liability of, the Debtors, except for the Assumed Liabilities.

(d) *Post-Effective Date Authority of Wind Down Co*

After the Effective Date, Wind Down Co shall have the authority, without the need for Bankruptcy Court approval (unless otherwise expressly indicated herein), to perform its obligations hereunder, including, without limitation, to:

- (i) maintain the books and records and accounts of Wind Down Co;
- (ii) invest Cash of Wind Down Co (other than the Segregated Funds), and any income earned thereon;
- (iii) incur and pay reasonable and necessary expenses in connection with the performance of the Plan Oversight Board's and Wind Down Co's duties under the Plan, including the reasonable fees and expenses of professionals retained by Wind Down Co; *provided*, that for the avoidance of doubt, the compensation and expenses of the Plan Oversight Board and Wind Down Co, including professional fees, shall not be paid from the Segregated Funds;
- (iv) retain professionals to assist in performing its duties under the Plan;

(v) administer Wind Down Co's tax obligations, including (1) filing tax returns and paying tax obligations, (2) requesting, if necessary, an expedited determination of any unpaid tax liability of Wind Down Co under Bankruptcy Code section 505(b) for all taxable periods of the applicable Debtor ending after the Petition Date through the dissolution of Wind Down Co as determined under applicable tax laws, and (3) representing the interest and account of Wind Down Co before any taxing authority in all matters including, without limitation, any action, suit, proceeding or audit;

(vi) prepare and file any and all informational returns, reports, statements, returns or disclosures relating to Wind Down Co that are required hereunder, by any Governmental Unit or under applicable law;

(vii) pay statutory fees in accordance with Section 14.6 of the Plan;
and

(viii) perform other duties and functions of Wind Down Co that are consistent with the implementation of the Plan;

provided, however, that Wind Down Co shall take the following actions to implement the Plan, solely as directed by the Plan Oversight Board:

(A) except to the extent Claims have been previously Allowed, control and effectuate the Reconciliation Plan, including to object to, seek to subordinate, compromise or settle any and all Claims against the Debtors (other than Assumed Liabilities); *provided, further*, that Additional Consent Claims shall not be Allowed absent reasonable consent of the PSA Parties;

(B) make Distributions to holders of Allowed Claims other than Class 3A General Unsecured Claims and Assumed Liabilities, in accordance with the Plan; *provided, however*, that the Additional Consent Claims shall not be entitled to any Distributions as Class 3A General Unsecured Claims absent the consent of the UCC;

(C) to direct and control the wind down, liquidation, sale and/or abandoning of the remaining assets of Wind Down Co under the Plan and in accordance with applicable law as necessary to maximize Distributions to holders of Allowed Claims; and

(D) prosecute all Causes of Action (other than those Causes of Action that are released, waived, or transferred pursuant to the Plan) on behalf of Wind Down Co for the benefit of holders of Allowed Claims, elect not to pursue any Causes of Action, and determine whether and when to compromise, settle, abandon, dismiss, or otherwise dispose of any such Causes of Action.

(e) *Indemnification.* Wind Down Co shall indemnify and hold harmless each member of the Plan Oversight Board, solely in its capacity as a member of the Plan Oversight Board, for any losses incurred in such capacity, except to the extent such losses were the result of such member's gross negligence, willful misconduct or criminal conduct.

(f) *Continued Existence.* Wind Down Co will continue in existence until all Claims against the Debtors have been fully resolved and all Available Cash has been fully distributed in accordance with the Plan, and all other duties and functions of Wind Down Co and the Plan Oversight Board as set forth this Section 5.4 of the Plan have been fully performed.

5.5. Cooperation and Access

Subject to Section 6.1 of the Plan Funding Agreement, from and after the Effective Date, in connection with any reasonable business purpose, or as is necessary to administer, or satisfy Wind Down Co's obligations in connection with administering the Chapter 11 Cases, the Reorganized Debtors will, (a) afford Wind Down Co and the Plan Oversight Board access to the Reorganized Debtors' properties, books and records, (b) furnish to Wind Down Co and the Plan Oversight Board financial and other information, and (c) make available to Wind Down Co and the Plan Oversight Board those employees of the Reorganized Debtors whose assistance, expertise, testimony, notes or recollections or presence may be reasonably necessary to assist Wind Down Co and the Plan Oversight Board.

5.6. Segregated Account for Class 3A General Unsecured Claims

On the Effective Date, Wind Down Co shall deposit the Segregated Funds in the Segregated Account. Until the Final Class 3A Distribution Date, the Segregated Funds shall be utilized for the sole purpose of (a) making Distributions to holders of Allowed Class 3A General Unsecured Claims (other than holders of Cash Pool Claims), (b) establishing a Disputed Claims Reserve for Disputed Class 3A General Unsecured Claims, and (c) making Distributions on account of Disputed Class 3A General Unsecured Claims as such Disputed Claims are resolved. After the Final Class 3A Distribution Date, (i) 95% of any remaining Segregated Funds shall be delivered to Wind Down Co to be distributed to holders of Allowed Class 3B General Unsecured Claims in accordance with the terms herein, and (ii) 5% of any remaining Segregated Funds shall be transferred to Reorganized WEC to be contributed by Reorganized WEC to its pension plans in accordance with the Pension Funding Agreement.

5.7. Continuing Role of UCC

The UCC shall continue to exist following the Confirmation Date and Effective Date solely for the purposes of performing its responsibilities under the Reconciliation Plan, overseeing distributions from the Segregated Account, and as otherwise set forth herein. The UCC shall cease to exist upon the earliest to occur of the resignation of all its remaining members, the closing of the Chapter 11 Cases, and the Final Class 3A Distribution Date, if not otherwise provided herein; *provided, however*, that after such date, the UCC shall exist and its Professionals shall continue to be retained and shall continue to be entitled to reasonable compensation by Wind Down Co subject to application to the Bankruptcy Court with respect to (a) all applications filed pursuant to sections 330 and 331 of the Bankruptcy Code and any related hearings, and (b) pending appeals of the Confirmation Order.

5.8. Corporate Action

Upon the Effective Date, by virtue of the solicitation of votes in favor of this Plan and entry of the Confirmation Order, and all conditions to the Effective Date having been satisfied, all actions contemplated by the Plan (including any action to be undertaken by Wind Down Co or the Plan Oversight Board) and the Plan Funding Agreement shall be deemed authorized, approved, and, to the extent taken prior to the Effective Date, ratified without any requirement for further action by holders of Claims or Interests, the Debtors, or any other Entity or Person. All matters provided for in the Plan involving the corporate structure of the Debtors, and any corporate action required by the Debtors in connection therewith, shall be deemed to have occurred and shall be in effect, without any requirement of further action by the Debtors or the Estates.

5.9. *Other Transactions*

On or following the Effective Date, the Plan Oversight Board, with the consent of the Consenting Claimholder, UCC, and Plan Investor (in each case not to be unreasonably withheld), and subject to any consents required by the Plan Support Agreement or Plan Funding Agreement, shall take such actions as may be necessary or appropriate to effect the transactions as set forth in this Plan. The restructuring transactions may include one or more restructurings, conversions, or transfers as may be determined by the Plan Oversight Board, with the consent of the Consenting Claimholder, UCC and Plan Investor (in each case not to be unreasonably withheld), to be necessary or appropriate, subject to the terms of the Plan Funding Agreement. The actions taken by the Plan Oversight Board, with the consent of the Consenting Claimholder, UCC, and Plan Investor (in each case not to be unreasonably withheld), to effect the restructuring transactions may include: (a) the execution, delivery, adoption, and/or amendment of appropriate agreements or other documents of restructuring, conversion, disposition, or transfer containing terms consistent with the terms of the Plan, and any ancillary documents and that satisfy the applicable requirements of applicable state or foreign law and any other terms to which the applicable parties may agree; (b) the execution, delivery, adoption, and/or amendment of appropriate instruments of transfer, assignment, assumption or delegation of any asset, property, right, liability, debt, or obligation on terms consistent with the terms of the Plan, and any ancillary documents and having other terms for which the applicable parties may agree; (c) the filing of appropriate certificates or articles of incorporation, reincorporation, or conversion (or, in each case, the functional equivalent thereof) pursuant to applicable federal, state or foreign law, including but not limited to an amended certificate of incorporation and by-laws (or, in each case, the functional equivalent thereof, as applicable); (d) the cancellation of shares, warrants and any other convertible, exercisable or exchangeable securities; and (e) all other actions that the Plan Oversight Board with the consent of the Consenting Claimholder, UCC and Plan Investor (in each case not to be unreasonably withheld) determine to be necessary, desirable, or appropriate to implement, effectuate, and consummate the Plan or the restructuring transactions contemplated hereby, including making filings or recordings that may be required by applicable state or foreign law in connection with the restructuring transactions.

5.10. *Exemption From Certain Transfer Taxes*

To the maximum extent provided by section 1146(a) of the Bankruptcy Code, the Plan Investment Transaction, the transfer of WECHOL Interests to the Plan Investor by TNEH UK, any post-Confirmation sale by any Debtor, or any transfer from any Entity pursuant to, in contemplation of, or in connection with the Plan or pursuant to: (a) the issuance, Distribution, transfer, or exchange of any debt, equity security, or other interest in the Debtors, (b) the making, delivery, or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, the Plan, including any deeds, bills of sale, assignments, or other instruments of transfer executed in connection with any transaction arising out of, contemplated by, or in any way related to the Plan, or (c) any transfer of the Debtors' assets to Wind Down Co or a liquidating trust, shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, real estate transfer tax, mortgage recording tax, Uniform Commercial Code filing or recording fee, or other similar tax or governmental assessment, and the appropriate state or local government officials or agents shall forego collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment.

5.11. *Effectuating Documents; Further Transactions*

On and after the Effective Date, the Reorganized Debtors and Wind Down Co are authorized to and may issue, execute, deliver, file or record such contracts, securities, instruments, releases, and other agreements or documents and take such actions as may be necessary or appropriate to

effectuate, implement and further evidence the terms and conditions of the Plan in the name of and on behalf of the Reorganized Debtors or Wind Down Co, as applicable, without the need for any approvals, authorization, or consents except for those expressly required pursuant to the Plan.

5.12. *Preservation of Causes of Action*

Other than Causes of Action against an Entity that are waived, relinquished, exculpated, released, compromised, or settled in the Plan or by a Bankruptcy Court order, the Debtors reserve any and all Causes of Action, subject to the terms of the Plan Funding Agreement. No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against them as any indication that the Debtors will not pursue any and all available Causes of Action against them. No preclusion doctrine, including the doctrines of *res judicata*, collateral estoppel, issue preclusion, claim preclusion (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation. With respect to any Causes of Action of Wind Down Co, on and after the Effective Date, the Plan Oversight Board shall have, including through its authorized agents or representatives, the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court. Notwithstanding anything contained herein to the contrary, the settlement of any Claims and Causes of Action which are expressly to be settled by Confirmation of the Plan itself shall be resolved only by Confirmation of the Plan itself.

5.13. *Closing of the Chapter 11 Cases*

After the Chapter 11 Case of a Debtor has been fully administered, the Plan Oversight Board shall seek authority from the Bankruptcy Court to close such Debtor's Chapter 11 Case in accordance with the Bankruptcy Code and the Bankruptcy Rules.

SECTION 6. CORPORATE GOVERNANCE

6.1. *Continued Corporate Existence*

Except as otherwise provided in this Plan or the Plan Funding Agreement, the Debtors shall continue to exist after the Effective Date as Reorganized Debtors in accordance with the applicable laws of the respective jurisdictions in which they are incorporated or organized and pursuant to the Amended Certificates of Incorporation and the Amended By-Laws. On or after the Effective Date, each Reorganized Debtor may, in its sole discretion, take such action as permitted by applicable law and such Reorganized Debtor's organizational documents, as such Reorganized Debtor may determine is reasonable and appropriate, including causing: (a) a Reorganized Debtor to be merged into another Reorganized Debtor or an affiliate of a Reorganized Debtor; (b) a Reorganized Debtor to be dissolved; (c) the legal name of a Reorganized Debtor to be changed; or (d) the closure of a Reorganized Debtor's Chapter 11 Case on the Effective Date or any time thereafter.

6.2. *Boards of Directors and Officers*

Within two (2) Business Days following the entry of the Confirmation Order, any and all directors nominated by Toshiba who were then serving on boards of directors of the Debtors or subsidiaries of the Debtors shall have resigned from their positions on such boards, subject to any applicable regulatory requirements. From the date of such resignation through the Effective Date, each of

the boards of directors of the Debtors shall remain in place, and no additional appointees or removals shall have been directed by any holder of U.S. HoldCo Interests or TNEH UK Interests.

The composition of each board of directors or similar governing body, as applicable, of the Reorganized Debtors, shall be disclosed prior to the entry of the Confirmation Order to the extent required by section 1129(a)(5) of the Bankruptcy Code. On the Effective Date and specifically following the closing of the Plan Investment Transaction with the Plan Investor, the Plan Investor shall have full power and authority to appoint the directors and officers of the Reorganized Debtors.

6.3. *Organizational Documents*

As of the Effective Date, the certificates or articles of incorporation, by-laws, shareholder agreements, limited liability company agreements, memoranda of association, or such other applicable formation or governance documents of each of the Debtors may be amended to the extent necessary to carry out the provisions of the Plan.

SECTION 7. **DISTRIBUTIONS**

7.1. *Administration of Distributions*

Wind Down Co, as authorized and directed by the Plan Oversight Board, shall be responsible for administering and making Distributions to holders of Allowed Claims in accordance with this Plan, including this Section 7, other than Claims that constitute Assumed Liabilities, which shall be paid by the Reorganized Debtors; *provided*, that notwithstanding any other provision of this Plan, the UCC shall retain sole authority to authorize and direct the Solicitation and Distribution Agent to make Distributions from the Segregated Account to holders of Allowed Class 3A General Unsecured Claims in accordance with the treatment outlined in Section 4.3(b)(i) herein. For the avoidance of doubt, Additional Consent Claims shall not be entitled to any Distributions as Class 3A General Unsecured Claims absent the consent of the UCC.

7.2. *Distribution Record Date*

The Plan Oversight Board and UCC (solely with respect to Class 3A General Unsecured Claims) shall have no obligation to recognize any transfer of the Claims or Interests (a) occurring on or after the Effective Date, or (b) that does not comply with Bankruptcy Rule 3001(e) or otherwise does not comply with the Bankruptcy Code or Bankruptcy Rules.

7.3. *Date of Distributions*

Except as otherwise provided herein, Wind Down Co shall make, or, solely with respect to Class 3A General Unsecured Claims, the UCC shall direct, the Initial Distribution to holders of Allowed Claims no later than the Initial Distribution Date; *provided, however*, that the Initial Distribution to holders of Allowed Class 3B General Unsecured Claims listed on Exhibit E hereto shall include 100% of the membership interests (or other beneficial ownership interests) in Wind Down Co. After the Initial Distribution Date, the Plan Oversight Board, or, solely with respect to Class 3A General Unsecured Claims, the UCC, shall, from time to time, determine the subsequent Distribution Dates. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on or as soon as reasonably practicable after the next succeeding Business Day, but shall be deemed to have been completed as of the required date. Notwithstanding anything to the contrary in the Plan, no holder of an

Allowed Claim shall, on account of such Allowed Claim, receive a Distribution in excess of the Allowed amount of such Claim.

7.4. *Delivery of Distributions*

In the event that any Distribution to any holder is returned as undeliverable, no Distribution to such holder shall be made unless and until Wind Down Co, or solely with respect to Class 3A General Unsecured Claims, the UCC, has determined the then current address of such holder, at which time such Distribution shall be made to such holder without interest; *provided, however*, such Distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of six months from the date such Distribution was made. After such date, all unclaimed property or interests in property shall revert (notwithstanding any applicable federal or state escheat, abandoned, or unclaimed property laws to the contrary) to Wind Down Co or the Segregated Account (as applicable) automatically and without need for a further order by the Bankruptcy Court for Distribution in accordance with the Plan and the Claim of any such holder to such property or interest in property shall be released, settled, compromised, and forever barred.

7.5. *Manner of Payment Under Plan*

At the option of Wind Down Co, or solely with respect to Class 3A General Unsecured Claims, the UCC, any Cash payment to be made hereunder may be made by a check or wire transfer. Any wire transfer fees incurred by Wind Down Co or the Solicitation and Distribution Agent (as applicable) in connection with the transmission of a wire transfer shall be deducted from the amount of the recipient holder's Allowed Claim. The wire transfer fee will be deducted from the amount of the Distribution a holder of an Allowed Claim would otherwise receive. Wind Down Co, or solely with respect to Class 3A General Unsecured Claims, the UCC, will, to the extent practicable, make aggregate Distributions on account of all the Allowed Claims held by a particular holder.

In order to receive a Distribution under the Plan, a holder of an Allowed Claim must submit to the Solicitation and Distribution Agent both (a) the applicable Form W-9 or, if the payee is a foreign Person, Form W-8, unless such Person is exempt under the tax code and so notifies Wind Down Co or the Solicitation and Distribution Agent, as applicable, and (b) a form certifying that neither the holder nor, to the best of their knowledge, any Person or Entity for whom they may be acting or who may be the beneficial owner of a Claim or Interest that is in their name or control is a person or entity with whom it is illegal for a U.S. Person to transact under (i) the Office of Foreign Assets Control sanctions regulations, or (ii) the list of Specially Designated Nationals and Blocked Persons. Unless Wind Down Co or the Solicitation and Distribution Agent (as applicable) receives original, properly completed copies of each form with an amount of time sufficient, in the Plan Oversight Board's or UCC's sole discretion (as applicable), to process in advance of a scheduled Distribution Date, the holder of an Allowed Claim that would otherwise be entitled to a Distribution shall not receive any Distribution on the applicable Distribution Date.

7.6. *Minimum Cash Distributions*

Wind Down Co and the Solicitation and Distribution Agent (as applicable) shall not be required to make any payment to any holder of an Allowed Claim on any Distribution Date of Cash less than \$100; *provided, however*, that if any Distribution is not made pursuant to this Section 7.6, such Distribution shall be added to any subsequent Distribution to be made on behalf of the holder's Allowed Claim. Wind Down Co and the Solicitation and Distribution Agent (as applicable) shall not be required to make any final Distributions of Cash less than \$50 to any holder of an Allowed Claim. If either (a) all Allowed Claims (other than those whose Distributions are deemed undeliverable hereunder) have been

paid in full, or (b) the amount of any final Distributions to holders of Allowed Claims would be \$50 or less and the aggregate amount of Cash available for Distributions to holders of Allowed General Unsecured Claims is less than \$25,000, then no further Distribution shall be made by Wind Down Co and any surplus Cash shall be donated and distributed to an I.R.C. § 501(c)(3) tax-exempt organization selected by the Plan Oversight Board.

7.7. *Setoffs and Recoupment*

Wind Down Co may, with the express consent of the Reorganized Debtors, but shall not be required to, set off against or recoup any Claim, any claims of any nature whatsoever that the Debtors or Wind Down Co may have against the holder of such Claim; *provided, however*, that neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release by Wind Down Co of any such claim Wind Down Co may have against the holder of such Claim.

7.8. *Distributions After Effective Date*

Distributions made after the Effective Date to holders of Disputed Claims that are not Allowed Claims as of the Effective Date but which later become Allowed Claims shall be deemed to have been made on the Effective Date.

7.9. *Allocation of Distributions Between Principal and Interest*

Except as otherwise provided in this Plan, to the extent that any Allowed Claim entitled to a Distribution under the Plan is comprised of indebtedness and accrued but unpaid interest thereon, such Distribution shall be allocated to the principal amount (as determined for U.S. federal income tax purposes) of the Claim first, and then to accrued but unpaid interest.

7.10. *No Postpetition Interest on Claims*

Postpetition interest shall not accrue or be paid on any General Unsecured Claims and no holder of a Claim shall be entitled to interest accruing on or after the Petition Date, except to the extent permitted under the Plan or the Bankruptcy Code.

7.11. *Claims Paid by Third Parties*

Wind Down Co (at the direction of the Plan Oversight Board) shall reduce in full a Claim, and such Claim shall be Disallowed without a Claims objection having to be filed and without any further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the holder of such Claim receives payment in full on account of such Claim from a party that is not the Debtors, Wind Down Co, or the Solicitation and Distribution Agent. If a holder of a Claim receives a Distribution from Wind Down Co and/or the Solicitation and Distribution Agent on account of such Claim and also receives payment from a third party on account of such Claim, such holder shall, within fourteen (14) days of receipt thereof, repay or return the Distribution to Wind Down Co or the Solicitation and Distribution Agent (as applicable), to the extent the holder's total recovery on account of such Claim from the third party and under the Plan exceeds the total Allowed amount of such Claim as of the date of any such Distribution under the Plan. The failure of such holder to timely repay or return such Distribution shall result in the holder owing Wind Down Co interest on such amount owed for each Business Day after the 14-day grace period specified above until the amount is repaid.

7.12. Claims Payable by Third Parties

No Distributions shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' insurance policies until the holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy. To the extent that one or more of the Debtors' insurers agrees to satisfy in full a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' agreement, such Claim may be expunged to the extent of any agreed upon satisfaction on the Claims Register by the Solicitation and Distribution Agent without a Claims objection having to be filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

7.13. Distribution Order

Any Distributions on account of Claims or Interests that are subject to the Toshiba Distribution Order shall be made in accordance with the terms thereunder; *provided, however*, that to the extent any provision in the Toshiba Distribution Order conflicts with any provision in the Plan or Confirmation Order, the terms of the Plan or Confirmation Order (as applicable) shall govern.

7.14. Withholding Rights

(a) *Withholding Rights.* In connection with the Plan, any party issuing any instrument or making any Distribution described in the Plan shall comply with all applicable withholding and reporting requirements imposed by any federal, state, or local taxing authority, and all Distributions pursuant to the Plan and all related agreements shall be subject to any such withholding or reporting requirements. Notwithstanding the foregoing, each holder of an Allowed Claim or any other Person that receives a Distribution pursuant to the Plan shall have responsibility for any taxes imposed by any Governmental Unit, including, without limitation, income, withholding, and other taxes, on account of such Distribution. Any party issuing any instrument or making any Distribution pursuant to the Plan has the right, but not the obligation, to not make a Distribution until such holder has made arrangements satisfactory to such issuing or disbursing party for payment of any such tax obligations.

(b) *Forms.* Any party entitled to receive any property as an issuance or Distribution under the Plan shall, upon request, deliver to Wind Down Co, or solely with respect to Class 3A General Unsecured Claims, the UCC, or such other Person designated by the Plan Oversight Board or the UCC (as applicable) (which entity shall subsequently deliver to the applicable party) any applicable tax forms, as described in Section 7.5. If such request is made by the Plan Oversight Board, UCC, or such other Person designated by the Plan Oversight Board or UCC and the holder fails to comply before the date that is 150 days after the request is made, the amount of such Distribution shall irrevocably revert to Wind Down Co or the Segregated Account (as applicable) and any Claim in respect of such Distribution shall be discharged and forever barred from assertion against any Debtor and its respective property. In the event the Plan Oversight Board determines that a holder has failed to comply with the Plan Oversight Board's initial request for a Form W-8 or Form W-9, the Plan Oversight Board shall file a notice on the Court's docket listing the name of such holder and provide not less than 30 days' notice for such holder to comply with the Plan Oversight Board's request.

7.15. Distributions on Account of DIP Claims

Notwithstanding anything to the contrary contained herein, the foregoing provisions of this Section 7 (including Sections 7.2 and 7.10) shall not apply to the DIP Claims, and the Distributions on account of the DIP Claims, including the manner and timing thereof, shall be solely governed by Section 2.4 and the terms of the DIP Credit Agreement.

SECTION 8. PROCEDURES FOR DISPUTED CLAIMS

8.1. *Objections to Prepetition Claims*

As of the Effective Date, objections to, and requests for estimation of Claims against the Debtors may only be interposed and prosecuted by Wind Down Co (as directed by the Plan Oversight Board). Such objections and requests for estimation shall be served and filed on or before the Claims Objection Bar Date.

8.2. *Allowance of Claims*

After the Effective Date, Wind Down Co shall have and shall retain any rights and defenses that the Debtors had with respect to any Claim against a Debtor, except with respect to any Assumed Liability and any Claim deemed Allowed under this Plan. Except as expressly provided in this Plan or in any order entered in the Chapter 11 Cases prior to the Effective Date (including, without limitation, the Confirmation Order), no Claim shall become an Allowed Claim unless and until such Claim is deemed Allowed under this Plan or the Bankruptcy Code or the Bankruptcy Court has entered a Final Order, including, without limitation, the Confirmation Order, in the Chapter 11 Cases allowing such Claim; *provided, however*, that the Additional Consent Claims shall not be Allowed absent reasonable consent of the PSA Parties.

8.3. *Estimation of Claims*

Wind Down Co may at any time, at the direction of the Plan Oversight Board, request that the Bankruptcy Court estimate any contingent, unliquidated, or Disputed Claim pursuant to section 502(c) of the Bankruptcy Code regardless of whether any party in interest previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection. In the event that the Bankruptcy Court estimates any contingent, unliquidated, or Disputed Claim, the amount so estimated shall constitute either the Allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on the amount of such Claim, Wind Down Co may pursue supplementary proceedings to object to the allowance of such Claim. All of the aforementioned objection, estimation and resolution procedures are intended to be cumulative and not exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn, or resolved by any mechanism approved by the Bankruptcy Court.

8.4. *No Distributions Pending Allowance*

No payment or Distribution provided under the Plan (including from the Segregated Funds) shall be made on account of a Disputed Claim unless and until such Disputed Claim becomes an Allowed Claim.

8.5. *Resolution of Claims*

Except as otherwise provided herein (including the release provisions hereof) or in the Plan Funding Agreement, Confirmation Order, or in any contract, instrument, release, or other agreement or document entered into in connection with this Plan, in accordance with section 1123(b) of the Bankruptcy Code and the Claims Procedures Orders, on and after the Effective Date, Wind Down Co, under the direction of the Plan Oversight Board, may enforce, sue on, settle, or compromise (or decline to do any of the foregoing) all Claims, Disputed Claims, rights, Causes of Action, suits and proceedings, whether in law or in equity, whether known or unknown, that Wind Down Co may hold against any Person, and any contract, instrument, release, indenture, or other agreement entered into in connection

herewith; *provided, however*, that the Additional Consent Claims shall not be Allowed absent reasonable consent of the PSA Parties. Wind Down Co may pursue any retained Claims, rights, Causes of Action, suits or proceedings, as appropriate, in accordance with the Plan and the Plan Funding Agreement.

8.6. *Segregated Account*

(a) *Segregated Account.* As Disputed Class 3A General Unsecured Claims are resolved pursuant to this Section 8, the UCC may direct the Solicitation and Distribution Agent to make Distributions of Segregated Funds out of the Segregated Account on account of such Disputed Claims as if such Disputed Claims were Allowed Claims as of the Effective Date. Such Distributions shall be made on the first Distribution Date that is at least forty-five (45) days after the date on which a Disputed Claim becomes an Allowed Claim, or on an earlier date selected by the UCC in the UCC's sole discretion. In the event the holders of Allowed Class 3A General Unsecured Claims have not received payment in full on account of their Claims after the resolution of all Disputed Class 3A General Unsecured Claims, then the UCC shall direct the Solicitation and Distribution Agent to make a final Distribution to all holders of Allowed Class 3A General Unsecured Claims in an amount equal to such holders' Pro Rata share of any remaining Segregated Funds. In the event that holders of Allowed Class 3A General Unsecured Claims have received payment in full on account of such Claims, the remaining funds in the Segregated Account shall be disbursed in accordance with Section 5.3(e) and 5.6 hereof. For the avoidance of doubt, in the event any such Disputed Claim is Disallowed, the holder of such Disputed Claim shall not receive any proceeds from the Segregated Account, and the Segregated Funds reserved for such Disputed Claim shall revert to the Segregated Account until the Final Class 3A Distribution Date.

(b) *Treatment of Segregated Account as a "Disputed Ownership Fund" for U.S. Federal Income Tax Purposes.* All parties (including the Debtors, holders of Claims, the UCC and, at the direction of the UCC, the Solicitation and Distribution Agent) will (i) treat the Segregated Account as a "disputed ownership fund" governed by Section 1.468B-9 of the Treasury Regulations, and (ii) to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes. All taxes imposed on the assets or income of the Segregated Account shall be payable out of the assets of the Segregated Account. The UCC or its designee shall be responsible for complying with all tax payment and tax filing obligations of the Segregated Account.

8.7. *Retained Amounts*

Wind Down Co, at the direction of the Plan Oversight Board, shall withhold and retain from Distribution (a) an amount sufficient to pay holders of Disputed Claims (other than Disputed Class 3A General Unsecured Claims) the amount such holders would be entitled to receive under the Plan if such Claims were to become Allowed Claims, (b) such lesser amount as estimated by the Bankruptcy Court, or (c) such lesser amount as agreed to between Wind Down Co and the holders thereof. For the avoidance of doubt, (i) all Class 3B General Unsecured Claims shall be Allowed on the Effective Date and thus there shall be no disputed claims reserve for Class 3B General Unsecured Claims, and (ii) the amounts retained for Class 3A General Unsecured Claims shall be funded solely from Segregated Funds in the Segregated Account. As Disputed Claims are resolved pursuant to Section 8 hereof, the Plan Oversight Board shall direct Wind Down Co, or solely with respect to Allowed Class 3A General Unsecured Claims, the UCC shall direct the Solicitation and Distribution Agent, to make Distributions on account of such Disputed Claims as if such Disputed Claims were Allowed Claims as of the Effective Date. Such Distributions shall be made on the first Distribution Date that is at least forty-five (45) days after the date on which a Disputed Claim becomes an Allowed Claim, or on an earlier date selected by the Plan Oversight Board in the Plan Oversight Board's sole discretion.

8.8. *Late Filed Claims*

Except as otherwise provided herein or as agreed to by the Debtors or Plan Oversight Board, any Proof of Claim filed after the Bar Date with respect to such Claim shall be deemed Disallowed and expunged as of the Effective Date without any further notice to or action, order, or approval of the Bankruptcy Court, and holders of such Claims may not receive any Distributions on account of such Claims, unless such late Proof of Claim has been deemed timely filed by a Final Order.

8.9. *Amendments to Claims*

A Claim may not be filed, amended, or supplemented without the prior written authorization of the Bankruptcy Court or the Plan Oversight Board, and any such new, amended, or supplemented Claim filed shall be deemed Disallowed in full and expunged without any further notice to or action, order, or approval of the Bankruptcy Court to the maximum extent provided by applicable law.

SECTION 9. EXECUTORY CONTRACTS AND UNEXPIRED LEASES

9.1. *Assumption, Assignment, and Rejection of Executory Contracts and Unexpired Leases*

On the Effective Date, except as otherwise provided in the Plan, each Executory Contract and Unexpired Lease not previously rejected, assumed, or assumed and assigned by the Debtors during the Chapter 11 Cases shall be deemed automatically rejected pursuant to sections 365 and 1123 of the Bankruptcy Code, unless such Executory Contract or Unexpired Lease: (a) is listed on the Schedules of Executory Contracts, (b) as of the Effective Date is subject to a pending motion to assume or assume and assign such Unexpired Lease or Executory Contract, or (c) is a contract, instrument, release, or other agreement or document entered into in connection with the Plan, including, for the avoidance of doubt, the Plan Funding Agreement.

9.2. *Cure of Defaults for Assumed Executory Contracts and Unexpired Leases*

Any Cure Obligation due under each Executory Contract and Unexpired Lease to be assumed pursuant to the Plan shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment in Cash on the Effective Date, subject to the limitation described below, by the Debtors or Wind Down Co (as applicable), or on such other terms as the parties to such Executory Contracts or Unexpired Leases may otherwise agree.

In the event of a dispute regarding (a) the amount of the Cure Obligation, (b) the ability of Wind Down Co or any other applicable assignee to provide “adequate assurance of future performance” (within the meaning of section 365 of the Bankruptcy Code) under the Executory Contract or Unexpired Lease, or (c) any other matter pertaining to assumption or assumption and assignment (as applicable), the obligations of section 365 of the Bankruptcy Code shall be deemed satisfied following the entry of a Final Order or orders resolving the dispute and approving the assumption or assumption and assignment (as applicable); *provided, however*, that the Debtors or Wind Down Co (as applicable) may settle any dispute regarding the amount of any Cure Obligation without any further notice to any party or any action, order, or approval of the Bankruptcy Court, subject to the obligations of the Debtors and Wind Down Co (as applicable) under the Plan Funding Agreement.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan, or otherwise, shall result in the full release and satisfaction of any Claims or defaults, subject to satisfaction of the Cure Obligations, whether monetary or nonmonetary, including defaults of provisions restricting

the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time before the Effective Date of assumption and/or assignment. **Any prepetition default amount set forth in the Schedules and/or any Proofs of Claim filed with respect to an Executory Contract or Unexpired Lease that has been assumed and assigned shall be deemed Disallowed and expunged, without further notice to or action, order, or approval of the Bankruptcy Court or any other Entity.**

The Plan Investor and the Reorganized Debtors shall have no liability to any counterparty to any Executory Contract or Unexpired Lease, except for Assumed Liabilities, and all such counterparties shall be enjoined from asserting any such liability (except for an Assumed Liability) against Plan Investor or the Reorganized Debtors.

For the avoidance of doubt, any settlement or payment made on account of a Cure Obligation shall not be made out of the Segregated Account or otherwise reduce the amount of the Segregated Funds available to holders of Class 3A General Unsecured Claims (other than Cash Pool Claims which shall participate in the Cash Pool Settlement).

9.3. *Claims Based on Rejection of Executory Contracts and Unexpired Leases*

Unless otherwise provided by an order of the Bankruptcy Court, any Proofs of Claim based on the rejection of the Debtors' Executory Contracts or Unexpired Leases pursuant to the Plan or otherwise, must be filed with Bankruptcy Court and served on Wind Down Co no later than thirty (30) days after the later of the Effective Date or the effective date of rejection of such Executory Contract or Unexpired Lease.

Each holder of a Claim arising from the rejection of an Executory Contract or Unexpired Lease for which Proofs of Claims were not timely filed as set forth in the paragraph above shall not (a) be treated as a creditor with respect to such Claim, or (b) participate in any Distribution in the Chapter 11 Cases on account of such Claim, and any Claims arising from the rejection of an Executory Contract or Unexpired Lease not filed with the Bankruptcy Court within such time will be automatically Disallowed, forever barred from assertion, and shall not be enforceable against the Debtors, the Reorganized Debtors, the Plan Oversight Board, Wind Down Co, the Estates, or the property for any of the foregoing without the need for any objection or further notice to, or action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully compromised, settled, and released, notwithstanding anything in the Schedules or a Proof of Claim to the contrary. All Allowed Claims arising from the rejection of the Debtors' prepetition Executory Contracts or prepetition Unexpired Leases shall be classified as Class 3A General Unsecured Claims, except as otherwise provided by order of the Bankruptcy Court.

9.4. *Plan Funding Agreement*

The Debtors' assumption, assignment, or rejection of any Executory Contract or Unexpired Lease pursuant to the Plan shall be subject in all respects to the Plan Investor's rights and obligations under the Plan Funding Agreement, including (a) any obligations of Wind Down Co to pay Cure Obligations with respect to Executory Contracts and Unexpired Leases assumed by the Reorganized Debtors in accordance with the Plan Funding Agreement, and (b) any rights of the Plan Investor to require the Debtors to add or remove an Executory Contract or Unexpired Lease from the applicable Schedule of Executory Contracts prior to the Confirmation Hearing.

9.5. *Modifications, Amendments, Supplements, Restatements, or Other Agreements*

Unless otherwise provided in the Plan, each assumed Executory Contract or Unexpired Lease shall include all modifications, amendments, supplements, restatements, or other agreements that in any manner affect such Executory Contract or Unexpired Lease, and all Executory Contracts and Unexpired Leases related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests, unless any of the foregoing agreements has been previously rejected or repudiated or is rejected or repudiated under the Plan.

Unless otherwise provided in an order entered by the Bankruptcy Court, modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtors during the Chapter 11 Cases shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease, or the validity, priority, or amount of any Claims that may arise in connection therewith.

9.6. *Survival of Indemnification Obligations*

To the fullest extent permitted by applicable law, and as set forth in Section 7.02 of the Plan Funding Agreement, any outstanding obligations of the Debtors pursuant to their corporate charters, by-laws, limited liability company agreements, memorandum and articles of association, or other organizational documents and agreements to indemnify current and former officers, directors, agents, or employees with respect to all present and future actions, suits, and proceedings against the Debtors or such officers, directors, agents, or employees based upon any act or omission for or on behalf of the Debtors shall not be discharged, impaired, or otherwise affected by the Plan. All such obligations shall be deemed and treated as executory contracts to be assumed by the Debtors under the Plan unless such obligation was rejected by the Debtors pursuant to a Bankruptcy Court order, or is the subject of a motion to reject pending on the Effective Date. For the avoidance of doubt, any settlement or payment made on account of a Cure Obligation shall not be made out of the Segregated Account or otherwise reduce the amount of the Segregated Funds available to holders of Class 3A General Unsecured Claims (other than Cash Pool Claims which shall participate in the Cash Pool Settlement).

9.7. *Reservation of Rights*

Neither the exclusion nor inclusion of any contract or lease in the Schedules of Executory Contracts, Plan Supplement, or Plan Funding Agreement, nor anything contained in the Plan, shall constitute an admission by the Debtors that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that the Estates have any liability thereunder. In the event of a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors, the Reorganized Debtors, Wind Down Co, or the Plan Oversight Board, as applicable, shall have sixty (60) days following entry of a Final Order resolving such dispute to alter the treatment of such contract or lease as otherwise provided in the Plan.

11.10. *Waiver of Statutory Limitation on Releases*

EACH RELEASING PARTY IN EACH OF THE RELEASES CONTAINED IN THE PLAN (INCLUDING UNDER THIS SECTION 11 OF THE PLAN) EXPRESSLY ACKNOWLEDGES THAT ALTHOUGH ORDINARILY A GENERAL RELEASE MAY NOT EXTEND TO CLAIMS WHICH THE RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR, WHICH IF KNOWN BY IT MAY HAVE MATERIALLY AFFECTED ITS SETTLEMENT WITH THE PARTY RELEASED, IT HAS CAREFULLY CONSIDERED AND TAKEN INTO ACCOUNT IN DETERMINING TO ENTER INTO THE ABOVE RELEASES THE POSSIBLE EXISTENCE OF SUCH UNKNOWN LOSSES OR CLAIMS. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, EACH RELEASING PARTY EXPRESSLY WAIVES ANY AND ALL RIGHTS CONFERRED UPON IT BY ANY STATUTE OR RULE OF LAW WHICH PROVIDES THAT A RELEASE DOES NOT

EXTEND TO CLAIMS WHICH THE CLAIMANT DOES NOT KNOW OR SUSPECT TO EXIST IN ITS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY IT MAY HAVE MATERIALLY AFFECTED ITS SETTLEMENT WITH THE RELEASED PARTY, INCLUDING THE PROVISIONS OF CALIFORNIA CIVIL CODE SECTION 1542. THE RELEASES CONTAINED IN SECTION 11 OF THE PLAN ARE EFFECTIVE REGARDLESS OF WHETHER THOSE RELEASED MATTERS ARE PRESENTLY KNOWN, UNKNOWN, SUSPECTED OR UNSUSPECTED, FORESEEN OR UNFORESEEN.

In addition, after the Confirmation Date, the Debtors may institute proceedings in the Bankruptcy Court to remedy any defect or omission or reconcile any inconsistencies in the Plan or the Confirmation Order, with respect to such matters as may be necessary to carry out the purposes and effects of the Plan.

(b) *Other Amendments.* Before the Effective Date, the Debtors may make appropriate technical adjustments and modifications to the Plan and the documents contained in the Plan Supplement without further order or approval of the Bankruptcy Court, subject to the proviso contained in Section 12.1(a) herein and the rights of the PSA Parties set forth in the Plan Support Agreement.

SECTION 14. MISCELLANEOUS PROVISIONS

14.1. *Immediate Binding Effect*

Notwithstanding Bankruptcy Rules 3020(e), 6004(h), or 7062 or otherwise, upon the occurrence of the Effective Date, the terms of the Plan and Plan Supplement shall be immediately effective and enforceable and deemed binding upon and inure to the benefit of the Debtors, the PSA Parties, the holders of Claims and Interests, the Released Parties, the Exculpated Parties, and each of their respective successors and assigns, including, without limitation, the Reorganized Debtors, Wind Down Co, and the Plan Oversight Board.

14.2. *Severability of Plan Provisions upon Confirmation*

If, before the entry of the Confirmation Order, any term or provision of the Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court, at the request of the Debtors, shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration or interpretation, the remainder of the terms and provisions of the Plan will remain in full force and effect and will in no way be affected, impaired or invalidated by such holding, alteration or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is (a) valid and enforceable pursuant to its terms; (b) integral to the Plan and may not be deleted or modified without the consent of the Debtors or the Plan Oversight Board (as the case may be); and (c) non-severable and mutually dependent.

14.3. *Expedited Tax Determination*

The Reorganized Debtors may request an expedited determination of taxes of the Debtors under section 505(b) of the Bankruptcy Code for all tax returns filed for, or on behalf of, the Debtors for all taxable periods through the Effective Date. In addition, Wind Down Co may request an expedited determination of taxes of Wind Down Co, including any reserve for Disputed Claims, or as to the Debtors, under section 505(b) of the Bankruptcy Code for all tax returns filed for, or on behalf of, Wind Down Co, for all taxable periods through the dissolution of Wind Down Co, or for or on behalf of the Debtors for all taxable periods through the Effective Date.

14.4. *Exemption from Securities Laws*

The (a) issuance and sale of all of the equity Interests in Reorganized U.S. HoldCo pursuant to the Plan Funding Agreement and Section 5.2 of the Plan, and (b) the issuance of and Distribution of interests of Wind Down Co pursuant to Section 4.3(b)(ii) of the Plan and are being made in reliance on the exemption from registration set forth in section 4(a)(2) of the Securities Act and Regulation D thereunder.

14.5. *Solicitation of Votes on the Plan*

As of and subject to the occurrence of the Confirmation Date the Debtors shall be deemed to have solicited acceptances of the Plan in good faith and in compliance with the applicable provisions of the Bankruptcy Code, including without limitation, sections 1125(a) and (e) of the Bankruptcy Code, and any applicable non-bankruptcy law, rule or regulation governing the adequacy of disclosure in connection with such solicitation.

14.6. ***Payment of Statutory Fees***

On the Effective Date and thereafter as may be required, Wind Down Co shall pay all fees incurred pursuant to § 1930 of title 28 of the United States Code, together with interest, if any, pursuant to § 3717 of title 31 of the United States Code for each Debtor's case; *provided, however*, that after the Effective Date such fees shall only be payable until such time as a final decree is entered closing a Debtor's Chapter 11 Case, a Final Order converting such case to a case under chapter 7 of the Bankruptcy Code is entered or a Final Order dismissing the Chapter 11 Case is entered. For the avoidance of doubt, such fees shall not be paid from the Segregated Account.

14.7. ***Governing Law***

Except to the extent that the Bankruptcy Code or other federal law is applicable, or to the extent an exhibit hereto or a schedule in the Plan Supplement provides otherwise, the rights, duties and obligations arising under the Plan shall be governed by, and construed and enforced in accordance with, the laws of the State of New York, without giving effect to the principles of conflict of laws thereof.

14.8. ***Additional Documents***

On or before the Effective Date, the Debtors may file with the Bankruptcy Court such agreements and other documents as may be necessary or appropriate to effectuate and further evidence the terms and conditions of the Plan. The Debtors and all holders of Claims or Interests receiving Distributions pursuant to the Plan and all other parties in interest shall, prepare, execute, and deliver any agreements or documents and take any other actions as may be necessary or advisable to effectuate the provisions and intent of the Plan.

14.9. ***Successor and Assigns***

The rights, benefits and obligations of any Person named or referred to in the Plan shall be binding on, and shall inure to the benefit of any heir, executor, administrator, successor or permitted assign, if any, of each Entity.

14.10. ***Entire Agreement***

On the Effective Date, the Plan, the Plan Supplement, the Plan Funding Agreement, and the Confirmation Order shall supersede all previous and contemporaneous negotiations, promises, covenants, agreements, understandings and representations on such subjects, all of which have become merged and integrated into the Plan; *provided, however*, that the Plan Support Agreement shall not be so superseded solely to the extent such agreements contain covenants or other obligations are incorporated into the Plan and apply to the period after the Effective Date.

14.11. ***Notices***

This PLAN FUNDING AGREEMENT, dated as of January 12, 2018 (the “**Agreement Date**”) and effective as of January 4, 2018, is made by and between TSB Nuclear Energy Services Inc. (“**TNESI**”), Toshiba Nuclear Energy Holdings (UK) Limited (“**TNEH UK**” and, together with TNESI, the “**Companies**” and, each, a “**Company**”), and Brookfield WEC Holdings LLC, a Delaware limited liability company (“**Plan Investor**” and, together with Companies, the “**Parties**”).

PRELIMINARY STATEMENTS

A. Companies and Plan Investor desire to undertake the transactions contemplated by this Agreement.

B. On March 29, 2017, Debtors commenced jointly administered proceedings, under *In re Westinghouse Electric Company LLC, et al.*, Case No. 17-10751 (MEW) (the “**Bankruptcy Cases**”) under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101 *et seq.* (the “**Bankruptcy Code**”), in the United States Bankruptcy Court for the Southern District of New York (the “**Bankruptcy Court**”).

C. Companies own, directly or indirectly, the equity interests of (i) the Persons set forth on Schedule A-I (each of the Subsidiaries, including the Controlled JVs listed thereon, a “**Company Subsidiary**” and collectively with TNESI, the “**Company Group Members**” and each a “**Company Group Member**”) as and to the extent set forth beside such Company’s name on Schedule A-I and (ii) the Persons set forth on Schedule A-II (each a “**Non-Controlled JV**”), the Non-Controlled JVs collectively with the Company Group Members, the “**Acquired Companies**” and each an “**Acquired Company**”.

D. TNEH UK owns all of the issued and outstanding equity interests (the “**WECHOL Shares**”) in Westinghouse Electric UK Holdings Limited, an English limited company (“**WECHOL**”), and Plan Investor desires to acquire from TNEH UK, and TNEH UK desires to sell to Plan Investor, the WECHOL Shares.

E. To implement the restructuring and related transactions described in this Agreement, Plan Investor desires to provide funding for the Plan in the Bankruptcy Cases in exchange for acquiring, as provided in the Plan, (i) newly issued equity interests in TNESI upon emergence from the Bankruptcy Cases (such interests, constituting one-hundred percent (100%) of the issued and outstanding equity of the Reorganized Company, the “**Reorganized Company Interests**”) and (ii) the WECHOL Shares from TNEH UK, and TNESI and TNEH UK, desire to sell to Plan Investor the Reorganized Company Interests and the WECHOL Shares, respectively, upon the terms and subject to the conditions set forth herein.

F. Immediately prior to the Closing, Wind Down Co (defined below) will execute and deliver to Companies and Plan Investor a Joinder Agreement in substantially the form attached hereto as Exhibit B to join as a Party to this Agreement and a joinder in the form attached to the Escrow Agreement to join as a party to the Escrow Agreement.

NOW, THEREFORE, in consideration of the foregoing and the representations, warranties, covenants and agreements set forth in this Agreement, and for other good and

valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound, agree as follows:

ARTICLE I

DEFINITIONS

Section 1.01. Certain Defined Terms. Capitalized terms used in this Agreement have the meanings specified in Exhibit A or the Plan, as applicable.

ARTICLE II

EQUITY ISSUANCE AND SALE; CLOSING

Section 2.01. Issuance and Sale of Equity.

(a) On the terms and subject to the conditions set forth in this Agreement, at the Closing, TNESE shall issue, sell, convey, assign, transfer and deliver to Plan Investor (or one or more Affiliates designated by Plan Investor prior to the Closing), and Plan Investor (or such Affiliates) shall purchase, acquire and accept from TNESE, the Reorganized Company Interest, free and clear of all Liens (other than Liens arising under applicable securities Laws).

(b) On the terms and subject to the conditions set forth in this Agreement, at the Closing, TNEH UK shall sell, convey, assign, transfer and deliver to Plan Investor (or one or more Affiliates designated by Plan Investor prior to the Closing), and Plan Investor (or such Affiliates) shall purchase, acquire and accept from TNEH UK, the WECHOL Shares, free and clear of all Liens (other than Liens arising under applicable securities Laws).

(c) The transactions contemplated by Sections 2.01(a) and 2.01(b) will result in the transfer, indirectly through the acquisition of the Reorganized Company and of WECHOL, of each Acquired Company (or the Controlled JV Interests and Non-Controlled JV Interests thereof).

(d) From the Agreement Date until the fourteenth (14th) day after the Agreement Date, Plan Investor may, by written notice (the “**Alternative Structure Notice**”) to Companies, propose modifications to the acquisition structure pursuant to which Plan Investor shall acquire TNESE, WECHOL and the other Company Group Members, and/or their respective assets and liabilities pursuant to a plan of reorganization (an “**Alternative Acquisition Structure**”) to achieve certain efficiencies not currently available to Plan Investor pursuant to the existing Transactions. The Alternative Structure Notice shall set forth in reasonable detail Plan Investor’s proposed changes to the acquisition structure contemplated by this Agreement and such other information as may be reasonably necessary for Companies to evaluate such Alternative Acquisition Structure. If the Alternative Acquisition Structure is acceptable to Companies, acting reasonably, Plan Investor and Companies shall cooperate with each other and negotiate promptly, earnestly and in good faith such amendments or modifications to this Agreement as may be reasonably necessary to give effect to the Alternative Acquisition Structure and use commercially reasonable efforts to reach agreement on reasonable terms of any such amendments or modifications; provided, that in no event shall any such modification or

amendment reduce the Purchase Price or the Assumed Liabilities or increase the Excluded Liabilities or have any effect on the scope of the assets of the Business acquired, directly or indirectly, by Plan Investor.

(e) Notwithstanding anything to the contrary in this Agreement, if (i) the confirmation of the Plan is denied on or before March 31, 2018 or (ii) at any time following the Agreement Date, the Parties mutually agree that confirmation of the Plan is unlikely to occur (each event described in the foregoing clauses (i) or (ii), a “**Conversion Event**”; and the date upon which either of the events described in the foregoing clauses (i) or (ii) first occurs, the “**Conversion Date**”), then the Transactions shall thereupon automatically convert to a sale (the “**363 Sale**”) of all or substantially all of the assets of the Debtors pursuant to Section 363 of the Bankruptcy Code pursuant to the terms of a Stock and Asset Purchase Agreement, containing the terms set forth in Exhibit D and otherwise prepared and negotiated in accordance with the immediately succeeding sentence (it being understood that such Stock and Asset Purchase Agreement contains terms providing that its effectiveness is conditioned upon the Conversion Date having first occurred). Following the Agreement Date, the Parties shall promptly prepare and negotiate promptly, earnestly and in good faith to enter into (or cause their appropriate Affiliates to enter into) a stock and asset purchase agreement (a “**Definitive SAPA**”) with respect to the 363 Sale reflecting the terms of this Agreement as modified by the terms set forth in Exhibit D and including such other terms as are customary, appropriate and reasonable in connection therewith. The Parties expressly acknowledge and agree that the terms set forth in this Agreement as modified by the terms set forth in Exhibit D constitute all of the material terms of the 363 Sale. Notwithstanding the fact that this Agreement refers to the possibility of the execution and delivery of a Definitive SAPA, the Parties expressly acknowledge and agree that unless and until a Definitive SAPA is entered into the terms of this Agreement, as modified by the terms set forth in Exhibit D, shall be binding and enforceable by the Parties hereto with respect to the 363 Sale and, if the Conversion Date occurs and a Definitive SAPA has not been entered into on or before such date, the Parties (or their appropriate Affiliates) shall consummate the closing of the 363 Sale on the basis of this Agreement (and the terms embodied herein), as modified by the terms set forth in Exhibit D.

Section 2.02. Excluded Assets, Assumed Liabilities and Excluded Liabilities.

(a) Excluded Assets. The assets of Debtors set forth on Schedule 2.02(a) (the “**Excluded Assets**”) will be transferred to Wind Down Co in accordance with the Plan immediately prior to Closing.

(b) Assumed Liabilities; Excluded Liabilities. Notwithstanding anything to the contrary herein, only the Liabilities designated on Schedule 2.02(b) as the “**Assumed Liabilities**” shall be assumed by the Reorganized Debtors, as applicable, and Plan Investor shall acquire the Reorganized Company Interests provided that only such Assumed Liabilities have been assumed by the Reorganized Debtors as of the Closing. The Plan and the Confirmation Order shall provide that none of the Reorganized Debtors shall assume, be liable or otherwise responsible for any Actions against or Liabilities of Debtors that are not Assumed Liabilities, including, for the avoidance of doubt, any rejection damages arising from the rejection of any Executory Contract (collectively, the “**Excluded Liabilities**”), and no Reorganized Debtor shall be liable for, or be deemed to assume, any Excluded Liabilities. As provided in the Plan,

immediately prior to the Closing, Wind Down Co shall assume all of the Excluded Liabilities, and Wind Down Co shall be solely responsible for their discharge from and after the Closing.

Section 2.03. Closing. The closing of the sale and purchase of the Reorganized Company Interests and the WECHOL Shares (the “**Closing**”) shall take place at the offices of Weil, Gotshal & Manges LLP, 767 Fifth Avenue, New York, New York 10153, at 9:00 a.m. (New York City time) on the third (3rd) Business Day following the date upon which all Closing Conditions are satisfied or waived in writing (to the extent permitted by applicable Law) in accordance with Article XI (other than those Closing Conditions that by their nature can only be satisfied at the Closing, but subject to the satisfaction or waiver of those Closing Conditions at such time), or on such other date or at such other time or place as the Parties may agree in writing. Notwithstanding the foregoing, if the Marketing Period has not ended on the date upon which all Closing Conditions are satisfied or waived in writing (to the extent permitted by applicable Law) in accordance with Article XI (other than those Closing Conditions that by their nature can only be satisfied at the Closing, but subject to the satisfaction or waiver of those Closing Conditions at such time), then the Closing will occur on the earlier of (a) any Business Day during the Marketing Period specified by Plan Investor to Companies on no less than three (3) Business Days’ prior written notice and (b) the third (3rd) Business Day following the final day of the Marketing Period (subject, in the case of each of the foregoing clauses (a) and (b), to the full satisfaction or due waiver of all of the Closing Conditions at such time (other than those Closing Conditions that by their nature can only be satisfied at the Closing, but subject to the satisfaction or waiver of those Closing Conditions at such time)). The date on which the Closing occurs is referred to in this Agreement as the “**Closing Date**”. For all purposes under this Agreement and each other Transaction Agreement, (i) except as otherwise provided in this Agreement or such other Transaction Agreements, all matters at the Closing will be considered to take place simultaneously and (ii) the Closing shall be deemed effective as of the Effective Time.

Section 2.04. Designated Contracts; Cure Costs.

(a) Closing and Payment of Cure Costs. Pursuant to Section 365 of the Bankruptcy Code, this Agreement and the applicable Cure Costs & Designation Orders, Reorganized Debtors shall, effective upon the Closing, assume the Designated Contracts and reject or assume and assign to Wind Down Co (at their sole discretion) the Excluded Contracts (in each case, to the extent not previously assumed or rejected). Any Cure Costs, as set forth in a Cure Costs & Designation Order, with respect to the Designated Contracts will be paid by (i) if prior to Closing, by Companies and (ii) if following the Closing, by Wind Down Co, and none of Plan Investor or, following the Closing, any Company Group Member shall have any liability therefore.

(b) Original Contract Schedule. Schedule 2.04(b) (the “**Original Contract Schedule**”) sets forth all Executory Contracts to which any Debtor is a party or beneficiary or by which any Business Assets held by any Debtor are currently bound (the “**Original Contracts**”).

(c) Cure Notice. No later than February 22, 2018 (the “**Cure Notice Deadline**”), the Debtors shall file with the Bankruptcy Court, and serve, written notice, in form and substance reasonably satisfactory to Plan Investor and to Debtors, to the non-debtor

counterparty to each Original Contract that Plan Investor may elect to have the relevant Debtors assume such Original Contract at the Closing (the “**Cure Notice**”). Cure Notices will identify an Original Contract by (i) the name and date of the Original Contract, (ii) the non-debtor counterparty to the Original Contract and its address, (iii) the proposed amount of the Cure Costs associated with such Original Contract and (iv) the deadline for such non-debtor counterparty to object to the proposed amount of the Cure Costs.

(d) Undisclosed Contracts. If, at any time prior to the Closing Date, any Party becomes aware that any Debtor is a party to any Executory Contract that is not listed on the Original Contract Schedule (each, an “**Undisclosed Contract**”), within five (5) Business Days of such discovery, the discovering Party will notify the other Parties of such Undisclosed Contract and such Undisclosed Contract will be deemed an “Original Contract” hereunder. If an Undisclosed Contract is discovered after the Cure Notice Deadline, within five (5) Business Days after discovery, Debtors will file with the Bankruptcy Court, and serve, a Cure Notice, in form and substance reasonably satisfactory to Plan Investor and Debtors, to the non-debtor counterparty to the Undisclosed Contract, and use commercially reasonable efforts to have any objections to such supplemental Cure Notice heard at the Confirmation Hearing (or as soon as practicable thereafter).

(e) Designation by Plan Investor. On or prior to the date that is five (5) Business Days prior to the Confirmation Hearing (the “**Designation Deadline**”), Plan Investor may elect, after reasonable consultation with Debtors, the Original Contracts it wishes to have Debtors assume on the Closing Date (the “**Designated Contracts**”) by providing written designation. Any Original Contract not designated by Plan Investor in writing as a Designated Contract on or before the Designation Deadline shall be deemed an Excluded Contract. Notwithstanding anything to the contrary herein, from time to time prior to the Designation Deadline, Plan Investor may elect, after reasonable consultation with Debtors, to have any Designated Contract designated (or re-designated) as an Excluded Contract or any Excluded Contract designated (or re-designated) as a Designated Contract by providing notice in writing thereof to Debtors. If any Original Contract is designated (or re-designated) as a Designated Contract or an Excluded Contract, Companies agree to make any appropriate additions, deletions or other changes to any applicable schedule (including Schedule 2.02(a)) to reflect such addition or exclusion. Promptly on or before the Closing Date, Debtors (or Reorganized Debtors) will file with the Bankruptcy Court, and serve, a written notice, in form and substance reasonably satisfactory to Plan Investor and Debtors, to each non-debtor counterparty indicating whether such non-debtor counterparty’s Original Contract will be assumed, rejected or assumed and assigned to Wind Down Co at the Closing. Notwithstanding the foregoing, an Original Contract shall not be a Designated Contract hereunder and shall not be assigned to, or assumed by, Debtors if such Original Contract (i) is rejected under Section 365 of the Bankruptcy Code prior to the Closing pursuant to Section 2.04(h), (ii) is not a Cure Cost Contract and is designated for rejection by Companies prior to the Designation Deadline in accordance with Section 2.04(h) or (iii) is validly terminated by the other party thereto or terminates or expires in accordance with its own terms on or prior to the Designation Deadline and is not continued or otherwise extended prior to or upon assumption.

(f) Resolution of Cure Disputes. If any objections are filed by, or received from, any non-debtor counterparty in response to a Cure Notice, Debtors (or Wind Down Co, as

the case may be) will use commercially reasonable efforts to resolve any disputes with the non-debtor counterparty. If such dispute relates to a Contract (i) that has a term of at least two (2) years and (ii) the Cure Costs payable in respect of which exceeds \$2 million (any such Contract, a “**Cure Cost Contract**”), Debtors (or Wind Down Co, as the case may be) will consult with Plan Investor in connection with any discussions, negotiations, prosecution or litigation, or resolution relating to the final determination of the Cure Costs and any final determination or resolution of such Cure Costs shall be subject to the prior approval of Plan Investor (which approval shall not be unreasonably withheld, conditioned or delayed).

In furtherance of the foregoing, Companies shall also permit Plan Investor and its Representatives to have reasonable access to the work papers and other books and records of the Company Group Members used in the preparation of the Estimated Closing Statement for purposes of assisting Plan Investor and its Representatives in their review of the Estimated Closing Statement.

Section 3.06. Proposed Final Closing Statement and Final Closing Statement.

(a) Within sixty (60) days after the Closing Date, Plan Investor shall provide to Wind Down Co a written statement (the “**Proposed Final Closing Statement**”) setting forth

(i) the Proposed Final Acquired Company Cash, (ii) the Proposed Final Acquired Company Debt, (iii) the Proposed Final Working Capital and (iv) the Proposed Final Solvency Tax Adjustment, and describing in reasonable detail any proposed changes to the Estimated Closing Statement and attaching supporting schedules, working papers and all other relevant details to enable a review thereof by Wind Down Co. If Plan Investor fails to timely deliver the Proposed Final Closing Statement, the Estimated Closing Statement shall become conclusive and binding upon the Parties as the Final Closing Statement.

(b) Wind Down Co shall have sixty (60) days (the “**Review Period**”) from the date upon which Plan Investor delivered its Proposed Final Closing Statement to review the same. During the Review Period and Wind Down Co and its Representatives shall be permitted upon reasonable notice, and execution of a confidentiality agreement in customary form, to review Plan Investor’s work papers, all books and records of the Reorganized Company Group Members (and, to the extent in Companies’ possession or control, the Non-Controlled JVs) used in the preparation or useful in the review of the Proposed Final Closing Statement, and the work papers of Plan Investor’s accountants and Plan Investor’s accountants’ review of the Proposed Final Closing Statement in accordance with Plan Investor’s accountants’ normal disclosure procedures and conditioned upon the execution of a customary agreement relating to such access to work papers in form and substance reasonably acceptable to such accountants with respect to the reliance of Wind Down Co thereon, and Plan Investor shall promptly, and in any event within such time frame as reasonably required by Wind Down Co, make available the individuals in its and the Company Group Members’ employ as well as Representatives of its independent accountants responsible for and knowledgeable about the information used in, and the preparation of the Proposed Final Closing Statement, to respond to the reasonable inquiries of, or requests for information by, Wind Down Co or its Representatives. Plan Investor agrees that, following the Closing through the date that the Final Closing Statement becomes conclusive and binding upon Plan Investor and Wind Down Co in accordance with this Article III, it will not (and Plan Investor will cause the Company Group Members not to) take any actions with respect to any books, records, policies or procedures on which the Proposed Final Closing Statement is based or on which the Final Closing Statement is to be based that would reasonably be expected to impede or delay the determination of the amount of the Final Acquired Company Cash, the Final Acquired Company Debt, the Final Working Capital, the Final Solvency Tax Adjustment or the preparation of the Dispute Notice (defined below) or the Final Closing Statement in the manner and utilizing the methods required by this Agreement.

(c) If Wind Down Co disputes any item set forth in the Proposed Final Closing Statement, Wind Down Co shall, during the Review Period, deliver written notice to Plan Investor of the same, specifying in reasonable detail the basis for such dispute and Wind Down Co’s proposed modifications to the Proposed Final Closing Statement (such notice, the “**Dispute Notice**”). Upon the expiration of the Review Period, any matters that are not subject to a timely delivered Dispute Notice shall be deemed to have been agreed to and shall be conclusive and binding upon Plan Investor and Wind Down Co. During the thirty (30)-day period immediately following Wind Down Co’s delivery of a Dispute Notice (the “**Resolution Period**”), Plan Investor and Wind Down Co shall negotiate in good faith to reach an agreement as to any matters identified in such Dispute Notice as being in dispute, and, to the extent such matters are so resolved within the Resolution Period, then the Proposed Final Closing Statement as revised to incorporate such changes as have been agreed between Plan Investor and Wind

Down Co shall be conclusive and binding upon all Plan Investor and Wind Down Co as the Final Closing Statement.

(d) If (a) (i) the amounts proposed by Plan Investor in the Proposed Final Closing Statement would, if finally determined in accordance with Plan Investor's proposal, result in a Post-Closing Adjustment the absolute value of which is greater than the Post-Closing Adjustment Threshold or (ii) Wind Down Co submits a Dispute Notice and the absolute value of the amount of the Post-Closing Adjustment that would result if Wind Down Co's position with respect to all amounts in dispute were finally determined in favor of Wind Down Co would be greater than the Post-Closing Adjustment Amount, and (b) Plan Investor and Wind Down Co fail to resolve all such matters in dispute within the Resolution Period (any matters identified in a Dispute Notice that remain in dispute following the expiration of the Resolution Period (the "**Remaining Disputed Items**")), then the Remaining Disputed Items shall be finally and conclusively determined by Grant Thornton LLP, or if Grant Thornton LLP is unable or unwilling to serve in such capacity, BDO US LLP (and if both Grant Thornton LLP and BDO US LLP are unable or unwilling to serve in such capacity, such other independent accounting firm as shall be agreed upon in writing by Wind Down Co and Plan Investor) (the "**Independent Accounting Firm**"); provided, however, that if the Remaining Disputed Items involve a dispute regarding the calculation of the Solvency Tax Cost, and the Independent Accounting Firm determines that it is unable or unwilling to determine such dispute, then the Parties will work together in good faith to select an appropriate independent tax, valuation or similar firm (the "**Solvency Tax Firm**") to resolve such dispute to the extent it relates to the calculation of the Solvency Tax Cost. In the event that the Parties engage a Solvency Tax Firm to resolve disputes with respect to any Solvency Tax Cost, then all references to "Independent Accounting Firm" in this Section 3.06 shall also refer to the Solvency Firm, as applicable.

(e) Wind Down Co and Plan Investor shall instruct the Independent Accounting Firm to promptly, but no later than forty (40) days after its acceptance of its appointment, determine (it being understood that in making such determination, the Independent Accounting Firm shall be functioning as an expert and not as an arbitrator), based solely on written presentations of Plan Investor, on the one hand, and Wind Down Co, on the other hand, submitted to the Independent Accounting Firm and not by independent review, only those matters remaining in dispute and submitted to the Independent Accounting Firm, and will render a written report setting forth its determination as to such disputed matters and the resulting calculations of the Final Acquired Company Cash, the Final Acquired Company Debt, the Final Working Capital, the Final Working Capital Increase (if any), the Final Working Capital Decrease (if any), the Final Solvency Tax Adjustment and the Post-Closing Adjustment (if any), which report and calculations will be conclusive and binding upon all Parties absent manifest mathematical error. A copy of all materials submitted to the Independent Accounting Firm pursuant to the immediately preceding sentence shall be provided by Wind Down Co or Plan Investor, as applicable, to the other Party concurrently with the submission thereof to the Independent Accounting Firm. In resolving any disputed item, the Independent Accounting Firm (i) shall be bound by the provisions of this Section 3.06(e) and Section 3.08 and (ii) may not assign a value to any item greater than the greatest value for such item claimed by Plan Investor or Wind Down Co, or less than the smallest value for such item claimed by Plan Investor or Wind Down Co, as applicable. If, before the Independent Accounting Firm renders its determination with respect to the disputed items in accordance with this Section 3.06(e), (x)

Wind Down Co notifies Plan Investor of its agreement with any items in the Proposed Final Closing Statement or (y) Plan Investor notifies Wind Down Co of its agreement with any items in the Estimated Closing Statement, then in each case such items as so agreed will be conclusive and binding on Plan Investor and Wind Down Co immediately upon such notice and will not be subject to review by the Independent Accounting Firm.

(f) The fees and expenses of the Independent Accounting Firm shall be borne by either Wind Down Co or Plan Investor, based on the extent to which such Party's aggregate position with respect to the disputed amounts differs from the aggregate position with respect to the same determined by the Independent Accounting Firm pursuant to Section 3.06(e) relative to the difference of the other Party's aggregate position with respect to the disputed amounts from the aggregate position with respect to the same determined by the Independent Accounting Firm pursuant to Section 3.06(e). For example, if the position of Wind Down Co is eighty (80), the position of the Independent Accounting Firm is forty (40), and the position of Plan Investor is thirty (30), then the fees and expenses of the Independent Accounting Firm shall be borne eighty percent (80%) by Wind Down Co and twenty percent (20%) by Plan Investor.

Section 3.07. Post-Closing Adjustment.

(a) If the Post-Closing Adjustment is a positive number greater than the Post-Closing Adjustment Threshold, Plan Investor shall pay an amount equal to the Post-Closing Adjustment to Wind Down Co. If the Post-Closing Adjustment is a negative number, the absolute value of which is greater than the Post-Closing Adjustment Threshold, Wind Down Co and Plan Investor shall, subject to Section 3.07(b) below, cause the Escrow Agent to release to Plan Investor an amount equal to the absolute value of the Post-Closing Adjustment from the Purchase Price Escrow Funds.

(b) To the extent the Purchase Price Escrow Funds are insufficient to make the full payment due to Plan Investor under this Section 3.07, Wind Down Co shall pay to Plan Investor prior to the date which is five (5) Business Days after the date on which the Final Closing Statement becomes conclusive and binding on Plan Investor and Wind Down Co in accordance with the provisions of Section 3.06 (the "**Post-Closing Adjustment Payment Deadline**"), the amount of the Post-Closing Adjustment exceeding the Purchase Price Escrow Funds.

(c) Any payment due under this Section 3.07 shall be paid on or prior to the Post-Closing Adjustment Payment Deadline, by wire transfer of immediately available funds to Wind Down Co's account or Plan Investor's account, as applicable.

(d) Any payment due under this Section 3.07 that is not paid on or prior to the Post-Closing Adjustment Payment Deadline shall bear interest at the Interest Rate. All computations of interest shall be made in accordance with Section 13.19.

(e) To the extent there remains a balance in the Purchase Price Escrow Funds after the payments described above in this Section 3.07 have been made in full, such balance shall, in accordance with the Escrow Agreement, promptly be paid over to Wind Down Co's account as designated in the applicable schedule to the Escrow Agreement.

Section 3.08. Certain Calculation Principles. Each Closing Statement shall be (a) in a format substantially similar to the Closing Statement in the form attached in Schedule 3.08 hereto; (b) prepared and determined from the books and records of the Business and in accordance with the Transaction Accounting Principles; and (c) consistent with the provisions of this Agreement relating to the Parties' and Wind Down Co's respective rights and obligations for the payment or reimbursement of costs and expenses.

Section 3.09. Purchase Price Allocation. The Parties shall use commercially reasonable efforts to determine the allocation of the Purchase Price between the Companies.

Section 3.10. Withholding. Plan Investor shall be entitled to deduct and withhold from any cash consideration payable or otherwise deliverable pursuant to this Agreement to Wind Down Co any amounts as may be required to be deducted or withheld therefrom under the Code, or under any provision of state, local or foreign Tax Law, Plan Investor shall provide Companies (and, if formed, Wind Down Co) with notice of any withholding at least ten (10) Business Days prior to the Closing Date, and shall work in good faith with Companies (and, if formed, Wind Down Co) to minimize any such withheld amounts. To the extent such amounts are so deducted or withheld and timely paid over to the proper Government Authority in accordance with applicable Law, the amount of such consideration shall be treated for all purposes under this Agreement as having been paid to the Person to whom such consideration would otherwise have been paid.

Section 3.11. [REDACTED] Holdback.

(d) The fees and expenses of the [REDACTED] shall be borne by Companies and paid prior to Closing.

The Parties shall consult with each other as to the appropriate time of filing such NRC applications and shall agree in good faith upon the timing of such NRC applications.

(c) Without limiting the generality of Plan Investor's undertaking pursuant to Section 6.04(a), Companies and Plan Investor agree to make an appropriate filing of a Notification and Report Form pursuant to the Hart-Scott-Rodino Antitrust Improvements Act of 1976 with respect to the Transactions contemplated hereby within fifteen (15) Business Days of the Agreement Date, and to make, or cause to be made, any filings that, in the reasonable judgment of Plan Investor, are required or advisable to make under any other Antitrust Laws with respect to the Transactions contemplated hereby within thirty (30) Business Days of the Agreement Date (it being understood that, in relation to Schedule 4.06(2) (European Commission filing), the obligation under this Section 6.04(c) shall be satisfied upon filing of the first draft of Form CO).

(d) With respect to review and clearance by CFIUS, pursuant to Section 721 of the DPA, Plan Investor and Companies shall: (i) promptly prepare and file a draft Joint Voluntary Notice for review by the CFIUS staff, not later than twenty (20) Business Days after the Agreement Date, promptly provide CFIUS with any additional or supplemental information requested by CFIUS on such draft Joint Voluntary Notice, and promptly submit the formal Joint Voluntary Notice after resolution of all questions or comments received from CFIUS staff or confirmation that CFIUS has no further comment on the draft Joint Voluntary Notice; and (ii) promptly respond (and in any event respond no later than as required by CFIUS) to any request for additional information, documents or other materials received after filing of the formal Joint Voluntary Notice. Plan Investor and Companies shall, in connection with the CFIUS review, (A) cooperate in all respects and consult with each other in connection with the preparation and consideration of the CFIUS Joint Voluntary Notice, including by allowing each such other Party to have an opportunity to review in advance and comment on drafts of filings and submissions; (B) promptly inform each such other Party of any communication received by such Party from, or given by such Party to, CFIUS, by promptly providing true, correct and complete copies to the other of any such written communications, except for any exhibits to such communications providing the personal identifying information required by 31 C.F.R. § 800.402(c)(6)(vi) or that otherwise is requested by CFIUS to remain confidential from each such other Party; and (C) permit each such other Party to review in advance any communication that it gives to, and consult with each other in advance of any meeting, substantive phone call or conference with CFIUS, and to the extent not prohibited by CFIUS, give each such other Party the opportunity to attend and participate in any in-person meetings with CFIUS, in each of clauses (A), (B) and (C) of this Section 6.04(d), subject to confidentiality considerations contemplated by Section 721 of the DPA or required by CFIUS. Each of Plan Investor and Companies shall respond to any request for information from CFIUS in the timeframe set forth in the CFIUS regulations, 31 C.F.R. Part 800; provided, however, that either Party, after consultation with each such other Party, may request in good faith an extension of time pursuant to 31 C.F.R. § 800.403(a)(3) to respond to CFIUS requests for follow-up information, provided that under no circumstance may

a Party request any extension that causes CFIUS to reject the Joint Voluntary Notice filed by the Parties or modifies the time for completion of the CFIUS review or investigation.

(e) Notwithstanding anything herein to the contrary, Plan Investor shall use reasonable best efforts to overcome any objections or national security concerns raised by CFIUS and to receive the CFIUS Clearance so as to enable Closing, including providing such reasonable assurances as may be requested or imposed by CFIUS, including entering into a mitigation agreement, a letter of assurances, a national security agreement or other similar arrangement or agreement (in each case, reasonably acceptable to Plan Investor) in relation to the business and assets of the Acquired Companies.

(f) Without limiting the generality of Plan Investor's undertaking pursuant to Section 6.04(a), but subject to the terms hereof, Plan Investor shall use reasonable best efforts to avoid or eliminate each and every impediment under any antitrust, competition or trade regulation Law that may be asserted by any antitrust or competition or any other Government Authority or any other party so as to enable the Parties hereto to promptly close the Transactions contemplated hereby and by the other Transaction Agreements, including using reasonable best efforts to avoid the entry of, and the commencement of litigation seeking the entry of, or to effect the dissolution of, any injunction, temporary restraining order or other order in any suit or proceeding, which would otherwise have the effect of materially delaying or preventing the consummation of the Transactions contemplated hereby and by the other Transaction Agreements. In addition, Plan Investor shall defend through litigation on the merits any Action by any party in order to avoid entry of, or to have vacated or terminated, any Order (whether temporary, preliminary or permanent) that would prevent the Closing prior to the Outside Date. Notwithstanding anything herein to the contrary, Plan Investor shall not be required to (and not be required to cause any of its Affiliates to) propose, negotiate, commit to or effect, by consent decree, hold separate orders or otherwise, the sale, divestiture, disposition or restrictions on the operation of its assets, properties or businesses or of the assets, properties or businesses to be acquired by it pursuant hereto.

(g) Each Party shall promptly notify the other Parties of any oral or written communication it or any of its Representatives receives from any Government Authority relating to the matters that are the subject of this Section 6.04, permit the other Parties and their respective Representatives to review in advance any communication relating to the matters that are the subject of this Section 6.04 proposed to be made by such Party to any Government Authority and provide the other Parties with copies of all substantive correspondence, filings or other communications between them or any of their Representatives, on the one hand, and any Government Authority or members of its staff, on the other hand, relating to the matters that are the subject of this Section 6.04, provided, however, that materials proposed to be submitted in response to any such Government Authority communication may be redacted (i) to remove references concerning the valuation of the Business; (ii) as necessary to comply with contractual arrangements, applicable Law or by order of the Bankruptcy Court; and (iii) as necessary to address reasonable attorney-client or other privilege or confidentiality concerns. No Party shall agree to participate in any meeting or discussion with any Government Authority in respect of any such filings, investigation or other inquiry unless it consults with the other Parties in advance and, to the extent permitted by such Government Authority, gives the other Parties the opportunity to attend and participate at such meeting. Subject to the Confidentiality Agreement,

the Parties will coordinate and cooperate fully with each other in exchanging such information and providing such assistance as the other Parties may reasonably request in connection with the foregoing and in seeking early termination of any applicable waiting periods. The Parties shall share the right to control and direct the process by which the Parties hereto seek to avoid or eliminate impediments under any antitrust, competition, trade regulation or foreign investment regulation Law (which shall include any review by CFIUS), including by directing the strategy and making final determinations related to the review or investigation of the Transactions contemplated by this Agreement and the other Transaction Agreements by any Government Authority and attending all meetings, discussions, and communications with any Government Authority except to the extent that such Government Authority may request to communicate exclusively with one Party.

(h) Plan Investor shall not, and shall not permit any of its Affiliates to, take any action (including acquiring or agreeing to acquire by merging or consolidating with, or by purchasing a substantial portion of the assets of or equity in, or by any other manner, any Person or portion thereof, or otherwise acquiring or agreeing to acquire any assets) that would reasonably be expected to have the effect of (i) materially delaying, impairing or impeding the receipt of, or increasing the risk of not receiving, any required Government Approval or the issuance, reissuance or transfer of any Permit or Environmental Permit, (ii) materially delaying, impairing or impeding the expiration or termination of any applicable waiting period with respect to a Government Approval (and shall not, without the consent of Companies, withdraw or refile any filing or restart the waiting period on any Government Authority's review, or enter into a timing agreement with a Government Authority), (iii) materially increasing the risk of any Government Authority entering an Order prohibiting the consummation of the Transactions or (iv) otherwise materially delaying the consummation of the Transactions.

(i) Notwithstanding anything in this Agreement to the contrary (including Section 6.01), Plan Investor acknowledges on behalf of itself and its Affiliates and its and their Representatives, successors and assigns that the operation of the Business shall remain in the dominion and Control of Companies until the Closing and that none of Plan Investor, any of its Affiliates or their respective successors or assigns will provide, directly or indirectly, any directions, orders, advice, aid, assistance or information to any director, officer or Covered Employee, except as specifically contemplated or permitted by this Article VI or as otherwise consented to in writing in advance by Companies.

(j) During the Pre-Closing Period, Plan Investor shall reasonably cooperate with and support the Regulated Entities in all required respects (including by providing all required information), to enable the Regulated Entities to comply with their Nuclear Obligations at all times, including to:

(i) continue their engagement with any applicable Relevant Authority as and when required in connection with the Transactions contemplated by this Agreement or any other Transaction Agreement;

(ii) conduct any internal review process and assessment in respect of any change in ownership, control, management, governance, resources or any other relevant

change of the Regulated Entity resulting from the Transactions contemplated by this Agreement or any other Transaction Agreement; and/or

(iii) seek any approval or positive response from any applicable Relevant Authority in respect of the Transactions contemplated by this Agreement or any other Transaction Agreement.

(k) During the Pre-Closing Period, Plan Investor shall (and shall cause its Affiliates to) use reasonable best efforts to assist the Regulated Entities in obtaining all required approvals or consents from the applicable Relevant Authorities in respect of the Transactions contemplated by this Agreement or any other Transaction Agreement.

Section 6.05. Third Party Consents. Each Party agrees to cooperate to obtain any other consents and approvals from any third person other than a Government Authority that may be required in connection with the Transactions (the “**Third Party Consents**”). Notwithstanding anything in this Agreement to the contrary, neither Companies nor any of their respective Affiliates shall (a) be required to compensate any third party, commence or participate in any Action or offer or grant any accommodation (financial or otherwise, including any accommodation or arrangement to remain primarily, secondarily or contingently liable for any Assumed Liability) to any third party to obtain any such Third Party Consent or (b) take any action described in clause (a), preceding, without first obtaining Plan Investor’s written consent. (b) Plan Investor shall not permit any assignment of any Commitment Letter, or any amendment or modification to be made to, or any waiver of any provision or remedy under, any Commitment Letter, in each case to the extent such amendment, modification or written waiver would adversely impact the conditionality, availability or aggregate amount of the Financing, in each case, without obtaining Companies' prior written consent (it being understood that the Company's prior written consent is required for any such amendment, modification or waiver that (i) reduces the aggregate amount of the Financing (other than in the case of any reduction of the Debt Financing as a result of the receipt by the Plan Investor of an equivalent amount of cash proceeds of any alternate debt financing, the proceeds of which are maintained in escrow and subject to release conditions that are not more onerous, taken as a whole, than the conditions set forth in the Debt Commitment Letter), (ii) imposes new or additional conditions, or otherwise expands any of the conditions, to the receipt of any Financing or (iii) effects any other amendment, modification or waiver that would reasonably be expected to delay or prevent the Closing or make the funding of the Financing less likely to occur); it being agreed that nothing herein shall, in the case of the Debt Commitment Letters, prohibit (1) any assignment of the Debt Commitment Letters by Plan Investor to a newly formed entity that is under common control with the Plan Investor and assumes the obligations of the Plan Investor hereunder after the date hereof in accordance with the terms of the Debt Commitment Letters or (2) any amendment or modification to (x) add additional arrangers, bookrunners, managers, agents, lenders or other financing sources thereto and grant customary rights in connection therewith or (y) reduce the principal amount of the Debt Financing as a result of the receipt by the Plan Investor of an equivalent amount of cash proceeds of any alternate debt financing, the proceeds of which are maintained in escrow and subject to release conditions that are not more onerous, taken as a whole, than the conditions set forth in the Debt Commitment Letter. In addition to the foregoing, Plan Investor shall not release or consent to the termination of any Debt Commitment Letter or of any lender in accordance with the terms of any Debt Commitment Letter prior to the first to occur of Closing and the expiration of such Debt Commitment Letter in accordance with its terms, except (i) for replacements of any Debt Commitment Letter with alternative financing in accordance with Section 6.07(e), (ii) assignments of commitments thereunder to additional or replacement arrangers, bookrunners, managers, agents, lenders or other financing sources that will become parties thereto in accordance with the terms thereof, (iii) reductions in the principal amount of the Debt Financing as a result of the receipt by the Plan Investor of an equivalent amount of cash proceeds of any alternate debt financing, the proceeds of which are maintained in escrow and subject to release conditions that are not more onerous, taken as a whole, than the

conditions set forth in the Debt Commitment Letter or (iv) with Companies' prior written consent.

(c) Plan Investor shall take all actions and do all things necessary, proper or advisable to obtain the Equity Financing, including by (i) maintaining in effect the Equity Commitment Letter, (ii) using reasonable best efforts to ensure the accuracy of all representations and warranties of Plan Investor, if any, set forth in the Equity Commitment Letter, (iii) complying with its obligations under the Equity Commitment Letter, (iv) satisfying on a timely basis all conditions applicable to Plan Investor in the Equity Commitment Letter that are within its control, (v) enforcing its rights under the Equity Commitment Letter and (vi) consummating the Equity Financing at or prior to the Closing, including by causing the Equity Investors to fund the Equity Financing at the Closing.

(d) Plan Investor shall use its reasonable best efforts to arrange the Debt Financing and obtain the financing contemplated thereby as promptly as practicable on terms and conditions (subject to clause (iii) below) described in each Debt Commitment Letter (after giving effect to the exercise of any "market flex" provisions set forth therein), including using its reasonable best efforts to (i) maintain in effect each Debt Commitment Letter, (ii) comply with its obligations under each Debt Commitment Letter, (iii) negotiate, execute and deliver definitive agreements with respect to each Debt Commitment Letter on terms and conditions (x) in the case of any provisions relating to the conditionality or amount of the Debt Financing, no less favorable in any respect and (y) in the case of any other provisions, not materially less favorable than those described in each Debt Commitment Letter (after giving effect to the exercise of any "market flex" provisions set forth therein), in each case, on a timely basis (taking into account the expected timing of the Marketing Period), (iv) satisfy on a timely basis (taking into account the expected timing of the Marketing Period) all conditions and obligations to be satisfied by Plan Investor or its Affiliates in each Debt Commitment Letter and such definitive agreements that are within its or its Affiliates' control, (v) enforce its rights under each Debt Commitment Letter and such definitive agreements and (vi) consummate the Debt Financing at the Closing (which, for the avoidance of doubt, shall include agreeing to consummate the Debt Financing even if any flex rights are exercised to their maximum extent). (e) If any portion of the Debt Financing becomes unavailable on the terms (including any flex rights) and conditions contemplated in the Debt Commitment Letters due to a breach by the Debt Financing Sources, or otherwise, Plan Investor shall use reasonable best efforts to obtain, as promptly as practicable following the occurrence of such event, (i) alternative financing for any such portion from alternative sources and (ii) one or more new Debt Commitment Letters and new definitive agreements with respect to such alternative financing. Plan Investor shall promptly provide Companies with a copy of any new Debt Commitment Letters and any fee letter in connection therewith. If any new Debt Commitment Letters are obtained, (i) any reference in this Agreement to the "Commitment Letters" or "Debt Commitment Letters" shall be deemed to include such new Debt Commitment Letters to the extent still then in effect (together with any accompanying fee letter), (ii) any reference in this Agreement to the "Financing" or the "Debt Financing" shall mean the Debt Financing

contemplated by the Debt Commitment Letters as modified pursuant to the foregoing and (iii) any reference in this Agreement to the “Debt Financing Sources” shall be deemed to include the lender parties to such new Debt Commitment Letters to the extent still then in effect.

(f) Plan Investor shall (i) keep Companies informed on a reasonably current basis in reasonable detail of all material activity concerning the Financing (including the status of its efforts to obtain the Financing or any alternative financing pursuant to Section 6.07(e)) and (ii) promptly provide Companies with copies of all executed amendments, modifications or replacements of any Debt Commitment Letter (it being understood that any amendments, modifications or replacements shall only be as permitted herein) or definitive agreements related to the Financing, and such other information and documentation available to Plan Investor as shall be reasonably requested by Companies for purposes of monitoring the progress of the financing activities. Without limiting the generality of the foregoing, Plan Investor shall promptly notify Companies (A) of any breach (or threatened breach) or default (or any event or circumstance that could reasonably be expected to give rise to any breach or default) by any party to the Commitment Letters or definitive agreements related to the Financing of which Plan Investor becomes aware, (B) of the receipt by Plan Investor of any written notice or communication from any Equity Investor or Debt Financing Source with respect to any breach (or threatened breach) or default (or any event or circumstance that could reasonably be expected to give rise to any breach or default), or any termination or repudiation, in each case by any party to a Commitment Letter or any definitive agreements related to the Financing of any provisions of any Commitment Letter or such definitive agreements and (C) if for any reason Plan Investor at any time believes it will not be able to obtain all or any portion of the Financing on the terms, in the manner or from the sources contemplated by the Commitment Letters or any definitive agreements related to the Financing.

(g) For the avoidance of doubt, if the Financing (including any alternative financing pursuant to Section 6.07(e)) has not been obtained, Plan Investor shall continue to be obligated to consummate the Transactions on the terms contemplated by this Agreement and subject only to the satisfaction or waiver of the Closing Conditions set forth in Section 11.02 and to Plan Investor’s rights under Section 12.01, regardless of whether Plan Investor has complied with all of its other obligations under this Agreement (including its obligations under this Section 6.07).

(h) During the Pre-Closing Period, Plan Investor may request that Companies assist Plan Investor in Plan Investor’s preparation of “carve-out” financial statements with respect to the Business. Companies may, in their sole and exclusive discretion, determine whether or not to provide such assistance. Any such preparation of such financial statements (and any assistance so provided by Companies) shall be at the sole cost and expense of Plan Investor. In no event shall the preparation of such financial statements interfere in any way with Companies’ preparation of Companies’ audited financial statements for the fiscal year ending March 31, 2018.

Section 6.08. Cooperation. During the Pre-Closing Period, (a) each of Companies, on the one hand, and Plan Investor, on the other hand, shall, and Companies shall cause their respective Affiliates to, (i) refrain from taking any actions that would reasonably be expected to materially impair, delay or impede the Closing and (ii) without limiting the

foregoing, use reasonable best efforts to cause all Closing Conditions of the other Parties to be met as promptly as practicable and in any event on or before the Outside Date and (b) each Party shall keep the other Parties reasonably apprised of the status of the matters relating to the completion of the Transactions, including with respect to the negotiations relating to the satisfaction of the Closing Conditions of the other Parties.

Section 6.09. Solvency Steps Planning.

(a) On or prior to the Closing Date, Companies shall, or shall cause the Company Group Members to, take all reasonable steps necessary to render the Subsidiaries of TNEH UK (the “**EMEA Subsidiaries**”) Solvent as of the Closing Date pursuant to the Solvency Steps Plan. In furtherance of the foregoing:

(i) as soon as practicable after the Agreement Date, Companies shall, and shall cause its Subsidiaries to, engage in solvency planning to determine the requisite steps and transactions necessary to render the EMEA Subsidiaries Solvent as of the Closing Date (the “**Solvency Objectives**”). Prior to the delivery of the Solvency Steps Plan by Companies, Plan Investor and Companies shall cooperate in all respects and consult with each other in connection with the preparation and consideration of such steps and transactions and in connection therewith, Companies shall deliver reasonably promptly to Plan Investor a draft of the Solvency Steps Plan for Plan Investor’s reasonable review and comment prior to the delivery required to be made pursuant to Section 6.09(a)(ii);

(ii) no later than ninety (90) days after the Agreement Date, Companies shall propose to Plan Investor a solvency steps plan to achieve the Solvency Objectives (as may be updated from time to time in accordance herewith, the “**Solvency Steps Plan**”). Such Solvency Steps Plan shall set forth the proposed transactions that the Companies will effectuate to implement the Solvency Objectives, the proposed sequence and timing of such transactions, and the aggregate amount of cash to be required used by, or contributed to, the EMEA Subsidiaries to achieve the Solvency Objective (the “**Solvency Cash**”); and

(iii) Plan Investor shall have the right to provide Companies with reasonable comments to the Solvency Steps Plan, and Companies shall review and take into account any such comments in good faith (and, as appropriate based on such good faith review, shall deliver an updated Solvency Steps Plan to Plan Investor promptly and in any event prior to the Closing, if appropriate); provided, that if, in the reasonable judgment of Plan Investor, the Solvency Steps Plan:

(A) is reasonably likely to or will result in any Solvency Tax Cost, Plan Investor and Companies shall reasonably cooperate during the Pre-Closing Period to minimize any such potential negative impact and the Solvency Steps Plan shall be updated to reflect any such changes reasonably agreed by Plan Investor and Companies; or

(B) is reasonably likely to or will result in any negative impact on the Business other than a Solvency Tax Cost following Companies’ receipt of notice thereof, the Solvency Steps Plan shall be subject to Plan Investor’s reasonable consent.

(b) Notwithstanding the foregoing, to the extent the Solvency Steps Plan results in a Solvency Tax Cost, such amount shall be borne fifty percent (50%) by Companies (or Wind Down Co, as applicable) and fifty percent (50%) by Plan Investor by adjusting the Base Purchase Price for fifty percent (50%) of the Solvency Tax Cost (the “**Solvency Tax Adjustment**”) as provided in Article III. Accordingly, if the Final Solvency Tax Adjustment is a positive amount, the Solvency Tax Adjustment will increase the Base Purchase Price pursuant to Section 3.01. Conversely, if the Final Solvency Tax Adjustment is a negative amount the Solvency Tax Adjustment will decrease the Base Purchase Price pursuant to Section 3.01 (by “adding” a negative amount).

(c) Subject to Section 6.09(a)(iii), to the extent that the Solvency Steps Plan contemplates certain reasonable actions or transactions to be taken or consummated by Plan Investor or by the Company Group Members on the Closing Date to facilitate Companies achieving the Solvency Objectives (including, among other things, the contribution of any portion of the Closing Payment to the EMEA Subsidiaries on the Closing Date) Plan Investor shall, and shall cause the Company Group Members to, use reasonable best efforts to cause such actions and transactions to be taken or consummated, as applicable, on the Closing Date.

Section 6.11. Regulator Cash. Companies shall, and shall cause the Company Group Members to, upon actual receipt of any Returned Regulator Cash, promptly notify Plan Investor in writing of such receipt and deposit and maintain such Returned Regulator Cash in a segregated account of any Company Group Member through and including Closing.

Notwithstanding anything to the contrary herein, Wind Down Co shall have continued access to all books and records related to the Business as is necessary to administer the Bankruptcy Cases and Wind Down Co may retain copies of such books and records, as necessary or appropriate in connection with such purpose.

(b) If so requested by Plan Investor, on the one hand, or Wind Down Co or any of their respective Affiliates, on the other hand, Wind Down Co or one of its Affiliates, or Plan Investor or one of its Affiliates, as the case may be, shall enter into a customary joint defense agreement or common interest agreement with Plan Investor and its Affiliates, or Wind Down Co and its Affiliates, as applicable, with respect to any information to be provided to Wind Down Co or its Affiliates pursuant to Section 7.01(a).

The obligations of Plan Investor under this Section 7.02 shall not be amended, terminated or modified in such a manner as to adversely affect any D&O Indemnified Party (including such Person's successors, heirs and legal representatives) to whom this Section 7.02 applies without the written consent of the affected D&O Indemnified Party (it being expressly agreed that the D&O Indemnified Parties to whom this Section 7.02 applies shall be third-party beneficiaries of this Section 7.02), and this Section 7.02 shall be enforceable by such D&O Indemnified Parties and their respective successors, heirs and legal representatives and shall be binding on all successors and assigns of Plan Investor and each Reorganized Company Group Member.

(c) If Plan Investor or, following the Closing, any Reorganized Company Group Member, or any of their respective successors or assigns, (i) shall consolidate with or merge into any other corporation or entity and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) shall transfer all or substantially all of its properties and assets to any Person, then, and in each such case, proper provisions shall be made so that the successors and assigns of Plan Investor or such Reorganized Company Group Member or any of their respective successors or assigns, as the case may be, shall assume all of the obligations set forth in this Section 7.02(c).

Section 7.04. Further Assurances. From time to time following the Closing, each of Wind Down Co and Plan Investor shall, and Plan Investor shall cause the Company Group Members (and to the extent within the control of Plan Investor after the Closing, the Non-Controlled JVs) to, execute, acknowledge and deliver all reasonable further conveyances, notices, assumptions, releases and acquittances and such instruments, and shall take such reasonable actions as may be necessary or appropriate to make effective the Transactions contemplated hereby as may be reasonably requested by the other Parties (including (i) transferring back to Wind Down Co or its designees each Excluded Asset and any asset or Liability not contemplated by this Agreement to be a Business Asset or an Assumed Liability, respectively, which asset or Liability was transferred to Plan Investor (directly or as an asset of

any Acquired Company) or any Company Group Member any asset or Liability contemplated by this Agreement to be a Business Asset or an Assumed Liability, respectively, which was not transferred to Plan Investor (directly or as an asset of any Acquired Company) at the Closing, as appropriate); provided, however, that except for the Company Group Member's and Non-Controlled JV's obligations to discharge an Assumed Liability and Wind Down Co's obligations to discharge any Excluded Liability, and subject to Section 2.03, nothing in this Section 7.04 shall require any Party or its Affiliates to pay money to (other than costs of delivery and similar logistical expenses), commence or participate in any Action with respect to, or offer or grant any accommodation (financial or otherwise) to, any third party following the Closing.

Section 7.05. Returned Cash. If, at any time following Closing, any amounts held by any of (i) the NDA, in connection with the UK decommissioning obligations and the "locked-box" protocol and/or (ii) Bank Mendes Gans N.V in connection with the Cash Pooling Agreement, dated June 17, 2010, in each case, as of the Closing Date is released or remitted to Plan Investor or any Company Group Member, Plan Investor shall, and shall cause the Company Group Members to, promptly remit the same to Wind Down Co. or its designee, net of any fees or expenses of Plan Investor in connection with any repatriation, or transfer to Wind Down Co, of such amounts.

EMPLOYEE MATTERS

With respect to employee matters, the Parties have made the agreements and covenants set forth in Exhibit C to this Agreement, which is hereby incorporated into this Agreement.

ARTICLE IX

BANKRUPTCY COURT MATTERS

Section 9.01. Break-Up Fee and Expense Reimbursement.

(a) The Break-Up Fee and the Expense Reimbursement as provided herein, in each case, will be entitled to administrative expense status pursuant to Sections 503(b) and 507(a)(2) of the Bankruptcy Code.

(b) Each Party agrees and acknowledges that Plan Investor's due diligence, efforts, negotiation and execution of this Agreement have involved substantial investment of time and have required significant commitment of financial, legal and other resources by the Plan Investor and its Affiliates, and that such due diligence, efforts, negotiation and execution have provided value to Companies and their respective Affiliates. The provision of the Break-Up Fee and Expense Reimbursement is an integral part of this Agreement, without which Plan Investor would not have entered this Agreement.

Section 9.02. Competing Transaction.

(a) From the Agreement Date, Companies will not, and will not permit their respective Affiliates or their Representatives to, directly or indirectly:

(i) initiate contact with, or solicit or encourage submission of any inquiries, proposals or offers by, any person (other than Plan Investor or its affiliates) with respect to a Competing Transaction or otherwise facilitate any effort or attempt to make a proposal or offer with respect to a Competing Transaction, including conducting or supporting any overbid or auction process;

(ii) engage in, continue or otherwise participate in any discussions or negotiations regarding, or provide any non-public information, data, due diligence information, or data room access (electronic or otherwise) to any person relating to, any Competing Transaction;

(iii) enter into or seek to enter into any agreement with respect to, make any filings with the Bankruptcy Court in furtherance of, or negotiate in any respect, a Competing Transaction;

(iv) propose or seek Bankruptcy Court approval of a bidding process with respect to a sale under Section 363 of the Bankruptcy Code; or

(v) publicly propose to do any of the actions prohibited by any of above clauses, other than in connection with a transaction with Plan Investor or its affiliates.

(b) Companies will (and will cause their respective Affiliates to, and will direct and cause Representatives to) cease and terminate all solicitations, discussions and negotiations with any persons with respect to any Competing Transaction, or any inquiry or proposal that could reasonably result in any Competing Transaction.

(c) Notwithstanding the foregoing Section 9.02(a) and Section 9.02(b), the Companies and their respective board of directors (or committees thereof) or officers, may only consider, negotiate or enter into a proposed Competing Transaction if, in the good faith judgment of Companies, their board of directors (or committees thereof), or their respective officers after considering the advice of external counsel, the failure to take such action would be inconsistent with its fiduciary duties under applicable law and the proposal for such Competing Transaction (i) was not received in violation of Section 9.02(a)(i) or Section 9.02(a)(ii) above, (ii) is evidenced by complete definitive documentation, (iii) provides not less than \$200 million of additional distributable value (inclusive of amounts equal to the Break-Up Fee and Expense Reimbursement) over the Transactions, (iv) contains no greater conditionality or contingency to consummation than the Transactions, and (v) taken as a whole, is not less favorable to Companies than the Transaction contemplated in this Agreement; provided, that Companies will provide notice of their entry into a binding definitive agreement for a Competing Transaction within two (2) business days after such entry.

Section 9.03. Notices. Each Company will promptly (and, in any event, within 24 hours) notify and deliver a copy to Plan Investor if, with respect to all or a material portion of such Company, any bona fide written proposal or offer with respect to a Competing Transaction is received by such Company or its Representatives.

Section 9.04. Bankruptcy Court Filings.

(a) Debtors shall use reasonable best efforts to obtain the entry of the Plan Investor Protections Order not later than January 18, 2018. Plan Investor agrees that it will promptly take such actions as are reasonably requested by Debtors to assist in obtaining the Plan Investor Protections Order.

(b) By January 29, 2018, Companies shall file with the Bankruptcy Court the Plan, an accompanying disclosure statement relating to the Plan (the “**Disclosure Statement**”), and a motion (the “**Disclosure Statement and Solicitation Procedures Motion**”) seeking approval of (i) the Disclosure Statement, (ii) balloting and solicitation procedures (“**Solicitation Procedures**”), (iii) procedures for (A) the assumption or rejection of Executory Contracts, (B) the establishment of Cure Costs, and (C) the designation of Executory Contracts for assumption or rejection (the “**Designation Procedures**”), and (iv) authority to sell the Business to the Plan Investor pursuant to a 363 Sale subject to and in accordance with Section 2.01(e), each in form and substance reasonably acceptable to Plan Investor. Debtors shall use reasonable best efforts to obtain entry of the order approving the Disclosure Statement and Solicitation Procedures (the “**Disclosure Statement Order**”) not later than February 27, 2018. Plan Investor agrees that it will promptly take such actions as are reasonably requested by Debtors to assist in obtaining the Disclosure Statement Order.

(c) Debtors shall use reasonable best efforts to obtain the entry of the Confirmation Order by no later than March 31, 2018.

(d) The Debtors will give timely, proper and adequate notice of any and all motions, orders, hearings and other proceedings relating to the Transactions (i) as ordered by the Bankruptcy Court, (ii) to all persons entitled to such notice, including, among others, all persons that have asserted or, to the Companies' Knowledge, may hold claims, liens, liabilities, encumbrances or interests related to Debtors, all taxing authorities that have jurisdiction over the Companies' Business, all Government Authorities in jurisdictions applicable to Debtors, and on all parties to any Executory Contracts of Debtors, in each case only as may be required by the Bankruptcy Rules or applicable Order of the Bankruptcy Court and solely to the extent such noticing information is reasonably available to Debtors, and (iii) as Plan Investor may reasonably request.

(e) All motions, orders, agreements and other documents relating to the Transaction will be in form and substance reasonably acceptable to Plan Investor and the Debtors. Debtors shall provide to Plan Investor a copy of any pleading, proposed order or other document relating to the Transaction that it intends to file with the Bankruptcy Court promptly and to the extent possible, not less than three (3) business days prior to the filing date.

(f) Except as provided in Section 9.02, after entry of the Plan Investor Protections Order, the Disclosure Statement Order, or the Confirmation Order, neither Company will take, and each will ensure that none of their respective Affiliates take, any action which is intended to, or fail to take any action the intent of which failure to act is to, result in the reversal, voiding, vacation, modification in any manner or staying of the Plan Investor Protections Order, the Disclosure Statement Order, or the Confirmation Order.

(g) Debtors shall be responsible for making all appropriate filings of pleadings with the Bankruptcy Court relating to the Transactions, which pleadings shall be submitted to Plan Investor prior to their filing for Plan Investor's prior review and comment and be in form and substance reasonably satisfactory to Plan Investor and to Debtors.

(h) In the event the entry of the Plan Investor Protections Order, the Disclosure Statement Order, the Sale Order or the Confirmation Order is appealed, Companies shall use commercially reasonable efforts to defend, and cause the relevant court to deny, each such appeal.

(i) Companies shall, and shall cause their affiliated debtors and debtors-in-possession, to reasonably consult in good faith with Plan Investor regarding pleadings they or their Affiliates intend to file in connection with, or which might reasonably affect (i) the consummation of the Transactions or (ii) the Bankruptcy Court's approval of the Plan Investor Protections Order, the Disclosure Statement Order, or the Confirmation Order.

ARTICLE X

TAX MATTERS

Section 10.01. Transfer Taxes. Notwithstanding anything to the contrary in this Agreement, to the extent not exempt under the Confirmation Order or Section 1146 of the Bankruptcy Code, (i) where the Reorganized Company is liable under applicable Law to pay any Transfer Tax imposed or arising with respect to the Transactions, the Reorganized Company shall promptly pay and discharge such Transfer Tax, and (ii) where Wind Down Co or TNEH UK are liable under applicable Law to pay any Transfer Tax imposed or arising with respect to the Transactions, the Reorganized Company shall be liable for and shall indemnify, defend and hold harmless Wind Down Co or TNEH UK, as applicable, from and against any such Transfer Taxes (unless such indemnity is prohibited by (or otherwise invalid under) applicable Law in which case the Reorganized Company shall indemnify, defend and hold harmless Wind Down Co or TNEH UK, as applicable, for an amount equal to any such Transfer Taxes). The party required by Law to file a Tax Return with respect to such Transfer Taxes shall, with the cooperation of the other parties, timely prepare and file such Tax Return. If Wind Down Co or TNEH UK file any such Tax Return, the Reorganized Company shall within five (5) days of receipt of evidence of filing reimburse Wind Down Co or TNEH UK, as applicable, for any Transfer Taxes paid by Wind Down Co or TNEH UK in connection with the filing of such Tax Return. The Companies, TNEH UK, Company Group Members and Wind Down Co agree to timely sign and deliver (or to cause to be timely signed and delivered) such certificates or forms as may be necessary or appropriate and otherwise to cooperate to establish any available exemption from (or otherwise reduce) any such Transfer Taxes.

Section 10.02. Tax Cooperation. Without limiting the obligations set forth in Sections 6.02, 7.01 and elsewhere in this Article X, the Parties shall furnish or cause to be furnished to each other, upon request, and as promptly as practicable, such information and assistance relating to TNEH UK, the U.S. Group, the Acquired Companies (with respect to a Non-Controlled JV, to the extent in the custody of such Party and not restricted from disclosure under any agreement) and the Excluded Assets as is reasonably necessary for the filing of Tax

Returns, the determination of the Solvency Tax Cost, the making of any election related to Taxes, and the preparation for, or the prosecution or defense of, any audit, claim, demand, proposed adjustment or deficiency relating to Taxes, and any other matter or proceeding relating to Taxes. The Parties shall cooperate with each other in the conduct of any such audit or other proceeding related to Taxes and all other Tax matters relating to TNEH UK, the Acquired Companies and the Excluded Assets, provided such cooperation shall not unreasonably interfere with the business operation of either Party. Plan Investor agrees that it shall preserve and keep, or cause to be preserved and kept, all original books and records in respect of the Business relating to Taxes in accordance with Section 7.03.

Section 10.03. US Group Tax Filings and Tax Contests.

(a) As reflected in Schedule 2.02(b), the pre-Closing tax liabilities of the U.S. Debtors are not Assumed Liabilities. Nevertheless (subject to Section 10.01), the Plan Investor and/or TNESI (herein jointly referred to as the “**Plan Investor/TNESI**”) shall timely prepare and file, or cause to be prepared and filed, all Tax Returns of the U.S. Group and the U.S. Debtors for taxable periods beginning prior to the Closing Date, including Tax Returns for any taxable period beginning on or before the Closing Date and ending after the Closing Date (a “**Straddle Period**”), and any amended Tax Returns reasonably requested by Wind Down Co. Such Tax Returns shall (in each case, unless otherwise required by Law) be prepared consistent with the assumptions (including elections) in the PFA Transaction Model and with past practice and otherwise be prepared with a view to minimizing the amount of Taxes allocable to Pre-Closing Tax Periods (so long as such minimization does not negatively impact the contemplated tax attributes available to the reorganized U.S. Debtors as per the PFA Transaction Model). At least thirty (30) days prior to the due date for any such Tax Return if such Tax Return relates to income Taxes, and at least twelve (12) days prior to the due date if such Tax Return relates to non-income Taxes, the Plan Investor/TNESI shall provide to Wind Down Co a copy of such Tax Return, and the Plan Investor/TNESI shall incorporate therein any reasonable comments timely provided in writing by Wind Down Co. Wind Down Co and the Plan Investor/TNESI shall undertake in good faith to resolve the issues raised by such comments. If Wind Down Co and the Plan Investor/TNESI are unable to resolve any issue by the earlier of (i) ten (10) days after the date of receipt by Plan Investor/TNESI of Wind Down Co’s request for changes or (ii) ten (10) days prior to the due date (including any extension thereof) for filing of the Tax Return in question, then Wind Down Co and the Plan Investor/TNESI shall jointly engage the Independent Accountant to resolve such dispute, and the decision of such Independent Accountant shall be final. If the Independent Accountant is unable to resolve any such dispute prior to the due date for such Tax Return, such Tax Return shall be timely filed as proposed by Wind Down Co, subject to amendment if necessary to reflect the resolution by the Independent Accountant. Wind Down Co shall pay the Plan Investor or TNESI the amount of any such Taxes attributable to a Pre-Closing Tax Period of a Debtor that are due and payable at least three (3) Business Days before the due date of such filing (or in Wind Down’s discretion and with the Plan Investor/TNESI’s cooperation, shall make timely payment directly to the applicable Government Authority).

(b) In the case of any Straddle Period, the amount of any Taxes imposed on or calculated by reference to income, gain, receipts, capital, sales, use or payment of wages of the U.S. Group or any of the U.S. Debtors for the Pre-Closing Tax Period shall be determined based

on an interim closing of the books as of the close of business on the Closing Date (and for such purpose, the Taxable period of any partnership or other pass-through entity in which the U.S. Group or U.S. Debtor holds a beneficial interest shall be deemed to terminate at such time) and the amount of all other Taxes of the U.S. Group or a U.S. Debtor for a Straddle Period that relate to the Pre-Closing Tax Period shall be deemed to be the amount of such Tax for the entire taxable period (or in the case of such Taxes determined on an arrears basis, the immediately preceding taxable period) multiplied by a fraction the numerator of which is the number of days in the taxable period ending on the Closing Date and the denominator of which is the number of days in such Straddle Period.

(c) If the Plan Investor, the U.S. Group or any of the U.S. Debtors receives notice of a proposed adjustment or deficiency by any Government Authority or an audit or any other administrative or judicial proceeding with respect to Taxes of the U.S. Group or any of the U.S. Debtors by any Government Authority for any Pre-Closing Tax Period or Straddle Period, the Plan Investor/TNESI shall notify Wind Down Co of the receipt of such communication from the Government Authority within ten (10) days of receipt and provide Wind Down Co with copies of all correspondence and other documents received from the Government Authority and, to the extent known, describe in reasonable detail the facts and circumstances with respect to the subject matter thereof. Subject to Section 10.03(d), the Plan Investor/TNESI shall control any audit or other proceeding in respect of any such Taxes for any Pre-Closing Tax Period (a “**Tax Contest**”), in consultation with Wind Down Co; provided, however, that (i) Wind Down Co, at its sole cost and expense, shall have the right to participate in any Tax Contest, (ii) Wind Down Co, at its sole cost and expense, shall have the right to control (including the settlement or resolution thereof and the selection of counsel) such Tax Contest to the extent it relates to a Pre-Closing Tax Period and the Plan Investor/TNESI does not substantially comply with its obligations hereunder with respect to such Tax Contest, (iii) the Plan Investor/TNESI shall not extend, nor permit to be extended, any statute of limitations of the U.S. Group or any U.S. Debtor for any Pre-Closing Tax Period without the consent of Wind Down Co, other than for ordinary course Tax Return filing extensions and, in the case of a Straddle Period, which consent shall not be unreasonably withheld, delayed, or conditioned, and (iv) the Plan Investor/TNESI shall not, and shall cause the reorganized U.S. Debtors not to, settle, resolve, or abandon a Tax Contest (whether or not Wind Down Co participates in or controls such Tax Contest) for a Pre-Closing Tax Period of the U.S. Group or a U.S. Debtor without the prior written permission of Wind Down Co (which, in the case of a Straddle Period, shall not be unreasonably withheld, delayed, or conditioned), and it being agreed that Wind Down Co and the Plan Investor/TNESI shall in good faith work to reach a mutually agreeable solution in the event of a disagreement as to whether to settle, resolve or abandon a Tax Contest. The Plan Investor/TNESI shall defend, or shall cause to be defended, any Tax Contest diligently and in good faith. The Plan Investor/TNESI shall keep Wind Down Co fully informed regarding the status of any Tax Contest. If Wind Down Co elects to participate in a Tax Contest, (A) Wind Down Co shall notify the Plan Investor/TNESI of such intent; and (B) the Plan Investor/TNESI shall promptly take, or cause to be taken, all actions necessary to allow Wind Down Co (and its counsel) to fully participate in such Tax Contest.

(d) If, in accordance with the preceding provision, Wind Down Co elects to control a Tax Contest for a Pre-Closing Tax Period, (i) Wind Down Co shall notify the Plan Investor/TNESI of such intent; (ii) the Plan Investor/TNESI shall promptly complete and

execute, or cause to be completed and executed, as applicable, any powers of attorney or other documents and take other reasonable actions that Wind Down Co requests to allow Wind Down Co to control such Tax Contest; and (iii) while it controls a Tax Contest, Wind Down Co shall (1) keep the Plan Investor/TNESI reasonably informed regarding the status of such Tax Contest; (2) allow the Plan Investor/TNESI, at the Purchaser's sole cost and expense, to participate in such Tax Contest to the extent the Plan Investor could be adversely affected by the outcome of the Tax Contest; and (3) not settle, resolve, or abandon any such Tax Contest if such settlement, resolution, or abandonment would result in the Plan Investor or any of its Affiliates incurring any material Tax without the prior written consent of the Plan Investor or TNESI (which shall not be unreasonably withheld, delayed, or conditioned).

(e) If Wind Down Co does not control or participate in a Tax Contest (whether by election or otherwise) that relates to a Pre-Closing Tax Period or Straddle Period, (i) the Plan Investor/TNESI shall keep Wind Down Co reasonably informed regarding the status of such Tax Contest; and (ii) if requested by Wind Down Co, the Plan Investor/TNESI shall settle (or cause to be settled) the Tax Contest on terms acceptable to the applicable Government Authority and Wind Down Co.

(f) To the extent possible under applicable Law, the Parties shall take such actions as shall be necessary or appropriate to cause the Taxable year of each Company Group Member to end on the Closing Date; provided, that the Parties shall not be required to effect a change in structure to cause any such Taxable year to end on the Closing Date.

Section 10.04. US Group Pre-Closing Tax Refunds. Any refund or credit of Taxes of the U.S. Group or any U.S. Debtor (including as a result of any overpayment of Taxes in prior periods) accruing to the U.S. Group or such U.S. Debtor that is a refund of or credit against Taxes paid in respect of any Pre-Closing Tax Period shall, net of any Taxes or expenses incurred in connection with the receipt or realization of such refund or credit, be for the account of Wind Down Co and shall be paid by the Plan Investor, TNESI or the applicable company to Wind Down Co within five (5) Business Days of receipt. The Plan Investor/TNESI agree to elect, or cause to be elected, the receipt in cash of any credit of Tax benefit or reduction accruing to the U.S. Group or any U.S. Debtor in respect of any Pre-Closing Tax Period.

Section 10.05. TNEH UK Group Relief. Except with the consent of TNEH UK and Wind Down Co or their designees (which consent shall not be unreasonably withheld, conditioned or delayed), neither Plan Investor nor any Affiliate of Plan Investor shall (or shall cause or permit any Company Group Member to), (i) settle or compromise any audit, claim, demand, proposed adjustment, deficiency, assessment or administrative or judicial proceeding relating to, or (ii) amend, refile or otherwise modify, any Tax Return of any Company Group Member for any taxable year or period commencing on or before the Closing Date to the extent such settlement, compromise, amendment, refile or modification relates to or otherwise impacts the surrender of Group Relief to TNEH UK.

Section 10.06. TNEH UK Straddle Period Taxes. Taxes (other than Transfer Taxes) imposed upon or assessed directly against the assets of TNEH UK being transferred to the Plan Investor or its designee (including personal property Taxes and similar Taxes) for the post-Closing portion of the Straddle Period shall be apportioned to the Plan Investor (on a pro-

rata basis based on the number of days in the Straddle Period following the Closing Date). If the precise amount of any such Tax cannot be ascertained on the Closing Date, apportionment shall be computed on the basis of the amount payable for each respective item during the Tax period immediately preceding the Straddle Period and any proration shall be adjusted thereafter on the basis of the actual charges for such items in the Straddle Period. When the actual amounts become known, such apportionment shall be recalculated promptly, and Plan Investor and TNEH UK, as applicable, shall within ten (10) days after notice of payment due and delivery of reasonable supporting documentation with respect to such amounts make any payment or refund so that the correct apportioned amount is paid by each of Plan Investor and TNEH UK.

Section 10.07. Survival of Tax Obligations. The obligations set forth in this Article X with respect to Taxes shall survive until the date that is thirty (30) days following the expiration of the applicable statute of limitations.

ARTICLE XI

(iii) the covenants contained in this Agreement required to be complied with by Plan Investor on or before the Closing shall have been complied with in all material respects; and

(ii) all other representations and warranties of Companies contained in this Agreement shall be true and correct as of the Agreement Date and as of the Closing as if made on the Closing Date (other than representations and warranties that are made as of a specific date, which representations and warranties shall have been true and correct as of such date), except for breaches or inaccuracies, as the case may be, as to matters that, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect; provided,

however, that for purposes of determining the satisfaction of the condition in this clause (ii), no effect shall be given to the exceptions of “material” or “Material Adverse Effect” in such representations and warranties;

(iii) the covenants contained in this Agreement required to be complied with by Companies on or before the Closing shall have been complied with in all material respects; provided, however, that the Designated Interim Covenants shall have been complied with in all respects; and

Section 11.04. Waiver of Closing Conditions. Upon the occurrence of the Closing, any condition set forth in this Article XI that was not satisfied as of the Closing shall be deemed to have been waived as of and from the Closing.

ARTICLE XII

TERMINATION

Section 12.01. Termination. Notwithstanding anything in this Agreement to the contrary, this Agreement may be terminated before the Closing:

(a) by the mutual written consent of Companies and Plan Investor;

(b) by Companies, if Plan Investor shall have breached any representation or warranty or failed to comply with any covenant or agreement that would cause any Closing Condition set forth in Section 11.01(a) not to be satisfied, and (i) such breach is not waived by Companies or (ii) if such breach has not been waived by Companies but is curable and is not cured by Plan Investor prior to the earlier to occur of (A) thirty (30) days after receipt of Companies' notice of its intent to terminate and (B) by the Outside Date; provided, however, that Companies are not then in breach of this Agreement;

(c) by Plan Investor, if Companies shall have breached any representation or warranty or failed to comply with any covenant or agreement applicable to Companies that would cause any Closing Condition set forth in Section 11.02(a) not to be satisfied, and (i) such breach is not waived by Plan Investor or, (ii) if such breach has not been waived by Plan Investor but is curable and is not cured by Companies prior to the earlier to occur of (A) thirty (30) days after receipt of Plan Investor's notice of its intent to terminate and (B) by the Outside Date; provided, however, that Plan Investor is not then in breach of this Agreement;

(d) by either Companies or Plan Investor, if the Closing shall not have occurred by July 12, 2018 (the “**Initial Outside Date**”); provided, however, that

(i) if the condition set forth in Section 11.01(f) and Section 11.02(f) shall not have been satisfied or waived by the Initial Outside Date, each of Plan Investor and Companies may (in their sole discretion) extend the Initial Outside Date for an additional ninety (90) days by delivery of written notice of such extension to the other Party no fewer than five (5) Business Days before the Initial Outside Date;

(ii) if the condition set forth in [REDACTED] and [REDACTED] shall not have been satisfied or waived by the Initial Outside Date, each of Plan Investor and Companies may (in their sole discretion) extend the Initial Outside Date for an additional ninety (90) day period by delivery of written notice of such extension to the other Party no fewer than five (5) Business Days before the Initial Outside Date; or

(iii) if all of the Closing Conditions set forth in Section 11.01 and Section 11.02 (in each case, other than those that can only be satisfied at the Closing itself) have been satisfied or waived, but the Marketing Period has not yet commenced as a result of Companies having failed to deliver audited financial statements for the fiscal year ending March 31, 2018 pursuant to the terms hereof, each of Plan Investor and Companies may (in their sole discretion) extend the Initial Outside Date for an additional ninety (90) days by delivery of written notice of such extension to the other Party no fewer than five (5) Business Days before the Initial Outside Date (in each case, the Initial Outside Date as extended pursuant to clauses (i), (ii), and (iii) preceding, the “**Outside Date**”);

provided, further, that the right to terminate this Agreement under this Section 12.01(d) shall not be available to a Party whose breach of this Agreement shall have been the cause of, or shall have resulted in, the failure of the Closing to occur before such date;

(e) by either Companies or Plan Investor in the event that any Government Authority of competent jurisdiction shall have issued an Order that permanently enjoins the consummation of the purchase of the Reorganized Company Interests or the WECHOL Shares contemplated by this Agreement and such Order shall have become final and non-appealable;

(f) by Plan Investor, if the Plan Investor Protections Order is not entered by January 31, 2018;

(g) by Plan Investor, if following entry by the Bankruptcy Court of the Plan Investor Protections Order, the Plan Investor Protections Order is (x) amended, modified or supplemented in a manner not reasonably satisfactory to Plan Investor (y) voided, reversed or vacated;

(h) by Plan Investor, if (i) any Companies or any Affiliate of Companies seeks, or does not use its commercially reasonable efforts to oppose any other Person in seeking, an order of the Bankruptcy Court dismissing the Bankruptcy Case or converting the Bankruptcy Cases to a case under chapter 7 of the Bankruptcy Code, or the Bankruptcy Court enters such an order for any reason or (ii) any Companies or an Affiliate of Companies seeks, or does not use its commercially reasonable efforts to oppose any other Person in seeking, the Bankruptcy Court to

enter an order appointing a trustee in the Bankruptcy Cases or appointing a reasonable officer or an examiner with enlarged powers relating to the operation of Companies' businesses under Bankruptcy Code Section 1106(b), or such an order is entered for any reason;

(i) by Plan Investor, if the Plan and the Disclosure Statement Motion is not filed by January 29, 2018;

(j) by Plan Investor, if the Disclosure Statement Order is not entered by February 27, 2018;

(k) by Plan Investor, if the Confirmation Order is not entered by March 31, 2018 at 9:00 p.m. Eastern Time and neither Conversion Event has occurred pursuant to Section 2.01(e) (it being agreed and understood that if a Conversion Event occurs on March 31, 2018, then Plan Investor shall not have any right to terminate this Agreement pursuant to this Section 12.01(k));

(l) by Plan Investor, if the Sale Order is not entered by April 16, 2018;

(m) by Plan Investor, if (i) following entry by the Bankruptcy Court of either the Disclosure Statement Order or the Confirmation Order, either Order is (x) amended, modified or supplemented in a manner adverse to Plan Investor or (y) voided, reversed or vacated;

(n) by Companies, if (i) all of the Closing Conditions set forth in Section 11.02 (in each case, other than those that can only be satisfied at the Closing itself) have been satisfied or waived, (ii) Companies have confirmed in writing that Companies are ready, willing and able to consummate the Closing and the transactions contemplated hereby assuming Plan Investor complies with its obligations hereunder, and (iii) Plan Investor fails to consummate the Closing when required pursuant to the terms and conditions for this Agreement, by four (4) Business Days written notice to Plan Investor; provided, that the right to terminate this Agreement under this Section 12.01(n) shall not be available to Companies in the event Plan Investor has notified Companies that Plan Investor shall cause the Closing to occur on or prior to the expiration of such four (4) Business Day period and Plan Investor fulfills its obligations hereunder to cause the Closing to occur within such time period; or

(o) by either Companies or Plan Investor, if either Company enters into a definitive agreement with respect to a Competing Transaction.

Section 12.02. Notice of Termination. If either Companies or Plan Investor desires to terminate this Agreement pursuant to Section 12.01, such Party(ies) shall give written notice of such termination to the other Parties.

Section 12.03. Effect of Termination.

(a) If this Agreement is terminated pursuant to Section 12.01, this Agreement shall thereupon become null and void and of no further force and effect, except for the provisions of (a) Section 6.03, (b) Section 12.01 and this Section 12.03 and (c) Article XIII (excluding Sections 13.06, 13.17, 13.20, 13.21 and 13.22). Upon the valid termination of this Agreement by

Companies, except as expressly provided in Section 12.03(c) or in the case of a termination pursuant to Sections 12.01(b) or 12.01(n), none of Companies, their Affiliates or any other Person shall have any claim or right to any remedy with respect to this Agreement against Plan Investor or any of its Affiliates (including, for the avoidance of doubt, pursuant to Section 13.17); provided, that nothing in this Section 12.03 shall be deemed to release any Party from any Liability for fraud (excluding constructive fraud) committed by such Party or impair the right of any Party to compel specific performance by any other Party of its obligations under this Agreement; and

(b) Notwithstanding Section 12.03(a), in the event of a termination of this Agreement (i) by Plan Investor pursuant to Sections 12.01(c) (f), (g), (h), (i), (j), (k), (l), (m) or (o), Companies shall pay to Plan Investor within two (2) Business Days after the date of such termination the Expense Reimbursement or (ii) (A) by Plan Investor or Companies pursuant to Section 12.01(o) or (B) by Plan Investor pursuant to Section 12.01(c), as a result of Companies' willful and intentional breach of their obligations set forth in Section 9.02, Companies shall pay to Plan Investor the Break-Up Fee on the earlier of (y) the date of consummation of a Competing Transaction or (z) the Outside Date (as the same may have previously been extended) if no material breach by Plan Investor of this Agreement has occurred.

Companies acknowledge that the agreements contained in this Section 12.03(b) are an integral part of the Transactions, and that without these agreements, Plan Investor would not have entered into this Agreement; accordingly, if Companies fail to timely pay any amount due pursuant to this Section 12.03(b) and, in order to obtain the payment, Plan Investor commence an Action which results in a judgment against Companies for any payment set forth in this Section 12.03(b), Companies shall pay Plan Investor its costs and expenses (including attorney's fees and disbursements) in connection with such Action, together with interest on such payment at the Interest Rate through the date such payment was actually received.

(c) Notwithstanding Section 12.03(a), in the event of a termination of this Agreement pursuant to (i) Section 12.01(b), and at the time of such termination, the Closing Conditions set forth in Section 11.02 (in each case, other than those that can only be satisfied at the Closing itself) are satisfied or waived at the time of such termination or (ii) Section 12.01(n), then Plan Investor and Companies shall, within two (2) Business Days after the date of such termination, deliver Joint Written Instructions to the Escrow Agent directing the Escrow Agent to deliver an amount equal to the Termination Fee to Companies pursuant to Section 3.02.

Plan Investor acknowledges that the agreements contained in this Section 12.03(c) are an integral part of the Transactions, and that without these agreements, Companies would not have entered into this Agreement; accordingly, if Plan Investor fails to timely pay any amount due pursuant to this Section 12.03(c) and, in order to obtain the payment, Companies commence an Action which results in a judgment against Plan Investor for any payment set forth in this Section 12.03(c), Plan Investor shall pay Companies their costs and expenses (including attorney's fees and disbursements) in connection with such Action, together with interest on such payment at the Interest Rate through the date such payment was actually received.

(l) each Party has participated in the negotiation and drafting of this Agreement, and if an ambiguity or question of interpretation should arise, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or burdening any Party by virtue of the authorship of any provision in this Agreement; the language used in this Agreement will be deemed to be the language chosen by the Parties to express their mutual intent, and no rule of strict construction will be applied against any Party. Further, prior drafts of this Agreement or any ancillary agreements, schedules or exhibits thereto or the fact that any clauses have been added, deleted or otherwise modified from any prior drafts of this Agreement or any ancillary agreements, schedules or exhibits hereto shall not be used as an aide of construction or otherwise constitute evidence of the intent of the Parties; and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of such prior drafts.

Section 13.02. Expenses. Except as otherwise specified in the Transaction Agreements and the Plan, each Party will pay its own costs and expenses, including legal, consulting, financial advisor and accounting fees and expenses, incurred in connection with the Transaction Agreements and the Transactions, irrespective of when incurred or whether or not the Closing occurs. Assuming the consummation of the Closing, the Plan will provide for the payment on or after the Closing Date of all fees and expenses of Plan Investor for the Transactions by the Reorganized Company.

Section 13.04. Survival. Except for any covenant that by its terms is to be performed (in whole or in part) by any Party following the Closing, none of the representations, warranties, or covenants of any Party set forth in this Agreement shall survive, and each of the same shall terminate and be of no further force or effect as of, the Effective Time.

Section 13.05. Limitation on Liability. Notwithstanding anything in this Agreement or in any other Transaction Agreement to the contrary, except in the event of fraud (excluding constructive fraud), claims with respect to the calculation of the Purchase Price in accordance with the terms of this Agreement, claims with respect to the amount of Cure Costs, claims with respect to Assumed Liabilities or Excluded Liabilities: (a) the maximum Liability of either Companies, on the one hand, or Plan Investor, on the other hand, for a breach of this

Agreement shall not exceed three percent (3%) of the Base Purchase Price unless the Termination Fee or the Break-Up Fee is due and owing in accordance with this Agreement; (b) if the Break-Up Fee is payable hereunder, the maximum Liability of Companies under this Agreement shall not exceed the Break-Up Fee and the Expense Reimbursement; (c) if the Termination Fee is payable hereunder, the maximum Liability of Plan Investor under this Agreement shall not exceed the Termination Fee and any costs and expenses owed pursuant to the last sentence of Sections 12.03(b) and (c); and (d) in no event shall any Party have any Liability under this Agreement (including under this Article XIII) for any consequential, special, indirect or punitive damages, lost profits or similar items (including loss of revenue, income or profits, diminution of value or loss of business reputation or opportunity relating to a breach or alleged breach of this Agreement); provided that the foregoing limitations on liability will not prevent a Party from seeking specific enforcement in accordance with Section 13.17.

Section 13.06. Public Announcements. The initial press release with respect to the execution of this Agreement shall be a joint press release to be reasonably agreed upon by the Parties and issued reasonably promptly following the execution hereof. No Party nor any Affiliate or Representative of such Party shall issue or cause the publication of any press release or public announcement or otherwise communicate with any news media in respect of the Transaction Agreements or the Transactions without the prior written consent of the other Parties (which consent shall not be unreasonably withheld, conditioned or delayed), except if a Party believes in good faith and based on reasonable advice of counsel is required by applicable Law or by order of the Bankruptcy Court or by applicable rules of any stock exchange or quotation system on which such Party or its Affiliates lists or trades securities (in which case the disclosing Party will use its reasonable best efforts to (a) advise the other Parties before making such disclosure and (b) provide each such other Party a reasonable opportunity to review and comment on such release or announcement and consider in good faith any comments with respect thereto).

Section 13.07. Severability. If any term or provision of this Agreement is held invalid, illegal or unenforceable in any respect under any applicable Law, as a matter of public policy or on any other grounds, the validity, legality and enforceability of all other terms and provisions of this Agreement will not in any way be affected or impaired. If the final judgment of a court of competent jurisdiction or other Government Authority declares that any term or provision hereof is invalid, illegal or unenforceable, the Parties agree that the court making such determination will have the power to reduce the scope, duration, area or applicability of the term or provision, to delete specific words or phrases, or to replace any invalid, illegal or unenforceable term or provision with a term or provision that is valid, legal and enforceable and that comes closest to expressing the intention of the invalid, illegal or unenforceable term or provision.

Section 13.08. Assignment. This Agreement will be binding upon and inure to the benefit of and be enforceable by the respective successors and permitted assigns of the Parties. No Party may assign (whether by operation of Law or otherwise) this Agreement or any rights, interests or obligations provided by this Agreement without the prior written consent of the other Parties; provided, however, that Plan Investor may, immediately prior to the Closing (but, in no event prior to that time), assign this Agreement and any or all rights and obligations under this Agreement, in whole or in part, to any of its Affiliates without the prior consent of

Companies, and Companies may assign this Agreement to a trust in connection with the Bankruptcy Cases, upon prior written notice to Plan Investor; provided, further, that no such assignment shall release any other Party from any Liability under this Agreement. Any attempted assignment in violation of this Section 13.08 shall be void *ab initio*.

Section 13.09. No Third-Party Beneficiaries. This Agreement is for the sole benefit of the Parties and their respective successors and permitted assigns, and, except with respect to the D&O Indemnified Parties pursuant to Section 7.02(a) or as expressly set forth in this Agreement, nothing in this Agreement shall create or be deemed to create any third-party beneficiary rights in any Person not a party hereto, including any Affiliates of any Party. Notwithstanding the foregoing, the Debt Financing Sources (and the Debt Financing Source Related Parties) are express and intended third-party beneficiaries of this Section 13.09 and Sections 13.05, 13.11, 13.13, 13.14(c), 13.15 and 13.18.

Section 13.10. Entire Agreement. This Agreement (including the Disclosure Schedules) and the other Transaction Agreements (and all exhibits and schedules hereto and thereto) collectively constitute and contain the entire agreement and understanding of the Parties with respect to the subject matter hereof and thereof and supersede all prior negotiations, correspondence, understandings, agreements and Contracts (including the Letter of Intent dated January 4, 2018, between Brookfield Capital Partners LLC and Companies), whether written or oral, among the Parties respecting the subject matter hereof and thereof.

Section 13.11. Amendments. This Agreement (including all exhibits and schedules hereto) may be amended, restated, supplemented or otherwise modified, only by written agreement duly executed by each Party. Notwithstanding anything to the contrary contained herein, no amendments or modifications to the provisions of this Agreement of which the Debt Financing Sources (and the Debt Financing Source Related Parties) are express and intended third-party beneficiaries pursuant to Section 13.09 (including any amendments or modifications to any defined terms used therein for purposes thereof) shall be permitted in a manner adverse in any respect to any such Debt Financing Source (or Debt Financing Source Related Parties) without the prior written consent of such Debt Financing Source (with respect to itself and any of its Debt Financing Source Related Parties).

Section 13.12. Waiver. At any time before the Closing, either Companies or Plan Investor may (a) extend the time for the performance of any obligation or other acts of the other Parties, (b) waive any breaches or inaccuracies in the representations and warranties of the other Parties contained in this Agreement or in any document delivered pursuant to this Agreement or (c) waive compliance with any covenant, agreement or condition contained in this Agreement, but such waiver of compliance with any such covenant, agreement or condition shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure. Any such waiver shall be in a written instrument duly executed by the waiving Parties. No failure on the part of any Party to exercise, and no delay in exercising, any right, power or remedy under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such Party preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

Section 13.13. Governing Law. This Agreement, and any Action that may be based upon, arise out of or relate or be incidental to any Transaction, this Agreement, the Debt Financing (including the Debt Commitment Letters), the negotiation, execution, performance or consummation of the foregoing or the inducement of any Party to enter into the foregoing, whether for breach of Contract, tortious conduct or otherwise, and whether now existing or hereafter arising (each, a “**Transaction Dispute**”), will be exclusively governed by and construed and enforced in accordance with the internal Laws of the State of New York, without giving effect to any Law or rule that would cause the Laws of any jurisdiction other than the State of New York to be applied.

Section 13.14. Dispute Resolution; Consent to Jurisdiction.

(a) Without limiting any Party’s right to appeal any order of the Bankruptcy Court, and except as otherwise provided in Section 3.06, (i) the Bankruptcy Court shall retain exclusive jurisdiction to enforce the terms of this Agreement and to decide any Transaction Dispute which may arise or result from, or be connected with, this Agreement, any breach or default hereunder, or the Transactions, and (ii) any and all proceedings related to the foregoing shall be filed and maintained only in the Bankruptcy Court, and the Parties hereby consent to and submit to the jurisdiction and venue of the Bankruptcy Court and shall receive notices at such locations as indicated in Section 13.03; provided, however, upon the closing of the Bankruptcy Cases, the Parties agree to unconditionally and irrevocably submit to the exclusive jurisdiction of the U.S. District Court for the Southern District of New York sitting in New York County or the Commercial Division of the Courts of the State of New York sitting in the County of New York and any appellate court from any thereof, for the resolution of any such Transaction Dispute. In that context, and without limiting the generality of the foregoing, each Party irrevocably and unconditionally:

(i) submits for itself and its property to the exclusive jurisdiction of such courts with respect to any Transaction Dispute and for recognition and enforcement of any judgment in respect thereof, and agrees that all claims in respect of any Transaction Dispute shall be heard and determined in such courts;

(ii) agrees that venue would be proper in such courts, and waives any objection that it may now or hereafter have that any such court is an improper or inconvenient forum for the resolution of any Transaction Dispute; and

(iii) agrees that the mailing by certified or registered mail, return receipt requested, to the Persons listed in Section 13.03 of any process required by any such court, will be effective service of process; provided, however, that nothing herein will be deemed to prevent a Party from making service of process by any means authorized by the Laws of the State of New York.

(b) The foregoing consent to jurisdiction will not constitute submission to jurisdiction or general consent to service of process in the State of New York for any purpose except with respect to any Transaction Dispute.

(c) Notwithstanding the provisions of clause (a) above, each of the Parties hereto agrees that:

(i) it will not bring or support any Action, cause of Action, claim, cross-claim or third party claim of any kind or description, whether in law or in equity, whether in contract or in tort or otherwise, against any Debt Financing Source in any way relating to this Agreement or the Debt Financing, including but not limited to any dispute arising out of or relating in any way to the Debt Commitment Letters or the performance thereof, in any forum other than the Supreme Court of the State of New York, County of New York, or, if under applicable law exclusive jurisdiction is vested in the federal courts, the United States District for the Southern District of New York (and any appellate courts thereof); and

(ii) any Action brought by a Debt Financing Source against the Plan Investor exclusively based upon or arising out of the Debt Financing, the Debt Commitment Letters, the negotiation, execution, performance or consummation of the foregoing or the inducement of any Party to enter into the foregoing, whether for breach of Contract, tortious conduct or otherwise, and whether now existing or hereafter arising, shall be subject to the exclusive jurisdiction of the federal and New York state courts located in the Borough of Manhattan within the City of New York and any appellate court from any thereof.

Section 13.15. Waiver of Jury Trial. To the maximum extent permitted by Law, each Party irrevocably and unconditionally waives any right to trial by jury in any forum in respect of any Transaction Dispute and covenants that neither it nor any of its Affiliates or Representatives will assert (whether as plaintiff, defendant or otherwise) any right to such trial by jury. Each Party certifies and acknowledges that (a) such Party has considered the implications of this waiver, (b) such Party makes this waiver voluntarily and (c) such waiver constitutes a material inducement upon which the other Parties are relying and will rely in entering into this Agreement. Each Party may file an original counterpart or a copy of this Section 13.15 with any court as written evidence of the consent of each Party to the waiver of its right to trial by jury. The provisions of this Section 13.15 shall apply to any Action against any Debt Financing Source (or any Debt Financing Source Related Party) that may be based upon, arise out of or relate to the Debt Financing, the Debt Commitment Letters, the negotiation, execution, performance or consummation of the foregoing or the inducement of any Party to enter into the foregoing, whether for breach of Contract, tortious conduct or otherwise, and whether now existing or hereafter arising, *mutatis mutandis*.

Section 13.16. Admissibility into Evidence. All offers of compromise or settlement among the Parties or their Representatives in connection with the attempted resolution of any Transaction Dispute (a) shall be deemed to have been delivered in furtherance of a Transaction Dispute settlement, (b) shall be exempt from discovery and production and (c) shall not be admissible into evidence (whether as an admission or otherwise) in any proceeding for the resolution of the Transaction Dispute.

Section 13.17. Remedies; Specific Performance.

(a) Except to the extent set forth otherwise in this Agreement, all remedies under this Agreement expressly conferred upon a Party will be deemed cumulative with and not

exclusive of any other remedy conferred hereby, or by Law or equity upon such Party, and the exercise by a Party of any one remedy will not preclude the exercise of any other remedy.

(b) Each Party agrees that irreparable damage would occur and the Parties would not have an adequate remedy at law if any provision of this Agreement is not performed in accordance with its specific terms or is otherwise breached. Accordingly, subject to Section 13.17(c), each Party agrees that the other Parties will be entitled to injunctive relief from time to time to prevent breaches of the provisions of this Agreement and to enforce specifically the terms and provisions of this Agreement, in each case (i) without the requirement of posting any bond or other indemnity and (ii) in addition to any other remedy to which it may be entitled, at law or in equity. Furthermore, each Party agrees not to raise any objections to the availability of the equitable remedy of specific performance to prevent or restrain breaches of this Agreement, and to specifically enforce the terms of this Agreement to prevent breaches or threatened breaches of, or to enforce compliance with, the covenants and obligations of such Party under this Agreement. Each Party expressly disclaims that it is owed any duty not expressly set forth in this Agreement, and waives and releases all tort claims and tort causes of action that may be based upon, arise out of or relate to this Agreement, or the negotiation, execution or performance of this Agreement.

Pension Funding Agreement

SETTLEMENT AND PENSION FUNDING AGREEMENT

This Settlement and Pension Funding Agreement (this “**Agreement**”), dated as of January 26, 2018 (the “**Execution Date**”), by and between Westinghouse Electric Company LLC, a Delaware limited liability company (“**WEC US**”), Brookfield WEC Holdings LLC, a Delaware limited liability company (“**Plan Investor**”), Nucleus Acquisition LLC (“**Consenting Claimholder**”), a Delaware limited liability company, Pension Benefit Guaranty Corporation (“**PBGC**” and together with WEC US, Consenting Claimholder and Plan Investor, each a “**Party**” and collectively the “**Parties**”). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the term sheet attached as Exhibit A hereto (as amended, restated, modified, supplemented or superseded from time to time, the “**Plan Term Sheet**”).

RECITALS

A. PBGC is a wholly owned United States government corporation and agency of the United States that administers the pension plan insurance program established under Title IV of the Employee Retirement Income Security Act of 1974, as amended (“**ERISA**”), 29 U.S.C. §§ 1301-1416 (2012 & Supp. IV 2016).

B. WEC US sponsors the following defined benefit pension plans: Westinghouse Electric Company Pension Plan, Westinghouse Pension Plan for Newington Boilermakers, and Westinghouse Pension Plan for Windsor Boilermakers (each a “**Plan**” and collectively, the “**Plans**”).

C. Each Plan is an “employee pension benefit plan” as that term is defined in 29 U.S.C. § 1002(2), has been determined by the Secretary of the Treasury to be a plan described in 26 U.S.C. § 401(a), is a plan to which 29 U.S.C. § 1321(a) applies, is not exempt under 29 U.S.C. § 1321(b), and therefore is subject to Title IV of ERISA.

D. WEC US and certain of its direct and indirect subsidiaries and affiliates (the “**Debtors**”) commenced cases (the “**Chapter 11 Cases**”) under chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”) in the United States Bankruptcy Court for the Southern District of New York (the “**Bankruptcy Court**”) on March 29, 2017.

E. PBGC has asserted the claims against the Debtors in the Chapter 11 Cases, including but not limited to the claims set forth in proofs of claim number 1985, 1991, 1996, 1998, 2001, 2004, 2009, 2012, and 2015 (the “**PBGC Claims**”).

F. Consenting Claimholder has agreed to acquire from Toshiba Corporation (“**Toshiba**”) certain other claims against the Debtors in the Chapter 11 Cases.

G. Plan Investor has agreed under that certain Plan Funding Agreement dated January 12, 2018 (as amended, restated, modified, supplemented or superseded from time to time, the “**Plan Funding Agreement**”) to acquire (a) newly issued equity interests in TSB Nuclear Energy Services Inc. and (b) the issued and outstanding equity interests in Westinghouse Electric UK Holdings Limited, each after giving effect to the transactions contemplated by the Plan Funding Agreement and the chapter 11 plan and other transaction agreements described therein (such

transactions, the “**Plan Investment**”). Plan Investor is relying on the obligations of the other Parties under this Agreement in order to make the Plan Investment.

H. The Parties have engaged in arm’s-length, good-faith discussions regarding a series of transactions to restructure the Debtors, as contemplated and outlined in that certain Plan Support Agreement, dated January 17, 2018 (as amended, restated, modified, supplemented or superseded from time to time, the “**PSA**”) and the Plan Term Sheet (such transactions, together with the transactions contemplated hereby and by the Chapter 11 Plan Documents (as defined below), the “**Restructuring**”), pursuant to a chapter 11 plan for the Debtors substantially in accordance with the terms of the Plan Term Sheet (as amended, restated, modified, supplemented or superseded from time to time, the “**Chapter 11 Plan**” and together with any related agreements or documents related thereto, the “**Chapter 11 Plan Documents**”), which shall be effective upon entry of an order of the Bankruptcy Court confirming the Chapter 11 Plan and the satisfaction or waiver of any conditions to the effectiveness thereof (the date of such effectiveness, the “**Plan Effective Date**”).

I. PBGC has raised concerns that PBGC’s possible long run loss with respect to each Plan may reasonably be expected to increase unreasonably as a result of the Chapter 11 Plan.

J. After discussions among the Parties, and in furtherance of the Restructuring and to resolve PBGC’s concerns, the Debtors, Consenting Claimholder and Plan Investor have reached an understanding with PBGC, under which, *inter alia*, WEC US will continue to maintain the Plans on and after the Plan Effective Date, and certain contribution payments will be made directly to the Plans in excess of those required by law.

Accordingly, the Parties agree as follows:

Article 1: Fixed Excess Contributions to the Plans; Additional Terms

1.1 Effective as of the Plan Effective Date, WEC US (after giving effect to the Restructuring) shall continue to be the sponsor of the Plans.

1.2 The Chapter 11 Plan shall provide that the following cash contributions to the Plans shall be made at the times and in the amounts indicated, regardless of whether such contributions would otherwise be required by ERISA or the Internal Revenue Code of 1986, as amended (the “**IRC**”) at the times and/or in the amounts set out here:

(a) One (1) business day after the Plan Effective Date, WEC US shall contribute an aggregate amount of \$100,000,000 in cash, from the proceeds of the transactions described in the Plan Funding Agreement, to one or more of the Plans, which funds shall be paid from cash otherwise allocable under the Chapter 11 Plan to the holders of Allowed Class 3B General Unsecured Claims. WEC US may elect to increase the prefunding balance (as defined in 26 U.S.C. § 430(f)(6)) (a “**Prefunding Balance**”) of any such Plan to any extent allowed by ERISA by reason of making contribution(s) under this subsection (a).

(b) On or promptly following the Final Distribution Date, an aggregate amount equal to 5% of any remaining Segregated Funds in the Segregated Account that would otherwise be allocable under the Chapter 11 Plan to the holders of Allowed Class 3B General Unsecured

Claims will be contributed to one or more of the Plans (or to WEC US for such contribution). WEC US shall not elect to create or increase the Prefunding Balance of any Plan by using (i) all or any part of any such contribution, or (ii) all or any portion of any excess described in 26 U.S.C. § 430(f)(6)(B) that is attributable to any such contribution. Notwithstanding anything to the contrary in this Agreement, this covenant not to so elect is continuing and will survive termination of this Agreement.

The contributions required by subsections (a) and (b) will be apportioned to one, two or all of the Plans in a manner to be determined by WEC US in its sole discretion, as settlor of the Plans. The Consenting Claimholder will be deemed to waive any entitlement under the Chapter 11 Plan to such contributions.

1.3 WEC US shall pay in full in cash the 2018 PBGC flat-rate and variable-rate premiums when due in respect of the Plans (estimated to be in the approximate amount of \$5 million).

1.4 WEC US shall provide PBGC with a copy of the annual actuarial valuation report prepared for each Plan, within 30 days after receipt by WEC US.

1.5 WEC US shall provide PBGC with a copy of each Plan's trust asset report as of December 31 of each year, within 30 days after such report is received by WEC US.

1.6 WEC US shall provide PBGC with the written notices and information that PBGC would be entitled to receive if PBGC were a member of the private side lending syndicate for WEC US's senior secured first lien term loan facility and any refinancing thereof, including unrestricted access to any electronic data rooms established by WEC US for such members, when such notices and information are provided to any such member.

1.7 Upon payment of the cash contribution under Article 1.2 subsection (a), PBGC hereby releases Toshiba and its subsidiaries and affiliates (after giving effect to the Restructuring) from any and all claims and obligations of any types relating to the Plans, whether arising before, at or after the Plan Effective Date.

1.8 On the Plan Effective Date, each of the PBGC Claims shall be deemed permanently and irrevocably withdrawn and PBGC shall not be entitled to any property or distributions in respect thereof, except for the payments required to be paid to the Plans under Article 1.2 hereof and to PBGC under Article 1.3 hereof.

1.9 WEC US's obligations under the terms of this Agreement will not be affected by any change in any Plan's contributing sponsor or in the membership of any such contributing sponsor's controlled group, as those terms are defined in Title IV of ERISA, except that the Parties shall, in connection with any such change that is not contemplated by the Plan Funding Agreement, discuss reasonable modifications to this Agreement or the Chapter 11 Plan, as applicable, to ensure the continued fair and reasonable application of this Agreement. Nothing in this Agreement (other than Article 1.7) will affect PBGC's ability to exercise any right, seek any remedy, or enforce any provision under Title IV of ERISA or other applicable law in connection with any contemplated or consummated transaction associated with any such change that is not contemplated by the Plan

Funding Agreement (other than the PBGC Claims or claims subject to the Release) after the Plan Effective Date.

Article 2: Informational and Reporting Requirements

2.1 The Chapter 11 Plan Documents shall provide that documentation evidencing the amount and date of each contribution made pursuant to Article 1.2 shall be provided to PBGC and WEC US within five (5) business days after each such contribution.

Article 3: Agreement Release

3.1 This Agreement will terminate and WEC US's obligations hereunder will cease five years after the Plan Effective Date (the "**Agreement Release Date**"); provided, that no such termination of this Agreement will affect any rights or obligations under Articles 1.2, 1.3 or 4.1.

3.2 Effective upon the Agreement Release Date, and in consideration of WEC US's complete performance of the terms, conditions, mutual covenants and agreements set forth herein, the adequacy and sufficiency of which are hereby acknowledged, PBGC, on its own behalf, and in every other capacity in which it may then act, will be deemed to have released WEC US and Plan Investor (and their respective controlled group members) from the obligations under this Agreement except as otherwise specified herein.

Article 4: Forbearance

4.1 Without limiting the provisions of Article 1.7, PBGC shall forbear from taking any action under 29 U.S.C. § 1342(a)(4) or under any other provision of ERISA to initiate proceedings (a) before the Plan Effective Date to terminate any Plan on any basis, and (b) on and after the Plan Effective Date to terminate any Plan on the sole basis of consummation of the Restructuring. Notwithstanding the immediately preceding sentence, nothing in this Agreement limits PBGC's right to initiate and complete an involuntary termination of any Plan that is based solely on PBGC's determination (in accordance with then-applicable legal standards) that (y) such Plan "does not have assets available to pay benefits which are currently due under the terms of the plan" within the meaning of 29 U.S.C. § 1342(a) and (z) PBGC is therefore required to initiate termination proceedings pursuant to 29 U.S.C. § 1342(a).

Article 5: PBGC's Agreement to Support the Restructuring and Plan Investment

5.1 As long as this Agreement has not been terminated pursuant to the terms hereof, PBGC agrees to:

(a) to the extent PBGC is entitled to vote and is solicited, (i) timely vote or cause or direct to be voted all of its claims (as defined in the Bankruptcy Code) and interests in the Debtors' estates in favor of the Chapter 11 Plan by delivering its duly executed and completed ballot or ballots accepting such Chapter 11 Plan on a timely basis, and (ii) not change or withdraw (or cause or direct to be changed or withdrawn) such vote;

(b) not take any action inconsistent in any material respect with, or intended to impede approval and consummation of the Restructuring;

(c) not directly or indirectly object to, delay, impede or take any other action to materially interfere with acceptance, confirmation, consummation or implementation of this Agreement, the Restructuring, the Chapter 11 Plan, the Plan Investment or the Plan Investor Protections;

(d) not directly or indirectly seek, solicit, encourage, formulate, consent to, propose, file, support, negotiate, participate in or vote for any restructuring, workout, plan of reorganization or liquidation, proposal, offer, dissolution, winding up, liquidation, reorganization, merger, consolidation, business combination, joint venture, partnership, or sale of assets of or in respect of the Debtors other than the Chapter 11 Plan and Plan Investment, or encourage or cause any party to do any of the foregoing;

(e) not file or support any motion with the Bankruptcy Court seeking the entry of an order (i) converting the Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code; (ii) dismissing the Chapter 11 Cases; (iii) modifying or terminating the Debtors' exclusive right to file and/or solicit acceptances of a plan of reorganization; (iv) directing the appointment of a trustee pursuant to section 1104 of the Bankruptcy Code; (v) directing the appointment of an examiner pursuant to section 1104 of the Bankruptcy Code; (vi) seeking an appointment of any additional statutory committees of creditors, equity holders or other purported parties in interest under section 1102 of the Bankruptcy Code; or (vii) granting any relief inconsistent with the this Agreement, the PSA, the Plan Term Sheet, the Plan Funding Agreement, and/or the Chapter 11 Plan Documents; and

(f) not object to or otherwise oppose any request by the Debtors for an extension of their exclusive periods to file and/or solicit acceptances of a plan of reorganization.

5.2 For the avoidance of doubt, nothing in this Agreement shall bind PBGC in its capacity as a member of the Official Committee of Unsecured Creditors in the Bankruptcy Cases.

Article 6: Termination

6.1 This Agreement may be terminated by any Party upon prior written notice delivered to the other Parties upon the occurrence of any of the following events (each a "**Termination Event**"):

(a) the failure of non-terminating Party to comply with the material terms hereof; or

(b) termination of the Plan Funding Agreement, in accordance with its terms.

6.2 Mutual Termination. This Agreement may be terminated by the mutual consent of the Parties.

6.3 No Termination for Non-Compliance. No Party may validly terminate this Agreement based upon its failure to perform or comply in any material respect with the terms and conditions of this Agreement, the Plan Support Agreement, the Plan Funding Agreement or any of the Chapter 11 Plan Documents, to the extent such Chapter 11 Plan Document is effective, with such failure to perform or comply causing, or resulting in, the occurrence of one or more

Termination Events specified herein. Nothing in this Article 6 shall relieve any Party of liability for any breach or non-performance of this Agreement occurring prior to the Termination Date.

6.4 Effect of Termination. Within three (3) business days following the delivery of a termination notice pursuant to Article 6.1 hereof, each of the Parties may together waive, in writing, the occurrence of the Termination Event identified in the termination notice. Absent such waiver, this Agreement shall be terminated on the fourth (4th) business day following delivery of the termination notice (such date, the “**Termination Date**”); provided, however, any of the Parties shall be entitled to a retroactive nullification of the termination if it requests a judgment that the termination was invalid and procures an order granting such relief on or before the fourth (4th) business day following delivery of the termination notice. On the Termination Date, the provisions of this Agreement shall terminate, except as otherwise provided herein; provided that if WEC US (after giving effect to the Restructuring) has assumed the Plans and the contribution described in Article 1.2 subsection (a) has been made, Article 4.1 shall be continuing and will survive termination of this Agreement.

6.5 Automatic Stay. For the avoidance of doubt, each of the Parties hereby waives any requirement under section 362 of the Bankruptcy Code to lift the automatic stay thereunder for purposes of providing notice under this Agreement (and shall not object to any non-breaching Party seeking, if necessary, to lift such automatic stay in connection with the provision of any such notice); provided, however, that nothing in this paragraph shall prejudice any Party's rights to argue that the termination was not proper under the terms of this Agreement.

6.6 Toshiba. Notwithstanding any provision of this Agreement, unless otherwise agreed in writing by Toshiba, Article 1.7 shall survive the termination or other expiration or amendment of this Agreement.

Article 7: Representations and Warranties; Additional Covenants

7.1 Subject to any necessary approval of the Bankruptcy Court, each of WEC US, Plan Investor and Consenting Claimholder hereby represents and warrants to PBGC that each of the following (as applicable) is true and correct as to it on the Execution Date:

(a) Its execution, delivery, and performance of this Agreement has been duly authorized by all necessary company action;

(b) Its execution and delivery of this Agreement, performance of its respective obligations hereunder, and compliance with the terms and provisions hereof (i) will not violate in any material respect any law applicable to it or any of its respective properties, the consequences of which violation could reasonably be expected to have a material adverse effect on its ability to perform its obligations hereunder, and (ii) will not violate any material contract or agreement which is binding on it, or its properties, or result in a breach of or constitute (with due notice, lapse of time or both) a default under any indenture, agreement, lease, or other instrument to which it is a party;

(c) This Agreement has been duly executed by an authorized officer or other authorized representative; and

(d) This Agreement constitutes a legal, valid, and binding contract and agreement enforceable by PBGC against it in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principals of equity.

7.2 PBGC hereby represents and warrants to WEC US, Plan Investor, and Consenting Claimholder that each of the following is true and correct as of the Execution Date:

(a) PBGC is a wholly owned United States government corporation established under Title IV of ERISA.

(b) PBGC has full power and authority to enter into and perform its obligations under this Agreement and to carry out and consummate the transactions contemplated by this Agreement.

(c) PBGC's execution, delivery, and performance of this Agreement have been duly authorized by all necessary corporate action and are within PBGC's statutory authority.

(d) PBGC's execution and delivery of this Agreement, PBGC's performance of its obligations hereunder, PBGC's consummation of the transactions contemplated hereby and PBGC's compliance with the terms and provisions hereof will not violate any law applicable to PBGC.

(e) This Agreement has been duly executed by an authorized officer or other authorized representative of PBGC.

(f) This Agreement constitutes a legal, valid, and binding contract and agreement of PBGC enforceable against PBGC in accordance with its terms.

(g) PBGC has concluded that this Agreement adequately addresses its concerns regarding possible long run loss with respect to each Plan in connection with the Restructuring.

7.3 Cooperation and Support. The Parties shall cooperate with each other in good faith and shall coordinate their activities (to the extent practicable) in respect of all matters concerning the implementation and consummation of the transactions contemplated herein. Furthermore, subject to the terms of this Agreement, each Party shall execute and deliver any other agreements or instruments, seek regulatory approvals and take other similar actions outside of the Chapter 11 Cases as may be reasonably appropriate or necessary, from time to time, to carry out the purposes and intent of this Agreement or to effectuate the solicitation of the Chapter 11 Plan, the Chapter 11 Plan and/or the Restructuring, as applicable, and shall refrain from taking any action that would frustrate the purposes and intent of this Agreement or the Plan Term Sheet.

Article 8: General Provisions.

8.1 This Agreement is intended to be and is for the sole and exclusive benefit of the Parties and the Parties' respective successors and permitted assigns; provided, that Toshiba is an intended third-party beneficiary solely with respect to Articles s 1.7, 1.9,4,5, and 6 of this Agreement. Neither WEC US, Consenting Claimholder nor Plan Investor may (a) assign its rights

under this Agreement in whole or in part or (b) delegate any of its duties hereunder, in either case without the express prior written consent of PBGC. Any such assignment or delegation made without such consent will automatically be null and void ab initio. Nothing expressed or mentioned in or to be implied from this Agreement gives any person or entity other than WEC US, any other members of the Debtors' controlled group (as defined in 29 U.S.C. § 1301(a)(14) (but only with respect to Articles 1.3 and 4.1), Toshiba, Plan Investor, Consenting Claimholder and PBGC any legal or equitable right, remedy, or claim against the Parties under or with respect to this Agreement.

8.2 All notices, demands, instructions, and other communications required or permitted under this Agreement to any Party must be in writing and must be personally delivered or sent by facsimile or pre-paid recognized overnight delivery service with confirmed receipt, and will be deemed to be given for purposes of this Agreement on the date the writing is received by the intended recipient. 8.3 This Agreement may be executed in one or more counterparts and by different Parties on separate counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument. Delivery of an executed counterpart of this Agreement by facsimile or emailed PDF file (to the email address(es) above for WEC US, Plan Investor or Consenting Claimholder; to butler.lori@pbgc.gov and butler.damarr@pbgc.gov for PBGC) will be equally as effective as delivery of an original executed counterpart of this Agreement.

8.4 This Agreement contains the complete and exclusive statement of the agreement and understanding by and among the Parties. This Agreement supersedes all prior agreements, understandings, commitments, representations, communications, and proposals, oral or written, between the Parties relating to the subject matter hereof. This Agreement may not be amended, modified, or supplemented except by an instrument in writing executed by the Parties.

8.5 This Agreement is not and shall not be construed as or deemed to be an admission or concession by or on the part of any Party or Toshiba of any liability or non-liability in connection with any matter described in the Agreement. The basis for this Agreement is the desire of the Parties to resolve the controversy between them without litigation.

8.6 The failure of any Party to enforce any provision of this Agreement will not constitute a waiver of such Party's right to enforce that provision of this Agreement.

Headings in this Agreement are included for convenience of reference only and do not constitute a part of this Agreement for any other purpose. A reference herein to any statute is deemed also to refer to all rules and regulations promulgated under the statute, unless the context requires otherwise.

8.8 Except to any extent preempted by federal law, the laws of the State of New York (without regard to its conflicts of laws rules) will govern all matters relating to this Agreement.

8.9 The language used in this Agreement will be deemed to be the language chosen by the Parties to express their mutual intent, and no rule of strict construction will be applied against any Party. Nor will any rule of construction that favors a non-draftsman be applied.

8.10 This Agreement is not a document or instrument governing any Plan, nor does anything in this Agreement amend, supplement, or derogate from the documents and instruments governing any Plan. Nothing in this Agreement alters, amends, or otherwise modifies the operation or administration of any Plan.

Exhibit C

Liquidation Analysis

I.
LIQUIDATION ANALYSIS

A. Introduction

Under the “best interests” of creditors test set forth in Bankruptcy Code section 1129(a)(7), a bankruptcy court may not confirm a plan of reorganization unless the plan provides, with respect to each impaired class, that each holder of a claim or interest in such class who does not otherwise vote in favor of the plan receive property of a value, as of the effective date of the plan, that is not less than the amount that such holder would receive or retain if the debtor(s) were liquidated under chapter 7 of the Bankruptcy Code as of such date. To demonstrate that the Plan satisfies the “best interests” of creditors test, the Debtors have prepared the hypothetical liquidation analysis attached hereto as **Exhibit 1** (the “**Liquidation Analysis**”), which is based upon certain assumptions discussed below and in the notes accompanying the Liquidation Analysis (the “**Notes**”). To illustrate that the Plan satisfies the “best interests” of creditors test, the Debtors has also prepared a comparison of recoveries under both the Plan and the Liquidation Analysis, attached as **Exhibit 2**. Capitalized terms not defined in the Notes shall have the meanings ascribed to them in the Plan and the Disclosure Statement.

The Liquidation Analysis estimates potential Cash distributions to holders of Allowed Claims and Allowed Interests in a hypothetical chapter 7 liquidation of the Debtors’ assets (the “**Assets**”). Asset values discussed in the Liquidation Analysis may differ materially from values referred to in the Plan and Disclosure Statement. The Debtors prepared the Liquidation Analysis with the assistance of their advisors.

B. Scope, Intent, and Purpose of the Liquidation Analysis

The determination of the costs of, and hypothetical proceeds from, the liquidation of the Assets is an uncertain process involving the extensive use of estimates and assumptions that, although considered reasonable by the Debtors, are inherently subject to significant business, political, economic, and competitive uncertainties and contingencies beyond the control of the Debtors, their management, and their advisors. Inevitably, some assumptions in the Liquidation Analysis would not materialize in an actual chapter 7 liquidation, and unanticipated events and circumstances could affect the ultimate results in an actual chapter 7 liquidation. In addition, the Debtors’ management cannot judge with any degree of certainty the effect of the forced-liquidation asset sales on the recoverable value of the Assets. The Liquidation Analysis was prepared for the sole purpose of generating a reasonable, good-faith estimate of the proceeds that would be generated if the Debtors were liquidated in accordance with chapter 7 of the Bankruptcy Code. The Liquidation Analysis is not intended and should not be used for any other purpose. The underlying financial information in the Liquidation Analysis was not compiled or examined by any independent accountants. No independent appraisals were conducted in preparing the Liquidation Analysis. **NEITHER THE DEBTORS NOR THEIR ADVISORS MAKE ANY REPRESENTATION OR WARRANTY THAT THE ACTUAL RESULTS WOULD OR WOULD NOT APPROXIMATE THE ESTIMATES AND ASSUMPTIONS REPRESENTED IN THE LIQUIDATION ANALYSIS. ACTUAL RESULTS COULD VARY MATERIALLY.**

In preparing the Liquidation Analysis, the Debtors estimated Allowed Claims based upon a review of the Claims contained in the Debtors’ books and records. In addition, the Liquidation Analysis includes estimates for Claims not currently reflected in the books and records or asserted in the Chapter 11 Cases, but which could be asserted and Allowed in a chapter 7 liquidation, including Administrative Claims, wind-down costs, and trustee fees. The Bankruptcy Court has not estimated or otherwise fixed the total

amount of Allowed Claims used for purposes of preparing the Liquidation Analysis. The Debtors' estimate of Allowed Claims set forth in the Liquidation Analysis should not be relied on for any other purpose, including determining the value of any distribution to be made on account of Allowed Claims under the Plan. **NOTHING CONTAINED IN THE LIQUIDATION ANALYSIS IS INTENDED TO BE OR CONSTITUTES A CONCESSION OR ADMISSION OF THE DEBTORS. THE ACTUAL AMOUNT OF ALLOWED CLAIMS IN THE CHAPTER 11 CASES COULD MATERIALLY DIFFER FROM THE ESTIMATED AMOUNTS SET FORTH IN THE LIQUIDATION ANALYSIS.**

II.

GLOBAL NOTES TO THE LIQUIDATION ANALYSIS

A. Liquidation Date and Appointment of a Chapter 7 Trustee

The Liquidation Analysis assumes the conversion of the Chapter 11 Cases to chapter 7 liquidation cases on or about January 31, 2018 (the "**Liquidation Date**"). On the Liquidation Date, it is assumed that the Bankruptcy Court would appoint a chapter 7 trustee (the "**Trustee**") to oversee the liquidation of the Debtors' Estates. As the Debtors would not generate revenues or cash flows following the Liquidation Date, the Trustee would need to use cash on hand, receivables, and proceeds from the immediate liquidation of Assets to fund the ongoing expenses of the Estates. The Liquidation Analysis assumes that the Trustee would have adequate liquidity to fund the wind-down of the operations and the fees associated with such a liquidation. In the event of an actual liquidation of the Debtors, there is a risk that the Trustee would not have adequate liquidity on hand to settle administrative expenses as incurred, at which point the Trustee might request a dismissal of the chapter 7 cases. If such a scenario were to occur, the recoveries to creditors would be severely impaired as compared with the hypothetical results contained in the Liquidation Analysis.

For the purposes of the Liquidation Analysis, the Debtors are using the most recent available balance sheet as of November 30, 2017 (the "**Balance Sheet Date**") as the basis for book value of the Assets. It is assumed there would be no material change between the Debtors' Assets on the Liquidation Date and the Balance Sheet Date. The Liquidation Analysis assumes that the Trustee would have a six-month period to wind down and monetize the Assets of the Debtors, using cash on hand and the proceeds of the Assets to fund the expenses associated with the wind-down of operations. The Liquidation Analysis has been drafted on a legal-entity-by-legal-entity basis for each of the Debtors.

The Liquidation Analysis assumes that in the forced liquidation scenario of the Debtors, the non-Debtor entities would not be able to continue as a going concern and would be forced to liquidate. Recoveries of the Debtors' intercompany loans are contingent on the liquidation proceeds of the non-Debtors' liquidation. The Liquidation Analysis assumes the non-Debtors' liquidations in foreign venues would likely have trustee equivalents that would pursue intercompany claims against the Debtors.

B. Primary Assets of the Debtors

The Debtors have Assets in the form of (i) cash and cash equivalents, (ii) accounts receivable, (iii) inventory ("**Inventory**"), (iv) costs and estimated earnings in excess of billings, (v) other current assets, (vi) property, plant, and equipment ("**PP&E**"), (vii) other intangible assets, (viii) investments in non-Debtor affiliates, and (ix) other non-current assets. The Liquidation Analysis assumes a range (high, medium, and low) of recoveries for these Assets assuming a forced-liquidation asset sale process conducted by the Trustee. The Debtors' management believes that values derived from the

liquidation assumed in the Liquidation Analysis do not generate a significant recovery for stakeholders as compared with the recovery proposed under the Plan.

The Liquidation Analysis assumes the Debtors would allow, and the Trustee would use, the proceeds of the liquidation of Assets to fund the wind-down expenses. These receivables and other proceeds would be used first to fund the liquidation of the Estates and then to satisfy Claims in the order of priority set forth in section 726 of the Bankruptcy Code (beginning with the DIP Claims.)

C. Forced-Liquidation Sale Process

The liquidation sale process would proceed concurrently with the shutdown of facilities. The Debtors are in possession of equipment which they owns directly and would need to immediately monetize to fund the rapid demobilization process. A significant portion of the gross proceeds distributable to creditors would come from the liquidation of real property and equipment, which liquidation is subject to various offsetting costs. The Liquidation Analysis also assumes that certain staff currently employed by the Debtors would remain with the Debtors through the course of the wind-down. Costs associated with these employees have been included in the operational wind-down expense to support the Trustee in collecting and liquidating the Assets.

The high-recovery scenario presented in the Liquidation Analysis includes an assumption related to the recoverability of Inventory and PP&E located at three of the Debtors' facilities—Ogden, Blairsville, and Columbia. In drafting this hypothetical liquidation scenario, the Debtors' management determined that the shutdown of the Debtors' operations at these three plants likely would have dire implications on the energy and nuclear resources of the United States of America. The high-recovery scenario presented in the Liquidation Analysis assumes that the U.S. Department of Energy and the U.S. Nuclear Regulatory Commission would not allow the shutdown of these facilities, and the Debtors would turn over their operations at these facilities to be maintained by these entities. As such, the recovery for these Assets in the high-recovery scenario are assumed to be higher than in a forced liquidation.

The Liquidation Analysis assumes that the Debtors will be subject to a withdrawal liability on account of the Westinghouse Electric Company Pension Plan (the "**Qualified Pension Plan**") and the PBGC. The Debtors estimate that the Qualified Pension Plan claim amounts would total approximately \$937 million based on the Debtors' most recent actuarial estimates of withdrawal liabilities and a review of the Claims filed in these Chapter 11 Cases. The Debtors also assumed that the Qualified Pension Plan claims would be asserted at each of the Debtor entities, based on a "controlled group" (as defined in the Employee Retirement Income Security Act) theory of liability. Further, the Debtors have made the assumption that certain other claims which could be asserted in a chapter 7 liquidation—such as rejection damages claims for contracts that would be assumed or rejected in a chapter 11 reorganization—are not estimated in the Liquidation Analysis, which claims would otherwise further dilute recovery to creditors.

The Liquidation Analysis assumes that the estimated sale proceeds for the Assets would be less than the tax basis of the Assets and would not generate any additional tax liabilities. Should the tax treatment and effect of the liquidation transactions result in a tax liability that was not reduced by other tax benefits, recoveries in the Liquidation Analysis could change materially.

III.
SPECIFIC NOTES TO THE ASSET ASSUMPTIONS
CONTAINED IN THE LIQUIDATION ANALYSIS (EXHIBIT 1)

The Liquidation Analysis refers to certain categories of Assets. The numerical/alphabetical designations below correspond to the line items listed in Exhibit 1, each with a specific Note.

A. Estimated Proceeds

- (i) In the Liquidation Analysis, “cash and cash equivalents” comprises cash and marketable securities. Full recovery is anticipated on cash and marketable securities.
- (ii) “Accounts Receivable” is comprised of accounts receivable, allowance and other receivables, and related-party receivables. The potential recovery range for accounts receivable is based on factors such as geographic region, aging of the receivables, and project basis of the receivables. The recoverability of receivables related to U.S. AP1000 Projects under legal action were deemed unrecoverable. The estimated recovery range for Accounts Receivable is 30% to 65%.
- (iii) Inventory recoveries were evaluated by business unit and site level with Nuclear Fuels and Global Components Manufacturing accounting for the majority of Inventory value. The Nuclear Fuels Inventory for all sites and business units was analyzed based on raw materials, work in process, finished goods, and uranium stock.

Three of Westinghouse’s fuel plants—Columbia, Blairsville, and Ogden—held the majority of the Inventory value. At Ogden, raw materials consist of zirconium crystals and magnesium, which are salable commodities and which would have a recovery value near book value. The work in process, such as unfinished zirconium sponge, cannot be sold because the materials can be hazardous and sponge cycle times can be as long as several months, which drives a low recovery value. Finished zirconium metal goods are specifically tailored for and only sold to Westinghouse fuel plants, which would close in a chapter 7 liquidation, therefore reducing recovery to scrap value. The piping manufactured at the Blairsville site has minimal resale value because the products are specially tailored for and sold to Westinghouse plants, therefore reducing recovery to scrap value. At Columbia, raw materials are the finished product of the Blairsville plant and recoverable value would be zirconium and stainless steel scrap. Due to the working nature of the fuels products sold by the Debtors, customers cannot accept partial deliveries on finished goods as they would not function properly at their respective plants. Therefore, a significant portion of finished goods value would be unrecoverable, as such goods could not be sold for scrap value due to regulatory and hazardous material concerns. Uranium stock at the Columbia plant is owned by the customer and therefore has no recoverable value.

Inventory value for Global Components Manufacturing is held by the Global Products and Services business unit. The Inventory is purposed for assembly into larger components, and the recovery value of the Inventory is driven by the stage of the assembly of those components. Inventory can be manufactured internally or purchased externally, and is quality inspected. Internally manufactured Inventory is typically more specialized and less marketable, whereas externally manufactured Inventory is more marketable, driving a higher recovery value. The estimated recovery range for Inventory is 3% to 70%.

- (iv) “Costs and Estimated Earnings in Excess of Billings” is comprised of revenues recognized in excess of amounts billed. In the “percentage of complete” accounting method, revenue is recognized as a proportion of the costs incurred on a project and includes amounts not invoiced to the customer. The ability to collect on work that is not yet invoiced because of milestones is severely limited and little to no recovery is anticipated. Certain exceptions exist for field services and interim order work where the recovery range would be higher due to timing of invoice issuance. The estimated recovery range for Costs and Estimated Earnings in Excess of Billings is 3% to 6%.
- (v) “Other Current Assets” include prepaid expenses, deferred expenses, and employee advances for which the Debtors anticipate no recoverable value. Also included in Other Current Assets are the short-term postpetition loans from Debtor to non-Debtor entities (the “**LFA Loans**”). The recovery on the LFA Loans is based on the distributable value of the liquidation of the non-Debtor entities and the guarantee from TNEH UK to WEC which is represented as an Administrative Claim from WEC to TNEH UK in this analysis. The estimated recovery range for Other Current Assets is 40% to 48% for WEC, and no recovery is anticipated for other Debtor entities.
- (vi) PP&E is split into recovery of owned real property (“**Facilities**”), Plant Equipment (“**Equipment**”) and furniture, fixture, and other equipment (“**FFE**”). Recovery ranges on Facilities were based on fair market appraisals and broker opinions of the nine owned real property locations of the Debtors. The estimated proceeds under a forced sale for these specialized properties would be a limited amount of fair market value given the time constraints of the sale and the specialized nature of the properties. The value of FFE primarily consists of extremely specialized equipment, a significant portion of which may not even be re-sold as scrap due to contamination or hazardous material concerns, which would limit the recoverable value. The estimated recovery range for PP&E is 24% to 50%.
- (vii) “Other Intangible Assets” primarily consist of developed technology, non-contracted customer relationships, and the Westinghouse brand name for which the Debtors maintain a book value but do not own the rights. Developed technology includes patents for which the Liquidation Analysis estimates a recovery value based on management review of the underlying portfolio. The estimated recovery range for Other Intangible Assets is 21% to 47%.
- (viii) “Investment in Non-Debtor Affiliates” consists of capital stock in non-Debtor entities. No recovery for this Asset class is anticipated in a forced liquidation scenario.
- (ix) “Other Non-Current Assets” primarily consist of uranium working stock, which is a commodity-like Asset and would be anticipated to sell quickly and at a minor discount. Other Non-Current Assets include long-term prepaid expenses, accounts receivable over one year, and a long-term intercompany loan of \$6.1 million to Mangiarotti S.p.A. that would have no recovery value. Also included in Other Non-Current Assets are letters of credit deposits for the benefit of the issuers that are assumed to be drawn upon a hypothetical liquidation scenario and have no recoverable value. Other Non-Current Assets also include prepetition intercompany loans between the Debtors and non-Debtors (the “**Prepetition Intercompany Loans**”). The recovery on the Prepetition Intercompany Loans is based on the distributable value of the liquidation of the non-Debtor entities. The

estimated recovery range of Other Non-Current Assets is 56 to 64% for WEC due to the uranium working stock, 5% to 6% for TNEH UK due to the Prepetition Intercompany Loans, and 0% for other Debtor entities.

B. Liquidation Costs

The Liquidation Analysis includes costs associated with the wind down of the Debtors' business as well as with running a chapter 7 liquidation process.

- (i) Chapter 7 Trustee fees were valued at 4% of total liquidation cost based on historical precedent.
- (ii) Chapter 7 professional fees were estimated based on the number of claims classes, the advisors for these classes, and the length of the chapter 7 proceedings. It is assumed that for the last three months of the Liquidation Period, professional fees would be reduced by approximately 50%.
- (iii) The payroll/overhead run rate over the six-month period was estimated using monthly payroll cost as of December 2017, adjusted to remove costs for employees whose functions would no longer continue after the Liquidation Date, such as those in the Global Field Services & Plant Modifications and Global Engineering Services businesses. This adjusted payroll cost would run for the initial three-month period before being reduced by 50% for two subsequent months, and then further reduced by 50% for the sixth and final month of the wind-down period. In the high-recovery scenario, the approximately 1,200 employees at the Ogden, Blairsville, and Columbia sites and the costs associated with them are assumed to be transferred to the Department of Energy and Nuclear Regulatory Commission that would maintain the plants.
- (iv) The liquidation cost of PP&E is estimated at 8% of PP&E liquidation proceeds due to broker fees from the sale of owned facilities.
- (v) The liquidation cost of intangible assets is estimated at 10% of liquidation proceeds of other intangible assets due to anticipated commission costs.
- (vi) The cost to exit the Debtors' facilities is \$10 per square foot (\$4 for information technology costs, \$4 for facilities, and \$2 for security) for total square footage of all owned and leased facilities. In the high-recovery scenario, the Ogden, Blairsville, and Columbia plants would be turned over to the Department of Energy and the Nuclear Regulatory Commission, eliminating the exit costs that would otherwise be incurred on these plants.
- (vii) This analysis does not contemplate any additional cost to liquidate related to environmental or decontamination & decommissioning liabilities, as these are anticipated to be covered by surety bonds and decommissioning funds in place.

IV.
SPECIFIC NOTES TO THE LIABILITY
ASSUMPTIONS CONTAINED IN THE LIQUIDATION ANALYSIS

The Liquidation Analysis sets forth an allocation of the liquidation proceeds to holders of Claims and Interests in accordance with the priorities set forth in section 726 of the Bankruptcy Code. In preparing the Liquidation Analysis, the Debtors estimated Allowed Claims based upon a review of Claims listed on the Debtors' Schedules and Proofs of Claim filed to date, and the Debtors did not contemplate subordination of any Allowed Claims in the General Unsecured Claims class. In addition, the Liquidation Analysis includes estimates for certain costs and claims not currently asserted in these Chapter 11 Cases, but which could be asserted and allowed in a chapter 7 liquidation. These costs and claims include those incurred to manage the chapter 7 liquidation (such as trustee and professional fees and operational wind-down costs), and additional Administrative Claims.

To date, the Bankruptcy Court has not estimated or otherwise fixed the total amount of Allowed Claims. For purposes of the Liquidation Analysis, the Debtors' estimates of Allowed Claims are used. Therefore, the Debtors' estimate of Allowed Claims set forth in the Liquidation Analysis should not be relied on for any other purpose, including determining the value of any distribution to be made on account of Allowed Claims and Interests under the Plan.

A. DIP Claims

Under the DIP Credit Agreement, the Debtors maintain certain letters of credit which are cash collateralized. In the event of a hypothetical liquidation scenario, it is assumed the letters of credit are drawn and the issuers would keep the cash collateral. This analysis assumes the DIP Claim is fully asserted against and paid entirely by Westinghouse Electric Company LLC.

B. Administrative Expense Claims

Under the Interim Assessment Agreements related to the U.S. AP1000 Projects, the Debtors maintain cash balances on behalf of its customers. These cash balances are included in the Debtors' liquidation proceeds, and an Administrative Expense Claim is assumed to be asserted under the applicable Interim Assessment Agreement for these funds. Administrative Expense Claims also include Claims asserted by WEC against TNEH UK related to the guarantee of the LFA Loans. It is possible that WEC would pursue contribution claims against other Debtors, but these additional pursuit actions have not been included in this analysis. The Break-Up Fee is included as an Administrative Expense Claim.

Notes to Debtor Balance Sheets

Basis of Presentation

The accompanying debtor balance sheets include the assets and liabilities of Westinghouse entities that filed voluntary petitions for relief under chapter 11 of the U.S. Bankruptcy Code in the U.S. Bankruptcy Court for the Southern District of New York in New York City (collectively, the Debtors) as of December 31, 2017. Unless otherwise indicated, all dollar amounts in these debtor balance sheets are presented in thousands.

The Debtor balance sheets have not been subjected to procedures that would typically be applied to financial information presented in accordance with U.S. generally accepted accounting principles (U.S. GAAP). Specifically, the information contained herein (i) has not been audited or reviewed by independent registered public accountants, (ii) is limited to the time period indicated, (iii) individual debtor legal entities have not been evaluated for impairments of intercompany balances, and (iv) there are certain reclassification adjustments made to consolidated balance sheets that are not pushed down to individual legal entities herein (see note on Reclassification Adjustments below). Upon application of such procedures, the Debtors believe that the financial information could be subject to changes, and these changes could be material.

Reclassification Adjustments

In preparing the consolidated balance sheet of the debtors, certain reclassification adjustments were necessary. These adjustments were not pushed down to the individual balance sheets of the debtors. The most significant of which was separate presentation on the balance sheet for liabilities subject to compromise.

Liabilities subject to compromise include unsecured or under-secured liabilities incurred prior to the Petition Date. These liabilities represent the amounts expected to be allowed on known or potential claims to be resolved through the Chapter 11 Cases and remain subject to future adjustments based on negotiated settlements with claimants, actions of the Bankruptcy Court, rejection of executory contracts, proofs of claims or other events. Additionally, liabilities subject to compromise also include certain items that may be assumed, and as such, may be subsequently reclassified to liabilities not subject to compromise.
