The Schedules and Statements were prepared by the Debtors' financial advisor, Bridge Associates, LLC, and the Debtors' Chief Restructuring Officer, David N. Phelps, who is an employee of Bridge Associates, LLC (collectively "Bridge"). Bridge, in conjunction with Dennis L. Roossien, Jr. (the "Trustee"), the duly appointed Chapter 11 trustee in the Debtors' bankruptcy cases, has made reasonable efforts to file complete and accurate Schedules and Statements based upon information available at the time of preparation. However, as a result of the complexity of the Debtors' business operations, the Schedules and Statements remain subject to further revision and verification by the Trustee. Subsequent information may result in material changes in financial and other data contained in the Schedules and Statements. The Trustee reserves his right to amend the Schedules and Statements from time to time as may be necessary or appropriate. This Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding Debtors' Schedules and Statements (the "Global Notes") is incorporated by reference in, and comprises an integral part of, the Schedules and Statements and should be referred to and reviewed in connection with any review of the Schedules and Statements.

1. Description of the Case and "As Of" Information Date. On June 22, 2009 (the "Petition Date"), the Debtors filed their voluntary petitions for relief under Chapter 11 of 11 U.S.C. §§ 101 *et seq.* (the "Bankruptcy Code"). On July 20, 2009, the Office of the U.S. Trustee appointed the Trustee to serve as the Chapter 11 trustee in the Debtors' bankruptcy cases. By order entered on the same day, the Trustee's appointment was confirmed and approved by the Court presiding over the Debtors' bankruptcy cases. Except as otherwise noted herein, all information in the Schedules and Statements is as reflected in the Debtors' books and records as of the Petition Date.

2. Basis of Presentation. These Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles, nor are they intended to fully reconcile to any financial statements otherwise prepared and/or distributed by the Debtors and/or the Trustee.

3. Summary of Significant Reporting Policies. Bridge, in consultation with the Trustee, adopted the “book value” valuation convention in the preparation of the Schedules and Statements. The “book value” valuation convention uses historical acquisition costs less depreciation (if applicable) as recorded on the Debtors’ books as of the Petition Date. At this stage of the Debtors’ bankruptcy cases, the Trustee believes that it is unnecessary, prohibitively expensive, and unduly burdensome to obtain and provide current market valuations of the Debtors’ assets and liabilities. Accordingly, unless otherwise noted, the Schedules and Statements reflect the carrying value of the assets and liabilities as listed in the Debtors’ books and records. The Trustee believes the actual value of certain assets may be substantially lower than the book value.

(a) Real Property and Personal Property – Leased. Leased. In the ordinary course of their businesses, the Debtors leased real property and various articles of personal property, including, but not limited to, furniture, fixtures and equipment, from certain third-party lessors. Every attempt has been made to set forth all such leases in the Schedules and Statements. The property subject to leases may be reflected in the Schedules and Statements as either property or assets owned by the Debtors or property or assets of third-parties within the control of the Debtors. However, nothing in the Schedules or Statements is or shall be construed as an admission or determination as to the legal status of any lease (including whether to assume and assign or reject such lease or whether such lease is a true lease or a financing arrangement), and the Trustee reserves all of his rights with respect to all such issues. Furthermore, the listing of any property owned or leased by the Debtors as personal or real property is for purposes of the Schedules and Statements only and does not necessarily constitute the legally correct classification of the Debtors’ interest in such property. The Trustee reserves all of his rights to dispute or challenge the classification of any real or personal property listed within the Schedules and Statements.

(b) Causes of Action. The Trustee reserves all of his rights with respect to any causes of action he may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver or release of any such causes of action. The Schedules and Statements do not include administrative or other proceedings.

(d) Schedule D. Except as otherwise provided in the *Agreed Final Order Authorizing Debtors to Use Cash Collateral* entered August 7, 2009 [Docket No. 172], the Trustee reserves his right to dispute or challenge the validity, extent, priority, perfection, immunity from avoidance, or other challenge of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D. Moreover, although the Trustee may have scheduled claims of various creditors as secured claims, the Trustee reserves all of his rights to dispute or challenge the secured status of any such creditor’s claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor’s claim. The descriptions provided on Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, validity, and priority of any liens. Nothing in the Global Notes or in the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements

Case No. 09-33886

Debtor

The Trustee has not included on Schedule D those parties that may believe their claims are secured through setoff rights, deposits posted by, or on behalf of, any of the Debtors, or inchoate statutory lien rights.

(e) Schedule F. Schedule F sets forth the liabilities of the Debtors to specific creditors as such amounts are reflected on the books and records of the Debtors as of the Petition Date. The claims listed in Schedule F arose or were incurred on various dates. In certain instances, the date on which the claim arose is unclear. While reasonable efforts have been made, determination of each date upon which each claim in Schedule F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Trustee does not list a date for which each claim listed on Schedule F. In certain instances where the liabilities are listed on Provident Royalties LLC or Provident Operating Company, LLC, such liabilities may have arisen from the operations of another Debtor but under the centralized cash management system that was utilized by the Debtors. Those liabilities were recorded on the books of either Provident Royalties LLC or Provident Operating Company, LLC as a liability. Schedule F also contains information regarding pending litigation involving the Debtors. The amounts for these potential claims are listed as undetermined and marked as unliquidated and disputed in the Schedules. Schedule F contains information regarding pending litigation involving the Debtors. The amounts for these potential claims are listed as undetermined and marked as contingent, unliquidated and disputed in the Schedules.

(f) Schedule G. While every effort has been made to ensure the accuracy of the Schedule of Executory Contracts, inadvertent errors or omissions may exist or have occurred. The Trustee hereby reserves all of his rights to dispute the validity, status, or enforceability of any contracts, agreements or leases set forth on Schedule G and to amend or supplement such Schedule as necessary. The contracts, agreements and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letter and other documents, instruments and agreements which may not be listed therein. Certain of the real property leases listed on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. Certain of the executory agreements may not have been memorialized and could be subject to dispute. Executory agreements that are oral in nature, if any, have been scheduled to the best of the Trustee's knowledge. Additionally, the Debtors may be parties to various other agreements concerning real property, such as easements, rights of way, subordination, nondisturbance, supplemental agreements, amendments/letter agreements, title documents, consents, site plans, maps and other miscellaneous agreements. Such agreements, if any, are not set forth on Schedule G. Certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. The Trustee reserves all of his rights, claims and causes of action with respect to the contracts and agreements listed on these Schedules and Statements, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument. Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. Accordingly, the Trustee reserves all of his rights, claims, and causes of action with respect to any such omitted contracts or agreements.

(g) Disputed, Contingent and/or Unliquidated Claims. Schedules D, E and F permit the Trustee to designate a claim as disputed, contingent and/or unliquidated. A failure to designate a claim on any of these Schedules as disputed, contingent and/or unliquidated does not constitute an admission that such claim is not subject to objection. The Trustee reserves his right to dispute, or assert offsets or defenses to, any claim reflected on the Schedules and Statements as to amount,

(h) Allocation of Liabilities Between Pre-Petition and Post-Petition Periods. The Trustee, in conjunction with Bridge, has made every effort to allocate liabilities between pre-petition and post-petition periods based upon the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between pre-petition and post-petition

(i) Credits and Allowances. The dollar amounts of claims listed may be exclusive of contingent and unliquidated amounts. The claims of individual creditors for, among other things, services or taxes are generally listed as the lower of the amounts invoiced by such creditor and the amounts entered on the Debtors' books and records and may not reflect credits or allowances due from such creditors to the Debtors. The Trustee reserves all of his rights respecting such credits and allowances. In addition, the Bankruptcy Court has approved the payment of certain pre-petition claims against the Debtors, including, without limitation, certain claims of employees for wages, salaries, contributions to benefit plans, reimbursement of business expenses and other claims, as well as certain tax obligations. Such claims may not be reflected in Schedule E or Schedule F.

(j) Intercompany Receivables and Payables. Intercompany Receivables and Payables consist of the transfer of cash between and among the Debtors and the pass-through of revenues and direct operating expenses related to each respective Debtor for receipts and disbursements processed through the centralized cash management system of the Debtors.

SCHEDULE D - CREDITORS HOLDING SECURED CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number of all entities holding claims secured by property of the debtor as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. List creditors holding all types of secured interests such as judgement liens, garnishments, statutory liens, mortgages, deeds of trust, and other security interests.

List creditors in alphabetical order to the extent practicable. If a minor child is the creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). If all secured creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Total the columns labeled "Amount of Claim Without Deducting Value of Collateral" and "Unsecured Portion, if Any" in the boxes labeled "Total(s)" on the last sheet of the completed schedule. Report the total from the column labeled "Amount of Claim Without Deducting Value of Collateral" also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report the total from the column labeled "Unsecured Portion, if Any" on the Statistical Summary of Certain Liabilities and Related Data.

Check this box if debtor has no creditors holding secured claims to report on this Schedule D.

SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Check this box if debtor has no creditors holding unsecured claims to report on this Schedule F.
