**SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS**

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Check this box if debtor has no creditors holding unsecured nonpriority claims to report on this Schedule F.

Debtor(s)

STATEMENT OF FINANCIAL AFFAIRS

This statement is to be completed by every debtor. Spouses filing a joint petition may file a single statement on which the information for both spouses is combined. If the case is filed under chapter 12 or chapter 13, a married debtor must furnish information for both spouses whether or not a joint petition is filed, unless the spouses are separated and a joint petition is not filed. An individual debtor engaged in business as a sole proprietor, partner, family farmer, or self-employed professional, should provide the information requested on this statement concerning all such activities as well as the individual's personal affairs. To indicate payments, transfers and the like to minor children, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m).

Questions 1 - 18 are to be completed by all debtors. Debtors that are or have been in business, as defined below, also must complete Questions 19 - 25. If the answer to an applicable question is "None," mark the box labeled "None." If additional space is needed for the answer to any question, use and attach a separate sheet properly identified with the case name, case number (if known), and the number of the question.

An individual debtor also may be "in business" for the purpose of this form if the debtor engages in a trade, business, or other activity, other than as an employee, to supplement income from the debtor's primary employment.

UNITED STATES BANKRUPTCY COURT

NOTICE TO CONSUMER DEBTOR(S) UNDER §342(b)  
OF THE BANKRUPTCY CODE

In accordance with § 342(b) of the Bankruptcy Code, this notice to individuals with primarily consumer debts: (1) Describes briefly the services available from credit counseling services; (2) Describes briefly the purposes, benefits and costs of the four types of bankruptcy proceedings you may commence; and (3) Informs you about bankruptcy crimes and notifies you that the Attorney General may examine all information you supply in connection with a bankruptcy case.

You are cautioned that bankruptcy law is complicated and not easily described. Thus, you may wish to seek the advice of an attorney to learn of your rights and responsibilities should you decide to file a petition. Court employees cannot give you legal advice.

Notices from the bankruptcy court are sent to the mailing address you list on your bankruptcy petition. In order to ensure that you receive information about events concerning your case, Bankruptcy Rule 4002 requires that you notify the court of any changes in your address. If you are filing a **joint case** (a single bankruptcy case for two individuals married to each other), and each spouse lists the same mailing address on the bankruptcy petition, you and your spouse will generally receive a single copy of each notice mailed from the bankruptcy court in a jointly-addressed envelope, unless you file a statement with the court requesting that each spouse receive a separate copy of all notices.

**1. Services Available from Credit Counseling Agencies**

**With limited exceptions, § 109(h) of the Bankruptcy Code requires that all individual debtors who file for bankruptcy relief on or after October 17, 2005, receive a briefing that outlines the available opportunities for credit counseling and provides assistance in performing a budget analysis.** The briefing must be given within 180 days **before** the bankruptcy filing. The briefing may be provided individually or in a group (including briefings conducted by telephone or on the Internet) and must be provided by a nonprofit budget and credit counseling agency approved by the United States trustee or bankruptcy administrator. The clerk of the bankruptcy court has a list that you may consult of the approved budget and credit counseling agencies. Each debtor in a joint case must complete the briefing.

**In addition, after filing a bankruptcy case, an individual debtor generally must complete a financial management instructional course before he or she can receive a discharge.** The clerk also has a list of approved financial management instructional courses. Each debtor in a joint case must complete the course.

**2. The Four Chapters of the Bankruptcy Code Available to Individual Consumer Debtors**

**Chapter 7: Liquidation (\$245 filing fee, \$75 administrative fee, \$15 trustee surcharge: Total fee \$335)**

Chapter 7 is designed for debtors in financial difficulty who do not have the ability to pay their existing debts. Debtors whose debts are primarily consumer debts are subject to a “means test” designed to determine whether the case should be permitted to proceed under chapter 7. If your income is greater than the median income for your state of residence and family size, in some cases, the United States trustee (or bankruptcy administrator), the trustee, or creditors have the right to file a motion requesting that the court dismiss your case under § 707(b) of the Code. It is up to the court to decide whether the case should be dismissed.

Under chapter 7, you may claim certain of your property as exempt under governing law. A trustee may have the right to take possession of and sell the remaining property that is not exempt and use the sale proceeds to pay your creditors.

The purpose of filing a chapter 7 case is to obtain a discharge of your existing debts. If, however, you are found to have committed certain kinds of improper conduct described in the Bankruptcy Code, the court may deny your

discharge and, if it does, the purpose for which you filed the bankruptcy petition will be defeated.

Even if you receive a general discharge, some particular debts are not discharged under the law. Therefore, you may still be responsible for most taxes and student loans; debts incurred to pay nondischargeable taxes; domestic support and property settlement obligations; most fines, penalties, forfeitures, and criminal restitution obligations; certain debts which are not properly listed in your bankruptcy papers; and debts for death or personal injury caused by operating a motor vehicle, vessel, or aircraft while intoxicated from alcohol or drugs. Also, if a creditor can prove that a debt arose from fraud, breach of fiduciary duty, or theft, or from a willful and malicious injury, the bankruptcy court may determine that the debt is not discharged.

**Chapter 13: Repayment of All or Part of the Debts of an Individual with Regular Income (\$235 filing fee, \$75 administrative fee: Total fee \$310)**

Chapter 13 is designed for individuals with regular income who would like to pay all or part of their debts in installments over a period of time. You are only eligible for chapter 13 if your debts do not exceed certain dollar amounts set forth in the Bankruptcy Code.

Under chapter 13, you must file with the court a plan to repay your creditors all or part of the money that you owe them, using your future earnings. The period allowed by the court to repay your debts may be three years or five years, depending upon your income and other factors. The court must approve your plan before it can take effect.

After completing the payments under your plan, your debts are generally discharged except for domestic support obligations; most student loans; certain taxes; most criminal fines and restitution obligations; certain debts which are not properly listed in your bankruptcy papers; certain debts for acts that caused death or personal injury; and certain long term secured obligations.

**Chapter 11: Reorganization (\$1167 filing fee, \$550 administrative fee: Total fee \$1717)**

Chapter 11 is designed for the reorganization of a business but is also available to consumer debtors. Its provisions are quite complicated, and any decision by an individual to file a chapter 11 petition should be reviewed with an attorney.

**Chapter 12: Family Farmer or Fisherman (\$200 filing fee, \$75 administrative fee: Total fee \$275)**

Chapter 12 is designed to permit family farmers and fishermen to repay their debts over a period of time from future earnings and is similar to chapter 13. The eligibility requirements are restrictive, limiting its use to those whose income arises primarily from a family-owned farm or commercial fishing operation.

**3. Bankruptcy Crimes and Availability of Bankruptcy Papers to Law Enforcement Officials**

A person who knowingly and fraudulently conceals assets or makes a false oath or statement under penalty of perjury, either orally or in writing, in connection with a bankruptcy case is subject to a fine, imprisonment, or both. All information supplied by a debtor in connection with a bankruptcy case is subject to examination by the Attorney General acting through the Office of the United States Trustee, the Office of the United States Attorney, and other components and employees of the Department of Justice.

**WARNING:** Section 521(a)(1) of the Bankruptcy Code requires that you promptly file detailed information regarding your creditors, assets, liabilities, income, expenses and general financial condition. Your bankruptcy case may be dismissed if this information is not filed with the court within the time deadlines set by the Bankruptcy Code, the Bankruptcy Rules, and the local rules of the court. The documents and the deadlines for filing them are listed on Form B200, which is posted at [http://www.uscourts.gov/bkforms/bankruptcy\\_forms.html#procedure](http://www.uscourts.gov/bkforms/bankruptcy_forms.html#procedure).
