Counsel for the Debtors

¹ The Debtors in this jointly administered bankruptcy proceeding are: Richfield Equities, L.L.C., Case No. 12-33788; Richfield Landfill, Inc., Case No. 12-33789; Richfield Management, L.L.C., Inc., Case No. 12-33790; and Waste Away Disposal, L.L.C., Case No. 12-33791.

Schedules of Assets and Liabilities

General Notes

1. The Schedules of Assets and Liabilities (the "Schedules") have been prepared by the Debtor's management and are unaudited. While management of the Debtor has made every reasonable effort to ensure that the Schedules are accurate and complete based upon information that was available at the time of preparation, the subsequent receipt of information may result in material changes in financial data contained in the Schedules and inadvertent errors or omissions may exist. To the extent the Debtor discovers additional information that may suggest a material difference, the Debtor will amend the Schedules to reflect such changes. Accordingly, the Debtor reserves all rights to amend its Schedules as may be necessary or appropriate.
2. It would be prohibitively expensive and unduly burdensome to obtain current market valuations of the Debtor's property interests. Accordingly, unless otherwise indicated, the Schedules and the Summary of Schedules reflect the net book values, rather than current market values, of the Debtor's assets and may not reflect the net realizable value.
3. The Schedules do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles, nor are they intended to fully reconcile to any financial statements otherwise prepared and/or distributed by the Debtor.
4. Any failure to designate a claim on the Schedules as "disputed," "contingent" or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed," "contingent" or "unliquidated." The Debtor reserves the right to dispute, or to assert offsets or defenses to, any claim reflected on its Schedules as to amount, liability or classification or to otherwise subsequently designate any claim as "disputed," "contingent" or "unliquidated." Listing a claim does not constitute an admission of liability by the Debtor.
5. Listing a claim (i) in Schedule D as "secured," (ii) in Schedule E as "priority" or (iii) in Schedule F as "unsecured nonpriority," or listing a contract in Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtor of the legal rights of the claimant or a waiver of the Debtor's right to recharacterize or reclassify such claim or contract.
6. Prior to the Petition Date, the Debtor routinely engaged in intercompany transactions, which were evidenced by intercompany loans. If upon further review and investigation any intercompany loan balances listed in the Schedules require updating, the Debtor will update such balances in accordance with Rule 1009 of the Federal Rules of Bankruptcy Procedure, as appropriate.
7. The claims of individual creditors for, among other things, goods, products, services or taxes are listed as the amounts entered on the Debtor's books and records and may not reflect credits, allowances or other adjustments due from such creditors to the Debtor. The Debtor reserves all of its rights respecting such credits, allowances or other adjustments.

8. Pursuant to certain first-day orders approved by the Court on September 20, 2012, the Debtor was authorized to pay various outstanding prepetition claims, such as certain employee wages and benefit claims, and related tax claims. If the Debtor had any such claims on the Petition Date that have been subsequently paid pursuant to Court order, such claims have not been listed on the Schedules.

General Notes for Schedule D

Except as otherwise agreed pursuant to a stipulation, agreed order or order entered by the Court that is or becomes final, the Debtor reserves its rights to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any asset to a secured creditor listed on Schedule D. Moreover, although the Debtor may have scheduled a claim as a secured claim, the Debtor reserves all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including, without limitation, any intercompany agreement) related to such creditor's claim. The descriptions provided in Schedule D are intended only to be a summary. Nothing in these General Notes or the Schedules shall be deemed a modification or interpretation of the terms of any loan agreement or related document.

General Notes for Schedule G

1. Although every effort has been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred. The Debtor hereby reserves all of its rights to dispute the validity, status, or enforceability of any contracts, agreements or leases set forth on Schedule G and to amend or supplement such Schedule as necessary.
2. The contracts, agreements and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letter and other documents, instruments and agreements which may not be listed on Schedule G. Portions of some contracts and leases that are listed on Schedule G may have been fully performed, while other portions of the same contracts and leases may remain executory.
3. Certain of the real property leases listed on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers, duties and obligations may not be set forth on Schedule G.
4. The Debtor has not listed purchase and sale orders on Schedule G because of, among other things, their large number and transitory nature.
5. Certain of the executory agreements on Schedule G may not have been memorialized and could be subject to dispute.
6. The Debtor may be parties to various other agreements concerning real property, such as easements, rights of way, subordination, non-disturbance, supplemental agreements, amendments/letter agreements, title documents, consents, site plans, maps and other miscellaneous agreements. Such agreements, if any, may not be set forth on Schedule G.
7. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. The Debtor reserves all of its rights, claims and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument.

SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See 11 U.S.C. § 112 and Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "HWJC."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Check this box if debtor has no creditors holding unsecured nonpriority claims to report on this Schedule F.
